The river clean-up days and the Jaycees' are at it again but it's difficult to do it alone. Community volunteers are greatly needed to beautify your village. We will be starting at the Main St. bridge and working north on both sides of the river. We would also like to clean-up around the mill and Dairy Queen side. Pick-ups, chainsaws, garbage bags and alot of dedicated volunteers are needed. We will start Saturday, May 20, at 8 A.M. at the Main Street bridge. Take pride in your community.
Sincerely yours,

Walkathon Raises \$6600

Heather Walkow

192 Walkers turned out to start Manchester's Second Annual March of Dimes Walkathon. The majority of walkers are still from the Middle School, but this year there were more highschoolers and more adults. We are grateful to see the interest growing. Perhaps next year, we can vary our walk some, to include even more of the Manchester Area Community.
The weather surely did cooperate, with sunshine and fairly warm temperatures. Maybe Mother Nature figured we deserved better than last year. So many people making so much effort, on behalf of those less fortunate, surely did deserve the good weather.
Some great effort it was, too. 158 walkers completed the 15 miles, 1 walked 14 miles, 6 walked 10 miles, 12 walked 9 miles, and on down to 4 small walkers who did no less than 3 miles apiece. The total pledge for actual miles walked

was over \$6600, which is really terrific! We are so proud of these people, that there are not enough words to praise. Continued on page 11

Community Action Needed

The Manchester Optimist Club is the trustee of a scholarship fund originated in honor of Luther C. Klager. A \$250 scholarship is awarded annually to the student of Manchester High School. The annual scholarship is diminishing in principle, so the Optimist Club is soliciting donations to bring the account up to a value that the annual interest would cover the award.
Cash donations or checks for Luther Klager Scholarship Fund are being accepted at the Great Lakes Federal Savings and Loan, Manchester Branch. Any questions please call Bruce Hunt 8-8001 or Merrill Korth 428-7280.

Registration And Round-Up

Kindergarten Registration and Round-Up for the Manchester Community Schools will be held next week at the Klager and Pleasant Lake Elementary Schools. Since the Kindergarten Screening Program was combined with the PREP Screening Program last fall, the purpose of these meetings will be to:
(1) Identify and register all children who will be entering kindergarten this fall.
(2) Provide parents with all of the forms and information they will need before their children can enter school. (Parents are encouraged to bring birth certificates)
(3) Answer any questions parents may have about kindergarten.
The first of these meetings will be at Klager School on Monday, May 22, and the second one will be at Pleasant Lake School on Wednesday, May 24. Both meetings will be at 7:00 in the evening. The kindergarten teachers, Mr. Masten, Mr. McGuire and Mr. Tassie will be present for a brief presentation and to answer all questions.
While it is generally expected that kindergarten children from the Pleasant Lake area and the northern part of Sharon Township will attend kindergarten at Pleasant Lake School and all others will go to Klager School, parents should feel free to attend either of these meetings.

SPUR OF THE MOMENT SADDLE CLUB

May 7th was the start of the 1978 Spur of the Moment Inc. show season. As with most places, we got off to a late start, due to some of the electrical gadgets not working up to snuff. We did get under way, and the day was a real nice one, for all.

We really want to thank all the people and the businesses for their great support of our club. We couldn't give out the nice trophies, that we do. If it wasn't for the Sponsors of the classes.

In the Halter class of 10 and under, ponies, the sponsor is Dr. H.P. Eames, D.V.M., P.C. The winner of the first place trophy in this class was Mike Friday, showing Peggy Lynn Friday's Gotland mare, Leeward Inger. In second place was

Peggy's other son, Keith Miller, showing another Gotland mare, Leeward Svarta.

We still have no sponsor for the following class, except for the year end, and that is sponsored by Eugene and Annie White, of Whites Arena, on East Road, where the show is held. 1st. Leslie Buckner, showing O'Dell. 2nd Lynn Scott showing Red. 3rd a double registered two year old filly, she is P.O.A. and Half Gotland. 4th, P.O.A.'s Swedish Romance, owned and shown by Jean Davis. 4th the third Gotland mare, owned by Peggy Lynn Friday, and shown by Susan Friday. This was the 11 and over, pony Halter class.

16 and under, horses: Sponsored by Bar G. Saddlery-1066 East Michigan Ave, Ypsilanti. 1st. Suzanne Kline, showing Peggy. 2nd Karen Hawks, showing her three year old gelding Dusty. 3rd Maureen Wice, showing her mare Cindy. 4th Tina Carlson, showing her Arabian, Jodli.

10 and under Pleasure is sponsored by Kosmyna Chiropractic Center, Chiropractic Life Center, 301 W. Mich., Clinton. The year end trophy, for this class will be sponsored by Sugar and Spice, 213 Clark St. (formerly Clark St. Deli) Saline, Mich. 1st Leeward Svarta, ridden by Keith Miller, and 2nd Leeward Inger, ridden by Mike Friday. The mares are both owned by their mother, Peggy Lynn Friday.

11 and over pleasure class is sponsored by E.G. Mann and Sons, Bridgewater Mill, Bridgewater, Mich. The year end trophy is donated anonymously! 1st O'Dell, owned and ridden by Leslie Buckner. 2nd Red, owned and ridden by Lynn Scott.

3rd Kronos Brunetta, owned by Peggy Lynn Friday, and ridden by Sue Friday. 4th Flicke, owned and shown by Cathy Friday.

16 and under Horses: Sponsored by Shir-Rich Arabian Farm, Three Arabian Studs standing: Chalfis Prince, Tahbeer Freddie, and KTP Bn Albitan (Junior). 1st Peggy, owned and ridden by Suzanne Kline. 2nd Jodli, owned and ridden by Maureen Wice. 4th Fella, a new horse, owned and ridden by Leslie Buckner.

Speed Events: 10 and under, sponsored by Shifty Acres, of Manchester. The high point winner was Keith Miller, riding Leeward Svarta. 11 and over class is sponsored by Wayne Buckner, phone 517-582-2578, Brooklyn. High point was Keith Miller, again, on Leeward Svarta. 16 and under, sponsored by Atlas Feed and Grain, Clinton, and Atlas #2 Tecumseh. High point was David Parke. Women had a

tie so the trophy went to each, one from M.S. Spensley D.V.M. Manchester Veterinary Clinic, 16300 Chelsea, Manchester Rd. The year end trophy is to be sponsored by Bob Lavasseur, Chelsea, 475-8351. Weidmayer-Walter Vows

Mr. and Mrs. Roy Weidmayer

Kathryn Walter, daughter of Mr. and Mrs. Donald Walter of Manchester, and Roy Weidmayer, son of Mr. and Mrs. Alvin Weidmayer of Ann Arbor, were united in marriage on Saturday, May 13 in an afternoon ceremony. The Rev. Jerome Dykstra of St. Thomas Lutheran Church, Ann Arbor officiated.

Approaching the altar on the arm of her father, the bride was attired in a gown of off-white lace over satin. She carried a bouquet of white and peach roses with baby's breath.

Nancy Kindstoven and Mark Weidmayer, brother of the groom, were honor attendants.

Nancy wore a light blue dotted swiss floor length dress and carried dyed to match daisies.

Bridesmaids included Susan Settle, and Sharon Weidmayer, sisters of the bride, Shirley Haeussler and JoAnn Walter, sister-in-law of the bride. Their gowns were identical to the maid of honor, in pastel shades of lavender, yellow, peach and green.

Jodi Settle, niece of the bride, wearing pastel pink dotted swiss, was flower girl while Brian Weidmayer, nephew of the bride and groom, carried the rings.

Seating the guests were Steve Kuebler, Don Walter, brother of the bride, Joe Dettling, and John Weidmayer, brother of the groom.

Kay Harrison, Linda Corwin, Linda Calloway and Connie McCreedy served as hostesses at the reception at Freedom Township Hall which followed the ceremony.

Assisting were; Carol and Denise Walter, sisters-in-law of the bride.

After a wedding trip to northern Michigan the bride and groom will reside in Manchester.

To the People of Manchester

I am making this appeal to you because I've been sitting in Mrs. Hanff's Social Studies class all year now and haven't learned a thing. We use her class as a study hall or gossip hour. I really don't mind because I like having all my home work done by my fifth hour study hall so I can read all hour. I think if she's being paid to teach we might as well learn something but, I haven't and I doubt anyone in my class has. She has no control over the class so she doesn't even make a good babysitter. Maybe you're thinking it's us, well if it is how come we don't do it in any of our other classes. When the Principal is in there FI-FI as we fondly call her acts really cool. It makes me sick to my stomach. As soon as he leaves things go back to normal. To make us stop she writes our names down for sentences, and glares at us through her glasses as though she expects us to melt. One time she had 19 out of 28 names on the board. No one cared, all we have to do is shut up for the last five minutes and she'll take them off. I really can't understand why she was ever hired, but I hope by next year she won't be "teaching" here anymore. I don't think another class should have to go through what we have this year!

GIRL'S TRACK TEAM Manchester vs Morenci

On May 9, the Manchester Girl's Track Team went up against Morenci at Morenci. The weather again was cold and windy with chances for rain.

Morenci dominated the field events with Manchester taking one place in each event. Deanna Clark placed first in the shot put with a put of 33'6". She also placed second in the discus with a distance of 87'4 1/2".

In the high jump Karla Tauriainen placed third. Carol Buss came in fourth in the long jump.

After the field events Manchester trailed by 22 points.

Our two milers ran well. Allysande Thompson and Laurie Fitzgerald gave us a second and third.

Dawn Eversole placed second in the half-mile and Karla Tauriainen placed fourth.

In the 100 yard dash our Freshmen sprinters gave an outstanding performance placing first and second. Gretchen Platt ran a 12.9 and Michelle LaRock a 13.0.

Again two Freshmen, Megeara Quayle and Michelle LaRock, placed first and second in the 110 low hurdles. Karla Tauriainen placed fourth.

Dawn Eversole and Laura Honer ran a 70 and 72.4 in the 440 for a third and fourth.

In the mile Carol Buss came in third and Allysande Thompson fourth. Again, Gretchen Platt gave us a first in the 220 yard dash. Dawn Eversole, running it for the first time, came in a strong third.

Our relay teams did well, placing two out of three. In the 440 and mile relays. The final score came up with a gap of only 16. The score of 60-76.

Manchester vs Blissfield

It was another dreary day for Manchester's Girls Track Team as they met a strong team from Blissfield. The weather was the worst that its been for the girls, with a downpour of steady rain.

The weather was not only bad, but so were our performances in the field events.

Deanna Clark placed first in the shot put and Karla Tauriainen second.

Mary Ann Kniashycky tied for third/fourth with a jump of 13'4 1/4".

Our girls didn't place in either discus or high jump.

The performances in the 3000 meter run were a different story. Allysande Thompson took first, Julie Moore second and Laurie Fitzgerald fourth.

Dawn Eversole ran a 2:40.8 in the 800 meters for a second. Carol Buss came in fourth.

Our sprinters didn't have much a chance

against Blissfield. In the 100 meter dash, Gretchen Platt placed fourth.

The 110 meter hurdles gave us a third and fourth with Michelle LaRock and Megeara Quayle.

All three of these girls are Freshmen and show great promise for the future.

Dawn Eversole ran a 87.5 in the 400 meter run and Laura Honer a 68.2 for a second and third.

Our distance girls again did well in the 1500 meter run. Running a 6:14, Carol Buss placed second, Laurie Fitzgerald third with a 6:43 and Allysande Thompson fourth with a 6:57.2. Again, these three girls are all Freshmen.

Gretchen Platt placed fourth in the 200 meter dash. Gretchen has remained undefeated and shown outstanding performances until now.

None of our relay teams took a place. And when the final score was tallied, Manchester lost, 96 1/2 to 39 1/2.

SPORTS IN SHORT

By Jon Hardenbergh
The past week was kind of shaky weather wise as some contests were rained out. Below is a run-down on the ones that braved the moisture.

On Tuesday, our boys welcomed Morenci as our girls trekked to Morenci land for track. Our boys showed no mercy as they smashed the Bulldogs, 110 1/2 to 45 1/2.

Our first placers: shot put-Dana Clark, 35' 9 1/2"; long jump-Terry Rowe, 20' 6"; pole vault-Terry Brown, 9' 6"; discus-Bill Hagerman, 90' "; 3000 meters-Steve Eversole, 10:13; 300 low hurdles-

Tom Tassie, 743.8; 800 meters-Keith Moore, 2:08.7; high hurdles-Terry Rowe, 16.7; 400 meters-Keith Moore, 1:14.9; 1500 meters-Steve Eversole, 4:33.7; 500 meter relay-47.3; 800 meter relay-1:40.9; 1600 meter relay-2:56.5. The girls meet was very tough as we came within 16 points of victory. Morenci-76, 1-3-5-9.

High point getters: shot put-Deanna Clark, 33'6"; 100 dash-Gretchen Platt, 12.9; 110 low hurdles-Megeara Quayle, 13.0; 400 relay-Michelle LaRock, Kelly Beal, Frich, Quayle and Clark, 59.3; 220-Platt, 28.9; mile relay-Julie Moore, Brenda Eggleston, Quayle, Laura Honer, 5:08.

On Thursday, it was track again but the locations reversed. The weather was poor and both our squads were saddened as Blissfield swamped the girls 96 1/2 to 39 1/2 while the boys were crushed 106-52. Only 2 girls were awarded first as Deanna Clark tossed the put 30' 10 1/2" and Allysande Thompson crossed the line in the 3000 meters in 13:29.

The boys grabbed only 5 events as Keith Moore ran 4:32.3 in the one (4:32.3) and two (10:17.1) mile runs, 880 run-Steve Eversole, 2:11.3; 120 high hurdles-Terry Rowe, 16.7; 440 relay-48.3.

On Friday, our girls fought rain, mud and Morenci in a softball game. After the Dutch had tied 2-5, Morenci got 2 more and we tallied only one to lose 7-6.

PETITIONS AVAILABLE FOR AUGUST PRIMARY

Petitions for the August 8, 1978 primary elections are available from the township clerk at 109 E. Main. The petitions must be filed with the township clerk no later than June 6, 1978 at 4:00 p.m. for Supervisor, Clerk, Treasurer, Trustee, Constable (2), and Library Board (2).
Wilma E. Lertz, Clerk
Manchester Township

This Fall the terms of two library trustees expire. Mr. Harold Burch has very unselfishly served for eight years and will not seek re-election; Mrs. Robert Nickels will try for another term. Trustees serve without compensation for a term of six years. Board meetings are held on the first Monday of the month. All

that is required to be a nominee is that you be a Manchester Township resident, have a sincere interest in our library, and secure a minimum of five signatures on a nominating petition. Petitions may be secured at the township clerk's office and at the library. These must be returned by June 6.

Hospitality Vital Factor

"Michigan's beautiful lakes, panoramic views, towering convention centers, and fascinating cities wouldn't mean much to travelers without the hospitality displayed by Michigan residents," says Commerce Director Keith Molin.

"Yet hospitality means more than a smile and a handshake," adds Molin. "For many of us it means a way of life, for over 208,000 jobs are supported by the travel and tourism industry in the state."

Molin pointed out that travel and tourism are one of Michigan's top economic activities—along with manufacturing and agriculture, and Michigan ranks sixth on a nationwide scale in travel expenditures.

"Our Travel Bureau does much more than promote tourism. It works with communities and developers to both improve existing travel facilities as well as expand the market to encourage greater travel activity. This means more jobs and a healthier economy for all of us."

"It is my hope that this theme of Michigan Week in 1978 will bring awareness to our citizens that by extending hospitality, they will make Michigan a more desirable place to visit and thus, a more desirable place to live."

KEITH HAS ADVANCED
 To celebrate Washington's birthday in February, Keith Weidmayer memorized all the presidents in order. Last Thursday, Keith recited all the United States capitals. Keith keeps us on our toes! Scott Walchak, Tracy Stengel and Billy Rushing are now able to point to all the states and name them properly. Each day more kids join

the "winners" to get their picture taken. Mrs. Savage is so proud of us and wants us to know and love our country.

Second Grade Pleasant Lake School
 Danny and Alton finished their Puzzle Books and we are proud of them. We can all borrow now in Math and it is fun. In the Math Center, we have this thing up that says what comes before me and what comes after me. The Cottontails started Level 8. We are glad for them. We made a surprise for Mother's Day.

We had to use a sewing machine to make it. Mrs. Meade brought the String and Woodwind family to our school and we got to play the bass and the piccolo. Kristen Vedder and Mike Meeks

Pleasant Lake Third Grade
 We took our plants home for Mother's Day. We hope Brian Arnett gets over his chicken pox soon. We made posters to remind us to take care of our teeth.

We made tiny aprons for our Moms for Mother's Day. Then we wrote four line, rhyming poems. What a problem we had rhyming the word "nice". Mice and lice just would not work to describe Mom.
 Ken Dazy brought a bouquet of tulips and daffodils for our front table. They are so pretty!

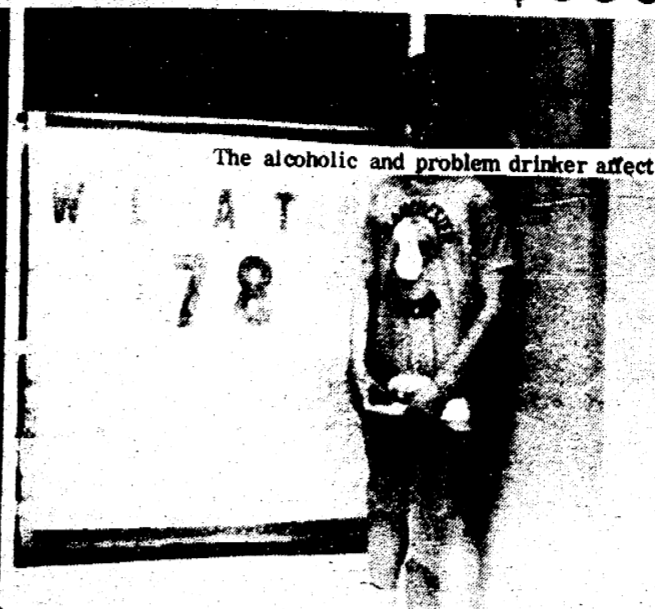

FOURTH GRADE VISITS HOLLAND MICHIGAN

BY Mrs. Trout's and Mr. Tubaugh's Classes.
 The fourth grade classes at Manchester went on an overnight field trip on May 11 and 12 to Holland, Michigan. They ate lunches at McDonalds and supper and breakfast at Mr. Fables in Grand Haven. They visited Windmill Island where they saw "The Graceful Bad," a windmill from the Netherlands. The next stop was the Netherlands Museum where they saw many things from the Netherlands and articles used by the settlers of Holland, Michigan.

Hoffmeister State Park in Saugatuck provided a place for the students to run off excess energy by climbing the dunes and playing on the beach. They went to St. Johns Episcopal Church where they spent the night in sleeping bags on the floor of the auditorium. Friday they saw a lighthouse and went to Dutch Village. They bought souvenirs, including wooden shoes which are made in one of the shops there. Also on the trip were Inge Gilberts and Katherine Pons, exchange students at Manchester from the Netherlands and France. Though it rained a lot of the time, the students had a wonderful time.

WALKATHON RAISES \$6600

The alcoholic and problem drinker affect

Kyle Norgaard, first to complete 15 miles, and Jan Wiggard, welcoming committee chairman.

There were no injuries other than blisters and sore muscles, and no one was lost. There was a head count at each checkpoint, and everyone was accounted for all along the way. There was just great cooperation on the part of everyone. There is so much fun in one of these walks, and always pictures you sorrowfully miss. Take, for instance, one young man sitting crosslegged in the middle of the road. When asked what he was doing, he simply said, "resting". Doesn't that conjure up a vision? Or the tall, long legged brother, with little short brother. The little brother is taking one long stride, while the little brother is taking 4 running

strides to keep up. Shades of Mutt and Jeff. Or how about the girls who walked barefoot on the gravel roads, and put their shoes on when they came to the pavement. Then there was the more mature walker who had just about found the end of endurance and said "Don't you have a shot around somewhere? I'm never going to make it to the next checkpoint on my own". Then there were the girls who jogged the whole 15 miles, in order to finish in time to go to a track meet. Manchester has some really terrific people.

Speaking of terrific people, our thanks go out to all of those fantastic workers, who made things run so smooth. It takes

Jan Wiggard, welcoming committee, chairman, Kyle Norgaard, Mark Neugebauer, 15 miles in 3 hours.

quite a crew of workers and donors to make a walkathon work, so to each and everyone of these people, our deepest appreciation.

As all the walkers know, if their money was turned in by May 13, they were eligible for the prize drawing. The drawing will take place Thursday night, and winners will be notified of their prize.

At the end of the walk the 15 milers all signed a banner. Look for that banner to be displayed at the fair. Also at the end of the walk flower crowns were presented to the first, Kyle Norgaard, and last, Heather Walkow, walkers to finish the 15 miles. The cheerleaders

welcomed returning walkers with gusto, and tables and chairs were ready for the walkers to sit down and enjoy their chips and-Vernors.

So far the total pledges turned in is \$3561.31. The walkers have been supplied with envelopes in which to send their money. It goes to the bank, where it is counted and credited to our area, and sent on to Ann Arbor.

Carol Williams and Matt Donnellononce again, want to thank all of the faithful walkers and donors, and all of the energetic walkers, for a fine Manchester Walkathon. You're terrific Manchester!

People have been depending on us for a long time...since 1890. That was the year we started out in the basement of the old court house and were known as the Huron Valley Building and Savings Association. In 1939, a few years after we absorbed a competitive organization, we sought and received a Federal Charter so that we might serve you better. And our name was changed to Ann Arbor Federal Savings.

Recently we united with First Federal Savings of Battle Creek. And we were required by the Federal Government to change our name. With this latest forward step we now have more offices for your convenience. And with our enlarged base of over one half billion dollars, we will be able to bring you increased efficiency of customer services. With all of these changes one thing remains the same...we are still the same friendly people you have always known. You can depend on us.

ATHLETIC BOOSTERS

May 3, 1978
The regular meeting of the Athletic Boosters was opened at 8:20 P.M. by President Fitzgerald with 11 members and 4 guest present.
Minutes of the April meeting were read and approved.
Treasurers report was given and accepted.
OLD BUSINESS:
President Fitzgerald said that a complete report on the concession stand for football and basketball would be given by treasurer Joe Moore at the June meeting.
A report on the Spring Banquet was given by Kathy Hagerman. Jim Fielder had been contacted and Jim said that after talking to coaches of involved sports that it was decided they wanted to go back to a recognition night with either cookies or cake and punch. It will be held on May 25, 1978 at 7:30 P.M., at the high school.
President Fitzgerald said he was very pleased how the Methodist Church has been extremely co-operative with the use of their parking lot at the new athletic facility. He would also at this time like to remind everyone to please observe and respect the "no parking on grass" signs which have been placed up there.
He also reported that the track has been lined and is in use. The girls uniforms for track team have arrived and look very nice. Also the steps to get from the parking lot down to the bleachers have been put in.
Tom Walton was present from the Methodist Church and Joe asked him to tell us about some future plans for the area.
Tom said that the church board has talked of the idea of placing trees, to provide future shade, on the green belt between parking lot and bleachers.
Tom Fitzgerald as a representative of the track coaches also asked about the possibility of placing some along the north

end of the field to help as a wind barrier.
Kathy Hagerman suggested the possibility of the Boosters helping pay a portion of the cost when the time comes that this would be done. A discussion followed.
It was suggested by President Fitzgerald that Ted Statz, a representative of the Athletic Boosters and Jim Fielder, a representative of the athletic department work with Tom Walton and the Methodist Church on this project. Both agreed to do so.
NEW BUSINESS:
Jim Fielder asked if the athletic department could sponsor the softball tournament to send their football players to camp the first week of practices. The tournaments would be held on June 23, 24, and 25, with the Athletic Boosters running the concession stand. A discussion followed.
A motion was made by Kathy Hagerman that the athletic department sponsor the softball tournament with the help of the Athletic Boosters on June 23, 24, and 25, seconded by Chuck King, motion carried.
President Fitzgerald stated that the same people would have the concession stand for the summer recreation league, who had it last year.
Dorcas Stockwell asked if there would be any charge from the Athletic Boosters and President Fitzgerald said only if our equipment were used.
Dorcas Stockwell asked if there would be any charge from the Athletic Boosters and President Fitzgerald said only if our equipment were used.
Jim Fielder asked if the Boosters would like the storage shed, and power building to be stained. We said yes and Jim said he would take care of it.
A discussion followed on some proposals Jim had for the athletic facility.
Roseanne Hawk asked where or to whom to go to find out about having emergency equipment on hand at the sports events taking place at the athletic facility. President Fitzgerald said the proper channels would be to begin with Jim Fielder,

athletic director.
Wes Gall reported the shirts for the J.V. baseball players were here and he is very pleased with them.
President Fitzgerald said that the Village had approached him about the Boosters running a concession stand the day of the boat races. A discussion followed. The decision by members present was no.
Pat Fitzgerald also said she had been approached about the Boosters running a concession stand at bingo when they move to their new building. A discussion followed. The decision by members present was no.
President Fitzgerald asked for a report from the committee in charge of selecting possible names for the Athletic facility. Chairman Brian Schick said they were still meeting and a report will be given later.
The nominating committee said that they had a slate of officers for 1978-79 but nominations to all offices were still open.
The slate of officers presented was as follows: President-Joe Fitzgerald, Vice-President-Chuck King, Secretary-Kathy Hagerman, Treasurer-Joe Moore, Directors-Wes Gall and Jim Brink.
A motion was made by Don Tassie that

nominations be closed and that we accept the slate of officers as presented, seconded by Jim Brink and motion carried.
Brian Schick asked about the possibility of the Athletic Boosters helping with the cost of new cheerleading uniforms for football season for the middle school. A discussion followed. Brian will check further into it and report back at a later meeting.
Being no further business the meeting was adjourned at 9:50 P.M. on a motion by Chuck King.
The next regular meeting will be held on Wednesday, June 7, 1978 at 8:00 P.M. at the high school.
Respectfully submitted,
Kathy Hagerman, Secretary

"A SOUND OF PERMANENCE"

THE FOUR FRESHMEN

In the beginning they created the sound! It was a fresh, vibrant and invigorating blend of harmony. It was original, it was inventive and it left an indelible mark on the face of modern music to be an influence for any group that was to come. For two decades they set the standard and have led the way. They are The Four Freshmen.
They have been honored in most national and international polls as the "best vocal group" time and time again. Througheras of sound, through fads of fancy, The Four Freshmen have been a constant; showing in polls, selling records and attracting sell-out audiences at concerts and club appearances. The Four Freshmen have been an unparalleled vocal and instrumental influence on music. Never before and quite possibly never again will such a combination exist. The unique sound and format were formulated by four very young men in 1948 at Butler University in Indianapolis. They went on the road after one year of school. It was very slow, tedious and frustrating. Although they were fairly well accepted, they made no money, and no headway into the world of national fame and recognition their first two years.
Nothing happened until 1950 in Dayton, Ohio. The boys were playing a club date there, when none other than Stan Kenton, who was in town for a concert, dropped in to hear the group. It was an explosive meeting of musical understanding and vision. Kenton, the orchestral pioneer and progressive musician who was ahead of his time, and the innovating Four Freshmen, who were in search of their time. Stan telephoned Capitol Records in Hollywood the very next day and convinced them to sign the quartet.
One of their very first records, "It's A Blue World," became an overwhelming success, achieving for The Four Freshmen international acclaim and recognition. There followed a series of albums which have sold upwards of two million. All of the creation and invention that were the basis of the group went into their albums. There were The Four Freshmen and Five Trombones; Five Trumpets; Five Saxes; Five Guitars; they recorded with their discoverer Stan Kenton and with one Christy; they displayed their great humor in "Voices in Fun." Each album has different in concept, yet each showcased the incredible musicianship which made the Four Freshmen unique.
They reached the top. The Four Freshmen became the most in demand group on the campus circuit, playing 85% of the nation's major colleges. They toured the

world, traveling some six million miles, hitting every country except Russia, India, Africa and South America. They played every major club and concert hall in America including The Hollywood Bowl and Carnegie Hall, and they are frequent guests on the nation's top television shows.
There is no standard definition of The Four Freshmen. What has made them outstanding is a variety of things. They are singers, but they are more musicians, and their singing arrangements are as much orchestral as vocal. Each of the four is a superb musician.
They are the Four Freshmen, men of enormous talent, humor and foresight. They have been established as the leading vocal group of modern music, and their longevity and the respect they enjoy is a tribute to their greatness. Celebrating their twenty-fifth anniversary in 1973, they move ahead with their new albums, concert tours in this country and throughout the world and more television appearances. They will set the pace, they will create and they will invent into the musical future...and they'll always be "in style" because The Four Freshmen are a sound of permanence.
