THE MANCHESTER ENTERPRISE

HIT OR MISS by farley

I was asked about a year and a quarter ago one day when I was in Manchester why I didn't write a series of columns setting forth in each one at least one tale of an incident that really happened in the period from 1929 to 1946 which included my stay in Manchester when I owned the Enterprise and which, while amusing, had never before appeared in print. This I agreed to do and so "Retrospect" was born. We thought that it would be interesting to present these tales without mentioning names nor disclosing who the author was.
I guess it was a good idea for more folks than I had hoped for told the Steele's that they enjoyed it. But finally after more than a year of this, we ran out of true tales about the town, and so wandered off into expressing my opinion about various and sundry subjects that occurred to us. These too, quite a few folks reported that they found interesting, so now I guess that we might as well admit our sins and return to the use of the above heading under which we wrote ours and others opinions about many and varied subjects in The Enterprise, while we owned it. Criticism is invited and subject matter concerning Manchester is welcomed. These epistles may be left at the office.
There are at least two subjects elaborated on by almost every writer of columns at this time of year. One of them is the making of resolutions for the coming year and the other is to make predictions for the coming year. During the past week or so we took care of the resolution department and so now we have a couple of

predictions to offer. Some of them have been batted about by other columnists so they must be worth considering.
One writer predicts that among the great discoveries to be made during the coming years is that the American people will discover where the congressmen come from. This uncouth writer quotes the anthropologist Margaret Meade as telling about the natives of a Pacific isle who didn't see the connection between sexual intercourse and the birth of babies. After all, nine months is a long time and it hadn't occurred to the natives that the two events were connected.
I don't think that Americans, as they stumble forth from the 1970's, made any connection between their political apathy and their ignorance, and a Congress composed of felons, buffoons, demagogues, fanatics and plain everyday scoundrels.
Only some 15 per cent of the voters, say the polls have any use for congressmen, or for that matter, members of state legisla-

Christmas Eve Bloodmobile

Manchester was host to a Special "Christmas Eve" Red Cross Bloodmobile on December 24, just sixty days after the last regular area Bloodmobile, October 26. A "Christmas Eve" clinic is to insure the hospitals in the county, especially Mott and children's hospitals that 50 pints of fresh blood are on hand to cover Christmas Day. Each Blood Club gets the honor every ten to fifteen years and this is Manchester's first.
Mrs. William Schwab was the Chairman-of-the-Day and the clinic was at St. Mary's church from 10 a.m. to 1 p.m. Only sixty-five veteran volunteer donors were signed up to give. Fifty-one were present and fifty pints were taken. The Red Cross furnished all the supplies for the clinic.
Nine special pins were given on this occasion: three one-gallon pins to Lynn Gonyer, Marian Crasnow and Joel Tobias; four two-gallon pins went to Mary Frances Clelland, Willis Hassett, Alan Hanewald and Gary Stautz; one three-gallon pin to Elizabeth Gonyer and a five-gallon pin to James Kenner.

Besides the fifty (fifty-one counting 1 deferred) champion volunteer donors and the professional crew from Southeastern Michigan Red Cross Blood Center, ten local volunteer Red Cross workers assisted Mrs. Schwab: Miss Annetta Breitenwieser, Mrs. Ernest Ridge, Mr. Wm. Schwab, Mrs. Ray Uphaus, Miss Ella Duck, Miss Carolyn Schwab, Miss Kathy Gotis, and Mrs. Alfred Sannes. Mrs. Aaron Nathan and Mrs. Stanton Roesch were the local volunteer nurses.
In 97 days from the "Christmas Eve" clinic, Manchester will host the annual spring Bloodmobile on March 31. Mark the date on your calendar NOW. The Red Cross and the children's hospitals say "Thank You and Happy New Year" to one and all.

Manchester Family Service
Happy New Year from Manchester Family Service, Inc. to all in Manchester and especially to all the people who helped make Christmas happier for 96 families in the area (109 individuals, including 51 children). The Christmas Bureau project was handled by Manchester Family Service for the Department of Social Services, The Salvation Army, Washtenaw County Health Department and area churches. St. Mary's was the host for the project again this year.
The Scavenger Hunt which took place Monday afternoon, December 17, with Mr. Wright and his FFA helpers from the High School and Manchester Girl Scouts under the direction of Mrs. Wm. Schwab, collected 630 items (and small cash donations) for the grocery boxes each family or individual received along with their food or clothing order. The amount of these orders was based on the Ann Arbor Salvation Army criteria for assistance. Thoughtful Double A and Universal employees donated 21 turkeys and 2 hams in all for Thanksgiving and Christmas which ever the families wished.

The "Free Shop", which was held on the 20th when the families came to the church to pick up their grocery boxes and orders, was set up by Beta Sigma Phi sorority volunteers from the supplies furnished by dozens of families throughout the area. The "Shop" included used clothing, household items, toys and many new socks, mittens scarfs and dolls. Mrs. Carl Schwab, Miss Lee Huber and Ms. Elsie O-Dell supplied beautifully recycled dolls, newly made ones and many hand knitted gifts.
Dolls from Great Lakes Federal doll contest were shared with spanning for

The annual Christmas Program at Pleasant Lake Elementary was given on December 18th. There were over two hundred adults present to hear the children sing their Christmas songs. The hour-long program included traditional and some new songs to celebrate the holiday. While students were between presentations, refreshments were served and a visit to each class was made by Santa Claus. A special thanks to Minnie Cerwinka who did a great job.
Children and adults enjoyed the program and many favorable comments were heard. This was the first program given by students who have been having music classes with the new vocal music teacher, Miss Becky Leckrone. Parents, grandparents and brothers and sisters were joined by the new Superintendent, Dr. Gene Thompson.

Energy Crisis Assistance Program

The Washtenaw County Community Service Agency has started its 1979-80 Energy Crisis Assistance Program (ECAP) to ease the burden of high heating-fuel costs on low-income families and Senior Citizens.

You may now fill out the forms for this program here in Manchester and save a trip to Ann Arbor to do the paper-work. These forms will be received once a week by ECAP where the final decision for aid will be made.

People who are eligible may receive as much as \$320 during the winter heating season to pay for fuel and utility bills and other crisis needs. To be eligible the income level of the family must not exceed the following: one person - \$4,250; two people - \$5,625; three people - \$7,000; four people - \$8,375; five people - \$9,750; and

six people - \$11,125.
Senior Citizens receiving SSI are urged to fill out the forms at once.
For further information call Mrs. Franklin Reek at 428-8852 or Mrs. William Schwab at 428-8976. It will take one-half hour to forty-five minutes to fill out the lengthy form. A call will let you know when and where to come for assistance. The main information needed is a verified record of the income of all members in the family and the bills for the one or two utilities which are breaking your budget. If you prefer, you may call the Washtenaw County Community Service office at 212 S. Fourth Avenue, Ann Arbor 994-1650, but call one of the three numbers now.

tures, etc. and so I optimistically predict that Americans will find out that our congressmen are not brought by the stork, nor are they left by the tooth fairy nor the Easter Bunny, but are conceived in the voting booths and polling places in this country. Perhaps it is too much to expect but I wish that we could at least have an i.q. test for congressional candidates—that someone should at least tell them that they are elected to serve the people who elected them; that they are supposed to do more than vote themselves a raise, finagle their pet pork barrel project which probably does nothing more than to spend foolishly another chunk of government money and then adjourn for a month's holiday vacation while their salary continues. (It might even be fun to pay our legislators by the hour only when they were performing productive work.) I'll bet there would be some skinny congressmen about and some of them might even be forced to resort to another way of making a living—perish the thought.

We have a couple of other predictions yet to make—we'll try to do so next week.

Our Savior Lutheran Church Celebrates 10th Anniversary

Sunday, January 13 will be a day of celebration for Our Savior Lutheran Church, 1515 S. Main, Chelsea. It will begin with the regular Sunday Schedule: Sunday School and Adult Bible Classes at 9:00 A.M. and Morning Worship Service at 10:30 A.M. A special Service of Rededication will take place at the church at 3:00 P.M. followed by a dinner at the Chelsea Fairgrounds.

Rev. William Keller, who developed the mission, led in founding the congregation, and served as its first pastor until May, 1978, will be returning from Omaha, Nebraska to be the guest preacher. Other pastors from The Lutheran Church Missouri Synod - Michigan District who have shared in Our Savior's growth will be attending and participating in the service. The theme for the day as well as the entire year of 1980 is Growing In Grace.

The congregation began in the Fall of 1969 when the Board of Missions of the Michigan District of the Lutheran Church Missouri Synod extended a call to Rev. Reiser to serve as missionary-at-large in the Chelsea area. He was charged with the duty of gathering and organizing a congregation. The first general meeting was held in the Rebekah Hall on November 12, 1969 with 45 people present. The first worship service occurred on November 30 at 10:30 a.m. Sunday School was begun on December 14 with 27 children enrolled. On December 28 the congregation chose the name Our Savior Lutheran Church as its official name. With 55 confirmed communicant members signing the charter on January 11, 1970 Our Savior was launched in the Chelsea community. Services were held in the Rebekah Hall until the present church building at 1515 S. Main was completed in December 1971.

Rev. Paul Heinecke of Ann Arbor and Rev. Gene Wyrman of Pinckney served as Interim Pastors upon Rev. Keller's acceptance of a call to Omaha, Nebraska in May of 1978. They will both be returning to participate in the Rededication Service.

On March 11, 1979 Rev. Franklin Giebel was installed as the second permanent pastor at Our Savior. He had been called from St. John's Lutheran Church in Rogers City, Michigan. Pastor Giebel, his wife Sue, and their 3 children reside at the parsonage on 761 Flanders Street, Chelsea.

The congregation has grown during the ten years to 300 communicant members with 50 children enrolled in the Sunday School. Present and former members as well as friends are invited to attend the Service of Rededication at 3:00 P.M. on January 13.

Registration for Winter Semester classes will continue the rest of the week. If you did not get a brochure they can be picked up at most area merchants. College classes start the week of Monday, January 14. Most of the other classes start the week of Monday, January 21 and Super Saturday classes start Saturday January 26. As mentioned in the past, all names are kept on file for classes that did not have sufficient enrollment to start during one of the three yearly semesters. You will be contacted when ten or more enroll for a class to see if you are still interested. To register call the Community Education Office at 428-7804.

School Board Minutes

These are the proposed minutes of the December 17, 1979 Board of Education Meeting. They are not official until approved or corrected at the next regular meeting of the Board of Education.

The Regular Meeting of the Board of Education was called to order at 8:05 P.M. in the High School Library by President Corias Mick.

Secretary Curley called the roll with all Board members present.

COMMUNICATIONS - There were no communications other than those listed on the agenda and there were no questions or discussion on these items.

VISITOR INPUT - Lauren Huber voiced his concern with regard to the lack of a Math-Physics teacher.

Dr. Thompson reported that we have had a serious problem trying to locate a Math-Physics teacher. However, a math instructor has been hired and will begin when school resumes the first of January.

An attempt will be made to offer physics on a tuition free basis in an evening session by Washtenaw Community College if enough students sign up for it. At this time all the details have not been completed.

MINUTES OF PREVIOUS MEETING - Moved by DuFresne that the minutes of the Regular Meeting held November 19, 1979, be approved as submitted. Supported by Horning. Yeas: Bunney, DuFresne, Macomber, Mick, Curley and Horning. Nays: Walkowe. Motion carried.

FINANCIAL REPORTS - Moved by Bunney that the Financial Report indicating receipts in November of \$11,452.37 and disbursements for the same period of \$215,787.12 leaving a balance November 30, 1979 of \$427,932.32, be approved as submitted. Supported by Walkowe. Yeas: Macomber, Walkowe, Mick, Curley, Horning, Bunney and DuFresne. Nays: 0. Motion carried.

Moved by Curley that current bills totaling \$218,066.63 be approved for payment. Supported by Bunney. Yeas: Macomber, Walkowe, Mick, Curley, Horning, Bunney & DuFresne. Nays: 0. Motion

carried.
Mr. Curley asked if there were any revenues from the gate of the football quarter final game. Mr. McGuire will check on this information.

CROSSING GUARD AT PLEASANT LAKE - Dr. Thompson reported a person had been hired that day and would begin after the Holidays. He added that this position was not new, but had not been filled for some time. Salary for this position amounts to \$728.00 per year.

Mr. Horning asked that a count be taken as to the number of children that actually cross with the Crossing Guard.

GIFTS TO SCHOOLS - Dr. Thompson informed the Board that because of the last of a policy it would be an Administrative practice that gifts remain in the school at which they were placed. However, the Administration retains the overall responsibility to reassign them on a temporary basis.

Mr. DuFresne asked that as a courtesy Dr. Thompson notify Mrs. Zyromski of this. President Mick stated that the Board felt a real need for clear objectives as does Dr. Thompson. Objectives for this year will be discussed with Dr. Thompson at next months meeting.

STAFF MILEAGE REIMBURSEMENT - Dr. Thompson reported that the old station wagon was now being used, in addition to the pickup truck, for maintenance travel purposes. This should cut down on the mileage costs. He indicated that mileage would be paid for any trips which require personnel to report for work outside the normal work day.

In addition to the review of maintenance mileage, a chart has been implemented and issued to all personnel with the mileage to be used for inter-school trips. All mileage claims must state the specific destination and reason for each trip.

MICHIGAN EDUCATION ASSESSMENT PROGRAM DATA - Dr. Thompson reviewed with the Board the data compiled from the MEA Tests taken by 4th, 7th and 10th grade students. He reported that overall our students placed very well and we would continue to attempt to improve scores. He also reported that the test scores

and information were available to parents.

RESIGNATION OF JOANN OLNEY - After a discussion regarding the resignation process it was moved by Bunney that the resignation of Joann Olney be accepted and she be asked to continue in our employ until her replacement is found and her resignation become effective on that date. Supported by DuFresne. Yeas: Walkowe, Mick, Curley, Horning, Bunney, DuFresne and Macomber. Nays: 0. Motion carried.

PETTY CASH INCREASE - Moved by Bunney to accept the Superintendent's recommendation to increase the Central Office Petty Cash monthly limit to One Hundred Dollars (\$100.00). Supported by Horning. Yeas: Horning, Curley, Bunney, DuFresne, Macomber, Mick and Walkowe. Nays: 0. Motion carried.

CUTRO PROPERTY TRANSFER- EDITH ENDERS TUITION - Mr. Ma-

comber indicated his opinions and concerns relative to this issue. Other members of the Board questioned the number of tuition students we have and asked what type of internal system we have to check on these students. Dr. Thompson said he would raise this question at the next administrators meeting and get names and addresses of all children who are tuition students and we will bill all tuition students immediately. It was moved by DuFresne to accept the Superintendent's recommendation to accept Edith Enders as a tuition student until she graduates from High School with the provision that her parents accept the conditions that her tuition and transportation charges for the 78-79 and 79-80 school years be paid no later than January 31, 1980. Further, that her parents understand that all future tuition and transportation charges must be paid prior to the start of any given school year. This motion is contingent upon the discontinuation of all

current legal action against the Manchester Community Schools by Mrs. Charlene D. Cutro on behalf of her daughter, Edith Enders. Supported by Walkowe.
Mr. Curley questioned whether or not Todd Quayle and Jeff Proctor would be considered as tuition students due to the fact that their parents are no longer living in the district and both boys are living with other families who are residents. Dr. Thompson indicated that this would have to be investigated.
Vote on Motion: Yeas: Bunney, Horning, Curley, Macomber, Mick, DuFresne and Walkowe. Nays: 0. Motion carried.
STEVE HALACHISHAK - SMALL CLAIMS COURT ACTION - After giving some background information to the Board regarding this matter Dr. Thompson made a recommendation to settle the claim for \$260.00 in order to avoid additional legal fees.
After a discussion it was moved by DuFresne to direct the Superintendent to appeal this claim to the district court and contact legal counsel as far as this claim was

Further, that her parents understand that all future tuition and transportation charges must be paid prior to the start of any given school year. This motion is contingent upon the discontinuation of all

concerned. Supported by Horning.
Dr. DuFresne offered a rationale for his motion. He didn't believe it was the schools responsibility to reimburse him for his loss. He thought this type of action could lead to continued problems.

Mr. Bunney asked that an estimate of legal fees be provided to the Board.
Vote on Motion: Yeas: Mick, Macomber, Walkowe, DuFresne, Curley, Horning and Bunney. Nays: 0. Motion carried.

President Mick informed the Board that there were 2 additional items to be placed on the Agenda, 1) Early graduation request and 2) Resolution to borrow.

Moved by DuFresne that both of these items be included on the agenda. Supported by Macomber. All yeas. Motion carried.

REQUEST FOR EARLY GRADUATION - Moved by Walkowe to accept the Superintendent's recommendation to permit Jeff Proctor to conclude his high school attendance at the end of the 1st semester providing he has successfully completed all graduation requirements at that time. Supported by DuFresne. Yeas: Macomber, Mick, Walkowe, DuFresne, Curley, Horning and Bunney. Nays: 0. Motion carried.

Moved by Bunney that the meeting be adjourned. Supported by Horning. All yeas. Motion carried.
Meeting adjourned at 9:42 P.M.

Brian is the son of Mr. and Mrs. William Broucek. He is a 5'10" junior guard who plays both the point and wing positions. "Brian is coming along very nicely so far this year. He is a very capable guard who should really contribute to the team. Brian has started two ball games this year and as of late has really been doing a good job. His greatest asset is his scoring ability, both off the jump shot and drive. I expect him to develop into next year's floor leader", commented Coach Bart Bartels. Brian contributed 14 points in the Flying Dutchmen's win over Onsted 67-57.

We said last week that we would make a couple of prophesies about 1980, that we felt obligated to do so because all climatologists of any note, and otherwise, did so and we proceeded to delineate on the fact that people would find out where congressmen came from and several readers have sworn that they will devote their energies to finding a source from which can be recruited a better grade of candidate - preferably men who, as John Holland, the poet pleaded for some seventy-five years ago were "Men with a conscience who will not lie, men whom the lust of office will not buy." But we are sorry to say that these fellows are as scarce today as they were then - or more so.

We do, however, cling to a faint hope that between now and election time the voter will ponder and act accordingly. In the meantime may we make another prediction. That parents will discover that adolescents are always have been and always will be, just plain stupid, and that the parents will become resigned to their fate and I am sure that this decision will be greeted with skepticism by the youngsters but the mending war over cleaning up bedrooms will end with the surrender of the parents. It has taken a terrible toll over past many many years.

I think that now is the time for parents to give in because when they look about and see the mess and discover the state in our world that - cleaning up bedrooms will seem as very insignificant.

There are several other facts that I am sure that people will be forced to find true such as the fact that one-individual or nation - does not buy friends; that with the privileges accorded a free and equal people come responsibilities; and perhaps that as Mark Twain said "Loyalty to a petrified opinion never broke a chain nor
