

SPORTS CORNER

LITTLE ROCK SPIRIT
By Tom Hadenberg
On Tuesday, we traveled into Tiger country to meet Hudson. We came out smoking to take a 12-8 advantage into the second period. Again we were off and running as we ripped the cords for 22 points in the Tigers 17, therefore, we entered the third period up 12, 35-23. The entire second half belonged to Hudson as they kept whittling away at the score. Going into the final 5 minutes of play we led by 8, 47-41. It's my opinion that there were some odd occurrences with Hudson being declared the victor 64-60 at the conclusion. Nick Arzyanakis was high scorer hitting for 15 points. Bob Weirich and Bob King tallied in double figures with 12 and 10 respectively.

Saturday, we hosted the St. Thomas Irish and in an interesting contest where the score fluctuated greatly we finally held in the end, 64-72. Miles led all scorers with 23 as Steve Malher posted 15 and Weirich contributed 14.

VARSITY REMAIN WINLESS IN 1977
By Tom Hadenberg
First, I have to say the Varsity has lost their last 5 games (4 in 1977) but I feel it necessary to add they've played well against these teams with the opponent

lucking out in the end to win. Adrian Madison was undefeated and we had them by 14 points early in the third period. East Jackson was 6-1 and once again we played tough. Morenci was undefeated and tied with Hudson for the league lead. Well, we held the advantage until 1:36 when Morenci came up with the 5 point play that spelled our doom. Next was Hudson-league leader and undefeated and we were ahead but lost by not much. St. Thomas is the only squad here not to have a brilliant record, but they've been tough, winning 6 of 8 past battles. We had them, but in the closing minutes they turned it on to win. Anyway, I'm not making excuses, just pointing out a few facts. All Dutchmen have added something, but some outstanding talent is Curt Fielder being high scorer 8 of 10 games. Bob Smith for his steals and ball handling and ability to drive with the ball. Tom Little and Dan Turvey are Juniors who are maturing constantly and will be tough next year. Seniors, Jeff Clark, Greg Daniels and Mark Lawson go in and out of a game and all 3 add to the game either offensively or defensively. Anyway enough, on with the games last week.

Tuesday, we traveled to Hudson and came away on the short end of a 55-58 tally. Curt led all scorers, racking 20 points as Dan jumped in 17. Northern squad did well statistically as we shot 55, made 22 for 34%, hit 14-20 free throws for 57% and turned the ball over 27. Hudson shot 55, made 23 for 36%, hit 15-20 free tosses, and had 18 turnovers.

They controlled the opening up out we checked up the first period. At the

5:35 mark Tom hit a 2 pointer tying the game, 4-4, but then Hudson ran off 6 unanswered points to lead, 10-4. In the remaining 3:11 we added 6 points to the Tigers 5, to enter the 2nd period down 5, 15-10.

They again got the tip and scored twice before Jeff hit at 5:52, 10-12. The momentum swung to our side as we smoked the nets for 7 points, and as Mark hit, the score was tied, 21 all. Twenty-four seconds later Bob hit to put us up 23-21 at 2:23. At 1:23 we led 26-23 but they hit a 3 point play to tie 26-26 then in the last minute added 3 to our 0 to lead at halftime, 29-26.

We popped the first shot to trail 29-28 but unfortunately this is as close as we got. They kept a steady 4 to 5 point lead and finished with 7, 47-40 going into the 4th period.

At 6:33 Hudson was up 49-42 and at 4:33 they were ahead 55-42. Well, this was the straw that broke our back. We did rally back within 6 at 2:30 but got no closer so we left unvictorious 65-58.

On Saturday, we welcomed the Irish from St. Thomas to our home turf. The Irish took the opening tip and scored. Evertime they scored they'd throw a press on and we consistently broke it to tie, go ahead and hold a 29-23 advantage at the intermission.

In the second half they seemed to switch from their zone-trap press to a man-to-man press and we fell apart. They assumed the lead at 49-45 but the score steadied for many minutes before St. Thomas went up by 6. We missed some important

shots under our basket to aid the Irish win, 65-60.
Curt led all scorers by banging in 30 points as Bob Smith and Dan posted 15 each. Our next 2 battles are on home ground as Friday we host Clinton and on Tuesday, Chelsea comes to town.
On Friday past, Morenci edged Hudson 63-62 to take sole possession of first place in the L.C.A.A.

CHILDREN'S STORY HOUR AT LIBRARY

Your library now offers a children's story hour for pre-schoolers every Tuesday afternoon. Most people felt that an hour was too long a time for the young ones to sit still, so it has been shortened to a one-half hour program, and will be from 1:30 to 2:00. There will be a short stretch time about half way through the program and children are urged to browse and pick out books afterwards.

Books included in the next story hour will be Grandpa's Farm by James Flora and Fresh Cider and Pie by Franz Brandenburg. Becky Doyle is our storyteller.

BINGO

American Legion Post 117
138 E. Main St.
Manchester, Mi.
WEDNESDAYS - 7 P.M.

Sunny-Side Up!

If your breakfasts need brightening up, maybe Upside-Down Breakfast Bread is what's missing on your table. A pretty pattern of sunny pineapple pieces graces the top of this creative corn bread when it's turned upside-down. Inside, chopped smoked sausage links are the "link" to country flavor. You won't even miss the time it takes when you start with a quick, easy, and dependable corn muffin mix. Count on it to open eyes to your culinary artistry!

UPSIDE-DOWN BREAKFAST BREAD

Topping:
3 tablespoons butter or margarine
1 cup firmly packed brown sugar
One 8-oz. can pineapple slices, drained

Corn Bread:
One 12-oz. pkg. Flako Corn Muffin Mix
3 smoked sausage links, chopped
¾ cup milk
1 egg

For topping, melt butter in 8-inch square baking pan. Sprinkle brown sugar over butter. Cut pineapple slices as desired; arrange slicer over brown sugar.
For corn bread, combine all ingredients; mix according to package directions. Pour over topping. Bake in preheated hot oven (400 F.) about 25 minutes. Loosen cake around edges of pan; immediately invert onto serving plate. Makes 8-inch square of corn bread.

MANCHESTER JAYCEES

MILLIONAIRES PARTY

SATURDAY, JANUARY 29, 1977
K of C HALL

\$6.00 PER PERSON

8 P.M. - 1 A.M.

Forecast: expensive weather.

So far this winter has been colder than last winter—much colder. And there's no kidding what it's doing to your energy bill! When the mercury drops, your use of energy goes up—as a result—your bill goes up too!

Extremely low temperatures combined with an increase in the cost of natural gas from our suppliers are making this winter unusually expensive. So now, more than ever, you need to use energy wisely. Dial down. Turning your thermostat back from 70 to 65 will help you save. Dialing down further can save you even more. And so can insulation.

Expensive weather ahead, and there's no way around it. So let's get through the winter. Our responsibility will be to use the energy you need. Your responsibility will be to use the energy you have.

So here's what you can do to save money on your energy bills. First, check your thermostat. Set it at 65 degrees in winter. Second, check your insulation. Make sure you have enough insulation in your walls, attic, and basement. Third, check your windows. Make sure they are properly sealed. Fourth, check your furnace. Make sure it is properly tuned up. Fifth, check your water heater. Make sure it is properly insulated. Sixth, check your pipes. Make sure they are properly insulated. Seventh, check your doors. Make sure they are properly sealed. Eighth, check your roof. Make sure it is properly insulated. Ninth, check your gutters. Make sure they are properly cleaned. Tenth, check your landscaping. Make sure you have enough trees and shrubs to shade your house in the summer.

AGRICULTURE IN ACTION
MICHIGAN FARM BUREAU

WHY IS THE FARM BUREAU?

The U.S. Department of Agriculture has provided an opportunity for farmers to raise prices to the level of 1973. This money increase production is based on the Department's educated guess of potential supplies, the current harvest, and the demand for farm products. A large output forecast and strong demand for agricultural commodities.

A three percent increase isn't likely to bring about any big consumer revolution. It might motivate consumers to take a good look at some of the factors involved in that increase. It could be quite a revelation to them.

Farm prices have dropped drastically. On the average, they dropped nine percent last year, and the trend continues. Now based on what the farmer gets for his commodities—your grocery prices should drop by about nine percent—again through the USDA says it will increase by three percent this year.

The answer lies in what happens to your food after it leaves the farm and before it gets to your table. In 1975, that "gap" from farm to table accounted for 87% of food costs. All the "steps" that food made on the way to its destination were necessary steps for planting, processing, packaging, shipping, marketing. There was no single individual "bad guy" making a killing off farmers and consumers. The net profits of processors, wholesalers and retailers all represented an insignificant amount of the total consumer food expenditures. Their cost of doing business was spiraling because of inflation, which suggests that the farmer's share is being squeezed.

In 1969, \$470 million of 40% of the total marketing bill for food went for farmer costs. By 1975, that figure had increased to \$1.1 billion, a whopping 134% increase, according to the USDA's marketing bill. This figure will be reduced AFTER the food left the farmer. It does not include the farmer's labor

costs, which also increased but cannot be passed along to consumers as in other businesses or other commodities.

Farm prices rise up or they may go down, they always fluctuate on the market. But labor costs only go in one direction and that's up.

People say it's that in spite of these indisputable facts, it's hard to believe the lowest when food prices go down.

THE AMERICAN LEGAL AID SOCIETY

Please save all cancelled stamps for the American Legal Aid Society Children's Fund. Collection Boxes may be found at the Union Savings Bank and the Arbor Federal Savings.

WASHTENAW COUNTY COMMUNITY MENTAL HEALTH CENTER

The Washtenaw County Community Mental Health Center will be accepting and training new volunteers, beginning February 12.

The Center's newest service, The Assault Crisis Center for victims of rape and domestic violence, will now accept volunteers. Other openings are in crisis counseling centers in Ypsilanti and Ann Arbor, work with mentally retarded adults, emotionally distressed children, and with adults returning to the community after hospitalization. Volunteers also work at the Client Follow-up Service.

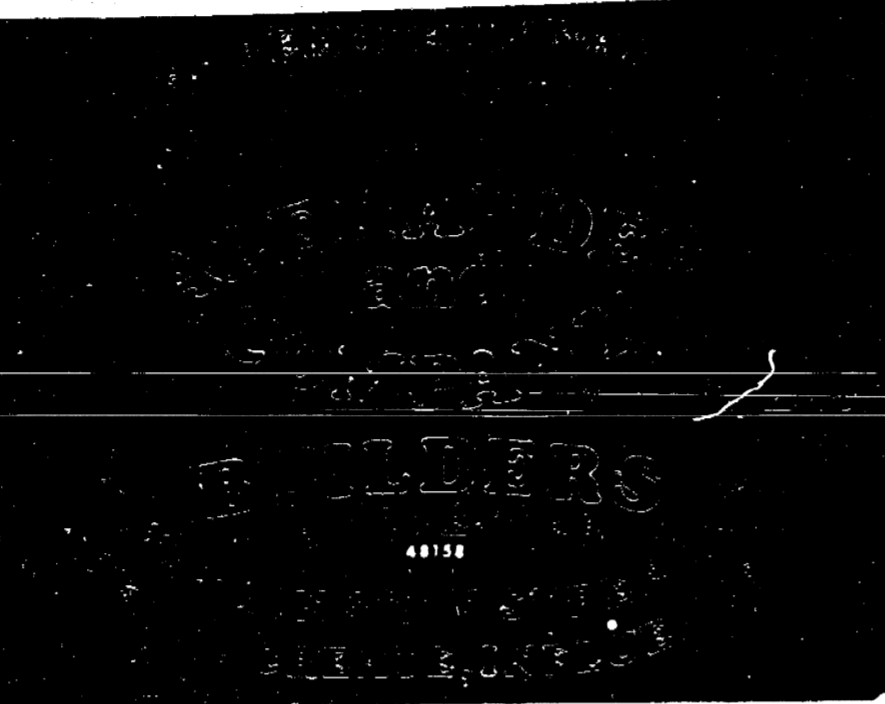

According to John Schwartz, CNR, Volunteer Director, "Today, volunteers from

CHILDRENS' THEATRE PROGRAM CANCELLED

William J. Green, Superintendent of Schools, announced today that the Saturday afternoon Children's Theatre program has been cancelled for the remainder of this school year due to lack of interest and low attendance. Alternate planning for activities for children of the district for weekends will be announced shortly.

The Center usually asks a pledge of one year, one day per week. Babysitting reimbursement is usually available. Interested persons should contact John Schwartz at Linda Vaneck, 704-6801, 8:30 to 5:30 p.m. daily.

Thank you.

NOTICE OF HEARING ON MICHIGAN PUBLIC SERVICE COMMISSION PROPOSAL RELATING TO CONSERVATION OF NATURAL GAS

The Michigan Public Service Commission has received a proposal from Consumers Power Company (CPC) for a rate increase for natural gas service to residential customers. The proposal is for a 3.5% increase in the base rate of \$1.00 per therm to \$1.035 per therm, effective January 1, 1977. This increase would result in a total bill of \$10.35 for 10 therms of gas.

The Commission is holding a public hearing on this proposal on January 25, 1977, at 2:00 p.m. in the Michigan State Capitol, Lansing, Michigan. Any interested person may appear at the hearing to present evidence or testimony in support of or in opposition to the proposal.

The Commission will also accept written comments on the proposal. Comments should be filed with the Commission by January 20, 1977, at 4:00 p.m.

For more information, contact the Michigan Public Service Commission, 1000 State Street, Lansing, Michigan 48906.

The Commission has also received a proposal from Consumers Power Company for a rate increase for natural gas service to residential customers. The proposal is for a 3.5% increase in the base rate of \$1.00 per therm to \$1.035 per therm, effective January 1, 1977. This increase would result in a total bill of \$10.35 for 10 therms of gas.

The Commission is holding a public hearing on this proposal on January 25, 1977, at 2:00 p.m. in the Michigan State Capitol, Lansing, Michigan. Any interested person may appear at the hearing to present evidence or testimony in support of or in opposition to the proposal.

The Commission will also accept written comments on the proposal. Comments should be filed with the Commission by January 20, 1977, at 4:00 p.m.

CROSS COUNTRY SKI PROGRAM

Instruction clinics for the Washtenaw County Parks Cross Country Ski Program are now underway. Openings are still available for clinic dates in late January and February.

The program consists of one 2 hour lesson and includes equipment provided at the site. A \$3.00 registration fee is required in advance to cover program costs.

Lessons will be offered at Fuller Station Area in Ann Arbor and West School in Ypsilanti. Participants attend either a 6:30 p.m. or 8:30 p.m. session. Children are invited to attend high there is an equipment limitation to small sizes.

Participants with their own equipment are eligible for the program. A special telephone line will be used for special telephone confirmation or cancellation of instruction sessions. In that certain clinics must be postponed due to inclement weather, scheduled participants can be informed by change early in the day by calling reserved number. WCPARC is planning schedule cancelled sessions, interested in registering for year's program should telephone 991- or visit the Parks office at 2355 Stadium Blvd.

SPECIAL

Reduced Interest Rates on Home Improvement Loans for Energy Conservation

The cost of heating a home has gone up an average of 76.3% in the last five years, and it is predicted to go up an additional 211.3% in the next ten years. This means the average monthly \$30.00 heating bill you were paying five years ago is now \$52.89. If these dire predictions are true, by 1987 you could be paying as much as \$164.65 per month for the same amount of heat.

What can you do about it? For one thing, you can insulate your house. It is a lot cheaper than gas, electricity or oil.

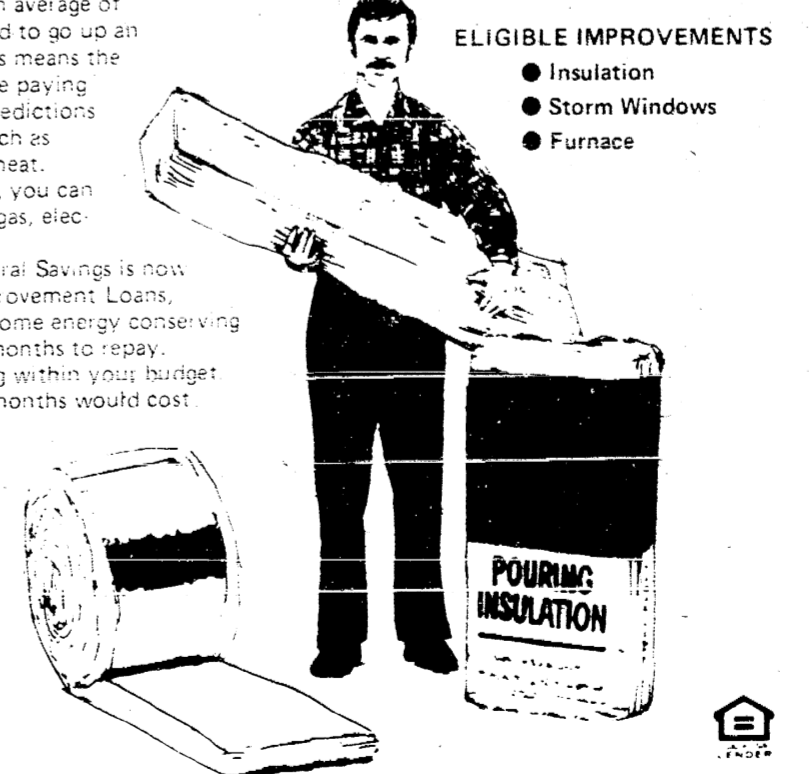

To help conserve energy, Ann Arbor Federal Savings is now offering a special reduced rate on Home Improvement Loans, through March 31, 1977, for any approved home energy conserving program. Maximum loan \$5,000, up to 60 months to repay.

This low rate would put energy conserving within your budget. For example: a \$500 loan with term of 24 months would cost \$23.33 per month an annual percentage rate of 11.13%, and with term of 36 months rate of \$16.38 per month, an annual percentage rate of 11.08%.

Full details at all AAFS offices.

you can depend on us!

THE INTER-COM

Bill Green Superintendent of Schools

As we enter full-swing into the New Year of 1977, one cannot help but reflect back on the experiences of the year past and hope that those experiences both good and bad, joyful and heartbreaking, will leave each of us stronger and more committed to the challenges and experiences that lie ahead.

This past year has indeed been one of challenge for your Board of Education, our Superintendent, and the entire staff. We are making every human effort possible to meet the challenges presented to us. I'm sure we have all made some New Year's resolutions...many of which will be forgotten as we slip back into our old and mortal frailties. There is one which would ask each member of the community to make with us in the Manchester

Community Schools and it deals with our most important natural resource...the children and young adults of our community who attend our schools.

The great majority of our students do us proud and we can learn from them in many ways. These students do not cause us a lot of worry, time, and concern outside of the normal learning process. They are going to go on to successful and productive lives in our democratic society and make their significant contributions to the growth of a world society.

Secondary to my concern are those few students within the district who are experiencing extreme difficulties in managing school and who have become habitual causative agents for trouble in and out of school. Certainly, I am concerned about money to operate your schools, carrying out your wishes for a program of excellence in education, etc. More importantly, I am concerned about equal educational opportunity for every student. More and more, of late, as I spend time with students referred to me for disciplinary reasons along with their parents, have become alarmed at what I hear about the carry-over both in and out of school of mistakes youngsters and/or their parents have made in the perception of this community, I would in

all sincerity ask that you join with me in developing a climate in and out of school of not holding children's mistakes over their heads for their entire school career.

As adults, when we err in our behavior or make mistakes, we implore and expect the community "forgive and forget" and allow us to improve the quality of our lives through beneficial educational, spiritual, and a spirit of brotherhood. Should not this same expectation be forthcoming from us toward our children, who, by the way, face hardships in growing up due to the inundation of the media and forces which we never experienced.

We are trying hard here at school to enforce discipline fairly and equitably and are removing some children from the regular school setting to alternative educational programs which will be more befitting to their individual and unique needs. As we do this, we need the compassionate and understanding effort of every adult in the community if we are to reach our goal. The tremendous resources of adult education, efforts in special services outlined for you last week, and the work of other social agencies can be brought to bear in a most useful way on the lives of children here in Manchester if we just refuse ourselves the luxury of spreading licentious gossip and ridicule in the direction of those children and their families. As educators, we are attempting to build your children, not demean and remove their self-esteem.... we need you to help. Please join us in this New Year's resolution. Have a good week.

"What's the matter, Honey?" the young man inquired of his blind date.

"Nothing," she replied.

"But you're so quiet. You haven't said a word for almost an hour."

"I haven't had anything to say."

"You mean..." he asked incredulously. "You don't say anything when you haven't anything to say?"

"No, never."

"Well, you're the girl I've been looking for. Will you marry me?"

"Come on over and see what I got for my wife," Smith said to his neighbor.

Admiringly running his eyes over a brand new car, the envious neighbor couldn't help exclaiming, "Some people have all the luck! How about telling me where I can make a deal like that?"

LOCAL CHILDREN PARTICIPATING IN CHRISTMAS SEAL ART PROJECT—A DELIGHTFUL "ENCORE"

Ten elementary school children in the Washtenaw County area are participating in the third annual nationwide Christmas Seal art project sponsored by the Michigan Seal art Education Association and the American Lung Association. In the past, children's Seals have "stolen the show," said a lung association spokesperson reporting comments from the general public and philatelists.

Children's Art Project III marks the third time since Christmas Seals were first used in 1907 that the original artwork for the Seals will be created by children. The first Children's Art Project was launched in 1973 to design the 1975 Christmas Seals. The 1977 sheet of Christmas Seals will bear the winning designs of last year's Christmas Seal Art Project II winners.

Fifty-four different designs, each featuring a kindergarten through third grader's interpretations of "the holidays at my house" will appear on the 1978 Christmas Seals as a result of this year's project. One design from a student in each state and territory will be selected for the Christmas Seals.

This year marks the 70th anniversary of Christmas Seals featuring the familiar double-barred cross. Each year the Seals are sent to millions of American homes to help raise funds to continue the work of lung associations in fighting all lung diseases and air pollution, as well as financing medical education and research.

Artwork was submitted to the Michigan Lung Association in late December from school districts around the state. From these paintings, six will be selected to represent Michigan in the national selection process.

In late January Michigan artwork selections will be forwarded to the nationwide selection committee at American Lung Association headquarters in New York City, and the winning designs will be announced in early spring.

American Lung Association will present an award to the Michigan child whose design is chosen for use on the 1978 Seals.

Vitamin C Levels Reduced In Smokers

If you're one of the 49 million cigarette smokers in the United States, or if any of your friends or relatives are, you'll probably be interested in this medical finding: it is now evident that the cigarette smoker needs more vitamin C than the non-smoker in order to maintain comparable blood levels of this essential vitamin.

Vitamin C is necessary for healthy gums and bones, strong body cells and blood vessels, faster wound healing, resistance to infections and the prevention of scurvy.

Medical literature on the influence of tobacco smoke on vitamin C blood levels appeared as early as 1939. One of the more conclusive studies, the Canadian Nutrition Survey, reported the following:

- Blood serum vitamin C levels for smokers of 20 or more cigarettes daily are reduced as much as 40 percent compared to non-smokers.

- Comparing smokers with non-smokers of the same sex, age and dietary vitamin C intake, the median blood serum vitamin C levels of smokers were 30 percent lower than the non-smokers.

- The vitamin C serum levels of the 40 to 64-year-old males were about 50 percent lower than the levels of non-smoking women of the same age.

These findings provide substantial evidence that smoking lowers blood levels of vitamin C and lowers the amount of vitamin C in mother's milk.

So, for people who smoke, it may be advisable to increase daily dietary intake of vitamin C in order to maintain blood levels of this vitamin.

Frank-ly Fabulous

Like something new? Use old favorites, frankfurters and thin spaghetti in luscious, sure-to-please recipe from the cookbook, "Mueller's Classic Recipes."

- FRANK-LY FABULOUS SPAGHETTI**
- 1 pound frankfurters, cut in 1-inch slices
 - 1/2 cup chopped onion
 - 1/4 cup diced green pepper
 - 2 tablespoons butter or margarine
 - 2 cans (8 ounces each) tomato sauce with cheese
 - 1/2 teaspoon chili powder
 - 1/4 teaspoon ground cumin, if desired
 - 1/2 cup sliced pimiento-stuffed olives
 - 1 tablespoon salt
 - 3 quarts boiling water
 - 8 ounces spaghetti
 - grated Parmesan cheese

Cook frankfurters, onion, and green pepper in butter until vegetables are tender. Stir in tomato sauce, chili powder, and cumin. Simmer, covered, 20 minutes; stir occasionally. Add olives; heat. Meanwhile, add 1/2 teaspoon salt to rapidly boiling water. (One tablespoon oil may be added.) Gradually add spaghetti so that water continues to boil. Cook uncovered, stirring occasionally, 9 to 14 minutes until desired tenderness. Drain in colander. Serve frankfurter sauce over spaghetti; sprinkle with Parmesan cheese. Yield, 4 to 6 servings.

Hot Tuna Sandwich Is A Hero

Cooks who value their time know how to count on two basic ingredients—tuna fish and real mayonnaise. Scores of sandwiches, salads and hot main dishes begin with this combination. For a jazzy tuna sandwich hearty enough to serve as a supper main dish, try this recipe for Hot Tuna Heroes. Other good recipes that call for tuna and real mayonnaise are found in the 34 page booklet "How to Bring Out the Best in Budget Foods," available for 20¢ from P.O. Box 307D, Coventry, CT 06228.

- HOT TUNA HEROES**
- 2 cans (7 oz each) tuna flaked (2 cups)
 - 1/2 cup Hellmann's or Best Foods real mayonnaise
 - 1/4 cup dairy sour cream
 - 1/2 cup chopped parsley
 - 1 tablespoon lemon juice
 - 1/2 teaspoon garlic salt
 - 1 (15 x 3-inch) loaf Italian bread
 - 3 tablespoons margarine
 - 1/2 pound thinly sliced Swiss cheese (3 to 4 slices)

Mix together tuna, mayonnaise, sour cream, parsley, lemon juice and garlic salt. Cut bread in half lengthwise. Place on baking sheet, cut sides up. Spread with margarine. Top with cheese trimmed to fit bread. Place trimmed cheese pieces on top. Cover cheese with tuna mixture. Bake in 350° F oven 25 minutes or until lightly browned. Cut each half into 3 pieces. Makes 6 servings.
Note: If desired, use six thick slices bread for French bread.

and the remaining 3 teams by 13 to 44 points. An average victory of 46 points a contest for the tournament.

Twentieth Century

The Twentieth Century Club met at the home of Mrs. Maynard Blossom on Tuesday, January 18th with nineteen members present. After a brief business meeting the club was entertained by the "House-Lines" singing many beautiful old songs. The "House-Lines" are a singing group of our own members consisting of Mrs. Willard Mann, Mrs. Maynard Blossom, Mrs. Tom Walton, Mrs. Finn Olsen and Mrs. Robert Nichols. The "Hien House Three" also did a lively dance number. The group consists of Mrs. Maynard Blossom, Mrs. Willard Mann and Mrs. Finn Olsen. Group singing was also done that evening.

END OF SEMESTER MARKING PERIOD

The Manchester Community Schools will close at 11:30 A.M. on Thursday and Friday, January 27th and 28th, for the purpose of end of semester marking and completion of student records.

The next meeting will be held February 1st, at the home of our president Mrs. William J. Green Superintendent of Schools Dan Boutell.

made 30 for 76% and had 22 turnovers: Clinton-hit 29-70 for 41% shot 18 free throws and made a mere 7 for 38% and turned the ball over 21 times.

We tallied the first points of this period as Curt hit 2 free tosses which gave us the lead back 20-19 at 7:09, but 41 seconds later they added 2 to go up 21-20. From now (6:28) until 4:33 neither squad could find the range as there were 4 shots from the field missed, 3 free throws missed and 4 turnovers. The advantage see-sawed for over 4 minutes and then Clinton pulled out to a 5 point lead 33-28 with 40 seconds left. Dan then sank 2 free throws at 29 seconds to make it 33-30 and this was the score after 16 minutes of battle made history. Stats--we hit only 27% (3 of 11), sank 6-10 free tosses and turned the ball over 5 times.

The third period started just like the other two as in 1:30 there were 2 missed shot from the field, only 1 free throw made out of 4 and 4 turnovers until Curt drove in a 16 footer to tie 33-33. Clinton took the lead back at 6:15 but Jeff Clark converted a 3 point play at 5:43 giving us the edge, 36-35. The tally continued to go back and forth as at 3:38 Clinton held the advantage 41-40 and 23 seconds later Jeff layed in a 2 pointer to give us the edge. We tallied 4 unanswered points to go up 5, 46-41 but Clinton brought it to 3, 48-45 at 2:24. At the 2:10 mark we turned it on-Cut hit 2, Greg Daniels popped 2, Mark Lawson hit an 8 footer, Mark sank 2 free tosses and Dan laid in a 2 pointer at the buzzer. All this happened in just over two minutes--we zoomed up 10 points as Clinton hit 2. This left it 58-47 after 3 periods. We out-scored the Redskins 28 to 14 by making 11 of 21 field goals and 6-7 from the charity stripe.

We continued to hit consistently as at 4:55 we stood 17 up 68-51. At 2 minutes to go Mark banged in a 2 pointer to put us ahead by 20, 76-56 and as the benches entered the contest Dan Hasset (2) and Mark Guenther (2) drove home points. The buzzer ended it and the board declared us 82-65 winners. In the second half we'd out-scored Clinton 52 to 32 by making 16 of 33 field goals and 20 of 24 free throws.

First of all the individual scoring was--Curt-20, Jeff-17, Bob-14, Dan-10, Lawson-9, Greg-8, Guenther-2, and Hasset-2. Clinton's hi-scorer Sharpe hit for 29 points.

Game Statistics (mine)--we shot 67 made 26 for 38%, toed the line 39 and

made 30 for 76% and had 22 turnovers: Clinton-hit 29-70 for 41% shot 18 free throws and made a mere 7 for 38% and turned the ball over 21 times.

March of Dimes

Our good Dr. Henry Eames is not only an expert in animal health, but he is a mighty good judge of currency, too. Dr. Eames is the person who guessed the closest, the amount of money collected on the 17th, at the Bakers Dozen Coffee Day for the March of Dimes. His guess was \$28.77, and the actual amount was \$29.71. How's that for good judgement? He won himself a free coffee and roll for his mental aptitude. And the March of Dimes is \$29.71 closer to some of its goals. Our heartfelt gratitude to the Bakers Dozen for sponsoring the coffee day.

The Bakers Dozen is also selling tickets to the Two For One Drawing, as is Krauss Pharmacy, the Ace Hardware, and Gambles. The tickets are two for \$10.00 for two chances to win a \$25 gift certificate from Gambles, and a \$10 gift certificate from the Ace Hardware. A big March of Dimes "THANKS" goes to these businesses, and to Rymack Printing, who printed the tickets free of charge. Get your tickets now, as the drawing is on the 29th, at 2 p.m. You may be the lucky winner.

The Jolly Farmerettes did a fantastic job last Saturday, selling balloons out in the cold of winter. Using space graciously donated by Grossman Huber Service, to blow up balloons and get warm, the girls came up with a marvelous total of \$221.20. Here's another big MOD "THANKS" to Rollie, Red, Elaine Feldkamp and all the girls who gave of their time and efforts. Here definitely, is a group of special people.

This week your child will probably come home with a special little piece of useful and educational material from the MOD. Bookmarks will be passed out in the schools, which, it is hoped, the children will use, and perhaps glean a little information from. A little of your MOD money coming back to town, to make strides for future Manchester children. It is so important for the children to understand how important health care is NOW.

Another big, fun event is in its early planning stages. It is hoped to have a Walk-a-thon, perhaps early in May. More details will be announced as plans are worked out.

The people who's area were not covered by marchers, may expect local mail envelopes the first part of next week. We are looking forward to hearing from you. Much going on, many fun things to do, and many, many special people working toward a more perfect future for our population. Thank you, Manchester Area.
