Three Sweeps Place Dutch Track Win

The Dutchmen swept three events last Tuesday which led them to a 122-36 conquering of Whitmore Lake at the Trojans home track. Pete Tassie, who led the Dutch with 20 points, paved the way in the high jump as he cleared 5'4". Pete is capable of a six foot jump but needed only 5'4" to win the event. Terry Rowe was second with a personal best at 5'2". Dan Hassett also cleared 5'2" but was third because he had more misses at lower heights. Tom Little rounded out the sweep with a fourth place jump of 5'0".

The Manchester squad finished the two mile run 1-2-3-4 as Keith Moore took the event in his best ever 10:32.9. Dan Heslip was second in 11:02. Fastly improving Terry Brown was third in 11:05 and Eddie Achtenberg posted a fourth place finish in 13:09.5.

The final sweep was in the 440 yard dash. Sophomore speedster Steve Eversole sizzled to a 55.3 to win the event while second, third, and fourth went to Kurt Sauter, 58.2, Bob Padley, 58.8, and Ken Achtenberg, 61.5, a personal best.

Other winners included Dan Clark with a shot put of 50' 1 1/2", Greg Daniels with a toss in the discus of 121'8", Pete Tassie in the 330 low hurdles, 43.5, 120 high hurdles, 16.5, and 220 yard dash, 24.4, Terry Rowe with a leap of 19' 6 5/8" in the long jump, Terry Brown with a personal best of 10' 6" in the pole vault, Steve Eversole with his best ever and a sophomore class record in the 880 yard run with a 2:04.3 clocking, and Bob Smith with a 4:52.3 mile.

The Dutch 440 and mile relay teams were also victorious. In the 440, Terry Rowe led off with a conservative 12.8, Dave Hoover burned the second leg in 11.8, Henry Jomard ran a 12.7 third leg, and Tom Fitzgerald brought home the baton in a very quick 12.0 for a 49.2 clocking.

In the mile relay, Kurt Sauter led off with a 60.6, Bob Padley ran a 57.8, Tom Tassie a 57.2 and Greg Daniels cruised in with a 55.8 for a 3:51.4 total.

On Friday and Saturday, the four mile relay team of Steve Eversole, Keith Moore, Bob Smith, and Dan Heslip, the shuttle hurdle relay team of Mike Forner, Dan Hassett, Tom Little, and Pete Tassie, and shot putter, discus specialist Dan Clark made the trip down to the biggest and most prestigious high school track meet in the country, The Mansfield Relays in Mansfield, Ohio. There, running against the best in track and field from five other states and Canada, the four mile relay

FOUR FILE PETITIONS FOR BOARD VACANCY
The Board of Education Office announced today that four local residents have filed nominating petitions for a four year term on the Manchester Community Schools Board of Education. The four persons are: Mrs. Patricia Settles, 118 West Duncan Street, Mr. James "Doug" Detling, 6051 Lima Center Road; Glenn N. Miller, 518 West Main Street and Mrs. Corliss Mick, 14195 Logan Road.
The election will fill the vacancy created by Louis D. Vogel's decision to not run for re-election after eight years on the Board of Education. The election will be held on Monday, June 15, 1977.

ARE YOU READY FOR THE SUPERWALK?

Do you have your walking shoes all broke in? Are your muscles all toned up? How about your get-up-and-go, and your determination? Are your sponsor sheets filled? Do you have your supply of band-aids and Ben-Gay? If all of these things are A-OK, then it's GO for Saturday's SuperWalk!

Meet you at the High School, where you may start checking in at 9 A.M. Get your walkcard and identification, any last reminder, and be raring to go by 10 A.M. We would like to remind you here, that safety is most important while you are walking. Keep any horseplay for the end of the walk. Be alert for traffic all through the walk; STAY WITH A GROUP, but don't block the road. Remember, when you are walking on a road, you walk so you are facing on coming traffic, and you wear bright, visible clothing. Your crazy identification will help make you visible. DO NOT get into any car, except a "Poop-out Pick-up Car", which will be clearly marked with March of Dimes posters. And this is a MUST for all our peace of minds-DO CHECK IN at the High School, BEFORE going home, so we will know everyone is accounted for.

Don Clark was also disappointed as he fouled all three times in the shot put and the discus. Next week: Greenhills/South Lyon and HUDSON! Remaining Placers Against Whitmore Lake:
Shot put: Greg Daniels, 2nd, 46'1", Bill Hagerman, 4th, 29' 6 1/4".
Discus: Dan Clark, 2nd, 117' 9", Lester Janish, 4th, 87'5".
Long Jump: Tom Tassie, 3rd, 17' 8 3/4".
Pole Vault: Bob Smith, 2nd, 10'0", Tom Fitzgerald, 3rd, 9'0".
330 Lows: Dan Hassett, 2nd, 45.4, Tom Little, 3rd, 45.9.
100 Yard Dash: Dave Hoover, 2nd, 11.2, Tom Fitzgerald, 3rd, 11.4, Terry Rowe, 4th, 11.5.
1 Mile: Keith Moore, 3rd, 5:01.0, Dan Heslip, 4th, 5:05.1.
220: Dan Hassett, 4th, 26.6.
120 High: Dan Hassett, 2nd, 18.0, Tom Little, 3rd, 18.05.
880: Kurt Sauter, 3rd, 2:14.6, Tom Tassie, 4th, 2:15.6.

Mrs. Louis Vogel Elected First President Michigan Council of Churches
With only two dissenting votes the Michigan Council of Churches reaffirmed its opposition to any attempt to establish the death penalty in Michigan. The action was taken at the GENERAL ASSEMBLY of the Council meeting in Lansing on March 22. The statement was jointly prepared by the Council and the Michigan Catholic Conference first in 1974 and has been reaffirmed in 1975 and 1977.

In other action the GENERAL ASSEMBLY elected the first woman as President of the statewide body representing sixteen denominations and 25 judicatories, Elvira (Mrs. Louis) Vogel of Manchester will serve as the senior elected officer for a two year term. Active in her own denomination, the United Church of Christ, at local, state and national levels, Ms. Vogel has also served the ecumenical body as one of its vice presidents for the past two years. Other officers elected were the Rev. James A. Lewis of Detroit, Progressive Baptist; Rev. Royal Symwolt of Detroit, Assistant to the Bishop, Michigan Region of United Methodist Church; Stuart Nisbet of the Lake Huron Presbytery of the United Presbyterian, USA, of Flint; the Rev. John Tomlinson of Kalamazoo, Regional Executive for the Church of the Brethren, Treasurer and Leonard Noehel of Bedford, of the Michigan Synod, LCA, Chmn. Finance & Budget Committee.

The Council voted unanimously to amend its constitution to make the organization more flexible and referred the action to the denominations for their enabling support and action.

In addition the ASSEMBLY heard reports from seven of the 13 coalitions with which it seeks to be in service to churches, communities and persons throughout the state. A Budget of \$5,795.00 was adopted for 1977.

WORDS AND MUSIC THURSDAY, MAY 5
The members of the Community Education theater group are moving right along with their production of WORDS AND MUSIC, which is a review of songs and memorable scenes from several popular musicals.

Hop aboard CAROUSEL with Cheryl Whittington, Maureen Zsenyuk, Judy Luckhardt, Jayne Bose, Terri Scully, Karla Tauriainen, Margaret Sokolowski, Ann Zsenyuk, Kris Kuntz, Jim Duncan, and Lester Janish, for a twirl with some old favorites, like "Mr. Snow," "What's the Use of Wondering?" and "You'll Never Walk Alone."

Or return to the days of CAMELOT with Garry Joseph, Tony Day, and Herb Mahony in the finale from that unforgettable show.

And relax while the full cast treats you to their rendition of "Rhythm of Life" from SWEET CHARITY.
Remember the dates: May 5, 6, and 7. Treat yourself to an evening of relaxation and nostalgia, while you encourage the young people of the community in this ambitious endeavor.

OPTIMIST BIKE SAFETY CLINIC APRIL 30

The Manchester Optimist Club will conduct its annual Bike Safety Clinic on Saturday, April 30, 1977 from 10:00 until noon. The clinic will be located in the Emanuel United Church of Christ parking lot. A Scotchlite safety emblem will be given to all who participate in this program.

Manchester Chief of Police, William Zsenyuk, has agreed to support this Optimist Program by registering owners and bike serial numbers. The Manchester Law Enforcement Explorers will assist by issuing drivers licenses and safety checking bikes. The registration program is voluntary and is free of charge.

Bike Safety Week is a program of Optimist International. Ted Stautz is the local club president.

Library News

April 1 was the beginning of the new fiscal year for the library. As we review the year that has just past some statistics are worthy of note. The total circulation was over 20,000 with 1700 card holders and we borrowed almost 600 books in the library interloan system. Sounds like a pretty busy place, doesn't it? Have you been to the library lately?

This time of year stimulates interest in gardening, landscaping, house plans, "how to" books on building birdhouses and planters. Books on fishing, gliding, sailing and horseback riding are asked for frequently. Pet books are requested; two favorite volumes are "How to Care for Wild Animals and Birds" and "Wild Orphan Babies."

The pre-schoolers story hour with Becky Doyle is still being held on Tuesdays at 1:30 P.M.

The Historical Room is now open Monday evenings with Barbara Korth in charge. Come in and inspect the fine collection of Manchester memorabilia.

LETTERS TO THE EDITOR

Dear Editor:

I have proposed to the Village Council the withdrawal of the procedure of fluoridating the public water system. The following factual statements were obtained by myself to administer to the Village Council and the people of Manchester. I personally feel these statements warrant the utmost consideration of the Village Council and the people of Manchester. DID YOU KNOW?

That 140,000,000 people in the world drinking artificially fluoridated water, about 100,000,000 live in the United States and the U.S. has one of the highest tooth-decay rates in the world.

That most of the advanced Western European countries have rejected water fluoridation and some, like Sweden, who have tried it, have thrown it out and outlawed it.

That Baltimore, which has been fluoridated since 1952, has one of the highest tooth-decay rates in the country.

That Holland earlier this year rejected fluoridation on evidence that a minimum of 15,000 excess human cancer deaths per year in the U.S. may now be attributed to imposed water fluoridation (the National Cancer Institute attempted to

cover up the fluoridation-cancer link and is now under Congressional investigation for doing so).

That over 200 children were poisoned with fluoride in a North Carolina school in April of 1974 due to malfunctioning fluoridation equipment.

That people on poor diets and in poor health are more susceptible to fluoride poisoning. Poorly nourished people consuming water with as little as 1/2 ppm fluoride have exhibited dental fluorosis, mottling, or dental fluorosis. In one of the earlier signs of fluoride poisoning, in mild cases, it appears as a chalky-white area on the tooth. In more advanced cases, teeth become yellow, brown, or black and the tips break off.

That the 1976 Physicians' Desk Reference warns "In hypersensitive individuals, fluorides (at one part per million) occasionally cause skin eruptions... Gastric distress, headache, and weakness have also been reported. These hypersensitive reactions usually disappear promptly after discontinuation of the fluoride.

That people with kidney disease, diabetes, hypoglycemia, and hyperthyroidism will be most adversely affected by fluoridation. That people on kidney machines can be fatally poisoned with fluoridated water.

That fluoride is a serious pollutant and that Russian studies suggest that in polluted areas, water fluoride concentrations should not exceed 1/2 ppm.

That 25,000 or more excess cancer deaths occur annually in the U.S. in areas subjected to imposed water fluoridation - a death every 20 minutes, according to Dr. Dean Burk, recently retired head of the cytochemistry section of the U.S. National Cancer Institute and Dr. John Yamouyannis, Science Director of the National Health Federation (see Congressional Record of July 21, 1975, H7172-H7176).

That the Seattle Water Department after originally guaranteeing that fluoridation would have no adverse effects on plumbing, now admits that fluoridation has been the major cause of extensive plumbing damage in Seattle.

That other so-called "reputable" organizations have, in the past, also assured us that fluoridation is safe and now we are finding that these assurances are likewise without basis.

THEN WHO CAN I TURN TO?
On any issue where experts are divided one should turn to common sense. It is

not common sense to put a questionable substance like fluoride into life-sustaining water.

Not being an expert on fluoride, do I have the right to vote to put fluoride into the water of people who do not want it?

No! Common decency would dictate that in a democracy no one has the right to impose their will to the extent that it infringes upon the rights of others. This is as true for the fluoridation issue as it is for religious or political beliefs.

Your personal opinion would kindly be appreciated by writing to this paper or Village Council.

Respectfully yours,
Dr. Glenn N. Miller

Superintendent of Schools

In another related article in this week's Manchester Enterprise, you will note that four of your fellow citizens have filed their nominating petitions for a 4 year term on your Board of Education to fill the vacancy created by the end of Mr. Louis D. Vogel's term. As you know, Mr. Vogel served you on the Board of Education for eight years.

As a member of the Manchester Board of Education, persons serving on the Board perform many responsible functions. They ARE your spokesmen for the policies, budgeting, and accountability of

the largest private corporation in your community. They are responsible for a budget of almost \$2,000,000 per year, plus the custodians of all your educational properties, equipment, and materials.

Board Members spend countless numbers of hours working on policies that will direct the district in those areas of priority to the taxpayer. They must attempt to incorporate all desires into policies and at the same time keep uppermost in their minds the welfare of children.

Much pressure is brought to bear on Board members and it is indeed difficult for them to make decisions that will broaden the base of understanding of education, its newest trends, and directions, for you their employers.

For all this, they are paid \$1.00 per year. There is little status to the title... only true dedication and commitment to the educational process and community service.

Each of them, in their own inimitable way, are worthy of your respect and gratitude for the efforts they put forth in their work for you.

With this in mind, we look forward to

the discourse and interest shown thus far by the candidates for the June election. We wish them well.
Thank you.

ask COPE

Question: My sister recently gave birth to a baby girl who is practically blind. She and her husband are still very upset and don't know where to go for help. They have no idea how they will raise this child or what they should be doing. Can you help?

Answer: First of all, your sister and her husband will want to keep their baby under the care of a good ophthalmologist (medical doctor specializing in treatment and diseases of the eyes) so that he can keep observing the baby's condition and give the child the benefits of new methods or treatments if some should arise. Public health nurses at the Washtenaw County Health Department can make home visits and can give you more information about vision problems and about the child's health and development. The nurses also have contact with many agencies and professional staff who may be able to help.

Next to securing good medical care for the child comes early attention to his learning environments. Parents can call their local school system and ask to speak with the Director of Special Education so that they can express their concerns and make a referral for services. Parents may also call the Washtenaw Intermediate School District Office at 769-6522 and speak with Ms. Margaret Marquez, program supervisor of the physically handicapped, about receiving services.

Both the Intermediate School District and the local school district personnel will work together with parents to help provide programs and support. For children 0-3 years of age an educational consultant, skilled in problems of the blind and partially-sighted, can come to the home regularly to offer parents help in getting their child to develop as normally and fully as possible. For 4 and 5 year olds, there are nursery school-like classroom settings which can help a child grow further. When a child begins school, there continue to be educational aids and services offered.

It is most important that a handicapped child receive the right attention early. The schools stand ready to help any child with special needs from birth through 26.

(Project COPE is a federally funded program which is being operated during the current school year by Special Education Region V for Chelsea, Manchester, and Whitmore Lake School Districts. Its aim is to inform the community about the special problems and needs of preschool children. Those who have questions, concerns, or who wish to refer a child for diagnostic services can contact Ellen Eagan, Project COPE Co-ordinator at 475-9131, ext. 50 or Dr. DeYoung at ext. 48.)

School Board Minutes

March 14, 1977
 The regular Board of Education meeting was held in the Study Auditorium on Monday, March 14, 1977, with President Wm. Bunney calling the meeting to order at 8:05 P.M.
 Maxine Frey took roll call with all members being present.
 Helen Kensler read the minutes of the previous meeting. Moved by George Macomber supported by Louis Vogel to approve the minutes. All yeas. Motion carried.
 Maxine Frey gave the financial report. There is a balance of \$2,064.63 in the checking account and \$269,000.00 in Savings Deposit Receipts, making a total of \$271,064.63.
 President Bunney said he hoped to have a final financial report ready to hand out by the next meeting.
 Phillip Mains, Director of Community Education gave a report regarding the participation in the winter program and what courses would be offered this summer for children and adults.
 Supt. Green asked for the Board's approval of the hiring of Mr. Greg Feight to teach Industrial Education and Mr. Bon Jansen to teach Agriculture for the remainder of the 1976-77 school year. Moved by Susan Westfall supported by Reno Feldkamp, all yeas. Motion carried.
 A resolution was passed to utilize the labor relations division of the Michigan

Association of School Boards as the negotiator for the 1977-78 teacher contract as moved by George Macomber and supported by Helen Kensler.
 Mr. Ted Stautz requested the Board's approval on behalf of the Athletic Boosters to use the athletic field facilities for the summer softball program. The question was brought up as to who pays for the lights. Boosters or from the General Fund Budget? It was asked whether the Softball program was independent or if it received funds from other sources. Ted Stautz stated the Softball program was completely independent. Helen Kensler said she thought the lights should be paid for from the General Fund because there is no capital outlay etc. on the field and the Boosters do so much for school athletics. Moved by Jim Walkowe and supported by George Macomber to approve the request, all yeas. Motion carried.
 Ted Stautz along with Clyde Wellwood requested the Board's support and approval for them to continue construction on the track and new football field located on Ann Arbor Street. The construction would be done according to the original plans from Kingscott Associates. A lengthy discussion followed involving several areas of concern. Mr. Stautz stated that the Boosters Club would not ask the District for any funds. Their main objectives for the present time were as follows:
 1. Establish drainage inside track area.
 2. Grade football field and seed.
 3. Grade track and add running surface.
 4. Finish grade of remaining area & add

4' chain link fence.
 The total jurisdiction of this area would belong to the Board of Education as does all school property.
 Ted Stautz asked for permission to solicit pledges in the name of the Athletic Boosters for materials and labor not handled by volunteers.
 Moved by Reno Feldkamp supported by Susan Westfall to approve the Athletic Boosters requests. All yeas. Motion Carried.
 President Bunney instructed the Board members who are on the Athletic Committee to report to the Board all activities involving this project.
 Mr. Wellwood stated he thought the Board of Education should set-up a Capital Improvements program regarding athletic facilities, even if they couldn't do anything at the present time due to the economic factors. But at least, take a long range look at it for the future when funds might be available.
 It was also stated any funds or pledges collected by the Athletic Boosters for the areas previously mentioned would be kept in a separate account and used only for those projects or further completion of them.
 Supt. Green asked for the Board's approval of the following teachers for continuing tenure for the 1977-78 school

year, based upon the recommendation of Mr. Chester Koceski-Maynard Blossom, Stephen Chapman, Susan Davis, James Fielder, Steve Halchishak, Mae Hardenbergh, Leonard Hastings, Phyllis Heinrich, John Korican, Astrida Panches, Phillip Montgomery, Charmaine Stangl, Lawrence Steeb, William Thompson, Elsie Swanberg, Barbara Wise.
 Supt. Green further recommended the placement of continuing tenure in a teaching position Chester Koceski.
 Moved by Reno Feldkamp and supported by Susan Westfall to approve the recommendations. All yeas. Motion carried.
 Supt. Green asked for the Board's approval for the continued employment of Barbara Lund as Social Worker for the 1977-78 school year.
 Moved by Louis Vogel supported by Jim Walkowe, all yeas. Motion carried.
 Based upon the recommendation of Mr. Brian Schick, Supt. Green asked for Board approval for continuing tenure of the following teachers for 1977-78: Joan Bogard, Roger Boyce, Nondus Buss, Dacia Daniels, Mary Ann Detling, Phyllis Hamilton, Sarah Hanfl, Betty Hess, Celestia Ingraham, Marian Kime, Virginia Kirk, Rebecca Mann, Douglas McLeod, Janie Pitt, Loretta Runyon, William Symons, Theodore Tapping, Jr., Roger Merrilat.

SOFTBALL SEASON BEGINS
 The 1977 softball season got under way April 13 as they handily defeated Grass Lake 28-1. Kay DeClaire gave strong support from the mound as she only allowed 2 hits. Defense was very strong for the Dutch as they played an almost flawless game. Kim Dulle snagged a ball that appeared to be a safe hit up the middle and converted it into a double play. Denise Galinis maintained balance on the offensive standpoint, as she batted a .633 game and collected a solid triple. Receiving game high honors is Michelle Kempf who connected for a grand slam which sent the ball out of the park.

ALL-LEAGUE AWARDS PRESENTED TO VOLLEYBALL SQUAD.
 L.C.A.A. All-League Volleyball Awards were presented to Kim Dulle and Alisa Clark for outstanding achievement during the 1977 volleyball season. Members of the L.C.A.A. All-League Squad are selected by the prospective coaches in consideration of the players all-round playing ability.
 Junior co-captain Kim Dulle was placed on the L.C.A.A. 1st team as well as receiving honorable mention to the all-state team selection. Kim is the daughter of Mr. and Mrs. B.E. Dulle, Neal Road, Manchester.
 Sophomore Alisa Clark was selected on the 2nd team all-league as well as receiving recognition on the all-state team. Alisa is the daughter of Mr. and Mrs. Allen Clark, Granger Street, Manchester.

Board approval was asked for by Supt. Green upon the recommendation of Mr. Donald Tassie for continuing tenure of the following teachers: Bart Bartels, Mary Blossom, Susan Ediger, Diane Friese, Betty Gregerson, Theodora Groeb, Mary Koebbe, Mary Kuyda, Janice Little, Jane Raus, Marjorie Scully.

Moved by Jim Walkowe supported by Susan Westfall, all yeas. Motion carried.

Based upon the recommendation of Mr. John McGuire, Supt. Green asked for the Board approval for continuing tenure of the following teachers: Jane Boyce, Mildred Grantham, Sherri Hankamp, Carol Savage, Anne Shain.

Moved by George Macomber supported by Reno Feldkamp, all yeas. Motion carried.

Based upon the recommendation of the building principals of each building, Supt. Green recommended the following teachers to be placed on tenure in the Manchester School District: Sally Gall, Donald Kirl, Sharon Gunn, Wesley Gall, Charlene Rappbun.

Moved by Susan Westfall supported by Helen Kensler, all yeas. Motion carried.

Based upon the recommendation of the various building principals the following teachers were recommended for continuing tenure: Alice Greminger, Mary Korian, Jeanne McMullen, Roger Morrison.

Moved by Reno Feldkamp supported by Susan Westfall, all yeas. Motion carried.

Supt. Green asked for the Board's approval of the dismissal of Melinda Cromber.

Based upon the completion of her third year probation status based upon the recommendation of Mr. Don Tassie. Moved by Susan Westfall supported by George Macomber, all yeas. Motion carried.

Supt. Green stated to the Board for their information only that it was his understanding that Mr. Laurin Leeson would be retiring at the end of the 1976-77 school year.

Reno Feldkamp asked that something fitting be done for Mr. Leeson for his dedication for so many years in the school district. Supt. Green said he would check into it.

Moved by Helen Kensler and supported by George Macomber to approve Supt. Green's recommendation that no recommendation be made at the present time on the following teachers, due to returning staff presently on leaves: James Brink, Joyce Meade, Yvonne Henry, Richard Fielder.

Supt. Green recommended Donald Tassie for an administrative position in the Manchester Community School District for the 1977-78 school year. Salary and position to be announced later.

Moved by George Macomber supported

by Jim Walkowe all yeas. Motion carried. Supt. Green stated that it was without prejudice that he could not make a recommendation at this time on the Administrative Contract of John Korian due to the fact that it was the intent of the Board to not employ an Assistant Principal for the 1977-78 school year and since John Korian is an applicant for the High School Principalship, it would have to be considered at a later date.

Moved by Jim Walkowe, supported by Reno Feldkamp, all yeas. Motion carried.

Moved by Louis Vogel supported by George Macomber to approve the 1 year medical leave request of Mr. Steve Halchishak. There was a brief discussion before voting. All yeas. Motion carried.

Supt. Green further recommended that Mr. James Fielder be named Head Football coach and Athletic Director for the 1977-78 school year, moved by Macomber and supported by Susan Westfall, all yeas. Motion carried.

President Bunney stated there would be a Special Board of Education meeting on March 28th, to establish a millage rate and finalize rules under the new Open Meetings Law.

George Macomber stated that in November, he had requested minutes and reports from previous meetings be passed out and this had not been carried out. President Bunney asked if there were any further items for discussion.

Helen Kensler asked if the Press Box at the Athletic Field had been repaired. John Korian said they were waiting until the Grounds Committee made a recommendation.

A motion was made by Mr. George Macomber stating that the Minutes and the Financial Report be put into the enterprise as soon after a meeting as possible. Supported by Reno Feldkamp, all yeas. Motion carried.

Mr. Macomber made a motion that he be relieved of all duties and responsibilities of all committees he is on because he did not feel as though he was accomplishing anything.

President Bunney said since he was the one that had appointed Mr. Macomber to the various committees, he would like to discuss it with him before taking any action.

Mrs. Platt asked if we had the results from the U of M accreditation. Supt. Green said we could probably expect it

about the end of March.

George Macomber made a motion the meeting be adjourned. Supported by Susan Westfall, all yeas. Motion carried. Meeting adjourned at 9:40 P.M. Respectfully submitted, Helen J. Kensler

Tasty Tips

from Checkerboard Kitchens

TROPICAL FRUIT LOAF—A TOUCH OF THE ISLANDS

Got the blues? Longing for far-away places? Bring a touch of the islands to your table with Tropical Fruit Loaf, a delicious quick bread ideal for brunches, coffees, snacks or even as a light dessert. The loaf is a delicious blend of pineapple and banana flavors. It is moist, keeps well and tastes even better on the second day, when the flavors mellow and become more blended.

While Tropical Fruit Loaf will remind you of exotic places, the ingredients are readily available. Bite-size, crispy wheat squares, a breakfast cereal, is an important ingredient that adds both to the bread's good flavor and texture. Crush to half its volume with a wooden spoon or pestle. Then add to the liquid along with the flour and other dry ingredients.

Get away for awhile... only in your dreams.

TROPICAL FRUIT LOAF

- 2 cups all-purpose flour
 - 1 cup sugar
 - 2 1/4 teaspoons baking powder
 - 1/2 teaspoon salt
 - 1 cup Wheat Chex cereal crushed to 1/2 cup
 - 1/3 cup nuts, chopped
 - 1 egg, slightly beaten
 - 2 tablespoons vegetable oil
 - 2 tablespoons water
 - 1 can (8 oz.) crushed pineapple, undrained
 - 1/2 cup mashed banana (1 large banana)
- Preheat oven to 350°. Grease an 8 1/2 x 4 1/2 x 2 1/2-inch loaf pan. In large bowl, thoroughly mix flour, sugar, baking powder and salt. Stir in cereal and nuts. Combine egg, oil, water, pineapple and banana. Add to dry ingredients all at once. (Mixture will be stiff.) Stir just until moistened. Turn into pan. Bake 70-75 minutes or until tester inserted in center comes out clean. Let cool 15 minutes before removing from pan. Makes 1 loaf.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU EDITORIAL

POWL INSULT TO PORKDOM

With a major portion of comments, mostly critical and justly so, over the proposed ban on saccharin—the recent insult by Federal bureaucracy on the pig hog has gone unnoticed by much of the press.

According to Congressman Paul Findley, Illinois, the United States Department of Agriculture has ruled that a concoction of pure turkey which is pressed, tented, foisted to resemble ham can be foisted on the consumer as a turkey ham—even though it contains not one morsel of ham. Findley reports, "the wary homemaker, course, would never think of buying a

pig in a poke, but what is she to do when Washington says it's legal for purveyors to wrap porken turkey and label it ham. Such untruth in packaging is a tactic as slippery as a hog on ice."

"Everybody in public office likes to ham it up once in awhile, but somebody at the USDA has gone hogwild on this. Let the turkey stand on his own two feet. I've asked the secretary to outlaw this pigheaded scheme," he said.

To the Congressman, it's a matter of principle. "I'm not just crowding the trough, grubbing around for a headline or looking for a snortful of publicity. I would feel this way even if my hometown weren't Pittsfield, Illinois, pork capitol of the world."

Well said, Congressman. The much-maligned hog needs a spokesman in Washington, D.C.

BOY SCOUTS

The Boy Scouts had a swimming party Monday, March 21st. Don Hagerman, Tim Sannes and Randy Mullins earned their Swimming Skill Award.

Sunday, March 27, the troop went to Chelsea Rod and Gun Club for the Michigan Duck Hunters Association Meeting in which Don Hagerman and James Weinhardt was awarded for the wood duck nesting houses they built as a scout project.

On April 15, the troop is planning a pot luck supper.

Anyone who has a boy that would like to join the Boy Scouts are welcome to come to the supper and bring a dish to pass, also learn more about scouting and what our troop is planning for the next two months.

For more information call Mr. Alfred Sannes 428-7672 or Mr. Joe Weinhardt 428-7155.

COMPLETES COURSE ON BASIC CARRIER

Michael Gleason, switchman for General Telephone Company at Saline, recently completed a course on Basic Carrier at the company's service training center in Muskegon, Dick Zanter, division manager, announced today.

The objective of the five-day course is to enable the student to describe the components and define the functions of basic "carrier" and be able to align and test a "carrier system". "Carrier" is an electronic means of adding additional voice channels to present physical facilities.

Gleason, his wife, Susan, and their son, Alexander, live at 220 Ann Arbor Hill in Manchester.

Claire Reck Receives Liberty Bell Award

By: C. Chapin

Mrs. Claire Y. Reck, of 865 W. Main St., Manchester is the recipient of this year's Washtenaw County Bar Association, Liberty Bell Award. This award is presented yearly to an outstanding member of the community in terms of dedication and service.
Born February 6, 1903, Webster City, Iowa, Claire has her roots firmly in middle America. Eight miles morning and evening, horse and buggy to school, BS degree, Iowa State University. Marriage to Franklin Reck and coming to Detroit to become Editorial Assistant, American Boy Magazine. George Pierrot was Editor. Ever interested in the whole person.

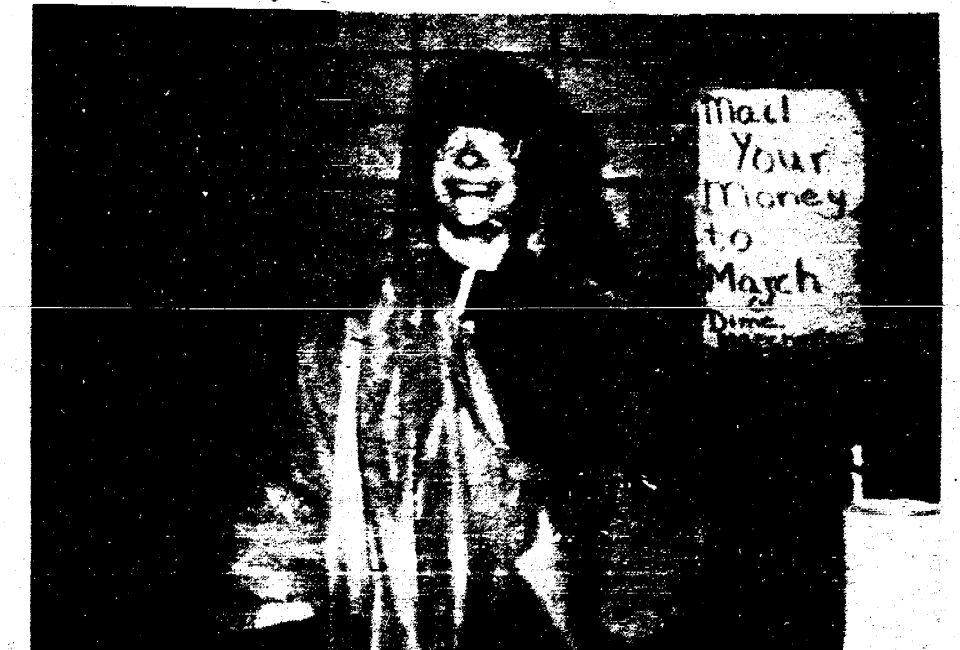

Is Manchester Ready For Gypsy?

Well, she's coming to town on May 5, 6, and 7, in the Community Education theater group production of WORDS AND MUSIC. Gypsy is played by Sharon Voegeding, supported by Karla Taurialainen, Maureen Zsenyuk, and Scott Barber. And LPL ABNER will be right behind her, played by Richard Chapin, with help from Linda Simmons, Kevin Krzyzaniak, Brenda Merriman, Carolyn Schwab, Karla Taurialainen, Terri Souly, Lori Gilboe, Laurie Walz, and Gimie Bowers. Look up when walking down the street and you just might see a FIDDLER ON THE ROOF. Working hard to portray the lovable Tevye and his family are Joan Schaalbe, Annette Zsenyuk, Sharon Voegeding, Tom Krzyzaniak, and Jane Schaalbe. Then, to add both sunshine and romance to your life, how about a trip to the SOUTH PACIFIC, with Kris Kuntz, Steve Curley, Joe Chapin, Richard Chapin, Tony Day, Jim Duncan, Lester Janish, Kevin and Tom Krzyzaniak, and Herb Mahony.
Sounds like a great evening, doesn't it? Hope you have circled May 5, 6, and 7 on your calendar and are saving your pennies for tickets: \$2.50 for adults; \$1.50 for children. Available at the door. The time 8 P.M.

Walk-A-Thon Nets \$4,594.85

Renee Conyer, 1st to complete walk.

In the Walk-A-Thon on Saturday, Brian Walz was last, but certainly not least, to complete the 15 mile route.

Dedee Vedder, Kothe Road, Manchester's poster child, cut the ribbon to get the walk started. Dedee's eye operation in January was a great success, and she can see well now.
Ladies and gentlemen, we are so VERY PROUD of each and every one of the people, who walked in the March of Dimes Walk-A-Thon last Saturday, that we felt we must name them publicly, and give all 100 of them, all the credit they deserve! As you know, it was a rotten day, but the walkers arrived, so full of enthusiasm for doing for someone else, and so ready to conquer the 15 mile and weather challenge, that they refused to cut the walk short, when the question was put to them. They came to walk, and walk they would; the whole 15 miles. When young people set their minds to doing something, there's no stopping them. The walk started at 10 a.m. with little Dedee Vedder cutting the ribbon. (Our picture of that, unfortunately, did not come out right.) The rain was pouring down, but off they all went, with great cheer. The walkers were followed by the communications-pick-up cars, the whole route. The people who tickered out before a checkpoint or the finish, were brought back to the high school. Not one single person was lost or stranded. We thought at the end, we had misplaced 2 people, but phone calls to their homes, soon found them.
Your reporter didn't expect more than, maybe 10 people to finish the route, and is now sitting with a look of shame for doubting, and a look of amazement and pride, at the number who did complete the route, considering the weather. A spectacular total of 81 walkers went the whole route! There are no words to express the feeling of watching those bedraggled, exhausted, wet, cold, beautiful, marvelous walkers stagger in, saying, "I Made It", or just plain collapsing on the floor. I wanted to cry for joy! Whether they walked 1 mile or all 15, they did it with their hearts, and I for one, cannot praise them enough.
So here they are, starting with Renee Conyer, who used her track abilities to finish the 15 miles first, down to young Brian Walz, who came in last, using sheer guts and courage, to go the whole 15. He was a real inspiration. All their miles walked, totaled \$4594.85 in pledges, and they earned every penny of it. This was truly a walk of sacrifice and charity.
