DUTCH RUN AWAY WITH TITLE

After a very game effort, without record holding shotputter Dan Clark, in Eastern Michigan's Huron Relays, the Manchester track team put it all together and brought home the championship trophy from the Spartan Relays in East Lansing on Friday. These two events are considered to be the premier meets for prep track athletes in the state. On March 25, the Dutch took the short trip to Ypsilanti and came back tied for sixteenth place, one point out of twelfth. Coach Steeb was very pleased with the team's performance since the Dutch had failed to score in the meet for the past couple of years. The result may have been better, had senior shotputter Dan Clark not been away on the senior trip. Dan, considered by many as one of the best in the state and the current state indoor record holder at 54' 8 1/2" would certainly have placed in the top three or five.

Mike Forner led the way at Huron by becoming the 1977 champion in the pole vault. Mike leaped 14 feet, equalling again his own school record but failed at 14' 4" which would have established a new meet record. Pete Tassie received 4 points for his fifth place finish in the high hurdles. Pete, last season's fifth best hurdler in the state was coming off a throat ailment which hampered him much of the indoor season. Pete and Mike combined with teammates Dan Hassett and Tom Little to finish seventh in the shuttle hurdle relay. The team was clocked in :32.1 and this also was a school record. Dave Hoover ran the 60 yard dash in a respectable :07.1 but failed to advance from his preliminary heat. The 2 mile relay team of Steve Eversole, Kurt Sauter, Darrel Clark, and Tom Tassie also failed to place as they finished in 9:25.1, with Eversole running the fastest half mile of the group with a 2:18.1 split.

This past Friday in Michigan State University's Jenison Fieldhouse, the Dutch won the biggest meet of their lives. Although after the second event, Manchester was never behind, the victory seemed somewhat in doubt towards the end of the day. Coach Steeb was quick to congratulate his men not only on the victory but on the class and sportsmanship displayed by the whole team when victory was not so apparent. Mike Forner won his second straight major indoor title in the pole vault as he again cleared the bar at 14 feet, this time barely missing the meet record of 14' 6 1/2". While this was going on Pete Tassie was busy advancing to the

Twentieth Century Club

The Twentieth Century Club met at the home of Mrs. Ron Jetter, Tuesday, March 29th, with Mrs. Harry Krauss as co-hostess.

Two new members were introduced to the club—Mrs. James Duncan and Mrs. Leonard Blossom. A warm welcome was extended to them.

Mrs. Frank Tirb requested to have her name put on the associate membership list and her request was granted. Mrs. Tirb has been a faithful member for many years and has given much of her time

and talents to the club.

Mrs. Frank Reck introduced Mrs. Nancy Johnson, a weaving consultant for Norwood Loom Company to the group who entertained us with the "History of Weaving" and her own involvement in it. She brought many articles that she had weaved plus a loom that she demonstrated on. Mrs. Johnson is from Fremont, Mich. and the niece of Mrs. Margie Haeussler of Manchester.

The annual meeting will be held Tuesday, April 12th at 8:00 p.m. at the home of Mrs. Rinn Olsen.

ATHLETIC BOOSTERS

The Boosters would like to thank all who WERE CONCERNED and ARE INVOLVED that attended the meeting on March 24 at the Middle School.

For those of you who for some reason or other were not there, we are referring to the meeting to discuss the possibility of another bingo in the community to support our athletic facilities.

We would like to take this opportunity to thank Morgan Kern for the time he spent discussing such a project with us. He certainly did express all the pros and cons of such an undertaking.

There are still some questions and some doubts about undertaking this project. A committee composed of Helen Kensler, Joyce Sroufe and Mary Krzyzaniak will visit other bingos in nearby communities to see how they function and get some ideas. Their information will be shared with us at the May meeting of the Athletic Boosters.

So once again thanks for attending and don't forget our next regular monthly

Booster meeting to be held on April 6th at 8:00 P.M. in room 116 at the High School.

HONORED ON 70TH BIRTHDAY

On April 1st, April Fools Day, Otto Timmerman was honored on his 70th Birthday with a Surprise Party, given by his daughter, Susan Walton, her husband, David, and his granddaughter, Laura; at their home in Chelsea.

Guests present were Mr. and Mrs. Tom Walton of Manchester, Mrs. K.P. Hodges of Lansing, Mr. and Mrs. Grant Lovelace of Pinckney, Mr. and Mrs. Russell White of Dexter, Mr. and Mrs. Emil Furchak of Northville, Mr. and Mrs. Armin Grossman of Northville, Mr. and Mrs. Norman Lovelace, and Mr. and Mrs. Carroll Lovelace, both from Ann Arbor.

During the party Otto received a surprise phone call from his son David Timmerman and granddaughter Karen from Topsfield, Massachusetts.

The party was a real surprise, and a great success. All guests brought a picture to put in his Gift Photo Album.

Ask COPE

Question: Poor eyesight seems to run on both sides of our family. What are some of the signs of possible vision problems in babies and pre-schoolers? If my husband and I knew what to look for we would feel better.

Answer: During the first six months of a child's life eye muscles may not always work together. After six months of age, however, both eyes should be well co-ordinated and any tendency for one eye to "wander" should disappear. By the age of two, a child should be able to use his eyes effectively and there should be no evidence of any difficulty.

Here are some signs of poor vision in infants:

1. Child is visually very unresponsive.
2. He holds objects very close to see them.
3. He often bumps into large objects.
4. He cannot pick up small objects with accuracy.
5. He constantly favors one eye when looking at an object.
6. One or both eyes turns in or out for noticeable periods of time.
7. Child squints or closes one eye frequently.

In children of all ages, these basic warning signs may point to possible vision problems:

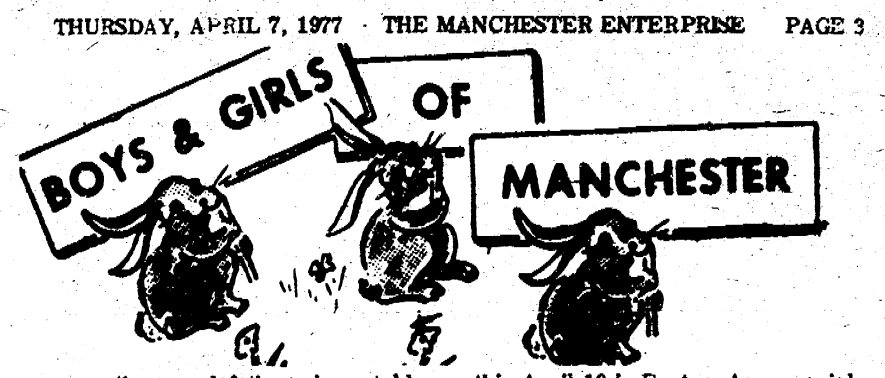

1. Appearance: A child's eyes should ordinarily appear clear and healthy. Watch for eyes; red and swollen eyelids; inflammation; droopy lids; pupils of unequal size; persistent redness and watering; and crossed eyes.
2. Behavior: Watch for closing one eye, squinting, or tilting the head in order to see; failure to learn at the expected achievement level; frequent tripping, stumbling, or poor hand and eye coordination when playing ball or picking up things; holding a book too close to

the face; frequent blinking; rubbing the eyes; and frequently losing the place when reading.

3. Complaints: A young child cannot be relied upon to complain about blurry vision, because he has no standard of clear vision to use as a comparison. Eventually he may realize that he doesn't see as clearly as those around him, but he may be well along in school before this happens. Neither is a very young child likely to complain about the usual symptoms of eyestrain and headache. Nevertheless, as a child gets older he may begin to complain of headache, dizziness, blurred vision seeing double, or itching and burning of the eyes.

If a parent suspects that a child has a problem, he should consult his family doctor or child's pediatrician, first. These individuals may then direct the parent to an ophthalmologist, a physician who specializes in diseases and visual difficulties of the eye, for testing. The Washtenaw County Health Department offers free vision screenings and clinics, also. The Special Education office (475-9131, ext. 48) will be happy to direct parents to appropriate sources for having a child's eyes and vision checked.

(Project COPE is a federally funded program which is being operated during the current school year by Special Education Region V for Chelsea, Manchester, and Whitmore Lake School Districts. Its aim is to inform the community about the special problems and needs of pre-school children. Those who have questions, concerns, or who wish to refer a child for diagnostic services can contact Ellen Eagan, Project COPE Co-ordinator at 475-9131, ext. 50 or Dr. DeYoung at ext. 48.)

As your mothers and fathers have told you, this April 10 is Easter. As a special treat for all my friends, from tiny tots through the third grade, I am having an Easter Egg Hunt on Saturday, April 9 at 1:00 p.m. at Carr Park. I will have prizes for the lucky boys and girls who find the prize eggs, but even if you don't find one of the prize eggs, I'm sure you will have loads of fun and no child will go away empty handed.

So plan to be at CARR PARK, Saturday, April 9, at 1:00 p.m. Rain, or Shine—or Snow!!
Be real good and I'll see you when you are sleeping.

Yams Dressed For Spring

Yam casseroles are delicious at every season of the year. Although we used to think of yams only at Thanksgiving and other winter holiday meals, this versatile vegetable is now making appearances on menus the year round. And people are discovering that yam side dishes are a great flavor companion to ham and other roasted meats.

Now, when you're planning your Easter and other spring holiday dinners, is a good time to try Orange Mallow Yam Bake. This new recipe was developed by the Home Economists in the Kraft Kitchens especially to feature the natural flavors we seem to crave with the advent of spring.

Fresh orange slices contribute a citrus contrast to the canned yams. And toasted miniature marshmallows top off the casserole with just the right amount of sweetness and an attractive finish.

Besides being delicious, Orange Mallow Yam Bake is so easy (it takes only minutes to make it oven-ready), you'll want to fix it often.

Orange Mallow Yam Bake

- 2 17-oz. cans yams, drained
- 2 oranges, peeled, sliced, cut in half
- 1/4 cup brown sugar, packed
- 1 1/4 cups Kraft miniature marshmallows

Arrange yams and orange slices in a 1-1/2 quart shallow baking dish. Sprinkle with brown sugar. Bake at 350°, 20 to 25 minutes. Sprinkle with marshmallows. Broil until lightly browned. 6 to 8 servings.

Team Salmon With Avocado

Combine the gourmet team of delectable canned salmon and buttery-rich avocado for a flavor combination that's hard to beat. Both of these popular foods are in excellent supply at a cost considerably lower than in the past.

A creamy Avocado Dressing, quickly made in a blender, complements this refreshing Salmon Luncheon Salad. The salad is easily assembled by tossing juicy chunks of canned salmon with crisp greens, slices of cucumber and hard-cooked eggs and crunchy croutons.

Besides the superb flavor and convenience of canned salmon, the high nutritive value is another reason for its popularity. It is an excellent source of high quality protein and contributes important vitamins and minerals to the daily diet.

Salmon Luncheon Salad

- 1 can (7-3/4 oz.) salmon, chilled
- 1-1/2 quarts torn, crisp greens
- 1/2 cup sliced cucumber
- 1 hard-cooked egg, sliced
- 1/3 cup croutons
- Avocado Dressing

Drain salmon and break into chunks with a fork. Toss with greens, cucumber, hard-cooked egg and croutons. Serve Avocado Dressing on the side. Makes 4 servings.

Avocado Dressing: Peel and pit 1 ripe avocado. Place in blender with 1 tablespoon lime juice, 2 slices onion, 1/4 teaspoon salt and 1 tablespoon mayonnaise. Blend until smooth. Add 1/2 cup clear French Dressing and blend again.

Village Planning Commission Meeting

March 2, 1977

The regular meeting of the Manchester Village Planning Commission was held at the Village Hall, with members present: Broucek, Leeson, Daniels, Tracy, Krauss, Althouse, and Duncan.

The meeting was called to order at 7:35, by Chairman Broucek.

Minutes of the last meeting were read, and on the motion by Krauss, seconded by Duncan, were unanimously approved.

With regard to possible revisions to the existing "Sign Ordinance", some eight persons were present, and voiced their concerns and views on the subject.

John and Karen Hinkley, Carl Hoeter, and Jim Klosterman, co-partners of "Raisin River Development", have previously requested a variance permit to construct apartments above the store at 227 East Main Street. They have secured an agreement with George and Lois Koda to provide ingress and egress for parking spaces to be used by the apartment tenants. It was moved by Krauss that we recommend to Council that a variance permit be granted for Raisin River Development to establish two second floor single-family dwelling units above the store at 227 East Main Street, with the stipulation that tenant's leases shall prohibit parking on Main Street. The motion was seconded by Althouse, and unanimously passed.

Chairman Broucek read letters from Attorney Roesch, and from the Michigan State Department of Health, relative to requirements for an isolation zone surrounding the East Main Street water well. With reference to a proposal which was tabled at the meeting of January 3, 1977, it was moved by Daniels to recommend to Council a denial of the rezoning of the following described property, pending submission of a site plan which shall include provision for a minimal isolation zone of 200 feet radius surrounding the East Main Street water well. The afore mentioned property, petitioned for rezoning, is located on the south side of East Main Street, Block 37, Lots 1, 2 and 3 of the Original Plat of the Village of Manchester, and all that part of Liberty Street, now closed.

The meeting was declared adjourned at 10:00 p.m.

Laurin F. Leeson, Secretary

by and between Blocks 36 and 37 of the Original Plat of the Village of Manchester, except the south 132 feet thereof. The motion for denial was seconded by Duncan, and unanimously approved.

After reading and discussion of subject communication, it was moved by Krauss that the M.V.P.C. does not recommend adoption of the highway plan and right-of-way requirements proposed by the Inter-County Highway Commission of Southeastern Michigan. Motion for rejection was seconded by Daniels, and unanimously passed.

A bulletin from the Washtenaw County Metropolitan Planning Commission relative to interest in a possible course in Planning and Land Use Control, presented by Washtenaw Community College, was considered. In that the course content is largely concerned with stages of the comprehensive plan which we have already accomplished, and/or which have been adopted by the Village Council, it was decided that the cost would not be justified, and we will not be interested.

"Sign Ordinance": action on possible revisions to this regulation, whether as the existing part of the Zoning Ordinance, or a separate and distinct ordinance, was postponed for study of proposals and detailed investigation of needs.

The meeting was declared adjourned at 10:00 p.m.

Laurin F. Leeson, Secretary

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU
LINTON, MICH.

SHOW AND TELL AT THE SUPER-MARKET

Many of us involved in agriculture keep trying to tell the homemaker that she's getting a bargain when it comes to food. Of course, she really is when we consider that we spend less of our take-home pay in this country for food than anywhere else in the world. Sometimes we need to do more showing than we do telling, and this is what two young farm couples in Illinois did recently.

Customers in the Jewell Supermarket at DeKalb, Illinois, thought some kind of confidence game was underway when the farm couples, Dennis and Debbie Rehn, and their neighbors, Connie and Ed Peterson, stopped them at the checkout counter.

After the introductions, the young farmers offered to pay for all the food items in a lady's cart, if she would pay for the non-food things that she had picked up.

The deal was agreeable, and the purchases were separated. The shopper was surprised to find that about 60 percent of her cart-full was composed of such things as soap, stockings, paper products, and the like.

Dennis and Debbie, Connie and Ed, were illustrating something else that has bothered farmers for years—the fact that from 20 to 50 percent of all supermarket shopping involves non-food items.

"Yet it is all piled into grocery carts, and it's computed in with the grocery bill," they complain, even though much of what is bought has no relation to grocery costs...people get confused, and they talk about the high price of food.

Besides having some fun, the young farm people were helping to create public awareness of actual food costs.

Meanwhile a study of food marketing operations reveals that well over half of the bill for marketing farm foods now

goes to labor. There is evidence that wage increases without comparable improvements in productivity, have been the biggest single factor in increasing the farm-retail price spread.

It's true that food prices have risen considerably over the past 15 years, but the farmers' share of the average retail food dollar remains virtually unchanged.

CHICKEN BROIL NEEDS VOLUNTEERS

Eugene Bentschneider, General Chairman of Manchester's Annual Chicken Broil is soliciting additional volunteer help for this year's broil.

Bentschneider says 500 men and boys from our community have signed up to serve on the various committees. However he states there are still many vacancies to be filled to assure our expected 10,000 visitors on Thursday, July 21, a warm welcome and fast and efficient service.

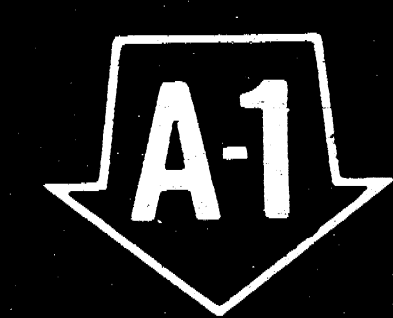

If you are not now committed to give a few hours of your time to this worthwhile community effort, Bentschneider asks that you offer your services by calling Mr. Bentschneider at 428-7477 or dropping in to Irv and Donna's Gamble Store which is headquarters for this year's event. Bentschneider especially invites the many newcomers in our area to join the other volunteers in the fun and satisfaction of being a member of the team that has made this event so successful over the past twenty four years.

COUNCIL PROCEEDINGS

March 21, 1977
 Council met in regular session with the meeting called to order by President Little at 7:00 p.m. Present were Daniels, Duncan, Fitzgerald, Scully, Schaffer, and Zsenyuk; absent Denhoff and Padley. The clerk read the canvass of the March 14, 1977 election which showed Duncan receiving 27 votes, Fitzgerald 28 votes, Scully 26 votes and Schaffer 27 votes. Duncan, Fitzgerald and Scully were elected to two-year terms and Schaffer was elected to a one-year term. All four were then sworn in.

Minutes from the March 7, 1977 regular meeting were read and approved in a motion by Schaffer, supported by Duncan. All years, carried.

Dr. Glenn Miller was present with some questions about the safety of adding fluoridation to the water. Dr. Glen Lehr disagreed with Dr. Miller's information from the National Health Federation and used a pamphlet called Fluoridation Facts published by the American Dental Association to illustrate his points. Council felt that until such time as more substantial evidence exists against adding fluoridation to the water, the Village will continue doing so. Lehr, Miller and Daniels intended to research the matter further.

Council recessed at 8:00 p.m. for a scheduled hearing before the Zoning Board of Appeals, which consists of Village Trustees and three members of the Planning Commission, John Altshouse, Bruce Daniels and Ron Whittington. The Board of Appeals met to consider the request of Raisin River Development for a variance to allow construction of two single-family dwelling units on the second floor of the building located at 227 E. Main, and to allow one off-street parking place per unit rather than the required two places. Doug Parr, a property owner within 300 feet of 227 E. Main, indicated by phone that he was in favor of the variance. Mr. Koda said that access to the parking

spots behind the building at 227 E. Main is available beyond the one year stated in the lease. It will be stated in the renters' leases that on-street parking is not allowed. Moved by Fitzgerald, supported by Duncan to grant the variance to Raisin River Development for the premises located at 227 E. Main with the stipulation that no on-street parking be permitted by the tenants of the apartments. All years, carried.

Council reconvened. Moved by Schaffer, supported by Scully to bring the issue of Hoover Industrial Development District off the table. All years, carried. The issue was discussed with Township Supervisor Fielder regarding the values involved. Fielder also brought up the zoning, which remains Industrial as it was in the township. Council questioned whether if when applying for the district for 12 years on the whole parcel, the use of the land is limited for that period of time.

Description of property annexed to the Village of Manchester.

Beginning at the S 1/4 post of Section 1, town 4 south, range 3 east, Manchester Township, Washtenaw County, Michigan; thence north 01 degree 59' 13" west 621.14 feet along the north and south 1/4 line of said Section 1 to the south right-of-way of the New York Central Railroad; thence 30.48 feet along the arc of a 1811.56 ft. radius circular curve concave southerly through a central angle of 0 degree 57' 50"; the long chord of which bears south 86 degree 54' 55" east 30.48 feet; thence south 47 degree 48' 47" east 492.82 feet; thence south 12 degree 24' 00" east 1390.48 feet; thence south 84 degree 52' 20" west 853.35 feet; thence north 01 degree 06' 45" west 480.00 feet along the north and south quarter line of Section 12, Manchester Township, to the intersection of the centerline of Sooten Road and the north and south quarter line of Section

12; thence north 23 degree 05' 30" west 582.24 feet along the centerline of Sooten Road; thence north 85 degree 21' 55" east 253.76 feet along the north line of Section 12 to the point of beginning, being part of the southeast quarter of Section 1 and the northeast quarter and the north-west quarter of Section 12, town four south, range three east, Village and Township of Manchester, County of Washtenaw and State of Michigan. Also, a parcel of land situate on the south west quarter of the southeast quarter of said section number one, town four south, range three east, Manchester Township, Washtenaw County, Michigan, bounded on the west by the north and south quarter line, on the north and south quarter line, on the south by the New York Central Railroad right-of-way, and on the north and east by the highway.

WHEREAS, Unikoy Division of Hoover Ball and Bearing Company has requested that its land which was annexed to the Village of Manchester by resolution of the Washtenaw County Board of Commissioners on January 19, 1977, be established as an industrial development district pursuant to the provisions of Act No. 198 of P.A. 1974, as amended; and

WHEREAS the Village of Manchester levies ad valorem taxes at a rate which, when taken together with the rates of ad valorem taxes levied by all other taxing authorities which levy taxes within the Village of Manchester, exceeds \$30.00 for each \$1,000.00 of state equalized valuation; and

WHEREAS, a public hearing on the establishment of said proposed industrial development district was held on February 21, 1977, after notice thereon as provided by law; and

WHEREAS, the Manchester Village Council deems it to be in the best interest of the Village of Manchester that such an industrial development district be established;

NOW, THEREFORE, BE IT RESOLVED, that the land described in Exhibit A, attached hereto and made a part hereof, be and hereby is established as an industrial development district in the Village of Manchester and is hereby named the "Hoover Industrial Development District".

Moved by Fitzgerald, supported by Scully that the foregoing resolution be adopted. All years, carried.

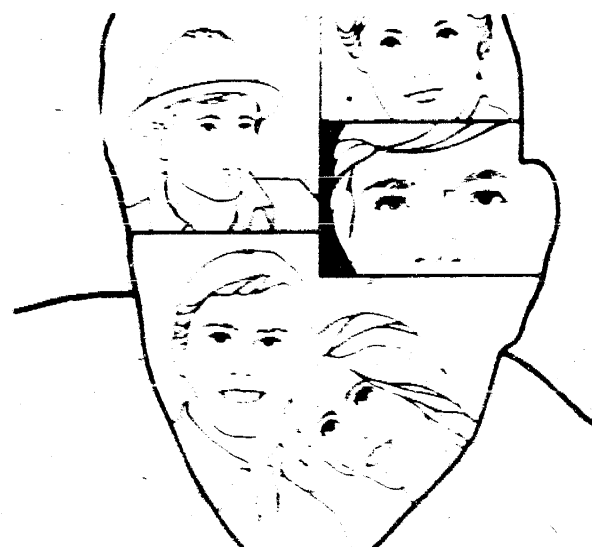

Moved by Scully, supported by Duncan to approve the proposed Street program with the addition of Torrey Street. All years, carried.

Moved by Fitzgerald, supported by Scully to pay the lease arrangement with Wayne R. Trois for two years. All years, carried.

Daniels proposed leaving parking restrictions up year round to facilitate street sweeping. Zsenyuk and Daniels will get further information on an alternative parking restriction to facilitate the cleaning.

Little described a program for area Senior Citizens which is being implemented at Emanuel Church. The group was going after Federal Funding for the meal program, but have found the requirements too costly under that funding. Instead service groups within the community have been approached. Moved by Duncan, supported by Fitzgerald to contribute \$50.00 toward the funding of a meal program

ACHERS ATTEND CONFERENCE

On March 31, the in-service day, the Manchester Middle School teachers and administrator attended the 1977 MAMSE Conference in Mount Clemens. The conference was held March 30, 31, and April 1. The theme for 1977 was Middle

Schools-The Basics Plus.

The opening address was given by Dr. John Porter, Superintendent of Public Instruction. He stated, "that we as teachers and administrators must work to turn out a well rounded strong self-concepted youngster but we must build criteria. Youngsters gain knowledge by the intentional learning of school and incidental learning of society." He also stated that, "schools must meet the needs of all special students, integrate working and learning together, prepare students for the age of majority, offer sex education, and provide for both the mental and physical growth of students." Following the opening address, teachers left for their assigned school. Three middle schools were during the day for seminars and exhibits. Each cafeteria provided exhibits: textbooks, programs, slides, crafts by students, swap ideas table, and coffee. We attended Middle School North which had 15 exhibit stations. During the afternoon thirty five different seminars were offered. Each seminar lasted one hour so each teacher could choose three to attend. It was certainly difficult to choose because there were so many really fascinating well worthwhile topics. Teachers tried to choose those topics which could provide aid in their subject areas such as: (5 of 35 offered) Science Objectives, Team-teaching in the Language Arts, Class

Faced Approach to Personalized Learning (math), Media/Literacy Skills, Don't Give Up on Print (social studies). Seminars continued on Friday. Late in the afternoon we left the conference quite convinced that it had been time, effort, and money well spent and that we definitely hope that we repeat this educational experience next year when the Middle School Conference is held at Lowell in the spring.

COMMUNITY EDUCATION

The monthly Community Education program will present an outstanding slide presentation on "Alaska" by Associate Professor Myrna Berlet from Jackson Community College. It will show glaciers, fishing and wildlife such as dall sheep, moose and grizzly bears to mention a few species. Mrs. Berlet has shown this program to community groups in Michigan and Ohio and has received excellent ratings on its content. The program will be shown in the Manchester High School library on Wednesday, April 20 at 8:00 p.m. As always, the program is open and free to anyone who would like to attend.

The Washtenaw County Sheriff's Department will teach the Pleasure Boating Course to students in Manchester between the ages of 12 to 16 as provided for by the Marine Safety Act. The goal is to promote boating safety, and enable students to obtain the certification required by law for operation of certain motorboats. The class will be held at the Middle School on Tuesday, April 19 and Wednesday, April 20 from 2:30 thru 5:30 P.M. each day.

Menu for Senior Meals on Tuesday, April 12: Beef Stew & Biscuits, Peas & Onions, Cottage Cheese & Peach, Bread & Butter, Dessert, Coffee, Tea, Milk. Menu for Thursday, April 14: Scalloped Potatoes & Ham, Harvard Beets, Fruit, Bread & Butter, Dessert, Coffee, Tea, Milk.

There will be a speaker following the Thursday meal, April 14. Dr. Robert Plummer, professor of Political Science at Washtenaw Community College, will talk about wise consumer buying and exploiting of consumers, especially senior citizens, in matters of house repairs and legal services. There will be plenty of time for questions and discussion of specific problems having to do with this matter.

The Senior Citizens Council will meet Wednesday morning, April 13, at 9:30 at the Emanuel Church of Christ.

From "Carousel", Shelah Buck as Julie and Doug Arnold as Bill.

BETWEEN SPORTS

By Jon Hardenbergh

Right now is sort of the quiet before the storm as basketballers switch to baseballs. I wasn't really lacking anything to do but when I was asked to shoot pictures of the Saline All-School Production of "Carousel" I said of course. Deep inside

me I'm a avid play goer and I miss the plays at our school-so I had several motivations.

I was present both Tuesday and Wednesday for the dress rehearsals where everything went reasonably well and all little bugs got ironed out. I find it terribly hard taking pictures plus trying to see what's going on-you tend to watch through

the lens of the camera and believe me, you miss alot. Serious play watchers know that what happens away from the action seems to make or break the show.

On with the show--On Thursday, I was treated to a rare and beautiful performance. Seldom can you get high schoolers to not only speak, sing and dance well but when they actually become the part its that special ingredient. Just to name a few of the cast who did outstanding jobs were Carrie, Julie, Billy, Enoch Snow, Hannah, Louise and the show stopper--the Heavenly Friend. Other important members of the cast include some 25 more which aided in making the play a success.

Putting it all together were the artistic and vocal director, assistant artistic director, orchestral director, orchestra, technical director, choreographer, choreographer consultant, costumer, lighting director, stage manager and the producer. To the most important--Richard Rogers and Oscar Hammerstein II who wrote the book, music and lyrics.

intently to see how the mile relay meet's final event finished. In the end, Manchester's 28 held up, and the justly Dutchmen rode home with the team championship trophy.

Also running for Manchester on Friday but failing to place in the strong field of about 60 schools (mostly class B) were Dave Hoover in the 60 yard dash who ran a groggy :07.3 and the distance medley team (1/2 mile, 1/4, 3/4, and mile) of Eversole, Sauter, Terry Brown, and Dan Heslip, who finished with a school record of 11:45.0. Congratulations are definitely in order for Coach Steel, Coach Brink and the entire squad.

finals of both the 70 yard high hurdles and 70 yard lows. Later in the evening, as the finals began, Dan Clark competed in the shotput. One of his puts landed 52' 2" from where he let go. This excellent effort ranked Dan third among the meet's big men and gave the Dutch a very valuable six points. Meanwhile, Pete was setting a school record while finishing as the runner-up in the highs as he ran a blistering .08.4. Just a little while later, the tireless sprinter again won a second place medal as he ran a school record of .08.2 in the lows. His 14 points gave the Dutch 28 points, a seemingly insurmountable lead with still the shuttle burdle relay to come. The same team which was 7th at Huron again qualified for the finals as they broke the tape in their preliminary heat in :30.1.

In the finals, the quartet sizzled to a :29.9, a school record which the team thought was good enough for third (second as it turned out as Dearborn Heights' Rootshand was disqualified) but much to its dismay found it was disqualified because one of the runners started too early. The Dutch's emotion sunk to new lows as they thought the championship was now out of their grasp. They watched

CARD OF THANKS

I wish to thank my friends, relatives, neighbors, Rev. Wise, Women's Fellowship, Guild, Shakespeare Club, Iron Creek Farm Bureau, and Senior Citizens, for the cards, gifts, and flowers sent me while in the hospital and at home and your many kindnesses and concern over me.

Many thanks again.

Mrs. Otto Kulenkamp

I would like to thank the Manchester P.D. for helping me with my traffic problem.

Mrs. B.

We wish to thank all our friends and neighbors for the cards and well wishes while I was in the hospital.

James Tindall

I wish to thank all my friends, neighbors and relatives for the cards, letters, plants and food brought me during my recent illness. A special thank you to my family for their kindness and help. I also wish to thank the River Raisin Farm Bureau, St. Mary's Altar Society and the Rowles Corners Study Group.

TAXPAYERS CAN FILE FOR TAX DEADLINE EXTENSION

Taxpayers can receive an automatic two-month extension of their tax return filing deadline by filing a Form 4868, Internal Revenue Service said. Form 4868, "Application for Automatic Extension of Time to File U.S. Individual Income Tax Return," is available at local S offices or can be obtained by filling the handy order blank for free forms and publications found in the tax package. For requesting the extension, a taxpayer must make two copies of Form 4868, file the original with the IRS on or before the due date of the tax return. In this original, the taxpayer must estimate his or her tax bill for the year and enclose full payment for the tax liability. When the taxpayer later files the actual

tax return, the duplicate of Form 4868 must be attached and the amount of tax previously paid entered on the appropriate line of Form 1040. Taxpayers receiving an extension cannot use the Short Form 1040A or have the IRS compute their tax bill, the IRS said.

If a taxpayer underestimated the tax bill on the Form 4868, he or she may pay interest on the unpaid amount. In addition, if the unpaid amount is over 10 percent of the total tax bill, the IRS will levy additional penalties on the taxpayers.

U.S. citizens outside the U.S. or Puerto Rico on the date of their tax deadlines can receive an automatic two-month extension of the filing deadline without filing Form 4868, the IRS said. This provision applies to both taxpayers whose deadline is April 15 and taxpayers who file returns on a fiscal year basis. Taxpayers who qualify

for this extension must attach a statement to their tax return when they file, stating that they were outside the U.S. or Puerto Rico on the date of their filing deadline.

Deadline extensions past the two-month extension date are granted only under unusual circumstances, according to the IRS. Taxpayers can apply for a further extension by letter or by filling out Form 2688, "Application for Extension of Time to File U.S. Individual Income Tax Return." The applicant must include the reasons why the additional extension is necessary, the IRS said.

Requests for an additional extension should be filed early so that the taxpayers will be able to file the return on time should the request for extension be rejected. If this request is denied, the taxpayer must file by the automatic extension due date or within ten days after the date the IRS denied the request.

Michigan Department of Agriculture
Easter dinner has never been a real problem at our house. It's almost always over. Our problem arises after dinner. With only two of us, what do we do with all the leftovers?

Well, James Beard says that some of our best recipes for ham were inspired by leftovers.

Beard offers a recipe for ham leftovers I'm going to use this year. It is called ham toasts and is said to come from a small cookbook written by one of the original chefs at Delmonico's in New York.

Spread 8 slices of toasted bread with butter and then with English mustard. Mix 1 1/2 cups of chopped cooked ham with 1 finely chopped shallot, 1/4 teaspoon Tabasco sauce or cayenne pepper and 1 cup grated Cheddar cheese. Spread this on the bread and place it under a broiler

until the cheese melts. Serve at once.
Another recipe for ham leftovers is ham rolls with asparagus tips. Roll fresh asparagus tips in thin slices of ham about 4 by 6 inches in size. Place the rolls, seam side down, in a baking dish. Spoon over this 2 1/2 cups of a mild cheese sauce and sprinkle with a little grated Cheddar cheese. Bake at 375 degrees for 15 or 20 minutes or until the dish is bubbling hot.

"Is pork an important Michigan product?" you ask. About 225 million pounds of pork went to market from Michigan farms, according to the 1976 figures. This was valued at \$91 million and Michigan ranked 17th in the country in pork production. If you want to see the larger pork producing areas, you'll have to travel to the southern tier of counties: Branch, Cass, Lenawee and St. Joseph.

Now, if you have any leftover recipes for ham, just send them to me. Sorry, I meant recipes for leftover ham.

LT. GOVERNOR DAMMAN TO ADDRESS F.F.A.

The Manchester Community Schools Board of Education announced today that Lieutenant Governor James J. Damman will deliver the keynote address at the Future Farmers of America's annual honors banquet to be held on Monday evening, April 25, 1977, beginning at 6:30 p.m. in St. Mary's Church hall in Manchester.

The Lieutenant Governor will be hosted by members of the Board of Education and Mr. Michael Fisk, President of the Manchester FFA Chapter. Mr. Fisk is the son of Arlene and Clinton Fisk and will graduate from Manchester High School in June.

The honors banquet will honor outstanding achievers in the FFA and also the parents of the FFA members. The dinner will be by invitation only and will include members of the FFA, their parents, and special guests. An Italian dinner will be featured.

Lieutenant Governor Damman is a native of Grosse Pointe Park and resides in Lansing. He and his wife Peg are the parents of three daughters and three sons. As Lieutenant Governor, he services the State of Michigan as President of the Michigan Senate and is a member of many state-wide committees, including the Food Policy Committee of the National

Conference of Lieutenant Governors. If time permits, Mr. Damman will meet with the Board of Education to discuss briefly the future of educational needs and share common concerns, ideas, and recommendations.

Jaycees Easter Egg Hunt Winners

On April 9th, the Annual Jaycees Easter Egg Hunt took place at Carr Park. Winners were: pre-school-Mark Mann,

Steven Alber, Lillian Weinhardt, Kindergarten-Erik Lawson, Heidi Steele, 1st: Charlotte Walkow, Ron Brady, 2nd: John Cousino, 3rd: Jody Brokaw, Theresa Rose.

The Jaycees would like to thank the area Cub Scouts and Brownies, who, with their parents and leaders donated so many hours of their time coloring eggs for all the community children to enjoy. Special thanks go to the older cadettes, Julie Honer, Linda Rose, Tammy Swartout, Jayne Walkow, Laura Honer, Susan Sauch, Chris and Jenny Chapin as well as the Manchester Police Department.

The Easter Bunny expressed gratitude to the three ladies who donated approximately 16 dozen colored eggs and wished to remain anonymous.
