## HIT OR MISS by farley

Comes the news that nearly 20 per cent of the automobiles sold in this country or more than the Ford Motor Company sold last year were made in a foreign country, which fact seemed to shock a great many folks. The government has even noted this fact as our union leaders have verbally resented that fact and said that if the foreign cars were to be sold in this country they should be made here, and they are going to appoint a committee to "investigate" the predicament in which we find ourselves. I have no idea of how much of the problem that will solve but maybe it will at least enlighten us.

Another news release notes that the Uniroyal tire plant in Detroit which has been there for many years, is to be abandoned and the operation moved elsewhere. Together these stories are sad ones but not surprising when you think about it a bit.

The workers in these United States have been the most energetic and innovative in the world. Assembly line production was developed here for economical assembly, and set the pace for the whole world for ingenuity, productiveness and inventiveness. Our workers made quality products quickly and cheaply and by so doing our workers attained a standard of living that was superior to any in the world. How one could succeed in business was limited only by an individual's desire and effort.

Our economic system is rather simple. It is based on the profit motive. If you make a quality product that fills a need and can sell it cheaply to those who need and want it but for more than it cost to manufacture, you have a profit which gives one the capital with which to operate and also returns one's investment. It's that simple.

Now we have suddenly discovered that we are no longer able to be competitive as to price and quality, and we have, at least as far as the automobile is concerned, to considerable degree, lost our position, at least in the small car field.

Some of this at least is because a great many of our workers have been taught to want more and more for doing less and less and our productivity per worker has decreased. We have been discouraged from reaching top production on the job. We're admonished to "take it easy" on our jobs and so now here we are, in the automotive industry at least, in the position of having lost 20 percent of our market - because we haven't been very bright. It doesn't seem logical that our once shrewd leaders in that industry all dozed off and woke up only to find that they had guessed dead wrong and that our energy, problems had developed all at

## SCHOOL FACES BUDGET CUTS

by Sandra Volentine

Manchester Community Schools face a budget deficit of approximately \$30,000, Superintendent Eugene Thompson told the school board at its meeting Monday night, January 21. The Superintendent said that slashes in equipment and supplies would not balance the budget and the board must consider eliminating some school programs.

Heat controls in the middle school and roof insulation for the high school gymnasium will not be installed because of the budget shortfall. Thompson recommended, and the board approved, a special meeting, Monday, January 28, at 8 p.m., to look at budget cuts.

Thompson reported that the State Municipal Finance Commission approved Manchester schools' request to borrow \$200,000 against tax dollars to be collected. He hoped, however, the loan would not be necessary, and expects to know by February 6 how much money will be available to the schools.

The board voted to seek bids for two new buses, a 66-passenger replacement bus for regular service, and a 36-passenger bus for the special education program. The latter is necessary, said John McGuire, Assistant to the Superintendent, primarily for the additional students brought in by the Kinship Homes. Kinship Homes are group residences for the handicapped that do not require institutionalization.

The 66-passenger bus will cost approximately \$20,000, and the 36-passenger one, \$14,000. The school district is reimbursed for 66% of the cost of transportation for the special education program.

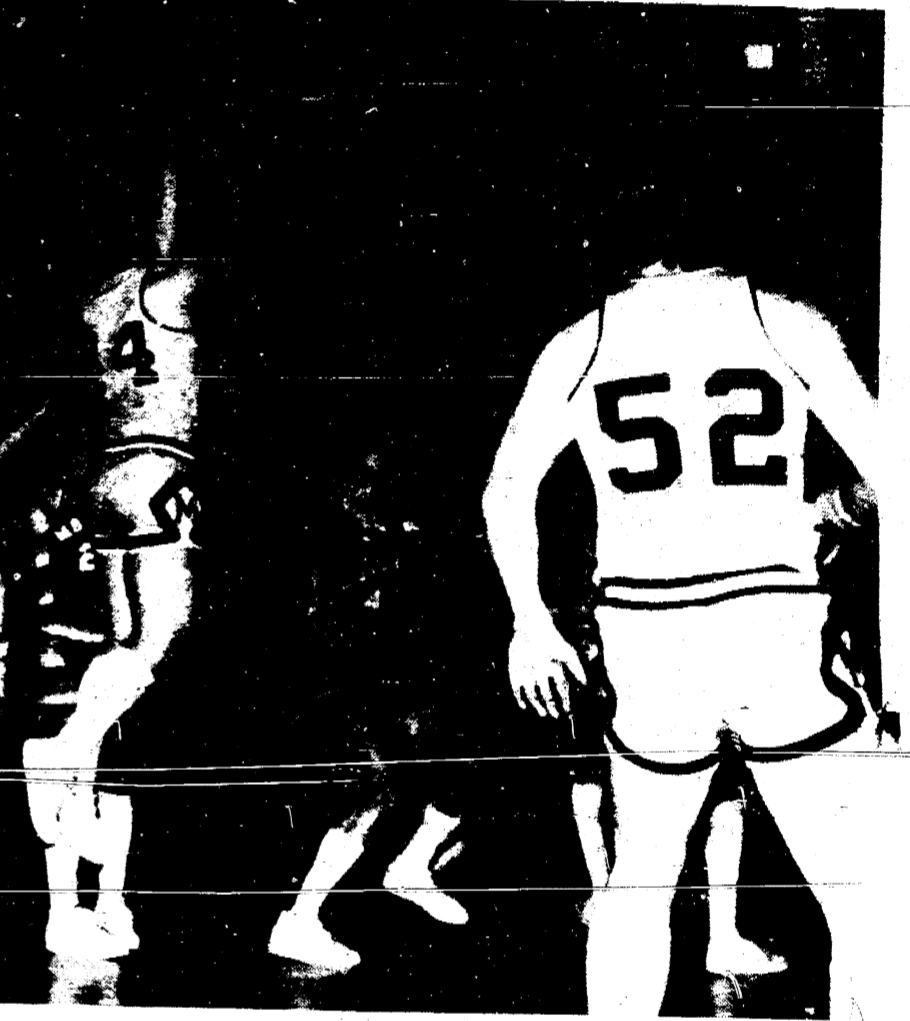

Paul DuFresne was concerned that the placement of the Kinship Homes was not coordinated with bus routes to lessen the impact on the school district. Corliss Mick said the lack of consultation with school districts by the project was a county-wide problem.

Thompson asked for board approval to allow Senior Citizens the use of a school bus, and the Washtenaw Intermediate School District the use of the specially modified bus for special education field trips. Jim Walkover thought allowing the use of the buses would be too costly to the district. Thompson said that fuel, driver salary, depreciation costs, and administrative overhead would all be included in the contracts for the use of the buses, so that there would be no cost to the school district. James Curley and George Macomber were still concerned that the additional use would contribute to the buses being worn out prematurely. William Bunney questioned the increased use of the special bus in light of the request to purchase a new bus for the special education program.

The board also approved early graduation for four students. Ms. Mick said that she was concerned that the curriculum was not sufficient to provide

## Dutch Roundballers Have A Bad, Sad Week

Varsity action Friday. High Scorer-Nick Krzyzaniak fires in 2 of his 16. Photo by Jon Hardenbergh

On Tuesday, we trekked to Pantherland where Addison came away winning both contests. Wednesday evening word spread that Varsity member Troy Waldon was critical, following an auto accident. In the games Friday, the Little Dutch got dumped by Morenci as the Varsity Bulldogs nipped us by one.

Unfortunately I didn't get to Addison, so don't know what happened. In the first match of the night our J.V.'s fell by 16, 69-53. In the Varsity battle we did hold the lead after 8 minutes of play 17-10 and despite the Panthers out-scoring us in the second period we still controlled 28-24 at halftime. It was this, the third period, when Addison got their act together enough to take a point edge into the final stanza. We did fight back to tie the score at 1:23 but the coach told me the lack of concentration enabled the Panthers to forge ahead and win 60-56.

On Friday, our J.V. squad fell behind by 11 at intermission 37-26 and just couldn't hit in the third period to go down by 16, 50-34 with 8 minutes left. Well, we did get hot but it proved to be too late - at 4:06 we pulled to 13, 61-48 and at 2:36 we stood ten short 64-54. The rejuvenated Little Dutch finally sensed we could over-take so clamped on a press to steal and forced Morenci to throw wild, turning the sphere over again so at 1:17 it was 64-57. Unfortunately we turned it over and they fired to go up 9 but back we came. A free throw sank at :27 to inch us closer, 66-60 but several missed shots ended it 68-60.

Emotion ran deep as we dedicated this contest to our teammate and friend Troy. We out-scored them in the opening 8 minutes 14-11 but the bulldogs started

dumping leather to take the lead 18-16 at 6:09. We came back to recapture the edge and Jeff Geiger canned to make it 20-17 at the 5 minute mark. Morenci grabbed it back 23-22 at 3:00 but Nick Krzyzaniak hit 2 freebies to change it to 24-23 our favor. The Bulldogs just dribbled down and hit at 2:38 to lead and we turned it over to them twice to enable them to go ahead 5. After swapping buckets the half arrived with us down 5, 31-26. We played them bucket for bucket for quite some time so they held their 5 point cushion but at 2:40

### LETTERS TO THE EDITOR

During the dark early morning hours of Saturday, January 5, 1980, one of our community homes was riddled with gunfire. Over one hundred bullets hit the house, ripping through walls, doors and windows. The three residents, inside their home, miraculously escaped injury.

Sounds like the beginning paragraph to a mystery novel doesn't it? Well, think again folks, for it happened right here in our "friendly" little community of Manchester and I for one, think its time for some house cleaning!

The two gunmen returned to a local high school boy's apartment after the shooting to resume their "party". There were eighteen of our children still at the

"party" at 3:00 a.m. and two of them were arrested on an attempted murder charge, by our local police.

The drug problem in this town, amongst our children, is totally ridiculous! I was agape with shock when I first moved to this community and decided to talk with some of my neighbors and friends about the problem. They all seemed aware of the problem but really didn't seem to give a damn. One parent, I remember in particular, gave me quite a lecture on trusting your children. At that time I believe she had a fifteen year old daughter who ran the streets at will, but who was always "at a friends house". Sure enough, there she was at 3:00 a.m. at a friends house and could be heard loud and PROFANELY clear, protesting the intrusion, of our police.

Trust our children? Do they trust our decisions to say "No" on certain matters? Or do you get alot of whining and crying and finally give-in? Respect? Do you respect people that you out-smart regularly? Neither do your children!

We have un-wanted "scums" wandering the halls of our schools, peddling their "goods" to our children. Some of them have already served time in State Penitentiaries. Why are they allowed in our schools? I asked one of our school officials if he had ever seen these "scums" in our school and he replied that he had and on SEVERAL occasions had ASKED them to leave. Our local police have NEVER been called to remove an unwanted trespasser from our schools!

I ask you...what is our community and our school system coming to? Do you know our children are smoking joints (marijuana), popping pills, buying hashish (narcotic) and snorting coke (cocaine) in our schools and on our streets, on a daily basis? What will be next when these drugs fail to give them the "high" they crave so much?

We knock our schools, and yes they need help, but how do you react, as a parent, when poor innocent little Johnny does a naughty in school and is punished by one of our mean, un-fair, nasty ole teachers? It's hard to turn against poor

little Johnny and believe that he could do anything wrong, isn't it! And I ask you...how can teachers teach a classroom of children who have no manners, no respect; who have had their morning joint or two and are too busy planning their noon hour fun to pay much attention to a silly teacher who is rattling on about a subject they don't understand or care about anyway?

Come on parents, teachers, concerned citizens and students...lets do something NOW before it's a Hit and not a Miss!

Any suggestions, replies, or information can be sent to Gen. Del. P.O. Box 100, Manchester, Mich. 48158 and will be kept in strict confidence!

To All Interested Citizens and Concerned Parents:

There has been much discussion over the past months regarding our schools' budget and potential program cuts.

It was decided at the Board Meeting, Monday, January 21, 1980 to hold a special Board Meeting Monday, January 28, 1980 to consider the Superintendent's recommendation for budget and program cuts. Some of these recommended program cuts may be effective Spring semester 1980.

We would strongly encourage those parents and citizens with interest and concerns in this area to make an effort to be present at this Board Meeting.

Harold and Patricia Settles

Formerly of Manchester died Sunday, January 20, 1980 in the University of Michigan Hospital.

She was born in Manchester, the daughter of John and Johannah Braun Kensler.

She was married to Harold Watson on November 7, 1936. He preceeded her in death on November 28, 1957.

Mrs. Watson was a member of Emanuel United Church of Christ in Manchester.

She is survived by one sister, Mrs. Lillian Bennett of Akron, Ohio and several nieces and nephews.

She was preceded in death by five brothers and two sisters.

Funeral services were held Tuesday, January 22, 1980, 1:30 p.m. at the Jenter Funeral Home. Rev. Robert Macfarlane officiated. Burial followed in Oak Grove Cemetery.

### Volleyball

Manchester was host to the Morenci Bulldogs Volleyball team last Thursday. The young varsity team gave the Dutchmen a good match with Manchester winning 2-1 in games 15-9, 8-15, and 15-6.

The Dutchmen were led by Susan Ahrens with 12 serving points and Deanna Clark with 11 points. The serving was followed with good net play by Susan Ahrens leading all spikers with 10. Carol Rose and Deanna Clark with 8.

The J.V.'s took Morenci in two straight games 15-1 and 15-3.

They were led by Karen Dulle with 16 serving points, Jackie Drouare with 6 spikes and Linda Rose led the team in assists.

Monday night the Volleyball team had a home match against the Stockbridge Panthers. The Panthers were a improved team, coming into the match with the Dutchmen 8-4. Stockbridge won the first 15-12 and to see the Dutch come back with two good sets 15-5 and 15-9 to win the match 2-1. The leading scorers for the Flying Dutchmen were Susan Ahrens and Sula Jeffers with 14 and 7 points respectively. At the net Carol Rose and Kathy Kidd came through with 12 and 8 spikes that were set to them by Sula Jeffers with 17 assists and Nancy Egeler with 9.

This gives the Dutch a record of 5-1 and 3-0 in league. They will take this record to Addison, who has only one setback for the season, on Thursday.

The J.V.'s came through with another

2-1 win over Stockbridge in sets of 15-3, 8-15, and 15-3. The leading scorers were Jackie Drouare 11 points, Karen Dulle 7 points, and Linda Rose 6 points.

Both setters turned in a good night with Linda Rose leading with 8 assists and Kari Agin with 7. Carrie Rice and Alicia Soegert played a good match at the net as leading spikers.

### Hit or Miss

once and caught us napping. And it doesn't seem very bright that the union have asked for more and more wages that, of course, had to be added to the cost of the product until we priced ourselves out of the world's market.

I don't think one has to be a professor of economics to figure out what happened to many of us. The worker has lost sight of the fact that the profit motive is the basis for our whole economy. We just don't get something for nothing and we are going to have to get back to the fundamentals if we are to survive.

Management needs its representatives and labor needs its unions to accomplish this-to logically plan our future-one which will benefit each equally it can't work otherwise. In a few places this has been already done-very successfully. These representatives must be chosen for their honor, honesty and good old common sense to settle our economic problems. It won't be done by a bunch of idealistic self-centered politicians. Let's get started now.

The cooperation shown by the action taken regarding Chrysler seems to us to be an excellent example of what can be done when we think that we have to do so. Labor, management and our government must be fair and honest with each other-all three of them for a change.

In the early 1980's many of us were selling apples on the street corners, if you remember or have heard, I'm not worth a damn at selling apples, are you?

J.V. action Friday. #32 Randy Day game. Photo by Jon.

Jeff rebounded a missed free throw by Nick to cut it to 3. Morenci walked with the leather so Brian Broucek shot, no good, but Tom Malcolm grabbed it and went up. Glancing at the scoreboard told me we trailed by only 1, 38-39. Morenci came down but Nick pressured them to

get a jump—he won the jump and Brian shot—BINGO—we led 40-39 at 1:21. Another Bulldog error gave us possession and Nick spun it home with 20 seconds left to put us atop 42-39. This is what the tally was after three periods of play. Correction—we did rebound a missed Bull-

dog shot and started a fast break with Jeff missing at the horn—wait—Denny Helfrich was fouled so shot 2, sinking both. Crack out the History book and change the score, 44-39. Someone put a lid on our basket so Morenci knotted it 44-44 at 4:40 and upon stealing and scoring went up 2 at 4:26. Brian and Denny

popped back to back to pull us ahead 48-46. As the clock ticked under 2:50 we missed 3 shots from the field as Morenci came down but took steps. We went down and tom put it in but the zebra said NO so Morenci worked it in at 2:04 to tie, 48-48

**AGRICULTURE IN ACTION**  
MICHIGAN FARM BUREAU

**A SENSITIVE UNCLE SAM**

Our government is getting more and more worried about what you think. After all, this talk about a bloated and inefficient federal bureaucracy is getting out of hand. It might cause some folks to lose their jobs if the voters get mad enough. The answer? You got it...spend more money to "educate" taxpayers.

In Dallas, Texas, at the state fair in October, right among the jams and jellies and livestock, and right beside the normal commercial exhibitors, there was Uncle Sam. The Census Bureau was there; so was the Federal Highway Administration, and a whole bunch of others. A local TV news team interviewed some of the exhibitors there and the results were quite interesting...

The consensus seems to be that Uncle Sam is getting downright sensitive about all this bad publicity. The idea of a bunch of overpaid, under-utilized federal employees is not a popular one. The Dallas exhibit, which is just a smidgen of the multi-million dollar P.R. effort on behalf of our federal government, is evidence that our government has indeed heard that Americans are getting mad.

Without a doubt, we do have hard working and dedicated civil servants and all too often they are overshadowed by the fraud, corruption, and inefficiency that we have come to expect from the feds. Still, the bureaucrats would rather change our minds about who is doing what to whom, than clean up their somewhat shady act.

We did not develop an uncontrollable federal bureaucracy just like that. It took time to get an Energy Department that has a budget greater than the profits of all the major oil companies and still not be able to show any positive results. It took a while to develop a very aggressive Environmental Protection Agency that stifles production of both food and energy. No, we did not arrive at that overnight. Neither will any sort of public relations effort make us forget it quickly.

**Senior Citizens Meals**

Senior Citizen Meals are Tuesdays and Thursdays of each week at Emanuel United Church of Christ dining room. The menu for Tuesday, January 29 is: Meat Loaf, Potatoes, Vegetable, Fruit, Roll and Butter, Dessert and Coffee, Tea and Milk.

On Thursday, January 31, they are serving: Macaroni and Cheese with Ham, Vegetable, Roll and Butter, Dessert, Coffee, Tea and Milk.

Make your reservation at the church office, 428-8359 or with Mrs. Kerr at 428-7420.

**The 1980 Monte Carlo.**  
One beautiful car.

For 1980 Monte Carlo has newly refined, elegant styling. Its sculpted body has a bold new grille and new dual rectangular headlights.

Take a look at these additional impressive standard features for 1980:

- Automatic transmission
- Power steering
- Power front disc brakes
- Steel-belted radial ply tires.

Monte Carlo now offers a new turbocharged V6 engine. This engine is available on all models and provides up to 32% more power on demand.

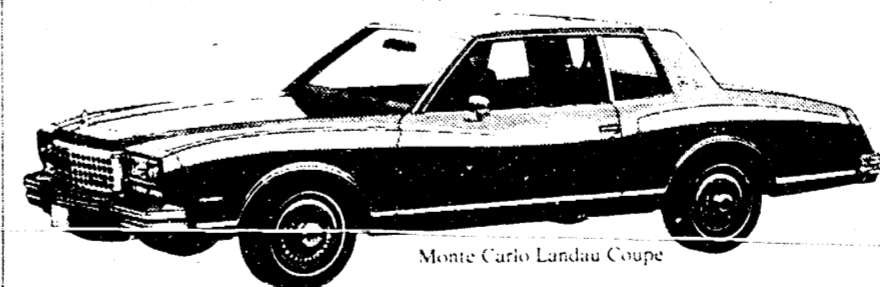

There's a standard 3.8 Liter V6 engine with an EPA estimated 19 MPG; 26 MPG estimated

highway mileage.

Remember: Compare the EPA estimated MPG to the estimated MPG of other cars. You may get different mileage depending on speed, trip length and weather. Actual highway mileage will probably be less than highway estimate.

Chevrolets are equipped with GM-built engines produced by various divisions. Ask a salesperson for details on this and on Chevrolet's new three-year limited warranty against perforation (rust-through) due to corrosion.

The 1980 Monte Carlo combines comfort, quietness and value in a personal luxury car.

Now available with turbo charged V6 power. See the exciting New Monte Carlo here.

**School Faces Budget Cuts**

four full years of classes to these students. Principal Jim Kappler said there are enough courses, but past practice has been to allow mid-year graduation for those having the required credits, and he thought now was not the time to tell the students that the practice was changed. James Curley said he understood that the last time the board approved early graduations that the board also recommended a policy of discouraging the action. Subsequently, Mr. Mick asked that the Superintendent prepare an administrative proposal by June 3 to eliminate the practice of mid-year graduations in the future.

The board approved the hiring of Matthew Willey as the High School math teacher, and of Teri Jeffries as an elementary teacher of the emotionally impaired. Thompson further reported that a physics teacher from Chelsea has been employed to teach the physics class on Wednesday night, for a flat fee of \$1,000. This measure was taken when no one could be found qualified to teach both math and physics, and the present situation will last until June. Fourteen students attend the three-hour evening class.

Superintendent Thompson presented an outline of his management priorities for the remainder of the school year, and the actions he will take to meet his stated goals. Developing and writing a policy manual for the Manchester Community Schools, covering community relations and administrative, business and personnel operations, and conducting a curriculum needs assessment for all grades for use in curriculum development are his goals. To achieve these he will contact other school systems, seek advice from university consultants, review past board materials, and conduct a testing program, the latter to cost approximately \$1,600. The board gave Thompson's objectives their approval.

**National Honor Society Induction**

Eighteen students from Manchester High School will be inducted into the membership of the National Honor Society in an 8:00 p.m. ceremony in the high school library on Tuesday, January 29th. This is the third year of the Manchester chapter of the National Honor Society. All parents, students, and community members are invited to attend.

Members were selected by a faculty council consisting of five teachers and the principal, for meeting high standards of scholarship, service, leadership, and character. Only juniors and seniors are eligible for membership.

Students to be inducted are: Susan Ahrens, Theresa Ames, Tony Day, Lori Lochey, Teresa Soegert, Steve Spornycki, Robin Wellman, Kim Bristol, Brian Broucek, Carol Buss, Laurie Fitzgerald, Karl Gregerson, Nick Krzyzanski, Tom Malcolm, Kyle Norgaard, Karl Sauter, Mike Schabbe, and Lori Voegeding.

The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students. Chapters exist in three-fourths of the nation's high schools and, since 1921, more than six million students have been selected for membership. More than two million dollars in scholarships have been awarded to senior members since 1945 by the sponsoring organization, the National Association of Secondary School Principals.

### Manchester Township Board

These are the PROPOSED SYNOSES of the minutes of the Manchester Township Board held at the Village Hall on Monday, January 14, 1980 at 8:00 p.m. (Complete proposed minutes available at Township Office)

Board members present were: Burch, Fielder, Lentz, Macomber and Widmayer. Absent, none.

Minutes of Bd. meeting 12-18-79 read and approved. Library minutes 11-5-79 and 12-3-79 approved as submitted.

Treas. reported \$11,895.00 in General Fund. Also passed out 3 month financial statement.

Bills paid since last month presented and put on file.

General Fund bills totalling \$2,899.52 approved to be paid by a unanimous roll call vote. (Enter John Hinkley 8:20 p.m.)

Resolution offered by Widmayer and supported by Macomber to amend the Federal Revenue Sharing budget as follows: \$825 to Dial-A-Ride from Misc. Roll call vote: Yeas, all. Carried.

Approved payment of Federal Revenue Sharing funds for Dial-A-Ride for \$825.00 and Federal Revenue Sharing Advisory for \$35.00. Roll call vote: Yeas, all. Carried.

Resolution from Burch and supported by Macomber to transfer \$98.00 from the General Fund to the Liquor and Law Fund, to be reimbursed at a later date, and to pay Earl R. Alber \$57.00 for reimbursements for the summer he attended from the Liquor & Law Fund. Roll call vote: Yeas, all. Carried.

Resolution presented by Macomber to transfer \$49.00 that had been temporarily deposited in the Fire Station Savings to the General Fund and pay KDE Corporation \$152.55 for two more papers for the fire department. Roll call vote: Yeas, all. Carried.

John Hinkley, architect, brought the Board up to date on the progress of the Fire Hall. The warning signals should be here by the end of February or the first of March. He explained three options for the radio antenna. Moved by Burch and supported by Widmayer to accept the one on top of the hose tower, approximately 17' directly out of mid-point on the hip roof and put sleeve approximately 5' high so it can be slid down inside the hose tower if there are problems. All yeas, carried.

Moved by Widmayer and supported by Macomber to approve the addition to the contract of Wacker-Tushill to install 6" tee at the existing 6" water main in lieu of the 4" as specified. Roll call vote: Yeas, all. Carried.

He also announced that the carpeting that was tentatively selected has risen in price to \$3723. He is to contact Lodi

Furniture and get back to the Bd. so that the carpet can be ordered by January 21. Much discussion ensued and Mr. Hinkley left at 9:10 p.m.

Moved by Resolution offered by Widmayer and supported by Macomber to transfer \$1235.00 from the fire station checking account to the Special Housing Savings for reimbursements of monies paid to have the site surveyed and to reimburse the General Fund for \$653.96 for various bills spent on the fire hall prior to receiving the bonding money. Roll call vote: Yeas, all. Carried.

### Church Unity Service Sunday, January 27

On Sunday, January 27th, people of all the Church Congregations in the Manchester area will assemble at St. Mary's Church for Church Unity Day Services. This is an Annual Service in which the clergy and the people of the various congregations meet in the great cause of Church Unity. The speaker will be Bishop Kenneth J. Povish, the Bishop of the Diocese of Lansing. Each year the services are held at a different church. Greater harmony and respect has come about because of these prayerful meetings. It is hoped that by such goodwill and through such combined prayers all Christians may one day worship as a United Family of Christ. The people of St. Mary's are looking forward to hosting the Ecumenical Service and join with all the clergymen of the various congregations in welcoming the people of this community. The time of the January 27th Ecumenical Service is 3:00 p.m.

# REGISTRATION NOTICE

## VILLAGE ELECTION Monday, March 10, 1980

FOR THE QUALIFIED ELECTORS OF THE VILLAGE OF MANCHESTER PRECINCT NO. 1 AND 21 COUNTY OF WASHTENAW, STATE OF MICHIGAN

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Clerk, will upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the names of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT MY OFFICE

Monday, February 11, 1980 - Last Day

FROM 8 O'CLOCK A.M. UNTIL 8 O'CLOCK P.M. THE 30TH DAY PRECEDING SAID ELECTION

As provided by Section 438, Act No. 116, Public Acts of 1954 As Amended.

128 Riverside Dr., Manchester, Mich

For the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

### ELECTOR UNABLE TO MAKE PERSONAL APPLICATION\* PROCEDURE

SEC. 504. Any elector who is unable to make personal application for registration because of physical disability or absence from the Township, City or Village in which his legal residence is located, may be registered prior to the close of registration before any election or primary election by securing from the Clerk of the Township, City or Village in which is located his legal residence, duplicate registration cards and executing in duplicate the registration affidavit before a notary public or other officer legally authorized to administer oaths and returning such registration cards to the Clerk of the Township, City or Village before the close of office hours on the last day of registration prior to any election or primary election. The notary public or other officer administering the oath shall sign his name on the line for the signature of the registrant and designate his title.

### UNREGISTERED PERSONS NOT ENTITLED TO VOTE

SEC. 491. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the Township, Ward or Precinct in which he offers to vote. [As provided under Act 116, P.A. 1954.]

### TRANSFER OF REGISTRATION, APPLICATION, TIME

SEC. 506. A registered elector may upon change of residence within the Township, City or Village cause his registration to be transferred to his new address by sending to the Clerk a signed request, stating his present address, the date he moved thereto, and the address from which he was last registered, or by applying in person for a transfer. The Clerk shall strike through the last address, ward and precinct number and record the new address, ward and precinct number on the original and duplicate registration cards, and shall place the original registration card in proper precinct file. Transfers shall not be made after the 30th day next preceding a regular or special election or primary election, unless the 30th day shall fall on a Saturday, Sunday or legal holiday in which event registration transfers shall be accepted during the following day.

### TRANSFER OF REGISTRATION ON ELECTION DAY

SEC. 507. Any registered elector who has removed from one election precinct of a Township, City or Village to another election precinct of the same Township, City or Village and had not recorded such removal with the local Clerk shall execute a transfer of registration request, stating the new residence address thereon over his signature, with the election board in the precinct in which he is registered at the next ensuing primary or election. The inspector of election in charge of the registration records shall compare the signature thereon with the signature upon the applicant's registration record and, if the signatures correspond, then the inspector shall certify such fact by affixing his initials upon said request. The applicant for transfer, after having signed an application to vote as provided in Section 523 of this act, shall then be permitted to vote in such precinct for that primary or election only. The application for transfer shall be filed with the Township, City or Village Clerk who shall transfer such voter's registration in accordance with the application. When the name of any street in a Township, City or Village has been changed, it shall be the duty of the Township, City or Village Clerk to make the change to show the proper name of street in the registration records, and it shall not be necessary for the elector to change his registration with respect thereto in order to be eligible to vote.

DEALORIS E. RICHARDSON\* VILLAGE CLERK

### Senior Citizens

The Manchester Senior Citizens in cooperation with the Community Education Department will present an important program for senior citizens on Wednesday, January 30 at 1:30 p.m. in the Emanuel Church hall. Susan Hartman from Legal Services of Southeastern Michigan will present the Michigan Senior Citizens Law Program. The program will cover the federal and state programs to insure income and health care in retirement. These include Social Security, Supplemental Security income, Medicare, Medicaid and others. Taxes and tax benefits, nursing homes, guardianships, consumer issues and wills and property disposition will also be discussed. The Michigan

Senior Citizens Law Program serves residents of Washtenaw County 60 or older. If you are living on a limited, fixed income, their services are available to you without cost. If you are beyond established income guidelines, they will answer your questions and refer you to other agencies and attorneys when you wish. Plan to attend this informative program.

### Career Opportunities For Women

With so many women returning to the work force whether it be for personal or financial reasons or thru divorce or widowed there are many concerns and questions that have to be answered. With

this in mind, the Community Education Department is presenting a special program for women only, entitled, "Career Opportunities for Women". Gwen Arnold from Washtenaw Community College will be presenting this program to women who want to look at the options available to them when they return to the work force or are considering making a mid-life career change. The program will be held at 7:00 p.m. in the high school library on Wednesday, January 30th. There is no charge to attend. If you are planning to return to work, don't miss this important presentation.

### Valentine Baby Contest

The Manchester Jaycee Auxiliary is sponsoring a Valentine Baby Contest for children under the age of five. Parents are asked to mail snap shot pictures of the children they wish to enter to: Manchester Jaycee Auxiliary, P.O. Box 314, Manchester, Michigan 48158 or drop off pictures to Baker's Dozen no later than Saturday, January 26. Pictures need name, address and phone number on back. Pictures can be picked up after the contest at Baker's Dozen.

### Corliss Mick Appointed To Governor's Council

Mrs. Corliss Mick, the first woman president of the Manchester Community Schools Board of Education, has been appointed to the Governor's Council on Right to Read by Gov. William Milliken. The appointment is for a one year term.

Mrs. Mick was nominated for the position by the Michigan Association of School Boards. She is also a member of the MASA Education Committee, and the Board of Directors of the Washtenaw County School Officers Association.

She has indicated that she is anxious to begin work with the Governor's Council. The intent of the Right to Read program is to insure that every student in Michigan is provided with the maximum opportunity to master reading skills.

The canisters will be in the Union Savings Bank Monday, January 28 thru Saturday, February 9th. People may vote for their favorite baby by placing their change in the canisters - each penny equals a vote. Contest ends February 9th. The winning baby will receive a \$50.00 Savings Bond and will have his/her picture in the Enterprise for Valentine's Day. A prize will also be awarded to second place winner. Proceeds from the Contest will go towards Community service projects.

### Senior Citizens

Our next meeting will be held on Wednesday, January 30 at 1:30 p.m. at the Emanuel Church.

Our speaker will be Susan Hartman, who will inform us on various legal matters. Please attend this important meeting.

As little as \$100 earns double digit interest at Ann Arbor Bank and Trust.

- Ann Arbor Bank and Trust wants everyone to benefit from a change in federal banking regulations. Effective Jan. 1, 1980, we are able to issue new high-interest 30-Month Certificates of Deposit. At Ann Arbor Bank and Trust, the minimum deposit required is only \$100. Saving, an American tradition, now makes more sense than ever.
- Interest is compounded continuously and guaranteed for the term of your investment.
- Interest rate on new certificates is set each month and remains the same for the certificate's term.
- Term of the certificate is 30 months.
- Renewable automatically at the rate in effect at maturity.
- With a certificate of \$2500 or more the interest earned may be deposited directly into your Ann Arbor Bank checking or savings account.

Village Financial print-out for the month of December was reviewed.

Hinkley reported Carol Sullivan of the office of Downtown, U.S.A. Planning Consultant had attended the Manchester

Planning Commission meeting held January 2, 1990. Discussion was on finding where Industrial Area is available and the need in Village. He also reported there was no room for business in Central Business District. Mr. Tim Noworyta of the Washtenaw County Planning Commission will attend the January 21, 1990 meeting for discussion on the Central Area Planning Improvement.

Petsch reported the Village Attorney had sent a letter to a resident on arrears on water bills.

DuRussel reported a meeting would be held on Ordinance Fees for a different fee structure.

Moved by Reed, supported by DuRussel to donate \$75.00 to the Manchester Schools Art Class to help defray cost of supplies for Christmas Window Decorations. All yeas, carried.

A letter McNamee, Porter & Seeley had sent to Mr. William Bradford of the Michigan Dept. of Natural Resources was

presented. It is their understanding that the Michigan Dept. of Natural Resources has determined that 3 proposed conventional gravity sewers are eligible for grant support. It also indicated the Dept. of Natural Resources expects to certify the Village of Manchester Step 2 grant application in June, 1990.

A Primary Election will be held February 18, 1990.

A letter from Attorney Gistinging was presented concerning the Manchester Plastics Industrial Development Exemptions application and Don Limperts waiver of fees. Mr. Gistinging has reviewed the various materials relative to Mr. Limperts claim that he is entitled to a waiver of all fees, past, present and future; regardless of amount. It is the opinion of Mr. Gistinging that Mr. Limpert is entitled to only the \$1,826.00 as previously determined by the Council in 1977. It is the decision of Council to invoice Mr. Limpert for tap-in fees, material and labor for work done at the Mill Pond Apt.

# Financial Aid Reminder

additional cost. If you're interested, please call Barbara Lund at 428-7442 to register.

For seniors in high school planning on a further education and for college students, it is that time of year again. Financial aid forms are due soon. In general, the earlier these forms are mailed in the better the chance of obtaining some type of financial aid. Also, the earlier you mail them in the sooner your family will find out where you stand in the confusing financial aid picture.

Seniors who are eligible for the Michigan Competitive Scholarship must have their forms mailed in by January 31 to remain eligible for this scholarship. College students who already have this scholarship have a deadline of March 15 to receive it for another year. For those who are not eligible for the Competitive Scholarships there is no absolute deadline but money is awarded on a first come first serve basis.

If you find you do not qualify for any types of financial aid still feel you cannot afford the amount of money needed for college, contact your local bank. You can apply for a Guaranteed Student Loan (GSL) through them. If you are confused or have any questions about the financial aid process contact Mr. Richard Parson at the high school.

### News Of Good Things Growing

Even though popcorn was served at the first American thanksgiving, the popcorn business started 'popping' when moviegoers discovered popcorn and movies were a great combination. Today, popcorn is sold in 50 percent of all movie theaters.

About 85 percent of all popcorn is consumed at home, and is a favorite snack for dieters. Two cups of popcorn contain only 170 calories!

Americans consume approximately 400 million pounds of popcorn each year, with more than 7.2 million pounds produced in Michigan, according to the Michigan Department of Agriculture. Our state is ninth in the country in popcorn production.

Here are some tips for popcorn connoisseurs on keeping and fixing this snack treat:

Store kernels in tightly sealed jars, preferably in the refrigerator. Inside each kernel of popcorn is a tiny measure of moisture. When the temperature is just right, this droplet turns to steam, builds up and explodes 30 to 40 times its original size. Lack of moisture in a kernel can keep it from popping. If this happens, sprinkle on one tablespoon of water for each quart jar of popcorn, tighten the cap and shake it. Then let it stand for a few hours.

For a different snack, try seasoned popcorn. Combine one package onion soup mix, one-half teaspoon each garlic salt and hickory smoked salt, one teaspoon seasoned salt with one-half cup melted butter. Pour over the popped corn and stir.

Cocktail popcorn is prepared by mixing one-third cup butter with one and one-half teaspoons salt, one small minced garlic clove and one-fourth cup minced chives. Pour mixture over popped corn and toss.

**Manchester Village Association**

The Manchester Village Association held its monthly meeting on Wednesday, January 9, 1980 at 7:30 p.m. Chairman, Don Limpert, called the meeting to order and the following subjects were discussed:  
**COMMITTEE REPORTS**  
Community Demographic Survey - Jim Scully received and reviewed a brochure from Madison, Indiana that he believes could be a workable pattern for information on Manchester. Two or three volunteers are still needed to assist in gathering information for the Manchester survey. Interested persons should contact Jim Scully.  
Historic District Study Committee - Don Limpert reported that this committee was going to begin a survey of structures regarding the feasibility and legislation. Volunteers will be needed to assist in this field work.

Washtenaw County Planning Commission Survey - This commission is conducting a survey through the Village Council of the central business district and how it may better serve the community.  
Guest Speaker - At the February 6th meeting a representative of the Kinship Homes Program will be present to explain their function and program.  
Old Business - The 1980 Manchester Street Art Fair was briefly discussed. Chairpersons are needed for the on-going project committee and the Street Fair. Interested persons should contact Jacques Crandall at the Black Sheep Theatre.  
Sharon Hollow Bridge - Road commission personnel will be present at Sharon Mills Antiques January 18, at 12 noon, to discuss the expressed concern about saving Henry Fords original stonework.  
Round Table Discussion - Realistic goals for the future of Manchester were the topic of this discussion. The following goals were suggested and discussed:

1. Measures to keep the local economy vital through a possible on-going recession.
  2. Where community growth should take place.
  3. Creation of a historical district.
  4. The utilization of second story floors on the north side of Main Street.
  5. The creation of a sense of community with surrounding townships.
  6. The repair of township roads.
  7. To strive to fulfill the needs that other organizations are not meeting.
  8. To function as a liaison group with other community groups concerning problems and possible solutions.
  9. To continue with the river clean-up project.
  10. The preparation of maps and brochures for newcomers to Manchester.
  11. The creation of a clearing house to disseminate information about available social services.
- The next meeting of the Manchester Village Association will be February 6, at 7:30 p.m. at the Maernstube. Any interested persons are welcome to attend.

**Klagger School P.T.O.**

On January 10, the Klagger School P.T.O. held their second meeting of this year and had as a guest speaker Dr. Eugene Thompson, Supt. of Manchester Schools. Dr. Thompson presented a short talk about the role of the Modern Elementary School and discussed the importance of cooperation between the home and the school. He then answered questions from the group about our Manchester Schools.  
One of the suggestions that was made during the business section of this meeting involved the possibility of parents meeting at the school periodically to work on making some teacher-suggested games for use in the classrooms. Everyone present seemed to think that this was a worthwhile project and so, on Monday, January 14 at 8:30 p.m. thirteen parents met in the Library at Klagger School to work on projects.  
Because this first workshop was such a success, the P.T.O. and the staff at Klagger School have decided to schedule these workshops on a weekly basis. Every Tuesday morning between 9:00 and 10:30 a.m. any interested parents are invited to meet in the Multi-Purpose Room at Klagger to help make games and activities for use in the classrooms. A co-op Nursery for pre-schoolers will be provided during these workshops at the United Methodist Church, next to the school. Anyone interested in this project, but unable to attend the next workshop should contact the school at 428-8321.  
The next meeting of the Klagger P.T.O. is scheduled for Thursday, February 21 at 7:30 p.m. at Klagger School. Our speaker at this meeting will be Mrs. Joan Bios, lecturer in the Early Childhood Education program at U of M and a published author of three books for young children. Mrs. Bios will speak on the topic "What to Look for When Selecting Books for Your Children".  
Please mark this date on your calendar and plan on joining us.

**Summer Jobs For Youths**

The Michigan Youth Conservation Corps (YCC) sponsors a summer work-learn program for youth of all races, all incomes, both sexes, ages 15-18. It is an opportunity for young people to be in the outdoors while gaining valuable work experience, and learning about natural resource management and Michigan's cultural heritage.  
There are projects throughout the state and all are co-educational. Enrollees will be selected at random from completed applications. There are both residential (live-in) and non-residential (live at home, commute to work) projects but youths greatly enhance their chances of selection by indicating they will attend either a residential or a non-residential project.  
The deadline for applications to be sent in is March 1. They can be picked up at the high school guidance office.

**Card of Thanks**

Our sincere thanks to all who remembered us by prayers, cards, and flowers at the recent death of Bill's father, Harlow Courtright. Especially to our Christian family at Victory Baptist Church and to the Bill Parkers. May God reward. Bill & Helen Courtright

Many thanks to my relatives and friends for the beautiful cards, flowers, and calls while I was in the hospital. It was greatly appreciated.

Ray Haselschwerdt

I would like to thank the Womens Guild and the American Legion for the plants they brought at Christmas. Also to Rev. Macfarlane and the carolers for the fruit. It was very much appreciated.

Frieda Ahrens

I wish to express my deep appreciation for the kindness shown me during my recent illness. Also I want to thank the nurses and doctors at the Saline Hospital for all their kindness. To all my friends for their prayers, visits, flowers and cards - all those who remembered me at this time - Rev. Sharai for his visits and prayers.

## HIT OR MISS by farley

When we sit down to write a column we have, at least in the back of our mind, a subject to be elaborated on something which we believe you too will be interested in. But then again like now, we find several apparently unrelated items which point in the same direction.

Too, we don't mean to always be fault finding with the various subjects that we come in contact with but the actions of our government bodies, at least as reported in the press, seem to be mostly tales of deficiencies rather than accomplishments. For instance yesterday we saw a report that the State of Michigan had begun sending out checks to those in lower income brackets to assist them in paying their utility bills for which the money was recently appropriated by the State. All of this was fine except that soon it was found that no research had been done and some 177 checks had been sent to folks who resided with other families or lived in circumstances where they paid no utility bills. Did you get yours?

And then in the same newspaper we saw a cartoon depicting an automobile assembly line with cars coming off labeled Chrysler, some with front fenders upside down and with various other errors in construction while standing beside it were two workmen one of whom is saying "It's good enough for government work".

It's too bad that various levels of government have attained such a lousy reputation but I'm afraid they've earned it. Their performances in various fields has been despicable but don't forget that they were elected to their supervisory positions by you-the voters. There's only one way to rectify present conditions-turn the rascals out-and as someone has said "Get another bunch of rascals."

Seems like a great many of the "commentators" in our press think that the 1970's were periods of decline. They report that nobody trusted anybody and wasn't this awful. I don't think that any of the chaps who wrote these articles are more than 25 years old and I have news for them, the world didn't begin when they first became "journalists". One writer said way back in the late 1700's, that no man's life was safe when the legislature was in session. In early New England all elective offices

## Dutch Blast Clinton

by Jon Hardenbergh

Friday was a night of anticipation as Coach Bartels said to me during the J.V. contest that he felt good and felt his varsity squad may just unleash tonight. Well, as the final buzzer sounded and the scoreboard showed us some 30 plus points ahead his prediction had come true. To a team of young men who have had some very close matches fall in the closing seconds and a teammate stumble it sure was something to see the look in their faces at the conclusion of the game. Unfortunately for me I had a torn eye-ball so departed rather quickly at the end. Please excuse the lack of pictures this week. As joy came to the Varsity over their win the Little Dutch were like-wise celebrating their victory.

The J.V.'s started the night with a bucket which was quite a long time coming as the clock showed 4:58 remaining in the period. The "Skins finally knotted this "high-scoring" match at 2:2 at 4:09. It did seem finding the hoop early for us ended our problems as we continued to tally 12 more but this sure wasn't Clinton's period. They kept missing so we sat atop 14-2 entering the next 8 minutes. We went up 16-2 then it so happened the lid went on our bucket as at the 4:09 mark they trailed by 3, 16-13. We then out-scored Clinton in this 2nd half of the 2nd period to end the half up by 5, 14-19. There's not much to say about the 3rd period as I tried to focus my eye and we controlled to be up 12, 36-24. Four minutes had ticked off in the final period and Clinton was not as they cut our 12 point lead to 4, 41-37. We called time to re-group and boy did it work-it was all Dutch again with the final being 53-39.

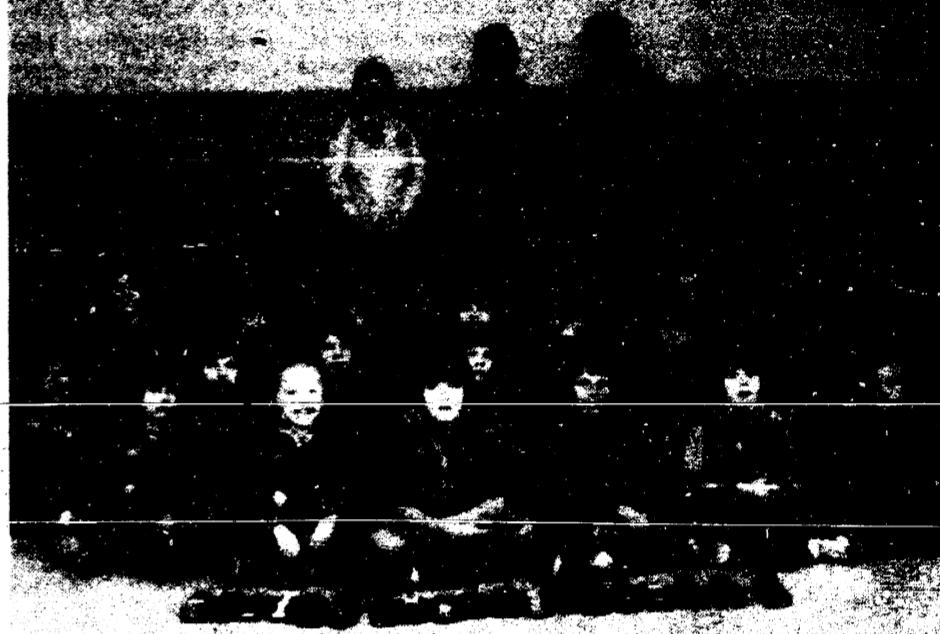

In the Varsity match the "Skin took the opening jump and tallied within 8 seconds. Denny Helfrich hit one freebie after some 2 minutes but his bucket at 4:41 pulled us within 3, 6-3. We popped another and Nick Krzyzaniak stole the leather and canned to put us ahead 7-6 at 3:11. Clinton stuck at 6 until we had 13 then hit for 3 as we netted 4 to end the period 17-9. We continued to raise the score as our press

## Oratorical Contest Set At Manchester

The Manchester Optimist Club will sponsor an oratorical contest for boys and girls under the age of 16 beginning at 6:30 p.m. Monday, March 10 in the Emanuel Church of Christ Hall on W. Main St.

Awards will be presented to the first place, second place and runnerup winners in each division.

First place winners will be eligible to participate in the regional contest at Madonna College, Livonia in April. The state contest will be held in Detroit in May with a top prize in each division of a \$500 scholarship.

The official topic of the contest is "Our Challenge in the 80's". Contestants must speak on the subject for not less than four minutes and not more than five minutes.

For contest forms and more information, contact the contest chairman Ted Tapping at 428-8478.

## Manchester Area Historical Society

On Monday evening, January 28th, the Manchester Area Historical Society met at the Methodist Church.

A gavel presented last October by the late Clayton Parr to the organization was again displayed. It was voted to accept the gavel to be used by the presiding officer. The gavel, a gift presented to Mr. Parr when he retired in 1960 from the County Board of Supervisors, is a hand carved piece made from a walnut bannister in the old County Court House built in the Civil War era.

A silver plaque donated by Aaron Nathan will be engraved and placed on it. The evening program concerned oral histories and tapes made by two area farmers were presented by Frances Nathan. The next meeting will be held on February 25th at the Emanuel Church Hall.
