National Secretaries Week

Betty E. Cummings, CPS; Sarah L. Huyser, CPS; Governor William G. Milliken; Virginia Vershure.

Governor William G. Milliken has proclaimed April 22-28 as Secretaries Week and Wednesday, April 25, as Secretaries Day. Participating in the public signing ceremony in the Governor's office were: Betty E. Cummings, CPS, President of the Michigan Division of The National Secretaries Association (International); Sarah L. Huyser, CPS, of East Lansing, Vice President of the Michigan Division; and Virginia Vershure of Warren, Chairman of the Michigan Division Secretaries Week Committee.

The purpose of Secretaries Week is to remind secretaries of their responsibilities to their profession and to bring recognition to secretaries for their vital role in business, industry, education, government, and the professions. Secretaries Week is sponsored by The National Secretaries Association (International) and is observed annually the last full week in April. Since its inception in 1952, Secretaries Week has been acknowledged by the heads of Federal, State, Provincial, County, and Municipal governments who issue proclamations or messages in recognition of the occasion.

Larry Becketl Named Top Agent

Larry Becketl, Manchester, local agent for Farm Bureau Insurance Group (FBIG), has been named one of the company's top agents of 1978.

To join the company's exclusive group of top agents, qualifiers must meet specific production goals and high service standards. According to FBIG, these criteria reflect an agent's professionalism and expertise in serving the public in various types of insurance.

Backed by a force of more than 330 professional agents and 100 claims representatives, FBIG, which is headquartered in Lansing, serves more than a quarter of a million policyholders in Michigan.

Community Education

The Pleasure Boating course will be offered to all students between the ages of 12 thru 16 years as provided for in the Marine Safety Act. The class will be conducted by members of the Washtenaw County Sheriff's Department. The goal is to promote boating safety, and enable students to obtain certification required for operation of certain motorboats. The class will be offered on Tuesday, May 1 and Wednesday, May 2 at Manchester High School from 7:30 p.m. Students may sign up at the Middle School or by calling the Community Education Office at 428-7804.

The Jackson/Albion Chapter, of which Betty is a member, will observe the week with a dinner on April 25 at the Sheraton Inn, Jackson. The speaker will be William R.D. Martin, Dean, School of Management, The University of Michigan-Dearborn.

The Huron Valley Chapter, Ann Arbor, is kicking off the week with a seminar entitled "The Future of the Professional Secretary" on Saturday, April 21, at Webers Inn. The speakers will be Hank Washington, Division Manager of Industrial Relations, Qualex Corporation, South Lyon, and Eunice Burns, Administrative Manager at The University of Michigan's School of Education. Reservations may be made with Joyce Scott at 428-8193.

IN RETROSPECT

We received a dissertation the other day about our column about what the matter with us as a country is. They expressed their thoughts in no uncertain terms but asked us to smooth out the tenses, etc. before we printed it. So here goes.

"I agree with you in everything you said about the condition of the country, but you should have made a point that you didn't. Our nation was developed to its present state by doing what seemed at first to be the impossible; by learning to use what we have and not depending on others. But nowadays we are not doing this. Our 'get up and go' has got up and went." We no longer seem to be inventive to the degree that we used to be. Instead of crying about the oil shortage, for instance, we should get busy and find a substitute--there are several available that only need development, coal, atomic power, color power and others.

"Our scientists have always been innovative, what's happened to them? Don't you remember that once the steam locomotive was a joke, the internal combustion engine used in the automobile was just a toy as was the telephone, radio and the electric light? Let's look about and take action--let's cease to let our politicians and crackpot advisors tell us what to do with things that they know very little about but concerning which they pretend to be experts. We're suffering from chronic inertia.

"Let's do what we were told that we should some time ago, let's become self sufficient before we settle the affairs of the whole world. Let's regain our prestige and our stature."
I.A.F.

Are You Registered?

Are you registered for the March of Dimes Walkathon on April 28? There are 150 who are, with 23 of these being from Clinton. In grades 5 to 8, in our town, 30% of the youngsters are registered, with the 7th grade leading the way. In the high school only 3% are registered there. Is the high school going to allow the Battered Boot Trophy, to remain in the Middle School? This trophy goes to the group raising the most money. Are the high schoolers going to allow the "little kids" to go out there again?

And where are the families? "Kids" of ALL ages can walk. The elementary youngsters can walk, as long as their parents give written permission, (on the sponsor sheet), and a chaperon walks with them. Sometimes an adult will walk with several youngsters. It is really great for the whole family to march on birth defects together, but if that is not possible, and parents are agreeable, we will try to find a mature person for your child to walk with; a high schooler or another adult. We do have some adults registered now, so don't disappoint your youngster by not allowing him or her to walk, because you can't go. Let us know, and we will try to work out a chaperon. If your youngster tires out before the last checkpoint reached, and asked to pick up your child at the Middle School, where a "Pop-Out" car will take him or her. Registration forms will be placed in Klager and Pleasant Lake Schools, for your convenience.

There will be constant supervision by the "Pop-Out" cars, all along the route. Safety is the most important factor of the event, and a follow up car follows the last walkers all through the route, as well as those cruising the route. The cars will be all

Rev. Robert B. Macfarlane To Be Installed At Emanuel

This Sunday, April 22, at 4:00 P.M., Emanuel United Church of Christ, in cooperation with the Covenant Association of the U.C.C. will have a Service of Installation for their newly called Pastor and Teacher, The Reverend Robert Bruce Macfarlane.

This afternoon Service of Worship is open to the community, and will be a celebration of the covenant ministry which the people of Emanuel Church and Mr. Macfarlane share.

Presiding Minister for the occasion will be The Rev. Dr. Orval Willmann, Senior Pastor of Bethlehem UCC in Ann Arbor. The Rev. Dr. W. Harper Welch, Associate Michigan Conference Minister, will deliver the Installation Prayer and Charge to the Pastor. The Preacher will be The Rev. Dr. Robert J.L. Williams, whose topic will be "A Funny Thing Happened to Me On the Way to the Ministry."

Also taking part from Emanuel Church itself, will be Council Presidents James England and Lorenzo Steele, Search Committee Chairman David Little, Association Vice-Moderator Mrs. Roland Grossman, Manchester Mayor Mr. Jeff Schaffer, and Youth Fellowship members Miss Julie England and Mr. Tony Day.

Mr. Macfarlane, a graduate from Boston University and Andover Newton Theological School, was Ordained in 1971, and began his Ministry at Emanuel Church on December 15, 1978. With his wife, Diana, and their two boys Duncan and Andrew, the Macfarlanes make their home at the Parsonage, 302 W. Main St.

Great Lakes Federal Expansion Plans

Great Lakes Federal Savings is building additional offices in order to bring better services to its rapidly growing number of customers in south central Michigan. It was recently disclosed by Roy E. Weber, President.

Current plans call for the association to open offices in both Okemos and Howell later this year. "With the opening of our new offices," Weber stated, "we feel that we are in a position to bring convenient full service savings and loan services to our customers in south central Michigan." Last fall Great Lakes Federal opened its first office in Jackson County in a temporary facility and will move into a permanent 5300 square foot office by early summer.

Dedicated to the dual concepts of thrift and home ownership since its inception in 1890, Great Lakes Federal Savings financed 3,638 homes in the area during 1978.

With over \$726 million in assets, Great Lakes Federal currently serves over 120,000 customers in Washtenaw, Livingston, Ingham, Jackson, Eaton, Calhoun, Branch, Barry and Kalamazoo counties.

Waterloo Farm Museum

The Waterloo Farm Museum has a new look for summer 1979! The Farm Museum will hold workshops and classes in early American arts and crafts. The Chelsea Community Education Department in co-sponsorship with the Waterloo Area Historical Society has made these classes possible by extending the fall and winter program into the spring and summer months.

The summer schedule at the museum will include 29 classes and 14 workshops for adults and children. Coming from throughout south-central Michigan, the instructors are outstanding in their skills. To accommodate summer vacation schedules, most of the classes will be held in four week sessions; the workshops, on the other hand, will be held every Saturday in June and July. Classes cost ten dollars and workshops are five dollars. The program

includes such unusual activities as forgework, bobbin lace making, tapestry weaving, seminole quilting, tin-can furniture, apple head dolls and edible plants. The teachers are flexible and plan to work with students at the individual's own speed so that all participants will have a happy, successful experience. Besides the unique instruction students have the opportunity to spend time at the museum soaking up the delightful atmosphere! For further information call the Chelsea Community Education Department (313-475-9830), or write Susan Frost, 1305 Miller, Ann Arbor, Mich. 48108.

The Waterloo Farm Museum, located 3 miles west of Waterloo, is the only one of its kind in Michigan and is in the National Register of Historic Places. Started and maintained by volunteers, it has been an on-going project for seventeen years. The farm house, barn, log house, and out-buildings, as well as the Dewey Country School, have been restored and furnished to demonstrate how our ancestors lived from the period 1855 to 1895. Every October the Waterloo Farm Museum hosts a "Pioneer Day." During this day, the Waterloo Historical Society gives demonstrations of the daily activities and life of a pioneer farmer.

The Museum's change in emphasis from restoration to education is possible this summer because the renovation of the farm is nearly complete. The Society's working philosophy is that history should be brought from behind sterile glass cases and yellowed textbooks into people's lives. The work of restoring the farm buildings has allowed participants to see, touch, experience, indeed to live, history. The process of restoration is a learning tool, drawing on the knowledge and experiences of countless individuals. However, now that the work is approaching completion, the Waterloo Historical Society is challenged with the need to provide activities to sustain the enthusiasm for, and appreciation of, the life of the pioneer farmer. The activities offered this summer are an important step in this direction.

His Nose Got In the Way Of My Fist

People say the darndest things, and here are a few quotes to prove it. (The examples are from SMAC-MIC's News and Views magazine and are actual driver's statements found on accident claim forms.)

"The other car collided with mine without warning me of its intentions."
"I had been driving my car for 40 years when I fell asleep at the wheel and had the accident."

"I pulled away from the side of the road, glanced at my mother-in-law and headed over the embankment."

"The pedestrian had no idea which direction to go. I ran over him."

"I told the police that I was not injured; but upon removing my hat, I found that I had a fractured skull."

"I collided with a stationary truck coming the other way."

"An invisible car came out of nowhere, struck my car and vanished."

"The telephone pole was approaching fast. I was attempting to swerve out of its path when it struck my front end."

"The indirect cause of this accident was a little guy in a small car with a big mouth."

Board of Education Minutes

These are the proposed minutes of the Board of Education meeting. They are not official until approved or corrected at the next regular meeting of the Board of Education.

A Special Meeting of the Manchester Community Schools Board of Education was called to order by President Mick at 8:03 P.M. April 2, 1979, in the Manchester High School Library.

All Board members present, the administrative staff, and Anita Todd, Intermediate School District Consultant for Gifted and Talented Students.

Anita Todd presented a program Planning for the Education of the Gifted and the Talented Students. Some basic steps to consider: 1. Needs assessment. 2. Definition. 3. Goals and objectives. 4.

Identification 5. Delivery system.

Anita Todd told us what the other school districts in Washtenaw County are providing for their talented and gifted students. Ann Arbor and Manchester are the only School Districts in the County that are not providing something special for the Talented and Gifted.

President Mick asked the Board to act on the bids received on a small farm tractor for the schools to use for mowing the lawns. There were two bids received, Dunkle Brothers, \$7,208.50 and Gross Farm Equipment, \$5,500.00.

Curley moved to purchase a John Deere tractor from Gross Farm Equipment. The bid was \$6,875.00 minus \$1,375.00 trade-in allowance. Net bid: \$5,500.00. Delivery approximately 10 days. Supported by Walkow, Yeas, Walkow, Macomber, Kensler, Mick, Horning, Curley and Bunney. Nays 0. Motion carried.

President Mick stated that the Regular meeting scheduled for April 16, 1979, has been postponed and re-scheduled for Monday, April 23, 1979.

Moved by Walkow supported by Bunney that the meeting be adjourned. All yeas. Motion carried.
Meeting adjourned at 10:00 P.M.
Respectfully submitted,
Helén J. Kensler, Secretary
Board of Education

A SALUTE TO OUR MICHIGAN REALTORS FOR THEIR VALUABLE AND CONTINUED SERVICE...

We at Great Lakes Federal Savings would like to acknowledge our appreciation of your services during your special celebration of Private Property Week April 15th-April 21st. You provide the very important service of bringing together prospective home owners and their dream homes. This year's theme, "This Land is Your Land" gives us a special opportunity to thank you for helping us provide homes in this wonderful land of South Central Michigan.

Great Lakes Federal Savings has been in the business of financing homes since 1930 and is dedicated to the continuation of this service of working with realtors in providing home ownership.

We take pride in saluting our Realtors—the efficient link between home buyers and home financing.

U of M Medical Center To Videotape EMT Training Film

U-M medical television unit staff videotape a simulated patient care scene in a Fontana-Taylor Ambulance to provide footage for a series of emergency medical technician training programs

being produced at the U-M Medical Center. Pictured are paramedic Jeff Wall, R.N., producer-cameraman James Krjewski and video engineer Jody Ladio.

Washtenaw County area police, fire-fighters, ambulance crews and even traffic victims will be the nationwide "stars" of a special television show to be taped in the Ann Arbor area over the next two months.

Crews from the Biomedical Media Production Unit at The University of Michigan Medical Center will be on the road during April and May with Fontana-Taylor Ambulance Co. paramedics making a videotape to train emergency medical technicians.

Stewart White, head of the U-M medical television unit, said they have been doing preparatory work since last September on a contract from the American Academy of Orthopedic Surgeons to produce 26 20-minute programs covering most phases of EMT training.

"We particularly want area residents to know what we are doing when they drive by and see us taping an 'accident,'" he said. Some mishaps will be staged. Others will be the real thing with U-M television crews riding out the scene in Fontana-Taylor's backup ambulance. Any taping of real accidents will be done only with the permission of the patient, White noted.

The programs will be set in a variety of locations—Ann Arbor, Ypsilanti, rural areas, or the villages of Dexter, Saline, Chelsea, or Manchester—to make the programs valid for EMT training all over the United States.

Reminiscent of a popular television show of a few years ago, the programs will illustrate varied problems and predicaments facing emergency medical technicians, according to John Fontana, co-owner of the ambulance firm which has been contracted by the surgical association to provide the equipment, props and expertise in caring for victims.

Some of the topics will be: water rescue and scuba techniques, auto wrecks, extracting victims, human anatomy, legal problems, radiation hazards, crowd control and transportation to and from the hospital.

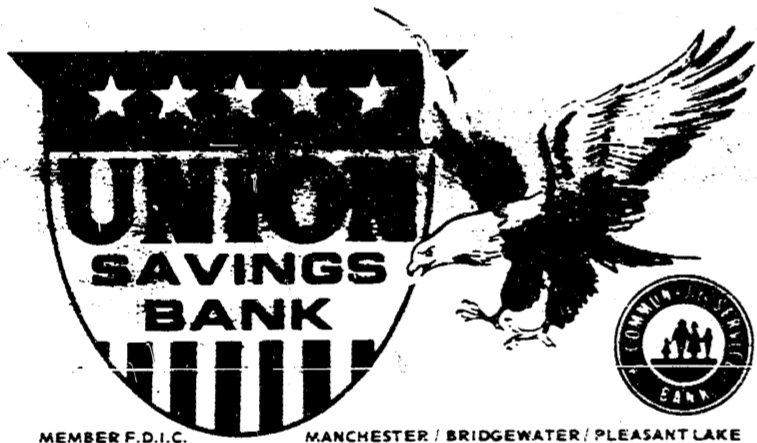

Medical television technicians have been making dry runs with Fontana-Taylor crews for the past two weeks, White said, to familiarize themselves with procedures and "to learn to stay out of the way." He emphasized that in no way will the presence of the television unit staff interfere with or delay care for actual victims since their welfare will remain paramount.

MEMBER F.D.I.C. MANCHESTER / BRIDGEWATER / PLEASANT LAKE

THE ANSWER IS **Yes**

Our regular savings program, paying 5 1/2% daily interest, is a must for every individual and family. But, as the dollars begin to accumulate, our other savings programs hold more future for the average saver. Our certificates of deposit, paying higher rates of interest, the longer you agree to leave your funds on deposit, are an excellent way to gain highest possible interest return with utmost safety. Early withdrawal of any time deposit, by federal law, requires the forfeiture of three months interest and the amount withdrawn is reduced to the passbook rate. But, with careful planning, problems shouldn't occur...and we'll gladly help you plan.

Spring Sports Up-Date

Jon Hardenbergh
Mother Nature hasn't been too kind of late as several baseball contests have been postponed. One thing weather seldom stops track—therefore there was a track meet of the boys and girls last week. Despite the high school seniors being gone on their senior trip the baseball season finally got underway on Monday of this week with our girls opening at home against Onsted while the boys trekked to Onsted for their first. The Lady Dutchmen won their second track meet in history on Thursday, April 12, as they defeated arch-rival Clinton 73-50. This puts our over-all record at 1-2 for the young season as we suffered 2 losses on a

wintery April 4th to Grass Lake 58-61 and Stockbridge 81-41. Leading the way in the victory over Clinton was Sophomore Gretchen Platt with wins in the 100 meter, 200 meter and anchored the winning 400 and 800 relays. Sophomore Michelle LaRock came in first in the 100 meter hurdles and was part of the victorious 400 and 800 relays. Sophomore Carol Buss captured the gold in the 1600 meter run and was a member of the winning 1600 meter relay. Sophomore Dawn Eversole hit the top in front in the 400 meter run and took a second in the 800 while also anchoring the winning 1600 relay. Freshman Kay Eversole added 7 1/4 points by taking seconds in the 200 and 400 meter runs. Senior tri-captain Karla Taurainen leads all scorers with 25 points for this season. Her events are high jump, shot put and discus.

On the other hand the boy's track squad was buried by Clinton 106-26. Our only first place finisher was Terry Rowe as he sailed 20 feet 3 inches in the long jump. We again saw a split as the boys baseball squad came up with a 2-0 victory but the girls fell 19-3.

Two Victories For Girl's Track

The Dutch Girl's Track Team found their second victory of the season over Napoleon Monday night with a score of 75 1/2 to 47 1/2. The Dutch started out well in the field events with Kristie Kempher taking first in the Shot Put, her distance 27'3". Dawn Eversole brought in first in the discus with

a distance of 69'4 1/2". Michelle LaRock, taking first, topped the former school record for the 100 meter hurdles, her time 17.3 seconds. The previous record of 17.7 was held by Maureen Zsenyuk.

Smoking her way to 12 1/2 points Gretchen Platt won first place in both the 100 meter dash, with a time of 13.1 seconds, and 200 meter dash, her time 28.0 seconds.

Another first place came when Kay Eversole ran the 400 meter run (quarter mile) in 1:06.4 minutes.

Our 400 meter and 800 meter relay team consisting of Kristie Kempher, Pam Martin, Michelle LaRock and Gretchen Platt was feeling strong and took first place in both of these events, the times 57.6 seconds and 1:55.8 minutes respectively. The mile relay team (Carol Buss, Laura Honer, Kay Eversole and Dawn Eversole; followed along taking first place with a time of 4:57.8 minutes.

This Thursday the girls will meet Hudson on the home track at 4:30 p.m. and Saturday travel to Athens High School for an Invitational Meet.

Donkey Basketball Game

Come one, come all! Join the fun and laughter of the ever famous, Donkey Basketball competition.

There will be 4 hilarious games, with the Manchester FFA, the Manchester Co-op, and the Chelsea Co-op, as participants. The date is April 30, at 8 p.m. The place is the Manchester High School gym.

Pre-game tickets are a bargain at \$1.50 per student, and \$2.00 per adult. At the door prices are \$2.00 per student and \$2.50 per adult. Tickets may be purchased from any Manchester FFA member.

Who will be triumphant? The Manchester FFA, the Manchester Co-op, the Chelsea Co-op, or the other jackasses?

1979 ALL NEW Jet Journey TO THE STARS

FOR BOYS AND GIRLS 10-14

HELP YOUR FAVORITE BOY OR GIRL WIN AN All-Expense Paid TRIP TO CALIFORNIA! VOTE EACH TIME YOU SHOP!

WINNERS WILL VISIT... Disneyland, Marineland, Universal Studios, Movieland Wax Museum, Knott's Berry Farm

FILL OUT THIS ENTRY TODAY!

A. Election is open to any boy or girl age 10 through 14 years. Boys and girls who receive the highest number of votes in each store will win.

B. Vote for your favorite boy or girl by writing his or her name on the back of each pink cash register tape you receive at all participating stores.

C. The number of votes on each tape is determined by the total purchases shown on it. Your candidate will receive one vote for each \$10 purchase. For example, a \$10 purchase shown on your pink cash register tape would be worth 100 votes for your favorite boy or girl. (Beer, wine or cigarettes are not included in eligible purchases).

D. Votes (tapes and bonus vote forms) must be placed in the official ballot box in each store in order to be counted. Each store will post the number of winners it is sponsoring in the store.

E. Votes are not transferable between stores and all candidates must be registered by the end of the 4th contest week.

F. Jet Journey elections will start the week of April 2 and close Saturday, May 26, 1979. Election is not open to children or immediate relatives of the following: Participating hotel/retail headquarters and supply store personnel; participating store owners and employees; nor personnel of any agency or supplier which services or sells to the above.

G. The decisions of sponsoring store management as winners are final. Sponsoring store management is solely responsible for tie-breaking procedures and any prizes other than the posted decision trips.

Sadie Hawkins Dance April 20

Now is your chance gals. A good way to
break the ice, with that handsome devil you
have been eyeing across the classroom.
Your High School Student Council has
created the golden opportunity, in the form
of a Sadie Hawkins Dance, Friday, April 20,

9 to 12 p.m., at the High School.
The Student Council is sponsoring this
event to help in the fight against birth
defects, as the proceeds are to go to the
March of Dimes. So when you buy the
tickets, ladies, you will be investing in the
future of babies with a problem. Perhaps
solving a problem you yourself may come
up against some day.

On the lighter side, you will also be
investing in an evening of fine music, good
conversation, dancing, and "the" young man
you have been hoping would ask you for a
date. You ask him. See you there.

Are You Registered?

clearly marked, and walkers are cautioned
NOT to get into any car not so marked.

Oh, and don't forget the prizes! There is a
young lady who has 2 sponsor sheets filled
already. We will explain more about prizes
next week; but most sponsors, and most
money turned in, are important factors in
prizes. Also, those turning in 100% of their
pledges are eligible for a prize.

There is still time to register and get
sponsors, so lets get going. We are looking
for more people from all directions, but
mostly from the high school and other
adults of the area.

This will be the biggest March of Dimes
event, as the Mothers March was dropped
in our area this year, so get on the band

wagon, and have some fun while you are
helping. Moms, Dads, Young Adults, Kids;
all are welcome. Grandmas and Grandpas
especially.

**LIONS
WHITE CANE
WEEK
APRIL 20-29**

Braille watches, glasses, eye examinations,
sightmobiles and transpansits at no charge
to thousands of blind persons in this state.
With continued support, we'll help thou-
sands more," he continued.

City, county and state governments and
churches are cooperating in the extensive
statewide drive. Elementary schools, driver
licensing bureaus, and police departments
assist in this educational effort by dis-
tributing informative literature.

In addition to gaining monetary support
for Lions' projects, a prime purpose of
White Cane Week is to make the public
aware of two Michigan laws dealing with
the visually handicapped: (1) requiring
motorists to stop at least ten feet from a
blind person carrying a White Cane or led
by a Leader Dog in harness; and (2)
requiring all public facilities to permit a
blind person with a Leader Dog in harness
to enter and/or use their premises.

To symbolize their efforts and create
awareness of the drive, the Lions have
chosen pretty 18-year-old Kristeen Hughes
of Constantine as the 1979 White Cane
Queen. Kristeen, a senior at Three Rivers
High School, will graduate in June with a
3.94 grade point average and enroll at
Western Michigan University to continue
her music studies.

Ms. Hughes has been blind since birth.
Though doctors are unsure of the cause of
her blindness, they feel the problem lies
between the brain and the optic nerve. She
is the daughter of Mr. and Mrs. Lester
Hughes of Constantine.

Monies collected from the sale of the
Miniature White Canes during White Cane
Week are used to support the many
worthwhile projects and institutions of the
Lions Clubs. Among them are the leader
Dog School, Rochester, now "graduating"
more than 350 dog-student teams yearly;
Welcome Home for the Blind, Grand
Rapids, built to fill the needs of the aged
sightless; the Michigan Lions Eye Banks,
located on the campuses of Wayne State
University and the University of Michigan,
which assist in the restoration of sight to
the unsighted; the Lions Care Program;
Penrickton School, Taylor, and numerous
local community services.

Any visually handicapped person in
Michigan can receive help by contacting his
or her local Lions club.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

ACROSS THE FENCE

About a year ago, the U.S. Immigration and Naturalization Service unveiled plans to build a ten-foot high fence along populous parts of our border with Mexico—to cut down on the nearly free flow of illegal immigration.

But then it was charged that the fence design was so dangerous that it might cut the fingers and toes of immigrants climbing over it. So, the project was shelved. Recently, however, President Carter decided to go ahead with it, but with a different, safer design.

By whatever design, the fence is even more symbolic than substantial. Something has to be done to bring a chaotic immigration problem under some control, and the President is under great pressure to do so. He also has to be careful not to offend the Mexican people and their President, Lopez Portillo, at a time when relations between the two presidents are already strained.

Lopez Portillo is on record as favoring a legalized work program for Mexicans to come to this country on a work quota program when jobs to be filled aren't taken by U.S. workers.

Maybe it's the easy availability of welfare programs, or a reluctance to travel, or simply a matter of work preference, but the fact is there are lots of jobs in our industry and in agriculture that U.S. workers simply won't fill. And Mexicans are busting across

the border to fill them.

A legal, supervised work program might well fill the needs, and take the heat off trying to fill them illegally. It might give us a welcome signal that the immigration policy will be based on our senses—and not on our fences.

Blood Pressure Clinic

A free blood pressure clinic will be held Saturday, April 21 between 9 A.M. and noon at the Michigan Heart Association Information Center, 3800 Packard Rd., Ann Arbor.

Open to people of all ages the clinic is co-sponsored by the Washtenaw County Council on Aging, the Michigan Heart Association and the National Council of Negro Women.

The blood pressure tests are administered by a qualified nurse and written results are provided to each participant.

The clinic is part of a series of blood pressure tests offered the third Saturday each month at the Michigan Heart Information Center.

When we discuss an Individual Retirement Account (IRA), we're talking about some big bucks, 15% of your income for a maximum of \$1500.

Then this \$1500 can be raised if a non-working spouse is included in the plan.

Sure, you save important income tax dollars immediately. Yes, you draw a high rate of interest on your IRA account, but, \$1500 all at once? Boy.

I'll bet by now you have guessed I have a way you can acquire your IRA funds without strapping yourself all at once. Well, you're right.

Begin a special regular savings account. Contribute to your retirement program each payday and when you are ready to pay your 1979 income taxes, lo and behold you have your IRA funds built up and off comes the tax bite.

Stop in, we're always happy to discuss the advantages and qualifications of a retirement tax shelter with you.

It doesn't cost anything to talk and the profit is on your side.

Vice Chairman of American Cancer Crusade

The Washtenaw County unit of the American Cancer Society will kick off the 2nd annual, one day independent business crusade Thursday, April 26th.

David Little, branch manager of Great Lakes Federal Savings is serving as Vice Chairman for the independent business crusade in Manchester.

Beginning Thursday morning, April 26, local business men and women will be calling on businesses for donations. Crusade members will be identified by a red and white label button saying "BEAT CANCER".

The American Cancer Society is not a United Fund agency, and therefore depends entirely upon individual and business contributions. For every dollar contributed Washtenaw County gets five in return. This money is used to finance the many programs and services provided by the American Cancer Society to the residents of Washtenaw County.

IN RETROSPECT

The twenties and early thirties were the days of the "big band" and radio made popular many of them including Pats Waller, Ben Bernie, Rudy Vallee, Glen Miller, Benny Goodman, and Cab Calloway, to mention a few, and there were others of equal importance. Each one had a style of its own and its faithful followers.

The majority of the young folks could dance and attended dances for entertainment. In those days dancing was done by couples who embraced each other more or less tightly while they glided around the floor. There was a thrill in dancing. You could tell who you were dancing with. With her in your arms you glided around the floor. I can remember no way of spending an evening than this excuse to hold a variety of good looking girls in your arms during an evening—and there were lot's of 'em.

I went to a dance not long ago and watched the dancers. They may have walked onto the floor in couples but, from then on, I couldn't figure out from their antics, how they knew who they were dancing with, if any. They each seemed to go their own way in fits and starts.

During the period of which we write, most everyone, as we said, went to dances. Manchesterites were very fortunate. We had excellent dance halls, each with a good resident band, at each. There were dances six nights a week during June, July and August at Geo. Nisler's resort at Wampiers Lake. (The Nislers lived in Manchester during the winter months.) This hall suffered from old age and was torn down a few years ago. There was a very large beautiful hall, Sylvan Gardens, at Sand Lake, now a part of the UAW camp there. It was built as part of the resort there owned by Mr. and Mrs. Carl Schlee for many years. There were three dance halls at Clark Lake, Pleasant View on the north side and Ocean Beach on the south side of the lake. Eagle Point on the east end of the lake. Eagle Point still exists, Pleasant View was burned some years ago, and one winter Ocean Beach which was built out over the lake was destroyed by the ice which piled up against it during a severe spring storm. At that time it was owned by Mr. and Mrs. Steinam, parents of Gloria Steinam who had become more or less famous since as a symbol of the liberated female.

Each of these halls were open six nights a week and all music was "live". Records and amplifying systems for records were unheard of.

We recall that every so often a nationally known name band would be booked, and always attracted huge crowds. The night that Rudy Valle played at Sand Lake we remember that he drove in with a Buick convertible and during the evening his admirers pried off a door handle and slashed holes in it's cloth top. And one night when Louie Armstrong played at Wampiers Lake there was such a crowd jammed into the second floor dance hall that the whole structure more or less swung and swayed with the music.

It seemed that everyone danced—they even held dances during the winter at Springport, at Tipton and at Bridgewater and other places. I have many, many pleasant memories of those days—and nights. I still think this kind of dancing will return some day. But dancing in this form fell a victim to the age of the tavern and of Rock and Roll and I'm not sure but that pocket flasks of some of those days coupled with rumble seats and spit curls were not less debilitating than many of our present pastimes.

Superwalk Saturday

This Saturday (April 28) is Superwalk Saturday, as many of you know. We have put in an order for a fine day, all the planning of the previous months is well under motion, a good number of walkers are registered and getting sponsors, and we hope more are considering spending a fine Saturday with congenial people, and helping in the march against birth defects.

There is certainly still time to register and get sponsors. Everyone is welcome to walk; families couldn't spend time better on Saturday, than going for a stroll in the country and town. Now is a great time of year to discover flowers beginning to open.

There are some fun prizes awaiting you go getters, too. Those turning in 100% of their pledges will win a special prize, such as a free ticket to the Clinton Theater. For the group turning in the most money by May 18th, there is the coveted Battered Boot Trophy. For those turning in all the money they have collected by May 18th, there will be walk patches and a chance in a prize drawing. The male and female with the most sponsors will receive a \$10 gift certificate, and the male and female that collects the most money will receive a free plane ride at Rossetie Airport. (If the winners of this prize are under 18, they must have written permission from their parents.) All walkers will receive a certificate of appreciation. Sounds like a good lineup of prizes.

So walkers, remember to have your parents sign the permission part of your sponsor sheet if necessary, come dressed according to the weather, and be sure arrangements have been made for a ride home as soon as you are done walking.

Also, and this cannot be stressed too much, your safety is most important during the walk. Do walk with a few friends or your family. Do keep to the side of the road, so you do not block traffic. Do not do a lot of horseplay, where someone may get injured. Most of all, DO NOT GET INTO A CAR, NOT MARKED AS A MARCH OF DIMES CAR! Do check in at the Middle School when you are done walking. Judy Reed and her registration crew must know you are accounted for, and will help you figure your total kilometers. If these few rules are followed, we should have a fine day.

Tickets will be going on sale May 1st. Orchestra students from all grade levels will be selling tickets. Plan now to attend and help send a kid to camp!

Twentieth Century Club

Seventeen members and two guests of the Twentieth Century Club met at the home of Margaret Spensley on the evening of April 17. This being the last regular meeting, the annual reports and a resume of club activities were reviewed. A club membership bid was presented to Diana Macfarlane, and the group was pleased that she accepted.

Following club business, Marcia Duncan developed the theme of "Spring Awakenings" with snatches of poetry and prose. These selections were taken from the works of both modern and classical authors. She also displayed many of the new editions which can be seen at the Calico Cat. Elizabeth Grossman rounded out the program with a few selections she enjoyed during her childhood.

From an artistic table the hostess served a tasty dessert following the program.

The Club's spring luncheon will be held at twelve noon at Travis Point on May 5.

PLEASE COME!

birds hatching eggs, rabbits scurrying along, squirrels chattering in trees, grass and trees turning green, and breathing fresh spring air. So, come on out, and start your inner refreshing with spring, and the knowledge that you have helped someone else to better health, too.

Bethel Church To Host May Fellowship Day

Church Women United in the Manchester area will celebrate May Fellowship Day on Friday, May 4, at 1:30 p.m., with a service at Bethel United Church of Christ, located in Freedom Township.

The needs and rights of children are the focus of the May Fellowship Day celebration: "Our Children: Our Promise." The United Nations has proclaimed 1979 International Year of the Child, during which many nations are examining their programs for children in light of the U.N. Declaration of the Rights of the Child. Mrs. Elvira Vogel will lead a discussion on this topic during the service. Following will be a time for refreshments and fellowship.

Church Women United has sponsored May Fellowship Day since 1933. Each year the theme stresses the promotion of creative and healing relationships in every community.

Locally the Manchester Unit has celebrated this and other CWU Celebrations for 10 years or more. Currently serving as officers of the Manchester Unit are: President-Mrs. Mary Kirk, Vice President-Mrs. Dorothy Heimerding, Treasurer-Mrs. Verna Sinclair, Secretary-Mrs. Debbie Ferrigan and Members at Large-Mrs. Jean Little and Mrs. Elvira Vogel.

All Manchester area women are invited to consider the needs of children locally and to become advocates for children in this country as well as overseas.

Ground-Breaking Ceremonies Public Invited

All of the residents of Manchester, Village and Township, also Sharon, Freedom, Bridgewater and Norvell, are cordially invited to the Ground-Breaking Ceremonies for the first Fire Station and Township Offices ever erected by the People of Manchester.

The financing of this structure was voted by the electorate in the November election and plans have been under way ever since that time.

The Architects, Hobbs & Black of Ann Arbor, and the Contractors, Wacker & Tutilli Co., also of Ann Arbor, have pledged to erect a building truly modern in its function, yet artistically Victorian in structure. Construction will begin about May 10th.

The Ground-Breaking will take place on Sunday, April 29th at 2:00 P.M. on the site at Macomb and Territorial.
