### "THE MANCHESTER HISTORIC DISTRICT PROJECT"

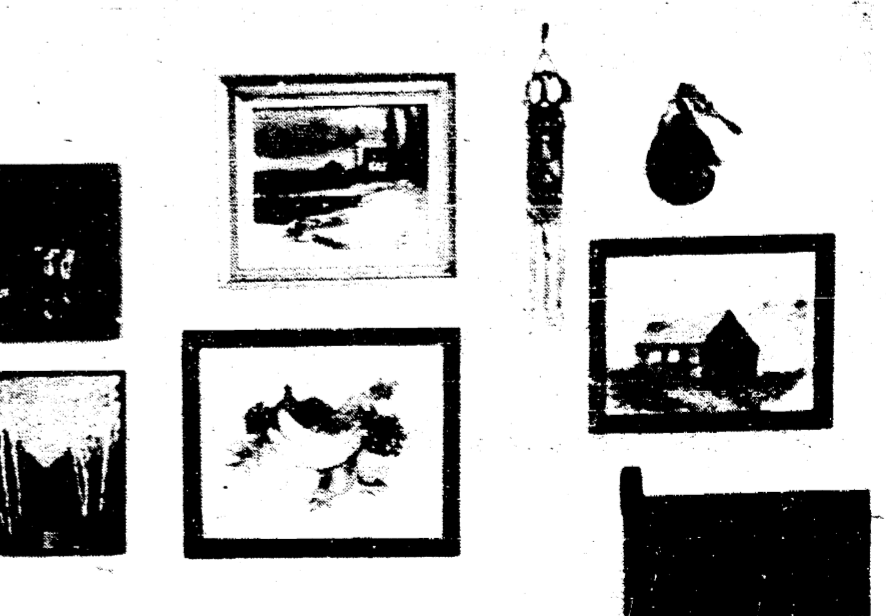

The National Endowment for the Humanities has awarded a \$5600 grant to three Michigan State University students for the purpose of historic and architectural research in the Village of Manchester, Michigan. Research will entail an intensive survey of all Village structures in order to determine factors which contribute to their historical significance such as ownership, past and present use, and the relationship of structures to the community's development.

The students involved in the project represent three fields of study at M.S.U.: Jane Grabowski, a student in Landscape Architecture, Steve Hartrant, a graduate in Urban Planning, and Phil Grillo, a graduate of James Madison College (a residential Public Policy college at M.S.U.).

The grant, entitled "The Manchester Historic District Project" will be conducted from mid-June through mid-September, 1978. The project office is located in Exchange Place, Manchester Village. Persons who wish to contribute information or suggestions pertinent to the history of Manchester Village are encouraged to contact Phil, Steve, or Jane at: The Manchester Historic District Project, General Delivery-Exchange Place, Manchester, Michigan. Phone: 428-8590.

#### LETTERS TO THE EDITOR

I would like to alert your readers to H.R. 8494, a very stringent disclosure bill which was passed in April. The Senate is now considering a companion bill, S. 2971 which is even tougher than the House bill.

"The Senate bill would compel any corporation, union, church or other group to register with the government and open its records to federal inspection if it spends \$5,000 or more on advertisements,

mailings or other efforts to get people to contact Congress ABOUT ANYTHING—even if the group itself never gets directly in touch with lawmakers at all." (Washington Post)

The framers of our Constitution included in the First Amendment the stipulation that "Congress shall make NO LAW... abridging the freedom of speech or of the press," or the right "to petition the Government for a redress of grievances."

Anyone wishing to may write their Senator informing him that they are adamantly opposed to this shocking attack upon their constitutional right to free speech—for if we don't the day may not be far off when we may not be able to do so—ever again.

Sincerely,  
Mrs. Josephine Lutchka

Many times our elected Representatives and Senators in Washington have voted against gun-control laws they know that the American people do not want. Most people in the United States are aware that throughout the history of man the first step to bringing about a Dictatorial or Totalitarian form of Government is to first take away all arms from its citizens so that they are at the mercy of the Government, as Adolph Hitler did.

The Treasury Department, through its Bureau of Alcohol, Tobacco and Firearms, is still trying to achieve by regulatory edict the sort of centralized gun registration "data bank" which Congress has consistently rejected as legislation. The proposed regulations, which surfaced in the March 21st Federal Register, have created a nationwide furor

among defenders of the right to keep and bear arms. Senator McClure describes them as a "blatant attempt to usurp congressional authority" which "demonstrates once again that certain governmental officials consider themselves to be above the law." Representative John Ashbrook calls the proposed regulations part of an "insidious movement" which should "disturb every member of Congress be they gun control advocates or not."

On April 13th, Senator McClure introduced Senate Concurrent Resolution 79 while Representative Ashbrook introduced an identical House Concurrent Resolution 558 that same day. Both Resolutions assert that the proposed B.A.T.F. regulations "exceed powers conferred on the Department by Congress and demand that the 'proposed regulations be withdrawn.'"

Write to your Representative and Two Senators today urging them to support Senators McClure and Rep. Ashbrook Resolutions that demand the gun regulations be withdrawn.

Thank you.  
Sincerely,  
Mrs. L. G. Rickert

The National Commission On The Observance Of International Women's Year (IWY) is using five million of your tax dollars to promote passage of the ERA. President Carter has appointed Bella Abzug, former Congresswoman from New York as Chairperson of the National IWY Commission, so you can guess what direction these programs are going to be slanted.

Operation Wake Up (OWU) an effective anti-ERA organization in New York has reported that "the IWY in New York State deliberately and with malice sought to

eliminate participation in the conference of women who were anti-ERA or anti-abortion or anti-government-controlled child care. Some of our members were told to 'go and get your own money and have your own meeting'; others were told that no delegate would be acceptable unless she was pro-abortion, pro-ERA and pro-lesbian rights; and on and on. That also happened in other states.

Most of the state conferences gave radicals free reign. Lesbianism, radicalism, bestiality, and necrophilia were promoted as normal forms of sexual expression. Workshops on atheism and witchcraft were permitted.

In November in Houston, while media attention was focused on the 2000 delegates attending the National Women's Conference at taxpayers' expense (along with about 4,000 supporters), the Family Day Rally, the pro-family group, overflowed the Astro-Arena Saturday. An estimated 18,000 to 20,000 came at their own expense from all 50 states and the District of Columbia. These women were concerned about the attack on the family, and the radicals flagrantly misusing \$5 million of your tax money to promote Lesbianism, abortion on demand, and the fraudulent Equal Rights Amendment.

The deadline for ratification of the ERA Amendment is March 22, 1979. Whether or not to extend by seven years the deadline was the subject of three more days of hearings in the middle of May by the House Subcommittee On Civil and Constitutional Rights. The discussion is centered around House Joint Resolution 638. The proposal will be sent to the full House before its July 4th recess.

## Village of Manchester Ordinance No. 106

COIN OPERATED AMUSEMENT CENTER ORDINANCE.

The Village of Manchester ordains:

Section 1.00 SHORT TITLE. This ordinance shall be known and cited as the Coin-Operated Amusement Center Ordinance.

Section 1.01 PURPOSE. The purpose of this ordinance is to:

(a) Define and regulate coin-operated amusement centers.

(b) To require the licensing and registration thereof.

(c) To provide penalties for the violation hereof.

Section 1.02 DEFINITIONS. In the interpretation of this ordinance, the following definitions shall apply:

(a) "Coin-operated Amusement Device" is defined as an instrument, machine or contrivance that provides a test of skill, amusement, competition between two or more players or other similar form of amusement or recreation, which may be operated or set in motion on the insertion of a coin.

(b) "Coin-operated Amusement Center" is defined as any business or portion thereof which maintains for public use on the business premises six (6) or more coin-operated amusement devices, without reference to the presence thereon of pool tables and excluding those places of business which are licensed by the Michigan Liquor Control Commission.

(c) "Owner" is defined as any person, firm, partnership or corporation which owns, operates or maintains any coin-operated amusement center.

(d) "Manager" is defined as the person in actual charge and control of the operation of a coin-operated amusement center.

(e) "Promoter" is defined as a person who regularly or frequently engages in competition on coin-operated amusement devices for value with patrons of coin-operated amusement centers and shares the value of prizes received with the owner or manager of the center.

Section 2.00 LICENSE REQUIRED. No owner of a coin-operated amusement center shall, after the effective date hereof, conduct the operation of a coin-operated amusement center without first having procured a license as set forth in Section 2.01 below.

Section 2.01 LICENSE APPLICATION. To obtain such a license a written application shall be made to the Village Clerk, under oath, upon forms to be provided by the Clerk.

Section 2.02 INFORMATION REQUIRED. Said application shall provide the following information:

(a) Names, current addresses, dates of birth, finger prints, motor vehicle operator's license number, if any, and type of legal interest of all owners, as well as managers.

(b) The business address, legal description and telephone number of said establishment.

(c) The number, type and location of coin-operated amusement devices on the premises.

(d) An annual license fee in the amount of \$100.00 Dollars for the calendar year or part thereof.

(e) The criminal record, if any, of any owner or manager giving the date, place and nature of all felonies and misdemeanors, including local ordinances with the exception of traffic offenses. If during the licensed year, the manager of the coin-operated amusement center is changed his or her criminal record, if any, shall be submitted to the police chief for investigation and report as hereinafter provided.

Section 2.03 INVESTIGATION. Upon receipt of said application the Clerk shall request the following:

(a) Report from the Fire Chief that the location or proposed location of said devices will not create a fire hazard and that all fire regulations are satisfied.

(b) Report from the Village Building Inspector and Village Electrical Inspector that all electrical, pneumatic and hydraulic connections to each device complies with the Building Code and that all building and zoning regulations have been satisfied.

(c) Report from the police chief that the applicant-owner or manager has not been convicted of any crime involving moral turpitude nor has a general reputation in his or her community of a gambler or promoter of vice and immorality. In the event that any of the above reports so justify, in the interest of public health, safety and welfare, the Clerk may refuse to issue a license to said applicant. The failure to provide the information for a license, or manager, as required herein, shall constitute sufficient grounds to refuse issuance of a license.

In the event the application and subsequent reports are satisfactory, the Clerk shall issue the license.

In the event that the Clerk refuses, for any reason, to issue a license to an applicant, the aggrieved applicant may take an appeal by written request within ten (10) days of said refusal, for a hearing before the Village Council. The hearing shall be held within a reasonable time and the Council's determination shall be final.

Section 2.04 RENEWAL AND ANNUAL REPORT. On the anniversary date of the issuing of a license, the clerk may renew the license for another year upon:

(a) The payment of the annual license fee.

(b) An annual report filed by the licensee detailing any change in ownership or management and providing a current list of the number, type, and location of all coin-operated amusement devices, including pool tables on the premises. The renewal shall otherwise be subject to the same terms and requirements as provided for an original license.

Section 2.05 LICENSE REVOCATION. It shall be unlawful and a license shall be revoked by the Village Council upon a determination by the Village Council that any or all of the following situations exist:

(a) That intoxicating liquors are either sold or drunk on the premises, or that persons under the influence of intoxicating liquors are permitted to frequent, be in, or remain on said premises;

(b) That drugs or narcotics as defined under the Controlled Substance Act of 1971 of the State of Michigan are sold, used or found on the premises or on the person of anyone on the premises, or that persons under the influence of drugs or narcotics are permitted to frequent, be in or remain on the premises;

(c) That the licensee has in his employ or permits on the premises, a "promoter", as defined herein;

(d) That gambling in any form is permitted in or about said premises;

(e) The licensee and/or his or her agent advertises or awards prizes to customers based upon competition between persons using the coin-operated amusement devices.

Nothing herein shall be interpreted to make unlawful tournament prizes or prizes or awards based upon one person's competition or scoring results with a coin-operated amusement device.

Any license issued herein may be suspended or revoked by the Village Council for any violation of this ordinance after not less than 10 days written notice to licensee, addressed to him or her at the address of the licensed coin-operated amusement center advising of the violation and that the Village Council will hold a public hearing thereon specifying the time and place within the Village of Manchester. The Chief of Police of the Village and the licensee shall present any relevant facts at such hearing pertaining to any such violation.

Section 3.0 TRANSFERABILITY OF LICENSE. It shall be unlawful to transfer any license from the licensee to another person.

Section 4.0 PROHIBITIONS and RESTRICTIONS. It shall be unlawful and a violation of the ordinance for the licensee of any coin-operated amusement center to permit or suffer:

Section 4.01 Any person under twelve (12) years of age to be present in a coin-operated amusement center unless the parent or guardian of said child shall have delivered the child onto the premises with the licensee's consent, or the child

is accompanied by a sibling eighteen (18) years or older.

Section 4.02 Any person to operate a coin-operated amusement device or use or occupy the premises where coin-operated amusement devices of all kinds, including pool tables, are located beyond the hours of 12:00 p.m., midnight and before 8:00 a.m., of any day.

Section 4.03 Any person under the age of seventeen (17) years to occupy the licensed premises during the hours when school is in session.

Section 5.00 EXEMPT ORGANIZATIONS. Nothing in this act contained as to the making of application for a license and the payment of a license fee shall be construed to apply to any fraternal lodge, school or church organization incorporated under the laws of this state or chartered by a superior governing body incorporated under the laws of this state, organized exclusively for fraternal, religious or charitable purposes, and conducting its affairs in a room or auditorium occupied by and under the control of such lodge, school or church organization; provided, however, that the exemption herein contained shall not extend so as to exempt such lodge, school or church organization from prosecution for violation of any of the other provisions of this act whether licensed under the act or not.

Section 6.00 VIOLATIONS. The proprietor of any establishment regulated under the terms of this ordinance shall be guilty of a misdemeanor and upon conviction before a court of competent jurisdiction shall be punished by a fine not to exceed One Hundred (\$100.00) Dollars and costs of prosecution or by imprisonment in the County Jail not to

exceed ninety (90) days or both such fine and imprisonment in the discretion of the Court. Each business day the establishment is operated contrary to any provision of this ordinance shall be a separate and distinct violation, each such violation shall be punishable separately.

A "business day" is defined as the period commencing with the opening for business and concluding with the next following closing of business regardless of the difference between the actual dates on which these respective events occur.

Section 7.00 SEVERABILITY. If any section, subsection, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent portion of this ordinance, and such holding shall not affect the validity of the remaining portions of this ordinance.

Section 8.00 EFFECTIVE DATE. The provisions of this ordinance are hereby ordered to take effect twenty (20) days after passage and shall be published in the manner prescribed by law prior to twenty (20) days after passage. Rights and duties which have matured, penalties which have been incurred, proceedings which have begun in prosecution of violation of the law occurring before this effective date of the ordinance are not affected by this ordinance.

### Litteral Goes Air Force

Cindy R. Litteral, 17, daughter of Mr. and Mrs. John Litteral, 7804 Kothe, Manchester, has entered the U.S. Air Force's Delayed Enlistment Program.

According to Technical Sergeant Judge Allen, the Air Force recruiter here, Ma. Litteral's entry into the DEP serves two purposes. First, it allows the Air Force to schedule an opening for her to attend basic training and be assigned to a job or skill area. Second, the DEP enables Ma. Litteral, a 1978 graduate of Manchester High School, to wrap up her personal affairs before leaving home.

Ma. Litteral will enter the Regular Air Force on September 16. Following graduation from the six-week basic training course at Lackland Air Force Base, Texas, she will receive technical training in the administrative aptitude area and be assigned to an Air Force duty station.

### SUMMER RECREATION

transportation. The busses will leave from the tennis courts at 12:30 and return at 3:15. No food is allowed as there are concession stands at the rink.

**RECREATIONAL SWIMMING** - Every Monday and Wednesday from 12:30 to 2:30 we will be going swimming at the spacious Bohn Pool in Adrian. This activity

is for children who are 7 years or under or who cannot swim, must be accompanied by an adult. This is an Olympic sized L shaped pool which also features a high and low diving boards, two water slides, basketball goals, locker rooms, valuable check, and showers. There are experienced lifeguards on duty at all times. No horse-play will be tolerated, if your hair touches your shoulders, you must have a bathing cap. The price is 35¢ for anyone under 17, and 70¢ for anyone older. The bus will leave from the tennis courts at 12:00 noon and return at 3:00 p.m.

### LITTLE LEAGUE

**RULE CHANGE, 3RD STRIKE.** It is the position of the Recreation Department that the rule which allows the player to run on a missed 3rd strike is not appropriate for Little League ball. Therefore, the 3rd strike shall constitute an out regardless of whether the ball is caught by the catcher.

**GAME BEHAVIOR** Unfortunately, there is a need to review and clarify what constitutes unsportsman-like behavior. Players, managers, and fans, are not to hassle each other, or the umpires during the course of the game. Specifically, you may not call players names, refer to them as bozo, or make any unfavorable comment. While in the field, the player's chatter should only include "hey better,

swing." While your team is up to bat, the bench chatter should only include, "hey pitcher!" **NOTHING ELSE IS APPROPRIATE.**

The philosophy of Little League is to provide youngsters with the opportunity to play and learn the game of baseball. Learning the game's fundamentals should also include proper game behavior. We want to teach youngsters how to work hard through practice to improve their game. But most importantly, to do the best that they are capable of doing. It only takes away from the game and hurts the individual when comments are made during the game to make the player nervous or to feel bad so that he doesn't play to the best of his or her ability. Therefore, any violation of the above will result in 1) suspension from the game 2) continued team violation will result in forfeit of the game.

Little League is a game for kids that should be fun for everyone involved. Let's all try to keep it that way.

Bart Bartels,  
Recreation Director

### Chelsea Babe Ruth League

	WON	LOST
Astros (Manchester)	4	0
Athletics (Chelsea)	4	0
Reds (Dexter)	3	1
Dodgers (Dexter)	1	3
Pirates (Chelsea)	1	3
Royals (Chelsea)	1	3
Yankees (Dexter)	1	3
Orioles (Chelsea)	0	4

Play continued last week with the Astros and Athletics setting the pace each with 4-0 records. The Astros continue to receive some fine pitching. The Athletics

have balanced their attack with good hitting and fielding. Dave Parks has performed well at catcher and Bob Trevino has played well at short stop. Dave Thayer stroked a grand slam homerun to help Jim Stock boost his pitching record to 2-0.

The Reds have improved their record to 3-1 with wins of 9-7 and 11-7 over the Orioles and Yankees. The win over the Orioles was paced by Randy Ralford as he drove in 3 runs with two hits. Todd Anschlman had 3 safeties and collected 5 RBIs in the victory over the Yankees. Tom McCormick chipped in with 3 innings of hitless relief to subdue the Yankees.

The less prosperous division of the league has not been a pushover. The Orioles have been involved in a couple of two run games against the leaders which could have gone either way right down to the last inning. In a make-up game the Royals came close to subduing the Athletics before falling 9-7. The Pirates and Yankees battled long and hard in a see-saw affair which found the Yankees pulling out an 11-10 victory with two runs in the last half of the seventh inning.

**WEDNESDAY**- Yankees vs Pirates at Chelsea, Royals vs Astros at Dexter, Orioles vs Reds at Dexter.

**THURSDAY**-Reds vs Pirates at Chelsea.

**FRIDAY**-Orioles vs Royals at Chelsea, Athletics vs Yankees at Dexter, Astros vs Dodgers at Dexter.

## Rose-Brininstool Vows

St. Michael and All Angel's Episcopal Church at Cambridge Junction was the scene for the marriage of Deborah Kay Brininstool and Thomas Wesley Rose on June 17. The Rev. Jack Warner of Christ

Episcopal Church in Adrian, and the Rev. Bruce Campbell officiated.

For her wedding Deborah chose a floor length sleeveless dress of white eyelet featuring a square neckline trimmed with pale yellow ribbon and buttons. She wore a white crocheted shawl and carried yellow roses with blue baby's breath. Her ensemble was made by her mother.

Bea Bertke, wearing a blue flowered sleeveless cotton gown and carrying yellow sweetheart roses with blue baby's breath, attended as matron of honor.

Lisa Schmidt and Nick Brininstool, cousins of the bride, served as flower girl and ring bearer.

Tim Ahrens was best man while Jim Adams and Jim Jones acted as groomsmen.

Parents of the bride and groom are Mr. and Mrs. William Brininstool of Brooklyn and Mr. and Mrs. Grover Rose of Manchester.

A reception at the Manchester Sportsman Club followed the ceremony.

## An afternoon of fall fashions

The Chelsea Community Hospital Auxiliary and Volunteers will present an "Afternoon Of Fall Fashions" in the hospital dining room on Saturday, August 18th.

A Champagne Luncheon will be served beginning at 1:30 p.m. and door prizes will be awarded. Distinctive styles will be presented by Jacobson's of Ann Arbor and modeled by local and professional women.

Proceeds from this fall forecast of fashions will go toward the opening of a gift shop in the proposed new wing of the Chelsea Community Hospital.

All tickets must be purchased in advance. For reservations call Shirley Schable, 475-7872 or Ruby Strieter 475-2065.

## Stringer For State Legislature

A Dexter, Michigan Attorney, Thomas L. Stringer, today announced that he will be a candidate on the Republican Ticket for State Representative from the 23rd Legislative District.

Stringer, 30, will be seeking the seat being vacated by incumbent State Representative Michael H. Conlin (R-Jackson). Conlin has announced that he will not be seeking re-election to the post he has held since 1975.

Stringer, who was recently nominated for consideration as a candidate for Outstanding Young Man in America, is heavily

involved in Dexter civic and community affairs. He is a Trustee of the Dexter Village Council, President of the Dexter Community Youth Center, Vice-President of the Dexter Chamber of Commerce, is a Director of the Dexter Kiwanis, serves as Legal Counsel for the Michigan Jaycees, is a member of the Executive Board of the Michigan Jaycees, and is currently Vice-President of the Dexter Jaycees.

"I am entering this election with the understanding that if elected, I will be representing the concerns of the people of the district and not necessarily the concerns of Tom Stringer."

"I consider myself a political moderate. I am opposed to the concept of bigger and bigger government and I strongly support holding the line on spending and taxes."

"If elected, I will devote my full attention to the welfare of the 23rd district while at the same time insuring that the best interests of the State are considered. I promise to be responsible and the only special interest I will be influenced by is the people I'll be representing," Stringer said.

Stringer is a partner in the Law Firm of Kitchen and Stringer in Dexter. He is a graduate of Blissfield, Michigan High School, Eastern Michigan University and the University of Detroit Law School. He is a member of the American and Michigan Bar Associations and the Washtenaw and Livingston County Bar Associations. He is also President of the Young Lawyers Section of the Washtenaw County Bar Association, and a committee member of the Washtenaw County Bar Association Judiciary Committee.

Stringer is married to the former Lorrie Winkler of Lincoln Park, Michigan and the couple reside at 8068 Huron Street, Dexter.

## Participates in Piano Week

Marie Sullivan of 19880 Lehman Rd., Manchester is one of 29 piano students who participated in a five-day Piano Week at Goshen College, Goshen, Indiana, June 19 through 23.

The program for Piano Week was coordinated and taught by the Goshen College piano faculty. It included classes in repertoire, ensemble playing, and performance.

Students had to be between the ages of 12 and 19 and must have attained at least Level III in the Clark Library or equivalent material.

A public recital June 22 in Assembly Hall on campus capped the students' work.

Goshen College is a four-year, liberal arts college associated with the Mennonite Church. About 1200 students are enrolled throughout the year.

## County resources to be reevaluated

You can help appraise the soil and water resources of Washtenaw County and develop a conservation program to protect and improve them.

Last fall, Congress passed the Soil and Water Resources Conservation Act. The Resources Conservation Act calls for a comprehensive look at the nation's basic natural resources and for better programs to protect and improve them. An im-

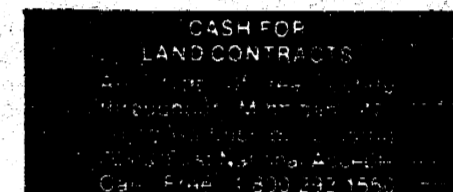

portant part of the law is its emphasis on citizen participation in determining the future direction of conservation programs that affect local communities.

Under the law, you can express your views and opinions on the nation's natural resources. Using the views and opinions of all people, the U.S. Soil Conservation Service will develop a program to guide conservation efforts and make an annual evaluation of progress.

The Washtenaw County Soil Conservation District has joined the Soil Conservation Service in its efforts to strengthen soil and water conservation programs. Together, they are conducting a survey to obtain opinions, concerns and suggestions on local soil and water resource problems and the kind of action people feel is necessary to improve them.

The Soil Conservation District is going to be contacting people to get their ideas and a future public meeting is planned to get suggestions firsthand. The survey will run until mid-August in an effort to get as much public input as possible.

The District will welcome telephone calls, messages or letters from people who wish to express their views. The Soil Conservation District's office is located at 6101 Jackson Road, Ann Arbor 48103. The telephone number is 761-6721.

The illustration of the Double Column, Luray Caverns, Virginia (left) appeared in the February 1, 1878 issue of Frank Leslie's Illustrated Newspaper. This is an engraved reproduction from sketches by Joseph Becker, illustrator for Frank Leslie's Illustrated Newspaper. Mr. Becker was born in Pottsville, Penn., and was one of many "picture men" employed by Leslie. He covered the news stories of the day, much like the photographer of today. Using the photographic lighting available today, the one-hundred year later picture (right) was made recently of the "Double Column". This column has "grown" approximately one cubic inch in the past 100 years. It is considered to be one of America's most spectacular cave formations.

THURSDAY, JUNE 29, 1978 THE MANCHESTER ENTERPRISE PAGE 9

Cold air rushing out of a limestone sinkhole atop a big hill west of Luray, Virginia, blew out a candle held by Andrew Campbell, the town tinsmith. It was 100 years ago on the morning of August 13, 1878, and Campbell, three other men, and his 13-year-old nephew Quint were exploring for a cave.

They dug away the loose rock, and candle in hand, Campbell followed by Quint slid down the rope. Man and boy could scarcely believe what they saw around them. For they found themselves in the largest caverns in the East, an eerie world of stalactites and stalagmites sparkling in the light of the candle.

Alexander J. Brand, Jr., a correspondent for the New York Herald, was the first travel writer to visit what was named Luray Caverns. "It's a magnificent cave," he told townspeople. "The most beautiful I've ever seen. Trying to compare your cave to others would be like comparing New York City to the Town of Luray."

Professor Jerome J. Collins, the explorer, postponed his departure on a North Pole expedition to visit the caverns. The Smithsonian Institution sent a delegation of nine scientists to examine the caverns and praised them for their stalactite and stalagmite ornamentation. The Encyclopedia Britannica devoted an unprecedented page and a half to the cave's wonders. Others considered it to be the find of the century.

Over the next 100 years more than 20 million visitors have toured the caverns. Tourists keep on coming as 100 years after their discovery the Luray Caverns celebrate the centennial of their discovery.

Council Proceedings

June 5, 1978
Council met in regular session with the meeting called to order by President Schaffer at 7:07 p.m. Present were Daniels, DuRussel, Duncan, Fitzgerald, Alt-

minutes from the May 15, 1978 regular meeting were read, corrected and approved in a motion by Fitzgerald, supported by Duncan. All yeas, carried.
Fitzgerald reported on the number of favorable comments he had heard in regard to DuRussel and Koebbe's handling of Mayor's Exchange Day in Manchester.

Schaffer reported that he has asked DuRussel to notify those merchants in violation of the sign ordinance. We are already six months into the year granted for the change of signs in violation. Any signs still in violation after December 31, 1978 will be fined.

Fitzgerald reported that the May 16 meeting about the parking lots had been canceled.
Rigg conducted the Public Hearing on parks at 7:30 p.m. Four of the eleven people in the audience were present solely because of the hearing. Rigg explained the purpose of the park plan and its necessity for federal or state funding.

There were 483 post cards sent out to Village residents, with 93 returned at the time of the hearing. According to the answers people want between 10 and 25% of Village taxes spent on the parks. Last year 10% was spent on parks; the proposed budget for 1978-79 allocates 18%. Proposed parks and recreation features for which monies might be spent received the following votes from those returning the questionnaire post cards: Pool 37 votes, Tennis Courts 38 votes, Nature Trail 10 votes, Playground 27 votes.

Linda Byce-Winkelmann, the individual who has been compiling the master plan for the Village, explained that such a plan should not be rigid, but should be continually up-dated. She also explained that the hearing was a necessary part of the plan which must include feedback from the community. The following ideas were put forth by those in attendance:
--The children want a place to go swimming. The river is not an acceptable solution. A primary concern is someplace to swim, but not necessarily a swimming pool. What has happened to the idea of dredging the pond at Chi-Bro Park so that it could be used for swimming?

Should a swimming pool be the solution, why couldn't one be constructed that could be used year-round. (At this point Rigg advised the audience that state or federal funding is not available for enclosed recreation facilities.)
--The parks and recreation summer program is missing something. There needs to be more of the cultural arts, plays involving children, not just for children to watch.
--Another individual was interested in seeing nature trails, open spaces, things for the aesthetic enjoyment. It was also pointed out that the Middle School Athletic Field was a dedicated area for athletics given by the Alumni Association. Any other use would have to meet their approval.

--The railroad right of way makes a natural hiking trail which even extends beyond the Village. Are there any specific plans for the use of Chi-Bro Park? (The individual was advised that a finalized plan had not been adopted, but that there would probably be a nature trail included.)
After the public hearing on park needs, Linpert questioned Council as to what manner they wished the legal descriptions of his property to be submitted for rezoning requests. He was advised that he should ask for rezoning of each parcel separately, but with all scheduled for the same evening.

Moved by Duncan, supported by Fitzgerald to adjourn as Council and convene as Zoning Board of Appeals. All yeas, carried. Planning Commission members present: Duncan, Daniels, and Læson; Village Council members present: Alt-house, Fitzgerald, DuRussel, Rigg, Koebbe. Mrs. Alma Arnett's request for a conditional use permit to allow her to operate a one-chair beauty shop in the basement of her home was considered. Since she must have two parking spaces she will purchase the lot next to hers,

which lies between her and Kirk Park. She has the option to purchase on the property at this time. The lot is a full platted lot. Proposed surface initially is gravel. The Arnets intend to level the lot and put steps up to the basement entrance. Moved by Duncan, supported by Koebbe that the conditional use be granted with the stipulation that Mrs. Arnett purchase the lot immediately adjacent to the south for a parking lot. All yeas, carried. Enter Tracy at 8:14 p.m.

The next item before the Zoning Board of Appeals was the request by the Robert Dorris for a variance to allow construction of an unattached garage with a four foot side and rear yard setback. A letter was received from the immediate neighbor, Wayne and Sandra Wenzel, indicating that such construction would be acceptable to them. This letter was required by the Planning Commission. Moved by Fitzgerald, supported by Læson to approve the variance request for Robert Dorris. All yeas, carried. Moved by Duncan, supported by DuRussel to adjourn as Zoning Board of Appeals and reconvene as Village Council. All yeas, carried.

Dave Pelsch, President of the Manchester Jaycees, asked if the Village would be willing to donate anything toward the July 4th fireworks, which the Jaycees are sponsoring. Moved by Rigg, supported by DuRussel to allot \$750.00 for the Jaycee Fireworks project, with the money coming from the Christmas Decoration Fund, which is used to match Jaycees contributions for the purchase of Christmas decorations. All yeas, carried.

The 1978 Final Budget Hearing for the Village of Manchester was held with the following decisions made in a motion by Fitzgerald, supported by Althouse. All yeas, carried. General Fund millage 10.8 \$155,772.72. General Highway 2.0 \$28,846.80. Bridge Bond .9 \$12,981.06. G.O. Bond L3 \$18,750.42. Mills: 15.0 \$216,351.00. The 1978 SEV total of \$14,932,000, equals \$12,486,500 Real plus \$2,445,500. Personal. \$13,914,800 assessed at the full rate. \$1,017,200 assessed at half rate (Double A & Industrial Development Districts). \$13,914,800 - \$508,600 1/2 of \$1,017,200 above. \$14,423,400 total to assess 15 MILLS against which equals \$216,351.00 in tax revenues. The estimated Revenue Sharing Funds of \$16,141.32 plus interest of \$180.13 equal \$16,321.45 with the following proposed uses approved in the above motion also: Library \$1,000.00, Public Safety \$6,200.00, Tennis Courts \$9,000.00, \$16,200.00 General Fund.

The estimated Anti-Recession Funds of \$1200.00 depend on the unemployment rate in the County which has been decreasing. Consequently, the amount may be less than \$1200.00. The proposed and approved use for the Anti-Recession monies is wage increases in January particularly in the Sewer and Water Fund.
After the budget hearing Mr. Stringer, a candidate for State Representative, briefly described his qualifications and asked for any support the members of Council could as individuals give him. John Holland and John Adams of McNamee, Porter and Seeley, presented films of the TV-ing of the sewer under the proposed fire hall. They will give their recommendations for which easement should be obtained and will proceed with the amendment to the Step 2 Plan to include the TV work in the grant request. Koebbe reported some complaints and suggestions regarding problems in Carr Park. Bruce has alleviated the dust problem. However, the noise problem is still under consideration. One resident felt that the East gate should be closed permanently. Rigg indicated that he had talked with Zsenyuk and come up with the suggestion of locking the East gate during the week, leaving it open during the hours of 5:00-8:00 p.m., as well as on weekends. The whole park will be locked at 11:00 p.m.

Schaffer complimented Daniels and Zsenyuk for obtaining a new generator for the Village's use at a nominal cost. Duncan questioned a letter which had been received by each member of Council from Robert Lawson. All items except one were explained and had been resolved. Fitzgerald volunteered to check on the one remaining regarding Lawson's tenant,

Spear and Associates.
DuRussel reported that Art Williams had quit as inspector of plumbing. Jim Samonek will take on the job at a cost of \$10.00 an inspection. Manchester, Freedom and Bridgewater townships have agreed. Moved by DuRussel, supported by Fitzgerald to raise all inspection fees to \$10.00. All yeas, carried.
Duncan asked if Roesch had forwarded any further recommendations to Council regarding the street closings of Macomb, Washington and Clinton Streets. Schaffer indicated that he would obtain the information for the next meeting.
Rigg asked if the Black Sheep Theatre is up to code. He was advised that Knauss and Kensler were scheduled to inspect it together on the 6th of June.
Moved by Fitzgerald, supported by Koebbe to pay all bills as listed. All yeas, carried.

Moved by Duncan, supported by DuRussel to amend the resolution concerning Planning Commission compensation to read as follows:
BE IT HEREBY RESOLVED that the Manchester Village Planning Commission members be paid on the following basis:
1. The chairman of the Village of Manchester Planning Commission shall receive the sum of \$7.50 for each regular meeting of the Village Planning Commission by him attended during his term of office.

meeting of the Village Planning Commission by him attended during his term of office.
2. The Planning Commission members of the Village of Manchester Planning Commission shall receive the sum of \$5.00 for each regular meeting of the Village Planning Commission by them respectively attended during their term of office.
3. The payment of said sums shall be made out of the general fund in the Village treasury.
4. The said chairman and members shall receive no compensation for meetings not actually attended.
Schaffer asked Daniels to check on folding type screens to be installed on windows in the Village Hall to allow ventilation. The noise of the air conditioner at times interferes with clarity.
Schaffer offered the name of James Duncan as mayor pro-tem. Moved by Koebbe, supported by Fitzgerald to appoint James Duncan as mayor pro-tem. All yeas, carried.
Schaffer asked Koebbe and Daniels to check into land needs for any necessary Sewage Treatment Plant expansion which might be necessitated by the Federal requirements and grant.

Because of the vacations and the July 4 holiday weekend meeting dates were proposed to be changed. Moved by Duncan, supported by Fitzgerald to change the June 19 meeting to June 26 and the July 3 meeting to July 10. All yeas, carried.

'Barefoot In The Park' Opens June 30

The Black Sheep Repertory Theatre opening of Neil Simon's comedy, Barefoot In The Park, is Friday June 30th. This production is under the direction of David Regal, professor of theatre at the University of Detroit.

The Black Sheep Repertory Theatre is a professional, non-profit, company specializing in comedy and musical theatre. Barefoot In The Park is the 3rd show to open in a five show repertory season. Already open is Love Rides The Rails, an "old time" musical melodrama, and Jacques Brel Is Alive And Well And Living In Paris. To open later in the season are A Funny Thing Happened On The Way To The Forum and I Do I Do!

Barefoot In The Park is a classic Neil Simon comedy. It is a story of a newly wed couple learning to live with a freezing, leaky, too small apartment that she picked, his new law practice and their blue beard neighbor who is cozying up to her mother. Not to mention the everyday affairs of married life. David Regal is the Artistic Director and Chairman of the U of D theatre department. He was an original member of the San Francisco Mime Troupe and Co-founder and Artistic Director of the Actor's Ensemble of Detroit. Among his directorial credits are The Brig, The Lower Depths, Boys In The Band and The Me Nobody Knows.

Shows are at 8:15 p.m. Wednesday through Saturday and 4:00 p.m. on Sundays. The production dates are June 30, July 1, 2, 6, 7, 8, 12, and 20, August 2 and 19.

CONSUMER THINKING

There has been a tendency in the past to pit consumers against farmers and vice versa. Farmers were justifiably angry at the consumer meat boycotts of the 1973 era. There was a lot of misinformation and misguided people. At the Chicago Board of Trade, they like to tell the story about consumers showing up there with picket signs to protest the high price of beef and pork, when, of course, those commodities are traded on the Mercantile Ex-

change blocks away.
On the other side of the coin, the farm strike angered a lot of consumers. Consumers wondered how farmers could afford to take so much time off from work to lobby in Washington. They were also skeptical of farmers who drove \$30,000 tractors with air conditioned cabs and said they were going broke.

Now, the thinking goes, it may be the consumer's turn to protest. After all, raw farm product prices have been going up for the last seven months. Steak and hamburger are costing more. Lettuce went up to a dollar a head. It stands to reason that shopping carts might replace the tractors on Pennsylvania Avenue. However, we believe the old emotionalism shown food prices may be tempered. There is evidence that consumers are more sophisticated than they were in 1973. Consumers have been educated. They have heard about the cattle cycle. They know bad weather in California and Arizona drove up the price of lettuce and not profiteering. They are aware that farmers need a decent return on their investment to stay in the business of producing food. Some feel that those activists who protested the price of food turned their attack to the nutritional value of food when

price was no longer a hot issue. They may come back to protesting prices, but if they do, we think they will find less support among the general population. We sure hope so...

One of the most graphic home improvement illustrations we ever ran in an ad was a family pile-up at the bathroom door.

I believe the heading ran something like this, "Togetherness is fine but two bathrooms would be better".

Home improvement loans have recently become of age. Not only are we continuing to make loans for that second bathroom, a more modern kitchen, the addition of a car port or garage, but we are making a good number of home improvement loans for insulation, a better heating plant and other home improvement loans designed to save energy.

We can say all we want about our duty to country in saving energy. But the real crunch is in the pocketbook.

Heating and electrical bills have soared. And, from what they tell us, we "ain't seen nuttin'" yet.

So, when you have ideas of bettering the home you live in, see us. When you have ideas that will save you money on energy bills see us.

As an Equal Housing Lender, we are always happy to sit down and discuss any home improvement loan with you.

## LETTERS TO THE EDITOR

one: "Faced with failure, ERA supporters want to change the rules in the ninth inning. They want Congress to allow another seven years for ratification, and they want votes to rescind ratification declared void. This attempt to stack the deck is evidence that ERA lacks the kind

of support the Constitution requires for amendments." William Stannmeyer, a professor of law at Indiana University, was among those who testified against the proposal. He warned against the frightful legal jungle this amendment would create. "If ERA is ratified," he said, "it will be left to a few attorneys and judges to decide virtually every question of importance dealing with children's education, husband-wife relationships, the place in society for deviant subcultures, the makeup and readiness of the military, the very

existence of private all-girl or all-boy schools, and even perhaps the sexual makeup of seminaries and ministerial schools associated with colleges receiving federal aid." Time is of the essence in voicing your complaint over this effort to play politics with the Constitution. Where does your Representative stand? If he insists on voting for extension, tell him he should also vote to accept rescission.

## Janofski-Miller Wedding

Miss Peggy Marvaine Miller and Mr. Philip Lynn Janofski exchanged vows in an afternoon ceremony held in the Grace Brethren Church, Middlebranch, Ohio. Mr. Ralph Janofski of Iron Creek Community Church, Manchester officiated.

The bride was attired in a gown of bridal satin with a ruffled hemline, fitted bodice, lace front and leg-of-mutton sleeves. She wore a three tiered shoulder length veil and carried a bouquet of daisies.

Miss Julie Miller of Coshocton, Ohio was maid of honor while Mr. Gale Janofski of Fairmount, Indiana was best man. Julie wore a peach floor length princess

style dress and carried a daisy bouquet. Bridesmaids included Miss Grace Nussbaum of Kedron, Ohio and Mrs. Janet Janofski of Fairmount, Indiana. They were attired in gowns of mint green similar to the maid of honor's and carried daisy bouquets.

Miss Garilee Janofski was flower girl. Mr. Craig Miller of Hartsville, Ohio and Mr. Jay Miller of Coshocton, Ohio, were ushers. Mr. Len Janofski of Edwardsburg, Michigan and Mr. Gary Janofski of Ewart, Michigan served as groomsmen.

A reception was held in the church hall. Assisting were, Mrs. Carol Royer, Miss Sandra Royer, Mrs. Marilyn Richards and

Miss Kathy Royer. The newlyweds are the children of Mr. and Mrs. James W. Miller of Coshocton, Ohio and Mr. and Mrs. Ralph Janofski of Manchester.

After a wedding trip to northern Michigan the bride and groom will reside in Hartsville, Ohio.

### To Attend Fine Arts Camp

Mary Tobias, 15657 Kendall, Grass Lake, Michigan, daughter of Mr. and Mrs. Joe Tobias will attend Blue Lake Fine Arts Camp in Twin Lake, Michigan, for the first summer session.

Blue Lake, which each summer hosts more than 3,100 elementary through high school students, offers instruction in a wide variety of fine arts fields.

Located 15 miles north of Muskegon in the Manistee National Forest, the 13-year-old summer school of the arts has grown to be one of the largest facilities of its type in the United States.

Students attending Blue Lake's first two-week session have the option of majoring in art, band, choir, dance, jazz-rock ensemble, orchestra, piano and theatre. The first session is primarily

for junior high school students. Students who elect a band major at Blue Lake can expect to find their work challenging, no matter what their level of proficiency or experience might be. Band students are assigned to one of three different bands on the basis of ability. In addition to three hours of intensive daily rehearsals and sectionals, technique classes and a master class will be included as part of the regular fee.

### Meatless Fare On The Sunny Side

One of the most versatile fruits around is the grapefruit. It's been enjoying great popularity with dieters, and now is showing up in all sorts of cookery such as meatless Florida Grapefruit Pilaf.

This is a meal-in-one dish — a savory combination of wheat pilaf mix, frozen broccoli, grapefruit sections and canned tuna, all baked conveniently in a casserole. Grapefruit's light refreshing flavor lends just the right touch without smothering the rice's herby country taste. And, it adds zing to the tuna and broccoli.

**Florida Grapefruit Pilaf**

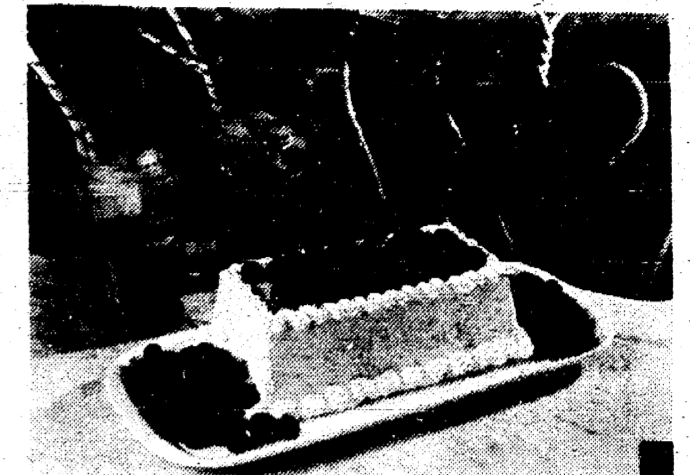

1 package (8 ounces) wheat pilaf mix	2 cans (6-1/2 or 7 ounces each) tuna in vegetable oil
1 cup Florida grapefruit juice	1 package (10 ounces) frozen chopped broccoli, thawed and drained
1-1/2 cups water	1 cup Florida grapefruit sections*
1/2 cup chopped parsley	
1/4 teaspoon dried leaf thyme	

In large casserole or Dutch oven, mix together wheat pilaf mix, grapefruit juice, water, parsley and thyme. Cover and bake in 350°F oven 30 minutes. Stir in tuna, broccoli and grapefruit sections, cover and bake 10 minutes longer. If desired, garnish with additional grapefruit sections.

**YIELD: 4 servings.**

\*To section Florida grapefruit, cut slice from top, then cut off peel in strips from top to bottom, cutting deep enough to remove white membrane, then cut slice from bottom. Or cut off peel round and round spiral fashion. Go over fruit again, removing any white membrane. Cut along side of each dividing membrane from outside to middle of core. Remove section by section over bowl to retain juice from fruit.

### Beat The Heat With "Blues"

Right in time for the blueberry season is Blueberry Lemon Loaf. Birds Eye Cool Whip non-dairy whipped topping is blended with prepared lemon flavor instant pudding to form the loaf, which is frozen. Just before serving, surround the loaf with bright blueberries lightly spiced with cinnamon and sugar, then garnish with additional whipped topping. An easy treat for summer.

**BLUEBERRY LEMON LOAF**

1-1/2 cups cold milk

1 package (4-serving size) lemon flavor instant pudding and pie filling

1 teaspoon grated lemon rind

1 container (4-1/2 oz.) frozen whipped topping, thawed

1 cup fresh blueberries

1/4 cup firmly packed brown sugar\*

1/8 teaspoon cinnamon

\*Or use 2 tablespoons granulated sugar.

Four milk into bowl. Add pudding mix and lemon rind. Beat slowly with hand beater or at low speed of electric mixer until blended, 1 to 2 minutes. Blend in whipped topping. Pour into 8x4-inch loaf pan and freeze until firm, at least 4 hours or overnight.

Unmold on to serving platter. Decorate around top and base with additional whipped topping piped through pastry bag, if desired. Store in freezer. Just before serving, combine blueberries, sugar and cinnamon. Spoon on top and around base of loaf. Makes 3 1/2 cups plus fruit or 8 servings.

## RICHARD Z. WOLF TO CHAIR UNITED WAY CAMPAIGN

Richard Z. Wolf, President of the Union Savings Bank, has been named Chairman of the 1978 Manchester United Way Campaign. He also chaired last year's drive which was extremely successful.

Mr. Wolf came to the Manchester area in December of 1971, when he accepted the position as cashier with the Union Savings Bank. He continued in that position until March, 1976. At that time he became Executive Vice-President of the bank and remained in that position until he was promoted to President in January, 1978.

Quoting Mr. Wolf, "Manchester has always met its goal. I certainly hope we can continue that record. I am certain that with the caliber of people we have in Manchester we definitely will meet our goal again this year."

Mr. Wolf is a Past President of the Manchester Jaycees. He is a member of the Manchester Optimist Club and the Zion Lutheran Church.

Mr. Wolf and his wife, Nancy, reside at 9629 Kies Road in Manchester with their two children-Von, age 5 and Ginny, age 3.

## Story Hour

Starting Tuesday, July 11th, the Manchester Township Library will be having a story hour for preschoolers 1:30 - 2:00 p.m. and Kindergarten thru 1st grade 2:00 - 2:30.

## Proclamation

Greetings,

I, Richard Z. Wolf, officiating as Chairman of the Manchester Village Association, do hereby proclaim the congratulations and heart felt thanks of the entire Village Area of Manchester to those persons, past and present, who have so unselfishly donated and are donating their precious time and valued effort on behalf of the annual Manchester Chicken Broil. This, The Year 1978, marks the 25th anniversary of the Manchester Chicken Broil.

For the past 24 years, the benefits of the Manchester Chicken Broil are all to evident.

The foresight of the originators of the Manchester Chicken Broil in formulating a fund raising project, based on free enterprise rather than charity, is to be highly commended.

Surely only in America, and particularly in the Village of Manchester, does the willing spirit of community dedication and willingness to give of one's self for the betterment of all be so evident.

I for one, am proud to call Manchester my home.
