GROUND BROKEN FOR FIRE HALL

L to R: Carl Macomber, Lyle Widmayer, Clarence Fielder, Wilma Lutz, Dorothy Burch, Manchester Township Board Members.

Dignitaries present included David Little, Village President Jeff Schaffer, Reverend Sharai, William Hobbs, Architect of Hobbs and Black; Contractors John Wacker and Charles Tuthill, of Wacker & Tuthill.

Manchester Township Volunteer Firemen present-Front Row: James Kensler, Chief; Gale Koebbe, Asst. Chief; Lawrence Scheid, Former Chief; and Herbert Widmayer, Secretary.

Annual Canoe & Boat Race May 27

The annual Canoe & Boat Race will be held Sunday, May 27 at 1:00 p.m. Again this year, will be featured the sprint race from the Main Street Bridge up the Mill Pond and back down to the bridge. There will be two classes, boats and canoes. Entries may be made at Gambles Store. More information to follow, watch the Enterprise.

Ceremonies for breaking the ground for the new Township Fire Hall and Offices took place on Sunday, April 29, 1979 at 2:00 P.M. After an invocation by Rev. Sharai, David Little introduced several dignitaries, who each acknowledged the importance of this undertaking by the people of Manchester, with short statements pertinent to the occasion.

The ground was actually broken by the Manchester Township Supervisor, Clarence Fielder, and by James Kensler, Fire Chief.

Excavation will begin within two weeks, with completion expected about the 1st of December.

"DIE BAURENSTUBE"

Dine in authentic German atmosphere at Die Bauernstube in Manchester. The interior decor features hand painted Bavarian Village scenes, wooden motifs, hand cut on the wall, and a charming tiled fireplace.

Die Bauernstube, or Farmers Parlor, combines the old German idea of a setting room or inn and has been open since March 2 catering to the local people. Serving German and American cuisine, Dieter Klinge, chef, offers a selection of 19 entries on the dinner menu.

Bob and Annette Lawson, Gene Masher and Klinge are partners in Manchester's newest enterprise, with Klinge serving as **IN RETROSPECT**

We as a people, believe in signs and portents... in our "medicine men"... as much as the Indians and the African natives did. But along with this, we, most of us, believe in a supreme being and are somewhat faithful to our church and its denomination. But many of us, deep down in our hearts, have an ingrown fear of anything we don't quite understand... anything about which we don't have all the facts.

We faithfully read our horoscopes, we look to see over which shoulder we see the new moon. We check the lines in our palms, we watch out for various signs and portents-even unto the black cats which cross our paths-and then we act accordingly.

We do not, however, reason things out. We act too often on emotions and not on the facts and we do not consider how these things will affect us as a group, a town, a state or a nation. This is perhaps the biggest stumbling block to our progress, individually or as a unit.

This dissertation was brought about by the reading of "American Odessey", by Robert Conot, which is a history of the growth and vicissitudes of Detroit, but which is also a most comprehensive history of this entire area-a most interesting and complete story.

One chapter in this book narrates the story of the building of the railroad from Detroit to Chicago in the 1850's. Inhabitants of the communities through which it passed were very concerned about its derogatory effects. Tavern and stage coach owners were perhaps the most upset of all.

The center of the opposition was at Jackson and Marshall. Tracks were greased, switches jammed, trees felled across the rails, and in November 1850, a large freight house in Detroit was burned.

In April 1851, U.S. Marshals loaded some **Continued on page 7**

manager as well as chef. Mr. Klinge, a native of Herford, Germany, a small village near Hanover, has been in this country since February of this year. He had previously been in the states from 1964 to 1968 holding the position of chef at various restaurants.

He will present a variety of German Tortes, including Black Forest Torte and Chocolate Layer Torte, starting Mother's Day, Sunday, May 13. A choice of at least 2 or 3 will be available daily.

Die Bauernstube also has facilities for banquets.

ENGAGEMENT ANNOUNCED

Retirement Party

A Retirement Party is being planned for Bob Clark who is retiring from Ford Motor Company. For information about his party call before May 7. (couple invited) Contact Donna Gill, Gambles 428-8422, Eugene Bentschneider, 428-8567 or Ted Roberts 428-8502.

OPERATION CLEANSWEEP

A state wide campaign is under way and is being sponsored by the Michigan United Conservation Clubs, for the purpose of cleaning up litter (bottles, cans, and trash), to beautify the Michigan highways and cities.

The cleanup was inspired by the implementation of Michigan's bottle bill last December, the deposit law provides an incentive to prevent new litter an "Operation Cleansweep" will clean up old litter.

Doug Esch of Saline (429-5508) and Gary Bennett of Ypsilanti (434-1997) are the coordinator's for the area outside of the Village of Manchester. The Scout Troop 426 under the Leadership of Alfred Sannes (428-7872) with the help of Mike Mouradian (428-6168) of the Ecology Club of the Manchester High School will have charge of the Village of Manchester.

Please contact anyone of these names to help. All clubs and organizations are extremely urged to help.

The week of the 6th thru the 12th of May will be the Cleansweep dates set for inside the Village.

Jaycee Auxiliary

On April 11, the Manchester Jayceettes enjoyed a delicious progressive dinner which started at the home of Barb McConnel. The group welcomed the newest member, Rita Culp, to the club.

Desserts for Senior Citizen's dinners were planned for the month of April. The Jayceettes will be cooking a light lunch for the Jaycees Millionaires Party on April 21. Easter eggs were colored for the Jaycees Easter egg hunt by Connie Pratt.

Cheryl Bunn thanked the girls for participating in the March Bloodmobile nursery. Chairperson Evelyn Panches was pleased to announce to the group that the Easter Egg Candy Sale was a big success and all the candy was sold.

New officers elected for the coming year were: President Janet McCully, Vice-President Barb Dunlap, Treasurer Barb McConnel, Secretary Cheryl Bunn, and Director Rita Culp.

The next general membership meeting will be held May 9 at which time the new officers will be installed.

Chelsea Cancer Society Present "Afternoon Delight"

As one of its fund-raising events Chelsea Chapter of the American Cancer Society have planned a Spring Fashion Show for Saturday, May 5th from 2-4 p.m. to be held at Chelsea High School Media Center. Along with the fashions "Dessert Delicacies" will be served. Fashions will be furnished by Vogels & Fosters of Chelsea. Tickets are available at Vogels & Fosters, Main St., Chelsea.

Senior Citizens Tax Rebate

Tax day has passed but people 65 and older are still eligible for tax rebates of up to \$1200 from the state of Michigan.

The Michigan Property Tax Rebate Program was enacted into law in 1973. Home owners, renters and residents of some nursing homes are eligible for the years 1977 and 1978.

Wilfrid De St. Aubin, Director of the Tax Aid Program sponsored by the Washtenaw County Council on Aging said "It's not necessary to file a state or federal income tax return to take advantage of this program."

"Our tax aides have helped over 5000 people in the county get back over two million dollars in the past six years", St. Aubin said. The Tax Aid Program is a free service of WCCOA and reaches out to senior citizen groups and the homebound to assist in filing the claim.

"Twenty-eight volunteers, mostly seniors, have been specially trained by the Treasury Department to give advice on how to fill out the forms and assist in making the calculations", St. Aubin explained. "My biggest thrill, he said, was when I helped an impoverished woman living in a nursing home get back \$600 a couple years ago." So far this year WCCOA has helped about 450 people.

"Our big concern, St. Aubin said, is that many people think the deadline on the tax rebate was April 16. When they really have two years to file their claim. The other thing we are worried about is that many seniors don't even know they can get money back."

Seniors wanting help or information may call 665-9625.

National Historic Preservation Week

The Ann Arbor Historic District Commission will be celebrating National Historic Preservation Week from May 6 to 12 this year.

The week will begin and end with walking tours through the city's historic Near Northeast Neighborhood, on Sunday May 6 and again on Saturday, May 12. Tours will begin both days at 1:00 p.m. at City Hall and will conclude with refreshments in the new fire station approximately 1 1/2 hours later. Admission is 50 cents per person.

In addition to the tours, there will be a plant sale at the Kempf House, 312 South Division Street on Friday, May 11 from noon until 6:00 p.m. and on Saturday, May 12 from 9:00 a.m. to 3:00 p.m. Music will be provided by the Ann Arbor Recorder Society and lemonade and cookies by Girl Scout Troop #185 from Eberwhite School. The event is sure to be pleasant!

Finally, Preservation Week 1979 will extend throughout May with three film-discussion programs planned for the second, third and fourth Thursdays of the month. Each program will be held in the Conference Room of the new fire station and will begin at 7:30 p.m.

Using films as introductions, panels of experts will discuss related preservation

issues. On May 10, after a showing of "Stockade", a film about neighborhood renewal in Schenectady, New York, the discussion will be on "Why Live in an Older House?". On May 17, the film will be "A Future for the Past", one of the first and still one of the best films on preservation in general, followed by a discussion on "Buying, Financing and Maintaining the Older Home". On May 24, Ann Arbor's well-known City Historian, Wytan Stevens, will introduce a discussion on "How to Date the Older House" with a slide talk on Ann Arbor architecture.

The public is most cordially invited to attend and join in the celebration of National Historic Preservation Week.

National Hospital Week

Saline Community Hospital will be celebrating National Hospital Week with 6,400 hospitals across the country the week of May 6-12. The theme this year is "We're Working For You." Not just in traditional ways, but in new ways too. We are part of a voluntary effort, a nation wide campaign to curb health care costs. Believe it or not, you can help too. Here are some of the simple things you can do. You can ask your doctor how you can keep hospital stays as brief as possible. You can ask your doctor about alternatives to stay in the hospital, like pre-admission testing and outpatient sur-

gery. Saline Hospital is now offering an Outpatient Surgery Program. You can take non-emergency problems to your personal physician instead of to a hospital emergency department. Finally, you can take better care of yourself and minimize your need for medical services. There is something we can do about the high cost of health care. If we work together.

Hands-On Museum

The Ann Arbor Hands-On Museum organization's first public display and participatory exhibit will be held on Saturday and Sunday, May 5 and 6, in the center court of Briarwood Mall in Ann Arbor, Michigan.

Featured will be a hands-on Medical and Health Exhibit, provided by C.S. Mott Children's Hospital. This main exhibit will be geared for actual viewer participation. Through handling and using various kinds of medical equipment and procedures, children and adults will have the opportunity to learn about the "hows" and "whys" of such things as: Physical Exams, X-Rays, Hospital room set-up, Devices used by handicapped to increase independence: leg braces, wheel chairs, crutches, and Basic first aid practices and CPR.

Trained personnel will be on hand to give assistance and answer questions.

Accompanying the medical exhibit will be a display to introduce the concept of the new, proposed Ann Arbor Hands-On Museum to the public. Photographic and three-dimensional displays will demonstrate how the hands-on approach is used in covering topics such as the arts, sciences, technology and history.

Pamphlets explaining the proposed Ann Arbor Hands-On Museum will be provided and members of the museum organization will be available to answer questions pertaining to the displays and the museum. Also included will be a visual presentation of the old Ann Arbor Firehouse - its past and its future. The firehouse, which was built in the 1880's, will be the home of the Ann Arbor Hands-On Museum.

This exhibit is free to the public and will be open between 10 a.m. and 9 p.m. Saturday and 11 a.m. and 5 p.m. Sunday. Briarwood Mall is located off I-94 at the Ann Arbor State Rd. exit.

University of Michigan students who expect their degrees this spring attended the University's commencement ceremonies April 28.

EMU DEGREES

Eastern Michigan University conferred degrees upon more than 1,300 students on April 21 at its 126th Spring Commencement. The graduation exercises were held in Bowen Field House on the EMU campus.

Some 970 seniors were candidates for bachelor's degrees and approximately 350 graduate students were eligible to receive advance degrees. From Manchester, Carol Ann Mick, 14195 Logan Road, BS; and William Walter Watson, 129 Schlewies Road, BBA were on the candidates list.

The Commencement Address was delivered by Dr. Ernest L. Boyer, U.S. Commissioner of Education.

Sports In Short - Last Week

by Jon Hardenbergh
 Again Mother Nature threw a tantrum causing a disruption in the schedules. Some news did get out last week and the good part is our boys' hurriers remained undefeated while the bad showed the girls softball squad falling.

Steve Melcher took the mound against the Morenci Bulldogs and disposed of them in near perfect fashion. Steve knocked them down 1, 2, 3 until the 7th when a Bulldog singled to center. Another opponent did reach base thru an error but Steve picked him off. All-in-all, he faced 22 batters, striking out 13 and walking no one. Supplying the offense with 2 hits each were Craig Rogers, Rick Stetler and Rick Krzyzaniak with Bob King and Craig knocking in the 2 runs in the 4th giving

Steve his edge 2-0. We now stand 4-0 with 6 of them being shut-outs.

The girls welcomed Morenci to their diamond and thru 4 innings things looked good for the reason we'd just brought 7 runners home to go up 8-3. But the Bulldogs hit us with something I don't imagine we know yet anyway by the time they got out of their half of the 5th Morenci had scored 16 runs and sailed on to win 22-3. Carol Rose and Bernie Fielder wacked 2 hits each as Deanna Clark cracked a triple.

Parent Group Forming

Manchester Community School District is one of only two school districts in Washtenaw county without a program for academically talented and gifted students. We believe such a program is needed and want to support the school district in establishing one. Concerned parents are joining together to create an association to promote programs for these students in the Manchester Community Schools.

An organizational meeting will be held Tuesday, May 8, in Room 116 at Manchester High School at 8:00 p.m. Members of the community who are interested in joining this association are encouraged to attend.

Further information can be had by calling Ed and Deanne Zyromski 428-9275 or Hal and Pat Settles 428-8118.

Time Changed On Orchestra Benefit Recital

The time of 2:00 P.M. Sunday, May 20th for the benefit recital to raise scholarship funds for orchestra students has been changed to 7:30 P.M. This recital will still be held in the Manchester Methodist Church.

Recipients of scholarship funds raised by this benefit recital will be attending one of four summer camps. Some will be attending Blue Lake, an old favorite of Manchester students. Again this year we have several students planning to attend the ASTA (American String Teachers Association) Camp held at Judson Collins camp in the Irish Hills.

A third possibility for students is a day

camp experience here in Manchester. The Manchester Junior Symphony will be announcing its Summer String Institute in the next week. String students from Chelsea, Saline, Adrian and Jackson will be invited to participate as well as our hometown crew.

Lastly, the University of Michigan is offering a 2 week day camp experience for string students. Car pools will be taking our young people in to the U of M campus for 2½ hours of fun and hard work!

It's always a special honor and added incentive to do really well when a student receives a scholarship. For some its a financial "must". For these reasons we hope tickets will sell like a #1 hit record and that lots of Manchester music buffs will turn out for the recital.

Orchestra students will have tickets to sell later this week. Prizes are being offered to top salespersons in each grade level.

RIVER RAISIN CLEAN-UP

The Manchester Village Association will be sponsoring a clean-up of the River Raisin in the area of Madison Street between the parking lots and K of C Hall.

All those willing to help in the clean-up effort should report to the end of Madison Street at 10:00 a.m. on Sunday, May 6th. Clean-up efforts will last until approximately 1:00 p.m.

Help make Manchester and the River Raisin beautiful. Bring your tools and your friends on Sunday at 10:00 a.m.

Alumni Banquet Date Set

The 102nd Alumni Banquet of the Manchester High School will be held on June 9th at 6:30 PM at the Methodist Church Hall. Stan Kemmer, Alumni President, says that special anniversaries will be held by the Classes of 1929, 1939, 1954 and 1969. Professional entertainment by the musical group "Force the Limit" will be featured and a large turnout is expected. A general announcement letter will be sent to alumni members next week and reservations may be made with Edna Diefenderfer. Also new Alumni books will be available from Lucille Williams.

Art And Musical Entertainment

On Friday, May 11, there will be an evening of Art and Musical Entertainment at Manchester High School.

The Art Show is from 7:00-8:00 and you may browse around again after the concert. Things such as drawings, paintings, batik, and weaving will be displayed. Items from Home Ec. and Shop will also be displayed.

The Varsity Choir and Chorus Concert begins at 8:00 and will end around 10:00.

The Varsity Choir will be singing songs from their Spring Concert Trip, and will join the chorus to present the songs sung earlier this year at the South Western Vocal Concert in Kalamazoo. Admission for the concert is \$1.50.

Don't miss out on this entertaining evening with the Art's.

Manchester Village Association

The monthly meeting of the Manchester Village Association will be held at 7:00 p.m. on Wednesday, May 9th at the Bauernstube Restaurant, lower level. All interested parties are encouraged to attend. Agenda items will include:

1. Reports from Executive Board Meeting.
2. Discussion on the functions of the four committees.
3. Set consistent time, place and date for meetings.
4. Tentative date for the street fair - August 11th.
5. Report on clean-up of river bank.
6. New Business - Discussion for formal membership, possible need for finance officer and secretary.
7. Other new business from the floor.

The Manchester Village Association: Cooperation through Communication.

thirty defendants onto a train and took them to Detroit to be tried for conspiracy.

Some 150 witnesses testified and the trial dragged on for several months. In the meantime a couple of the principals died, and eventually the case was dismissed. Soon after the completion of the railroad everyone could see very easily what its many benefits were. Jackson gained a great deal from this construction and by the late 1850's the economy of that city was based to a great extent, on its railroad "shops".

It seems to me that here and now we are confronted with, or soon will be, by several problems which will have a major effect on the nation, our state and our community. Unfortunately it seems that quite a number of the members of these bodies have formed opinions about many of these things by listening to our "witch doctors" some of whom, without any particular knowledge, have expressed opinions which are not facts, but propoganda with which they have convinced many of us.

We tend to believe, without reason, our prophets. Why can't we reason these things for ourselves. Just because something is new and different doesn't mean they aren't good. We hear too much about the "good old days" - they really weren't. We tend to remember the pleasant things and forget the others.

We are going to be forced to make intelligent decisions about many important everyday things. For example a new source of energy is needed right now and the evaluation of the practicality of nuclear energy has to be determined, and the steps which must be taken to halt inflation yet maintain our employment level and prosperity must be determined. We must all

update our thinking.

It seems that when the lunatic fringe stumbles across a problem that they can't or don't understand they letter a sign and "demonstrate". This action is good physical exercise but it solves no problems. To do that, requires mental effort.

Let's insure our future with logical answers to our problems. Let's be at least a bit smarter than the folks who protested the building of a railroad some 125 years ago.

Winners of "Evening On The Town"

The Manchester Co-op Nursery has announced the winners of our "Evening On The Town" raffle.

Our congratulations are extended to Mr. and Mrs. Ed Zyromski.

We would like to thank everyone who participated which helped to make our scholarship fund successful.

Art Guild To Have Bake Sale

A bake sale sponsored by the Manchester Art Guild will be held on Saturday, May 5 at the Union Savings Bank. Baked items of all different shapes and sizes will be available for Saturday morning shoppers to eat on the run, or to take home for the family. As you are looking over the large selection of baked goods, please keep in mind that any purchase you make will go toward helping the Art Guild bring quality art education to the community of Manchester. Bake sale hours are 9:00 a.m. to 12:00 noon. Thank you for your support!

Nursery Children Enjoy Concert

Last week was orchestra week for the Manchester Co-Op Nursery children. On Monday and Tuesday they learned about the string family and the different ways violins, violas, cellos and basses can be played. Mrs. Meade came to class with helpers from the 7th grade orchestra, Chad Creps, Jerry Post and Paul Meade. They demonstrated all the string instruments and gave the children a chance to try it for themselves.

Then on Thursday the nursery school came for a concert. Members of the 5th and 6th grade orchestras presented a program of fun childrens songs. A special guest was our master of ceremonies, Snoopy (of Red Baron fame), and his sleepy bunny pal, Loopy. (Thanks to Mrs. Creech and Mrs. Alber for making Snoopy and Loopy move and talk).

The best part of the concert was the "Twinkle Wands", an after-school project by the orchestra students, which everyone used at the end to direct the last song. What was that song you ask? Why Twinkle Twinkle of course!

Save Some Me Money!

Me Money! Money for a trip. Fun. You deserve it. But your budget is tight. Where do you get it? Squeeze it.

Squeeze it out of our budget. Impossible? Not really, here's how you can do it.

Put \$10 or \$20 a week in a \$1.77 per annum savings account at Great Lakes Federal Savings. Then as one leading financial columnist advises sharpen your shopping. You can save dollars every week on daily necessities by shopping "smart". Buy lesser known but quality brands. Shop for bargains. Cut back a half pack of cigarettes a day. Won't hurt you a bit. Take a bus occasionally out back on gas. Turn the thermostat down. Park your car and walk and save the parking bill. When you eat out pick lower cost meals. Make a family game out of it with the whole family. As you see your savings grow and your goal coming closer, it becomes exciting. Save some me money today.

Beta Sigma Phi Celebrates 48th Anniversary

Beta Sigma Phi, a social, cultural and service organization for women, plans the celebration of the 48th anniversary of its founding.

Beta Sigma Phi is the largest women's sorority in the world. Celebrations will take place in the 30 countries in which the organization's 250,000 members in over 12,000 chapters exist. The organization is non-academic, non-political and non-sectarian. The keynote to Beta Sigma Phi is friendship.

Chapters of five different degrees meet the growing needs of various age groups. Members are active in small chapter groups. Each chapter adapts the plans for social, civic, and service and cultural activities to fit the interests of its members. When Beta Sigma Phi events or civic endeavors are larger than one chapter can plan alone, all chapters in a city or area may combine their strength. There are state conventions each year which any member may attend.

Internationally, the chapters have created several special funds: The International Loan Fund, through which members help one another; The International Endowment Fund, which has donated over one million dollars to cancer research, cystic fibrosis, homes for underprivileged children, and many other causes; The Exemplar Fund, which helps to support Literacy Village in India; and a college scholarship fund for members or their sons or daughters.

The Founder's Day celebration on May 2, 1979, at Moose Lodge, Adrian marks the 48th anniversary of the founding. The organization was founded in Abilene, Kansas, by Mr. Walter W. Ross. The anniversary will be observed by the 5 chapters here

in Adrian, 2 in Tecumseh, 1 in Manchester, 1 in Hudson, 1 in Temperance and 1 in Monroe.

Janice Wojno, Xi Delta Sigma, is serving as chairman of the Founder's Day activities. The toastmistress for the evening is Jeannette Pfeffer, Beta Sigma.

Kay Patterson, Xi Delta Gamma, has been selected for the honor of presenting a special message from the sorority's president. She has received the message from the International office in Kansas City, Missouri. Awards will be presented to local members and outstanding members will be recognized.

4-H Youth News

Youth from the Manchester area walked away with most of the honors at the Washtenaw County 4-H "Share-the-Fun" Festival which was held Friday, April 27 at the Wylie School in Dexter, Michigan.

Participants from the Sharon Valley 4-H Club were Kelly and Shana Burke, Beverly Boyd and Susan Boyd Spellman, all sharing their talents in the variety show. Kelly made her debut doing a piano solo entitled, "The Pet Shop". Her older sister, Shana, also did a number on the piano entitled, "You Light Up My Life". Beverly Boyd's first number was a guitar solo-vocal medley, "Sit Down, Young Stranger" and "Memories". Later on in the program, Beverly and her sister, Susan, did a guitar-vocal duet of "Circles" and "The Sparrow Song". This duo act was one of the top five winners.

Budding young artists from the club, who contributed beautiful art works to the art show, were Betty Boyd, Shana Burke, Patty Fuller, Anna Heath and Judi Poet. Judi Poet received an honor ribbon for her pencil drawing of a frisky foal.

Many thanks and congratulations to all these talented young people. And many thanks, too, to all those who furnished all the cupcakes for the refreshment table.

Petra Moessner of Saline and Judi Poet of

Manchester were contestants at the 4-H Horse Jamboree Day at Michigan State University in East Lansing on Saturday.

Both Petra and Judi gave speeches in the Public Speaking Contest and Petra also did a demonstration.

This is an experience all 4-H members should undertake to help develop poise and confidence.

Both girls are members of the Sharon Valley 4-H Club.

There were winning acts from the Jolly Farmerettes 4-H Club and the Townline Workers 4-H Club from Manchester.

From the Jolly Farmerettes: "Love is with You Everywhere You Go" (Musical Drama), by Michelle Alber, Amy Bowers, Dawn England, Jenny Feldkamp, Christina Hunt, and Brenda Vedder.

"Jazz Dance" (Comedy Affair), Kim, Kelly, and Kerri Bristle from the Townline Workers 4-H Club.

Pleasant Lake School PTO Book Fair

Pleasant Lake School PTO is sponsoring an all day Book Fair Tuesday, May 8th from 8 a.m. until 4 p.m. and from 6 p.m. to 9 p.m. in Room 7 at Pleasant Lake School.

It's not too soon to think of your children's summer reading. And books are always great birthday gifts for children. Pre-school through junior-high age books will be available, provided for us this year through The Calico Cat.

Proceeds from the sale will go toward the purchase of several classroom dictionaries and books for the school's library. Plan to stop by and look over the wide selection.

Huron Valley Girl Scout Council

Western Washtenaw Area Association of Huron Valley Girl Scout Council invites all Girl Scout adults and girls 14 years and over to join them in a Potluck Buffet Supper at the Knights of Columbus Hall, 106 E. Madison, Manchester (next to the Post Office) on Thursday, May 3rd at 6:15 p.m.

This yearly event is held to show appreciation to the troop leaders, assistant leaders, and Troop Service Directors, and to everyone that helped with the Girl Scout Program in the past year. Election of Delegates, Nominating Committee members, and the Area Chairman will be held.

Our program will be "Let Us Travel" with Jill Piper of Dexter taking us to Spain where she attended an International Wider Opportunity event. Connie Gunther, Dexter, will give us a look at the National Convention held in Denver last fall, also a Wider Opportunity trip for the Senior Scout.

Please call Dianne Schwab, 428-8976, or Grete Skjaerlund, Chairman, 426-3294. Form car pools.

Notice

Refuse transfer facilities permits are required to use the facilities. Please show the operator your permit when using the service. Hours are: 8:00 a.m. - 4:00 p.m. Saturdays, 12:00 a.m. - 4:00 p.m. Tuesdays.

Pleasant Lake School News

BLAST OFF

Roy Ebersole and Chris Bond are using the model of the Earth and Sun.

For the Sun. For Mercury, Venus, Mars, Jupiter, Saturn, Uranus, Pluto and Neptune. We "visited" each of these planets in our Solar System. Our learning centers, creative writing, art, reports and even math helped us to learn about these planets. We discovered why we have seasons, days and years here on Earth. The most interesting part was when we looked at pictures and read newspapers from 1969 when man first landed on our satellite, the moon (remember we were not born yet!). We wish we could learn about Old Sol and the planets for the rest of the year, but next we're going to learn about how to use the energy from our friend, the sun.

Arbor Day, Friday, April 27 was a very special day at Pleasant Lake School. After our classes studied about trees all week we had an Arbor Day celebration in the gym Friday afternoon. Mrs. Savage's First Grade put on a skit telling how Indians used to roam through the big trees in the forest and how the rain and snowflakes held the mulch in the tree to make it grow strong. The white man came and chopped down the trees for home and industry and the rain and snow just rolled away causing great damage to the trees.

But as people began to take care of trees the rain and snow could stay in the ground causing them to grow big and strong. First

Graders made their own costumes with the help of Mrs. Jan Waldon and Mrs. Paula Detting.

After that the whole school gathered on the front lawn and they planted a 4 ft. Norway Spruce tree given to the school by Mr. and Mrs. Bob Moltice, Pleasant Lake Rd. The tree is standing between the school driveway and Pleasant Lake Road. Look for it when you drive by.

NOTICE

The Clark Lake Wiffers Golf League will start Tuesday, May 8, at 9 a.m. at the Clark Lake Golf Course.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU
LANSING, MICHIGAN

THE KNEE-JERK PHILOSOPHER

There's a knee-jerk philosopher in your town...There's one in any town in Michigan. He can usually be seen in coffee shops or bars, and he's not that hard to recognize.

He'll be the one who, when confronted with a given problem or issue, will respond just as predictably as you do when the doctor taps your knee with that little rubber hammer. It's a reflex action. All knee-jerk philosophers believe that all of the problems of the day can be solved simply--and their solutions are always equally simple.

The typical character comes in two models, the right-knee-jerker and the left-knee-jerker. The right-knee-jerker is going to tell you that all government is bad with a capital B, and that all forms of regulations are bad. All taxes are unfair, and whatever your problem is, it's caused by a conspiracy and that they (who are "they"?) are "out to get you!"

The left-knee-jerker will tell you we need more government...more regulations...more taxes. But sometimes he shares the right-knee-jerker philosophy that "they are out to get us!"

He's the one that will never become a legitimate proponent of a particular school of thought because it goes against his reflexes to research issues or evaluate them on the basis of society's needs. He's going to cling desperately to his simplistic view of things and that makes him yet another threat to the logical resolution of the common problems that face each and every one of us.

An easy example is the nuclear power question, an issue that raises emotional responses as often as it produces logical

considerations. Gasohol development is another. Farm family incorporation is still another.

The problems are few that have simple answers. To an increasing degree, we're all going to have to deal with trade-offs to balance the wants and needs of different, constantly-changing sectors of society. Increasingly, the solutions will require all of us to do more thinking about an issue, become more knowledgeable about a controversy, and stifle our often run-away emotions to a larger degree.

Then, there will be less time allocated, and less listening done, to either model of the knee-jerk philosophers.

Advancement-Of-Justice Awards

Michigan's newspaper, magazine, film and broadcast personnel are eligible to have a \$1,000 scholarship awarded in their name to a deserving Michigan student if they win one of the two top honors in the Sixth Annual Advancement-of-Justice Awards competition which closes July 1, 1979.

The State Bar of Michigan will honor media people whose published or broadcast work has made outstanding contributions to the advancement of justice in the State of Michigan during the calendar year 1978.

In addition to a \$1,000 college scholarship presented in his or her name, the recipient of each award will receive an engraved 5-inch bronze medal bearing an artist's depiction of the concept of justice. The publication, station or other medium in which the work appeared will receive a similar medal. Second, third and fourth place medals will also be presented in each category.

"The Bar's objective is to honor some of those members of the news media who advanced the cause of justice in this state through their reporting and writing efforts", reports Philip O. Spelman, Director of Communications for the State Bar

of Michigan.

Any person is eligible to enter material published or broadcast in Michigan during the calendar year 1978.

Judges are: Chairperson, Stephen C. Bransdorfer of Grand Rapids; former President, State Bar of Michigan; Richard Milliman, Howell, President, Michigan Press Association; Edwin R. Huse, Jackson, President, Michigan Association of Broadcasters; Detroit Attorney John B. Kiefer; and Professor John D. Stevens, Department of Journalism, University of Michigan.

The awards will be presented in September in Detroit at the Annual Meeting of the State Bar of Michigan. Entry forms may be obtained by writing or calling Mrs. Sharon Wilson, the State Bar of Michigan, 306 Townsend Street, Lansing, Michigan 48933, telephone (517) 372-9030.

May Nature Walks

All walks are free of charge and will begin promptly at their scheduled times. Participants are urged to wear appropriate footwear. All Park Lyndon walks begin in the eastern most parking lot and in the event of a downpour can be held in the Nature Cabin.

Sunday, May 6, Park Lyndon (1 mile east of M-52 on N. Territorial Road) 8:00 a.m. "Birdwatchers Get Together"

Enjoy the great variety of feathered

inhabitants at Park Lyndon including herons, woodpeckers, and owls. Migrating birds will, hopefully, join the fun. Bring binoculars if possible.

1:00 p.m. "Amphibians and Reptiles" - Birdwatchers are invited to stay and others join the group for this walk featuring Park Lyndon's many salamanders, turtles and snakes.

Saturday, May 12, Park Lyndon 7:30 p.m. "The Lyndon Symphony"

Listen to the orchestra of night time sounds at Park Lyndon. The naturalist will identify the sounds and discuss the various birds, animals, and insects contributing to these sounds.

Sunday, May 13, Park Lyndon 9:00 a.m. "Spring Flowers"

Join WCPARC's naturalist for this walk featuring the many flowers of Park Lyndon. Enjoy the other signs of spring along the trails and near the lake's edge.

Sunday, May 20, Montbeller Park (Ellsworth Road just east of Carpenter) 8:00 a.m. "Spring Flowers and Birds"

Montbeller Park, one of the urban area's most unique woodlots, features a tremendous springtime display of trillium. Join the naturalist to enjoy these and the other wildflowers while also observing the Park's many birds.

IN RETROSPECT

When looking about to ascertain what incidents have been recorded about Manchester in various publications we incidentally find now and then, a little item that are somewhat humorous and which might bring into our sordid lives, a smile or two, so here are a couple of them that we enjoyed:

"Every once in a while the trials of typesetters touch a soft spot in our heart. One of them that happened recently is said to have occurred in a North Carolina newspaper, it's want ad column:

MONDAY: - For Sale - A used sewing machine. Call Mr. Tom Kelly at 555-4567 after seven o'clock and ask for Mrs. Perkins who lives with him, cheap.

TUESDAY: - Correction-An error appeared in Mr. Tom Kelly's want ad yesterday. It should have read: For Sale: A used sewing machine cheap. Call Mr. Tom Kelly at 555-4567 and ask for Mrs. Perkins who lives with him after seven o'clock.

WEDNESDAY: - Mr. Tom Kelly has reported several annoying telephone calls as a result of a classified advertisement that appeared in this newspaper yesterday. The ad stands corrected: For Sale: A used sewing machine, cheap. Call Mr. Tom Kelly at 555-4567 and ask for Mrs. Perkins who lives with him.

THURSDAY: - Notice! I Tom Kelly no longer have a used sewing machine for sale. I took an axe and smashed it. I no longer have a housekeeper. Mrs. Perkins resigned yesterday.

There have of late, for some strange reason or other a great many current stories about Georgia. Many of them don't bear repeating but here is one that I think you will enjoy.

There was a 40-acre plot of land at the edge of the small town where my uncle lives in north Georgia. Right next to it is where my uncle lives.

Not long ago a couple of dudes from Atlanta bought this 40, and decided to "git back to nature". Said they was going to beat inflation by raising their own food and since uncle was a farmer he could give 'em some advice.

"So I told 'em," said uncle, "that the first thing they'd need was a mule or preferably a team of 'em to plow the farm with. They wanted to know how much a team of mules cost and I told 'em about \$200.00 a piece. They scratched their heads and said they had only about enough money for one mule. I told 'em again that they had better have a team, so I told them I could take care of their problem. I'd sell them a mule egg for \$5.00 and they could raise their own mules. They said that was fine so I went out in the garden and I picked a great big watermelon, and brought it back and handed it to one of them.

They gave me the five and started out through the brush to their car and then this big dude stumbled, dropping the watermelon in one of those bushes over there. Just at that moment a big jackrabbit hopped out of the bushes and really took off and those fellers took off after him. Course they couldn't catch him and in a little bit they gave up. Then I heard one of 'em holler to the other one, 'Let him go Bill, he's too darn fast to plow with anyhow..."

Soon afterwards they sold the 40 and I guess they went back to the city. I haven't heard of 'em since."

Ronald E. Weber Joins Union Savings

Ronald E. Weber, after thirteen years at National Bank and Trust Company of Ann Arbor, has joined the staff at Union Savings Bank of Manchester, according to Richard Z. Wolf, Union Savings Bank president.

Weber is joining Union Savings Bank as an assistant vice president and will be working in the area of collections as well as shortly assuming direction of the Mastercharge and Farm Plan departments.

Prior to his tenure at National Bank and Trust of Ann Arbor where Weber was an assistant vice president in the loan department, Weber was affiliated with Universal CIT Credit Corporation and the P.F. Collier and Son Corporation.

He attended Delta Community College, is a graduate of the University of Michigan School of Banking and Basic Management, and has attended American Institute of Banking courses at the University of Michigan.

At present Weber is residing in Milan with his wife Clare and four children: Ron 16; Tony 15; Melissa 9 and James 7.

In Milan, Weber served as chairman of the Milan Fair Board, was mayor pro-term of Milan, Jaycee vice president and was formerly justice of the peace and city assessor of Milan.

"Mr. Weber's decision to join our staff and to assume the important duties in the area of collections as well as the administration of our Mastercharge program and Farm Plan department, greatly pleases us all.

Union Savings Bank has been privileged to constantly grow in both numbers of customers served and in the volume of savings and loans. As we continue this pattern of growth it is necessary to be ever on the alert to attract people of Mr. Weber's calibre."

"We are all looking forward to working with Mr. Weber and to gain from his wide experience in banking," Wolf added.
