School Board Candidates' Night

Seven of the most important and powerful people in our community are the members of the school board. The range of topics that these people must consider and eventually vote on is wide. It has far-reaching effects on our community. Besides controlling the entire school budget and hiring or dismissing all personnel, the board decides upon such diverse issues as whether to allow the Senior Trip Club to use school equipment, whether to repair the schools' roofs, and whether to reconvene the Athletic League Board Scheduling Committee.

Since the members of the school board are supposed to represent the community, it is important that members of the community have an opportunity to meet candidates for the school board and discuss the issues with them. On June 11, two of the following people will be elected to four-year terms on the Manchester School Board: Barbara J. Cartier, James F. Curley (incumbent), Paul Louis DuFresne, Joseph F. Fitzgerald, and Dianne Schwab.

On Wednesday, May 30, 1979, a School Board Candidates' Night will be held at the High School Library, beginning at 8:00 P.M. This will be an excellent opportunity to meet the candidates, hear statements from them concerning their goals for our schools, and ask them any questions you have concerning their positions on school issues. Please come. The Candidates' Night is

IN RETROSPECT

During the past few years it seems to me that Memorial Day has, to a great extent, lost its significance. It seems to have become, to a great extent, another day that we don't have to work or that we don't have to go to school and a day when we can perhaps go fishing or take a short trip or work in the yard.

As I remember back some years Decoration Day, as it was commonly called then, was one of the year's important holidays. It was a day when there was a parade to the cemetery where quite an elaborate program was presented with one of the children reciting, with fervor, the Gettysburg Address and presenting The Battle hymn of the Republic, sung by the school chorus while the band which had led the parade to the cemetery, played a couple of appropriate numbers.

And most of the town was there too. Maybe then they didn't have so many other things that they could do. Most of us had no autos but managed to walk to these services.

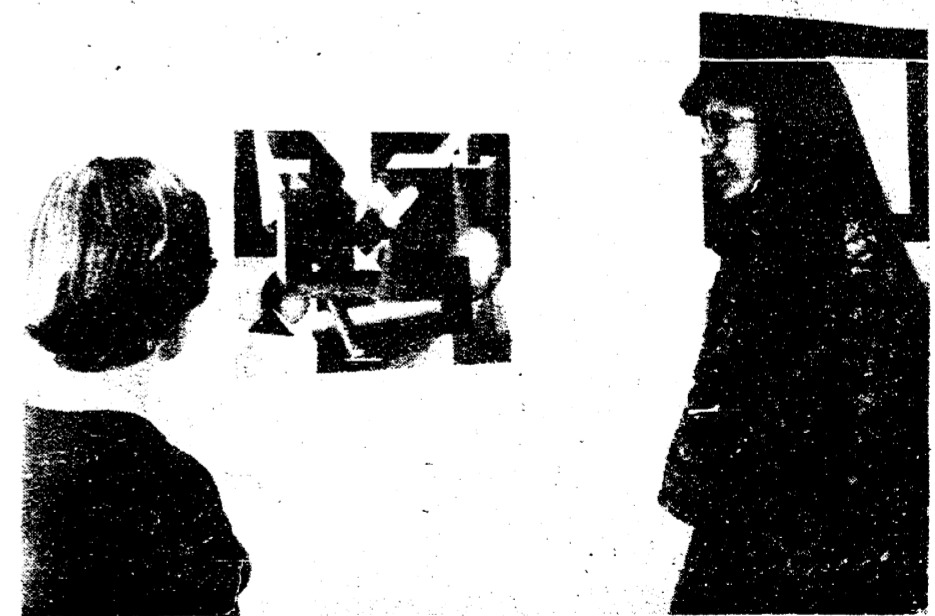

The day before these services the school children had brought to school from home, flowers from which were made small bouquets, and one was placed on each serviceman's grave along with a fresh flag placed there by the local service man's organizations.

In the school during the week or so before May 30 the students were regaled with tales of those who gave their "last full measure of devotion" for their country and that we should all pause on their day to honor their sacrifices.

Following the playing of taps and the firing of the salute by the veterans' representatives, the veterans and their families adjourned to their headquarters where they all enjoyed an elaborate meal and a social evening.

I don't think it would do a bit of harm if we all would take time on May 30 to hear the Gettysburg Address repeated for us and to listen to some words of praise about our basic way of life and if we would take time to gather at the local cemetery to do this we could still have time to attend a ball game or

BATES-WILLIAMS VOWS

On Saturday, the twelfth of May, an afternoon ceremony was held in the Emanuel United Church of Christ, Manchester, to unite in marriage Della Mae Williams of Clinton and Mr. Tarey Lee Bates of Onsted. The Rev. Robert Macfarlane performed the ceremony. The parents of the couple are Mr. and

Mrs. James Armstrong, of Clinton, and Mr. and Mrs. Thomas Bates, of Manchester. The honor attendants were Theresa Brady, of Pontiac, maid of honor, and Nelson Boatwright, of Manchester, best man. Diane Randall, of Manchester, was the flower girl and Billy Miller, of Brooklyn was the ring bearer.

Birth Announcement

The bridesmaids were Lynda Reiser, Cindy Merrill and Chris Benschoter, all of Clinton.

Serving as groomsmen and ushers were Kevin Knorpp, Rick Smith and Mark Eversole, all of Manchester.

Following the ceremony a buffet luncheon was held in the church fellowship hall. At seven o'clock a dance was held at 18615 English Road.

After a week's vacation, the couple will return to work. They will live at 7757 US-12, Onsted.

Dave and Eloise Kemner are happy to announce the arrival of their first child, Bradley Kekoa Kemner on May 4, 1979 at St. Joseph Mercy Hospital.

He weighed 6 pounds 11 ounces and measured 20 1/4 inches long.

Bradley is the paternal grandchild of Paul and Helen Kemner of Manchester and the maternal grandchild of Eloy and Dolores Birtodaso of Waipio Acres, Hawaii. He is also the 43rd great grandchild of Mrs. Amelia Kemner of Manchester.

Mr. and Mrs. Dennis Steele are the proud parents of a baby girl, Elizabeth Jean born May 16 and weighing 6 pounds 14 1/2 ounces. Elizabeth has a brother, Denny 8 and a sister, Melissa 4 at home.

Maternal grandparents are Mr. and Mrs. Joseph Gruber of Tecumseh. Paternal grandparents are Mr. and Mrs. Lorenzo Steele of Manchester.

Sportsman Club Family Campout

To a 4-Wheel Drive YANMAR Diesel

If you need more than a riding mower, don't settle for anything less than a 4-wheel drive YANMAR diesel tractor. Yanmar invented small diesel engines in 1923 and today is the world's largest small diesel manufacturer. Which is why Yanmar can offer so much more. Available in sizes from 15 to 35 HP, YANMAR has the fuel economy, power and versatility not found in any gas powered tractor. The Diesel gear driven PTO lets you use any attachment designed for a category One three-point hitch. With standard equipment like a 2-way hydraulic system, locking differential, and the exclusive Thermostat system for dependable cold starts, you've got a lot of tractor. See the new YANMAR's today!

Evangelist Series Continues at North Sharon

A series of evangelistic services is currently being conducted at 7 each night and on Sunday services at North Sharon Bible Church by Evangelist Joe Mark. The services Sunday are 10:00 and 11:00 a.m. and 7 p.m. The church is located at the corner of Washburne and Sylvan Roads between Chelsea and Manchester. Evangelist Mark comes to North Sharon Bible Church from Towanda, Illinois where he also has served the Calvary Baptist Church as an associate pastor. He is a

graduate of both the Pillsbury Baptist Bible College and the Temple Baptist Seminary in Chattanooga. Services started on Monday night and will continue through Sunday. There will be special music and inspirational singing as well as timely Bible messages. The Rev. Ronald C. Purkey, pastor, welcomes everyone to these special services. A nursery is provided during every service. Anyone needing a ride on Sunday morning should call the church office for free bus transportation.

Community Education

Babysitters and anyone who takes care of small children are invited to a "Babysitters Clinic" put on by the Washtenaw County Co-op Extension 4-H. This is a very vital and important program for anyone who has responsibility for small children. Topics to be covered will include: babysitting responsibilities, foods, safety and age groups, games, what to do when there is nothing to do, slides on children's development and first aid. The program will be held in Manchester High School on Thursday, May 31 from 3-5:00 P.M. There is no age limit to attend and it is open to both boys and girls. Please sign up at the Middle School Office, Community Education Office or call the Community Education Office at 428-7804. We would like to know how much material to bring for each participant.

Because of several requests from community members the Community Education Department will send out a new addition of a "Calendar of Events for the Summer and Fall Months in the Three County Area: Recreation Areas; Cultural Interests and Activities & Places of Interests for Short and Inexpensive Trips". There is a tremendous variety of things to do and places to go that are within a very short distance from Manchester. Many are free or very inexpensive, look for your copy in the mail this week.

The Community Education Department would like to thank the Manchester area residents who have made this year's programs so successful. By the end of the school year over 1200 people will have been involved in the overall Community Education Program.

Girl Scout News

Monday, May 28th, Manchester Area Girl Scouts are encouraged to walk in the Memorial Day Parade. Girls should meet at the Ross Automotive Store parking lot (old IGA) at 8:45. Permission slips, signed by the parent, should accompany the girls and be given to the adults in charge. Scouts can be picked up at the cemetery following the parade.

Manchester Day Camp fliers have been sent home with Brownie and Junior Girl Scouts. The dates of June 12 - 15 were scheduled so that this program for girls does not conflict with Summer Recreation and Bible School activities. Please get these fliers and registration back to your leader. Day camp plans cannot be completed until we have the total number of girls who plan to attend and also enough adult volunteers. Girl Scout Troops have been participating in troop projects to help with the 1979 Michigan Clean-Up Campaign. Parks have been cleaned, flowers planted, roadside trash picked up and miscellaneous other activities to help beautify Manchester. Recruitment fliers will be sent home soon with all girls interested in joining a Scout troop next fall. Membership is open to all girls at any age level. The flier includes a form for adult volunteers. The fliers should be filled out and returned to the school office as soon as possible. Meeting times and places will be worked out to meet the needs of the girls as much as possible. For further information about Scouting in Manchester, please contact Dianne Schwab, 428-8976 Troop Services Director.

Michigan is the only state that touches four of the five Great Lakes. 40 of Michigan's 83 counties touch at least one of the Great Lakes. Michigan has more than 11,000 inland lakes and more than 38,000 miles of streams. Three of America's top five industrial corporations and 22 of its top 500 businesses are headquartered in Michigan. Michigan includes 37,022 square miles of land area, 1,194 square miles of inland waters, 38,575 square miles of Great Lakes water area and 3,126 miles of Great Lakes shoreline. Michigan's opportunities for higher education include 13 state universities or colleges, 38 community colleges, and 54 independent colleges. Michigan is fourth nationally in grape production and fifth in wine making. More national traffic passes through the Soo than through the Panama and Suez Canals combined.

Why some people get a Greater return on their money.

Some people get a higher return on their money, because they put their dollars in higher interest paying certificates of deposit at Great Lakes Federal Savings. You can, too.

For example, if you have savings securities or property that are earning 5% or less, you can switch to Great Lakes Federal Savings 8% per annum certificates of deposit - effective annual rate 8.30% and increase your yearly income significantly.

Take a hard look at all of your invested dollars. This includes savings accounts, securities, property, savings bonds, paid up insurance policies and any other form of investment you may have.

Some could be paying you as little as 3%, 4%, and even less. A switch to some of Great Lakes Federal Savings higher interest paying certificates of deposit could add many hundreds of dollars to your annual income.

We would be very happy to discuss with you how our many plans can help you.

Optimist Club Tri-Star Baseball Contest Winners

On Saturday, May 19th on the athletic field at 9:30 a.m. a good number of students, age eight through thirteen participated in the Manchester Optimist first annual Tri-Star Baseball Contest.

The contestants were judged on three phases of baseball.

1. a series of five controlled hits from off a tee.
2. six throws at a 12 inch target, at a set distance.
3. best time at running the bases.

The winners were:
Eight year olds - 1. Tom Mann (parents, Ron and Judy Mann), 2. Denny Steele (parents, Dennis and Cindy Steele), 3. Vanessa Salyer (parents, Conlin and Patsy Salyer).

Nine year olds - 1. Kevin Weidmayer (parents, Dale and Mary Weidmayer), 2. Tracy Schuler (parent, Gale Schuler), 3. Jeff Mann (parents, Ron and Judy Mann).

Ten year olds - 1. Brent Walter (parents, Jim and JoAnn Walter), 2. Billy Broucek (parents Bill and Jan Broucek), 3. Richard Gorlitz (parents, Richard and Linda Gorlitz).

Twelve year olds - 1. Jon Cary (parents Loyd and Mary Cary), 2. Bryon Waters (parents, Jerry and Joan Waters), 3. Joel Norgaard (parents, Mr. and Mrs. Clark Norgaard).

Eleven year olds - 1. Terry Steele (parents, John and Joyce Steele), 2. Marty Walkowe (parents, Bill and Chris Walkowe), 3. Rob Smith (parents, Russel and Sandy Smith).

Thirteen year olds - 1. Jeff Waters (parents, Jerry and Joan Waters), 2. Terry Schuler (parent, Gale Schuler), 3. Alicia Seegert (parents, Webb and Evie Seegert). Congratulations and we are sorry there were no pictures.

Keeping Up With Sports

by Jon Hardenbergh
This is just a run down on the happenings last week and I took pictures at 3 sporting events and we won all 3—nice huh?

Monday saw a victory and a defeat with our boys downing Morenci in baseball as our girls failed to put Morenci away to lose. The boys unleashed a sound hitting attack with Bob King, Steve Melcher and Rick Krzyzaniak all clubbing 2 or more hits. Put that with the pitching of Steve, Rik Stetler and John Alexander and you've got a 10-4 win. On the other hand our girls have been jumping out in front all season but having the problem of holding their lead late. This is what happened against Morenci as after our innings we stood atop of the league leaders 5-1. But they blanked us in the remaining innings as they crossed home 6 times for a 7-6 victory.

Tuesday was again for track with Blissfield being the opponent for the boys and girls squads. I went to the boys track meet and I must say it was a squeaker. Top point getters for us were: Dana Clark-shot

put, Gary Daniels-discus, 800 meter relay of Tom Tassie, Brian Broucek, Bill Hagerman and Steve Eversole, 400 meter dash-Kurt Sauter, 400 meter relay-Brian, Mike Kempf, Jeff Pratt and Gary, Tom took the low hurdles and Steve captured the 800m run. They won the next 2 events to grab the lead 65-62 with only the 1600m relay (mile) left and in this race winner takes all. Kurt Sauter took off and lost some ground in the final ¼ mile so he passed to brother Karl Sauter. Karl held well then passed to Randy Bondy who ran as if a flock of bees were right behind him so by the time he handed to the anchor Steve we were only feet behind. Steve was off like a rocket and by the time he hit me on the first turn he was leading. It was no contest as Steve crossed way out front for the 5 points to give our team their first league win 67-65. It just wasn't the girls day as we got smoked 90-33. It started well with Kristy Kempher taking the shot put but Blissfield captured the next 4 events when Gretchen Platt took the 100 yd. dash, that was it for us as the following 9 events went to the Royals.

Wednesday again saw baseballs flying as Blissfield was the foe. In the girls contest we narrowly led until the sixth inning when 2 hits and 2 errors produced 3 runs so

Blissfield won 4-1. In Blissfield the 'big show-down took place as we face the unbeaten Royals. I guess our coach, Wes Gall, summed it up best by saying "they didn't pitch their ace but it wouldn't have helped if they had." We just tore them apart winning 12-1 behind the superb throwing of Craig Rogers. They tied the tally 1-1 in the first and that was it as Craig shut them down but our bats boomed to total 14 hits. Two or more hits went to Bob King, Rick Krzyzaniak, Rik Stetler, Steve Melcher and Dan Burch with solo homeruns by Jeff Geiger and Rick. I guess you could say what did the Royals in was our 5th inning when we brought 9 runners home. In the game I witnessed this day the JV Girls came to bat in the seventh trailing 14-12 but scored 3 runs to win.

Thursday was a good day as both the girls' track team and the boys' baseball squad came up winners. In track our girls edged out Onsted 65-58 with first place getters Karla Tauraiainen in discus and high jump, 100m low hurdles-Michelle Laroek, 800m relay-Kristy Kempher, Pam Martin, Michelle and Gretchen Platt, 400m dash-Kay Eversole, 200m low hurdles-Laura Honer, 200m dash-Gretchen and 1600m relay of Kay, Brenda Eggleston, Laura and Dawn

Eversole. Our boys' baseballers met Vandercook Lake and whipped them 9-3. Jeff Geiger, now 2-0 was the winning pitcher as the hitters today were: Jeff, Mike Lentz, Craig Rogers, John Alexander, Troy Walden and Todd Quayle.

Friday I went to a JV boys baseball game as we hosted Napoleon. They went up 0-3 then it stood 2-4. I'm not sure what's next but it became knotted 6-6 but they tallied 2, 6-8. We loaded the bases with it tied 8-8 when Troy Walden (playing JV today) smashed a probable home run for the win.

Sport Trivia-Thursday the Chicago Cubs hosted the Philadelphia Phillies in a National League Baseball contest. After 9 innings the score was even 22-22 but a Philly homerun won it 23-22. This 45 run total isn't a record as the record was set in 1922 at 49 runs by guess who-Chicago and Philadelphia although Chicago won this one 26-23.

Any way you cut it... it's a snap with a SNAPPER!

That's because a SNAPPER is a top quality, superior performing machine which is easy to maintain and will deliver years of dependable service. They're designed to get your work done faster and to perform more functions than their names suggest. Before you buy a mower or tiller, compare the quality and performance features of a SNAPPER. You'll find SNAPPER is worth more because it does more.

SNAPPER walk-behind mowers can broadcast, vacuum, and with inexpensive attachments, can bag, shred or mulch. SNAPPER extra "High Vacuum" rides can broadcast, bag and vacuum cuttings, leaves, litter, even pine cones, during high moisture conditions. SNAPPER tillers convert to walking garden tractors which can plow, cultivate or doze soil or snow.

Card of Thanks

This is my public thank you to all those who have been so kind to my husband and me at the time of my recent fall, during my hospitalization, and since my return home.

Special thanks are due to Doug Parr of Manchester Electric for rushing me to a doctor, to Alma Arnett for her help, to the Fontana Ambulance attendants whose gentle care I will never forget and especially to Pastor Nelson who, with the Prayer Line helped so much. Also, we could not have managed nearly so well if the ladies of the church had not brought in our meals for several days.

My accident served to remind me how grateful I am to be living in a small town where everyone is my neighbor.
Helene Bowers

The family of Clara Breitenwischer wishes to extend their thanks to their friends, relatives and neighbors for the many acts of kindness expressed during the loss of their loved one. The flowers, cards, food and contributions were very much appreciated.

A special thanks to Rev. Macfarlane, Rev. Woods and the Jenter Funeral Home.
Mr. and Mrs. Marvin Breitenwischer
Marion Hanley and family
Ruth Randall and family

We wish to thank the Athletic Boosters Club, Optimist Club, special committees, coaches, athletics and parents for making the Athletic Banquet a success.
Denise Dresch and Marilyn Clark

On behalf of the Athletic Boosters I would like to say a very special thanks to Denise Dresch, Marilyn Clark and their committees who gave so much time and effort to the "All Sports Banquet". Also to Jim Fielder and his staff for all their work, which made it so a great success.
Joe Fitzgerald, President
Athletic Boosters

The Class of '79 would like to thank all the teachers who showed up to participate in our Senior Night. To the majority of the teachers, who found it inconvenient to participate, we can only say one thing: We regret that you couldn't participate in our one program, especially since we have participated in yours all year!

STREET FAIR

Local groups wishing to participate in the Second Annual Manchester Street Fair should turn in an application as soon as possible. Spaces will be assigned on a first come first served basis. A fee of \$10 per booth is being charged for all local community groups. Applications can be obtained at the Manchester Art Gallery or by contacting Karen Hinkley 428-9115 or Kathy Aiuto 428-9202.

GENERAL MEETING

Heleen Welford will be giving a short demonstration on the specialized weaving technique called needleweaving at our next general meeting on Wednesday, May 30. The meeting begins at 7:30 with a short business meeting followed by the weaving demonstrations and refreshments. The public is invited to attend.

CHILDREN'S CANDLE MAKING

Children between the ages of 8 and 12 are invited to attend a special children's workshop in candle making. Each child will make several floating candles and should bring a large pyrex baking pan and their favorite metal cookie cutter. The workshop will take place on Saturday, June 2 from 1 to 3 p.m. and will be held at the Manchester Methodist Church. Workshop fees are \$4 for Art Guild members and \$5 for non-members.

WHEAT WEAVING

A workshop in wheat weaving will also be held on Saturday, June 2 at the Manchester Methodist Church. Participants will learn about the history of wheat weaving, the materials that are used, and the basic techniques used in constructing decorative woven pieces. The workshop will be from 10 a.m. to 2 p.m. and participants should bring a spool of heavy thread and scissors. Workshop fees are \$6 for Art Guild members and \$7.50 for non-members.

WORKSHOP REGISTRATION

To register for these workshops, please call 428-7730 days, or 428-7238 evenings before May 30.

Knights Templar Conclave

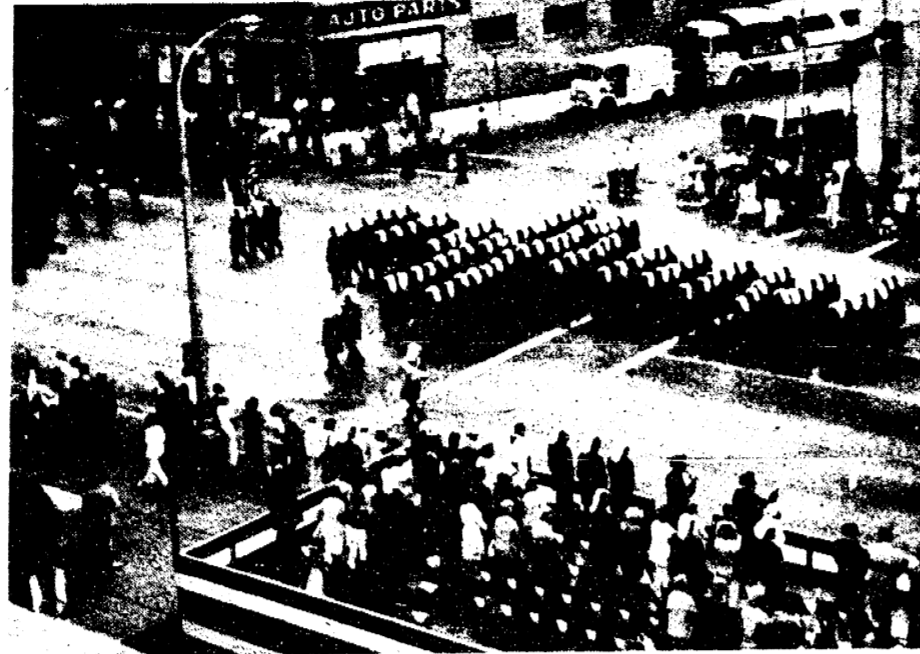

An all-Masonic parade, consisting of marching units from 35 commanderies, Moslem Temple Shrine and youth groups from across Michigan, will highlight the three day Knights Templar conclave in Ann Arbor on June 2, 1979.

Three Michigan high school marching bands will join a Salvation Army band in what the Parade Grand Marshal has predicted will be "one of the grandest parades we have held in recent times."

The parade will be led by an Arabian horse troop of 14 uniformed Knights as well as units of the Young men of Demolay, Job's

Daughters and the Rainbow Girls. The parade will wind its way through the central business district of the mid-Michigan city beginning at 5:30 p.m. Moslem Shrine will present 15 units, including its famous oriental band, cycle patrol, keystone kops. Also participating will be the highlanders, legion of honor, clowns and others that have helped to make the shrine units famous.

The Knights Templar is the top-ranking "Scottish Rite" of Masonry. It has over 360,000 members around the world. Founded in 1118 in Jerusalem, the first

Knights Templar unit in the United States began in 1816 in New York City.

Although their parade exhibitions have given the Knights Templar national recognition, most of their time is spent in philanthropic pursuits. The Knights Templar Eye Foundation, established in 1957, has provided over \$12 million for surgical treatment and hospitalization for needy blind and sight-impaired persons. They have also made substantial contributions to eye research. The Knights Templar Education Fund has provided over \$40 million in low-interest loans to needy

college and technical school students.

Ann Arbor is serving as host of the annual Knights Templar Conclave because the leader of the Michigan chapter is a "hometown boy." "Sir Knight" Arthur Trevithick, a retired city employee, says he "can't wait to show off the city of Ann Arbor to the 1200 Knights we expect. And I can't wait to show off the Knights to the city, either."

The parade will begin at 5:30 p.m. on Saturday evening, June 2, 1979, in the Ann Arbor "market area." It will head east from E. Catherine and N. Fourth and proceed six blocks south down N. Main to Packard Street where it will end.

Reviewing the parade will be "Sir Knight" Ned E. Dull of the Knights Templar of the U.S.A. and Mr. Trevithick. "Sir Knight" Gilbert Rice, Parade Grand Marshal, said the city of Ann Arbor has been extremely helpful in promoting this event. "The city officials have met with us and helped to pave the way for a successful and exciting parade."

With inflation constantly growing, it seems that every dollar I earn has two places it should go.

I'm certain you are faced with the same problem.

It is more necessary today than ever before to make certain that every dollar is spent wisely...or prudently saved.

A checking account is an excellent vehicle to make certain you are spending wisely. A checking account, too, is a perfect means of determining what you can save at income tax time.

Whether spending your income in a wiser fashion or affecting savings, like income tax refunds, a checking account is invaluable.

It takes but a minute or two to open your checking account and the cost to you of maintaining a checking account is practically nil.

Stop in soon.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU
LUDINGHAM

OVER-REGULATION IS NO JOKING MATTER

It may have seemed like a poor practical joke to some guests attending a Farm-City Breakfast sponsored by the Missouri Farm Bureau Women when they were served an "Empty Plate Breakfast." Though menus at several place settings read: bacon, eggs, toast, milk, orange juice and apple jelly, NO FOOD APPEARED.

The breakfast guests were served a wholesome breakfast, of course, but not before the farm women made the point that over-regulation of agriculture could take its toll on food production and supply.

For the farm women, the "empty plates" were no joking matter. They explained that the ban on nitrates removed bacon from the menu, even though an individual consumer would have to eat over 15,000 pounds of bacon each day to equal the amounts of nitrosamines administered to laboratory test animals that developed cancerous tumors.

There were no eggs, milk nor butter because the government's "dietary goals" suggest that consumption of high cholesterol sources be decreased, even though scientists haven't been able to establish

that diet relates to heart disease or cancer. The orange juice and apple jelly didn't appear either because valuable insecticides and fungicides have been banned and the oranges and apples were now worm-infested.

There was no toast because of what could happen if wheat exports were halted. Wheat farmers, left without a market for their agricultural abundance, would go broke and raise no wheat for flour; consequently, no bread.

These are vivid scenes when you are hungry and only empty plates and glasses are before you. The whole point of the dramatization by the Farm Bureau Women in Missouri was to show what can happen if decisions are left to a few bureaucrats in Washington, D.C. It showed that over-regulation of the food and agriculture sector is no joking matter.

But, farmers want to produce. They are producing enough now to feed themselves and 56 others. If over-regulation by our government puts our modern farm production system out of business, then "empty plates" may become a bit of a reality for U.S. consumers and the hungry peoples of the world.

Kick-Off Meeting

The Summer Food Service Program, sponsored by the Washtenaw County Community Services Agency, will have its

first workshop Wednesday, May 30, 1979, at 2:00 P.M. at the Ann Arbor Community Center, 625 North Main Street. All site sponsors and site supervisors are required to attend.

The Food Service program is designed to provide free nutritional meals for low-income children 18 years of age or younger, without regard to race, sex, religion, color, national origin, or handicap. It is funded by the United States Department of Agriculture's Food and Nutrition Service and administered through the State Department of Education. CSA is the only local sponsor of the Summer Food Service program.

The primary goal of the program is to provide a replacement for meal programs available to children during the academic year through the public schools. The program begins June 6 and lasts until August 31.

CSA officials expect to serve 65,000 box lunches and 40,000 snacks during the course of the program.

Any public or private non-profit organization providing recreational, education in cultural enrichment activities for youth can qualify for meal service if at least 1/3 of the children attending are from low-income

families or the site is in an area where low-income families make up at least 1/3 of the population.

If interested in participating, you may send a representative to the meeting. Further information may be obtained by calling Flora Burke at 994-1650 at the Washtenaw County Community Services Agency. Volunteers skilled in physical education, recreation, crafts and child entertainment are needed.

Piano Recital May 29th

The piano students of Mrs. Mary Sue Moore will present a recital on Tuesday, May 29th at 7:30 p.m., at Bethel United Church of Christ.

The students performing are Jessica Roberts, Dawna Rice, Becky Opal, Chris Opal, Merri Beth Opal, Dave Moore, Martha Moore, Teresa Kniahnycky, Barb Kennedy, Kelly Bristol, Kerri Bristol and Kim Bristle.

The public is invited to attend the recital and to join us for refreshments afterward.

Retrospect

As a reader of this column has asked me for asking that we take time to observe Memorial Day. So I'm corrected. I shall go stand in the rain and face the wall for twenty years, but I find that there are others who are to be traditional-even most of the veterans make note of the "traditional" day.

The change to Monday was made, it isn't too hard to figure out, not to emphasize the purpose of the holiday but to give the busy worker that much of a weekend in which to enjoy themselves. This idea is all right I guess, but to us at least, it can't have any great significance, but I'm glad that our legislators have found time from their busy lives and their junkets here and there to juggle these holiday dates to make them more convenient-at least they haven't yet changed the date for Christmas nor for the Fourth of July or New Years, but you never know what's next.

Perhaps these legislators in Washington and Lansing, will some day in the near future, will also find time, between junkets and committee meetings, to perhaps help to solve our problems of inflation and energy shortages on a national scale, and the

problems of an equitable tax base and on a state level, the problems of an unfair unemployment compensation which has caused us to lose some of our much needed industry and several other minor (?) problems.

However the legislative bodies have juggled several of our holidays to make for a long weekend, for most of us; the legislatures have all voted themselves a healthy raise, and may we repeat, maybe some day they will take time from their campaigning to wrestle with the major problems of today, and begin to perform in the manner that many of us still hope that they can and will.

In all fairness we should emphasize, however, that there are some legislators who are doing their best to conscientiously serve their voters, but sometimes we are forced to believe that they are in the minority.

So there now-that error has been corrected. It probably won't be long before another one can be found and reported to us. When you find and report our errors and sins of omission it proves one thing at least-you read what we wrote, didn't you? And to whether you celebrated Memorial Day Monday or Wednesday, we hope you had a good time and did at least, pause a bit to remember what this day was set aside for.

March of Dimes Scholarship Winner

Joan Schaible

The Washtenaw County Chapter of the National Foundation-March of Dimes held its annual Appreciation Dinner, Tuesday,

May 15, 1979 at Weber's Inn, Ann Arbor. The featured speakers were Mr. and Mrs. Douglas Cooper of the Washtenaw County Special Olympics.

Four \$500 scholarship awards were presented to area high school seniors who are going to college in a health related field. From Manchester, Ms. Joan Schaible, daughter of Barbara and Luther Schaible, 4665 Fletcher was one of the winners. Her intended college is Michigan State, studying nursing.

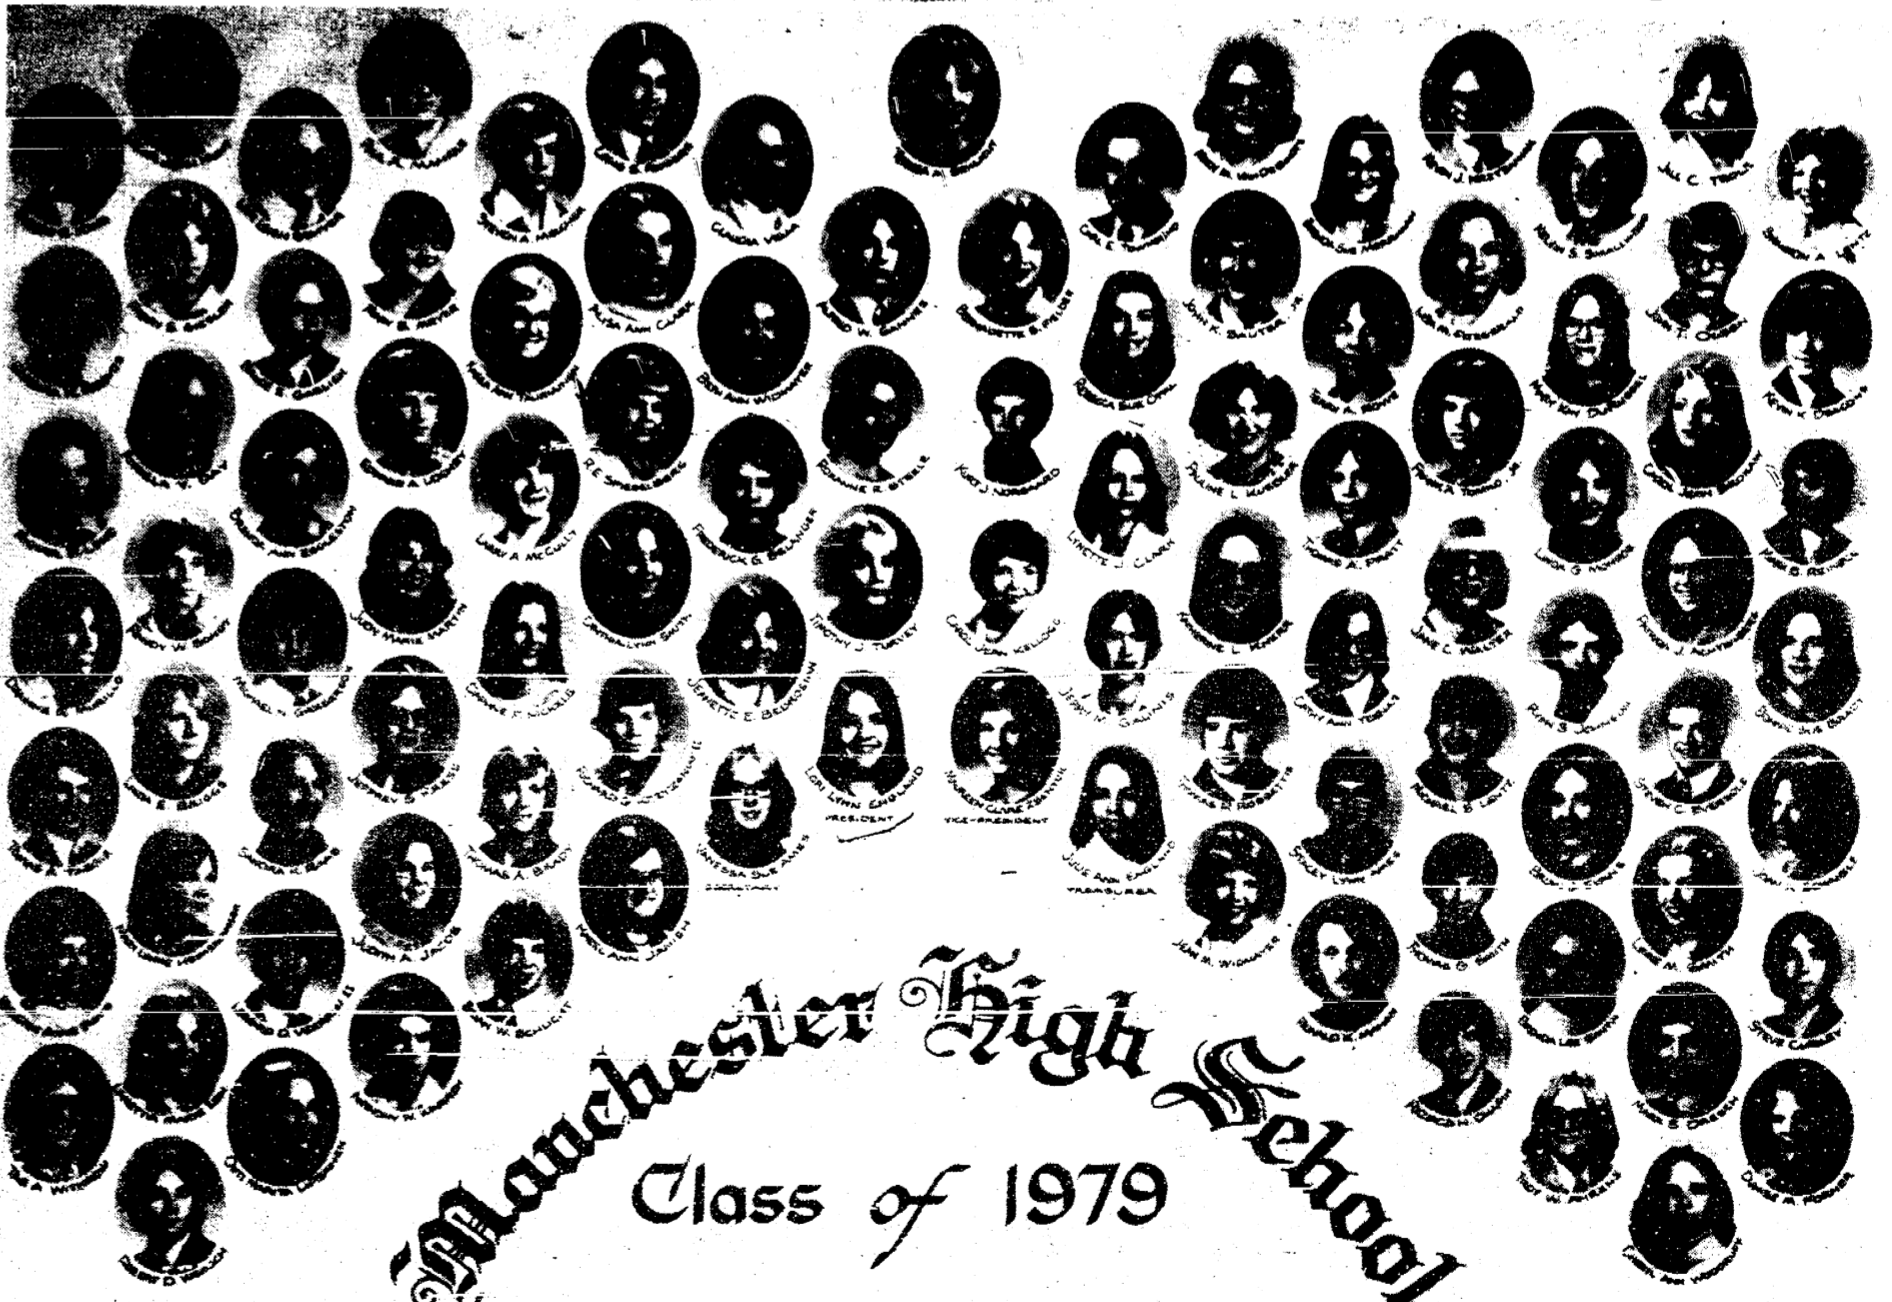

For the first time, two \$500 scholarships were awarded to the University of Michigan Parent-Child Nursing graduate program and one \$500 scholarship to Senior nursing student at Eastern Michigan University.

The new board for fiscal year 1979-89 was elected and Catherine J. Martin was re-elected as chairwoman of the March of Dimes. Special awards were given to volunteers for this past year.

Notice

The Senior Trip Club of the Class of '61 will have a sign up for the students and parents for the Food Tent on June 6th at 7:30 p.m. in the High School gym. This is very important as there are many schedules and suppers to be planned.
