FOOTBALL CONCERT WELL RECEIVED

A large, enthusiastic crowd greeted the Manchester Marching Dutchmen Band on Friday night. And for over forty-five minutes, the crowd was entertained with march music, show tunes, blues, themes from movies and TV specials and more. Sectional solos were featured in some of the selections.

The Marching Dutchmen are under the direction of Mr. Roger Harrison. During a short break in the program, the Seniors in the marching band were acknowledged. These Seniors are Cheryl Detling from the clarinet section; Dan Haasett, who plays baritone; Mark Cooper, the bass drummer; Tim Harrison from the baritone section and Mike Fisk, the drum major. The drum major also gave a thank you to the two Freshmen twirlers, Lisa Huber and Teresa Seagert, by presenting them with a bouquet of maroon and gold carnations as he said they did the most work of all because they had to brave the cold during the half times.

Following the concert, a social hour was hosted by the Manchester Band and Orchestra Boosters Club members, who served punch and coffee.

The next meeting of the Manchester Band and Orchestra Boosters Club will be held on November 23, 1976 at 8:00 p.m. The meeting is scheduled to be held in Room 104 across from the library.

Adult Education

Have you ever bought something that was not what was advertised or what you expected? Have you received a bill that "ripped you off"? Are you annoyed by salesmen who promise you something for nothing? Have you ever wanted to take a case to Small Claims Court? Then the November Community Education Program may be the answer to these and other problems, you, the consumer have.

Mr. Mike Denomme, from the Washtenaw Consumers Action Center will explain problem areas and ways consumers can protect themselves, procedures required for taking cases to Small Claims Court, basic consumer laws, regulations and more.

Mr. Mike Denomme, from the Washtenaw Consumers Action Center will explain problem areas and ways consumers can protect themselves, procedures required for taking cases to Small Claims Court, basic consumer laws, regulations and more.

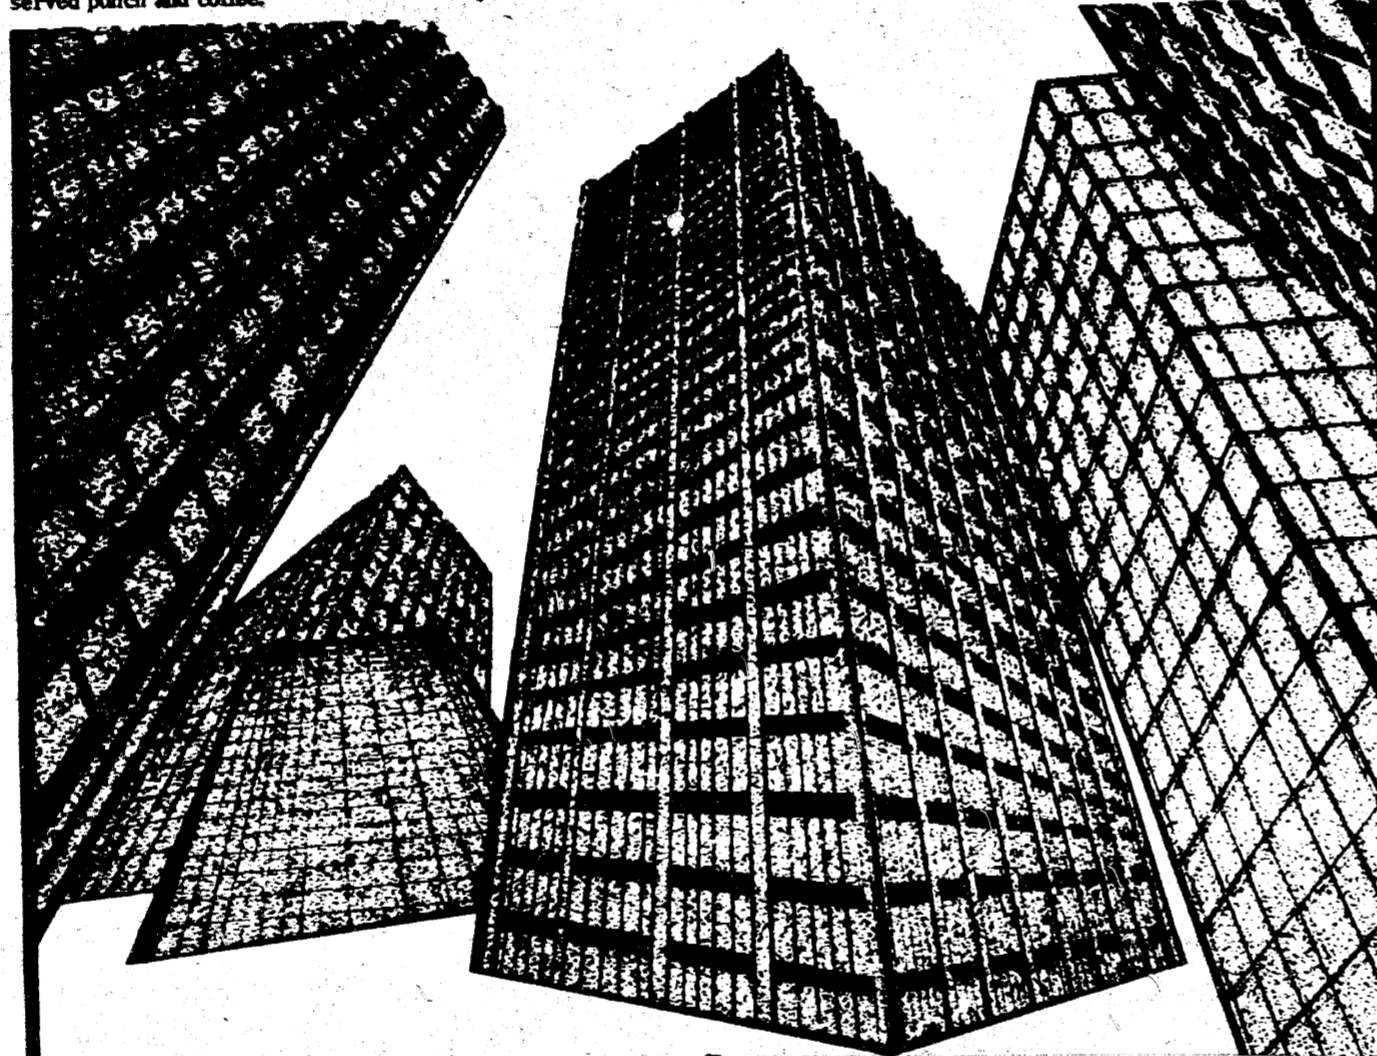

With the Christmas buying season fast approaching, everyone should be aware of their consumer rights. This program is open and free to the public and will be held Monday, November 22 at 7:30 p.m. in the Study Auditorium of Manchester High School. Literature will be available for you to take home with you on Consumer Protection Laws.

LIBRARY NEWS

Manchester Township Library scores a big one! At the Michigan Library Association fall conference in Grand Rapids, Mrs. Lois Kuntz, one of our trustees, was elected Chairman of Trustees Division of the M.L.A. This position carries much responsibility, but Lois, who is Treasurer of our Board of Trustees, is very capable and will surely do well. Congratulations, Lois.

Two very fine gifts were presented to the library in October. Our sincere thanks to Mary Sue Moore and Mr. and Mrs. Robert Ross. These monies will buy more fine books, magazines and records for us all to use and enjoy.

The DRAWING CONTEST continues through November. Could you use an extra \$5.00? Simply sketch the library building in black and white and submit it to Librarian Mrs. Mary Bostall. The winning sketch will be used for our stationary letterhead. You don't know what you can do until you try!

THE INTER-COM

Bill Green
Superintendent of Schools

Beginning next week, one of the most enjoyable and beautiful Seasons of the Year begins with the Thanksgiving holidays. The art of thanksgiving is thanksgiving. It is gratitude in action. It is applying Albert Schweitzer's philosophy: "in gratitude for your own good fortune, you must render in return some sacrifice of your life for other lives".

It is thanking God for the gift of life by living it triumphantly. It is thanking God for your talents and abilities by accepting them as obligations to be invested for the common good. It is thanking God for all that men and women have done for you by doing things for others.

It is thanking God for opportunities by accepting them as a challenge to achievement and for happiness by striving to make others happy.

It is thanking God for beauty by helping to make the world more beautiful and for inspiration by trying to be an inspiration to others. It is thanking God for health and strength by the care and reverence

you show your body. It is thanking God for the creative ideas that enrich our lives and by adding our own creative contributions to human progress.

It is thanking God for each new day by living it to the fullest and by giving hands, arms, legs and voice to our thankful spirit. It is adding to our prayers of thanksgiving, acts of thanksgiving.

In this spirit, the Board of Education and the entire staff of the Manchester Community Schools extend to you our heartiest best wishes for a most happy and peaceful Thanksgiving.

Thank you,
William Green
Superintendent of Schools

NO HALF-PRICE PORK CHOPS

There was a time when farmers were too busy earning a living to worry about their public image. There really wasn't a need for concern, anyway, because farmer and consumer transactions were made directly with no middlemen separating the two. Later, as the journey of food from farm to urban table had some "detours" along the way, people still had memories of living on a farm, or visits to country relatives, to keep them aware of the original source of their food supply.

The years passed and city consumers, separated from the farm by generations, began thinking of the supermarket as the origin of their food. And lawmakers, with little or no knowledge of agriculture, were making decisions which directly affected the lives of farmers. The independent, self-sufficient farmer who, a short time ago, was not concerned with his public image, suddenly realized he needed the understanding and support of those not involved in his industry. He worked hard to build bridges of understanding between farm and city—in personal contacts at mall promotions, fairs and farm tours, through speakers' bureau appearances before urban groups and in the schools. He took the time to get acquainted with his news media people and convince them that what was happening on the farm was NEWS—not just to farmers, but everyone.

Farmers have made great strides in promoting consumer understanding, but one area has been stamped. When farm prices go up, there always seems to be an excuse for retail food prices to rise—and this makes the headlines. Yet, when

farm prices decline, nobody cares. The fact is, however, that much effect on retail prices, because only 40 cents of the food dollar is put on at the farm level. The other 60 cents is added after the products leave the farm gate.

The farmer, with his ever-rising production costs, understands that the middlemen's costs are rising, too. What disturbs him is that it's the farm price that's always used as the reason for retail price increases. He thinks somebody else along the food production line ought to take a turn being the "heavy".

AMER. ASSN. OF RETIRED PEOPLE

The Amer. Assn. of Retired People will meet Friday, November 19 at 1:30 p.m. at the Sr. Chisen Guild, 502 W. Huron St., Ann Arbor.

The topic: Safety at home and on streets by Officer Michael Ritter, Head of Crime Prevention of Ann Arbor Police Dept.

Although there's an abundance of holiday decorations available, the most are still the ones made at home. And when they can be served for dessert it's even better. A Caramel Crispy Tree makes an attractive centerpiece for your buffet or dinner table. And, for an added effect at a party, put your guest's name on little tags at the end of each park. Any way you display it, it's plain fun keeping this delicious little tree around long—it tastes even better than it looks.

CARAMEL CRISPY TREE

- 45 (1 1/2 oz.) bags Kraft caramels
- 2 tablespoons water
- 3 cups crisp rice cereal
- 2 cups corn flakes
- 1 cup coarsely chopped peanuts
- 3/4 teaspoon cream, 5 inches high

Melt caramels with water in double boiler or saucepan over low heat. Heat occasionally until sauce is smooth. Pour over combined cereals and nuts, toss until well coated. With hands slightly moistened with cold water, form into 1-inch balls. Let stand until firm. Insert wooden picks in each ball and attach to stem.

The Straw Stack is certainly not for her decorative eye looking for a holiday centerpiece. This unique cheeseball is made with cream cheese and natural cheddar cheese covered with sliced almonds. Other dishes for the occasion include Iron Skillet Special, Hired Hand's Hassle, Cabbage Patch Slaw, and Mrs. McDonald's Blue Ribbon Biscuits. The above idea deserves a blue ribbon.

STRAW STACK

- 1 1/2 cups softened cream cheese
- 1/2 cup margarine
- 1/2 teaspoon salt
- 1/2 cup ground almonds
- 1/2 cup shredded cheddar cheese
- 1/2 cup sliced almonds
- Assorted crackers

Combine softened cream cheese, margarine and seasonings, mixing until well blended. Stir in cheddar cheese. Shape into cone-shaped mound; cover with nuts to resemble stack of straw. Chill. Serve with assorted crackers.

IRON SKILLET SPECIAL

- 2 1/2 to 3-lb. broiler-fryers
- 1/2 cup salt
- 1/2 cup pepper

Combine flour and seasonings in plastic bag. Add two to three chicken pieces at a time; shake to coat. Brown on all sides in 1/4-inch hot oil. Cover; continue cooking over low heat 25 minutes. Uncover; cook additional 10 to 15 minutes or until tender. 6 to 8 servings.

HIRED HAND'S HASSLE

- 1 28-oz. can pork and beans
- 1/2 cup Kraft onion bits
- 1/2 cup barbecue sauce
- 1/2 cup packed brown sugar
- 1/2 cup dry onion soup mix
- 1 teaspoon Kraft pure prepared mustard
- 4 crisp-cooked bacon slices, crumbled

Combine beans, barbecue sauce, brown sugar, soup mix and mustard. Pour into greased 1-quart casserole. Top with bacon. Bake at 350° for 40 to 45 minutes or until bubbly. 6 to 8 servings.

CABBAGE PATCH SLAW

- 1/2 cup Kraft real mayonnaise
- 1 tablespoon vinegar
- 2 teaspoons sugar
- 1/2 teaspoon salt
- 1/2 teaspoon celery seed
- 4 cups shredded cabbage
- 1 apple, coarsely shredded

Combine mayonnaise, vinegar, sugar and seasonings, mixing until sugar is dissolved. Pour over cabbage and apple, toss lightly. Chilli. 4 to 6 servings.

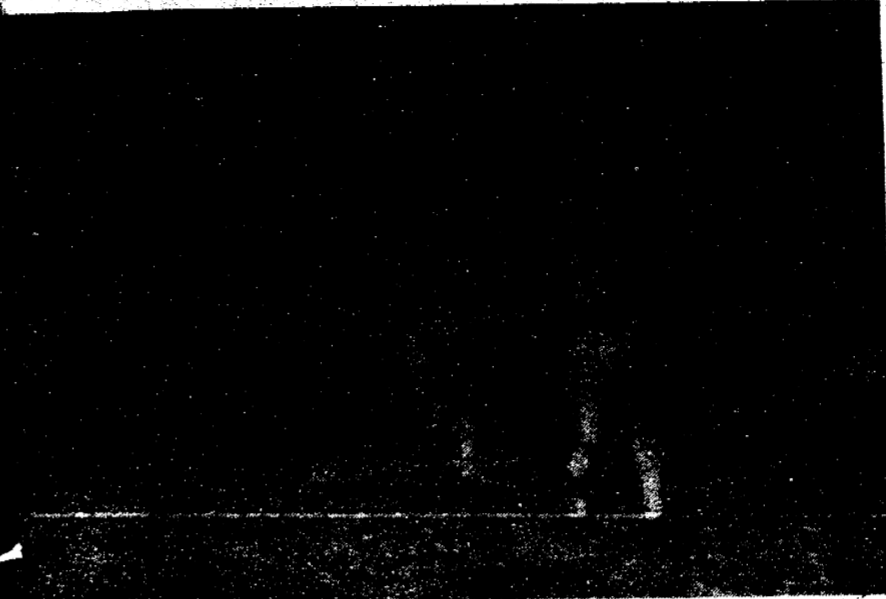

MRS. McDONALD'S BLUE RIBBON BISCUITS

- 2 cups flour
- 4 teaspoons baking powder
- 2 teaspoons sugar
- 1/2 teaspoon salt
- 1/2 teaspoon cream of tartar
- 1/2 cup Parlay margarine
- 1/2 cup milk
- 1/2 cup Kraft jelly, strawberry or apricot preserves

Combine dry ingredients; cut in margarine until mixture resembles coarse crumbs. Stir in milk, mixing just until moistened. Knead on floured surface about ten times. Roll to 1/4-inch thickness; cut with 2-inch cutter. Place on ungreased cookie sheet; bake at 450°, 10 to 12 minutes or until golden brown. Serve with jelly or preserves. Approximately 16 biscuits.

The Dutchmen's forward thrust stopped so Pete Tassie punted. St. Thomas started from their own 28 following a clipping penalty. On second and ten they unleashed a bomb which covered 51 yards and put them on our 21. Three downs later they had third and five and they passed complete to our 1 1/2. It took their offense 3 attempts to cross our goal, but they did at the 3:57 mark and with a successful extra point they were up 7-0. After the kick we went no where so Pete punted giving St. Thomas control on their own 28. Four plays followed and the first quarter ended. On the first play Mike Molnar jarred the ball loose and Tim fell on it to give us possession. Jeff fumbled the snap from center and it looked as if he might get thrown for a loss, but St. Thomas grabbed the face mask. Two downs later we had to punt but an Irish player roughed Pete, Continued on page 10

giving us first down on their 48. Three unsuccessful attempts and we punted again. It was a so-so kick but by the time it rested it sat at the 11 yard line. They were unable to pick up the needed 10 go on fourth and 6 inches they booted from their end zone. They got off a super punt that put us at our own 42. In 3 strikes we moved 1 yard so punted back with 3 minutes left. St. Thomas also went so where but again got off an unbelievable punt that traveled from their 34 to stop on our 11. A penalty snuffed our first down and forced yet another punt in which their man snagged it at mid-field and record down the side lines to the 24 with 30 ticks remaining. St. Thomas wanted more before half but Jim Lambert fumbled their plan as he fumbled and one play later the clock said 24 minutes is history. The tally showed the Irish still leading 7-0.

Manchester received the 2nd half kick and set up operations on their own 28. In 6 threats we were on the Irish 46 with 4th down and we went for it and made it. We concluded to move the sphere right down as Curt Fielder seemed far 15 to put us on the 27. Five plays later we were at the 10 when Jeff fired a shot to Pete for the TD. The extra point failed leaving us 1 ahead 7-0 at 6:55. Following the kick the Irish gathered some 35 yards in 6 downs to be on our 25. On 4th and seven they went for the first but fell short so we took over. We gained 9 of the needed 10 so punted and 3 plays later the quarter ended, now 7-0.

As the final 12 minutes started the Irish had the ball first and ten on their own 43. Their quarterback went back to throw and threw he did, but it appeared to be overthrown. But wait—their end reached and made a fantastic catch and by the time Curt wrestled him to the ground he was at the 3. Three downs and we had them at the eight when a penalty took them half way to the 4. The following play was a power sweep right and we went the 4 for the touchdown. A good

P.A.T. left 11-14-6 with 10:16 remaining. After the TD Curt rambled 9 on first down but a fumble (no recovery) took us back 4 so we punted. The Irish blocked it to set up camp on our 31. Our defense got tough and forced a punt which yielded dead on the 16 with 5:44 to go. Unfortunately we failed to move so punted with only 2:52 left. Our defense rose again when St. Thomas had 3rd and 1 and 4th and 1 but couldn't get the first so punted at 2:06. By the time Curt motored 22 to our 35 there were less than 2 minutes remaining. We then tried a trick play as we handed to Curt and hoped the safeties would think "run" and come up. Curt stopped and let go with an aerial to Pete-2 problems—it wasn't far enough and the safeties didn't come up. It was intercepted and 4 plays later the battle concluded.

VARSITY GIRLS WIN 2

The Varsity Girls Basketball team performed well this past week as they stomped Ovested, 39-23 on Tuesday and on Thursday edged Britton-Macon, 41-36.

At the Ovested game, Elaine Duss was high scorer with 11 points. Denise Galinis tallied for 7, Jan Savage for 6, Tricia Ackenberry and Brenda Eggleston contributed 4 each.

The Britton-Macon game proved to be a fast-paced struggle with the score staying close throughout the game.

Manchester had definite control of the boards as Carol Blumensatter, Brenda Eggleston, and Jan Savage did their job well by grabbing rebounds as if the other team did not exist. Denise Galinis, Mary Ann Knapkowsky, and Diane Soff played excellent defense as they chalked up 15

steals for the team.

As the scoring goes, Manchester shot 11 for 14 freethrows which is a season high for the team. Denise was high point scorer with 10, Jan popped for 8, Brenda tallied for 6, Elaine, Diane and Mary Ann added 4 points apiece to the cause.

Thursday night, November 18, at 6:30 p.m., the Dutch girls travel to Napoleon to take on the Redskins from Clinton in the first game of District Tournament action. Please come support the girls as they undertake to upset Clinton. See you there!

If you paid taxes on a lump sum pension check received anytime since July 4, 1974, you may be able to get your tax money back!

You may have paid thousands of dollars in taxes which you may now get back and place in your own tax-deferred pension account at Ann Arbor Federal Savings.

You may be eligible if you had a pension plan with an employer who has gone out of business or who decided to terminate his plan for any reason, and gave you a lump sum pension check.

That money would have been added to your yearly income and heavily taxed in the year in which you received it. Now you may be able to get those taxes back.

CONGRESS ACTS TO CORRECT UNFAIR TAX PROBLEM

Under prior law, a person receiving a pension check when his employer terminated a pension plan had to add the lump sum payment to his yearly income and pay taxes on it. On April 15, 1976, Congress passed a new law that permits an

individual to deposit or "roll over" the lump sum payment into a tax deferred IRA pension plan, and to recover the taxes.

"ROLLOVER" YOUR MONEY INTO YOUR OWN PENSION PLAN

If you received a lump sum pension payment anytime since July 4, 1974, you may qualify to place that money into your own "roll over" IRA account. If you paid a portion of that lump sum in taxes you may also be eligible to recover those taxes for your retirement account. Withdrawals from your retirement account can be made anytime after you reach age 59½.

ATHLETIC BOOSTERS NEWS

This is just a note to let the people of the community know that the Manchester Athletic Boosters are planning a complete program this year. Everyone is invited to get involved.

Some of the projects that are past history and have been done with a sense of satisfaction is the concession stand at the football games. This project was under the direct supervision of Cathy Hagerman and JoAnn Clark. Again this year the filming of 5 home football games were funded by the boosters, through the cooperation of the one hundred people who purchased tickets in our 50-50 drawing. This project was undertaken to raise money for the upcoming year.

At this time I would like to thank them and all the people who worked on these projects to make them the success that they were.

Another project that was done was the taking down of the ceiling in the gym at the High School. This job was done with the help of many boosters and the men of the Manchester Fire Dept. There were many involved and a special thanks to all who came up and lended a hand to us.

Another job that was all but completed Monday night under the direct chairmanship of Ron Gonyer, Ted Stutz and Jim Kessler are the repairs of the bleachers at the High School. Again there were people of the boosters and concern people of the community to make this project a reality. Special thanks to Gale Koebbe and Harold Kuntzman for donating materials. There were many more people involved in these projects to make them a success, but we can't begin to list all of them, but without them these projects could not of been completed.

We are planning more projects for the students, by this I mean K-12 students. Such as Midget Wrestling, fun night, etc. Our next meeting is November 11, at 8 o'clock in room 104. Please plan to attend, so we know you care.

Thank you,
Joe Fitzgerald

Can you afford to expand?

Hard expansion means land expansion. For the best analysis of your financial needs at a time when land prices are doubling, see your Federal Land Bank representative. Today's capital expenditures run high for expansion. That's why the Land Bank offers large amounts of capital that's truly long-term at reasonable rates. When you think expansion, think Land Bank.

NEW CENTENNIAL FARM DESIGNATED BY MICHIGAN HISTORY DIVISION

A farm owned by Mrs. Elmer Dettling of 6241 Lima Center Road, Manchester, Michigan has been designated as a Centennial Farm by the Division of Michigan History.

The farm, located in Freedom Township, Washtenaw County, has been in the possession of the family since 1867. It was originally purchased February 1, 1867 by George Dettling, a relative of the present owner, from Lambert Feldkamp.

Secretary of State Richard H. Austin, whose Department administers the Centennial Farm program, said the program was inaugurated in 1948. Since then, more than 3000 Michigan farms have been certified as Centennial Farms.

Certificates are provided by the Division of Michigan History. Large metal markers are provided by the Detroit Edison and Consumers Power Companies.

Explains Austin, "A Centennial Farm is one which has been in the continuous possession of the same family for 100 years or more."

For this purpose, the Michigan History Division considers a farm to be either 10 or more acres having estimated farm product sales of more than \$50 yearly, or less than 10 acres having estimated sales of at least \$250 yearly. A centennial farm comprises only the land and not the farm buildings, which may be remodeled or even new.

Applications for Centennial Farm recognition are obtainable from: Centennial Farm Program, Division of Michigan History, Michigan Department of State, Lansing, Michigan 48918.

WASHTENAW COUNTY ROAD COMMISSION

Now that the presidential election is over, it's clean-up time. All political candidates have put forth their best efforts in the simple advertising media of putting their posters on every tree and utility pole within the rights-of-way of the county roads.

The Washtenaw County Road Commission is expecting a great deal of response on the part of all candidates, as well as the general public, in the little effort required to remove this blight from our environment. All such posters remaining within the rights-of-way of our public roads will be removed by county crews at the expense of the general public through highway funds.

COUNCIL PROCEEDINGS

November 1, 1976
 Council met in regular session with the meeting called to order by President Little at 7:07 pm. Present were Daniels, Denhoff, Fitzgerald, Schaffer, Scully and Zsenyuk; absent Duncan and Puffly.
 Minutes from the October 18, 1976 regular meeting were read, and approved in a motion by Scully, supported by Denhoff. All yeas, carried. Enter Duncan at 7:11 pm.
 Zsenyuk presented the Police report for October, 1976—Police runs: 58, investigated: 238, warnings: 90, complaints: 40—V.M.V.L. 1, D & D 2, Confiscated prop. 3, Larc. fr. auto 4, Warrant arrest 1, Suspicious per. 1, Assist other dept. 5, M.D.O.P. 5, Non-suf. hand 1, Found prop. 1, Recovered prop. 1, Sick persons 3, Lost prop. 2, Assault 1, Prowler 1, Open door 2, Assault 1, V.G.S.A. 1, Traffic Violations: 22—Speeding 16, Dis. stop sign 1, Def. Equip. 1, Illegal use fire arms 1, No op lic. on per. 1, Excess, noise 1, Passing double yellow line 1, Parking: 3, Accidents: 4, Arrests: 3—D & D 2, Warrant violation 1.
 Zsenyuk reported that the new police car will be in service Friday. The new radar is already in operation. Zsenyuk read the following letter from the Tecumseh Police Department dated October 13, 1976.
 Chief:
 I would like to take this opportunity to express our appreciation for the fine job you and officers DAVE MINICK and DON STEELE did in the apprehension

of four subjects that had just committed an armed robbery in our city. The manner in which your department handled their job and the cooperation given by yourself and your department speaks very highly for Manchester Police Dept. We certainly appreciate all that you have done to bring these subjects to justice.
 I hope that you will feel free to call on us if we can ever be of any assistance to your department in any way.
 The subjects have appeared in Circuit Court and all plead guilty to Armed Robbery and are awaiting sentencing. Sincerely,
 Merlin Mowery, Chief
 Tecumseh Police Dept.
 The 1973 Plymouth Police car with approximately 100,000 miles will be put up for bid with bids due November 15 at 8:00 pm. Zsenyuk will take care of publicizing for bids. Zsenyuk recounted that he had been called to Schaffer Court in complaint of the view of Union Construction Company's property.
 Ed Rickelman presented a request for a zoning change to permit construction of an apartment complex on his property on the west side of Hibbard north of Duncan. The zoning is presently R1-B (Single Family Urban). The request is for R2B (Low density, multiple-family residential district). The Village Planning Commission passed the request and forwarded it to Council. Mr. Rickelman left to obtain plans for his apartment complex.
 Duncan read the remainder of Village Planning Commission minutes of October 27, 1976. The Village Planning Commission

also by a vote of 4 to 2 approved the motion to maintain the extension of Duncan Street from Macomb to Union Street as a through street for the convenience of the public, stipulating that it be improved. At 8:00 p.m. the petition from Margaret and Clarence Fielder requesting the closing of the extension of Duncan Street from Macomb to Union Street was heard. Letters bearing a total of 18 signatures were read requesting that the street be left open. Mr. Limpert asked if the VPC had studied the effect upon the community if the road was closed—how would the street fit into the master plan of the Village. Duncan Street is now considered a major street. Mr. Limpert also made the point that the road presently separates two zoning areas. Mrs. Gisting, council for the Fielders, emphasized that the problem arose when the nature, kind and volume of the traffic changed; at that point it became intolerable. Mr. Fielder objects to a road existing where there is insufficient room. Mrs. Fielder questioned why the Village had accepted tax monies from the Fielders, as well as her family before them, for a period of 60 years if the property belonged to the Village. Mr. Lantis asked if any communication had been received from Willard Mann indicating his feelings on the matter.
 Mr. Blossom questioned the action taken when the area was closed, off Main Street at J. Lantis's request. He was informed that Mr. Lantis had signed into the proper procedure and after the Village researched the matter was informed that no action was necessary since the area in question was never a street. Fitzgerald remarked that he could not see closing a used street, but did feel that more effort should be put into the upkeep. Little commented that he agreed with the objections about extensive truck traffic which no one wants in a residential area. He also stated that when we had the zoning hearings people had the right to express opinions regarding a need for change in the zoning. The Village's object was to control the growth, not impede it or stop it. Moved by Fitzgerald, supported by Scully to deny the petitioners' request and to maintain the extension of Duncan Street from Macomb to Union Street as a street, posted to eliminate commercial vehicles, and upgraded at the earliest possible date. Nays: Denhoff, yeas: Duncan, Fitzgerald, Schaffer, Scully; motion carried. Mrs. Gisting asked if our decision was final and was advised yes unless she should hear otherwise from
 Continued on page 15

Mr. Rickelman returned with his plans and discussion ensued. Moved by Schaffer, supported by Duncan to consider Rickelman's proposed zoning change with a Public Hearing to be set for December 6, 1976 at 8:00 pm. All yeas, carried.
 Fitzgerald reviewed public works activities. Restrooms in the parks have been closed for the winter. The water main on Elton Street was repaired. The sewer along the river bank north of Main Street and behind the Mahony property was rodded. A sewer pipe was repaired on Hibbard Street. Parking restriction signs were installed at the Village limits. The water service at 518 City Road was replaced. A hole on the east side of the south culvert on South Macomb Street was opened up to hopefully alleviate problems encountered by Mr. Chart. Some leaves have been picked up. Daniels inquired about obtaining a large container of bottled gas to heat the repair section of the equipment garage since natural gas is still unavailable. He was instructed to go ahead. A change in job description and corresponding change in pay was discussed and approved for Louis Leson.
 Schaffer listed permits: building: Steele, Chapin, Kozme; electrical: Welch, Kemmer, Chapin, Ball, DuRussel, Stein, Rocco; plumbing: Hilltop, Stein; alteration: Stein; repairs and alteration: Miller.
 Moved by Denhoff, supported by Fitzgerald to pay bills as listed. All yeas, carried.

Waldo Marx Retires 38 Years as Township Clerk

Now that Waldo Marx is retiring from public office after 38 years of service, we've asked him, and his wife, Ruth, to look back over those years and recall some of the changes which have occurred.

He came up with some very interesting items about which Waldo spoke very enthusiastically, for instance, did you know that rivalry was very bitter in the sports area, between local teams? On May 27, 1919 there was an act another Casey at the Bat" when Manchester with one previous loss to Brooklyn met defeated Blisfield on the baseball field and WHIPPED them 6-5! Waldo Marx, batting pitcher. There was also a Town team which played baseball at the corner of Grossman Road and Austin Road, every Sunday afternoon with over a thousand on office! It became the "thing to do" on Sundays, an outing for families and friends-that was back in the 20's.

Waldo graduated from Manchester High and enrolled at U of M receiving his BA in Business Administration. He graduated in the Class of '23 which had another illustrious member-Thomas E. Dewey of Wisconsin who ran for President back in the 40's.

After graduation, Waldo took the job of Assistant Manager of Kresge's Ann Arbor Store, which position he held until the company wanted to send him to California, but Ruth Lindbert was here, and they wanted to be married, so he hit Kresge, married Ruth and went to Ashtabli where they opened their own Dry Goods Store. About 1929 they wanted to get back to the old home town, settle down and enjoy life, so Waldo and Ruth, with so many young couples have done before, and since, came back to the home town. He joined as partner with his father and brother, LeRoy, in the local dry goods and clothing store of Marx and Marx, later to be known as Marx and Marx. Essentially, as co-owners, they each had drawing account of \$12 per week. They employed 13 clerks in the two store buildings now occupied by the "Calico lot" and were the originators of the "archways" between buildings!

Waldo Marx first was elected to clerk of Manchester Township in 1938, the position he has held continuously until today, November 20, 1976. Township meetings were then held, whenever the necessity to make local decisions arose,

New Manchester Township Clerk and Trustee

Wilma Alber Lantz, wife of Ambrose Lantz and mother of six children, who lives on a 70 acre farm, has two dogs, livestock, a swimming pool, and a very balanced sense of humor, is the newly-elected Clerk of Manchester Township. She is a very busy lady, and is very capable of taking the clerk's duties in stride.

As part of her training for the office of clerk she attended courses in Ann Arbor, in Governmental Accounting for which she was awarded her Certificate of Achievement on November 18, 1975. She has also attended election schools and assisted Mr. Marx, former clerk, for the past year.

Congratulations Wilma and best of luck in your new office.
