Vice Chairman of American Cancer Crusade

The Washtenaw County unit of the American Cancer Society will kick off the 2nd annual, one day independent business crusade Thursday, April 26th.

David Little, branch manager of Great Lakes Federal Savings is serving as Vice Chairman for the independent business crusade in Manchester.

Beginning Thursday morning, April 26, local business men and women will be calling on businesses for donations. Crusade members will be identified by a red and white label button saying "BEAT CANCER".

The American Cancer Society is not a United Fund agency, and therefore depends entirely upon individual and business contributions. For every dollar contributed Washtenaw County gets five in return. This money is used to finance the many programs and services provided by the American Cancer Society to the residents of Washtenaw County.

Summer Sports Registration

T-Ball-Any youngster who will be at least 8 years old by August 1, 1979 but not 10 years old before August 1, 1979 and not already on a T-Ball team from last year.

Little League-Any youngster who will be at least 10 years old by August 1, 1979 but not 13 years old before August 1, 1979 and not already on a little league team from last year.

Jr. League-Any boy who will be at least 13 years old by August 1, 1979 but not 16 years old before August 1, 1979 and not on a Jr. League team from last year.

Softball-Any girl who is currently in the 6th, 7th or 8th grade is eligible to register and play. There will be at least 2 teams which compete in a 10 team league in Tecumseh.

Brothers and sisters are automatically placed on the same team. You may pick up registration cards at offices in both Klager School and the Middle School. These cards are to be filled out and returned to the respective school offices no later than Friday, April 27. If you have any questions, contact Bart Bartels at Klager School.

Birth Announcement

Mr. and Mrs. Larry Kirk are pleased to announce the birth of a daughter on April 20, 1979. Tera Rebecca weighed 7 pounds 4 1/2 ounces and has a sister Heather, 3 years old.

Paternal Grandparents are Mr. and Mrs. Marvin Kirk of Manchester and Maternal Grandparents are Mr. and Mrs. George Wallace of Oxford, North Carolina, formerly of Manchester.

IN RETROSPECT

The twenties and early thirties were the days of the "big band" and radio made popular many of them including Pats Waller, Ben Bernie, Rudy Vallee, Glen Miller, Benny Goodman, and Cab Calloway, to mention a few, and there were others of equal importance. Each one had a style of its own and its faithful followers.

The majority of the young folks could dance and attended dances for entertainment. In those days dancing was done by couples who embraced each other more or less tightly while they glided around the floor. There was a thrill in dancing. You could tell who you were dancing with. With her in your arms you glided around the floor. I can remember no way of spending an evening than this excuse to hold a variety of good looking girls in your arms during an evening—and there were lot's of 'em.

I went to a dance not long ago and watched the dancers. They may have walked onto the floor in couples but, from then on, I couldn't figure out from their antics, how they knew who they were dancing with, if any. They each seemed to go their own way in fits and starts.

During the period of which we write, most everyone, as we said, went to dances. Manchesterites were very fortunate. We had excellent dance halls, each with a good resident band, at each. There were dances six nights a week during June, July and August at Geo. Nisler's resort at Wampiers Lake. (The Nislers lived in Manchester during the winter months.) This hall suffered from old age and was torn down a few years ago. There was a very large beautiful hall, Sylvan Gardens, at Sand Lake, now a part of the UAW camp there. It was built as part of the resort there owned by Mr. and Mrs. Carl Schlee for many years. There were three dance halls at Clark Lake, Pleasant View on the north side and Ocean Beach on the south side of the lake. Eagle Point on the east end of the lake. Eagle Point still exists, Pleasant View was burned some years ago, and one winter Ocean Beach which was built out over the lake was destroyed by the ice which piled up against it during a severe spring storm. At that time it was owned by Mr. and Mrs. Steinam, parents of Gloria Steinam who had become more or less famous since as a symbol of the liberated female.

Each of these halls were open six nights a week and all music was "live". Records and amplifying systems for records were unheard of.

We recall that every so often a nationally known name band would be booked, and always attracted huge crowds. The night that Rudy Valle played at Sand Lake we remember that he drove in with a Buick convertible and during the evening his admirers pried off a door handle and slashed holes in it's cloth top. And one night when Louie Armstrong played at Wampiers Lake there was such a crowd jammed into the second floor dance hall that the whole structure more or less swung and swayed with the music.

It seemed that everyone danced—they even held dances during the winter at Springport, at Tipton and at Bridgewater and other places. I have many, many pleasant memories of those days—and nights. I still think this kind of dancing will return some day. But dancing in this form fell a victim to the age of the tavern and of Rock and Roll and I'm not sure but that pocket flasks of some of those days coupled with rumble seats and spit curls were not less debilitating than many of our present pastimes.

Superwalk Saturday

This Saturday (April 28) is Superwalk Saturday, as many of you know. We have put in an order for a fine day, all the planning of the previous months is well under motion, a good number of walkers are registered and getting sponsors, and we hope more are considering spending a fine Saturday with congenial people, and helping in the march against birth defects.

There is certainly still time to register and get sponsors. Everyone is welcome to walk; families couldn't spend time better on Saturday, than going for a stroll in the country and town. Now is a great time of year to discover flowers beginning to open.

Recital to Benefit Scholarship Fund

A recital to raise funds for summer camp scholarships will be given Sunday, May 20 at 2:00 P.M. in the Manchester Methodist Church. Graduate students from the University of Michigan will be presenting an afternoon of enjoyable chamber music. Their interest and donated time is much appreciated.

Tickets will be going on sale May 1st. Orchestra students from all grade levels will be selling tickets. Plan now to attend and help send a kid to camp!

Twentieth Century Club

Seventeen members and two guests of the Twentieth Century Club met at the home of Margaret Spensley on the evening of April 17. This being the last regular meeting, the annual reports and a resume of club activities were reviewed. A club membership bid was presented to Diana Macfarlane, and the group was pleased that she accepted.

Following club business, Marcia Duncan developed the theme of "Spring Awakenings" with snatches of poetry and prose. These selections were taken from the works of both modern and classical authors. She also displayed many of the new editions which can be seen at the Calico Cat. Elizabeth Grossman rounded out the program with a few selections she enjoyed during her childhood.

From an artistic table the hostess served a tasty dessert following the program. The Club's spring luncheon will be held at twelve noon at Travis Point on May 5.

Ground-Breaking Ceremonies Public Invited

All of the residents of Manchester, Village and Township, also Sharon, Freedom, Bridgewater and Norvell, are cordially invited to the Ground-Breaking Ceremonies for the first Fire Station and Township Offices ever erected by the People of Manchester.

The financing of this structure was voted by the electorate in the November election and plans have been under way ever since that time.

The Architects, Hobbs & Black of Ann Arbor, and the Contractors, Wacker & Tutill Co., also of Ann Arbor, have pledged to erect a building truly modern in its function, yet artistically Victorian in structure. Construction will begin about May 10th.

The Ground-Breaking will take place on Sunday, April 29th at 2:00 P.M. on the site at Macomb and Territorial. PLEASE COME!

birds hatching eggs, rabbits scurrying along, squirrels chattering in trees, grass and trees turning green, and breathing fresh spring air. So, come on out, and start your inner refreshing with spring, and the knowledge that you have helped someone else to better health, too.

Health isn't the only prize you may achieve. There are some fun prizes awaiting you go getters, too. Those turning in 100% of their pledges will win a special prize, such as a free ticket to the Clinton Theater. For the group turning in the most money by May 18th, there is the coveted Battered Boot Trophy. For those turning in all the money they have collected by May 18th, there will be walk patches and a chance in a prize drawing. The male and female with the most sponsors will receive a \$10 gift certificate, and the male and female that collects the most money will receive a free plane ride at Rossettie Airport. (If the winners of this prize are under 18, they must have written permission from their parents.) All walkers will receive a certificate of appreciation. Sounds like a good lineup of prizes.

So walkers, remember to have your parents sign the permission part of your sponsor sheet if necessary, come dressed according to the weather, and be sure arrangements have been made for a ride home as soon as you are done walking. Also, this cannot be stressed too much, your safety is most important during the walk. Do walk with a few friends or your family. Do keep to the side of the road, so you do not block traffic. Do not do a lot of horseplay, where someone may get injured. Most of all, DO NOT GET INTO A CAR, NOT MARKED AS A MARCH OF DIMES CAR! Do check in at the Middle School when you are done walking. Judy Reed and her registration crew must know you are accounted for, and will help you figure your total kilometers. If these few rules are followed, we should have a fine day.

Bethel Church To Host May Fellowship Day

Church Women United in the Manchester area will celebrate May Fellowship Day on Friday, May 4, at 1:30 p.m., with a service at Bethel United Church of Christ, located in Freedom Township.

The needs and rights of children are the focus of the May Fellowship Day celebration: "Our Children: Our Promise." The United Nations has proclaimed 1979 International Year of the Child, during which many nations are examining their programs for children in light of the U.N. Declaration of the Rights of the Child. Mrs. Elvira Vogel will lead a discussion on this topic during the service. Following will be a time for refreshments and fellowship.

Church Women United has sponsored May Fellowship Day since 1933. Each year the theme stresses the promotion of creative and healing relationships in every community.

Locally the Manchester Unit has celebrated this and other CWU Celebrations for 10 years or more. Currently serving as officers of the Manchester Unit are: President-Mrs. Mary Kirk, Vice President-Mrs. Dorothy Heimerding, Treasurer-Mrs. Verna Sinclair, Secretary-Mrs. Debbie Ferrigan and Members at Large-Mrs. Jean Little and Mrs. Elvira Vogel.

All Manchester area women are invited to consider the needs of children locally and to become advocates for children in this country as well as overseas.

OBITUARY

Albert J. Partlow
Tucson, Arizona
formerly of Manchester

Age 65 years, son of Bert and Nora Partlow of Manchester Township passed away Wednesday, April 11 at the V.A. Hospital in Tucson, Arizona. He had resided with Mr. and Mrs. Fred Price in Tucson.

He is survived by a daughter, Jill of Haslett, Michigan and a son John of Easton Rapids, also three cousins, Mrs. Edith Holley of Manchester, Mrs. Ethel Belaire of Ann Arbor and Mr. John Holley of Napoleon, Michigan. He was preceded in death by a daughter.

Mr. Partlow had been employed in the

Manchester area for several years such as Way's Bakery and Ford Motor Co. He has served in the Navy in World War II. He then moved to Haslett, Michigan and then to Arizona because of poor health. Graveside services were held Saturday, April 14 at Eaton Center Cemetery, Easton Rapids, Michigan.

LETTERS TO THE EDITOR

The American people are against turning over our property in the Canal Zone to the Marxist dictatorship of Panama.

Opposition to the Canal giveaway is even stronger now that the truth is coming out on what it will cost us. Despite President Carter's assurances that the new Canal treaties "did not put a financial burden on the American taxpayer," it now appears that the taxpayer will, in fact, shoulder costs of some four billion dollars. In fact, over the next twenty years, putting all cost together, the Canal giveaway will cost us some 26 billion dollars.

Besides this, as Representative George Hansen points out, Panama expects to raise Canal tolls, which means higher prices for American consumers for food, fuel and other goods shipped coast-to-coast and for imports, including automobiles.

Also, higher Canal tolls will cause diversion of much Alaskan oil to other countries. For Americans, who are already being threatened with dollar-a-gallon gasoline and rationing, this could mean cold homes and empty gas tanks.

Do we have to put up with this? The answer is no!

Implementing legislation for the Canal treaties is about to be considered by Congress—but it has not yet been passed and can be stopped. All it takes is for enough Americans to contact their legislators immediately, and demand that they vote AGAINST ANY TRANSFER OF U.S. PROPERTY AND AGAINST ANY APPROPRIATIONS OF FUNDS to implement the Canal treaties. But it must be done now, before it is too late. As Representative Hansen urges: call or write your Representative and Senators today.

Sincerely,
Mr. A.H. Rickert
6844 Hasley
Manchester, Michigan

New Licensing Laws

New requirements for obtaining and renewing licenses to operate trucks, buses, and other heavy vehicles and trailers will go into effect next month, Secretary of State Richard H. Austin announced today.

Beginning May 1, all drivers who apply for a license for the first time or renew their existing license to operate buses, school buses, single vehicles, or a combination of vehicles weighing over 24,000 pounds, or

trailers over 10,000 pounds, must obtain an endorsement showing they are qualified to operate such vehicles.

To obtain the endorsement, applicants must pass a vision test, written exam, and show experience in operating such vehicles. Where applicants lack experience or training, a road test may be required. Fee for the endorsement is \$7.00.

Vehicle operators already licensed and operating such equipment are not affected by the new requirements until they renew their licenses.

Informational booklets on the new requirements are available at all Secretary of State offices, Austin said.

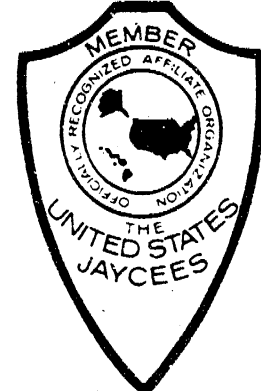

The new requirements were passed by the Michigan Legislature in 1978 to upgrade driving skills for operators of trucks, buses, trailers, and other heavy equipment.

Singles 25 And Up

If you enjoy dancing to good music, come and join the Tuesday Nite Singles at the American Legion Hall, Main Street, Ann Arbor, on May 1. Dance from Nine to Midnight to the music of Joe Wash. Refreshments are served.

NO BILLS DAY

On May 1, Law Day, the Washtenaw County Bar Association is sponsoring a No Bills Day. Any adult Washtenaw County resident who has no lawyer will be able to see an attorney for 20 minutes at no charge. Almost 50 Washtenaw County lawyers have volunteered their time for No Bills Day. If you have a problem involving divorce, custody, child support, juveniles, zoning, real estate, landlord and tenant, wills and trusts, consumer protection, contracts or other law area plan to come to No Bills Day.

For further information and appointments you may call: 994-4326 from Sunday, April 22, 7:00 p.m. through Sunday, April 29, 10:00 p.m., 24 hours daily.

All conferences will be scheduled at Room 200 at Hutchins Hall, the University of Michigan Law School. Free parking on South University will be available in designated areas.

Construction On New Prison Begins

Construction began near here Monday, April 16 on a new maximum security prison for men.

The prison, adjacent to the Huron Valley Women's Facility in Fittsfield Township, will accommodate 400 men. Both prisons

are immediately south of the Ypsilanti State Hospital.

Perry M. Johnson, director of the Michigan Department of Corrections, said the new prison will increase the number of "secure" beds in the state's prison system when it is opened in November, 1980.

Under construction Monday will be five housing units each containing 80 separate rooms, an administrative and medical building, a field house and perimeter security. Total cost of construction is \$20 million.

Johnson said bids are expected to be taken for an academic-vocational school in June, and it is hoped this unit also can be completed by November, 1980.

Already at the site is a power plant, which serves the women's prison; a storage building and a food services building.

Men and women prisoners will not co-mingle, but women will be able to use the medical facilities of the men's prison, Johnson said. Special security will be provided in this case.

The perimeter security of the new prison will consist of two chain-link fences, concertina wire, an electronic detection system and guard towers manned by armed personnel.

Johnson said the institution will look similar to the Muskegon Correctional Facility and the women's prison. Both these prisons have been designed to look like college campuses.

ESTATE PLANNING IS 100 QUESTIONS

How should I word my designation of insurance beneficiary?
Should I make gifts to my children now?
Should I set up a trust fund?
AND THE RIGHT ANSWERS.

Why some people get a Greater return on their money.

Some people get a higher return on their money, because they put their dollars in higher interest paying certificates of deposit at Great Lakes Federal Savings. You can, too.

For example, if you have savings, securities or property that are earning 5% or less, you can switch to Great Lakes Federal Savings 8% per annum certificates of deposit (effective annual rate 8.30%) and increase your yearly income significantly.

Take a hard look at all of your invested dollars. This includes savings accounts, securities, property, savings bonds, paid up insurance policies and any other form of investment you may have.

Some could be paying you as little as 5%, 4%, and even less. A switch to some of Great Lakes Federal Savings higher interest paying certificates of deposit could add many hundreds of dollars to your annual income.

We would be very happy to discuss with you how our many plans can help you.

INTEREST RATES PER ANNUM	EFFECTIVE ANNUAL YIELD
8.00% CERTIFICATE ACCOUNT Minimum term 96 months Minimum deposit \$1000 Monthly compounding	8.30%
7.75% CERTIFICATE ACCOUNT Minimum term 6 years Minimum deposit \$1000 Monthly compounding	8.03%
7.50% CERTIFICATE ACCOUNT Minimum term 48 months Minimum deposit \$1000 Quarterly compounding	7.71%
6.75% CERTIFICATE ACCOUNT Minimum term 30 months Minimum deposit \$1000 Quarterly compounding	6.92%
6.50% CERTIFICATE ACCOUNT Minimum term 12 months Minimum deposit \$1000 Quarterly compounding	6.66%

Federal Regulations Require Substantial Penalty for Early Withdrawals From Certificate Accounts.

Tax Act Can Ease Ownership Costs

As land taxes go up and up, the taxes on farm woodlands follow suit.

Generally, the woodland owner can't tell how much tax he is paying per woodland acre because the taxes on woodlands aren't separated from the other taxes on the tax statement.

As best I can figure, some forest lands in populous Southern Michigan counties are being taxed at up to \$10 per acre.

I feel that a \$1 per acre annual tax is all that a woodland can possibly bear at present timber values.

High timberland taxes are one of the most important drawbacks to timberland ownership all over the country - in all states.

To help reduce the economic impact of long timber ownership and, in many cases, the long periods of no forest income, timber tax acts come into the picture.

In Michigan we have a Farm Woodland tax act in the books - "An Act to Encourage Private Forestry", Act. 86 P.A. 1917 as amended by Act 122 P.A. 1960.

A thumbnail sketch of the acts follows:
 a. On a unit of land of not over 160 acres where one-half of the acreage is devoted to agricultural use, the owner can put up to one-quarter of the acreage (to a maximum of 40 acres) if in woodland or plantation under this act.

b. The land should support thrifty timber growth.

c. No pasturing is allowed.
 d. Cutting will be such as to promote a continuous forest.

e. Wooded acreage is assessed at only \$1.00 per acre.

f. When a commercial cut is made, a 5% yield tax will be paid on the value of the stumpage cut.

g. There is no yield tax for timber cut for home use.

h. If the owner wants to take the woodlot out from under the act, he must pay 5% of the appraised value of the standing timber.

i. The act still is in force when a change in ownership takes place.

j. Application to have woodlands classified under the Private Forest Reserve Act is made to the County Treasurer in which the woodland is located. Also, the owner should make a second application to the assessor of the township in which the timber is located.

k. The owners of lands classified under this act do not have to open the acreage up to any public use.

The deadline for enrolling woodlands under this act is December 31st.

Any woodland owners interested in finding out more about the Farm Woodland Tax Act contact Irvin H. McFarland, DNR Area Forester, 4133 Washtenaw, P.O. Box 8645, Ann Arbor, Mi. 48107 or other DNR foresters in the farming areas of Michigan.

TECHNOLOGY ON THE MOVE

Heat Pumps Are Energy Savers

With energy costs skyrocketing, most of us are searching for ways to reduce energy consumption around our homes. One of the most promising energy cost-cutters is a combined heating/air conditioning system called the heat pump.

As its name suggests, a heat pump is a device that moves heat. During winter months it draws heat from the outside air and pumps it inside the house. During the summer, the cycle reverses - the heat pump pulls heat from the inside and discharges it outside to cool the house.

It may come as a surprise that heat can be drawn from frigid winter air. Actually, most heat pumps can accomplish this money-saving magic trick as long as the outside air temperature is above 10- to 20-degrees F. When temperatures are lower, auxiliary electric resistance elements switch on to take over the heating chore.

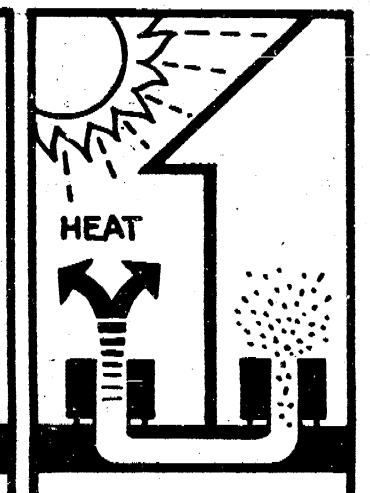

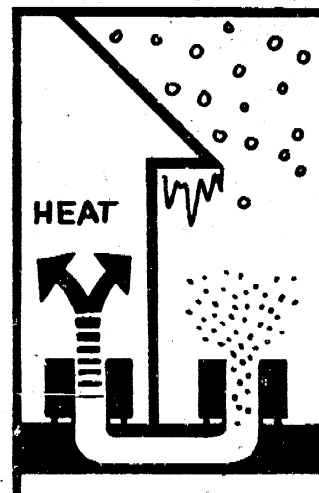

During the winter, a heat pump costs less to operate than a conventional electric heating system because it is usually moving heat... not making it directly from elec-

tricity. During the summer, power costs are comparable to an ordinary central air conditioning system. More than a dozen manufacturers make residential heat pumps. In 1977, about 470,000 systems were sold, and industry sources estimate that sales exceeded 600,000 units in 1978.

Newly designed heat pumps include features that simplify operation and help ensure long-term reliability. For example, several manufacturers install solid-state defrost controls developed by Essex Group, Inc., a subsidiary of United Technologies Corporation.

The controls automatically defrost the coils in the part of a heat pump system installed outdoors. During winter operation, these coils condense moisture out of the air and collect an ice film. The defrost control periodically circulates hot fluid through the coils to melt away the ice buildup.

Automatic defrost controls are one of the reasons why modern heat pumps are both convenient and economical.

Drawings illustrate how a heat pump operates: (left) in cold weather the unit extracts heat from cold air outside and pumps it into the house. (Right) in warm weather the cycle reverses - heat from inside is pulled out to cool the house.

Xi Epsilon Iota Girl Of The Year Selected

The April 17 meeting of Exemplar Chapter Xi Epsilon Iota was held in the home of Sue Lavender.

Programs for Founders Day, on April 21, and the Mother's Day Luncheon, on May 6, were finalized.

Installation of officers will be conducted at the next meeting on May 1, in the home of Elaine Creech.

Girl of the Year is an annual award presented at the Founder's Day celebration to an outstanding member of the chapter. She is elected on the basis of her participation in chapter activities. Throughout the year her conduct exemplifies the ideals of Beta Sigma Phi. The

honor of Girl of the Year has been bestowed on a very deserving sister—Jane Van Doren.

Community Education

The Pleasure Boating course will be offered to all students between the ages of 12 thru 16 years as provided for in the Marine Safety Act. The class will be conducted by members of the Washtenaw County Sheriff's Department. The goal is to promote boating safety, and enable students to obtain certification required for operation of certain motorboats. The class will be offered on Tuesday, May 1 and Wednesday, May 2 at Manchester High School from 7-9:30 p.m. Students may sign up at the Middle School or by calling the Community Education Office at 428-7804.

SPORTS UP-DATE

By Jon Hardenbergh

Last week you read what happened with baseball and track on Monday. This week's article will carry on from Tuesday's home opener for our boys track squad. With all but two members of individual events absent on the Senior Trip, I wasn't sure what to expect. It was a real barnburner, and this is what happened—The first place winners for us were: Pole vault, Jerry Brown; discus, Gary Daniels; 110 high hurdles, John Mooneyham; 800 meter relay, Brian Broucek, Mike Kempf, Bill Hagerman, Steve Eversole; 300-meter low hurdles, Tom Tassie; and 800 meter run, Steve Eversole. At this point in the contest, with only one event remaining, the score was knotted and the gun sounded the 1600 meter relay. After three legs were completed by Tom Tassie, Carl Sauter and

Jerry Brown, the baton was passed to anchorman Steve Eversole. He turned on the jets to finish first, giving us a 66-65 victory.

Wednesday the girls softball squad evened their record to 1-1 by burying Greenhills 23-4. The pitcher of record was Nancy Egier as her team-mates really peppered the ball: Carol-Rose collected a single, a double and a 3-run homerun, driving in seven runners; Deanna Clark had three hits, while Pam Knickerbocker and Linda Rose posted 2 hits each.

Thursday was a pretty busy day with three activities going. First we had our girls track team winning its third straight meet by downing Hudson 69-54. The top place winners were: Shot put, Deanna Clark; discus, Deanna; 110 low hurdles, Michelle La Rock; 100 yard dash, Gretchen Platt; mile, Carol Buss; 880 relay, Kristie Kempher, Pam Martin, Michelle, and Gretchen; 440, Dawn Eversole; 440 relay, the same foursome as the 880—Kristie, Pam, Michelle and Gretchen; 220 dash, Gretchen; and the two-mile, Allisand Thompson. Unfortunately, our boys lost a close track meet with this one going Hudson's way, 68-64. In basebal, again we brought home a winner as the boys shut out Vandercook Lake 6-0. Winning pitcher Jeff Geiger had quite a day as he struck out 6, walked 2, got 3 RBI's himself. Dan Burch grabbed the other RBE's. Todd Quayle and John Alexander greeted the ball and sent it for 2 doubles each.

I will have more information for you next week on this Monday's happening, but in short, Rick Stetler went all the way against Addison, winning 8-1, so our baseball squad is 4 and 0. As I watched the boys, I kept glancing at the girls track team, who won their fourth meet, beating Vandercook Lake, 67-56.

Chelsea Cancer Society Present "Afternoon Delight"

As one of its fund-raising events Chelsea Chapter of the American Cancer Society has planned a Spring Fashion Show for Saturday, May 5th from 2-4 p.m. to be held at Chelsea High School Media Center. Along with the fashions "Dessert Delicacies" will be served. Fashions will be furnished by Vogels & Fosters of Chelsea. Tickets are available at Vogels & Fosters, Main St., Chelsea.

Lambda Nu

Candlelight and flowers set the tone for our April 18th meeting hosted by Darlene Kuebler. Seven young women became Ritual of Jewels members of Beta Sigma Phi at this ceremony. They are Betty Mann, Sharon Day, Shirley Lowery, Paula Dettling, Pat Buono, Karen Stautz and Kathy Roberts. They each received a yellow rose (symbol of Beta Sigma Phi) and a Ritual of Jewels pin and a welcome handshake and hug from Lambda Nu members.

Coming events include Founders Day on May 2 at the Moose Hall in Adrian, the Mothers Day Tea on May 12 at Win Schulers in Jackson, the March of Dimes Walkathon on April 28th and dinners for Senior Citizens on April 24 and May 10.

Betty Mann and Sharon Day had the program for the evening on Estate Planning. They had a speaker, a lawyer, Mrs. Susan Westerman, who was very informative about estate, wills, trusts, etc. She talked of many things important to us but which are often neglected.

Next meeting is May 7 at Gail Whittings.

Boys Track

Last week on Tuesday, April 17, Manchester's Boys Track Team defeated Grass Lake with a final score of 66-65. The young Dutchmen performed well as all the seniors, except two, were on the Senior Trip. Some of the underclassmen who came through with good performances were: Karl Sauter and Mike Schaible in the quarter mile; Ed Achtenberg and Paul Stancato in the distance runs. Our weight men Dana Clark, Gary Daniels and Bill Hagerman performed strong, coming back from their spring break. Good leadership and performance was displayed from our two seniors, Steve Eversole and Tom Tassie.

On Thursday, April 19, Hudson defeated the Dutchmen with a score of 68-64. In this meet, the Dutchmen won all three relays. There were a number of personal records in this meet: Tom Tassie received P.R. in the high hurdles, he was the lead off leg of the mile relay and performed very well in the 330 low hurdles.

Bill Hagerman earned his personal records in the shot put and discus. Gary Daniels also earned a P.R. in the discus. Paul Stancato received his in the 1600 meter run. Jeff Pratt earned his P.R. in the 200 meter run. John Miller ran the 800 meter run and earned a P.R. Ed Achtenberg and Kyle Norgaard earned Personal Records in the 3200 meter run.

Although we were defeated, Coaches Brink and Fitzgerald were not disappointed as they felt the team worked together and hard.

Saturday, April 21, Manchester placed 4th out of 18 schools at the Springport Invitational. Terry Rowe was first in the

long jump, and was the lead off leg of the 880 team which placed 2nd, and the 440 team which placed third, he received 3 medals. Steve Eversole took a second in the 880 yard run and was a member of the 880 relay team. Tom Tassie was also a member of the 880 relay team and achieved a 3rd place in the 330 low hurdles.

The other members of the 880 relay team were Brian Broucek, who was also a member of the 440 relay team. John Mooneyham and Gary Daniels were the 3rd and 4th members of the 440 relay team.

This week the Manchester team will be in it's entirety once again and looking forward to good performances, at Pinckney on Tuesday and Onsted on Thursday, both are away meets.

Clinton Relays will be on Saturday.

Donkey Basketball Game

Come one, come all! Join the fun and laughter of the ever famous, Donkey Basketball competition.

There will be 4 hilarious games, with the Manchester FFA, the Manchester Co-op, and the Chelsea Co-op, as participants. The date is April 30, at 8 p.m. The place is the Manchester High School gym.

Pre-game tickets are a bargain at \$1.50 per student, and \$2.00 per adult. At the door prices are \$2.00 per student and \$2.50 per adult. Tickets may be purchased from any Manchester FFA member.

Who will be triumphant? The Manchester FFA, the Manchester Co-op, the Chelsea Co-op, or the other jackasses?

Girls' Track

On Thursday, April 19, the Manchester Girls Track downed Hudson 69-54 to put their record at 2-0 in L.C.A.A. and 4-2 overall.

The Dutch were led by Gretchen Platt who won the 100 yd. dash, 220 yd. dash and was in both the 440 relay and 880 relay. Michelle LaRock won the 110 yd. low hurdles and was in the 880 relay and 440 relay. Carol Buss won the mile in 6:09.2 and Allysande Thompson won the 2 mile in 14:31.3.

Jean Ann Wahl and Lisa Huber made their first appearances of the year in the 2 mile run and did well.

This meet was run without the Seniors and at one time the Dutch were down 18 to 0 and came flying back. The highlight of the meet was the Manchester's sweep of 100 yd. dash as Gretchen Platt, Kristie Kempher and Pam Martin finished in that order.

On Monday, April 23, the Lady Dutchmen won their 4th straight meet by downing Vandercook Lake 67 to 56. Senior Karla Taurainen led the Dutch with 2 first (discus - high jump) and a 2nd in the Shot put. Michelle LaRock and Gretchen Platt each won twice. Michelle both hurdles and Gretchen both dashes. The meet highlighted a sweep of 400 meter dash with Kay Eversole, Dawn Eversole and Laura Honer finished in this order.

School records were set by Carol Buss in the 1600 meters (1 mile time) of 6:05.5 and the Mile Relay Team of Kay Eversole, Laura Honer, Carol Buss, and Dawn Eversole. She smashed the time of 4:36.33

by running a 4:29.3. Thursday, April 26, Manchester returns to League action by hosting the Onsted Wildcats and Saturday they will journey to the prestigious Grass Lake Relays.

Medal Winners

Our girls went to Athens on Saturday and came back with 18 medals and set 2 school records. Records were set in the 880 yd. relay; as Kristie Kempher, Kay Eversole, Michelle LaRock and Gretchen Platt bettered the 1:56.8 mark by running a 1:53.6; the 440 yd. relay of Kristie Kempher, Pam Martin, Michelle LaRock, and Gretchen Platt bettered the :54.7 time by running a :54.0.

Other medal winners were the Shot Put Relay; of Karla Taurainen, Deanna Clark, and Kristie Kempher; the Discus Relay of Karla Taurainen, Deanna Clark, and Dawn Eversole; the Frosh 440 Relay, Pam Martin, Kay Eversole, Jenny Feldkamp and Carol Schaible.

Card of Thanks

I sincerely wish to thank all my relatives, friends, and neighbors for the masses, prayers, beautiful flowers, cards, plants, and the food brought to my home. Special thanks to those who brought my meals every day and the pleasant times they spent with me.

John Deere
200 Series Tractors
with variable-speed
drive let you
change ground
speed on
the go

Match tractor speed to the job at hand with a John Deere 200 Series Tractor. A 4-speed transaxle with variable-speed drive lets you slow down or speed up within each gear without reducing the working speed of power-operated implements. There's no shifting... no clutching. Just push the variator lever forward to increase forward travel speed, pull it back to slow down.

And 200 Series Tractors come in a variety of models to fit your needs and budget. Choose from the 10-hp 210, the 12-hp 212, the 14-hp 214 and the new 16-hp 216.

All feature an adjustable high-backed seat, roomy operator's area, and a fully enclosed engine for comfortable, quiet operation. For safety, there's a triple-safety starting system to guard against accidental starts. Easy-to-identify color-coded controls. And a switch that automatically shuts off the engine if you leave the seat with the PTO engaged.

Come in soon for a 200 Series test drive. We also carry a variety of implements to make your tractor even more versatile.

See us today for a 200 Series Tractor

Stuart D. Sussman Recognized By National Society

Stuart D. Sussman, Operations Systems Coordinator in Hoover Universal's Blowmolding Machinery Division located in Manchester, has been recognized as a Fellow by the American Production and Inventory Control Society.

In achieving this prestigious standing, Sussman was required to take and pass four of the five written examinations offered by the society's certification council. These examinations tested his knowledge and understanding in the areas of: Shop Floor Controls, Material Requirements Planning, Capacity Planning and Control, Forecasting, and Inventory Management. The examinations were administered by the Educational Testing Service of Princeton, New Jersey.

The American Production and Inventory Control Society is an international organization with over 27,000 members organized in chapters in most major cities in the United States, Canada and Mexico. Sussman joined Hoover Universal in October 1978 and is responsible for all computer systems in the Blowmolding Machinery Division related to manufacturing, sales and engineering. The Division presently is installing a computer-based, integrated production and inventory control system.

A 1967 graduate of Case Western Reserve University, Cleveland, Sussman received a Master of Business Administration degree from that institution in 1976. Prior to joining Hoover Universal, Sussman was Supervisor, Inventory Control for the Elwell-Parker Electric Co., Cleveland.

Hoover Universal, Inc., a Fortune 500 company, has leading positions in the automotive, shelter, packaging, plastics-working machinery and general industrial markets. The company employs about 9,000 people in 50 manufacturing plants in the United States, Canada, England and Spain.

What's Happening In Our Schools

Pleasant Lake Third Grade
Our gym teacher got married and her new name is Mrs. Coyle.
We made the Michigan State Seal for Social Studies.

We are going to Lansing on May 4th for our yearly field trip.
Mr. Tubaug plays kick ball with us at recess.

We watched the men move our old library building to Klager School where it will become a special classroom.

We can now sing three verses of America the Beautiful.

We had a Tornado Drill today.

Troy Lantis-fishing and hunting.

Mr. Tubaug-working outside in the yard.

PIONEER DAYS

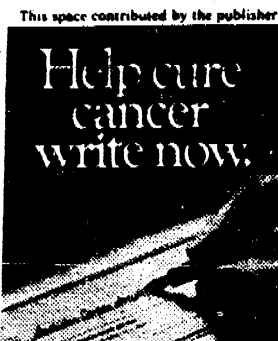

On Tuesday, the fifth graders enthusiastically began their special pioneer day activities. During this three week unit the students will have a chance to try for themselves many of the things the pioneers did in their daily lives.

First week activities include crocheting, samplers, candlemaking, quilting, baler twine angels, banner making, herbs and dyes, models and displays, cooking, stenciling, and stuffed toys. All projects will be on display at the open house and program on Thursday, May 10.

Please join us at the Middle School that evening!

Art Guild Offers Watercolor Class

The Manchester Art Guild is offering a six week course in watercolor for beginning and advanced painters. Various materials will be discussed and commonly used techniques will be explored in this course. The classes will be held on Wednesday nights from 7:30 to 9:30 at the Emanuel United Church of Christ. They will meet for six weeks starting May 2 and running through June 6. Tuition for the course is \$15.00 for Manchester Art Guild members, and \$20.00 for non-members. Please call 428-7730 days, or 428-7238 eves. to register for the course.

Thanks to your help, the tide is beginning to turn.

The past few years have brought new discoveries in chemotherapy.

And new diagnostic techniques that combine the "eyes" of X-ray machines with the "brains" of computers. And successful new programs of combination therapies.

And there are promising reports coming in from research laboratories all over the world.

We now have everything we need to save about half the people who get cancer.

Please don't quit on us now.

AGRICULTURE UNDERSTANDING DAY

As more Americans get further and further away from the farm, rural citizens become concerned about how well they and their business are understood. It's true that surveys taken from time to time show that city people think well of farmers. One such survey taken last year shows that farmers are thought of as good, honest people—the salt of the earth—hard-working, and who don't earn as much as they should.

On the other hand, over half of those interviewed in a more recent survey (54 percent) think that a consumer boycott of beef would lower the price, and if a boycott were organized, 51 percent said they would join it.

Such thinking as this would actually be a sign from the consumer to the beef producer that they don't want more beef and, therefore, instead of rebuilding herds

as is now beginning, producers will hold back, and prices will remain high.

Because of this and many other misguided conceptions about farmers and farming, Farm Bureau Women in Michigan have set aside Monday, April 30, as Agriculture Understanding Day. Governor Milliken has signed a proclamation to make this Day official and urges "all citizens to recognize the positive impact farmers have had on the growth of this state and nation." During this one-day event, farmers will be taking part in a number of activities to share the "story of agriculture with their urban consumers—farm tours, radio shows, luncheons with city folks, distributing flyers at supermarkets.

They'll be talking about beef prices, the need for farmers to use chemicals in order to feed a growing population, the necessity of having worldwide markets opened to U.S. farm products, and the problems that farmers face with inflation. Inflation is the number one problem for all of us, and is doubly hard on the farmer and his family because they buy everything those of us in town have to purchase—plus machinery, seed, chemicals, fuels, and all the other production items needed to produce food.

Take time on April 30 to listen to these special people. You'll broaden your understanding of the challenges they face in keeping your grocery carts filled—and you'll also discover how many common concerns you share.

April 30th - Deadline For Set-Aside Program

April 30th is the deadline date for the 1979 Feed Grain and Wheat Set-Aside Program Sign-up!

Twenty percent of the Washtenaw County farmers have signed up to leave 4,185 Acres as Set-Aside and will plant over 20,000 acres of corn and have 4,600 acres of wheat besides other Normal Crop Acre grains.

There is only one week left. However, all farmers should sign up for protection of crop and income according to Earl Dolezky, Chairman of the Washtenaw County ASC Committee.

Flying Dutchmen T-Shirts on Sale

MANCHESTER FLYING DUTCHMEN T-shirts are on sale. The Senior class is selling the shirts as their last money making project before graduation. The shirts are gold with maroon printing. They come in boys sizes, small-extra large, and mens sizes, small-extra large. The shirts are on display at the High School and Middle School. The cost is \$4.00 which must be paid when placing order, preferable check or money order. They will be on sale April 23-27 at the High School or Middle School, or call Lori England at 428-8800.

Enlists In Air Force

Patricia M. Carlson, daughter of Mr. and Mrs. Roy Carlson of 18500 Burtless Road, on April 4, 1979 enlisted in the U.S. Air Force's Delayed Enlistment Program, according to SSgt. Edward J. Lehmann, Air Force recruiter.

Carlson, a 1978 graduate of Sussey Central High School, Georgetown, Delaware, is scheduled for enlistment in the regular Air Force on June 6, 1979. Upon graduation from the Air Force's six week basic training course, she will receive technical training as a Missile Systems Maintenance Specialist.

She will be earning credits toward an Associates Degree through the Community College of the Air Force while attending basic and other Air Force technical training schools.

THE AUTO-OWNERS INSURANCE COMPANY IS PASSING ON THAT SAVINGS TO YOU IN THE FORM OF REDUCED RATES, EFFECTIVE MARCH 28, 1979. YOUR RENEWAL POLICY WILL REFLECT THE DECREASE.

IF YOU ARE NOT INSURED WITH US NOW, CALL OR COME IN. WE WILL BE HAPPY TO GIVE YOU A PROPOSAL ON YOUR HOME.

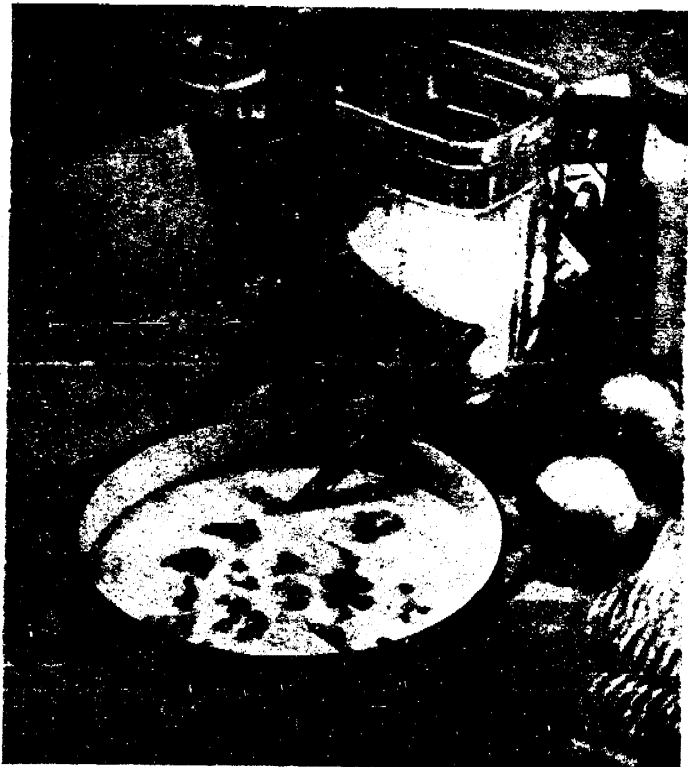

OATS AS A THICKENER

Ground Oat Flour and wholegrain oats can be used to thicken soups, gravies, sauces, stews and puddings. Ground Oat Flour can be substituted directly for all-purpose flour when thickening.

Because it is wholegrain, Ground Oat Flour is not as highly refined as all-purpose flour. White sauces will tend to have a creamier color and not as smooth a texture.

Gravies, cheese sauces, soups and stews will not look or taste very different but will be more nutritious.

One advantage of thickening with wholegrain oats or Ground Oat Flour rather than all-purpose flour is that you can use in both cold and hot liquids. Wholegrain oats thicken cold liquids as they chill several hours or overnight.

- ### BEER 'N CHEDDAR CHOWDER
- | | |
|-----------------------------------|---|
| 1/2 cup chopped onion | Dash of cayenne |
| 2 tablespoons butter or margarine | 2 cups milk |
| 2 cups shredded carrot | 2/3 cup Ground Oat Flour* |
| 2 cups water | 3 cups (12 oz.) shredded sharp Cheddar cheese |
| One 12-oz. can beer | 4 crisply cooked bacon slices, crumbled. |
| 1 chicken bouillon cube | |
| 1 teaspoon salt | |

Saute onion in butter in 4-1/2-qt. Dutch oven. Add carrot, water, beer, bouillon cube, salt and cayenne. Bring to a boil over medium-high heat. Cover; simmer about 5 minutes. Combine 1/2 cup milk with oat flour, mixing until well blended. Gradually add oat flour mixture, stirring constantly, to simmering liquid; add remaining milk. Continue cooking, stirring occasionally, about 5 minutes. Add cheese; continue cooking 1 to 2 minutes or until cheese is well blended and melted, stirring constantly. Sprinkle with bacon to serve. *Makes about eight 1-cup servings.*

VARIATION: Substitute 1-1/2 cups apple juice and 1 tablespoon Worcestershire sauce for beer.

- ### *GROUND OAT FLOUR
1. PLACE 1-1/4 cups Quaker Oats (quick or old fashioned, uncooked) in blender or food processor.
 2. COVER; blend about 60 seconds.
 3. USE for baking, breading, thickening or dredging and browning. (When used in baking, substitute up to, but not more than, 1/3 of the all-purpose flour called for with oat flour.) *Makes about 1 cup.* Can be stored in tightly covered container in cool dry place up to 6 months.

Saline Hospital Offers Class on Diabetes

As a part of the standard of health care at Saline Community Hospital, all diabetic patients are given health education. This service is now being extended to the community.

On Monday, April 30, 1979 at 1:30 p.m. the Hospital will conduct its first formal class for diabetics. The course will consist of four sessions, Monday through Thursday from 1:30 p.m. to 2:30 p.m. in the Saline Community Hospital Classroom. These classes will be held weekly. Anyone interested in learning more about diabetes, is encouraged to attend.

The course includes lessons in such subjects as foot care, diet, diabetic medications, exercise, and handling stress.

Teaching the classes will be a team of professional health care workers from the Hospital staff. For more information, call Saline Community Hospital at 429-5435. There is no charge for these classes and no pre-registration is necessary. Questions regarding the program may be directed to the following instructors at the Hospital: Mrs. Ruth Sissom, R.N., Education Coordinator; Mrs. Mary Tait, Dietitian; Dr. Greg Miller, Pharmacist; Mr. John Ivanoff, Physical Therapist; and Mrs. Cindy Bruhnson, Occupational Therapist.

Boy Scouts Launch Drive For New Service Center

The Wolverine Council, Boy Scouts of America, which includes the counties of Lenawee, Monroe, Washtenaw and Livingston, has revealed plans for a new scout service center to be located in Ann Arbor.

The capital campaign to raise \$490,000 was kicked off at a Tuesday morning breakfast meeting by Bruce Benner, General Campaign Chairman and President of Ann Arbor Bank and Trust Co.

The new facility is to be built on three acres of land bought by the Council and located on Huron Parkway, just north of Washtenaw Avenue in Ann Arbor. The structure will replace the present rented Service Center at 2163 W. Stadium Blvd. which has become inadequate to perform necessary functions.

In 1978 the Wolverine Council developed and directed programs for 8,891 registered young people and 2,957 volunteer men and women in the four counties. These figures compare with roughly half that number served when the facility was opened 16 years ago.

The search for a new building began over four years ago; but, since no existing structure proved suitable, the Council decided to design and build a facility which

would serve their needs well into the future.

The plans for the new 6,000 sq. ft., one-story structure have been developed by Hobbs & Black Associates of Ann Arbor. The costs for the new center are broken down at \$26,000 Land, \$32,000 Site Development, \$300,000 Construction, \$45,000 Furnishings & Equipment, \$48,000 Contingencies, \$22,000 Professional Fees, \$8,000 Campaign, \$9,000 Other.

Support is being sought from three sectors: 50% business, 30% foundations and 20% private donors.

The council chose not to hire professional fund raisers for the campaign since receiving enthusiastic support from community leaders serving on an advisory committee. George W. Griffith is Honorary Chairman of the campaign. Mr. Griffith is General Manager of the Hydramatic Division, General Motors Corporation. A past president of the Washtenaw United Fund and 1975 chairman of Tuberculosis of Washtenaw County, he is currently on the Development Council of St. Joseph Mercy Hospital of Ann Arbor.

Robert F. Perry is Washtenaw County Chairman. Mr. Perry is Director of Reliability, Hydramatic Division, General Motors Corporation. A member of the Ypsilanti Chamber of Commerce and of the Saline Township Planning Commission, he has been active in Scouting for many years. The Campaign Executive Committee also

includes Gunder A. Myran, Council President; Donald R. Hall, Council Scout Executive; Dan H. Butler, Council Vice President, Finance; Nelson R. Deford, Campaign Manager and Richard A. Buckheim, Campaign Promotion Chairman. Construction is scheduled to begin in September of this year.

Kindergarten Registration At Clinton

Clinton Elementary School shall have their Kindergarten Registration Program on April 27, 1979, in the Multi-Purpose Room in the Elementary Building.

Those parents registering for children living in the country and planning to ride a bus in September should come at 8:30 A.M. for registration and attend program to follow at 9:10 A.M.

Registration for children living in or near the Village of Clinton and planning to attend the afternoon session in September should come at 12:30 P.M. with program to follow at 1:10 P.M.

A birth certificate is required at the time of registering. If you do not have one for your child, it may be obtained at the County Court House in the county where your child was born. Please do not confuse the legal birth certificate with a hospital certificate. The hospital certificate is not acceptable.

The informative program being planned shall provide an opportunity for parents to visit with the school personnel and persons working closely with the Elementary School.

If you have a child who shall be 5 years old on or before December 1, 1979, circle April 27th on your calendar and plan now to attend this pre-kindergarten registration.

For further information, please call the Clinton Elementary Office at 456-7441, extension 34.

Now, more than ever, you should know where your money is going.

These days every dime is important. With a BanClub checking account you know where every dollar went and for what purpose. With a BanClub checking account you never have a minimum balance problem and you are given all the checks you need; \$10,000 in accidental death insurance is part of the program as well as the privilege of cashing a personal check across the nation and more, a great deal more. All this for a small monthly membership fee.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING ON AN AMENDMENT TO THE FREEDOM TOWNSHIP ZONING ORDINANCE

TAKE NOTICE that the Freedom Township Planning Commission shall hold a public hearing on the 30th day of April, 1979, at 8 o'clock in the evening for the purpose of considering an Amendment to the Freedom Township Zoning Ordinance to provide for "special land uses", "planned unit developments", conditions to be imposed thereon, administration of the Ordinance, site plans, non-conforming use, discretionary actions, improvements, and appeals, and violations thereof. The tentative text of the Amendment may be examined at 11361 Pleasant Shore Dr., Manchester, Michigan, during regular business hours 4 P.M. to 9 P.M. Freedom Township Planning Commission Lynn Voegeding, Secretary

LEGAL NOTICE

FREEDOM TOWNSHIP ZONING BOARD OF APPEALS
NOTICE OF PUBLIC HEARING

Take notice that Freedom Township Zoning Board of Appeals will hold a public hearing for a variance from the provisions of the Freedom Township Zoning Ordinance on a parcel of property described as follows: A part of the east half of the northeast quarter of Section 21, Town 3 South, Range 4 East, Freedom Township, Washtenaw County, Michigan, described as: Commencing at the northeast corner of Section 21, Town 3 South, Range 4 East; thence south 87.75 feet in the east line of Section 21; thence north 67 degree 17' west 163.80 feet in the southerly line of Pleasant Lake Road for a piece of beginning; thence north 1 degree 17' west 541.90 feet; thence north 89 degree 20' west 213.59 feet; thence north 6 degree 58' 30" east 607.49 feet; thence south 67 degree 17' east 164.83 feet in the southerly line of Pleasant Lake Road to the place of beginning.

Meeting to be held on May 1, 1979 at 8:00 P.M. in the Freedom Township Hall. FREEDOM TOWNSHIP ZONING BOARD OF APPEALS

LEGAL NOTICE

State of Michigan
The Probate Court for the County of Lenawee

Estate of Katherine Merz, a/k/a, Anna Katherine Merz, Deceased.
File No. 33643
TAKE NOTICE: On May 15, 1979, at 9:00 A. M., in the Probate Courtroom, in the City of Adrian, Michigan, before the Hon. C. Ralph Kohn, Judge of Probate, a hearing will be held on the Petition of Albert Merz for probate of a purported will of the deceased dated November 26, 1975, for granting of administration to Albert Merz, or some other suitable person and that a determination of heirs be made.

Creditors of the deceased are notified that all claims against the estate must be presented said Albert Merz and proof thereof with copies of the claims filed with the Court on or before July 2, 1979. Notice is further given that the estate will thereafter be assigned to persons appearing of record entitled thereto.

Dated: April 17, 1979

GROUND BROKEN FOR FIRE HALL

L to R: Carl Macomber, Lyle Widmayer, Clarence Fielder, Wilma Lutz, Dorothy Burch, Manchester Township Board Members.

Dignitaries present included David Little, Village President Jeff Schaffer, Reverend Sharai, William Hobbs, Architect of Hobbs and Black; Contractors John Wacker and Charles Tuthill, of Wacker & Tuthill.

Manchester Township Volunteer Firemen present-Front Row: James Kensler, Chief; Gale Koebbe, Asst. Chief; Lawrence Scheid, Former Chief; and Herbert Widmayer, Secretary.

Annual Canoe & Boat Race May 27

The annual Canoe & Boat Race will be held Sunday, May 27 at 1:00 p.m. Again this year, will be featured the sprint race from the Main Street Bridge up the Mill Pond and back down to the bridge. There will be two classes, boats and canoes. Entries may be made at Gambles Store. More information to follow, watch the Enterprise.

Ceremonies for breaking the ground for the new Township Fire Hall and Offices took place on Sunday, April 29, 1979 at 2:00 P.M. After an invocation by Rev. Sharai, David Little introduced several dignitaries, who each acknowledged the importance of this undertaking by the people of Manchester, with short statements pertinent to the occasion.

The ground was actually broken by the Manchester Township Supervisor, Clarence Fielder, and by James Kensler, Fire Chief. Excavation will begin within two weeks, with completion expected about the 1st of December.

"DIE BAURENSTUBE"

Dine in authentic German atmosphere at Die Bauernstube in Manchester. The interior decor features hand painted Bavarian Village scenes, wooden motifs, hand cut on the wall, and a charming tiled fireplace.

Die Bauernstube, or Farmers Parlor, combines the old German idea of a setting room or inn and has been open since March 2 catering to the local people. Serving German and American cuisine, Dieter Klinge, chef, offers a selection of 19 entries on the dinner menu.

Bob and Annette Lawson, Gene Masher and Klinge are partners in Manchester's newest enterprise, with Klinge serving as **IN RETROSPECT**

We as a people, believe in signs and portents... in our "medicine men"... as much as the Indians and the African natives did. But along with this, we, most of us, believe in a supreme being and are somewhat faithful to our church and its denomination. But many of us, deep down in our hearts, have an ingrown fear of anything we don't quite understand... anything about which we don't have all the facts.

We faithfully read our horoscopes, we look to see over which shoulder we see the new moon. We check the lines in our palms, we watch out for various signs and portents—even unto the black cats which cross our paths—and then we act accordingly.

We do not, however, reason things out. We act too often on emotions and not on the facts and we do not consider how these things will affect us as a group, a town, a state or a nation. This is perhaps the biggest stumbling block to our progress, individually or as a unit.

This dissertation was brought about by the reading of "American Odessey", by Robert Conot, which is a history of the growth and vicissitudes of Detroit, but which is also a most comprehensive history of this entire area—a most interesting and complete story.

One chapter in this book narrates the story of the building of the railroad from Detroit to Chicago in the 1850's. Inhabitants of the communities through which it passed were very concerned about its derogatory effects. Tavern and stage coach owners were perhaps the most upset of all.

The center of the opposition was at Jackson and Marshall. Tracks were greased, switches jammed, trees felled across the rails, and in November 1850, a large freight house in Detroit was burned.

In April 1851, U.S. Marshals loaded some **Continued on page 7**

manager as well as chef. Mr. Klinge, a native of Herford, Germany, a small village near Hanover, has been in this country since February of this year. He had previously been in the states from 1964 to 1968 holding the position of chef at various restaurants.

He will present a variety of German Tortes, including Black Forest Torte and Chocolate Layer Torte, starting Mother's Day, Sunday, May 13. A choice of at least 2 or 3 will be available daily.

Die Bauernstube also has facilities for banquets.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. L. James Kensler, 309 Territorial, Manchester are announcing the engagement of their daughter, Kyle Lynn to Robert Keith Johnson, son of Mr. and Mrs. Alton Horning, 11928 Pleasant Lake Rd., Manchester.

The bride-elect is a 1977 graduate of Manchester High School, works at Chelsea Community Hospital and attends school at Washtenaw Community College.

Robert is a 1976 graduate of Chelsea High School and works at Fiast-Sprague Buick-Olds Car Dealership. He graduated from Washtenaw Community College in the Auto Mechanics Program, December 20, 1978.

The couple are planning an October 6, 1979 wedding.
