ter traveled to long time rival Addison's course and came away with a 26 to 29 victory. Times were slow over the "long" course and here is how they went: Junior Kurt Norgaard won his first meet ever, as he captured 1st with a course record of 17:09. Addison took 2nd but Steve Eversole and ailing Keith Moore got 3rd and 4th with times of 17:22 and 17:37 respectively. Terry Brown was 8th at 18:16 followed by Tom Tassie at 18:30 for 10th, Terry Vandoren 13th at 18:50

and Doug Padley 15th at 19:07. On Thursday, September 22nd the Dutch Cross-Country Team was halfway through its grueling 3 meets in 6 days week. it showed too, as they took 3rd, one point behind Bath with a score of 134 at Springport Invitational. Results were: Steve Eversole 9th at 16:12, Keith Moore 12th at 16:18, Kurt Norgaard 16th at 16:22, Terry Brown 37th at 17:02, Tom Tassle 60th at 17:31, Terry VanDoren 82nd at

THURSDAY, OCTOBER 6, 1977 THE MANCHESTER ENTERPRISE PAGE 3

The Manchester J.V. Football got on the winning track last Thursday by beating Onsted 22-8. This win evened their league mark at 1-1, while it was the first loss for Onsted and dropped their record to 2-1 in the L.C.A.A.

Manchester struck first, as they re-3 MATCHES, 2 VICTORIES ceived the opening kick-off and marched 60 yards. Gary Daniels hit pay dirt from 4 yards out, the extra points failed. However, Onsted moved the ball right back down the field and took the lead 8-6, and this score stood throughout the first half.

The second half was controlled by Manchester as they added 16 points to their score and shut-out the Wildcats. On third down and eight, quarterback John Mooneyham, hit tight-end Nick Krzyzaniak with a touchdown pass of 20 yards. The extra points were made good by Gary Daniels. In the fourth quarter, Gary Daniels added his second touchdown with a 3 yard plunge, The extra points were successful as Mooneyham hit Krzyzaniak with a quick pass. Again, the offense and defense played well together and this made for a good team victory.

the Veterans Administration has authorized direct deposit of compensation and pension payments to the bank of your choice. In other words, you can have your check sent to us directly by the Veterans Administration each month and it will be deposited, by your orders, in either your checking or savings

The necessary paperwork is simple, easy to handle. The VA file number is needed and that is noted on the face of your check. With that and your signature, the job is done.

No longer need you wait in line to cash your check or to brave the weather to come to the bank. No chance of your check being lost or stolen, either.

Stop in. It takes but a few minutes to handle the details.

Naturally, we are continuing the Social Security direct check deposit program, as always.

If you want to see how a bank should be run. stick your head in this one.

The INTERESTED bankers at Union Savings Bank believe a bank should be operated for the convenlence of the customer. The bank staff should be friendly, courteous and above all, helpful to the customer. A customer should never fear a bank service, helpful to him, is left unmentioned: Bank services should be explained in a manner that is both thorough and in language a non-banker can understand. Loans should be granted without excessive delay and unnecessary red tape. Is this the way Union Savings Bank is operated. Yes you can stick your head in, you'll find out it is.

COOPERATIVES-GOOD FOR AMERICA

Remember the old philosophy--innocent until proven guilty? Today, it seems, public attitude has changed to--Guilty until innocent, through inquisition.

Farmer cooperatives, which have been around since the early 1800's, have had their turn in the "accuseds' box," and even though proven innocent, still bear the sears of public misunderstanding. In the frustrated consumer search for the illusive culprit that was causing increased food prices, farmer cooperatives were summoned to the witness stand as a suspect. They were BIG; therefore, they must

They were big, but what the public forgot was that they were made up of many small farmers, some of whom could not survive, in this world of economic implexity, without their cooperatives. Groups of farmers, united through a cooperative. figure importantly in maintaining the family farm by combining efficiency in producing a commodity, with efficiency in processing and marketing it. This efficiency benefits the consumer as well as the farmer.

Perhaps cooperatives were not as accressive as they should have been in sharing this economic fact of life with consumers, and their image was slightly tarnished by the public attacks on their

system. They've been working to corre public misunderstanding, but a sma article extolling the benefits of operatives does not make the impact public opinion that a Sylvia Porter sy dicated attack does.

October is Co-op Month, with the them "Cooperatives are Good for America." Not just farmer cooperatives, but men bers of housing co-ops, credit union electricity and telephone services operatives, mursery schools, insurance companies--even bicycle cooperatives will be telling the public why they are

There are over 50 million people, mem bers of more than 40,000 cooperatives the United States, who believe the cooperatives are good for them, for the unities, and for America.

Students Earn Outstanding Achievement

Principal John Korican announced today that two students at Manchester High in the Merit Scholarship competition, but School have achieved outstanding achievement in the 23rd annual National Merit Scholarship Program. These honors are the result of each student's outstanding performance on the Preliminary Scholastic Aptitude Test (PSAT/NMSQT) which was administered nationwide to high school juniors in October, 1976. John Munson son of Mr. and Mrs. Fred Munson, of 9981 Bethel Church Road was selected as a National Merit Semi-finalist. A letter of Commendation was presented to Doug Wilson, son of Mr. and Mrs. Howard Wilson, of 14950 Buss Road.

Semi-finalists are the students who scored highest in their respective states, and they represent less than one-half of one percent of each state's secondary school seniors. Students selected for the commended student group represent less than two percent of the total of graduating U.S. secondary school seniors.

Only semi-finalists named in the fall of 1977 can advance to the finalist standing and be considered for Merit Scholarships to be awarded in 1978. These are \$250 to \$1500 scholarships. To become finalists, semi-finalists must meet further requirements established for the competition that include being fully endorsed and recommended for scholarships by their principals, presenting school cords that confirm high academic standing, and substantiating their PSAT/NMSQT scores with an equivalent performance on the Scholastic Aptitude Test (SAT).
