The seminar is endorsed by The American Institute of Banking, The American Banking Association and The Bank Marketing Association.

This program is another step toward the emphasis on continuing education for bank employees. One goal of the seminar is to make employees more knowledgeable of the bank's services which will create better rapport for its valued customers.

Why Is Mrs. Boyce Smiling?

The second graders at Pleasant Lake just presented her with a surprise Baby Shower and the quilt they made. They have been keeping the quilt a secret since January, waiting patiently for her to be absent so they could work on it. Each pupil entered a picture. After the squares were pressed and sewed together the children tied it off. Room Mother's Marge Blumenthal and Karen Bristle assisted them. They played games and had lots of good stuff to eat. The parents and spouses won't be smiling when she leaves because we love her and want her to stay!

Boilers And Busses Create Problems For The Schools

The Klager School was closed for four days last week. There was no heat in the building. The inside temperature was in the vicinity of 50 degree F, and this was considered too cold to attempt having school.

The boiler at Klager School has a serious leak which has been getting worse during the school year. It was hoped that it would last until the heating season was over. The repairs made this last week are only temporary and school officials are again hoping to make it through the school year.

Plans have been made to repair or replace the boiler as soon as warm weather arrives.

The boiler at Klager is only one of the heating problems facing the Board of Education at this time. One boiler at the Middle School is damaged beyond repair and has not been operating for over a year. This puts a strain on the remaining boiler. Bids have been taken and a new boiler ordered for installation this summer.

The Hartford Boiler Insurance Company will pay part or all of this cost.

One steam boiler at the Nellie Ackerson School is cracked, as is the boiler at the High School. They both are scheduled for repair this summer. Added to all of this is a problem with thermostats and other controls on heating units in several of the schools. Minneapolis Honeywell is beginning to work on this problem at the High School in the near future.

Every effort is being made to have these boilers and controls thoroughly repaired as economically as possible. There still remains approximately \$23,000 in the fund voted for maintenance a year ago. Supt. Masten has recommended that six tenths of a mill be voted for two years for maintenance. This amount would be deducted from the debt retirement levy for two years, resulting in no tax rate increase. The Board of Education has accepted this recommendation.

Anyone reading the School Buses will wonder just what school system their children are attending.

During the past few days you may have been picked up by a Manchester Bus, but then it may have read Milan, Ann Arbor or Chelsea.

Manchester has six 1971 buses, fully depreciated and on their last legs. "Spike" Benedict, School Mechanic, has been the Miracle Worker in keeping these buses on the road but it has been impossible to repair rust at a cost greater than the cash value of the Bus.

Manchester has a total of sixteen buses for fourteen routes. Two buses were used for spares and some extra trips. A recent state police inspection indicated that one of these buses needed new tires and enough body work to more than offset what the bus is worth. A week ago one of the newer buses threw a rod necessitating a rebuilt motor. Manchester then had no spares. Then last Friday the State Police took four more of the buses off the road because of rust problems. Friday there were not enough buses to get the children home.

Milan and Chelsea came to the rescue and each loaned Manchester a bus for Friday and Monday. On Monday arrangements were made with Ann Arbor to rent three buses for the remainder of the week.

The bus with a new motor is back in service and "Spike" Benedict can hopefully repair the rust on three of the old buses so they can pass inspection.

Manchester will have two new buses delivered within the next two weeks and have three more on order for the next school year.

CHRISTMAS IN APRIL

The Pleasant Lake students thought it was Christmas when they showed up for school Monday morning. Over the weekend the basketball hoops were put up and the dirt around the cement slab was filled in. "Can I have the basketball. Mr. Tubaugh, for recess?" was the big question of the day. The P.T.O. would like to thank Dale Weidmayer, Harold Haessler, Gordon Tuveson, Steve Girbach, Richard Buss and Ray Mazurek for their help in completing the project. The 4th grade got the honor of having their picture in the paper featuring Kevin Weidmayer of the 3rd grade holding the ball. Why? Kevin came to work with SHOVEL in hand and used it!

ATHLETIC BOOSTERS

April 5, 1978

The regular meeting of the Athletic Boosters was opened at 8:05 P.M. Wednesday, April 5, 1978 by President Fitzgerald with 11 members present.

The minutes of the March meeting were read and approved.

The treasurer's report was given and approved.

Joe Fitzgerald said he would like to thank Ted Stautz on behalf of the Boosters for the additional pallets he donated to be used at the track field.

OLD BUSINESS:
A track report was given by Jim Brink. Jim said there were only a couple of things left to do.

Ted Stautz reported that after the wiring to the concession building gets completed that we should proceed with grading the drive.

Joe Fitzgerald reported that the wiring

only needed a few more hours of work. He also reported that the bleachers are done and that the track will be lined by April 13th if not before.

Jim Brink reported that the track shoes for the boys and girls teams were in and ready to be picked up.

He also said that the girls uniforms were on the way but had not arrived yet.

An admission fee to the track meets was discussed. A fee will be determined before the first meet. Betty Ahrens and Joan Brink will be in charge of collecting admission fees.

Jon Hardenberg thanked the Boosters very much for his jacket he received. He really appreciates it.

No committee member was present to give a report on the winter sports banquet. Joe Fitzgerald said that as far as he was concerned everything went well and it was a job well done.

Ted Stautz reported that a meeting was held on March 23rd for Summer Recreation League Slow Pitch. Jerry Ahrens will be chairman with Chuck King assisting him. There are 8 teams signed. A discussion followed.

NEW BUSINESS:
Joe Fitzgerald asked Jim Brink and Wes Gall if they would get together with the other coaches and John Korican and set a firm date for the Spring Banquet.

Tri-chairman for the banquet will be Pat Fitzgerald, Helen Kensler and Kathy Hagerman.

A nominating committee was appointed by President Fitzgerald. Chairman of the committee will be Wes Gall and working with him will be Pat Fitzgerald and Jon Hardenberg. Nominations for all offices are open. Anyone interested please contact a committee member.

Joe Fitzgerald had asked Wes Gall to look into the ideas for a new baseball diamond. A report was given and discussion followed.

Jon Hardenberg asked if anything more

had been done about possibility of a road from high school to the new Athletic Facility, Helen Kensler said nothing had been done yet about it by the school board.

Wes Gall asked about the possibility of getting 20 new shirts for the J.V. baseball team to be used next year. A discussion followed. Helen Kensler made a motion to buy the 20 shirts so to be used this year if possible - seconded by Ted Stautz. Motion carried.

Jim Brink asked if the Boosters would again buy the patterns for the t-shirts for the track team. Joe Fitzgerald said it had been policy in past and we would again do it this year.

Being no further business the meeting was adjourned at 9:40 P.M.

The next regular meeting will be held on Wednesday, May 3, 1978 at 8:00 P.M. at the high school.

Respectfully submitted,
Kathy Hagerman, Secretary

NOTE: Election of officers will be held at the May meeting. Please plan on attending and cast your vote.

47th Anniversary Of Beta Sigma Phi

Beta Sigma Phi a social, cultural and service organization for women, plans the celebration of the 47th anniversary of its founding.

Beta Sigma Phi is the largest women's sorority in the world. Celebrations will take place in the 24 countries in which the organization's 250,000 members in over 12,000 chapters exist. The organization is non-academic, non political and non sectarian. The keynote to Beta Sigma Phi is friendship.

Chapters of five different degrees meet the growing needs of various age groups. Members are active in small chapter

groups. Each chapter adapts the plans for social, civic and service and cultural activities to fit the interests of its members.

When Beta Sigma Phi events or civic endeavors are larger than one chapter can plan alone, all chapters in a city or area may combine their strength. There are state conventions each year which any member may attend.

Internationally, the chapters have created several special funds: The International Loan Fund, through which members help one another; The International Endowment Fund, which has donated over one million dollars to cancer research, cystic fibrosis, homes for underprivileged children, and many other causes; The Exemplar Fund, which helps to support Literacy Village in India; and a college scholarship fund for members or their sons or daughters.

The Founder's Day celebration on May 3rd at the Moose Lodge in Adrian marks the 47th anniversary of the founding. The organization was founded in Abilene, Kansas, by Mr. Walter W. Ross. The anniversary will be observed by the nine chapters here. Lenawee-Washtenaw counties and by all other chapters around the world.

Jeannette Pfeffer of Adrian is serving as chairperson of the Founder's Day activities. The toastmistress for the evening is Mary Frances Fielder of Manchester.

Carol Walter has been selected for the honor of presenting a special message from the sorority's president. She has received the message from the International office in Kansas City, Missouri. Awards will be presented to local members and outstanding members will be recognized.

Fifth Grade Pioneer Days

The last week of Pioneer Days ended on Wednesday, April 26. Projects completed this week included macrame taught by Mrs. Lochey and cornhusk dolls taught by Mrs. Horning and assisted by Mrs. Moulton, Mrs. Jarve, and Mrs. Dettling. The finishing touches were put on the quilt in Mrs. Buss' room with the help of Mrs. Ulicny, Mrs. Ahrens, and Mrs. Ball. Also in Mrs. Buss' room a group learned the Colonial decorative art of stenciling. The square dance group in Miss Dettling's room prepared dances for the Open House while more models, displays, and flags were created in Mrs. Hess' room. Mr. Fielder has helped a group make hornbooks and the hospitality group has gotten things ready for the Open House. They have been helped by Mrs. Settles. The food group has again been filling the halls with tempting aromas. They were helped this week by Mrs. Hamilton, Mrs. Minick, Mrs. Hansen, Mrs. Lockridge, Mrs. Whitehouse and Mrs. Finkbeiner.

Thursday, April 27, has been spent in preparation for the Open House at the Middle School.

Fifth Graders Plan Open House

The fifth graders at the Manchester Middle School are busily finishing many projects from their Pioneer Activities and are preparing a program and Open House for Thursday, April 27, from 7 to 9.

The many projects completed by the students will be on display in the fifth grade classrooms from 7 to 7:45.

At 7:45 a program will be held in the Civic Auditorium. This will include the finals of a Spelling Bee to choose the champion fifth grade speller. There also will be a square dance demonstration and a presentation by the fifth grade band. The public is invited.

Pleasant Lake Third Grade

We finished our Michigan unit. A man came to show us some Indian costumes, weapons and toys.

We made the four stages of a butterfly's life for science.

We had a surprise fire drill before school on Thursday.

Joey and Jeff Knasiak have the chicken-pox.

Pleasant Lake Second Grade

Rita (Mrs. Boyce's sister) came to help us learn. We are learning to spell the days of the week.

Carl O. got his 3rd grade Math book, and we are learning to write the cursive capital.

We have quiet barrels. Quiet barrels

are round cardboard barrels. When someone is in a quiet barrel, you cannot talk to them or they cannot talk to you.

Mrs. Miller brought a lamb to school and we got to pet it.

We got to see an Indian show. We saw what Indians fought with. We saw what Indian girls wore.

Pleasant Lake First Grade

First Graders at Pleasant Lake have been talking about poetry, and how it looks different than reading a book. Here are a few "I" poems.

Community Education

The Spring Programs offered through Community Education begins this week. Over 240 adults and youth have registered for the classes that are starting. This brings the total for the year to over 1200 people who have been involved in some type of Community Education activity. Classes that still have openings on Mondays are Disco Dance and the Jogging Club. Tuesdays are Yoga and Hair Styling. Wednesdays are Macrame, Chair Caning and General Sewing. Thursdays opening is Volleyball. Classes that still have openings for Super Saturday are Beginning Guitar, Woodworking, Drawing and Painting (both age sessions), Cheerleading, Disco Party and Yabo, Daba-Doo Dinosaur Ceramics. To register for any of these classes please call Philip Mains at the Community Education Office at 428-7804.

Celebrates 85th Birthday

A buffet was held Sunday, April 23 at the home of Herman F. Kuebler of Duncan Street in honor of his 85th birthday.

Mr. Kuebler was born April 25, 1893 in Manchester in his parents home on Furnace Street. His father was a tinsmith in the Manchester area. Mr. Kuebler learned the plumbing trade in his late high school years and worked with his father until he opened his own business in 1928. He remained in business until 1962 when he retired at age 69.

THE NAPA SIGN. COUNT ON IT.

Count your savings. Count your many additional maintenance-free miles. Count increased safety for you and your family. Count your blessings, because this sign is the ultimate symbol of expert vehicle care. That's because it is the symbol of NAPA. NAPA is over 50 years old, and in that half century NAPA parts and NAPA people have earned a reputation for quality products, professional service, fast delivery and fair prices. Today that sign stands for over 110,000 top quality parts, many better than original equipment. So, whenever you need professional, dependable service, look for the blue and gold NAPA sign. You can count on it.

Girl's Track

On Monday, April 17, the Girl's Track Team were hosted by Napoleon for their second dual meet. Again, the weather conditions were bad with the temperature in the low 50's. The final outcome of the meet was 87 to 49, Napoleon. Though we lost, there were sometimes improved.

In the long jump Mary Ann Kniyahnycky placed 3rd. Our shot putters did better with Kristi Kemper giving us a first and Linda Schneider fourth. Dianna Clark, placed fourth in high jump.

The discus was a different story. Dianna Clark threw a 93'7" for a first and Brenda Eggleston gave us a second with a throw of 72'1".

Napoleon's talented distance runners dominated the 2 mile run. Laurie Fitzgerald did manage to place a fourth. The 880 run showed improvement. Carol Buss ran a 2:46.7 for a second and Dawn Eversole third with a 2:49.7.

Kristi Kemper placed 2nd in the 100 yard dash and Barb Tanner a fourth. Two freshmen placed well in the 110 low hurdles. Gretchen Platt second and Megeara Quayle third.

Dawn Eversole placed 3rd in the 440 yard run and Carol Buss 4th. Our milers didn't give us any points against Napoleon's experienced runners, many who had participated in cross country.

Napoleon had no chance against our girls in the 220. Finishing first, second and fourth were Gretch Platt, Deanna Clark and Barb Tanner. Deanna cutting off 4/10 of a second from her personal record.

SERVICE NOTES

Marine Second Lieutenant Donald M. Tapping, son of Mr. and Mrs. Theodore H. Tapping Jr. of 520 Summit Road, Manchester, Michigan was graduated from the Navy's Aviation Induction Course. During the four-week course at the Naval Air Station, Pensacola, Florida, trainees studied basic aerodynamics, aviation physiology and engineering. They also studied land and sea survival techniques and participated in an extensive physical fitness curriculum.

AIC is the first step in the Naval flight training program leading to designation as a naval aviator.

A 1972 graduate of Manchester High School and a 1976 graduate of the University of Michigan, Ann Arbor, with a Bachelor of Arts degree, he joined the Marine Corps in September 1976.

Technical Sergeant James A. Dennis, son of Norma Dennis of 8875 M52, Manchester, Michigan and the late Elias T. Dennis, has been visiting with his mother for the last two weeks.

He has been stationed at Elemendorf, AFB Alaska for the last 3 years and is being transferred to Eglin AFB, Florida, where he and his wife, Wanda own a home. Wanda is the daughter of George and Thelma Price of 5303 Shepper Rd., Stockbridge, Michigan.

They have three children James Jr., Kevin and the newest addition Heather. For a first in the family, father, sons and daughter will celebrate their birthdays, all in August.

Sargent Dennis is a 1964 graduate from Manchester High School. He joined the U.S. Air Force soon after graduation and has worked as a Munition Specialist for the past 14 years.

ARE YOU READY?

Are you ready for Saturday's 2nd annual March of Dimes Walkathon? Got your shoes all broke in, your muscles all toned up, your sponsors all pledged, and your enthusiasm at high peak? If so, you are ready, and we are ready for you. The route will be marked early Saturday morning with the funny foot markers. Refreshments, first orders, and communications will be at each checkpoint, to help you along your way. "Poop out Pick up" vehicles are ready to transport those whose feet give out. You will be returned to the high school, where you are asked to please arrange for transportation home, as soon as possible.

You are advised to dress comfortably. Do not wear new shoes or tight clothing. Have some identification with you, and try not to burden yourself with things to carry. Walk with a group of friends, and above all, DO NOT get into any vehicle, that is not clearly marked as a March of Dimes vehicle.

We have a new committee this year, to welcome the walkers as they return to the high school. There will be a banner for those completing the 15 miles to sign, which will be displayed at the fair and other places. There will be a flower crown for the first and last 15 mile walker to return, donated by Baumgartner's Flower Shop. Of course, the Vernors Ginger Ale and chips will be waiting for returning walkers. You will be cheered and hailed the conquerors.

Those turning in their money by May 13, will be eligible for the prize drawing, and there is an impressive list of prizes to be had.

Who is going to take the "Battered Boot Trophy"? This trophy goes to the organization raising the most money. Where will it rest its tired sole and hanging laces for the next year? Is your group working to earn the privilege of displaying this trophy on your shelves for the next year?

See you Saturday, at the high school, 9 a.m., ready to go. If it rains, keep your ear tuned to WNSR for any change of plans.

Of our three relay teams, only one came out in front. The 440 relay team consisting of Mary Ann Kniashnycky, Laura Honer,

MICHIGAN BELL BEGINS CONSTRUCTION PROJECT

Michigan Bell reported today that work has begun on a \$228,000 construction project within the village of Manchester. Don Roth, manager for Michigan Bell, said the project will provide telephone facilities for the growing number of new subscribers and answer the increased need for intercity trunks to Ann Arbor and Chelsea.

The project involves installation of underground conduit and manholes within the eastern section of Manchester to allow for the placement of future telephone cable to serve the area.

Excavation under sidewalks and pavement will take place on Madison, McComb, Duncan, Hibbard, Austin and Riverside Streets.

Roth explained that the work will be accomplished with the least inconvenience to the public and that complete restoration will be made, including the replacement of sidewalks and pavement.

Questions related to this project may be directed to Michigan Bell's underground conduit supervisor by calling, collect, 453-9987.

The project is expected to be completed by mid-summer.

CARD OF THANKS

It is difficult to express adequately my gratitude and appreciation for the caring and assistance given me and my family during my hospitalization. My thanks for all the cards, flowers, food, help in caring for children and emotional support given to us by friends, neighbors, Cub Scouts and school personnel in the community. Harold (Hal) J. Setules

My sincere thanks to my relatives, friends and neighbors for their visits, get well cards, birthday cards and gifts while I was in the hospital and since returning home.

A special thanks to Rev. Wise for his visits. Mac McGuire

Thank you to my family and friends who helped me celebrate my 85th birthday. Herm Keubler

We would like to thank all our wonderful relatives, friends and neighbors for the beautiful flowers, gifts and cards we received for our 50th anniversary celebration. And thanks to all who attended and helped us celebrate. It was wonderful. A very special thanks to our dear children Duane and Elizabeth and grandsons Mark, Gary and Eric.

Words cannot express our appreciation. Ella and Alwin Beuerle

We would like to express our sincere thanks to our relatives, neighbors, and friends for their kind expressions of sympathy during our recent bereavement. We appreciate the donations of food, the memorials and cards.

A special thank you to Pastor Roman Reinick for his visits and prayers for our family during the time of illness and death.

Mrs. Edward Traub
Mr. Loren Traub
Mrs. John E. Nunn and family

We want to extend our appreciation to relatives, neighbors and friends for their expressions of sympathy with cards, calls, flowers and gifts of food brought to us during the hospitalization and death of our father.

Your concern helped us through a trying time.

We thank Rev. Wayne Ferrigan for his comforting words and many home and hospital calls. We appreciate Ron and June Jenters kindness.

MINUTES BOARD OF EDUCATION

These are the proposed minutes of the April 17, 1978 Board of Education meeting. They are not official until approved at the next regular meeting, along with any corrections made by the Board.

April 17, 1978

The meeting was called to order at 7:05 P.M. in the High School Library by President William Bunney. Board Members present: Feldkamp, Walkow, Westfall, Kensler, Mick, Macomber, and Bunney. Nays - 0, Motion carried.

Administrators Present: Masten, McGuire, Schiek, and Tassie.
Secretary Kensler read a request from Ann Clark, a Bus Driver in regard to paying for the noon Special Ed. run to Chelsea on the same basis as Kingergarten bus, making the pay retroactive to the beginning of the School year. Pres. Bunney referred this to Mr. McGuire and the Transportation Committee.

APPROVAL OF MINUTES
Pres. Bunney asked if there were additions or corrections to the following minutes:

Executive Session of February 20, 1978—Moved by Westfall, supported by Walkow and Tassie, the minutes of the discussion held at executive session February 20, 1978, approved as presented. All yeas. Motion carried.

Regular Meeting of March 20, 1978—Moved by Walkow supported by Feldkamp at the Minutes of the Regular Meeting

held March 20, be approved as presented. All yeas. Motion carried.

Special Meeting of April 3, 1978—Moved by Walkow supported by Feldkamp that the minutes of the Special Meeting held on April 3 be approved as presented. Abstain - Westfall, Yeas - Feldkamp, Walkow, Kensler, Mick, Macomber and Bunney. Nays - 0, Motion carried.

BUS INSPECTION
Mr. Masten reported our buses had been inspected by the State Police on Good Friday. Several were "red tagged". Most of the deficiencies were minor and all but one is back on the road.

ATHLETIC AND SCHOOL SERVICE ACCOUNTS

Mr. McGuire gave the Financial Report on the Athletic and School Service Accounts as of March 31, 1978. The Athletic Account balance was \$2,230.93, Food Services \$675.01, Milk Account \$1,579.41. Total Balance as of March 31, 1978, is \$4,485.35. The March 31, 1978 balance in the Internal Account is \$31,816.10.

VANDALISM

Mr. Masten reported there had been some vandalism in the High School sometime Saturday night. At this time no one has been apprehended but the police are still working on this incident. He reported that materials cost for this vandalism is in excess of \$200.00, plus several days of added labor.

BOILERS

Mr. Masten reported he had been in contact with the Hartford Boiler Insurance Co. and had been authorized to issue a Purchase Order to order a new boiler for the Middle School.

People from Minneapolis-Honeywell had been contacted to come out and survey the thermostats and controls at the High School to try and establish a cost figure to repair or replace the faulty ones.

Mr. Masten informed the Board that Young & Ost Plumbing and Heating would have a certified boiler welder look at the boiler at Klager School to see if it could be repaired or if it needed to be replaced.

8TH GRADE CHICAGO TRIP
After a discussion, it was moved by Mick, supported by Macomber that the 8th Grade Trip to Chicago May 18th and 19th be approved. All yeas. Motion carried.

4TH GRADE HOLLAND TRIP
Moved by Kensler that the Fourth Grade Trip to Holland on May 11th and 12th be approved. Supported by Westfall. All yeas. Motion carried.

ANNUAL ELECTION

After a discussion, it was moved by

Westfall that the Board request 17.78 mills renewal for a period of 2 years. Supported by Walkow. All yeas. Motion carried.

The board discussed the many critical maintenance needs of the district. Mr. Masten reported that approximately \$25,000 was still available in the I Mill Fund voted two years ago. However, the very critical repairs and replacement needed in various schools exceed an estimated cost of \$100,000.

A plan to reduce the dept tax for two years by .6 mill and deplete the excess reserves and request .6 mills for two years for maintenance was discussed.

It was consensus opinion that this would be the best way to finance the repairs needed without increasing the tax rate over last years level.

Moved by Kensler that the Board request .6 of a mill for 2 years for maintenance. Supported by Walkow. All yeas. Motion carried.

The official notice to hold the annual election prepared by school attorney was presented. Moved by Westfall the approval of the resolution to call the annual school election. (Resolution to be printed in two issues of the Manchester Enterprise at a later date). Supported by Feldkamp. All yeas. Motion carried.

The official notice of last day of registration prepared by school attorneys was presented. Moved by Westfall that the last day of registration notice (this notice to be published twice in future editions of the Manchester Enterprise). Seconded by Kensler. All yeas. Motion carried.

HOT LUNCH ADVISORY NOTE

Moved by Kensler that an advisory note pertaining to developing a Hot Lunch Program in the Manchester Community Schools be presented to voters at the Annual June Election. Supported by Mick, Yeas-Westfall, Kensler, Mick, Macomber and Bunney. Nays-Feldkamp and Walkow. Motion carried.

After a discussion it was moved by Mick that the following unofficial school election proposition be presented at the

MINUTES BOARD OF EDUCATION

Annual Election with the results of such vote being considered advisory to future actions of the Board: "Shall the Board of Education develop a Federally subsidized Hot Lunch Program for the Manchester Community Schools and request the necessary Federal, State and Local funds to house, equip and operate such a program". Seconded by Macomber. All yeas. Motion carried.

PROPOSED BOARD POLICY
 The next item on the agenda was the reading of the Proposed Board Policy.

Moved by Mick that the following policy be adopted:

BE IT RESOLVED
 That it shall be the policy of the Board of Education of the Manchester Community Schools to conduct all meetings in public with all discussion and action being conducted in public in accordance with the Laws of the State of Michigan.

BE IT FURTHER RESOLVED

1. That the Board shall develop operating procedures providing for conducting board business in an orderly manner, such procedure shall allow public input at designated times on the agenda, but shall prohibit interruptions during board discussion and action.

2. Provisions shall be made for the

general public to have items placed on the agenda that have failed to be solved at staff level.

3. Provisions shall be made for publishing the agenda prior to regular board meetings.

4. Provisions shall be made for making available to citizens of the district, upon request, facts, reports and materials in the condition maintained with the exception of confidential personnel folders and student records.

5. Provisions will be made for official action on items on the agenda only, unless the board by majority vote determines that an item not included on the agenda is of such emergency that it cannot be referred to staff or a future agenda.

6. Provisions for individual board members to help citizens bring concerns to proper staff levels and also have those concerns not satisfactorily solved at staff level placed on a future Board agenda.

Supported by Macomber. All yeas. Motion carried.

SCHOOL BUS BIDS

Consideration next by the Board of Education were bids received for new buses. Mr. Masten reported that 6 1971 buses are completely depreciated and their mechanical condition is such that they should not be used for regular routes in future years. He also reported that two buses are not in operation because

mechanical problems and the district is operating presently with no spares for use in everyday situation. Mr. Walkowe reported that the Transportation Committee had inspected these buses and agreed the 1971 buses should be replaced.

Bids received were: Buses in stock (two available) Ford chassis with Superior Bodies \$17,624 each. Buses to be ordered for late Summer delivery. Chassis Bids: Widmayer Ford - \$10,215 each, add \$120 for mud and snow tire, deduct \$329.00 for deleting interlocking brake features.

Tirb Chevrolet - \$9,475 each, add \$125 for mud and snow tires. Bodies - Superior 66 passenger \$8,090 each. Wayne 66 passenger \$8,087 each.

Moved by Walkowe that two stock buses with Superior Bodies and Ford Chassis be purchased for immediate delivery from Widmayer Ford for the total price of \$35,248. Supported by Kensler. All yeas. Motion carried.

Moved by Feldkamp that three Superior Bus bodies be purchased from Classrooms Incorporated for the total price of \$24,270. Supported by Walkowe. All yeas. Motion carried.

Moved by Feldkamp that three Chevrolet Bus chassis be purchased from Tirb Chevrolet with 2 chassis having mud and snow tires for the total price of \$28,675.00. Supported by Kensler. All yeas. Motion carried.

Moved by Kensler that we adopt the following resolution: Be it resolved that the two buses purchased from Widmayer Ford be financed on a 6 year repayment plan with the Union Savings Bank at a simple interest rate of 5% per annum. Supported by Walkowe. Abstain - Feldkamp, Yeas-Walkowe, Westfall, Kensler, Mick, Macomber and Bunney. Nays-0. **PROPOSED SCHOOL CALENDAR FOR 1978-79**

Moved by Kensler that the school calendar for the 1978-79 school year include 182 student instruction days with school beginning September 5th, 1978, and ending June 8th, 1979. Further there be five

additional teacher work days, two before school, one at the end of the first semester and two after school and further that six evenings be scheduled for teacher-parent conferences with Christmas vacation being December 21 through January 1st and Spring vacation being April 9th through April 13th. Supported by Westfall. All yeas. Motion carried.

READING PROGRAM
 Mr. McGuire reported that Title IVB funds in the amount of \$1,250 were available to purchase a dry copier to utilize more individual reading materials. The Board would have to contribute approximately \$450 to complete the purchase.

Moved by Feldkamp that the Board of Education authorize up to \$450 to be used to match in excess of \$1,200 of Federal Funds in the purchase of a dry copier to be used for individualized reading programs. Supported by Mick. All yeas. Motion carried.

Mrs. Kensler asked what will happen to funds left in the internal accounts for organizations that no longer exist.

Mr. Masten answered that this would be considered by the Board Finance Committee and they would have a recommendation at a future meeting.

After a short discussion with visitors, it was moved by Walkowe that the meeting be adjourned. Supported by Westfall. All yeas. Motion carried.

Meeting adjourned at 10:35 P.M. Respectfully submitted.

National Hospital Week
May 7-13, 1978

"Saline Community Hospital wishes their hospital service area well this week and all other 51 weeks of the year," said Mr. William Lavery, hospital administrator, in announcing the start of National Hospital Week, 1978 (May 7-13).

National Hospital Week is an annual observance sponsored by the American Hospital Association and its member hospitals to show appreciation for the work done by hospital employees and to encourage hospital-community interaction.

This year's plans for National Hospital Week at Saline Community Hospital in-

It hasn't been that many years ago when people avoided a checking account because they could never agree with the bank's month end figures.

Human error.

Then came the computer. Early computers were nearly as bad as the human error factor. Remember the stories that floated around about a computer error that credited millions of dollars to some accounts?

Well, times have changed. Improvements have been made.

Of course, mistakes still occur, but rarely. Today's computer technology seldom makes a mistake.

Now an individual can depend on his checking account balance, normally, to be in line with the bank's figures.

If you're living in yesteryear with a checking - account - balance - keeping - doubt, forget it.

Come on in, start enjoying checking account benefits.

clude: blood screening, blood pressure clinics, tours and displays of hospital departments, films and literature on alcoholism, smoking, heart disease, high blood pressure, diabetes, and cancer. All activities are offered free to the public. A schedule of the above events will be published in next week's paper.

"This year's theme, "Hospitals Wish You Well," carries a goodwill message from hospitals for the continued or renewed good health of everyone in the community," said Mr. Lavery. "And we'd

like to make this an occasion to remind people that good health doesn't just happen, it takes effort.

"We hope that National Hospital Week will signal the need to change unhealthy lifestyle patterns -- like smoking, eating or drinking to excess, getting too little rest or exercise, or not having the routine medical care recommended by your doctor. National Hospital Week is an appropriate time to start doing what you can to stay out of the hospital," Lavery concluded.

Donkey Basketball Game April 27th

Donkey ball will take place this Thursday, April 27, at the Manchester High School Gym. Game time is expected to be 7:00 p.m. Tickets are being sold in advance by the Manchester F.F.A. Adults are \$1.50 in advance and \$2.00 at the door, students are 75¢ in advance and \$1.00 at the door. Pre-school FREE.

This classic battle will be the best 2 out of 3 with the Manchester Faculty

taking on the F.F.A. members. "GO FACULTY!"

Donkey ball is played a little different than your ordinary basketball, in that you only have 4 members per team on the court at a time. The faculty line-up will start out with Doug McLeod riding Beetle Bomb, Ron Jansen on Super Stupid, Brian Schick riding Rigor Mortis, Jim Brink riding Honey Pot, the world's buckinest donkey. Other riders will include Mark Scheick, Jim Rammul, Bill Symons, Mike Mouradian, Wes Gall, and Graig Outwater. We will be Victorious.

Hope to share a laugh with you while supporting our local F.F.A. Chapter.

MANCHESTER LOSES 2nd IN A ROW

On Thursday, April 20, Manchester hosted the 12th annual very cold, very wet day. Times were hampered by the weather and some performances were very poor. Here are the results of the meet which lasted from 10:30 a.m. to 5:30 p.m. Shot put—Bob Weirich 40'7"—1st, high jump—Weirich 5'4"—2nd, long jump—Rowe 19'1 1/2"—1st, Daniels 18' 1"—2nd, pole vault—Brown and Eversole tie for 4th, 3000 meters—Keith Moore 9:27.5—1st, K. Norgaard 10:38.5—4th, 500 M. LH—Tassie 42:35—1st, 500 M. relay—145.7—2nd—Manchester, 500 meters—Eversole—2:04.5—1st, 100 meters—G. Daniels—12.9—3rd, 110 high hurdles—Rowe—17.0—3rd, 400 meters—Eversole 53.9—1st, 1500 meters—Moore—4:17—1st, and 200 mile dash—Daniels—25.1—3rd.

SPRINGPORT INVITATIONAL

Last Saturday, the Dutch Track team traveled to Springport for their first outdoor invitational. For the most part the meet was disappointing as Manchester had had at least three meets a week for the last 2 weeks and are beginning to feel the strain. Anyway, here are the results. The highlight of the meet for Manchester was the first and third finish in the long jump by Terry Rowe and Mark Daniels. These two will continue to improve and have a very good chance for first and second in our league. Terry jumped 20'7" for 1st and Mark jumped 19'9 1/4" for 3rd.

Keith Moore picked up two medals as he placed 2nd in the 2 mile with a time of 9:57. Later in the meet he came back and placed 3rd in the mile with a 4:40 clocking.

The final medal winners was the freshman relay team of Sprule, Kempf, Fran and Brooker who tied for 2nd with Stockbridge with a total 550 relay time of 1:45.2. The rest of the places and times are as follows: 100 yd. dash—Mooneyham—12.0 and Actzenberg—12.2, high hurdles—Mooney-

ham 13.6, high hurdles—Mooneyham 13.6, 220—G. Daniels 25.7 and Actzenberg 25.8, 2 mile—Kurt Norgaard 10:32.2, 350 low hurdles—Tassie 43.4, 880 relay—Rowe 24.8, G. Daniels 25.5, T. Tassie 24.5 and M. Daniels 25.3, 1:40.1, 850 run—Eversole 2:03.8 and Boody 2:15.9, 440 relay—Rowe 12.6, Dresch 12.6, Mooneyham 11.5 and G. Daniels 11.5, 48.2, shot put—D. Clark 27' 10 1/2" and B. Weirich 39'1", and pole vault—Terry Brown 10' 6".

TRACK NEWS

On Tuesday, April 18th, the Dutch Track team faced a very tough Napoleon team. This was Manchester's first home meet on their new track but it wasn't enough to have the home advantage as Napoleon won it 91 1/2 to 66 1/2.

Winners for Manchester were: Terry Rowe—long jump—19' 10 1/4", Terry Brown—pole vault—11'0", Keith Moore—3000 meters—9:14, Keith Moore—1500 meters—4:23.5, Steve Eversole—500 and 400 meters—2:06 and 54.3 respectively, 400 meter relay of Dresch, Mooneyham, Daniels and Rowe—50.15.

Last Thursday, our Dutch Track Team opened their outdoor season with their first league dual meet at Hudson. "The meet was a thriller to the end" exclaimed Manchester's Coach Jim Brink. The two teams battled back and forth and when the dust had settled they were dead locked 79 to 79. The whole team put out as there was many individual winners. This meet was a confidence winner for the Dutch since they are in a rebuilding stage. Here are the results.

Keith Moore started out as one of three double winners for Manchester. Keith clocked a 10:08.7 2 mile for 1st and later won the mile unpressed in a time of 4:43.5. Another distance runner for Manchester also doubled as Steve Eversole picked up where he left off last year by winning the 1/2 mile by forty yards in 2:05 and then running a 34.6 1/4 mile for 1st. The third double winner was Mark Daniels. Mark is the one to watch in the

long jump as he won it with a jump of 19' 11 1/4". He then won the 220 yd. dash with a super time of 25.3. Other winners were: Tom Tassie—330 yd. low hurdles—43.3, 440 relay team of Mooneyham, Kempf, Daniels and Dresch 50.2 and pole vault—Terry Brown 11'9".

MANCHESTER DEFEATS MORENCI

The Manchester varsity softball team defeated Morenci 7-6, in a come from behind effort. The Dutch collected 9 hits, 5 walks, and 6 stolen bases which pressured the Bulldog defense.

The batting attack was led by Bernie Fielder, Kim Duke and Kathy Rose, as well as Michelle Kempf who collected 3 RBIs. It was a total defensive effort that kept Morenci constantly alert. Kay DeClaire went the distance on the mound, allowing only 5 hits, and picking up her third victory of the season.

The Ecology Club would again like to remind people to take their glass to the recycling bin at the dump. We would appreciate it if you would: Separate glass by color. Remove metal and plastic lids. Do not throw garbage in bin. Recycle glass it helps indirectly conserve energy. Thank you and Help Keep America Beautiful!

Fun, Thrills and Spills Sunday, May 21st

A day of fun, thrills and perhaps spills is in store for participants in this year's annual boat and canoe race.

The historic and scenic Raisin River at Manchester is the setting for the 12th Annual Amateur Boat and Canoe Race to be held Sunday, May 21.

This exciting event, sponsored by the Manchester Optimist Club, draws scores of contestants from the area. Hundreds of spectators will line the river banks to watch the start and finish. They will be rooting on their favorite participants who enter the race to test their skill and endurance and to have a lot of fun along with some thrills and by chance even a spill or two.

At 1:30 P.M. the first contestants will begin their adventure packed journey from the famous Fellow's Bridge, northwest of town and if all goes well will finish at the Main Street Bridge in Manchester.

This year there will be competition in seven classes: Ladies Boat, Open Canoe, Open Partner; Man and Woman Canoe; Ladies Canoe; Open Partner; Father and Son Canoe; Open Boat, Choose Partner; Open Canoe, Choose Partner; Open Canoe Sprint Race. Trophies will be awarded to entrants finishing first, second and third in each class.

Persons wishing to participate may obtain a copy of the rules and register at the Gulf Oil Station or at the Gamble's Store in Manchester. There is an entry fee of \$3.00 per participant.

ART GALLERY OPEN HOUSE SATURDAY, MAY 6

Opening this Saturday is a new and welcome addition to Manchester's downtown area. The Manchester Art Gallery will hold an Open House from 10:00 a.m. to 4:00 p.m. on Saturday, May 6. The Art Gallery is in the same building as the Repertory Theater on Main Street.

Local artists and craftsmen will be displaying their works, including pottery, water color, macrame, oil and acrylic, weaving, leaded glass and needlework items. Many of these will be for sale.

The Manchester Art Guild is a non-profit organization founded to promote an appreciation of arts and preserve the heritage crafts. From time to time classes and workshops will be offered to the public for nominal fees. This money will be used to further an interest in the arts in Manchester. Workshops in pottery for adults and children and a workshop in weaving will be offered soon. Please contact any member of the Art Guild if you are interested in joining, donating time or money, or registering for a class or workshop. "End of An Era"

Alfred "Stubby" Strang and Russ Copeman, Vice President of Manufacturing.

Friday, April 28, marked the end of an era when Alfred "Stubby" Strang punched his time card for the last time. Stubby was the last employee of Double A Products Co. to have worked for the company when its business was still located in Ann Arbor.

As a 23 year old youth he joined the company in February of 1937 at the vast sum of 35 cents an hour. At that time Double A employed about 50 people.

In 1940 the company, headed by Mr. Herbert Upton, moved the plant to Manchester. Strang was one of the 22 men who decided to make the move with the company. Now instead of making jig saws and power hand tools he was helping to build the new plant, even trying to lay the footing during a blinding snow storm on May 1, 1940.

Stubby was honored at a retirement party Friday night, ending 41 years as a conscientious worker.

Retirement plans include fishing and water skiing at his cottage at Wamples Lake and tending his garden and working in his workshop at home.

MICHIGAN WEEK PROCLAMATION

WHEREAS, The period from May 20 to 27 has been set aside for the 25th annual observance of MICHIGAN WEEK, and

WHEREAS, the objective of this annual event is to give Michigan citizens greater knowledge and appreciation of their state and their own communities; to tell the world about our assets and resources, advantages and opportunities, and to foster a spirit of cooperation among all Michigan communities and people so that they will work together to make our state even more attractive, and

WHEREAS, the theme of this year's observance, "Enjoy Michigan Hospitality", accents the concept of our friendliness and courtesy to neighbors and visitors alike, of our willingness to share our bounty and joy with our fellows.

THEREFORE, I Jeffery K. Schaffer, Mayor of the Village of Manchester, do hereby proclaim May 20 to 27 as Michigan Week and urge all citizens of our community to show their pride in our state and our community and to participate actively in the celebration of MICHIGAN WEEK.

ELAINE CREECH GIRL OF THE YEAR

Ni Epsilon Iota, Exemplar chapter of Beta Sigma Phi, awarded to Elaine Creech the honor of Girl of the Year. This event took place Saturday the 29th of April at Weber's in Ann Arbor celebrating the 47th anniversary of Beta Sigma Phi's founding.

This honor is presented to a chapter member who contributes much time and effort into the chapter and its activities throughout the year. Elaine's abilities were numerous. She was always there, ready, willing and able to fill in and take over to get a job done and done well! She has an ever ready smile, a listening ear, someone you can always count on and trust, and a lot of strength and support for the chapter. She has exemplified the best of ones abilities as a member of the Beta Sigma Phi, a true friend, the loveliest minded, and most admired and respected by her sisters. Elaine lives at 19021 Sandborn Road with husband, Jack, and 2 children, Kevin and Eric.

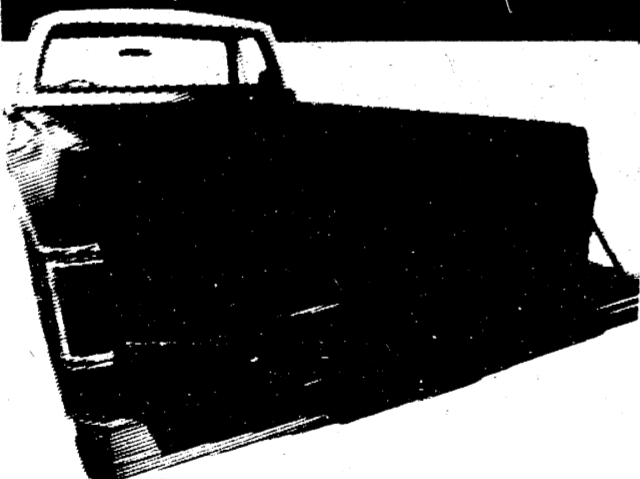

Congratulations to a very deserving lady!!!
