BUSINESSES GIVE FAIR SHARE

Mr. and Mrs. James Duncan, co-owners of the Calico Cat, 110 East Main, one of the many business contributors, present their United Way contribution to Business Solicitor, Mrs. Della Widmayer.

The Business Division contributes 13.3% of the total budget, and thanks to the continued interest and dedicated support of our entire business community, the United Way Campaign has experienced 19 consecutive years of success.

Two other important divisions of the drive are Outside Business and Organizations. David and Janice Little are the respective chairpersons of these divisions. Approximately 23 letters have been mailed to various vendors who sell their products in the Manchester area. These businesses are asked to contribute their fair share to our local drive. Response in this area has been very good.

Likewise, letters have been mailed to all of the local organizations urging their support of the local United Way Campaign. Response here has also been excellent, and by their contributions they have shown the United Way that they fully support its efforts.

Industry, School, Village House to House, and Rural House to House complete the Division "links" of our Budget "chain", and together we can reach the 1979-80 campaign goal of \$24,748.00.

The United Way thermometer has been placed in the Gamble Store window, and as of the first report date, October 13th, we have reached 12% of our goal. With a full three weeks ahead we will surely make this the 20th consecutive year of 100% achievement!

If you have not yet had an opportunity to give, please do so today-for in giving you will have BRIGHTENED YOUR DAY THE UNITED WAY.

Chick Says, Let's Go!

Jim and Chick are a mighty fine pair. Anxious to push that wick way up there. And with a dedicated team of a 100 plus strong. It really won't take all that long.

So, come on everyone, let's all join together. And make that thermometer look like it's really hot weather. For a community united spells 100% success. And turns 19 into 20 with true finesse!

about the price of gasoline and need constant sympathy and understanding. When stopped for a traffic violation they try to bluff their way out of the situation but it rarely works. They make good companions and get depressed only on even-numbered days. Then they become very unstable and self-pitying. Avoid odd-numbered men on even-numbered days.

The good doctor further observes that even-numbered license plate holders lack the charm and grace of the odd ones but they are more steady and reliable when it comes to matters of the heart and the pocketbook. They think twice before passing a two-ton truck on a two-lane highway. They are constantly telling people to have a nice day even if those people are on their way home from their dentist. Their emotions run deep. They show discretion at the drive-in theaters, and they prefer to keep their car windows rolled up when it is raining outside. However they are undecisive when the traffic light turns to orange and they kick and shake parking meters in hopes that the needles will jump and save them a dime.

Even-numbered women are forgetful and often come home without things they went to the store to buy. Many of them are bored and have fantasies about being married to an even-numbered man.

On the odd days of the week the even-numbered men eat fattening food and drink too much beer all of which makes them somewhat unstable.

There are other enlightening passages in this book and if you want to take it seriously it probably could ruin your life or at least your outlook on it. But whatever else it may do it answers a lot of questions that you must have had about the "odd" people that you and I run across almost daily, doesn't it?

One of the readers said a kind word to me about the bits and pieces that we add now and then to fill up this column, so may we add a few more?

Heard at the bank: "I want to open a joint account."
 "Yes, sir, with whom?"
 "With anybody who has more money than I have."

A friend of ours finally explained his secret for a long and successful marriage. He says he always gave his wife more money than she asked for and less criticism than she deserved.

Dr. Jellicoe sez that he has tested 2,500 men and women with odd and even numbered license plates and his conclusions have thrown the psychiatric world into a tizzy.

Now I have long classified quite a number of people as being "odd" but I didn't think that their condition had anything to do with their license plates. I suspected it was due to other causes.

But anyway the professor, more or less seriously we suspect, reports that odd numbered folks are optimistic, energetic, loving and carefree. They tend to be good mates, show respect for others and display emotional maturity. They spend more money than they can afford on luxuries, throw packages in the back of their cars in a disorganized fashion, forget their umbrellas and park their cars at least a foot from the curb. They are excellent companions in bed but have trouble staying on the right side of the road.

The good doctor sez that odd-numbered women are handy around the house but the menfolks of this category excel in disco dancing. He adds that these odd-men are passionate with pent up energies. They honk their car horns at the slightest provocation. They have strong convictions

Americans look for a pill that will cure anything, and then they send him to Washington.

Always remember that the Ten Commandments aren't multiple choice.

Kid's Halloween Party

Once again, the Manchester Jaycee Auxiliary is sponsoring a Halloween party at the Middle School gym for all children ages pre-school thru sixth grade. The party will be held from 7:15-8:00, after trick-or-treating on Wednesday, October 31. The church bells will ring at 7:00 to signal the end of trick-or-treating.

The children will be asked to parade around the gym so that the judges can choose prize winners for costumes in the following categories: scariest, prettiest, ugliest, funniest, most original, most Halloween oriented (ghost, witch, etc.), and best animal. Cider and donuts will be served.

March Of Dimes Family Halloween Blast

As you know, we have dropped the Mothers March. We have a series of events to take its place, that we think you will all enjoy. These events will have something for every member of the family, and make giving to a worthy cause fun.

Therefore, we will hold our first annual March of Dimes Family Halloween Blast, on October 27, at the Middle School, beginning at 8:00 p.m. These events will be something the whole Manchester Area can get involved in.

At 3:00 p.m. we will start with CAR-NIVAL GAMES (such as those at the Fall Fun Festival), and the DUNK TANK. Lucine Littoral is chairing the games, while Jim Mann is in charge of the Dunk Tank. Either person may be contacted, either to volunteer help, or for more information.

At 6:00 p.m. a Pot Luck Dinner, under the direction of Sylvia Meeks, will appease harty appetites. There will be a donation of \$1.00 per person or \$2.00 per family for this event. You should bring a dish to pass, as well as your table service, and your families meat.

Following the dinner, at 7:30 p.m., there will be hilarity at Manchester's very first GONG SHOW. If you would like to be a participating act, please contact Cliff Grisichy at the ACE Hardware, for a registration form. The donation for this event will Continued on page 4

Red Cross Bloodmobile

Friday, October 26, from 12 to 6 p.m. the Red Cross Bloodmobile will be at the K of C Hall in Manchester receiving blood donors from the area. Blood is used by a resident of the Manchester School District or an employee of a local industry every week of the year and it is furnished by the American Red Cross with the help of Manchester Area Blood Club. Twice a year, spring and fall, Manchester men and women donate their blood to help keep that Red Cross supply intact, - ready to meet the need.

Recruiters for participating church groups should get their donor cards to Mrs. Ica Schaffer, 323 Schaffer Court, or Mrs. Franklin Reck, 665 W. Main Street by noon Monday, the 22nd. The scheduling will be done that day so cards can be mailed back before the 26th with the correct appointment time for each donor. A person can give blood five times a year - not less than 56 days apart.

Donor cards and card-drop-boxes are in the Union Savings Bank, Great Lakes Federal Savings and the A & B IGA Market for those who have not been contacted by church groups or local industry. These cards will be mailed back to those registered before the 26th with the appointment time.

Double A Products, Hoover Universal, Manchester Tool and Die, Manchester Stamping Corporation, Manchester Plastics, Pinnacle Engineering and Manchester Products all have their individual recruiting system and time schedules.

The Nursery for children of donors is at St. Mary's Church - down Madison Street, a block from the K of C Hall. The Jaycees Auxiliary is in charge of this very helpful part of the Bloodmobile Day.

In case one hasn't registered in advance and finds it possible to come, do call the K of C Hall during the afternoon or COME IN between the hours of 12 and 5:45, OCTOBER 26.

manchester art guild news

IT'S OUR BIRTHDAY!!!

This coming Saturday, October 20th, marks the second anniversary of the incorporation of the Art Guild. In two short years the Manchester Art Guild has grown from a dream, to an active organization boasting 80 plus members. A handful of core people formed the Art Guild and worked hard at renovating our present Gallery. Shortly after the Gallery was opened in May, 1978, we started offering classes and workshops. We began to attract students and members from communities other than Manchester, and many of those people have returned and become active members of the Art Guild. Our special exhibitions have attracted visitors from all over southeastern Michigan, and many of these visitors have put Manchester at the top of their list of favorite places to visit. Let us hope that the next two years will put us well on our way toward becoming a valuable resource for the Manchester area community.

ELLA SHARP MUSEUM

The Ella Sharp Museum in Jackson is currently offering an exhibition for children and the young at heart. "Line and Design" is a hands-on exhibit created to awaken your senses to the many facets of line and design qualities evident in our everyday lives. This exhibition should be an exciting and rewarding one for children of all ages. Information concerning this exhibition may be obtained by calling (517) 787-2320.

Dallas Shoemith, an art educator in the Springfield School District will be speaking at the Ella on Friday, October 19 from 1-4 p.m. Mr. Shoemith has successfully convinced his school system that art is a necessity, not a frill, and was nominated 1978 Michigan Teacher of the Year. "The Arts: An Academic Approach to Learning" will be the subject of the workshop, and Mrs. Shoemith will use demonstrations and role-playing to show the importance of art in education. You may obtain further information on the workshop by calling (517) 787-2320.

In Retrospect

The day will happen whether or not you get up.

Rodney Dangerfield sez he leads a lonely life. "For excitement I sit in my room" he says "and play strip solitaire."

Nowadays every day is the anniversary of something awful.

A survey shows that Washington employs twice as many secretaries as in 1968. We are still as confused as ever, but nowadays we are getting it down on paper.

Men In Service

Navy Airman Recruit Charles L. Turk, son of Lavern A. and Doris P. Turk of 573 Oakwood, Brooklyn, Mich., has completed recruit training at the Naval Training Center, San Diego, Calif.

During the eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 65 basic occupational fields.

Included in his studies were seamanship, close-order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in Physical Education and Hygiene.

He joined the Navy in May 1979.

Jaycee Auxiliary Meeting

The general membership meeting of the Manchester Jaycee Auxiliary was held Wednesday, October 10th, 1979 in the home of Rita Culp.

This year's Childrens Halloween Party will be Wednesday, October 31st at the Middle School. Beginning at 7 p.m. there will be prizes, goody bags and refreshments.

The Manchester Bloodmobile will be Friday, October 26th at the K of C Hall. The Jaycee Auxiliary will be having a nursery at St. Mary's Church from 12 to 6 p.m.

In December, a homemade Christmas Candy Sale will be held, with proceeds going to the Burns Center.

A second Annual Lunch with Santa will be December 15th at the Emanuel Church. There will be 150 pre-sale tickets at \$1.50 each. All Jaycee Auxiliary members will have tickets to sell. The proceeds will go to Reys syndrome.

After the meeting a Black and Orange Auction was ran, rolloved with refreshments enjoyed by all.

The next meeting is scheduled for November 14th, 1979 for a dinner out at the Bauernstube.

Kings Daughters

The Kings Daughters will meet on Thursday, October 25, 1:00 p.m. at the home of Margaret Hankes.

Sharon Shannon of Mott's Hospital will be showing slides on that day.

Athletic Boosters

October 3, 1979

The regular meeting of the Athletic Boosters was opened at 8:15 P.M. by President Wellwood.

Minutes of the September meeting were read and approved.

Treasurer report was given by Pat Fitzgerald and accepted.

OLD BUSINESS:

President Wellwood asked Jim Fielder about the status of the goal post. Jim reported that plans are underway for the installation. If all parts needed for the installation are obtained, it should be completed within the next couple of weeks.

President Wellwood asked Joyce Sroufe how the concession stand was doing. She said that there had been trouble with the electricity but that Doug Parr had been down and checked it out. Ted Stautz will check with Doug to see if everything has been taken care of.

President Wellwood asked Jim Fielder if he knew what team or teams he would like to have hospitality for. Jim said he would like to have hospitality for the Clinton team. Taking care of that will be Betty Ahrens, Pat Fitzgerald and Kathy Hagerman.

Pat Fitzgerald gave a report on the cross-country invitational. She said that cookies were being donated by parents, apples were being donated by Albers Orchard and the hot chocolate was being donated by the Athletic Boosters. She encouraged everyone to come out and give the team their support.

President Wellwood asked Bill Scaletta about the maintenance of Booster Field. Bill said it was brought up at a board meeting and that from there it was referred to the building and grounds committee and that since that point he had heard nothing. A discussion followed.

NEW BUSINESS:

It was brought up that someone or group would have to be found to clean up the grounds after the football games. A discussion followed. Bill Scaletta will look into it and get back with Pat Fitzgerald on his findings.

President Wellwood asked Bill about the working condition of the scoreboard at the present football field. Bill said that it had been repaired and should be working for the J.V. Hudson game. Clyde said that perhaps it would be worth the time looking into the price of a new scoreboard. Bill said he would do so.

A date for recognition for fall sports has not been set but would be so done within the week.

Projects for the coming year were discussed. A motion was made by Joe Fitzgerald to put in the dugouts at the baseball diamond and an addition onto the present storage and concession stand at Booster Field. Seconded by Joan Brink. Motion carried.

Bill Scaletta reported that he is also working on additional storage space for athletic equipment within the high school.

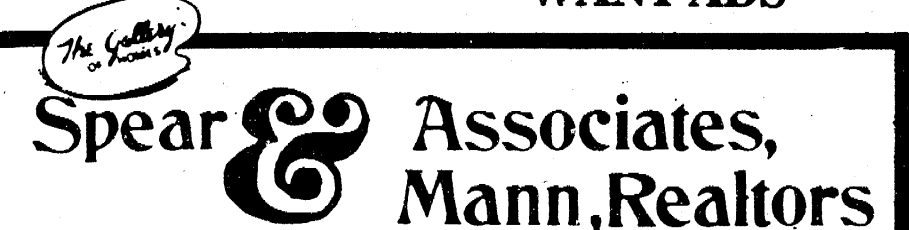

Betty Ahrens asked about the status of trees that were going to be placed at Booster Field. A discussion followed. Betty was asked to contact Tom Walton and report back at the next meeting.

Being no further business the meeting was adjourned at 9:15 P.M. on a motion by Jim Fielder.

The next regular meeting will be held on Wednesday, November 7, 1979 at 8:00 P.M. at the high school.

Respectfully submitted,
Kathy Hagerman, Secretary

"Big Tree" Contest

When Manchester, Michigan farmer Jean Wheeler and his "cross-the-road neighbor" Francis Heckaman, heard about the Wash-tenaw County Soil Conservation District's "Big Tree" contest, they got their minds together.

Both men had huge cottonwoods in their front yards on Logan Road, ranging in age from 100 to perhaps 150 years. They also had in common the determination to discourage the destruction of their giant trees in the future. To that end, they decided to attract public attention to their ancient, stately trees with publicity.

Upshot was that Wheeler's tree won the county-wide contest for the largest cotton-wood a few months ago. His entry measured 86 feet in height by 19 feet in girth, with a crownspread of 90 feet.

The gnarled titan was winner over 45 other entries in the contest, announced William Fishbeck, chairman of the district's board of directors, who awarded Wheeler a plaque for permanent placement on the tree. A \$25 check went along with the plaque.

Heckaman, whose tree was not far behind Wheeler's, seized the opportunity to provide future protection for the trees with publicity. "We felt that attention had to be drawn to our trees lest some agency come along and chop them down," he said. "Too much of that has been done in the name of progress. We hope to alert our neighbors and others toward similar thinking. Our land has been ravished by the tree cutters long enough."

The State of Michigan has sponsored various contests to help find the biggest trees, with conservation definitely in mind. Michigan is a land of some truly enormous trees, hosting no less than 94 known national champions. It is second only to Florida with 106 championships, and Oregon third with 60.

Nationwide, North America has some 900 tree species, of which Michigan has a large share.

Sums up Heckaman, with Wheeler's vigorous agreement: "If we can keep the public conscious of our great heritage, our trees, then Thomas Campbell's immortal "Woodman, spare the beechen tree" may become more than just a verse, and conservation more than a mere ideal."

March of Dimes

be the same, \$1.00 per person, and \$2.00 per family, unless you have attended the dinner. If dinner was your pleasure, then you see the Gong Show free. This should be a rollicking event, so come join the fun.

Next, it's all aboard the wagons for a HAY RIDE, at 8 p.m. Rick Kleinschmidt says the wagons will be going to Alber's Cider Mill, for some of their delicious beverage. This is an event for all ages to enjoy, and the same small donation applies, \$1.00 per person and \$2.00 per family.

Now it's time to don your funniest socks and your wildest costume, (if you like), for a HALLOWEEN SOCK HOP. At 9:00 p.m., the Midnight Riders, will strike up some fine rock and country music, to keep you hopping until midnight, in the Middle School gym. No shoes allowed. There will also be costume prizes, so use your imagination, and come up with a prize winning costume. Donation is \$1.00 per person.

For those a little (or a lot) beyond rock, there will be a CARD AND COSTUME PARTY at 8:00 p.m., in the Middle School lunch room. Here we also have prizes for your best costumes, (dress up or not, as you wish), and the usual \$1.00 per person donation. You may play cards, or join the costume fun, or both as you wish. Should be fun whichever way you go.

So there you are. Jim Datsko, general chairman, says you can play games, dunk your least (or most) favorite area resident, eat, dance, hayride, and play cards. Choose your favorite event or try all of them, but don't miss it. You'll regret it if you do. Enjoy yourself and help others in the process. Can't beat that!

Singles 25 And Up

If you enjoy dancing and having fun, come to the American Legion Hall, Main Street, Ann Arbor, and join the Tuesday Nite Singles on October 23. Dance from Nine to Midnight to the music of Don Wilson. Fun time by all.

Open House To Celebrate 90th Birthday

On Sunday, November 18, from 2:00 - 5:00 p.m., an open house is scheduled for Linda Knorpp at her home at 407 East Main Street. This will be a 90th birthday open house and Linda's former students, friends and relatives are invited to come.

Linda was born in Manchester in 1889, graduated from Manchester High School in 1909, Eastern Michigan in 1912 and taught in Tekonska, Breckenridge, Brighton, Rochester (28 years) and Manchester.

Class Trip Club Of '81

You'll have the results of this year's Food Tent soon. Individual record sheets are being filled out with each student's time and earnings.

Interested students wishing to join may do so by contacting a member of the Steering Committee. Open Enrollment until October 31, 1979!

Our next project will be the sale of Christmas cards and wrapping papers.

SPEED EVENTS:
10 and under is sponsored by Mann's Feed Mill in Manchester. High Points went to Tim Long riding Delight, they had 19 points. Year end High Point trophy went to Rhonda Mason, and Molly, with 68 points.

11 and over: sponsored all year and year end by Bar G. Saddlery, Ypsilanti. High point for the day was Lynn Elliott and Tony, with 13 points. Year end High point trophy went to Lynn, also, with 61 points. 16 and under (horse) no sponsor. High point for the day, won by Leslie Buckner and Phellah, with 15 points. Year end High point trophy was taken home by Leslie, and Phellah, also with 67 points.

ADULT sponsored by Bob La Vasseur, Chelsea. This was won by B.J. Parks on Stormy with 19 points. She also won the year end trophy with 73 points.

I have a little something to say about this class, please bear with me. Going into the last show, Sue Miller with her aged mare, Brandy, were in the lead by 12, points. Sue had given her word to her mare that this would be the very last year of contesting, due to Brandy's age. They were just about due to wrap up their third year end high point trophy, when the Millers found a small farm they could afford, and the day of the show was the only day they could make

final arrangements on inspection etc. of the person who was going to help them finance it. What Do You Do? She did the only thing she could, she got the farm, and her mare ended the season as Reserve Champion, with 66 points.

Our judge for this last show was Peggy Lynn Friday, she came from a sick bed and almost froze, but, as usual, did her great job of judging.

We do want to take this opportunity to thank the Manchester Enterprise for publishing the results of our shows, this year, and for the last few years. We also want to thank all the people who have sponsored the nice trophy's we give at these shows. Without their help, I'm afraid the trophies would be a lot smaller, and not nearly as nice. We greatly appreciate all the help. Our next show will be the second Sunday in May, of 1980. May you all have a warm, cozy Winter, and we will look forward to seeing you in the Spring.

Freedom Gang 4-H

The meeting of the Freedom Gang 4-H was called to order on October 6, at the home of Mrs. Lucas. Officers were elected. They are: Anne Mazurk, President; Jennifer Haeussler, Vice President; Karen Tuveson, Secretary; Shelly Stetler, Treasurer; Jessica Roberts and Tracy Stengel, Reporters; Lisa Tuveson, Game Leader; and Joanne Stierle, Song Leader.

Webelo & Boy Scout Fall Camporee

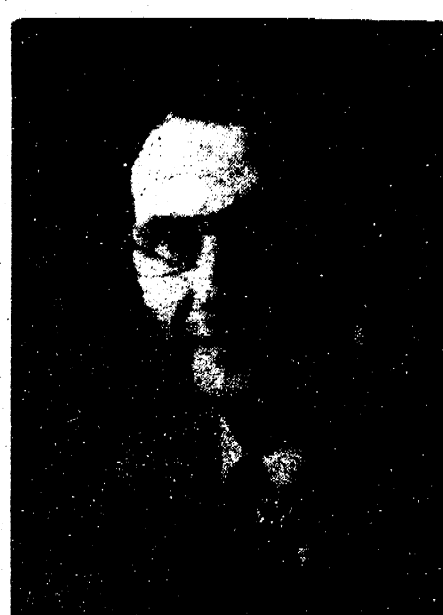

The Fall Camporee was held at Camp Manuhacke which is located at Bruin Lake on October 12-14. Troop 426 was glad to have the Webelo Den from Pack 421 led by Mr. Richard Whiting, attend with our troop.

The camp out was enjoyable in spite of the rain and cold weather.

A skit was presented at the camp fire on Saturday night by three of the Webelo's, Scott Whiting, Chris Pagel and Jon Arney. It was very well presented and applauded by the group of Scouts attending from our district. A job well done Webelo's. Thanks.

If there are any other boys 10 years of age wanting excitement, contact Mr. Frank Cousino 428-8607 Cub Master, Mr. Richard Whiting 428-7360 Webelo Leader. For boys 11 years of age or older contact Mr. Alfred Sannes 428-7672 Scoutmaster.

Iron Creek Church To Have Missionaries

Rev. David Clark, Missionary to Jamaica since 1943, will be guest minister at the Morning Worship service Sunday, October 21st at 10:00 a.m.

Rev. Clark has been involved in church planting in the West Indies, establishing the Grace Hour, a radio broadcast with an estimated listening audience of 90,000. He was secretary of the Billy Graham Crusade in Jamaica in 1958. The Leighton Ford Crusade in 1964 and delegate from Jamaica to the World Congress on Evangelism in 1966.

You will enjoy and be enlightened by this gifted and informative speaker.

On Wednesday, October 24th the Guest missionaries will be Rev. and Mrs. Glen Reavis from Korea.

The Reaves have been on the Korean field for many years under TEAM Missions. Their service will be at 7:30 p.m. and will report on the summer camp program for Korean Youth as well as general evangelism.

The public is cordially invited to each of these services. Church location is at the corner of Sharon Hollow and English Rd.

Lambda Nu

Our first meeting was held on Wednesday, September 5th at the home of Gail Whiting and co-hosted by Pat Buono. Our program for the evening was Creatures & Receivers given by Marcia Chartrand. Marcia asked each girl to bring something that had been handmade for them, or they had made for someone else. It was very interesting.

On September 17th we met at the home of Sharon Day and were co-hosted by Shirley Lowery. Our program was by Sharon Day entitled Social Behaviors. Sharon had a guest speaker Kaye Arney, a Psychologist who recently opened an office in the Professional Center here in Manchester. Mrs. Arney discussed children's social behaviors and answered questions. We all enjoyed it.

On October 1st we were hosted at the home of Darlene Kuebler with her co-hostess Debbie Alber. Kathy Roberts gave her program Examples from Life. Kathy led a discussion on the different things going on around us by using the newspaper as a guide and example. She passed out four envelopes and grouped us in teams of four. In each one were four cartoon strips with the captions separate. We had to match them and find one that reminded us of our own lives (if we could). It was a lot of fun.

Cornhusk Dolls Demonstration

The craft of making cornhusk dolls will be demonstrated at the Walker Tavern Historic Complex. On Sunday, October 21, 1979, Mrs. Ivan Hunt of Onsted will demonstrate how cornhusk dolls are made. This demonstration will take place in the heated visitor center between 1:30 p.m. and 3:30 p.m.

In addition to the demonstration, the visitor can tour the complex's three buildings and view the movie, "Travel in the 1840's". The Walker Tavern Historic Complex is located at the intersection of US-12 and M-50 in Lenawee County. It is accessible via Cambridge State Historic Park, through the entrance on M-50, one quarter mile North of US-12. There is no admission charge.

MINI DESSERT: EASY AND ELEGANT

These Chocolate or Coconut Cheesecake Cups were designed to add excitement to the simplest meal or the most elaborate menu. Blend melted Baker's German's sweet chocolate (or the Baker's Angel Flake coconut), cream cheese and few other ingredients in about a minute. A vanilla wafer placed in the bottom of each miniature aluminum foil baking cup is the crust for this cheesecake-like dessert, which is sprinkled with pecans or flaked coconut. After baking, garnish with thawed frozen whipped topping and maraschino cherries or chocolate curls, if desired. Makes 12 servings to impress waiting diners.

CHOCOLATE CHEESECAKE CUPS

- 12 vanilla wafers
- 1 package (8 oz.) cream cheese, softened
- 1/2 cup sugar
- 2 eggs
- 2 tablespoons all-purpose flour
- 1 teaspoon vanilla
- 1 package (4 oz.) sweet cooking chocolate, melted
- 3/4 cup chopped pecans

Place a vanilla wafer, flat side down, in each of 12 whipped topping and coconut-aluminum foil baking cups; late curls or maraschino place on baking sheet. Beat cherries, if desired. Store cream cheese until smooth, in refrigerator. Makes 12 servings.

Gradually beat in sugar and continue beating until light and fluffy. Add eggs, one at a time, beating well. Blend in flour and vanilla; then blend in maraschino almond extract for the vanilla into cups, filling about 3/4 full, and sprinkle with pecans. Bake at 325° for 30 minutes. Cool on rack and serve cool or chilled. Garnish with 2/3 cup flaked coconut.

Tradition has it that in the early days of our republic, newspapers were the watchdogs of government.

Twentieth Century Club

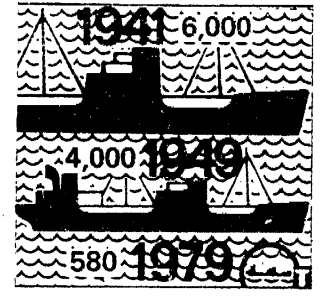

The Twentieth Century Club began the 1979-1980 year with a meeting Tuesday, October 9, at the home of Mrs. Finn Olsen. Mrs. Stanton Roesch presented the Project Commission's preliminary plans for the swimming pool project. A meeting was scheduled for interested groups and individuals at her home for October 11. Mrs. Olsen reported that the Marathon Bridge project started on schedule in September with a full program. A donation of \$100.00 was voted to the Oak Grove Cemetery Fund. Apropos of "The Year of the Child", the program committee for the evening, Mrs. Kenneth Furgeson and Mrs. Gerald Post, introduced the guest speaker Mrs. Kay Arney, a local social worker who is instructor for the Contemporary Parenting Program for Eastern Michigan University at Hillsdale. Mrs. Arney is also vice-president of Parents Anonymous of Michigan. Her presentation of the development of the family unit was followed by an informative discussion of child behavior, child abuse and help for parents. A social time was followed by refreshments served by the hostess and Mrs. Ray Trolz. The next meeting of the Club will be November 13 with Mrs. Ronald Jenter hostess assisted by Mrs. Walter Vogt.

Merchant Marine Decline Seen As Peril To Economy, Defense

America's maritime industry contributes an astounding \$22 billion to our economy each year. Yet this wide ranging industry which directly and indirectly employs 1,500,000 Americans is in as much peril as it was in World War II when under attack by German U boats. If something isn't done and done fast, our fleet will disappear from the high seas leaving us to the tender mercies of foreign flag carriers, including the Soviets whose merchant fleet now is in first place world-wide in terms of vessel numbers. The irony is that while the U.S. is the world's largest single trading nation, American flag ships carry less than 5% of our total cargo! According to the National Maritime Council, which speaks for America's liner companies, ship yards and maritime unions, signs of the decline include: 1. Unfair competition by some foreign flag carriers, including the Russians, who literally dump their excess vessel tonnage in our liner trades. Dumping is the condemned international trade practice of charging less than cost for goods or services. 2. The tendency of the U.S. Justice Department to enforce anti-trust laws more often against American flag companies than against foreign flag carriers. This unequal treatment leaves foreign carriers virtually free to win cargo under the much more relaxed laws of their respective countries. 3. The failure of the U.S. State Department to negotiate so-called bilateral shipping agreements with foreign nations on a wide scale. Such arrangement would give our fleet a much fairer opportunity to compete for cargo and also minimize dumping here by foreign lines. There is real reason for hope that the tide for the maritime industry will turn for the better for the first time in decades. The White House has recommended a new national maritime policy. Sweeping new maritime legislation has been introduced in the Congress. "These actions, if they lead to realistic and helpful new maritime legislation

Sign The Big Oil Discredit Card Support The Citizens' Energy Program ROLLBACK OIL PRICES STOP BIG OIL

We need to pass the Citizens' Energy Program to stop oil company ripoffs. Congress must act.

- ROLLBACK PRICES** by reimposing price controls on crude oil, heating oil, and natural gas, and retaining controls on gasoline prices.
- FORCE REFINERS TO REFINE AT FULL CAPACITY. APPOINT A SPECIAL PROSECUTOR** to crackdown on the oil companies' criminal conspiracy.
- CREATE A TAXPAYER-OWNED ENERGY CORPORATION OF AMERICA** to compete directly with the oil companies.

Join Big Oil Protest Day, October 17th

On October 17, millions of Americans will join in a protest that will touch every corner of the land. They'll clog Congress and the White House with phone calls and Discredit Cards, hold rallies, blockade Big Oil's lobbying headquarters in Washington, picket Big Oil's corporate palaces to show that this time the people mean business.

You can join with the 250 member organizations of the Citizen/Labor Energy Coalition and the Progressive Alliance to show your outrage at oil company profiteering.

Stop the Oil Profiteers on Wednesday, October 17th

ENERGY INFLATION IS PUSHING US TOWARD ECONOMIC DISASTER

This is a time of economic trouble. Inflation will go higher than 13% this year, and the government predicts that a million people will lose their jobs by Christmas.

All of us are sacrificing in these difficult days, all of us except the oil companies. Their greed and corruption is making our economic problems even more serious.

The oil industry is already making record profits, but the worst is yet to come. Under industry pressure, the President and Congress killed oil price controls. The result will be that American oil, which costs the companies only \$2.00 a barrel to produce, will sell for over \$20.00 a barrel, twice what it sells for today. What a ripoff!

While we face shortages and rising prices, oil company profits are going sky high—up 53% in the first three months of 1979 and up again 66% in the second three months. Mobil Oil just bought up the Montgomery Ward company and ARCO bought Anaconda Copper. That's how much extra cash they have.

The oil industry has pushed the Administration and Congress into accepting and promoting higher prices, while ignoring the disastrous effect on people and on the economy.

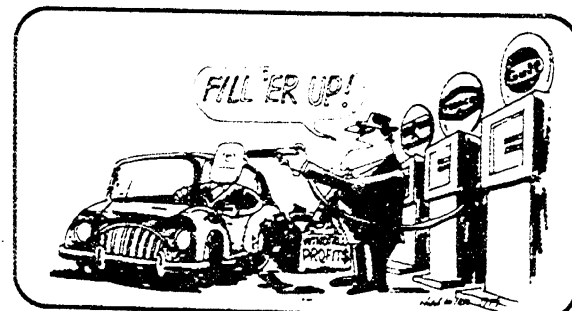

Half of the oil we use is produced right here in the United States. Just because the OPEC nations can charge whatever they want for their oil, doesn't mean that American companies can charge whatever they want for the oil which really belongs to all of us.

Higher prices and more profits are not the answer to our energy problem.

A Call for a National Day of Protest

The Citizen/Labor Energy Coalition and the Progressive Alliance call on all unions and citizens' organizations to join in a national day of protest. On October 17th we will:

- Flood the telephone lines of Congress and the White House to say, "We want the Citizens' Energy Program enacted now!" White House (202) 456-1414 Congress (202) 224-3121
- Gather a million signatures in support of the Citizens' Energy Program.
- Blockade the oil industry's lobbying headquarters in Washington, D.C.
- Picket the offices of the oil companies around the country to show that we mean business.
- Meet with our representatives in Congress to ask them to sponsor the Citizens' Energy Program.
- Distribute leaflets to millions of union members inside shops, offices, stores and factories.
- Hold rallies, teach-ins and demonstrations.
- Organize other dynamic local actions.

JOHNSON-KENSLER WEDDING

On October 6, 1979, Kyle Lynn Kensler and Robert Keith Johnson were united in marriage at the Emanuel United Church of Christ in Manchester with the Rev. Robert Macfarlane officiating. The brides parents are Mr. and Mrs. James Kensler, 309 Territorial, Manchester and grooms parents are Mr. and Mrs. Alton Horning, 11985 Pleasant Lake Road, Manchester and the late Thomas Johnson.

The bride wore a long gown of white organza with rachel lace trim. The gown had a Queen Ann neckline and bishop sleeves. The skirt fell gently from the slightly raised waistline and ended in a double mushroom pleated flounce. A reverse cascading pleated back formed the chapel train. The walking length veil fell softly from a cap covered with chantilly lace and pearls. Lace applique and edging trimmed the veil.

The maid of honor was Rose McEawn of saline dressed in a wine colored floorlength gown with matching hat. Bridesmaids included Jan Savage of Saine, Tina Sindlinger of Manchester, Robin Hatch of Manchester and Lori Meinhart of Farmington Hills. They were attired the same as the maid of honor.

Craig Johnson of Manchester served as his brothers bestman.

Ushers were David Chartrand, brother-in-law of the groom of Manchester; Kris Kensler, brother of the bride, of Manchester; Jeff Branham of Chelsea and Douglas DeMull of Grand Rapids.

Carter Gorton of Chelsea was ringbearer and flower girls were Courtney and Colby Gorton of Chelsea. The three girls wore wine colored long dresses with white eyelet pinafores.

Marsha Chartrand played the organ for her brother's wedding.

Gayle Gorton, cousin of the bride, sang the Wedding Song and the Lord's Prayer. She was accompanied by her husband, Lary Gorton.

Following the ceremony, a reception was held at the American Legion Hall in Manchester. Guest book was tended by Kim Kensler, sister of the bride, June Winans, aunt of the bride, cut the cake.

After the couple return from their trip to Florida, they will reside at 10600 Chelsea-Manchester Rd., Manchester.

The bride is employed at Chelsea Community Hospital and the groom is employed at Faist-Sprague Buick Olds.

The Real Legend of Sharon Hollow

One way for your family to enjoy one of the last Sundays of Indian Summer is to ride along in the bike hike sponsored by the Manchester Association for Talented Students. The October 28th hike entitled "The Real Legend of Sharon Hollow" will feature a variety of experiences that will make the history of Sharon Hollow come to life.

Riders will research old monuments, search for archaeological remains, tour the old Kirkwood mill presently the residence and antique shop of Mrs. Lillian Martin and make rubbings in the Gillett Cemetery. Mr. Mahlon Smith, a resident of the area for eight decades will talk about the changes that have occurred there in his lifetime. Riders will also hear Mr. Howard Parr discuss Henry Ford's experimental soybean farm which was located in the hollow. Participants will also get a chance to have cider and doughnuts for a 25c fee.

The course begins at the Sharon Township Hall on October 28th. Riders will be sent off in 5 minute intervals between 1:30 and 2 p.m. In case of inclement weather thehike will be postponed until the following Sunday, November 4th.

The hike is open to any Manchester resident interested in learning about the area's history. Those interested in joining thehike should call Karen Schaefer at 428-7369 after 4 p.m. weekdays for more information.

Realtors Elect David Gillies as 1980 President

Realtor David L. Gillies will be the 1980 President of the Ann Arbor Board of Realtors. Directors of the 600-plus membership group elected him to the post at their Annual Meeting held yesterday at the Moose Lodge.

Other new Realtor officers elected for next year were Frederick E. Moncrieff as Vice President, Mary E. Rice was re-elected as Secretary, and Robert A. Morley was elected as Treasurer.

Vice President-Elect Moncrieff was also newly elected by the group's membership to a two-year term on the Board of Directors, along with Oren Nelson and Marjorie C. Craven. President-Elect Gillies was re-elected to the Board of Directors for a one-year term, as was Nancy K. Carlson.

President-Elect Gillies, an associate broker and Business Manager for the Caldwell & Reinhart Company, has been in the real estate business since 1978, and was formerly with The Gillies Company. He currently serves as Vice President of the Board, and was previously Corporate Secretary. He is currently a Director of the Michigan Association of Realtors and serves on the Equal Opportunity Committee of the State Association as well. He has served as Chairman of the Ann Arbor Board's Bylaws Committee. Prior to entering real estate, Gillies was in the field of education and taught in the Livonia Public Schools, as well as Eastern Michigan University and the University of Botswana in Swaziland. President-Elect Gillies and his wife, Millie, live at 8533 Sharon Hollow Road in Manchester.

By Mrs. Dan Gerber

Almost every new mother asks, "At what age should my baby begin strained foods?" Some babies need more nutrients than breast milk or formula can provide much earlier than others, sometimes as early as two months. Several signs will help you and your doctor determine the right time:

-If your breast-fed baby demands feedings less than three hours apart.

-If baby drinks more than a quart of formula each day.

-If baby's birth weight has almost doubled; or if baby weighs 11 to 13 pounds.

-If baby seems dissatisfied or hungry.

There's no set time when baby should start on strained foods. Each child's nutrient needs are unique. Gerber baby foods have helped little ones get a healthy start in life for more than 50 years.

Village Clean Up Campaign

The Manchester Village Association, in cooperation with the Department of Public Works, is sponsoring a village wide clean up campaign to be held on Thursday, October 25. The purpose of this special day is to make it easier for the residents to give the entire village a good Fall cleaning.

On this day, the Public Works Department will provide the special service of picking up at the curb and disposing of all leaves, old papers, trash, household junk and other clutter around your house and property. The only items which cannot be handled on this day are: garbage (food stuffs, etc), stumps, logs, industrial waste, and liquids of any kind. In order to make it easier for the clean-up crew, please package leaves separately from other items, and make sure that all bags or boxes are sturdy and light enough to be moved.

Articles that you wish to have picked up should be placed between the sidewalk and the curb before 7:30 A.M. on Thursday, October 25.

If there are any Senior Citizens requiring assistance with this project, please call Mrs. Paul Ernst (428-7221). Several groups within the Village have volunteered to help our elderly citizens with this clean-up.

So, let's all get busy raking leaves, cleaning yards and attics, and clearing out the garage. With a little effort from everyone, our Village will sparkle on Thursday, October 25.

Local Family Doctor Attends Medical Meeting

Dr. William Purfield, Manchester has attended the 31st Annual Scientific Assembly of the American Academy of Family Physicians in Atlanta. The medical meeting began October 8 and ran through October 11. More than 4,000 family doctors participated in this once-a-year continuing education conclave.

The local physician, who is a member of the Academy, heard 19 nationally-known speakers, discuss up-to-date health care topics. He also had an opportunity to attend clinical seminars on about 40 different topics and visit some 100 scientific and 450 technical exhibits.

Subjects covered in this four-day scientific session were of immediate interest to family doctors in their everyday practices and in their continual endeavors to keep abreast of the latest advances in medicine. This year, topics included alcoholism, care of the aging, Legionnaires' Disease, drug interactions and hypertension.

The Academy, headquartered in Kansas City, is the nation's second largest medical organization. It was the pioneer among medical organizations in requiring its members to take continuing education. Its 44,000 members must complete 150 hours of mandatory continuing study every three years.

COUNCIL PROCEEDINGS

October 1, 1979

Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M., October 1, 1979. Present were Hinkley, Koebbe, Minick, Petsch, Reed, Daniels. Absent were DuRussel, Zsenyuk. Minutes of the September 17, 1979 meeting were approved as corrected in a motion by Hinkley, supported by Petsch. All yeas, carried.

Koebbe presented the Public Works Department report: Water meters were read this past week and call backs will be made after the dinner hour at night on or before Oct. 3: Repairs were made on the broken up rest room and drinking fountain at Carr Park; The Digester was cleaned and started back up on September 21, 1979; Part of the Village grounds were mowed as needed; The flow meter was repaired at the sewage plant this past two weeks; Koebbe also reported that vandalism had occurred at Carr Park because the gate had been left unlocked. Cost for repair was considerable.

Zsenyuk was absent so no police report was given. Minick presented two bids from Verhines Auto Salvage: \$87.00 for 1974 auto and \$57.00 for 1973 auto. A motion was made by Koebbe to accept both bids, supported by Reed. All yeas, carried. Minick stated that a warrantee was out for the persons involved in the vandalism at Carr Park. A discussion concerning the use of the vacant firebarn by the Police Department followed. It was agreed that Hinkley's plan for the renovation of the old firebarn be accepted. A copy of the plan would be available in the council room. President Schaffer appointed a committee, Minick, Petsch, Reed, and Hinkley to study a course of action for the renovation.

DuRussel entered at 7:25 P.M.

Reed presented the bills as listed. In addition to those listed was a bill from SEMCOG for \$35.00. Motion was made by Petsch to accept the bills with the addition. Supported by Reed. All yeas, carried.

Petsch reported that there was a drafted copy of water bills (arrears). Complaints are reported, letters are sent and then Gisting is contacted. It was suggested that names of those in arrears should be presented for the possibility of being added to the tax roll.

Hinkley read the Planning Commission minutes of September 18, 1979.

Schaffer called a short adjournment at 7:55 P.M.

Council came back into session at 8:00 P.M. for a public hearing acting on change of zoning. (On file) Hinkley read the recommendation of the Planning Commission. Dick Wolf stated that a request for rezoning had occurred because the bank wanted to put in a drive-in facility. Two reasons for a drive-in facility were: 1. Competition from outside of the village concerning the proposed banking facility on M-52. 2. The desire to keep business in the downtown area. D.E. Limpert presented a letter (on file) to council which stated questions regarding the request for rezoning. Hinkley asked Dick Wolf to respond to the questions. No traffic study has been made but a use study shows that the present drive-in facility had usually 25 cars daily, 75 cars on Friday and 50 cars on Saturday. The bank hopes to take care of 90 cars in 1/2 hour keeping transactions quick ones. Probably peak time would be Fridays 4-5 o'clock. It is not known at the present time how many cars do pass in the neighborhood itself. Easement should have

a positive effect because it would generate a better flow of traffic. Storm water would go in an easterly direction toward the bridge. The buffer area should also help with storm water. Questions were answered with no rebuttal. DuRussel made the motion that the request for rezoning be granted. Supported by Reed. All yeas, carried.

Adjournment of Council - reconvene as Board of Appeals. Present were 6 councilmen, Sue Bond, Lauren Leeson, Bruce Daniels. A request for variance was heard. (on file) Hinkley noted the changes relating to parking spaces and buffer zone. Wolf noted the traffic flow stating that an easement would ease the flow. Bond stated that one should be aware of the cutback in parking spaces. Hinkley asked why only a 10 ft. easement? Why not 30 ft. A letter pertaining to maintenance should be presented. Discussion followed involving green buffer zone, easement, lighting, maintenance, no drawing, paving. Reed made the motion that the original request for variance be granted. Supported by Leeson. All yeas, carried.

Adjourn as Zoning Board of Appeals 8:47 P.M. - Reconvene as council 8:48 P.M. Motion made by Reed that a 44 ft. easement be granted and in return for easement across their property, maintenance and paving on the whole length of the 44 ft. easement ordinance. Supported by Koebbe, all yeas, carried. Schaffer called for a short adjournment.

Reconvene as Zoning Board of Appeals at 9:00 P.M. with 6 councilmen present, Sue Bond, Lauren Leeson, Bruce Daniels. A request by Union Construction for a variance to permit parking changes was heard. (on file) A setback from the property line was requested, a change from a 50 ft. buffer to a 5 ft. buffer gaining 45 ft. for more parking.

D.E. Limpert presented a letter to council pertaining to the request for

variance. Motion was made by Bond that the variance be denied. Supported by Hinkley, DuRussel, Koebbe, Minick, Daniels, Reed, Leeson - no, Bond, Hinkley, Petsch - yes. Motion defeated. A discussion took place regarding the buffer zone. Motion made by Reed that the request for variance be accepted. Supported by DuRussel, carried. Yes - DuRussel, Koebbe, Minick, Daniels, Reed, Leeson. No - Bond, Hinkley, Petsch.

The Back Door Party Store requested a variance. (on file) Hinkley read the denial for variance by the Planning Commission. A discussion followed. "Is it under conditional use or non-conforming use?" A motion was made by Reed to grant the variance requested. Supported by Koebbe, Hinkley, Leeson, Bond, Daniels - no. DuRussel, Koebbe, Minick, Reed, Petsch - yes, motion denied. A motion was made by Daniels that the request should be tabled to further research actual zoning to find out if expansion is allowable. Supported by Hinkley. All yeas, carried. A public hearing is rescheduled for 8:00 P.M. October 15, 1979. Adjourned as Board of Appeals 9:50 P.M. Reconvene as council.

Meeting adjourned at 10:15 P.M.

Dutch Stomp Blissfield 32-0

by Jon Hardenbergh

The Blissfield Royals came to town and left on the low end of the score due to our offensive rushers who accumulated 287 yards while our defense shut them out by holding their ground gainers to 48 yards. Tonight's big attacker was John Mooneyham as he scampered for 150 yards and 3 touchdowns. As tonight was our homecoming, Congratulations go to the queen - Kathy Kidd.

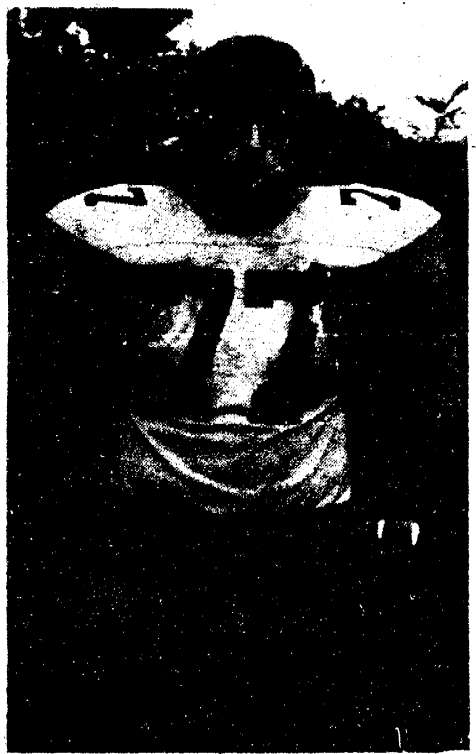

As in the last several contests we've struck on our first possession. This time almost - our first play from scrimmage John zoomed for paydirt, but a yellow handkerchief wiped that six out. We took the clipping penalty and proceeded to march to the Royal 28 where we fumbled and they recovered. Disaster hit Blissfield on their very first thrust as they lost the handle and we pounced on it at the 23. Three blasts later we stood 4 yards short of their goal line so John took it for the TD. Troy Walden's attempt for the extra point failed so the scoreboard read 6-0 at 5:55. Troy got off a nice boot so Blissfield set up camp on their own 27. After their first run, which netted them a minus 2 yds, they again fumbled with Gary Daniels covering it 29 yards away from TD land. On first down Brian Broucek handed the oblong ball to John who motored right for the needed 29 yds. for 6 points. We went for a 2-point conversion and it was good, so the clock said 4:35 with the score 14-0. This time the Royals went back five yds. in 4 downs so punted - we stormed their kicker causing a fumble, we recovered on their 5. The first blast gained 4 by Doug Drouare but then Gary drove across for the touchdown. The P.A.T. failed so we led at 1:18 (still first quarter) 20-0. There were no major developments scoring-wise in the second quarter so half-time came with the tally still 20-0.

As we entered the third quarter we received the kick-off and proceeded to march down the field with our main ground attack-Gary. Ten strikes moved us to the 6 where Gary ploughed for the TD. The extra point was no good so it stood 26-0 at 6:34. We controlled again soon and following a yard gain a penalty set us back five. Brian

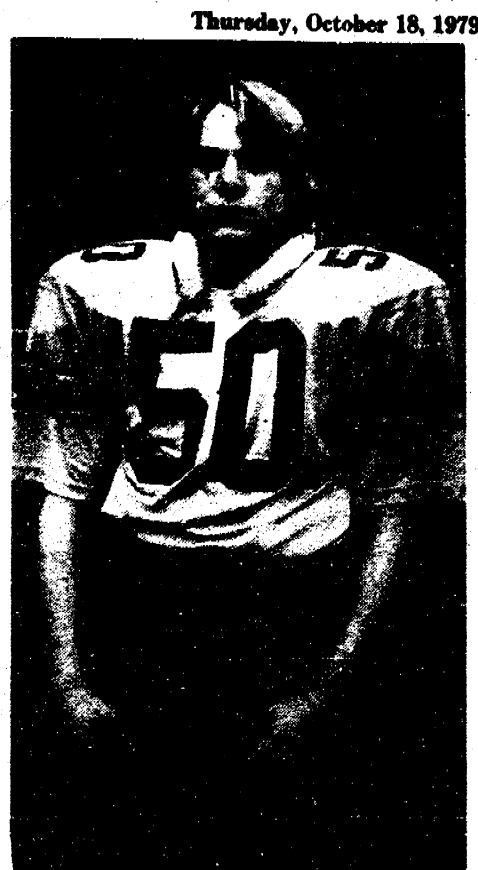

went back to throw but was smashed by their line-backer so back Brian went again. This time he faked a hand-off right and rolled left only to see Jeff Geiger 20 yds. down. He tossed and Jeff raced for the end zone-unfortunately he got shoved out of bounds on the 5. The pigskin then went to John who zipped in for 6 points. The P.A.T. failed so the score stood 32-0 at 3:23. For the remainder of this period and the fourth neither squad scored with Jeff Pratt aiding with interceptions.

Friday is the biggie-as we travel to Morenci. We are defending league champs tied at the moment for the L.C.A.A. lead with Morenci. So the champ may well be crowned by the happenings Friday at 7:30.

How teams we've played and those we've yet to face-did: Grass Lake is crying--dropped their 4th straight to East Jackson 12-14. Ottawa of Ohio nipped Ida 7-6. Onsted downed Vandercook Lake 13-7. Addison got by Hudson 7-0. We whipped Blissfield 32-0. Morenci remained undefeated burying Clinton 26-7. Stockbridge also unbeated, sailed over Fowlerville 36-12.

Offensive Player of the Week, John Reed, #77.

Defensive Player of the Week, Jeff Proctor, #50.

Your children could save a life, with a little help from you and your telephone.

Michigan Bell... people who enjoy serving people.

If you have children at home, would they know who to call in case of a fire, accident or sudden illness? Be sure you have listed near your phone the numbers of your doctor, hospital, poison control, police, fire department and other emergency numbers. Show your children how to find those numbers, how to dial them (if they don't already know), how to call the operator; let them know if 911 can be dialed for fire, medical or police help in your area. Write down your home address near these numbers, too, so your children or your baby-sitter can give it to people who need to find your home in a hurry. (But, for safety's sake, you should instruct them not to give your address or other information to strangers on the phone.) Your telephone can be a lifesaving help in an emergency. Teach your children how to use it for their protection and yours.

So many things have happened
Since you were called away
So many things to share with you
Had you been left to stay
We cannot bring the old days back
Ways of the world are such
But we have many pleasant memories
of the one we loved so much.

Sadly missed by wife, Gola and children.

Outstanding Citizen For September In Retrospect

Pictured l to r: Mr. Robert Maston, Lisa, and Mr. and Mrs. Lauren Huber.

Lisa Huber, a Manchester High School senior, is the Optimist Club Outstanding Citizen recipient for September. She is the daughter of Mr. and Mrs. Lauren Huber, 520 West Main Street. Lisa has been employed at the Baker's Dozen for the past three years. She has been a band member for four years, a member of the girls track team last year and served on her class Prom Committee as a junior. Lisa was inducted into the National Honor Society local chapter in November 1978. In addition to her school activities, she is a member of the Senior Youth Group of Emanuel United Church of Christ and was a 4-H Club member from fourth through eleventh grades. Lisa has been accepted for Fall 1980 admission to Michigan State University where she plans to pursue a career in veterinary medicine.

GIVING BRIGHTENS YOUR DAY

Mr. and Mrs. LeRoy Marx with United Fund solicitor Mrs. Marvin Keezer.

Mr. and Mrs. LeRoy Marx cheerfully greet solicitor Mrs. Marvin Keezer with their United Way gift as she calls at their Union Street home. They know that in giving they have not only brightened their day but also the day of many who receive help from the United Fund agencies. The Campaign is now in full swing, and General Chairman James W. England has announced that as of the second report date, Saturday, October 20th, the thermometer has reached the 17% mark. All divisions are now busy with their solicitations - letters have been sent to outside businesses and organizations, village and rural house to house solicitors are busy ringing door bells. The local businesses are being contacted, and the drives in the schools and local industries are well underway. When a solicitor calls upon you, please give, for UNITED we can turn that 17% into 100% and reach our projected goal of \$24,748.00!

RED CROSS BLOODMOBILE 12 TO 6 P.M.
FRIDAY, OCTOBER 26 AT THE K OF C HALL

They're Engaged

We have, we are told, the largest and most expensive primary and secondary school system in the world, yet most everybody is not at all satisfied with it. It seems to us that the schools have forgotten what they're for. They are doing many things that they were never supposed to and failing to do what they are supposed to, and that is to convert illiterate children into literate children.

This was brought out not long ago by a school principal in Baltimore, Md. This school, Lake Clifton High, is new and has all the trimmings...an auditorium, a gym, a clinic, drama classes, hot meals, bus trips, and all the rest. It's not one of the jungles that we read about. It has no apparent racial problems but the principal of that school was not satisfied, and so he subjected the entire junior class to a rather simple test.

Several sentences were repeated to the class three times and they were then required to write them out. They were asked to fill out an application for a job, then address an envelope, then write a letter complaining about defective merchandise and then were given a tape recorded message of a routine character and asked to summarize it on a memo.

This would seem to be a rather routine test...a test of the ability to write based on a routine level, and 57 per cent of this junior class failed the test...in their eleventh year of schooling they were still illiterate. It must be assumed that those who failed the test were unable to write, since reading and writing are two facets of the same subject and arithmetic is a sign language and cannot be taught without help from the written word and so a majority of this junior class had gotten that far without a rudimentary knowledge of the Three R's, yet without them the rest of the subjects involved at that level can be little more than gibberish (History, Geography, Literature, the Physical Sciences and the Social Sciences). This is all very laughable. If they are incapable of learning at this level we are sorry for them...they deserve our sympathy, but they don't belong in the Junior class of a high school. They belong back in a senior section of our first grade or being employed at something within their capacity.

It seems to us that in both cases our schools have failed, failed the students, themselves and the public. The principal of this Baltimore school has taken the stand that no member of his Junior class will be graduated as seniors unless they can prove that they can read and write. He says that the school's diploma was going to guarantee that. This stand has shaken the pedagogical establishment to its very roots and the press too has evidently been quite "shook up" about it. His stand seems very basic and mild but in the circumstances in which he finds himself, it is quite daring.

Now I don't mean to infer that the circumstances above enumerated are true of any local or nearby schools but I must admit that I have some grave misgivings about them. I have, during the past several years, had submitted for publication, some weird and marvelous examples of high school Englishes which had to be translated into English before it could be published, and the spelling in some of these epistles was as weird as the grammar. I wonder if anyone had taught these students how to use a dictionary or even if there was such a book.

Perhaps some of this lack of ability to read and comprehend is the fault of the schools but it seems to us that some of this lack is to be blamed on our way of life nowadays. For instance, in the days before talking movies and TV one had to be able to

read somewhat to comprehend the printed subtitles at the movies for instance, but nowadays one can get by merely hearing the spoken word...one doesn't have to learn to write it. But there's no substitute for the teaching of the three R's; let's get back to fundamentals and forget some of the futilities.

Mr. and Mrs. LaVern Eversole of Manchester proudly announce the engagement of their daughter Deborah Ann, to Allen Patrick Heskett, son of Mr. and Mrs. Alvin Heskett of Saline. The bride to be is a 1977 graduate of Manchester High School and is now employed as a Nurses-Aide at the Evangelical Home in Saline. Cornerstone Laying Ceremonies The Manchester Township Board and the Manchester Township Fire Department assisted by the Manchester Area Historical Society invite all the Manchester area residents, along with anyone else who may be interested, to attend the Cornerstone Laying Ceremonies of the new township hall and fire station at 275 S. Macomb on Sunday, November 4, 1979 at 1:30 p.m.

Remember the Luminaria Candles on Christmas Eve Last Year? Once again the Manchester Art Guild is organizing the luminaria for this year's Christmas Eve. These candles originated in New Mexico hundreds of years ago, to celebrate the birth of Christ. We are encouraging everyone in the Village to participate. One person from each side of each street is needed to make this a beautiful Christmas tradition for our community. Please call Karen Hinkley at 428-9115 Monday-Friday before 3:00 p.m.

Senior Citizens Our next meeting will be held on Wednesday, October 31 at 1:30 p.m. at the Emanuel Church. We will have a speaker from the Chelsea Hospital on health problems for Senior Citizens. Please attend this meeting.
