110TH YEAR VOLUME NO. 14 15 CENTS PER COPY THURSDAY, FEBRUARY 3, 1977

Optimist Club Outstanding Students

Clarence Fielder presenting award to Greg Daniels

Greg Daniels, son of Mr. and Mrs. Bruce Daniels of 235 Adrian Street and Senior at Manchester Community High School is the Outstanding Citizen for December.

In the Middle School Greg played basketball, football and helped build props for the operetta, "Tom Sawyer". In the 9th grade Greg played football and basketball. While in the Sophomore class Greg was varsity trackman, varsity football player, J.V. basketball player, worked on the class float, sold magazines, and helped back stage on the all school play, "The Mary of Anne Frank".

As a Junior Greg played varsity football both offense and defense and varsity basketball as a center and forward, he worked on both the class community fair float and the class homecoming float and worked on blocks and pits at the Community Fair.

During this first semester Greg is taking an accounting course at Washtenaw Community College and has been accepted at Jackson Community for next Fall to pursue a two year course in the Business Management Field. He may then transfer to a four year school.

Congratulations Greg!

Dan Boutell presents award to Mark Guenther

Mark Guenther, son of Mr. and Mrs. Theodore Guenther of 7551 Schneider Road, and a junior at Manchester Community High School, is the Manchester Optimist Club's Outstanding Citizen for January.

Mark is constantly trying out things, joining groups and getting as much out of school and the things around him as he can. In the Middle School, Mark was a member of the student council, played in the band, played football and basketball, and sang in the chorus of the operetta "Wild Rose".

In his Freshman year, Mark worked on the class float for the Community Fair, ran cross country, played basketball, and played in the band.

As a Sophomore, Mark worked on the Community Fair and Homecoming floats, participated in golf, played in the band, sold a fair amount of magazines, and was vice president of the Junior Fellowship at the Bethel Church.

This year, Mark worked on the homecoming float that took first place. He worked on the class Community Fair float, played basketball and golf, was chairman of the set-up committee for the chicken broil, and was president of the Senior Youth Fellowship at Bethel Church.

Engagements Announced

Mr. and Mrs. Frank Randall of Main Street, Manchester announce the engagement of their daughter, Trudy Ann, to David Tapping, son of Mr. and Mrs. Theodore Tapping of Summit Street, Manchester. Both are Manchester High School graduates. An August 1977 wedding is being planned.

The engagement of Teresa L. Gonyer to David M. Jose has been announced by the future brides parents Mr. and Mrs. Ronald Gonyer of 212 Wolverine Street, Manchester. Miss Gonyer and her fiancé the son of Mr. and Mrs. Nelson Jose of 201 W. Duncan Street in Manchester have planned a June 3rd wedding.

Both are graduates of Manchester High School. Miss Gonyer is employed at Unifloy Division of Hoover Ball Bearing Co. Mr. Jose is employed at Double A Products.

Iron Creek Study Group

The Iron Creek Study Group will meet Wednesday, February 9, at 12:30 o'clock for a dessert luncheon with Mrs. Laurence Bloom.

Adult Education

This month there will be two programs for interested area citizens sponsored by the Washtenaw County Co-op Extension Service, the Manchester School Advisory Group and the Community Education Department. All programs are open and free to the public. On Thursday, February 10th, Dr. Kidder will speak on Irrigation and on Thursday, February 24, Wayne Weiss will speak on The Futures Market. All programs start at 8:00 P.M. in the Manchester High School Study Auditorium.

March of Dimes Two For One Drawing

Since the extreme weather of this last weekend left our poster child, Dee Dee Vedder, snowed in, she was unable to do the drawing for the Two For One Drawing. Her willing stand in was five year old Heather Williams, daughter of Dale and Carol Williams. Carol is our Special Events Chairwoman. Heather was more than happy to help her mother collect the canisters, and very excited about doing the drawing. It is really great to have such enthusiasm in one so small, in helping others. Thank you so very much for your work, Heather.

The lucky winner of the \$25 gift certificate from Gambles, was Gordon Guenther, of Austin Road, Bridgewater. The \$10 gift certificate from the Ace Hardware, went to Albert Bredernitz, of Dell Road, Saline. Donna and Kim Gill, as well as her mother, were on hand to watch the fun Heather had drawing the names.

A total of \$62.50 was raised for March of Dimes activities through this event. We wish to send our most sincere thanks to Gambles and the Ace Hardware for sponsoring the drawing with the generously donated prizes. Our thanks also, to all of you who bought tickets and joined in the fun.

Legion Auxiliary

The American Legion Auxiliary will meet on Wednesday, February 9, at Ann Arbor Federal Savings at 7:30 p.m.

LETTERS TO THE EDITOR

Upon Letter to the Citizens and Village Council of Manchester:

Recently a question was raised concerning the wording of the newly adopted Village zoning ordinance section covering signs within the village. The present ordinance seems to be very limited and non-definitive on all the questions covering signs and their installation.

My interest is that a simple, definitive, and practical method be devised to cover this matter in a manner both fair and practical to sign applicants and the harmony and protection for those property owners already having signs. This could be best done perhaps by re-writing that section within the zoning ordinance in a more definitive manner. I am taking the liberty because of my continuing interest in the affairs of Manchester to offer my suggestions for your consideration.

SIGNS & INSTALLATION:

- Permits:
1. No sign shall be installed or erected until a permit has been issued by Village Building Dept.
 2. Information on the application shall contain the following information:
 - a. size of sign & copy text.

(b) address of proposed sign and location on building or property.

(c) name and address of property owner.

(d) name and address of sign installer.

(e) type and location of sign lighting.

3. No sign shall be permitted unless all of the following requirements are met. If for any reason all of the conditions cannot be met the application shall not be acted upon except when applicant requests a public hearing to be held at his expense. Said hearing to be held after proper publication by the Village Board of Appeals.

4. A three person sign review board shall be appointed by Village Mayor, confirmed by Village Council for a period of one year. The sign review board shall be composed of the following three persons:

(a) chief building inspector.

(b) one member from village council or planning commission.

(c) one member selected from among village property owners who has a business within the village and is actively using a sign in conducting this business. The only function of the sign review board will be to verify that all signs and installations meet the provisions and intent of this section of the zoning ordinance covering signs. Two out of three members of this board shall constitute a majority decision.

Sign guide lines:

1. No sign shall exceed 50 sq. ft. which is to be installed on the face of a building.

2. No sign shall exceed 30 sq. ft. when it is a projecting two face sign, each side of sign shall not exceed 15 sq. ft. total of both sides.

3. No sign shall exceed 15 sq. ft. when it is a projecting single face sign.

4. All signs shall be constructed of wood, metal, or iron with painted or applied letters. Copied signs and sign construction of the early 1900's shall serve as a general guide line.

5. No plastic face, neon, interior sign lighting, flashing lights, or moving mechanical signs shall be permitted under any circumstances.

6. Any sign may be illuminated only by incandescent lighting. Electrical lighting subject to permit under electrical code. Installation of signs:

1. No sign shall be installed or erected until a permit has been issued by Village Building Dept.

2. Information on the application shall contain the following information:

- a. size of sign & copy text.

2. No sign shall be less than 10 ft. from lowest point of sign to grade.

3. No sign shall be higher than 20 ft. from top of sign to grade.

4. Only one sign per legal description where no building exists.

5. All signs erected on vacant property shall not exceed 10 ft. from top of sign to grade nor be more than 8 ft. in length.

6. All signs erected on vacant property shall not exceed 30 sq. ft. in total area.

7. No existing signs shall be replaced except that any new sign meet all of these new requirements.

In conclusion, of course, additional requirements and conditions should be carefully considered.

Sincerely,
D.E. Lambert

PROPERTY TAX CREDITS

Persons who did not file or have been denied property tax credits for 1974 because of late filing are getting a second chance. Representative Mike Conlin of the 3rd district said today.

Conlin revisited that governor Milliken recently signed into law a two-year extension for all persons eligible to claim property tax credits.

The extension is in effect until April 15, 1977, for persons who did not file for 1974 because of late filing. Any person who did not file in 1974 has until April 15 to do so.

Any claims filed for 1974, but were rejected because they were filed after June 30, 1975, will now be honored. Conlin said.

Taxpayers who paid an assessment due to failure to file for the credit on time will have the amount they paid refunded to them by the Michigan Department of

Treasury. Rep. Conlin pointed out that 1975 property tax credit claims will be honored until December 31, 1977.

SOMEONE SOMEWHERE

It has been a long year, since someone brutally took Pete's life. Words can never say how much he is missed, by his family, friends and people his life touched. What makes it so painful to bear is the person or persons responsible are still free. Pete gave so much of himself to his family, friends, and associates.

Now we are asking for your help, someone, somewhere must know something that could lead to a solution. We know that nothing can bring Pete back to us, but we as family and friends owe this to him to find out who with so much hate took his life.

The Family of Peter Kennerly

SPORTS CORNER

A NEW SPORT?

by Jon Hardenbergh

There was a new sport which came to town last week and it sure doesn't play fair as its record stood at least 6 wins, 0 defeats. This new sport is called weather! Weather took on the 7th grade basketball squad, 8th grade basketball team, wrestlers, volleyballers, J.V. basketball squad and varsity team only to blow them all away. Although the Little and Big Dutch got their Tuesday contest played and following are the results:

The first game of the night pitted the Little Dutch against Chelsea. The opening 8 minutes saw few points go up on the score board as 15 total points were tallied-unfortunately Chelsea put 10 points up to our 5. But the Little Dutch rallied in the second period outscoring Chelsea 18 to 8 to lead at the intermission 24-15.

We held our advantage and even increased it in the third period as going into the final 8 minutes the score read 40-20. Chelsea did out-score us in this period but it was only by 1 point, 22-21 so we won by 7, 51-54.

Two Little Dutchmen hit in double figures as Mike Noyes poked for 20 points and Steve Metzner contributed 12. Steve was high rebounder with 14.

The varsity match, it started a contest, but by mid second period we had control with an 11 point lead. That there had been

hitting the defensive boards and keeping Chelsea to 1 shot at the hoop. Then it happened-Jeff left because of 3 quick fouls and Chelsea began beating the boards at both ends. They'd grab the rebound and throw out fast which got their fast break working to perfection. In just over 3 minutes Chelsea went from 8 points down to 11 ahead going into the locker room with a 40-20 lead. Chelsea's guard who led the fast break posted 14 points in these 3 minutes.

We just couldn't overtake Chelsea as the closest we got was 3 points, but slipped behind by 11 at the end, 55-55. It seemed we couldn't put the points on the board when we needed them as Curt Fielder was high with 11 while Mark Lawson helped with 10.

Chelsea is now 2-11 as the Dutch stand 4-5.

We now go on the road as on Friday we take on the Onsted Wildcats and the following Tuesday we face Britton.

MANCHESTER'S SPORT SCHEDULE
 Volleyball-Feb. 2, 7:00 Stockbridge away
 Volleyball-Feb. 7, 7:00 Addison home
 Wrestling-Feb. 3, Onsted away 8:00
 Wrestling-Feb. 5, LCAA meet at Hudson
 Wrestling-Feb. 5, Blissfield home 7:00

TRACKMEN CONTINUE IMPRESSIVE INDOOR SEASON

The indoor Track season is only a few weeks old but three Manchester High Seniors have put the Manchester Track Club in the spotlight.

Shot putter Dan Clark has won 2 of 3 invitations in his specialty including a 49' 11" 3/4 triumph at Jackson Community College last week.

Mike Forner topped the School and Track Club Record in the pole vault to 27' 0" in the meet at Jackson. The height would have been a high school fieldhouse record but one of America's premier high school vaulters from Indiana bested Mike with a 27' 0" vault.

Area hurdlers will have to take notice of Mike Fosse Tassie who spring 12 his indoor performances are an indication of future performances. At Jackson, Fosse won the 55 yard hurdles in 27", a school record and he also ran a school record 1:47 5/8 yard race.

Also competing in the Jackson meet were sprinters Dave Hopper and French exchange student Henry Tomad. Both ran their first races of the year and were displaced in the strong field.

The Cook's Favorite

Apple-Mince Cobbler Swirls: A New Mince-meat Treat

If you only think of mince-meat once a year for that traditional mince pie, you're overlooking a versatile convenience food that adds taste appeal to a variety of recipes. Serve these Apple-Mince Cobbler Swirls warm from the oven for a dessert or decrease the mince-meat to a savory swirl for any savory recipe.

Like a cobbler, swirls are the mince-meat as arranged on top of a fruit filling. These swirls are delicious served hot or cold, and are perfect for picnics and parties. Although the dessert takes little time to prepare, it's simple and quick to cook.

- Apple-Mince Cobbler Swirls**
- 2 cups flour
 - 2 Tablespoons baking powder
 - 1/2 cup shortening
 - 1/2 cup butter or margarine
 - 3/4 cup milk
 - 2 cups prepared mince-meat
 - 1/2 cup chopped apple
 - 2 Tablespoons sugar
 - 1/2 cup unsifted molasses
 - 3/4 cup sugar
 - 3 Tablespoons butter or margarine
 - 1 Tablespoon lemon juice
- Mix together flour, baking powder, and salt. Using pastry blender or two forks, cut in butter until mixture resembles cornmeal. Add milk; mix lightly to form a soft dough. On lightly-floured surface, roll dough into a 9x15-inch rectangle. Spread with mince-meat and chopped apple. Roll up like a jellyroll. Cut into 15 one-inch sections. Arrange rolls outside up into a 9x15-inch pan. Bake at 400 F. for 10 minutes; prepare syrup during this time. Combine water, molasses, sugar, butter, and lemon juice in saucepan. Heat until almost boiling. Carefully pour hot syrup over rolls. Reduce oven heat to 350 F. and continue to bake for 30 minutes more.
- Let rolls stand 15-20 minutes to allow syrup on bottom of pan to thicken slightly. Serve warm with plain cream, ice cream or whipped cream. 15 servings.

New Car and Pickup Loans

9.31%

ANNUAL PERCENTAGE RATE OF INTEREST

MEMBER F.D.I.C. MANCHESTER BRIDGEWATER/PLEASANT LAKE

At Union Savings Bank you pay only 9.31 annual percentage rate of interest on up to 36 month loans on new pickups and cars with down payment or trade-in value of 20% or more. Just stop at any of the three offices of Union Savings Bank to finance your car or pickup. Loan lengths of 42 and 48 months are available, too. For those with less than 20% down, loan arrangements can be made.

Cranberry Yogurt Pie

Crimson cranberries in jellied sauce and cocktail juice team up with creamy yogurt for a piquant and pretty-as-a-picture pie. Its natural goodness will be appreciated by waistline watchers as well as those who simply relish a luscious, palate appealing dish. Serve it as a light luncheon entrée along with a salad of crisp greens, or as an eye dazzling dessert at dinner. Along with your pie, or for a refreshing and energizing pick up anytime, serve glasses brimful of Cranapple Health Drink which nutritiously combines the zesty taste of cranberry apple drink with carrots and oranges. Another plus, it whips up in seconds in a blender.

CRANBERRY YOGURT PIE (Make 1-9 inch pie)

- 1 1/2 cups graham cracker crumbs
- 1/2 cup sugar
- 1/2 cup butter or margarine
- 1 package (3 ounces) strawberry gelatin
- 1 package (3 ounces) lemon gelatin
- 2 cups Ocean Spray cranberry juice cocktail, boiling
- 2 cups (1 pint) plain yogurt
- 1 can (1 pound) Ocean Spray jellied cranberry sauce, cut into 1/2 inch pieces

In a bowl mix crumbs, 1/2 cup of sugar and butter, with the fingers until well-blended and crumbly. Press mixture evenly into the bottom and sides of an ungreased 9 inch pie pan. Chill. Dissolve both gelatins and 1/2 cup of sugar in hot cranberry juice. Chill until consistency of unbeaten egg whites. About 40 minutes. Beat gelatin with a rotary egg beater until fluffy. Fold in yogurt and half of the cranberry cubes. Chill mixture again until it mounds when dropped from spoon. Pie mixture into pie shell. Chill until firm. Garnish top of pie with remaining cranberry cubes. Chill until ready to serve. Can be made two or three days in advance.

Suppose your wife had to do it on her own. Chances are she couldn't afford those monthly payments and preserve your estate as well. Unless, of course, you plan for it now—with our "altogether" mortgage insurance. Because it has a fixed term and covers only the amount of your mortgage, it won't cost as much as you might think. Give us a call now. You don't have to buy a new house to be eligible. You're eligible anytime. Altogether insurance—to help the family stay all together.

NEWS FROM STATE TAX COMMISSION

House Republican Leader Dennis O. Cawthorne said today that the State Tax Commission has decided that a major property tax exemption act is unconstitutional and said he would seek an attorney general's opinion if necessary to reverse the decision.

At issue is Public Act 293 of 1976. Cawthorne (R-Muskegon) said the legislation was intended to exempt from assessments up to \$4,000 worth of repairs and maintenance on private residential property.

"It's almost incredible that the State Tax Commission, on its own, would instruct assessors to disregard a major act of the Legislature when fixing property values. This will cost many home owners hundreds of dollars in additional property taxes," Cawthorne said.

"The commission apparently has taken the position—strictly on its own—that the bill is unconstitutional," he said. "This disturbs me greatly for two reasons: first, I know of no authority which allows the State Tax Commission to determine the constitutionality of public acts. Second, the Constitution clearly states that the legislature is to provide by law for the determination of true cash value of prop-

erty for assessment purposes," he added.

The main purpose of the bill was to remove any stumbling block which a property owner might feel was preventing him from keeping his building in good repair, Cawthorne said. "If a homeowner or landlord was reluctant to replace a dilapidated porch, for example, because he feared his assessment would be increased, he might let it remain in an unattractive and potentially dangerous condition. This bill would, hopefully, encourage him to make such improvements," he said.

Cawthorne said he would consult with Department of Treasury officials about asking for an official ruling on constitutionality from the attorney general. The State Tax Commission is a division of that department.

Looked Reasonable

The first time a car ever appeared in a remote backwoods community it whizzed by the general store, someone asked, "What in tarnation was that thing?" Just then a motorcycle came around the bend. "Don't know," somebody answered, "but here comes its colt!"

AGRICULTURE VACATION

MICHIGAN FARM BUREAU

AND CHICKENS

Have you ever heard about genetic engineering? This is the science of splicing the genes of plants and animals so as to cause Mother Nature to go in directions that might suit our

purposes better than the ones she might go if left to her own devices.

A year or so ago, the public learned about the researchers at the University of Maryland who have been manipulating the genes of chickens to produce birds without feathers. They have been able to do so, and naked birds have certain obvious advantages; but they also have some disadvantages, such as requiring central heating in the chicken houses. We can also understand that a naked bird tends to be a little more nervous. Wouldn't

you be?

Now we know that poultry scientists over the last hundred years or so have been able to take birds that laid one or two dozen eggs a year and developed them into living egg factories that produce up to 300 eggs a year. But they weren't satisfied with that neat feat. People have bought the notion that cholesterol is bad for their internal pipes. So the chicken breeders are now working to develop birds that will produce eggs with little or no cholesterol. And they will probably succeed.

Genetic manipulation is not new. The Austrian monk, Gregor Mendel, developed the basics of the science more than a hundred years ago. One result has been development of plant and animal hybrids, which has been one of the best means of producing tremendous increases in yields and productivity and an abundance of food for all of us.

As the world shortage of food becomes more severe, the work of these agricultural scientists will become more and more crucial. They are destined to become the most important people on the face of the earth.

Huron Valley Girl Scouts

The Western Washtenaw Area Association of Huron Valley Girl Scouts have rescheduled its winter meeting at Klager Middle School, 405 Ann Arbor Street, Manchester to Wednesday, February 9, 1977, at 7:30 p.m.

Senior Scouts, Julie Koch, and Jill Piper, Dexter, will share their 1976 Wider-Opportunity trip with us. Julie went to New York, New Jersey, and Pennsylvania; "Spinning Wheels to other big deals in New York." Jill attended "Try it Now" at Buckeye Trails Council in Dayton, Ohio.

Vicky Hicks, Saline, will discuss the revision of our By-Laws. Joan Cunther, Dexter, will tell us about the upcoming cookie-sale.

We urge all leaders to attend to get more information about our International Thinking Day, Saturday, February 19, 1977 at Chelsea High School (The Public is invited).

If you have any questions, please call Greta Skjaerlund; 426-3294.

51st Annual Kiwanis Sale

The 51st Annual Sale of the Kiwanis Club of Downtown Ann Arbor will take place Thursday, Friday and Saturday, February 3, 4, and 5 at the Kiwanis Activity Center, W. Washington and First Streets.

F. Huston Colvin and Donald E. Butcher, this year's co-chairmen, said the merchandise featured is "better than ever" and includes everything from furniture, appliances and antiques in the basement to draperies, handbags and white goods on the top floor. All three floors will be used again this year during the sale and the entire event will be dedicated to the memory of Clyde Johnson, George Flemming and Oscar Koch, prominent Kiwanians who passed away recently and who had worked on previous sales.

More than 170 Kiwanians and their families staff the sale. All proceeds are used for the 129 club projects for the ensuing year. Chief recipient is the Hospital, with additional funds going to 4-H sponsorship, camperships, kid baseball and hockey, Boy Scout and Girl Scout work, underprivileged and crippled children's work, drug abuse education, hearing aids for the deaf, learn-to-swim program at the YM-YWCA and many other programs for children and senior citizens.

Large donations have been given in the past for Spaulding For Children, Lurie Terrace Men's lounge, YM-YWCA building fund, the bookmobile for the Ann Arbor Public Library and outfitting the Ashley Clague Room at the Mott's Children's Hospital.

The co-chairmen say they hope that \$35,000 can be raised from the 9-day event. Hours will be 10 a.m. to 8 p.m. Thursday, noon to 8 p.m. Friday and 9 a.m. to 2 p.m. on Saturday. A snack bar will be open on the second floor all during the sale with light lunches being served rather than the buffet dinners served previously.

No pick-ups of merchandise will be made after Wednesday and pick-ups for next year's sale will start again on March 10th.

REGISTRATION NOTICE

FOR

VILLAGE ELECTION Monday, March 14, 1977

To the qualified electors of the
Village of Manchester
County of Washtenaw, State of Michigan

Notice is hereby given that in conformity with the Michigan Election Law, I, the undersigned Clerk, will open my office on Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the names of any legal voters in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT THE VILLAGE OFFICE AT 120 SO. CLINTON ST.

Monday, February 14, 1977

From 8 o'clock a.m. until 8 o'clock p.m.
The 30th day preceding said Election

As provided by Section 499, Act No. 116, Public Acts of 1934 As Amended.

For the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as shall PROPERLY and LEGALLY be so registered.

The names of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and certified under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

ELECTOR UNABLE TO MAKE PERSONAL APPLICATION, PROCEDURE

SEC. 504. Any elector who is unable to make personal application for registration, because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by receiving from the Clerk of the Township, City or Village in which he is located his legal residence, duplicate registration card and securing in duplicate the registration officer before a notary public or other officer lawfully authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the back for the signature of the registration officer and date his file.

UNREGISTERED PERSONS NOT ENTITLED TO VOTE

SEC. 491. The imposition of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. (As provided under Act 116, P. A. 1934.)

TRANSFER OF REGISTRATION, APPLICATION, TIME

SEC. 506. Any registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved there, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall make through the last address, word and precinct number and record the new address, word and precinct number on the duplicate registration card, and shall place the duplicate registration card in proper precinct file. Such transfer shall not be made after the 30th day preceding any election or primary election, unless such day shall fall on a Saturday, Sunday or a legal holiday in which case registration transfer shall be accepted during the following day.

TRANSFER OF REGISTRATION ON ELECTION DAY

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village and has not recorded such removal with the local Clerk shall receive a transfer of registration request, being the same residence address above over his signature, with the election board in the precinct to which he is registered at the next ensuing primary or election. The imposition of election in duplicate registration card shall also be signed and returned with the signature upon the registration officer's request and, if the signature is returned, then the transfer shall carry such elector by affecting his last legal address and request. The request for transfer, after having signed an application to vote as provided in Section 503 of this act, shall then be presented to vote in such precinct for that primary or election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the names of any elector in a Township, City or Village have been amended, it shall be the duty of the Township, City or Village Clerk to make the change to show the correct names of electors in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

Denhoff reported on Anti-Recession monies which amount to a little over \$200,000. These monies from the Federal government may be used only to maintain present programs and provide wage increases, which present economy would curtail, if the wage increases are in areas necessary to maintain basic services. The money must be appropriated or obligated within six months from receipt of payments.

Moved by Scully, supported by Denhoff to adjourn at 10:10 p.m. All yeas, carried. Mary H. Wheeler, clerk.

PROGRAM FOR PARENTS: PARENTS & CHILDREN & SEX

February 24 and 15th are two nights that Manchester parents might want to note on their calendars. In those nights, interested parents will have a chance to meet with Mary Sexton from the County Health Department and Peter Brownlee from the Express Teen Clinic to discuss those concerns about sexuality that every parent faces with their maturing children. The program will be offered in the High School Library from 7:30 p.m. Any questions can be directed to Barbara Luna, 428-7332.

Much discussion both pro and con has been held across this country over the past number of years regarding the need for sex education in our schools and the need for the development of healthier attitudes toward the whole area of human sexuality. Pressures continue to mount in the direction of providing sex education in the framework of the classroom curriculum.

It is my strong personal opinion that the schools in terms of dealing with the development of any values, concepts, or ideals can only supplement what is taught in the home, regardless of whether it has to do with human sexuality or any other subject that is of an affective dominance. In studying this subject with many groups, I have found much of this material to be of a mis-leading direction or contrary to the teachings of many of our Christian philosophies. In addition to that, a great deal of preparation and in-service would need to be done with professionals who in reality have not had courses or practicums in the ramifications of differentiating between facts, values, and personal opinion.

In my opinion, sexuality is a part of the larger whole. It is easy to draw a correlation of an analogy with the human body. Each organ has an integral part to play in the total human function—the eyes to see, the ears to hear, the hands to touch, the mind to think, etc. Without one or more of the senses the body cannot be a whole nor function as such. Still many problems remain and we need to address ourselves not to the symptoms of the disease but rather to the basic causes for the results of a lack of understanding and true appreciation and

function of human sexuality. There will be several programs coming up in the near future which will deal with a myriad of problems. We all face in the raising of our children to have the proper spiritual, physical, social and educational guidance and education necessary to produce happy and well-adjusted adults.

In working with the Community Advisory Council, I will be proposing the lengthy study and in-servicing of all parents, teachers, spiritual leaders in the community in the development of a "Family Life Curriculum" which would begin in the kindergarten and run through the 12th grade. Rather than dealing with sex as an isolated part of life, it will be my intent to recommend that it be integrated into learning about family and its role as the most important and basic social unit of society. The role of religion, spirituality, and the development of healthy attitudes with regards to social relationships, relationships within the family, social problems, identities with sound and life supporting value systems, to say nothing of our own personal development as people, many of us whom identify ourselves as children of not only earthly parents, but children of God through whom we can develop feelings of self-worth, self-esteem, humanity as well as humanness and then as naturally as it befits

its place in the total curriculum and understanding of human life, we can draw a natural and healthy attitude toward human sexuality and human relationships. I would heartily recommend that interested parents and citizens participate in the number of programs that will be presented by various members of the staff over the next several months that deal with a variety of subjects aimed at helping us have a good week.

COMMUNITY EDUCATION

The Drama & Theatre meeting that was to be held last Thursday, has been rescheduled for Thursday, February 17th at 8:00 P.M. in the Study Auditorium of Manchester High School. Two representatives from the Michigan Council on the Arts will explain what help their organization may be able to give in the way of grants and assistance. Also to be discussed will be the direction in which the Community Theatre is to be organized. All who have an interest in Drama and Theatre are invited to attend this meeting.

DUTCH POST BACK TO BACK VICTORIES

by Jon Hardenbergh
Friday, I knew the game was to be in Onsted but because of no school and bad looking weather I wasn't sure if we'd make the trip. Well, I braved the ice and snow and went to Wildcat country. To my recollection past Onsted-Manchester battles in Onsted have been rough and tough. This proved no exception. In the opening period the score remained close until Onsted turned on the burners and with 2:03 minutes left were sitting atop a 19-10 tally. We showed we could rally too, as we dropped in 9 points to tie; then Jeff Clark drove home a 12 footer at the buzzer to give us the 21-19 advantage. We continued to hold the lead for the second, third and half of the fourth as at 5:04 we were up 10. Again the Wildcats came clawing back and at 2:37 sank 2 free tosses to tie the score at 60-60. Just under 1:30 to play Bob Smith hit 1 of a 1 & 1, Jeff stole the ball and sailed in, hitting for two and being fouled toed the line, he dropped it in and we were back in the lead to stay. Final tally, 76-64. Curt Fielder led all scorers as he burned the cards for 29 points, Bob contributed 15 as Jeff and Greg Daniels totaled 22 points, 11 apiece.

On Saturday we hosted the Warriors from Grass Lake and after an even first period ran away to our first walk over this season. We got the opening tip and Dan Turvey collected our first points. For the remaining 7:35 we just traded buckets with neither squad holding more than a 2 point edge. It was Dan's 2-pointer at the buzzer that left it tied 16-16. Offensively Bob and Curt hit for 5 points each as defensively Bob had 3 steals.

The second 8 minutes turned the tide as we burned the acts for 27 points. The tally was close at 5:15, 24-20 but here's where it happened. With 1:07 left we'd out-scored Grass Lake 16 to 4 but in the final minute they edged us 4-3 to enter halftime with a 43-28 score. Statistically we were smoking, hitting 11 of 18 for 61% and 5-9 free throws. Jeff was the big gun as he dropped in 10 points--Mark Lawson aided defensively as he made 3 steals and forced 2 other Warrior errors. There seemed to be a slight problem as to who got what bucket as the centers lined up wrong but Mark solved this dilemma by scoring 2 while the Warriors headed down court to protect what they thought was our basket. Anyway we kept adding and at 9:50 we were up 19 and 1 1/2 minutes later we stood 22 atop, 56-34. Both teams went cold for the last 2:20 with Grass Lake totaling 3 to our 0 to close 3 periods, 56-37. In this period we hit 66% of our field goals with Jeff leading the way with 6 points. We came up with our version of a 5 point play as to start out the Warriors bench said something they shouldn't have, so Jeff shot 2 technical fouls. He hit 1 then we had the ball out and Bob popped 2 and a Warrior committed a foul after the ball left Bob. We got the ball out and Curt drove in 2--add it, 51! At 4:05 the coach inserted the benchers with the score 69-42 and the play did get a bit sloppy as both squads posted 3 turnovers, missed the front of 5-1 & 1's and hit only 3 of 13 shots from the field. We won by 24, 73-49. Jeff was high tonight, pumping in 19 as Bob dropped in 17. Curt followed with 14.

BIRTHS

Born to Mr. and Mrs. Robert Luckhardt of Manchester, a boy, David Edward on January 28, 1977. He weighed 15 pounds 1/2 ounce and was 20 inches long. Maternal grandparents are Mr. and Mrs. Edward Steele, paternal grandparents Mr. and Mrs. Robert Luckhardt all of Manchester.

ENGAGEMENT ANNOUNCED

Susan Mary Westfall and Steven Roger Holloway have planned a June 18, 1977 wedding at St. Henry's Catholic Church in Fort Wayne, Indiana.

The Bride-to-be is the daughter of Mr. and Mrs. Richard Stein. Susan was graduated from Manchester High School and has an Associate Degree from Washtenaw Community College. She is presently employed by Gregory A. Ladd, D.D.S. in Fort Wayne.

The prospective bridegroom is the son of Mr. and Mrs. Roger C. Holloway of Michigan City, Indiana. He was graduated from Purdue University and is an electrical engineer at the Magnavox Company of Fort, Wayne.

BOARD OF EDUCATION MEETING CHANGED

Due to conflicts in schedules, the regular meeting of the Manchester Community Schools Board of Education meeting will be held on Tuesday Evening, February 15, 1977, in the study auditorium of the Manchester High School. The meeting will begin at 8:00 P.M. The public is cordially invited to attend.

Respectfully,
Helen J. Kessler, Secretary
Manchester Board of Education
