### BWARE OF THE CARROT!

More and more individuals and organizations are publicly revealing the ridiculous methodology in research and statistics used by food faddists to support their suggested bans. The Northern California Section of the Institute of Food Technologists came up with its own tongue-in-cheek analysis of that methodology: "Carrots will kill you! Every carrot you eat brings you nearer to death. Although leading horticulturists have long known that *Daucus Carota* is a delicious vegetable, the thinking man has failed to phrase: "Sure it helps your night vision, but what does it do to your liver?" "Carrots are associated with all the major diseases of the body. Eating them breeds wars and Communism. They can be related to most airline tragedies. Auto accidents are caused by carrots. There exists a positive relationship between crime waves and consumption of this vegetable. For example: "—Nearly all sick people have eaten carrots. The effects are obviously cumulative. "—99.9% of all people who die from

cancer have eaten carrots. "—99.9% of all American soldiers have eaten carrots. "—96.8% of all Red sympathizers have eaten carrots. "—99.9% of the people involved in air and auto accidents ate carrots within 60 days preceding the accident. "—83.1% of juvenile delinquents come from homes where carrots are served frequently. "Evidence points to the long-term effects of carrot-eating: "Of the people born in 1839 who later dine on carrots, there has been a 100% mortality. "All carrot eaters born between 1849 and 1859 have wrinkled skin, have lost most of their teeth, have brittle bones and falling eyesight. If theills of eating carrots have not already caused their death. "Even more convincing is the report of a noted team of medical specialists; rats force-fed with 20 pounds of carrots per day for 30 days developed bulging abdomens. Their appetites for wholesome food were destroyed. "The only way to avoid the deleterious effects of carrot-eating is to change the eating habits. Eat orchid petal soup. Practically no one has any problem from eating orchid petal soup."

## Junior Symphony Final Performance Of Season

Manchester Junior Symphony will perform for the last time this season on Friday evening at 7:00 in the Civic Auditorium (Middle School Gym). This concert will be a short presentation of the music the orchestra played on its spring tour. Year end awards and recognition will be made at that time. There also will be a few solo presentations from students who have been studying privately with cadet teachers. A special treat will be a violin duet performed by Lori Gonyer and Cathy Tobias, assistant directors of the Junior Symphony. This concert is open to the public and free of charge.

On Wednesday of this week the Junior Symphony went on a spring tour. They played at Klager, Pleasant Lake and High-point schools. At each of these concerts the orchestra gave individual demonstrations of each instrument as well as playing several favorite pieces together.

The Junior Symphony is supported by a grant from the Michigan Council for the Arts and by contributions from the community. We would like to take this opportunity to thank our sponsors: Mr. and Mrs. Willard Hanks, Mrs. Margaret Thorpe, Judge and Mrs. John Feikens, Mr. and Mrs. Louis Vogel, Mrs. David Wahl, Mr. and Mrs. Gordon Tuveson, Mr. and Mrs. Edmund Zyromski, Mr. and Mrs. Joseph Moore, Mr. and Mrs. Dan J. Boutell, Manchester Jaycee Auxiliary, Manchester Optimists, Dr. Glen Lehr, Mr. and Mrs. Craig Rice, Mr. and Mrs. Harold Settles and Jessie Blakeslee Memorial Fund.

We also give our appreciation to the helpful staff at the Black Sheep Repertory Theatre. Thanks to everyone who helped make this, our first season, a success.

Carol Mae Blumenauer, daughter of Mr. and Mrs. Willard H. Blumenauer of 10833 Parr Rd., Manchester, has been named Salutatorian of the 1978 graduating class from Manchester High School.

Carol has achieved a 3.9705 academic average on a 4.000 scale. She has been very active in class projects and has served as Junior class secretary. Carol has played four years of basketball and was a Tri-Captain this past year. Carol has also served for the past 2 years as official scorekeeper for the Volleyball and Softball teams. She has been an Optimist "Outstanding Student of the Month", and a member of the National Honor Society. Her hobbies are gardening, being out-of-doors and all sports.

Computer programming at Washtenaw Community College is in Carol's future.

### MANCHESTER VILLAGE PLANNING COMMISSION

March 22, 1978

A special meeting of the Manchester Village Planning Commission was held at the Village Hall, with members present: Bronck, Leeson, Chapin, Daniels, Krass, Althaus, and Tracy.

The meeting was called to order at 7:35 P.M., by Chairman Bronck.

Minutes of the March 1 meeting were read, and on the motion by Althaus, seconded by Chapin, were unanimously approved.

Mr. Joe Alexander was in attendance to explain his tentative plans for a sandwich shop at the location of the flower shop and greenhouse in the corner of Vernon and Liberty Streets. The area is presently zoned R-1B (Single-Family Urban Residential District), and there is no provision for such a facility. It therefore would be necessary to rezone. Mr. Alexander does not at the present time

have complete information as to exact property involved, so action was tabled pending more complete information. Doctor Irving has filed a request, dated March 22, 1978, for a conditional use permit to establish a professional medical office on the property located at 515 West Main Street, in Manchester. His letter is accompanied by the required property description, and filing fee; site plan sketch has been filed previously. It was moved by Krass that we recommend to Council that the foregoing use permit be granted. The motion was seconded by Tracy, and unanimously approved.

Ms. Linda Byce was present to explain her work in a review of Village parks, open spaces, and recreational facilities, in order to prepare a Master Plan to submit for funding from various sources. A general discussion was held regarding inventory of some park areas and goals for development and upkeep of existing properties, and possible acquisition of others. Ms. Byce submitted a tentative outline of goals as she outlines them at this time. Questions and suggestions were voiced, consensus approval was enthusiastic, and assistance in furtherance of the project was offered.

The meeting was declared adjourned, at 8:55 P.M.

Lawrie F. Leeson, Secretary

### Give A Kid A Summer Coach

Organized physical activity for youngsters is very important for many reasons. I believe that its just great that a community such as ours is able to offer to our youngsters the opportunity to play T-Ball and/or Little League this summer.

However, this experience may not be realized for some youngsters unless parents become involved. We desperately need managers for both T-Ball and Little League. Now most of you will attend the games to see your child play anyway. And we are at the point where "the someone else can do it" isn't there to do it. So we need you! Give a kid a summer-coach!

What do you have to do and how much time does it involve? Not that much time and in return you will be richly rewarded. We will hold the draft and pick teams Monday, May 15. You decide when practice is - usually Saturdays. The games will not start until June 5, 1978 (2 games a week)

Remember that the purpose is for all to have fun. If you cannot swing it by yourself, get someone to help out. Helping out is what its all about. Give a kid a summer - Coach! You may contact me at school 728-3321 or at home, 517-423-2682 or come to try-outs this Saturday. Thanks so much! Bert Bartels

### UNION SAVINGS BANK PROMOTES TWO OFFICERS

Richard Z. Wolf, President and Chief Executive Officer of Union Savings Bank in Manchester, Monday announced the promotion of former Senior Vice President Jack Kennedy to the position of Executive Vice President and Senior Loan Officer of Union Savings Bank.

At the same time the promotion of Kennedy was announced, Wolf also announced the naming of David A. Pratt to the office of Vice President of Union Savings Bank with special duties in the installment loan area.

"The Board of Directors of the Union Savings Bank join me in acknowledging my pride in having men of Kennedy's and Pratt's stature and ability associated with our bank," Wolf stated.

Union Savings Bank has its main office in downtown Manchester and operates two branches, one at Pleasant Lake and the other at Bridgewater.

Wolf stated, "Kennedy's new position sees him in charge of all lending functions of the bank and he will be reporting directly to me."

Kennedy joined the staff of Union Savings Bank in September of 1972 as Assistant Vice President. He was later promoted Senior Vice President in May of 1976. Prior to coming to Manchester, Jack was Assistant Manager of the Personal Credit Department of Marine Midland Bank in Buffalo, New York, having been with Marine Midland Bank since October 1964. Kennedy is a graduate of the State University of New York at Buffalo, the Marine Midland Time Plan Training Program, 1968; Robert Morris Associates Commercial Lending Officers Program, 78; the University of Oklahoma's National Installment Credit School, 1974; and Ohio State University's National School Real Estate Finance, 1977.

Kennedy is currently the President of Jackson (Michigan) Area Credit and Lending Association 1977-78, A Fellow of the Society of Certified Consumer Credit Executives, and member in the American Institute of Banking, American Bankers Assoc., Michigan Bankers Assoc. and the Robert Morris Associates.

Kennedy is married to the former Barbara Ann Wilson of Grand Island, New York. The couple have three children Barbara Ann, Jimmy John and Patrick.

The family resides at 404 East Main Street in Manchester.

Pratt is a 1974 graduate of Eastern Michigan University with a BBA in finance and accounting. He has attended a number of A.I.B. classes held at the University of Michigan, is a graduate of the Robert Morris Associates Commercial Lending Officers Program and is a second year student of the School of Banking at Central Michigan University.

Pratt has been associated with Union Savings Bank since 1974 when he began his banking career as a management trainee. In 1976 he was promoted to the position of Assistant Cashier. Since 1976 Pratt has been active in all areas of lending.

He belongs to the Jackson Area Credit and Collections Association, American Institute of Banking, American Bankers Association and the Michigan Bankers Association.

### SPORTS IN SHORT

By Jon Hardenbergh  
I guess I've been sort of napping mentally since basketball so therefore have missed the past weeks of sports. Until the spring activities conclude I'll keep you tuned in.

On Monday, May 1st, we faced the Onsted girls in track. We were quite overpowered as the final tally read 94 to 42. Dutch winners were: Shot put-Deanna Clark, 31' 11 1/2"; discus-Deanna Clark, 89' 5 1/2"; high jump-Karla Taurialainen, 4'4"; 800 yard run-Dawn Eversole, 2:44.53; mile run-Carol Buss, 6:22.7.

On Tuesday, there was joy and sadness, first our Varsity boys' baseball appeared to be handling Grass Lake as they chalked up 4 in the first inning. But the Warriors got 1 in the 2nd, 2 in the 3rd and 4 in the 5th to end it 8 to 5.

Happiness reigned at our track as the boys smoked Whitmore Lake 110-49. Top point getters were: shot put-Dana Clark, 35'7"; long jump-Terry Rowe, 18'8 3/4"; pole vault-Terry Brown, 12'; 3000 meter run-Kurt Norgaard, 10:03.7; 300 meter high hurdles-Tom Tassie, :43.3; 800 meter relay-Eversole, Tassie, Dresch, Daniels, 1:41.0; 800 meter run-Keith Moore, 2:07.4; 100 meter high hurdles-Terry Rowe, 16.8; 400 meter run-Steve Eversole, :54.9; 1500

Tom Tassie wins 300 meter lows in 43.3.

meter run-Keith Moore.  
On Wednesday, jubilation roared for the Varsity boys. It was the day for pitchers but we got enough runs to win. By the way, it was a double-header we swept over Hudson. Steve Melcher was the winning thrower of both as he shut-out Hudson in the first 2-0. This contest went 6 full innings scoreless and we tallied 2 in the top of the 7th to win. The next game took a 1-0 lead thru 3 but the Tigers tied it in the 4th. We broke the deadlock in the 6th but Hudson knotted it in their half 2-2. We banded in 3 in the 7th as Hudson laid the egg "0" so we left 5-2.

Thursday was not good as the girls track hosted Addison and Addison left 92-44 victors. We captured top spot in 3 events: shot put-Deanna Clark, 32'9"; 800-Dawn Eversole, 2:41.7; 440-Dawn Eversole, 67.8.

The boys track trekked to Addison to come up short 61 1/2 to 91 1/2. Dutch Winners: long jump-Terry Rowe, 19' 9 1/2"; two mile-Keith Moore, 10:17.1; 330 low hurdles-Tom Tassie :42.4; 800 yard run-Steve Eversole, 2:06.7; high hurdles-Terry Rowe, :17.0; mile run-Keith Moore, 4:45.4; we also won the 440 relay in :47.8.

On Friday, the Varsity boy hurdlers made it 3 straight. It was a day of rain, rain and more rain but Rick Stetler somehow held the ball to throw a 2 hitter. Rick walked 6 and hit 3 but Onsted crossed home only once in the 2nd. Jim Lenhart led the swingers with 3 hits as Curt Fielder smashed a 3 bagger. Final was 4-1.

UP-COMING SPORTS  
Wednesday, May 10, Boys Varsity Baseballers host Addison. Girls Varsity Softball at Addison.  
Thursday, May 11, Boy's Track at Blissfield.  
Friday, May 12, Boys Varsity Baseball at Morenci. Girls Varsity Softball host Morenci.  
Saturday, May 13, Boys Varsity Baseball at Napoleon Invitational. Boys Track at Addison relays.  
Tuesday, May 16, Boys Track host Clinton.

The toast to daughters was given by Mrs. Gordon Tuveson with the responding toast to mothers presented by three of Mrs. Tuveson's daughters; Karen, Lisa and Ann. The Manchester Varsity Choir, under the direction of Mr. Roger Harrison, added to the festivities of the day by singing songs from the era of the 40's thru the present day. Mrs. Ed Walz and Mrs. William Walkow were the chairman and co-chairman respectively with the Knights of Columbus catering the meal. The program ended with everyone singing the hymn "Tis the Month of Our Mother", a salute to our Blessed Mother.

## 18th District State Senate Candidates

Today Jerry Klein, President of the Ann Arbor Board of Realtors and owner of an Ann Arbor real estate firm, announced his candidacy for the Republican nomination for State Senator in the 18th district. The 18th District includes all of Washtenaw County, parts of Lenawee, Jackson, and Livingston Counties. Senator Robert Bursley, who is retiring, presently occupies the 18th District seat.  
Klein said, "There is something fundamentally wrong in the way our government and our society are being run. We are being eaten alive by rising taxes, rising prices, red tape, and regulation. Government is growing faster than the rest of society and its overspending pushes taxes and causes inflation. Further, we are being forced to do the bidding of the bureaucrats and the politicians, instead of government serving the people."  
"We are being treated as if we are things or as numbers on some huge list. Politicians are trying to run our lives. For one, am sick and tired of being lied and manipulated and this is why I am running for office. I intend to shove it back for the people."  
The candidate continued, "What we need

in Lansing are representatives whose only ideology is common sense and a desire to serve. As a small businessman I have spent my life serving people. I will continue to serve the people when elected and I will serve them as unique individuals not numbers."  
Klein added, "Our basic industries in the 18th District need a government that helps and does not hinder them. The automobile and auto supplier industries are having a hard time competing with imports. Jobs are being threatened because of red tape, harassment, and high costs due to excessive government."  
"The government also wastes enormous amounts of money, yet our Universities - U of M and Eastern - are starving for added funds to help them adjust to changing enrollments."  
"Our farmers have not been given the help they need. They are squeezed between rising costs and falling prices. Also the P.B.B. mess seriously hurt us and was poorly handled. It hurt the markets for Michigan products."  
"Similarly, the small businessmen are being strangled by red tape. They also have been hurt badly by the State Single Business Tax."  
"It is a sad state of affairs when the not-productive people in government, who play politics all of the time, gain the upper hand over the producers of the society and hamper output."  
Klein also said, "The lack of common sense in our government can be seen in our taxing and spending. They want to tax us 2 cents a gallon for gasoline to build a subway in Detroit. But they do not spend enough on our mental hospitals to insure patients are not abused. We are paying the highest taxes in our history and for what? Terrible streets and roads, sewage systems that are inadequate, a snarled legal system and poor law enforcement... an exploding welfare burden. Our government isn't solving problems - It is causing problems."  
"We cannot hope to reduce the tax load overnight. We must move ahead on three fronts. Firstly, we must establish a business climate that will attract new business to the state and which will en-

courage the growth of business here. Added business means more jobs, higher incomes for all and less of a tax burden. Secondly, we must reduce the cost of government and shift spending from un-essential to essential activities. Lastly, we must impose limits on the amount of taxes that may be collected and the amount of borrowing by government. Only with limits on what can be collected will there be limits on spending."  
Klein concluded, "My opponents in the Republican primary cannot win in the general election. The leading candidate is an ideological extremist and neither of the others has a political base. I am well known throughout the 18th District. In addition, I am a moderate whose only ideology is common sense and service to the people. I can and will win in August and November."  
Jerry Klein, 43, has been a resident of Washtenaw County for over 30 years and resides with his wife Nancy and their family at 705 Mt. Vernon, Ann Arbor.

"The quality of State Government in Michigan has gone steadily down hill since the Democrats took over the State Legislature."  
The State has become a haven for people who do not want to work; people who simply want to live off welfare or some other government payment. State taxes are too high and the State spends money on the wrong things. State payrolls are much too high and must be reduced.  
Farm families have been badly mistreated as evidenced by the recent PBB situation. My parents are farmers and I grew up on a farm. I know the importance

of farms and farmers and I will do all that I can to make State Government aware of the dependence of all of us on our nation's farms. Fair treatment must be given to all Michigan farm families.  
Those who seek State office should, at least, have a clear understanding of State Government and a dedication to serving the interests of all people who must rely upon the Government. I offer my candidacy on the grounds that I do understand State Government and more importantly on the sincere desire to work in behalf of the people of Michigan.  
While a member of the Ann Arbor City Council, I was appointed to the State's Water Resources Commission by Governor Milliken. During the period of my service I traveled all over the State. In my last year I was Chairman of the Commission and worked with the Governor's Office, State agencies, and local units of government. I am confident that I am prepared to serve in the State Senate.  
I am brought to this race, however, not simply on the basis of my experience but rather because there are issues of importance which I feel the people of Michigan want their elected officials to address. When, for example, able bodied men and women cannot find employment it is clear that new jobs are needed in our State. We must bring more jobs to Michigan.  
A second issue is the quality of our schools. It is tragic that some students now graduate without knowing how to read or write. Questions of program quality and financial support for education must be faced by our State officials.  
Third, it is my belief that the people of Michigan want environmental issues addressed forthrightly. There should be no fear that the water we drink, the food we eat or the air we breathe is detrimental to our well being.  
Fourth, the question of state finance cannot be ignored. Taxes are now a matter of concern for every family. State spending must be controlled in order to eliminate waste.  
Finally, the government's ability to respond to the needs of people must be reviewed. This is a large and complex issue because the needs of people vary. However, it is clear that a person, whether in a state institution or living at home or at work or play, should feel secure

## Whats Happening in Our Schools

Submitted by the Manchester Education Association

On Thursday, April 27, nearly 200 friends and relatives of our fifth graders attended the fourth annual Pioneer Day's Open House at the Middle School.

From 7:00 - 7:45 the many projects which had been completed as part of the Pioneer Days activities were on display. These included cross-stitch samplers, woven wall hangings, miniature braided rugs, stenciled note cards, punched tin pictures, dye made from natural materials, herbs, hornbooks, hand-sewn aprons, hooked rugs, baler twine angels, corn husk dolls and flowers, macrame ovals, knitted wall hangings, lye soap, hand dipped candles, crevel embroidered pictures, and quilted pictures. There were also dioramas of an old fashioned school cabin and models of many things from pioneer times such as Satter's Mill, cabins, covered wagons, forms of water transportation, The Alamo, and Boursenborough. Creative flags made from burlap and felt and portraying historical events were also shown.

The foods produced and displayed by the food groups included Mennon Bannock (Spoon Bread), Johnny Cake, corn sticks, shortbread, gingerbread, apple butter, vinegar pie, apple-walnut bread, rhubarb

cake, Maryland beaten biscuits, butter, homemade crackers, parched corn, apple beer, baking powder biscuits, dried apples, Sparta pie, and molasses sweet bread. The hand tied quilt, which had been entirely hand sewn by the fifth graders during the three week period, was also on display.

From 8:00 - 9:15 everybody moved to the gym for the program. First on the schedule was the Spelling Bee. This was actually the third spellingdown for the 13 students in it. They had already won in room spellingdowns and the semi-finals. The 13 finalists were: David Scott, Billy Hansen, Jennifer England, Michelle Ball, Kathy McLemmon, David Pierce, Lisa Yuhasz, Brian Fleckbeiner, Pat Hidenour, Melinda Shadley, Hope Brocock, Rick Wheeler, and Becky Rhamesaur. The alternate was Karen Raab. After a long, tough spellingdown, Billy Hansen emerged as the fifth grade spelling champion with Kathy McLemmon runner-up.

After the spelling bee, the fifth grade chorus sang two numbers and the fifth grade band played several selections. They performed very well.

The quilt drawing was held next and Mrs. Garmella Cranson was the lucky person. She is the grandmother of fifth grader, Jeff Rantz, and was happy to receive the warm quilt the students had made.

The last presentation on the program was by the square dancing group. They demonstrated three dances and did them very well. The dances were the Virginia

Reel, Divide the Ring, and Pass the Left Hand Lady Under.

The final activities for Pioneer Days took place on Friday morning. Mrs. Mary Wheeler brought her spinning wheel to school and demonstrated spinning for the fifth graders. She also showed them samples of various kinds and stages of wool. They had the opportunity to comb wool with the wool cards and to see a drop spindle work.

While part of the students were watching the spinning the rest were learning about the Kentucky Long Rifle. Mr. Carl Buss, demonstrated his rifle, showed the students how it worked, and told about its uses. Some of the class were able to hold the gun and feel how heavy it was. Mrs. Wheeler and Mr. Buss also answered many questions.

Last, but certainly not least, was the tasting party. During this period each of the students and teachers had the opportunity to taste the many foods made during the three weeks of activities. They were very good and having them just before lunch time made them better!

The students enjoyed the Pioneer Days activities very much. Some of their comments included "It was fun", "I enjoyed it", "We learned something", and "It's a good experience of what they did in the olden days."

### Pleasant Lake First Grade

Sheila Williams didn't get much work done last Friday! Her Mom had a 5 pound baby boy very early Friday morning. Mom and baby are fine. Our class made 23 congratulation cards and sent a counting book for him to use when he is older. We are looking forward to the time when he visits our class before school is out in June so we can practice measuring on his toes and fingers. We wonder how long a newborn baby is? Congratulations to the Williams family!

Welcome back Linda Milkey from your western trip.

Pleasant Lake Third Grade  
Lots of us enjoyed the P.T.O. potluck.

We made "Thank You" posters thanking the P.T.O. for the new basketball hoops nets and the table games they gave us. We are giving reports on the weekly deserts for Science class. Encyclopedia work is fun, but hard.

Chris Crope's 10 gram clay boat held the most paper clips in our "Clay Boat Contest". His boat held 243 paper clips which is approximately 243 grams.

### Pleasant Lake Fourth Grade

Everyone in the Fourth Grade is excited about our trip on May 11th and 12th to Holland, Michigan. We have learned a lot of things these past few weeks about the Netherlands. We learned that the land in the Netherlands is below sea level and was once covered by water. The people of this country have drained the water off of the land so that it can be used. This reclaimed land is called a polder.

Kege Gilberts, an exchange student at the High School was in to talk to our class this week. She told us that she is from Bostel, Netherlands. She told us many interesting things about her country. She showed us many pictures, played a record for us, and showed us some money from her country. It was neat to hear her accent as she read to us in Dutch and English.

Mrs. Savage showed us a pair of wooden shoes from Holland, Michigan. She told us about her son being in Holland, Michigan and about the Klompen dancers, she gave us a Dutch cookbook to use and we are going to make speculaas next week. Speculaas are spice cookies that are made in the Netherlands for St. Nicholas Eve.

Mrs. Schneider, our playground lady pulled the tendons and ligaments in her foot Friday while playing shadow tag with some boys and girls at recess. She was not at school for a few days. We are glad she is back but we hope she will soon get off of her crutches.

## Jolly Farmerettes

The monthly meeting of the Jolly Farmerettes 4-H Club was held Tuesday, May 2, 1978, with 24 members, 4 leaders and 1 visitor present.

Under Bills and Communications, an invitation has been extended from the Huron Valley 4-H Club, to all 4-H'ers, families and friends to join them for a solar skating party on May 17, 1978 from 6:30-9:00 p.m. at the Skate-Adium, Adrian Michigan. The cost is \$1.25 per person plus 50¢ skate rental.

Under Committee Reports the following information was presented: Joanne Kastl reported that the club collected \$236 from the Cancer Tag sale held April 15th and this amount was forwarded to the Washtenaw County American Cancer Society.

Lori Voegeding gave a report on the dance routine for the Share-the-Fun Contest to be held on May 19th. Practice is to begin immediately and she will contact those girls who volunteered to participate.

Lisa Huber asked for a show of hands of those girls who will be available to model their winter 4-H projects for the men of the Emanuel Church Group on Thursday, May 11, at 8 p.m. You are asked to assemble at the church between 7:15 and 8 p.m. and to bring with you a ration card.

Under further new business, Mrs. Sheryl Hill assisted the club members in composing a foods & nutrition jingle to enter

in the Jingle and/or Song Contest sponsored by the Foods & Nutrition Development Committee at the county level.

Summer project sign-up was held. All those girls not in attendance at the meeting should give Elaine Feldkamp a call to indicate their choice for summer projects.

We are reminded to send in our applications for MSU Exploration Days by May 10th if we have not already done so. Also, Share-the-Fun Contest entries are due May 8th. If anyone is interested in attending "4-H Day" at Tiger Stadium on Saturday, July 22nd at 2:15 p.m., you are asked to mail in your pre-payment of \$1.50 to the 4-H office by June 26th. Anyone interested in entering the 4-H Dairy Poster Contest should contact the 4-H office immediately for further details. The theme is "Milk is a Natural" and entries are due by June 20th in the 4-H office.

Demonstrations were given by Leslie Duncan and Missy Mullins. Refreshments were served by Lisa Huber, Lynda Knasiak and Michelle Lamb.

The next meeting is June 6th. Demonstrations are to be given by Lori Voegeding, Kathy Gotts and Cathy Walkow. Refreshment committee is Amy Bowers, Chairperson, Cathy and Michelle Walkow.

# WHAT'S UP?

## THE SECRET IS OUT!

WHAT'S UP?...is in reality a bank personnel achievement program. Prizes and gifts are being awarded to bank personnel for achieving sales goals in the selling of bank services. Open up a savings account, a checking account, become a member of Ban Club, purchase a certificate of deposit or apply for a Mastercharge bank credit card and your favorite Union Savings Bank person receives credit.

You reap the benefits of doing business with your hometown independent bank...your favorite bank person receives the credit. It's as simple and as nice as that.

### SUN DAY AT MIDDLE SCHOOL

"Sun day" came early last week as Wednesday, May 3 was an official day to demonstrate the use of solar energy and learn more about it. The sixth grade Science classes under the direction of Mr. Boyce spent much time discussing solar energy and the conservation of our energy resources. The students were asked to use their knowledge and their imaginations

to design a device to collect the energy of the sun or a device to store solar energy. Many ingenious drawings were turned in by interested students. The drawings by Cary Smith and Paul Fletcher show that students today are thinking about the future when we may not have enough fossil fuels to meet our energy needs.

### LETTERS TO THE EDITOR

I would like to thank you for printing "Whats Happening In Our Schools" submitted by the MEA. The arrival of the paper is eagerly awaited by my children attending Pleasant Lake School. I and other parents have long praised the teachers at Pleasant Lake for their unending interest in their work. I can see by the 100% response of Pleasant Lake Teachers that they give us good reason to be proud of them.  
Karen R. Bristle.

Dear Manchester Residents  
As a member of the Band Boosters Club scholarship committee, I have some extremely positive news concerning the band department.

This year, with the help of several clubs and business establishments, over a dozen students in the band department will be able to receive half-tuition scholarships to attend summer band camp. There are also drum major and majorette scholarships available. The camp experience is invaluable to the individual student and benefits the entire band as well.

This type of immediate response and generosity from these organizations demonstrates the tremendous support there is in this community for music. With support such as this, I personally feel confident that the music students and instructional program will begin to receive the respect it deserves.

Parent of band members are urged to encourage their children to apply for these scholarships so generously provided. I sincerely want to thank these organizations for their help. BRAVO!! My excitement over the response caused me to write

this letter prematurely. Since scholarships are still being received, I won't disclose names at this time. They all will be publicly thanked when the program is complete.

Of course there are many problems and obstacles to overcome. The Manchester music department POSITIVELY needs a full-time band director in order to maintain an adequate program. The band department should be given equal consideration when scheduling concert dates. Improved publicity might promote better attendance at the concerts by students, faculty and community. Reinstatement of the string program would be desirable.

However, with the good news of this community support for scholarships, we could help but be optimistic! I look forward to seeing you at the May 19 and May 24 band concerts and award presentations following. Thank you, Manchester.

Sincerely yours,  
Carolyn Sauter  
Secretary, Band Boosters Club

### To The Residents of Manchester

It has been brought to our attention that you don't know what the Manchester Jaycees do. So we felt it was about time to fill you in since it's no secret. We are active in the community and we're sure you'll recognize many of these projects but didn't know the Jaycees were involved. What money we take in is spent on many of our other projects plus contributions we give.

First of all, where our money goes besides the costs of running the club. We give out two \$250 scholarships to graduating seniors each year. We also donate \$175 to the Girl Scouts and Cub Scouts. Our Easter Egg Hunt costs us about \$125. The Children's Shopping Spree costs about \$100. Last year the Lamb Club lost \$450. We contributed \$400 to the Special Olympics last year. We spent about \$200 on the fireworks and many

## CARD OF THANKS

Our sincere thanks to our friends, neighbors and relatives for prayers, cards, gifts and help while my stay at St. Joseph Hospital. Thanks again for everything.  
Bill & Janice Rhoades & Family

Marilyn Randall would like to thank everyone for patronizing Marilyn's Hair Styles. We are going into the Frosty Glaze business in Clinton.

A simple thank you sounds so inadequate in expressing our feelings of gratitude in the way this community expressed its concern over our son's accident. We don't know where or how to begin thanking so many kind and generous people. You really confirmed our faith in mankind. We would like to take this opportunity to thank Beth and Mike Kouba and Jim DuRussel for the beautiful terrarium, and all the kids who got up to the hospital to see Roger. Also, thanks to the parents who drove the kids there and the parents who let their kids go. These were definitely the highlights of Roger's hospital stay. Thank you, everyone of you kind and generous people, for the food, prayers, cards, telephone calls, babysitting offers and general concern. It was greatly appreciated. A special thanks is also in order to the Washtenaw County Sheriff's Dept. and Manchester Police Dept. for their promptness and assistance at the time of the accident and Saint Mary's for the prayers.

The accident is now behind us and our lives are once again falling back into proper perspective, but the fears and joy we experienced will remain forever. Thank you for sharing some of the emotion with us and enriching our lives through your generosity.

There still are a great many people who really don't understand what is meant by "direct deposit" of their government checks.

These individuals could save both time and effort by authorizing us to have their checks sent to the bank and deposited in either a savings or a checking account.

It's really as easy as that.

For example, if you are receiving checks from social security, an armed forces allotment check, a government employee salary check, compensation from the Veterans Administration, civil service commission check, a railroad retirement check, Veterans Administration pension check, or...just about any check from the federal government, it can be ordered deposited to your account at our bank.

Why take the chance of losing or misplacing your check? Why brave the weather to have your check cashed or deposited? Why spend the time?

Just bring one of your checks to us and we'll take care of the details to permit future checks to be deposited directly to your account.

The Shakespeare Club traveled to Archbold, Ohio on April 27th, to visit Sauder Museum and visit the Farm and Craft Village. Die Alt Scheier-The Old Barn Restaurant-served very good "Home Cooking." They have a new Hospitality House with many interesting things to buy. Demonstrations in the Cabinet Shop, Potter, Barber, Blacksmith, Leathercraft, Wood, etc., were all very informative, and a reminder of our heritage. They have 22 shops in all.

The club surprised Walli Lannom with a box luncheon held at the home of Frances Nathan on May 9th. Walli and her husband Roscoe are leaving May 12th for England and Germany. They will visit four sisters of Walli's, one she hasn't seen for thirty years. The Shakespeare Club wishes them both a happy, safe trip.

**It's Time To Cure Diabetes**

The Washtenaw County Unit of the American Diabetes Association, Michigan Affiliate will close its spring activities with an evening co-sponsored by Michigan Diabetes Research and Training Center (DRTC). The meeting will be held at 7:30 P.M. Tuesday, May 16, 1978 at Briarwood Shopping Center Community Room, Ann Arbor, Michigan. The topic will be "The Consumer's Turn To Tell It Like It Is."

The DRTC's function is to improve the quality of care given to people with diabetes and their families. To ensure that the Center's outreach activities meet the needs of diabetics in Michigan, they have planned a series to find out what these needs are. This is your chance to communicate your concerns, problems and comments about medical care -- either from your own experience or from that

of someone you care about. Those who come to the meeting will be divided into small groups. Everyone will have the chance to share their ideas about what needs to be done in the area of diabetes.

For further information phone 428-7543.

**Faculty Wins Donkey Ball Game**

The Manchester Faculty won a hard fought donkey ball tournament. Losing the first game in sudden death by a score of 10-12, F.F.A.'s favor.

The second game the faculty smoked the F.F.A. by a score of 14-6. Led by the hot hand of Mr. Simmons of the Middle School.

The play-off game was close with the faculty edging out the F.F.A. by a score of 8-6.

The F.F.A. members would like to congratulate the faculty of a job well

done, and also thank the community for their support. THANK YOU.

**Initiated Into Phi Eta Sigma**

Peter N. Tassie, son of Mr. and Mrs. Don Tassie, 416 Vernon St., Manchester was 1 of nearly 100 Western Michigan University freshmen who were initiated into Phi Eta Sigma, national scholastic honor society for first year students.

They were selected for membership in recognition of high academic records-- a scholastic average of 3.5 or higher out of a possible 4.0 (all A's). They also carried 12 hours or more during the first or second semester of the freshman year.

The WMU chapter of Phi Eta Sigma is one of 180 at colleges and universities throughout the United States and was established here in 1962.

**THE GUARANTEED GROWTH INVESTMENT**

Growth investments! We have a savings/investment that's guaranteed to grow. When you put your money in our highest earning passbook certificate, that money is guaranteed to earn 7 3/4% interest for six years providing an effective annual rate of 8.03%. At this rate, if the interest is allowed to accumulate and compound, your investment will double within ten years. An investment of \$10,000 say, will grow to \$21,651.87 in ten years. Now that's growth!

**INSURED SAFETY**

But our guarantee on your savings/investment doesn't stop there. Your money is also insured by an agency of the Federal Government up to forty thousand dollars. A family of four by combining accounts can keep up to \$560,000 fully insured. And the money you put into a passbook certificate is not subject to market fluctuations. When the time comes to use your funds, your money will be there.

For further details come to any office and talk to a savings/investment specialist.

#### WHITMORE LAKE

On Tuesday, May 2 the Whitmore Lake Track Team came to Manchester for an important meet for both teams. It was important in that both teams were very young with a majority of freshmen and sophomores and were in a rebuilding stage. Anyway, Manchester played the bad host as they decisively beat Whitmore 110 to 49. Placers for Manchester were: SHOT PUT-Dana Clark 1st 35'7". Gary Daniels 2nd 33'10". Bill Hagerman 3rd 31'10".  
HIGH JUMP-Rowe 2nd 5'4". Tassie 3rd 5'2".  
LONG JUMP-Rowe 1st 19'8 3/4". M. Daniels 2nd 17' 5 1/2".  
POLE VAULT-T. Brown 1st 11'6". Eversole 2nd 10'9".

# LAST DAY OF REGISTRATION SCHOOL ELECTION

NOTICE OF LAST DAY OF REGISTRATION OF THE ELECTORS OF  
MANCHESTER COMMUNITY SCHOOLS  
WASHTENAW AND JACKSON COUNTIES, MICHIGAN

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that the Annual School Election of the School District will be held on

**MONDAY, JUNE 12, 1978**

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT THE ANNUAL SCHOOL ELECTION CALLED TO BE HELD ON MONDAY, JUNE 12, 1978, IS MONDAY, MAY 15, 1978. PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., ON MONDAY, MAY 15, 1978, ARE NOT ELIGIBLE TO VOTE AT THE ANNUAL SCHOOL ELECTION.

Persons planning to register with the respective city or township clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This Notice is given by order of the Board of Education.

Helen Kensler  
Secretary, Board of Education

ADDENDUM

TAKE NOTICE that the following propositions will be submitted at the annual election on Monday, June 12, 1978:

#### I. MILLAGE RENEWAL PROPOSITION

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 17.78 mills (\$17.78 on each \$1,000.00 of state equalized valuation) for a period of 2 years, 1978 and 1979, for the purpose of providing additional funds for operating purposes (this being a renewal of 17.78 mills for operating purposes which expired with the 1977 tax levy)?

#### II. TAX RATE LIMITATION INCREASE PROPOSITION FOR MAINTENANCE AND REPAIR OF SCHOOL FACILITIES

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by .6 mill (\$0.60 on each \$1,000.00 of state equalized valuation) for a period of 2 years, 1978 and 1979, for the purpose of providing additional operating funds for maintenance and repair of school facilities?

Helen Kensler  
Secretary, Board of Education

man hours collecting the rest of the \$1500 it costs to put them on. This is just a few of the bigger projects where our money goes.

Now where does it come from. We get our money from our Flower Sales at the bank-Easter \$400 and Mother's Day \$200, our Millionaires Party \$175 on the last one back in April, from our Softball Tournament \$400, the Christmas Tree sale \$600. We have a 50-50 drawing which brings in about \$500 to cover the cost of our scholarships. This is a few of the projects which bring in the majority of our funds.

Other projects we run are the River Clean-up, Sand Box, Dunk tanks, Horse-shoe contest, Kid's Fun Day at the Fair, Pitch Hit and Throw, Punt, Pass and Kick, Halloween Party, Chicken Broll, putting up and taking down the Christmas decorations, Letters to Santa, Santa's Visits, Pictures with Santa and Bosses Night.

Now that you know a little something about what the Manchester Jaycees are and do we hope that you will help us by supporting our projects because without the support of the community we are nothing. There is so much more we could do if we had the money. Our last Millionaires Party we only had 75 people present. It should have been packed - approximately 150-200 people. This weekend we have our Mother's Day Flower Sale. I hope everyone in this community will stop in and

buy a flower.

Also for the 4th of July fireworks. I attended them last year and saw the enormous crowd. If we had just one dollar from every person who was there we would have enough money to purchase the \$1500 worth of fireworks. We don't feel the merchants and businesses should pay for the pleasure of the community. Let's all of us just make a stop at the bank (Union Savings) and make a deposit in our special account. This special account will be kept separate from the other Jaycee books. So whatever money is left in there, will be used to purchase fireworks in previous years. The more money we have in this account the better display of fireworks we can put on each year. Remember, that's a pretty cheap price to pay for an evening of entertainment. But we must have the money in this account before June 1st to allow time to purchase the fireworks. If you as a community want us as Jaycees to continue this project we must have your support now to make this project a success.

So you give us your support and give ideas of what you would like to see us do and perhaps between the two we can make this a better committee. Contact a Jaycee and find out how you can help or just to know what we are doing.

Thank You  
Manchester Jaycees

## River Clean-Up Saturday, May 20

The river clean-up days and the Jaycees' are at it again but it's difficult to do it alone. Community volunteers are greatly needed to beautify your village. We will be starting at the Main St. bridge and working north on both sides of the river. We would also like to clean-up around the mill and Dairy Queen side. Pick-ups, chainsaws, garbage bags and alot of dedicated volunteers are needed. We will start Saturday, May 20, at 8 A.M. at the Main Street bridge. Take pride in your community. Sincerely yours, Manchester Jaycees

## Community Action Needed

The Manchester Optimist Club is the trustee of a scholarship fund originated in honor of Luther C. Klager. A \$250 scholarship is awarded annually to the student of Manchester High School. The annual scholarship is diminishing in principle, so the Optimist Club is soliciting donations to bring the account up to a value that the annual interest would cover the award.  
Cash donations or checks for Luther C. Klager Scholarship Fund are being accepted at the Great Lakes Federal Savings and Loan, Manchester Branch. Any questions please call Bruce Hunt 8-8001 or Merrill Korth 428-7280.

## Band and Concert Friday, May 19

There will be a presentation of Manchester High School Concert Band in concert on Friday, May 19 at 8 p.m. at the High School Study Auditorium. The price is \$1.50 for adults, 75c for students.

## Outstanding Student of Month

Mr. Glen Lehr, Belinda and Mrs. Walter Grantham  
Senior, Belinda Grantham, daughter of Mr. & Mrs. Walter Grantham, of 115 Hurford, Manchester, has been chosen the "Outstanding Student of the Month" for May. Belinda is a very active student as she is a 4 year member of the Michigan Youth Symphony, and for years has been with the Ann Arbor Junior Symphony. Belinda has twice been on the Blue Lake Fine Arts Camp and during the summer of 1976 she toured Europe with the Blue Lake International Orchestra.  
Belinda has played 2 years of J.V. softball. As a Junior she was Class

## Walkathon Raises \$6600

192 Walkers turned out to start Manchester's Second Annual March of Dimes Walkathon. The majority of walkers are still from the Middle School, but this year there were more highschoolers and more adults. We are grateful to see the interest growing. Perhaps next year, we can vary our walk some, to include even more of the Manchester Area Community.  
The weather surely did cooperate, with sunshine and fairly warm temperatures. Maybe Mother Nature figured we deserved better than last year. So many people making so much effort, on behalf of those less fortunate, surely did deserve the good fortune.  
Some great effort it was, too. 158 walkers completed the 15 miles, 1 walked 14 miles, 6 walked 10 miles, 12 walked 9 miles, and on down to 4 small walkers who did no less than 3 miles apiece. The total pledge for actual miles walked was over \$6600, which is really terrific! We are so proud of these people, that there are not enough words to praise them. Continued on page 11

## Registration And Round-Up

Kindergarten Registration and Round-Up for the Manchester Community Schools will be held next week at the Klager and Pleasant Lake Elementary Schools. Since the Kindergarten Screening Program was combined with the PREP Screening Program last fall, the purpose of these meetings will be to:  
(1) Identify and register all children who will be entering kindergarten this fall.  
(2) Provide parents with all of the forms and information they will need before their children can enter school. (Parents are encouraged to bring birth certificates)  
(3) Answer any questions parents may have about kindergarten.  
The first of these meetings will be at Klager School on Monday, May 22, and the second one will be at Pleasant Lake School on Wednesday, May 24. Both meetings will be at 7:00 in the evening. The kindergarten teachers, Mr. Masten, Mr. McGuire and Mr. Tassie will be present for a brief presentation and to answer all questions.  
While it is generally expected that kindergarten children from the Pleasant Lake area and the northern part of Sharon Township will attend kindergarten at Pleasant Lake School and all others will go to Klager School, parents should feel free to attend either of these meetings.

## Poppy Days May 19-20

Miss Poppy for 1978 is Sara Riggs, daughter of Mr. and Mrs. Robert Riggs of Manchester.

The American Legion Auxiliary veteran-made memorial Poppy will be offered to the public on Friday, May 19 and Saturday, May 20. Members of Unit #117, Emil-Jacob Post and volunteers will be distributing the bright red crane paper Poppies in memory of the nation's war dead - while assisting the needy veterans and his family.

## Cancer Society Benefit Dance

A benefit dance for the American Cancer Society will be held Saturday, May 27th in memory of Charles Heslip who lost his life last December to cancer.  
This dance will be held at the Manchester K of C Hall from 9 til 1. Live music will be provided by the Bill Sparrow Band. An admission of \$5.00 per couple will be charged and all refreshments will be sold there. (R.Y.O.B.)  
Anyone willing to donate time selling refreshments please contact Linda Gorlitz at 428-7414 after 5 P.M.  
All proceeds from this dance will be given to the American Cancer Society in Charles' name and designated to be spent in the Manchester area.  
Please come. We would like to see a good turn-out for such a worthy cause. Do it in hope that you or a loved one will never be inflicted with such a disease.

## Memorial Day Parade May 29

The annual Memorial Day Parade will start at 9 A.M. at the Main St. bridge. The parade will feature the Manchester High School Band, the Boy Scouts, Girl Scouts, Cub Scouts, Brownies, American Legion and Auxiliary. Emil Jacob Post #117 would like to extend an invitation to all veterans or any organization here in Manchester to come out and participate in the parade. After the parade and service's at the cemetery, there will be a potluck dinner at 12:00 at the Legion home on Adrian St., bring a dish to pass and your own table service.  
We would like to ask if there are any Legionnaires or former Legionnaires who have a uniform that they can no longer wear, if they would like to donate or sell them to the Legion as we have a lot of new members who would like to get a uniform. If you have one, contact Charles Steele 428-8984.  
We also have some new members to add to our firing squad if you no longer participate and have any parade equipment, please contact Mike DuRussell or Steve Carson, or if you would like to join the firing squad, contact Steve or Mike.
