Freedom Township - 1960 Gravel Permits - Speak Out, Now!

Every citizen of Manchester, Sharon, Freedom and Lodi Townships who must use Pleasant Lake Road as their major access to facilities in Ann Arbor should be aware that the Freedom Township Planning Commission will meet, FEBRUARY 11, 1980 at 8 pm in the Freedom Township Hall to hear requests from THREE gravel companies: Whitaker and Gooding, Thompson McCully, and Holloway for permits to haul gravel from Freedom Township.

In the past the citizens have had to deal with gravel trucks on the road of only two of these companies. This year a third company is requesting a permit which will double the traffic for the next fifteen to twenty years. To date all requests to

upgrade the road or to find alternate truck routes have failed. WE have all been hassled by these trucks and their abuses of an already hazardous road. The time has come again to speak out on this issue.

Part of the meeting will be given over to citizens to express themselves concerning the trucks and the road. Any testimony given by citizens at this meeting will become part of the official minutes of the township. We need to document the evidence of abuses by the gravel trucks. If YOU have experienced or witnessed abuse where you were endangered because of their performance, PLEASE attend the meeting and SPEAK OUT. Our Freedom Township Planning Commission needs to hear your testimony and take it into consideration before they grant or deny the gravel permit requests.

You may be sure that if the requests are denied and a Court case ensues, our Planning Commission will need all the evidence it can muster before the Judge that the welfare of its citizens is at stake. Please give this matter your consideration.

To Parents Of Manchester School Children

Let us not lose sight of the fact that the basic purpose of education is to provide students with the opportunity to learn general knowledge, to develop the powers of reasoning and judgement and to generally prepare oneself intellectually for a mature life.

Historically, education has meant learning:

READING - with reading comes the ability to pick up a newspaper and know what is happening in the world around us, to pick up a history book and learn what went before us, to pick up a novel and enjoy an imaginative trip with a character whose life is different from our own.

WRITING - to express ourselves, to delve into our experience and share our lives, knowledge, and feelings with others.

These skills need to be developed for clear written and verbal communication.

MATHEMATICS - math is the symbolic means by which the laws of the physical

world around are expressed. It is elementary to the understanding of physical science, finance, music, a host of other things, even homemaking.

A thorough knowledge of these three areas is absolutely essential to a full productive life for our children. They are THE primary OBLIGATION of our school system. They are the building blocks of our society. The Manchester school system is slipping in their obligation to students in these very critical areas and we all know it.

Interscholastic athletics is NOT a primary concern of our schools, nor is music, nor is art. These items are frills, special interests. With the inflationary rise in the cost of teachers salaries, gasoline, and building maintenance, our school district can no longer afford the frills. These programs are paid for out of the tax dollars of the total district and are used in the interest of only a few. Manchester has 1200 students, only 100 participate in each of the Spring Athletics. This program is NOT self supporting. It is not fair to the parents of students who do not participate in competitive athletics to foot the bill for the few who do at the expense of quality academics which is or should be the primary goal of education. Nor are inter-scholastic athletics more important than building maintenance. I agree that physical development is important to children, but I think those who want special, non essential programs for their children should pay for it and organize it.

I applaud the Board of Education in their efforts to adopt a balanced budget and to return the emphasis of education back to the basics where it rightfully belongs. If Manchester sets its sights on the goal of HIGH QUALITY BASIC EDUCATION perhaps we can stop the trend of losing its best and brightest students and their state aid to other districts. We need to turn things around, attract new families and their tax dollars to our system because of the QUALITY of our system. Only then can we afford the

luxury of a tax paid athletic program. If you feel as I do, let your School Board know it.

Thank you,
Catherine Roberts

AN OPEN LETTER TO THE CITIZENS OF MANCHESTER

The problems of the refugees in Cambodia, the "boat people," are well known to all of us. Many of you have already given your financial support in aiding these unfortunate victims. However, financial support is a stopgap measure in fighting hunger, lack of housing and disease. What is also needed is a permanent home for these homeless people. Community sponsorship for refugee family reunification is needed.

At the present time there is a small group of interested people working to sponsor a refugee family to live in Manchester. However, this is an enormous task; a small group of interested citizens cannot take it on alone; a community commitment is needed. Other nearby communities have already successfully brought refugee families over.

In order to take on such an undertaking, all parts of our community must become involved. The goal is to sponsor a refugee family to live in Manchester; further, the goal is to get the family to become self-sufficient in as short a time as possible. In order to do this, Manchester's businesses, medical profession, churches, youth groups, fraternal organizations, and citizens must join together to meet the initial needs of the family.

Certainly no community works better together than does Manchester in preparation and putting on of the Annual Chicken Broil. The basis for cooperation is here. In order to successfully sponsor a refugee family to live in our community, a commitment to this end is needed.

Whatever your religious beliefs, walk of

Dear Sir: I was very interested in reading your article on the Manchester High School students who were arrested for possession of marijuana. I am sure that the school administration and the community are aware of the fact that the school is a place where students should be learning and growing. It is a shame that some students are using this time to get into trouble. I hope that the school will take steps to prevent this from happening again.

Handweavers' Guild Of Ann Arbor

The Ann Arbor Handweavers Guild will have its 25th Annual Exhibition at the University Community Center, 1000 University St., Ann Arbor, Michigan, from February 13-15, 1980.

The exhibition will feature weaving and fiber arts classes, including handweaving, tapestry, and machine weaving. The Ann Arbor Handweavers Guild is a non-profit educational organization that provides instruction in the art of weaving through the sharing of weaving techniques and information. The Guild has been in existence since 1954 and is composed of over 70 weavers having a wide range of experience, including artists who teach and students.

The Guild's classes are open to all and are held on Saturdays from 10:00 a.m. to 12:00 p.m. Membership is \$10.00 and includes access to the Guild's library and studio. For more information, contact the Guild at 425-7422.

DNR Investigates Wastes Dumping

Representatives of an Ann Arbor firm stood mute today to a criminal charge of contracting with an unlicensed person to remove liquid industrial wastes. Sycor, Inc. of 100 Phoenix Drive, Ann Arbor, and the firm's maintenance supervisor, stood mute before Judge Carl Fink in Ann Arbor's 64th District Court. A pre-trial hearing was set for February 28.

Criminal warrants, issued last week by Washtenaw County Prosecutor William Delhey of Ann Arbor, charged the firm and its maintenance supervisor with illegally contracting for the disposal of approximately 45 barrels of toxic liquid chemical wastes.

The warrants were issued after a Department of Natural Resources investigation found that the wastes had been dumped in a swampy area off Hasbly Road in Section 15 of Sharon Township, Washtenaw County, in late October of 1979.

The DNR's Criminal Investigative Unit, Environmental Enforcement Division, began the investigation after receiving a report from a resident of the area. Subsequently, DNR Environmental Con-

servation Officer Greg Eagle and Bob McHolme, a Washtenaw County Conservation Officer, found the barrels near the swamp and an analysis of their contents revealed toxic wastes. The chemicals were used by Sycor as cleaning solvents in the manufacture of computer terminals.

State and Washtenaw County health departments have been notified and will be evaluating any impact on domestic wells.

Maximum penalty for such an offense is a \$500 fine and up to 30 days in jail.

Manchester Assoc. For Talented Students

An important meeting for the Manchester Association for Talented Students will take place Thursday, February 7, 1980, at the Manchester High School Library at 8:00 P.M. For months, the Program Committee of the organization has been working on a proposal for a program for the academically talented in Manchester's elementary schools. At the February 7th meeting, the final draft of this proposal will be readied for presentation to the Manchester Board of Education. Other items on the agenda include the election of a new secretary and the adoption of some fund-raising events.

Come And Light Your Fire

Wood heat and heaters, that's what the program is on February 19 at 7:30 p.m. at the Extension Center. Bob Duzen, Small Farm Assistant from Monroe County, will talk with us about types of heaters, selecting one, installation, safety and operation and related topics. Please join us for an evening of warm discussion during a cold winter.

The address is: Washtenaw Cooperative Extension Service, 4133 Washtenaw (corner of Washtenaw and Carpenter), Ann Arbor, Michigan 48107. For more information call 978-9510.

"What I would like to see in a program for the academically talented in Manchester's elementary schools" will be the subject of a panel discussion at the meeting. The panel will be composed of an administrator, a teacher, a school board member and a parent. A period of audience questions and discussion will follow the panel's presentation.

COUNCIL PROCEEDINGS

January 21, 1980

Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present were: DuRussel, Hinkley, Koebbe, Minick, Petsch, Reed, Daniels and Zaenynk. Minutes of the January 7, 1980 meeting were read, corrected and approved in a motion by DuRussel, supported by Petsch. All years, carried.

Koebbe reviewed Public Works Activities for the previous two weeks which included: The electric motor on the circulation pump at the sewage plant is back in service; The ice rink at Warster Park has been started; Past due invoices were mailed to Mr. Powell and Mr. Lawson as directed by council; Dick Horn of Union Construction was contacted concerning the over due bill on the first home built in Riverbend Estates; The sewer was rodded at Chapen's on Riverside Dr. for the second time within a week, at Mr. Chapin's request; The last of the Christmas trees were picked up. We have started getting our oxygen and sedaline tanks from Mr. Koebbe; Worked with K. Reed on the preliminary 1980-81 budget; Mann's Service Station water meter was tested with Mr. Mann present and discovered that it is running slow. Streets were salted on Monday, January 14, 1980; On Monday, January 14, 1980, sometime between 11:30 P.M. and 12:00 Midnight, we received a call from the Manchester Police Dept. in regards to a open fire hydrant on Auburn St. and MS2. Upon arrival we discovered that four more hydrants had been opened. One-third of a million gallons of water was lost. The washed out streets required four loads of gravel for patching. Expenses as a result of the vandalism: Two men-22 hrs.-\$140.00. Tractor-4 hrs.-\$64.40. Pick-up truck-6 hrs.-\$16.44. Dump truck-6 hrs. approx. \$300.00. Gravel approx. \$64.00. Total: \$628.52. All the gravel streets were

graded twice, also worked on the streets to the landfill site; While cleaning up the Public Works grounds we cut up some old trees and put it in the building for safe keeping; John Steele worked on the furnace in the well house on Ann Arbor St.; Picked up another load of cold patch to be used on the village streets; Picked up the wind blown limbs; Fire hydrants were flushed on the dead-end mains that are on the flushing program.

Quotes were reviewed on purchasing Chains and Sprockets for retractor Collectors from Eavirex, Dresser Industries, Inc. and Power Transmission Co. Moved by Koebbe supported by Reed to accept the quote of Eavirex for a total of \$9,426.00. All years, carried.

Reed reported work had begun on the proposed budget for 1980-81. A work session will be held Thursday, January 24, 1980 at 7:00 P.M. Daniels to call Michigan Municipal League for Tax Base Factors.

Hinkley reported Planning Commissions members were making a study of Tecumseh Industrial parks. A registered surveyor report is needed of the Manchester Plastics property showing Boundary lines.

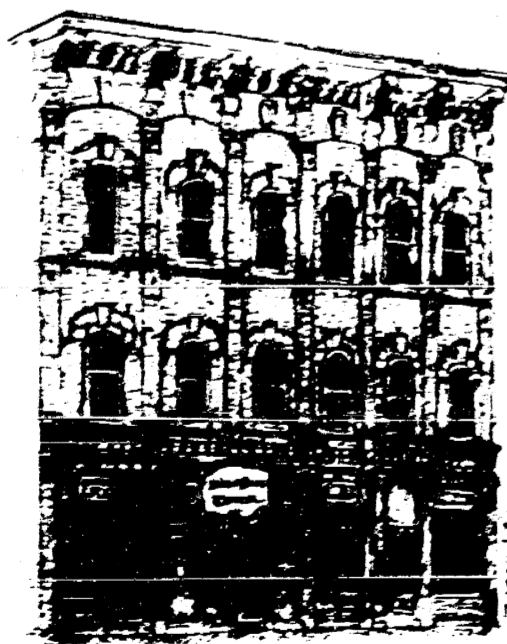

Petsch reported no response had been received on letter sent to a resident who was in arrears on their water bill. DuRussel reported the Ordinance committee would meet after the meeting for a discussion on Ordinance fees. It was also reported cost of materials for remodeling the Village Hall had been received from Bridgewater Lumber Co. and Chelsea Lumber Co.

President Schaffer reported Mayor's Exchange Day would be held on Monday, May 19.

Moved by Koebbe, supported by DuRussel the budgeted \$200.00 for Memorial Day be paid to the Manchester High School Band. All years, carried.

The Clerk advised council that Kay Roesch would serve as Chairman for the Primary Election, February 18, 1980.

WINTER CLASSES AND WORKSHOPS
Our classes are offering exciting alternatives to those winter doldrums: two are on schedule for your consideration.
The first is Creative Weaving; a workshop especially for children between the ages of 8 and 12. Skills to be taught include making a simple cardboard loom and creating woven projects incorporating found items such as twigs, feathers, and beads. Dates are February 16, 23, and March 1, from 10 am to 12 noon. A fee of \$4 per session will cover materials. Children need not attend all three sessions.
Graphics and Design is an adult class meeting two consecutive Tuesdays:

Dutch Blast Clinton

caused turn-over after turn-over as we made it 12, 22-10 at 8:21. It went 14, when Clinton put on an offensive spurt to trim the tally to 8, 28-20 with less than 2 minutes to go till half. It just so happens, the Redskins got no closer. The Dutch went for the final shot and at 6 seconds Jeff Geiger let go and swish-intervention was here with the Dutch up 10, 39-20.

All Dutchmen just put leather in the hoop as we went ahead 14 when Nick, T.J. Thomas, Pat Walkowe and Greg Eggleston helped to make the tally 46-26 with 1:50 left in the 3rd stanza. Again as time ran down in the period we set up for the last shot-Nick sent it on its way as the buzzer blared and in it went, 50-31. At 5:12 Jeff hit net to give us a 22 point cushion when Denny followed stealing and being fouled. He toed the line and sank both boosting the tally and T.J. used a reverse-lay up at 2:48 to hit the big 30, 68-38. T.J. again upped it to 70-38 about a minute later and Greg drove the base line to score so it stood 72-38 at 1:32. As the horn blasted I looked at the scoreboard, squinted with one good eye and read 76-41-in reading papers later, they state 76-43 well, take your pick!!!

Nick was the high-scorer with 19 (he

also canned 11 of 12 freebies) as Denny contributed 15 while Jeff totaled 14. T.J. dumped in 8 while Pat helped with 7 as Greg and Brian Broucek tallied 6 each. At least scoring was Tom Malcolm with 1.

Use Label For Speedy Tax Return

Taxpayers can speed up the processing of their tax returns by using the pre-addressed, peel-off label and by double checking their entries before filing, the Internal Revenue Service advises.

The label, which is located on the cover of the tax return package, lists the taxpayer's name, address, and social security number. If any of the information is incorrect, the taxpayer should make needed changes directly on the label. Taxpayers are also urged to use the coded, pre-addressed envelopes that come with their returns.

If a husband and wife file a joint return and use different last names, they should separate the last names with an "and"-such as "Brown and Smith", and list the last names and social security numbers in the same order as the first names.

Easy-to-make errors, such as checking the wrong filing status, failing to sign the return, math errors, and neglecting to attach all necessary documents are common mistakes which delay taxpayers' refunds because the IRS must correct the errors or obtain the documents before processing the return. Careful checking of all entries can result in smoother, quicker processing, and a speedier refund if one is due.

54th Annual Kiwanis Club Sale

"QUITE A FIND, EH PARTNER!" - These sentiments are shared by Ann Arbor Kiwanis Club members Ned Place (left) and Rex Edden as they admire a pair of antique coffee pots donated for the organization's annual rummage sale. Miscellaneous items (housewares, clothing, furniture, etc.) will be sold during the three-day event (Feb. 7-9), at the club's activity center, Washington at First St., in Ann Arbor.

A pair of campfire coffee pots from the "Old West," a medical scale plus miscellaneous household items highlight the 54th annual Kiwanis Club of Ann Arbor Sale, Feb. 7-9, at the club's activity center, Washington at First St.

"I'm amazed at the variety of items that are donated each year for our sale," 1980 chairman Tony Kelly commented. "There are antiques, clothing, furniture, books, toys, records and much more. It's a shopper's dream!"

A set of antique coffee pots, their copper makeup partially hidden by a coat of paint, are said to have been used by cowboys around a campfire. Also on sale is a medical scale usually found in a doctor's office at a reported "light-weight" price.

The sale hours are Thursday, 10 a.m. to 8 p.m.; Friday, noon to 8 p.m. and Saturday, 10 a.m. to 2 p.m. More than 170 Kiwanians and their families staff the sale. "We'll gladly pick up any last-minute

donations of merchandise," Kelly added. "Our telephone number is 665-0450. After the sale starts, we urge people to bring items down to our building (Washington at First St.)."

Last year over \$40,000 was raised from the three-day event. The proceeds help fund the club's more than 100 projects (chief recipient is the Hospital School at the C.S. Mott Children's Hospital).

All three floors of the building are used for the sale; a snack bar featuring light lunches and beverages is on the second floor.

American Legion Auxiliary

The American Legion Auxiliary Meeting was held at the Legion Home on January 9, 1980.

Girl's State Chairman is checking into, and will be choosing a girl to go to Girl's State. Girl's State will be held at Mount Pleasant from June 14 to June 22.

Second District meeting was held on January 13 with a good attendance. The women met at the Emmanuel Church Hall for their meeting and the men met at the Legion Hall for their meeting. All joined for dinner at the Legion Hall after the meetings.

Dawn Stockwell will be Good Cheer for the coming month.

Yvonne Huber, June Jenter, and Karen Jenter will serve on the refreshment committee for the next regular meeting which will be held at the Legion Home on February 13 at 7:30.

Manchester Volleyball

On Monday, February 4, the Flying Dutchmen traveled to Hudson for the last game of the first round in league competition. They came again with a 2-0 win of sets 15-13, 15-6. Leading the way were Susan Ahrens with 10 serving points, Carol Rose with 7 spikes, and Sula Jeffers with 6 assists.

The nights win gives Manchester a tie in the league with Blissfield at 5-1. Thursday night the Dutchmen host the Blissfield Royals to see who will take the top spot in L.C.A.A.

The J.V.'s also moved past Hudson 2-0 in sets of 15-6 and 15-7. The win extended their league mark to 6-0 and 8-1 overall. The Junior Dutchmen were led by Carrie Rice with 8 serving points, with Beth Vleck and Karen Dulle each adding 5 points apiece.

L.C.A.A. League Wrestling Tournament

The Manchester High School will hold the L.C.A.A. League Wrestling Tournament on Saturday, February 9, 1980.

The tournament will run in two sessions. The morning session will begin at 11:00 a.m. with admission \$1.00 students and \$1.50 adults. The Championship session will begin at 6:30 p.m., admission \$1.00 students, \$1.50 adults.

Named To Dean's List

From Manchester, Bruce Garlick, freshman, son of Mr. and Mrs. Emory W. Garlick, 644 West Main and Clayton Parr, senior, son of Mr. and Mrs. Howard E. Parr, 5450 Sharon Hollow Road, have been named to the Albion College Dean's List for the fall semester.

To receive this honor, students must earn a minimum 3.4 grade point average based on a 4.0 scale while maintaining a full class load during the semester.

Brenda Faye Proctor, daughter of Mr. and Mrs. Gerald Proctor of Zolfo Springs, Florida, (formerly of Manchester) was named to the Dean's List by Joel H. Mullenix, Dean of the College, at Pensacola Christian College for academic achievement during the fall semester of the 1979-80 school year. Brenda was named to the Dean's List as a result of earning a "B" average or higher.

A fundamental, independent, Christian institution, Pensacola Christian College opened its doors in the fall of 1979 to its sixth year class enrolling over 800 students. Brenda is attending one of the fastest growing Christian colleges in the United States today.

Birth Announcement

Mr. and Mrs. Nic Cooper announce the birth of a daughter Angela Nicole, born January 24, 1980 and weighing 7 pounds 10 1/2 ounces.

Tax Counseling And Home Heating Rebates For Seniors

A program to assist seniors, home owners or renters, to file for Michigan Property Tax Relief and home heating credit is offered by the Washtenaw County Council on Aging, W. de St. Aubin, project chairman announced today. This free service, available to county residents who are 65 years and over, will be given by volunteer tax counselors, who have received special training from the Michigan department of the Treasury. Some residents can receive up to \$1,200 in rebate on property tax. W. de St. Aubin pointed out that to obtain a speaker to acquaint seniors with the benefits of the Act of 1973, or other information, call 665-3625, the Council on Aging office.

It is necessary to file a claim to obtain a tax refund or home heating credit. It is suggested that meetings be scheduled at senior centers, churches, public buildings and that a speaker be requested. If confined to their home, individual visits can usually be arranged. According to St. Aubin, during the last five years in Washtenaw County over 5000 individuals received tax refunds totaling approximately two million dollars.

Farmer Of The Week

An area farmer, Gary A. Weidmayer, E. Austin Rd., Manchester, has been named Farmer of the Week for the week of February 4 in recognition of his contributions to Michigan agriculture.

The weekly award, which honors farmers in Michigan, is sponsored by the Michigan Farm Radio Network and Farm Bureau Insurance Group.

Weidmayer, 33, who has been farming all his life, is a dairy and crop farmer.

He currently farms 550 acres in partnership with his father. They milk 80 cows, raise calves and feeder cattle, and grow corn, wheat and oats.

His involvement in community and agricultural affairs includes: Serves on the Agricultural Advisory Committee for the Manchester School District; member of the Bethel United Church of Christ and serves on the church cemetery board; member of the board of the Washtenaw County Farm Bureau; serves as secretary of the Washtenaw County Farmers Petroleum Board; past chairman of the County Young Farmers organization; and he and his wife received the 1979 Outstanding Young Dairy Farmer Award from the local chapter of the Michigan Milk Producers Association.

He and his wife, Karen, have two children.

Recipients of the Farmer of the Week Award, who are selected by the Michigan Farm Radio Network and Farm Bureau Insurance Group, are chosen for the quality of their farming operation and for their contributions to the community and agriculture.

The award recipient for each week is announced Monday mornings over the statewide Michigan Farm Radio Network. Recipients receive a personalized plaque and a leather belt with a custom designed buckle from the local Farm Bureau Insurance agent.

The Farmer of the Week program was started in 1975 to recognize Michigan farmers each week for their contributions to the state and the agriculture industry.

HIT OR MISS

were for one year only, from the governor on down. This didn't give the infidels time to become entrenched.

True, the 1970's were not the best of times but in comparison with a lot of other periods in our history they weren't so bad. Way back in Civil War days this was no place to brag about, and the days of Grover Cleveland and of the 1930's and 1940's weren't anything to write home about.

The trouble with the 1970's is that we allowed ourselves to become believers in the promise that we could become great powers for world peace without paying a price and that we could very easily buy friends without deserving them. We still have the capacity to get moving down the path towards stabilization of conditions worldwide.

Middle Age: Middle gets wider, hair gets thinner, sight gets shorter, and steps get taller.

The new Chevrolets for 1980.

Caprice Classic 2-Door Landau Coupe

Impala 4-Door Sedan

A lot of new technology has gone into Caprice and Impala for 1980 to keep them the best-selling full-size cars in America. Among its refinements:

- Newly standard 3.8 Liter V6 engine designed to increase mileage over last year.
- New aerodynamic shape to help reduce wind resistance.
- New anti-corrosion measures.
- New standard high-pressure steel-belted radial ply tires that roll easier than last year's

tires, taking less effort from the engine.

Even though Caprice and Impala have been redesigned for '80, they still maintain six-passenger roominess and comfort. Chevrolets are equipped with GM-built engines produced by various divisions. Ask a salesperson for details on this and on Chevrolet's new three-year limited warranty against perforation (rust-through) due to corrosion.

Manchester Athletes Perform Well In College

Once in a while, the coach of a high school team will go on to bigger things and coach at a college. Also once in a while, a coach will be lucky enough to have some of the guys he coached in high school appear on the team he helps with in college.

Larry Steeb, former Cross-Country and Track Coach at Manchester High from 1971 to 1977, has had just this luck. Back with him after almost three years, two former Manchester greats have been working hard on the Eastern Michigan Track and Cross-Country Teams.

Keith Moore, one of the premiere runners in Manchester High history, is now tearing up the track at Eastern Michigan University. In Cross-Country, Moore was in the top five of the very tough E.M.U. squad and is even more threatening in track. Moore has an Indoor

Green and White Meet Record of 9:16.0 in the 3000 meter Steeplechase and also times of 4:19.1 in the Indoor Mile, 9:16.5 in the Indoor Two-Mile and 14:27 in the Indoor Three Mile.

Terry Brown, now recognized more for Pole-Vaulting than for running at E.M.U., is battling it out with six other vaulters for three starting berths on the traveling team of E.M.U. So far, Brown has cleared 13'6" to keep him in the middle of the pack. He has cleared 14'3" in practice.

Steeb, the field events coach at Eastern, feels that both of these former Dutch standouts are now, "just beginning to realize their potential". Steeb also noted that, "Keith will surely be one of the Midwest's finest runners next year and Terry definitely has the potential to letter - in his event".

Optimist Good Citizen

Mr. and Mrs. John Sauter, Karl, and Optimist member Mr. Wendell Reinhart.

Karl Sauter, eleventh grade son of Mr. and Mrs. John Sauter, 17019 Pleasant Lake Road, is the January Optimist Club Good Citizen of the Month.

Karl has been in the band and the pep band for three years. He has been a representative on the Band Council for two years and participated in the Solo and Ensemble Festival for three years. He has been a member of the cross country team for three years and was on the track team last year. He plans to be a trackman again this spring.

He is unsure of a college major in the future but thinks he will be studying in the science area at Michigan State University after high school graduation.

Valentine Baby Contest Winners

The first place winner of a \$50.00 savings bond went to 5 month old Eric Flint, son of Mr. and Mrs. Doug Flint. Second place winner of a \$10.00 savings account went to Amy Hlavka, daughter of Mr. and Mrs. Richard Hlavka.

We would like to thank all the mothers who entered their child in the contest. Also a special thanks to Union Savings Bank and Manchester Enterprise for helping us make this project a success.

All proceeds will go to the childrens community projects held throughout the year in this community. Pictures can be picked up at Baker's Dozen. If you would like them mailed to you call 428-9397.

Dutch Roundball Squads Split

by Jon Hardenbergh

We faced some tough competition last week, both on the court (Tuesday and Friday) and off the court (axons). On Tuesday, the Tories of Britton-Macon brought their #18th State Class D ranking with them. In the following game the Hudson Tigers visited, bringing their #2 position in the L.C.A.A. The varsity played super basketball to sneak past the Tories as the J.V.'ers didn't really put much together but won. Friday was completely different as big and little Dutch fell to Hudson. This was quite a busy week for me with basketball, special Athletic Boosters Meeting (which boosted my hopes for Spring Sports as several hundred people showed to voice their feelings), Thursday, Girls Volleyball (where I saw our J.V.'s remain unbeaten in the league with our varsity handily downing Blissfield to sit alone in top spot of the L.C.A.A.) and Saturday was from 1 till 9 p.m. at the L.C.A.A. Wrestling League Meet hosted here (Addison was the team for the 2nd consecutive year with the Dutch placing Todd Green and Gary Daniel in third and Dan Burch in second).

Britton-Macon faced our J.V.'s first on Tuesday and offense was sure lacking--normally when one squad puts a mere six points on the board in a period it hurts. Well, not in this case as we entered the second stanza up 6-0. It took the little Tories only 6 seconds to score as they controlled the tip and bingoed 6-2. At 6:45 they sank two freebies 6-4 but 14 ticks later Mike Ball toed the line and dropped both thru to make it 8-4. As this speedy contest progressed they knotted the tally at 9 with 5:10 left. Again it took awhile for a bucket as the Tories went ahead at 3:15, 11-9-but we fought back to tie with 50 ticks remaining till half. We did have control and seemed to be going for the final shot but we anxiously put up a wild shot with Britton rebounding and having a 3 on 0 fast break. Fortunately he blew his lay-up so intermission was here 14-14. Both sides flied the hoop a little better in the third as we out-scored them 13 to 11 to enter the final 8 minutes up 27-25. We did pull out to a five point lead but they rallied to make it a new game with 1:44

HIT OR MISS by farley

The following criticism was written after watching a movie on TV the other day, during which my scorecard showed twenty-six commercials including "Eat better, save money," "Use your credit. Save money," "A \$12.00 value for only \$4.00." These are only samples of the myriad TV and radio commercials that infest the air lanes. Offered are most anything covering everything from relief from ingrown toenails to dandruff shampoos and everything in between. Among other medicine show pitches are included the statement that "Radio is now the place to advertise-radio is 'hot'." Newspapers have not kept up with the population increases the pitch continues. It also alleges that the average person listens to radio an average of three hours and twenty minutes per day. It reaches more people at less cost than any other medium for advertising.

Now this is a statement that I would like to have proven. How do you tell how many folks are listening to radio at a certain time during a certain commercial? How do you know how many have gone to the refrigerator, out of bearing range, for reinforcement, or who have gone to the bathroom for relief during this commercial? Newspapers and magazines have sworn circulation figures and like this newspaper, if you pay for it, I'll bet you read it.

We tend to make fun of what we can remember of the old "patent medicine days" and of the medicine shows that visited our town every summer, and of the various specifics such as Lydia Pinkham's and Father John's medicine and many others which were curealls, but the TV and radio commercials take their place with the same pitches that we used to hear.

Dr. Sharpsteen and his elixir cured everything, at least temporarily, (it was about thirty-five percent alcohol) but nowadays we have government bureaus that protect us from harmful foods and

Legacy Of One-Room Rural Schoolhouses

Do you remember, with nostalgia, attending the one-room school or wish to be taken back to that life style for an evening?

The Manchester Historical Society cordially invites YOU to attend this program, Monday evening, February 25 at 8 p.m. at Emanuel United Church of Christ Church Hall. There will be a panel of former one-room school teachers; audience participation is anticipated; an old fashioned spell-down and old-time refreshments.

To be sure all Manchester area one-room school teachers now living here are contacted, please call Ethel Brown at 428-7289 by February 18th if at all possible. Your effort in this matter will be of great importance to the collecting of local history for our one-room schools. Mark your calendar for the 25th NOW.

"THANKS" John and Smitty

Don "Smitty" Smith of the Manchester Department of Public Works presents John Wallace with a gift certificate in appreciation of time and effort extended by John to the ice rink over the past years. Also seen in the background is the stove constructed by Smitty to keep the children warm. A hot dog roast was held on Friday in celebration of both events.
