Optimist Club Outstanding Student March of Dimes Drive Underway

Brenda Eggleston, daughter of Mr. and Mrs. William Eggleston of 14533 Bethel Church Rd. and a Sophomore at Manchester Community High School is the Optimist Club's Outstanding Citizen for November. Brenda came to Manchester from Westland, Michigan when she was in the 5th grade. In the 7th grade Brenda played basketball and sang in the-Chorus for the operetta "Howly Cowboy". In the 8th grade Brenda played basketball, worked on the float for the Community Fair, and painted a Christmas scene on a store window. In the 9th grade Brenda was Treasurer of her class, painted a store window at Christmas time, worked on the class homecoming and Community Fair floats and moved up from J.V. to Varsity basketball.

This year Brenda is Treasurer of the Student Council, member of the yearbook staff and received the most improved varsity basketball award at the athletic banquet. Brenda makes good grades; she likes school and all of her classes especially math. She likes to learn about different things and likes helping people. Brenda wants to help older people through the Student Council project. Brenda plays the guitar, works with plants, cooks, and does "arty things". Brenda wants to travel and go to college. Congratulations Brenda!

Mother's March Township and Village Campaign Directors, Sheryl Hall and Martha Wenk, announce the names of their chairpeople for this year's march. In the township they are as follows: Bridge-water is chaired by Mura Rigg, Sharon by Mavis Murphy and Sharon Jarve, Manchester by Kay Norgard and Doris Bersuder, and Freedom by Mary Sue Moore and Mildred Huehl. The captains for the village are Joanne Scott, Cathy Groves, Pat Fitzgerald, Lois Kuntz, and Mary Kallaward. These ladies are busy calling people in their areas, looking for marchers. If you would like to volunteer, a phone call to the chairwoman or captain in your area is most welcome.

The March will take place December 5th to 11th. The only exception to this date will be East Manchester Township. This area will be marched in January, at the time of the National March. The object of having the march early, is to get it completed before the snow makes traveling dangerous for the marchers. It is definitely not fun to be getting stuck in every other driveway, or to have a flat tire in the snow, with the nearest house half-a-mile down the drifted road. To their credit, marchers in the past have put up with these conditions, and still done a marvelous job. We'd like to show our appreciation by giving them better working conditions.

Did you know that 50% of the entire Washtenaw County budget is collected by the county's marching mothers? Something to be very proud of ladies. That should tell you how special you are.

What is this money used for? There are so many good projects going that we could fill this newspaper with them, but since there is other news important to the community, here are only a few. First, 60% of the money collected in the county, goes to the National Foundation, to be distributed to research facilities (25%) such as the Salk Institute, for public education nationally, and for the myriad of other projects that are better handled nationally. In our own county much is being done, not only to repair damage already done, but to prevent it from happening to start with. The March of Dimes supports a nutritionist through a grant to the U of M School of Public Health. Proper diet during pregnancy and during the child's first months are extremely important. Through the nutritionist and public education materials MOD is educating mothers-to-be in the great good that can be accomplished through proper diet. MOD sponsors a Student-Parent Center for infants, providing day care for infants, while the parents attend school. MOD sponsors genetic counseling to those parents who are suspected of having a problem. Also genetic screening to discover carriers of harmful genetic traits before they are passed on to the next generation. MOD money had a big roll in the development of the rubella vaccine and the RH serum. Program Grants have enabled teams of doctors and nurses to go from the Mott's Hospital to outlying community hospitals, to teach their staffs to detect early signs of birth defects, and how to treat or even prevent them. MOD money is helping to train young people in the health fields through scholarships. There are films and speakers available to any organization that would like to have a program on birth defects. The list goes on and on; there is so much to do yet. Progress has been made, but more must be accomplished.

Please welcome that marcher this coming week, and when you spot a canister Continued on page 9

Optimist Install New Members

Lorenzo W. Steele and James T. Scully were installed as new members of the Manchester Optimist Club on November 22 by the club's President, Irvin Gill, Manchester Optimist Club's active membership now numbers 57. Since it's organization in 1958 the club and it's members have been actively sponsoring many youth activities and community projects. This year's program includes sponsorship of the Steer Club; oratorical contest; bicycle safety program; outstanding citizen awards; basketball contest; annual boat race, and the famous Manchester Chicken Broil.

The club will also host and honor Boy Scouts and Girl Scouts as well as the farmers in our area.

Saturday, December 11, is the big day for the children of Manchester. Optimists are again sponsoring our community Children's Christmas Party. Ed Galloway and his committee are busy making final preparations for this gala event when Santa Claus will make his first visit to our village.

AMERICAN LEGION AUXILIARY

A potluck Christmas party will be held Wednesday, December 8th at 6:30 p.m. at the Ann Arbor Federal Bank in Manchester. Meat, rolls and coffee will be furnished. Please bring a dish to pass and tableservice. Instead of a gift exchange we are asked to bring non-perishable food items to put in the boxes for needy families in our area at Christmas time.

Our guests at our meeting following the potluck will be our district president and her secretary.

CHRISTMAS SCAVENGER HUNT

Spirit of Christmas! That is what the Scavenger Hunt next Tuesday, December 7th is all about.

Each year the Manchester Family Service pack many boxes for people in the Manchester School District. The generosity and concern of the people in the community are what makes this project a success.

The actual collection of the canned and packaged foods, soaps and paper products is done by our young people. This year the Cadette and Senior Girl Scout Troops will knock on your doors somewhere between 6:00 and 8:00 Tuesday, December 7th. If the weather committee does not come up with a successful plan the Scavenger Hunt will be held Tuesday, December 14th.

If you are not contacted and would like to donate articles for the drive please call Mrs. Schwab, 428-8976 or Mrs. Reck, 428-8852. It is very difficult to go into the country areas, especially during the winter months.

If you are aware of someone who would enjoy a Greeting from the Manchester Family Service please let it be known. Some of our boxes are intended for those who are in need other than financially, such as no close family ties, or have burdensome other stress during the year.

Don't forget to turn your porch light on for the scavenger hunters Tuesday, December 7th. The kids will feel more welcome! Merry Christmas!

MANCHESTER FAMILY SERVICE

Thanksgiving marks the advent of seasonal thoughtfulness which will supply Christmas gifts of necessities to homes which would otherwise be bare. Every year Manchester Family Service is instrumental in directing the community's desire to help the less fortunate.

Lists of families and children who will be receiving Christmas boxes are being compiled by the Department of Social Services and the County Health Department for every area in the county. Manchester's names will be sent to Mrs. Franklin Reck, chairman of Manchester Family Service, for processing and distribution of gifts, foods and other donations received by the agency through the community's generosity.

The Scavenger Hunt on December 7 (see separate news story in this Enterprise) will help bring in the supplies for the gift boxes. Many churches, groups and individuals have already sent gifts of money to the agency. Mr. LeRoy Marx, treasurer, reports. A few dolls which were received have been dressed and are waiting for new homes.

December 17 will be the distribution day this year. Letters will be mailed, giving the details, to the families who will be involved. There is a possibility that there are neighbors who are in great need who would not come to the agency's attention from the usual sources. Names of such families or individuals may be referred to Mrs. Reck, 428-8852, by concerned individuals, groups or the persons themselves. If unable to contact the above number, call the vice-chairman Mrs. William Schwab, 428-8976. Be sure to call as early as possible, at least by the 15th so that your needy family may have a happy Christmas.

LETTERS TO THE EDITOR

Mr. Joseph Fitzgerald
President
Manchester Athletic Boosters Club

Dear Mr. Fitzgerald:

Although circumstances beyond my control did not permit me to attend your Sports Banquet on Sunday, November 21, I would like to express our appreciation and congratulations on the fine program

as well as the multitudinous contributions you make to the athletic and cultural programs of the Manchester Community School District. Naturally, our expressions of appreciation are extended to all of your members and those many others that assist you in the promotion of a support program for athletics.

The Board of Education and myself are extremely proud of our students and coaches for fine seasons. Mr. Blossom, Mr. Steeb, and Mr. Fielder and their staffs have done an outstanding job. We cannot leave out the fine spirit-building talents of the cheerleaders and their sponsor as well.

While I wish to do nothing to detract from the fine work of all the coaches, I think the Manchester community should take great pride in the fact that Jim Fielder is a product of our school system, went on to pursue a great profession, and is now coaching with an unquestionable grasp of the basic rudiments of the game of football, the youngsters of his alma mater. There is a great deal of good to be said about that when we evaluate the impact of preparation that our system gives its children.

Again, my thanks and appreciation for another year of fine athletic booster support.

Sincerely,
William J. Green, Superintendent

CUB SCOUT AND WEBLO TROOP NO. 421

Our Pack Meeting was opened on November 17, 1976 with the song "My Country

tis of Thee." Awards were received by the following boys: Tim Naas-Arrow of Light and Outdoorsman, Rob Scott-Wolf Badge and Gold and Silver Arrow, Ricky Winick-Rob Cat Badge.

Mr. Sammes and Mr. Weinhardt, Boy Scout Leaders accepted and welcomed Tim Naas into the Boy Scout Troop with the Webelo's saying Goodby and the Boy Scouts saying Hello and welcome.

The song the boys learned for the month of November was "Do Your Ears Hang Low", which everyone joined in.

The theme for November was Rural America which the Denmers from each of the Dens explained the projects they made. Den 1-John Costino explained their Den made Wild Animals out of clay. Den 2-Bob Rhoads explained how their Den made nachos/cheese slides and the cow they used for their skit. Den 3-Andy Wise explained how they made animal banks out of cans. Webelo's explained how they are working on their Citizenship Badge.

Denmers chosen for the month of December were as follows: Den 1-Joey Deacons, Den 2-Mike McLennan, Den 3-Brent Williams and Webelo's-Gary Anderson.

The boys entertained their parents with skits on the Rural America theme. Den 1 - Showed the parents how a farmer milks a cow. Den 2-Had a milking contest, seeing who can get the most milk from the cow which they made as part of their project. Den 3-Made puppets of animals and sang "Old McDonald's Farm", using each of the puppets. Webelo's-Their skit was a Bear Hunt which they acted out and had a tractor pull using the boy's as tractors.

In closing the Pack Meeting for November the boys and parents sang the song "Goodnight Cub Scouts."

CONCERT AT FAITH COMMUNITY CHURCH

The Chorales, 33 students from the Grand Rapids School of the Bible and Music, will present a musical concert at Faith Community Church on Sunday, December 5 at 10:00 a.m.

The Grand Rapids School of the Bible and Music offers a concentrated education in the Bible. Music is also a major emphasis at the school, and over 100 of the 640 students are involved in a weekly musical ministry.

Rev. John Miles, the school's founder and president, has stated, "The unique character of the Bible Institute meets a burgeoning need in today's society. That need is to relate man to God in a positive manner as prescribed in the Holy Scriptures. Our school's lovely 20-acre campus provides excellent facilities for meaningful training."

The music of the Chorales is designed to fulfill that concept. Their director, Mr. David Traeger, has planned their repertoire to give a balanced program of hymns, gospel songs and spirituals that are conservative in arrangement but bright and pleasing in style.
The public is cordially invited to attend. There is no admission charge.

IRON CREEK STUDY GROUP

The Iron Creek Study Group will meet Wednesday, December 2, 1976 at 12:00 noon for a Christmas Potluck Dinner with Mrs. Lawrence Bloom.

Tell Your Wife We've Been Thinking About Her.

Of all you cherish, what's most important to you? Your wife — of course. Just think of all she does for you and your family. She's irreplaceable and if she should die dollars can't take her place. But an adequate life insurance policy could help to get some of her many jobs done and to keep your household going. Ask your State Farm agent for details.

NOW UNTIL CHRISTMAS

GE Microwave Oven

with the Automatic Chef Temperature Sensor

It cooks accurately by TEMPERATURE, automatically...

No Guesswork
No Overcooking
No Potwatching

Until recently, microwave cooking was done by time alone. Then, GE introduced the Automatic Chef Temperature Sensor, which automatically cooks accurately by temperature. For many foods, just insert the probe and set the temperature. When the food reaches the proper serving temperature, the oven automatically shuts off and signals the food is ready. Also features three power levels for cooking flexibility, big 1.3 cu. ft. size and digital timer.

A WHOLE NEW CONCEPT IN MICROWAVE COOKING!

By Jon Hardenbergh
On Sunday, November 21, was the dinner to honor the students who participated in the fall sports of football, girls basketball, cross country, golf and cheerleading. Following the innovation by Jev. Wise and the great feast tri-chaired by JoAnn Clark, Kathy Hagerman and Joyce Sroufe we were ready to start the recognition part of the program, introducing the coaches as master of ceremonies Dave Little.

First up was Maynard Blossom, coach of the L.C.A.A. golf champs. Manchester won the league championship with a 9-1 league match record and finished first in the L.C.A.A. meet. They set a team record at their home course, Boondocks, posting a 160 against Morenci. They also established a squad overall record low of 151 against Napoleon at the Heart-of-the-Hills Course. They placed 4th in the regional in a field of 15 teams. They closed their season with a 10-3 overall record. Two Dutch clubbers, Tom Little and Rick Stetler, were chosen all-league first team as Brad Seward captured the 2nd team. Two awards were given with the first going to Tom. The William E. Schaffer most valuable varsity player. The second, the Jeff Frey Memorial golf award winner for being the most dedicated went to Gary Trolz.

Next on the agenda was JV girls basketball coach, Loretta Vogel. The JV's ended their season with 12 wins and only 3 setbacks to be declared the L.C.A.A. champs. Honors as follows: most aggressive, Suz Ahrens, most spirited, Shannon Lentz, most humorous, Bev Boyd, most improved, Lisa Clark and sharing most valuable was Karla Taurialain and Bernie Fielder.

Following was the varsity girls basketball team. Continued on page 9

School Board Minutes

Call to order-The regular Board of Education meeting was held in the study auditorium Monday evening, October 18, 1976 with President William Bunney calling the meeting to order at 8:00 p.m.

Roll Call-The roll call was taken by Maxine Frey, with all members answering present.

Reading and Approval of Minutes-The minutes of the previous meeting were read by Board Secretary, Helen Kensler. Trustee Susan Westfall moved the minutes be accepted as read. Supported by Louis Vogel. Motion carried.

Finance Report-President Bunney asked for the finance report which was given by Maxine Frey. She reported a balance of \$2,369.46 in checking and \$74,000 in SDH, with a fund balance of \$76,369.46.

President Bunney asked Superintendent Green for a report on Incarceration. Mr. Green reported that nothing had been ordered except the bare essentials after the September 23rd meeting of the Board. He stated that some paper supplies had been picked up in Detroit and brought back with a U-Haul. He further reported that each building is to report on everything they have ordered. All buildings

are within 90% of their budget. Anything over \$3,000 must be purchased through a purchase order approved by the Central office.

Superintendent Green reported that textbook orders are currently being phoned in and that approximately \$9000.00 would be spent for high school texts.

Appointment of Auditor-President Bunney asked the recommendation of the school board on the appointment of an auditor. Board Trustee, Susan Westfall, recommended we get a new firm to serve as our auditors. Treasurer, Reno Feldkamp, asked Superintendent Green what procedure we should use to secure bids. Mr. Green stated that letters would be sent to different firms. Louis Vogel moved that Superintendent Green seek bids for a new auditor. Supported by Macomber. Motion carried.

Acceptance of the 1975-76 Audit Report from Paul V. Engstrom Associates, Inc.-It was moved by George Macomber, supported by Reno Feldkamp, that the audit report be accepted. Motion carried.

Oil Bids-Superintendent Green said we are bound by government ruling to stay with our current gasoline supplier. He suggested that we might ask for bids from local area distributors on fuel oil.

THURSDAY, DECEMBER 2, 1976 THE MANCHESTER ENTERPRISE PAGE 5
It was moved by Helen Kensler, supported by Susan Westfall, that we seek bids from local area suppliers on fuel oil. Motion carried. Discussion followed. President Bunney asked George Macomber to check further into the possibility of changing to local supplier on gasoline, since Mr. Macomber had done some checking on this last year.

Community Education Resolution to Accompany Chelsea District-President Bunney asked Board Secretary, Helen Kensler to read the resolution. Mr. Green then explained this resolution in more detail. Susan Westfall asked Superintendent Green if the community education classes were available to everyone in the area, as well as the Chelsea area. Mr. Green assured her they were. He said that some courses that will be offered in Manchester this semester, will be offered in Chelsea next semester, and vice versa. Susan Westfall moved the resolution be accepted. Supported by Feldkamp. Motion carried.

Buildings and Grounds Committee Reports-President Bunney asked for a report from the buildings and grounds committee. Mr. Macomber reported that Joe Hayes Roofing gave a price of \$2800 for putting 1/2" insulation and tar on the roof at Pleasant Lake School. This would be the roof over the gym. It was noted that Pleasant Lake School porch would need a whole new roof.

Reno Feldkamp said that he met with Mr. Green, Mr. Korican and Mr. Macomber at the athletic field to check various things there. He reported that the north wall of the press box is in

bad condition. Two jack posts are holding up the wall. He said that the building is not about to fall down. He further noted that the ticket booth across from the greenhouse is in need of repair, also the fence needs fixing where the barrier is falling against it. He reported also that the athletic field wiring system will not support the lighting system. It was suggested that the State High School Athletic Association be contacted to see if there were a possibility of our getting funds for repair of the lighting system. Mr. Feldkamp said that Mr. Cotton would be coming on November 4th to spend the afternoon and evening with the administration and make some recommendations.

Mr. Feldkamp asked Superintendent Green what avenue he would suggest for the repair of the lighting system. Supt. Green said he felt the Athletic Boosters Group could help on this. He said that one of our immediate concerns is getting our roofs fixed and keeping our custodial staff. Superintendent Green said that our State Aid may be cut. He said that in no way can he perceive anything being cut from our academic program. He said that cuts may have to be made in our custodial staff if we don't get more revenue. George Macomber contacted Gale Koebbe, of Koebbe Welding, to look at our bleachers and he said that Mr. Koebbe felt that the work could be taken care of by our own staff.

Jim Walkow suggested that the whole Board meet to discuss the roof at Pleasant Lake School. President Bunney asked

what course of action would be taken. It was noted bids were taken in 1975 for the roof at Pleasant Lake School, Reno Feidkamp asked Mr. Macomber if he could vouch for Mr. Hayes' work. Mr. Macomber said that Mr. Hayes had done several roofing jobs around town. Superintendent Green recommended a meeting be held on Tuesday, October 26th, to open bids on the \$250,000 tax anticipation notes, and to also open bids on roofing.

Jim Walkowe moved that bids be sought for the Pleasant Lake gym and also for the high school gym. Supported by Louis Vogel, Motion carried. George Macomber said he felt the repairs at the athletic field weren't near as much concern as the repairs to the school. \$3500 has been spent so far on roofing repairs by our own staff. Jim Walkowe moved we ask for bids for mortaring our walls in high school gym. Supported by Feidkamp. Motion carried.

Grievances from MEAs-Mary Ann Detling asked if the Board would set up a meeting to go over grievances. President Bunney said a meeting would be set up to go over grievances 1 and 2.

Petty-Cash Policy-President Bunney asked the Board to approve a petty cash policy. Superintendent Green explained

the policy with \$50 for each building. People responsible for this know what the priorities are. Jim Walkowe moved the petty cash policy be accepted. Supported by Reno Feidkamp. Motion carried.

Approval to Pay Kingscott Associates, Inc.-President Bunney asked for discussion on the bill to Kingscott Associates, Inc. Moved by Susan Westfall, supported by Helen Kensler that the bill be paid. Motion carried.

Town Bus Run-Board President Bunney asked about the town bus run. He said that Superintendent Green recommended that we continue the town bus run for the remainder of the year, as long as it has already started and people are accustomed to it, but that it would be discontinued next year.

President Bunney asked for a motion to continue the town bus run for this year and discontinue next year. Moved by Vogel that we continue the town bus run for this year and discontinue next year. Motion died for lack of support. Jim Walkowe moved the town bus run be continued for this year, and investigate the possibility of a town bus for next year. Supported by Vogel. Motion carried. President Bunney asked for discussion

on afternoon bus run. There was no discussion.

Mr. Green announced that Robert Padley, Transportation Supervisor, has resigned.

Legislative Proposals-Board President Bunney, asked Board Member Vogel to discuss Proposals "C" and "D", which will be voted on in the November 2nd election. Mr. Vogel recommended that the Board pass a resolution to oppose Proposals "C" and "D". President Bunney asked Mr. Vogel to draft a resolution as to the Board's opposition to Proposals "C" and "D". Supported by Helen Kensler. Motion carried. Mr. Vogel said there would be a meeting of County School Officers Association and County School Superintendents Association on Oct. 21st at Washtenaw Community College. Mr. Vogel said he would like to see all Board members attend.

Buses to Games-Jim Walkowe asked if any buses would be going to the Hudson games on Friday, October 22nd. Tickets for the game would be going on sale on Wednesday, October 20th. Students pay 75¢ to ride bus to games and adults \$1.50. Adults can ride buses as long as the students have first priority. Discretion of administration would be used.

President Bunney asked for discussion from the floor. Mr. Don Limpert asked about the bill from Kingscott Associates, Inc. Mr. Green said that the company who had built the building had gone bankrupt.

John McGuire, Principal of Pleasant Lake School, invited everyone to stop in at Klager School for sandwiches and a coke for the Fall Fun Festival. Don Tassie, Klager Elementary School Principal, announced the Fall Fun Festival to be held on Saturday, October 23rd, at Klager Elementary School, from 6 to 9 p.m.

Superintendent Green announced there would be an adult community potluck dinner and workshop in the study auditorium on Wednesday, November 10th. President Bunney adjourned the meeting at 10:10 p.m.

Respectfully submitted,
Helen J. Kensler, Secretary

October 26, 1976

A special meeting of the Manchester Board of Education was held on Tuesday, October 26, 1976 at 8:00 p.m. in the library.

The meeting was called to order by President Bunney.

The roll call of Board members was taken: all members being present.

Bids on the loan of \$250,000 against anticipated taxes were opened and read. Union Savings Bank of Manchester 4% Community Bank of Bad Axe 3.75%.

A motion was made by Susan Westfall and supported by James Walkowe that the lesser bid, 3.75% by the Community Bank of Bad Axe, be accepted. Motion carried.

A request was made for a medical leave for Roger Kish, and that he will not return to the teaching staff of Manchester Community Schools. A motion was made by Susan Westfall, and supported by Reno Feidkamp, that we grant Roger Kish' request for a medical leave. Motion carried.

Jane Rose spoke about the workshop which was attended by a few teachers, the administration, and a few students, as being a very good experience.

Mr. Green discussed further the ideas and plans that were formulated at the workshop.

The meeting was adjourned at 8:16 p.m.

Respectfully submitted,
Helen J. Kensler, Secretary

AGRICULTURE IN ACTION

MANCHESTER TOWN BOARD

"BREAD FOR THE WORLD"

If you can remember the "Right to Food" resolution that was passed by the House of Representatives last year, you might recognize the latest campaign by the same people. This time they are crusading under the banner of "Bread for the World."

The campaign is aimed at getting church members to write the President and their Congressmen calling for U.S. participation in a world food reserve program. For the most part, these are good christian people who are sincerely concerned about the hungry people of the world. But there are often strange bedfellows in a crusade of this kind whose philosophy differs from that of the originators.

Professor Roy Laird of the University of Kansas pointed out some of the facts of life in an article written for Ag World magazine. He said that the pressures for the creation of government-held grain reserves have mounted to the point where "their realization within the next couple of years seems inevitable."

"Tragically, however, there is considerable reason to conclude that farmer reaction to the existence of such reserves would serve to depress grain production far below levels of output which otherwise might be realized," he wrote.

Being from the wheat state, Professor Laird is saying that wheat farmers have had it up to their chins with price-depressing reserves or surpluses (whichever you want to call them). Now that growers have had a taste of the free market, they might just refuse to go all-out to produce grain for government storage.

In recent years, prices paid for fertilizer and tractors have nearly tripled. Yet wheat, which sold for over \$5 a bushel in 1973 has fallen back to the \$3 range. As a result, wheat farmers purchased about 10 per cent less fertilizer last year. The Kansas boys believe grain embargoes cost them some \$2 billion and they are already considering a mandatory program to cut back wheat acreage about one-third next year. What do you suppose this will do to the "Bread for the World" program?

This, coupled with a new administration taking over the reins of government, could lead to an interesting period of history for farmers.

THURSDAY, DECEMBER 2, 1976 THE MANCHESTER ENTERPRISE PAGE 7

SWINE FLU SHOTS

The Washtenaw County Health Department will be offering make-up clinics for Swine Flu shots on December 2. The clinics will be held in three locations, one at Pioneer High School in Ann Arbor, one at Paddock Elementary School in Milan, and one at Chelsea High School in Chelsea.

All clinics will be open from 4 to 8 p.m.

NOTICE

Received your Consumers Power refund check? You may have more coming.

DURING 1970-71 YOU MAY STILL BE ELIGIBLE FOR AN ADDITIONAL REFUND FOR SERVICE AT THOSE EARLIER LOCATIONS. If you moved to your present address during the 1970-71 refund period, the check you received covered the refund on service at that location only. (The back of the check indicates the period of time covered by the refund.)

If you believe you qualify for an additional refund, please fill out and mail in this application. It will be necessary to submit an application for each prior address at which you received service during 1970-71. Because of the anticipated large number of applications, it may take 4-6 weeks to process your application.

Most Consumers Power customers using gas and/or electric service in 1970 and 1971 are eligible for a refund covering part of what they paid during those years.

Informational booklets and additional applications are available at your Consumers Power office or by writing to Consumers Power Company, Drawer D, Jackson, MI 49204.

DRESS-A-DOLL Contest Winners

All prize winning dolls, as well as many other entries, can be seen now at the main office of Ann Arbor Federal Savings at Liberty and Division. The remaining dolls can be seen at other AAFS offices in Ann Arbor, Brighton, Chelsea, Dexter, Manchester, Saline, and Ypsilanti. All dolls will be given to deserving little girls for Christmas.

ball squad who had a rough go this season winning 7 of 17 games. Their first year coach Bill Symons announced these awards: most valuable Kim Dulle, most improved Brenda Eggleston, most humorous Diane Sott with best offensive and defensive players going to Kim and Jan Savage respectfully. A special award went to Mr. Savage for being the team's #1 fan.

After a short introduction of the varsity and JV cheerleaders by advisor Laura Young we trekked onward to JV football. Coaches, Bart Bartels and Dick Fielder brought their young men thru a tough but winning season with a 4-3-1 record. Awards are as follows: most valuable Brian Schlicht, most improved Gary Daniels, most humorous Dave Meta and the coaches award is to be shared by Dan Burch and Mark Dresch.

Next was Jim Fielder, coach of the varsity football, with assistant coaches Roger Merrillet and Wes Gall. Awarding went this way: hard knock Scott Barber, most improved Jim Lenhart, bionic man and most valuable Curt Fielder as Steve Walz received the head hunter trophy.

Last but not least was Coach Larry Steeb of our cross country squad. For team information and picture see special article. The awarding went: most valuable Dan Heslip, most improved Steve Eversole, flaky trophy Jerry Miller, most promising freshman Doug Padley, coaches award Bob Smith with the cutter award going to Bob and Steve. A special #1 supporter plaque went to Brad Frey.

Bill Bunney gave a congratulatory speech then Ray, Wise closed with the benediction.

Not pictured: Mike Molnar Defense Honorable Defense, Tom Fitzgerald Defense Honorable Mention, Dan Jordan Offense Honorable Mention, and Dan Clark Offense Honorable Mention.

MANCHESTER HIGH CROSS COUNTRY

By Jon Hardenbergh

Before I go into some of the past and present I must congratulate two people. First, Coach Larry Steeb as he was chosen Coach of the Year for the second consecutive season. Secondly, Dan Heslip for his second place finish in the regional and state final to become the finest 3 miler in Dutchman Cross Country history. I also may add Dan was our first all stater in his sport.

Here is a blow-by-blow of the last 6 seasons: 1971-dual meets 2-4, 12th in regional, 5th in L.C.A.A.; 1972-dual meets 7-3, 7th in regional, 4th in L.C.A.A.; 1973-dual meets 8-1, regional champions, 2nd in L.C.A.A., 1st Manchester Invit., 14th state final; 1974-dual meets 3-1, 2nd regional, 2nd L.C.A.A., 2nd Manchester Invit., 3rd Jackson Invit., 18th state final; 1975-dual meets 9-1, 1st Manchester Invit., 2nd L.C.A.A., 2nd Dundee Invit., 3rd Jackson Invit., 3rd regional, 21st state; 1976-dual meets 8-0 (we downed Addison for their first dual loss in over 40 contests), 1st L.C.A.A. league meet, 1st Jackson Invit., 1st Dundee Invit., 1st Manchester Invit., 1st Sand Creek Invit., 2nd Pinckney Invit., 2nd Stanton Invit., regional champs, unofficially 3rd in the

State.

These runners crossed their last finish line this year because they are graduating: Gary Bondy, Dan Heslip, Tom Krzyzaniak, Jerry Miller, Bob Padley and Bob Smith.

Mileage wise Bob was the only Dutchman to total over 1,000 miles in the last 3 years as '74 he ran 1,070 and in '75 he trekked 1,111 miles and ran 1,121 this year. Dan holds the record number of awards for the runner of the week with 5. Jerry set a school record as he tallied 1,214 miles this year.

Smith also holds the top mileage as in 4 years he's tacked up 3,685 miles. Another interesting item: in '71 our team total miles was 2,534, the team total for '76 was 10,030.

In closing, one more thing, since '72 the fastest clocking on a 3 mile course by a Dutchman was 18:13, this season 4 Dutchmen broke the tape in under 16 minutes.

Congratulations to the squad on this super year.

MONTHLY COMMUNITY EDUCATION PROGRAM

Mr. Gary Patterson from the Alcohol Abuse Prevention Program in Washtenaw County will repeat his highly successful presentation given at the Parent & Community Workshop. The program will be held on December 15 at 7:30 to 9:00 p.m. in the Study Auditorium of Manchester High School. Topics covered will include: Why teenagers drink; How to deal with teenage drinking; The affects of the

parent/child relationship on teenage alcohol abuse; substance abuse-drug abuse and misuse; what substances are being abused; how many people are involved and other related topics. Plan now to attend this very informative program.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Village of Manchester, Michigan will hold a public hearing on the proposed Manchester Area Facilities Plan for the purpose of receiving comments and views of interested persons. The hearing will be held at 8:00 p.m. on Monday, December 27, 1976 at the Village Hall at 120 S. Clinton Street in Manchester, Michigan 48158.

The purpose of the hearing is to receive comments on the Facilities Plan and environmental impact of the proposed alternatives for collection, treatment and disposal of wastewater generated within the Village of Manchester and adjacent Manchester Township in accordance with the requirements of Public Law 92-500. Wastewater generated within the Village is currently being treated at the Village's Wastewater Treatment Plant prior to discharge to the River Raisin. The Facilities Plan evaluates several wastewater alternatives providing service to the Plan of Study Area established by the Department of Natural Resources. The alternatives considered include:

1. No Action
 2. Activated sludge treatment with effluent discharge to the River Raisin.
 3. Floating biological surfaces treatment with effluent discharged to the River Raisin.
 4. Land disposal utilizing approximately 240 acres of farm land in Sharon Township.
- The No Action alternative will result in long term degradation of the environment. The other three alternatives will enhance the environment by upgrading the water quality of the River Raisin. Capital costs for the feasible alternatives range from a low of \$1,903,750 to \$4,335,000.

Annual operation and maintenance costs vary from \$120,000 for rotating biological treatment to \$35,000 for land disposal. The recommended plan involves biological treatment, nutrient removal, filtration, disinfection and point discharge to the River Raisin resulting in \$380,750 as the local share of capital cost.

Major wastewater collection system improvements will be necessary to meet the present and future pollution control standards. The existing combined sewer system must be separated to eliminate the discharge of untreated sewage directly to the River Raisin. System improvements are estimated to cost \$879,769 with the local share being \$270,434.

Sewer service extensions are proposed to several areas of the Village of Manchester and Manchester Township. Portions of these extensions are eligible for Federal and State grant funding. Sewer extensions are estimated to cost \$543,062 with the local share being \$364,063. The recommended program effectively reduces the pollution of the River Raisin and will have a positive impact on the environment.

A copy of the Draft Facilities Plan which discusses the alternative treatment methods and collection system considerations will be available on or before November 27, 1976 for public inspection at the following addresses:

- Village of Manchester, Public Works Department, 214 North Macomb, Manchester, Michigan 48158, 428-8360.
- David L. Little, Village President, Ann Arbor Federal Savings, 111 East Main, Manchester, Michigan 48158, 428-8379.
- Manchester Township, Clarence Fielder, Supervisor, 124 South Macomb, Manchester, Michigan 48158, 428-8306.
- Sharon Township, Allen Alber, Supervisor, 7753 Hoshley Road, Manchester, Michigan 48158, 428-8100.
- Bridgewater Township, Douglas Parr,

Supervisor, 14640 Logan, Manchester, Michigan 48158, 428-8776.

Freedom Township, David J. Melnhart, Supervisor, 11361 Pleasant Shore Drive, Manchester, Michigan 48158, 428-8028.

Written comments regarding the proposed alternatives should be sent to McNamee, Porter and Seeley, Consulting Engineers, 2223 Packard Road, Ann Arbor, Michigan 48104. Comments should reach the above address no later than December 21, 1976. All comments received will be entered into the public hearing record.

A THANKSGIVING THOUGHT

This Thanksgiving Day I thought of many things I had to be thankful for. Forty short years to serve you with the help of a mother who did the store keeping at the farm, then coming to town in 1946. Attending store the last day of business at the age of 94, while I went to light a furnace. A sister, Mildred, who did my bookwork till I married. My wife, Florence, who took over this task 31 years along with raising my family, Riley, who worked 33 years. Paul Kemmer, who helped nearly 30 years. And many other faithful men and women who helped make it a success. Along with the Village Council and President I had your cooperation. Also the many clubs and committees in town I was in.

I was more than thankful when Doug and Diane Parr purchased my business, they are hardworking local people and are trying hard to please everybody. Yes, thank God for the people in the Manchester area for everything.

L.V. Kirk
I wish to thank all the Klager Library Mothers and all the other Mothers for all the help on the Book Fair. A Special Thanks to Lois Kuntz for all her time. Thanks again ladies for a job which turned out well.
Elizabeth Beuerle

On behalf of the Board of Education I would like to congratulate all the people involved in the entertainment and the Thanksgiving Dinner at Klager and Pleasant Lake Schools last Wednesday. Also for inviting the Senior Citizens, it was all so wonderful and we really enjoyed it. Thanks.
George Macomber

Santa Arrives In Manchester Saturday, December 11th

Santa Claus will arrive on his sleigh from the north pole at 2 P.M. on Saturday, December 11. The jolly gentleman is anxious to greet and talk with all of the boys and girls in the Manchester area. He is coming a little earlier than usual so that all of our youngsters can give him a list of the toys and other goodies they would like to have under their tree on Christmas morning.

Again this year the Optimist Club is sponsoring Santa's visit. The Club's Christmas Party Committee tells us Santa is really looking forward to his Manchester visit and that he will bring a box of candy for each of the little ones.

Don't forget to have mother and dad bring you to town this Saturday afternoon and join in the big warm welcome to Santa Claus.

Community Advent Sing!

Again this year, the Rural Churches in Mission, (Sharon United Methodist, Zion Lutheran, St. Thomas Lutheran, St. John's Lutheran, and Bethel United Church of Christ) will be celebrating Christmas with a community Advent Sing.

It will be a time of singing carols, hearing scripture, and the hearing of voices of the five choirs massed together in song.

We will be gathering at Sharon United Methodist Church, corner of Pleasant Lake and M 52, Sunday, December 12, at 3:00 P.M. Following the carol service, there will be a time of fellowship in the church basement.

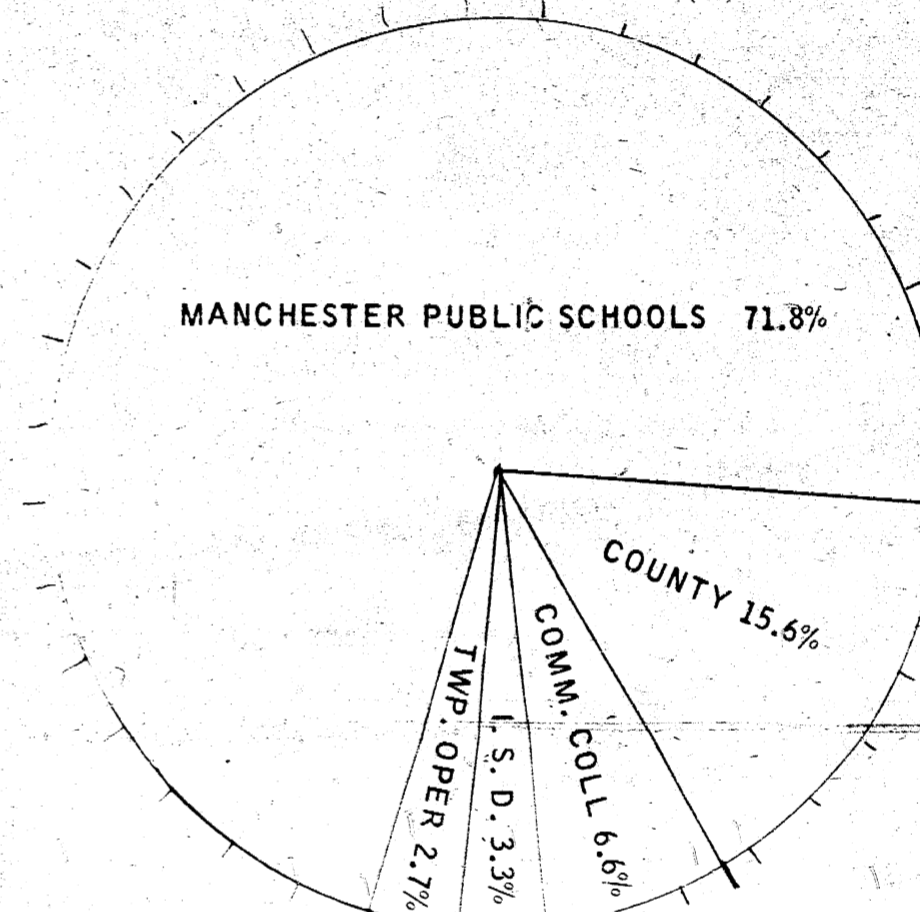

Come, join us, and lift up your voices. Advent carols.

MANCHESTER TOWNSHIP LIBRARY
P. O.

Where Your Tax Dollars Go

With the increasing pressures on the people for higher taxation, the governing Body of Manchester Township feels that all of our residents have a right to an understandable explanation of how your tax money is being put to use.

The following diagram and descriptions should serve to describe where your tax dollars go.

First, on the left side of your pink tax bill there is a box marked "State Equalized Valuation" (SEV). The figures in that box have been designated by the State of Michigan as 50% of the true value of the property described on that bill. Therefore, if the figure says 1000- that is the equalized value on which you are taxed.

The tax which we are about to collect, will be \$42.40 (in Manchester Township and Village) on EACH 1000 of equalized value, or \$42.40 x the amount shown under "State Equalized Value."

Upon payment of your taxes, the total of which, is the furthest righthand column, the money is split, as shown on your tax bill. The diagram below shows how the "Pie" is cut.

71.8% Manchester Schools, 15.6% County operating, 6.6% Washtenaw Community College, 3.3% Washtenaw Inter. School & Special Education, 2.7% Township operating, total 100.0%.

In other words for every \$1000.00 of Valuation (\$42.40) the division is as follows: Manchester School District \$30.44, Wash. Co. (Courts, Police, Etc.) \$6.61, Wash. Community College \$2.50, Wash. Int. Sch. & Spec. Ed. \$1.40, Manchester Twp. Operating (Fire Dept. Etc.) \$1.15, Total \$42.40.

Enclosed with your tax bill mailed to you, there is another explanation sheet. On that white sheet are given the days and hours when someone will be in the tax office to collect taxes, or you may write a check and mail it to: Dorothy Burch, Treasurer, Manchester Township, P.O. Box 418, Manchester, Michigan 48158.

If you own dogs, you may enclose \$4.00 and the current vaccination slip from your veterinarian, for each dog. All receipts and licenses will be mailed back to you promptly. Our phone number is 428-7090.

SCOUT PACK 433

The November meeting of Pack 433, Pleasant Lake was held Tuesday night November 30, 1976 at the Freedom Town Hall.

Many parents, family members and friends were present to watch as Dens 1, 2, and 3 entered the hall dressed in handmade Indian costumes which they had been working on since September.

Mrs. Horning's den 3 did Indiana dance and each member of Dens 1, 2, and 3 told of different things Indians are known for.

Mrs. Waldron's Den 2 did Indian dance and song accompanied on the piano by Mike Waldron.

Mrs. Meade informed us of the following upcoming activities:

December 14 - Carolling for scout members and parents.
January 26 - Program on drug abuse to be held in Manchester.
February 22 - Blue & Gold banquet, potluck and awards ceremony.
January 28 - Tentative date for pancake supper.

The following awards were presented by Mr. Creps and Mrs. Carter: Wolf Badges - Bruce Paul, Brian Waldron, Eric Walchak, David Stetler.
Summertime Award: Brian Pieske - Mike Agin - Bear Badge, Silver & Gold Arrows.

Petitions Available For Village Council

Nominations for three trustee positions on the Manchester Village Council are due at the Village Clerk's Office, 421 Riverside Drive by December 21, 1976, 4 p.m. Nominating petitions may be obtained from the clerk at the above address.
