LETTERS TO THE EDITOR

To my fellow classmates, their parents & the community.

I am writing about a deep concern of mine. Recently you read a letter about poor school spirit. I would like to expand that, more specifically to poor Class Spirit! What's happened to all the students pride, interest and participation? Where are the parents and the community when we need support?

I can't speak for other classes, but I'd like to give you some statistics on the Junior Class. So far this year we have had FIVE class meetings, a bake-sale, a homecoming float and we are presently planning a turkey dinner. We have had a maximum of 30 students, out of 110 show up at these particular activities. Some percentage! Why isn't there a 100% participation?

When I share my concern with others I always receive somewhat the same reply, "Don't worry you're not the first class this has happened to, it's always been that way!" That's not my point, my point is students should care! They should be willing to volunteer, and take on responsibility. Juniors are certainly old enough to take on responsibility, at least I thought so! Sometimes it's easier to do things myself, than listen to all the reasons kids have for not getting something done! If this has always been a problem then it's about time it was changed, and there is no better time to change than right now!

It seems that one of the problems is with class officers. Ninety percent of the time you get officers who don't do anything. I think the reason is because, the

election of officers is usually based on popularity instead of capability. When this happens, nothing is accomplished! After all, if your class officers don't give a darn, then who will? When will people wake-up and keep the real purpose in mind: Capability not popularity!

My present position is one of support. People put me in this position, but now they won't back me. I'm willing to give this my all, but I can't do it alone! It seems like I spend a majority of my time repeating myself, because some kids don't feel class meetings are important.

It seems like the loudest complainers are the ones who never do anything. If everyone would work as much as they complain we'd have it made!

As a whole I've found the parents and the community more than willing to help. But here again alot of parents don't know what's happening, because their kids never tell them. I'd like to thank those of you that have supported us thus far. I hope you will continue your support, because without it we would never get anywhere!

Some of you are probably wondering why I even wrote this, because chances are the people I'm talking about won't change anyway. Well, you're probably right, but when nothing else works you have to try something, anything and hope well, maybe this time, maybe this time.

This letter wasn't meant to criticize those of you who do care and participate, because I do appreciate your loyal support. My main intent was to make the other 80 people aware of my situation.

Thank you for taking the time to read my letter. I feel if this letter convinced just one more person to get involved then it was worth it, at least it's a start!

THE PONY EXPRESS

More than 300 members of the United Methodist Church of Manchester will become saddlebag-carrying "trail bosses" and "route riders" within the next few weeks in their church's Pony Express stewardship campaign.

The Rev. Maurice Sharai, pastor, said the campaign this year is based on the same concept as the Pony Express of more than a century ago -- teamwork.

David Walton, general manager of the campaign, said 21 leaders of the church have been designated trail bosses, to supervise the relaying of the saddlebags to each of the church's families on Pony Express "run" routes.

Each saddlebag bears the names of 10 church families on the run route, he said. A family fills in an "estimate of giving" card, seals it in an envelope and inserts it in the saddlebag, which then is hand-

carried to another family on the route.

"We decided to use this unique approach because we believe stewardship campaigns should be exciting and pleasurable, in addition to having their serious moments," he said. "And, many dedicated members of the church are hesitant to solicit pledges from their friends and neighbors. With this Pony Express program, there are no solicitations and no pledges."

The Rev. Sharai explained that each member is asked simply to estimate the amount he or she will be able to give to the church during the coming year. "Each family makes their decision in the privacy of their home, without any over-the-shoulder 'supervision' of someone from the church," he said.

He said the Pony Express theme was chosen because of the example set by the highly dedicated riders of the original Pony Express.

"In addition to their personal commitment, the secret of their success lay in their ability to work as a team -- each rider dependent on the other to make the relay system work and speed the mail on to its final destination," he said.

Likewise, the success of the church depends on the dedication, commitment and teamwork of each member.

"We trust each family to act responsibly in making a decision about the support they will give their church during the coming year," he said.

PLEASANT LAKE PTO

The Manchester Pleasant Lake P.T.O. met Monday evening, October 10 with 35 people in attendance.

Mrs. Carol Savage and Mrs. Mildred Grantham presented a funny skit on the importance of WHAT NOT to do and say to your child. Don Tassie and Anne Shane spoke on "Do's and Don'ts for Raising Your Children." A lively question and answer session followed.

Karen Bristle, President of the P.T.O. conducted a short business meeting. Some of the announcements are as follows: American Flag Bearer-William Richardson, Christian Flag Bearer-Claire Knickerbocker, O.E.S. Flag Bearer-Max Walter.

The next P.T.O. function would be the annual dance and card party on November 12, starting at 8:00 with the Wackebush

Band. The public is invited. FAMILIES are encouraged to attend.

The chairman Host and Hostess, Mr. and Mrs. Dale Weidmayer, were thanked for the refreshments to be served.

WHY I BELIEVE THE BIBLE TO BE THE WORD OF GOD
By Rev. Ronald Nelson
Manchester Baptist Church
The unusual honesty of the writers. They write of the evil as well as the good. The writers show the hero's faults and sins as well as his good points. Truth is always given but sin is never condoned. This shows that the author is God even though human writers record the message. Man could not make such a book if he would, and would not if he could.

SHARON UNITED METHODIST TO SHOW NEW CORRIE TEN BOOM FILM

"A Visit from Corrie"—a new motion picture for churches with Corrie ten Boom, will be shown Sunday, November 6, at 7:30 p.m. at Sharon United Methodist Church.

Corrie ten Boom's life story in the widely-acclaimed motion picture, "The Hiding Place," and numerous books, has inspired millions of people of all ages in many countries.

Now, in this captivating close-up on film, Corrie ten Boom brings a practical message of love, hope, faith and forgiveness—illustrated with her stories of personal experiences in the Dutch underground in World War II and her eventual confinement in a Nazi concentration camp.

Pastor Wayne Ferrigan extended an invitation to the community to attend the film's showing, which is being presented at no charge.

5th Annual Manchester Cross-Country Invitational

Keith Moore shattering course record

On Saturday, October 22, Manchester hosted the 5th Annual Manchester Cross-Country Invitational. The competition was good and four Dutchmen got medals. Every one on the Manchester team had improvement in times. Here are the results by class.

In the 7th grade run Joel Norgaard (a 5th grader) placed a super 21st place with a mile time of 7:07. He was followed by Alisa Seegert in a close 22nd with a time of 7:12.

In the 8th grade run Cris Cleland placed 13th at 5:44 and Kay Eversole (sister of running ace Steve Eversole) placed tied for 26th at 7:15.

In the 9th grade run Mark Neigebauer, a steadily improving freshman missed a medal by only one place as he placed

15:10 along with a course record. Terry Brown was 14th with his best time of 16:14 and Darroll Clark who is improving fast placed 30th at 17:16.

Mr. Brink and the Cross-Country team would like to thank the following people for making this invitational possible, Larry Steeb, Bob Achtenberg, Robert Little, Brad Frey and for all the times he has helped before, William Symons, Mrs. Webb Seegert, Dr. Glenn Lehr, Don Tassie, Mrs. Alger Clark and the Athletic Boosters, Kathy Rose, Becky Opal, Chester Koceski, Dan, Dave and Doug Clark, Joel "Foghorn" Tobias, Mark Guenther, Tom Tassie, Betty Ahrens and the Cheerleaders, Laurie Woodruff, Miss Vogel, Brenda Eggleston, Laurie Fitzgerald and Carol Bus.

MANCHESTER AND CLINTON TIE

Thursday, October 18th was a tense day for the undefeated Dutch Cross-Country as they hosted also undefeated Clinton. The rivalry had seasawed back and forth all season as Manchester would beat Clinton in an invitational and vice versa. Finally it came down to this one nail biting meet to see who would have an undefeated league record. But unexpectedly it turned out to end in a tie 28 to 28 as both teams gave their all. Here are the results: 1st-Keith Moore 15:37, 3rd Steve Eversole 15:47, 5th Kurt Noorgaard 16:11, 8th Terry Brown 16:36, 11th Tom Tassie 16:53, 13th Darroll Clark 17:28, 14th Joe Roberts 17:51, 15th Doug Padley, 16th Paul Stanco, 17th Terry Van Doren, 18th Ed Achiberg, 19th Karl Sauter, 21st Kurt Sauter, 23rd Mark Neigebauer, 25th "Bones" Kensler, and 26th Kyle Norgaard.

MORENCI STUNS DUTCH

Louie Ross, Defensive Player of Week

I felt this may be one of our easiest contests of this season and after Jim Lenhart took the opening kick over 60 yards to the shadow of Morenci's goal, I thought my assumption correct. There followed about 4 or 5 penalties, so on fourth down Jeff Geiger trotted out and booted the field goal to put us up, 3-0. Morenci came right back to throw for the TD and with a good FAT the table turned, 7-3. We just couldn't move the pigskin and as the clock ticked under 1:40 our quarterback was sacked and fumbled in the end zone. A Bulldog fell on it for six and another good PAT made it 14-3.

On Friday, we close on league stand by being host to our arch-rival Clinton. The Redskins are vastly improved this season with a 3-2 record (beat Hudson) helped strongly by back Casey Thilo. Last Friday's Scores: Morenci 14-Manchester 3, Clinton 26-Grass Lake 21.

J.V. GIRL CAGERS BLAST CLINTON, 45-28

J.V. Girls High Scorer, Carol Rose

By Jon Hardenbergh
We really showed offense as at half it stood 30-16 and we just kept pouring in the buckets to come away 45-28 victors. High scorer for the night was Carol Rose as she dumped in 14 points while Deanna Clark helped the cause with 11. Sue Ahrens was high rebounder with 10.

DUTCH GOLFERS TAKE 9th IN STATE

By Jon Hardenbergh
When you figure there are some 300 Class C Schools in the State and our squad took 2nd in league, 2nd in regionals and 9th in state they must be doing something right. At State Rick Stetler led us shooting a fine 76 with Tom Little stroking a 77. Gary Troitz added an 85 and Bruce Garlick totaled 86. All in all its a 324 and Goodrich took top honors with a 300.

MOONEYHAM LEADS J.V.'S TO 28-14 WIN.

The Manchester J.V.'s upped their league mark to 3-2 last Thursday with an impressive 28-14 victory. John Mooneyham led the Little Dutch with 3 touchdowns.
However, things did not get off to a good start, as Morenci scored in the first quarter on a pass play and then converted the 2 extra points to make it 8-0. However, Todd Quayle evened the score on a 4 yard touchdown and also 2 extra points. Gary Daniels cleared the way for Quayle with 2 crushing blocks.
From there on out it was Mooneyham as he scored consecutive touchdowns on an option play and pass interception to lead the Dutch to a 22-8 half-time score.
Morenci didn't quit, as they scored on the first play from scrimmage to close the gap to 22-14. The defense for Manchester dug in, and closed the door for the rest of the game and the offense added another score as Mooneyham skirted in from 8 yards out to make the final score 28-14.
This Thursday, the Little Dutch end the season playing Clinton at Clinton, October 27, 7:00 p.m.

Twentieth Century Club

The Twentieth Century Club met for the first time in the 1977-78 season on October 13, at the Black Sheep Tavern for dinner and theatre. We enjoyed an excellent dinner and viewed, with extreme pleasure, the outstanding talents of the repertory performers in their production of "Jacque Hrel". Hostesses for the evening were Mrs. Maynard Blossom, Mrs. P.R. Post and Mrs. Robert Nickels.

The next meeting will be November 8 at the Manchester Methodist Church when the ladies of the Shakespeare Club will be our guests. Mrs. Ruth Gardner, with her marvelous collection of first ladies dolls, will be the guest speaker. The topic: "Mini-First Ladies".

Mr. and Mrs. Steven Walker, 608 Parr Rd., Manchester are the new parents of a baby girl, Janie Lynn born Thursday, October 20, 5:05 a.m., weighing 4 lbs. 15 ozs. and 18 inches long. She has a sister April Lynn.

Report On MEA

The Manchester Education Association and the Manchester Public School Board have not yet reached an agreement on the teachers' Master Contract. The Master Contract expired September 1, 1977.

The Education Association's negotiating team and the Board's negotiating team met last Tuesday, October 18, 1977, to discuss economic issues. At this meeting, the Board submitted a reply to the Education Association's package. The economic issues are the last items to be agreed upon by the Association and the Board.

The disagreement between the two sides arises because the Board has offered the Association the same pay schedule as last year. The Board claims that the teachers will receive a 5% pay increase due to a state mandated law that requires all Boards to pay teachers' retirement, but this is not reflected in the pay scale, nor is it a negotiable item. Manchester is the last school district in Washtenaw County to pay their teachers' retirement. The Board has also offered a rollback on insurance benefits. If the teachers wish to have their current insurance package, they will have to pay the difference between the cheapest available insurance and the one the teachers currently have available.

Third, the Board has offered a cut in the percentage payment of Schedule B which would result in the coaches receiving less pay for the same services. The Education Association would like to see a small economic increase in the salary schedule and a little bit better insurance package. They do not wish to increase Schedule B. The salary proposal offered by the association would not meet even the cost of living increase, but it would raise the pay schedule to stay competitive with the surrounding districts.

The Association realizes that Manchester is not a wealthy school district, therefore they have not made demands upon the Board to pay more than they are capable of paying.

The Association's negotiating team and

the Board's team will meet again with the help of a state mediator to discuss economic issues.

THE GOVERNMENT GIVETH... THE GOVERNMENT TAKETH AWAY

Last year there was a lot of talk about the good things Congress did, estate tax-wise, for farmers and other small businessmen. But a little known provision in the 1976 Tax Reform Act may negate much of the good done last year.

The carryover basis provision provides that if you want to sell land you've inherited, you must pay a tax on the difference between today's sale price and the value of the land when acquired by the person who left it to you.

For the sake of example, suppose that today you purchase a 50-acre farm at \$500 an acre. Your son inherits this farm in 1985, and by this time, the land is worth \$2,000 an acre. A few years later, he decides to sell—and the going price is \$2,500 an acre.

With the carryover basis in effect, the land will be taxed at \$2,000 an acre—this is the difference between the \$500 an acre you paid and the \$2,500 your son can now sell it for. Now, even though we're only talking about a 50-acre farm, he's going to have to pay capital gains on \$100,000. Before the carryover basis provision went into effect, the amount liable for capital gains would have been \$25,000.

This is a clear case of the government giving with one hand and taking away with the other. Unless this provision is repealed, farmers in the future are going to find a large worm in the tax reform apple Congress passed last year.

The average woman doesn't care where the styles come from or where they go.

Hosting the affair will be the couples four children and their spouses, Mr. and Mrs. Geo. (Lorine) Ellenwood, Mr. and Mrs. Chas. (Betty) Hough, Mr. and Mrs. Chas. (Mary Ann) Eder and Mr. and Mrs. Emerson (Skip) Wheeler.

They also have nine grandchildren and two great-grandchildren.

Michigan Livestock Exchange Appoints Tom Reed to Newly Formed Department

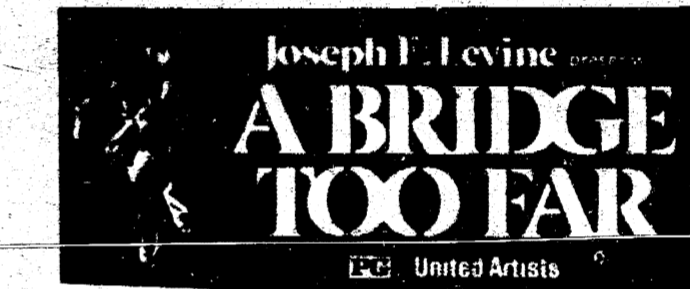

The Michigan Live Stock Exchange, the states largest livestock marketing agency, has announced a major expansion in member service and livestock market development.

Harold Lein, Exchange General Manager, announced the appointment of Tom Reed, a well known Michigan livestock specialist, as manager of the newly formed Member Relations and Promotion department. In making the announcement Lein said, "Reed's responsibility will include the coordination of facility and member service expansion, inter-company communication and the development of a concentrated program of market expansion through research and promotion of Michigan produced livestock."

Reed, formally with the Exchange in 1968, has served as an extension agricultural agent for Michigan State University and as a livestock and crop specialist for the Michigan Farm Bureau. Tom is a graduate of Michigan State University with a B.S. in Animal Husbandry and graduate work in Dairy Science. Reed is an active farmer in Gratiot County where he presently owns and operates a 160 acre farm and beef cow operation.

Council Proceedings

October 3, 1977

Council met in regular session with the meeting called to order by President Little at 7:02. Present were Duncan, Kennedy, Schaffer, Scully and Daniels; absent Denhoff, Fitzgerald and Zsenyuk. Corrected minutes of the Sept. 19, 1977 regular meeting were approved in a motion by Duncan, supported by Kennedy. All yeas, carried. Enter Fitzgerald at 7:06 p.m.

Bids were received from Emmons Service, Inc. and Lenawee Disposal Service Company for container hauling service from the transfer site for the next year. Emmons bid \$75.00 per load and Lenawee bid \$89.00 per load. Moved by Fitzgerald, supported by Scully to refer the bids to the Public Works Committee for decision after clarification of Emmons specification of 3 loads. All yeas, carried. The clerk was asked to check on the date the new contract would begin. Enter Zsenyuk at 7:20 p.m.

Fitzgerald outlined Public Works of the previous two weeks. A water main repair was made on Torrey Street. Notices were mailed out on all past due invoices. Village grounds were mowed and raked as needed. Repairs were made on the gate at Trolz's property which is used for disposal of large tree limbs and brush, etc. A water and sewer tap-in was made for the new car wash. Asphalt streets were patched and gravel streets were graded. Some new water meters were installed. Most catch basins were cleaned. A trash barrel was locked into place on the Main Street Bridge. Meter reading is scheduled.

A letter was received from Richard Sacks, Sanitary Engineer for the Michigan Dept. of Public Health regarding the Sept. 21, 1977 meeting held with Fitzgerald, Scully, Kennedy, Daniels and Timm and Sacks of the Public Health Dept. The meeting was for a discussion of the location and ownership of a proposed water main to serve the Mill Food Village apartments located in the Village of Manchester. "It was concluded at this meeting that the entire water main that is to

serve this proposed development be looped into the existing village water system and be owned entirely by the Village of Manchester." Prior to construction of this water main, completed plans and specifications need to be submitted to the Michigan Dept. of Public Health for review and approval.

Fitzgerald brought up some points of discussion regarding Allen Schaffer's new subdivision. He cited the improvements that Schaffer has made (extension of main, ran water to 3 lots on Lafayette Street, ran sewer and hooked up lines). Regarding Cowan's Avenue the Village can reject or accept it after the work is complete. Lafayette, however, is a dedicated street. Heretofore we have not charged any property owner for asphalt placed on a dedicated street. Further discussion ensued. Exit Fitzgerald at 8:27 p.m. Duncan asked to see the overall cost of the subdivision paving to weigh it against the proposed \$800,00 to be put into escrow for the paving. It was the feeling of Council that we can't require one property owner to pay for paving and not the others.

Roesch, when he arrived, strongly recommended that the Village enter into a contract with the land owner re: the improvements to be made, specifications to be met, exchange of costs, etc. Moved by Scully, supported by Schaffer to accept the Village attorney's recommendation that some agreement be drawn up between the developer and the Village regarding Cowan's Avenue platted subdivision. All yeas, carried.

Limpert arrived and was given an explanation of the meeting with Richard Sacks, referred to above. The clerk was asked to check on the Soil Erosion and Sedimentation Act ordinance and letter to see if the Village had yet obtained its own power to issue the permits. Limpert was asked to submit plans to the Village Planning Commission for site plan review. He asked the Village to give some economic consideration to the fact that the extension of the sewer line was done in the past. Limpert is extending the main for the

new project. For each service line, whether sewer or water, there's a tap-in fee. There would be an easement required to loop the main. The Village would like lines off the blacktop for less cost in repair. Limpert asked for a letter stating what is required of him. Little will draft it.

A bid was received from Verhines for \$483.00 for the 1974 Police Car. Moved by Schaffer, supported by Duncan to leave the decision to the Health and Safety Committee. All yeas, carried.

Duncan asked if it might be possible to have the Village attorney attend each council meeting for approximately an hour. No decision was made at the time.

The Village Planning Commission met to further consider the American Legion proposal. Both the State and County have approved an additional 10 feet of fill. There will be 102 parking spaces. Parking areas and driveways will be paved within one year. Duncan will check with Brouck regarding the 9 x 20 vs. 10 x 20 feet minimum parking space.

Invoices were reviewed for payment. Moved by Scully, supported by Kennedy to pay the invoices as listed. All yeas, carried.

Community Education

The Community Services/Continuing Education Division of Washtenaw Community College has received a \$36,154 Grant from the Michigan Department of Education under Title I of the Higher Education Act. This Grant money will be used to:

- establish a closer relationship between Washtenaw Community College and the county educational institutions, human service agencies, business and industries throughout Washtenaw County and
- plan and conduct a community wide needs assessment for inventorying existing community services and for identifying community needs.

(c) To establish a clearing house for identifying community resources to identified needs and (d) identify areas where services are needed but not available.

The Office of Continuing Education for the University of Michigan will develop the survey instrument to be used by the communities in the county. The date has not yet been set for the survey to be conducted, when this information is available it will be publicized in the Manchester Enterprise.

The Stop-Smoking Clinic has been re-scheduled for the week of December 5-9 at Manchester High School. The five day session will start at 7:30 p.m. each night and end around 9:00. You do not have to re-register if you have signed up previously. If you would like to register for this program please call Philip Mains at the Community Education Office 428-7804. More information about this program will be published in November.

Thirty-six people attended the Blood Pressure Clinic held Wednesday, October 19 at the High School Study Auditorium. There will be another clinic in the Spring for those who would like to attend. Beside the information about your blood pressure to be gained, each person saved about \$10 on a Doctor or hospital visit.

Beta Sigma Phi

The joint meeting of the Manchester Chapter of Beta Sigma Phi was held at the home of Kay Martin. Elaine Creech served as co-hostess for the October 19th meeting. Our guest was Joyce Meade, Director of the Manchester Junior Symphony. Joyce spoke to us on the current academic and financial needs of the Junior Symphony.

Darlene Keubler asked for and received support on the Progressive Dinner coming up Saturday, November 12th. The meeting came to a close with a lively discussion on the Michigan Beta Sigma Phi convention held on October 14, 15 and 16. Mary Frances Fielder, Jane Van Doren, Nancy Wolf, Carol Walter and Vicki Wurster represented Lambda Nu and Xi Epsilon Iota this year at Boyne Mountain. After the closing ritual Nancy Wolf gave her program entitled, "Career-Goals and Training."

The November 2nd meetings will be held at the homes of Mary Kalleward and Kay Martin.

Trick or Treat For UNICEF

From the White House to Main Street, from "Good Morning America" to late evening, from the senior citizen to the child, National UNICEF Day-October 31-means giving a helping hand!

And those hands include President Carter's, David Hartman's, Chairman of UNICEF DAY Campaign-1977, and millions of children and adults in towns all across our country.

President Carter recently declared, "The special emphasis you (The United Nations Children's Fund) place on meeting the human needs of children, the future leaders of the world, makes your efforts even that much more essential to the goal of seeking human freedom and dignity for all mankind."

And David Hartman, the host of "Good Morning America," and National UNICEF Day Chairman, tells us how we can help. He says, "Involve your congregation, school or club-young and old alike-in UNICEF benefit activities, from Trick or Treat to sports benefits to auctions. Think about children you can't see who are growing up without sufficient nourishment, education or health care."

National UNICEF Day reaches into homes of all sizes and income levels. It's a day when you can support activities for deprived children in over 100 developing countries in Africa, Asia and Latin America just by dropping money into a Trick or Treater's UNICEF carton.

In the Pleasant Lake and Bridgewater areas, Trick or Treat will take place on

Sunday, October 30, beginning at 2:00 p.m. Members of the Junior Youth Group of Bethel Church will be collecting from homes in these areas as they have done so for the past several years.

Give generously to UNICEF this Halloween.

Mr. & Mrs. Robert Ross to Host Open House

Mr. and Mrs. Robert Ross of 18101 Bethel Church Road, Manchester have invited the Manchester Area Historical Society members and their guests to an open house on November 1 and 2 from 10 AM to 3 PM.

The Rosses live in a 125 year old residence that had been vacant for 25 years previous to their acquisition of the property in 1951. Formerly owned by Henry Ford, constructed from local brick, the homestead has been renovated, leaving the original structure intact.

Every man who gets to talking about the importance of having a savings account in their personal or family over a temporary period.

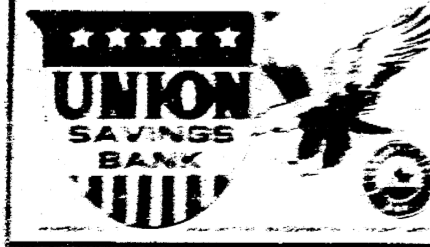

Many consider it a waste of time setting this aside to open a savings account which other all are the benefits of any man.

It costs away in the long run because you have a savings account with sufficient funds to take the family over life's uncertain moments.

Try to do it first. Because there are many individuals in our area every day to really appreciate the convenience. That's why they had a savings account in their bank.

We'll show the way of the man and the woman. Well, if you'll permit the comparison, are you the man or the woman?

Enough said.

MANCHESTER BLOOD DONORS ARE STILL BREAKING RECORDS

Mrs. Osborne, Mrs. Mann and Rev. Morris.

Congratulations! Manchester blood donors are still breaking records---191 pints, 1 more than last March, were given on Friday the 28th at the Red Cross Bloodmobile at the Manchester United Methodist Church, 268 men and women out of the 246 registered in advance attended the clinic.

Mrs. Bessie Osborne was the first woman who has given 24 pints to the Manchester Club, thus earning her 3-gallon pin. Reverend John Morris, pastor at Zion Lutheran Church and Michael Scully also received 3-gallon pins. Theodore Stautz and Paul Weinhold earned their 2-gallon pins with 16 pints each during years of giving to the Manchester Blood Club. A dozen men and women received 1-gallon pins: Mrs. Lynn Carpenter, Ms. Donna Baird, Mrs. Helene Marshall, Thomas Kenyon, Robert Fitch, Gerald Zeller, Roger Day, Edward P. Steele III, William Pfau, Charles Hough, Charles Finn and Larry Palmer.

Manchester United Methodist Church hosted the clinic and the United Methodist Women furnished the canteen for donors and staff. The American Legion Auxiliary gave the orange juice and the Jaycees Auxiliary was in charge of the Nursery which is such a boon to donors with small children.

Volunteer drivers for Double A Products donors were Mr. Leo Scully, Mr. Edward Galloway and Mr. Joseph Schwab. The reports for churches and industries giving on the 20% basis will be available in two or three weeks, when the donor cards are returned from Southeastern Michigan Red Cross Regional Blood Center.

Mrs. Merrill Korh, chairman-of-the-day, had twenty volunteers assisting her: Pre-screener, Mrs. Robert Little; Registrars, Mrs. LeRoy Knickerbocker, Mrs. David Dettling, Mrs. Ica Schaffer and Mrs. Sam Beal; Record Table, Mrs. Ralph England, Miss Agnes Kent and Mrs. James Pratt; Escorts, Mrs. Ray Uphaus, Mrs. Otto Timmerman, Mrs. John Wallace, Jr., Mrs. Millard Uphaus; Medical History and Observers - Mrs. Willard Mann, Mrs. Stanton Roesch and Mrs. Alvin Kappeler; Canteen, Mrs. Ray Kerr, Mrs. W.K. Stark, Mrs. Howard Sanders, Mrs. Alvin Baer, Mrs. Alfred Strang.

As a nostalgic note, it was thirty-five years ago, October 30, 1942 (before there was such a thing as a Blood Club), that the very first Bloodmobile came to Manchester. The Michigan State Department of Health and the Red Cross were collecting blood for World War II military

UNION SAVING BANK OPEN FRIDAY EVENINGS

Richard Z. Wolf, Executive Vice President and Chief Executive Officer of the Union Savings Bank of Manchester, announced that the Main Office of the Union Savings Bank would be opened till 8 P.M. every Friday evening beginning with Friday, November 4th. Mr. Wolf further outlined that with the exception of November 14th (Veterans Day) that the Bank will be opened for all services on Friday from 9 AM to 8 PM. Moreover, the spokesman indicated that this was a continuing effort on the part of the Bank to be responsive to the needs of the community.

A WORD OF WARNING... Please note that only the Main Office will be open for the extended hours, but that both of the Branch Offices will continue to observe the regular closing of 6 P.M. on Friday. Finally, the Union Savings Bank of Manchester is looking forward to being able to serve many people who up to this point of time were unable to get to the bank before either 5 or 6 P.M. REMEMBER THAT UNION SAVINGS WILL BE OPEN TILL 8 P.M. EVERY FRIDAY (EXCEPTING HOLIDAYS) BEGINNING THIS FRIDAY, NOVEMBER 4, 1977.

United Way Reaches 84% of Goal

Campaign Chairman Richard Wolf has announced that at the end of the third report week, October 29, a total of \$17,264.26 has been received in cash and pledges. This amount represents 84% of the total campaign goal of \$20,558.

The week ending October 29 was the final week for solicitations for the 77 Campaign. This week will be "clean up" week with all final reports due on Saturday, November 5.

Reminder: All solicitors and captains are reminded to turn in their money, pledges, reports and unused supplies to their Division Chairman at the end of this week. All Division Chairmen are asked to complete their reports and turn their report books back to Mr. Wolf no later than November 5. Division Chairmen are also requested to return all unused supplies to Phyllis Baker, 320 Territorial, as soon as possible.

FFA Goes To Michigan Farm Expo

The second annual Michigan Farm Expo was held at Caro October 5 and 6. The trip was long but the F.F.A. students attending felt it was well worth their time.

The Expo provided a great opportunity for students and others to see agriculture in action. Participants attending the event saw corn shelling, sugarbeet harvesting, dry bean harvesting and corn silage harvesting with machines from all major companies. Twenty-nine companies demonstrated tillage equipment; plows, chisels, subsoilers, discs, soil savers, etc.

This was the largest live action agriculture event ever to be held in Michigan. Here are a few comments from some of the students who attended.

Mike Horodoczny - "We left Manchester at 6:30, and like everybody else I went back to sleep. When we arrived in Caro everybody went their way. I saw all the new equipment. They demonstrated the sugarbeet harvester, but it was wet and semis were getting stuck. They demonstrated the corn harvesting with the combines and choppers. After the corn was harvested the plowing contest started. It was getting late, it started to rain, the plows were getting clogged, it was time to go." "P.S. I had a good time."

Doug Bowers - "Our F.F.A. Trip, On 10/5/77 we went to "Expo 77". There were hundreds of exhibits from the Steiger that pulled a 12 bottom plow to seed company exhibits. We watched machines picking sugar beets, corn chopping, disking, plowing and even a tractor that climbs walls. We had a good bunch of guys and one girl went. It made it a pleasurable trip. Can't wait till next year."

Troy Ahrens - "I enjoyed the trip very much. At the Expo you can see almost everything there is pertaining to farming."

Rita Drouare - "I really enjoyed going up to Caro, Michigan to the Farm Expo. I saw alot of things that I really thought were interesting. I especially liked watching the farm machinery in action in the field demonstrations. The most interesting part about the field demonstrations was the picking of the sugar beets. I couldn't believe how large the tractors were that they used. I learned many new and interesting things. I now know the difference between soybeans and navy beans. I also talked to a man about fertilizing alfalfa

MJS Poster Contest Winners

Pictured-Back: Martha Moore and Susan Decker. Front: David Pierce, Wendy Briggs and Betty Boyd.

Manchester Junior Symphony has been running a poster contest at the middle school. Last week Wendy Briggs, Betty Boyd, Susan Decker, Martha Moore, and David Pierce were chosen as semi-finalists. These 5 students worked with Mr. John Martin, who teaches art at Washtenaw Community College and does free-lance advertising art out of his Manchester studio and home, Inland House. After 2 workshops with Mr. Martin the semi-finalists will turn in their final poster from which a final winner will be chosen. You'll soon be seeing that winning poster around town advertising the first MJS concert on November 22. Good job kids and good luck!

Manchester Junior Symphony enjoyed a Halloween Party last Saturday at Mrs. Meade's house. There was apple dunking and fun relays. The students also played small ensemble music for each other and dressed in costumes to match the theme of their music. We even had Darth Vader and Princess Lea playing the theme from Star Wars!

The Junior Symphony is busy at rehearsals preparing music for the November 22 concert. This week four students will be awarded special recognition for

accumulating practice time. Katie Miller, Rachel Meta, Wendy Briggs and Tracy Briggs will receive a yellow racing stripe for their music folder indicating 10 hours of practice time. Congratulations girls!

Watch next week for more MJS News.
