Chicken Broil 1979!!

by C. Chapin
Chicken Broil time, coming closer, moving along, cranking up, getting into gear, smoothly, well oiled, the machinery is in motion.

Each year on the twentieth of July for twenty six years now, the various committee heads begin to think of plans for the next one. The bones may ache, the sleep was slim, exhaustion near but the successful day is done, and it's time to begin again. Successful is a mildly understated but accurate description of this day of days for our town. Five hundred and fifty volunteers, serving eleven thousand dinners in four hours with less than a fifteen minute wait staggers the imagination, and gives a glow of pride to all the community.

Chairman Gene Bentschneider holds the reins of this magnificent parade of cooperation and informs us that the price of the dinner has not been raised. Same like last year and that's the best buy you'll find.

Such a lot to be proud of, all through the year they are planning and working, these men of our town. Chairs must be rented, the Red Cross contacted, the local Police and the County Sheriff's department always help. Decisions to be made as to what will most benefit the community, the Optimist Club, having founded this affair, has given some seventy five thousand dollars to the community through the efforts of this annual affair.

New Librarian Appointed

The Library Board of Trustees, with great pleasure introduces the new head librarian, Mrs. Joseph Szczygielski. Beverly is a graduate of Hamtramck High School and is presently taking courses at Eastern Michigan University. These courses are helpful in library work. Her past work experience covers a wide range of secretarial skills where attention to detail was necessary. The "behind the scene", day to day library routine requires such a background. When told that she was selected for the position Beverly said, "I hope I can do the job as well as Mary. It's a real challenge". With her enthusiasm and positive attitude we're sure she will meet the challenge easily. Mary Boutell, retiring librarian, will be assisting as needed through the summer.

The Board wishes to thank all those who applied for the position, for their time and interest in the library.

Community Education Reminder

Two Parent Education classes will be offered through Community Education and the Schools.
I. Tuesday evenings, April 17 - May 29, 7-9 p.m., Middle School. This class is geared to parents of children ages 11-17.
II. Wednesday mornings, April 18 - May 30, 9-11 a.m., Middle School. This class is geared to parents of children ages up to 11. The cost of the class is \$5.00, for purchase of the text. Classes will be held in the Middle School Student Services Room. Both parents are strongly encouraged to attend. For further information and to register, please call: Mr. Phil Mains 428-7804, Ms. Helen Feinberg 428-8163 or Ms. Barbara Lund 428-7442.

Manchester Area Historical Society

The Manchester Area Historical Society met at the Emanuel Church Hall on March 26 with Mr. Herbert Bartlett of Saline as guest speaker.
Mr. Bartlett is a retired Civil Engineer who has surveyed and done considerable research of the Sauk Trail. He displayed several interesting maps and told of the history of the Trail, from Canada, across the State of Michigan on thru Illinois and further thru the Midwest. He reviewed the work done by Jane Palmer, former Manchester Librarian and showed the maps drawn to Miss Palmer's specifications by Miss Helene Rosecrants, former Music Teacher in the Manchester Schools.
Miss Palmer's material has been placed on file in the Bentley Memorial Library at Ann Arbor.

The American Legion Auxiliary furnished the orange juice for the donors and the Post furnished the coffee for the staff. Nursery attendants for donors children were: Mrs. David Bunn, Mrs. Charles King, Mrs. Lauren Bertke, Mrs. Gary Stautz and Mrs. Janet McCully.
"Shuttle-bus" drivers for Double A Products were Edward Galloway, Edward Kirk and Norman Mollenkopf. 71 men and women came from Double A, 65 of whom were donors. This was a record in itself! Hoover-Universal, Manchester Tool and Die, Manchester Stamping Corporation and Manchester Plastics all supported the clinic equally well according to the number employed at each company.

The area churches did an outstanding job of recruiting with all having over fifty percent of their quota for the year. St. Mary's Catholic Church led with 37 attending and 35 pints donated. The Manchester Methodist United Church had 30 attending with 27 of them donors. Emanuel United Church of Christ had 17 attending and 15 pints donated. There were 10 donors for North Sharon Bible Church, 5 for Zion Lutheran Church, 8 for Bethel United

Attention

If you did not receive a copy of the Spring Community Education brochure you may pick one up at most area business places or at the high school. Registration is from April 2 thru the 13th.

Bloodmobile Sets New Record 210 Pints

The 210 pint record-breaking Bloodmobile in Manchester on March 20 was hosted by the American Legion Emil Jacob Post #117 at their new hall. 222 people attended out of 230 registered. There were many "walk-ins" who were easily served by the five unit set-up which the professional staff from Southeastern Michigan Red Cross Blood Center had planned to meet the registration needs.

Church of Christ, 2 for Sharon United Methodist and 2 for Iron Creek Community. Since blood is available to all at the 8 hospitals in the area according to the new Red Cross contract with all 85 hospitals in the Southeastern Michigan District, it is not necessary to have blood released from your Blood Club or to send donors to the hospital. IN RETROSPECT

One of our readers tells me that one feature about the twenties and thirties that we hadn't touched on was a little mention of the Ginnivan Shows which, with their tent and their musical interludes and their personnel which varied not a great deal from year to year, was a feature of the summer season in Manchester when they came to spend a week with us.

I don't remember when they first came to town but it must have been in the early twenties. The Ginnivans who operated the show lived in Indiana and in early summer set forth to tour southern Michigan and northern Indiana, stopping a week at each location to present their plays and their vaudeville acts, to large audiences each night. The small towns seemed in those days, to be starved for entertainment.

After some years, Mrs. Ginnivan passed away and Norma Ginnivan carried on, presenting such high class dramas as "The Ole Homestead", "Aaron Slick From Pumpkin Creek", and others covering all the scope of drama and comedy between. Justice always triumphed and virtue was handsomely rewarded and the hero got the girl and the villain retreated, broken and beaten. And then too, the "vaudeville" acts between the acts was a feature not to be ignored.

For nearly fifty years these tent shows were a part of our life and we remember that the group always said that Manchester was one of their favorite spots where the audience was always large and appreciative.

Time finally caught up with this form of entertainment, or else we became, unfortunately, too sophisticated for these dramas and the participants including Norma Ginnivan became too old for this sort of endeavor and so the show vanished as a part of our life.

Three or four years ago a group of Albion College students prevailed upon Ginnivan's clown of many years who went by the name of "Toby" and who then lived in retirement in Jackson, to help them organize the tent theater again, which he did, and for a couple of years they followed the Ginnivan's trail. They managed to make enough money to survive and most of them had a wonderful time, but they graduated from college and drifted apart and the tent was folded, evidently for the last time.

We've been told that there is one such unit left that is very much alive and doing very well which travels to the small towns of central Iowa but I suppose that these prosperous farmers are more than we are here in southern Michigan. And then too there are near here more large towns with movie theaters and probably more pictures with XXX ratings but these will never take the place of the Ginnivan Shows where the heroine "pure as the driven snow" fought desperately for her virtue and was rescued in the nick of time by the hero who dispatched quickly and neatly the villain, and who then with the gal rode "into the setting sun" and they lived happily ever after.

Jaycee Auxiliary Meeting

The March meeting of the Manchester Jaycee Auxiliary was held recently at the home of President Sandy King with Rita Julp as a guest. Barbara McConnell was installed as a new member.

Plans were made for the April Jaycee dinner meeting and the March 26th blood mobile nursery. Election of Officers will be in April and installation of new officers in May.

Several members will be traveling to Clinton to help celebrate the 5th Anniversary of the Clinton Chapter's installation.

On Saturday, April 7 the homemade Easter Candy sale will be held at the Union Savings Bank. Members signed up to participate at various workshops to make the different kinds of candies.

On April 21, the group will assemble at King's for an exciting treasure hunt social.

Several members plan to travel to Lansing in May to help support Sharon McGill from Clinton who is running for state president.

The next meeting will be the election of officers and progressive dinner on April 11.

Gentlemen:
 The Village of Manchester, in the southwest corner of Washtenaw County, is one of a very few remaining examples of "small town America." Due primarily to the fact that it does not lie on any major thoroughfare, Manchester has escaped the ravages of urban sprawl that have literally destroyed the majority of small towns in this country. Manchester is not, however, a "sleepy little town." It is a village that has to date channeled its growth into restoring and renovating existing structures. As a consequence, Manchester's sense of history and physical environment have been enhanced by growth. We the undersigned welcome the Ann Arbor Bank & Trust Company and the services it would offer our community. We do not welcome the building of a bank in Manchester Township when there are buildings and spaces available for development within the village

limits. It appears to us that by so doing you and your bank are opening the way for a "commercial strip" on M52 north of the village: the establishment of which would render Manchester no different than the vast majority of other small towns. We implore you to reconsider your plans to build a bank in the vicinity of Sharon Valley Road and M52 and join us in developing the downtown area so that future Americans will not have to travel to Disney World to see what a small town used to look like.

We would like very much to sit down and discuss this situation with you at your earliest convenience. Please contact Sue Bond, our spokesperson in Manchester at 428-7927 to arrange a time and place for this meeting.

Sincerely,
 Sue Bond and 70 others

Service News

An official at Chanute AFB, Ill., has announced the graduation of Airman Cindy R. Litteral from the U.S. Air Force's fire protection specialist course conducted by the Air Training Command.

Airman Litteral, daughter of Mr. and Mrs. John Litteral of 7804 Kothe Road, Manchester, Mich., is now trained to fight structural and aircraft fire and repair fire fighting equipment, and will serve at Peterson AFB, Colo. Completion of the course earned the individual credits towards an associate in applied science degree through the Community College of the Air Force.

The airman is a 1978 graduate of Manchester High School.

What's Happening in our Schools

KLAGER SCHOOL
 Mrs. Raus and Mr. Bartels fourth grade classes.

March has been a very eventful month for our fourth graders. We have finished up two social studies chapters, covering Nigeria and Saudi Arabia. We tried eating some dates, bananas, but no camel meat!

In science we were very lucky to attend an assembly featuring the owner of Ann Arbor Pet Supply who brought along some interesting examples of reptiles and a terachula. He showed us a 20 foot long python, 18" lizard, large turtle, and a scary spider. At the conclusion of his very interesting presentation, he allowed anyone who wished to come up and touch the big python.

We also celebrated St. Patrick's Day with our own Irish stew and green salad. Everyone contributed something from home and it tasted great!

Third Grade - Room 8
 We just finished our animal folders. We cut out pictures and glued them under the right headings - mammals, birds, reptiles, amphibians, fish, insects. We also did reports about wild animals.

Last week we went to Detroit to see the play "Annie" at the Fisher Theater. It was really good. This week we are working on a play of our own - "Peter Rabbit".

Mrs. Henry's Second Grade Class
 After 8 long weeks of practicing cursive writing, Mrs. Henry's second grade class is proud to say that they have mastered all 26

lower case and all 26 capitals. To celebrate this accomplishment, the class made pretzels into the shapes of the letters Friday afternoon. "My they are tasty!" was the response heard from many happy second graders. They also received an "official" certificate awarded to them for having completed learning cursive writing.

American Legion Auxiliary

The American Legion Auxiliary Unit 117 met on March 14. Mrs. Nancy Cooper a Special Olympics volunteer from the Washtenaw County Special Olympics program was the guest speaker. She showed films of the National Olympics for retarded children which were very interesting. The group voted a donation to this program.

Mrs. Edna Knauss, Americanism Chairman in connection with the Cub Scouts presented a new outside flag, donated by the Auxiliary to the Klager School at a special assembly on March 15.

The Rehabilitation Chairman reported that 12 scarfs and Mothers Day cards had been forwarded to the VA Hospital in Ann Arbor for the Mothers Day program which is sponsored by the Auxiliary Units in this area.

A donation was made to the Washtenaw County Medical Care Auxiliary.

The Good Cheer for the month will be Mrs. Rodney Hoeft.

The next meeting of the Unit will be held on Wednesday, April 11 at 7:30 P.M. at the Legion Home. Committee for April will be Mrs. Robert Popkey, Ms. Karen Jenter and Mrs. Ronald Jenter.

Record-Breaking Bloodmobile

take care of it now.

If you have any questions or need blood for your family outside the local area contact your committee (Mrs. Franklin M. Reek, Mrs. Roland Grossman or Mrs. Millard Uphaus) or call the Blood Coordinator at the Washtenaw County American Red Cross 971-5300. You can, in most

cases, have blood released to a distant location.

The Manchester Red Cross Blood Club has always been and still is based on the principal of free blood for every resident of the Manchester School District and for industry employees and all church members involved in the local collection program. There is as always a hospital charge for giving the blood or its components to a patient but never for Red Cross blood itself.

The next Bloodmobile in Manchester will be the third week in October—not on opening day of the pheasant season!

ATTENTION

The Woltz Studio representative will be at the Emanuel Church Hall on Thursday, April 5, 1979 from 2:00 p.m. to 6:30 p.m. with the children's pictures recently taken for publication.

There are many things to do besides walk. If you would like to help contact these people: Chairpeople, Bonita Kothe and Matt Donnellon; Recruitment, Jan Wiggard and Lucine Litteral; Pre-Registration, Bonita Kothe; Checkpoint People, Judy Walz; Checkpoint Snacks, Joyce Meade; Communications and Pick-Up, Gary Bondy; Community Involvement, Jim Mann; Awards and Prizes, Trisha Achtenberg; Welcoming Committee, Jan Wiggard; Registration on Saturday, Bonita Kothe; or Publicity in Clinton and Chelsea; Alice Rossettie.

On April 16, in the Emanuel Church upstairs meeting room, at 8 p.m., there will be a film meeting on the Walkathon, for all chairpeople, workers, and any other interested people. Please feel free to attend, and find out more about Walkathons.

Walkers are reminded to pick up registration forms in the school offices or at the State Farm Insurance office. Forms have been mailed to previous walkers, so they should be getting their sponsors now, if they are walking again. Sponsor sheets will be given to you when your registration

form is returned.

Let's have a good crowd this year and show people we care. Don't forget, Chelsea and Clinton Middle Schools have been asked to join us, so there will be plenty of competition.

Up Coming Sports

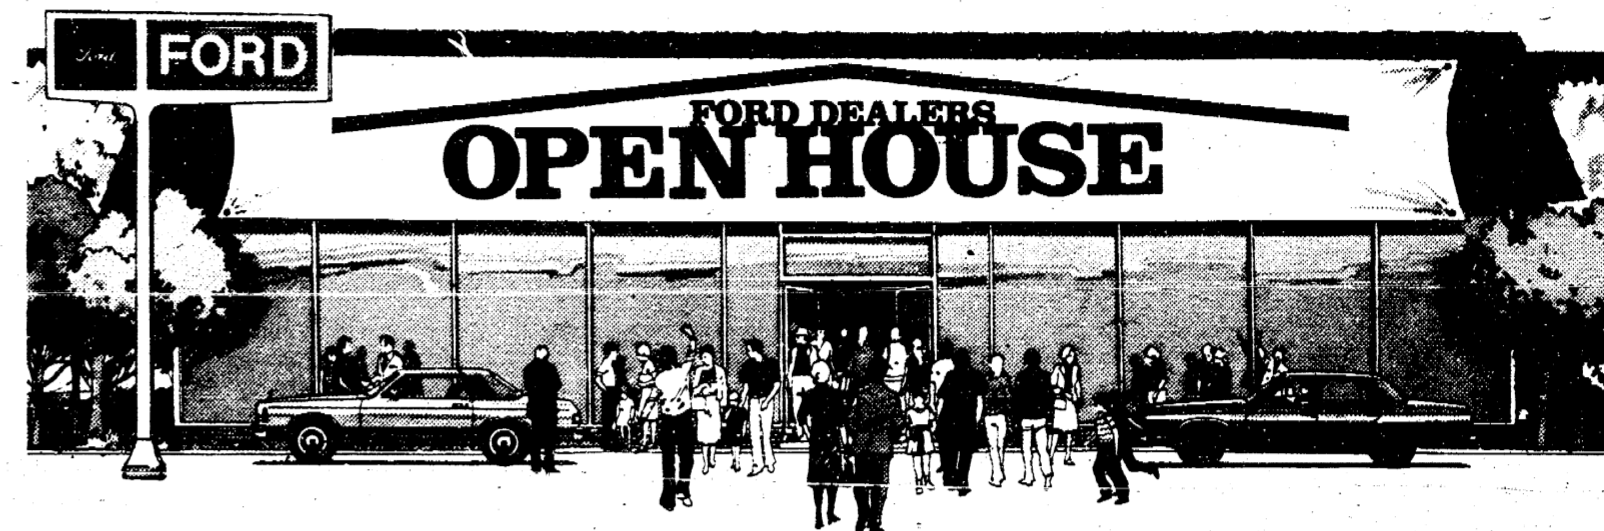

by Jon Hardenbergh

Now with the hint of warmer weather approaching the Dutch athletes don their baseball gloves while some grab their track shoes. The girls' Softball squad open their season against Grass Lake at our ball diamond Saturday at 11 a.m. as the boys trek to Grass Lake Saturday. The roles are reversed on Monday as we begin our league campaign with Clinton the opponent here for the boys' team and the girls travel there. April 10th is the starting date for our track squad as their on the road to Vandercook Lake.

Night On The Town

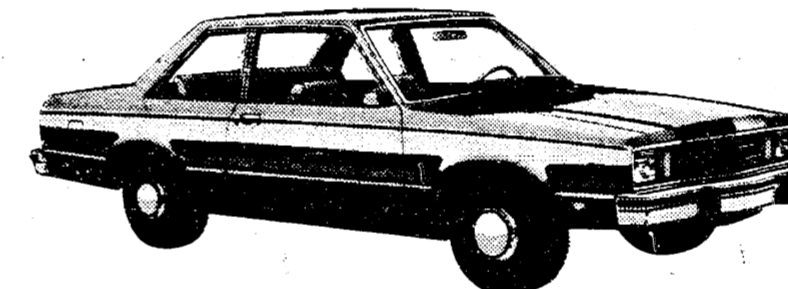

The Manchester Co-operative Nursery is sponsoring a Night on the Town Raffle. The donation is \$1 which gives you a chance to win dinner for two at the Bauernstube Restaurant with \$10 allowed for beverages and \$10 allowed for a babysitter and also a night at the Black Sheep Theatre. The drawing will be held on April 23 at 2:30 p.m.

Proceeds from the raffle will be used for the Nursery School Scholarship Fund. This fund enables deprived children to attend Nursery School.

Remember the biblical story of the talents? One lost his because he took too great a risk, another buried his in the ground and the third made a profit.

Look at your funds as your talents. While it may be better to take a chance and lose everything than it is to bury your talents in the ground, still it is better to put those talents to work for you.

This, in effect, is what a savings account at this bank is all about. You are never risking your funds, because you not only have the good name of this bank but F.D.I.C. insurance coverage as well.

You are not burying your money in our vault with no benefit to yourself...you are earning interest with your money. You are putting your talents to work, safely.

Why let day after day go by without using your talents to advantage? Isn't it about time you got serious about a savings account?

Saline High Selects Trouble Shooting Contestants

Four students from the automotive mechanics class at Saline High School, 7190 North Maple Road, Saline, Michigan 48176, have been chosen to represent the school at the first phase of the state championships for the annual Plymouth Trouble Shooting Contest.

The candidates, who were selected on the basis of their technical aptitude and scholastic achievements, are Todd Berger, 17, 611 Berger Drive, Saline, Paul Mahrie, 18, 11475 East Austin, Manchester, Jeffrey Elasser, 17, 197 Wallace Drive, Saline, and Tom Rossettie, 17, 8875 Chelsea Road, Manchester.

The first phase of the Trouble Shooting Contest, which consists of a written test on automotive technology, was held April 3, 1979, at regional locations throughout Michigan.

"Those who have a high score on this written test qualify for the mechanical competition at Troy on May 16," Automotive Instructor Greg Barcy explained.

"There, they are paired off in teams and are assigned new Plymouth cars, all with identical malfunctions deliberately installed. Teams race the clock and each other to restore their cars to proper operating conditions."

The top team at the state championship, he said, will represent Michigan at the

National Trouble Shooting Finals at the Indianapolis Motor Speedway, June 17-20. The contest brings together teams from all 50 states to match their knowledge and technical dexterity against each other.

At the National Finals, \$21,500 in scholarships are awarded to the top ten teams, including \$5,000 to the first-place finishers. The national champs also will be awarded expense-paid trips to Washington, D.C. and San Francisco, where they will compete against teams from Mexico and Canada for the North American title. During the year, the U.S. champions also will make appearances on behalf of Chrysler-Plymouth and its dealers to encourage students with mechanical aptitude to enter the challenging field of automotive service.

Since its inception in 1949, the Plymouth Trouble Shooting Contest has awarded 455 scholarships worth almost \$500,000. During that time, more than 28,000 participating students have been placed in full or part-time jobs as auto mechanics. Each year, about two-thirds of the entrants are offered jobs in the automobile business.

The National Association of Secondary School Principals has placed the Trouble Shooting program on its Approved list of National Contests and Activities.

Late League Golfers

There will be a meeting on April 5, 7:30 p.m. at the Manchester Legion Hall for Manchester Late League Golfers. Please attend for rule changes, etc.

United Way Annual Meeting

The Annual Meeting of the Manchester United Way was held Wednesday, March 28, at the F.M. Reck Library of the Manchester High School. Agency, industrial and organizational representatives were welcomed by President Clarence Fielder.

A gift was presented to Richard Z. Wolf, who successfully led the Manchester United Way to our 19th consecutive year of reaching campaign goal. Our drive netted 12% over campaign goal.

Special award tabs were presented to the following for 100% participation in the 1978-79 campaign: Chrysler Proving Grounds, Double A Products, Manchester Stamping Corp., Michigan Gas Storage and Manchester Tool & Die, Inc. A plaque and special award tab was awarded Klager Elementary School for their outstanding participation.

Excellent reports were given by the following agencies: Manchester Area Recreation, Manchester Family Service, American Red Cross, Cystic Fibrosis Foundation, The Salvation Army, Huron Valley Child Guidance Clinic, United Way of Michigan, Wolverine Council Boy Scouts, Child & Family Service of Washtenaw County, Catholic Social Services, Washenaw Assn. Retarded Citizens, Huron Valley Girl Scout Council and Manchester Senior Citizens Council. These agencies make up the total allocation of funds

collected in our Fall campaigns.

Four Board members were elected for 3-year terms. They are: James England, Mrs. Emory Garlick, John Sauter and Mrs. John Swainson. President Fielder welcomed new members and thanked retiring Board members: Robert Armentrout, Robert Lawson, Victor Mann and Mrs. Jean Wheeler for their many long hours and dedicated work.

The next meeting of the Board will be held on Wednesday, April 18 at the Manchester Township Library at 7:30 P.M.

Greenbriar Mixed Doubles Golfers

A meeting will be held at 7:30 p.m., April 20 at Greenbriar Golf Course for all couples interested in golfing on every other Friday and/or Sunday.

Don't Let Your Easter Gift Lay An Egg!

The American Veterinary Medical Association urges you not to give your children rabbits, chicks or ducks for Easter. Excitement and enthusiasm over the gift often result in broken legs and crushed wings.

The injury or death of the animal is a traumatic experience for the child. Animals that survive generally end up in an animal shelter. It is impossible to place them all. Many have to be destroyed.

The veterinarians remind parents that these are outdoor animals. They cannot be housebroken and may cause serious housekeeping and health problems. Public health authorities warn that children and adults in close contact with these animals may be exposed to salmonellosis, a severe gastro-intestinal infection. Salmonellosis is rarely fatal, but often requires medical treatment including hospitalization. Other pets as well as family members may become ill.

Because of the problems surrounding these animals, many communities have passed laws prohibiting the sale of rabbits, ducklings and chicks as pets.

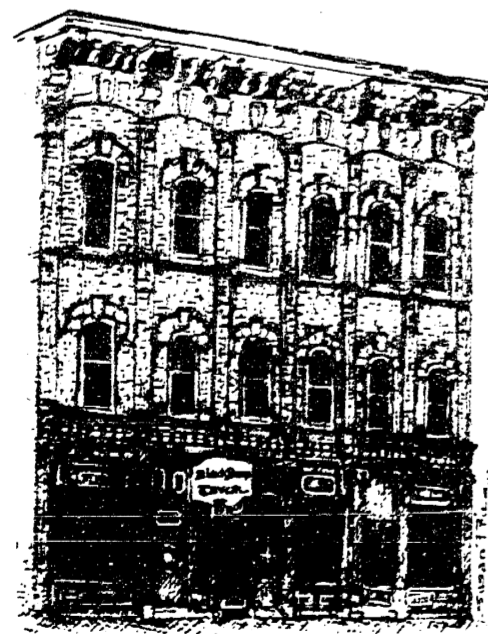

Easter and the coming of spring should be a time of joy and rebirth, not a period of physical illness, psychological trauma and the needless deaths of young animals. The American Veterinary Medical Association urges parents to leave rabbits, chicks and ducks on the farm and give their children stuffed toys and chocolate bunnies instead.

FCIC Application

Harlan G. Stull, District Director of USDA's Federal Crop Insurance Corporation, said that applications are now being taken for insurance on 1979 corn and soybeans, with the actual planted acreage reported after the crops are planted.

Applications on corn may be made thru April 30, on soybeans thru May 10. Protection is provided against "all-risks", which includes drought, excessive moisture, insects, plant disease, hail, etc., attaches at planting and continues thru normal harvest, with the premium being deferred until after harvest with no interest being charged.

Farmers using Federal Crop Insurance can reduce some of the risks of higher production costs.

Federal Crop Insurance guarantees "quantity and quality", provides peace of mind which would be knowing financial investments in crops are protected against the hazards of weather.

Farmers wishing to apply or wanting information may contact the office located at FCIC, 1123 West Chicago Rd., Coldwater, Michigan 49036 or call 517-279-8471.

"My company is too small to offer a retirement plan, but now, thanks to Great Lakes Federal I'll be able to retire with \$124,229 plus my social security benefits."

That's right, John Smith will have \$124,229 when he retires thanks to Great Lakes Federal Savings IRA tax deferred retirement plan.

And he'll save a bundle on income taxes each year. Here's how this great plan works.

IRA accounts are for people who do not have a plan available where they work. They can be opened with as little as \$1, and you can make deposits throughout the year to fit your individual income. \$50, \$100 or whatever is best for you. You can contribute 15% of your earned income to an IRA account up to a maximum of \$1500 each year. Your yearly contribution can be deducted from your current taxable income. You do not pay taxes on this money until you begin withdrawing it after age 59 1/2. At this time your income tax rate will probably be substantially less.

Your IRA account can earn the high interest rate of 8% per annum. Interest is paid quarterly and compounded monthly for an effective annual rate of 8.30%. At this rate your money doubles in approximately 8 years and 8 months. Minimum term 36 months. Your account is insured with an agency of the federal government to \$100,000.

YOU STILL HAVE TIME TO CUT YOUR 1978 INCOME TAX

That's right. You can open a 1978 IRA account or add funds to your present IRA account up to your maximum for 1978 until April 15, 1979.

Federal regulations require a substantial interest penalty for early withdrawals.

The name and profession of the person in this ad is fictitious and solely an example of the benefits of a retirement account at Great Lakes Federal Savings.

If you contributed \$1,500 each year to an IRA account earning 8% annual interest, compounded monthly, you would have

No. of Years	Total Deposit	Total Earnings	Total Retirement Funds
5	\$ 7,500	\$ 2,089	\$ 9,589
10	15,000	8,881	23,881
15	22,500	22,680	45,180
20	30,000	46,922	76,922
25	37,500	86,729	124,229
30	45,000	149,732	194,732

COUNCIL PROCEEDINGS

March 26, 1979 Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present: DuRusell, Koebbe, Hinkley, Duncan, Petsch, Minick, Daniels, Zsenyuk. Minutes of the March 6, 1979 meeting were approved as corrected in a motion by DuRusell, supported by Koebbe. All yeas, carried.

James Duncan, John Hinkley and David Minick were sworn in as trustees by President Schaffer.

A letter of resignation by Duncan was received and read by President Schaffer. Moved by DuRusell, supported by Hinkley to accept with regret the resignation of James Duncan. All yeas, carried.

President Schaffer announced the appointment of David Petsch to fill the vacancy. Moved by DuRusell, supported by Hinkley to accept the appointment of David Petsch. All yeas, carried. David Petsch was sworn in as a trustee by President Schaffer.

Mr. Lawrence Brink, architect for the new proposed building for Union Savings Bank, was present to present plans to the Council requesting site plan approval including variances and conditional use. Moved by Hinkley, supported by Minick for Public Hearing, April 16, 1979 at 8:00 P.M. All yeas, carried. President Schaffer requested a formal letter be sent listing conditional use and variance. Two checks \$50.00 each were received from Lawrence Brink for the hearings.

President Schaffer read the results of the election: 1 Year Term Dealor Richardson, clerk \$5. 1 Year Term Hinkley, Trustee \$2. 2 Year Term Althouse, Trustee \$4. 2 Year Term Duncan, Trustee \$1. 2 Year Term Minick, Trustee \$3.

Appointments to committees: Minick - Police Dept. - Health and Safety. Petsch - Parks and Recreation - D.P.W. Hinkley - Planning Commission - D.P.W. Moved by Hinkley, supported by Koebbe that the appointments be accepted. All yeas, carried.

Public Works Activities as reported by Koebbe included: Holes patched in asphalt streets, three graves dug, tanks at Ann Arbor Well House painted, grounds around the building cleaned up, some water meters

read, water service on City Road repaired, appointments made for getting in to read meters, and the tree cutting program has been completed. Also a new contract for the CETA Program was filled out and filed. Two dozen outside reading water meters were ordered at \$47.56/unit for water bills. Two dozen are ordered each billing. Work has been done with Union Construction on the Kirk Park Sewer System. 12-16 inches of stone has been placed down because of poor soil conditions. Prices were received from Michigan Tree Merchant Inc. and Ilgenfilitz Nurseries Inc. regarding trees. Michigan Tree Merchant - \$28.00 for 1 in. to 1 1/2 in. in size. Ilgenfilitz - \$16.50 per tree if 50 or more.

Daniels submitted proposed prices for two used gas pumps - \$900.00 and a 2,000 gallon buried gas tank at \$1,437.00 so it would be possible to have unleaded and regular gas. Daniels and Zsenyuk are to check out other possibilities regarding pumps & tank. Daniels mentioned to the Council a water problem at the dime store. Kathy Tobias has been employed to assist in the collection of delinquent water bills. Daniels questioned the possibility of sending water bills directly to landlords rather than tenants. President Schaffer said that a letter of intent should be sent to the landlords informing them that they are responsible for water bills of their tenants if the bills are delinquent.

Zsenyuk reported that he had received a letter from a townsperson because of the No Parking signs on M-52. Zsenyuk reported that he had petitioned the State Highway Department for the removal of those signs prior to receipt of this letter.

Hinkley asked about waiving the building permit fees for the new Township Offices and Fire Barn. Moved by Koebbe, supported by Petsch to waive building permit fees but charge inspection costs. All yeas, carried.

Petsch questioned about the opening of the park.

Moved by DuRusell, supported by Koebbe to adjourn at 8:37 P.M. All yeas, carried.

Dacia Daniels, Acting Clerk

Monies Received from Disaster Fund

The Village of Manchester in the 23rd District will receive approximately \$4,464 from the State Police's Disaster Fund as part of extra money approved by the House of Representatives recently. State Representative Mary Keith Ballantine reported today.

The House passed and sent to the Michigan Senate a supplemental appropriation bill that gave the fund \$2.3 million in extra monies for the current fiscal year. "The extra funds are necessary because of the number of outstanding claims on the fund from communities across the state," Rep. Ballantine explained.

The fund currently has a balance of \$650,000, but the number of claims approved for payment totals more than \$2.4 million. When all the claims are paid, the fund will have a balance of about \$500,000.

The disaster contingency fund is used to assist communities which suffer unanticipated costs due to natural disasters, such as floods, severe snowstorms, or tornadoes. "Through this supplemental appropriations bill must first be approved by the Senate and the Governor before the communities will receive the funds due them, I am nonetheless pleased that the Legislature is on the road to approving payment for these claims," Rep. Ballantine added.

Blood Pressure Clinic

On Monday, April 16 from 7:00-9:00 p.m. in the Study Auditorium of Manchester High School a free Blood Pressure Clinic will be held for all area citizens. There are several reasons why it is important for all people to have their blood pressure checked regularly. During days when you are not feeling quite right or feel dizzy your body could be giving you a warning about some of the illnesses associated with high blood pressure such as blindness, kidney disease, stroke and heart disease.

There will be two stations set up and conducted by personnel from the Saline Community Hospital. Everyone will have their blood pressure taken and recorded, you will then be informed if it is within the normal range or further tests should be taken. Everyone is encouraged to take advantage of this program offered by Community Education for their better physical health. As mentioned there is no charge for participation in this program and you also save \$10 on an office call to have your blood pressure checked.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

NOWHERE BUT UP FOR LETTUCE

Consumers who may feel a shiver about rising food prices in the latest cost of living index will be wondering—what comes now? Unlike many other commodities, the seasonal and cyclical nature of food production often provides that what goes up in prices can also come down. But there are unpromising overtones for the fruit and vegetable budget.

Most of our fruits and vegetables come from California, and a strike by Cesar Chavez' United Farm Workers against lettuce companies in the Imperial Valley has not only put the chill on ten big lettuce operations there, but also on prospects for planting melons, sweet corn, wheat, and other crops. And without a settlement in the Imperial Valley, the strike may well go to neighboring places and ultimately to the big spring and summer lettuce and vegetable areas to the north.

True, there is much produce that will make its way to market from other states, and from California farms without Chavez

contracts, but shortages will drive up prices at the very time that traditional volume on the market tends to bring them down.

What are hopes of a settlement of the lettuce labor troubles? Struck growers say they can't begin to meet the new demands of the Chavez union-up to nearly 200 percent above present wage-benefit figures. Chavez, for his part, hasn't budged.

As always, consumers are caught in the middle—and so are the workers in lettuce. To date, the lettuce strike appears to have helped no one—except the statisticians who busily tick off the figures in the rising cost of living index.

Next weeks Dial-a-Garden topics are: Friday, April 6, Home Lawn Fertilizers. Monday, April 9, Book Review-Your Window Greenhouse. Tuesday, April 10, Tips for Growing Asparagus. Wednesday, April 11, Controlling Maggots in the Garden. Thursday, April 12, Easter Egg Tree for the Kids.

Men's & Women's Volleyball Tourney

Washtenaw County Parks and Recreation Commission is sponsoring Women's and Men's Volleyball Tournaments for teams throughout the County. This is an invitational tournament for teams selected on comparable skill levels. Any volleyball team that plays in Washtenaw County may participate. Individual trophies will be

awarded for first and second place teams. Our goals are to offer new experiences in competition, with highest regard for sportsmanship and emphasis on community interaction. Both tournaments will be held Saturday, April 7, 1979, at the Saline High School Gymnasium, from 9:30 a.m. to 1:30 p.m.

Registration fee is \$20 per team and must be accompanied by a team roster with a limit of 8 players per roster. All team rosters and fees must be postmarked by March 30, 1979. Submit team roster and entry fee to: Washtenaw County Parks and Recreation Commission, 4133 Washtenaw Ave., P.O. Box 8645, Ann Arbor, Mi. 48107. Any questions can be answered by calling the Parks and Recreation office at 973-2696.

Good Friday Observance

Notice to all residents, the business merchants of Manchester will be closed between 12 noon and 3 p.m. in observance of Good Friday.

Community Education

Registration for Community Education classes will be extended thru Tuesday, April 17 as several classes need only a few more enrollments to get started. In the event that a class you signed up for did not start your registration card will be held in that class list until enough people do sign up at one of the three Community Education registration periods during the year. There are some changes that should be noted for the Spring session. The Jogging Club will meet at 5:30 to 6:30 on Mondays, not at 7:00. The After School Dance Activities Classes of Rhythm Dance, Beginning Ballet and Advanced Ballet will be held again on Wednesdays and NOT Mondays as originally listed.

Just a reminder, don't forget to attend the Blood Pressure Clinic on Monday, April 16 from 7:30-9:00 p.m. in the High School Study Auditorium. There is no charge to participate in this program.

Looking into May, plans have been made to hold the Marine & Boating Safety class under the direction of the Washtenaw County Sheriff's Department. Details will be published later.

IN RETROSPECT

In the dictionary the word retrospect is defined as a survey of the past and so I guess that I can use that title to discuss things in general as they were and are.

During the past few weeks we have heard asked several times the question "What has happened to America? What kind of people have we become?"

Ten years ago, one observer notes, Neil Armstrong stepped on the moon and Teddy Kennedy and Mary Jo Kopechne slid off the Dike bridge. The event at Chappequidick was the most indictive of the decade ahead. It was so sloppy and so careless.

One observer says that we shrug off most everything nowadays. It's as if we are beyond caring. Third graders are selling dope and White House aides are buying it. Our appetite for violence is insatiable.

Exhausted from the sixties and our exertions at that time, all we ask for now is relief. Six hours of relief help to get us through the day—all life once removed seems close enough. The impetus to think has slid into a slough of indifference.

We certainly haven't put on any show of unity during recent years. We can't get together on saving gasoline and oil in the face of costly imports nor controlling inflation that threatens disaster.

What's wrong? Lacking the challenge that seems to be a basis of a strong civilization. Americans who do not have much are looking about at the almost universal abundance, expecting

to receive or promote their share. The ripoff society.

With the urge to relax has come the conviction that the protection of national interests, by which the big powers survive, is not worth any personal sacrifice.

In the midst of plenty threats of economic disaster depress us. The dollar is only a stab in the wallet. Americanism has been devalued.

Nowadays you deal with companies and computers, not with individuals. You can't make friends with a computer. You obey it. Big government throttles us with senseless rules that we can't even understand. Thieves and embezzlers operate without being embarrassed by doing so to anyone they know or the fear that they will be arrested by a policeman acquaintance.

Respect for government has vanished because of endless exposures of illegal acts and it must be that the week minded have decided that they might as well get theirs too. Many of us have decided that they cannot better themselves by going to the polls so only about a third cast their ballot.

History and writing have been neglected in our schools. We have a generation without a means of communication. Respect for education is at an all-time low. Churches, long a rallying point for humane action have lost influence. Many lobbies representing business, unions, lawyers, doctors, oilmen, farmers, and many others seem to split us into factions and hamper any legislation for common good.

There's no single solution. Schools and colleges have restored, to some extent at least, requirements for the study of Reading, writing and arithmetic and in many cases, history and government. The revolutionary attitudes of the young people has abated, outwardly at least.

Does a democracy find leadership, nobility of purpose and sacrifice at a time of crisis, at the brink of disaster? Do we flirt with the possibility of ending a form of government which has done more for more people than any other system that was ever invented. Are we doomed?

We have endured social revolution before. We were born in it and it took us fifty years to simmer down.

We learned a lesson from the stupidity of the Civil War, but afterwards we were able to become unified as never before.

After World War I we had suffragettes, the roaring twenties, college students with hip flasks, flappers in knee length skirts who rode to perdition in rumble seats, and civilization was accused of having collapsed, but prohibition was repealed, women got the vote and the young people went to work. Out of all this we became quite mature.

Then the depression of the thirties shook us all. Soom the specter of starvation was removed and then we cried "Socialism" and "Communism". But we found ways to save ourselves.

And now we're undergoing another social revolution and I hope we have the intelligence and guts to preserve the best of the past and adopt the good of the new. However it will take some real leadership to define and inspire a common purpose and a desire by all of us to accomplish it.

Twentieth Century Club

Twenty members met at the home of Pat Post Tuesday evening, April 3rd. After the business meeting Luragay Olsen introduced Irene Kemner, who spoke on "Rug Hooking". She explained that the art of rug hooking is a craft originating out of necessity during colonial times. In most cases it was a need to cover a cold floor. Most of the designs or patterns were original.

The "Tin Peddler" in pioneer times was instrumental in creating patterns and cutting a stencil out of the tin sides of a wash boiler. Today there are Rug Hooking Guilds.

Irene prefers to use old wool from worn garments to create rugs and wall hangings. She displayed her first rug as well as a number of her tapestries (a form of hooking) of fruits and flowers that she had framed. Another interesting work was a clipped dimensional mushroom.

Refreshments were served by the hostess and her cohostess Hazel Kappler.

The next meeting will be held at the home of June Jenter on April 17th.

Art Guild Reception and Exhibition

The Manchester Art Guild will be holding a reception honoring its spring membership exhibition on Thursday, April 12 starting at 7:30 p.m. Many Manchester area artists and craftsmen will be represented in this exhibition which features several different art and craft disciplines.

The exhibitions runs from Thursday, April 12 through Sunday, May 6 at the Manchester Art Gallery. Gallery hours are: Monday, Tuesday, Thursday, Friday 7:30-9:00 p.m. Saturday 10:00-noon and 7:30-9:00 p.m. Sunday 3:00-6:00 p.m.

The Manchester Art Gallery is located at 138 E. Main St., just off the lobby of the Black Sheep Repertory Theatre.

Easter Egg Hunt

On Saturday, April 14, the Easter Bunny will be at Carr Park with an Easter Egg Hunt starting at 1:00 pm. Bring the kids for hundreds of real eggs and prizes galore for tiny tots through third graders.
