## CARD OF THANKS

The Family of Leon Schaible would like to thank all our relatives, friends, and neighbors for the many acts of kindness shown to us at our recent time of bereavement.

A special thank you is extended to Pastor Hallauer, the Bahmiller Funeral Home and the Doctors and Nurses at St. Joseph Mercy Hospital.

Esther Schaible  
John and Deneine Schaible & family  
Richard Schaible and Jody Munsell

We would like to thank the Manchester Volunteer Fire Department for their help in putting out our barnfire. Considering the snow, the cold, and the wind, they were amazingly fast in getting out to our place and keeping the fire from spreading. Sue and Gary Miller

## 50th Wedding Anniversary

Manchester, Michigan was the setting 50 years ago on January 8, 1927, for the wedding of Ina M. and John P. Dunny. Mrs. Dunny was born in Manchester. Her husband was born in White City, Iowa.

## THEY'RE ENGAGED

The couple is retired from Ford Motor Company in Michigan and moved to Arizona in 1957. They have 13 children, 45 grandchildren and 10 great-grandchildren. Their children are: Betty Sloat of Manchester, Delores Cook and John Jr., Coldwater, Michigan; Robert, Saline, Michigan; Shirley Bialock and Charles, Tucson; Ray and Larry of Phoenix; James and Donald, Ypsilanti, Michigan; Darlene Egler, Albuquerque, N.M.; Nancy Forest, South Lyons, Michigan, and Thomas of Payson. Mr. and Mrs. Dunny were honored during a reception at St. Mathews Church on January 8. Their sons, Ray and Larry Dunny were hosts.

## COMMUNITY EDUCATION

The second agricultural program this month will present Mr. Wayne Weiss from Merrill-Lynch-Pierce-Fenner & Smith who will discuss the Futures Market for the grain and dairy market. The program will be in the Manchester High School Study Auditorium at 8:00 P.M. on Thursday, February 24. The program is open and free to the public and all interested citizens are invited to attend. Last weeks program on Irrigation was very well attended. Next month will also feature two programs. On Thursday, March Wendy Reeves to Harold Molnar, son of Mr. and Mrs. James Molnar of Manchester, Michigan. The bride-elect is a 1976 graduate of Tecumseh High School and is presently employed at Bummies Restaurant in Adrian. The bride-groom is a 1974 graduate of Manchester High School and is presently employed at Federal Screw Works in Chelsea. An April 30, 1977 wedding is planned at Grace Lutheran in Tecumseh.

## CO-OP NURSERY

Manchester Co-op Nursery is now taking applications for the 1977-78 school term. Three and four year old classes are available, however, they are filling up fast. For information call Elaine Cox 428-8055.

## Nursery School Joins The Band

Sixth Grade percussion section, Tracy Briggs, David Tuveson and Ron Johnson show nursery children Cheryl Carter and Scott Kruger the bass and snare drums while others watch.

The Manchester Middle School Bands had company last Thursday and Friday. Three-year-old and four-year-old classes from Manchester Co-op Nursery School came to hear what a band sounds like. The fieldtrip was in connection with a unit on sound and music being taught by Mrs. Judy Mann and Mrs. Jan Wiggard. Students from the 6th grade band and the 7th and 8th grade band demonstrated their instruments individually and also played band music together. The percussion section and the trombones seemed to be favorites of the pre-schoolers. Some of the braver children even took Mrs. Mann on a chance to beat the bass drum. Maybe we have some future bandmen in the group!

## Meals For Senior Citizens Begin Tuesday, February 22

Meals for Senior Citizens begin Tuesday, February 22 at Emanuel Church of Christ Hall at 12:00. People 60 or over (also their spouses under 60) are eligible for these meals at the price designated. The Senior Council suggests that a donation of \$1.50 be made to cover the cost of the meal per person. However, special consideration will be made for those unlimited income. In these cases, we suggest a donation be made according to means with the remainder being subsidized by the Senior Council. (The price is necessary because the local program is not under the Federal grant at this time.)

RESERVATIONS MUST BE MADE BY Friday for the Tuesday meal by calling the church office, 428-8356 between the hours of 8:00 and 3:00. Reservations for Thursday must be made by the Tuesday before at the same number and hours. (If one has failed to make a reservation for the Tuesday meal by 3:00, he may call 428-7670 on Friday.)

Volunteers will be needed to help with this project. Men, women, or young people who are willing to help for two hours on Tuesdays or Thursdays, may call Ethel Kerr at 428-7420.

Special consideration may be worked out with the Council for meals to be taken to those who are ill. Call the church office for information. If transportation is needed to the meals, call Mrs. Richard Schaible 428-7617 the day before if possible.

The menus for the meals will be listed in advance in the Enterprise each Thursday. The meal for Tuesday, February 22nd is: Baked Chicken, Dressing, Broccoli, Bread, Cottage Cheese and Peach Salad, Milk, Tea, Coffee.

The meal for Thursday, February 24th is: Beef Stew, Biscuits, Buttered Corn, Fruit Jello, Cookies, Milk, Tea, Coffee.

## RETIREMENT PARTY

A Dinner Party was held Thursday evening February 10, 1977 at the Tecumseh Country Club to honor Mrs. Elton Wellnitz of Palmyra and Mrs. Alvin Kappler who are retiring from Herrick Memorial Hospital after more than 25 years of Nursing Service. The Medical Staff and Hospital Employees sponsored the party with Dr. R. E. Dustin as Master of Ceremonies.

Among the 150 guests were Mr. and Mrs. John A. Beck of Appleton, Wisconsin, James Kappler of Hartford, Mrs. Leora Lane of Perry and Mrs. Roger Griffith of Fenton. Others from this area attending were Alvin Kappler, Mr. and Mrs. Robert Kappler, Mrs. Birdella Flood, Miss Annette Breitenwischer, Mrs. Al Simmons and Mrs. Ted Tapping.

## Family Service

Manchester Family Service annual meeting will be February 24, Thursday at 8:00 p.m. at the Manchester Township Library. Anyone interested in the work of this local volunteer United Way agency is urged to attend.

Besides the reports for 1976 there is election of three of the nine member board. The terms of Mrs. Hobart John, Mr. LeRoy Marx and Mrs. William Schwab expire at this time. Mr. Clarence Fielder and Mrs. Arthur Jarve are the nominating committee and they will welcome suggestions from the community. Other members of the board are Mrs. Merle Armstrong, Mrs. Paul Lemon, Mr. Merrill Korth and Mrs. Franklin Reck. Linda Ormsby, director of Social Service at both Saline and Chelsea, will talk about how the Social or Family Service work is handled by our neighbors.

**ATHLETIC BOOSTERS**

February 2, 1977

The regular meeting of the Athletic Boosters was opened at 8:10 P.M. by President Joe Fitzgerald with six members present.

The Secretary's report was read and accepted.

Treasurer's report was given by Joe Moore. There is \$1,217.58 in checking and \$822.41 in savings. All bills from the concession stand having been paid shows that the concession stand has shown a profit of approximately \$233.81 from the basketball season thus far. We still have four games to go.

Old business: Joe Fitzgerald brought up a bill from Beach Contracting Co., for work done on the Athletic field, with part of it to be paid by the boosters. Joe said he will follow thru and take care of it.

The tables with castors or for easier handling have been finished by Clarence Fielder for the concession stand. They have been in use for a couple of weeks now and they sure are sport. One table holds the popcorn machine and the other is large enough to hold the pop machine, the witness stand and the concession stand.

There was no report on the tickets but remember that the boosters are going to sell tickets made by Webster for approximately \$12.00 each. If you are

Interested, by all means please contact Webb Seegert and he will be glad to take your order.

Kathy Hagerman would also like to remind anyone who has overlooked their Booster dues or would like to join as a new member that you still can by contacting her at 428-7003 or mail a check, made out to: Athletic Boosters, to her at 17851 English Rd., Manchester, Mich. 48158. The fee is \$4.00 per couple or \$3.00 for a single membership.

A report on the track field progress was given by Ted Stautz. The committee held a meeting on Monday, January 31, 1977.

Ted reported that Clyde Wellwood has a breakdown on the track cost pretty well set. Copies of figures will be made available in the near future.

A more complete report will be given at the next Booster meeting in regards to raising funds, organizations to contact, etc.

New Business: Joe Fitzgerald mentioned that the Winter Sports Banquet would be held on Sunday, March 13, 1977 at 2:30 P.M. The banquet will be co-chaired by Jean Little and JoAnn Clark.

Joe Fitzgerald and Ted Stautz will be co-chairmen of set-up and take-down committee which will consist of Allen Clark, Bruce Daniels and Clarence Fielder.

Joe Fitzgerald asked Ted Stautz to be chairman of the Recreation Softball Tournament with committees to work with him. No final decision was reached.

It was brought up by Ted Stautz that Chuck King had contacted him about buying softballs for the tournament. Chuck is selling out his inventory from the Sports Shop and we can buy softballs for \$29.00 per dozen.

A motion was made by Joe Moore to purchase 18 dozen balls at \$29.00 per dozen. It was seconded by Pat Fitzgerald. Motion carried.

Joe Fitzgerald said he would like to see more of the coaches become involved in our programs and meetings.

Being no further business Joe Fitzgerald made a motion to adjourn the meeting. It was seconded by Kathy Hagerman. Motion carried.

The next regular Booster meeting will be held on Wednesday, March 2, 1977 at 8:10 P.M. in the high school library. Respectfully submitted,  
 Kathy Hagerman, Secretary

**Graduates From U.S. Air Force**

An official at Sheppard AFB, Texas, has announced the graduation of Airman Laura J. Renner from the U.S. Air Force's helicopter mechanic course conducted by the Air Training Command.

Airman Renner, daughter of Mr. and Mrs. David P. Renner of 10320 E. Austin Road, Manchester, Michigan is now trained to inspect and perform maintenance on helicopters, and will serve at Homestead AFB, Florida. Completion of the course enables the airman to receive academic credits through the Community College of the Air Force.

The airman is a 1976 graduate of Saline, Michigan High School.

**Middle School Chess Team**

The Manchester Middle School Chess Team traveled to the Michigan Junior High School Team Championship held at Flint Powers High School last Saturday, February 12. Team members Robert Esteves, Paul Verhines, Mike Stinson, and Dave Detling competed against other top chess players and did a very good job winning 3 out of 16 games. The entire team felt very fortunate to be a part of such an exciting tournament with a couple of team members expressing their wishes to return next year to the Michigan Team Championship for a chance to do even better. Roger Boyce, 8th Grade Science teacher, took the team to Flint and coached the tournament along with the chess team.

**Senior Citizens**

The Senior Citizens next meeting will be held on Wednesday, February 23, at 1:30 P.M. at Emanuel Church Hall.

**Girl Scouts**

Girl Scouts of the USA share a lot with their Girl Scouting/Guiding counterparts around the world. And one of the more special and inspirational things they share is a "holiday-in-common"—THINKING DAY. Observed on the shared birthday of Lord and Lady Baden-Powell (February 22), Thinking Day 1977 will be specially significant, as the year also marks the 50th Anniversary of the Juliette Low World Friendship Fund. Through the Fund, Girl Scouts of the USA contribute to the Thinking Day Fund of the World Association of Girl Guides and Girl Scouts.

Girl Scouts of the Western Washtenaw Area will celebrate Thinking Day together this Saturday, February 19th, 1977, at the Chelsea High School (off Fraser Road). Troops in Chelsea, Dander, Manchester and Saline have chosen a country to study, and there will be a display of more than 20 different countries. Some Scouts will perform dances from other countries. Junior Troop 689 from Chelsea, leader, Mrs. Carol Hoffman, will be in charge of the Opening of the Thinking Day Celebration. The event will be open to the public from 11:00 a.m. to 2:30 p.m. Chairman for the event: Chelsea-Nadine Koch, Dexter-Sue Sherrill, Manchester-Dianne Schwab, Saline-Dot Clary. Please call Greta Skjerlund for further information, 428-3294.

Manchester Township Clerk

BUROCRATS HARD TO BEAT

When President Carter takes on the federal bureaucracy in his fight to cut the size of government, he'll have a real battle on his hands. Those folks entrenched in Washington's white marble buildings just don't take "no" for an answer, and they have no conception of what "Thou Shalt Not" means.

The latest example of the latter concerns the Occupational Safety and Health Administration. Last year, the Congress got upset with OSHA because of some of their proposed rules, such as a toilet within five minutes walking distance of every farm worker, and some of the elementary "Dick and Jane" booklets published by OSHA dealing with how to handle beef cattle safely.

In the final analysis, Congress passed an amendment to the HEW appropriations bill saying that no money could be used

to enforce OSHA standards on farms that had ten or less employees during the year. This meant that any farm inspected that had ten or less employees on the day the OSHA inspector came would be exempt. This legislation was to be in effect from October 1, 1976 until September 30 of this year.

When the folks at OSHA got the word from Congress, however, they changed the rules. They have now interpreted the amendment to mean that if a farmer hired more than ten employees on any ONE day of the preceding year, then he is subject to OSHA rules for ALL of this year. This means that if a farmer had a crew of ten or more in for harvesting on only one day last year, but didn't hire anyone else the rest of the year, his farm is subject to OSHA regulations.

It just goes to show that what Congress means in their legislation and what the bureaucrats interpret in their regulations have a wide variance.

We wish the President luck, but he has a hard row to hoe.....

**School Board Minutes**

December 20, 1976

The regular Board of Education meeting was held in the high school library on Monday, December 20, 1976, with President William Bunney calling the meeting to order at 8:15 P.M.

Secretary Helen Kensler took roll call, with all members being present with the exception of Susan Westfall who is in the hospital.

President Bunney then asked the Secretary to read the minutes of the November meeting.

George Macomber moved to approve the minutes as corrected. Supported by Louis Vogel. A roll call vote was taken - all ayes. Motion carried.

Mrs. Kime was asked by Mr. Green if there was anyone on lay-off at the present time. Mrs. Lynda Graham had been asked to return to the staff. Mr. Kocinski reported that Mrs. Graham had refused the assignment offered her and would not be returning and that a letter was on the way to confirm this.

Mr. Don Tassie said that the Jaycees were going to contact the Athletic Boosters to form a committee concerning the track.

Concerning the repair of the high school gym bleachers: it was Mr. Green who was asked to relay to the Athletic Boosters our thanks and to also send a "thank you" to Gale Koebbe.

President Bunney then asked for the financial report, which was given by Reno Feldkamp, in the absence of Maxine Frey. Mr. Feldkamp reported a balance of

\$2,854.12 in checking and an SDR balance of \$154,000, making a general fund balance of \$156,854.12. Mr. Vogel asked if any tax money had come in. Superintendent Green said that none had been received. Secretary Helen Kensler moved the financial statement be accepted. Supported by Macomber. Motion carried with all members voting "yes".

President Bunney then asked for reports from committees.

Finance Committee--no report.

Buildings & Grounds--Mr. Macomber reported he had observed water dripping through the ceiling in the hall of the high school, Mr. Kocinski, high school principal, reported there was a roof leak in his office. Superintendent Green asked if Mr. Kemeter was aware of these leaks. Jim Walkow asked Brian Schick, Middle School Principal if he had any problem with leaking roofs. Mr. Schick reported the buildings do have several leaks and that they had been reported to Mr. Kemeter.

Athletic Committee--Mr. Feldkamp stated that several people had watched films of the football games. He stated we are getting a lot of good out of films of the athletic contests. Superintendent Green said that Coach Fielder is here at 5:30 A.M. reviewing films. Mr. Korican said the films are being taken by three high school students; a young lady and two young men. Mr. Feldkamp read a part of the report from Mr. Cotton, Superintendent Green said Mr. Cotton's report was a projected report for next year and we couldn't do anything about his recommendations until next year.

President Bunney then introduced Dr. Henry DeYoung, Region 5 Director, who is located in Chelsea, but who is employed by 3 districts, Manchester, Chelsea and Whitmore Lakes.

Dr. DeYoung said through the EPPC process all children are being worked with in Special Education. He added that the Manchester Community Schools have an excellent Special Education Staff and that he is very pleased with the support received from superintendents and principals. He said the Manchester Board of Education has been supportive of Special Education. The pre-school program is shared with Chelsea and Manchester, he said.

Dr. DeYoung stated he was not here to "stomp" the Washtenaw Intermediate School District millage to be voted on January 24th. He was here to report to the Board.

Dr. DeYoung said the money received in 1976-77 from the State is the same as in 1976 and the needs have increased, but the State has decreased its funding to 61.1%. Washtenaw Intermediate School District was reimbursed a portion of that from the State; 50% this year, as opposed to 58% last year. The millage will decrease the amount of money we will have to put in from our local funds, he said. All but 15% is supplied by Washtenaw Intermediate School District. Dr. DeYoung said this district would receive \$72,000. This would not be a cash flow, but a cash increase. Dr. DeYoung said the Pleasant Lake EMI Program had been moved to Chelsea. Superintendent Green said the brochure on handicapped children, which Dr. DeYoung had brought was very

well done. He was opposed that it was not depicted to severely handicapped and had only covered lightly on Special Education needs of children depicted as being noticeable impaired.

Louis Vogel asked how many children we were serving in special education. Dr. DeYoung said we are serving 140 Children on an "in" and "out" basis. He said that each of the five Special Education people in our schools-handle about 25, which is maximum. Supt. Green said there were 80 in K thru 8, 17 in high school, 3 in Chelsea, one in Rackham and one in High Point. In addition to the 140.

President Bunney asked if all students have a planned program. Dr. DeYoung said they have vocational training, physical and hearing plus social, psychological, hearing and visually impaired plus EMI and EILD.

Superintendent Green said we needed a "special needs" counselor. We cannot get all students in at Saline who want to get in. The cost for one student at Rackham costs around \$5,000 for the orthopedically handicapped.

President Bunney asked Dr. DeYoung to give us a list of programs in which we are weak. Dr. DeYoung said he would have a report on a centralized program in the spring. He said they would be recommending changes in impaired hearing and the physically handicapped.

Superintendent Green asked if we were working toward closing Rackham. Dr. DeYoung said we were preparing an al-

ternate program.

Jim Walkow asked Dr. DeYoung if there was a move to move the physically handicapped students into regular classrooms and not into isolated areas. Dr. DeYoung said they were working on moving physically handicapped children into the regular school program.

Dr. DeYoung left to attend another meeting in Chelsea.

The approval of the check registers of December 6th and 10th from the business office of the computer center. He asked for any questions. Reno Feldkamp questioned credit to Feldkamp tire. Superintendent Green said the 10% discount offered by Feldkamp Tire was for some old tires for a total of \$160.00. Part of this will show up in January. Helen Kensler questioned the purchase of typewriters. Superintendent Green said one was a replacement typewriter for the central office and a typewriter for Mrs. Berry. Mrs. Berry's typewriter went to Dorothy Miller's office.

President Bunney asked if there were any further questions. Mr. Vogel asked about the item for Schneider's Climate Control. Superintendent Green said this was from the Company who takes care of our boilers. He further said that a long hard look should be taken at their service.

Reno Feldkamp moved for the approval of the check registers. Supported by Jim Walkow. A roll call vote was taken—all years. Motion carried.

President Bunney then asked Mr. Koceski for presentation of the high school and middle school athletic budgets. Mr. Koceski said he, together with Mr. Schick and Mr. Korican had worked on an ath-

letic budget of \$14,325. With an anticipated income of \$6,900, it left a deficit budget of \$7,500. Mr. Koceski said the budget also included the Middle School. June, 1976, the budget was \$14,325. December cuts - \$2,034.00 - football, \$1,490.19 - deleted. The High School reduced their athletic budget by \$2,900.50, leaving a December budget of \$11,426.00, \$1,000.00 more than was anticipated was taken in from a successful football and girls' basketball season. The Middle School picked up \$656.00 through reconditioning of uniforms. Mr. Korican said the athletic account had previously been handled through the General Fund and is now being handled through the Athletic Account in the internal accounting. He said that \$320 - \$340 went to the ambulance for Middle School sports. Mr. Schick said they usually charged 50c for adults and 25c for students for admission to Middle School sports. The new athletic budget deficit was \$4,688.88. Mr. Koceski said the revised deficit budget has no provision for emergencies. Football would be an expensive program next year, he said.

Mr. Korican said he believed he should make a recommendation as to whether or not we were going to have JV sports because of having to hire an assistant coach, and the equipment required. He said we were going to have to put money into uniforms, pads, etc.

Superintendent Green said he had insisted on ambulance service, and would recommend it for any contact sport. He said the expense has been well worth having an ambulance on duty, due to the fact that we had to use it twice.

President Bunney said he was glad the deficit had been reduced, but was not

happy about the projection for next year. Mr. Korican, Assistant High School Principal and Athletic Director, said it looked as if we weren't going to be under our projected revenues for this year. Brian Schick, Middle School Principal, said the cost of equipment now, compared to what it was 5 years ago, is astronomical. Mr. Korican said helmets which cost \$28.00 a year ago, now cost \$10.00 more.

Reno Feldkamp said possibly we should consider charging more at games, rather than asking people for tax money. Superintendent Green said we are spending \$95,000 this year on athletics, music and elementary physical education; \$45,000 of this is coaching salaries. More is sometimes spent on referees for a game than is taken in at the gate.

The League Executive Board draws up the schedule. The Superintendents and Principals have two votes for each school. The schedule is set for the next several years.

Superintendent Green asked if we were sharing the gate with Hudson. Mr. Korican said the Board should ask for this. He said that Tecumseh charges \$1.50 for everyone.

Reno Feldkamp said we were having athletics only by a "razor thin" vote, the third time around.

Mr. Korican said he would make a survey of local areas as to the cost of admission to their athletic contests.

Superintendent Green said the proposed budget does not include use of lights,

custodial help and other things. He said that we are operating without an athletic director, at a savings of about \$10,000. He said Mr. Korican is assuming this position, with the volunteer help of Wes Gall. Mr. Green said Mr. Korican and Mr. Gall should be commended for this.

Louis Vogel asked Mr. Korican if he would be any more in balance for next year. It would be as stipulated Mr. Korican said.

President Bunney asked if change affected only football—at home. Next year we are scheduled for 5 home league games. We are playing St. Thomas now. It will be 3 and 3 each year after the next year.

Helen Kensler asked how often football uniforms needed replacing. Mr. Korican said 5 of 6 years and then stated the white ones - 6 years and maroon - 2 years. The League Executive Board draws up the schedule. The Superintendents and Principals have two votes for each school. The schedule is set for the next several years.

Superintendent Green asked if we were sharing the gate with Hudson. Mr. Korican said the Board should ask for this. He said that Tecumseh charges \$1.50 for everyone.

played Hudson at Hudson every year, we should get a share of the gate.

Mr. Korican said for the next 2 years we would be playing basketball every Tuesday and Friday.

President Bunney said he would like to ask Mr. Koceski, Mr. Schick, and Mr. Korican to hold the line and if there were any way possible, for form a proposal to reduce the budget.

Reno Feldkamp suggested exploring the possibility of season tickets. Mr. Koceski said he felt that handing out the price of a season ticket would be too much at one time.

President Bunney said he would ask Superintendent Green to read the policy on drinking on school sponsored activities.

After the reading of the policy by Superintendent Green, President Bunney asked for discussion.

Mr. Macomber moved the policy be adopted; supported by Walkow. A roll call vote was taken—all years. Motion Carried.

Mr. Green advised the Board that he felt strongly about the proposed adoption of the Career Re-evaluation Leave of

Absence policy. He recommended that the Board members study this and discuss this among themselves and during work sessions and move for its adoption at the January Board meeting.

President Bunney then read the approval of the Paying Agency Agreement.

It was recommended that the \$,015 for each coupon identified by only the due dates and denominations, rather than \$,030 for each coupon listed identified by bond number.

Reno Feldkamp asked to approve the paying agency agreement as read. Supported by Louis Vogel. A roll call vote was taken. All years. Motion Carried.

Discussion was then opened on proposed budgetary cuts.

Superintendent Green said we would have to approve and cut something out of the budget in order to have a balanced budget to present to the State.

He recommended approval of the following budget cuts of Custodial salary of \$12,000, \$1,400 in Health Insurance \$1,000 teaching supplies at the Middle School; \$1,500 in High School teaching supplies and \$6,000 in coaches salaries. (The cut

in coaches salaries does not imply a reduction in any athletic programs, but is as a result of fewer costs for coaching this year.) A proposed cut of \$21,900 from the budget, would leave a balance of \$4,066.00 in the black. Budget ending June 30, 1977.

We are saving \$6,000.00 because we have a group of young coaches.

The \$12,000 cut in custodial would be by either reducing custodial hours by 120 hours a week - 3 full time custodians, or by reducing work day of all custodians. If hours were cut, they would no longer be on salary, but would become hourly employees and would lose their health insurance.

The proposed cuts would be made in the first part of January.

Superintendent Green said that certified personnel could not be cut any more than has been done, and that we cannot cut supplies any further. The utilities are up. He had hoped not to have to cut custodial staff, but this was the only area that hadn't been cut as yet. There is no way of projecting cost of fuel oil, utilities or emergencies.

The \$29,000 we received through Title I is helping in grades K-4 Sup. Green said. The reading support services provides 1/5 of teacher's salary.

Mr. Hal Settles, a parent, asked Mr. Green about C.E.T.A. Superintendent Green said he did not know why weren't receiving this at this time. He said he expected to receive more this summer. He said we did not qualify at this time.

Mr. Green said that Joe Kemster, Head Custodian and Maintenance Supervisor, had been doing an excellent job. He said that daily custodial help wasn't needed as much as evening help. He said we have 2 1/2 or 3 at the high school; 2 at Middle School; 2 at Klager and one at Pleasant Lake. It would mean cutting back essentially in daytime custodial help.

Superintendent Green stated there would be one custodian at the High School in addition to Mr. Kemster. It would mean Mr. Kemster and a student. He said we may have to change the hours from 11:00 p.m. to 7:00 a.m. Due to the change in the custodial staff a bus driver picks up the mail now and costs us about 1/4 of what it did before.

Superintendent Green said all teachers are doing much of the cleaning during the A.M. and some student help in P.M.

Superintendent Green further stated that we are working with a very narrow margin in our budget, and attorney fees, alone, could eat up this amount.

Superintendent Green said all teachers are back who were coming back. He said six people had left and we have had some administrative changes, the staff is reduced by 12 people, all are back with the exception of those who have resigned.

President Bunney said we could not accept a deficit budget. We will have to make cuts. Superintendent Green said he wasn't sure but what we might have to cut again. He said we would be checking to see if our maintenance contract with Honeywell is still valid. He said a new water heater had been installed in the

**SCHOOL BOARD**

**Middle School**

President Bunney asked for further discussion by the Board, Mr. Feldkamp said there was no choice. Mr. Vogel said there was no alternative.

Jim Walkowe moved for support of the balanced budget, with recommended cuts. Supported by Feldkamp. A roll call vote was taken. All yeas. Motion Carried.

President Bunney said there had been a meeting of concerned parents of seniors concerning money in individual accounts. Parents already have a copy of the policy. The addendum to policy has much merit. Superintendent Green stated a paragraph has been added in the student book with reference to illness.

The main concern of parents was revenues as well as a policy. The amount of money on deposit for the class of 1977, with all monies in is \$10,671.60. Mr. Koceski said \$391.51 of this would be used for flowers, organ and programs for graduation. Each senior will get a list of what they have earned individually.

President Bunney said there was a meeting on July 27, 1976, with parents and seniors regarding the operation of the Sr. Food Tent.

Superintendent Green said that it is a violation of the law to sell money to other students.

Superintendent Green said he would like to see seniors not limited to Washington D.C. and its environs. The question was brought up as to whether or not a parent could serve as a chaperone without a certified staff personnel present. It was not possible for a parent to serve on behalf of the Board of Education.

Mrs. Kuntz, a senior parent, said the senior class is interested in what happens to any money that might be left in a class account after graduation.

Mr. Koceski said monies from classes which have graduated in the last 10 years, were moved into a contingency fund, which still remains in Internal Accounting. Not in the General Fund.

Superintendent Green said the Board has the right to seize funds because they were earned under the name of the school. It was decided to leave action on policy until the January meeting.

Helen Kensler said that the Michigan Council of Arts has a request in for a \$1,000 grant, with a director in residence. This money would be used by the Community Theatre and Young Adults. We would need to pay mileage and would possibly need to go through the University School of Drama. Mr. Feldkamp asked that publicity go out on the drama.

Mr. Vogel asked who had called the Board meeting of parents and seniors.

He was advised that it had not been an official meeting of the Board, but that was a meeting that sort of "mushroomed". An effort was made to contact all Board members. At the meeting, questions were answered about the senior food tent. The advisors work with Mr. Koceski. Two co-chairmen are chosen for parent committee by the school. Parents were under the impression that they voted on 2 chairpersons.

Mr. Macomber said he felt the practice of driving the school pickup home by the custodian should be discontinued. He said there must be a place where it can be stored. Superintendent Green advised that Mr. Kemeter is on call 24 hours a day and needs transportation to get from school to school.

Mr. Macomber moved that the practice of driving the school pickup home by custodian should be discontinued. Supported by Walkowe. Roll call vote was taken as follows: Walkowe-yes, Kansler-no, Feldkamp-no, Vogel-no, Macomber-yes, Bunney-no.

The question was raised on how custodial staff would be cut. There is no policy on cutting custodial staff.

Mr. Green asked the Board's wishes on cutting custodial help. He asked if they wished to cut on the basis of job performance or last date of hire.

Reno Feldkamp questioned whether this should be a Board decision or an administrative decision.

It was moved by Jim Walkowe that the custodial staff be cut according to last date of hire. Supported by Louis Vogel. A roll call vote was taken as follows: Macomber-no, Vogel-yes, Walkowe-yes, Kansler-yes, Feldkamp-yes, Bunney-yes. Motion carried.

Superintendent Green advised the Bus Driver's Association Agreement would be ready for the Board's review the week of December 26th.

The meeting was adjourned at 10:59 PM. Respectfully submitted,  
Helen J. Kensler, Secretary

### 2 GAMES—2 VICTORIES EQUALS WIN STREAK

by Jon Hardenbergh

With double wins this past week and the back to back victories 2 weeks ago, the Dutch have a 4 game winning streak going. This past week's action saw us coast to a triumph over Britton, 74-63 then chase and chase Napoleon to tie them after 32 minutes 57-57, and close the door in the first overtime, 64-60. We are now 9-4.

In the Tuesday contest we trounced Britton and got it rolling after a slow first period to enter halftime up 10, 39-29. In the second 2 periods we maintained our 10 point cushion and added 2 to make the final tally, 74-62. Curt Flieder led the way dumping in 18 while Bob Smith and Jeff Clark posted 17 and 16 respectively.

Friday's match between the Dutch and the Napoleon Pirates turned into a real seat climber, and here's what happened: Napoleon controlled the opening jump, missed their first field attempt but stole the ball to draw first blood at 7:25. Following at 7:08 Mark Lawson tied the tally at 2-2 but the Pirates made it 4-2 in 23 seconds. As Bob dribbled the ball down court he put up a 13 footer that went away because he was fouled, Bob sank 1 of 2 making us 1 down 4-3. From this time 6:28 to 2:36 we did everything but put the leather in the hoop. When Greg Daniels snapped our dry spell we found ourselves on the short end of a 12-5 score. In the remaining 2 odd minutes we added 6 points while the Pirates totaled 4 to end the first period 16-11. Stats show we hit 3 of 13 for 23% but kept alive shooting 71% of our free tosses, 5-7.

We did get the second period tip, but try as we did it was tough. At 6:11 Curt banged in a 2 pointer to pull us within 3,

Rick Krzyzaniak scoring 2 of his 30 points.

20-17 but in the next 2 minutes 16 seconds, the tally was 27-19. We poured on the pressure and behind good 1 & 1 foul shooting by Dan Turvey sinking 2 we were 2 down 29-27. At 1:30 Jeff ripped the cords and this tied it 29 all but we failed to connect on our following 4 shots while the Pirates got 2 at 38 seconds to lead at half 31-29. Stats show we hit 60% from the field in the 2nd period while for the first half we hit 73% of our free throws. Four Dutchmen contributed 6 points each—Curt, Dan, Mark, and Jeff with Bob's 5 and Greg's 2.

The Pirates collected the tip and 2 quick points which set the trend for the majority of the period. We stood 3-4, and 5 back until at 1:15 Curt canned 2 to bring the tally 44-43, but Bob missed the front of a 1 & 1 at 15 seconds and Napoleon missed with 2 ticks left but put in the rebound at the horn. This left it 46-43 after three periods. Stat wise you could say free throws had kept us alive in the first 2 periods but in this period we toed the line once (Bob-15 seconds) and missed.

The final regulation 8 minutes started with a Pirate making a mental error giving us possession and in 12 seconds Jeff banged home 2. Again they turned it over and Curt hit 1 of 2 free tosses to tie the score 46-46. Again for the third straight time they turned the ball over and at 8:10 Dan stepped to the charity stripe to shoot 2—his first bounced away but the second connected, therefore our first lead, 47-46. But this lasted only 32 seconds as they hit a 2 pointer. After each side committed 1 missed shot and 1 turnover Dan again toed the line for a 1 & 1. He made both recapturing the tally 49-48 at 4:41. The score see-sawed and Curt canned 4-4 free throws—the last 2 tied it 57-57 with 56 seconds left. Napoleon then stalled and called time at 15 seconds. Strategy set, the Pirates came out—what they faced was super defense in which didn't allow a shot. So we went to overtime. The tables reversed to open as they got the tip added 2—followed by us turning it over so from 2:35 to 1:38 they stalled then went to the line. The shot was no good and we rebounded, dribbled down—shot—missed. We fouled and the Pirate sank the first but

missed the second although they got the rebound only to be fouled. He missed, Jeff cleared the glass and was fouled so shot 1 & 1 at 1:03. He missed but Mark snared the sphere and shot, was fouled, 2 shots. Mark ripped them thru to pull us within 60.5. We clamped the press on and Jeff knocked the ball off the Pirate—our 11th shot. At 45 seconds Bob drove and laid it off glass and thru the net, 61-60. Five seconds later Jeff stole the ball and down went Napoleon. In the overtime we hit 1-2 field goals but 5-8 free throws while Napoleon hit 1 field goal and 1-7 free tosses.

My figures have Mark atop with 16 while Curt, Jeff, Dan, Bob and Greg popped for 15, 12, 11, 8 and 2. A quick note—we lost in turnovers 17-25.

We have 3 tough games up-coming as Friday we host Hudson, Monday (rescheduled) we host Addison and Tuesday we close the regular season at Dexter.

### LITTLE DUTCH SPLAT

by Jon Hardenbergh

Short but precise—Tuesday we bombed Britton by out-scoring them 29 to 3 in the third period to leave 73-37 victors. Rick Krzyzaniak canned 22 points as Bob Weirich posted 18 and Steve Melcher totaled 12.

Friday we met a tough Napoleon squad and found ourselves down 14-10 but rallied to lead 26-23 at half. The third period we kept our 3 point edge, 38-35 but fell in the closing minute 57-54. Rick was the only Dutchmen in double figures as he smoked the nets for 30 points.

### WRESTLING NOTE

I'll recap the season after the state finals (week from Saturday). Last Saturday we qualified 3 grapplers to go to regionals. Joe Roberts, Tom Fitzgerald and Dan Jordan. Regional action is Saturday in Stockbridge. BE THERE! Noise makes our guys even better.

The volleyball squads post victories against Chelsea. The varsity squad picked up their first victory of the season as they defeated Chelsea 15-6, 15-6. Leading the attack was Kim Dulle with 8 service points followed by Alisa Clark with 7.

Kyle Kensler with 6, Kathy Rose with 4, Bernie Flieder with 3 and Tina Sindlinger with 2 points. Floor play was under the leadership of Kim Dulle as she gathered in 10 sets directed to Elaine Buss, Michelle Kempf, and Kathy Rose who totaled up 16 successful spikes.

The junior varsity showed their potential as they downed their opponents 15-1, 15-10. Carol Brokaw and Daphne Nickels led the attack as they tallied 11 and 9 points respectively.

The varsity squad continued its fine play as it handed Stockbridge a 15-4, 15-5 set back. Bernie Flieder led all scorers with 8 service points followed by Kim Dulle with 6, Michelle Kempf 5, Kathy Rose and Kyle Kensler with 4

and Alisa Clark with 3. J.V. action was less fortunate as they fell victim to an undefeated Panther squad 16-14, 15-4. Karla Taurianen scored 5 points followed by Carol Brokaw and Daphne Nickels with 4.

The Stockbridge Panthers attempt revenge, as they entered the "Dutch-women" country Friday for a make-up game. The varsity squad narrowly escaped as they defeated the Panthers 15-13, 15-11. Tina Sindlinger led all scorers with 9 service points followed by Alisa Clark, Kim Dulle, Kyle Kensler with 6, and Bernie Flieder with 3. Special recognition was given to Alisa Clark, Kim Dulle and Tina Sindlinger who all scored a service ace.

In J.V. action the Dutch upset a undefeated Stockbridge squad 15-12, 15-5, 16-14. Deanna Clark led the team with 15 service points followed by Carol Brokaw with 8. Karla Taurianen kept control of the net as she scored 9 successful spikes.

"The simpler your return, the less we charge."

Reason No. 2 why H&R Block should do your taxes.

Block didn't become America's largest income tax preparer by charging high prices. For example, if you qualify for the short form, we charge a very low price. Even if your return is more complicated, Block's fee is still very reasonable.

## Surprise Birthday

This is what Mrs. Rebecca Mann got when her sixth grade homeroom class gave her a surprise birthday party on Wednesday, January 26, 1977.

## Library News

One of the newest books in the library is a book of poetry and verse "Echoes From the Moon", given to us by Elaine Reno Watson, one of the contributors and editors. The poems are written by members of the Detroit Women Writers, a professional organization established in 1900. Some of the contributors are well known and some have yet to achieve recognition, but all the verse contained in the book is excellent. The childrens section is especially delightful with amusing titles as "Why Is It?", "I Saw an Ant", "Freckles" and "Toothbrush". Undoubtedly many remember Elaine Watson the daughter of Elsie and Will Reno because she grew up in the Manchester area. Her family home was on the corner of Reno and Pleasant Lake Roads and her poem "Four Walls and a Roof" reflect her memories of this home. Another play now in the planning stage is invited to call the Community Education Office at 428-7894.

## COMMUNITY EDUCATION

The first meeting for the formation of a Community Theatre was held last week to determine if there was enough interest in the community to promote a Community Theatre. Several students and adults heard Mary Ann Vosgerchin and Joseph Zandall speak about how a Community Theatre has to be organized and incorporated in order to qualify for financial assistance from the Michigan Council of the Arts. It was decided by the group to proceed with a play now with the funds available and to hold another membership and organizational meeting for those interested in developing Community Theatre on Monday, February 28 at 8:00 P.M. in the High School Study Auditorium. Anyone who would like to become involved in organizing a Community Theatre is invited to attend this meeting. Also, anyone who would like to help with the production of the play now in the planning stage is invited to call the Community Education Office at 428-7894.
