Emanuel United Church of Christ CELEBRATES 50th ANNIVERSARY

Community Thanksgiving Services

The annual Thanksgiving Service will be held at the Emanuel United Church of Christ on Wednesday, November 23 at 7:30 p.m. Rev. Sharyl of the Manchester United Methodist Church will bring the message. Churches that will participate in this service are the Bethel United Church of Christ, Sharon United Methodist Church, St. Mary's Catholic Church, Manchester United Methodist Church and Emanuel United Church of Christ. An offering will be taken for Crop. Crop is an agency that is seeking to help alleviate world hunger. It helps with food to meet some immediate needs and also it sends seeds, tools and fertilizer to help people grow more of their own food --giving hungry people a chance to help themselves.

All families of the community are urged to be a part of this service in order that together we might express our gratitude for the blessings we have received as well as to give thanks for the work already done in Christ's name and for the opportunity and means to do much more.

Stop Smoking Clinic Starts December 5

The Stop Smoking Clinic has been rescheduled for the week of Monday, December 5 thru Friday, December 9. The program will be held in the Manchester High School library and will meet each night at 7:30 p.m. until 9:00 p.m. There is no charge to attend the five day session. Anyone who would like to attend may call the Community Education Office at 428-7804 to register. The clinic will consist of the following group therapy sessions:

- a. Lectures, or discussions on the physiological as well as psychological aspects of the smoking problem.
- b. Films on smoking and its harmful effects on body and mind.
- c. Demonstrations of procedures helpful to overcoming the smoking habit.
- d. Exchange of experiences by participants as they fight the habit under the Five-Day Plan.

If a personal control program that reaches into every minute of the individual's waking life. A special booklet entitled "Your Five-Day Plan" tells: a. How to relax. b. How to avoid familiar spots or activities that might lead to smoke. c. When to exercise and how to breathe. d. What to eat and drink and with whom. e. Even what to think at crucial times.

Preliminary surveys reveal that by the third day of group therapy approximately 50 per cent of the participants lose their craving for tobacco. By the fifth evening 70 per cent or more have either lost their craving or it is so diminished that they have the problem under control. The plan has now been held throughout the United States and Canada.

HISTORICAL SOCIETY

The next meeting of the Historical Society will be held Monday, November 28, 1977 at 8:00 p.m. at the Emanuel Church Hall. Elections for the Board of Directors will be the primary item of business. Steve Brown, an area resident who is an amateur photographer interested in architecture, will present a slide program and discussion on the differing styles represented in local buildings and barns.

Manchester United Way 1977 Report

The Board of Directors of Manchester United Way met on Wednesday, November 16 with the 1977 Campaign Chairman, Richard Z. Wolf, and several of the Division Chairmen, to review the campaign which closed on October 31.

Final reports are in from all of the Divisions and the total cash receipts and pledges amounted to \$23,342.81 or 114% of the total goal of \$20,559. This is the 17th consecutive year that Manchester has enjoyed the success of exceeding their campaign goal.

The Division final reports were as follows: Business Division \$3,147.00, Industrial Division \$14,196.08, Organizations \$285.00, Outside Business \$390.00, Rural Area \$2,971.16, School Division \$1,019.79 and Village House-to-House \$1,338.78.

Many suggestions were brought before the Board for consideration for future campaigns, by the Division Chairmen. President Fielder congratulated Mr. Wolf for his excellent leadership and thanked the Division Chairmen for their cooperation.

The Board of Directors wish to thank all of the volunteer solicitors for their help and also the residents of Manchester and the surrounding area for helping to make the campaign a success.

Mr. Wolf will attend the 1977 Campaign Achievement Celebration of United Way of Michigan, which honors the Campaign Leaders, on Tuesday, December 6. This meeting will be held at the Kellogg Center at Michigan State University.

The next meeting of the Board of Directors was set for Wednesday, January 25. Time and place will be announced at a later date. Plans for the annual meeting will be made in January.

Senior Citizens

Our next meeting will be held on Wednesday, November 30 at the Emanuel Church at 1:30 p.m. Bring an unbroken white elephant placed in a brown paper bag for exchange Bingo.

Senior Citizens Meals for the week after Thanksgiving are: Menu for Tuesday, November 29th; Roast Beef and Mashed Potatoes, Vegetable, Fruit, Roll & Butter, Dessert, Coffee, Tea and Milk. Menu for Thursday, December 1: Unavailable at this time.

The next Senior Citizens Council meeting will not be until December 14 at 9:30 at the Emanuel United Church of Christ office.

DECORATIONS FOR AN OLD-FASHIONED CHRISTMAS

The smell of pine from the Christmas tree mixes with the aroma of cookies baking in the oven. There's mistletoe hung in the doorway, a wreath on the front door and a cat curled up in front of a warm fire.

It's the image of an old-fashioned Christmas, a mood many of us try to capture in our homes today.

A good place to start is with live greenery--holly, mistletoe, boxwood, pine and fir--brightened with fruit or red ribbon.

One simple decoration, part of Dutch Christmas tradition, recalls the legend of the three bags of gold that Saint Nicholas gave to three young women as their dowry. The decoration combines pine sprigs and three oranges representing the bags of gold. The pine sprigs are bundled with florist wire at the branch end, and the oranges are embedded with wire and attached to the pine.

A more elaborate decoration, popular in the mid-1800s, is the kissing bell. Made of boxwood, mistletoe, candles and apples suspended with yarn, the bell provided an excuse for young couples to exchange a kiss as they tried to take a bite from the apples.

Other traditional decorations, easily constructed at home, include dried flower wreaths and delarobbia wreaths in which assorted fruits such as apples, tangerines, lemons and limes are wired to pine or fir boughs.

Complete instructions for making these and other old-fashioned Christmas decorations are included in the November-December issue of the Historical Society of Michigan Newsletter. The instructions were prepared by professional staff members at Greenfield Village. The newsletter also includes a calendar

Mr. and Mrs. M. Gilbert will be celebrating their 50th wedding anniversary on December 4. They will be honored at an open house by their eight children, Charles, Claire, and Ray Gilbert, all of Liberty; Carl Gilbert of Gobles; Mrs. Robert (Marjorie) Choate of Montpelier, Ohio; Mrs. Warren (Mary Lou) Wardwell of Cement City; Ms. Lois North of Gobles and Mrs. William (Sharon) Lompkins of Brooklyn, and their thirty three grandchildren.

The open house will be held on December 4 from 1 to 5 p.m. at Columbia Central High School, 11775 Hewitt Road, Brooklyna, Michigan.

Mr. Gilbert retired from Jackson County Road Commission in 1970. His wife, the former Mabel Zentmyer is retired from Cement City and Columbia Central Schools after 17 years of service.

Copies of the newsletter are available for \$1 each from the Historical Society of Michigan, 2117 Washtenaw Ave., Ann Arbor, Mich. 48104.

A nonprofit organization with 6,000 members, the Society promotes the preservation of state and local history.

SATURDAY NIGHT SINGLES

The Ann Arbor Saturday Night Singles Club Dance for single adults 25 years and over will be held at the Ann Arbor "Y", 350 S. Fifth Avenue, Ann Arbor, on Saturday evening, 9:00 p.m. to 12:00 midnight, on November 19.

Ed Keenen and Co. will provide the live dance music, also there will be social mixers, and refreshments.

For information, call 663-6068.

CMU CHAMBER RECITAL

Cindy Vella, a Central Michigan University freshman from Manchester, performed in a chamber music recital November 13 at Central Michigan University. She plays the violin.

Students and CMU faculty members participating in the program performed vocal and musical selections including "Ich habe genug (Kantate #82)," by J.S. Bach and "Fili mi, Absalon," by H. Schutz.

OBITUARIES

Albert A. Gerhardt
Formerly of Manchester

Age 85 years, died Friday at the Parkview Extended Care Center in Ypsilanti.

He was born May 10, 1892 in Czechoslovakia, the son of Anthony and Catherine Krall Gerhardt.

He was married to Suzanna Heifrich on May 29, 1923. She preceded him in death on August 13, 1975.

Mr. Gerhardt is a retired employee of the Dana Corporation in Chelsea.

He is survived by two daughters, Mrs. Raymond (Suzanne) Hone of Manchester and Mrs. Walter (Barbara) Caiger of Algonac, nine grandchildren, several great-grandchildren and several nieces and nephews.

Funeral services were held Monday

11 AM at the Jenter Funeral Home. Rev. Joseph Wise officiated. Burial followed in Oak Grove Cemetery.

Uniform Exchange

Do you have a Girl Scout uniform you don't need, or does your daughter need a uniform, used uniforms are still available. Please contact Mrs. Herbert Hooper between November 16 and November 26 at 428-8098, or bring uniforms to Mrs. Hooper at 107 S. Union St. After November 26 please contact your daughter's leader.

ATTENTION! MANCHESTER AREA RESIDENTS

To further improve Local Emergency Communications with the Police Department, arrangements have been made to begin a new dialing system on November 20, 1977. From that date forward residents requiring Emergency Police Action should dial 971-3911. County Central Communications, who will dispatch Police and Ambulance Vehicles directly to the local cars.

Police information calls should continue to be made at the local office 428-5503. Chief William Zsenyuk

LAMBDA NU

The November 16th meeting of Lambda Nu was called to order by President Vicky Wurster at the home of Jane Van Doren. The business meeting, Wednesday also served as an informative model meeting for our guests: Debbie Alber, Marcia Chartrand and Martha Haussler.

All standing committees gave reports, highlights are as follows:

Social: Cheryl Hamilton reported that plans are almost complete for our Decem-

ber 10th Christmas party.

Ways & Means: Jane Van Doren stated that we will have the pre-order wreaths and greens here, ready to be delivered, the weekend of December 3rd. Thanks to everyone for a job well done!

Service: Lois Vitale said the information will be forthcoming on the Christmas store slated for mid-December. However, toys are badly needed!

Membership: Nancy Wolf and Mary Frances Fielder gave an interesting summation on some of the customary traditions of Beta Sigma Phi for guests.

As well as each standing committee filing reports, each officer briefly outlined their duties for Debbie, Marcia and Martha. When the meeting was over Carol Samonek gave a very interesting program entitled, "Education—Goals and Purpose." At the close of the evening, refreshments were served by our co-hostess Cheryl Hamilton.

On December 7th Lambda Nu will meet at the home of Mary Frances Fielder.

VICTIMS OF PROGRESS

The Department of Interior announces new additions to its endangered species list so regularly that most of us tend to greet the news with a ho-hum attitude. The list consists of a wide variety of species—from the housewort, a not particularly remarkable form of snap dragon—to the bald eagle, a national symbol for over two hundred years.

Let's take a look at the criteria which caused the Interior Department to list the bald eagle as endangered. The agency

said the bald eagle had become the victim of shooting, pesticides, and human intrusion.

Now, even though shooting is the leading cause of bald eagle deaths, no one will touch the right to bear arms question with a ten foot pole. People are more apt to choose an easier target for the blame—pesticides.

It's true that in some parts of the country, it has been found that pesticides absorbed into the eagle's body can cause egg shells to become weak—so that they break when the bird tries to hatch them. Well, should we take all pesticides off the market then? On the contrary—farmers use pesticides so that after their labors they have food to harvest. Even with all the pesticides now in use, insects still destroy 10 percent of all the crops grown in the United States. Those resilient bugs cause food prices to go up and cost the American farmer about \$260 million annually.

Let's keep things in perspective: the bald eagle has started to make a comeback since it has received protection from being shot. And as long as farmers can continue to use pesticides to insure that each one of us has enough to eat at reasonable costs—we humans will not have to worry about becoming classified as an endangered species.

Social Security News
 Social security benefits were being paid to residents of Washtenaw county at the rate of \$4,935,000 a month at the start of 1977, Robert A. Kehoe, social security manager in Ann Arbor said today.

Social security benefits can be paid to retired persons age 62 and over, to workers who become severely disabled before age 65, and to survivors of deceased workers.

Monthly social security checks are also paid to certain dependents of a worker who has retired, become disabled or died.

Of the 22,485 social security beneficiaries living in Washtenaw county, 11,483 are retired workers and 2,258 are disabled workers. Another 1,900 persons are receiving benefits as the wives or husbands of retired or disabled workers. Widows, widowers and dependent parents of deceased workers number 2,817.

In Washtenaw county, 8,597 people under age 65 and 13,888 people age 65 and older are receiving monthly social security benefits. Of total beneficiaries, 7,108 are men, 11,350 are women and 4,027 are children.

Statewide, 642,697 retired workers receive an average monthly benefit of \$243. For every 1,000 persons age 65 or over in Michigan, 947 receive social security benefits.

Tasty Budget Special

It's the beginning of a brand new year! The holidays are over and all of us have to get back within our budgets. Eggs 'N Au Gratin Potatoes is an inexpensive and ingenious combination of flavorful ingredients your family (and stray guests) will love. Use the leftover ham from your New Year's party, and add a package of au gratin potatoes and a little cheese along with hard-cooked eggs for pizzaz and protein.

EGGS 'N AU GRATIN POTATOES
 Makes 6 servings

1 package (5 1/2 oz.) au gratin potatoes	1 cup chopped ham or luncheon meat
2 tablespoons butter	1/2 teaspoon marjoram
1 1/2 cups boiling water	1/2 teaspoon salt
1/2 cup milk	1/2 cup (2 oz.) shredded American cheese
6 hard-cooked eggs* (1 sliced, 5 chopped)	Parsley
1 package (10 oz.) frozen peas	

Place potato slices, cheese sauce mix, butter, boiling water and milk in a bowl; mix to blend. Stir in 5 chopped eggs, peas, ham, marjoram and salt. Pour into ungreased 2-quart casserole. Bake in preheated 400°F. oven 30 to 35 minutes. Sprinkle with cheese. Let stand 5 minutes before serving. Garnish with reserved egg slices and parsley.

***HARD-COOKED EGGS**
 Put eggs in saucepan and add enough tap water to come at least 1 inch above eggs. Cover; bring rapidly just to boiling. Turn off heat; if necessary, remove pan from burner to prevent further boiling. Let stand, covered, in the hot water 15 minutes for large eggs - adjust time up or down by approximately 3 minutes for each size larger or smaller. Cool immediately and thoroughly in cold water - shells are easier to remove and it is less likely you will have a dark surface on yolks. To remove shell: Crackle it by tapping gently all over. Roll egg between hands to loosen shell; then peel, starting at large end. Hold egg under running cold water or dip in bowl of water to help ease off shell.

Quick Holiday Desserts Start With Candy

Every holiday season needs one spectacular dessert. Better yet, it should be one which is easy to prepare and waits in the freezer for a party of unexpected guests.

Such a dessert special is Noel Tortoni, a sumptuous blend of vanilla ice cream laced with rum extract, colorful "M&M's" Chocolate Candies and almonds. Sinfully delicious and elegant, it can be quickly prepared ahead of time and taken from the freezer for a grand finale to a wonderful dinner.

Decorative cookies also are holiday "musts". These can be made in no time using prepared mixes and the colorful "M&M's" Chocolate Candies which give easy, "instant" holiday dress-up touch to cookies and desserts.

Hot chocolate served in small cups can be sophisticated for adults and pleasing to youngsters. Hot Orange Chocolate takes but a minute to make by whisking the "M&M's" Chocolate Candies in a blender and adding grated orange rind and hot milk. The real chocolate flavor of the candies makes the best tasting hot chocolate ever.

NOEL TORTONI

1 quart vanilla ice cream	1/4 teaspoon nutmeg
1/2 cup chopped toasted almonds	1/2 cup "M&M's" Plain Chocolate Candies
2 tablespoons each of chopped red and green maraschino cherries, well-drained	Whipped cream
1 teaspoon rum extract	Additional "M&M's" Plain Chocolate Candies for decorating
1 teaspoon vanilla	

Cut ice cream into large chunks and place in well chilled bowl. Stir quickly until smooth. Stir in almonds, cherries, extracts and nutmeg, if used. Fold in Candies. Spoon into 2-1/2 inch fluted paper or foil baking cups in muffin pan. Freeze. Serve plain or top each serving with a dollop of whipped cream and a few additional Candies. Makes 8 servings.

QUICK HOT ORANGE CHOCOLATE

1/2 cup "M&M's" Plain Chocolate Candies	2 cups hot milk
1/4 teaspoon grated orange rind	Whipped cream

Place candies in blender container. Add orange rind and milk. Cover container and whip until smooth. Pour into hot mugs. Top with whipped cream and a slice of orange or grated rind. Makes 2 servings.

Washtenaw County Community Services Agency

A feature article in the Ann Arbor News last month was so successful in finding a solution to a problem that the Washtenaw County Community Services Agency (CSA) is trying again.

Last month, CSA needed a large, heated garage to store a dental van in order to provide dental care to Head Start Children. Sure enough, the County Sheriff's Department had just such a large and heated space...and the Sheriff's Department needed dental care for its inmates. So, a summit meeting between both agencies was held and all arrangements finalized. The dental van moved into its new, heated home November 21.

In its second appeal to the community for an easy solution to a seemingly tough problem, CSA is now seeking two people who would like to volunteer their time.

Seven little cub scouts are all decked out in uniform ready to "be prepared" but they cannot find a leader. CSA's Ann Arbor Neighborhood Action Center, which sponsors programs for low-income and minority folks, is looking for an older, perhaps retired grandpa, who would like

to work with the kids one afternoon a week. Staff can provide help and support so the leader would not have to "go it alone". Interested? Call Kathi Scott at 994-1628.

A retired and experienced newspaper person is badly needed to work with four high school kids in Ypsilanti publishing a monthly newspaper. The kids may soon be teamed up with University of Michigan journalism students. However, a half-time coordinator is needed to orchestrate the presses. Interested? Call Nancy Margolis at 994-1650.

The first pole vaulter to clear the bar at 15 feet was Cornelius Warmerdam on April 13, 1940, in Berkeley, California.

THAT WILL SAVE YOU
DOLLARS IN FUEL COSTS

The ENERGY-MATE is designed to be a supplement to your present heating system. It utilizes the same air ducts and chimney that your present gas or oil furnace uses. The forced-air from the ENERGY-MATE activates the blower of your present furnace and circulates the warm air through your present furnace heat ducts.

When the temperature between the inter-lining of the stove reaches 150° Fahrenheit, blower will engage and continue to transfer the heat produced by the wood burner until the fire distinguishes and the inter-jacket temperature goes below 120° Fahrenheit. At this time the blower will shut off.

Outcounty Dial-A-Ride Services and Fare Change

Last year, the successful introduction of Outcounty Dial-A-Ride gave travel independence to over 1,000 seniors and handicappers who made 30,000 trips. For many it was the first time they were able to take shopping trips or visit their doctors, without relying on neighbors or relatives for transportation. The riders were picked up at their front door by one of seven lift-equipped vans and transported from there to almost anywhere they wished to go in Washtenaw County. Escorts were allowed to accompany passengers needing assistance, and these escorts could ride without charge.

The financial source of this new "freedom service" was a State demonstration grant which funded the majority of the Outcounty service and which expired last year.

Because the grant has ended, and because the Ann Arbor Transportation Authority wishes to continue this valuable service, the operating budget for Outcounty Dial-A-Ride has recently been revamped. New funding from local governmental units, as well as new State and Federal money, has been received. However, this does not cover as much of the operating cost as the demonstration grant did. Thus, since November 6, 1977, Outcounty Dial-A-Ride fares were changed to reflect their now larger share of the operating budget.

For Relief of Colds

A new and unique family of four cough, cold and allergy treatment products have been introduced in Midwestern test markets by Parke, Davis & Company, a subsidiary of Warner-Lambert.

The innovative medications, which are available without prescription, are simply labeled and identified to permit the self-treatment of specific symptoms or multiple symptoms as necessary. The products are marketed under the names Sympton 1, Sympton 2, and Sympton 3 with the fourth product, Multi-Sympton, for use when several troublesome symptoms are evident at the same time.

H.L. Richardson, Parke-Davis vice president and president of the Pharmaceutical Division, said Sympton 1 is an antitussive product, indicated for temporary relief of cough due to minor throat and bronchial irritation; Sympton 2 is a decongestant indicated for temporary relief of nasal congestion; Sympton 3 is an antihistamine product indicated for temporary runny nose, sneezing, itching of the nose and throat, and itchy watery eyes that may occur in allergic rhinitis; Multi-Sympton is a combination antitussive, decongestant, antihistamine product indicated for temporary relief of cough, cold symptoms, and runny nose as associated with allergy.

Each of the four new Parke-Davis products is offered in bottles of 4 fluid ounces.

The English call the merry-go-round a "roundabout." In France, where it was first made 300 years ago, it is named a carrousel.

A CANTALOUPE FOR \$30. AH SO!

For those who think food is high in this country (and it's not when you work less time to earn it than at anywhere else in the world), then you need to travel around the world and check how much better off we are than others.

Recently, an American livestock producer was visiting a Japanese supermarket and found a cantaloupe priced for \$30. That sounds almost unbelievable until you find that just a few feet away in the meat counter, he found beef priced at \$40 per pound, and at the bread counter, there was bread at nine cents a slice. Japan's rate of inflation is currently at ten percent and

that's had a lot to do with its food prices being among the highest in the world. However, inflation is only part of the story.

Japan is an island economy, about the size of California, but with a population about half that of the United States. Farmland has always been scarce, and, just like in this country, it's shrinking into parking lots and buildings. The high price of red meat in Japan is tied to this problem because they have no wide open range, or large acreages of lush pastures, and therefore their beef raising is very limited. This is why the Japanese eat only about eight pounds of beef per person per year, compared to our 120 pounds per person. Beef would be popular there, but price understandably keeps consumption down as the Japanese stay with fish, poultry and soybean substitutes. Also, understandably, U.S. livestock producers would like to ship more beef into the Japanese market. Any increase in beef sales would be another

boost in U.S. farm exports, which is already the largest single factor in helping correct our serious imbalance of trade. No doubt most cattle producers would sell at considerably less than \$40 a pound, too.

WHAT'S COOKING IN MICHIGAN

My wife has this thing about mits, I'm not talking about the one she married but about the ones she puts into a marvelous Fruit Nut Stuffing for our Thanksgiving turkey. After a lot of persuasion, she gave me her traditional recipe to pass along to you.

Cook and slice one-half pound of pitted prunes. Reserve one cup of the cooking juices and soak one box of crumbled whole wheat snack wafers in the juice. Sauté two diced onions, two diced green peppers, one cup diced celery, one-half

cup finely chopped parsley and a half sliced mushrooms in three tablespoons Michigan Grade A butter. When these ingredients have softened, stir in one-half cup chopped walnut a pinch of thyme or savory, one tea spoon pepper and two and a half teaspoon salt.

Add the cut up prunes and soaked wafers and store in the refrigerator overnight before stuffing the turkey. The recipe makes enough for a six to eight bird. As you prepare for this year's Thanksgiving feast, remember a few of the tips from food technologists with Michigan Department of Agriculture. Don't stuff your bird the night before. Also, after you've finished dinner, remove the stuffing immediately and refrigerate it's very easy for food poisoning organisms to grow at room temperature, and you agree that's not the way to end a Thanksgiving holiday.

Farm Leader Criticizes Carter Energy Message

"Apparently, President Carter has still not gotten the message that only a free market economy and an adequate incentive to produce will solve our nation's energy problems," said the president of the Michigan Farm Bureau, Caledonia dairy farmer, Elton R. Smith said Carter's recent energy message was simply a rehash of "his ill-conceived system of price controls and rebates."

Smith acknowledged that energy conservation is important. He said that farmers realize that there are good, sound economic reasons for cutting down, as much as possible, the use of energy in farming operations.

But he also noted that American agriculture depends upon energy. If the United

Christmas Club. It's that time of year again.

Why a Christmas Club? Well, nearly everyone needs some financial assistance around the Holidays. There are the usual Holiday expenses, gifts and high fuel bills. And, lets not forget taxes.

Possibly the words "Christmas Clubs" is in error. The name of the club should be, "For the Payment of General Expenses that Occur This Time of Year".

Whatever purpose you might put your Christmas Club to performing, now is the time to join. Next November you receive the payoff.

Some of you oldsters will remember less affluent times when most jewelers, some clothiers and nearly all luxury item stores advertised a dollar down and a dollar a week.

Well, right or wrong, a great many people were able to obtain a great many of items in this fashion. Christmas Clubs are very much like this system of bygone days.

Well, I'm rambling. What I wanted to say is this, "Join a Christmas Club tomorrow". There, I said it.

CARD OF THANKS

I wish to thank all my friends, relatives and neighbors and children for the cards, gifts and prayers while in hospital and a special thanks to Helen J. Kemmer

We the class of '79" would like to take a few minutes to thank all of you who helped make our Turkey Dinner November 12th, a success. We sold tickets and we served 289 people. Our profits came to a surprising sum of about \$600.00 most of which will be used for the 1977-78 Junior/Senior Prom.

We would especially like to thank the of you who generously gave of your time and/or money: Mr. and Mrs. Max Walz, Mr. and Mrs. Joe Tobias, Mr. and Mrs. Bill Ames, Mr. and Mrs. James Englar, Mr. and Mrs. Robert Mottice, Mrs. F. Olsen, Mrs. Armond Dresch, Mrs. J. Sauter, Mrs. William Eggleston, Mr. Edward Townsend, Mrs. Richard Olson, Mrs. Lyle Widmayer and Mrs. Judy Miller our advisor.

A special thanks goes to our fantastic entertainment, Craig Rogers and Thomas, we enjoyed it very much.

A special thanks goes to the DuRoi Brothers for their delicious potatoes, Schable's for their eggs and to Tool Die for printing our tickets. We'd all like to thank IGA for making our shopping so convenient.

A big thanks goes to all those people who let us use their roasters, coolers and electric knives.

We'd like to thank the 64 Juniors who participated in the particular project. Your support was very much appreciated.

If by chance we overlooked some individuals who helped us in some way it wasn't intentional, and we're sorry. We'd now like to express our thanks.

For those of you who were unable attend and also to those of you who were pleased with your dinner, you can see your advance planning and eat with us again in February or March. At this time we anticipate having another Tur Dinner instead of the traditional Spagetti Dinner. We hope to see you there! Thanks again to all of you!

Optimist Club Outstanding Student

Sophomore Nancy Egler, daughter of Mr. and Mrs. Paul Egler of 9351 Weber Rd., Manchester, has been chosen by the Manchester Optimist Club as its Outstanding Student of the Month for the month of November.

Nancy is a very active class member, as she was the 9th grade Secretary and is at present the 10th grade Treasurer. Nancy played Junior Varsity softball last spring and will be playing Volleyball this winter.

Outside of school Nancy has been in 4-H and likes all outdoor sports, especially horseback riding.

CONGRATULATIONS NANCY!!

Bank To Hold Meeting On Retirement Accounts

The Union Savings Bank of Manchester will be sponsoring a meeting on Individual Retirement Accounts. This is the new type of account which allows you to save money for your retirement TAX FREE. It will be for the purpose of answering any questions you might have about I.R.A.s, and just how it works. If you aren't already covered by a pension plan it will show you how to save for your retirement with tax free dollars. Most farmers and small businessmen qualify.

The meeting will be held at the Manchester High School, through the Adult Education Program, on Monday, December 5, 1977, at 7:30 P.M. Please come if you feel social security just won't be enough when you retire.

BIRTHS

Mr. and Mrs. Vic Mann are the proud parents by adoption of Jason Lawrence. Jason was born on June 17, 1977 and arrived home at 8832 Eiseman Road, Manchester on November 22.

Maternal grandmother is Mrs. Helen Helber, paternal grandmother is Mrs. Billie Mann.

Born to Mr. and Mrs. Michael Kyle of Manchester, a boy, on Saturday, November 26 weighing 8 pounds 4 ounces and 20 inches long. His name is Michael Lee.

Maternal grandparents are Mr. and Mrs. Frank Randall, paternal grandparents are Mr. and Mrs. Doyle Kyle, both of Manchester.

MANCHESTER OPTIMIST CLUB HOST STEER CLUB MEMBERS

Members of the Manchester Optimist Steer Club and their parents were guests of the Optimists at their regular dinner meeting Monday evening.

The Steer Club, organized in 1949, is jointly sponsored by the Manchester Optimist Club and the Manchester High School. This year the 24 student members are counseled by Craig Outwater, the school's agricultural adviser. The members have purchased their Seminoles and Hereford steers through the cooperation of Jack Pascoe, Manager of the Michigan Livestock Exchange. The purchase price of the steers was advanced by the Union Savings Bank. Each student member signs a note which is guaranteed by two Optimist Club members.

The students will raise and train their steers until August when the steers will be shown at the Manchester Community Fair and sold at auction. Trophies and ribbons will be awarded for the Grand Champion, the Reserve Champion, winners in showmanship classes, best daily gain, and to the student keeping the best set of records.

This year the Optimist Club's Steer Committee is chaired by Norman Mollenkopf. Other committee members are Ronald Mann, Wendell Reinhart and Robert Spensley. Henry P. Eames, D.V.M. is again contributing his professional time and advise to this program as he has since the program's inception. William and Bryan Alber contributed their trucking services.

At the Monday evening meeting Craig Outwater gave an interesting and informative slide presentation on the do's and don'ts of training and showing steers.

The following is a list of Steer Club
