## Top Honor Students At Manchester High

Stacey Ames

Kurt Sauter

Vanessa Ames

Stacey Ames, with a grade point average of 3.969, and Kurt Sauter, with a 3.968 average, have been named Co-Valedictorians for the Manchester High School graduating class. Vanessa Ames, with an average of 3.906, is the Salutatorian. Stacey, the daughter of Mr. and Mrs. William Ames, 5965 Kothe Road, Manchester, has participated in Band and Pep Band throughout her high school years, varsity choir for two years, and was a member of the junior varsity softball team one year. For the past two years she has been a member of the National Honor Society and the varsity softball team. She has also participated in the District Solo and Ensemble Festival and served as a stage crew member and musician for school plays. Stacey is planning to attend Western Michigan University in the fall. Kurt, the son of Mr. and Mrs. John Sauter, 17019 Pleasant Lake Road, Manchester, has been a member of the cross country team, the track team, the Band and Pep Band for four years. He has been a member of the National Honor Society for two years and is currently President of the Band. This year Kurt is also a member of the University of Michigan Youth Band. He has been accepted in the Honors College of Michigan State University. Salutatorian Vanessa Ames is the daughter of Mr. and Mrs. William Ames, 5965 Kothe Road, Manchester. She has been a

Band and Pep Band member for four years, in varsity choir three years, participated in various school plays as a stage crew member, a musician and an actress, received a Division I rating in this year's District Solo and Ensemble Festival, and has been a National Honor Society member for two years. She is currently Class Secretary. She plans to attend Michigan State University.

Other Seniors graduating in the top fifteen percent of their class are: Brenda Eggleston, Julie England, Lori England, Bruce Garlick, Michael Gregerson, Shannon Lentz, Edward Lochey, Kurt Norgaard, Rebecca Opal, Diana Porter, Joan Schaible, Jane Walter and Anthony Warren.

Commencement exercises for the Manchester High School graduating class are scheduled for Sunday, June 3, at 3 p.m.

## ENGAGEMENT ANNOUNCED

Mr. and Mrs. Mitchell Picklesimer Sr. of Chelsea announce the engagement of their daughter April Thea to Howard E. Bertke, son of Mr. and Mrs. Lauren Bertke, of Manchester.

The bride-elect will graduate from Chelsea High School this coming June. Mr. Bertke, a 1976 graduate of Manchester High School, is currently employed by Double A Products in Manchester. A September 22 wedding date has been set.

## Optimist's To Host Baseball Contest

## IN RETROSPECT

When looking about to ascertain what incidents have been recorded about Manchester in various publications we incidentally find now and then, a little item that are somewhat humorous and which might bring into our sordid lives, a smile or two, so here are a couple of them that we enjoyed:

"Every once in a while the trials of typesetters touch a soft spot in our heart. One of them that happened recently is said to have occurred in a North Carolina newspaper, it's want ad column:

**MONDAY:** - For Sale - A used sewing machine. Call Mr. Tom Kelly at 555-4567 after seven o'clock and ask for Mrs. Perkins who lives with him, cheap.

**TUESDAY:** - Correction-An error appeared in Mr. Tom Kelly's want ad yesterday. It should have read: For Sale: A used sewing machine cheap. Call Mr. Tom Kelly at 555-4567 and ask for Mrs. Perkins who lives with him after seven o'clock.

**WEDNESDAY:** - Mr. Tom Kelly has reported several annoying telephone calls as a result of a classified advertisement that appeared in this newspaper yesterday. The ad stands corrected: For Sale: A used sewing machine, cheap. Call Mr. Tom Kelly at 555-4567 and ask for Mrs. Perkins who lives with him.

**THURSDAY:** - Notice! I Tom Kelly no longer have a used sewing machine for sale. I took an axe and smashed it. I no longer have a housekeeper. Mrs. Perkins resigned yesterday.

There have of late, for some strange reason or other a great many current stories about Georgia. Many of them don't bear repeating but here is one that I think you will enjoy.

There was a 40-acre plot of land at the edge of the small town where my uncle lives in north Georgia. Right next to it is where my uncle lives.

Not long ago a couple of dudes from Atlanta bought this 40, and decided to "git back to nature". Said they was going to beat inflation by raising their own food and since uncle was a farmer he could give 'em some advice.

"So I told 'em," said uncle, "that the first thing they'd need was a mule or preferably a team of 'em to plow the farm with. They wanted to know how much a team of mules cost and I told 'em about \$200.00 a piece. They scratched their heads and said they had only about enough money for one mule. I told 'em again that they had better have a team, so I told them I could take care of their problem. I'd sell them a mule egg for \$5.00 and they could raise their own mules. They said that was fine so I went out in the garden and I picked a great big watermelon, and brought it back and handed it to one of them.

They gave me the five and started out through the brush to their car and then this big dude stumbled, dropping the watermelon in one of those bushes over there. Just at that moment a big jackrabbit hopped out of the bushes and really took off and those fellers took off after him. Course they couldn't catch him and in a little bit they gave up. Then I heard one of 'em holler to the other one, 'Let him go Bill, he's too darn fast to plow with anyhow..."

Soon afterwards they sold the 40 and I guess they went back to the city. I haven't heard of 'em since."

## Ronald E. Weber Joins Union Savings

Ronald E. Weber, after thirteen years at National Bank and Trust Company of Ann Arbor, has joined the staff at Union Savings Bank of Manchester, according to Richard Z. Wolf, Union Savings Bank president.

Weber is joining Union Savings Bank as an assistant vice president and will be working in the area of collections as well as shortly assuming direction of the Mastercharge and Farm Plan departments.

Prior to his tenure at National Bank and Trust of Ann Arbor where Weber was an assistant vice president in the loan department, Weber was affiliated with Universal CIT Credit Corporation and the P.F. Collier and Son Corporation.

He attended Delta Community College, is a graduate of the University of Michigan School of Banking and Basic Management, and has attended American Institute of Banking courses at the University of Michigan.

At present Weber is residing in Milan with his wife Clare and four children: Ron 16; Tony 15; Melissa 9 and James 7.

In Milan, Weber served as chairman of the Milan Fair Board, was mayor pro-term of Milan, Jaycee vice president and was formerly justice of the peace and city assessor of Milan.

"Mr. Weber's decision to join our staff and to assume the important duties in the area of collections as well as the administration of our Mastercharge program and Farm Plan department, greatly pleases us all.

Union Savings Bank has been privileged to constantly grow in both numbers of customers served and in the volume of savings and loans. As we continue this pattern of growth it is necessary to be ever on the alert to attract people of Mr. Weber's calibre."

"We are all looking forward to working with Mr. Weber and to gain from his wide experience in banking," Wolf added.

## Alumni Banquet Date Set

The 102nd Alumni Banquet of the Manchester High School will be held on June 9th at 6:30 PM at the Methodist Church Hall. Stan Kemner, Alumni President, says that special anniversaries will be held by the Classes of 1929, 1939, 1954 and 1969. Professional entertainment by the musical group "Force the Limit" will be featured and a large turnout is expected. A general announcement letter will be sent to alumni members next week and reservations may be made with Edna Diferderfer. Also new Alumni books will be available from Lucille Williams.

the study is to investigate flood hazard areas and determine flood elevations so that, in the future, local property owners will be able to obtain flood insurance.

Data for the study will be collected through historical research and field investigations. Records such as newspaper accounts of any past flooding will be reviewed, as well as photographs and records of historical groups, industries, the library and other resources. Physical evidence of high water marks will also be documented. Daniels requested that anyone with information on past flooding conditions contact them so that the data can be included in the study.

Field work will include the determination of flood plain elevations through the use of aerial photos. On-site work will include obtaining river channel bottom elevations as well as any necessary bridge and dam measurements.

When the data collection is completed, detailed computer simulation will be used to determine flood stages. HUD will hold a public hearing on the project prior to the preparation of the final report.

Manchester is one of eleven communities being studied in the watershed of the River Raisin. According to Daniels, the purpose of

### Read-A-Thon Earns \$571.14 for M.S.

This group of young people from Klager School are wearing big smiles and they have every right to. They participated in a Read-A-Thon for Multiple Sclerosis.

They earned \$571.14 for M.S. research and enjoyed reading at the same time.

### Superwalk Raises \$5000

Finally the weather co-operated last Saturday, and the March of Dimes Walkathon got underway, with 160 walkers of all ages participating. The sun was a welcome sight after many days of rain and clouds, which put everyone in a great mood.

However, due to the postponement, about 40 people were unable to walk. If you, as a sponsor, find that your walker was unable to walk, and would still like to make a contribution to the March of Dimes, you may do so by contacting Matt Donnellon at the State Farm Insurance Office.

Walkers are reminded that their pledges are to be collected and turned in by the 18th. On this date prizes will be determined, so be sure to get your money turned in. Sponsors may also contact Matt Donnellon with their pledge, after the 18th, if their walker does not collect the pledge.

The total amount of pledges for the number of kilometers walked was \$5000. Being able to turn this amount in to the Washtenaw Chapter, will make a very good showing for our area, and show that our people care. It takes a great many people to put on a Walkathon. We will tell of them all next week, with our heartfelt thanks. Right now we would like to give a special thanks to the Manchester Police Department, and Gary Bondy and his crew of CB'ers. They all did a terrific job. It is a very big and very important job to see that all goes safe and well, and they did it up fine. No injuries, except for feet wore out, or lost people. Thanks a lot folks.

More next week on who worked, what prizes are to be given, and hopefully pictures.

# All Sports Banquet

The All Sports Banquet will be held on Sunday, May 20 at the high school at 2:30 p.m. with Mr. Ray Lane as guest speaker. A cordial invitation is extended to all students who participated in the athletic program during the school year, as well as their parents.

Due to the number of athletics involved please accept our apologies for limiting this event to only these people.

RAY LANE  
Ray Lane has been Sports Director of TV2 since 1969 and his assignments have been wide-ranging. He was the Detroit Tigers play-by-play

broadcaster from 1965 to 1972, and did six years of play-by-play and color for the Detroit Lions and two years of telecasting for the Detroit Pistons. Most recently Mr. Lane had done play-by-play assignments for Michigan State Football & Basketball and the University of Detroit Basketball.

The busy sports lover does two nightly sports programs on TV2 News at 6 and 11 p.m. He has been a regular with that position since joining the WJTB-TV2 staff in 1961.

Lane broke into broadcasting while a student at Michigan State working for the university's station. During military service he gained more background for his present

field working on the radio for the Army Public Information Office and served as sports editor for an Army newspaper.

Lane gained valuable broadcasting background working in Junction City, Kansas; Waterloo, Iowa, Cadillac, Bay City, and Flint, Michigan. Throughout that time period, the TV2 personality handled everything from weather reporting, sports, New Editor and even station ownership.

In addition to his present duties, Lane keeps busy covering sports assignments for CBS Radio and Television Network and Mutual Radio.

Ray likes to joke about a brief acting career, when in 1964 he appeared in "Gunsmoke" on the full CBS Network. He still has some photos to prove that he was a cowboy for a brief 48 hours.

Lane is well thought of by his fellow sports broadcasters as he has served two terms as President of the Detroit Sports Broadcasters Association.

He was named Michigan Sports Broadcaster of the Year in 1969, 1973, 1974, 1975 and by United Press International in 1975 and 1976 for excellence in broadcast journalism.

Ray devotes much of his spare time to civic, community and charitable organizations. He is married to the former Carolyn

Loose of Detroit. They have three children: Greg, Deanne, and Jeff, and reside in West Bloomfield.

**Lambda Nu - Girl Of The Year**

Always a gracious hostess, always willing to lend a helping hand, always ready with a smile and a friendly word, just a few of the qualities of Cheryl Hamilton, Lambda Nu's 1979 Girl of the Year. The announcement came as the climax of the Founders Day festivities held May 2 at the Moose Hall in Adrian.

Cheryl has been a real asset to Lambda Nu serving as Treasurer, and working very hard on the wreath sale, the Sweetheart Dance, and making favors for the Childrens

Easter Party. Cheryl and husband Doug live at 9750 Queens Drive in Manchester with their two children, Lisa and Missie. Congratulations Cheryl, a small token for all the hours you've given to your Lambda Nu sisters.

**Ann Arbor Assoc. Of The Gifted**

The Ann Arbor Association of the Gifted is presenting a series of programs for parents and teachers of talented and gifted children. The first one was on Thursday, May 3 and featured a keynote address by Margaret Crawford, Board of Education member from Lincoln Consolidated Schools. After the keynote address, participants broke up into discussion groups.

The next meeting will be Monday, May 14 at 7:30 P.M. It will be an address by David Klinek Ph. D., Clinical Psychologist from Ann Arbor, on "The Total Development of the Gifted Child: Intellectual, Psychological and Social". The address will be followed by a question and answer session.

The final meeting is Thursday, May 24 at 7:30. It will feature a panel discussion by 5 people in our area who are involved in education of talented and gifted children.

These meetings are open to anyone who is interested. They will be held at the Washtenaw County Intermediate School District offices on Wagner Road west of Ann Arbor. For more information call Judy Radant, 475-1457 or Anita Todd, Consultant for the Gifted and Talented, Washtenaw Intermediate, (313) 994-8197.

**ORCHESTRA NEWS Senior Citizens**

Last Tuesday was the final concert of this season for the University of Michigan Junior Honors Orchestra. Katie Miller, Paul Meade (7th graders) Brian Pieske and Cliff Tracy (6th graders) play with this special orchestra. So our whole group made a party out of the occasion and went to hear the concert.

Our first stop was the pizza parlor in Saline. Have you ever ordered pizza for 45 people? Luckily the weather was great so we ate in the park.

The concert was held at Saline High School. It was a "demonstration" concert. We soon learned what that meant. The director, Dr. Robert Culver, from the U of M did alot of explaining about what an orchestra is all about. He talked about leadership - musical and other kinds - and about how it feels to do something WELL because you want to and you work at it. He also played some games to make it fun for the audience and the performers.

One of the games we played was a musical safari. The audience got to walk through a path in the orchestra and turn music upside-down. Then the players had to turn it back and find his place quickly. They were pretty good at keeping their place!

It was a fun concert and we came home wanting to play some of those musical games with our orchestra.

This group should be really commended on the kind of representatives of Manchester they were on this out-of-town trip. THANKS KIDS!

On Thursday, May 10, 12:30, the Senior Citizens will be entertained with slides and a talk on Washtenaw County Wildlife. Ma Huemann from Parks and Recreation will be the speaker. This will take place at the Emanuel Church.

**Shakespeare Club Elects New Officers**

The Shakespeare Club held their final regular meeting of the season on Tuesday April 3 at Emanuel Church Hall. New officers were elected for the coming year as follows: President - Mrs. Aaron Nathaniel; Vice-President - Mrs. Marvin Kirk; Secretary-Treasurer - Mrs. Otto Timmerman.

At this meeting twelve lap robes were made for the Cedar Knoll Rest Home.

On Tuesday, May 1 several of the members presented a forty minute Shakespeare play, an excerpt from "Much Ado About Nothing" for several guests and friends. The meeting was held at Emanuel Church Hall. Refreshments were served by Mrs. LeRoy Marx and her committee. The play closed the Club year.

The Club Spring trip will be on May 16. At this time members will attend the Holland Tulip Festival for the day.

**Deadline For Emergency Energy Assistance**

State Senator Edward Pierce, D-Ann Arbor, today reminded Washtenaw County residents that May 31st is the last day to file applications for the Emergency Energy Assistance Program offered by the Washtenaw County Community Services Agency.

"This program is designed to help low income families pay their utility bills, make emergency furnace repairs or replace broken windows," said Pierce. "Eligible families who have received a notice of disconnection of utility service or a refusal to deliver fuel can receive up to \$250 through this program."

Pierce said that persons interested in applying for the cash assistance should contact the nearest Community Services Agency before the May 31st deadline.

The phone numbers for the Community Services Agency offices in Washtenaw County are: Ann Arbor 994-1656, Ypsilanti-Willow Run 483-2500 or 483-2042, Chelsea-Dexter 426-8196.

**Candle Dipping Workshop**

A four hour workshop on candle dipping is being offered by the Manchester Art Guild. Participants will learn the art of dipping bayberry candles and each person can expect to make approximately four pairs of candles. Bayberry candles burn better and longer if they are dried for several months, so candles made at this workshop will be perfect for burning at Christmas time. The workshop will be held on Saturday, May 19 from 1:00 to 4:00 p.m. at the Methodist Church. Please call 428-7730 days, or 428-7238 evenings before May 16 to register for the workshop. Workshop fees are \$6 for Art Guild members and \$7.50 for non-members.

**Stained Glass Classes**

The Manchester Art Guild is offering a series of six classes in stained glass techniques. The course will explore lead, acid etching, and copper foil/tiffany methods. Because this course is limited to

six people, beginning and advanced students can expect intensive and individualized instruction. The first class will be held on Monday, May 14 from 7:00 to 9:30 p.m. and will run for six consecutive Mondays. Classes will be held at the Norman Art Glass Studio located at 555 W. Michigan Ave., Saline. Tuition for this six week course is \$30 for Art Guild members, and \$35 for non-members. Materials are not included in the class fee and students are expected to purchase their own tools. To register for this course, please call 428-7730 days, or 428-7238 evenings, before Friday, May 11.

**An Evening With The Arts**

On Friday, May 11, the High School Varsity Choir, Mixed Chorus, and Art Department are sponsoring an evening of fine arts. An Art Show will be held, beginning at 7:00 p.m., in the library. At 8:00 p.m. is the Spring Concert with the Varsity Choir and Mixed Chorus, in the Study Auditorium. Admission to the concert will be \$1.50 for adults, .75 for students. Senior Citizens are admitted free. Come and Enjoy!

**PLEASANT LAKE SCHOOL MAY DAY FESTIVITIES**

Pleasant Lake 4th Grade

We learned that May Day is celebrated as a spring festival in many countries. It marks the return of nature's beauty in early spring after winter. The Romans gathered spring flowers to honor the goddess of springtime. In many American towns, children gather spring flowers and place them in handmade paper May baskets, then

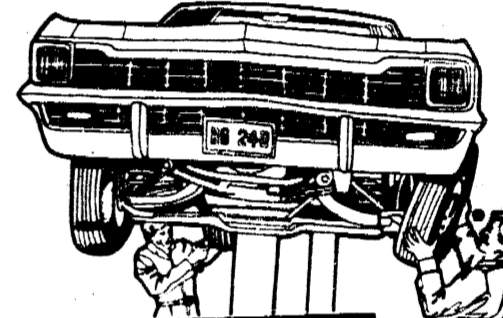

hang them on door knobs of the homes of friends. At May parties children select May queens, dance around May poles, and sing May Day songs. We learned an old English rhyme that we sang while dancing around the May Pole. We also made May baskets. Many of the other classes also made baskets and picked spring flowers.

**Why some people get a Greater return on their money.**

Some people get a higher return on their money, because they put their dollars in higher interest paying certificates of deposit at Great Lakes Federal Savings. You can, too.

For example, if you have savings, securities or property that are earning 5% or less, you can switch to Great Lakes Federal Savings 8% per annum certificates of deposit (effective annual rate 8.30%) and increase your yearly income significantly.

Take a hard look at all of your invested dollars. This includes savings accounts, securities, property, savings bonds, paid up insurance policies and any other form of investment you may have.

Some could be paying you as little as 5%, 4%, and even less. A switch to some of Great Lakes Federal Savings higher interest paying certificates of deposit could add many hundreds of dollars to your annual income.

We would be very happy to discuss with you how our many plans can help you.

INTEREST RATES PER ANNUM	EFFECTIVE ANNUAL YIELD
8.00% CERTIFICATE ACCOUNT Minimum term 36 months Minimum deposit: \$1000 Monthly compounding	8.30%
7.75% CERTIFICATE ACCOUNT Minimum term 6 years Minimum deposit: \$1000 Monthly compounding	8.03%
7.50% CERTIFICATE ACCOUNT Minimum term 48 months Minimum deposit: \$1000 Quarterly compounding	7.71%
6.75% CERTIFICATE ACCOUNT Minimum term 30 months Minimum deposit: \$1000 Quarterly compounding	6.92%
6.50% CERTIFICATE ACCOUNT Minimum term 12 months Minimum deposit: \$1000 Quarterly compounding	6.66%

## COUNCIL PROCEEDINGS

April 16, 1979

Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present: DuRussel, Koebbe, Hinkley, Petsch, Minick, Daniels, Zsenyuk.

Minutes of the April 2, 1979 meeting were read and approved as corrected in a motion by Koebbe, supported by Petsch. All yeas, carried.

Daniels reported invoices had been sent for Past Due Accounts and accounts were being settled.

President Schaffer reported Manchester will be exchanging with Coleman, Michigan on Mayor's Exchange Day with Schaffer, DuRussel, Koebbe as guests of Coleman, Petsch, Minick, and Hinkley will plan entertainment for visitors to Manchester.

Bids were reviewed for the Fleet Schedule Insurance. A Bid of \$3,646.51 was received from State Farm Ins. Co., and a bid of \$3,962.91 was received from Dillingham and White Insurance Agency. Ron Dillingham was present to review coverage. Discussion followed. Moved by Koebbe, supported by Minick to accept the Bid of Dillingham and White Insurance Co. All yeas, carried.

Bids were reviewed for Workmen's Compensation Ins. An estimated bid of \$9,521.27, with an estimated Experience Modification of 94% was received from Farm Bureau Insurance with coverage under Michigan State Accident Fund. A bid of \$9,499.55 was received from Dillingham and White Insurance Agency. Coverage was reviewed by Ron Dillingham. Moved by Minick supported by Petsch to accept bid of Dillingham and White Insurance Co. All yeas, carried.

Mr. Jim Hartman representing the Jaycees was present to request a donation for the Fireworks to be held July 4, 1979. Koebbe voiced the opinion of waiting until a later date before making a decision. Schaffer advised Mr. Hartman to come back at a later date with the request.

Moved by DuRussel, supported by Hinkley to adjourn as Council and convene as Zoning Board of Appeals at 8:00 P.M. All yeas, carried. Planning Commission members present: Hinkley, Daniels, Leeson. Council members present: DuRussel, Koebbe, Petsch, Minick. The meeting was held to consider Union Savings Bank's request for a conditional use permit to allow parking lot of approximately 32 spaces on two parcels of property in the North-West corner of Adrian and Duncan Streets which

are presently zoned R-1 B (Single-Family Urban Residential District.) Minutes of March 7, Planning Commission meeting were read by Hinkley with desired changes. Present were Mr. Richard Wolf representing the Union Savings Bank and Mr. Larry Brink of Laurence P. Brink Associates, Architects. Mr. Brink reviewed parking plan. Question and answer period followed with audience participation. An added stipulation being that 3 existing trees be protected during construction. Letter from David L. Little in support of Conditional use permit was read. Moved by Leeson, supported by Koebbe conditional use permit as stated in Planning Commission minutes be granted. Roll call vote taken. All yeas, carried. Also considered was a request by Union Savings Bank for variance on the minimum required parking space allotment as required per Ordinance from 50 spaces to no fewer than 42 spaces. Moved by Koebbe, supported by Daniels variance be granted. Roll call vote taken. All yeas, carried. Moved by Leeson, supported by DuRussel to adjourn as-Zoning Board of Appeals at 8:35 P.M. and reconvene as Council. All yeas, carried.

Public Works Activities as reported by Koebbe included: Salted Main St. and Hills; Worked on tree limbs, brush, Street sweeper, water meter call backs, washed out sewers; Worked on water meter, cleaned catch basins, worked on equipment sweeper, Cut curb at Ann Pniowski's; Dug a

grave, patched asphalt, washed trucks, flushed Haller hydrant. Daniels asked for permission to tile ditch at Kirk Park. Recommended by DuRussel, in agreement with Koebbe to do the work while dirt is available for filling in.

Zsenyuk reported Father Schlinkert had requested a Handicap Parking sign at the Catholic Church, and questioned if Council had any objection. He reported the Handicap Parking at the Post Office was not being used. It was decided to remove the sign from the Post Office to the Catholic Church. Chief Zsenyuk also reported the Manchester Police Dept., assisted by Washtenaw County Sheriffs Dept. and Michigan State Police investigated a Cock-fighting operation at 4800 Jacob Rd. 15 arrests were made.

Minick reported that Chief Zsenyuk had been appointed Feb. 2, 1978 as agent for the Village to apply for Disaster Assistance for the 1978 snow storm. He has been informed the State will reimburse the Village of Manchester \$4,796.64. Moved by Minick supported by Koebbe that when the money is available from the State, patrolmen Steele, Van Matre, M. Zsenyuk, Chief Zsenyuk, and Bruce Daniels be paid for overtime work during the 1978 snow storm. Total amount \$1,968.40. All yeas, carried.

The Police Dept. has a new car in service. Petsch requested that Wurster Park be cleaned up as soon as possible. Trees have not been received, but when they arrive a schedule will be set up as to where they could be planted. A large crowd was in attendance at the Easter Egg Hunt. Moved by DuRussel, supported by

Koebbe to raise the Conditional Use and Variance Fees, to \$125.00 each. Zoning Change Fee to \$250.00. All yeas, carried.

Chief Zsenyuk reported he had been nominated to serve on the Board of Directors of the Manchester Village Association, and asked if there was any objection from Council. No objections were voiced. The meeting adjourned at 9:15 P.M. Dealor is E. Richardson Clerk

## Keeping Up With Sports

by Jon Hardenbergh

Last week was pretty successful for the baseballers. The unbeaten varsity boys did drop their first to undefeated Blissfield but did rebound to win the next 2. The girls also fell to Clinton in the first of their doubleheader but bounced back to victory in their following 2.

On Tuesday, our boys entered against Blissfield and exited on the short end of the score but the very next day faced arch-rival Clinton. We fought hard and came up with the narrow 6-5 win basically behind the offense and defense of Steve Melcher. Steve banged out a double and three singles to lead our 10 hit attack. On the other hand he struck-out 13 'skins on his way to being the winning pitcher. Friday saw us trek to Hudson and down them 8-4 with some pitching oddities happening. Rik Stetler started and threw 5 scoreless innings so John Alexander relieved him. Unfortunately this was not John's day as he walked 4 then gave up a 3 run triple so in trotted Rik from the out-field position to put out the Tiger fire. Rick Krzyzaniak and Bob King led our sluggers with 3 hits each as Nick Krzyzaniak smashed a solo round tripper. We now stand 5-1 in the league and 6-1 overall.

As said above our girls had a double header against Clinton which took place on Wednesday. The Redskin's created trouble in the 4th inning to tally 4 runs which proved to be our downfall in the opener

5-4. We did come roaring back in the 2nd game to be victorious 10-4. These 2 contests were real hitter's delights as both squads scattered 46 hits. On Friday we hosted Hudson and we held on to win 13-12. We had 6 girls reach base safely twice this day and they were: Carol Rose, Susan Ahrens, Bernie Fielder, Daphne Nickels, Alisa Clark and Tricia Achtenberg. We posted 7 runs in the second inning to go ahead 8-2 but they put up 4 in the fourth, 4 in the fifth and 2 in the sixth taking the lead 12-10. We fought back with 3 touching home in our half of the sixth then gave the Tigers a goose-egg in their seventh for the win. Our over-all record is now evened at 4-4 while the league is 3-4.

## Diabetes Class

The first "graduates" of the week long diabetic class at Saline Community Hospital have completed the course in diabetic education. Fifteen people from Milan, Manchester, Tecumseh, Ann Arbor, and Saline attended and completed the sessions. The class was successful according to one student who stated, "I have been a diabetic for fifteen years and still learned a great deal about diabetes."

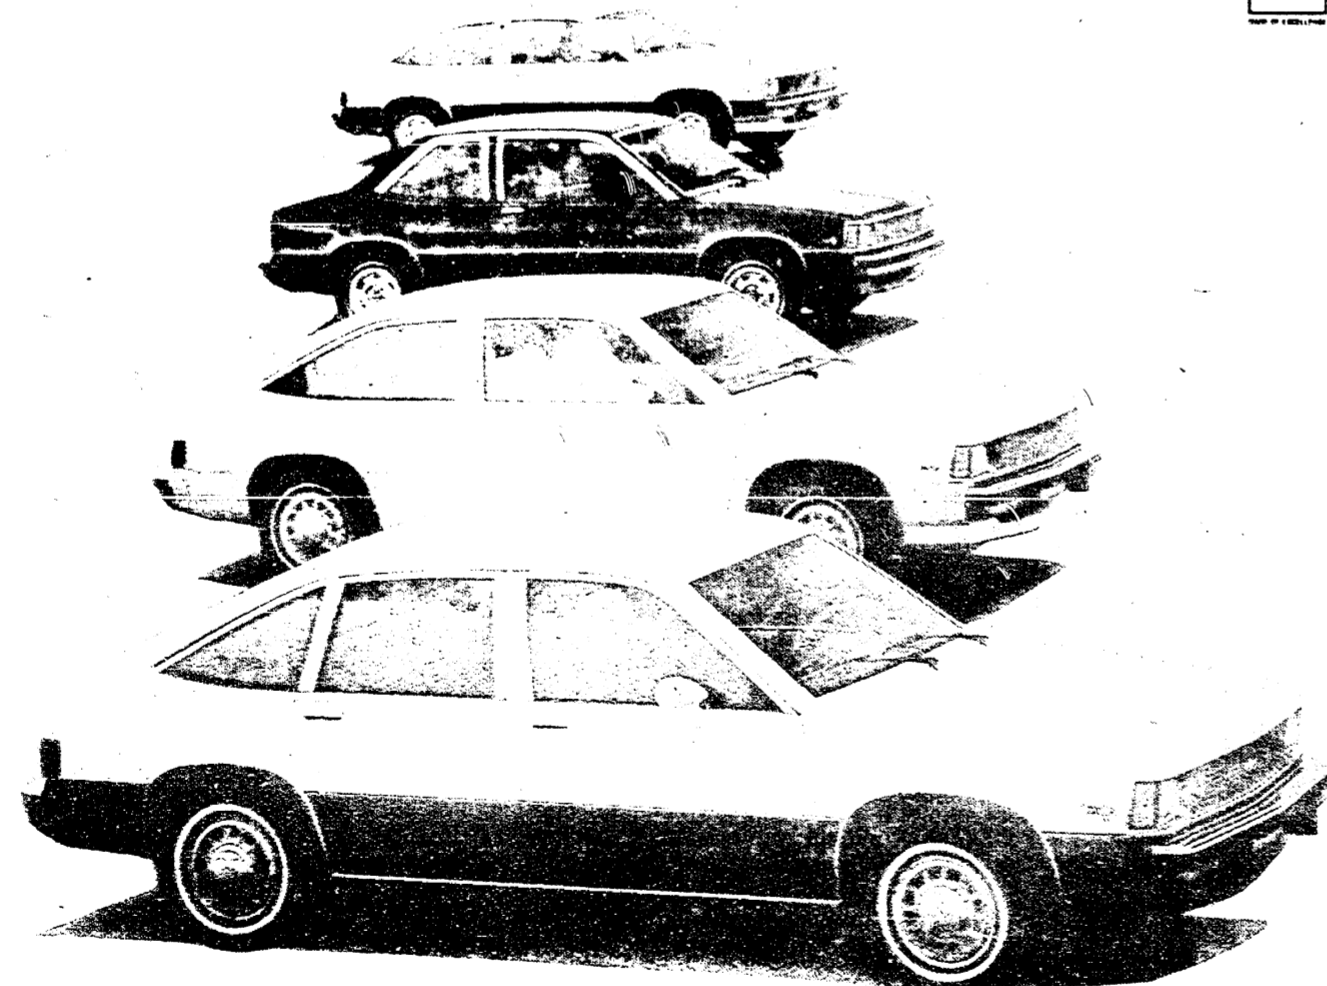

The course on diabetes will be repeated weekly at Saline Community Hospital. It consists of four sessions, Monday through Thursday from 1:30 p.m. - 2:30 p.m. Anyone interested in learning more about diabetes is encouraged to attend. There is no charge and no pre-registration is necessary. For more information contact Mrs. Ruth Sisson, Inservice Director at Saline Community Hospital, 429-5436.

**Public Forum  
On Arthritis**

A free public health forum will be sponsored by the Arthritis Foundation, Michigan Chapter, a United Way Agency, at St. Joseph Mercy Hospital, Education Center located at 5301 East Huron River Drive in Ann Arbor on Tuesday, May 15 at 7:30 p.m. Free parking will be available in the Professional Office Building lot.

Guest speakers at this public/patient education program will be: Pieter Vreede, M.D., Rheumatologist, Instructor, University of Michigan Medical Center; F. James Herbertson, M.D., Orthopaedic Surgeon, Clinical Instructor of Orthopaedic Surgery, U of M Medical Center; and R.L. Fransway, M.D., Psychiatrist.

Mary Flugstad, Associate Director of the Michigan Chapter will act as Moderator and there will be a question and answer period following the presentations.

Arthritis sufferers are the most exploited of all victims of disease in the country today. They spend 950 million dollars annually on worthless remedies, treat-

ments, devices and gimmicks. Through educational programs such as this forum, people with arthritis will receive accurate, authoritative information on this, all too-misunderstood disease.

### School Bus Safety Rodeo

The fifth annual School Bus Safety Rodeo will be held Saturday, May 12, 1979, at 9:00 a.m. on the west parking lot of the Ford Plant in Saline, Michigan.

This school bus driver skill event is co-sponsored by the Livingston, Monroe, and Washtenaw Intermediate School Districts, Michigan School Bus Driver Safety Education Program, Michigan Association for Pupil Transportation, and the Michigan A.A.A., Safety and Traffic Engineering Department.

There will be drivers competing in this Rodeo event from school districts within the three county area. This School Bus Safety Rodeo is designed to test the skills of drivers in handling their school buses. An Awards Luncheon, sponsored by the

Automobile Club of Michigan, Safety and Traffic Engineering Department, will be held immediately following the Rodeo. Trophies for first, second, and third places will be awarded as well as a traveling trophy to the winning school.

The winner of the Rodeo will compete in the State Championship Rodeo in Lansing on June 9, to determine the state champion. The state champion will receive an expense paid trip to compete in the National School Bus Safety Rodeo to be held in Duluth, Minnesota, July 20, 1979.

### Ann Arbor Saturday Night Singles Club

The Ann Arbor Saturday Night Singles Club will have a May Pole Dance on May 12 from 9:00 p.m. to 12:00 midnight at the Ann Arbor "Y", 350 S. Fifth Avenue. The music will be provided by Ed Kennan Orchestra.

### Saline High Trouble Shooters Selected For State Finals

A pair of "Road Scholars" from Saline High School, 7190 Maple Road, have been selected to represent the school at the state finals of the annual Plymouth Trouble Shooting Contest at Troy, Michigan, May 16, 1979.

Todd Berger, 17, of Saline and Paul Mahrie, 18, of Manchester won the honor on the basis of the high scores they registered at written examinations which were held regionally throughout Michigan, April 3.

The Trouble Shooting Contest is an annual competition which recognizes the nation's outstanding high school student mechanics and honors the best of them with more than \$250,000 in scholarships and prizes," Greg Baracy, Automotive Instructor of Saline High said.

"Todd Berger and Paul Mahrie won the right to compete in the state finals by achieving higher scores than the best students other schools had to offer," Greg Baracy said. "We at Saline are proud of them and will be at the contest to cheer them on."

State champions win expense-paid trips to the National Finals at the Indianapolis Motor Speedway, June 17-20. The contest brings together teams from all 50 states to match their knowledge and technical dexterity against each other.

At the National Finals, \$21,500 in scholarships are awarded to the top ten teams, including \$5,000 to the first-place finishers. The national champs also will be awarded expense-paid trips to Washington, D.C., and San Francisco, where they will compete against teams from Mexico and Canada for the North American title. During the year, the U.S. champions also will make appearances on behalf of Chrysler-Plymouth and its dealers to encourage students with mechanical aptitude to enter the challenging field of automotive service.

Since its inception in 1949, The Plymouth

Trouble Shooting Contest has awarded 455 scholarships worth almost \$500,000. During that time, more than 28,000 participating students have been placed in full or part-time jobs as auto mechanics. Each year, about two-thirds of the entrants are offered jobs in the automobile business.

The National Association of Secondary School Principals has placed the Trouble Shooting Program on its Approved list of National Contests and Activities.

### "Outstanding High School Junior"

Paul Stancato, a Junior at Manchester High School, was one of ninety-seven high school juniors from southeastern Michigan honored at Eastern Michigan University on Sunday, May 6. With the others, Paul has been designated an "Outstanding High School Junior."

Paul attended a banquet accompanied by his parents, Mr. and Mrs. Frank Stancato, 4775 Jacob Road, Grass Lake, on Eastern's campus. During the ceremonies, three of the Outstanding Juniors received Regents Scholar Awards from Anthony H. Evans, Acting President of Eastern Michigan University.

All students were nominated by their high schools on the basis of academic excellence, extra-curricular involvement and community service.

### The Manchester Metric Games

The Manchester Boy's Track Team will play host to 8 other schools this weekend. Saturday, May 12 is the date for the first annual Manchester Metric Games. The Field Events will be a 2-man relay team in the pole vault, high jump, long jump, shot put and discus which all start at 9:30. The Running Events will start at 12:00 with the running of the 6400 meter relay and at 1:00 with the shuttle hurdle relay with all the

other relays to follow. The track team would like to thank the Boosters for their help in the running of the meet as well as all the former runners of MHS who will be giving up their time to help out on this day.

### American Legion Auxiliary

The regular meeting of the American Legion Auxiliary was held at the Legion Home on April 11, 1979.

We are pleased that we have reached our membership quota for this year. Quota is 70 and we have 71 members to date. Anyone who is eligible to join and wishes to do so, please contact any member of our Unit.

We are pleased to have Lisa Huber as a delegate from our Unit to attend Girls State at Olivet College, Olivet, Michigan. This will be held June 16-24.

We are planning for our annual Poppy Day, which will be held late in May. Judy Jacob will be Good Cheer for the coming month.

Refreshments will be served at our May 9th meeting by Gerry Huber, Delores Richardson and Gladys Folker.

### Singles 25 And Up

For an enjoyable evening with happy people, join the Tuesday Nite Singles at the American Legion Hall, Main Street, Ann Arbor, on May 15. Dance from Nine to Midnight to the music of Frank Venice. Come and meet some new friends.

One of the distinct advantages of living in a community area like ours, is that everyone knows everyone else. It is said, in the larger cities, it is better not to even know your neighbors. What a terrible way to live.

The smaller communities in this country have a lot to offer. You know your neighbors because you want to know them. You know the merchants because you are their neighbors, their friends. We get to know our customers. Our customers get to know us. It's the way it should be.

In many communities this size, however, the opposite is true. The bank is owned by a larger city bank. The bank is but a branch of some far away banking institution. Or, the real owners of the bank have little or no interest in the community area. Unfortunate circumstances.

We believe there is room, and always will be, for a home owned, independent bank. A bank dedicated to the community area which it serves.

I am certain you agree.

## In Retrospect

I see it was in one of the high-class home decoration magazines that porches are in style again, and I'm glad. Porches used to be an integral part of life and of house and home, but as "ranchers" and air conditioning and television and all the other indoor facilities including the recreation and family room came into being, the porch became leader than the dodo.

But it wasn't always true. I can remember when porches were an important part of life - the front porch, the side porch and the sleeping porch. The front porch and the side porch, too, in many cases, boasted wicker chairs and a swing that hung, suspended from the ceiling on chains and in the cool of the evening, long before air conditioning, you could hear the glider or swing moving rhythmically, and sometimes forth from one of them would come a giggle emerging from sis who was therein entertaining her boyfriend.

On the side porch there was often a hammock, woven from cotton cord, and in it a/ter supper or on Sunday afternoon, father could be found where he had found just the place to rock himself to sleep. There was no TV and therefore no baseball, football nor

Judge Kenneth Bronson will address members of the Manchester Village Association at their meeting on Wednesday, June 13th at 7:30 p.m. at the Bauernstube Restaurant. All interested parties are encouraged to attend. Judge Bronson, who was noted for his outstanding legal accomplishments by WHO'S WHO IN AMERICAN LAW will answer questions of those at the meeting.

Prior to becoming a District Judge, Judge Bronson served in the City of Saline from 1965 through 1968 as Justice of the Peace. From 1970 through 1977 he served as a member of the Bar Advisory Committee governing the operations of the Michigan State Bar Journal and for the years 1974 through 1977 as the Chairman of that committee, as well as serving as a trustee of the Public Corporation Law Committee. Judge Bronson has a reputation for providing speedy trials and has often expressed concern for keeping costs and delays down for litigants including local units of government.

Judge Bronson lives in Ann Arbor township with his wife Andrea and their six children. He has been a District Judge since elected to that position in 1974.

## Village Curb Pick - Up May 14th

The Manchester Village Association is a relatively new group of folks with diverse backgrounds and interests who work, live, and/or shop in Manchester and who share a genuine concern for the Village.

In an effort to help us all take pride in what is a very special village, the Manchester Village Association is sponsoring, with the cooperation of Bruce Daniels and Public Works Department, a village wide curb pick up on Thursday, May 24th. Anything that the Refuse Transfer Facility will accept and that can physically gotten to the curb, will be disposed of. Senior Citizens requiring assistance with this task, as well as those who are willing to help, are asked to call Mrs. Mary Schabile (428-7617) or Mrs. Paul Ernst (428-7221).

Articles may be placed between the sidewalk and the curb as early as Wednesday, May 23rd. The goal of this pick up is to beautify the village so residents are reminded to make sure that newspapers are tied, trash is bagged, brush and twigs are no longer than four feet long. Residents are also reminded that the refuse transfer facility will not accept garbage, flammable liquids, stones, stumps, industrial waste, logs, or liquids. Happy Cleaning!!!

## Kindergarten Round-Up

Kindergarten Round-Up for the Manchester Public Schools will be held at Emanuel's United Church of Christ on Wednesday, May 23 and Thursday, May 24 starting each day at 9:00 A.M. For those parents who are interested, there will be a classroom visitation both at Klarger and Pleasant Lake school on Friday, May 25 at 1:00 P.M.

If you have not been contacted by Friday, May 18 for an appointment for Round-Up, please call Klarger School, 428-8321 for your scheduled time.

## TOWNSHIPS TO FIGHT COUNTY

The Supervisors of Freedom, Sharon, Manchester and Bridgewater Townships, have met with legal council to initiate an appeal of the assessment increase imposed on the rural Townships of Washtenaw County. The increase was mandated by a State Tax Commission study that found agricultural lands assessed low, relative to recent sales. All property is supposed to be assessed at 50% of market value.

## Benefit Recital Sunday at 7:30

The orchestra benefit recital is this Sunday at 7:30 p.m. Its a great opportunity to come and hear professional quality chamber music right here in Manchester while at the same time helping to finance summer camp scholarships.

Performing in this recital will be Mr. David Gable, Ms. Susan Wolter and Mrs. Joyce Meade. Mr. Gable earned his BH in violin performance from the University of Michigan where he has been in the position of graduate teaching assistant most recently. He was co-concertmaster of the University Symphony this past season and will be serving as concertmaster for the Ann Arbor Summer Symphony this summer. Mr. Gable has been teaching private violin students in Manchester on Tuesdays this year. We are fortunate to have had such a fine performer instructing our young musicians!

Ms Wolter is a free-lance performer on viola in the Ann Arbor area. She received her bachelors degree in viola performance from Northwestern University. Mrs. Meade will also be performing in this recital. She received her BA in music education from Seima Heights College and is currently employed as the orchestra teacher in the Manchester School.

The recital will last approximately an hour. Music by Bach, Duerck and Kreisler will be on the program. The music will be followed by a short reception with refreshments provided by Mrs. Lillie Miller, an "orchestra mom". Tickets are available from orchestra students or at the door. Adults \$2.00, Children under 12 \$1.00.

## 2nd Annual Street Fair

On Saturday, August 11, 1979 the village of Manchester will be holding its Second Annual Manchester Street Fair. This arts and crafts fair is being sponsored by the Manchester Art Guild in cooperation with the Manchester Village Association. All exhibit spaces will be located on Main Street in Manchester. A number of activities are planned for the day including children's theatre, music, demonstrations, and the merchant's sidewalk sale.

In order to encourage local artists and craftsmen to participate in this fair, they are being charged \$20 per booth. All other applicants are being charged \$30. Art work will be juried by members of the Manchester Art Guild and applicants should plan on sending three photos or slides along with their application form. Artists and craftsmen wishing to participate in the fair will receive an application form by contacting Karen Hinkley 428-9115 or Kathy Auito 428-9202. Applications are also available at the Manchester Art Gallery. All applications must be received by June 30, 1979.

with it, they feel it would be a long costly battle and very difficult to win, as it would be necessary to prove fraud to win appeal of the States case.

Instead, they are appealing the discriminatory method in which the Washtenaw County Commissioners spread the imposed amount within the County. Only those units of Government that contain Agricultural lands were given a factor. The cities of Ann Arbor, Saline and Milan did not have any additional imposed assessment, on the basis that they have no Ag. land in their units.

The factors as imposed on the Townships are spread on all classes of property, so Residential, Commercial, and Industrial will all be hit with an additional increase above what the Assessor imposed earlier in the year. The Supervisors feel this is grossly discriminatory, imposing this assessment on our Residential and Commercial properties, and not on the same types of property in the cities.

If the additional amount would have been imposed before the Board of Review met, it could have been spread on the proper class of property, and the owner would have had an opportunity to appeal. Now, since the Board Of Review has adjourned, there is no avenue for appeal for the property owner.

As it now stands, the local Townships will have the following amounts added to their assessments: Freedom 8.1%, Manchester 4.5%, Bridgewater 8.9% and Sharon 9.0%.

## SENIOR NIGHT

On Monday, May 21st at 7:30 p.m. at the High School Gym the senior class will be presenting "Senior Night". The class wills, prophesy and history will be read. Everyone is Welcome!!!

## School Board Candidates Night

On June 11, 1979, two of the following people will be elected to the Manchester School Board: Barbara J. Cartier, James F. Curley, Paul Louis DuFresne, Joseph F. Fitzgerald, Dianne Schwab

On Wednesday, May 30, 1979, there will be an opportunity for you to meet the candidates and discuss their positions on the many issues concerning our school system and our children. Even if you do know these people personally, and especially if you do not, this will be a splendid opportunity to discuss school issues with them.

This Candidates' Night, sponsored by the Manchester Association for Talented Students, will begin at 8:00 P.M., May 30, 1979, in the High School Library.

## Manchester High School Band Spring Concert

The Manchester High School Band will present its Spring Concert on Thursday evening, May 24, 1979, beginning at 7:30 p.m. The concert will be held on the lawn outside the main entrance of the high school. Everyone is asked to bring their own lawn chairs or blankets for seating. In case of inclement weather, the concert will be moved into the High School Auditorium. The Band Boosters will be serving light refreshments.

The concert will feature music from two Wagner operas as well as contemporary band works and some popular tunes. Admission is complimentary.
