

ATHLETIC BOOSTERS

May 3, 1978
The regular meeting of the Athletic Boosters was opened at 8:20 P.M. by President Fitzgerald with 11 members and 4 guest present.

Minutes of the April meeting were read and approved. Treasurers report was given and accepted.

OLD BUSINESS: President Fitzgerald said that a complete report on the concession stand for football and basketball would be given by treasurer Joe Moore at the June meeting.

A report on the Spring Banquet was given by Kathy Hagerman. Jim Fielder had been contacted and Jim said that after talking to coaches of involved sports that it was decided they wanted to go back to a recognition night with either cookies or cake and punch. It will be held on May 25, 1978 at 7:30 P.M., at the high school.

President Fitzgerald said he was very pleased how the Methodist Church has been extremely co-operative with the use of their parking lot at the new athletic facility. He would also at this time like to remind everyone to please observe and respect the "no parking on grass" signs which have been placed up there.

He also reported that the track has been lined and is in use. The girls uniforms for track team have arrived and look very nice. Also the steps to get from the parking lot down to the bleachers have been put in.

Tom Walton was present from the Methodist Church and Joe asked him to tell us about some future plans for the area.

Tom said that the church board has talked of the idea of placing trees, to provide future shade, on the green belt between parking lot and bleachers.

Tom Fitzgerald as a representative of the track coaches also asked about the possibility of placing some along the north

end of the field to help as a wind barrier. Kathy Hagerman suggested the possibility of the Boosters helping pay a portion of the cost when the time comes that this would be done. A discussion followed. It was suggested by President Fitzgerald that Ted Statz, a representative of the Athletic Boosters and Jim Fielder, a representative of the athletic department work with Tom Walton and the Methodist Church on this project. Both agreed to do so.

NEW BUSINESS: Jim Fielder asked if the athletic department could sponsor the softball tournament to send their football players to camp the first week of practices. The tournaments would be held on June 23, 24, and 25, with the Athletic Boosters running the concession stand. A discussion followed.

A motion was made by Kathy Hagerman that the athletic department sponsor the softball tournament with the help of the Athletic Boosters on June 23, 24, and 25, seconded by Chuck King, motion carried.

President Fitzgerald stated that the same people would have the concession stand for the summer recreation league, who had it last year.

Donna Stockwell asked if there would be any charge from the Athletic Boosters and President Fitzgerald said only if our equipment were used.

Dawn Stockwell asked if there would be any charge from the Athletic Boosters and President Fitzgerald said only if our equipment were used.

Jim Fielder asked if the Boosters would like the storage shed, and power building to be stained. We said yes and Jim said he would take care of it.

A discussion followed on some proposals Jim had for the athletic facility. Roseanne Hawk asked where or to whom to go to find out about having emergency equipment on hand at the sports events taking place at the athletic facility. President Fitzgerald said the proper channels would be to begin with Jim Fielder,

athletic director. Wes Gall reported the shirts for the J.V. baseball players were here and he is very pleased with them.

President Fitzgerald said that the Village had approached him about the Boosters running a concession stand the day of the boat races. A discussion followed. The decision by members present was no.

Pat Fitzgerald also said she had been approached about the Boosters running a concession stand at bingo when they move to their new building. A discussion followed. The decision by members present was no.

President Fitzgerald asked for a report from the committee in charge of selecting possible names for the Athletic facility. Chairman Brian Schick said they were still meeting and a report will be given later.

The nominating committee said that they had a slate of officers for 1978-79 but nominations to all offices were still open. The slate of officers presented was as follows: President-Joe Fitzgerald, Vice-President-Chuck King, Secretary-Kathy Hagerman, Treasurer-Joe Moore, Directors-Wes Gall and Jim Brink.

A motion was made by Don Tassie that

nominations be closed and that we accept the slate of officers as presented, seconded by Jim Brink and motion carried.

Brian Schick asked about the possibility of the Athletic Boosters helping with the cost of new cheerleading uniforms for football season for the middle school. A discussion followed. Brian will check further into it and report back at a later meeting.

Being no further business the meeting was adjourned at 9:50 P.M. on a motion by Chuck King.

The next regular meeting will be held on Wednesday, June 7, 1978 at 8:00 P.M. at the high school.

Respectfully submitted, Kathy Hagerman, Secretary Washtenaw County Ostomy Association

The Ann Arbor Area Ostomy Association will have its meeting on May 12, 1978 at 550 W. Huron St., Senior Citizens Guild, Ann Arbor, Michigan at 7:30 p.m.

Dr. William Oates will speak on Crohn's Disease and Hestomy.

"A SOUND OF PERMANENCE"

THE FOUR FRESHMEN

In the beginning they created the sound! It was a fresh, vibrant and invigorating blend of harmony. It was original, it was inventive and it left an indelible mark on the face of modern music to be an influence for any group that was to come. For two decades they set the standard and have led the way. They are The Four Freshmen.

They have been honored in most national and international polls as the "best vocal group" time and time again. Througheras of sound, through fads of fancy, The Four Freshmen have been a constant; showing in polls, selling records and attracting sell-out audiences at concerts and club appearances. The Four Freshmen have been an unparalleled vocal and instrumental influence on music. Never before and quite possibly never again will such a combination exist. The unique sound and format were formulated by four very young men in 1948 at Butler University in Indianapolis. They went on the road after one year of school. It was very slow, tedious and frustrating. Although they were fairly well accepted, they made no money, and no headway into the world of national fame and recognition their first two years.

Nothing happened until 1950 in Dayton, Ohio. The boys were playing a club date there, when none other than Stan Kenton, who was in town for a concert, dropped in to hear the group. It was an explosive meeting of musical understanding and vision. Kenton, the orchestral pioneer and progressive musician who was ahead of his time, and the innovating Four Freshmen, who were in search of their time. Stan telephoned Capitol Records in Hollywood the very next day and convinced them to sign the quartet.

One of their very first records, "It's A Blue World," became an overwhelming success, achieving for The Four Freshmen international acclaim and recognition. There followed a series of albums which have sold upwards of two million. All of the creation and invention that were the basis of the group went into their albums. There were The Four Freshmen and Five Trombones; Five Trumpets; Five Saxes; Five Guitars; they recorded with their discoverer Stan Kenton and with one Christy; they displayed their great humor in "Voices in Fun." Each album has different in concept, yet each showcased the incredible musicianship which made the Four Freshmen unique.

They reached the top. The Four Freshmen became the most in demand group on the campus circuit, playing 85% of the nation's major colleges. They toured the

world, traveling some six million miles, hitting every country except Russia, India, Africa and South America. They played every major club and concert hall in America including The Hollywood Bowl and Carnegie Hall, and they are frequent guests on the nation's top television shows.

There is no standard definition of The Four Freshmen. What has made them outstanding is a variety of things. They are singers, but they are more musicians, and their singing arrangements are as much orchestral as vocal. Each of the four is a superb musician.

They are the Four Freshmen, men of enormous talent, humor and foresight. They have been established as the leading vocal group of modern music, and their longevity and the respect they enjoy is a tribute to their greatness. Celebrating their twenty-fifth anniversary in 1973, they move ahead with their new albums, concert tours in this country and throughout the world and more television appearances. They will set the pace, they will create and they will invent into the musical future...and they'll always be "in style" because The Four Freshmen are a sound of permanence.

Community Education

The Community Education Department will offer an Adult Driver Education class for persons 18 years of age or older who do not have a drivers license. The class will consist of 4 hours of book work and 4 hours of driving in the car. The cost will be \$80. Hours are flexible and can be arranged with the instructor. Pre-requisites are (1) must have a learners permit and (2) an eye examination. These can be obtained at the Secretary of States Office. For further information and registration please call Philip Mains at the Community Education Office at 428-7804.

BOY SCOUT TROOP 430

Over the weekend of the 19, 20 and 21 of May, Boy Scout Troop 430 attended Scout-A-Rama. They exhibited a display of skill for hiking merit badge. They had information about a Beline Hike, a Soar of Save Our American Resources Hike, a Night Hike, and a 10 mile hike. For a Soar Hike and a 10 mile hike, there were packs packed. We tied with Troop 391 for second place with 290 points out of a possible 300.

Our special thanks to Mr. Minick, Mr. Hatto, and Mr. Lockridge for helping us to their best to make this all possible.

Mayor Exchange Day "The Best Ever"

dinner, and short speeches from local clubs and organizations, the audience then had a special treat, the delightful comedy of Mime artist Q.J. Anderson.

Mr. Anderson's short presentation certainly was the highlight of the evening, and if you haven't seen this very talented young man perform you should do so soon. He is a member of the Black Sheep Repertory Theatre cast and appears regularly in their performances.

LAMBDA NU

Spring is finally here bringing forth new life. At our May 17th meeting hosted by Nancy Wolf, the new '78-'79 officers took over bringing new ideas and new life to our sorority.

Lambda Nu will again be sponsoring a child to the Special Olympics this Spring. At our Mothers Day Luncheon held at Win Schoolers on May 7th, we previewed some new fashions at a Style Show sponsored by Kemp's in Sallia.

The money made from our Bake Sale (held jointly with Xi Epsilon Iota) on May 20 will all go towards the 4th of July Fireworks.

Lambda Nu will also be having a Bake Sale at the Manchester Fair this summer. A purse party is planned for June 13th, 7:30 p.m. at the High School Auditorium. Anyone is welcome. This will be sponsored by the convention committee.

We will again be assisting Claire Reck in setting up a clothing drive the 3rd week in June.

Friday, June 2 was the date set for a husbands and wives bowling party. This will be Vicky Wurster's program on Hobbies.

Our program of the year was chosen and we had 2 winners - each to receive a charm; Polly Rushing with her program on Breast Self-Examination and Sharon Stetler with her program on Informal Education, when she showed us how to develop photographs.

Coming up June 7th is a Salad Buffet with Xi Epsilon Iota to reveal our Secret Sisters, then we have the Summer off to relax and get ready for a new year.

Art Guild Extends Hours

To give local patrons the opportunity to visit their gallery the Manchester Art Guild has increased their hours to include Wednesdays 12-4 and Saturdays 10-12. These hours are in addition to the regular hours which coincide with those of the Black Sheep Repertory Theatre.

Henry Menefee
11496 Pleasant Shore Dr.
Manchester

Age 66 years died Friday night, May 19, at St. Joseph Mercy Hospital. He was born March 12, 1912 in Burning Springs, West Virginia, the son of Joseph and Rebecca McIntyre Menefee.

He was married to Marjorie Hagg in 1932. She survives.

He had been an employee of the Potawatomi Chemical Company in Wyandotte.

Mr. Menefee was a member of the Holy Cross Episcopal Church in Saline and a member of the Moose Lodge in Riverview.

In addition to his wife he is survived by one son, Blaine Menefee of Monroe; two daughters, Mrs. Ronald (Gail) Richardson of Mission Viejo, California; Miss Lorie Menefee at home; five grandchildren; one brother, Lige Menefee of Adrian and one sister, Mrs. Pearl Sneed

of Adrian. Funeral services were held Monday, May 22, 1978 at the Jester Funeral Home, Rev. Charles Wolfe and Rev. Thomas Smith officiated. Burial in Michigan Memorial Park Cemetery in Flat Rock.

I would like to share a pleasant experience with your readers. Our six year old daughter forgot a Mother's Day poem at school on Friday afternoon. She apparently told her sad story to her school bus driver, Mrs. Betty Hough. After delivering the children to their homes, they went up to school and looked through all the desks in Mrs. Galt's room until she found Jill's desk and the valued but forgotten poem. Then early Saturday morning she drove out to our house to deliver the poem which is about 8-10 miles out of her way.

The smile on Jill's face was priceless to me. I really appreciate the time and effort Betty gave to us.

It brings to mind all the nice things she has done for our children. I sometimes think our school bus drivers are taken for granted. They have a great responsibility and under trying circumstances at times.

They are certainly people who deserve our appreciation.

Sincerely,
Sue Fleider

PLEASANT LAKE PTO

The Pleasant Lake's P.T.O. final flag for this year was a potluck on May 4. Approximately 160 people were in attendance.

The Brownies led the gathering in the Pledge to the Flag. They also sang some of their favorite songs.

The 4-H girls, led by Mary Weidmayer,

presented a style show of their latest creations and achievements in sewing. The Cub Scouts treated us to a magic show and the wonderful world of model car racing.

The business meeting was election of officers for next year. Elected were: President, Claude Cole; Mother Vice-President, Ruth Boushager; Corresponding Secretary, Julie Sheffield. Other officers are: Father Vice President, Gordon Tansone; Secretary, Linda Bestfiro; Treasurer, Robert Miller. The Treasurer's report was printed and copies distributed.

We would like to especially thank Mr. Tassie, Mr. Tolough, and our outgoing President, Karen Brinkle for their hard work throughout this past year.

In addition, our thanks to Brenda Bass and all the parents who have been so generous with their time and consideration.

The second, third and fourth grades expressed their appreciation by decorating the gym with picturesque cards of thanks.

Named To Dean's List

Peter Tassie, son of Mr. and Mrs. Donald Tassie, 416 Vernon St., Manchester was included in more than 1,400 Western Michigan University students on the dean's list for the recently concluded winter semester here. To be eligible, a WEMU student must have completed a 2.5 grade point average in at least 14 hours of graded work; 4.0 is all A's.

ALUMNI TRACK MEET

On Sunday, May 7, the Dutch track team had, well, sort of a meet against an overweight, overpaid and underworked graduates of the Dutch track team. Even the Dutch Coach, Jim Brink joined the alumni side for the day. Here is how this superlative, exciting and sometimes sorrowful meet went.

The Alumni's did start out good as they swept the shot put, high jump and discus. In the shot, Greg Daniels got 1st at 43' 5 1/2", Dave Clark placed 2nd at 38' 4 1/2", Lester Janish captured 3rd at 37' 11 1/4" and Bill Mann placed 4th at 36' 6 3/4". They then jumped ahead 22-0 as Pete Tassie got 1st in the high jump at 5' 10", Bob Padley placed 2nd at 5' 6", Dan Hassel placed 3rd at 5' 4", Lester Janish 4th at 5' 2". Then the score shot up to 33 to 0 as Dave Clark got 1st at 118' 10", Greg Daniels 2nd 117' 1 1/2", Dan Schiabe 3rd 105' 1 1/2" and Lester Janish 4th at 85' 4 1/4".

The Alumni then stopped as if running into a brick wall. In the 3000 meter run Keith Moore was 1st at 10:29 Kurt Norgaard was 2nd at 10:31, Ed Achtenberg was 3rd at 11:39 and Doug Padley 4th at 11:59. This made the score 46 to 20 counting the long jump and pole vault as the long jump winner was Mark Daniels at 18' 5 3/4", Bob Padley was 2nd at 18' 1 1/2", Brad Frey was 3rd at 18' 1 1/8" and Dave Guesner 4th 17' 9".

In the pole vault Mike Farper, won 11-13' 2", Terry Brown took a second at 10' 0" and left for another event since he had 2nd, Tom Fitzgerald and Steve Eversole 3rd and 4th at 9' 6". This was amazing as Fitzgerald's knees have been condemned and he needs a permit just to walk around in public. So going into the 300 M low hurdles the score was 46-20 in favor of some tired, oldalumnus.

Pete Tassie, also known as "Tom Tassie's older brother", declared to run the 300 M lows because of an unknown reason, (this writer calls it no guts) and instead left Tom Tassie unpushed as he won with a 43.4 followed in by teammates Steve Eversole and Mark Daniels at 44 and 45.6 and Alumnus Coach Jim Brink placed 4th at 45.62.

Next, counting the 800 meter relay in which the Dutch beat the Alumni, the score was 47-35 in favor of the Alumni. In the 800 meter run the Dutch took all but one place as Randy Bondy was 1st at 2:16, Keith Moore at 2:17, ex-half mile ace Dan Schiabe 3rd for Alumnus and Kurt Norgaard 4th at 2:24, six seconds behind Schiabe. At this time the tally now stood 49-44 in favor of the Alumnus.

From here on in it was pitiful for the Alumni. I guess it could be said that their spirit was willing but their flesh was weak, very weak. It seemed the 100 meters was their last hurrah as Pete Tassie loped to 1st with a time of 11.8, Gary Daniels 12.3, D. Padley 12.7 and Bill Hagerman

and Brian Broucek 4th at 12.8. Now the score stood 56-48, in favor of the graduates.

Next came the 110 m high hurdles as Terry Brown got 1st at 19.9 and Brad Bailey got 2nd 21.2. The score leading up to the thrilling 400 meters was 59-53 Alumnus leading.

Here was the most exciting race of the meet as Keith Moore and Coach Brink were pitted against each other in a 1/4 mile of pain and agony. Could experience and extreme age beat youth and guts? The final outcome was this. Down the backstretch Moore was leading by about 5 yards with Mr. Brink 2nd, Dan Schiabe 3rd and Brian McCully 4th. As they hit the turn Mr. Brink suddenly turned it on and hit the tape 5 feet ahead of a gasping Keith Moore 2nd, Dan Schiabe 3rd and Brian McCully 4th. Mr. Brink's winning time was an amazing 56.3.

The rest of the meet was anti-climatic as Terry Brown won the 1500 followed by Kurt Norgaard, Keith Moore and Ed Achtenberg. Here the score was tied 67 all.

The 400 m relay was won by the Dutch at 47.9. The 200 m dash was won by Eversole 25.0, Tassie 2nd 25.3, Daniels (Mark) 25.5 and K. Achtenberg 25.0.

Finally the 1600 m relay was won by the Dutch and left the score 88 to 67 the Dutch winning, Good Job Alumnus!

BLISSFIELD
On Thursday, May 11, a small Dutch trackteam made up mainly of Juniors or Seniors traveled to Blissfield for a very wet and rainy track meet. The under-classmen (Sophomores & Freshmen) were at Pinckney for, naturally, the Pinckney Freshmen & Sophomore meet.

Anyway, at Blissfield Manchester could not seem to get it together as they were listless on the whole. Most of the times and performances were had so here are just the places:
SHOT PUT—Dona Clark 4th 36'.
DISCUS—L. Daniels 11'6" rd. Scott Barber 106' 4th.
LONG JUMP—Bowe 2nd 20'2". Daniels 4th 19' 5 1/2".
HIGH JUMP—Bowe 4th 5'2".
POLE VAULT—Brown 2nd 11'6". Eversole 3rd 10'6".
2 MILE—Moore 16:17.1 1st. Norgaard 11:16.
330 LOW HURDLES—Tassie 3rd 44.2.
880 RUN—Steve Eversole 2:16.3. Brown

2:18. Daniels 11.3.
120 HIGH HURDLES—Terry Rowe 1st 16.7.
Mooneyham 18.2.
440—Eversole 54.6 2nd. Lochey 4th 57.2.
MILE—Moore 1st 4:42.3.
440 RELAY—Rowe, Dresch, Mooneyham, C. Daniels 1st 48.3.
220—Mark Daniels 24.7 3rd.

Girl's Track Team Meet Clinton

On May 16, the Girl's Track went up against Clinton at Clinton. The girls performed well and only lost by 14 points. The final score being 75-61.
Mary Ann Kniabnycky gave an outstanding performance in the long jump. She jumped a 15'1" taking first.
High jumper Karla Tauriainen also took a first in the high jump at the height of 4'8". Jill Dettling also placed fourth. In both discus and shot put we placed third and fourth. Deanna Clark taking

third in both. Karla Tauriainen fourth in shot and Teresa Seegert fourth in discus.
Our two milers placed well. Taking second through fourth were Allysaunde Thompson, Laurie Fitzgerald and Julie Moore.
Carol Buss ran a 2:39.23 in the half mile for a first. Dawn Eversole placed in a close second with a time of 2:39.3.
Mary Ann gave us another first, she ran a 12.9 in the 100 yard dash. Taking second and third were Gretchen Platt with a 12.97 and Michelle LaRock with a 13.37.
The 110 low hurdles gave another third and fourth, Michelle LaRock and Megeara Quayle ran a 19:13 and 19:24.
Dawn Eversole again placed in the 440. Giving a second with a 67.79. Laura Honer came in with a close third. At this point Dutch trailed by 6.
Running a 6:14 in the mile Carol Buss came in second and Laurie Fitzgerald managed to place a fourth.
Our 440 relay team consisting of Megeara Quayle, Michelle LaRock, Deanna Clark, and Mary Ann Kniabnycky gave

an outstanding performance in beating Clinton.
The 220 was close. Gretchen Platt placed third and Deanna Clark fourth. Our 880 or mile relay teams didn't place.
The girls looked excellent and proved that a young team can be strong.

Art Fair

Milan's annual outdoor Art Fair is scheduled for Sunday, June 4 from noon until 6:00 P.M. in Wilson Park on Washington Street near the center of town. This invitational exhibit, sponsored by the Milan Arts & Crafts Club, attracts entrants from Michigan and Ohio. There will be approximately 100 artisans displaying work in a variety of media including sculpture, graphics, pottery, painting, tiles, stained glass, jewelry, leatherware, toys, and children's school art. In addition, many artists will be demonstrating their work.
All displays will be original work and will be juried by Doris Smith, Art Professor at Eastern Michigan University. Ms. Smith has had experience as exhibitor and juror in a wide variety of shows and fairs featuring various mediums of both arts and crafts.
There is no admission charge. Food concessions, playground equipment and a special kiddie art area will be available. In case of rain the Art Fair will be held at the Milan Middle School on Sand Platt Road.

I would like to take a few minutes of your time and explain just what is a certificate of deposit.

A certificate of deposit is issued to you when you deposit money in our bank with the understanding you are going to leave it in the bank for a determined length of time.

It's really a receipt for the money you have deposited that spells out the time you expect to leave the funds on deposit and the interest these funds will earn for you.

The longer you leave the funds on deposit the more interest you earn. Funds you intend to leave, say for two and a half years, will earn more interest than funds you anticipate leaving for only a year, etc.

All time savings (and that's what certificates of deposit really are) earn more interest than regular passbook or statement savings.

Should you withdraw funds prior to the agreed length of time, you loose ninety days interest and you earn the regular savings interest for the remainder of the time your funds were on deposit. This is a law.

This, then, is what certificates of deposit really are. We thought you would like to know.

FORD FEVER IS RISING.

IMMEDIATE DELIVERY AND GREAT PRICES ON FORD TRUCKS.

FORD ECONOLINE VANS
It's the only van to offer you a body with a separate frame. And Ford's out-front design gives you more move-around room inside. With features like this, no wonder Ford is America's best-selling truck line (based on 1977 calendar year retail deliveries).

FORD PICKUPS
The tough Ford pickup is America's best-selling vehicle. It not only outsells every truck, but every car as well. Check its many tough features, like Twin-Beam front axles and a double-wall box. You'll see why, when it comes to trucks, the town's really got Ford Fever.

CHECK OUR FEVERISH DISCOUNTS ON THE FORD EXPLORER PICKUP.

BIKE-A-THON TO BENEFIT AMERICAN CANCER SOCIETY

Are your gears greased? Chain oiled? Have you been training for the Bike-A-Thon that is just a few weeks away? The 3rd annual Bike-A-Thon sponsored

by the Chelsea committee for the American Cancer Society will be held on Sunday, June 4, at 12 noon at the Chrysler Proving Grounds which is located two miles south of Chelsea on M-52.

Riders will have two options for the scheduled 25 mile course: An easy track for the inexperienced rider and a more challenging one for the biker with stamina and experience. Both courses are GUARANTEED to satisfy the social rider or the cyclist out to pursue personal time and distance goals. Riders will not only enjoy the beauty of the spacious Proving Grounds but can ride comfortably knowing that there is NO traffic except for the "tag" wagon. Absence of motorized insurance of the riders no matter what their age. This makes the event an ideal opportunity for the entire family to ride.

Six cyclists will be chosen to lead off this event from those ready to ride at noon. The honored riders will be picked if they meet one of the following requirements set up by the Bike-A-Thon committee.

1. Rider with the most sponsors.
2. Top three riders with the largest amount of money pledged per mile.
3. Oldest rider.
4. Youngest rider.

Even though these six riders will be selectively acknowledged, everyone who rides deserves a great deal of credit for their participation in this worthy event. Not only will the biker ride an exhausting

distance, but will also be contributing their personal time and effort to obtain sponsors for the ride, and returning after the event to collect their pledges. We urge all sponsors to be generous and recognize the hard work and effort (sisters, sure seats, sun burns!!) of these riders. All pledges must be collected and turned in by June 18, to either Donna Stofer, 850 N. Main St., or Agnes Boylan, Chelsea District Court House.

The funds that the cyclists collect will be used to support programs during the 1978-79 year. This support is imperative for the continuity of the existing programs and to support on-going research projects. Services of the Washtenaw county unit are available to any cancer patient residing in this area, with the authorization of the attending physician. If you or anyone you know needs help or has any questions regarding the services rendered by the society, you can call the American Cancer Society, Washtenaw Unit at 665-8857.

Sponsor sheets are still available at the following places of business in Chelsea: Chelsea Pump and Pantry and Chelsea Court House; Ann Arbor locations are: Campus Bike Shop, The Student Bike Shop, and the American Cancer Society Unit on north Ashley.

For any further information call 475-2507.

ANNUAL SCHOOL ELECTION

NOTICE OF ANNUAL ELECTION OF THE QUALIFIED ELECTORS OF MANCHESTER PUBLIC SCHOOL DISTRICT WASHTENAW AND JACKSON COUNTIES, MICHIGAN TO BE HELD MONDAY, JUNE 12, 1978

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that the Annual Election of the School District will be held on Monday, June 12, 1978, in the Manchester High School Building, in the Village of Manchester, Michigan.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M. AND CLOSE AT 8:00 O'CLOCK, P.M.

At the Annual School Election there will be elected two (2) members to the Board of Education of the district for full terms of four (4) years ending in 1982.

THE FOLLOWING PERSONS HAVE BEEN NOMINATED TO FILL SUCH VACANCIES:

- William D. Bunney
- Earl A. Horning
- Arthur E. Jarve

TAKE FURTHER NOTICE THAT the following propositions will be submitted to the vote of the electors at the Annual School Election:

I. MILLAGE RENEWAL PROPOSITION
Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 17.78 mills (\$17.78 on each \$1,000.00 of state equalized valuation) for a period of 2 years, 1978 and 1979, for the purpose of providing additional funds for operating purposes (this being a renewal of 17.78 mills for operating purposes which expired with the 1977 tax levy)?

II. TAX RATE LIMITATION INCREASE PROPOSITION FOR MAINTENANCE AND REPAIR OF SCHOOL FACILITIES.
Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by .6 mill (\$0.60 on each \$1,000.00 of state equalized valuation) for a period of 2 years, 1978 and 1979, for the purpose of providing additional operating funds for maintenance and repair of school facilities?

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

I, Hilary E. L. Goddard, Treasurer of Washtenaw County, Michigan, hereby certify that, as of April 6, 1978, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, in any local units of government affecting the taxable property located in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, is as follows:

Whats Happening in Our Schools

Submitted by the Manchester Education Association

First Grade Amtrak Trip to Jackson
We almost missed the train. We walked through the dining car and got drinks in little paper cups and used the little bathroom. We walked a long way to a nice park. We ate lunch and played in a neat park with lots of merry-go-rounds. The train was 45 minutes late coming home. We played on the grass outside the old station. Sometimes the train went real fast and we had a hard time walking and standing up. On the train we went by lakes, bridges, Chelsea, Dexter, and lots of other railroad cars standing still in the railroad yards. While walking to the park we saw old buildings, lots of traffic, red traffic lights, brick streets and sidewalks, houses close together and many things we don't see in the country. Imagine that! The sun shined just for us today!

MINUTES BOARD OF EDUCATION

These are the proposed Minutes of the May 15, 1978 Board of Education meeting. They are not official until approved at the next regular meeting, along with any corrections made by the Board.

May 15, 1978
The meeting was called to order at 8:10 P.M. in the Study Auditorium by Pres. Wm. Bunney. Board Members present: Feldkamp, Westfall, Macomber, Kensler and Bunney. Board Members absent: Walkowe and Mick.

Secretary Kensler reported no communications had been received.

APPROVAL OF MINUTES
Pres. Bunney asked if there were additions or corrections to the Minutes of the April 17th meeting.

Moved by Westfall to approve the Minutes of the Regular Meeting of April 17, 1978 as submitted. Supported by Feldkamp. All years. Motion carried.

FINANCIAL REPORT
Mr. McGuire gave the following financial report: March 31, 1978 balance - \$840,723.50, April revenues - \$100,215.60, April expenditures - \$171,567.96, Balance as of April 30, 1978, \$769,371.14.

Moved by Feldkamp to accept the Financial Report as submitted. Supported by Kensler. All years. Motion carried.

BILLS PAYABLE
Mrs. Westfall questioned why the payroll of April 7, was so much greater than

usual. It was explained that during that time the teachers received their retro-active pay.

Moved by Kensler that bills totaling \$172,476.06 be approved for payment at this time. Supported by Westfall. All years. Motion carried.

TITLE I
Mr. McGuire reported that a different approach in the use of Title I funds was being considered. This was to 1) improve program results for students below grade level and 2) remedy State Department concerns that there was too much time spent with ineligible students.

He reported that Federal subsidizing should be used exclusively for Title I students.

Mr. McGuire and Mr. Tassie have been visiting other districts and evaluating their programs and expect to consult with the Parent Advisory Committee and the Professional Staff before submitting a plan for Board consideration.

Mrs. Masten reported that a May School Newsletter with year end information is being incorporated in the May 25th Manchester Enterprise and there will be reprints of the school section sent to all district residents.

1978 SCHOOL VALUATION
Mr. Masten reported that evaluation of the district had increased almost \$10,000,000, which amounts to a 20.3% raise. He reported that individual property taxes vary by type of property and location.

He reported further that under the

THURSDAY, MAY 25, 1978 THE MANCHESTER ENTERPRISE PAGE 9 present State Aid formula, the local tax payers would be paying \$290,000 more and State Aid would be reduced by \$290,000.

SCHOOL SERVICES & INTERNAL ACCOUNTS

Mr. McGuire gave the Financial Report on the School Service Fund including Athletics, Milk and Food Service, indicating a balance of \$1,477.31 in Athletics, \$675.01 in Food Services and \$1,718.07 in the Milk account, for a total balance as of April 30, 1978 of \$3,871.39.

The balance of the Internal Accounts as of April 30, 1978 was \$35,769.63.

HOT LUNCH PROGRAM
Mr. McGuire reported that he had oral confirmation from the State Department that equipment needed to initiate a Hot Lunch Program in the Manchester Community Schools would be financed by Federal and State funds.

Moved by Feldkamp that an alternative Hot Lunch Program providing for centralized cooking facilities at a neighboring school and serving facilities at the 5 Manchester School Buildings be submitted to the State for consideration. Supported by Kensler. All years. Motion carried.

VOCAL & INSTRUMENTAL MUSIC PROGRAM
The Administration recommended hiring 1 new music teacher to be placed in the Middle School for band and vocal music and the re-establishment of a part-time strings program.

Mrs. Westfall questioned how many new people this would take. Mr. Masten reported that this would be one (1) new person over and above what is employed this year and would put the number of music personnel back at the level they were at.

Moved by Macomber that a person qualified to teach vocal music and instrumental music be employed for the 1978-79 school year and assigned to the Middle School staff. Supported by Kensler. All

years. Motion carried.
Moved by Westfall that a half time strings music program be reinstated in the Manchester Schools curriculum beginning at the 5th Grade for the 1978-79 school year. Supported by Feldkamp. All years. Motion carried.

AUTHORIZATION TO USE SCHOOL BUS
Moved by Feldkamp that the Village Recreation Department be authorized to use two school buses for their summer recreation program providing they pay for the operational costs during this period. Supported by Westfall. All years. Motion carried.

VOCATIONAL EDUCATION
Mr. Masten requested Board permission to sign a contract to continue the shared time program with Saline next year. He reported we would pay approximately 60% of the net cost which would amount to \$217 per student.

Moved by Westfall that the Superintendent be authorized to sign an agreement with the Saline Area Schools for Vocational Instruction of selected Manchester 11th and 12th grade students during the 1978-79 school year. Supported by Kensler. All years. Motion carried.

OPERATING PROCEDURES
President Bunney asked for comments or any changes in the letter to visitors or procedures and operating policy.

Moved by Kensler that the letter to visitors and the Operating Procedures developed to support the Board Operating Procedure Policies be approved as submitted. Supported by Westfall. All years. Motion carried.

TRANSFER OF INTERNAL ACCOUNTS
Mr. Masten requested that 4 inactive accounts in the Internal Account be transferred to the High School Student Council to be used to help defray the cost for curtains for the stage.

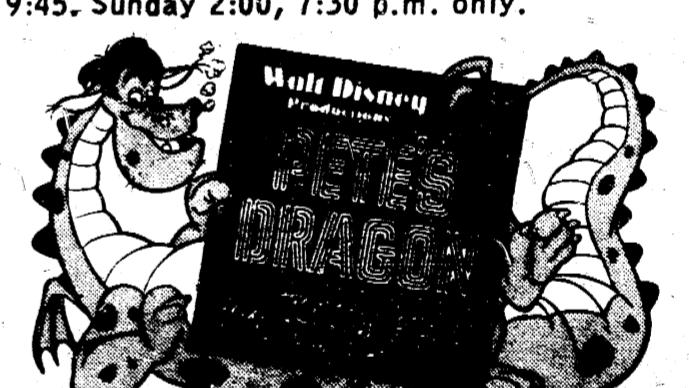

Moved by Feldkamp that the inactive

accounts in the Internal Account as follows: Future Nurses, 11.61, Future Teachers, \$80.26, Science Club, \$6.21 and Woods & Water \$141.84 for a total of \$239.92, be transferred to the Student Council to be utilized to help purchase back drops for the stage. Supported by Kensler. All years. Motion carried.

STUDENT PICTURES

Mr. Masten reported that profits from student pictures were in 1 general account and should be placed back in the individual schools account where profits were made.

Moved by Westfall that the Student Picture profit in the amount of \$917.84 be transferred to the General Funds of the specific schools where the pictures were sold as follows: Pleasant Lake \$143.94, Klager \$177.83, Middle School \$265.65 and High School \$330.42. Supported by Feldkamp. All years. Motion carried.

FIELD AND STREAM TRIP

Moved by Kensler that the annual Field & Stream camping trip scheduled for May 26th to May 30th be approved. Supported by Feldkamp. All years. Motion carried.

ATHLETIC FIELD RENTAL

Mr. Masten reported that Community and School Service organizations have used the Athletic Field in the past at no charge. But now there are private groups requesting to use this facility and he thought there should be a charge for electricity and maintenance.

Moved by Westfall that private groups wishing to use the Athletic Field designate a person to be responsible for paying for the electricity used, cleaning the facility or reimbursing the school the cleaning cost and securing the field when not in use and the administration prepare an agreement to be signed by both parties prior to using the field. Supported by Macomber. All years. Motion carried.

BUS DRIVER GRIEVANCE

The transportation Committee reported they had not been able to schedule a meeting regarding the Bus Driver Grievance.

Moved by Kensler to table the Bus Driver Grievance until the next meeting. Supported by Macomber. All years. Motion carried.

TEACHER ASSOCIATION GRIEVANCES

President Bunney referred grievances by the Manchester Education Association for hearing by a Committee composed of Beno Feldkamp, Chairman, Jim Walzow and William Bunney. The Committee is to make a recommendation to the Board at its next meeting regarding the recommended action to be taken.

ATHLETIC BOOSTERS

The Administration proposed a drawing prepared by the Athletic Boosters requesting permission to build a service drive and baseball diamond adjacent to the Klager school property.

Mr. Masten reported that the staff had worked with the Boosters and the proposed location would have the least chance of interfering with other development on this site.

Moved by Feldkamp that permission be given to the Athletic Booster to construct a school service drive to the storage building and concession stand and also a baseball diamond as submitted in the sketch with the understanding the Board may have to relocate the field at some future date. Supported by Kensler. All years. Motion carried.

1980 CENSUS

Consideration of requesting the 1980 census to co-ordinate special information

concerning the Manchester School District.

After consideration of the information available and the cost, there was no motion to participate.

MATERNITY LEAVE

Moved by Westfall that Mrs. Sally Gall be granted a Maternity Leave for the 1978-79 school year and that she be allowed to return to her first grade teaching assignment at the beginning of the 1979-80 school year. Supported by Kensler. All years. Motion carried.

President Bunney directed the Board

Secretary to include the operating procedure and letter to visitors in the Board Minutes.

Pres. Bunney opened the meeting for audience participation. Several questions were entertained from the audience.

President Bunney announced that the Manchester Optimists would sponsor a Candidates and School Election Information night at the High School on June 6th at 8:00 P.M.

Moved by Macomber to schedule a work session on June 12th at 8:00 P.M.

Supported by Feldkamp. All years. Motion carried.

Member Feldkamp asked that the Administration research what the pay was for Board members in other area districts and asked that this information be put on the June 19th agenda.

Moved by Westfall supported by Feldkamp that the meeting be adjourned. All years. Motion carried.

Meeting adjourned at 10:00 P.M.

Respectfully submitted,
Helen J. Kensler, Secretary
Board of Education

MANCHESTER COMMUNITY SCHOOLS NEWS LETTER

"Meet the Candidate" June 6 Sponsored by Optimist Club

The Manchester Optimist Club will sponsor an open meeting for local residents to meet the candidates for the Board of Education.

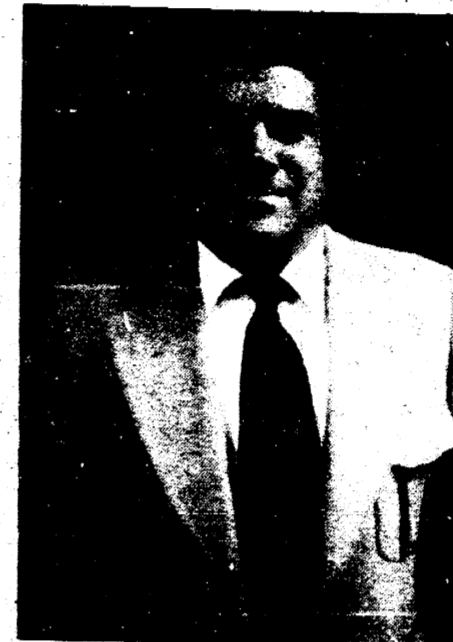

The three candidates, Arthur Jarve, Earl Horning and William Bunney will be invited to attend to express their views and to answer questions from the visitors.

This will be followed by a question and answer period concerning the millage requests, the school budget and other subjects requested by the visitors. School officials have been invited to be available for this portion of the program.

The Manchester Optimists are sponsoring this activity as another service to help people become more informed about their community.

Mr. Herbert Mahony, a local Optimist is Chairman of the program.

This informational meeting is scheduled for 8:00 P.M., June 6, 1978, in the High School Study Auditorium. It is hoped that many interested residents will attend.

Mr. Arthur E. Jarve resides with his wife Sharon at 8383 Smythe Road. He is thirty five years old and has been a resident of the Manchester School District for fourteen years. He has a Bachelor of Science degree in Business Administration from Wayne State University. He is employed as Purchasing Agent for Rockwell International in Chelsea, Michigan.

Art is completing his third year as president of the Church Council of "Our Savior Lutheran Church." He and his wife have three children, Margie-13, Patrick-11, and Billy-9 enrolled in the Manchester Schools.

He states that: "I chose to be a candidate because I have the desire to serve the young people of the Manchester School District, in the capacity of a school board member, I feel that my talents and time can be used to further and improve the quality of education both in the classroom and in related activities. I would also like to promote more sensitivity to the musical needs of our young people.

Lastly, I possess the ability to listen and understand the desires and concerns expressed by the parents and taxpayers of this school district. My business knowledge and experience will be valuable in managing the funds you have entrusted to the district.

Bill Bunney has served as a member of the Board of Education for the past three years, the last two as president. He lives with his wife Delores and daughters Melissa and Karen on Sanborn Road. Both daughters are enrolled in the local schools.

He is a graduate of Eastern Michigan University with a Bachelor of Science degree in Business Administration. He is employed by the Ford Motor Company as Section Supervisor for Manufacturing, Planning and Control.

Bill states that he is seeking re-election so as to be involved in the satisfactory completion of planned improvements in program and facilities that are being initiated at this time. He states that he has a strong interest in improving the educational program and the school facilities.

He feels that it takes considerable time for a new Board member to become acquainted with the school program and school procedures.

He states that even though being a School Board Member seems to be a thankless job at times, it is necessary that there is some continuity in Board membership if the school program is going to progress systematically.

Earl Horning has a background and experience which he feels will help him meet the challenges facing the School Board.

He is a lifetime resident of the Manchester area and a graduate of Michigan State University with a Bachelor of Science degree. He and his wife Diane own and operate a dairy farm on Pleasant Lake Road. They have two children, Jeff-11 and Tricia-9 enrolled in the Manchester schools. Earl serves on the Agriculture Advisory Committee for Manchester High School and this year was active in the P.T.O. improvement projects at Pleasant Lake School.

Earl states that he feels some of the challenges now facing the Manchester School System are:

1. Facilities- I think the buildings, grounds, and equipment have been neglected much too long. I would work to get the facility improvements as soon as possible.
2. Curriculum- Having served on the advisory committee I have seen how curriculum in the whole school is set up. I would work to review curriculum so that priorities are met.
3. Costs- With taxes increasing we must carefully examine how school money is spent and still maintain quality education for our children including both short and long term goals.
4. Communications- I believe the school community should have a voice in what goes on within our schools. If I am elected I will be willing to listen to your questions and comments in making school board decisions.

School Election June 12

Registered school electors will go to the polls on June 12th to elect two members to the Board of Education and hopefully renew the operating tax for a two year period. In addition to the operating tax renewal, they will be asked to consider a separate proposal that would give the schools six tenths of a mill for each of the next two years for school maintenance. The Board of Education has promised to lower the debt tax by six tenths of a mill for two years to keep the tax rate the same as levied this year. Detailed information is contained in this special section of the Enterprise concerning the school election and other school activities.

The Board of Education encourages all residents to come to the polls on June 12th to cast an informed vote.

Hot Lunches- Hot Topic

The possibility of having prepared hot lunches has to be identified as old business. For the past two years it has been an on-again off-again proposition.

Today Hot Lunches for Manchester students is a top priority topic.

It has been determined that constructing or remodeling a centralized kitchen or four school preparation kitchens is too costly.

A study of the ready made frozen lunches indicates that the price to students would be high and that pre-packaged lunches for High School students are not available.

A soup and sandwich program would be difficult to qualify for Federal subsidy. At this time a hot lunch prepared in a neighboring district and transported to Manchester looks the most feasible. School

What's Happened To The \$45,000-?

Two years ago the Citizens voted 17.75 Mills for school operations. One Mill was pledged for Special Maintenance projects. The maintenance program did not get off the ground the last school year.

As of June 30th, last year there was a cash balance of approximately \$55,000. The Board of Education placed an amount of \$45,000 in a special account to use for special maintenance.

As of April 30th, expenditures from this fund were as follows:

1. August-bill for controls at Klager--\$274.00.
2. Materials and Labor for patching roofs--\$950.00.
3. Repairing the roofs of classrooms at Pleasant Lake--\$1,495.00.
4. October - repairs on boilers at High School, Pleasant Lake, Nellie Ackerson and Klager Schools --\$4,770.00.
5. Nov. & Dec. - repairs on heating system at High School and Nellie Ackerson--\$5,402.00.
6. January - heating system repairs at Pleasant Lake, Klager and High School--\$1,815.00.
7. February - Bills on heating repairs at Klager and High School--\$1,099.00.
8. March - Bills on condensate pump at Middle School and vacuum pump at High School--\$901.00.
9. Electric Heaters in Nellie Ackerson--\$1,093.00.

ADDITIONAL FUNDS NEEDED FOR COSTLY REPAIRS

The obvious repairs needed by local schools cannot all be financed out of the present school budget. The Board of Education has decided to request six tenths of a mill for the next two years. This money would be used to pay for costly needed repairs.

The Board would reduce the Debt Millage by a like amount to keep the tax rate the same.

These funds would be needed to repair or replace cracked boilers at the Middle School, the High School, the Ackerson School and the Klager School. Added to this would be repairing or replacing thermostats and needed controls in the buildings.

Most of the roof at Pleasant Lake would be replaced and the water stained areas on the ceilings repaired. Other serious roof problems at the High School and Middle School need immediate attention. Water damaged interior work would be repaired at the Middle School.

The Ackerson roof and Klager roof need repairs before they deteriorate to the point of having to be replaced.

The High School gym and the Pleasant Lake School need paint as they have had little attention since the early fifties when they were constructed. The carpet at the Klager School must be replaced.

At this point in time we have forty safety violations from the State Bureau of Safety and Regulations. These basically involve ungrounded electric circuits, protective guards on power driven equipment, and safety lock out switches on shop and bus garage equipment. These must be repaired this summer or the district will be fined and certain areas shut down.

These are the main deficiencies to be covered by the six tenths of one mill and the remaining twenty seven thousand dollars in the present special fund, earmarked for maintenance this last June.

The estimated costs of the needed repairs is in excess of one hundred thousand dollars. The requested six tenths of a mill for two years and the remaining twenty seven thousand will give the Board and their staff approximately \$93,000.00 with which to complete most of the projects.

By reducing debt tax, this much money can be made available over the next two years without raising the tax rate.

Total expenditures to May 1, 1978--\$17,783.00.
Amount of Special One Mill Fund remaining for future maintenance projects--\$27,217.00.

Valuations Up! School Income Not

The property values of the Manchester district have increased 20% over last year. Local tax payers will pay different percentages of increase depending on the type of property and the township in which they reside. The net result will be a 20% increase in local taxes paid to the taxing units.

YOUR SCHOOLS WILL RECEIVE MORE LOCAL MONEY AND LESS STATE MONEY. If the State formula isn't changed the total income will be the same as last year.

To explain the Equal Yield Formula (some call it the Robin Hood Plan) is very difficult.

- This is how it works:
1. The formula indicates that a district levying 29 mills for operation should receive 1,324.00 per student in state and local funds.
 2. 29 Mills in Manchester this year collects 1,047.00 per student.
 3. 1,324.00 - 1,047.00 is 277.00 per student for the state to reimburse the schools.

1. Next year the valuation has increased by almost 10 million dollars.

2. Next year 29 mills in Manchester will raise \$1,260 per student.
3. 1,324.00 - 1,260.00 is 64.00 per student for the State to reimburse the schools.
4. 1,359 students @ 64.00 yields 87,000 in State Aid this next year.

Let's Add it up.

1977 Local taxes for school operating 49 million valuation x 29 mills - 1,421,000.
1977 State Aid for 1,359 students - 377,000.

Amount Available for operating this year - 1,798,000.

1978 Proposed taxes for school operating 59 million valuation x 29 mills - 1,711,000.

1978 State Aid for 1,359 students - 87,000.

Total Amount available for operating next year - 1,798,000.

Using this years formula the total amount available is the same.

There would be 290,000 more in local taxes and 290,000 less in State Aid.

Indications are that the Formula will be changed and possibly half of this amount will be given back to our schools.

Your Board of Education is hoping for this increase as the built in increased costs for next year will exceed seven percent and no increase in State funding will again put Manchester into program reductions. Supr. Masten indicates that the millage must be renewed with some increase in State Funds to maintain the program Manchester now has.

HOT LUNCHES-

Officials are not trying to be mysterious, but are refraining from naming the district before the proposition is presented to their School Board for official consideration.

Presently, Mr. McGuire is identifying and pricing all the equipment needed for such a program. He is keeping in close contact with State officials and hopefully will obtain information on the amount of Federal and State assistance available to purchase the necessary equipment.

He is also visiting some of the more successful central food preparation school operations in the State.

All of this information together with the results of the parent questionnaire and advisory vote will be presented to the Board in the near future.

At that time the program will be approved or laid to rest for lack of money or anticipated student participation.

SUPERINTENDENT'S REPORT

Returning early in December to a position I left fifteen years ago was a challenging experience. Becoming re-acquainted with many old friends and having my students of another day as Board members, community leaders and parents was and continues to be most gratifying.

It was difficult to know just where to begin on this new old position where everything is so different than years ago. Some of the immediate goals have been accomplished.

1. Setting up a procedure of School Board operation to allow meetings to be conducted in a business like fashion.
2. Being placed on the Universities fully accredited list.
3. Establishing a School Calendar for this year and next year.
4. Settling the Master Agreement with the teachers Association for this year and next year. (This was probably a fair settlement as it was more than the Board wanted to pay and less than the employees thought they deserved.)
5. Receiving competitive bids on the Middle School boiler for \$10,000 less than anticipated.
6. Upgrading the present bus fleet.
7. Establishing this years salaries and working conditions for non-unfunded employees.
8. Establishing Job Descriptions for key employees.

Projects in Progress at the Present Time

1. Establishing a Hot Lunch Program or laying it to rest after two years of consideration.
2. Re-establishment of the School Music Program.
3. Developing a more detailed budget.
4. Getting Pleasant Lake roof replaced immediately.
5. Planning a summer maintenance program that will repair the boilers and the poorest roofs.
6. Negotiating with Custodial Union.

I believe that a structured operating procedure and good two way communications are ingredients needed to develop a credible school operation.

Happy, self-disciplined parents, students and employees contribute to a good school atmosphere.

Developing procedures and honest communications has a tendency to upset

some of the people effected. Moral, I believe and hope will improve as those effected get used to a system of operation.

Future Recommendations

This coming year there shall be several items studied, followed with recommendations to the Board:

1. A concentrated effort to improve performance and evaluate performance.
2. Improvements in high school program, elementary reading program and self-testing program.
3. A policy developed on transportation service that conforms with State standards.

- A. A maximum of 4 stops per mile.
- B. Minimum back tracking on route.
- C. Minimizing leaving main routes for students who live a short distance from corner. (State funds are deducted for back tracking and leaving main route for short distances.)

4. Establishing definite stops within the village limits to give safe transportation to school and consider the necessity of having Crossing Guards if students are transported.

5. Give reasonable salary raises to non-union employees.

6. A community study of the educational program and facilities.

7. Board approved programs and materials in basic subjects.

8. A policy pertaining to the use of school property with a rental schedule for groups not identified as Community Service Organizations.

9. A policy clarifying school support and service to Senior Citizens.

10. A procedure to have the Community School Office control non-school use of buildings and grounds and Senior Citizen Activities.

11. A procedure to encourage more competitive bidding for school business.

12. A concentrated effort to improve student behavior, attendance and overall self pride.

BOARD OPERATING PROCEDURES

(Explanations & Regulations)

Regular Meetings of the Board of Education shall be called to order at 8:00 P.M., the third Monday of each month at the Manchester High School located at 710 East Main Street, Manchester, Michigan.

Special Meetings "Special Meetings of the Board will be called by the President of the Board, or two members thereof, by serving on the other members a written notice of the date, time and place of the Special Meeting. Notice will be served by delivering notice to the members personally, or by leaving the notice at each member's residence with a person of the household at least 24 hours before the meeting is to take place, or by depositing the notice, enclosed in a sealed envelope plainly addressed to the member at the member's last known residence address in a Government mail receptacle at least 72 hours before the meeting is to take place. Service may be made by a member of the Board or an employee of the Board."

Notices of Special Meetings will be posted at least 18 hours preceding the meeting on the West door of the High School, the Union Savings Bank and the Baker's Dozen.

Emergency Special Session may be held by the Board of Education with no official notice. This is only possible if 5 members of the Board declare that a severe and imminent threat to the health, safety, or general welfare to the public exists and "delay would be detrimental to efforts to lessen or respond to the threat."

Work Sessions, the Board may periodically schedule work sessions for the purpose of becoming informed on school issues. No decisions will be made at such sessions. The public is welcome to attend these meetings.

Agendas of Regular Meetings Agenda items must be submitted to the Board President or Superintendent of Schools by noon Wednesday, 12 days prior to the third Monday of the month. Items suggested by members of the general public will be placed on the agenda if they concern Board policy, past board decisions or concerns that could not be satisfactorily resolved at staff level.

Members of the general public will be allowed to address the Board prior to the beginning of the official agenda. At this time, a person may receive permission to address the Board just prior to official discussion of any agenda item. Any one person will be limited to three minutes and any group of more than three persons addressing the same subject will be limited to a total of ten minutes. Once the Board begins official discussion of an agenda item, the general public shall not be permitted to speak unless requested to do so by the Board President. Board of Education Meetings are meetings conducted in public but are not public meetings.

Items not on the agenda will receive no Board decision unless a minimum of five members of the Board vote to consider

such an item because in their estimation it cannot be resolved at staff level and is too important to wait for an agenda of a future meeting.

The Board agenda shall be prepared Wednesday, Thursday and Friday the 12th, 11th and 10th day preceding the third Monday of the month. The agenda will be published in the Manchester Enterprise the week prior to the regular Board meeting.

The format of the agenda shall be:
1. Roll Call of Board members present
2. Communications received by the Board
3. Visitor input limited to 3 minutes per person and ten minutes per topic. (Persons may request to speak to an agenda item just prior to official board discussion).

4. Minutes of previous meetings
5. Financial Reports
6. Bills Payable
7. Reports
8. Old Business
9. New Business

The Board may go into executive session if decided by a 2/3's vote of the Board to discuss, labor relations, real estate acquisition, personnel matters at the request of the persons involved and student matters at the request of an adult-student or parents of a student.

No decisions will be made in executive session. Minutes will be taken, but not available to the public unless a majority of the Board resolves to allow public disclosure.

Such minutes are available when subpoenaed by a court of law.

Materials available to the General Public. These will be available at the Board meetings.

Copies of:
1. The agenda
2. The supplement to the agenda, giving background information and administrative recommendations.
3. A resume of the financial report.
4. Other support information that has been prepared for the Board of Education.

Detailed information on Board operations, in the condition kept, with exception of materials in confidential personnel folders, is available to Manchester Community School residents upon request. These include detailed computer print outs of all financial transactions and official minutes of previous Board meetings.

The Minutes of each Board Meeting - Unofficial minutes of each Board Meeting shall be published in the Manchester Enterprise within 10 days after the meeting. (Minutes become official after approval at next regular meeting.)

Board members serve no official capacity when the Board is not in session, but realize they are elected to serve the Manchester residents. A Board member will be happy to help a resident have their problems, concerns or suggestions considered at the proper staff level. Items not resolved at staff level are to proceed to the Superintendent. If still not resolved the items will be placed on a future Board agenda.

We are all looking forward to Michigan Week which is May 20-27. For Michigan Week we are going to make relief maps and we are all going to plan our own sight seeing trip through Michigan. We are also going to study the different kinds of careers that are available in Michigan. We are going into Manchester to visit the Police Station, Union Savings Bank, Mann's Feed Mill, City Hall, Uniloy, and the Fire Station. By visiting these places we will learn what jobs are done there and we will also learn more about Manchester.

Miss Betty E. Cummings, CPS, was elected President of the Michigan Division of the National Secretaries Association (International) at their Annual Meeting which was held in Flint on May 19 through 21, 1978. She is a member of the Jackson/Albion Chapter.

The Association is dedicated to upgrading the secretarial profession through a program of continuing education.

When you deposit \$1,000 or more for four years, we will pay you a rate of 7.50% annual interest. This interest is paid or compounded quarterly, and when compounded, has an effective annual yield of 7.71%. Also, when this certificate is held until maturity, the \$1,000 invested will have increased to \$1,346.11. On four-year savings certificates, no place pays a higher rate, and many places (possibly including the one where you're saving) may not be paying as much. Remember, federal regulations require a substantial interest penalty for early withdrawal on savings certificates.

THREE GENERATIONS HELPING TO MAKE IT HAPPEN

Willard Mann, Ron Mann and Jeff Mann

It was in 1954 when the Manchester Exchange Club, now the Optimist Club, and the local Jaycees sponsored Manchester's first Chicken Broil.

By all accounts, including blazing headlines in the Manchester Enterprise, the event was a huge success. One ton of chicken was served by some one hundred

HOOVER UNIVERSAL PLANS OPEN HOUSE JUNE 10

Hoover Universal Blowmolding Machinery Division (Formerly known as Unifloy) invites the community to visit their facility on Saturday, June 10, 1978, between 1:00 and 4:00 p.m.

The Blowmolding Machinery Division is a major manufacturer of machinery used in the production of plastic bottles and containers. Since October of 1976, they have consolidated this facility in Manchester from two facilities in Saline and employ approximately 250 to 300 people from the surrounding area.

The employees, families, and members of the community are being invited to visit this facility to see how the machines are manufactured.

volunteer men and boys to nearly two thousand visitors. Profits from the event went toward reducing the debt on the athletic field fence that had been assumed by the Exchange Club.

Now, twenty four years later, elaborate plans are underway for this year's 25th Annual Broil to be held Thursday, July 20. Gene Bentschneider, General Chairman, and his committee are looking forward to serving some seven ton of chicken, plus all the trimmings, by 550 volunteers to more than the record ten thousand eight hundred who enjoyed last year's dinner and festivities.

Again this year, as they have since the Broil's inception, many of the 35 local men who were members of the Exchange Club in 1954 will be actively participating in the planning and working at the forthcoming historic 25th Annual Broil. Included are: Dan Boutell, Charles Eisenhauer, Ed Galloway, Rollie Grossman, Robert Hamilton, Earl Koebbe, Herman Kuebler, Ed Kirk, L.V. Kirk, Roscoe Lamom, Willard Mann, Waldo Marx, Robert Masten, Pat Roesch, Millard Uphaus and Tom Walton.

Like father and like son, third generation boys are now enthusiastic volunteer helpers. Scores of these happy young men, garbed in their white aprons, hats and gloves will be evident all over the athletic field this coming July 20 as they carry out their assigned duties.

Pre-sale tickets for this year's broil will soon be available from the 550 volunteers and at over thirty banks and business establishments in Manchester and surrounding cities and villages. The price of pre-sale tickets will be \$3.00. The price at the gate on the day of the broil will be \$3.50.

OPERATION SAND BOX

Operation Sandbox has been scheduled for June 6 by the Manchester Jaycees. If you wish to have your child's sand-box filled, please sign the sheets located at Mann's Feed Mill or Ace Hardware, or call either establishment.

BAND AWARDS PRESENTED

Theresa Ames, John Sauter-Optimist Club, Lori Gonzer.

The Manchester High School Band, conducted by Mr. Roger Morrison, performed its final concert of the year on Friday, May 19. Selections by Hermann, Davis, Wagner, Vivaldi and Mozart provided an enjoyable music experience for the audience. A trombone trio, "Trombrero" by Coffield, was performed by Kurt Sauter, Craig Rhoades and Mike Schaffle. "Broadway Spectacular" arranged by Higgins set the mood for the award presentations following the concert.

Mr. Morrison presented the Director's Award to Jim Duncan for excellent

musicianship, leadership and citizenship. Kurt Sauter received the Director's Most Improved Award for outstanding study and performance on the trombone. The highly regarded John Phillip Sousa Award, voted upon by the entire band, was awarded to an outstanding musician Tammy Rhoades.

The Band Boosters Club provided an "M" blanket for the following graduating seniors: Tammy Rhoades, Joanne Kastl and Scott Barber, cornets; Julie Johnson,
