**ROCK SALT DOW FLAKE**  
25 - 50 and 100# BAGS (Calcium Chloride)  
103 E. MAIN MANCHESTER

## A THANKSGIVING THOUGHT

This Thanksgiving Day I thought of many things I had to be thankful for. Forty short years to serve you with the help of a mother who did the store keeping at the farm, then coming to town in 1946. Attending store the last day of business at the age of 94, while I went to light a furnace. A sister, Mildred, who did my bookwork till I married. My wife, Florence, who took over this task 31 years along with raising my family, Riley, who worked 33 years. Paul Kemmer, who helped nearly 30 years. And many other faithful men and women who helped make it a success. Along with the Village Council and President I had your cooperation. Also the many clubs and committees in town I was in.

I was more than thankful when Doug and Diane Parr purchased my business, they are hardworking local people and are trying hard to please everybody. Yes, thank God for the people in the Manchester area for everything.  
L.V. Kirk

I wish to thank all the Klager Library Mothers and all the other Mothers for all the help on the Book Fair. A Special Thanks to Lois Kuntz for all her time. Thanks again ladies for a job which turned out well.  
Elizabeth Beuerle

On behalf of the Board of Education I would like to congratulate all the people involved in the entertainment and the Thanksgiving Dinner at Klager and Pleasant Lake Schools last Wednesday. Also for inviting the Senior Citizens, it was all so wonderful and we really enjoyed it. Thanks.  
George Macomber

# THE MANCHESTER ENTERPRISE

110TH YEAR VOLUME NO. 6 15 CENTS PER COPY THURSDAY, DECEMBER 9, 1976

## Santa Arrives In Manchester Saturday, December 11th

Santa Claus will arrive on his sleigh from the north pole at 2 P.M. on Saturday, December 11. The jolly gentleman is anxious to greet and talk with all of the boys and girls in the Manchester area. He is coming a little earlier than usual so that all of our youngsters can give him a list of the toys and other goodies they would like to have under their tree on Christmas morning.

Again this year the Optimist Club is sponsoring Santa's visit. The Club's Christmas Party Committee tells us Santa is really looking forward to his Manchester visit and that he will bring a box of candy for each of the little ones.

Don't forget to have mother and dad bring you to town this Saturday afternoon and join in the big warm welcome to Santa Claus.

## Community Advent Sing!

Again this year, the Rural Churches in Mission, (Sharon United Methodist, Zion Lutheran, St. Thomas Lutheran, St. John's Lutheran, and Bethel United Church of Christ) will be celebrating Christmas with a community Advent Sing.

It will be a time of singing carols, hearing scripture, and the hearing of voices of the five choirs massed together in song.

We will be gathering at Sharon United Methodist Church, corner of Pleasant Lake and M 52, Sunday, December 12, at 3:00 P.M. Following the carol service, there will be a time of fellowship in the church basement.

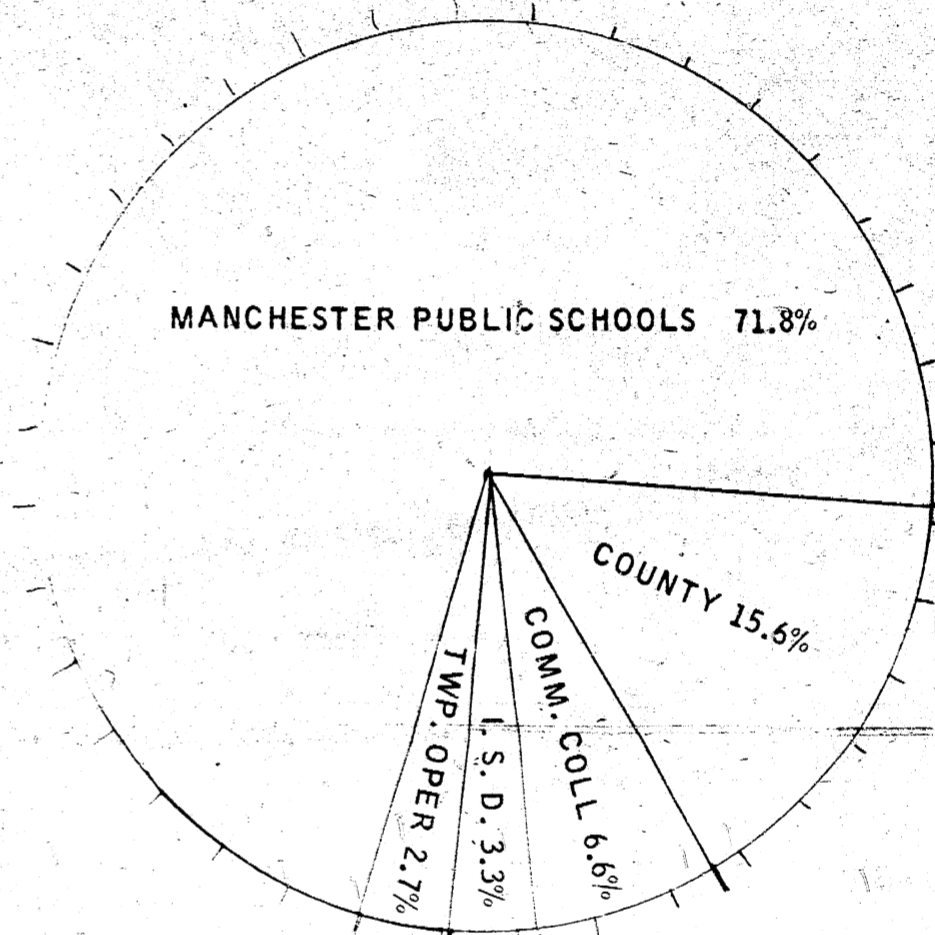

Come, join us, and lift up your voices in Advent carols.

MANCHESTER TOWNSHIP LIBRARY P. O.

## Where Your Tax Dollars Go

With the increasing pressures on the people for higher taxation, the governing Body of Manchester Township feels that all of our residents have a right to an understandable explanation of how your tax money is being put to use.

The following diagram and descriptions should serve to describe where your tax dollars go.

First, on the left side of your pink tax bill there is a box marked "State Equalized Valuation" (SEV). The figures in that box have been designated by the State of Michigan as 50% of the true value of the property described on that bill. Therefore, if the figure says 1000- that is the equalized value on which you are taxed.

The tax which we are about to collect, will be \$42.40 (in Manchester Township and Village) on EACH 1000 of equalized value, or \$42.40 x the amount shown under "State Equalized Value."

Upon payment of your taxes, the total of which, is the furthest righthand column, the money is split, as shown on your tax bill. The diagram below shows how the "Pie" is cut.

71.8% Manchester Schools, 15.6% County operating, 6.6% Washtenaw Community College, 3.3% Washtenaw Inter. School & Special Education, 2.7% Township operating, total 100.0%.

In other words for every \$1000.00 of Valuation (\$42.40) the division is as follows: Manchester School District \$30.44, Wash. Co. (Courts, Police, Etc.) \$6.61, Wash. Community College \$2.50, Wash. Int. Sch. & Spec. Ed. \$1.40, Manchester Twp. Operating (Fire Dept. Etc.) \$1.15, Total \$42.40.

Enclosed with your tax bill mailed to you, there is another explanation sheet. On that white sheet are given the days and hours when someone will be in the tax office to collect taxes, or you may write a check and mail it to: Dorothy Burch, Treasurer, Manchester Township, P.O. Box 418, Manchester, Michigan 48158.

If you own dogs, you may enclose \$4.00 and the current vaccination slip from your veterinarian, for each dog. All receipts and licenses will be mailed back to you promptly. Our phone number is 428-7090.

## SCOUT PACK 433

The November meeting of Pack 433, Pleasant Lake was held Tuesday night November 30, 1976 at the Freedom Town Hall.

Many parents, family members and friends were present to watch as Dens 1, 2, and 3 entered the hall dressed in handmade Indian costumes which they had been working on since September.

Mrs. Horning's den 3 did Indiana dance and each member of Dens 1, 2, and 3 told of different things Indians are known for.

Mrs. Waldron's Den 2 did Indian dance and song accompanied on the piano by Mike Waldron.

Mrs. Meade informed us of the following upcoming activities:

- December 14 - Carolling for scout members and parents.
  - January 26 - Program on drug abuse to be held in Manchester.
  - February 22 - Blue & Gold banquet, potluck and awards ceremony.
  - January 28 - Tentative date for pancake supper.
- The following awards were presented by Mr. Creps and Mrs. Carter: Wolf Badges - Bruce Paul, Brian Waldron, Eric Walchak, David Stetler.
- Summertime Award: Brian Pieske - Mike Agin - Bear Badge, Silver & Gold Arrows.

## Petitions Available For Village Council

Nominations for three trustee positions on the Manchester Village Council are due at the Village Clerk's Office, 421 Riverside Drive by December 21, 1976, 4 p.m. Nominating petitions may be obtained from the clerk at the above address.

### LETTERS TO THE EDITOR

Mr. Joe Fitzgerald  
President, Manchester Athletic Boosters

Dear Joe:  
BOY, DID I GOOF!! In my letter of thanks to you and your fine organization last week, I unintentionally omitted extending my congratulations to the fine work of Coaches Kirk, Vogel, and Bill Symons for the accomplishments of their girls' teams.

I am NOT a male chauvinist and thoroughly support the same opportunities for our young women to participate on an equal basis in athletics.

Please accept my humble apologies for such a stupid error on my part. In terms of equal rights for women, I might add that I wear the pants in my family...but Chetti tells me which pair to wear.

Thanks again for all you and your club do for us.  
Sincerely,  
William J. Green, Superintendent

## Twentieth Century Club Meeting

The Twentieth Century Club met at the home of Mrs. Gerald Post, with Mrs. Paul Alber co-hostess, on November 8. Following the business meeting plans were discussed for the club Christmas Party at the Black Sheep on December 7. There will be a gift exchange as well as "white elephants" (in brown paper bags) for game prizes. The hostesses will be Mrs. T.H. Tapping and Mrs. Lyle Widmayer.

The County Federation Meeting is scheduled for the Ann Arbor Women's City Club. The program will be announced later. All club members are urged to attend.

Audience Participation was the program topic developed by Mrs. Tapping and Mrs. Bob Nichols who proved that they could get everyone present into the act.

Next meeting December 7.

## Village Planning Commission Meeting

October 27, 1976

A special meeting, in lieu of the regular November meeting, was held at the village hall, with members present: Broucek, Whittington, Leeson, Daniels, Chapin, and Duncan.

The meeting was called to order at 7:45, by Chairman Broucek.

Minutes of the last previous meeting were reviewed, and on the motion by Daniels, seconded by Whittington, were approved.

Mr. Ed Rickelman was present to explain further details of his request for a zoning change to permit the construction of an apartment complex on his property on the west side of Hibbard St., north of Duncan Street. It was moved by Duncan to support the proposal to change the parcel in question, being parts of Lots 16, 17, and 18, Block L, Thomas Morgan's Addition, and a part of the Southwest 1/4, Sect. 1, Town 4 South,

Range 3 East, owned and occupied as one parcel, from zoning of R1-B (Single-Family Urban Residential District) to zoning of R2-B (Low Density, Multiple-Family Residential District). The motion was seconded by Whittington, and the voice vote was 3 aye, 2 nay, and one abstention. The Motion was declared passed.

It was moved by Whittington that we recommend to Council that favorable consideration be given to the request from Hoover Ball and Bearing Co. - Uniloy Division, for a 12 inch water main, providing that they petition for annexation to the Village of Manchester at this time. The motion was seconded by Chapin, and unanimously approved.

It was moved by Daniels that the extension of Duncan Street, from Macomb Street to Union Street, be maintained as a through Street for the convenience of the public, stipulating that it be improved. The motion was seconded by Broucek, and the voice vote was 4 aye, 2 nay. The motion was declared passed.

It was decided to call the next regular meeting for December 1, 1976.

The meeting was declared adjourned at 9:50 p.m.

Laurin F. Leeson, Secretary

## Senior Citizens

The Senior Citizens Christmas Pot-Luck Dinner will be held on Wednesday, December 15 at 12:30 p.m. at Emanuel Church Hall.

Bring a dish to pass and your own table service.

Senior Citizens will leave the Emanuel Church parking lot at 9:00 a.m. on Monday, December 13, for a shopping trip. This is an excellent chance to finish your Christmas shopping.

### GOINGS-ON AT THE LIBRARY

The "Sketch the Library" contest has three winners. The contest committee couldn't decide on which of these three was the best so we are awarding \$5.00 to each of the following: Sandra Kay Ellis, 419 City Rd., Russell Smith, 424 Lafayette St., and Jane Walter, Boetger Rd., all of Manchester. Congratulations! There is, indeed, a lot of talent in our village; how wonderful to put it to good use.

The library will present a Children's Story Hour, Thursday, December 30 at 2:00 p.m. These special Christmas movies will be shown: "The Great Toy Robbery", "The Littlest Angel", and "The Night the Animals Talked". All children are welcome.

### ATTENTION-ALL BOATERS!

A three night sail supplement course will be given by the Ann Arbor Power Squadron at Pioneer High School on the 13, 15, and 16th of December, 1976, Room C117 - Time 7:30-9:30 p.m.

## Christmas Sale

NOW UNTIL CHRISTMAS

## Microwave Oven

with the Automatic Chef Temperature Sensor

Model Jet90T

**It cooks accurately by TEMPERATURE, automatically...**

**A WHOLE NEW CONCEPT IN MICROWAVE COOKING!**

No Guesswork  
No Overcooking  
No Potwatching

Until recently, microwave cooking was done by time alone. Then, GE introduced the Automatic Chef Temperature Sensor, which automatically cooks accurately by temperature. For many foods, just insert the probe and set the temperature. When the food reaches the proper serving temperature, the oven automatically shuts off and signals the food is ready. Also features three power levels for cooking flexibility, big 1.3 cu. ft. size and digital timer.

JET 90 \$425.00      JET 85 \$299.00

THE INTER-COM

Bill Green  
Superintendent of Schools

As unbelievable as it may seem, we are finished with the second 6 week period of school and headed into the end of the first semester. Even more unbelievable is that the beautiful holiday season of Christmas is almost upon us and we can begin to feel the anticipation for the spiritual and family experiences, that these days hold, budding in the excitement of your children. What beautiful days these should be for all of us!

SPECIAL ANNOUNCEMENT—CHRISTMAS VACATION WILL BEGIN AT NOON ON WEDNESDAY, DECEMBER, 22ND rather than at the end of the day, as previously announced. Your children will be boarding buses at around 11:30 a.m.

on that day. There will be NO afternoon kindergarten on that day.

We received this week, as anticipated, a list of violations with regard to our University of Michigan Accreditation. I want to point out to you that this DOES NOT mean we have lost our accreditation, nor is the communication received threatening in that direction. It does mean that by cutting back on certain program areas, such as guidance, art, home economics, and physical education, we have violated the standards. In the letter received, you will also be interested in knowing that we were not in violation by cutting courses that were especially designed for "college-bound" students. Certainly all of us want to correct those violations as soon as possible and I have communicated with the University of Michigan regarding our awareness of the problem that many school districts are facing, and it is strictly a matter of dollars.

Speaking of dollars, our revenues are down, as you know, and you will be receiving a complete report once your Board of Education has studied the adjusted budget and set their priorities for finishing the year with a balanced budget. We are presently working on this during December and hope to furnish you with a copy

of the revenues received, and expenditures, by early in January. Every effort possible is being made by your Board of Education, the administration, and the teaching staff to reduce unnecessary spending and conserve. The staff has done an excellent job of conserving our resources, and the full utilization of less expensive materials, creating some of their own, and creating an awareness in students of the need for them to not waste materials which cost their parents money.

I am keenly aware of some of the disappointments this year's senior class has had to have as a result of reduced budget, particularly, in terms of specialized courses. As expected, they are doing well and are developing a good understanding of how to fill in the voids, either in community education, or work-study programs. They are meeting the challenges well, and we can be proud of them. As a community, we need to begin to plan early in the new year in which direction we are going to go in terms of program, and with the assistance of the staff, administration, and the community advisory council, we will have a goodly number of suggestions and recommendations to bring before the Board of Education for their consideration.

Have a good week.

FORD CHRISTMAS PARTY

Former Manchester Ford employees Christmas Party will be held Sunday, December 12 at 1 p.m. at the Manchester Sportsman Club.

Bring a dish to pass and table service. Ladies and mens gift exchange.

TELEPHONE BOOKS TO BE DELIVERED

Michigan Bell's new telephone directories will be distributed here beginning Tuesday, November 30.

The directories will be distributed in Ann Arbor, Chelsea, Dexter, Manchester, Milan, Whitmore Lake, Willis and Ypsilanti.

The cover of the new directories has a contemporary theme this year—replacing the historical "personalities" on last year's books.

There are nine colorful scenes of Michigan locations, visual expressions of the state's motto imprinted at one corner: "Si quaeris peninulam amoenam circumspice." (If you seek a pleasant peninsula, look about you.)

Again this year there are notices inside the yellow pages that some advertised services or occupations have to be licensed or may require licenses to operate.

Also included are some consumer tips which have been researched and approved by the Better Business Bureau. An index to these shopping tips appears on the last page of the directory.

There's also a guide to specialties as practiced by the medical profession which appears under the heading "Physicians and Surgeons, M.D."

COUNCIL PROCEEDINGS

November 15, 1976

Council met in regular session with the meeting called to order by Pres. Little at 7:06 pm. Present were Daniels, Fitzgerald, Padley, Schaffer, Scully and Beasley; absent Denhoff and Duncan.

Minutes from the November 1, 1976 regular meeting were read, corrected and approved in a motion by Fitzgerald, supported by Scully. All yeas, carried. Enter Duncan at 7:11 p.m.

Claran Knauss, Sr. complained that many people are failing to obtain permits prior to beginning work. Council advised Mr. Knauss that the police would follow up on any complaint he might have regarding work without permits.

Fitzgerald related Public Works activities for the previous two weeks. Leaves have been raked in parks. A water and sewer tap-in was done on Auburn Street. City Road was patched to comply with the State Highway requirements at the site of a water service repair. Traffic control signs were placed on West Duncan and Union Streets. A water main was re-

paired on North Elton Street. The crew has been working on the drainage on South Macomb Street. Some covering has been accomplished at Kirk Park. More will be done when the big loader is repaired.

Little reported on Chi-Bro Park application materials. He had contacted Mr. Kostichak regarding further forms to be filled out. Mr. Kostichak had not yet received the forms from the state with further in-depth questions, but he will get back with Little regarding the progress of the paperwork.

Little met with John Adams, of McNamee, Porter and Seeley, and Daniels regarding the sewer grant and reported on the progress.

Bids for the 1973 Plymouth Police car were opened. Don Smith: \$575.00; Pat Smith: \$600.00; Paul Verhines, Jr.: \$483.00. Moved by Fitzgerald, supported by Padley to reject all bids. All yeas, carried.

A budget hearing was conducted at 8:30 p.m. The following is a budget for the

Fiscal Year March 1, 1976, February 28, 1977 approved for the General Operating Fund in a motion by Scully, supported by Duncan. All yeas, carried.

REVENUES	
Current property taxes	\$95,100.00
Delinquent taxes	5,000.00
State levied local share taxes	
Intangibles	6,000.00
Sales tax	26,000.00
State Income tax	8,000.00
Gasoline tax	3,500.00
Single Business tax	5,200.00
S&T Inventory return	17,900.00
Discounts taken	200.00
CETA reimbursement	12,000.00
Licenses & permits	5,000.00
Transfer station	12,500.00
Reimbursement services	8,000.00
Interest income	200.00
Fines	1,500.00
Miscellaneous	375.00
	206,475.00

EXPENDITURES	
Administration	48,650.00
Police	
Administration	75,000.00
Operations	18,000.00
Parks	9,250.00
Parking Lots	150.00
Reimbursed services	3,000.00
Tree removal and replacement	1,400.00
Sidewalk Construction	10,600.00
Transfer station	17,275.00
Other public works	23,150.00
Total	206,475.00

Schaffer reported that the Jaycees had asked to use Wurster Park to sell Christmas trees. Council advised that it was ill right if done on the north side of Main Street.

Statements were reviewed and the clerk was requested to obtain information about

\$1500.00 due the General Fund by the Water Construction Fund.

Daniels applied to the State for a blanket permit for emergency work on a State Trunkline. Resolved, that the Supt. of Public Works is hereby authorized to make application to the Michigan Department of State Highways & Transportation on behalf of the Village of Manchester in the county of Washtenaw Michigan for the necessary permits to do emergency work to village utilities within the right-of-way of State Trunk Line M-52, and that the Village of Manchester in the county of Washtenaw Michigan will faithfully fulfill all permit requirements, and will indemnify and save harmless all persons from claims of every kind arising out of operations authorized by such permits as are issued. The previous resolution was offered by Fitzgerald and supported by Padley. All yeas, carried.

Duncan expressed concern about the activities on Main Street in the Central Business District in the evening hours. The Police Dept. indicated they would check more extensively on Main Street. Moved by Padley, supported by Duncan to adjourn at 9:28 p.m. All yeas, carried. Mary H. Wheeler, Clerk

November 29, 1976

Council met in special session with the meeting called to order by President Little at 7:58 pm. Present were Daniels, Duncan, Fitzgerald, Padley, Schaffer and Scully; absent Denhoff, Clarence Fielder was also present, as well as Attorney Roesch.

The meeting was called to consider the request of Unloy Division Hoover Ball and Bearing Co. to have their property annexed to the Village as proposed in the accompanying copy of their letter

# AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

## LABOR LEADERS NEED TO RELATE

U.S. Department of Agriculture figures indicate that there are 140,000 employees needed to produce the farm machinery and equipment that farmers purchase each year. That's a lot of folks depending on the livelihood of the 4.2 percent of the population that are still farming in this country.

Somehow, however, labor union leaders can never equate the well being of farmers with the well being of their members who are producing all this machinery. They don't seem to realize that when they are out advocating that grain ships bound for overseas should not be loaded, that they are cutting down on farm income, and consequently on the ability of farmers to purchase machinery. It's true that they are not doing this now, but it was only a few months ago that some dockworker unions refused to load ships, and the "big daddy" of all the unions, George Meany, was giving this kind of action his blessing because he said selling grain overseas might raise the price of goods.

With all this background, it must surely raise the hair on the back of farmer's neck to read of the wage settlements being made in the machinery industry. Press reports, for example, say that the UAW's contract with John Deere, the nation's largest producer of farm machinery, is for \$7.86 an hour. On top of this basic wage is a fringe benefit package of \$3.00 per hour. That's over \$10.00 an hour; \$80.00 for an eight hour day; \$400.00 for a five day week; and \$20,800 for a 52-week year. The John Deere worker is making that kind of money without so much as an investment in a

screwdriver, while a farmer has a \$200,000 and up investment, and, in many cases, is giving his labor free on his farm. With tractors being made with over \$10 an hour labor, the price of tractors is bound to go up.

If farmers are going to continue to buy new tractors and machinery, labor union leaders ought to be out front promoting sales of grain and other farm products anywhere they can. The jobs of their members depend on it.

## LACLECHE LEAGUE

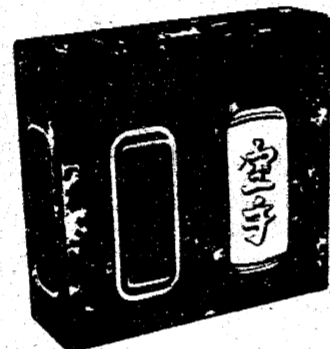

The Manchester LaLeche League will meet Tuesday, December 21, 8:00 p.m. at 418 E. Main St., the home of Joyce Spleas. We will combine the third and fourth meetings of the series. Topics will be "Arrival of Baby" and "Nutrition and Weaning." Everyone welcome.

## HURON VALLEY BEE KEEPERS ASSOC.

There will be a meeting of the Huron Valley Bee Keepers Association, 7:30 p.m. Thursday, December 16, at the Liberty Room, Ann Arbor Federal Savings & Loan Building, corner of Liberty and Division. The meeting is to elect a president and view a movie (Language of the Bees). The public is welcome to attend.

**For This Casserole...  
They'll Come in From the Cold**

When it's cold outside, nothing delights an avid eater's appetite better than a piping hot hearty casserole. And, that's exactly what this easy-to-prepare recipe offers.

An enticing combination of ground beef, cottage cheese, chopped spinach and melted cheese is sparked by the flavor of Tomato Herb Sauce. It's an inexpensive perfectly seasoned Italian cooking sauce in a can that allows you to affordably add that touch of creativity and convenience to cold-weather meals.

This delightful In-From-The-Snow Casserole is guaranteed to bring a warm glow to you, husband and children alike.

And another thing that might bring a glow is a just-announced "of-fashioned" recipe exchange, sponsored by the people at Hunt's. "Send us one of yours and we'll send you a bunch of ours," is the way they've tagged the exchange.

For \$1.25 and a favorite recipe using any of Hunt's 15-oz. flavored sauces, the company will send the Hunt's Complete Tomato Sauce Cookbook. This full-color hardbound cookbook is chock full of delicious, kitchen-tested recipes using tomato sauce and sells normally for \$1.89.

This one-third savings is available by writing to Hunt's Recipe Exchange, P.O. Box 9437, St. Paul, Minn. 55194. All recipes submitted will be considered to be in the public domain and will receive no compensation.

**IN-FROM-THE-SNOW CASSEROLE**

- |   |  |
|---|--|
| 1 lb. lean ground beef                                      | 1 pint cream-style cottage cheese                |
| 1 (15-oz.) can Hunt's Tomato Herb Sauce                     | 1 tablesp. parsley flakes                        |
| 1 cup finely chopped onion                                  | 1/2 tablesp. oregano                             |
| 1/2 tablesp. salt   | 8 ozs. mozzarella or mild process cheese, sliced |
| 1/2 tablesp. pepper   |  |
| 2 (10-oz. pkgs. frozen chopped spinach, cooked and drained) |  |

In skillet, brown beef; drain fat. Stir in Hunt's Tomato Herb Sauce, onion, 1/2 tablesp. salt and pepper; simmer, uncovered, 10 minutes, stirring occasionally. Press spinach very dry; combine with cottage cheese, parsley flakes, oregano and remaining 1/2 tablesp. salt. Spoon spinach mixture around edge of shallow baking dish; pour beef mixture in center. Cut cheese slices into lengthwise strips; arrange in lattice design over meat. Bake at 375°-20 to 25 minutes. Makes 6 to 8 servings.

**Christmas Raisin Stollen...  
A Festive Holiday Offering**

Throughout the holiday season, delicious homemade treats are always in demand. For a traditional European bread, try this recipe for Christmas Raisin Stollen.

Golden seedless raisins and candied cherries jewel this rich, aromatic yeast bread. And as with all baked goods, raising makes the stollen particularly moist and keep the bread fresh tasting.

Christmas Raisin Stollen is handsome on the table and attractive as a gift. Perfect for breakfast, brunch or coffee cake, buttered slices of this festive raisin bread will delight your family and friends.

**CHRISTMAS RAISIN STOLLEN**

- |  |                                    |
|--|------------------------------------|
| 1 cup milk                               | 1 package active dry yeast         |
| 1 cup sugar                              | 1 beaten egg                       |
| 1 cup shortening                         | 2 1/2 cups sifted flour            |
| 1 teaspoon salt                          | 1/2 cup golden seedless raisins    |
| 1 teaspoon grated orange peel            | 1/2 cup quartered candied cherries |
| 1 teaspoon cardamom                      | Melted butter                      |
| 1 cup warm water (105 to 115 degrees F.) | Glaze (recipe follows)             |

Scald milk; stir in sugar, shortening, salt, orange peel and cardamom. Cool to lukewarm. Measure warm water into warm bowl. Sprinkle in yeast; stir until dissolved. Stir in lukewarm milk mixture, egg and 1/2 cups flour. Beat until smooth. Add raisins, cherries and remaining flour. Mix to moderately stiff dough. Cover and let rise in warm place about 1 1/2 hours until doubled in bulk. Punch down. Divide into thirds. Shape each third into 15-inch rope. Place on greased baking sheet and braid together loosely, pinching ends firmly together to seal. Brush with melted butter and let rise about 45 minutes until doubled. Bake in 350 degree oven 30 to 35 minutes, until browned. Brush again with butter. Cool slightly; then spread glaze over top. Decorate with halved candied cherries, sliced almonds and raisins as desired. Makes 1 stollen.

**GLAZE:** Combine 1 1/2 cups sifted powdered sugar, 1/2 teaspoon vanilla and 3 to 4 teaspoons hot water.

CORNER**

**DENISE GALINIS ON ALL-LEAGUE TEAM**

Denise Galinis was voted to the first team all-league girls basketball team while Jan Savage and Kim Dulle received honorable mention in the all-league voting.

These teams are as follows:  
1ST TEAM-Sue Richter-Clinton, Pat Rooney-Hudson, Pam Brown-Morenci, Denise Galinis-Manchester, Jane Rupp-Hudson, and Cathy Gibson-Clinton.

2ND TEAM-Margaret Campbell-Clinton, Ruth King-Clinton, Teresa Nieto-Addison, Judy Durkes-Addison, Kathy Raymond-Morenci, Karen Bush-Clinton.  
HONORABLE MENTION - Karen Vandersalen-Morenci, Jen Savage-Manchester, JoAnn Grossman-Clinton, Cindy Redding-Onsted, and Kim Dulle-Manchester.

**DUTCH ROUNDBALLERS RED HOT**

By Jon Hardenbergh

Manchester now stands 2 for 2 so far, as on Tuesday they opened their season by dumping the Grass Lake Warriors,

62-57, then on Friday they downed the Clinton Redskins in the league tip-off 58-51.

Upon my arrival in Warrior country the J.V.'s were fighting it out as with 5:32 remaining in the contest the tally stood 35-32 in Grass Lake's favor. Unfortunately the little Dutch hit a cold streak and at the 1:14 mark we trailed by 10 points, 42-32. All of a sudden we caught fire and in some 40 odd seconds we'd pulled within 4, 42-38. There was fouling to gain control of the ball and as the last 30 seconds seemed to last forever with Manchester down 1, 44-43 with 8 ticks left. The Warriors got 2 on free throws to edge us 46-43. Steve Melcher and Brian Evans shared the scoring as they both hit for 12 points. Brian was high rebounder with 13.

Before the Varsity team raced onto the court I found myself going through my ming trying to recall-who graduated-who didn't and who was coming up from J.V. Well, I found out and what I saw was pleasing. We're a bit lean in the guard area but very strong with height and quickness in both forward and center positions. Anyway on with the game.

We led in score for the first 5 minutes and 53 seconds of the opening period but a 2 point bucket gave the Warriors an edge 7-6. Grass Lake kept their lead and increased it to close the period 11-8.

It wasn't until there was 3:55 left till intermission that we recaptured the lead at 20-19. Manchester got it all together

as they outscored the Warriors 12 points to 4. Curt Fielder supplied the offense as in these closing minutes he burned the nets for 8 points. The team was hot this period as they popped for 24 points (18 shots-12 made) and had zero turnovers. This made the halftime tally 32-23.

We did post 6 turnovers in the 3rd period but so did Grass Lake and we put the ball thru the hoop a few more times then the Warriors, therefore we were up 12 points going into the final 8 minutes of battle, 45-33.

At the 4:04 mark I felt we had it because we led by 11. But the Warriors started putting on the pressure and with 3:34 left they had pulled within 7 points, 53-46. With 1:22 remaining we had lost 2 starters via fouls and the Warriors were creeping nearer, 60-54. In less than a minute we had lost another man but in all this time it was the free tosses by Curt (5 of 6) that kept Grass Lake at bay. The closest they got was the 5 points at the conclusion, 62-57.

Curt was high scorer as he smoked the net for 27 points with Bob Smith banging home 14. Mark Lawson controlled the boards as he gathered in 11 rebounds. Weather being as it was I didn't make the trip to Clinton for the Dutchman's L.C.A.A. opener. But behind the 20 point offensive outing of Curt Fielder and the defensive board crashing (15) of Greg Daniels we won our second straight, 58-51.

On the sad side the Little Dutch fell, 59-35.

Manchester now treks to Addison on Friday, then Tuesday they host Onsted. L.C.A.A. Doings Friday: Manchester 58 Clinton 51, Hudson 69 Bronson 65, Addison 68 Vandercook Lake 60, Morenci 50 Onsted 40.

Trivia-High scoring honors this week go to Harbor Springs as they buried East Jordan 104-45. Close battle this week-Royal Oak St. Mary and Wyandotte Mt. Carmel as it took 3 overtime periods for Royal Oak St. Mary to win, 56-55. Honorable Mention for high score goes to St. John, they did score more but their margin of victory was smaller. St. John's totaled 108 points to Bullock Creek's 68.

CHRISTMAS MESSAGE COURTESY OF TECUMSEH CHAMBER OF COMMERCE

Even in our age of electric lights and aluminum trees, the most appealing Christmas cards continue to reflect the holiday celebrations of earlier days. Tinsel-draped trees, horse-drawn sleighs, Yuletide greens, fragrant candles and festive tables remind us of the days when Christmas was quieter, the way we often wish it could be now.

There was time then for simple pleasures. Time to savor the smells of holiday cookery, time to listen for the sound of sleigh bells across the frosty night air, time to enjoy the warmth of rooms aglow with candlelight.

The serene, unhurried pace which marked those long ago Christmases is not entirely gone. At Greenfield Village and Henry Ford Museum in Dearborn, Michigan, the holidays are still celebrated in the traditions of yesteryear. From December 4 through January 2, Christmas past once again becomes a reality for the present.

In the Village, freshly-fallen snow is a carpet for horse-drawn sleighs gliding swiftly past historic homes and shops decorated for the season. Some of these original buildings have seen 300 Christmases, others only a hundred. Yet they all look the same as when their original famous owners hung wreaths and lighted candles on Christmas Eve so many years ago.

In Noah Webster's stately Connecticut home, for instance, the tree in the drawing room is decorated with glass balls, birds and candles in tin holders. It is patterned after one of the earliest known illustrations of a Christmas tree in America, which appeared in 1836. Glass balls, popcorn and cranberry strings and colored lights—first in-

duced in 1907—adorn a tree in the home where Orville and Wilbur Wright once lived. Not far away, inside the birthplace of Henry Ford, stands a table-top tree decorated with American flags.

In the 17th-century Cotswold Cottage, the oldest home in the Village, flickering firelight plays on the decorative garlands of holly, ivy and boxwood, ancient symbols of the continuation of life. Outside, on the wellhead, rests a Yule log, another symbol, whose steady burning was once thought to guarantee a year of good luck.

At the Plympton House, a one-room structure dating to 1640, traditions surrounding the annual visit of St. Nicholas, which were brought to America by Dutch settlers are recalled. Wooden shoes filled with carrots and straw for St. Nicholas' horse are set on the hearth. On the door hang three oranges on a pine twig to represent the three bags of gold St. Nicholas gave to three young women as a dowry in one of the legends about his

A horse-drawn sleigh carries visitors past the 17th-century Cotswold Cottage at Greenfield Village.

generous gift giving. More than a display of traditional holiday decorations, however, Christmas in the Village also recalls the nostalgic activity of days gone by. Molasses taffy bubbles on the stove in the farmhouse kitchen

Adjacent to the Village is Henry Ford Museum where "The Crafts at Christmas" along the Street of Early American Shops has become a holiday tradition. Here, more than a dozen skilled artisans blow glass ornaments, mold candles and fashion brooms, dolls, wooden toys, wreaths and other items reminiscent of the days when holiday gifts and decorations were made lovingly by hand.

In the background, carolers and choirs capture the holiday spirit in song. From time to time, concerts of Christmas music are performed on an antique instruments from the Museum's collection. Elegant period decorations grace the galleries and alcoves, while wreaths and noisemakers, cedar roving, adorn lampposts and doorways.

To round out this Christmas from the past, the Greenfield Village Players present Victor Herbert's charming opera, "Babes in Toyland" in the Museum Theater. This delightful musical production honors the past tradition of holiday entertainment for the entire family.

At Greenfield Village and Henry Ford Museum, the real spirit of Christmas is not a thing of the past. The kind of holidays we would all like to remember live on.

Greenfield Village and Henry Ford Museum are open daily the year around with the exception of Thanksgiving, Christmas and New Year's Day. A separate admission to either the Village or the Museum is \$3.00 for adults and \$1.25 for children 6 through 12. Children under six are admitted free.

**CHRISTMAS PROGRAM**

On Thursday, December 16, the children from Klager Elementary School will join together with the fifth and sixth grade students at the Middle School, to present their annual Christmas Program. All children will be participating in a variety of songs and activities under the direction of Mary Korican with assistance from Cindy Hansen and Pam Wilson. The program will be held in the High School gymnasium and will begin at 7:00 p.m. Parents, friends, and relatives are cordially invited to attend.

**U OF M NEWS**

On April 12, 1955, University of Michigan scientists officially confirmed the effectiveness and safety of the Salk polio vaccine. The announcement followed the vaccine's field trials involving nearly 2 million children from 14,000 schools across the nation.

**Can you afford to expand?**

Need expansion means land expansion. Consider the best analysis of your financial needs at a time when land prices are doubling, see your Federal Land Bank representative. Today's capital expenditures run high for expansion. That's why the Land Bank offers large amounts of capital that's truly long-term at reasonable rates. When you think expansion, think Land Bank.

**LEGAL NOTICE**

**NOTICE OF PUBLIC HEARING**

Notice is hereby given that the Village of Manchester, Michigan will hold a public hearing on the proposed Manchester Area Facilities Plan for the purpose of receiving comments and views of interested persons. The hearing will be held at 8:00 a.m. on Monday, December 27, 1976 at the Village Hall at 120 S. Clinton Street in Manchester, Michigan 48158.

The purpose of the hearing is to receive comments on the Facilities Plan and environmental impact of the proposed alternatives for collection, treatment and disposal of wastewater generated within the Village of Manchester and adjacent Manchester Township in accordance with the requirements of Public Law 92-500. Wastewater generated within the Village is currently being treated at the Village's Wastewater Treatment Plant prior to discharge to the River Raisin. The Facilities Plan evaluates several wastewater alternatives providing service to the Plan of Study Area established by the Department of Natural Resources. The alternatives considered include:

1. No Action
  2. Activated sludge treatment with effluent discharge to the River Raisin.
  3. Rotating biological surfaces treatment with effluent discharged to the River Raisin.
  4. Land disposal utilizing approximately 240 acres of farm land in Sharon Township.
- The No Action alternative will result in long term degradation of the environment. The other three alternatives will enhance the environment by upgrading the water quality of the River Raisin. Capital costs for the feasible alternatives range from a low of \$1,963,750 to \$4,335,000.

Annual operation and maintenance costs vary from \$120,000 for rotating biological treatment to \$95,000 for land disposal. The recommended plan involves biological treatment, nutrient removal, filtration, disinfection and point discharge to the River Raisin resulting in \$380,750 as the local share of capital cost.

Major wastewater collection system improvements will be necessary to meet the present and future pollution control standards. The existing combined sewer system must be separated to eliminate the discharge of untreated sewage directly to the River Raisin. System improvements are estimated to cost \$879,769 with the local share being \$270,434.

Sewer service extensions are proposed to several areas of the Village of Manchester and Manchester Township. Portions of these extensions are eligible for Federal and State grant funding. Sewer extensions are estimated to cost \$543,062 with the local share being \$364,063. The recommended program effectively reduces the pollution of the River Raisin and will have a positive impact on the environment.

A copy of the Draft Facilities Plan which discusses the alternative treatment methods and collection system considerations will be available on or before November 27, 1976 for Public Inspection at the following addresses:

- Village of Manchester, Public Works Department, 214 North Macomb, Manchester, Michigan 48158, 428-8360.
- David L. Little, Village President, Ann Arbor Federal Savings, 111 East Main, Manchester, Michigan 48158, 428-8373.
- Manchester Township, Clarence Fielder, Supervisor, 124 South Macomb, Manchester, Michigan 48158, 428-3596.
- Sharon Township, Allen Alber, Supervisor, 7753 Hoadley Road, Manchester, Michigan 48158, 428-8100.
- Bridgewater Township, Douglas Parr,

Supervisor, 14640 Logan, Manchester, Michigan 48158, 428-8776.

Freedom Township, David J. McInhart, Supervisor, 11361 Pleasant Shore Drive, Manchester, Michigan 48158, 428-8028.

Written comments regarding the proposed alternatives should be sent to McNamee, Porter and Seeley, Consulting Engineers, 2223 Packard Road, Ann Arbor, Michigan 48104. Comments should reach the above address no later than December 21, 1976. All comments received will be entered into the public hearing record.

**COUNCIL PROCEEDINGS**

dated November 29, 1976.

After much discussion two questions remained. Fielder questioned what zoning would apply to the area in question upon receipt into the Village. Roesch will check on the zoning. Fitzgerald asked what permits might be necessary from the township to approve placement of utility lines. Fielder will check with his board.

Roesch suggested that the following resolution be adopted. Resolved by Scully, supported by Padley to accept Uniloy Division Hoover Ball and Bearing's offer, as in letter attached to minutes, and to authorize President Little to sign any response on the advice of Council. Yeas: Duncan, Scully, Padley, Schaffer; abstain: Fitzgerald. Motion carried.

Moved by Fitzgerald, supported by Duncan to adjourn at 8:58 pm. All yeas, carried.

Mary H. Wheeler, clerk

November 29, 1976

Manchester Village Council  
Manchester, Michigan  
Re: Annexation of Uniloy Division Hoover Ball and Bearing Company to the Village of Manchester.

Honorable Council:

Uniloy Division Hoover Ball and Bearing Company hereby proposes that its land lying east of and adjacent to your village limits be annexed to the Village of Manchester on the following terms and conditions:

1. That you establish our land as an industrial development district pursuant to the provisions of Act 198 of the Public Acts of 1974 so that our new industrial facilities will qualify for the tax benefits provided for by said act.
2. That you agree to reimburse us for that portion of the total cost of construction of a twelve (12) inch water main

from your water supply system to our plant a sum which is equal to the difference between the cost of said construction along the most economical route (\$118,500.00) and the cost of said construction along the route desired by you (\$127,000.00), said difference being \$8,500.00, plus a sum equal to any water connection or tap in fee for which we are liable under the provisions of your ordinance. It is understood that we would construct said water main in easements provided for and owned by you in accordance with specifications which meet or exceed yours, pay for the entire cost of said construction upon completion thereof, and dedicate and transfer said water main to the Village of Manchester as part of your public water supply system. Your obligation to reimburse us for the \$8,500.00 extra cost to us resulting from using the route desired by you would not become effective until you receive our first tax monies in 1978, and said obligation would be without interest.

3. We will pay you an annual standby surcharge for fire protection in the amount of \$60.00 as provided by your Ordinance No. 83 adopted on September 22, 1969, together with all other water and sewer charges due from industrial users of your water and sewer system lying within your village limits.

4. In the event that the Washtenaw County Board of Commissioners should fail to grant your petition to annex our land for any reason beyond our control, we would retain the right to use said newly constructed twelve (12) inch water main, and the existing sewer service, by paying all charges and fees provided by your ordinances for land lying outside your village limits and you would have no obligation to reimburse us for the \$8,500.00 extra cost incurred by us as the result of using the route desired by you, or to reimburse us for any connection or tap in fee provided by your ordinances.

If the above proposal meets with your approval, please take formal council action accepting said proposal at your earliest possible convenience so that we may commence construction of said water main immediately. We are enclosing herewith a property description of the land involved so that you may prepare and file a petition for annexation at the earliest possible time. We would appreciate your informing us of your action by formal letter as soon as possible and we will consider this letter and your letter to constitute a contract between us.

You can be assured of our fullest cooperation in carrying out the terms and conditions of this proposal. It is our desire to become a good citizen of your community making every effort to enrich the economic, social, and cultural welfare of the community to our mutual benefit.

Respectfully yours,

Geo. J. Nichols  
Group General Manager

**JOLLY FARMERETTES 4-H MEETING**

The November 9th meeting of the Jolly Farmerettes was called to order by Julie England at the Sharon Township Hall. Roll call was taken by Jill Golding and flag pledges were led by Jeanne Gonyer. We voted on giving Christmas gifts to the children at St. Joseph's Hospital. The cost will be \$1.50 to \$2.00.

The secretary's report was read and approved and so was the treasurer's report. We had discussion on Sunshine Boxes. Members should bring fruit, canned goods and candy to the Sharon Township Hall on December 18th. There was no new business. The leaders report was read we had some corrections on our programs. We passed out 4-H calendars. There was a letter to be read for people in sewing. Elaine Feldkamp gave us the names of the leaders of our respective groups. Demonstrations were done by Teresa Ames and Jenny Feldkamp. We had a game and refreshments; then the meeting was closed.

## Going Back To Christmas

By Anita Bruder

'Tis the season to renew attachments and escape from the cold-fa la la la...

My parents had just returned from a week in the South and I went home to enjoy the look of rested and rejuvenated faces and to hear the tales of the Journey down and back. I was suspended in thought while listening to my mother recall from her mental journal the highlights of the trip. Sam, the family Brittany Spaniel, had her face couched comfortably on my mother's lap. Mom's voice combined with even strokes along the dog's back provided a restful momentum on a lazy afternoon. Occasionally and subconsciously, my Italian mother would stop petting in order to emphasize a highlight with her hands. As though the pauses signified an entrance, Sam would roll her eyes contentedly upward and nudge. This caused Mom to momentarily pause in the storytelling in order to deliver a loving touch of reassurance to the pooch, before continuing on. Attachment.

Almost mystically I was re-acquainted with the sensation of returning home. The smell of the closed house, the re-awakening of the familiar and, later the anticipation of receiving a welcomed, "Where have you been?" from the dog bursting into the vet's waiting room. This warm re-acquaintance with the familiar puts one at ease enough to notice all the things one missed before--the bowl of dog biscuits, the cute pet calendars, the comforting voice of the receptionist in the waiting room. On the pick-up visit and after dog and owner have been re-instated to each other, what's behind the door your dog was physically dragged behind no longer causes wonder--it doesn't matter. You are together again.

This season can provide the similar emotional perceptions of travelling and returning without the necessity of absence or distance. It provides a time to come in from the cold to bask in the warmth of fond familiarity and attachment. The sense of renewal that accompanies returning home and feeling "I haven't forgotten--I won't forget" is once again sparked. Then on the start of the new year one may leave the old year feeling rested and refreshed and eagerly able to begin again the search and the planning for the best route to happiness in the oncoming year.

Within a week or so, all area residents will receive a descriptive bulletin by mail containing information about the upcoming programs for the winter semester to begin in January. All programs areas have been expanded to include something for everyone. Some new additions are certification by the Veterans Administration for high school completion under the G.I. Bill, special agricultural programs to start in January and several additions to the college offerings.

## Community Education

Special Need!

In order for students to continue in the music program at the Middle School there are 5th graders who are in need of clarinets. Anyone who has any musical instruments they would like to LOAN could get in contact with Mrs. Meade at the Middle School, phone 428-7442.

will be presented each evening from 7:00 to 9:00 p.m. Approximately sixty persons of the church will be involved each evening.

Costumes for the live characters were made by the women of the church. The lighting and staging were also done by church members. Live animals will be used to add to the authenticity of the birth of Christ as it is recorded in the scriptures.

The public is cordially invited to view the scene each evening during the week prior to Christmas Day.

## CHRISTMAS CONCERTS TO BE HELD

'Tis the season for merriment and music and to really get everyone into the mood for this joyous time of year, the Music Departments of the Manchester Community Schools will be presenting their annual Christmas concerts this month.

The first concert, presented by the Manchester Middle School musicians, will be held in the Middle School gym this Friday evening, December 17, at 7:30 P.M. These young music makers will be under the direction of Mrs. Joyce Meade and Ms. Alice Greminger.

The high school concert will be held on Monday evening, December 20, at 8:00 P.M. in the high school gym. There is a charge of \$1.00 per person and/or 50 cents for students and Senior citizens. This concert will feature both the music of the concert band and the many voices of the chorus under the direction of Mr. Roger Morrison.

The famous "jewel candy", made by the boosters and the band members will be available for purchase at both of the concerts. This is a good time to pick up a last minute gift. Please join us all for fine music and get that Christmas feeling.

## Ask Cope...

Question: My son will be three years old in two months. He hardly talks at all. Sometimes I don't think he hears too well, but our family doctor says he's ok. I have asked my doctor if he can't do some tests just to be sure. Todd gets colds a lot and runny noses. Sometimes he cries and rubs his ears. His when he has a bad cold that he doesn't seem to hear well.

I can't spend all day with him because I need to work on an afternoon shift at the plant. I leave him with an older lady down the road. He seems to like her. There just aren't any kids for him to play with out here where we live. I have talked to a couple of girls I work with and they think I should have him checked. What do you think? What can I do?

Answer: By all means insist that your doctor check your son's ears more thoroughly. What you describe could be symptoms of a number of problems, but your doctor needs to diagnose it. If your son isn't hearing well, then his speech and language may not develop well, since he may miss a lot of what would normally be good speech models for him to imitate. Your doctor may refer you to a specialist to check your son's hearing. Either doctor may then make recommendations for your son's hearing and, perhaps, his speech and language development. After you have seen the doctor and have heard the recommendations, contact the special education director in your school district.

(In Chelsea, Manchester, and Whitmore Lake, this individual is Dr. Henry DeYoung at 475-9131, extension 48.) The school speech pathologist, along with the director, can tell you whether or not your child is eligible for speech and language therapy (or other services); make suggestions for ways of helping your son; and possible recommend a pre-school program or nursery school into which he would fit. The special education staff in your school district is ready to answer your questions and help you.

(Project COPE is a federally funded program which is being operated during the current school year by Special Education Region V for Chelsea, Manchester, and Whitmore Lake School Districts. Its aim is to inform the community about the special problems and needs of pre-school children. Those who have questions, concerns, or who wish to refer a child for diagnostic services can contact Ellen Eagan Project COPE Director, at 475-9131, extension 50 or Dr. DeYoung at extension 48.)

Petitions Available For Village Council

Nominations for three trustee positions on the Manchester Village Council are due at the Village Clerk's Office, 421 Riverside Drive by December 21, 1976, 4 p.m. Nominating petitions may be obtained from the clerk at the above address.
