We've heard a great deal about Contemporary English lately, and as you may know, "contemporary" means pertaining to the present time, so you see contemporary English is nowadays in many places; in product instructions, in descriptions of various kinds, and not least of all in business letters and in political speeches and governmental directives—all of which makes everything perfectly clear to those who may find themselves involved in any situation complimentary to the situation at hand. It bears about the same similarity to so-called classic English as does Chaucer's Canterbury Tales and a James Bond conversation. Columnist Russell Baker has recently translated the well known tale of Red Riding Hood into Contemporary English which I believe will explain everything if you dig it at all, so

School Election June 9

The annual school election will be held from 7:00 AM to 8:00 PM on Monday, June 9. All residents registered for national and state elections are eligible to vote. Residents who have not registered may do so with their township clerks before 5:00 PM, May 12, 1980.

There are two four year vacancies on the board of education to be filled at the annual election. Residents wishing to be a candidate for office must file nominating petitions in the board office by 4:00 PM Monday, April 10, 1980.

Petitions are available in the board office. A minimum of 20 names are needed. Each petition is to be circulated in one individual township. No resident can sign more than two petitions. It is recommended that each candidate file petitions with a few excess names.

225 Pints of Blood Needed

Two hundred twenty-five pints of blood must be collected to meet the needs of the Manchester area this spring according to American Red Cross forecast. Now is the time to give here at home.

All local industries are registering blood donors this coming week for the Red Cross Bloodmobile which arrives Monday, March 31 at Emanuel United Church of Christ at 12 noon, for a six hour clinic.

Mrs. Ica Schaffer, 428-7655, is doing the scheduling for Mrs. Millard Uphaus, 428-7461, Chairman-of-the-Day. Registration cards collected from the drop boxes at both banks and IGA grocery and those from the church campaigns will be scheduled on March 25 or 26 so they can be returned to everyone by Saturday, giving donors their definite appointment times. If you haven't signed a card or have not been contacted by a recruiter, please call Mrs. Schaffer or Mrs. Uphaus. It is possible to come into the clinic on the 31st and wait your turn. Just please COME. It may be your own family needing blood this year—there's no way of telling in advance.

Seventeen year olds may give blood with the consent of a parent or guardian. Be sure and bring the permission slip to the clinic when registering.

March marks the 29th year that Manchester has actively supported a Red Cross Blood Club and successfully taken care of the needs of the Manchester School District.

HIT OR MISS

had struck, the body lupine cried out for decision. The wolf was up to the challenge. He took two stomach powders and got into bed.

"The wolf had adopted her abdominal recovery posture when Little Red Riding Hood achieved his presence. 'Grandmother', she said 'your ocular implements are of an extraordinary order of magnitude.'

"The purpose of this enlarged viewing capacity' said the wolf 'is to enable your image to register in a more precise impression on my sight system.'

"In reference to your ears, said Little Red Riding Hood, 'it is noted with the deepest respect, that far from being underprivileged, their elongation and enlargement appear to qualify you for unparalleled distinction.'

"I hear you loud and clear kid,' said the wolf, 'but what about these new choppers?'

"If it is not inappropriate,' said Little Red Riding Hood, 'it might be observed that with your new miracle masticating products you might be able to chew taffy again.'

"This observation was followed by the adoption of an aggressive posture on the part of the wolf and the assertion that it was also possible for him, due to the high efficiency ratio of his jaw, to consume little persons, plus, as he stated, his firm determination to do so at once without delay and with all due process and propriety, notwithstanding the fact that the ingestion of one whole grandmother had already provided twice his daily

recommended chlorestal intake.

"There ensued flight by Little Red Riding Hood accompanied by pursuit in respect to the wolf and subsequent intervention on the part of a third person, heretofore unnoted in the record.

"Due to the firmness of the intervention, the wolf's stomach underwent ax-assisted arpture with the result that Red Riding Hood's grandmother was enabled to be removed with only minor discomfort.

"The wolf's indigestion was immediately alleviated with such effectiveness that he signed a contract with grandmother in a commercial demonstrating the swiftness of this dramatic relief for stomach discomfort.

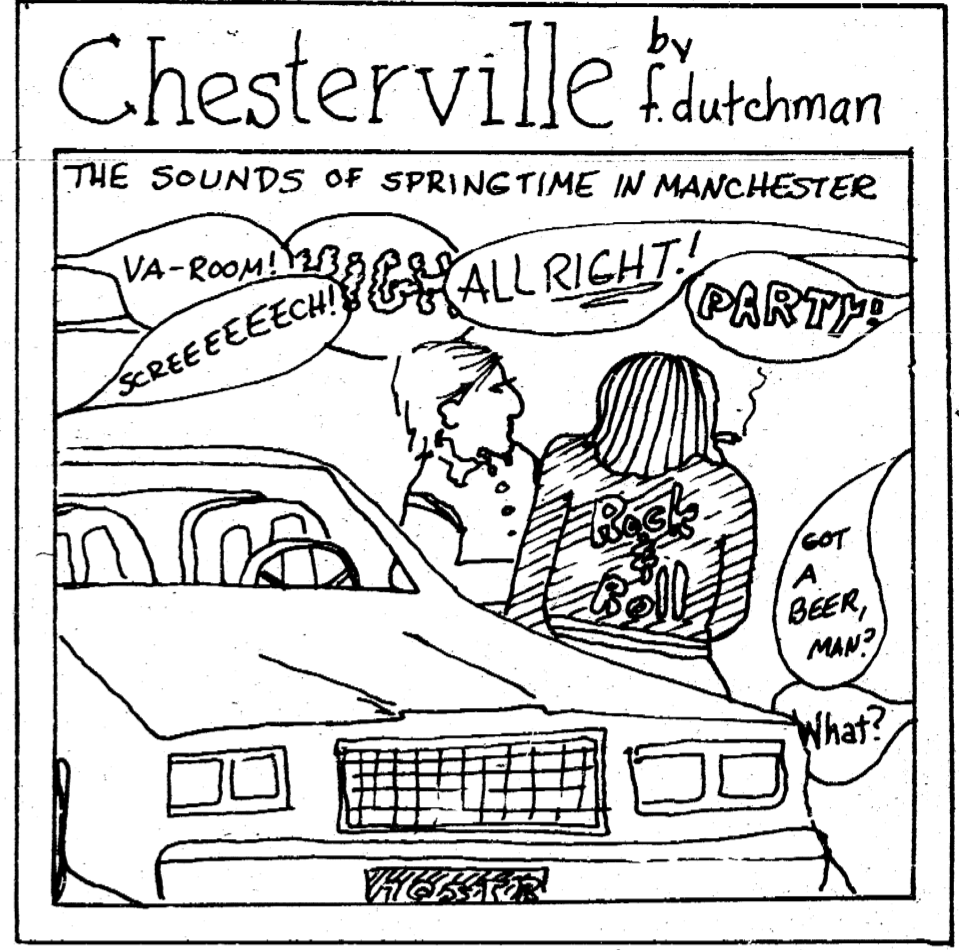

"I'm going to be on television, cried grandmother'.

"And they all joined her in crying 'What a phenomena.'"

Twentieth Century Club

The Twentieth Century Club met at the home of Marcia Duncan with Mary Blossom serving as co-hostess. The meeting was called to order by vice-president Dorothy Mann. Hazel Kappler gave a report on the Boat People-refugees from Southeast Asia. Margaret Tapping, Virginia Fielder and Mary Blossom presented two humorous skits "The Mill That Grinds" and "High Pressure". The club members enjoyed the presentation with many hearty chuckles.

The club will meet again Tuesday evening April 8, at the home of Kaye Roesch.

manchester art guild news

A BIRDSEYE VIEW

Last Saturday at the Methodist Church, Barbara Slowinski, Executive Director of the Michigan Museums Association, skillfully mediated board members and others in a fascinating but meaningful brainstorming session. Everyone in attendance spent the day evaluating the Manchester Art Guild from a birdseye view. Barbara carried the group to this lofty perch with a realistic and organized approach.

The morning began with an intricate examination of the guild's activities, its relationship to the community, its membership, the budget, and virtually every aspect of its present function. Lunch time arrived and provided a delicious array of salads that had every-one returning for second helpings! Following lunch, discussion centered on the future. What should the Manchester Art Guild be like in 1985? Goals included having a better structured organization, working toward a greater emphasis on art education in schools, having a broader base of community support, regular programming of classes, workshops, and trips, and to be prestigious enough to hold some excellent one-person shows. After dreaming about the year 1985, Barbara illustrated methods of simplifying and restructuring the organization to meet these goals.

Brainstorming ended with the formation of a committee to evaluate the day's work, with which conclusions will be drawn. The results of Saturday's meeting should give the guild added purpose and a vehicle for an exciting rebirth.

MEETINGS

A scheduled membership meeting for March 24 has been cancelled to allow further time for evaluation of the brainstorming session. Instead, a board meeting will be held on that night, at which an enthusiastic welcome would be extended to anyone interested in attending. The meeting will be at the Black Sheep Tavern at 7:30 p.m.

LOOKING FORWARD

The countdown has begun for the children's exhibition: "Through a Child's Eyes", opening April 13 and running through April 27. Area schools will participate, including Manchester, Chelsea, Brooklyn, and Clinton. Opening festivities are being finalized, artwork will be arriving, publicity will begin, and activities will focus on creating an exhibition as successful as last year's show. Look forward to April!

Looking ahead to May, anticipate an excellent exhibition sponsored by several area guilds specializing in the heritage craft of rug hooking.

Refugee Family Assistance

An informal meeting will be held Monday, March 31, at 7:30 p.m. at the Manchester United Methodist Church, for a further exchange of ideas and information about helping a refugee family re-settle in Manchester.

Twenty-four people participated in the last such meeting, on March 10, including representatives of most of our community organizations and churches. The meeting was sponsored by the Manchester chapter of Church Women United.

Participants heard a guest speaker, Mrs. Nina Klauert of Saline, explain the process by which a citizens' committee, with the aid of the churches and many concerned individuals, worked to locate a Far Eastern family, sponsor their entry into the United States, and help them begin to build a new life in their new country.

Mrs. Klauert was accompanied by two of her co-workers from the resettlement committee, and also by two members of the refugee family, now living in Saline.

Mrs. Klauert's account of the Saline resettlement experience sparked a great deal of positive interest, with volunteers offering to work with a resettlement committee in the areas of housing, clothing, food, employment, language transition, medical and dental care, and immigration laws.

At the moment, however, the idea of refugee resettlement in Manchester re-

Sharon Valley 4-H Club

Spring like weather greeted numerous 4-Hers from all over the county who arrived at the Saline High School this past week-end for this year's edition of the 1980 4-H Spring Achievement.

Twenty members of the Sharon Valley 4-H Club were involved in the areas of Leathercraft, Woodcraft, Personal Appearance and Demonstrations.

Kelly Burke of Grass Lake was the only member of the club entered in the Apprentice Division of Leathercraft. She was awarded an "A" rating ribbon on her project.

In the Handyman Division, Rob Poet of Manchester received an "A" rating and an honor ribbon for his efforts. Dawn Spiegelberg of Grass Lake received a "B" rating ribbon in the same division.

Under the heading of Miscellaneous of Special Projects, Teresa Spiegelberg of Grass Lake was given a "B" rating ribbon. Receiving "A" awards and honor ribbons were Greg Eggleston, Judi Poet, Rick Poet and Jean Ann Wahl, all of Manches-

ter, along with Shana Burke and Mary Tobias of Grass Lake. Jean Ann also received a Tandy Award in this area. She also won the "Best of Show" award.

All ten woodcrafters received "A" rating ribbons on their projects. They were Patty Fuller of Belleville, Anna Heath, Jeff Horning, Rick Poet, all of Manchester, Karen Kuebler of Saline, Matt Mazurek of Ann Arbor, all Apprentice exhibitors. Handyman exhibitors were Mike Hurst of Grass Lake, Roy Kuebler of Saline, Judi and Rob Poet of Manchester.

From the Apprentice group, Jeff Horning and Rick Poet were awarded honor ribbons. Mike Hurst and Rob Poet received honor ribbons in the Handyman group.

In the Personal Appearance Department, Patty Fuller of Belleville received an "A" rating ribbon on her vest and coulotte outfit. First year sewer, Mary Ann Salyer of Manchester won an "A" rating ribbon on her head scarf/cover-up and wrap around denim skirt. Receiving a "B" ribbon on her clipped corduroy vest and skirt was Karen Hansen of Manchester. All three girls modeled their garments in the style shows.

Doing demonstrations for the very first time were Shana Burke, age 13 of Grass Lake, Scott Poet, age 8 of Manchester and Mary Tobias, age 17 of Grass Lake. Shana and Scott gave interesting demonstrations on clowning. Shana was assisted by her sister, Kelly. Mary's demonstration showed the unusual art of quilling. All three 4-Hers received "B" ratings and hopefully they will be back next year.

Congratulations to all these outstanding 4-Hers and many thanks to the leaders and to the parents for all their help and assistance.

Brownies Enjoy Outdoor Party

Roasted hot dogs, cold Brownies, and friends were the scene on the Riverbend Estates Pond in February, when Brownie Troop 650 had a skating party and hot dog roast. Twenty-two Brownies and friends were able to enjoy this outing, thanks to Mr. and Mrs. Wayne Hamilton and their son, Burke, who allowed us to use the pond in back of their house. The pond and setting were beautiful. Also many, many thanks to Jeff and Joanne Stevens who's

camping abilities facilitated the safe construction of a fire, making hot dog roasting sticks, and most of all for shoveling off the hockey ring size area on the pond.

Other adults in attendance were Jayne Cyers, Roseanne Hawk, Jim and Mary Ann Fielder, and myself, Nancy Babcock. Brownie Troop 650 thanks you all for helping make this party a success!

Census Takers Still Needed

Full-time, temporary jobs as census takers in this area are still available. Michael Berla, Manager of the local 1980 census office said today.

"We're counting on you if you can work 30 to 40 hours a week visiting households and interviewing the residents," Berla said, adding that some evening and Saturday work will be required.

Census takers will begin work soon as part of the 1980 Census of Population and Housing. They will attend a training session for which they will be paid. Most census takers will be paid a piece rate for the number of household interviews completed. In a few instances, pay will be by the hour. For all workers, pay will average \$4 an hour or more.

Census takers must be able to follow printed instructions, do simple arithmetic, and read maps for which they will be tested before hiring. They should be able to walk a considerable amount, climb stairs, and ought to have good eyesight and hearing. They should have a home telephone and many will need a car, for which mileage will be paid when it is used in the census work.

The Census Bureau is an equal opportunity employer.

In the Manchester area, interested persons are urged to take the written, job-related test at the following place: 120 S. Clinton in the Council Room of the Fire Hall on Tuesday, March 25 and on Friday, March 28, at 9 a.m. and 11 a.m.

Receives Honorable Mention

Christina Opal, senior at Manchester High School has received an honorable mention for the short story she wrote in the nationwide Interlocken Writing Essay Contest.

She is the daughter of Mr. and Mrs. Richard Opal of Manchester.

Out of the 7,500 poems and short stories that were entered, 66 received honorable mention.

MANCHESTER TOWNSHIP BOARD

Elevations

A couple of the latest issues I have severely criticized by two former Manchester students regarding my stand on the school and their athletic program. I'm neither of these two students. I read or at least understand what you were reading. Both stated that I had a negative attitude toward sports and that to realize their values, I certainly had no such attitude nor did I mean to say it. I have nothing against sports, in fact I earned my "M" letter (that is Manchester), and have been a member of the "M" Club for almost forty years. I paid my dues and participated in the program.

I firmly believe that there is some educational value in a sports program. I believe that the youth of Manchester need some of this education as I usually find them to be poor losers. I don't know if ever I heard a participant say that they were beaten because the team was better. Excuses for losses were usually blamed on poor coaching or my refereeing. Just like in this debate my critics blame the omission of a sports program on poor planning by the school board although neither ventures an opinion just what this poor planning was. How it was committed. We can only assume that they don't know and are merely spouting off, because it sounds good.

Suffice to say I base my statements on the fact that the school board had money enough after fixed expenses, (teachers salaries, maintenance, utilities, etc.) to either fix a leaking roof or have a spring sports program. But not both. For wanting to fix the roof and be able to continue their educational program, I support them. It is more important to be able to read, write, and subtract figures, than it is to learn when to throw a curve ball and when to throw a fast ball.

As it stands now some members of the village went to work and raised money to

support a sports program. For that they should be applauded. There was a voluntary service and money was given willingly. I stated my views from the standpoint of a tax payer who is not asked to pay but rather forced to pay whether he has the money or not. Neither one of my friends looked at the question from this standpoint.

Last but not least, both of them seemed to be sarcastically concerned about my signature. Both completely overlooked the fact that this signature is my prerogative and I can use whatever I want to. Both of my friends probably believe that Ann Landers is her real name or that there actually was a river boat pilot by the name of Mark Twain. Admittedly neither of these two persons ever played in an athletic contest and my two critics never learned about them.

LETTERS TO THE EDITOR

Dear Kris Clark, Esquire:

I suppose you penned your letter of March 6 hoping to get a reply, so I shall try not to disappoint you. No statement about any subject as broad as the subject of women's lib-I'm not even sure what it is overall-can cover the whole subject and be right in every instance. We were poking fun at the popular conception of "lib" in relation to our personal experience.

We recently lost our wife of some 53 1/2 years with whom we had been in business as a partner-in every respect-for all of these years, and all of this time we had been partners in every sense of the word for so, all these years. We worked together for seven days a week and for about 25 hours a day and together we shared the good things and the tribulations of all of these years of running a

small town newspaper. We both enjoyed just what we were doing and found a lot of satisfaction in doing it. We owned our home and our place of business in a joint title, and shared equally in the profits and the problems, and I guess we got so in the habit of so doing that we inferred that most everybody did likewise. When she was taken ill and left us, the whole bottom dropped out of the world but as I look back I can see a million little things that I am thankful for and perhaps I had, during these years, more than my share of the good things of life. The memories of these years will sustain me in the lonesome days to come, but I shall keep busy doing things that I like to do and find that this is the best cure for my problems.

You don't sound to me like the kind of person who has ever known the affection and respect and comradeship of that kind for a person of the opposite sex, and if you haven't I am truly sorry for you.

We may have, as sister Clark says, slept through the 70's but I don't think that we were unaware of all that went on around us. There were then and are now, inequalities in all things. It's impossible to make a law that will apply perfectly to any situation, but I think that the inequalities are much fewer than they were some years ago.

I have found that many of the things you complain about were caused by the ineptitude of the participants. Many of the "imported citizens", the black citizens and the women who are so downtrodden are at least to blame for their troubles because of their stupidity-not always mind you, but in many cases-and their docile attitude. Many of them were descendants in their own countries who came here looking for utopia.

The constitution was framed, 'tis true, by the "upper class" males, because

educational advantages were then not available to the masses as they are now, but I'll bet those framers used the word "Men" as a term meaning the genus homo of both sexes as differing from the other members of the animal kingdom.

And if you get your wish and I am reincarnated as a black woman I hope that I shall possess the intelligence to do more than sit on my haunches and bay at the moon. And I hope that I can contribute a bit towards eliminating at least a few of the injustices that surely do remain in this country.

But all in all it reminds me of the famous cartoon penned by Bruce Brains-father during World War I when he pictured two British foot soldiers crouched in a shell hole half filled with water while they held their guns aloft to keep them dry and a shell burst nearby showering them with mud, and one beleaguered soldier turns to the other and says: "Alfie, if you know a better 'ole, get to it." And I don't know a "better 'ole" than these United States and all the time we're here we will do a bit we hope, to make it better and so Kris may we hope that you can develop a more positive attitude towards things than you seem to have, and help to rectify some of our shortcomings as a nation.

Manchester High School To Present "Plaza Suite"

Kim Bristle

Sula Jeffers

Bill Hagerman

Mike Carriere

The students of Manchester High School are proud to announce their production of Plaza Suite a modern day comedy in three acts. The first play introduces us to a suburban couple who take a suite at the Plaza Hotel in New York while their house is being painted, and it turns out to be the same one in which they honeymooned 23 (or was it 24?) years ago - and was yesterday the anniversary, or is it today? A wry tale of marriage in tatters. The second tale shows us a Hollywood producer who after three marriages is looking for fresh fields, and so calls up a childhood sweetheart, now a suburban housewife for comforting reassurance on life. The last scene which is in the same suite has a mother and father fighting about how to get their daughter out of the bathroom and down to the ballroom to get married.

The major roles in the play belong to Bill Hagerman, Sula Jeffers, Mike Carriere, Carolyn Schwab, Jeff Pieske and Kim Bristle.

Plaza Suite by Neil Simon will be presented April 11 and 12, 7:30 p.m. at the High School Auditorium. Tickets are on sale now, \$2.50 for adults and \$1.50 for students.

HIT OR MISS by farley

Many of the social reform programs that have been inflicted upon us during the past decade were passed with the best of intentions but there is one major fault to be found with them. They don't work fairly for everyone. No absolute set of rules for programs of this kind can operate with no deviations to fit individual cases. May we cite a few instances?

The Michigan State Unemployment Program has become somewhat of a joke in many places. Its cost is much higher than those of nearby states and in practice it leaves much to be desired. For instance our food stamp program, administered by the state, is in some instances at least, a joke. We know of one chap, for instance, who operates a small business in the recreation area near here. His place is open from the middle of May until Labor Day. I guess he does quite well financially during the summer but come Labor Day, he closes up shop and marches down to Social Services to apply for Food Stamps. Where he stashes his summer's profits, if any, I know not but he has no bank account nor cash on hand, so he is eligible for Stamps which he receives in quite some quantity all winter and does very nicely until the next May arrives. He even spends some time during the winter in Florida.

According to the rules concerning Food Stamps he is eligible to receive them if he has no income nor money and so he is given them. The administrators of the program are not to be criticized. They are going by the book. They must grant him the stamps.

And then there is the chap who, for several years, has been employed at a nearby golf course. Of course when cold weather comes his job vanishes for the winter and he immediately applies for food stamps and unemployment benefits and so lives rather in style, until spring, while many of the rest of us struggle with

OPTIMIST OUTSTANDING STUDENT

Pictured left: Optimist member David Little, Dan, and Mr. and Mrs. Walter Grantham.

Dan Grantham, a Manchester High School senior, is the March Optimist Club Outstanding Citizen recipient. The son of Mr. and Mrs. Walter Grantham, 7870 Parker Road, Saline, Dan has been a band member four years and played basketball two years. He attended Blue Lake Music Camp in the summer of 1978 and was a delegate to Boy's State last summer. Dan was inducted into the National Honor Society during the 1978-80 school year. He enjoys skiing and music in his spare time and plans to follow a pre-law curriculum at the University of Michigan next fall.

Bloodmobile Collects 5000th Pint

Donor Lester Jannish

Another record was made at this week's Red Cross Bloodmobile in Manchester - 218 of the 133 donors who attended were responsible for breaking the 210 pint record set last March. March is THE month! It was twenty-nine years ago, March 19, when Manchester Red Cross Blood Club began with 127 donations. Mr. Stanton Roesch, chairman of Red Cross in the area and a member of the County Red Cross Board, scheduled the first clinic here - one of the three in the county. Mrs. Roland Grossman was Chairman-of-the-Day.

Records add up and the 5000th pint of blood given to the Red Cross by the Manchester Blood Club since 1951 was recorded by the 66th donor this time. Lester Jannish, 18101 Sharon Valley Rd., a five time donor from Double A Products, received the honors.

Mrs. Millard Uphaus was Chairman-of-the-Day on the 31st at Emanuel United Church of Christ. The Emanuel Womens Fellowship furnished the Canteen refreshments. The American Legion Auxiliary gave the orange juice. Needless to say, everyone worked - the churches, industries and the school system (there was an unusual number of 17 year olds who gave blood) and of course the "walk-ins" Continued on page 9

Superwalk To Be Held April 26

April 26 is the big day for the exciting 1980 March of Dimes Walkathon. Registration blanks may be picked up in the principals' offices at the Middle School and the High School. You will also find them at the State Farm Insurance Office, The Ann Arbor Bank and -Trust, and McDonalds in Chelsea. Get them now, fill them out, and either mail them in or return them to the place you got them. Sponsor sheets will be available by April 7th.

The next "step" is to visit all your friends, relatives, neighbors, or whom-ever, and get them to pledge 10c or more for every kilometer you walk. Then on the 26th, bring your sponsor sheet with you at 9:00 a.m., when you register for the days walk. Walk as far as your sturdy legs will take you, and then return to your sponsors to collect their pledges. If they pledged 10c per kilometer, and you walked all 20 kilometers, their pledge would total \$2.00. Easy!

Everyone turning in their pledges by May 15th will be eligible for a prize drawing and a merit patch. Everyone turning in \$1.00 or more in pledges, within 30 days of the walk, will receive an extra bonus; a free Superwalk T-shirt.

Bone up on your heel-toe movements, get your registration form, collect a lot of sponsors, and join the fun. Everyone is a winner because you are helping the 15 million Americans who have birth defects, and those who are to be born yet, may not have these problems, because you helped. Fantastic, huh!!
