Edward E. Steele, Publisher
Lenore Steele, Editor

Editor, The Manchester Enterprise:

The November 7th election will provide an opportunity for all duly registered voters to exercise what should be regarded as their most valued right, the Vote.

Between now and November 7, voters will be besieged with endless amounts of literature, brochures, bumper stickers, signs, slogans, balloons and ballyhoo in behalf of endless numbers of candidates and propositions. Indeed, it will be a

mammoth task to sort out the mediocre from the excellent, the price from the cost, and what has long and/or short range benefits to our economy and way of life.

However, on ballot proposal #1, I believe the voters' choice will be made simple, based on one simple criterion, past performance.

Washtenaw Community College is asking that voters renew one (1) mill. The College seeks to continue to offer to our district one of the finest and most diversified community college programs in the state. The College asks that we continue to make program offerings available to any high school graduate or eighteen year old resident who wishes to pursue a career or vocation. The College asks that the doors remain open to thousands of citizens who wish to pursue technical or vocational re-training or up-grading.

Washtenaw Community College asks that it be permitted to continue to reach out into the community to the senior citizen, the single parent, the disadvantaged, and other groups who wish to be challenged and improve or attain new skills. Based on a history of success, individuals add significantly to their personal lot, and to the economic base in the community.

I urge you to vote to renew the Washtenaw Community College millage on Ballot Proposal #1, November 7.

Washtenaw Community College
Trustee

"Politicians will not cut taxes until they are forced to," declares Mr. John Rigato, Chairman of the 6th Congressional District Tax Reform (TRIM) Committee. "The lesson of Proposition 13

is that politicians—federal, state, and local—will do almost anything to avoid cutting taxes. If the taxpayers want their taxes cut, they will have to roar to be heard above the din of the special interest groups scrambling for a share of the loot Congress has taken from the taxpayers."

The 6th Congressional District TRIM Committee, as part of its continuing educational program and as a public service, has just published and is now distributing the Fall 1978 TRIM Bulletin. The cover story of the Fall Bulletin is "How to Cut Taxes," and it contends that the taxpayers must roar their disapproval of high taxes and big government in order to overcome the deliberate deafness of the politicians and bureaucrats.

"Taxes at all levels of government, combined with government-caused inflation, now consume over 50% of the average family's income," said Mr. Rigato. "The serfs in the Dark Ages had to give only 33% of their income to their masters. In 1976, Americans paid more in taxes than they paid for food, clothing, and housing combined. Our Committee intends to do something about oppressive taxation."

The 6th Congressional District TRIM Committee is part of a nationwide, non-profit, non-partisan, educational organization whose goal is to achieve lower taxes through less government. In addition to telling taxpayers how to cut taxes, the Fall Bulletin shows how your Representative in Congress voted on ten issues that affect taxes and inflation. For further information, contact John Rigato at 2620 Nixon Road, Howell, Michigan 48843.

We tax payers have been had again! The politicians in Lansing still have not gotten the message, even with three proposals on the Nov. 7th Ballot to either hold the line or reduce taxes. They only listen to the strong lobbies and take the attitude of the public be damned. They have raised the gasoline tax 2¢ a gallon and increased the license fees by 30% to take effect after election. This was done instead of having the courage to get

rid of the dead wood and making due with the funds on hand. Every day new exposures of waste, uncontrolled spending, mismanagement, and corruption are being uncovered in all branches of government.

The politicians regardless of promises, have not in the past nor will they in the future hold the line on spending, it must be up to you the voter if you want to get some relief. Study the issues. Confront your politicians and judges as to where he or she stands, and above all use your own good common sense. Vote for the one tax proposal that takes effect immediately before the year ends. So the politicians don't have time to add more fees and taxes this next year. Beware of Special Interest Groups with unlimited funds, and Add Agency produced propaganda that will try to brain wash and sway you to protect their own interests instead of your pocket book.

Lets get out the vote and make sure the politicians get the message to SPEND LESS MONEY and stop inflation.

Sir: Michigan voters need to recognize before it is too late that Proposal H is a serious threat to our basic liberties and free institutions.

Proposal H's real purpose is to force all Michigan taxpayers to provide full support for parochial and private schools. Proposal H would violate our right not to be taxed to support religious institutions.

Proposal H is not tax reform, it would lower our property taxes but sharply raise our state taxes. We would all pay more taxes in the long run, not just to keep our public schools open but also to pay for parochial and private schools and to make up for the property taxes no longer paid by property owners who live out of state.

Make no mistake. Regardless of what its proponents say, Proposal H is nothing

Kurt Sauter Nominated to All American High School Band

The McDonald's on Zeeb Road in Ann Arbor and presentation was made at the concert in downtown Manchester Saturday, October 21, at 10:00 a.m.

The Band was formed in 1957 to honor top-ranking musicians in the same way that outstanding young athletes are honored. One hundred and two high school musicians are chosen -- two from each state and the District of Columbia. The Band performs under the direction of Paul Lavelle, former music director of Radio City Music Hall and director of the Band of America.

Annually, the All-Americans march in two celebrated parades -- the Macy's Thanksgiving Day Parade in New York City, and the Tournament of Roses Parade in Pasadena, California. This year, the Band also will perform in a special concert at New York City's famed Carnegie Hall.

All nominees for the McDonald's All-American High School Band are selected by their individual band directors on the basis of musical honors and solo contest ratings. Nominees who are selected to be members of the All-American Band will be notified in early October.

"Only outstanding high school musicians are considered," said Brian Anderson. "Kurt's nomination to the Band is a real tribute to his talent and we are very proud of him."

The Black Sheep Repertory Theatre announces the addition of two more concerts to its Fall 1978 season.

Don McLean, of "Vincent" and "American Pie" fame, will appear November 12 for two shows at 8:00 and 10:30 p.m.

The famous and popular Doc Watson will appear one week later, November 19 for two shows at 7:00 and 9:30 p.m.

Tickets and information are available by calling (313) 428-9280 or 428-9287.

The Black Sheep Repertory Theatre presents the Neil Simon comedy, Last Of The Red Hot Lovers, October 26 through 29. This show opened the Black Sheep's Fall repertory season and was well received by informed critics and the public. The cast includes: Phillip Bowman, Susan Freridge, Barbara Thorne, and Roberta Owen.

Shows are at 8:15 p.m. Thursday through Saturday and 4:00 p.m. on Sunday. Tickets are available by calling (313) 428-9280 or 428-9287.

1978-79 ENROLLMENT & FINANCIAL

COMPLICATIONS: Mr. Masten reported that our student enrollment is 1,317, which is 42 students less than last year. He explained that due to a decrease in enrollment our anticipated year end balance will be about \$20,000 less than planned. However, we may regain an estimated \$16,000 in categorical aid. As the State Aid formula does indicate a partial payment for losses in student enrollment.

COUNTY PROGRAM FOR PHYSICALLY HANDICAPPED: Mr. Masten reported to the Board that the Rackham School on the Eastern Michigan University campus which the county has been using for Special Education has been declared inadequate. He reported that the remodeling and addition to an elementary school in Ypsilanti may be a viable alternative. However, the Intermediate Board has asked the various school districts if they have any other ideas. At this time, no decision has been made.

CONDITION OF HEATING SYSTEM AND ROOFS: Mr. Masten reported that the best source in all buildings was good but the distribution of heat was not. He reported that the repair of controls in the schools will be costly.

The Klager roof will be repaired next year. Enterprise Roofing will be back to repair any leaks at the High School that still exist.

FINANCIAL REPORT ON ATHLETICS AND SCHOOL SERVICE AND INTERNAL ACCOUNTS: Mr. McGuire reported that the Athletic Fund had receipts totaling \$6,238.84 during September, including \$3,000 that was transferred from the General Fund and had expenditures in September amounting to \$1,549.81, leaving an Athletic Fund balance of \$4,917.02. Members hosted our October 18th meeting. Attending our social meeting as guests were Pat Buson, Shirley Lowery, Sharon Day, Kathy Roberts, Betty Mann, Donna Bragg, Karen Stank, and Paula Detling. Kaye Robinson attended our Rush Tea but couldn't be present this evening. As each officer or committee member gave their respective reports, she also gave a job description. In this way the prospective new members could better understand the workings of Lambda Nu. For our Fall Social event, we are planning on attending, as a group, the "Fiftys Dance" at the Farm Council Grounds on November 4. Profits from this dance go to the Burn Center. Deadline for

making your reservations with Debbie at Carol W. is October 27. Members will be supplying dessert again for the Senior Citizen Meals on Thursday, October 26. Members decided to continue this on a monthly basis. Lambda Nu is going to help XI Epsilon Iota with their support of Jessica Roberts and her family during her hospital stays. A family from a sister chapter of Beta Sigma Phi has recently lost everything in a fire. Lambda Nu is sending a recipe box with personal recipes and donations to the family. XI Epsilon Iota is scheduled for December 5, 7:30 p.m. at Debbie Spalding's home. Debbie was also a guest at our meeting this evening. She gave an explanation of progression from one degree chapter to another and the reason for it. She answered a lot of questions for all of us. Nancy Wolf gave a humorous and serious talk on "Finding our Place" for our cultural program. Then everyone socialized and enjoyed refreshments provided by Co-Hostess Dolores Bunney. Next meeting is scheduled for November 6 at Darlene Kuebler's.

There is a chill in the air...but that "ain't nothin' compared to what is coming".
Winter formerly had a few attractions. It was a definite change of season, and that was welcome. Winter brought about a change of life-style, too. New interests, one set of clothing was put away in favor of heavier material, even TV and the sports page turned to different subjects.

What is winter now? All that it was before with a few additions...like high heating bills and the worry that fuel may some day be rationed.
At least we can do something about it. We can begin using less energy by insulating, installing a better, more efficient heating plant, adding storm windows and doors, to name a few.

To save fuel costs money, too. Where is this money coming from?...from us in the form of a home improvement loan.
Could well be the best loan you ever had.

4-H Recognition Ceremony

"Hands to a Better Future" was the theme for the 1978 Annual 4-H Recognition Night Ceremonies. The molding of tomorrow's leaders takes many willing hands today, those of friends, leaders and parents. Monday, October 16, 1978 at the Wylie School, Dexter, Michigan found many pairs of these hands being recognized from their support and work in the 4-H youth program. Not just friends, leaders and parents were recognized but 4-H members as well. Outstanding achievers in 4-H project areas were presented with certificates of recognition to the Tal-Award winners and County Award Medals. Four-H members who represent Washtenaw County youth on such teams as Livestock Judging, Horse Bowl, Horse Judging and Citizenship delegates were also recognized. 4-H Leaders that have served the youth of this county for one, five, ten, fifteen, twenty and even thirty years were presented with pins and certificates of appreciation. Enthusiasm was in the air when the "Friend of 4-H" awards were announced. These awards were presented to Fingerie Lumber Co., Jim Kane of the Ann Arbor News, Ralph McCalla of McCalla Foods, Faber Fabrics of Ann Arbor, Washtenaw Farmers Oil of Ypsilanti and Mr. Floyd Taylor of the Washtenaw County Board of Commissioners. Four-H has many activities through the year and Share-the-Fun found two State Blue Ribbon winners a dance performed by Kim Bristle of Manchester and "The Clown who wanted to be a Magician" featuring Jeff Levell of Ypsilanti as the lighter spot in the evening's festivities. The Don Johnson Memorial Scholarship recipients Rita Drouare of Manchester and Karl Ehms, Jr. of Whitmore Lake were presented by Mrs. Helen Wolfgang. The recipients of the Danforth Foundation "I Dare You" awards were Gayle Pasterino

DUTCH BOMB MORENCI 34-12

Defensive Player of the Week Doug Drouare.

Offensive Player of the Week Gary Daniels.

By Jon Hardenbergh

Manchester closed out their home games for the season by compiling an awesome amount of yardage on the ground. Well, it was that much but it was impressive. Backs, Gary Daniels and Bob Weirich both totaled over 100 yards as John Mooneyham collected some 20 less. All-in-all we raved for 331 yards, had 19 first downs and threw 1 incomplete pass. Although the Bulldogs did go to the air 8 times and 3 fell into Dutch hands. The state is now set for Manchester and Clinton to battle it out for the L.C.A.A. championship. One team, Grass Lake.

filled perfect records as the Warriors clipped us 14-12 in the season opener and last Friday, Clinton left them with a 6-6 draw. Be in Clinton, Friday to see these two undefeated in the league arch-rivals bang heads.

We opened this contest by booting deep to Morenci and on the first play they were penalized 5 so began on their 12. In three plays they moved to the 13 so punted and we started from their 47. It took us only 8 runs to hit paydirt with Mooneyham shooting off left for 6 at 7:57. The pat by Jeff Geiger made it 7-0. Murray took the kick and wasn't stopped

as he screamed 73 yards over our goal. Their extra point attempt failed so 14 seconds had elapsed since 7-0 and now it was 7-6. A fired up Morenci squad came out for the kick and it sailed thru the end-zone for first on the 20. What happened here is what every coach dreams of—we ploughed forward gaining yardage and eating the clock. Eighteen plays with Weirich bulging in from the 8 yard line—we'd used 7 minutes and 30 seconds and with Geiger's pat it was 14-6. Adding insult to injury the Bulldogs fumbled 3 downs later and we controlled at our 42. We advanced over the 50 and down to the 31 in 7 thrusts when Daniels broke off left for 6 more. The pat was blocked so at 8:36 it stood 20-6. They did have possession for 9 downs until punt time. Again we drove—from the 30 to their 21 and once more Daniels zipped 21 for the TD. The pat was no good so with :57 left the scoreboard read 28-6. Three passes later it was half-time. Morenci entered this half determined to change the tally as they kicked to the 11 then stone-walled us. We punted and they started in great shape at the 49. On the third play the Bulldog quarterback threw and Daniels made an incredible one hand stab to intercept. The Dutch were stopped again so punted and they set up camp on their 28. Morenci was not to be denied this time as they ran 15, 19, 28, 7 and the final for the touchdown. The conversion failed so the score was 28-12 at 4:15. The quarter ended with both squads having tumbled (remember 1,2,3 kick). As the final 12 minutes entered we controlled at their 45. This 9 play drive saw Weirich total 24 yards, Daniels 18, penalties plus 5 and minus 5 with Mooneyham going the TD. The pat was no good so with :57

ANNUAL FINANCIAL REPORT

Manchester Community Schools June 30, 1978

The following financial report provides accurate information for the period ending June 30, 1978. The report accounts for revenue received, expenditures, and deferred revenues and sometimes does not reflect the true picture of the school.

The Manchester Community Schools are a financial entity. On June 30, 1978, the cash balance was \$1,519,569. The original \$45,000 balance was \$50,000. Out of this balance, \$45,000 was obligated for maintenance of buildings and grounds.

As of June 30, 1978, the cash balance was \$1,519,569. Out of this amount, \$45,000 of the original \$45,000 still had not been expended for maintenance.

During this current year the \$15,000 plus another \$35,000 authorized for maintenance along with a portion of the balance is budgeted for next fiscal year. There will be another \$35,000 for the next school year for special maintenance.

The budget is balanced with a planned surplus balance at the end of this year.

A decrease in amount of 40 per cent has effected the reserves as approved by the Board.

It is planned to continue the concentrated maintenance program. Also, the Board plans to concentrate efforts on instructional programs and research, student discipline and improved communication between school and community.

but a scheme to foist "parochialism" tax support for parochial schools, on us even though we voted to outlaw it in 1970. "Tax reform" and "freedom of choice" are but propaganda slogans to disguise a tax increase to pay for parochial schools.

Proposal H would wreck our public schools by paying parents to send their children to nonpublic schools which generally select and divide children by religion and in other ways. It would make educational planning chaotic, destroy economies of scale in education, and reduce

local control over educational spending. Proposal H would undermine our constitutional principle of separation of church and state by making the state a fundraising arm of those churches which operate parochial schools.

Proposal H would make our children guinea pigs in an experiment so radical it has been rejected by every school board in the country which was offered federal money to try it.

If we value religious freedom and our public schools, and want to keep our taxes down, we must defeat Proposal H on November 7.

Historical Conference Stated

A one-day conference bringing together local and state officials involved in all types of historical work, mainly commissions involved in urban and rural history functions, will be held October 27 at Michigan State University.

According to Secretary of State Richard H. Austin, the conference will bring together divergent groups for a full day of lectures and workshops involving all phases of history including fund raising, collecting archival manuscripts, and collections of historical documents, climaxed by a tour and lecture of the historic state Capitol.

The meeting will be held at the Kellogg Center on the campus of Michigan State University hosted by the Michigan History Division of the Michigan Department of State.

Austin said the event was first approved by the Michigan Capitol Centennial Committee preceding the 100th anniversary of the Capitol January 1, 1979.

The lecture on the Capitol called, "The Michigan State Capitol and the Era in Which It Was Built" will be given by Kingsbury Marzolf of the University of Michigan. Buses will transport persons attending the program to the Capitol. The DeCapo Singers will add music for the historic occasion.

"This marks a new day for Michigan history," Austin said. "The program offers guidance to Michigan's commissions, societies, administrators of interpretative centers and individuals concerned with exploring and preserving our local heritage."

For further information, interested persons are asked to contact Marc Van Worman, Conference Consultant, Continuing Education Service, Michigan State University, (517) 355-0170, or the History Division of the Michigan Department of State, Lansing (517) 373-6362.

ADDITION TO ATHLETIC FACILITY

The Manchester Athletic Boosters would like to draw your attention to the new development at the athletic complex next to Klager School.

This development is in the form of a new baseball field which has been started by the Manchester Athletic Booster with the assistance of the following interested business establishments: Unloy, E.W. Garlick, Village Pizza, Baker's Dozen, Manchester Tool & Die, Manchester Stamping, Double A Products and Tom Walton.

The straw for mauling the field was donated by Bill Alber and Reno Feldkamp. These business establishments have supported us in the past and are supporting us now.

The interest they show only makes us feel that their unending support will be with us for future projects on this complex. There are no thanks great enough for their kind of support.

The development thus far has been grading and site balance, with land preparation following. After this segment was completed, the next portion undertaken was a backstop fencing on the playing field.

The next step was the beginning and completion of the sodding and seeding. Last but not least are the dugouts which are proposed but not yet constructed.

The Athletic Boosters are extremely proud of this facility and we also feel that every person in the community have every reason to feel the same way.

We are all seeing a dream of many years become a reality right before our eyes due to the cooperation of many.

If you haven't had the opportunity to view the Athletic Complex, it would be worth your time to drive up and take a look.

We as Athletic Boosters with the help and cooperation of the Athletic Department could not have accomplished these many projects without the cooperation of our community.

Dutch Capture L.C.A.A. Crown Thrash Clinton 22 - 0

By Jon Hardenbergh
 It has been a great season so far with knocking off Addison, Hudson and now Clinton, Friday's whipping of the Redskins brought the league championship to Manchester for the first time since the fall of 1957. We entered this battle pumped up and it showed in the end. We out rushed them 281 to 123 and edged them in first downs 13-5. The primary stat was witnessed on the scoreboard—Manchester 22, Clinton goose-egg. John Moonmyhan and Bob Weirich ran over the Clinton defense to tally over 100 yards each. Again the needed plus was Bob's 3 TD's for 18 points with John supplying the other 4 pts. on conversions.

The Dutch still have one more battle as Friday we trek to Stockbridge to face the Panthers. They are undefeated and ranked high in computer picks for the state play-offs. By knocking off Stockbridge the computer may punch out Manchester.

I had a very positive feeling going into this war with Clinton and as we took the opening kick to the 32 I must admit I was excited. Our first play saw Bob run right, and after a plus 2 he was hit hard with the sphere soaring skyward. As it hit turf a Redskin covered it at our 34. I wasn't dismayed because we've done this thing before—first possession Grass Lake-Fumble, Addison-fumble, Hudson-fumble and Onsted-fumble. It gave our defense a chance to tell Clinton—look out. Their first run netted them a minus 1 and their next 2 gained 7 so on 4th and 4 they passed incomplete allowing us control at the 28. We ploughed down the field with gains of 3, 4, and 5 at a whack except Gary Daniel's break away for 23. On our 11th thrust the leather sat at the 8 when Bob went to work. He bulled 3 times; with the third advance the man in the striped shirt signaled 6. The 2 pt. conversion failed so we stood atop 6-0 at 3:51. Clinton started on their 27 and in 7 plays had advanced to our territory at the 43 when the quarter ended. It was their turn to begin wrong as they went for the first and the Dutch defense threw them for minus 3. Once again we marched as in 8 moves the leather sat 7 yds. short of paydirt. Down 9 wasn't kind as we coughed it up so Clinton took charge at the 6. In three attempts they moved 8 yards so punted and we brought out our offense where a penalty stalled us, so we punted to the 20. The Redskins went to the air and the second throw netted 19 but their third was a turn-over. With time running we did get to the 15 and Father Clock ticked his last. Half was history 6-0. Clinton took the kick and began driving

as I said to myself "Oh Boy", in 5 plays they'd gone from their 33 to our 50 minus—disaster. The 9th play again—they fumbled this time and we recovered. The Dutch backs in three cracks went 3 when a holding penalty moved us to third and long. It was Moonmyhan right and he motorized 53 yards before being tackled at the 18 Bob carried twice aided by a plus 5 penalty gave us 6 more at 8:44. Moonmyhan ran Clinton to the end zone for the conversion, SCORE—14-0. The Redskins really acted down here as they advanced a mere 8 yards, so punted. We took possession on our 40 and started a long punishing
