

### Washington Russets In Classic French Dish

Potatoes Anna is a classic dish of French fame requiring few ingredients and a minimum of preparation time. Made with choice Washington Russet potatoes, it is an especially tasty accompaniment to almost any entree and an excellent choice for a buffet.

Thinly sliced Washington Russets are layered in a skillet with melted butter, salt and freshly ground pepper. The end result after baking is a golden potato "cake", crusty on the outside and moist and tender inside.

All-purpose Washington Russets are an ideal potato for any cooking method. Grown in rich volcanic soil and nourished by clear mountain water, they are high in quality and rich in vitamins and minerals.

**Potatoes Anna**  
2 pounds Washington Russet potatoes  
1/2 cup melted butter  
Feel and thinly slice potatoes. Arrange potatoes in overlapping slices in a well buttered 10-inch skillet. Brush each layer with butter and sprinkle with salt and pepper. Cover and bake at 425 degrees 45 minutes. Uncover and bake an additional 10 to 15 minutes until potatoes are tender and golden brown. Release cake with a spatula and invert on warm platter. Makes 6 servings.

### Snacking Game

**Jelly-filled Twins**  
Yield: About 3 dozen 3-inch cookies

Peter Pan Peanut Butter, Smooth or Crunchy	1/4 cup honey
1 stick (1/2 cup) margarine	1 egg
1/2 cup sugar	1 tablespoon milk
	1-1/2 cups sifted flour
	1/2 teaspoon soda
	1/4 teaspoon salt

**Jelly or jam**  
Cream together 1/2 cup peanut butter, margarine and sugar. Blend in honey, egg and milk. Sift in flour, soda and salt; mix well. Form into a log about 15 by 2 inches. Wrap and chill. Slice dough about 1/8 inch thick and place on ungreased cookie sheet. Spoon about 1/2 teaspoon peanut butter and about 1/4 teaspoon jelly in center of each. Cover with another slice of dough. Seal edges with fork that has been dipped in flour. Bake in 350°F. oven for 10 to 12 minutes. Let cool slightly on pan before removing to wire rack.

### Convenient For Cooks On The Go

Polynesian Pork Chops is a great menu item for the cook on the go. To make, just simmer pork chops in a subtle sweet-sour sauce made extra easy with the new Domino® Liquid Brown Sugar and place on a bed of fluffy white rice.

If you haven't had a chance to try the new Liquid Brown Sugar, you will be pleased by the ease with which it stirs into drinks, punches, desserts and salad dressings. In addition to the delicate pungency it adds to soups, stews and other main dishes, too. The brown sugar flavor adds depth without being overly sweet. And, good news for those who like natural foods, Domino Liquid Brown Sugar contains no additives, preservatives, or artificial colors.

Polynesian Pork Chops are quick and easy to prepare before meal time. Or, make them ahead and heat just before serving. It makes an appealing dish for family dinners or informal party buffets.

#### POLYNESIAN PORK CHOPS

Serves 6	1/2 cup Domino® Liquid Brown Sugar
4 pork chops, 1-inch thick	1/4 cup soy sauce
Salt and pepper	1/4 cup dry sherry
2 tablespoons butter or margarine	1/4 cup chicken broth
1 onion, sliced	Parasley, pineapple slices
1 green pepper, sliced	Cooked rice
2 cloves garlic, mashed	
6 scallions, sliced	

Sprinkle chops on both sides with salt and pepper. Heat butter in a large skillet and brown chops on both sides. Add onion, pepper, garlic and scallions and stir with chops for 5 minutes. Add Liquid Brown Sugar, soy sauce, sherry and chicken broth. Cover closely and simmer turning chops occasionally for 1 hour. Serve chops on a bed of rice, garnished with parasley and pineapple slices. Skim fat from pan juices and spoon pan juices over chops.

## March of Dimes Revamps

You soon will be hearing about the Washtenaw County Chapter having its Mothers March in November, in an effort to beat the bad weather. We in charge of the Manchester Area, have decided we cannot possibly have our march at that time, in consideration of the United Fund. We decided in fact that, at least in our area, the Mothers March has become very impractical for these reasons: (1) The majority of the women in the area are working, making it very difficult to either get marchers, or to march during the day. (2) The winters are getting more and more severe, making getting to every country house extremely difficult. (3) Many people will not answer their doors at night, when marchers are apt to find people home. (4) Volunteers spend many, many, hours planning, and trying to get marchers; only to feel that they have not done a good job, when they cannot get all

the areas covered; in spite of heroic efforts. Therefore, we propose to drop the Mothers March altogether, and replace it with more special events.

We have several ideas in mind, and are tentatively scheduling all events for January, except the Walkathon of course, which will be in the spring. It is our hope that everyone who helped with the March, will assist in an event.

The only thing we are starting now is a poster contest in the schools. The posters will be used to advertise the event they depict, as the event is scheduled. They will be created October 1 to November 1, and must be registered for the contest by November 1, at the Village Hair Forum. Chairwoman, Sandra Stobbe, and her able assistant Linda Strubbe, have announced that there will be a prize for the best poster in each school. Those young people creating a poster, are to put their name, address, telephone number, school, and grade level on the back of their poster, and register it at the Village Hair Forum, Wednesday thru Saturday, 9 a.m. to 5 p.m., by November 1. If you have any questions you may call either Sandra or Linda at 428-7684. The posters will then be judged, and given to the chairperson of the event they depict. When that event comes up, the posters will be placed in the store windows in town, to help advertise that event. It will be fun to see your creation displayed downtown, for all to see.

## IN RETROSPECT

I don't remember the exact year or date but it doesn't really matter. For quite a few years the air was filled with propaganda clamoring for the centralization of our schools, and eventually laws were passed which brought about school consolidation with its buses and larger village schools. It was decided that the children in the rural areas were not getting all the trimmings that should go with a well rounded education; that all they were getting were the bare fundamentals. So a new school was built (now the Nellie Ackerson building) and of course the enrollment in the local school increased and more teachers were hired.

About this time a new superintendent was hired, one whom quite a number of the high schoolers did not seem to care for.

So after some time a certain amount of resentment developed and a certain number planned revenge. The group included at least one present Manchester business man so perhaps we should let them remain anonymous.

They devised a form of revenge which I thought contained a certain amount of resourcefulness.

The superintendent lived in a house on Riverside Drive not far from East Main Street and on the front of this house was a large screened-in porch. The plotters, one night, not Halloween either, snuck up on Mr. Downing's porch and ringing his doorbell planned it so that it would continue to ring, and scurried away into the darkness.

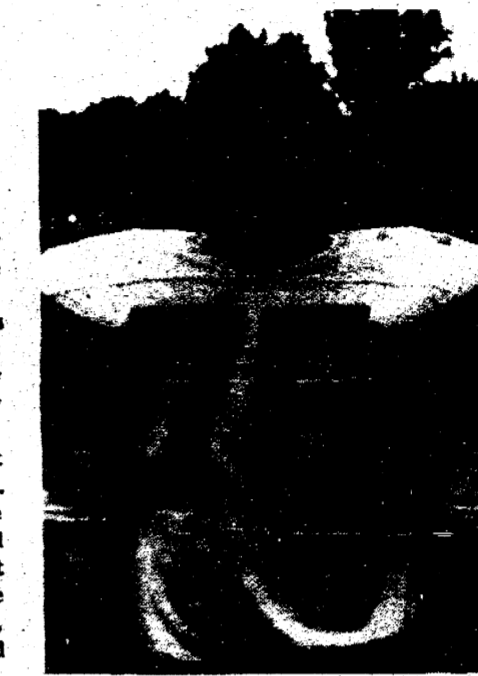

Of course Mr. Downing came to the door and, discovering what had been done to the door bell, hurried to the screen door at the top of the screened porch steps and flung open the door-threw it open into the darkness and was crowned with a pail nearly filled with water which had been carefully balanced on the top of the screen door.

Drenched with water, the victim, also suffering a bang on the head by the pail, retreated into the house mumbling various things under his breath.

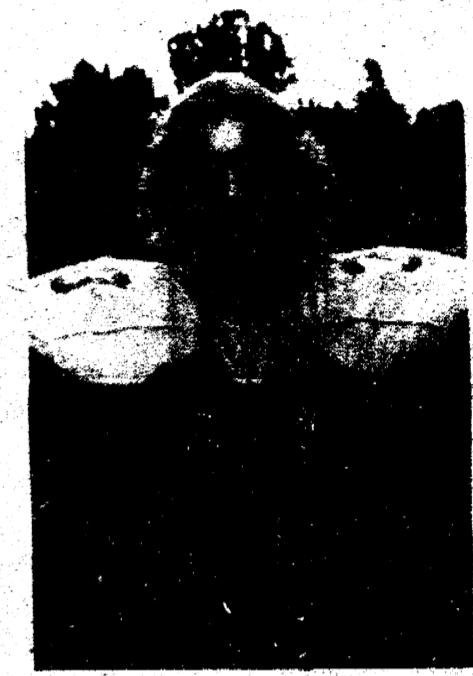

I can't remember whether or not any suspects were interrogated about this heinous crime but, if I remember correctly, both the aggressors and the victim became somewhat less antagonistic henceforth.

I'll bet that some of the participants in this event are the same ones who, not long ago, told their offspring that they had no idea of what was going to become of the present generation—that when they were young, no shulduggery such as the event mentioned above, would have been impossible—no such thoughts even crossed their minds, and if it had, punishment would have been swift and plentiful.

## Dutch Dominate Addison, 15-Zip

Offensive Player of the Week, Mike Lentz.

Defensive Player of the Week, Bob Weirich.

By Jon Hardenbergh

I've heard some of the great sports announcers say "Stats Don't Lie". Another page went into the Dutch history book and this showed them owning the statistics. Just to list a few—we had 14 first downs to their 3, 276 yards rushing to their 53, 61 yards passing to their 0 with halfback John Mooneyham motoring for 131 yards. This should explain why we now are 2-1 and Addison 0-3.

The first quarter got underway with the Panthers kicking for us. We set up camp on the 26 and in 4 plays were at the 39 where we fumbled with Addison receiving. They went nowhere but back, so punted and again we had possession. It was first and 10 on the 15 and 7

## Community Education

The highly interesting and informative series, "Do Something Different" will begin on Monday, September 25 with Rapid Reading...Rapidly; Monday, October 2-Conflict in Life and Work; Monday, October 9-Astrology; Monday, October 16-Bio Rhythms; Monday, October 23-Handwriting Analysis; Monday, October 30-What's His Name Memory Course; Monday, November 6-Recycled Souls and Monday, November 13-Mind Power-The Other 90%. All programs will start in the Manchester High School Library at 7:30 p.m. This will be the last time that you will be able to buy tickets to individual programs instead of the series. Individual tickets are priced at \$4.00 and can be paid at the session.

Once again the Washtenaw County Sheriff's Department will sponsor the Snowmobile Safety Program for youths between the ages of 12 thru 15. If you are a potential snowmobiler it is important for you to register to know the rules and regulations regarding the use of snowmobiles. This year's program will be held in Manchester High School on Tuesday, October 17, Wednesday, October 18 and Thursday, October 19 from 7:00 to 9:30 p.m. A minimum of 12 participants is needed. You may register by calling the Community Education Office at 428-7804 or sign up at the Middle School Office prior to the start of the program.

The monthly Community Education Calendar of School and Community Events will be given to all students this week for the month of October. However, some meeting dates have not been received for confirmation at this time. If your group or organization would like to use a school facility, please call the Community Education Office for arrangements at 428-7804.

advances later we had to kick. Unfortunately, the snap from center was bad so Addison started in excellent shape. As last time, our defense held them, so we took over on the 19. The 1st quarter gun sounded and the squads turned around (we still haven't given a first down in the 1st period in 3 games). Both teams failed to move so punted but the next time we touched leather it looked good. We had position at the 42 and a penalty moved us back 5 but a Craig Rieger's pop to Nick Krzyzaniak netted us 20 yards. In six downs it stood fourth and five on the 24 so we attempted a field goal. Jeff Geiger's kick sailed short to the end zone for a touch-back. The Panthers did move out to beyond the 30 for their first, first down but soon a penalty put them on the 25. Following the punt we had super field position on the 49. On the first play Mooneyham skirted right and wasn't stopped till he zoomed 26 yards. In 2 downs Bob Weirich blasted for 12 more when Gary Daniels ran off right guard for 11 yards and the touchdown. We failed at the 2-point conversion which put the tally at 6-0 at 4:43. On first down following our kick-off they slammed for 10 to get a first on the 41 but then failed to move so booted for the 4th time. We ran 5 offensive plays and the clock ticked off.

Now it's my turn to give you some real facts.

The Bill Kramer I knew spelled his name with a K.

He never lived on Ann Arbor Hill. We bought the Kramer home in 1967 from Minnie Kramer - his wife who rented an apartment in the big old house east of Jenters on Main Street. I believe it was owned by a Wurster family long ago - in the 1880's.

The Kramer home is on Lafayette Street. It is on the Southwest corner of Lafayette and Auburn.

The popcorn balls were homemade rather than purchased, at least we were told about the making of them.

At the time Mrs. Kramer sold the home to us there was a niece and a nephew living. We met them. The niece is still living. We keep in touch.

Do you remember that Bill was a partner in a muskrat farm on English Road?

Mrs. Merle Cummings

As most Dutchmen fans know by now, number 50, the starting center and line-backer was hurt last Friday night and will not be back this year to play for his team.

I have watched for sometime, this 150 lb. young man play on the field of battle. I have seen him play against 185 lb. noseguard from Grass Lake and 200 lb. noseguard from Ida.

I watched as his opponents tried to move him but time and time again he seemed to give his all and would handle these big fellows quite well.

As I watched this young man play against Grass Lake and Ida, he seemed to be untiring, as I believe he missed 8 plays in two games.

Friday night came and the Dutchmen were to play against Addison. Again, I saw number 50 eager to play and give his all for his coach and his team. I have talked to this young man and know he does not want to settle for anything less than a victory, his one desire was to play hard and win.

Early in the second quarter of Friday night's game, all his goals and dreams came to an end for this year. He was

about to make a tackle when he was clipped, he now has a broken bone in his right leg.

I was there when the doctor told him he would not play again, he kept saying no, no, no, I saw the tears come to his eyes, I thought to myself, he may have a broken leg, but the tears were from a broken heart.

I realize a football team is not made up of one player, but eleven men doing their part. This is what it takes for a team to win. I am not suggesting that number 50, Jeff Proctor is or was better than the other players on the team.

I do believe that if all the other players have the same desire that Jeff has, the Dutchmen will go on to win.

His mother and I wish to thank all those who came to see him in the hospital and for those who called at his home and were concerned for him.

We would like to thank Brian Schlicht for going to the hospital with us and giving of his time.

We praise the Lord, his leg will heal soon and his injury was not more serious than it was.

### Outstanding Young Women Of America

The Board of Advisors for the Outstanding Young Women of America Awards Program announced that Mary Elizabeth Weidmayer, 10044 Pleasant Lake Road, Ann Arbor, Michigan has been selected for inclusion in the 1978 edition of Outstanding Young Women of America.

The Outstanding Young Women of America Program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in their homes, in their professions and in their communities. Accomplishments such as these are the result of dedication, service and leadership - qualities which deserve to be recognized and remembered.

This is the goal of the many leading women's organizations, college alumni associates and public officials who nominate deserving young women to participate

in the program. Serving as chairman of the program's Advisory Board is Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs.

Mary Weidmayer, along with approximately 12,000 fellow Outstanding Young Women of America from across the United States, will be presented in the prestigious annual awards volume. In addition, they are now being considered for one of the fifty-one state awards to be presented to those women who have made the most noteworthy contributions in their individual states. From these fifty-one state winners, the Ten Outstanding Young Women of America will then be honored at the annual awards luncheon to be held this fall in Washington, D.C.

Our Board of Advisors and Editors salutes all those honored as Outstanding Young Women of America. We take great pride in bringing their accomplishments to the attention of the American public.

### America & Me Essay Contest

Thousands of Michigan eighth grade students will explore their personal views of America and compete for \$2,000 in awards in the tenth annual America & Me essay contest, sponsored by Farm Bureau Insurance Group. (FBIG). The contest, open to any Michigan eighth grader, will be held October 16 to November 10 in schools throughout the state.

Prizes on the local level will include award certificates for school winners and engraved plaques for each participating school, while the top ten statewide winners will receive savings bonds ranging in value from \$500 to \$100.

A panel of Michigan dignitaries and celebrities, headed by Gov. William Milliken and Detroit Free Press columnist Bob Talbert, will determine the top statewide winners.

Conducted with the help of Farm Bureau Insurance agents across the state, the America & Me essay contest was started in 1968 to encourage Michigan youth to seriously consider their roles in America's future. In last year's contest, more than 7,500 students from 370 Michigan

schools participated.

Each year, hundreds of excerpts from the essays are compiled into booklet form and distributed to schools, government leaders and visitors at the State Capitol in Lansing. As sponsor of the contest, FBIG has won seven national awards from the Freedoms Foundation at Valley Forge.

### Dutch Down Addison

marking intermission with the score 6-0. Second half opened with Rick Krzyzaniak toeing-up for the Dutch and he really booted long and deep (45 yds). Our defense stalled Addison so it was punt time—a penalty kept us under this time so we kicked. Jeff's left footer was downed at the 11 and they proceeded to go nowhere. Following a 45 yard kick we set up camp on our 46 and 3 plays later we needed six for the first. Craig went to the air and found a Panther hand—but wait—Tom Malcolm snopped to snare the pigskin for a 10 yd. gain. Five thrusts later we were at the 10 and it was 4th down. Craig smelt and Jeff toed it thru the up-rights for a field goal to up our lead to 8-0 at 3:15. Soon after the horn beeped signaling the final period. They punted but we fumbled the return and they set up at our 17. Three plays later they passed only to have Bob King grab it at the 5, and on the very first play Mooneyham swept right and stiff-armed the defender. I suppose he was surprised because there were no more Panthers. He roared 85 yds. for the TD at 8:31, leaving it 15-0 (the PAT was no good). Addison desperately trying to get on the board went to the airways—you guessed it—King intercepted. We soon coughed over the sphere but they gave it back which enabled us to run out the clock. On Friday, we travel to Onsted for our 2nd L.C.A.A. battle.

AROUND THE LEAGUE—LAST FRIDAY

Manchester 15-Addison 0, Clinton 46-Onsted 6, Dundee 21-Biasfield 2, Hudson 26-Morenci 12.

### FIRE! FACTS ON INSURANCE RATES

Fire rates for insurance purposes to individual homeowners, are based on the equipment and its age and condition, and the Departments' up-to-date methods of operation. Workmen's compensation, which is paid by the township is also based on the above.

At present, the Fire Department consists of: One Tanker Truck—age 12 years, One Bean #701 Truck—age 12 years, One Bean High Pressure—age 31 years, One Pumper—age 24 years and two Jeeps,

owned by the DNR and maintained by the Township.

In order to maintain our insurance rating in this area, according to the Michigan State Fire Code, we must purchase at least one new vehicle. If we do not, local insurance rates will be evaluated (upward) in the next year.

On Election Day, November 7th, voters will have the option of voting for the new vehicle, so badly needed. This will not exceed 1/2 mill. or 50¢ per thousand dollars of property evaluation, for a ten year period.

### NEW ADDRESS

### 5th Annual Fall Festival

Join us for an exciting autumn weekend! The Village of Clinton, Michigan will be celebrating its 5th annual Fall Festival October 6-8, 1978. Clinton is located on U.S. 12 (Michigan Avenue) approximately 15 miles east of the Irish Hills and 50 miles west of Detroit.

The festivities begin on Friday morning with over 80 arts and craft booths displaying everything from antique jewelry to wooden toys, from ceramics to macramé, from quilts to purses and much more. There will be demonstrations of Lost Arts on Saturday and Sunday. Demonstrations will include china painting, rug hooking, chair caning, cider pressing, spinning and many of the other activities that Grandmother did in her day.

A rodeo, fireworks and a street dance highlight Saturday's activities along with a pork roast and a beer tent. There will be continuous entertainment on an outdoor stage featuring jazz singers, dancers, a rock band, magicians, barbershop quartets and our own Fall Festival Chorus.

Sunday at 2:30 p.m. we will strike up the bands and Fall Festival '78's grand parade will be under way. Over 100 units including the 5th Regiment Band from Howell, Michigan, equestrian units, antique cars, clowns, queens, and many surprises will march down the streets of Clinton.

After the parade we will raffle off a 1978 car and four other prizes with the

proceeds after expenses are paid going to the three participating village churches and other participating non-profit organizations.

There will be plenty of food at Fall Festival '78. A fish fry on Friday, Saturday there will be a pork roast and on Sunday a chicken barbecue. All three days your autumn appetite will be tempted by homemade pretzels and apple pie, tacos, ribs, kielbasa and sauerkraut, waffles, assorted mushrooms and Greek pastries. A beer tent will be open all three days.

Clinton's Fall Festival is a combination of community spirit and pride. The citizens of Clinton invite you to join in the festivities. For further information please call 517-456-7542 between 9:00 a.m. and 5:00 p.m.

### FALL COLOR TOURS

The upper peninsula may lay claim to some breathtaking fall scenery, but it's not necessary to make the long trip north to enjoy fall colors. Tom Hodgson, Park Naturalist, feels the Waterloo Recreation Area offers fall colors and scenery that rival northern areas.

Waterloo Recreation Area is the lower peninsula's largest state park. It includes 17,000 acres of wooded hills, glacial lakes and marsh lands. Nearly every species of wildlife native to southern lower Michigan is found there. During October, area residents will get a chance to enjoy the beautiful fall season while getting better acquainted with the Waterloo Recreation

Area. A self guiding color tour map will be available at the reception desk. The tour map will contain a suggested route which visitors may follow to enjoy the colors and familiarize themselves with various park facilities. An information sheet explaining what visitors may see at suggested stops and points of interest will also be available. Before taking the tour, visitors will want to view the orientation program shown every half hour in the Center's auditorium.

For those who would rather enjoy the fall colors on foot, the Interpretive Center has four miles of nature trails complete with labels and a brochure.

Visitors interested in naturalist conducted walks will enjoy the tours in the Floating Bog beginning at the Interpretive building at 2:00 P.M. and 4:00 P.M. on Saturdays and Sundays.

To reach the Waterloo Interpretive Center from Manchester take M-52 north to the third traffic light in Chelsea, turn west onto Middle Street go over railroad track onto Cavanaugh Lake Road to Pierce Road and follow park directional signs to the Interpretive Center. For further information call 1-313-475-8069. The park staff recommends that pets be left at home as they are not allowed in the building and cannot be left unattended outside.

### Saturday Night Singles

The Ann Arbor Saturday Night Singles Club Dances for single adults 25 years and over will be held at the Ann Arbor Inn, 350 S. Fifth Avenue from 9:00 p.m. to 12:00 midnight, on September 30th. "Randy" will provide the live dance music, there will be social mixers, and refreshments.

For information, call 663-6068.

### Art Guild Workshop

The Manchester Art Guild will be offering Weaving Classes from September 27 to October 11. Three consecutive Wednesday classes will be three hours each from 6 to 9 p.m. The fee is \$12 for Guild members, \$15 for non-members. For more information call Karen Tucker at 428-9212 after 5 p.m.

### ART GUILD CALENDAR

Manchester Art Guild is having a Treasure Hunt and party (byob) to follow on Saturday, October 21st at 7:00, \$5.00 per couple. Tickets are available until October 1st. For more information and tickets call Carol Miller at 428-8629.

### ATHLETIC BOOSTERS

September 6, 1978

The regular meeting of the Athletic Boosters was opened at 8:00 p.m. by President Fitzgerald with 13 members present.

Minutes of the June meeting were read and approved on a motion by Jon Hardenberg, seconded by Was Call.

Treasurer report was given by Joe Moore and approved on a motion by Chuck King, seconded by J.R. OLD BUSINESS:

President Fitzgerald reported that the grading at the athletic facility has been done by Emory Garlick.

President Fitzgerald also reported that \$20.00 had been sent to Onsted for a memorial for one of their athletes, Matt Lassey, who had passed away. He asked for a motion to be made on this. JoAnn Clark made a motion that this be okay with the members, seconded by Chuck King, motion carried.

NEW BUSINESS: A new amplifier has been purchased from Manchester Electric, to be used by the school, on behalf of a donation from Mr. and Mrs. Chuck King.

A motion was made by Chuck King that anyone using Athletic Booster equipment for any purpose other than a school function be charged \$25.00 plus supplies, seconded by JoAnn Clark. A discussion followed and the motion was carried. JoAnn Clark stated that she thought the Field and Stream Club should be

paid at least \$125.00 for cleaning up the field after the football games. She said that by adding additional games she felt \$100.00 was not enough.

President Fitzgerald will check to see if they will do it for \$125.00.

President Fitzgerald said that the football team would again be treated to pop and pizza after the games, donated by Chuck King and Tool & Die. Chuck would like one person designated to pick up the pizza each game, Jim Fielder said he would like to treat Grass Lake to hospitality on September 8, 1978. Pat Fitzgerald and Kathy Hagerman will take charge of getting it organized.

Jim Fielder said that he will be coordinating parent night with the help of the cheerleaders.

Jim Brink reported that the Manchester Invitational for Cross Country would be held on October 7, 1978. He asked if the Boosters would again help by furnishing the refreshments. President Fitzgerald said they would as it was a set policy. JoAnn Clark will be the chairman.

President Fitzgerald reported that 2 coolers had been purchased by the Athletic Boosters for their use in the concession stand.

The meeting was adjourned at 9:30 P.M. on a motion by Helen Kensler, seconded by Chuck King. Next regular meeting will be held on Wednesday, October 4, 1978 at the High School.

Respectfully submitted, Kathy Hagerman, Secretary

### AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU EDITORIAL

#### SQUARE HOT DOGS?

"Baseball, hot dogs, apple pie and Chevrolet"—the jingle-writers may have to find a substitute for the second item on that list. The proposed ban on nitrates, used in most processed meats, would make the good, old American favorite—the hot dog—an endangered species.

In the current controversy over the meat preservative nitrite, the Department of Agriculture has proposed to let manufacturers make nitrite-free meat—as long as there's a big label that says the product must be refrigerated at all times—because nitrite is used in meats to prevent botulism.

Certain scientists believe nitrite causes cancer in some laboratory animals. However, botulism is almost always fatal. But, in response to consumer demand, USDA has proposed to put nitrite-free meat on the market.

Well, this idea has so worried 14 members of the House Agriculture Committee that they've suggested that non-cured hot dogs be square and called "cold dogs."

They said the proposed rule "threatens the safety of millions of American consumers, including children of all ages, with the exposure to deadly bacteria, botulism and food poisoning."

It is unreasonable, and unscientific, to conclude from research with cancer-susceptible rats that nitrite—an essential ingredient in processed meats—poses a hazard to human health. The Massachusetts Institute of Technology study, in which HUGE DOSES of nitrite produced cancer in a small percentage (12.5%) of tested animals, should be properly viewed as the beginning of a search—not the supporting rationale behind government withdrawal of the only known ingredient which guarantees food safety from botulism. Significantly, 8.4% of test rats in the nitrite-free control group also developed cancer.

None of us get huge doses of nitrite in the meat we eat. And very few would vote for a square cold dog that might get botulism before we got it home from the store. Besides...what would a ball game be without a hot dog? Or breakfast without bacon? Or Easter without ham? Or a Dagwood sandwich without cold meat?

## NOTICE OF THE LAST DAY FOR RECEIVING REGISTRATIONS FOR THE GENERAL ELECTION

To Be Held In The Township of Manchester

### TUESDAY, NOVEMBER 7, 1978

PLEASE TAKE NOTICE that any qualified elector of the Township of Manchester, County of Washtenaw, who is not already registered may register for the general election to be held on the 7th day of November, 1978, in said Township.

The Township Clerk will be at the Township Office at 109 E. Main St., Manchester, Michigan on each working day during regular working hours until and including Tuesday, October 10, 1978, for the purpose of receiving registrations of qualified electors of the Township of Manchester not already registered. Persons may also register at a Secretary of State driver's license bureau. Evening registrations by appointment at 9415 Grossman Rd., by calling 428-7090 or 428-8244.

There will be submitted to the electors at said election the following propositions:

### TOWNSHIP HALL and FIRE STATION BONDING PROPOSITION

Shall the Township of Manchester, County of Washtenaw, Michigan, borrow the principal amount of not to exceed Four Hundred Fifty Thousand Dollars (\$450,000) and issue its general obligation unlimited tax bonds therefor, for the purpose of paying the cost of acquiring, constructing, furnishing and equipping a Township Hall and Fire Station, together with improving and developing the site therefor and all necessary appurtenances and attachments thereto in the Township?

### FIRE TRUCK MILLAGE PROPOSAL

Shall the limitation on the amount of taxes which may be assessed against property in the Township of Manchester, County of Washtenaw, Michigan, be increased for a period of ten (10) years, the years 1979 to 1988, inclusive, by fifty cents (\$.50) per thousand dollars (\$1,000) (.50 mills) of the state equalized valuation on all taxable property in the Township in order to provide funds for the purpose of purchasing a new fire truck?

On October 10, 1978, which is the last day for receiving registrations for said general election to be held on Tuesday, November 7, 1978, the Township Clerk will be at her office between the hours of 8:00 a.m. and 8:00 p.m., Eastern Daylight Time, for the purpose of receiving registrations of qualified electors.

The Township Clerk will also be in her office on Saturday, October 7, 1978, between the hours of 8:00 a.m. and 5:00 p.m. for the purpose of receiving registrations of qualified electors.

THE LAST DAY FOR RECEIVING REGISTRATIONS FOR SAID GENERAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 7, 1978, WILL BE TUESDAY, OCTOBER 10, 1978.

**RESPONSIBILITY OF CLASS SPONSORS:** The confusion as to float supervision comes out of the past. In the past, there was a homecoming parade and each class made a float. The school placed a dollar limit on expenses and the class sponsor helped.

The Board has no jurisdiction over floats in the Fair Parade.

There was a discussion with various people from the audience as to who is responsible for the fair floats if neither the Board of Education or the Fair Board was.

Mr. Masten referred to a list of 16 guidelines given to classes prior to planning a class float for the fair. (copy in supplemental file).

After a lengthy discussion, Mrs. Mick recommended that the administration meet with the Fair Board to try to come to a better understanding on where the responsibility rests.

**OPENING OF SCHOOL:** Mr. Masten reported that the opening of school went relatively smoothly with the exception of transportation problems which are still being dealt with. He reported the concentration of annoyances are in Sharrow and Bridgewater Townships.

**HIGH SCHOOL PRINCIPAL:** Mr. Masten reported he had interviewed 5 applicants and has 4 more scheduled to be interviewed. He said he would have 3 applicants for the Board to screen by Wednesday or Thursday of next week.

Pres. Mick appointed the same committee that screened the Principal candidates (Elementary), which consisted of, Mrs. Mick, Mrs. Kensler and Mr. Bunney.

**BUS DRIVERS ASSOCIATION:** Mr. Masten reported he had an informal meeting with the officers of the Bus Driver's Association.

Pres. Mick asked members Walkow and Horning who are on the Transportation Committee to work with Mr. Masten on the Bus Drivers Agreement and report back to the Board.

**TRANSPORTATION:** After a discussion on transportation problems, Pres. Mick asked the bus drivers to post their concerns with the administration and they will work with them.

**STUDENT PEDESTRIANS:** Mr. Masten reported that we were trying to contract with the Village Police to direct traffic and pedestrians at the main intersection. The Village council was meeting at the same time to see if this is a feasible

How often have you looked and looked for an important paper? You know you have it, or had it, but now where is it?  
We've all done it. We've tucked something away where it will be safe and forgot where that someplace safe is.  
In the big cities they worry a lot more about theft and fire than we do. People use safe deposit service to avoid the danger to important items that fire and theft portends.  
To us its. "Where did I put the darned thing".  
For a few pennies a day you needn't wonder again. I am speaking of a safe deposit box here in our vault.  
Sure, fire and theft protection comes with a safe deposit box but, more important, you needn't worry again as to where you might have placed that something important.  
Safe deposit boxes come in all sizes. Rental, like apartments, is determined on what size you need.  
Stop in. Stop looking.

**7%+**  
PER ANNUM  
Money Market Certificate  
MATURITY: 6 Months  
MINIMUM: \$10,000  
The interest rate on the date of issue of this new Money Market Certificate is equal to the average yield on six-month U.S. Treasury bills (on a discount basis) in the latest weekly auction. The rate on Treasury bills varies from time to time. But the rate at the date of the purchase of your certificate determines the rate paid by the bank at maturity-six months later. Here's new flexibility for investors who want to earn a high rate of interest in a short period of time.

**7.75%**  
PER ANNUM  
Savings Certificate  
MATURITY: 8 Years  
MINIMUM: \$1,000  
Here's the highest bank rate permitted by law for the serious investor/saver interested in building an estate or in providing funds for retirement. Interest can be paid one of two convenient ways: Growth Option. Have the interest earned reinvested in your savings certificate annually, adding to the principal. That way, you earn interest on your interest. Income Option. Interest earned on deposits of \$5,000 or more can be paid monthly or quarterly, or reinvested in your certificate annually.

To us its. "Where did I put the darned thing".  
For a few pennies a day you needn't wonder again. I am speaking of a safe deposit box here in our vault.  
Sure, fire and theft protection comes with a safe deposit box but, more important, you needn't worry again as to where you might have placed that something important.  
Safe deposit boxes come in all sizes. Rental, like apartments, is determined on what size you need.  
Stop in. Stop looking.

### Chocolate Orange Bread-- An After School Treat

Active youngsters can become absolutely ravenous waiting for the supper call. One of the best between-meal appetite pleasers is a cold beverage and a generous slice of Orange Chocolate Bread with orange glaze. It's the perfect "homework break" or a quick pick-me-up for strenuous after-school play activities.

By the way, this cake freezes very well, so make two or three loaves at a time and store them in the refrigerator. It's great snacking insurance.

**Chocolate Orange Bread**  
3 cups sifted all-purpose flour  
1 cup sugar  
4 teaspoons baking powder  
1 1/4 teaspoons salt  
1 teaspoon cinnamon  
1 teaspoon nutmeg  
1/2 cup chopped nuts  
Sift flour, sugar, baking powder, salt and spices into large bowl. Stir in nuts, orange rind and chocolate morsels. Beat egg in small bowl; beat in orange juice and salad oil. Add to flour mixture, mix well. Turn into greased 9x5x3-inch loaf pan. Bake in 300°F oven for 1 hour and 15 minutes, until cake tester inserted in center comes out clean. Cool. Drizzle Orange Glaze\* over top of loaf. If desired, garnish with Florida orange slices.  
YIELD: 1 loaf.

**\*Orange Glaze**  
2 cups confectioners' sugar  
Mix confectioners' sugar and orange juice until smooth and creamy.

### Season's Cheer With A Fruited Mold

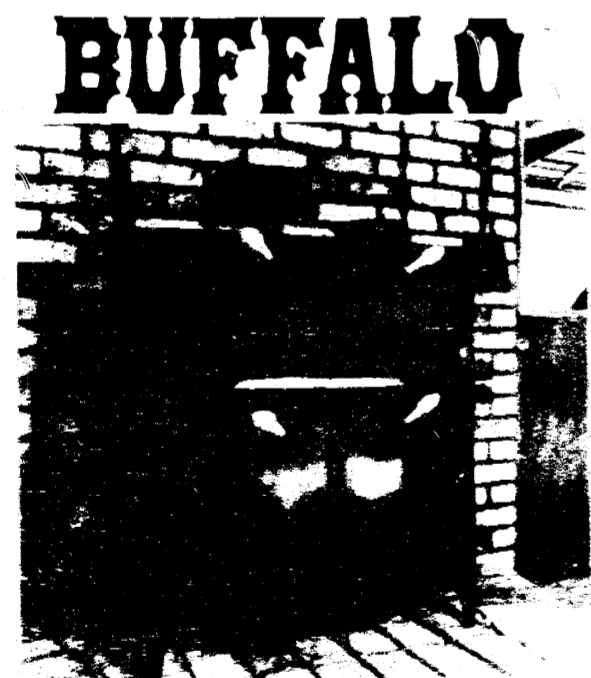

Forget the weather and bring cool refreshment to midday luncheon menus. Jell-O brand cherry or black cherry flavor gelatin, fresh fruits and celery create a delicious salad that can double for dessert. Serve with date-nut bread and butter or cream cheese.

**Molded Fruit**  
2 packages (3 oz. each) or 1 package (6 oz.) cherry or black cherry flavor gelatin  
Dash of salt  
2 cups boiling water  
Dissolve gelatin and salt in boiling water. Add cold water and chill until slightly thickened. Fold in fruits and celery. Spoon into a 5-cup mold or individual molds. Chill until firm, 1 hour. Unmold. Makes 5 cups or 10 servings.

### March of Dimes Bike-A-Thon '78

Washtenaw County residents, make sure your bikes are in top riding condition! The March of Dimes Bike-A-Thon '78 is scheduled for October 1st at 9:00 a.m. Honorary Chairman for this annual fund raiser is Ann Arbor's Mayor Lou Belcher, who plans to pedal along with the cyclists for a good cause -- the prevention of birth defects.

The 25 kilometer route will be the same as last year's, beginning and ending

at the U of M Diag at North University and State Streets. Young and old alike are encouraged to ride in this important fund raiser. Sponsor sheets are available at most Ann Arbor bike dealers or at McDonalds, Dominos Pizzas, Stop & Go Stores and the MOD office. Participants should be sponsored at a minimum of 10¢ per kilometer.

Mike Kolin's Cyclery Center will be on hand at the registration desk and at Kelhi Park to do safety checks, to inspect bikes for minor repairs, free of charge. Ann Arbor Cyclery will provide road marshalling, along the way. The Wash-

tenaw County Sheriff's Office will patrol the route, and the American Red Cross will also be stationed at check points. Transportation will be available to "pooped-out" riders. For thirsty cyclists, free Vernor's pop will be available. Prizes will be awarded at the end of the route. Tune in to WAAM for last minute weather changes. The rain date has been set for October 8th.

### Access Travel: Airports

The Veterans Administration wants to remind the handicapped and elderly veterans about a guidebook, published by the Federal Aviation Administration, making air travel easier and more convenient.

The publication entitled "Access Travel: Airports" lists design features, facilities and services that meet the travel needs of the wheelchair, the blind, the deaf and the aged at 220 airport terminals in 27 countries.

The 20-page guide identifies 69 items important to the aged and handicapped veterans and others. The list includes reserved parking, ramps, accessible restrooms, elevator controls with raised lettering, telephones with amplifiers, and special transportation.

This helpful booklet is available at no cost at the Washtenaw County Veterans Affairs Office, 4133 Washtenaw, Ann Arbor, Michigan. Stop by and pick one up or call 971-8600 and we will send you a copy.

How do you like your chicken pie? Country style with lots of tender meat? Then you will like this version, which is bright and flavorful with pimientos and full of tasty pieces of chicken and little cubes of ham.

These combined flavors — pimiento, chicken and ham — with onions and celery, make this a chicken pie you will want to serve often. Sure to become a family favorite this year round. Send for a free recipe booklet by writing: Associated Pimiento Cannery, P. O. Box 73, Griffin, Georgia 30224.

**CHICKEN PIE, COUNTRY STYLE**

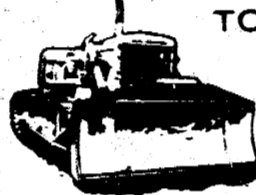

- |  |   |
|--|---|
| 1 recipe pie pastry (double crust) or 1 package pie crust mix  | 1 can small white onions, drained (1 lb.)                     |
| 2 tablespoons butter   | 2 cups cooked cubed ham                                       |
| 2 tablespoons flour  | 1/2 cup celery (botted in small amount of water until tender) |
| 2 cups chicken broth   | Few grains pepper   |
| Cooked meat from 1 large (3 1/2 lb.) broiler-fryer             | Dash mace   |
| 1 can or jar (7 oz.) pimiento, drained and cut in large pieces | Salt to taste   |

Line an 8" or 9" pie plate with pastry; trim edges. Make chicken gravy by melting butter in saucepan, stirring in flour and adding chicken broth. Stir until smooth and thickened. Combine remaining ingredients with gravy; heat, season to taste and turn into pie shell.

Moisten edge of bottom crust with a little water or milk; make a few slits in rolled out top crust. Lay top crust over filling and turn edge. Fold top crust under bottom crust, press together and flute. Bake in hot oven, 400 degrees, 40 to 45 minutes until crust is browned. Serve hot with extra chicken gravy if desired. Makes 6 generous servings.

## Fall House Tour of Local Homes

On Sunday, October 8th, St. Mary's of Manchester, will host their annual house tour, featuring six area homes. There is a pleasant blend of old and new, contemporary and traditional; an eclectic mix of various housing styles. Tickets may be obtained at Krauss Pharmacy in Manchester for \$2.00 apiece before October 8th, on the tour Sunday, they may be purchased at St. Mary's for \$2.50. Maps are also available to all ticket holders. Refreshments will be served all afternoon in the church basement. The tour begins at 1 p.m. and closes at 5 p.m.

The first house visitors will tour is the residence of Mr. and Mrs. Gerald Bordine, a fairly new family to Manchester. They built their retirement home last winter and are still busy landscaping. This home is an excellent example of what is practical and yet still spacious for couples whose children are grown. It sits high on a hill overlooking the River Raisin and one of Mrs. Bordine's "musts" was to have a view of the river wherever possible. She has expressed her need for an easy to care for house with her love of fine things. The facade, facing City Rd., has a large expanse of granite fieldstone, quarried mostly from Hillsdale County, along with igneous rock from Mrs. Bordine's teaching collection. Drive to Granger St., around the corner, and enter this home from the rear, as it is here that we find a large all purpose welcoming room. The pullman kitchen along one wall with a long eating counter faces a free standing fireplace and lounge area. Here also is a large oak coffee table transformed at some time from a dining room table. Further on are two lovely bedrooms decorated in pastels. The Bordine's love of antiques, both in furniture and china is apparent, especially in the jewel-box like living room. Designed so that unused areas can be closed

off in the winter, this home has everything necessary for gracious living.

To illustrate what can be done with energy and imagination, we look to the home of Mr. and Mrs. Edward Bernard. With wallpaper, paint, hard work and faultless taste, they have created an oasis of colorful delight. The living room is a combination of comfort and chic in a mixed decor of refinished antiques and newer upholstered pieces. The bedrooms for their young son and daughter are decorated with lively prints and bright colors designed to please the most discriminating children. Turquoise and silver are blended in the master bedroom to provide a restful, but vivid retreat for the parents. Red, blue and the dark rich color of stained wood predominate in the family room, a "surprise" area at the rear of the house. Leading to the garage is a hallway and from here is a delightful powder room done in black and white wallpaper with accent touches of jonnill yellow. Outside, the Bernards have given a great deal of effort toward planning a patio and yard area, using many railroad ties to set off their attractive ranch home.

The third house on the tour is a unique farmhouse, remodeled and renovated over the years to create an unusual residence for Dr. and Mrs. Glenn Lehr. Because of a fire seven years ago, the original construction of the 1837 section of the home has been deliberately exposed to show the way pioneers built their homes. Dr. and Mrs. Lehr have traveled world wide and their home reflects extensive and varied memorabilia, collected from England, the Far East, South America and Spain. They have many interesting paintings, some of an oriental whimsical nature and others of English genre. A lovely crystal collection graces the dining room, contrasting with the fanciful array of mugs in the living room. The family room has one long wall of glass and provides a backdrop for Mrs. Lehr's extensive arrangement of greenery. Between the barn beams on the ceiling is the same carpeting as is used on the floor. This creates a wonderful feeling of warmth and intimacy, as well as adding acoustic value to the room. Take note, too, of the lovely cocktail table made of burl wood. One of the most luxurious features in the Lehr home is the sauna attached to the master bedroom. Downstairs, we come to the game room looking over a patio and swimming pool. When this room was added on the stone foundation of the original section of the house was uncovered and was left "as is" to become one of the walls of the game room, giving a rugged permanent feeling to this area. Truly a fascinating home!

You might think it a picturesque farmhouse just driving by, but what a surprise upon further investigation! Mr. and Mrs. Roger Hardenbergh have adapted their circa 1865 residence to accommodate the needs of their handicapped son. From the oversized garage, built at the same level as the house, to the especially constructed bathroom, much thought and planning have been given to this project. The original L shaped house has been re-structured to an H shape. The Hardenberghs insisted on the

## Sauter Elected President of Optimist Club

John K. Sauter has been elected President of the Manchester Optimists for the club's program year beginning October 1. He succeeds Ted Stautz, the previous year's president.

Sauter, an active community leader, is Manager of Vehicle Endurance Evaluation, Chrysler Proving Grounds.

Robert T. Ross was elected Vice President of the club and Theodore H. Tapping Jr. was re-elected Secretary and Treasurer.

Members of the club's board of directors, in addition to the officers, are Loring Ebersole, Norman Mollenkopf, James Scully, Norman Walz, James Watson and Richard Wolf.

## 4-Way Stop Now in Effect at Main & 52

Chief of Police Zsenyuk would like to alert the area residents of the 4-Way Stop which the State Highway Department installed.

Please use extreme caution at this intersection. This stop sign will be rigidly enforced as of October 8.

## Dutch Bomb Onsted, 36-8

By Jon Hardenbergh  
Manchester trekked to Wildcat country and came away owning the Onsted turf. We racked up 402 yards rushing, 25 yards passing and this gave us 36 points for our 3rd consecutive victory.

Onsted won the coin toss and received the kick. Unfortunately on their 3rd play from scrimmage the sphere was intercepted so we took over on their 36. After achieving a first, we were sitting on the 25 when disaster struck--fumble. Onsted was forced to punt so again we set up camp. On 2nd and 8, Craig Rogers tossed the leather to Jeff Geiger--good for 12 yards. Bob Weirich touched the ball three times and moved it 4, 3, and 3 to the 27. Craig handed to Doug Drouare and he raced into the end-zone for 6

## UNITED FUND KICK-OFF DINNER

Robert Ross, a member of the Manchester United Fund Board of Directors, has arranged for Park Davis Pharmacist and Director of Public Affairs to speak at the Kick-Off Dinner. The Bethel United Church of Christ is this year's site for the annual United Way event.

Guests for the dinner include the Division Chairman, Team Captains and Volunteer Solicitors for the various fund raising activities. These are the key people in the united effort to accomplish our annual quota. This year, the drive hopes to raise \$22,278. Remember; HAPPINESS IS GIVING

## October 27 Bloodmobile at Emanuel Church

Blood is urgently needed by all the hospitals in the area. Manchester has the opportunity to do its share toward the shortage at a BLOODMOBILE, October 27, at the Emanuel United Church of Christ from 12:00 to 6:00.

The Manchester Community Blood Club serves the Manchester School District and 200 pints are needed for this area alone. Every resident is covered and every able bodied man and woman in the District is urged to give. All of the churches in the area will recruit donors and all of the industries in town always give on a regular basis. Mrs. Alvin Kappler is Chairman-of-the-Day for Friday the 27th and she will be recruiting the volunteer staff to work with the professional crew that comes from the Southeastern Michigan Red Cross Blood Center.

Men and women from age 18 through 65 can give blood as many as five times a year, but not oftener than every eight weeks. A seventeen year old may donate with the written consent of a parent or guardian. They must bring the written form with them the day of the clinic.

Manchester has a rich heritage as a Blood Club and 17 donors went to the Ann Arbor Headquarters and gave during the acute crisis this past summer. This was twice as many as came from any other small town in the County and the Red Cross commends the area for its participation.

For new people in the area: if you need blood at a hospital that is requesting that it be replaced, contact either Mrs. Franklin Reck, 428-8852, Mrs. Roland Grossman, 428-7808 or Mrs. Millard Uphaus, 428-7461.

It is quite important that you register for your appointment at the Bloodmobile. If you can not do this through your work or your church, there will be cards and a file at both Union Savings Bank and Manchester Great Lakes Federal Savings. Your registration card will be mailed back to you with a scheduled time to attend.

points. Jeff booted the P.A.T. (point after touchdown) and we led 7-0 at 3:18. Onsted punted soon and we had possession when the quarter concluded. The scoreboard

## In Retrospect

After the meager thirties came the 1940's and World War II which caught this country, as usual, unprepared and soon we were compelled to live with gas stamps, sugar stamps, meat stamps, shoe stamps, etc. All these things were rationed and if you needed a tire for your car you had to journey to Ann Arbor and prove that you needed it for business purposes or to drive to work. Pleasure driving was frowned upon.

But in small towns, like Manchester, the natives took it on themselves to equalize the rationing problem. Many farmers killed and processed their own meats and so had a surplus of "red" or meat stamps. Those who purchased their baked goods and did not do their own baking had a surplus of sugar stamps. Many of us who worked indoors had a surplus of shoe stamps while many of the children and those of us who worked outdoors had a real problem. So an equalization problem was worked out. Soon there was a great deal of swapping going on--farm gas stamps for sugar stamps; farm meat stamps for shoe stamps, etc.

I remember that down at the end of the counter in the Westside Meat Market was a cigar box in which was deposited a great many surplus stamps of various kinds. Those in the know, who came in to
