

The public is cordially invited to hear The Life Action Ranch Singers and evangelists Mike Greene and Dave Holdren at the North Sharon Bible Church, Washburne and Sylvan Roads, near Grass Lake. The services are being conducted every night at 7:00 p.m. March 27-30 and on Sunday morning, March 27 at 10:00 a.m. and 11:00 a.m.

The Life Action Ranch Singers are a group of college age young people who have dedicated a year of their lives to Christian service through the Ranch ministry.

Although they are busy singing during

retreats and crusades, that is not their only responsibility. They can be found serving as counselors, cooks, secretaries, wranglers, custodians, or wherever they are needed to make the Ranch a success.

The Ranch atmosphere is special because of the reality of Christ in the lives of each staff member. Their deepest desire is to be "conformed to the image of God". Because of this desire, their life's message continually encourages other Christians to grow in the Lord and provides a testimony to win others to the saving knowledge of Christ.

The Ranch Administrator, Dave Hold-

ren, is a graduate of Liberty Baptist College in Lynchburg, VA.

As the pastor for the Life Action Ranch Team, Dave is being mightily used of God to provide counsel, wisdom, and direction, not only for the Team as a unit, but also for each individual member.

Dave is also responsible for scheduling meetings in churches and attending to details for retreats, as well as the planning for summer camp at the Ranch.

On the road, Dave assists Mike Greene in the organization and presentation of the Master Control Youth Seminar and also serves as revivalist for the Team.

As the pastor, teacher, and administrator, Dave is a vital part of the Ranch ministry.

Mike Greene uses his rich knowledge and experience gained through 10 years in the youth ministry as Director of Life Action Ranch, one of the fastest growing camping ministries in America.

Mike is a graduate of Bob Jones University where he also taught on the Speech faculty before entering the ministry. Mike and his wife, Ruth, and their six children joined the Life Action staff in January, 1975. Since that time, the Ranch program has continued to expand and increase in attendance.

He is not only the Ranch Director, but is also the Crusade Director for the Ranch Team. He conducts the presentation of the Adult and Youth Seminars as well as serving as evangelist for the Team. His wife, Ruth, is also a vital part of the Team as she faithfully serves as the

Music Director for the Life Action Ranch Singers.

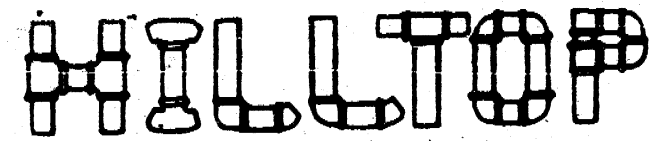

Rev. Ronald C. Purkey, pastor of North Sharon Bible Church, welcomes everyone to these special services. A nurse is provided during every service. All services interpreted for the deaf. Anyone needing a ride on Sunday morning should call the church office for free bus transportation at 428-7222.

**March of Dimes Walkathon**

Since this will be Manchester's first Walk-a-thon, many of you may not know what one is, or how it works. This article will do its best to explain a walk-a-thon.

The main ingredient, of course, is the walkers who have sponsors. Each walker pre-registers and is sent a sponsor sheet. The walker takes this sheet to friends and relatives, asking them to pledge an amount of money for each mile the walker completes in the walk route. The amount may be as much or little as the pledger feels he or she can give. On the day of the walk, the walker has a walk card that he or she gets validated at each checkpoint, to show how many miles are completed. After the walk, the walker returns to the pledger and collects the amount of money totaled, and turns it in to the March of Dimes people in charge of the walk.

A 15 mile route has been planned by the Manchester Police Department. It starts and finishes at the high school, April 23, 10 a.m., and goes northeast of, through, and south of our town. Along the route are 5 check points, where a walker can rest, use bathroom facilities, get a snack, and if need be, have the assistance of a nurse or first aid person. All during the walk, there will be well marked cars driving the route, to pick up any walker whose feet just plain give out, or should need assistance of any kind. The walkers will be cautioned before the walk, NOT to get into any car that does not have official March of Dimes identification on it, and to be SURE to walk in groups. The route will be clearly marked with March of Dimes Foot Markers, and maps of the route will be available the day of the walk, with the check points clearly marked.

Each walker completing the walk will receive a patch for his or her jacket. There will be prizes for individuals, and organizations, and give-away prizes, too. Lots of fun, lots of prizes, and lots of peace and quiet the Sunday after the walk. Mom and Dad, Encourage the kids to get out and walk. Better yet, join them for family fun and exercise. Anyone can walk; no age limit. To pre-register call Carol Williams at 428-7881 or Matt Donnellon (our State Farm Agent) at 428-8364. Pre-registration cards are also available at the high school and middle school or Mr. Donnellon's office.

Can't do the walking? Then call these people and volunteer your services. There are many jobs to be done. Typing registra-

Under the program, people are asked to donate money to the mentally retarded and given a Toosie Roll candy in appreciation of the gift.

The members of the Father Fisher Council will be on the streets of Manchester on the 1st and 2nd of April and ask for your support of this worthwhile project.

**CHICKEN BROIL NEEDS VOLUNTEERS**

Eugene Bentschneider, General Chairman of Manchester's Annual Chicken Broil is soliciting additional volunteer help for this year's broil.

Bentschneider says 500 men and boys from our community have signed up to serve on the various committees. However he states there are still many vacancies to be filled to assure our expected 10,000 visitors on Thursday, July 21, a warm welcome and fast and efficient service.

If you are not now committed to give a few hours of your time to this worthwhile community effort, Bentschneider asks that you offer your services by calling Mr. Bentschneider at 428-7477 or dropping in to Irv and Donna's Gamble Store which is headquarters for this year's event.

Bentschneider especially invites the many newcomers in our area to join the other volunteers in the fun and satisfaction of being a member of the team that has made this event so successful over the past twenty four years.

**March Madness Finale Saturday**

by Jon Hardenbergh

March Madness is a name used for Michigan High School Basketball's new season—meaning in March all state squads begin their trek to see who is the best in each of the 4 classes.

Saturday at Crisler Arena, 8 teams entered the arena and 4 left victorious. The remarkable thing that could take place Saturday is the Detroit Catholic League could depart with a victory in each class.

A year ago 2 squads from the Detroit Catholic League won but this year's "4" would be an unprecedented first.

In Class A we have Birmingham Brother Rice (21-3 ranked 8th in state) squaring off against Lansing Everett (26-1 ranked #1)—in Class B we have Dearborn Divine Child (25-1 ranked #2) battling Granville (26-0 only undefeated team left in the state ranked #6)—in Class C we have Detroit Redford St. Mary (22-4 ranked #6 who destroyed the defending champs in semi's by 29 points), they will face Saginaw Sta. Peter & Paul (23-4 ranked #8) and in Class D we have Detroit East Catholic (23-1 ranked #1 only loss to a class A non-league team) meeting Maple City Glen Lake (25-2 ranked #9).

Even now the odds are long but Lansing Everett, Granville, Saginaw Sta. Peter & Paul and Maple City Glen Lake will each have to perform in top gear to defeat the powerful "4" Parochial entries from the southeast corner of the state.

As fate would have it the Detroit squads departed with only 2 of the 4 championships. Divine Child (Class B) started the day off with a hard fought 4 point victory over Granville, 49-45. Granville seemed to set the tempo as they led 27-26 with seconds left till halftime, and the half closed with Granville up by 3. Divine Child came back by out-scoring them 16-10 to enter the final eight minutes ahead 42-39. Divine Child began stalling with 6 minutes left and a 3 point lead and they held Granville off to be the state's Class B Champions.

The afternoon game pitted Lansing Everett against Brother Rice for the Class A title. You could say this one was one of the best games I've seen as the Brother Rice Warriors took a 2 point lead after 1 period. Everett crawled within 1 at intermission 25-24. The Warriors again out-scored Lansing in the third period to hold a 3 point advantage with 1 period left. It looked bad for Lansing as Brother Rice lead 39-34 with under 1:30 left. The warriors went into a four corner stall and as the clock ticked 45 seconds--I said bye-bye Lansing. Lansing made 2 excellent steals and at the 20 second mark it stood tied 47-47. Lansing's all-stater Earvin "Magic" Johnson dribbled down court and put a 20 footer off glass--only problem was, it didn't fall in--Lansing grabbed the rebound and put it home to go delirious with a 2 point lead and 3 ticks remaining. Brother Rice's all-stater Kevin Smith wouldn't die as he sent the pigskin aloft from mid-court at the buzzer. It hit nothing but backboard and net to send the game into overtime. The miracles ended right here for Brother Rice as Lansing zoomed out to a 10 point lead and finished up 6 to win, 62-56. The opposing all-staters put on some shooting show as Smith popped for 25 and Johnson burned the nets for 34.

In the Class D contest the Maple City-Glen Lake Lakers pulled the upset over the East Catholic Chargers. The Lakers showed they could shoot as they took the 43-35 lead to the locker room at half. The Chargers came charging back in the third to lead 56-53 and I felt it was over for the Lakers as East

Catholic were up 3 at 1:13. After missing 3 freebies the Laker's all-stater, Geoff Kotila, hit 1 from the charity stripe at 38 seconds and banked in a 2-pointer at 19 seconds and knotted the score at 68 all. The Chargers all-stater took the last second shot but it didn't hit and on the rebound an East Catholic fouled Kotila. This left 1 second and Kotila shooting 1 & 1--Geoff calmly swished both to give his squad the championship.

The Class C was the laugher as Redford St. Mary's sailed to an easy win over Saginaw Sta. Peter & Paul 61-47.

I saw all 4 high school contests plus I set a second TV beside the first to watch the N.C.A.A. semi's. Monday, Marquette downed North Carolina for the college championship.

Now high schools and colleges drop their basketballs and find their baseball gloves and track shoes for Spring!!

## Shakespeare Club

On Tuesday, March 15, the Shakespeare Club had its annual Charity Day. This year arrangements for a tour of High Point, were made by Ella Kern.

High Point is the Washtenaw County Special Education Center located on Wagner Road. It is considered to be one of the best facilities of its kind in the Country, according to our lovely and well informed guide, who was a volunteer worker at the school. It is a very well equipped and beautiful building with dedicated personnel but, also in dire need of more monies for operating expenses. The Club left a donation to be used toward the purchase of supplies.

After the tour, luncheon was enjoyed at Leuthers' in Saline and then a stop at the Evangelical Home to say "hello" to our member Laura Palmer.

The next meeting will be Tuesday, April 5th, 8:00 P.M., at the home of Mrs. Aaron Nathan.

**LETTERS TO THE EDITOR**

How many times have we heard someone say "Why doesn't the school do something more about discipline?"

The school did something about trying to control drinking on the senior trip. The students were told their baggage would be checked before the senior trip started. I believe it was a step in the right direction to control drinking.

The parents then complain that their students rights were violated. Let's get behind the school in enforcing rules and regulations instead of fighting them. There are laws and regulations that

are a nuisance and unnecessary for many of us, car safety checks, thumb printed office checks, proof of insurance to buy a license plate. But we accept them knowing that they are, really necessary to protect us from those that are negligent in those areas. The same applies to school rules. Some are just made for the small percent that need guidance, but everybody must abide by them.

Lauren Huber

To the Citizens of the Manchester School District:

For the past eight years it has been my good fortune to serve as a member of the Board of Education here in Manchester, and I thank you, our citizens, for the support you have given me. The pressure of my business and our business hours makes it increasingly more difficult for me to provide the time necessary so that I will not be a candidate for re-election this June.

The task becomes more difficult with rising costs of services and supplies, and complicated further by factors of mandated programs and inflation. It seems to me that the time has come when we must rally behind some of our legislators who are proposing changes in our tax system so that there will be an improved, more equitable method for financing education.

It is my sincere hope that persons who are truly interested in helping our Supt., the Staff and the Board of Education provide a good education for all our children

will indicate these intentions by picking up the petitions from our Bd. of Education office and submit the completed ones to that office before 4 p.m. on April 11, 1977. The election will be held on June 13, 1977.

## Library News

Have you ever wondered about success? What makes some people successful and others less so? One way to find out is to read the biography of a successful person and find out what was his secret to success, read a second biography and compare the two lives. Maybe there is no secret ingredient at all. Perhaps you too have all it takes but just have to put it all together.

Some of the most exciting tales ever told are true events in real persons lives. Here too, biographies have it all: joy, humor, terror, suspense, excitement on all levels. Read "At the Drop of the Veil" by Alireza, "Fire and Ice", by Tobias, "Alone No Longer" by Stanley Stern, "Those I Love", by Gray or "Silk Stockings" by Hildegard Knief. These are contemporary biographies about people who are alive today. Thrilling stories. You'll enjoy them.

## MANCHESTER O.E.S. HONOR DEALORIS RICHARDSON

On March 14 the Manchester Chapter, Order of the Eastern Star honored its own Dealoris Richardson, Grand Altar, Grand Chapter of Michigan, Order of the Eastern Star, and hosted the Grand Chapter officers, led by Phyllis Martz, Worship, Grand Matron of Birmingham and Donald Harris, Worship, Grand Patron of Ortonville.

210 guests were served a delectable roast beef dinner in a hall alive with delicate incense and shimmering beautiful frosted glass candle holders.

Following dinner, new members Sheri Trent, Sam and Joan Deal were initiated into the Order with the Grand officers exemplifying the work to an audience of 250 Eastern Star members, including Marjorie Barton, General Grand Chapter Committee Member, six Past Grand Matrons and four Past Grand Patrons. Birdella Alther, Manchester's Worship, Matron, as hostess made the evening one of graciousness and beauty, one long to be remembered, not only by Manchester's Eastern Star members but by those who traveled here from all over the State to participate and honor Dealoris.

**Thirteen Tips For Women**

Thirteen can be a lucky number for women motorists who travel at night. They'll have safer, more-trouble-free trips if they follow these precautions compiled by Jack Morton of the Service and Parts Sales Division of Chrysler Corporation.

1. Always lock your doors, both when you're away from your car and driving.
2. Travel with your fuel tank at least half full so that you won't run out of gas.
3. Park under a light in a shopping center parking area or on the street.
4. Approach your car from an angle which allows you to check underneath it for waiting assailants.
5. Check the inside of your car before unlocking the door. Someone with a passkey may have gained entrance and be waiting for you.
6. Tell someone at home your estimated time of arrival so that if you're later than you planned, he or she can check your travel route and or alert the authorities.
7. Plan alternate routes in case of traffic or weather tie-up. Drive these routes during daylight if possible so that your alternate route won't be in unfamiliar neighborhoods.
8. Drive in the center lane when possible, avoiding

the outside or shoulder lanes where trouble can occur more easily.

9. Listen to your radio (or CB) for traffic conditions.
10. Use your flashers at the first sign of trouble, even while you're still driving in the traffic lanes.
11. Carry handkerchief, flashers, or some means to alert traffic you're disabled, and learn to raise the hood of your vehicle to signal trouble.
12. Remain in your car with your windows closed and doors locked until a wrecker, police car, or other safety vehicle approaches to help.
13. Keep your car properly maintained and in good running condition. Check the fluid levels (gasoline, transmission and brake fluids, engine oil, wiper fluid, and water in battery) frequently. Make sure your windshield wipers and headlights work properly, the heating and defrosting systems are operating to keep the windows clear, and the tires have correct pressure and enough tread to provide traction on slippery surfaces.

Morton says that, of course, these thirteen thoughtful travel tips apply to men as well as women motorists and to daytime as well as after-dark trips.

The double-ring wedding ceremony was used Sunday, January 9 in the wedding of Elise Lang Johnston of Barre and Russell Channing Smith II, also of Barre. The ceremony was performed at 1 p.m. in the Little Valley House in Berlin by James Sanderson. Deborah Chaffee, pianist, played George Gershwin's "Rhapsody in Blue." Floral arrangements of heather and daisies were tied with ribbons of the Johnston tartan.

Parents of the couple are Dr. and Mrs. W.H. Johnston of Dover Road, Montpelier and Mr. and Mrs. Russell C. Smith of 14658 Henzie Road, Manchester, Mich.

Attendants of the pair were Anna Monte of Northfield, sister of the bride, and Thomas (T.J.) Reilly of Waits River.

The bride wore a full-length skirt of the Johnston tartan with a Scottish lace bodice and green velvet jacket. She carried a bouquet of heather, daisies and white roses.

The reception which followed included a buffet and music by Coco and the Lonesome Road Band. The wedding cookies

(Scottish shortbread) were made by the mother of the bride and were distributed by Peter and Christopher Monte and De-mian Johnston, nephews of the bride. # COUNCIL PROCEEDINGS

## CANCER

March 7, 1977  
 Council met in regular session with the meeting called to order by President Little at 7:15 p.m. Present were Daniels, Duncan, Padley, Schaffer, Scully and Zsenyuk; absent Denhoff and Fitzgerald. Minutes from the February 21, 1977 regular meeting were read and additions made. Moved by Schaffer, supported by Duncan to approve the minutes and additions. All yeas, carried.  
 John Hinkley, representing Naisin River Development inquired about the procedure necessary for a variance to allow construction of apartments above the now-vacant store located at 227 E. Main Street. Council reviewed the plans and a Public Hearing was scheduled before the Zoning Board of Appeals at 8:00 p.m. on March 21, 1977 in a motion by Scully, supported by Schaffer. All yeas, motion carried.  
 In discussion it was decided that the use of gravel from the gravel hill on

Ann Arbor Hill should be limited until a plan has been formulated to keep some sort of transition strip between the County yard and residential area.  
 Daniels presented the proposed street program for 1977, which would include Duncan Street from Macomb to Union, Macomb Street from Territorial to Wager, Duncan Street from Hibbard to East Village limits, and Hibbard Street from Main to the Village limits. The proposed program would cost approximately \$18,739.00. Daniels was asked to evaluate Division and Torrey Streets also.  
 Public Works activities have included repairing a water main, cleaning out the sewer on Riverside and Granger, placing fill in Kirk Park, installing outside meters as replacements for problem meters, working on the chains in the final tank at the Sewage Plant, cleaning drains, cold-patching asphalt and repairing a water service.  
 Zsenyuk reviewed the police report for February, 1977. Police runs: 43. People Investigated: 310. Vehicles Investigated: 163. Warnings: 120. Complaints received and investigated: 24-Assist other Dept 1. Littering 1. Sick persons 3. Open intoxicants 1. Larceny from auto 3. Lar-

cy under \$100.00 1. Animal Complaint 17. Wanted other department 1. V.G.S. Act 2. Stolen Check 1. MDP 1. Disorderly Person 1. D & D 2. Recovered property 1. Possible B & E in progress 1. Alarm 1. Unlawful entry 1. Injured person 1. Arrests: 4-wanted other dept. 2. D & D 2. Traffic Violations 44-No oper. lic. on person 5. Speeding 24. Open intoxicants 4. Fail to stop 3. Unlawful U turn 1. No registration 2. Careless driving 4. Excessive noise 1. Parking Violations: 21. Accidents: 5.  
 Zsenyuk reported that the Schaffer Court neighbors are still angry that ALL the items have not been removed that were supposedly to be removed. They are not as concerned with the files but rather the large rusty objects. Zsenyuk presented pictures taken from yards which view Union Construction Company property.  
 Zsenyuk explained a program which will be instituted in the grade schools of the Manchester area. He also advised Council that Mr. Schick will be working with a safety-boy/girl program.  
 The proposed preliminary budget was discussed, as per announcement of the Budget Hearing in the Manchester Enterprise. Final budget figures will be decided upon when the final tax roll figures become available. Moved by Scully, supported by Duncan to accept the proposed preliminary budget for 1977-78 Fiscal Year. All yeas, carried.  
 Duncan advised Council of Planning Commission activities from the then unapproved minutes of their meeting. In regard to the Hendley property located on East Main-rezoning was denied pending submission of a site plan which would consider the required 200' well isolation. On the recommendation of Planning Commission Duncan felt that the Village should decline the Inter-County Highway Commission's Plan and Right-of-way.

# AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU EDITORIAL

PLAYING POLITICS WITH NUTRITION  
 Members of the Senate Select Committee on Nutrition and Human Needs found they'd grabbed a bear by the tail when they released their report on "Dietary Goals for the U.S." Two groups growled especially loud about the committee's recommendations-the National Live Stock and Meat Board and the American Farm Bureau Federation.  
 The Meat Board maintains the committee's claims that Americans should eat less meat are preposterous and could damage public health, as well as the meat industry and related industries. The Senators who serve on this committee, especially McGovern of South Dakota and Dole of Kansas, heard from angry folks "back home" when the report was released. They've decided, now, to follow up on the Meat Board's offer of assistance in the development of more information.  
 The American Farm Bureau Federation says the agricultural community should have been consulted during the committee's original deliberations and has called for a halt to the printing and distribution of "Dietary Goals."  
 It's not that farmers and ranchers ob-

ject to the publication of information which will help consumers make decisions about their nutritional requirements. They, of all people, are in favor of good nutrition. What they do object to is the "Congressional sanction" the report gives to one side of a controversy--in spite of the existence of substantial conflicting scientific opinion.  
 The AFBF recently told members of Congress that the establishment of dietary goals for the general public is not an appropriate function of any agency of government. The Senate Committee's report goes beyond the role of describing useful facts about the nutritional aspects of food, the farm organization said, and contains many highly controversial statements which could be regarded as an initial step toward the formulation of new agricultural economic policy.  
 Providing consumers with nutritional facts is one thing; getting into the policy area is another...especially when there was no opportunity for input from the agricultural industry.  
**HONORED AT U OF M**  
 Michelle Jenkins of 119 S. Washington St., Manchester was one of 5,000 University of Michigan students who were recognized at the University's annual Honors Convocation Friday, March 25.  
 Dr. Frank Rhodes, U-M vice-president for academic affairs and president-designate of Cornell University, was the featured speaker. A reception and tea was held for honor students and their families.  
 A total of 5,167 awards were recognized at the convocation.  
 Of the total, 4,325 were Class Honors, recognizing an undergraduate academic record equal to at least half A's and half B's for two terms (one term for new students) during 1976.  
 In addition, 830 students were named James B. Angell Scholars. They have maintained an all-A record for two or more consecutive terms as undergraduates.  
 Also, 312 members of the freshman class received the William J. Brannstrom Prize, a book of their choice and a bookmark. The recipients ranked in the top five per cent of their class.  
 Some students have won more than one type of honor.  
 The honor Michelle received was the Angell Scholar in College of Literature, Science, and the Arts.

### Potato-Ham Dinner In A Crust

Dinner in a pastry shell is just what this luscious Ham Brown and Ham Pie offers. And it's so easy on the cook. Tender, frozen southern style hash browns need no peeling or dicing and can be used just as they tumble from the bag. For a quick thaw, run hot water over them and drain well. Mix potatoes with other ingredients and spoon into prepared shell. Bake until crust is golden and the cheese bovers over the potatoes in a tempting melted state.

### Pear Compote Brightens Menus

A sunny addition to a brunch or afternoon dessert, this cheery compote can be made in minutes. For the busy hostess Pear Wine Cord will be a favorite menu addition.

Add a sprinkling of orange peel and top with a wine and pear syrup mixture for a compote that will satisfy all. Serve with hot croissants for brunch or dainty cookies for dessert fare.

The many and convenient uses of canned pears are endless. From desserts to salads to meat accompaniments, canned Bartletts are a favorite addition to any meal.

### A Gift To Keep

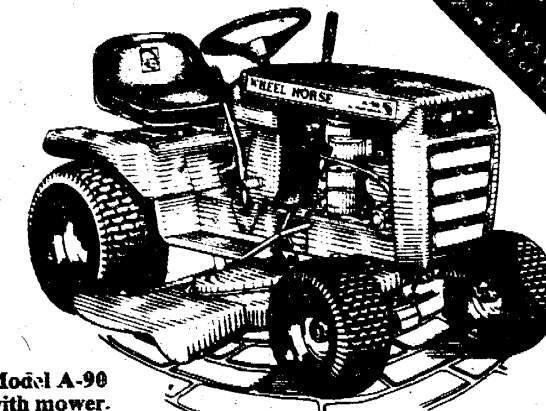

Don't give your children baby rabbits, chicks or ducks for Easter, urges the American Veterinary Medical Association (AVMA). Not only is it cruel to give these animals as gifts, in many states and cities it is illegal.

Rabbits, chickens and ducks are farm animals; they rarely survive in the home. A young child's enthusiasm over the new pet often results in unknowing cruelty as legs are broken and wings crushed. If the animal dies or is injured, it is a traumatic experience for the child. If the animal survives, it generally ends up in an animal shelter.

Because so many thoughtless people continue to give baby rabbits, chicks and ducks as gifts, shelters are unable to handle them and most have to be destroyed. Even if the animal should live to maturity, many local ordinances would prohibit a family from keeping it.

These are outdoor animals. They can not be housebroken and may cause serious house-keeping and health problems. Many are disease carriers. The National Center for Disease Control in Atlanta and other public health authorities warn that children and adults in close contact with these animals may be exposed to salmonellosis, a severe gastrointestinal infection. While the disease is rarely fatal, it requires medical treatment, often including hospitalization. In addition to the family, other pets in the household may become ill.

Because of the problems surrounding Easter "Pets," the AVMA suggests that you give youngsters stuffed toys instead. Easter and the coming of spring should be a time of joy and rebirth, not a period of physical illness, psychological trauma and the needless deaths of young animals.

"The March of Dimes has taken on a big job in tackling the abolishment of over 2000 birth defects," he says. "Much help is needed."

The SuperWalk is involving a lot of people. Some of the committee chairpeople are as follows: General Chairman and Recruitment-Mat Donnellon,

## DUTCH RUN AWAY WITH TITLE

After a very game effort, without record holding shotputter Dan Clark, in Eastern Michigan's Huron Relays, the Manchester track team put it all together and brought home the championship trophy from the Spartan Relays in East Lansing on Friday.

These two events are considered to be the premier meets for prep track athletes in the state. On March 25, the Dutch took the short trip to Ypsilanti and came back tied for sixteenth place, one point out of twelfth. Coach Steeb was very pleased with the team's performance since the Dutch had failed to score in the meet for the past couple of years. The result may have been better, had senior shotputter Dan Clark not been away on the senior trip. Dan, considered by many as one of the best in the state and the current state indoor record holder at 54' 8 1/2" would certainly have placed in the top three or five.

Mike Forner led the way at Huron by becoming the 1977 champion in the pole vault. Mike leaped 14 feet, equalling again his own school record but failed at 14' 4" which would have established a new meet record. Pete Tassie received 4 points for his fifth place finish in the high hurdles. Pete, last season's fifth best hurdler in the state was coming off a throat ailment which hampered him much of the indoor season. Pete and Mike combined with teammates Dan Hassett and Tom Little to finish seventh in the shuttle hurdle relay. The team was clocked in :32.1 and this also was a school record. Dave Hoover ran the 80 yard dash in a respectable :07.1 but failed to advance from his preliminary heat. The 2 mile relay team of Steve Eversole, Kurt Sauter, Darrel Clark, and Tom Tassie also failed to place as they finished in 9:25.1, with Eversole running the fastest half mile of the group with a 2:18.1 split.

This past Friday in Michigan State University's Jenison Fieldhouse, the Dutch won the biggest meet of their lives. Although after the second event, Manchester was never behind, the victory seemed somewhat in doubt towards the end of the day. Coach Steeb was quick to congratulate his men not only on the victory but on the class and sportsmanship displayed by the whole team when victory was not so apparent.

Mike Forner won his second straight major indoor title in the pole vault as he again cleared the bar at 14 feet, this time barely missing the meet record of 14' 6 1/2". While this was going on Pete Tassie was busy advancing to the

Checkpoints-Jackie Steele & Explorers, Registration-Carol Williams, Food-Sandy King, Communications-Jackie Steele & Rita Burthard, Medical-Kay Rosch, Traffic-Sgt. Ken Beasley, Sanitation-Dick Rigg & Jaycoes, Transportation-Jim Kensler & Fire Dept., Publicity-Alice Rossettie, Awards-Bonita Kothe.

If you can help in any one of these areas, please call either the committee chairperson, or Mr. Donnellon. Your services will be appreciated, not only by the chairpeople, but especially by the little ones who are able to function better, or are spared the defect altogether. What a nice feeling, knowing you had a hand in helping.

How about you walkers? Are you getting your registration cards in, and finding lots of sponsors? One of the prizes will be for the person with the most sponsors. You'll all get a patch when you turn in your donations, and there will be goodies along the way to revive your energy. All this in addition to the great feeling, of knowing you're helping someone, who may possibly even be able to walk in next year's walk. Wouldn't that be fantastic? A person who is handicapped this year, able to walk in next year's SuperWalk? An exciting thing to think about, especially when you realize, you have helped this person accomplish the feat! When you turn in your registration, mark on it what organization you desire to represent, as there is an organization prize, too. What class, club, church, or service organization.

Remember Mom and Dad, this is not just for the kids, your whole family can walk. Bring your toddler and your grandpa. If you don't cover the whole 15 mile route, that's OK. You've had the fun of doing something together, got some exercise, socialized with old friends, met some new friends, and helped someone in the process. What better way to spend the day?

So, to volunteer your services, call any one of the chairpeople, Matt Donnellon (428-8364), or Carol Williams (428-7884), and to register call Carol Williams. Then join in the fun. Happy walking and the March of Dimes wishes you all a blessed and happy Easter.
