## New Owners For Local Company

L - R: Richard Govan, Clarence Fielder, Ted Stautz, Eugene Bentschneider and Wayne Hamilton

Announcement has been made that the Manchester Stamping Corporation has been sold to Wayne T. Hamilton of Cleveland, Ohio and Richard G. Govan of Detroit, Michigan, by its founders Theodore Stautz, Clarence Fielder and Eugene Bentschneider. Both Hamilton and Govan have had extensive experience in the stamping industry in Cleveland and in Detroit.

Hamilton is president of the new organization and he and his wife will reside here where he has purchased a home while Mr. Govan lives in West Bloomfield, and he will act as sales representative from that location. Mr. Stautz will remain with the company as manager of plant operations. The operation now has 19 employees but it is hoped that more will be added in the near future.

## Bloodmobile Sets New Record

The Red Cross Bloodmobile on Monday broke all records for the area. 210 pints were given - the last record was 191 222 men and women came to the clinic which had a registration of 230. Details next week.

## 20th Century Club

Twenty two members of the Twentieth Century Club met at the home of Maxine Widmayer on the evening of March 20th. This being "fun night" the business meeting was omitted. Four cars accommodated the members for a "mystery ride" to the destination in Jackson. Refusing to count calories all indulged in tasty sweets and spicy conversation. After a pleasant evening the group was homeward bound.

## Shakespeare Club

The Shakespeare Reading Club met on Tuesday, March 20 at the home of Mrs. Norman Buckholtz. The program of the day was "Show and Tell" and many very interesting items were displayed by the members. There were opium smokers from Persia, linens from Costa Rica, fans from Spain, white coral from Hawaii, jewelry from Africa and needlework from various countries.

The next regular meeting will be held on Tuesday, April 3 at Emanuel Church Hall at 10 A.M. This meeting will be a charity service day and lap robes will be made for cedar Knoll Nursing Home. Reservations for lunch have been made with the Senior Citizens group for a 12 Noon luncheon. Members are asked to bring material for lap robes and sewing equipment.

**MARCH**  
**29-30-31**

John Olsen will have the title role of the guileless hero and Maureen Zsenyuk/Vanessa Ames will play his innocent but persistent pursuer, Daisy Mae, in the musical comedy "Lil Abner," which opens this week Thursday at the Manchester High School Auditorium for three nights Thursday, Friday and Saturday, March 29, 30 and 31, 1979. The tuneful hit, written by Norman Panama and Melvin Frank from the celebrated cartoon strip by Al Capp, with a delightful score by Johnny Mercer and Gene de Paul (the tunesmiths for "Seven Brides for Seven Brothers") ran for close to 700 performances on Broadway from 1956 through 1968.

The melodic and hilarious hit concerns the citizens of Dogpatch, U.S.A., when the powers-that-be in Washington decide that their mountain community is the most unnecessary town in the nation, and therefore the perfect site for atomic bomb tests. Only proof that Dogpatch does produce something useful can save the Yokums and the Scraggs from eviction. When Mamma Yokum comes forth with that proof, Dogpatch citizens breathe a sigh of relief.

Lil Abner is taken off to Washington for the cause of Dogpatch; General Bullmoose, the crafty politician, with the aid of the alluring Appassionata Von Climax and the hypnotic Evil Eye Fleagle of the Double Whammy fame tries to get even more power by controlling Abner. Mamma and Pappy get wind of General Bullmoose's plot, and the entire population of Dogpatch invades the capitol city to rescue Abner.

The Mercer-de Paul score is filled with hits such as "Namey You," "If I Had My Druthers," "Love in a Home," and such hilarious foot-stomps as "Progress is the Root of All Evil," "Oh, Happy Day" (a scientists dream of a conveyor-belt future), "The Country's in the Very Best of Hands" and "Jubilant T. Cornpone."

Wayne Ferrigan has directed the production, and Kim Bristle has choreographed the dances. The 34 member cast also includes Joan Schaub/Stephanie Daubner as the rough-and-ready Mamma Yokum, Kevin Krzyzaniak as her lovable but dominated husband, Pappy Yokum. Kim Bristle will be seen as Moonbeam McSwine, the pig-loving mountain girl, and in the many other character rolls are Eric Duncan, Rick Chapin, Mike Ball, Matt Vasoff, Tony Day, Stanley Kuebler, Pam Martin, Jeff Pieske, Mary Heimerdinger, Diana Porter, Hazel Janish, Gary Daniels, Bill Hagerman, Steve Eversole, Mary Tobias, Debbie Clark, Carol Schauble, Teresa Seagert, Joanne Stierle, Becky Opal, Karla Taurainen, Pauline Kuebler, Kelly Gotts, Carolyn Schwab, Cathy Tobias and Brian McCully. Stage Manager for the show will be Kathy Gotts, and the producer has been Lois Kuntz. Tickets are available from any member of the cast, Krauss Pharmacy, the Calico Cat Book and Gift Shoppe and at the door the evenings of the performances. Show time is 8:00 P.M. See you there!!!

## Optimist Club Outstanding Student

Eugene Bentschneider, Kurt and Mrs. Clark Norgaard has been named winner of the Optimist Club Outstanding Citizen Award for March. Kurt, the son of Mr. and Mrs. Clark Norgaard of 10989 Watkins Road, is a member of Manchester High School's senior class. While in high school, he has been a member of the track and cross country teams for four years, a National Honor Society member and participated in FFA activities. Kurt intends to enroll at Spring Arbor College in the fall. His present plans call for majoring in agricultural engineering.

### Letters To The Editor

In as much as there has been very little publicity on the upcoming election in Washtenaw County for a Building Program by the Washtenaw Community College. I wish to ask all of the registered voters in this area to go to the polls on April 2nd and cast a ballot against such a Building Program. Most tax payers are complaining about their property taxes and this is an opportunity to show their displeasure. A NO vote on April 2nd will show those who would spend our money at their own whims that the tax payers are fed up with spending.

Sincerely,  
Herbert G. Jacob

Dear Editor,

This letter concerns Manchester High School. We are a few students of M.H.S. and we believe that this school can be helped. "What is wrong with it?" you say. For those of you who don't know, vandalism, robbery, and harassing other students. We think that if the students got together, we could make this a place for excitement, not a place that people can't wait to get out of.

The bathrooms are DISGUSTING, they have just been abused terribly. But if the kids don't care then nobody should really bother to clean them up. If the people want clean bathrooms, they know how to keep

them clean.  
Robbery is another thing. The worst kind is when somebody steals something out of your locker. If someone doesn't have a lock on their locker you can't really do anything except go hungry or get a lock.  
Mr. Kappler is doing a good job, and the school has really shaped up alot since he came. Shipping has been cut down alot and the lunch program has gotten off to a good start. Maybe it took a long time, but it was really worth it. We believe that if the students of Manchester High really care about their school and have the kind of school pride that they should have, that they will pitch in and help bring this school to normal standards.

We think we can and so do alot of other parents, faculty and believe it or not, a lot of other students.

To the Editor,

On Monday, April 2, 1979 there will be a Work Session of the Manchester Board of Education. Presenting that evening will be Anita Todd, Ms. Todd has recently been hired by the County as our consultant for Academically Talented and Gifted Children.

Prior to her present position, she was employed for 5 years as Reading Consultant to the Dexter Schools. She is also one of a small number of professional educators in the State of Michigan who has received education specific to working with the

academically talented and gifted child.

Her responsibilities at the present time include:

1. providing consultant services to local School Districts.
2. inservicing local School Boards, Administrators, and teachers in program awareness, development of philosophy, identification of children who may be gifted, and development of curriculum to meet the needs of these children.
3. working with parents individually or collectively in how to go about identifying and meeting the needs of their own children.

We would like to strongly encourage any parents who are interested in the education of gifted children to attend this meeting and bring any questions with them.

## Community Lenten Service

The Adrian College Singers will present the Community Lenten Service Wednesday evening, April 4, at the Sharon United Methodist Church at 7:30 p.m.

The Adrian Singers is an exceptionally talented ensemble recognized for its strong rhythmic vitality and versatility in performance. Members are chosen by audition from the 80-member Adrian College Choir.

Under the direction of Dr. Art Jones, Music Department chairman, The Singers have performed for the enjoyment of approximately 60,000 people, including high school students in the United States and international audiences through a series of month-long European concert tours. The choir this year is comprised of 25 Adrian College students representing each class and many academic interests. They have just returned from their annual tour, their twelfth since the group was organized in 1968. Sharon Voegding of Manchester is a member of the group.

Following the evening's performance will be a Dessert Pot-luck. Bring a dessert cut in small size serving pieces so everyone can sample several different desserts. Beverages will be furnished.

Come and enjoy this talented group sing! There is plenty of room as the church can seat at least 175. This is the last in this year's series of community lenten services. A free will offering will be taken.

"My company cancelled my retirement plan, but thanks to Great Lakes Federal I'll be able to retire in fifteen years with \$593,036 plus Social Security."

That's right. John Tracy will have \$593,036 when he retires in 15 years. He was able to "roll over" the \$165,508 that had accumulated in his company plan into a tax deferred IRA retirement plan at Great Lakes Federal Savings. In addition he will put \$1,500 each year in an IRA plan until he retires in 15 years. With current interest of 8% per annum, 8.30% effective annual rate, his deposits will amount to \$45,180 and his \$165,508 will have grown to \$547,856 giving him a total of \$593,036.

You too can open an IRA tax deferred retirement account at Great Lakes Federal if your company should cancel your plan or if your company does not offer a tax deferred plan. You can deposit 15% of your earned income, up to a maximum of \$1,500, each year in your IRA account. You pay no income tax on these deposits until you begin making withdrawals after age 59½. And at this time your income tax rate probably will be considerably less. With the tax break you not only accumulate more, but you reduce your current income tax payments. And your money is insured to \$100,000.

With your account you receive a Retirement Account card which you can use when making deposits to your account and which entitles you to Travelers Checks and Money Orders free of charge. At the end of March, June, September and December you receive a detailed statement which describes each deposit to your account.

### YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX

That's right. You can open a 1978 IRA account or add funds to your present IRA account, up to your maximum for 1978 until April 15, 1979.

Federal regulations require a substantial interest penalty for early withdrawals.

The name and profession of the person in this ad is fictitious and solely an example of the benefits of a retirement account at Great Lakes Federal Savings.

## Community Education

The last weekend in March all area residents will receive a rabbit in the mail, the rabbit will be on the cover of the Spring Community Education brochure. Take a few minutes to look over the course offerings.

In addition to the major classes, many new offerings have been added, as well as the popular Spring programs from last year such as the jogging club, tennis, golf and volleyball. Because of the popularity of the dance classes, three new dance classes will be offered. The ladies may be interested in the cooking section, Mrs. Tien, a native of Peking, China will offer her outstanding class in Chinese cuisine. Mrs. Tien is noted for her cooking classes in Community Education classes in south-eastern Michigan. Because of several requests a Microwave cooking class will also be offered.

Registration will be held during the first two weeks of April. Community Education classes will start the week of April 23 and Washtenaw Community College classes the week of April 30.

Plan now on joining the more than 750 people who have participated in this years Community Education classes.

## Singles 25 And Up

If you enjoy dancing to good music, come and join the Tuesday Nite Singles at the American Legion Hall, Main Street, Ann Arbor, on April 3. Dance from Nine to Midnight to the music of Joe Wash. Refreshments are served.

## LEGAL NOTICE

Notice of Application for New Branch Bank

Notice is hereby given that Ann Arbor Bank & Trust Company, 101 South Main Street, Ann Arbor, Michigan has made application with the Federal Reserve Bank of Chicago for a new branch bank in the vicinity of M-52 and Sharon Valley Road, Manchester Township, Washtenaw County, Michigan 48158.

Any person who desired to protest the application must file a written notice of protest with the Federal Reserve Bank of Chicago, 230 South LaSalle Street, Chicago, Illinois 60690 and with the applicant not later than April 21, 1979.

This notice is published pursuant to the Rules of Procedure issued by the Board of Governors of the Federal Reserve System.  
Bruce Benner  
President & Chief Executive Officer

Can you believe a banker can worry if you aren't receiving all the interest monies due you? Well, it's true.

When one of our customers proudly tells me he (or she) has all this or all that in a regular savings account, I immediately suggest exploring our time savings programs.

We have structured increased interest programs on certificates of deposit for as little as three months.

That's right, you can leave your funds in the bank for as little as ninety days and draw extra interest monies.

Of course the longer you agree to leave your funds on deposit, the higher the interest return.

Federal law states you must forfeit three months interest and be paid the regular savings rate should you withdraw time savings prematurely. But, with proper planning, this shouldn't be a handicap.

Stop in, together let's see if we can't increase your savings interest earnings.

## Pleasant Lake School News

**Pleasant Lake Kindergartens**  
We have been learning about doctors, nurses, and hospitals. At our centers we worked in a doctor's office, learned the names of medical tools, learned that we need healthy food, plenty to drink, exercise and fresh air. We got to hear our own heart

beating. An ambulance came to our house and the drivers taught us a lot about ambulances. We even got to go in the ambulance. We're planning our trip to Chelsea Hospital this week.

**Pleasant Lake Second Grade**  
We are all planning to be Irish on Friday, we are wearing green and having a St. Patrick's day party. We have been decorating our room with leprechauns and shamrocks.

We have been having end of unit tests in reading. Many of us are going into new reading books.

In writing we are almost finished learning all of the alphabet in cursive.

**Pleasant Lake Third Grade-Mrs. Grantham**  
We made models of our mouth and teeth and hung them as mobiles from the lights. We made "smile" collages, too. Our "Teeth Unit" is a busy one.

In Metrics we finished the length section and are now studying area.

We finished our Phonics Book! Level 13 made posters with the names of everyone in our class and what these names mean.

We are studying Geometry, too. We made "Atair" designs in art.

**Pleasant Lake Fourth Grade**  
March 18th - 24th is National Wildlife Week. Because of this we are studying wildlife this week. We will be learning how animals live and what it means to be an endangered animal. There are posters of wildlife hung all around the halls at school.

In Social Studies we are learning about how people live in Alaska. We have learned how the people hunt whale and seal. They use the whole bone from the upper jaw as gum and rubber balls. We also thought it was neat that the sun shines for about 21 hours daily from May to September.

March winds are now here. They dry up the mud and make good kite flying weather. So far art, one day we made kites.

Tuesday, April 3, the menu will be: Tuna-Noodle Casserole, Vegetable, Fruit, Bread & Butter, Dessert, Coffee, Tea and Milk.

Thursday, April 5: Swiss Steak, Potatoes, Vegetable, Fruit, Bread & Butter, Coffee, Tea, and Milk.

The next Shopping Trip for Senior Citizens will be Monday, April 9, to the Jackson Mall. The bus leaves the Emanuel Church parking lot at 9:00 a.m. Call the church office 428-8359 or Mrs. Ray Kerr 428-7420 for reservations and information.

## Ypsilanti Regional Open House

When does friendship make the critical difference? When you are recovering from an emotional illness. When you're a patient in a psychiatric hospital. An opportunity to learn about volunteer

programs with hospitalized children and adults will be provided in an Open House and Tour, at Ypsilanti Regional Psychiatric Hospital on Thursday, April 5th beginning at 9:00 a.m.

Staff and volunteers will describe the Hospital services and needs in the morning, followed by a buffet lunch. A tour of the Hospital departments, including York Woods Center for children, will be provided in the afternoon.

Persons interested in the program, but unable to attend should call the Community Relations Department at 434-3400.

## HONORS LIST

Ferris State College has honored 1,861 students for scholastic excellence during the winter quarter by naming them to the Academic Honors List. Dr. Robert E. Ryan, Vice President for Academic Affairs, has announced.

To be named to the Academic Honors List, a student must earn at least a 3.25 average on a 4.0 basis and carry a full academic load. A full load is defined as 14 quarter hours of credit.

Jill E. Bruestle from Manchester has been named to the list.

## SHARON VALLEY 4-H CLUB

Heralding the beginning of the busy spring and summer 4-H season was the 1979 4-H Spring Achievement and Style Revue held at Chelsea High School on Saturday.

Many members of the Sharon Valley 4-H Club were active in the Personal Appearance, Woodcraft and Leathercraft Departments. Leading the flag pledges to begin the afternoon style revue was Kelly Boyd of Manchester along with Tammy Guenther.

Patty Fuller of Belleville received a "B" rating on construction of the dress she made. Karen Hansen and Susan Moessner, both of Manchester, were awarded "A" ratings in the construction of the dress pants they made. From Saline, Petra Moessner received an "A" rating for construction of the three piece dress ensemble she made. All four girls modeled their garments in the style revue.

In the Apprentice Division of Woodcraft, all exhibitors from the club received "A" rating. First year members were Shana Burke of Grass Lake, Patty Fuller of Belleville, Matt Mazurek of Ann Arbor, Susan Moessner and Rick Poet of Manchester. Second Year members were Mike Hurst of Grass Lake and Judi Poet of Manchester. Shana Burke was also awarded an honor ribbon and the Fingerie Award.

In the Handyman Division, members receiving "B" ratings were Dale and Roy Kuebler of Saline along with Rob Poet of Manchester.

The only exhibitor in the Craftsman Division was Petra Moessner of Saline. Petra received an "A" rating on a hand carved gun stock. She was also awarded an honor ribbon and the Fingerie Award.

In Leathercraft, Kelly Burke of Grass Lake, exhibiting for the first time in the Beginner class, received an "A" rating. Kelly also won an honor ribbon.

Under the Apprentice heading, Dawn Spiegelberg of Grass Lake was awarded an "A" rating.

Shana Burke of Grass Lake and Jeannan Wahl of Manchester exhibited their work in the Handyman Class. Both were given "A" ratings. Jeannan received an honor ribbon and her projects of a billfold and belt were selected as "best of show".

In the Craftsman Class, Teresa Spiegelberg of Grass Lake received an "A" rating and an honor ribbon. Cathy and Mary Tobias, also of Grass Lake, were given "B" ratings.

Giving demonstrations for the first time were Rick Poet of Manchester and Cathy Tobias of Grass Lake. Rick earned a "B" rating for his demonstration entitled, "Leather Lather", in which he showed how to clean his saddle. Cathy was awarded an "A" rating and an honor ribbon for her winning demonstration called, "String Along With Me", showing macrame skills. Much to her surprise, Cathy was awarded the top prize for demonstrations following the evening style revue.

The leaders of the Sharon Valley 4-H Club extend a well earned "well done" to all these young people.

## TRANSPORTATION POLICY OF MANCHESTER COMMUNITY SCHOOLS

### TRANSPORTATION SERVICES MANAGEMENT

The Transportation Program, under the general supervision of the Director of Auxiliary Services, shall be organized to provide school transportation services for eligible students based on safety, efficiency, adequacy, economy, and prevailing laws and regulations.

The following shall be taken into consideration in developing the school transportation system:

1. Every school bus ride in itself is a learning experience; noisy, chaotic bus rides will not be tolerated.
2. Certain rules and regulations pertaining to transportation of public school pupils in the State of Michigan have been established by the Michigan Department of Education and are compiled in bulletin No. 431. The following items are covered by policies of the Michigan Department of Education, which shall be strictly enforced:
  - a. qualifications for all transportation personnel,
  - b. specifications governing new school bus equipment,
  - c. maintenance of school buses,
  - d. vehicle operation,
  - e. responsibility of students and their parents.
3. Certain other driving regulations governing school buses are set forth in the General Motor Vehicle Laws of the State of Michigan, and shall be strictly adhered to.
4. The Board shall establish its school bus system to closely conform to or to exceed the minimum standards set forth by State and Federal Governments.

### STUDENT TRANSPORTATION MANAGEMENT

The Manchester Board of Education shall provide students of the School District with daily transportation to and from school, subject to the terms of the law and to the regulations of the State Department of Education [bulletin No. 431].

The Director of Auxiliary Services, working with the cooperation of the Principals and Bus Drivers, shall be responsible for scheduling all student bus transportation, including the determination of routes, bus stops, safety regulations, and other matters relating to the districts student transportation services.

In the preparation of bus routes and schedules, consideration shall be given to the following:

1. The most efficient use of buses in order to provide safe and economical transportation for pupils.
  2. The length of time a student must ride on the bus.
  3. The designation of bus stops to meet safety requirements of the State Board of Education.
- Bus routes and schedules shall be regularly reviewed during the school year, and may be revised if the safety of pupils is in question.

- Note: The Michigan Pupil Transportation Handbook contains legal provisions relating to the transportation of students; administrative regulations; standards for school bus drivers and substitutes; regulations regarding transportation of special education, vocational education, and non-public school students; regulations regarding mandatory school bus driver safety education; and numerous other topics. It is on file in the office of the Director of Auxiliary Services.

### BUS DRIVER EXAMINATION AND TRAINING

The laws of the State of Michigan set certain standards for the physical fitness, competence, experience, training, and proper licensing of school bus drivers. The Manchester Community Schools Board of Education directs the Superintendent and the Director of Auxiliary Services to ensure that these legal requirements, and the regulations set by the Michigan Department of Education, are strictly complied with.

Legal Reference: Michigan Vehicle Code [P.A. 300, 1949], Secs. 365 through 370 [D]; 811 through 812; Michigan Department of Education, Pupil Transportation Handbook, [Bulletin No. 431].

### STUDENT CONDUCT ON SCHOOL BUSES

While the law permits the school district to furnish transportation; parents are responsible for the behavior and safety of children while walking to and from school, at an authorized bus stop and when riding vehicles other than school buses to and from school.

Because a bus is an extension of the classroom, the Board shall require children to conduct themselves in the bus in a manner consistent with established standards for classroom behavior.

The Bus Driver shall be responsible for behavior and the safety of children author-

### WALKERS AND RIDERS

Since the Board of Education of the Manchester Community School District wishes to do everything within its power to serve the children of the district, it shall

provide transportation under regulations of the State Department of Education, and shall seek to operate in such a way as to qualify for the maximum state reimbursement.

Only students who live more than ONE-HALF MILE from the school they attend shall be eligible for bus transportation. Transportation may be furnished for shorter distances if, in the opinion of the Director of Auxiliary Services the road is unreasonably hazardous relative to the age of the child concerned.

Students may be required to walk some distance to a bus stop, as required by state regulations; transportation will not be a door-to-door "taxi" of convenience.

Secondary students (Grades 5-12) can be expected to walk up to ONE-HALF MILE to the main line of travel of the established bus route. Elementary students (grades K-4) can be expected to walk up to ONE-QUARTER MILE to the main line of travel of the established bus route. If the Director of Auxiliary Services determines that this policy presents unusual hardship or safety hazards for a student, exceptions may be considered, subject to the approval of the Superintendent and the Board of Education Transportation Committee.

There will be a maximum of four stops per mile and the distance between stops shall be a minimum of 500 feet.

References: General School Laws, 380-141; 380.1336 Michigan State Aid Act, Ch. 7, Sec. 71.

### SCHOOL BUS SAFETY PROGRAM

The safe transportation of district students to and from school shall be of primary concern to school officials in the administration of the school bus program. All state laws and regulations pertaining to the safe use of school buses shall be observed by drivers, students, and district personnel.

The Director of Auxiliary Services, in cooperation with the principals, shall have the responsibility of developing and publishing safety rules to be followed by drivers and passengers, including rules of student conduct during transportation.

All buses and other vehicles owned and operated by the Manchester Community School District shall be inspected for safety by the assigned driver daily. The school buses shall have a periodic vehicle inspection and shall be serviced regularly by the mechanic. The Head Mechanic shall maintain a comprehensive record of all maintenance performed on each vehicle.

Every bus driver is required to report promptly any school bus accident involving death, injury, or property damage. All accidents regardless of damage involved, must be reported at once to the Director of Auxiliary Services.

### USE OF PRIVATE VEHICLES FOR ACADEMIC FIELD TRIPS

The safety and welfare of students shall be the first consideration in scheduling private transportation for school events. To safeguard the students, the following policy shall be observed:

1. To use a private vehicle for school purposes, the driver must have the written permission of the building principal. This permit shall state the purpose of the field trip and the number of students involved.
2. For all trips, a signed permission form from the parent must be obtained for each student in advance of the trip.
3. Prior to granting approval the principal must take into consideration the health and driving ability of the driver and the condition of the automobile.
4. The Board specifically forbids any parent to transport students for school purposes without prior authorization of the building principal.
5. Standards of student conduct on private

shall be considered, with established standards for school bus conduct.

6. No student shall be sent on school errands with his or her own automobile, an employee's automobile, or a district owned automobile.

Legal Reference: Michigan Department of Education, Pupil Transportation Handbook, [bulletin, 431].

### SPECIAL USE OF SCHOOL BUSES

The Board recognizes the educational value of well-planned, carefully conducted educational trips, and realizes that such trips may require the transportation of large number of students. The Board therefore stipulates that school buses may be used as transportation for students instructional trips and extracurricular activities, in accordance with amounts budgeted for such purposes and subject to rules and regulations established by the Superintendent.

All arrangements for bus services for special trips, shall be made through the office of the Director of Auxiliary Services and the following general conditions shall be observed:

1. The Board delegates authority to the administration on requests for extracurricular usage in which the bus would return the same day. All students participating in field trips must ride to and from the destination on the bus.
2. Faculty sponsors must complete a "Request for School Bus" for all trips.
3. Only students enrolled in the Manchester Community School District grades 6-12 may ride spectator buses to extracurricular events. Buses will be provided, at the discretion of school administrators, for varsity football and basketball games. Students riding spectator buses to an extracurricular event must return to the point of origin on the same bus, unless otherwise authorized by the bus driver in charge upon presentation of parent's request.
4. All requests for transportation not listed above will be referred to the Board for a decision. This includes requests for overnight trips.

Legal Reference: General School Laws, 380.1331-1332.

### SUPPORT SERVICES

Student Transportation in Private Vehicles

The Superintendent or his designee is authorized to approve the use of private vehicles for special activities when the vehicle is covered under the non-ownership liability protection afforded by the Board.

The Board may contract for transportation by private cars\* for transportation of school children of the district whenever the Board determines that the cost is excessive for transportation by bus of children living in locations isolated from their school.

Board allowances for private car transportation shall be actual cost but no more than allowances specified by the state rules.

Reference: Michigan Public Transportation Handbook, Page 49, Paragraph 4.

\*Private car is a privately owned vehicle with a passenger capacity of 11 pupils or less.

### STUDENT TRANSPORTATION INSURANCE

The Board of Education shall purchase liability insurance coverage for the vehicles owned and operated by the school system, as well as for non-ownership vehicles used for school transportation. The administration shall develop the specifications, and seek bids from insurance agents to provide the desired insurance coverage.

No bus or other vehicle shall be used to transport students or other members of the community to and from school, or to any extra-curricular or other function, without proof that the vehicle is covered by liability insurance.

Legal Reference: General School Laws, 380.1321; 380.1332.

### SCHOOL OWNED VEHICLES [other than buses]

The Board of Education recognizes the necessity for district owned vehicles to provide for the special transportation for students and staff, driver-training, and the transportation of supplies and equipment.

The Superintendent shall authorize the extent to which district owned cars may be used for official school business. Such cars shall not be used for personal purposes unless expressly approved by the Board.

### SUPPORT SERVICES

Public Carriers

The Board authorizes the use of public carriers in those instances where it is deemed advisable by the Superintendent or his designee.

### Paying for Bus Trip Transportation

The Board referencing Act #14 of the P.A. of 1974, permits the Superintendent to set a fee charge for students it transports to ride the district buses to attend non-mandatory and/or non-credit events by following the guidelines of the State Department of Education.

Chargeable fees shall be determined by following the rules as developed by the State Board of Education and based upon the maximum allowable charge.

Further, students are not to be excluded from being transported if unable to pay the charge. Guidelines are to be submitted annually, for information, following, as soon as is practicable, action taken by the State Department of Education.

### USE OF SCHOOL BUSES BY SENIOR CITIZEN GROUPS

The general philosophy of the Board of Education is that transportation equipment purchased by the school district is to be used primarily for school purposes, and that taxpayers shall not be expected to subsidize busing equipment or personnel for other groups.

However, it is the policy of the Board to permit the use of a school bus not needed for school purposes by an organization or group composed of citizens 60 years of age or older, provided that no suitable or economically feasible private transportation is available and provided that such use does not impair the school district's own transportation services. As permitted by law, groups are expected to pay the actual costs involved in the use of school-owned transportation equipment, unless the Board allows otherwise.

Non-scheduled use of school transportation equipment shall not be intermingled with student transportation, nor shall it interfere with:

1. Student transportation to, from, or between schools.
2. Student transportation for school activities and functions.
3. Emergency transportation for students.
4. Time required for maintenance and service of equipment.
5. Provision of standby equipment for school purposes.

Regulations for senior citizens use of school transportation equipment shall be developed by the administration and approved by the Board of Education.

Legal Reference: General School Laws, 380.1333.

### Board of Education Minutes

These are the proposed minutes of the March 19, 1979, Board of Education meeting. They are not official until approved at the next regular meeting, along with any corrections made by the Board.

Moved by Kensler that a check in the amount of \$105.46 be issued to the Union Savings Bank for an additional 2 days interest on the Tax Anticipation Note now due. Supported by Horning. Yeas: Bunney, Horning, Walkowe, Macomber, Kensler and

Mick. Nays -0. Motion carried.

Annual Election: Superintendent Masten reported that the Annual Election would be held on June 11, 1979. The polls will be open from 7:00 A.M. to 8:00 P.M. There are 2, four year terms on the Board of Education. Nominating petitions are available in the Board Office and must be filed no later than April 9, 1979 at 4:00 P.M. at the Board office.

Washtenaw Intermediate School District will have a proposed bond issue - that each district in the county will vote on to add to and remodel the Esterbrook School in Ypsilanti to house the physically handicapped children in the County.

Hot Lunch Program: Mr. McGuire gave a report on the Hot Lunch Program indicating the number of people served and the estimated cost to the district. Approximately 50% of the students are participating. The costs are approximately \$65.00 in excess of revenues each day.

Board Member Curley entered at 8:30 P.M.

Financial Report-Internal & School Service: Internal: January 31 balance \$43,937.71. February receipts \$7,923.13. February disbursements \$9,858.71. February 28th balance \$42,002.12. School Service including Athletics: \$7,754.37.

Fencing Project: Moved by Kensler to approve the fencing project by the Athletic Boosters as submitted. Supported by Bunney. Yeas: Bunney, Horning, Kensler, Curley, Macomber and Mick. Nays -0. Motion carried.

Transportation Policy: Moved by Bunney that the proposed Transportation Policy be considered at this meeting and that it be published in the Manchester Enterprise prior to final consideration at the April Meeting. Supported by Horning. Yeas: Bunney, Curley, Horning, Walkowe, Macomber, Kensler and Mick. Nays -0. Motion carried.

Loretta Vogel's Complaint: Moved by Kensler that Loretta Vogel be paid at the new established rate for Volleyball coaching and the established amount for Athletic Director duties in the amount of \$997.00. Supported by Walkowe. Yeas: Walkowe, Bunney, Curley, Horning, Kensler, Macomber and Mick. Nays: -0. Motion carried.

Board Approval of Employed Custodians: After a discussion it was moved by Kensler that the employment of the following custodial help previously employed by the

Superintendent or his designee be approved: Berlin Spencer, Debbie Blossom, Tom Smith, Lynn Smith, Don Hagerman, Garth Derk and Joan Walkowe. Supported by Curley. Yeas: Kensler, Walkowe, Bunney, Curley, Horning and Mick. Nays: Macomber. Motion carried.

Consideration to Employ a Fulltime Custodian: Moved by Kensler that an additional fulltime custodian be employed at the high school. Supported by Bunney. Yeas: Bunney, Curley, Horning, Kensler, Walkowe, Macomber and Mick. Nays: -0. Motion carried.

Easement Request: Moved by Horning that the request for a driveway easement on the north side of the Nellie Ackerson building be denied. Supported by Walkowe. Yeas: Macomber, Walkowe, Curley, Bunney, Horning, Kensler and Mick. Nays -0. Motion carried.

Immunization Survey: Moved by Kensler that Pat Settles, a Registered Nurse be contracted to record the technical data concerning immunization of students as required by the State Health Department. Supported by Curley. Yeas: Curley, Kensler, Horning, Bunney, Walkowe, Macomber and Mick. Nays -0. Motion carried.

Tuition Rate: Moved by Horning that the tuition for non-resident students for the 1978-79 school year be established at \$95.66 for elementary students and \$119.01 for secondary students. Supported by Walkowe. Yeas: Horning, Curley, Bunney, Kensler, Walkowe, Macomber and Mick. Nays: -0. Motion carried.

Transportation: Mr. Macomber expressed a concern over the cost of maintaining school owned buses. He recommended that a complete record be kept on each individual bus and a report be made

periodically to the Board.

Board of Education Members and the Superintendent did not agree that the buses are misused. Consensus was that any change in procedures concerning the buses would be recommended by the bus committee.

Regular Meeting Date Changed: Moved by Kensler that the regular meeting of the Board of Education scheduled for April 15th, 1979, be scheduled for April 23rd, 1979, and notice of this change be published in the Manchester Enterprise. Supported by Bunney. Yeas: Horning, Curley, Bunney, Kensler, Walkowe, Macomber and Mick. Nays: -0. Motion carried.

Discussion on negotiations: Moved by Walkowe that the Board of Education go into executive session to discuss future negotiations with Bus Drivers and the Manchester Education Association. Supported by Kensler. Yeas: Horning, Curley, Bunney, Kensler, Walkowe, Macomber and Mick. Nays: -0. Motion carried.

The Manchester Board of Education convened in executive session in the Board Offices at 10:00 P.M.

The Board of Education reconvened into open session at 10:20 P.M.

Moved by Horning that the meeting be adjourned. Supported by Walkowe. Yeas: Horning, Curley, Bunney, Kensler, Walkowe, Macomber and Mick. Nays -0. Motion carried.

Meeting adjourned at 10:30 P.M. Respectfully submitted, Helen J. Kensler, Secretary Board of Education

## Chicken Broil 1979!!

by C. Chapin

Chicken Broil time, coming closer, moving along, cranking up, getting into gear, smoothly, well oiled, the machinery is in motion.

Each year on the twentieth of July for twenty six years now, the various committee heads begin to think of plans for the next one. The bones may ache, the sleep was slim, exhaustion near but the successful day is done, and it's time to begin again. Successful is a mildly understated but accurate description of this day of days for our town. Five hundred and fifty volunteers, serving eleven thousand dinners in four hours with less than a fifteen minute wait staggers the imagination, and

gives a glow of pride to all the community. Chairman Gene Bentschneider holds the reins of this magnificent parade of cooperation and informs us that the price of the dinner has not been raised. Same like last year and that's the best buy you'll find.

Such a lot to be proud of, all through the year they are planning and working, these men of our town. Chairs must be rented, the Red Cross contacted, the local Police and the County Sheriff's department always help. Decisions to be made as to what will most benefit the community, the Optimist Club, having founded this affair, has given some seventy five thousand dollars to the community through the efforts of this annual affair.

We have become famous in our fashion. Our favorite Guests, Bud and Betty are always present. Last year Governor Milliken was here, Carl Cederburg, Howard Heath, Fat Bob Taylor the Singing Plumber, and all the thousands who simply come for the good food and smiling welcome.

Our newest addition and very popular is the horse and buggy transportation from the parking lots to the Athletic field where dinner is served. They'll be here again folks, with Wendell Reinhart, Wagon Master clucking the horses along.

So this is your first alert. July 19th is the BIG DAY. Please come and enjoy.

### Manchester Area Historical Society

The Manchester Area Historical Society met at the Emanuel Church Hall on March 28 with Mr. Herbert Bartlett of Saline as guest speaker.

Mr. Bartlett is a retired Civil Engineer who has surveyed and done considerable research of the Sauk Trail. He displayed several interesting maps and told of the history of the Trail, from Canada, across the State of Michigan on thru Illinois and further thru the Midwest. He reviewed the work done by Jane Palmer, former Manchester Librarian and showed the maps drawn to Miss Palmer's specifications by Miss Helene Rosecrants, former Music Teacher in the Manchester Schools.

Miss Palmer's material has been placed on file in the Bentley Memorial Library at Ann Arbor.

### Attention

If you did not receive a copy of the Spring Community Education brochure you may pick one up at most area business places or at the high school. Registration is from April 2 thru the 13th.

## Bloodmobile Sets New Record 210 Pints

The 210 pint record-breaking Bloodmobile in Manchester on March 20 was hosted by the American Legion Emil Jacob Post #117 at their new hall. 222 people attended out of 230 registered. There were many "walk-ins" who were easily served by the five unit set-up which the professional staff from Southeastern Michigan Red Cross Blood Center had planned to meet the registration needs.

A four-gallon donor, Jerry Kirk, received his pin for 32 successful trips to a Red Cross Bloodmobile. Two-gallon pins were given to Larry Goodell and Charles Finn. Eight one-gallon donors names were added to the "Honor Roll": Mrs. Alberta Fox, James Fielder, Roger Boatman, Michael Hughes, Donald Loveland, Mrs. Marjorie Lozier, Jack T. Lockridge, and George Daubner. The "Honor Roll" now boasts 177 names of men and women who live or work in the area who have given a gallon or more to the Red Cross Blood Program since 1958. There are 6 four-gallon donors in this number.

Besides the professional staff of Registered Nurses and technicians there were 38 local volunteers who helped keep the clinic working smoothly. Mrs. Robert Little was in charge of the event and Mrs. Ica Schaffer assisted with the scheduling and was prescriber.

Registrars were Mrs. LeRoy Knickerbocker, Mrs. Gerald Bordine, Mrs. Norman MacLeod and Mrs. Michael Spensely. Nurses aides at the pack table were Mrs. Ralph England, Mrs. James Pratt and Miss Agnes Kent, and escorts were Mrs. Ray Uphaus, Mrs. Melvin Mahrle, Mrs. Charles McConnell with Mrs. Spensely and Mrs. Harold Flint assisting when needed.

Registered Nurses for medical history included Mrs. Stanton Roesch, Mrs. Floyd Parr and Mrs. Harold Settles; and for observers at the Canteen: Mrs. Alvin Kappler, Mrs. Aaron Nathan and her sister Mrs. Gura an RN from Washington, D.C. who had her first glimpse of the Red Cross in action in a small town.

The Canteen which was furnished by the Manchester United Methodist Church was staffed by Mrs. Ray Kerr, Mrs. Jean Sanders, Mrs. Alvin Baer, Mrs. Ernest Ridge, Mrs. Gerald Post, Mrs. Ronald Ahrens and Mrs. Harold Flint.

The two local doctors were on call at their offices all afternoon: Dr. W.P. Purfield and Dr. C.S. Hwang.

The American Legion Auxiliary furnished the orange juice for the donors and the Post furnished the coffee for the staff. Nursery attendants for donors children were: Mrs. David Bunn, Mrs. Charles King, Mrs. Lauren Bertke, Mrs. Gary Stautz and Mrs. Janet McCully.

"Shuttle-bus" drivers for Double A Products were Edward Galloway, Edward Kirk and Norman Mollenkopf. 71 men and women came from Double A, 65 of whom were donors. This was a record in itself! Hoover-Universal, Manchester Tool and Die, Manchester Stamping Corporation and Manchester Plastics all supported the clinic equally well according to the number employed at each company.

The area churches did an outstanding job of recruiting with all having over fifty percent of their quota for the year. St. Mary's Catholic Church led with 37 attending and 35 pints donated. The Manchester Methodist United Church had 30 attending with 27 of them donors. Emanuel United Church of Christ had 17 attending and 15 pints donated. There were 10 donors for North Sharon Bible Church, 5 for Zion Lutheran Church, 8 for Bethel United

Church of Christ, 2 for Sharon United Methodist and 2 for Iron Creek Community.

Since blood is available to all at the 8 hospitals in the area according to the new Red Cross contract with all 85 hospitals in the Southeastern Michigan District, it is not necessary to have blood released from your Blood Club or to send donors to the hospital. The Clubs and the Red Cross automatically

### IN RETROSPECT

One of our readers tells me that one feature about the twenties and thirties that we hadn't touched on was a little mention of the Ginnivan Shows which, with their tent and their musical interludes and their personnel which varied not a great deal from year to year, was a feature of the summer season in Manchester when they came to spend a week with us.

I don't remember when they first came to town but it must have been in the early twenties. The Ginnivans who operated the show lived in Indiana and in early summer set forth to tour southern Michigan and northern Indiana, stopping a week at each location to present their plays and their vaudeville acts, to large audiences each night. The small towns seemed in those days, to be starved for entertainment.

After some years, Mrs. Ginnivan passed away and Norma Ginnivan carried on, presenting such high class dramas as "The Ole Homestead", "Aaron Slick From Pumpkin Creek", and others covering all the scope of drama and comedy between. Justice always triumphed and virtue was handsomely rewarded and the hero got the girl and the villain retreated, broken and beaten. And then too, the "vaudeville" acts between the acts was a feature not to be ignored.

For nearly fifty years these tent shows were a part of our life and we remember that the group always said that Manchester was one of their favorite spots where the audience was always large and appreciative.

Time finally caught up with this form of entertainment, or else we became, unfortunately, too sophisticated for these dramas and the participants including Norma Ginnivan became too old for this sort of endeavor and so the show vanished as a part of our life.

Three or four years ago a group of Albion College students prevailed upon Ginnivan's clown of many years who went by the name of "Toby" and who then lived in retirement in Jackson, to help them organize the tent theater again, which he did, and for a couple of years they followed the Ginnivan's trail. They managed to make enough money to survive and most of them had a wonderful time, but they graduated from college and drifted apart and the tent was folded, evidently for the last time.

We've been told that there is one such unit left that is very much alive and doing very well which travels to the small towns of central Iowa but I suppose that these prosperous farmers are more than we are here in southern Michigan. And then too there are near here more large towns with movie theaters and probably more pictures with XXX ratings but these will never take the place of the Ginnivan Shows where the heroine "pure as the driven snow" fought desperately for her virtue and was rescued in the nick of time by the hero who dispatched quickly and neatly the villain, and who then with the gal rode "into the setting sun" and they lived happily ever after.
