## John A. Savage Sharon Supervisor

John A. Savage, Power Unit Sales Engineer at Double A Products, Manchester, Michigan; has been appointed Sharon Township Supervisor effective August 1, 1979. He will fill the unexpired term of James S. Haller until November, 1980. Mr. Haller recently resigned because of a change in occupation and a move to another State.

Previous to his employment at Double A Products two years ago, John worked in the Sales and Advertising Field for twenty years for Libbey Owens Flow Glass Company, Toledo, Ohio and Shatterproof Glass Corporation, Detroit, Michigan. From 1954 to 1955, he taught Psychology at the University of Toledo while doing graduate work.

Mr. Savage was born in Adrian, Michigan, attended Albion College and graduated from the University of Toledo in 1951.  
In 1969, John and his family moved from Royal Oak, Michigan to 20453 Pleasant Lake Road, Sharon Township. His family consists of his wife Carol, who teaches First Grade at Pleasant Lake School, a son John, 22, an assistant manager at Point West Inn, Macatawa, Michigan and a daughter Jan, 20, who is a Senior Medical Secretary at the School of Public Health, University of Michigan, Ann Arbor.

John is a member of the Aircraft Owners and Pilots Association and he and his family are members of Zion Lutheran Church, Rogers Corners, Chelsea, Michigan.

## Notice

Any band alumni wishing to play in the fair parade should call Mr. Rodenbeck at 428-7333 or 428-8797.

## Fair Parade August 14

Tuesday, August 14 at 6:30 P.M., the Fair Parade will be announcing the opening of the Annual Manchester Community Fair. It will organize on Duncan St. (north side of Athletic Field.)

High School Classes, Organizations, Clubs and Merchants are asked to "make ready" your entries.

Boys and girls are urged to decorate their bokes, wagons, etc. and ride in the big parade.

Prizes will be awarded for both floats and bokes.  
For further information call Clarence Fielder, 428-8346 - 428-8506, or Eugene Bentschneider 428-5587.

## Fair Exhibits Accepted Aug. 13-14

Monday evening, August 13th from 6:00 to 8:00 and Tuesday morning August 14th from 9:00 to 12:00 are the times designated for entering exhibits at the Manchester Community Fair. Anyone with exhibits for antiques or the Fine Arts in the Middle School must go to the Exhibit Tent on the Fair Grounds to pick up their entry form.  
If you need more information about entering exhibits in the Fair, please call Dianne Schwab 428-8976.

## United Way Slogan Contest In 11th Year

The Manchester United Way Board will conduct the eleventh contest to find a slogan for the 1979 United Way campaign. Entry forms and contest box will be available at the Community Fair Booth. The winner of this years slogan will receive \$10.00 cash.

The contest will be open during Fair week August 14th through the 18th. Great Lakes Federal Savings provided the space for the United Way Booth at the Fair this year.

## Second Annual Street Fair August 11th

On Saturday, August 11th, the Village of Manchester will be holding its Second Annual Manchester Street Fair. The Fair is being sponsored by the Manchester Village Association and the Manchester Art Guild. A variety of things have been planned for the day, so bring the family and join in the fun!

Artists and craftsmen from around the state, and some from as far away as California, will be setting up shop in the center of Main Street. Everything from pottery and paintings, to baskets and wooden toys will be displayed. Several of the artists will be doing demonstrations of their art or craft media.

The center stage area will offer entertainment for Fair visitors. The Black Sheep Repertory Theatre will be doing selections from VAUDEVILLE! The Traveling Smiles Children's Theatre will be doing pieces of interest to children of all ages. Matt Thornton and Connie Huber will be providing music, and O.J. Anderson will be doing a mine show.

Manchester merchants will be moving outside and lining the sidewalks with merchandise of all descriptions. Several community organizations will also be participating in making the Fair a success. The Manchester Art Guild will be setting up a children's activity booth, the Friends of the Theatre will be giving tours and selling ice cream, and the Jaycees and Jaycee Auxiliary will be operating a concession booth.

Speaking of food, there will be plenty! The Baurenstube will be selling knock-wurst, and the Jaycees will have hot dogs and sloppy joes. The Manchester United Methodist Women will be holding a bake sale, and there will be pretzels, popcorn, cotton candy, and beverages of all kinds.

The Fair will begin at 10:00 a.m. on the 11th and close at 7:00 p.m. Horse drawn wagons and shuttle vans will be available to transport visitors to the Fair area. There will be ample parking for everyone and admission is free. The Second Annual Manchester Street Fair promises to be an event for the entire family to enjoy. Bring your friends and enjoy the day in Historic Manchester!

## In Retrospect

Just about a year ago we were asked to chronicle each week various facts concerning Manchester's past-events (mostly humorous) that had not before been reported in any detail, but which it was deemed, should be preserved in the pages of history. This we have greatly enjoyed and our efforts have evidently not been in vain while though very few of the readers of the Enterprise have expressed to us their appreciation, the various subjects that we have elaborated on and presented in detail, have been discussed in various places and at various times. We have enjoyed all this and have, as far as I know or can remember, brought to light most of the worthwhile incidents that have heretofore not been presented.

Some weeks, when we thought a change of pace was appropriate, we wrote down some of our thoughts on various current subjects and these too we have been told were enjoyed by some of our readers at east. For all of which we thank you and with or without your permission we will (until we are prohibited from so doing) continue to help to fill space in the Enterprise with a discussion of one subject or another.

This week may we chronicle the details of a (to us at least) perfect example of how well our legislators who, as you well know are elected to serve their constituents, take care of themselves at our expense. It seems that some 2,400 retirees now are getting paychecks higher than the biggest paychecks they received while working. These are retired civil servants. According to the record one who retired in 1971 with a top salary of \$36,000 now draws retirement pay of \$46,032. Pensions of retired federal workers are required by law to be increased regularly as the cost of living goes up. This is not true of the salaries. The federal top brass can get no more than \$47,500 a year.

(Imagine having to struggle along on that). The increases granted because of the cost of living escalation however goes onward and upward.

And speaking of spending money, the price tag for extracting oil from shale, coal, crops, waste and hard-to-extract natural gas to eventually make us oil import free (by 1990), is noted to be Eighty-eight billion dollars. Now that's a good round sum, but I wonder if any of us can visualize what \$88,000,000,000 is? I personally have trouble imagining what more than the \$85,000 that a modern home costs at a minimum let alone what that amount plus six zeros is. But I've a suspicion that, as usual, it will cost us all, at least the run of the mill taxpayer, plenty. And there is one factor that we haven't heard discussed and that is just what do we get for our money. Is the amount of oil to be produced by this expenditure going to be cheap enough so that we can afford it or are we as in so many other cases going to pay for a program that will benefit a small group of our people while the rest of us finance it. Can't someone tell us approximately what we are going to get for our money, or are we going to see our experts and our legislators ride off in a cloud of dust in all directions, to accomplish very little.

We are thankful that these expenditures will have to be approved by Congress and we hope and pray that its members will do what is for the best interests of our country - all of it.

And by the way it was only 100 years ago that crude oil bubbling up from the ground in Pennsylvania and other places was termed "black devil" by many and resented as a sticky nuisance for which there was no need whatever.

Most every American taxpayer is alive - and kicking.

Revised motto: "Do it now. Tomorrow there may be a law against it."

## Community Fair Offers A Variety of Entertainment

O. J. Anderson of Manchester's Black Sheep Repertory Theatre will present for your enjoyment his Mime Show.

Mr. Anderson is well known for his ability to silently portray human experiences, providing insight and wit with every step and expression.  
He travels many miles to present his one-

man show to many different audiences. Children of all ages have enjoyed his humor, imagination and talent when his Mime Show has been presented in many area schools.

Come and enjoy O.J. Anderson in the Middle School Gym, Saturday, August 18th at 2:00.

### Birth Announcement

Born August 2, 1979 to Mr. and Mrs. Kenneth Liedel of Adrian, a son, Brian Kenneth 8 pounds 13 ounces. They also have a daughter Tiffany 3 years.

Maternal Grandparents are Mr. and Mrs. Edward Wurster of Tipton and Paternal Grandparents Mr. and Mrs. Joseph Liedel of Adrian.

### Accident Fatal To Local Youth

18 year old Charles Bordine Silkworth of 7000 Lamb Road was fatally injured when the motorcycle he was riding went out of control as he was traveling west on Austin Road on Monday, August 6 at 9:15 p.m. Silkworth crossed over the center line, striking an east bound car driven by Debra Goodman of St. Clair Shores. She was uninjured.

### Placed On Dean's List

A total of 833 students achieved placement on the spring quarter Dean's List at Michigan Technological University by earning a grade point average of 3.5 or higher. Dean of Student Harold Meese reported that 226 students earned straight-A averages of 4.0.

Jonathan P. Munson, a freshman majoring in mechanical engineering, son of Mr. and Mrs. Fred C. Munson, 9981 Bethel Church, Manchester was one of the students listed.

**LETTERS TO THE EDITOR**

It is obvious to anyone who has followed the voting record of Mr. Robert Carr, Representative from the 6th Congressional District of Michigan, that he almost always votes for bigger Government and more Government spending. Now, he has sponsored legislation that increases our taxes and gives Government Bureaucrats control over our children's education. He was one of 70 (seventy) Representatives to sponsor a Bill that established a separate Department of Education, apart from Health, Education and Welfare, HEW.

The new Department would benefit the teachers and administrators not the children. It is very important to the National Education Association which has 1.8 (one-point eight) million members and in 1978 financed 155 (one-hundred and fifty-five) Representatives with hundreds of thousands of dollars. The Department would mean a greatly increased appropriation,

which the NEA wants in order to protect the jobs and salaries of all of those teachers and administrators who face rapidly declining school enrollments.

As the Federal Government has assumed more and more control of education in the last few years, the cost of it has skyrocketed, but the standards have diminished. The cost of this new and separate department will be \$12,000,000,000.00 (twelve-billion) dollars the first year. If you spent \$1,000 (one-thousand) dollars a day, it would take 2,739 (two-thousand, seven-hundred and thirty-nine) years to exhaust one billion dollars. It's not more money that is needed; it is less Government control, which would allow school districts to solve their own problems, the bill-payers then would watch more closely to see how their tax-dollars were spent.

The 6th District cannot afford Mr. Carr any longer, it is time for a change.

Sincerely,  
 Mrs. L. G. Rickert  
 20477 Scio Church Rd.  
 Chelsea, Michigan 48118

### Buckle Up Babes

The Manchester Jaycee Auxiliary is pleased to announce they are joining with other Jaycee and Jaycee Auxiliary locals in the State of Michigan in the B.U.B. project (Buckle Up Babes). This is a program whereby our local obtains infant and child car-seats and rents them to people in our community for a very reasonable price. We are also hoping to provide community education and encouragement in the field of child car safety.

At the present time our local has two infant seats and one child seat. This has been made possible through the generosity of Mr. and Mrs. Raymond Tirb of Tirb Chevrolet, Manchester. When approached about this project, Mr. and Mrs. Tirb were very kind and offered to donate the seats to our local for use by the community. Depending upon the interest and demand, we will investigate other means of purchasing additional seats with the money from the rentals.

We will have a booth at the Sidewalk Sales, Saturday, August 11 where you can see the car seats, sign up for rental, and obtain information on child car safety. We will also have lists available of the car seats approved by the Michigan Office of Highway Safety Planning.

For more information please contact Evelyn Panches, 428-9072 (evenings) or Janice Stautz, 428-8827, or any Manchester Jaycee Auxiliary member.

Please support this project and Buckle Up Your Baby!

### Named Executive Director of G. S.

Seymour Brieloff, Executive Director of G. S., is shown in a professional setting. He is wearing glasses and a suit, looking directly at the camera.

Council and various program membership, insurance and properties.

For the past seven years Brieloff has been the Executive Director of the non-profit Manchester Family Planning Project, incorporated in Detroit. As Family Planning he was responsible for total administration and operations including staffing, fiscal, program and corporate management.

Brieloff has two and a half years experience as the Administrative Coordinator for the Planned Parenthood League, Detroit, over eight years with the Michigan State Association, first as the Eastern Region Director, then as the Director of Community Services, Detroit, one year as the Director of Operations with the Community Workshop, Jewish Vocational Service and one year as an individual and Group Counselor with Jewish Vocational Service in Detroit.

He has spent three years as a Supervisor of Rehabilitation Services at Maybury Seminars in Nashville; one and a half years as a Rehabilitation Counselor for the Mayor's Rehabilitation Committee on Solid Row Problems in Detroit; and three and a half years as an Employment Counselor with the Detroit Department of Welfare Employment Service.

Brieloff has a Master's of Education Degree from the University of Miami, Coral Gables, Florida, where he also received his Bachelor of Arts Degree. He has also received special training in Alcohol Studies from Yale University.

### Free Booklet On Home Insulation

A free booklet on home insulation is being offered by the Michigan Department of Licensing and Regulation.

The booklet, prepared by the U.S. Consumer Product Safety Commission (CPSC), describes the hazards of different types of insulation, explains how to figure the amount you need to use, offers insulation and safety tips for the do-it-yourselfer, and suggests precautions for people buying insulation.

William Hallenger, department director and Michigan coordinator for product safety information, arranged to have the booklets distributed free in Michigan because so many citizens are now considering insulating their homes to cut winter fuel costs and conserve energy resources.

"The Consumer Product Safety Commission has found that some home insulation can be a fire hazard, a skin irritant, or even cause respiratory problems from formaldehyde odors which can persist for months after installation," Hallenger said.

Copies of "Questions and Answers on Home Insulation" may be had by writing to: Insulation Booklet, Department of Licensing and Regulation, P.O. Box 30018, Lansing, Michigan 48909.

### William F. Delhey Re-elected To PAAM

Washtenaw County Prosecutor William F. Delhey has been re-elected to the Board of Directors of the Prosecuting Attorneys Association of Michigan (PAAM).

The prosecutors' organization met on Mackinac Island July 27-29 for PAAM's 23rd Annual Conference. Among the resolutions adopted by the group was one setting minimum training and continuing education expenditures for all assistant prosecutors in Michigan. PAAM is one of the first statewide associations of prosecuting attorneys to adopt such a standard aimed at insuring the high quality of prosecution in the state.

The PAAM conference was immediately followed by the annual conference of the National District Attorneys Association which continued through August 2nd at the Grand Hotel on Mackinac Island.

### Saline Rodeo

The 14th annual Saline Rodeo will be bringing 'big league' professionally sanctioned International Rodeo Association rodeo to the Washtenaw Farm Council Grounds located on Saline-Ann Arbor Road at Pleasant Lake Road for three action packed performances on August 10, 11 and 12.

The J Bar J Rodeo Company of Clare, Michigan, well known in the rodeo circuit, will furnish the tough aggressive stock for the Saline Rodeo.

Many nationally rated cowboys and cowgirls will be competing on rough bucking stock and timed event cattle in the brahma bull, bareback and saddle bronc riding, girl's barrel racing, calf roping and steer wrestling events.

Rodeo fans will also see the Bobby 'Toad' Cook specialty act. Roger Martin has the most dangerous job at the rodeo as the professional bull fighter clown. The rodeo 'ho-down' complete with music, dancing and singing will follow the rodeo performances on Friday and Saturday nights. Concessions will be available at all performances.

Championship Rodeo starts at 8 PM August 10 and 11 and 2 PM on August 12. Tickets are \$4.00 Adults and \$2.00 children 12 years and under. Advanced tickets are \$3.50 adults and \$1.50 children and are available at all J.L. Hudson stores, Sears at Briarwood Mall; Bar G Saddlery, and Village Tack and Togs in Ypsilanti; The Citizens Bank, Kempf's Mens Wear and the

### 22nd Bertke Reunion

The 22nd Bertke reunion was held Sunday, August 5th at Carr Park. There were 58 members and 3 guests present from Norvell, Brooklyn, Clinton, Manchester and Toledo, Ohio to enjoy the potluck dinner, fellowship and games.

The business meeting was called to order by President Joyce Scott and was decided to have the same officers for another year. President-Joyce Bertke; Vice President-Pat Bertke; Secretary & Treasurer-Mary Lou Gormley. Gertrude Bertke was named honorary historian and Gola Bertke, acting historian. Tanya Gilmore and Nancy Ceronsky will be in charge of games.

Next year's reunion will be held the first Sunday in August at Carr Park, dinner at 1 o'clock.

There were 5 births, 1 death and 2 marriages last year.

Madeline Holton of Norvell was the oldest member present and Victoria Lynn, daughter of Mr. and Mrs. Thomas Mueller of Toledo, Ohio was the youngest.

# COMMUNITY OFFERS A VARIETY OF ENTERTAINMENT

### ANN ARBOR CHAPTER OF SWEET ADELINES, INC.

The Ann Arbor Chapter of Sweet Adelines, Inc. received its charter from the international organization in July, 1978 with twenty-three members. The chorus, which has doubled in size over the past year, has a varied repertoire ranging from modern hits to Dixie melodies all sung a capella in four-part harmony, barbershop style.

The Ann Arbor Sweet Adelines have performed at many civic and charitable functions in the Ann Arbor area including several hospitals, convalescent homes, the Ann Arbor Art Fair and the Ann Arbor Ethnic Festival. Under the direction of Paula Mullis of Roseville, Michigan, the chorus presented its first annual show last December and finished sixth in their first regional competition held in Cleveland, Ohio in May. The chorus is currently preparing their second show, "Snowbeat."

"Round the Bend," to be presented on October 5 & 6 at Huron High School in Ann Arbor.

Featured with the Ann Arbor Chorus are several chapter quartets including 1978 regional champions and international semi-finalists, FOUR'S THE LIMIT. FOUR'S THE LIMIT has performed for

several organizations in the local area recently including the Manchester Alumni Association and Lambda Nu Sorority.

For further information about chorus engagements and/or membership, call Elly Zurluh, president, at 973-2459. To contact FOUR'S THE LIMIT call Jane Abruscato at 434-3251.

### 'FIDDLIN JAMIE AND THE COUNTRY D'S

Thursday evening at 7:30 "Fiddlin' Jamie" and the Country D's, featuring 13 year old Jamie Dennis of Cement City as guest star performer, will present music for the Country Western lovers. His first performance was at the age of five. His father and mother accompany this young musician.

During the past seven years Jamie has performed with many Country Western stars such as Charlie Walker, Crystal Gayle and Conway Twitty.

Jamie plays eight string instruments by ear and has won many trophies, competing with contestants of all ages.

He cut his first record which included his own special version of "Orange Blossom Special".

Jamie has performed on radio and T.V. in Nashville, Tenn. and is well known in the T.V. States and Canada.

His one goal is to play on the "Grand Ole Opry".

Come to the Manchester Community Fair to see this fine performer.

### BOYER & FITZSIMMONS MAGICIANS

Friday afternoon Boyer and Fitzsimmons Magicians from Chelsea will entertain the children with two shows. One at 1:30 and also at 2:30. These two talented young men have many tricks to be pulled from their hat. Of course there is no magic that will make many of their props fit in a hat.

Boyer and Fitzsimmons also have a show that is geared to an older audience. That show will be presented at 7:30 in the gym.

The reputations of these fine magicians is growing. We are glad they found time in their busy schedule to come to the Manchester Community Fair.

### THE HARMONICA MEN TRIO

The "Harmonica Men" trio will play for entertainment for the Manchester Community Fair Saturday, August 18 at 8:00 in the Middle School Gym. The group has its own

special amplification equipment. The trio will include novelty tunes and audience participation numbers in their program.

They have set a record of professional performances for clubs, churches, bazzares, fairs and wedding receptions.

### Who'll Get Your Money When You're Dead?

What you are doing today will determine who gets your money when you die. Unless you want the state to determine who will get your property when you die, or perhaps put it all into the public coffers, you need to plan your estate now and mold your future business and personal activities to that plan, according to Ralph Hepp, Michigan State University Extension agricultural economist.

If you die before planning your estate your heirs may also have to wait for long periods of time before they can claim the property and money due them while the courts go through the probate process.

To avoid pitfalls and to insure that heirs receive all that they are legally entitled to, the following are recommended.

Formulate definite ideas as to how you want your property distributed after your death.

Seek qualified help. (Estate planning is a maze of complicated property, inheritance, and tax laws.) People who can help include: attorneys, accountants, life insurance agents, bank trust officers, and investment counselors.

Review your estate plan frequently. Titles to new property, changes in the family situation, and changes in federal and state estate and gift tax laws can all influence the effectiveness of your estate plan.

# COUNCIL PROCEEDINGS

July 16, 1979

Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present were: DuRussel, Hinkley, Koebbe, Minick, Petch, Daniels, Zsenyuk. Minutes of the July 2, 1979 meeting were read and approved as corrected in a motion by DuRussel, supported by Hinkley. All yeas, carried.

Harry Kraus was present to discuss building a Pool Structure in his back yard. The request must be referred to the Village Planning Commission. Schaffer advised Mr. Kraus what information is to be presented. A Planning Commission meeting was scheduled for July 25, 1979 and a Public Hearing for Aug. 6, 1979 at 8:00 P.M. Hinkley to call members of the Planning Commission to advise them of the meeting.

Public Works Activities as reported by Koebbe included: All village lawns have been mowed twice; Call backs were made on the water meters and the books were turned in on July 11, 1979; A fire hydrant on East Main St. was repaired after being damaged by unknown persons; Outside reading water meters were installed in houses that we could get into; Statements were sent out for accounts receivable on July 11, 1979; Gallup-Silkworth Station was notified about removing the down spouts that were running into the Sanitary Sewer as required by Ordinance 47: Section 4; A Facility Plan was delivered to the Township Library and also one to Clarence Fielder; Wendy Chapin, Gale Koebbe and Bruce Daniels met with the Township Board and the owner of one of the four houses located on West Main St. on Tuesday, July 10, 1979 at 8:00 P.M. They will meet again next Tuesday, July 17, 1979 at 8:00 P.M. to continue the discussion concerning the Sewer Facility Program. The one owner present seemed very receptive to the idea; Letters were sent to many residents concerning the reading of water meters. These were people with whom we could not get in contact with any other way. The response to the letters was very poor; A bid of \$65,000 was obtained from Wolverine Excavating concerning the cleaning of the Digester; Mr. Daniels recommends that the bid from Ny-Trex of \$7700 be accepted as he feels that they will do a good job; There is a problem with the new bank parking lot. It keeps washing out and filling up the Catch

Basins on the corner of Duncan and Adrian Streets; Bruce Daniels will take the remainder of his vacation from July 20-30; Mr. Daniels will prepare a work list for the men before he leaves on vacation; Sheperd Tree Service was contacted and they will be returning shortly to finish removing the stumps in the Village; Mr. Daniels would like to order another two dozen water meters as he has done in the past; We received an invoice from McNamee, Porter & Seeley, for the Township Fire Station which was turned over to Clarence Fielder to be taken care of; Mrs. Buss, on Vernon St. requested filling along her curb to remove the crown from the street because the curb was installed to low. Now dirt and mud are along the curb line.

Moved by Koebbe, supported by Minick to accept the bid of Ny-Trex, Inc. for \$7,700.00 to have the Digester at the Sewage Plant cleaned. All yeas, carried.

Daniels reported Terry Walkington, of Lansing, Basin Engineer would be in town on July 17, 1979 for consultation. Daniels is to contact Mr. Wolfe at Union Savings Bank about the problem in the new bank parking lot.

DuRussel reported he had received a complaint about bump on the West side of Main St. Bridge. Daniels is to check as to what could be done to eliminate the problem, also repair hole on corner of Main St. and Ann Arbor St.

Zsenyuk and Attorney Mark Gisting reported that as of Aug. 1, 1979 the Michigan Vehicle Code to decriminalize certain traffic offenses by defining them as "Civil Infractions: and no longer misdemeanors becomes effective and that Ordinance 80-Uniform Traffic Code must be updated to coincide with State Law. Moved by Minick, supported by Koebbe to Amend Ordinance 80-Uniform Traffic Code for Townships and Village, specifically to amend penalty provisions to read as follows:

"PENALTY. Any provision of this ordinance which describes an act or omission which constitutes a civil infraction under the terms of the Michigan Vehicle Code, being 1949 P.A. 300 as amended, shall be processed as a civil infraction and any person found to have committed a civil infraction may be ordered to pay a civil fine of not more than \$100 and costs in accordance with section 907 of the Michigan

## South and West Washtenaw County School Districts

NOTICE OF INTENT TO CONSIDER ADOPTION OF RESOLUTION AND EXECUTION OF CONTRACT ESTABLISHING AREA VOCATIONAL TECHNICAL EDUCATION PROGRAM

NOTICE TO THE ELECTORS OF THE FOLLOWING FIVE SCHOOL DISTRICTS: CHELSEA SCHOOL DISTRICT DEXTER COMMUNITY SCHOOLS MANCHESTER COMMUNITY SCHOOLS MILAN AREA SCHOOLS SALINE AREA SCHOOLS

PLEASE TAKE NOTICE that the boards of education of the above five school districts intend to consider the adoption of a resolution establishing an area vocational-technical education program under Section 690 [3] of the School Code of 1976.

In accordance with the proposed contract for the operation of the area vocational-technical education program, each of the five school districts will include within their general operating budget sufficient funds to pay its proportionate cost of the program.

In accordance with the proposed contract, each school district's financial commitment to continue in the operation of this program is for a period of fifteen [15] years, unless the contract is amended, modified or terminated by a majority of the five school districts.

Each of the five boards of education intend to consider the adoption of the resolution establishing an area vocational-technical education program under Section 690 [3] of the School Code of 1976 and authorizing the execution of a contract at school board meetings to be held at the following dates, times and places:

**CHELSEA SCHOOL DISTRICT**  
Date: August 20, 1979  
Time: 8:00 p.m.  
Place: East Washington Street, Chelsea, Michigan

**DEXTER COMMUNITY SCHOOLS**  
Date: August 23, 1979  
Time: 8:00 p.m.  
Place: 3060 Kensington Street, Dexter, Michigan

**MANCHESTER COMMUNITY SCHOOLS**  
Date: August 20, 1979  
Time: 8:00 p.m.  
Place: 710 East Main Street, Manchester, Michigan

**MILAN AREA SCHOOLS**  
Date: August 8, 1979  
Time: 8:00 p.m.  
Place: 920 North Street, Milan, Michigan

**SALINE AREA SCHOOLS**  
Date: August 14, 1979  
Time: 8:00 p.m.  
Place: 7190 Maple Road, Saline, Michigan

The proposed resolution and contract may be reviewed by any interested school elector at the following locations:

Chelsea School District Board of Education Office located at East Washington Street, Chelsea, Michigan 48118.

Dexter Community Schools Board of Education Offices located at 3060 Kensington Street, Dexter, Michigan 48130.

Manchester Community Schools Board of Education Offices located at 710 East Main Street, Manchester, Michigan 48158.

Milan Area Schools Board of Education Offices located at 920 North Street, Milan, Michigan 48160.

Saline Area Schools Board of Education Offices located at 7190 Maple Road, Saline, Michigan 48176.

If each of the five boards of education approve the proposed resolution and contract, the contract will then become effective as of that date that the Michigan State Board of Education grants to the five school districts area designation for the area vocational-technical education program. At any subsequent time within six [6] months after the effective date, school electors equal in number to not less than 5 percent of the votes cast in the most recent school election, may petition their local district board to submit the resolution and contract to the electors. If petitions are received in any one of the five school districts and following a vote on approval of the resolution and contract a majority of the electors voting thereon do not approve of the same, then the program shall be terminated in all five school districts.

This Notice is given by the Secretaries of the Boards of Education of Chelsea School District, Washtenaw & Jackson Counties, Michigan, Dexter Community Schools, Washtenaw & Livingston Counties, Michigan, Manchester Community Schools, Washtenaw & Jackson Counties, Michigan, Milan Area Schools, Washtenaw & Monroe Counties, Michigan and Saline Area Schools, Washtenaw County, Michigan.

## manchester art guild news

### GALLERY SPOTLIGHT

Items made during previous Art Guild classes are on display in the Gallery during the month of August. Several watercolors that were done in Sherryl Rhee's class are being exhibited, along with examples from the needleweaving and silkscreen classes. Sandy Tania is displaying several lovely scarves that she made on a knitting machine, proving that you CAN be creative with a machine! These items, and many others, are on display at the Gallery located at 138 E. Main St., just off the lobby of the Black Sheep Repertory Theatre. Gallery hours are: Friday and Saturday evenings, 7:30 - 9:00; and Sunday afternoon from 3:00 to 6:00 p.m. The Gallery is also open every other Saturday during Children's Theatre. For more information concerning Gallery hours, please feel free to contact Sue Bond at 428-7927.

### SILKSREEN CLASS

Karen Hinkley and Susan Heys will be teaching a week long class on silkscreening. The class will be held Monday through Friday during the week of August 20. Participants will learn how to design and cut the stencils, and will actually make several prints. The class will meet from

10:00 a.m. to 2:30 each day, and each participant should plan on bringing a lunch. The cost of the class is \$20 for Guild members, and \$25 for non-members. The lab fee of \$15 will cover the cost of materials. The class will be held in Karen's yard, and interested persons should call 428-7200 days or 428-7238 evenings to register.

### STREET FAIR

It's street fair time again, and the Art Guild will be repeating it's children's activity booth. Guild members will assist children in making small art projects while their parents watch. The Guild will also have an information booth located near the children's booth for answering any questions that visitors might have about the Guild. Projects completed in previous Guild workshops will be on display at the information booth, and schedules of fall classes and workshops will also be available. The Gallery will be open during the Fair day of August 11th, so drop by and pay us a visit!

## News Of Good Things Growing

Before leaves start turning to golden hues and Michigan's summer is at a close, light up the charcoal. Have a backyard pork barbecue or a picnic cookout.

Try barbecued park kabobs, alternating chunks of Michigan tomatoes, onions and peppers with pork chunks and top with your favorite barbecue sauce. Or marinate ham slices in sweet apple juice for 24 hours, then grill them slowly while basting with apple juice.

Pork steak burgers stuffed with cheese and cooked onions, wrapped with bacon, is a favorite recipe of many outdoor cooks.

Good things are growing in Michigan and our state's pork producers marketed 203 million pounds of pork, valued at \$96 million, in 1978, according to the Michigan Department of Agriculture. Our state ranks sixteenth in pork production among the 50 states.

In recent years, hogs have been scientifically bred and fed to have less fat, larger muscles for leaner, meatier roasts and chops, and longer sides with more lean bacon. They are usually sold when five to six months old and weighing 190 to 230

pounds. If you have an original pork recipe that has never been printed, Michigan Pork Producers is sponsoring a Michigan pork cookout contest Friday, September 14, at the Saginaw county fair. Prizes will be awarded and a Michigan pork king and queen will be chosen from the entries. Michigan's pork king will be eligible for next year's national cookout contest.

More than 50 major commodities are produced in Michigan each year, a \$10 billion industry, with the addition of transportation, processing and marketing costs. For more facts about Michigan agriculture, contact MDA's Communications office for a free booklet, "Michigan Food Facts," P.O. Box 30017, Lansing, 48909.

Enrico Caruso, the famous operatic tenor, was superstitious and would not start trips on Tuesdays or Fridays.

## AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU  
INCORPORATED

### NUCLEAR PARANOIA

Nuclear generation is a major power source in more than 30 countries—most of which regard our hesitation toward full use of this resource with continued puzzlement. Here we sit, one of the world's true superpowers, party to inter-national nuclear treaties dealing with appropriate safeguards, while suffering a private national paranoia about peaceful nuclear use.

During a quarter-century of experience with peaceful use of nuclear power, it has proven to be one of the most reliable and safe sources of energy available. A well-known scientist, Herbert Inhaber, has compared the risk of five conventional and six non-conventional energy systems and the results are surprising....

Renewable energy sources—wood, wind, water, sun—are far more dangerous in terms of energy and loss of man-hours, public and private, than is true of such sources as nuclear and natural gas, the scientist found.

In terms of total risk, public and private, coal is most dangerous, followed by oil, followed by one form of solar energy, then by wind, and by another form of solar energy.

The form of energy production with the least proven risk is natural gas, followed by

nuclear.

The extreme anti-nuclear position of a vocal minority in this country has gone unchallenged long enough. Even Japan, the only country to suffer the effects of atomic weapons, is relying upon nuclear power for its long-term energy needs. About the only valid argument against a greatly expanded nuclear generating system, including the breeder-reactor, is the unanswered question of proper disposal of radioactive wastes.

Surely if we can propose billions for synthetic fuel research, for wind, tidal, and solar energy taps, we can spare enough money and manpower to resolve problems of nuclear waste disposal.

(NOTE: For further information on Inhaber's study, see February 1979 issue of Science Magazine.)

### Michigan Live Stock Exchange Announces Promotions

Harold Lein, general manager of the Michigan Live Stock Exchange, has announced a major shift in the administration of the marketing agency with the appointment of John Schornack and Tom Reed to the newly-created positions of assistant managers.

"Schornack and Reed will be working closely with me in the overall operation of the Exchange, and I am confident that their promotions will greatly enhance our ability to grow and serve the farmers of Michigan with all their livestock marketing needs."

Lein said.

Michigan Live Stock Exchange, the state's largest livestock marketing agency, handled approximately 259,000 cattle, 620,000 hogs, and 88,000 sheep and lambs in 1978 for a dollar volume of over \$200 million.

John Schornack of Manchester came to Michigan Live Stock Exchange in 1960 from Equity Union Creamery, Inc., Aberdeen, South Dakota. He has been the Exchange's controller for the past 19 years and has also broadcast the daily livestock market trends and prices to Michigan's agricultural community. Schornack will continue to serve the Exchange in the role of controller

along with the additional responsibilities of his new position.

Tom Reed of DeWitt first came to the Michigan Live Stock Exchange in 1968 and two years later accepted the appointment as Gratiot County's Agricultural Extension Agent for Michigan State University. He also served as a crops and livestock specialist for the Michigan Farm Bureau prior to rejoining the Exchange as manager of member relations in 1977. Reed will continue to handle the activities of the member relations department and will assume the additional responsibilities of personnel procurement and training.

CLEARANCE SALE ★★★★★

ADVERTISEMENT

★★★★★ CLEARANCE SALE

# WIDMAYER FORD CO.

## Biggest Clearance Sale In History.

Ford Thunderbird

### Special incentives from Ford to its dealers make lower prices possible.

Now through August 20, Ford Dealers will be getting special Ford incentives on Thunderbirds, LTD's and Mustang Pace car replicas plus V-8 pickups, vans, Broncos, Rancheros and Club Wagons. This massive program is designed to help dealers lower selling prices and move out big stocks in preparation for the 1980 Ford car and truck introductions. It's truly a once-in-a-lifetime opportunity for smart buyers.

### EPA mileage estimates show Fords go the distance.

Driving a long-range Ford can make a big difference today. Thunderbird, for example, can go from 294 to 420 miles per tankful, based on its 21-gallon tank and EPA estimated 14 MPG for city driving and 20 MPG for highway. A driver's mileage will vary depending on speed, dis-

ance and weather, and highway mileage and range will probably be lower than estimates. However, a 27.5-gallon tank is standard on Town Landau and Heritage models, optional on others. It greatly extends Thunderbird's range.

### Buyers can save hundreds of dollars now.

The Ford incentive program makes possible bigger discounts

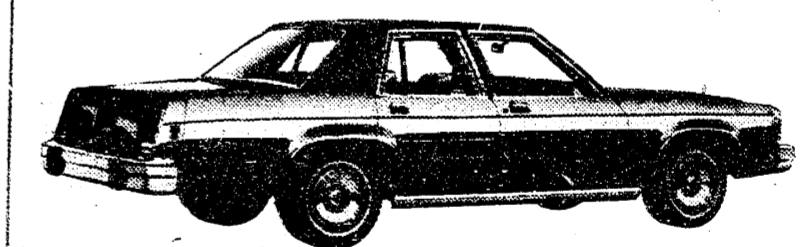

than at any other time this year. People who have hesitated to buy because of the economy, or have been holding out for greater savings should act now. It's doubtful if prices will ever be this low again.

### Giant selection of new Ford cars and trucks.

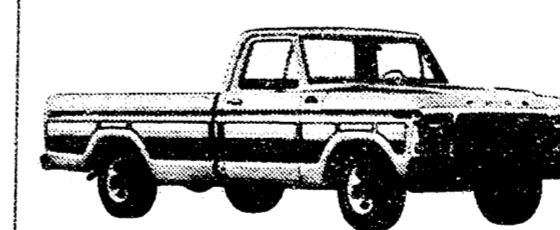

Ford District office reports that stocks in dealer hands are among the largest ever. Even though customers can no longer order vehicles built to their specifications, a truly fabulous choice is available. Dealers have a great variety of body styles, colors and option levels to offer.

### Buyers can walk right in, drive right out.

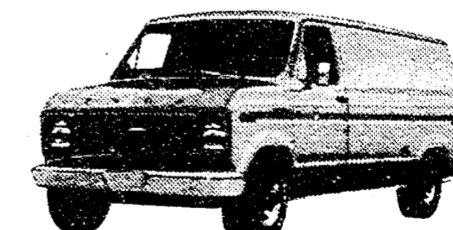

There's not a lot of haggling over price these days. A typical buyer can close the deal on the Ford car or truck he wants in a matter of minutes. Most dealers have made special arrangements for rapid financing approvals, too. They say "nobody walks out" and many Fords are already "prepped" for immediate delivery. This is the biggest clearance sale local Ford Dealers have ever held. It has the backing of Ford in the form of incentives to lower prices. And it's in full swing with savings just waiting to be snapped up.

### School Board Minutes

These are the approved minutes of the Manchester Community Schools Board of Education Organizational Meeting which was held July 2, 1979.

The organizational meeting of the Manchester Community Schools was called to order by Superintendent Robert Masten at 8:00 P.M. July 2, 1979 with all members present.

Superintendent Masten accepted nominations for President of the Board. He announced five nominations for Corliss Mick and two blank ballots. It was moved by Earl Horning to cast a unanimous ballot for Corliss Mick for President. Supported by George Macomber. All yeas with Mick abstaining.

Corliss Mick was declared elected and assumed the presidency.

Nominated for Vice President were William Bunney and Harold J. Walkowe. Mr. Walkowe declined the nomination. Moved by James Curley that a unanimous ballot be cast for William Bunney as Vice President. Supported by Walkowe. All yeas with Bunney abstaining. William Bunney was declared elected Vice President.

Nominated for Secretary were members Horning and Curley. Both Horning and Curley declined the nomination. After a short conference between the two, Curley reconsidered. Moved by Bunney that a unanimous ballot be cast for James Curley as Secretary. Supported by Horning. All yeas with Curley abstaining. James Curley was declared elected Secretary.

Nominated for Treasurer were Members Walkowe and Macomber. Walkowe declined

the nomination. Moved by Bunney that a unanimous ballot be cast for George Macomber as Treasurer. Supported by Horning. Walkowe and Macomber abstained with all others voting aye. Macomber was declared elected Treasurer.

Moved by Horning that regular meetings of the Board of Education be held the third Monday of the month at 8:00 P.M. Supported by Macomber. All yeas. Motion carried.

Moved by Bunney that the following financial institutions be named as depositories for School District funds: Union Savings Bank of Manchester, Ann Arbor Bank & Trust, Huron Valley National Bank, Citizens Bank of Flint, Michigan National Bank of Flint, Manufacturer's National Bank of Detroit. Supported by Walkowe. All yeas. Motion carried.

Moved by Bunney that General Fund and Debt Retirement Funds be signed by two of the following Board Officers: President, Secretary and Treasurer. Supported by Walkowe. All yeas. Motion carried.

Moved by Walkowe that requests for Purchase from the Internal Accounts be signed by the Class Advisor and High School Principal and the checks from this account be signed by the High School Bookkeeper and High School Principal with the exception that all orders and checks

from this account in excess of \$100.00 be signed by the Superintendent or Director of Auxiliary Services. Supported by Curley. All yeas. Motion carried.

Moved by Walkowe that purchase orders from the School Service Accounts be signed by either the High School Principal, Director of Auxiliary Services or Athletic Director and that checks from this account be signed by two of the three following officials: High School Principal, Director of Auxiliary Services or the Superintendent. Supported by Bunney. All yeas. Motion carried.

Moved by Paul DuFresne that checks from the impressed office account be signed by either Maxine Frey or the Superintendent. Supported by George Macomber. All yeas. Motion carried.

Moved by Horning that the accounting firm of Gross and Ludwig be named to audit the school accounts for the 1979-80 school year. Supported by Macomber. All yeas. Motion carried.

Moved by Bunney that the law firm of Thrun, Maatsch and Nordberg be appointed school attorney's for the 1980 calendar year. Supported by Walkowe. All yeas. Motion carried.

A discussion followed pertaining to the problem of having a quorum present for the July 16th meeting. It was decided by

consensus to postpone the meeting until July 23rd.

The next topic was standing board committees. President Mick questioned the advisability of having a committee on Student Discipline and Attendance now that the board has an official policy covering these topics. It was moved by Horning to discontinue the board committee on Discipline and Attendance until such time as it is needed. Supported by Curley. All yeas. Motion carried.

Moved by Curley that the President appoint the following Board Committees for the 1979-80 school year at the regular July meeting: Finance, Transportation, Buildings and Grounds, Negotiations, Athletics, WISD Representative, Policies. Supported by DuFresne. All yeas. Motion carried.

Moved by DuFresne at 9:05 P.M. that the Board adjourn to executive session. Supported by Walkowe. All yeas. Motion carried.

The Board returned from executive session at 10:47 P.M.

Moved by Macomber that the meeting be adjourned. Supported by Walkowe. All yeas. The meeting was declared adjourned at 10:49 P.M.

Respectfully submitted, James Curley, Secretary.

### Council Proceedings

Violation of any other provision of this ordinance not constituting a civil infraction, as herein provided, shall be punishable by a fine of not more than \$500 or imprisonment for not more than 90 days or by both such fine and imprisonment."

Chief Zsenyuk was requested to contact the Jackson Gospel Hall and inform them a meeting could not be held on July 19, 1979 on the Main St. in the Village, but that Carr Park was available if they wished to hold their meeting there. Zsenyuk also reported that Sgt. Den Hosen of the Traffic Safety Section of the Michigan State Police in Lansing had made a 10 day survey of traffic on East Main St. and made the following recommendations: Remove East and West Stop signs on Duncan and Torry Street and retain Stop signs on Wolverine and Beaufort Streets. During a discussion an objection was voiced by Bruce Daniels, Chief Zsenyuk replied there would be rigid enforcement of Traffic Law. Moved by Petsch, supported by DuRussel to remove the signs as recommended by Sgt. Den Hosen. All yeas, carried.

Schaffer requested Chief Zsenyuk to extend a thank you from Council to Sgt. Den Hosen for the survey.

It was also reported that during the Chicken Broil the following Streets would be closed. Vernon St. from Torry St. to Wolverine St. for Handicap or Senior Citizens; Wolverine St. from Vernon St. to Duncan St. for Carry-outs. During the Manchester Community Fair Vernon St. from Wolverine St. to Torry St. would be closed.

Zsenyuk reported 3 wooden light poles for Riverbend Estate would cost \$70.40 per fixture for a total of \$211.20. Village will pay the annual power bill. Zsenyuk will submit a letter to Riverbend Estate and Manchester Village Association for North-side Village parking lot on recommendations made.

Limpert requested a light be placed on the corner of Washington St. and Railroad St. Daniels to check on locations of existing lights.

Attorney Gisting reported he would be having a meeting with Attorney Laird on Park Land Co.

Mr. Richard Kuntz Accountant was present to review Monthly Financial Statements.

Petsch reported Hoover would be holding a picnic on Aug. 28, 1979 at Carr Park and the Police Dept. had been informed. He also questioned when grading would be done at Kirk Park so it could be seeded. At the present time the grader is out of order.

Moved by Koebbe, supported by Hinkley to accept Washtenaw County Tax Systems Agreement 1979 between the County of Washtenaw and the Village of Manchester. All yeas, carried. This agreement represents the proportional cost to the County for providing data processing services in connection with property tax assessment records and billings.

Double A Products requested to use old railroad right of way for parking. President Schaffer will meet with Village Attorney

## GAS SAVERS

One of the simplest ways to save gas and money is to drive your car a little less. Here are more ideas you can use to keep your foot off the gas and more money in your pocket.

Call ahead to be sure you aren't wasting gas on an unnecessary trip. On the average, a wasted trip costs you a dollar's worth of gas.

Ride to work with a friend or neighbor just one day a week and you can save at least \$100 worth of gas every year.

For a free booklet with more easy energy-saving tips, write "Energy," Box 62, Oak Ridge, TN 37830.

## IN RETROSPECT

Way back in President Lincoln's time the government of these United States was referred to as being "by the people, for the people and of the people", but in the light of a great many things that have happened since then, we are wondering if the proper description might not be to say that it was "of the politician, by the politician, and for the politician". For many years we have been lulled into complacency by platitudes of these politicians and by their promises. History reports that after the Civil War, for example, many folks connected with the government (and otherwise) rushed southward to "assist" the natives of that war torn area to recover from its ravages but they took advantage of everyone and everything for their own gain and went down in history as "carpetbaggers" for all their belongings were carried in a valise made of that materials.

They proceeded to take advantage in every way possible and flim flammed the natives out of anything and everything.

Not long after this period several of our larger cities suffered from the activities of various groups of politicians who it was reported "stole everything but City Hall". Then some time later came the Teapot Dome affair during Harding's administration when the president and several members of his cabinet were accused of appropriating for their own profit, many many acres of oil rich lands.

In more recent administrations there have been numerous examples of graft and corruption on any hand, from the county or local level to the national administrations, and through the years there have been accusations that several senators, congressmen and governors have been tried

and found guilty of various nefarious act which involved stealing large amounts of money in various ways but punishment for these deeds has, in most cases, not been forthcoming—their convictions have been "appealed". It seems that adequate punishment is lacking as long as money for defense is available. The sad part of it is that their fellow office holders have refused to penalize them—they have merely "censured" them whatever that means.

As far as I can see the term means that the accused stands up in front of everyone with the thumb of his left hand firmly gripped by his right hand with a guilty and repentant look on his face, and one of his fellow men reads the list (like twenty-eight counts) of illegally extracting money from his employees, for which he has been sentenced to three years in prison for so doing. When his accuser is through telling him that he has been a bad boy the guilt, one, crestfallen in appearance at least shuffles back to his seat to resume his job as an administrator at his same overpriced salary that he has been getting. This seems to be his entire punishment.

The only solution for this condition I know is the exercise of each individual's right of franchise—for each eligible voter to vote at each election intelligently. Evidently this is the only way we are going to throw the rascals out. I still think that we are basically too intelligent (although many of us haven't acted that way lately) to permit these petty grafters to continue to make us look foolish, and with smiles on their faces too.

Not so many years ago one of Michigan's governors was engaged in the manufacture of wicker furniture, which at that time was much in vogue. He was accused of contracting with prison labor to manufacture it at the ridiculous sum of less than a dollar a day. This practice was stopped after some time but we still remember a story told at that time which ran as follows:

Once upon a time there was a conductor on a track passenger train which was largely patronized, and on which a considerable number of passengers who arrived at the depot just at train time, were allowed to pay their fares in cash instead of getting their tickets at the depot. He was called on the carpet and asked to resign and told that they well knew that he was "knocking down" a percentage of these cash fares. When he asked if they could prove it they said "no but as he had spent lately considerably more during the past few years than he had received as a salary and they were sure that that was where it was coming from."

Whereupon he calmly replied that perhaps all they accused him of was true but if it were, he didn't see why he should quit because he had already "got his and the other fellow would have to get his."

That seems to still be the prevailing idea today, but some seventy-five years ago one of our major poets wrote:

God give us men at a time like this,  
Men with a conscience who will not lie,  
Men whom the lust for office will not buy.  
So may we thank God that these United States are still a Democracy—even if they don't seem to be at times—and we can keep them that way if we care. There are a great many dedicated men and women of intelligence who could take the place of those office holders, in places both high and low, who could help us solve our problems—who could take the place of those office holders who are doing little but lining their pockets and spending most of their time campaigning for re-election.

And so may this be the "land of the free and the home of the brave".

## 1979 FAIR QUEEN

Amy Little is Manchester Community Fair Queen, Amy is a Sophomore and the daughter of Mr. and Mrs David Little

## Superintendent Robert Masten Submits Resignation

Robert Masten, Superintendent of the Manchester Community Schools has submitted his resignation to the Board of Education, effective January 1, 1980 or sooner if a replacement is hired before that time.

James Curley, Secretary Manchester Community Schools Manchester, Michigan

Dear Jim,

For the last several months I have been considering my personal future as well as that of the local schools. Recently, I have decided that it is necessary that I leave the field of school administration and hopefully find employment in some other occupation.

During the last few months we have solved some of the immediate problems and have others under control. Long term needs have been identified; however, their solutions may take years.

1. Curriculum and coordinated instruction meeting the needs of all will take several years of community work involving the board, the staff, interested citizens and outside consultants. Special interest groups and advisory councils must be involved. In all probability, extensive remodeling and replacement of equipment will be needed.

2. The establishment of an effective communications system between all facets of the school community. This should be designed so as to build a basic trust and team relationship for all.

3. The development of an effective management team. School administrators, supervisors and directors must be trained, encouraged and supported. Manchester must return to the values of the good old days, to where the Manchester Board and community are proud of their staff and the job they are doing and, in turn, the staff must be proud to be affiliated with the

Manchester Board and community. I feel that these projects and others will take an extended period of time which I can not give.

A new chief executive, with a more modern training, a more flexible democratic approach to administration, and a method of developing administrative staff and is more acceptable to a board is in the best interest of all concerned at this time.

I would like to serve you as Superintendent for the next few months. This would allow me to finish the projects underway, help you develop a troubled budget, select and support a professional negotiator, develop a procedure for selecting a new superintendent and get the new year underway.

My decision to leave is firm. I would choose to serve until my replacement is available, but no later than January 1, 1980. I pledge not to ease out but rather to work diligently, keeping Manchester on the move within the framework of the authority you delegate to me.

I have been happy to serve Manchester for a short period. It has been like returning home. I am fairly satisfied with the progress, but have felt frustration in the area of improving human relations. If I were younger and desired to spend four or five more years as a superintendent, my decision may have been different.

Sincerely,  
Bob Masten  
7121 Hasley Road  
Manchester, Michigan 48158

## Sportsman Club Picnic

The Sportsman Club picnic will be held Sunday, August 19 with a potluck at 1:00 p.m. Meat and drinks are furnished. Bring your family and guests.
