Optimist Good Citizen

Mr. and Mrs. John Sauter, Karl, and Optimist member Mr. Wendell Reinhart.

Karl Sauter, eleventh grade son of Mr. and Mrs. John Sauter, 17019 Pleasant Lake Road, is the January Optimist Club Good Citizen of the Month.

Karl has been in the band and the pep band for three years. He has been a representative on the Band Council for two years and participated in the Solo and Ensemble Festival for three years. He has been a member of the cross country team for three years and was on the track team last year. He plans to be a trackman again this spring.

He is unsure of a college major in the future but thinks he will be studying in the science area at Michigan State University after high school graduation.

Valentine Baby Contest Winners

The first place winner of a \$50.00 savings bond went to 5 month old Eric Flint, son of Mr. and Mrs. Doug Flint. Second place winner of a \$10.00 savings account went to Amy Hlavka, daughter of Mr. and Mrs. Richard Hlavka.

We would like to thank all the mothers who entered their child in the contest. Also a special thanks to Union Savings Bank and Manchester Enterprise for helping us make this project a success. All proceeds will go to the childrens community projects held throughout the year in this community. Pictures can be picked up at Baker's Dozen. If you would like them mailed to you call 428-9397.

HIT OR MISS by farley

The following criticism was written after watching a movie on TV the other day, during which my scorecard showed twenty-six commercials including "Eat better, save money," "Use your credit. Save money," "A \$12.00 value for only \$4.00." These are only samples of the myriad TV and radio commercials that infest the air lanes. Offered are most anything covering everything from relief from ingrown toenails to dandruff shampoos and everything in between. Among other medicine show pitches are included the statement that "Radio is now the place to advertise-radio is 'hot'." Newspapers have not kept up with the population increases the pitch continues. It also alleges that the average person listens to radio an average of three hours and twenty minutes per day. It reaches more people at less cost than any other medium for advertising.

New this is a statement that I would like to have proven. How do you tell how many folks are listening to radio at a certain time during a certain commercial? How do you know how many have gone to the refrigerator, out of bearing range, for reinforcement, or who have gone to the bathroom for relief during this commercial? Newspapers and magazines have sworn circulation figures and like this newspaper, if you pay for it, I'll bet you read it.

We tend to make fun of what we can remember of the old "patent medicine days" and of the medicine shows that visited our town every summer, and of the various specifics such as Lydia Pinkham's and Father John's medicine and many others which were curealls, but the TV and radio commercials take their place with the same pitches that we used to hear.

Dr. Sharpsteen and his elixir cured everything, at least temporarily, (it was about thirty-five percent alcohol) but nowadays we have government bureaus that protect us from harmful foods and

Dear Mr. & Mrs. Steele:

I would like to apprise your readers of our petition drive to repeal the Single Business Tax and to reduce the Personal

Income Tax.

We have thousands of petitions out, but we need 229,000 signatures by mid-May to put this proposal on the November, 1980 ballot.

The proposal will repeal the Single Business Tax outright, will forbid the reintroduction of either the inventory tax or the franchise tax, and will replace it with the old corporate income tax at a 10% rate with a \$50,000 deduction of these profits. Only corporations will pay, as before, and only those that have profits of \$50,000 or more. The \$50,000 will be indexed to rise with inflation.

The proposal will also cut the personal income tax to 4.4% immediately, to 4.2% in 1984 and to 4% in 1986. It will raise the personal exemption to \$1,800 and will index this to rise with inflation. Further, all retirement income will be banned from taxation by the State of Michigan.

I urge all your readers to write for petitions. They can be obtained from the Fredricks SBT Repeal Committee, P.O. Box 1960, Fenntville, Michigan 49048.

Sincerely,

Ed Fredricks
State Senator
23rd District

To the Board members voting to relocate sports funds:

When you have been out of school for a few years, you tend to lose touch and interest in what goes on there. I must admit, I was the same way until I learned of the School Board's decision to use the funds normally apportioned to the spring sports program to repay debts incurred in the repair of the school plant. This is not only tragic, but a gross injustice to Manchester High School students. How dare the School Board punish the kids for the Board's own short-sightedness and pathetic display of financial management. It is certainly a shame that the kids themselves have no ability to change the situation.

When I was in high school, the whole atmosphere of not only the school, but the entire town, revolved around football in the fall and basketball in the winter. My

greatest thrill in high school was not graduating near the top of my class nor being accepted at a major university, but rather being on the first track team in the Class C ranks to win the Class B predominated MSU Spartan Relays. I wonder if the Board has forgotten how our basketball team's trip to the quarter-finals in the State Tournament in 1974 united the entire community? They certainly haven't forgotten how exciting it was to have their school's football team among the State's best. It is certainly a shame that the kids are to be denied more similar thrills.

The kids have the rest of their lives to work and worry. Why not let them play for now? The community seems to be so determined to keep the town the way it has been for who knows how long (the village reeks of ultra-conservatism). My question to the Manchester School Board is what the kids should do now with all their free time, take to the streets? I guess that certainly is an intricate part of education. Some attitudes just never seem to change.

David J. Hoover
Junior, Michigan State University
MHS Class of 1977

P.S. Coincidentally, my field happens to be operations management. Does the School Board think they'll still be needing me in June, 1981. I'll be looking for a challenging job.

Jolly Farmerettes

The last Jolly Farmerettes 4-H meeting was held February 8th. There were many things for the new business. There were some changes made for certain activities. These changes which now stand corrected are: March 8th, there will be an afternoon modeling clinic, and on March 12, there will be a club dress revue. On February 23rd, there will be a Teen Lock-In for teen leaders. At the meeting there was a leaders report and then there were demonstrations.

Spring Achievement will be March 15th at the Saline High School.

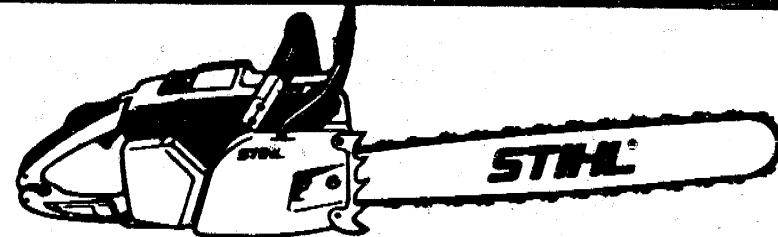

The next meeting will be held on March 5th, from 7-8:30 p.m.

Card of Thanks

I would like to thank the following people for helping to make the hot dog roast at the ice rink such a huge success. We had 140 young people turn out last Friday.

Jay Lantis, Ron Mann, Mrs. Brennan, The Manchester Deli, Bakers Dozen, Mr. and Mrs. Red Huber, Mr. and Mrs. Brian Alber, Mr. and Mrs. John Schaible and Mr. and Mrs. Lorenzo Steele.

Also a big thank you to the merchants who helped with the gift certificate for John Wallace.

Smitty

The Manchester Wrestling Team would like to thank the following people and organizations for their help during this past wrestling season and the L.C.A.A. League Tournament. The Manchester Athletic Boosters, Mr. Scaletta, Mr. Kappeler, the parents of the wrestlers, Mr. Spencer, the bus drivers for taking us to our meets and tournaments, Jon Hardenberg, Manchester Stamping for the use of their truck and driver, and all the other people that donated their time for the tournament on Saturday. Thank you all for making this the best tournament ever.

Thank you, M.H.S. Wrestling Team

Observations

by JAW

For quite some time now we have been following the various articles printed in the paper by our friend Mr. Farley. Sometimes he is amusing, other times he is confusing, and then again at times he is off base. One of the things he should learn early in life is that it is easy to offer destructive criticism but difficult to offer constructive criticism. Admittedly our government is lousy and admittedly our governing officials are worse.

Perhaps this can be helped by the

voter. First we have to vote for the right person. But who is the right person? Perhaps to start with - we should vote. Our media makes a great to-do when 50% of the eligible voters turn up at the voting booth. Frequently it is less than 40%. In short less than half of the people vote. Apparently most of the American citizens just plain don't care.

Our main problem, however, is that at the present time we do not have in this country a single person that can be called a Statesman. Carter is not one, Kennedy is even less, Reagan is a movie star. Baker asks some questions at the Watergate trial, Ford did not distinguish himself, and whoever heard of Bush and Rula Leska. In the terms of Franklin, Jefferson, Lincoln, Baruch, Churchill, Roosevelt all of the presidential candidates are carpebaggers.

And so we have a government where the seats are filled with persons that are incompetent making laws to rule a great nation. They only seem to be interested in getting the most for themselves, going on trips all over the world and accomplishing nothing. Never in the history of this country has there been so much investigating the action of government officials. Incitements is a common every day occurrence. Mr. Farley is right when he states that we should vote such rascals out of office, but he is wrong when he states that we should replace them with another set of rascals. That we have done in the past. It is time that we get on a right course.

A couple of times Mr. Farley has intimated that most of our problems are due to the ever increasing cost of labor brought about by higher and higher wages. To be sure higher wages tend to cause higher prices but unfortunately at an escalating rate. If wages go up 8%, prices will probably raise 15% because every increase in cost is escalated through warehouses, distributors, and minor distribution centers. Thus wages never attain equality with prices. The British economist Keynes made this point better than a

Player Profile

TOM MALCOLM

Tom is a 6'0" junior forward playing his second year on the varsity. Tom has been playing very well these past two games. He has scored 11 and 12 points, along with 24 rebounds. Tom is a good leaper, plays tough inside, and is a rugged competitor. If Tom continues to play to his capabilities we should have a good shot at the District title.

The Flying Dutchmen are playing Friday against Napoleon.

Dutch Roundball Squads Split

left 35-35 but Lance Clark put us two up at 1:23. We got control and could've stalled but Eric Duncan shot an off balance 15 footer at 39 seconds, the kind the coach grabs his head and shouts why?—till it falls in and the coach says

good shot. The closing seconds showed much action as we trekked to the line shooting technicals with Brad Stetler popping twice to ice it 41-37.

In waiting for the varsity game to start, several questions rose but I mainly wondered, if coming off our 30 plus night over Clinton last Friday may have cast an air of over confidence. Well, it didn't.

Britton tallied first but Jeff Geiger knotted it at 7:10. Again they went up but Nick Krzyzaniak sank a free throw and Denny Helfrich hit at 5:02 to put us atop 5-4. The lid really clamped on the Torry hoop causing them to fight hard for offensive rebounds but we were there first so they fouled us. We just continued to hit when fouled to up the tally to 18-4 at :31 when Britton finally popped at :20. We did set for the last shot and Jeff sent it airborne and in it went so the first period was ours, 20-6. We tightened our hold as Denny canned at 5:10 putting us up 16, 26-10. They came down to hit but again Denny answered 28-12. They cooled us a bit to come within 12 but we blistered the bucket time and time again. Denny bingooed at 1:58 to expand our lead 34-16. Britton-Macon answered this with 6 unanswered points by half to go to the locker room 34-22.

The name of the game in the second half was to keep our cool to maintain our lead—here's what happened. For about 3 and a half minutes not much changed as the tally moved from 13 to 11 back to 13 until the Tories cut it to 9 at 4:31—time was called and we inbounded. We quickly hit going up 11 but they dribbled down, shot no-rebound-shot-no-rebound-shot-yes. Not only a bucket but foul—upon sinking the free throw it was an 8 point spread at 3:13. Denny quickly answered but they did like-wise. Nick responded as time ran low but they ended the period scoring so with 8 minutes to go we were up 8, 48-40. They got the tip and immediately canned pulling with-in 6 as we came down to miss. Again they hit narrowing the tally to 4 but every time Britton cut, Tom Malcolm would answer, so at 5:56 it stood 52-46. Only 18 seconds later Nick toed the line to dump both so we increased. A Tory threw wildly so we controlled,

feeding to Pat Walkowe who drove the base-line and banged it home. Pandemonium rang as Pat got hammered so it stood 56-46 at 5:12. Pat missed his freebie as Britton said—hey—we need points. They pressed to cut it to 8 then again to 6 when Tom got a pass from Denny—in it went, 56-50 at 4:20, but in 16 seconds we saw them pop—steal—shoot 3 times with the 3rd good to close within 4. They again stole but this time also fouled T.J. Thomas—he stepped to the marker and swished both at 3:50. They missed twice so down we came with Nick driving to make it 62-54 with 3:03 left. As time ran down Pat again hit then it was free throws winning it for us by 2 points.

In Friday's games the J.V. and Varsity had their win streaks stopped as little Hudson burned our J.V.'s by 31 - 11 at haltime with the final 56-41 in the Varsity battle. Our main problem in the first 16 minutes was free throws—we've been killing opponents by hitting freebies but not tonight. It see-sawed most of the first period with Hudson going up 3, 14-11. They continued to pop and at 6:02 stood up 18-11 as the clock ticked on. But at 1:02 Nick hit a free throw 26-22 when Pat grabbed a missed Tiger shot passing to Nick—BINGO at :28, 26-24. With less than 15 seconds left Hudson turned the ball over so we set for the last shot—Jeff launched the leather at 6 ticks and it filled the hoop to knot the score 28-26 at the intermission.

For most of this, the third period we held a slim 2 point edge but with a minute left we went ahead by 5. Again we had

possession as time neared conclusion and Nick shot with 4 ticks—no good—Jeff up high tipped it in as the horn sounded giving us a 41-34 advantage with 1 period remaining. At 4:10 Hudson had clawed within 3, 46-43 when Denny hit 1 free throw putting us atop 4. The Tigers zoomed down and rocketed about a 20 footer and while this was still in the air a whistle sounded. The ball fell in and a foul on us after the shot put them at the line, 4:04. They missed so Pat popped at 3:50 to put us back up 4 but they answered at 3:09 they connected tying the tally at 49 and at 2:11 they hit going up to stay 51-49. We just couldn't score so we fouled they didn't miss so the final was 59-51.

Nick was our high-scorer in each contest and totaled over 35 points for the 2 games. Jeff and Denny popped for over 20 points each.

Friday we trekked to Napoleon and the following Tuesday sees us visiting Grass Lake.

drugs, and in many cases do a good job, but I wonder if we hadn't ought to have a bureau or two to save us from all the blatant TV and radio commercials. As you know they promise cures for everything from hemorrhoids to reconditioning the carpet on which Flido has rested too long and perhaps not too wisely. If we bought one each of these necessities we would have to build a couple of new cupboards to house them.

We realize that advertisements of products must be a part of our TV and radio to pay the way so that we can enjoy many top flight entertainers that we in small towns might never otherwise see, but can't the gist of commercials perhaps be better controlled and can't we be given credit for having at least a bit of a brain. From the calibre of some of the commercials and the accompanying shows the powers must have a very inferior opinion of us as a group.

School Board Minutes

These are the proposed minutes of the January 21, 1980 Board of Education meeting. They are not official until approved or corrected at the next regular meeting of the Board of Education.

REGULAR MEETING

January 21, 1980

The meeting was called to order by President Corliss Mick at 8:00 PM in the high school library.

Board members present: Macomber, Walkowe, Mick, Curley, Horning and Bunney. Absent: DuFresne.

COMMUNICATIONS: President Mick indicated she had received a letter from Mrs. Patricia Settles, Chairperson of the Special Education Advisory Committee, stating that transportation reimbursement costs to local school districts for Special Education summer programs has been deleted. It was the concern of this group whether or not the school district would still support the Summer Program at the District expense. President Mick referred this matter to the Superintendent.

MINUTES OF PREVIOUS MEETING: President Mick asked if there were additions or corrections to the minutes of the December 17, 1979 meeting. Mr. Horning asked if there had been a report on the number of students crossing with the Crossing Guard at Pleasant Lake. Dr. Thompson said there was not an official count but he thought about 5 to 7 children were crossing.

Moved by Horning that the minutes of the Regular Meeting held December 17, 1979, be approved as submitted. Supported by Walkowe. Yeas: Macomber, Walkowe, Mick, Horning, Curley and

If the above dates and times present an inconvenience for you, please call the clinic, 428-8617 or 428-9283.

Bunney. Nays 0. Motion carried.

FINANCIAL REPORT: Moved by Bunney that the Financial Report indicating receipts in December of \$42,980.44 and disbursements for the same period of \$214,725.52 leaving a balance December 31, 1979 of \$256,187.24 be approved as submitted. Supported by Curley. Yeas: Curley, Horning, Bunney, Mick, Walkowe and Macomber. Nays 0. Motion carried.

Moved by Curley that current bills totaling \$186,870.83 be approved for payment. Supported by Horning. Yeas: Bunney, Macomber, Walkowe, Mick, Curley and Horning. Nays 0. Motion carried.

SMALL CLAIMS COURT: Dr. Thompson indicated our attorney's were awaiting an affidavit from Bob Masten and then a "re-opener" would be filed in an attempt to have the original decision regarding Mr. Hakhishak overturned. If the Judge refuses to re-open the case, that is our last recourse.

Member DuFresne entered at 8:10 P.M.

APPLICATION TO BORROW: Dr. Thompson reported that we have received approval to borrow \$200,000 in tax anticipation notes. After contacting Township Treasurers a decision will be made whether there will be a need to borrow. A Special Meeting will be scheduled on February 11, 1980 for this purpose.

BUDGET: Dr. Thompson advised the Board that a budget would be ready for Finance Committee review later in the week. He indicated that there is a projected deficit of \$30,000 to \$40,000. Program reductions should be done by 2nd Semester which is February 8, 1980. A short special meeting should be scheduled for January 28, 1980.

PETTY CASH CHECK LIMIT: Moved by Bunney to accept the Superintendent's recommendation to increase the central office petty cash limit to One Hundred Dollars (\$100.00) as per the audit report recommendations. This resolution is designed to replace action taken at the December 17, 1979 Regular Meeting regarding petty cash. Supported by DuFresne. Yeas: Mick, Walkowe, Macomber, Bunney, Curley, Horning and DuFresne. Nays 0. Motion carried.

SENIOR CITIZEN'S USE OF BUSES: Moved by Curley to accept the Superintendent's recommendation to permit the Senior Citizen's use of the school bus insofar as no costs are incurred by the school district. Supported by Macomber. Yeas: Mick, Curley, Horning, Bunney, Walkowe, DuFresne and Macomber. Nays 0. Motion carried.

BUS BIDS: Dr. Thompson requested Board approval to seek bids for 2 buses, 1-66 passenger and 1-36 passenger. After a lengthy discussion it was moved by Horning that the Superintendent be directed to seek bids for two buses to be used as replacement vehicles for our fleet. Supported by Walkowe. Yeas: Mick, Walkowe. Yeas: Mick, Walkowe, DuFresne, Macomber, Curley, Horning and Bunney. Nays 0. Motion carried.

W.I.S.D. USE OF BUS: After a lengthy discussion it was moved by DuFresne to accept the Superintendent's recommendation to permit the Washtenaw Intermediate School District use of a Special Education school bus insofar as no costs

NEW PERSONNEL: Moved by DuFresne to accept the superintendent's recommendation to employ Matthew Willey as a secondary math teacher at the BA 1 salary level. Supported by Bunney. Yeas: Curley, Horning, Bunney, DuFresne, Macomber, Walkowe and Mick. Nays 0. Motion carried.

Moved by DuFresne to accept the Superintendent's recommendation to employ Terri Jeffries, a teacher of the Emotionally Impaired at the elementary level. Her salary level is BA 1. Supported by Walkowe. Yeas: Macomber, Walkowe, Mick, Curley, Horning, Bunney and DuFresne. Nays 0. Motion carried.

SUPERINTENDENT'S MANAGEMENT BY OBJECTIVE PRIORITIES: Dr. Thompson informed the Board that he preferred working with goals and priorities. After a discussion it was moved by Horning to approve the superintendent's

School Board Minutes

management by objectives plan outlining his priorities for the remainder of the 1979-80 school year. Supported by Bunney. Yeas: Macomber, Mick, Walkowe, Curley, Horning, Bunney and DuFresne. Nays 0. Motion carried.

Dr. Thompson said that this type of management by objective priorities would be used throughout the district in the 1980-81 school year.

RESIGNATION: Moved by Walkowe to accept the Superintendent's recommendation to accept Margot Eiseman's resignation. Supported by DuFresne. Yeas: Mick, Macomber, DuFresne, Walkowe, Curley, Horning, and Bunney. Nays 0. Motion carried.

EARLY GRADUATION REQUESTS: Board members questioned why the requests for early graduation were being recommended. Mr. Kappler indicated it

was past precedences set when cuts in program were made several years ago. After the program was re-instated the practice never stopped. President Mick and Secretary Curley indicated that the procedure to not grant early graduation was discussed prior to June of last year. They questioned why it was still being done. Mr. Kappler said it was discussed out that as far as it ever got.

President Mick requested that the Secretary include in the official minutes that it is the intent of the Board that the practice be stopped. That the administration bring to the Board recommendations so that both the Board and the Community will not be faced with the situation again next year. If those recommendations must be pro-rated out for a period of time before this can be actualized let that be done. But let something come to the Board by June to consider this problem.

Dr. Thompson suggested a specific date of June 30, 1980 be established for recommendation to be received by the Board.

Moved by Walkowe to accept the superintendent's recommendation to allow mid-year graduation for Stephen Girbaeh. Supported by DuFresne. Yeas: Mick, Bunney, Curley, Horning, DuFresne, Macomber and Walkowe. Nays 0. Motion carried.

Moved by Bunney to accept the superintendent's recommendation to allow mid-year graduation for Steve Sporzycki. Supported by Curley. Yeas: Curley, Horning, Bunney, DuFresne, Macomber, Walkowe and Mick. Nays 0. Motion carried.

Moved by DuFresne to accept the superintendent's recommendation to allow mid-year graduation for Teri Wheeler. Supported by Walkowe. Yeas: Mick, Walkowe, Macomber, Bunney, Horning, Curley and DuFresne. Nays 0. Motion carried.

Moved by Horning to accept the superintendent's recommendation to allow mid-year graduation for Leanna Wright. Supported by Bunney. Yeas: Macomber, Walkowe, Mick, Curley, Horning, DuFresne and Bunney. Nays 0. Motion carried.

Moved by Bunney that the meeting be adjourned. Supported by Walkowe. Yeas: Mick, Macomber, Bunney, Walkowe, Du-

Newberry Award Winner To Speak In Manchester

On Thursday, February 21, at 7:30 P.M. Mrs. Joan Bos, the 1979 winner of the Newberry Award for Children's Literature, will speak to the Klager School P.T.O. in the school's Multi-Purpose Room. All interested members of the Manchester community are cordially invited to attend this meeting. Mrs. Bos' topic will be "What to look for when selecting books for children".

Mrs. Bos' recently published book, "A Gathering of Days", was judged by members of the American Library Association to be "the most distinguished contribution to literature for children" of all books published in 1979. This is one of the highest tributes that can be paid to an author. "A Gathering of Days", which will soon be available at The Calico Cat, is written as a diary of a 13 year-old New England farm girl in 1650. Joan Bos has also written two books for pre-schoolers: "It's Spring, She Said" and "Just Think".

In addition to her writing, Mrs. Bos is a lecturer in the Dept. of Early Childhood Education at The University of Michigan. And she is the U.S. Editor of "Children's Literature in Education", an international journal which reviews books for schools and libraries.

Manchester is very fortunate to have a Newberry Award Winner speak in our town and the Klager School P.T.O. encourages all interested residents to join us for this evening.

Athletic Boosters

February 6, 1980

The regular meeting of the Manchester Athletic Boosters was opened at 8:00 p.m. by President Wellwood.

Because of no January meeting, the minutes of the December meeting were read.

Treasurer report was given by Pat Fitzgerald.

The minutes and treasurer report were accepted on a motion by Chuck King.

OLD BUSINESS:

A report on the Middle School Sports dinner was given by Kathy Hagerman for Ethelyn Rhees. She reported that everything went well and those attending were

very pleased. Mrs. Rhees said she was willing to be a co-chairman again next year and suggested a seventh grade mother work with her.

President Wellwood announced that the Winter Sports Recognition would be held on Sunday, March 9, 1980 at 2:00 p.m. at the High School. Sandy King and Kathy Hagerman will be the co-chairmen.

Bill Scaletta reported that the L.C.A.A. League Wrestling meet would be held on Saturday, February 9, 1980 at Manchester High School. He has plenty of help and everything is ready to go. He stated that the only thing he did need was a covered truck and some help to get wrestling mats from Clinton. Wayne Hamilton and Tom Burch volunteered. Bill said he would get the remaining help needed.

Pat Fitzgerald reported that the concession stand would open at 9:30 a.m. and that all workers had been scheduled.

Ted Stautz reported that the new addition to the storage and concession building at Booster Field had been completed with the exception of a couple of changes on things in the original building. A motion was made by Ted Stautz to pay \$2,000.00 of the bill now and pay the remaining amount when the changes were completed. Seconded by Joe Fitzgerald. Motion carried.

President Wellwood reported that Dave Jose has volunteered to paint the new addition, if the paint is furnished, for being able to use the track.

President Wellwood reported that the All Sports Banquet would be held on Sunday, May 4, 1980 at 1:00 p.m. at the High School. The tri-chairman for the event are Shirley Krzyzaniak, Jan Broucek and Liz Malcolm.

Bill Scaletta stated that the guest speaker would be Morley Frasier from Albion College. Bill said he had agreed to do it for \$100.00. A motion was made by Chuck King to pay Morley Frasier \$100.00 for speaking at the All Sports Banquet in May. Seconded by Kathy Hagerman. Motion carried.

A discussion of School Board Capital Improvement was deferred by President Wellwood until the next regular Athletic Booster meeting.

Wayne Hamilton expressed an interest in starting a 12 year old and under soccer league in Manchester and asked about the possibility of using the field at Booster Field to play on. President Wellwood stated that the field was school property and as such the request should be made to the Board of Education.

The discussion of cancellation of spring sports was turned over to Joe Fitzgerald by President Wellwood.

Joe's first comment was to thank Phil Mans for making the study auditorium available to the Athletic Boosters.

Joe stated that the regular meeting of the Athletic Boosters was opened to the public for comment and discussion regarding cancellation of sports for the following reasons: 1) approximately 250 students involved 2) taxpayers voted and approved a millage for a total program 3) concern for the amount of money and time spent on the development of the new facility at Booster Field - many hours of donated time plus approximately \$90,000.00 of donated money 4) what future public support could be expected if the facility is abandoned in its second year of use 5) would like to have the Board of Education take a serious look at reconsideration of

returning a full program back to the students including academics and athletics.

The following people either asked or were selected to be a part of the evenings agenda: John Korican, teacher, coach and parent; Jim Fielder, teacher, coach and parent; Bill Broucek, parent; Jim Scully, representative of Double A Products; Clarence Fielder, representative of Manchester Tool and Die and Chuck King, parent and businessman.

The following statements were randomly picked from the above persons comments not necessarily in the order of which they spoke:

"It's very important to have not only strong bodies but strong minds. The two must go together."

"The time has come for everyone, administration, teachers, parents, and students to start pulling together before we lose everything."

"I believe very strongly in the value of athletics as well as academics."

"We have to have a good educational program including sports."

"My own personal involvement well over \$18,000.00. Now is not the time to see it lost. We want very much to see it used."

"The young people of today have to be kept strong both physically and morally. Athletics has been proven to be the best stronghold to discipline in today's schools across the nation."

The above comments were appreciated and well received by all attending the meeting.

Following was much constructive criticism, suggestions, comments and feelings from several people in the audience.

At the conclusion of the discussion, Joe Fitzgerald thanked everyone for being concerned enough to attend the meeting. He commended them for helping to make it not only an orderly but a good constructive meeting.

The Athletic Booster meeting was then adjourned at 9:15 p.m. on a motion by President Wellwood.

The next regular Athletic Booster Meeting will be held on Wednesday, March 5, 1980 at 8:00 p.m. at the high school.

Respectfully submitted,
Kathy Hagerman, Secretary

As little as \$100 earns double digit interest at Ann Arbor Bank and Trust.

Ann Arbor Bank and Trust wants everyone to benefit from a change in federal banking regulations. Effective Jan. 1, 1980, we are able to issue new high-interest 30-Month Certificates of Deposit. At Ann Arbor Bank and Trust, the minimum deposit required is only \$100. Saving, an American tradition, now makes more sense than ever.

- Interest is compounded continuously and guaranteed for the term of your investment.
- Interest rate on new certificates is set each month and remains the same for the certificate's term.
- Term of the certificate is 30 months.
- Renewable automatically at the rate in effect at maturity.
- With a certificate of \$2500 or more the interest earned may be deposited directly into your Ann Arbor Bank checking or savings account.

Current Interest Rate	Effective Annual Yield
10.15%	10.839%

High interest rates for small savers—we think it's good news.

*Federal regulations require that six-months interest be forfeited for early withdrawal of certificates with a maturity of one year or longer.

AGRICULTURE IN ACTION

MICHIGAN FARM BUREAU

RATS ON OUR SIDE

So many times in recent years, tests using rats have turned out to be bad for food producers. For example, there were the reports on bacon, cyclamates, sacchar-

in and others. All the rats getting cancer gougung themselves with those products brought on a demand for a better quality, more hardy, rat.

Now, some tests have been run that place the rat on the right side for a change. In this case, it deals with feeding them the favorite breakfast item, the "incredible, edible" egg, versus one of the new egg substitutes.

As you probably know, the poor egg has been blamed for containing cholesterol and

some bright scientist came up with the egg substitute product that had none. However, a recent study released by an egg industry consultant says that these substitutes may not be as safe as the real thing, which is good news to egg producers and consumers.

According to the story, reported in PEDIATRICS MAGAZINE, young rats were divided into three groups. One group was fed ordinary standard laboratory food as a control. The second group received

regular eggs, and the third was fed a popular egg substitute.

After five weeks, the group fed the lab food weighed 70 grams. The group fed only eggs weighed 66.5 grams, but the group that only received the egg substitute didn't fare so well. After five weeks, they weighed only 30 grams and all had diarrhea. Their hair all fell out, and shortly after five weeks, they all died.

Now, rats are not humans and it's doubtful that anyone knows what effect these egg substitutes may have on us. However, at this point, it's nice to be able to say: "Give me the real thing, over easy, please!"

Shakespeare Reading Club

The Shakespeare Club met at the Emanuel Church lounge, Tuesday, February 5 with 16 members present.

Two new members were welcomed to our membership, Mrs. Dorothy Hamilton and Mrs. Henry VanDerSchalie.

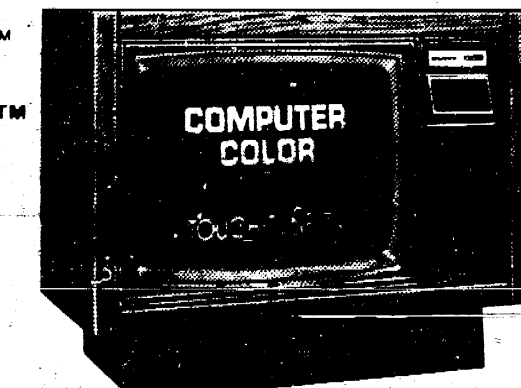

Mrs. Wilma Bucholtz read some minutes of the 1910, 1940 and 1920 which were held at the homes of Mrs. Waters and Mrs. Goodyear.

Mrs. Sally Marshall and Mrs. Jeanette Kirk gave a review of the Shakespeare Play, a comedy "Loves' Labor Lost". They attended the past summer at Stratford Von Avon.

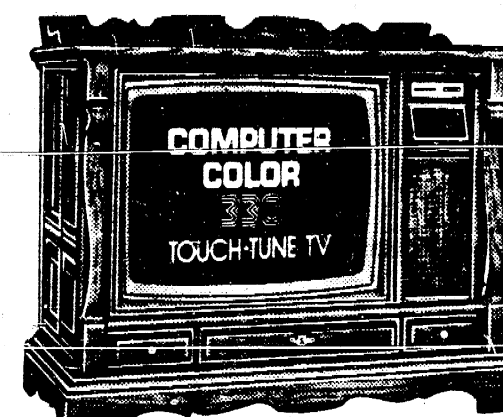

Mrs. Jesse Walker and Mrs. Otto Timmerman attend the play "Richard II" and presented to the members a concise description of the plots and characters of the plays of William Shakespeare.

The next meeting of the club will be held February 19 at the home of Mrs. Aaron Nathan, Tuesday, February 19 at 2 p.m. The topic will be "Flower Arranging".

BOARD MEETING

The Board of Trustees, a spirited but dedicated group, encourages you to attend any of its meetings. Your input is important to the operation and direction of the Manchester Art Guild. Long-range planning of exhibits, activities, and finances will be discussed at our next board meeting. Join us at the Black Sheep Tavern, Monday, February 18 at 7:30 p.m.

CLASS REMINDERS

Remember, we have winter classes and workshops that may be for you. Two are beginning within the next week.

If your child is between the ages of 8 and 12, we have a Creative Weaving Workshop starting this Saturday, February 16, 10 a.m. to 12 noon and running three consecutive Saturdays. This workshop will stimulate creativity through the woven arts. Basics will be taught—from

making cardboard looms to weaving projects incorporating a variety of found objects. Encourage your child's talents by enrolling him or her in this workshop. There will be a fee of \$4 per session—all three need not be attended.

Graphics and Design is an adult class to begin this Tuesday. Taught by Heather Price, it will meet the next two Tuesdays: February 19 and 26. Heather, with a BA from Alma College, has stimulated students with her calligraphy class in the past. In this course, she will try to develop each student's graphic communication skills. Your artistic talents may need only to blossom with Heather's insights and attention. There will be a fee of \$8 for members and \$16 for non-members.

Both of these classes will meet at Emanuel Church. Don't hesitate. Call Becky Doyle at 428-7193 and take advantage of either the Creative Weaving Workshop or the Graphics and Design Class.

Free Blood Pressure Tests At Saline Hospital

Saline Community Hospital as part of the commitment to the wellness of people in the Manchester area is offering free blood pressure checks in the Emergency Department 24 hours, 7 days per week.

"It is hoped that many area residents will take advantage of the blood pressure screening program," stated William Lavery the Hospital Administrator. High blood pressure is one of the major factors in strokes and heart disease. It is also a hidden disease for there is no way of knowing what your blood pressure is without having it checked.

It is hoped that this free service to the community will be a factor in the preven-

tion of heart disease, strokes and early treatment of hypertension. All those found to have high blood pressure will be referred immediately to their family physician.

Named to Dean's List

More than 1,300 students are included on the dean's list for the recently concluded fall semester at Western Michigan University. To be eligible a WMU student must have compiled a 3.5 grade average in at least 14 hours of graded work; 4.0 is all A's.

Two students from Manchester were named to this list. They are: Stacey Ames, daughter of Mr. and Mrs. Joseph Ames, 5965 Kothe Rd. and Peter Tassie, son of Mr. and Mrs. Donald Tassie, 416 Vernon St.

Observations

hundred years ago and it is still true today. All one has to do is to look at the quarterly statements issued by the government and find that prices are up, taxes are up, but disposable income over the same period has decreased. So what good is an increase in labor if all one can do is to buy less with it.

No, our only solution to the whole problem is to attack money. The payment to cities, counties, state, and federal government must be reduced. Any proposal for money which is to be obtained by raising taxes must be voted down. Give the rascals no money and there won't be any rascals. For that is the food of their life. Take away money and they starve. At the last election the State for some reason voted down Proposition 13. This year Tish is trying again with a new proposal to cut down taxes and if we have any sense we better vote for it. And instead of just a few voting, let's all go out and cast our ballot.

Indo-China Refugee Sponsorship Program

The Indo-China Refugee Sponsorship Program will be the topic of discussion at a special community meeting to be held at Emanuel Fellowship Hall on Monday evening, February 18, at 8:30 P.M. A group in Manchester have been working to gather information about the possibilities and requirements for a sponsorship here. The Manchester unit of Church Women United has set up this meeting as a means of sharing this information with all citizens as well as to offer the opportunity to express their opinions and to ask questions.

Under the U.S. Immigration Law refugees cannot enter this country unless sponsorship is found for them.

115TH YEAR VOLUME NO. 17 USPS 327-660 THURSDAY, FEBRUARY 21, 1980

HIT OR MISS by farley

The other day there was held at Ann Arbor, among other places, a demonstration protesting the proposed draft and vice versa. The percentage for it was some 45% and against it some 50%, and undecided 5%. These percentages however, are not so important, but as we thought about it we decided that perhaps it was us old gaffers who had failed the younger generation, not the youngsters who had failed us. We too are not a bit sure of our ideals and loyalties.

Then we read that only 5% of the present population could personally remember World War I. For the moment this astonished us until we were forced to remember that World War I took place 55-60 years ago-it couldn't have been that long ago. At that time we were just about high school age, and at the time the war ended we, wanting to make spending money, had obtained a job "carrying copy" for the Associated Press wire service in Jackson. There were there two daily newspapers, one morning and one evening, and both were subscribers.

In those days there were, of course, no radio nor TV and the news was distributed across the country by telegraph using morse code rather than voice. At each town where there was a subscriber or so a telegraph operator sat with a chattering code key beside one ear while he transcribed the news coming over it on a typewriter. The speed with which the senders could tap out this material was only equalled by the speed with which the receivers could get it down on paper on their typewriters. This chatter continued for fifteen minutes at top speed and then there was a five minute break. At this time the boy on duty would take the grist from the previous fifteen minutes and dash madly down the street, dropping off a copy at each paper where the telegraph editor would proceed to edit it and send it to the composing room. There were two of us boys who worked every other night from 6:00 p.m. till 2:00 a.m. In those days we didn't have a social security number, nor a birth certificate nor a counselor, not anyone checking to see if we were working in the proper environment or that we shouldn't be working far into the night. We did our homework at a makeshift table between trips and both were pretty good students. This was for me, the beginning of a love affair with the newspaper business. We were right in the midst of things.

And so we vividly remember Armistice night-the end of World War I.

For four long years, 1914 to 1918, we had experienced all phases of war, in the beginning of being a bystander then gradually being forced into being a participant, and these experiences had welded us into a united nation with one aim-to win the war, and so on this November night in 1918 when a report was received on one news service that an armistice had been signed, hysteria broke loose, but it was shortlived when the report proved premature. Then on the night of November 10, before dawn, it then being 11:30 a.m. in Europe, the signing of the Armistice was announced and bedlam broke loose. I remember madly racing to both newspaper offices with the confirmation.

In those days when an important event took place the newspaper issued an extra with both of them striving to see who could be first on the street. The process was a mad scramble with a skeleton crew hastily summoned so the linotype

operators could set the news in type and then rush it to the stereotyping room and onto the presses. The previous day's issue was always left on the presses so that all one had to do was remake the front and back pages and get the extra on the street. I remember that this was completed in less than an hour at times.

By then a group of carriers had been summoned and papers were issued to them and they were transported to various parts of town to cry at the top of their voices, "Extra-Extra", and soon the whole town was alerted.

There was at this time in Jackson, a factory operated by the Sparks-Withington Company who were making what were then known as trench sirens, an ancestor of those now used on police cars, ambulances, etc. But then they were hand operated with a crank, and the faster you turned the crank the higher the note of the siren. They were used in trenches to alert the occupants of an impending assault or an air raid and in the cities, etc. and they made an infernal racket.

Many women were employed in this factory making these sirens which were being turned out in large quantities-the first time that women had been employed to any extent in a factory.

We had a friend working in shipping there and so the first thing we did was phone the plant and confirm what had happened, and so bedlam broke loose. Everyone dropped their tools and rushed to the shipping area of the plant and grabbed one or two of the sirens, then raced to the several huge Packard trucks parked there and all that could, climbed aboard and the trucks were driven down the streets of the town. It took little time to alert the whole area and a wild and raucous celebration ensued which continued throughout the day when sheer exhaustion toned it down somewhat. By afternoon some of the celebrants found it necessary to bolster their spirits with liquid substance, and before long some of the celebrants had fallen by the wayside.

The police were somewhat on duty but they too joined in the affair and when it became necessary they simply escorted or assisted the fatigued celebrants to a quiet corner until they revived somewhat and could be taken home. We shall never forget the rows of forms laid out in the triangular park in front of the depot on East Michigan Avenue. It looked before long, like the aftermath of a great battle.

This celebration released the tension which had been evident for so long when everyone was working and praying and hoping for a victorious conclusion of a war in which most of us thought that we were forced to participate in order to preserve our democratic way of life and we were all united in achieving this result. I suppose there were a few conscientious objectors when the draft for this war was announced but most of us were very proud to serve our country, and those who by the time they were drafted, had not volunteered, accepted their fate stoically as did their families, and marched away to do their bit for their country, proudly if not gladly. Most of us were glad to fight, if we had to, for our privileges, and even joked a bit about it.

I remember a vaudeville act-vaudeville was at that time the TV of the 1916's-when a blackface pair-the negroes of that time didn't think they were being insulted when they were portrayed as

ENGAGEMENTS ANNOUNCED

Mr. and Mrs. Alexander Dowhal of 4250 S. Fletcher, Chelsea are announcing the engagement of their daughter Susan Elizabeth Dowhal to Gerald Lee Huehl, son of Mrs. Mildred Huehl and the late Earl Huehl, 4200 S. Fletcher, Chelsea.

The bride-elect is a graduate of Chelsea High School and Automation Institute and has been employed for 3 years at Xerox University Microfilms.

Gerald is a graduate of Chelsea High School and is co-owner of Huehl Acres Dairy Farm.

A Fall wedding is being planned.

The engagement of Julie Ann Merz has been announced by her parents Mr. and Mrs. Gerald Merz, 7066 Park Rd. Ann Arbor to Daniel Luther Schabile, son of Mr. and Mrs. Luther Schabile, 4065 Fletcher Rd., Manchester.

Julie graduated in 1976 from Dexter High School and a June, 1980 graduate of Michigan State University. She is part time employed at Braun Implement.

The future groom graduated from Manchester High School in 1976 and is self-employed on the family farm.

A September 20, 1980 wedding is being planned.

Mrs. Reck Retires From Library Board

With deep regret, the Library Board of Trustees announces the resignation of Mrs. Franklin Reck from the board. Claire was first appointed to the board in 1942 and, with the exception of a one year break, has faithfully served the library continuously with great dedication. In 1967 she was elected secretary of the board and consented to remain in that position. As a former member of the Washtenaw County Library board, she has thorough knowledge of the inner workings of our library and the Huron Valley Library System. Also, because of her sense of history, understanding of the community, attention to detail and industriousness she will be greatly missed in decision making situations. Claire will remain as a consultant, however.

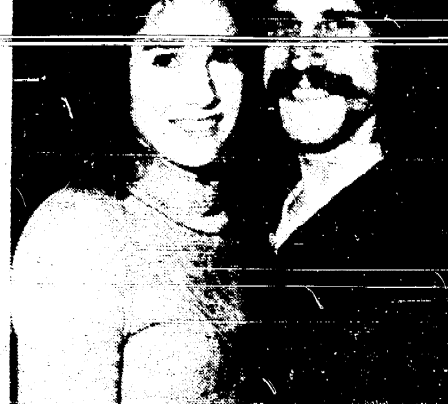

Appointed to fill Claire's unexpired term, is Mrs. David (Margaret) Goodrich. Margaret has a M.A. in Library Science from Western Reserve University in Cleveland, Ohio. Her extensive library experience includes seven years librarian in the Cleveland Public Library and nine years in the Dearborn, Michigan system; four as Children's Librarian and five as branch librarian.

Kings Daughters

The King's Daughters will hold a meeting on Thursday, February 28 at 1 p.m. at the home of Marion Lowery, 411 Wolverine, Manchester.

Results Of Primary Election

The results of the Primary Election held February 18, 1980 are: President-Jeff Schaffer 91; Clerk-Deborah Richardson 92; Treasurer-Mary Smith 93; Assessor-Wendell Reinhart 85; Trustees: Mark Chapin 23, Howard DuRussel 83, John Hinkley 81, Gale Koebbe 81, David Petsch 82 and Keith Reed 82. Total Votes 101.

Mrs. Joan Schultz of Dexter and Mr. Louis Spies of Manchester have announced the engagement of their daughter, Luann Mary, to Steven Richard, the son of Mr. and Mrs. John Wellington of Jackson.

Miss Spies is a graduate of Manchester High School and is employed by Esco Sparacatron Inc. of Ann Arbor.

Mr. Wellington is a graduate of Parkside High School and a honors graduate from Washtenaw Community College. He is employed by Ann Arbor Terminals Inc. of Ann Arbor.

The couple plans a May wedding.

Birth Announcements

Mr. and Mrs. Richard Greenwald are proud to announce the birth of a girl, born February 12, 1980. Meghan Susan weighed 7 pounds 13/4 ounces and was 20 1/4 inches long. She has a sister Michele, 4 years old.

Mr. and Mrs. Lyle Jacob announce the birth of a daughter Lindsay Adrienne born February 15. She weighed 6 pounds 15 ounces and 20 inches long.
