

IS GASOLINE ECONOMIC?
(Guest Editorial by Paula Mohr)

The alternative fuel gasohol has been introduced in Michigan for the first time on a commercial basis. Gasohol is a mixture of ninety percent unleaded gasoline and ten percent ethanol alcohol, distilled from agricultural crops such as corn, sugar beets and other dried grains.

The economic attractiveness of grain alcohol depends on future prices of petroleum, alternative fuels and government subsidies.

Some say gasoline prices would have to increase to \$1.00 a gallon while grain prices remain at today's level for grain alcohol production to become economically feasible. Major capital expenditures would be needed to change current gasoline handling methods. More land and fertilizers would be needed than presently utilized by farmers. But there are counter arguments for each point. Since alcohol can be distilled from grains and other agricultural products, new markets would open for farm produce surpluses. These raw materials are renewable and thus, farm oil and gas suppliers could not determine how much alcohol should be made available.

Alcohol's high octane content reduces knocking and releases less carbon monoxide into the atmosphere. Therefore, no known safety, social or environmental problems

can be associated with its use. Distiller's dried grains can be used as a feed supplement for livestock.

Recent National Energy Act provisions excluded gasohol from the federal four-cent gasoline tax. Michigan legislators have recently introduced the bill that would repeal the state gasoline tax. So, the economic gap narrows.

Gasohol's full potential cannot be foreseen until it is produced and marketed on a mass scale. Gasoline rationing could spur alcohol production. When economic and environmental factors are considered, producing alcohol is much less expensive than extracting oil from shale or liquefying coal. It takes energy to make energy.

Agricultural products cannot solve the U.S. energy problem but they can provide significant contributions in specific situations.

IN RETROSPECT

Sometime in the mid thirties, the Rev. Fr. Joseph V. Pfeffer was assigned to St. Mary's parish in Manchester as the priest for that parish. At that time the parish consisted of the church at Manchester and missions at St. Joseph's in the Irish Hills and St. Dominic's at Clinton.

Soon after his arrival he became an active part of the community and was known and liked by everyone. The children of his church adored him and he played an excellent outfield position on one of the softball teams. (And by the way, I remember that one youngster by the name of Rager was asked by him what he was giving up for Lent that year and he replied "watermelon", which amused Fr. Pfeffer no end.)

Somewhere along the way it seems that he became intrigued with the idea of erecting an outdoor "Way Of the Cross" on the hill north of St. Joseph's chapel on the south shore of Iron Lake. Perhaps he dreamed up this project as he was fishing in Iron Lake which he frequented and.

The Rev. Fr. Pfeffer was a born "doer" and an efficient organizer and so, before long, he had the project planned and the facts and figures needed to create the project on an exact scale of the original.

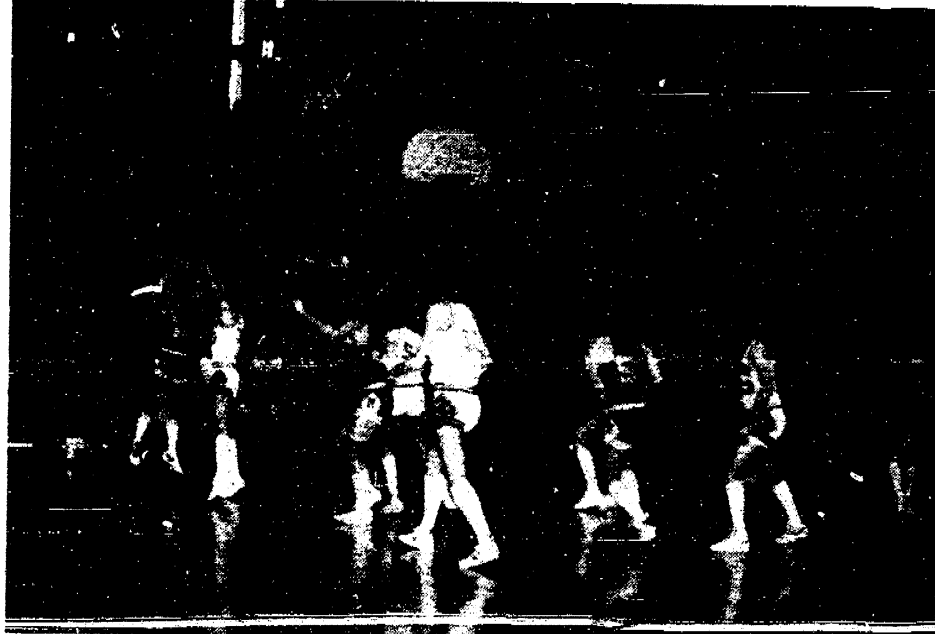

One of his projects connected with its construction that we remember was the solicitation from all his friends and from those who visited the mission at the Hills--there were many visitors at the church in the summer in those days but not, of course as many as nowadays--to bring or to send him attractive rocks from every state in the union or from foreign countries, and this they did and these stones are a part of the present construction.

So, in his usual inimitable way, he soon had the project well underway and he spent many, many days supervising and doing the work personally, with the help of many of his parishioners.

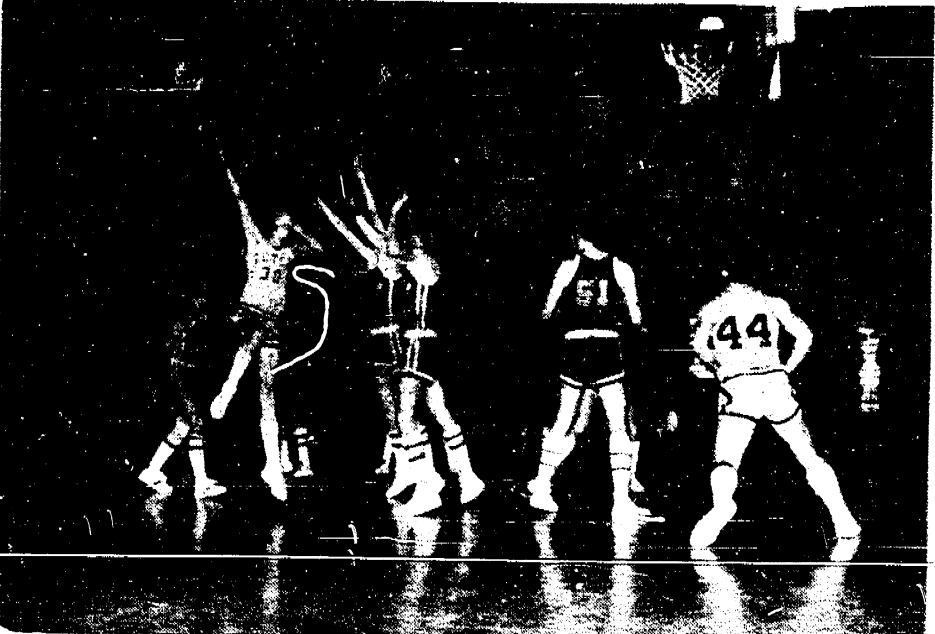

As the work proceeded someone told him of some artisans from Mexico who at that time, were in a very artistic fashion, constructing replicas of trees and wooden benches, etc. in concrete which were so

Brian popping the first 4, making it 61-57. With 3:05 left they were up 68-63 but Steve caned for 4 while Brian added 2 as we stood one back with 1:20 left. In the next 24 seconds they'd hit for 4 and Brian sat down with 5 fouls, 78-73. The main thing that was killing us was their sinking of free throws (they sank 14 in the game with 11 in the final period). Steve drove inside for 2 and Nick burned the net for 2 at :27 pulling us within 1, 78-77. At :18 Steve fouled and the referee gave the Bulldog 2 shots for an intentional foul--it happened--he missed both. Steve rebounded, dribbled down, and called time, :14. We set up with Denny Helfrich shooting and missing but Nick got the rebound only to put the ball in the hoop, 79-78. There were 5 seconds left but they inbounded it only to see Steve steal and he fouled immediately. He sank both to end it, 81-78.

Scoring-wise Steve led the way with 23 as Brian posted 22. Nick was next with 18 as Craig Rogers added 14.

Steve on insight: he had 17 shots at the hoop and of these he made 10. From the charity stripe he hit 3-4 so totaled 23 points. Steve is quick as his 4 steals indicate but he tends to get a bit over anxious as he turned it over 4 times. Steve is not tall but does hit the board on occasion, as tonight he had 1 defensive rebound a 1 offensive rebound.

Brian on the other hand is our 6'1" center who unlike Steve didn't play last year. Brian had 13 shots on goal but 6 went thru. He made up ground on freebies hitting 10 of 12. This adds up to 22 which happens to be his career high so far. He grabbed 10 defensive caroms and 2 offensive ones. He stole once and turned it over twice and also fouled out with 56 seconds left.

Saturday's make-up game at Addison saw the Dutch really lose it at the charity stripe. We held the 11-8 lead after one period and were atop 1, 29-28 at half. Both squads put 8 points on the board in the third so into the final we stood atop 37-36. Down the stretch we hit only 2 of 8 free tosses as they nipped us 51-49. Nick was the only Dutchman in double figures with 14.

A SPECIAL NIGHT

Yes, sports fans, this year's Fun Night will be held Saturday, March 3rd, tip-off time is 6:30 p.m. at the High School gym. There will be contests featuring the 4th, 5th and 6th grade boys basketball squads. The Athletic Boosters will again be in charge of this event with all proceeds going to the Athletic Boosters.

Don't miss this fun-filled family entertainment evening along with an opportunity to see the "FLYING DUTCHMEN" of the future.

Community Education

The Community Education Department has a limited supply of the Tel-Med Health Library folders. These excellent folders list approximately 200 taped messages about various health problems which you can listen to in the privacy of your own home. You call Tel-Med at St. Joseph Mercy Hospital and request to listen to a tape on a particular health topic. The operator selects the tape and inserts into the playback unit. The tape automatically plays, stops itself and disconnects the telephone at the end of the message. Copies may be picked up at the Superintendents Office or the Community Education Office.

Meals For Senior Citizens

On Tuesday, March 6, the Senior Citizens' Meals menu is: Roast Pork, Dressing, Vegetables, Fruit, Roll and Butter, Dessert, Coffee, Tea and Milk.

Thursday, March 8, they will serve: Hash, Vegetable, Fruit, Roll and Butter, Dessert, Coffee, Tea and Milk.

Although she is unsure of her exact future plans, Laurie plans to attend college after completing high school.

by Jon Hardenbergh
Seek and ye shall find--well, we've been looking for that win since before Christmas. Our last win came December 8th and there have been 10 losses till now. We did have one strong force going for us as Coach Bartels was coaching his 5th season and hasn't lost on Parents' Night. Morenci fought hard but we came from behind as Nick Krzyzaniak put us ahead with 5 seconds left. Also I planned to watch some seniors closely in the last games (4 outings-4 seniors) to write what they did and this bit I'll call insight. Tonight I choose Steve Melcher and Brian Evens (it just so happens they were the number 1 and 2 scorers). We almost made it 2 for 2 as Saturday we trekked to Addison only to fall 2 short.

On Friday we jumped to an early 6-0 lead but the Bulldogs found the range pulling within 2, 10-8 at 4:35. Soon they took the lead 18-16 and we began playing catch-up. We missed our last 3 shots to end the first period down 1, 22-21.

The second 8 minutes went basically like this--we went under 3 rallied within 1 and again went down 3. This was the trend until :34 when Steve stole the sphere and laid it in putting us up 1, 36-35. Unfortunately Morenci flew down court popping in 7 seconds to go ahead 37-36. They hit at the horn so half was history with Morenci ahead 39-36.

The third period belonged to Morenci as they went up 6 but we cut it back to 3. In the last half minute they hit for 6 unanswered points to enter the final stanza up 8, 61-53.

Here's where we turned it on as we dumped in 28 points and it started with

Obituary

Mr. Tony Easudes
 Sharon Township

Age 88, died January 20, 1979 in the Westland Convalescent Center. There was immediate cremation with no services as he had requested.

He was born in Lithuania, December 25, 1885 and came to Minnesota as a lumberjack in 1910. Later he moved to Michigan and worked for Ford Motor Co. and bought a farm in Sharon Township in 1921. He quit the factory in 1935 and went to full time farming and that is where he enjoyed his last 40 active years.

Surviving are his wife Julia, one son, Albert, six grandchildren, Steven, Thomas, Jeffrey, Ronald, Dee Anne and Judy; and

three great-grandchildren. A son Fred preceded him in death in 1968 at the age of 52.

Edward Marcus Zinke

Age 98 years passed away on February 20, 1979 in St. Petersburg, Florida.

Mr. Zinke was born December 24, 1880 in Chelsea, Michigan. He was the son of Emil and Frances (Jenks) Zinke.

Mr. Zinke graduated from the Chelsea High School in 1901. He married Lillian Uphaus in 1911. She preceded him in death in 1963.

Mr. Zinke owned and operated a farm in Sharon Township all his life. After the death of his wife he retired and lived with the George Knoouse Family in Manchester, Michigan and moved with them to Florida in 1971.

He is survived by four nieces and three nephews. Mr. Zinke was preceded in death by three brothers and one sister.

Cremation has taken place. A memorial service will be held in the Chapel of Prayer at the Anona United Methodist Church in Largo, Florida, with the Rev. Richard Rohrer officiating.

The ashes will be interred in the family lot at Sharon Rowes Corner Cemetery.

All memorials may be given to the Sharon United Methodist Church, Manchester, Michigan.

Students Honored At Ferris State College

Ferris State College has honored 1,937 students for scholastic excellence during the fall quarter by naming them to the Academic Honors List, Dr. Robert E. Ryan, Vice President for Academic Affairs, has announced.

To be named to the Academic Honors List, a student must earn at least a 3.25 average on a 4.0 basis and carry a full academic load. A full load is defined as 14 quarter hours of credit.

Jill E. Bruestle from Manchester was named to this list.

Black Sheep Repertory Theatre Spring Season Opens

The Black Sheep Repertory Theatre of Manchester, Michigan announces the opening of their Spring Theatre Season with the Charles Aidman adaptation of Edgar Lee Master's SPOON RIVER ANTHOLOGY. The play opens on Thursday, March 8 and continues through Sunday, March 11 and again on March 15 through 18 and March 22 through 25. Show times are 8:15 p.m. on Thursday, Friday and Saturday and 4:00 p.m. on Sundays.

About the play: There are 60 vignettes of the ghosts of those who were inhabitants of Spoon River and whose secrets have gone with them to the grave. In an amazing varied array of roles, from young lovers to preachers and teachers to the funny chronicle of the Jew and the Gentile who

end up in the wrong cemeteries, both the sordid and humorous sides of life are portrayed, in fetching ballads and the free verse of Edgar Lee Masters.

Other Spring Season shows will include A GERSHWIN SONGBOOK opening April 5th and A LIFE IN THE THEATRE by David Mamet opening May 10th.

Manchester Area Historical Society Meeting

The Manchester Area Historical met Monday evening, February 26 at the United Methodist Church with 40 members and guests present.

Phil Grillo of Grand Rapids, one of three Michigan State University students who made a Survey of this area last summer, was present to give a report of this project. He presented the group with copies of his Publication, "Marks of History: Architectural History in the Village of Manchester, Michigan".

Rita Walsh, a student at the U of M told of her work with the Saline Historical Society. She has summarized the "Multi Research Study" for the Saline Chapter in readiness for its presentation for Nomination to the State and National Foundation in recognition of this survey.

John Collins of Marshall, past president of the Marshall Historical Society was also a Guest Speaker. He was recently appointed by Gov. Milliken to the Michigan History

Division and is also a member of the Washtenaw County Historic District Commission. He gave some timely suggestions for the continuation of the present Preservation and Conservation in this area. He advised that a more complete History of the Village be written. The public should be made aware of the Grants available to further these Projects so in time, this Organization can seek Nomination to the State and National levels.

the state by finishing 2nd at the regionals last Saturday. He will begin his quest for the championship in the opening round 11:30 of wrestling at Eastern High School in Lansing. Good Luck Jack.

Here is a quick run-down of what happened last Thursday against Whitmore Lake:

- 96 lbs.—Dobbe forfeit.
- 106 lbs.—we forfeit.
- 112 lbs.—Our Tim Seeger found himself down 1-0 so reversed the hold then pinned his man at 3:36.
- 118 lbs.—Our Rick Scott doesn't believe in wasting time so he pinned his opponent in 45 seconds.
- 126 lbs.—Our Dan Birch was by forfeit.
- 132 lbs.—Our Todd Green went to work and in took 3 min. 41 sec. to end by pin.
- 138 lbs.—Our Bob King also had it easy winning by forfeit.
- 145 lbs.—Our Terry VanDoren followed by a win thru forfeit.
- 155 lbs.—Our Rick North fought tough but lost by pin.
- 165 lbs.—Our Gary Reed lost by decision but he put in a gutsy performance in the sense his man had Gary's shoulders which inches 3 times but couldn't pin once for a minute and a half.
- 175 lbs.—Dobbe forfeit.
- 181 lbs.—Our Jack Stein ended it pronto by adding his Trojan in 44 seconds.

HWT-ober was by forfeit.
This left the scoreboard reading 55-34 our favor.

Shakespeare Club Guest Night

The Ladies of the Shakespeare Club entertained their husbands and several guests on Tuesday evening, February 20 in the dining room of the Methodist Church. A lovely dinner was served at 6:30 p.m. by Mrs. Otto Timmerman and her committee.

After dinner cards were enjoyed by the group. The door prize of the evening was won by Mrs. Mille Gillis.

RETROSPECT

Heike that they had to be touched and examined to tell them from real. He induced these workmen to come here and to do considerable work there to make the Via Dolorosa the attraction that it is today.
As the project neared completion its fame spread far and wide and it became a nationally known attraction. In fact it seemed to us at that time that it was better known in far places than at home.
About the time that his project was completed however, Fr. Pfeffer was transferred to Highland Park to a church I suspect that needed him and a transfusion, and there he served for some years becoming a Msgr., and he remained in that

area until his retirement, a few years ago, at which time he lost his time coming back to St. Joseph's Church in the Hills where he insisted on repairing and completing some unfinished bits of his project which he had evidently cherished all these years.

He stopped to see us a few years ago and we talked of the fun that he had building his dream into reality. Some three years ago, if my memory is correct, he passed away in Detroit and was buried there, but he is remembered I am sure, by many, many of his parishioners in this area. His monument is still a major part of St. Joseph's Church which now has grown to more than double its former size and whose modern parish hall serves the whole area in many ways. The church in Manchester is thriving as is St. Dominic's in Clinton which has become a separate parish and has an ever increasing membership.

Thanks Fr. Pfeffer for your dream and its fulfillment.

The meeting was called to order at 8:03 P.M. in the High School Library by President Corliss Mick. Board members present: Bunney, Curley, Horning, Walkowe, Kensler and Mick. Absent: Macomber.

Communications - Secretary Kensler reported there were no communications.

Minutes Of Previous Meetings - Moved by Horning that the minutes of the regular meeting of the Board of Education held January 15, 1979, be approved as submitted. Supported by Curley. Yeas: Bunney, Curley, Horning, Walkowe, Kensler and Mick. Nays: 0. Motion carried.

Moved by Kensler that the minutes of the Special Meeting of the Board of Education held February 5, 1979, be approved as submitted. Supported by Bunney.

Member Macomber entered at 8:05 P.M. Vote on motions: Yeas: Bunney, Curley, Horning, Walkowe, Kensler, Macomber and Mick. Nays: 0. Motion carried.

Audience Participation - President Mick recognized Mrs. Fenelon. She asked for a clarification of Board Policy on the closing of school. Superintendent Masten explained this procedure. A discussion followed regarding a Volleyball practice that was scheduled during the time when all extra curricular activities were to have been cancelled.

Financial Report - General Fund Balance 12-31-78-\$130,335.41. January receipts-\$489,845.19. January disbursements-\$188,004.98. January 31, 1979 balance-\$432,175.62.

Moved by Kensler that the financial report indicating a balance of \$130,335.41, December 31, 1978, with January receipts

of \$489,845.19 and January disbursements of \$188,004.98, leaving a balance January 31, 1979 of \$432,175.62 be approved. Supported by Curley. Yeas: Bunney, Curley, Horning, Walkowe, Macomber, Kensler and Mick. Nays: 0. Motion carried.

Moved by Bunney that bills totaling \$171,443.57 be approved for payment. Supported by Horning. Yeas: Bunney, Curley, Horning, Walkowe, Macomber, Kensler and Mick. Nays: 0. Motion carried.

Hot Lunch Program - Mr. McGuire reported that the Hot Lunch Program started that day at Pleasant Lake and Klager schools and it would begin on Wednesday, February 21, at the Middle School and Friday, February 23 at the High School.

Computer - Mr. Masten reported that some of the payroll was being done on the new computer in the Central Office. It would be a while before the whole procedure would be done here. It will be necessary to look into air-conditioning for that room before summer as humidity and temperature must be controlled.

High School Electrical Problems - Mr. Masten reported that it was necessary to install a temporary overhead electrical line from the main power panels to the meters because of some power reduction problems last week. An underground line will be installed when weather permits.

F.F.A. Deficit - A Financial Statement for the F.F.A. Fund showing a deficit of \$1,568.51 was discussed. The Board had previously authorized the transfer of \$1,400 to cover the major portion of this deficit but had requested an accounting of the deficit.

Naming Of Present Athletic Field - Mr. Masten reported he had been informed that the Athletic Field was donated by School Alumni and was named Alumni Memorial Field. He reported he had not researched the old deeds or Board minutes but will do so in the near future.

Immunization Survey - The State of Michigan has mandated that the schools will

have to conduct an immunization survey in the district. This will be followed by immunization clinics for those whose record is not up to date.

Energy Survey - The State has directed the district to make an energy survey of all our buildings. This report is due in 2 weeks.

Financial Report - Internal & School Service - Internal: December 31, 1978 balance \$46,076.13. January receipts \$10,012.82. January disbursements \$12,151.24. January 31, 1979 balance \$43,937.71. School Service including Athletics: January 31, 1979 balance: \$4,325.28.

Change Of Procedures In High School For 1979-80 - Moved by Walkowe that the following regulations be implemented in the Manchester High School beginning with 1979-80 school year:

1. Students enrolled in Manchester High School will participate in a full school day except for those granted release time to participate in the co-op, work study, or Saline Vocational Program.
- Credit minimums to be used in classifying students according to different grades will be: 9th Grade - successful completion of 8th Grade. 10th Grade - a minimum of 4 earned high school credits. 11th Grade - a minimum of 9 earned high school credits. 12th Grade - a minimum of 14 earned high school credits.
2. To receive a diploma, a Manchester High

School student must have earned a minimum of 20 credits. Of the 20, not less than 13 credits must be academic credits beginning with the 1980-81 school year. Academic credits may be earned in all classes except: Band, Chorus, Co-op, Cross Age Tutoring, Driver Education, Library Assistant, Office Assistant, Physical Education and Teacher Assistant.

3. Beginning in 1979-80, credits offered for the students enrolled in the Saline Vocational program will be the same as would be offered for a class taken at the local high school. Classes which meet for a two hour block of time at Saline will be awarded 2 credits if the course is passed, three hour block of Saline classes will be awarded 3 credits if the course is passed.

4. All classes taught will be used to determine a student's grade point average except Cross Age Tutoring, Library Assistant, Office Assistant and Driver Education. In addition all classes taught will be assigned one full credit for a full school year of successful participation.

5. In 1979-80, the work study and co-op programs will be available only to 12th graders. No student will be allowed more than one hour of release time to participate in the work study program and no student will receive more than one credit for

Observe 10th Anniversary

Jeff Pieske of Manchester will be among 250 talented musicians who will participate in the tenth annual Blue Lake International Exchange Program tour of Europe this summer. Members of four musical groups—band, orchestra, and jazz band—will leave Detroit June 19 and return July 15 following performances in Denmark, Sweden, Norway and Germany. Pieske, a member of the Choir, is shown with Choir Counselor Mike Gallagher.

Blue Lake's International Exchange Program will observe its tenth anniversary this summer when 250 talented young musicians and singers tour four European countries during June and July. It began in 1970 when a 90-voice choir from Blue Lake toured England, Belgium and Germany. Since then, 1,500 young American musicians—mostly from Michigan—have visited 120 communities in 12 European countries. In return, nearly 3,000 members of 40 European and Japanese bands, orchestras, choirs and dance groups have come to Michigan to perform in communities throughout the state. Four Blue Lake music groups—orchestra, band, choir and jazz band—will tour Denmark, Sweden, Norway and Germany starting June 19. About a dozen European groups are expected to visit Michigan this year. "We believe our exchange program has done much to promote goodwill and

Deanna has been playing volleyball for 3 years, 2 of them on the Varsity level. Deanna is the only left hander on the team. This means it is hard for the other teams to defend against her when she is serving. Deanna has been improving on her spiking all year. She has a total of 47 spikes against all opponents for the season. Deanna would like to improve on the consistency of her serves. She has had some good games getting 6 to 9 points in a row. We are looking for some improvement in the next two weeks because she has been working very hard in this part of her game.

Nancy is setter for the Dutchmen Volleyball Team. She has developed alot of control of the ball which is important for good spikes. Nancy has also proved she can handle pressure situations when she came into the game for an injured player and set some important points, to preserve a victory. Nancy is always hustling after balls that seem to be out of reach. Sometime soon she will be controlling these balls so we can get some points. This makes Nancy important to our team because it shows her enthusiasm and desire to succeed.

Lisa is a senior and this being her first year on Varsity. Lisa is a serving specialist. She has come in many times just to serve in tight situations to pull out points for the Dutchmen. She has been very important to the team for just that reason. Lisa is also improving in many other areas of her game as well. She is learning to control her sets and moving to the ball on defense.

Outi is an exchange student from Finland. She has never played volleyball on an organized team. It has been a pleasure to watch Outi develop the skills of the game. She has been improving daily on skills that she had trouble with earlier in the season. I hope she has enjoyed playing and being on the team as much as we have enjoyed having her on the team.

DeeDee is very hard working for the Dutchmen. DeeDee didn't play last year so she has alot of things to catch up on. Her attitude has been a big help for her improvement. She doesn't give up when things don't go her way, she digs in and works that much harder to improve. DeeDee brings alot of spirit to the Dutchmen also. She helps pick up the team when they are down, and cheer for them when they are winning.

TRUCK WEIGHT RESTRICTIONS

of this Board and by virtue of the applicable sections of the Michigan Vehicle Code being Act 300, Public Acts of 1949 as amended, we impose springtime axle load restrictions effective at 6 a.m., Wed., February 28, 1978.

The Washtenaw County Road Commission deems it necessary to preserve the roads under the jurisdiction. The allowable truck loadings are as follows:

MAXIMUM ALLOWABLE GROSS AXLE LOADING

Spacing Between Axles	Concrete	Black-Top & Gravel
9 feet or over	13,500 pounds	11,700 pounds
More than 3 1/2 feet, but less than 9 feet	9,750 pounds	8,450 pounds
When less than 3 1/2 feet the combined weight shall not exceed	13,500 pounds	11,700 pounds
Maximum load on any wheel shall not exceed [pounds per inch of tire width]	525 pounds	450 pounds

MAXIMUM TRUCK SPEED

No truck tractor or tractor with trailer, nor any combination of such vehicles with a gross weight loaded or unloaded in excess of 5,000 pounds shall exceed a speed of 50 miles per hour which shall be reduced to 35 miles per hour during the period when reduced loadings are being enforced.

NOTICE

"I am a lawyer, self employed. My KEOGH retirement plan at Great Lakes Federal will provide \$225,899 when I retire in 15 years."

Ms. Ethelyn Carver is a self-employed lawyer who has earned income that puts her into the 50% tax bracket. Because Ms. Carver wanted to keep as much of her income as possible, while planning for her retirement years, she opened a KEOGH tax deferred retirement account. She found that she could contribute 15% of her income; up to a maximum of \$7,500 each year and deduct this amount from her taxable income. She will have accumulated \$225,899 in her KEOGH account when she retires in 15 years. Because she qualifies for the maximum contribution, she will have reduced her taxable income each year by \$7,500. In an account or investment that was being reduced by taxes, she would only have \$78,804. If you are self-employed you too can deposit up to 15% of your income, maximum \$7,500, in a tax deferred KEOGH retirement account. This amount can be deducted from your current taxable income and you do not pay taxes on it until you start making withdrawals after age 59 1/2 at which time you will probably be in a lower tax bracket. Your KEOGH account can earn the high interest rate of 8% per annum. Interest is compounded monthly and paid quarterly for an effective annual rate of 8.30%. At this rate your money doubles in approximately 8 years and 8 months. Minimum term 36 months. With your account you receive a Retirement Account card which you can use when making deposits to your account and which entitles you to Travelers Checks and Money Orders free of charge. At the end of March, June, September, and December you receive a detailed statement which describes each deposit to your account. YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX. If you now have a KEOGH account and have not deposited up to your maximum you have up to April 15, 1979 to make your full 1978 contribution. Federal regulations require a substantial interest penalty for early withdrawals. The name and profession of the person in this ad is fictitious and solely an example of the benefits of a retirement account at Great Lakes Federal Savings.

If you deposited \$7,500 each year to a KEOGH PLAN earning 8% annual interest, compounded monthly, you would have:

No. of Years	Taxable Account	KEOGH Account
5	\$ 21,191	\$ 47,947
10	47,108	119,404
15	78,804	225,899
20	117,569	384,611
25	164,977	621,145
30	222,957	973,658

Taxation of account after 50 years is \$3,750 per year & interest.

management at EMU. From May 1972 to June 1977, Pfau held a clerical position in the Student Accounting Office at the University. Since June 1978, she has been supervisor of the student loan office at EMU. She is a member of the Ypsilanti Business and Professional Women's society. As an Accountant II, she will maintain accurate and complete records within the Student Accounting Office. She will prepare financial statements and perform related financial analysis and assign and monitor work done by professional and clerical staff. Pfau also will evaluate present accounting and operational systems and recommend changes and review management reports for fiscal control. She will answer questions and problems dealing with account status and assist in year-end closing of accounts. Pfau resides in Manchester. Her appointment is effective immediately.

Sportsman Club Elects Officers

The Manchester Sportsman Club met February 22, 1979 and elected the following officers for 1979. President-Carl Buss, Vice President-Bud Taylor, Recording Secretary-Helen Braun, Treas. Lauren Hubery, Fin-Secretary-Max Heckaman and Hall Rental-Speck Kappler. An indoor bow and arrow contest and cards were enjoyed by all. We have many activities planned and expect to have some activity at each meeting. We urge all members and friends to come on out and participate. Meetings are the last Thursday of each month.

Twentieth Century Club

The Twentieth Century Club met at the home of Mrs. Rolland Grossman Tuesday evening, February 6 with 16 members and 1 guest answering to roll call. A very interesting program on Flowers and Table Arrangements was given by Mrs. Pat Roesch and Mrs. Harry Krauss. Some of the members brought a setting of china to be used in demonstrating choice of color of table covering, with flowers and candles to harmonize. Refreshments were served by the hostess, Mrs. Robert Macfarlane poured. The next meeting will be held at the home of Mrs. Leo Scully, March 6.

"A Time to Run" March 7 at 7:30 p.m.

"TIME TO RUN," a film that is a mixture of problems and solutions, will be shown at the Manchester United Methodist Church on Wednesday evening, March 7, at 7:30 p.m. Filmed in Eastmancolor by World Wide Pictures, TIME TO RUN is being brought to Manchester as a special entry in the Community Lenten Wednesday Evening Forums and Devotions. A film for both youth and adults, it is hoped that families might attend together. Highly entertaining, A TIME TO RUN is filmed on location in Southern California, and is a deeply moving drama of the conflicts that are tearing a family apart - conflicts that develop between husband and wife, and between father and son. It is also a film about hope, and the possibilities of finding new life in the midst of conflict and confusion. There is no charge for the evening, although a free will offering will be taken. Nursery service will be available and a fellowship period will follow. Take advantage of an opportunity which might be important for your family - attend together on Wednesday, March 7, at 7:30 p.m. at the Manchester Methodist Church.

Card Of Thanks
I wish to express my thanks to my family, neighbors and friends for all the nice things done for me while in the hospital and since I'm staying at Mrs. Balls.
A special thanks to Rev. Robert Macfarlane for his calls and prayers, helped a lot.
Also a thank you to Lucille Williams for bringing me the recording of the Sunday services. I appreciated it very much.
Alma Turb

I wish to thank my relatives, neighbors and friends for their cards, visits and plants while I was in the hospital.
Thanks to Mr. and Mrs. W. Carpenter, Mr. and Mrs. Lee Lamb and to all who brought Caroline to Saline.
Special thanks to Rev. Macfarlane.
Sam Brown

Many thanks to my relatives, neighbors and friends who have remembered me during my stay in the hospital and since my return home. Also Pastor Morris for his visits and prayers. Everything was greatly appreciated.
Elsie Blumenauer

I wish to express my gratitude to all my friends for their expression of kindness to me during my illness and 35 days in the hospital. Special "thanks" to my family and Rev. Sharai for his encouragement. Also thanks for the many prayers, cards, flowers, gifts and food brought in to the family.
Lenore Chavey

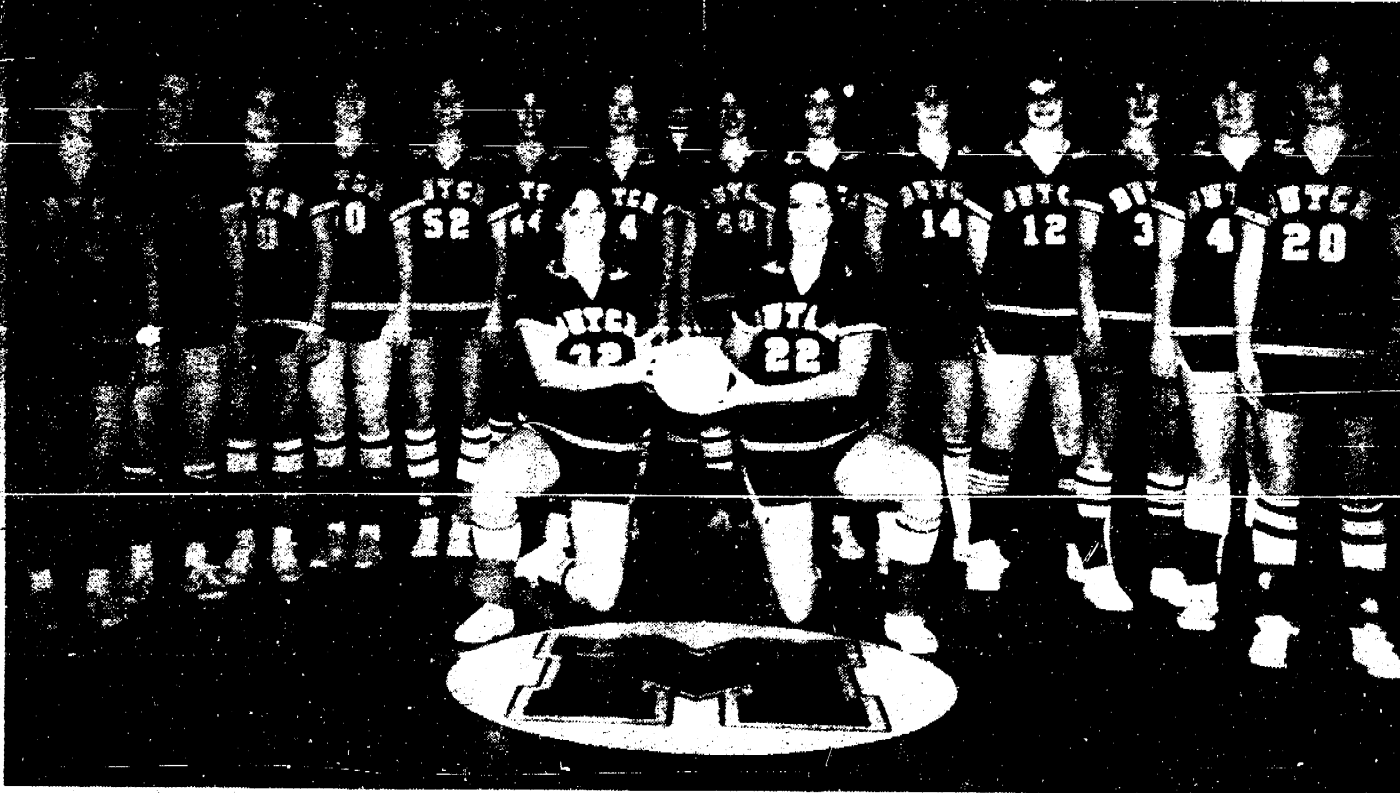

"Thank you" dear neighbors, relatives and friends for your cards, gifts and visits during my stay at the hospital and since I have come home.
Your thoughtfulness is appreciated.

On Monday, March 5, the L.C.A.A. Championship match between Blissfield Royals and Manchester Flying Dutchmen proved to be everything we expected. The stands were full of fans from both schools cheering on their teams. Both teams played with intensity throughout the match.
In the first game the Royals jumped out to a 9-0 lead before the Dutch put together their attack. The Dutch continued to put

BLOODMOBILE AT LEGION HALL MARCH 26

A Red Cross Bloodmobile will be in Manchester, Monday, March 26 from 12 to 6 p.m. for the annual spring visit. Last March, 189 pints of blood was donated by residents of the Manchester School District and employees of local industry. A 200 pint quota is the aim for this spring as the blood supply is critically low.
The new American Legion Hall on Adrian Street will host this Bloodmobile as its first. There is plenty of parking space which can be entered from Adrian and Duncan Streets.

Recruiters for the various churches are: Mrs. Alvin Kappler, Emanuel United Church of Christ; Mrs. Victor Mann, Bethel United Church of Christ; Mrs. Dennis Helfrich, Manchester United Methodist Church; Mrs. Willis Uphaus, Sharon United Methodist Church; Mrs. William Schwab, St. Mary's Catholic Church; Mrs. Floyd Proctor, North Sharon Bible Church and Mrs. Ruth Donko, Iron Creek Community Church.

All of us realize the need for insurance but are sometimes hesitant about contacting an insurance agent for fear of possibly being given the "hard sell" or ending up with a policy you don't want or that is too expensive. With the number and variety of insurable goods some people have found themselves "insurance poor". To help you know more about insurance but without pressure to influence you, Mr. Thomas Schultz, Manchester area resident, and former insurance representative, will give a comprehensive discussion covering the following types of insurance: Life Insurance-Whole Life, Term Insurance and annuities or accounts. Auto Insurance-Explanation of the "no fault law", the need for residual auto insurance, and the types of collision insurance (limited, regular and broad form). Home Insurance- mortgage redemption insurance, tenant policy for renters, health and accident floaters, and double indemnity.
This presentation will be held at Manchester High on Tuesday, March 20 at 7:30 p.m. There is no charge to attend this presentation. If you really want to know how to spend your insurance money wisely don't miss this important program.

the pressure on and won 16-14.
The Royals bounced back in the second with good defense and offense to pass up the Dutchmen 15-10.
The third game was just as exciting, going back and forth with no one able to get a lead then the Dutchmen got some quick points to take a 14-9 lead late in the game. The Royals were finished as they made a last attempt but fell short 15-12.

The Manchester Varsity Volleyball team lost to Hudson Thursday, March 1 to put them in a tie for first place with Blissfield. The games went 15-13, 11-15 and 12-15. The Dutch fought back late in the second game to come within one point but lost the serve. Hudson was able to pick up their last points.

On Saturday, March 10 the Dutchmen went to the District Tournament at Vandercook Lake to face Homer in their first match. The Dutchmen won in two games 15-10 and 15-8.
The Dutchmen went into the semi-finals to face a good team from Napoleon. The games were exciting with a lot of action. The Dutchmen moved on defense very well and

Community Education

All during Girl Scout Week girls will be selling cookies to help themselves and others raise funds for new program ideas within the troops.

Victory Baptist To Dedicate New Church

The pastors congregation of Victory Baptist wish to invite the public to the dedication of their new church building located at 419 Macomb St.
Ground Breaking was held October 15, 1978. Since that time much work has been completed in erecting the building. Under the direction of Pastor Ron Nelson and the congregation, we were able to have our first service News Years Eve, as was our goal.
We Praise God for His faithfulness and would like you to join with us at 3 p.m., March 11, 1979.

IN RETROSPECT

When I first saw Manchester, the building at the "Soulesville" dam was a rather battered wooden building which had been not long before, the Village Light Plant, but which now stood vacant. This plant was owned by J.H. "Ham" Kingsley who lived where the Jenter Funeral Home now is. His water powered generator provided the town with electricity for some years but he not long before, had sold it to Consumers Power Company who had franchises in the surrounding areas, and the plant now stood idle.

Along about this time, A.B. Cohen of Jackson leased the building and installed therein several automatic screw machines and with several employees turned out nuts and bolts. The establishment was familiarly known as Abe Cohen's Nut Factory.

About this time Henry Ford was buying land in Sharon, Saline and Macon and water powered mills in various southern Michigan locations. Soon afterwards if you will remember, he grew soy beans in Sharon and took them to the mill at Saline where they were processed and their oil used for paint for Ford cars.

I remember vividly, meeting a rather non-descriptive gentleman standing on the bridge in downtown Manchester one summer day who talked to me at some length about the town and smiled when I told him that it was a very good little place to reside. He sported a non-descriptive hat, and wore a tattered gray tweed suit which I am sure, had never been pressed, but he was a very interesting visitor, telling me of the possibilities for the use of water powered small factories and the glories of living in America's rural heartland. I kept thinking that I had seen his face somewhere but I didn't want to appear any more stupid than usual so I kept rather quiet for quite a few minutes, but my curiosity got the best of me and I innocently asked, "What is your name, I can't seem to remember it?" And he looked up with a half grin and replied casually, "Why I'm Henry Ford. I'm glad to meet you." And he went on for some minutes expounding his theory for making use of our natural resources. Perhaps he should be around nowadays.

GIRL SCOUT WEEK

Manchester has a very good start toward fulfilling Juliette Low's dream. Approximately 116 girls are registered in the Girl Scout program in our community. About thirty adults are also registered scouts, guiding and helping the girls in their troops to be happy and resourceful people in the World of Today and Tomorrow.
Sunday, March 11th many girls will wear their Girl Scout uniforms to the churches of their choice.
All during Girl Scout Week girls will be selling cookies to help themselves and others raise funds for new program ideas within the troops.
In all our celebration, Girl Scouts cannot forget the enthusiastic support the community of Manchester is giving.

While this building was being constructed, Manchester saw its first picket. They were strange animals to the local folks who, at that time had very little sympathy for strikes and unions and pickets. Many of them at that time believed that all labor problems could be settled by personnel contact, by man to man discussions and friendly arbitration. They had had no contact with big business nor big unions.
But one morning there appeared, pacing up and down in front of the plant being constructed, a picketer carrying a sign "Unfair to organize labor". Investigation showed that the contractor who was erecting the building, had been accused of hiring non union labor but that when told about it had invited the protesters to "go jump in the pond". The union didn't care for this attitude so they designated a picket who faithfully marched up and down in front of the construction site.

This addition to our town was discussed at length and lo and behold the next morning, as the picket arrived to resume his pacing, a couple of dozen farmers and businessmen gathered to observe his actions as he walked back and forth. He walked to the east end of his beat then turned and walked back towards town where the group stood watching him. As he
