Spring Clean-Up

In order to help us take pride in what is a very special village. The Manchester Village Association in cooperation with the Public Works Department is sponsoring a Village wide curb pick-up on Thursday, May 8th. Anything that the Refuse Transfer Facility will accept will be disposed of. Senior Citizens requiring assistance with this task are asked to call Sue Bond at 428-7927.
Articles may be placed between the sidewalk and the curb as early as Wednesday, May 7th. Residents are reminded to make sure that newspapers are tied, trash is bagged, and that brush and twigs are no longer than four feet. Residents are also reminded that the refuse transfer facility will not accept garbage, flammable liquids, stones, stumps, or industrial waste.
HAPPY SPRING CLEANING!

Creativity Abounds At Klager School

Community Education

Washtenaw Community College classes will start the week of Monday, May 5. A recent change in policy now permits juniors as well as high school seniors to register for college classes. A listing of college classes was printed in the Spring Community Education brochures or a copy of the College bulletin may be picked up in the Community Education office. You may register by calling the Community Education office at 428-7804.
Spring classes have started but you can still late register for some classes that will accept more members. On Mondays from 7:30-8:30 Matt Thornton holds the Singing class. Starting Monday, May 5 the Upholstery class will take two more members. On Thursdays the Volleyball class will take six more participants. Cake Decorating can accept a few more and Chair Caning starting on Thursday, May 8 can use four more. Don't wait until "next time" if one of these classes is one you have been considering call 428-7804 and join in on the fun and learning.
On a more somber theme, the Community Education Department will greatly miss one of its most dedicated and unselfish instructors who made significant impressions on all of his students, Mr. Herbert Mahony.

Attention! Residents Of Manchester

On April 25, 1980 at 12:00 noon the intersection of East Main Street at Wolverine Street was made a three way stop intersection. This means all vehicular traffic approaching this intersection from the East on Main Street and from the West on Main Street must stop. Vehicles approaching Main Street from the South on Wolverine Street must also stop. The Manchester Police Department will start issuing a violation to anyone who fails to stop.

Fun Festival

Creativity abounded in Mrs. Greger's first grade class at Klager school on Tuesday, April 22. Sandy Winzenz, sponsored by The Manchester Art Guild, helped 24 eager students in a creative clay project. The students were busy for an hour and a half kneading, rolling, and pressing clay to make wind chimes for a Mother's Day present.
The creative clay class was a pilot project for the Manchester Art Guild. The Guild wants to sponsor many more artistic classes for Manchester students if the response is favorable.
Slow-Pitch Meeting

Obituary

Hector M. Devulder
6498 Chelsea-Manchester Rd.
Manchester

Age 69 years, died suddenly Sunday, April 27, 1980.

He was born March 22, 1911 in Cortenmark, Belgium, the son of Constant and Maria Vermeersch Devulder.

He was married to Florence Rose who preceded him in death in 1958. He was married to Lillis Engler on February 10, 1960. She survives.

Mr. Devulder had been a produce truck farmer since 1938 moving to Manchester from Utica in 1969.

He was a member of St. Mary's Catholic Church and Knights of Columbus.

In addition to his wife he is survived by four sons, Ralph Devulder of Manchester, Ralph Engler of Utica, Lawrence Engler of Holly, Richard Engler of Rochester; two daughters, Mrs. Robert (Lillis) Nightengale of Utica, Mrs. Sidney (Janet) Delagrangé of Toledo) thirteen grand-

children; one sister, Mrs. Remi (Eleanor) DeHondt of Romeo.
Mass of the christian burial was held Wednesday, April 30, 1980, 10 a.m. at St. Mary's Catholic Church. The Rev. Fr. R.R. Schlinkoff officiated. Burial followed in St. Mary's Cemetery. Rosary was recited Tuesday 8 p.m. at the Jenter Funeral Home.

Athletic Booster Club Minutes

April 9, 1980

The regular meeting of the Athletic Boosters was opened at 8:05 p.m. by President Wellwood.

The minutes of the March meeting were read. A motion was made by Bill Broucek to accept the minutes as read. Seconded by Jim Fielder. Motion carried.

The treasurer report was given by Pat Fitzgerald. A motion was made by Jim Fielder to accept the treasurer's report. Seconded by Jim Brink. Motion carried.

OLD BUSINESS:

A complete report on the Slow Pitch League could not be given as Ted Stautz had a previous commitment. Joe Fitzgerald said that there were 10 teams in the league.

Jim Fielder reported that the Slow Pitch Tournament was going to be handled by the football team and that the dates scheduled were June 27th, 28th and 29th. A motion was made by Kathy Hagerman to accept the reports on the Slow Pitch League and the Slow Pitch Tournament. Seconded by Liz Malcolm. Motion carried.

A report on the fund raising for Spring Sports was given by Pat Fitzgerald. As of this date, there is \$12,245 in the bank with about twenty pledges still out. A discussion followed. A motion was made by Bill Broucek to accept the fund raising report. Seconded by Jim Fielder. Motion carried.

In the absence of Bill Scaletta, Pat Fitzgerald reported that the guest speaker for the All Sports Banquet is not available for either suggested June date. A motion was made by Kathy Hagerman

to have the All Sports Banquet on the original date of May 4, 1980. Seconded by Doyle Kessal. Motion carried.

President Wellwood gave a report on the Capitol Improvements Program. He stated that he had talked with Dr. Thompson about it and that the superintendent was interested and wanted to work along with the Boosters and asked for our help. Dr. Thompson told President Wellwood that he had inquired of the board on what moves have been made towards a Capitol Improvements Program. He assured President Wellwood that he would continue to follow through on it. A discussion followed. A motion was made by Joe Fitzgerald to accept President Wellwood's report. Seconded by Shirley Krzyzaniak. Motion carried.

A report from the nominating committee stated that they were working on a slate and hoped to have one to present at the May meeting.

Joe Fitzgerald reported that all work on the storage building and concession stand at Booster Field had been completed. A motion was made by Kathy Hagerman to pay the bill to Norm Walz in full. Seconded by Joe Fitzgerald. Motion carried.

NEW BUSINESS:

Jim Fielder stated that the athletic department had made about \$1,800 from the pop machine and would like to use the money towards some new Video Tape equipment at a cost of approximately \$2,300. He asked if there were any way the Athletic Boosters could supplement the remaining \$500.00 and the funds from future pop sales would be used to reimburse the Boosters. A discussion followed. Joe Fitzgerald made a motion to donate the \$500.00 towards the Video Tape equipment with the athletic department repaying it by donating some time on Athletic Booster projects when requested. Seconded by Bill Broucek. Motion carried.

Jim Brink asked if materials could be furnished by the Athletic Boosters to

complete the long pit jumps at the track at Booster Field. A motion was made by Joe Fitzgerald to furnish said materials. Seconded by Bill Broucek. Motion carried.

Jim Brink asked about the possibility of the Athletic Boosters buying some track spikes to be used by the track team. A discussion followed. A motion was made by Kathy Hagerman to purchase ten pair of shoes for the track team. Seconded by Joe Fitzgerald. Motion carried.

Being no further business the meeting was adjourned at 9:35 p.m. on a motion by Jim Fielder.

The next regular meeting of the Athletic Boosters will be held on Wednesday, May 7, 1980 at 8:00 p.m. at the high school.

Respectfully submitted,
Kathy Hagerman, Secretary

United Way Of Michigan

Washtenaw County had eleven representatives at the 1980 Allocations Conference of the United Way of Michigan (UWM), held at the Kellogg Center, Michigan State University on April 22 and 23.

They were Elizabeth Abercrombie of Ypsilanti, Fulton B. Eaglin of Ann Arbor, Irma Ward of Milan, Jean Tilt of Dexter, Virginia Ellis, Rev. Henry O. Yoder, Hazel Turner, all of Ann Arbor, Robert Kurtz and William D. Swihart of Ypsilanti, Mrs. Emory Garlick and Mrs. John Swainson, both of Manchester.

These eleven community leaders were joined with more than 289 other volunteers to hear the budget requests of 23 state and national health and community service agencies now receiving support from 102 local United Ways in Michigan through UWM. UWM is a federation of 23 state and national health and community service agencies.

Abercrombie, a Realtor Associate for Abercrombie Real Estate, has been selected to serve as the Sub-committee Chairperson of Panel #8. She will be examining budgets of the United Cerebral Palsy Association of Michigan, and the Combined Health Services. Abercrombie is involved with the United Way of Washtenaw County, as a member of the

Board of Directors and serving on the Allocations Committee and the Priorities Committee.

Eaglin, an attorney, will serve as the Sub-committee Chairperson of Panel #2. Ward will also serve as a member of this panel. This panel will be viewing the budgets of the Arthritis Foundation of Michigan and the Epilepsy Center of Michigan. Eaglin has been involved with Washtenaw Community College, as a Board member and also has served as the Treasurer of the Child and Family Services of Michigan, an agency of UWM.

Tilt, the Lima Township Treasurer, will serve on Panel #6 along with Virginia Ellis, a Teacher Consultant for Ann Arbor Public Schools and Reverend Yoder, a retired Lutheran pastor. Panel #6 will be responsible for examining the budgets of the Child and Family Services of Michigan.

Turner, actively involved with the United Way of Washtenaw County, has served as past-president 1977-78 of the United Way of Dexter. Ellis is on the Board of Directors for the Salvation Army and has served four years on the Saline United Way's Board of Directors.

Hazel Turner, Director of Pupil Personnel Services of Ann Arbor Public Schools, will serve on Panel #10, to examine the budgets of the Michigan Council on Crime and Delinquency and the Michigan Division, National Council on Alcoholism. Turner is on the Board of Directors for the United Way of Wash-

tenaw County, and Ann Arbor Community Center.

Kurtz, Director of Purchasing, Hydro-matic Division, Willow run, a member of Panel #9, will view the budgets of The Jackson Laboratory and the American Social Health Association.

Swihart, Director of Purchasing for Eastern Michigan University, will serve on Panel #7, to examine the budgets of Kenny-Michigan Rehabilitation Foundation and the National Multiple Sclerosis Society, Michigan Chapter.

Garlick, a member of Panel #1 will examine the budgets of Michigan Heart Association and the Children's Leukemia Foundation of Michigan.

A member of Panel #3, Swainson, will be examining the Kidney Foundation of Michigan and the Hemophilia Foundation of Michigan.

The delegates, representing 54 local United Ways, will consider agency budget requests totalling \$8,096,757. Last year, delegates recommended \$8,537,839, which was \$906,866 less than the agencies requested. The delegates' recommendations are subject to the approval of UWM Goal and Allocations Committee and Board of Directors.

According to Arthur Tomake, Allocations Conference Chairperson and Director of Corporate Engineering in the Computer Coordination Department of GMC Tech Center, Warren, this process allows all segments of the population to become decision makers in the allocation of millions of dollars to the human service field.

"This statewide conference not only epitomizes the citizens' review process in action," Tomake said, "but it also provides a mechanism for volunteer involvement and assures financial supporters that UWM agencies are accountable."

Prior to the conference, the detailed budget requests will be given to the delegates to familiarize them with the agencies to be reviewed. At the conference, agency volunteers and staff will further explain to the delegates their agency's programs and the cost of continuing them in 1981.

New Centennial Farm Designated

A farm owned by Earl and Diane Horning, 11834 Pleasant Lake Road, Manchester, Michigan has been designated as a Centennial Farm by the Division of Michigan History.

The farm, located in Freedom Township, Washtenaw County, has been in possession of the family since 1877. It was originally purchased March 17, 1877 by Gottlieb and Barbara Horning, relatives of the present owner, from Frederick and Wilhelmina Breitenwischer.

Secretary of State Richard H. Austin, whose Department administers the Centennial Farm program, said the program was inaugurated in 1948. Since then, more than 3000 Michigan Farms have been certified as Centennial Farms.

Certificates are provided by the Division of Michigan History. Large metal markers are provided by the Detroit Edison and Consumers Power Companies.

Explains Austin, "A Centennial Farm is one which has been in the continuous possession of the same family for 100 years or more."

For this purpose, the Michigan History Division considers a farm to be either 10 or more acres having estimated farm product sales of more than \$50 yearly, or less than 10 acres having estimated sales of at least \$250 yearly. A centennial farm comprises only the land and not the farm buildings, which may be remodeled or even new.

Applications for Centennial Farm recognition are obtainable from: Centennial Farm Program, Division of Michigan History, Michigan Department of State, Lansing, Michigan 48918.

Lisa Cresswell Receives Barlow Trophy

Lisa Cresswell of Ann Arbor is the 1980 recipient of Alma College's Barlow Trophy, the college's most prestigious award to a graduating senior. The award, established 31 years ago by Joel Barlow, a 1929 Alma graduate, recognizes both scholastic achievements and contributions to the life of the college.

five Outstanding Senior Women.
In the fall Lisa, a summa cum laude graduate with a major in biology, is receiving a graduate fellowship to attend graduate school in the Department of Physiology at the University of Michigan. This summer, she is one of 17 students from around the world accepted to study at Jackson Laboratories in Bar Harbor, Maine. Last summer, she was a recipient of a National Science Foundation-Undergraduate Research Program grant through Alma College.

Lisa's major-related involvement has also included being a member of Alma's Student Health Advisory Committee, an Alma representative to the 1979 American Cancer Society's Symposium in New York, and a student representative for the panel board of both a pre-medical conference for high school students held at Alma and the Michigan College Health Association's Annual Meeting in 1979. She has also been a biology laboratory assistant for two years.

During her four years at Alma, Lisa has been actively involved in more than a dozen organizations, including three she served as president. Those three are Phi Sigma Pi, scholastic honor society; Gamma Sigma Sigma Service Sorority and Chemistry Club. She was also a member of various honor societies, including Tri Beta, Omicron Delta Kappa and Gamma Delta Alpha.

Her contributions to campus life include being a co-chairperson of Alma's pre-term committee in both her junior and senior years. In that capacity, she was responsible for much of the planning, organizing and follow-through for the college's 10-day freshman orientation program to help freshmen adjust to college life.

Lisa, a 1976 graduate of Manchester High School, is the daughter of Dr. and Mrs. Charles E. Cresswell, 1064 Bandera Dr., Ann Arbor.

Manchester School Board Minutes

These are the approved minutes of the Manchester Community Schools Board of Education regular meeting held March 17, 1980.

The meeting was called to order by President Corlies Mick in the High School Library at 8:00 P.M.

Board members present: Curley, Horning, DuFreese, Macomber, Walkowe and Mick. Absent: Bunnay.

Secretary Curley reported that there were no communications.

Visitor Input: Mr. Ed Zyromski, President of the Manchester Association for Talented Students presented a proposal to the Board for use in Grades 1-4. He requested that the Board approve in principle the implementation of this proposal. (Copy in supplemental file).

Special Education Parent Advisory Committee: Mrs. Pat Settles, Chairman of the Parent Advisory Committee reported on what the function is and some of the ways they help parents deal with problems.

Field & Stream Club: Mr. Steve Halchishak indicated that he had been denied, at the building level, the use of a school bus for the annual fishing trip taken by this club. President Mick referred this item to the administration for a recommendation to be brought back to the board.

Manchester Recreation Department: Mr. Bart Bartels, representing the Manchester Recreation Department indicated that he also wanted to request the use of school buses for the summer Recreation Program sponsored by the Village of Manchester. And at the same time request the use of buses for the annual 4th Grade Holland trip.

President Mick requested that the administration put together a package for the board with a recommendation on the 3 requests for the use of school buses.

P.T.O. Representatives: The P.T.O.

Representatives from both Klager and Pleasant Lake indicated that they were very pleased to have been able to meet with Dr. Thompson and discuss the re-organizational plan and help to communicate these ideas to the Community.

Manchester Education Association: Mr. John Korican, President of the Manchester Education Association indicated he was pleased to see that the teachers Union had been placed on the agenda and he thought this was a step in the right direction and would help communications between the two groups.

Student Government: The Student Government Representative reported that their organization has donated \$100 to Spring Sports and \$100 to the Library Fund. They will meet with Dr. Thompson on March 24 to discuss a survey taken of student concerns.

Minutes of Previous Meeting: Moved by DuFreese that the minutes of the February 18th, 1980 meeting be accepted as presented. Supported by Walkowe. Yeas: Macomber, Mick, DuFreese, Curley, Horning & Walkowe. Nays-0. Motion carried.

Mr. McGuire reported the financial status: Balance as of January 31, 1980 \$86,789.80. February receipts \$85,814.06. February disbursements \$10,908.74. Balance as of February 29, 1980 \$1,373,634.09.

Moved by Curley that the Financial Report showing a balance of \$1,373,634.09 be accepted. Supported by DuFreese. All yeas. Motion carried.

Prepaid Checks \$175,589.98. Checks in March 24, 1980. Total Checks \$200,760.66. Moved by Curley to accept Bills payable in the amount of \$200,760.66. Supported by Horning. All yeas. Motion carried.

Superintendent's Re-organization Plan: Goals: Dr. Thompson indicated that his overall goal is cost reduction. He outlined the changes that would occur next year: 1. reduction of 1 administrator. The Director of Auxiliary Services would be eliminated. 2. Title 1 and Food Service responsibility will be placed with the Director of Community Education. 3. Responsibility

for purchasing in these areas will be placed with the bookkeeper. The following year the position of Assistant Principal at the High School will be eliminated and the position of 1/2 time Athletic Director will be bid out to interested staff.

Secretarial reductions are also planned. With the possibility of closing the Pleasant Lake Elementary School 1 secretarial position would be eliminated and the Secretary to the Superintendent would be reduced to 1/2 time.

Dr. Thompson added that these plans could be speeded up or slowed down depending on additional data.

Mr. Macomber stated that in order for the cost reduction goals of the Manchester School System to be successful it is necessary that administrative over-staffing be eliminated. The Superintendent has suggested a possible multi-phase two year program to reduce administrative positions. I believe this program should be accomplished immediately. Under the School Code of 1976, we, the Board, have authority to employ the Assistant Principal and other necessary assistants and employees. The responsibilities of the Director of Auxiliary Services could be placed with other administrative staff personnel. The responsibilities of the Assistant Principal could be assumed by the Principal and delegated as necessary to the remaining staff at the High School.

Mr. Macomber continued by moving that the positions of Assistant Principal of the High School and Director of Auxiliary Services be abolished at the earliest possible date, and no later than June 30, 1980. The Superintendent would be directed to give the Assistant Principal notification of nonrenewal of his contract ninety (90) days prior to the contract termination date; and to abolish the position of Director of Auxiliary Services with the duties to be re-assigned along the guidelines suggested by Dr. Thompson in his written Reorganization Plans. Supported by Walkowe. After a brief discussion the Board voted as follows on Mr. Macomber's motion. Yeas: Walkowe, Curley, Horning, Mick and Macomber. Nays: DuFreese. Motion carried.

Lois Vitale Selected Girl Of The Year.

On Saturday, April 19th, Xi Epsilon Iota, Exemplar Chapter of Beta Sigma Phi, met for dinner at Win Schuler's in Jackson to celebrate the 49th anniversary of Beta Sigma Phi's founding. The highlight of the evening was the selection of Lois Vitale as the Girl of the Year.

This award is presented to a chapter member who contributes a great deal of time and effort toward the chapter and its activities, throughout the year. Lois worked on many of our social, service, and ways and means projects, and was always willing to help a sister in need. She has

also been elected as our president for the coming year. The sisters of Xi Epsilon Iota wish to thank Lois for all the contributions that she has made to our chapter this year.

Lois lives at 9347 Waterworks Road with husband, John, and 3 children, Michael, Ricky, and Melissa.

Superwalk News

Although the weather was beautiful for a walk in town and country, the number of walkers decreased this year. All went well though, and only about 5 walkers could not complete the course, out of 100 walkers. That's terrific! The first four walkers returning were, 1. Mike McCoy, 2. Rob Smith, 3. Richard Taff, and 4. Shawn Dresch. A group of young ladies brought the Walk to a close. They were Stephanie Evisizer, Kim Currence, Sheila Lavender, Kathy McLennan, Lisa Wiley, Rhonda Evisizer, and Heather Walkowe. We had 6 adults who felt fit enough to do the whole 20 kilometers.

Many donors helped to make the walk a success. The Huron Valley Bank donated apples, McDonalds gave us orange drink and french fry coupons, the Union Savings Bank and Great Lakes Federal Savings and Loan supplied funds for potato chips and granola bars, Varnors donated Ginger Ale, Cliff's A.C.E. Hardware and Back Door Party Store were also donors. The delicious cookies were made by the ladies of many of our area churches. These generous donors have our appreciation, as they go a long way in making an event of

This sort a success. Thanks so much folks. We also have a special thanks for the checkpoint people: the Therman Greens, Larry Gonyers, Mickey Spiesee, and Carolyn Isoms. And we can't forget the hard working committee heads and their crews: Nancy Brooks, Gary Bondy, Joyce Meade, Alice Rossettie, Tricia Achtenberg, Paul Lemon, and the Village Police. All the work these people do, helps to make the Walk run safely and smoothly. Safety and organization are most essential. Thanks to all of you.

Walkers, you did a terrific job on Saturday, but you're not quite done. By turning in all the money you have collected by May 15, you will be eligible for the prize drawing, so get out there and collect. There are some really nice prizes to be had, so don't miss this one. Continue collecting until you've contacted all your sponsors. There are many people who will thank you later on.

High School Band Receives Rating

The Manchester High School Band was given an overall II rating at the MSBOA State Band & Orchestra Festival on Friday evening, April 25, 1980. The Band performed at Michigan Center High School. The adjudicators commented on the strong points of tone quality and effective interpretation by the Band in its performance.

Doyle Rodenbeck, Director of Bands at the Manchester Community Schools, said that he was pleased with the poise and enthusiasm shown by our Band. "I have been amazed at how much progress has been made by these young people. They turned in a very credible performance last Friday. I was extremely pleased by the support shown by parents and friends in the community." The next performance of the High School Band will be at the Spring Band Concert to be held on May 15, 1980.

ATTENTION

Manchester Board of Education has canceled the Agricultural Program in Manchester. Since Future Farmers is closely related to this program, it seems that they are trying to cancel it also. Manchester is a farming community, we need these members to keep it going. In order to be a Future Farmer member you must be enrolled in a class in the Agricultural Program.

MANCHESTER FARMERS, PLEASE come to the next board meeting, and help represent the Future Farmers in fighting for our Agricultural Program!

Thank You,

Early American Rug Hooking Show

Carol Blaine of the Manchester Art Guild and the Southeastern Michigan Rug Crafters admires two beautiful examples of hooked pieces to be on display at The Art Gallery. The rug was hooked by Anna Waterman of Tecumseh. The pictured hand-hooked foot stool will be raffled off.

If you've never hooked a rug, you may not understand—but if you have you know and acknowledge the fascination of this old handicraft. But whether you have or not, you may be interested in the history and background of the designs and techniques of these heirlooms which are so treasured today.

In May the Manchester Art Guild will be privileged to present the "Early American Authentic Rug Hooking Show." This exhibition will have many traditional and contemporary samples of hooked rugs shared with the public by two rug hooking groups, the Southeastern Michigan Rug Crafters, and the Ann Arbor Chapter of Rug Crafters.

The exhibition will open on Sunday, May 4 from 1-4 p.m. with lectures and fascinating demonstrations of this highly

creative craft. Rug hookers carefully dye their own wool strips to achieve the proper shading in each piece they do and on Saturday, May 10 and Saturday, May 24 there will be free demonstrations on their dyeing techniques. One will be on the making and use of natural dyes and the other will demonstrate the use of synthetic dyes on natural wool. The Natural dyeing demonstration will start at 10 a.m. on Saturday, May 10 and continue throughout the day until 3 p.m. You can learn about synthetic dyes on Saturday, May 24 at 10 a.m. Both demonstrations will be in the Gallery.

During the show, which will run from May 4-25, one lucky person will be able to win a beautiful hand-hooked foot stool with a solid oak base through a raffle. Tickets will be on sale in the Gallery and the drawing date will be on May 24th.

The Manchester Art Gallery is located at 138 E. Main St. and the Gallery hours for this show will be Thursdays, 7:30-9 p.m. Friday and Saturday 9 a.m.-1 p.m. and 7:30-9 p.m., and Sundays 3-6 p.m.

"Refuse To Work" No Assistance

Welfare applicants who turn down employment opportunities for refuse to work on work relief and work training projects would be denied public assistance money for at least six months under legislation recently introduced in the Michigan House of Representatives.

Area State Representatives Everitt "Abe" Lincoln (R-Albion) and Mary Keith Ballantine (R-Jackson) both co-sponsored the measure.

"This bill is an attempt to make sure the recipients are not sitting home collecting their welfare checks when they could be out contributing to their community or learning a trade or vocation," Mrs. Ballantine said. "It's time we eliminated the dead wood that is dragging down all the taxpayers in this state who are working in order to pay for their welfare checks."

Lincoln agreed, saying, "I think we should require these people who are able to do some productive work to contribute before we hand money over to them. If they are not willing to work, the taxpayers should not be forced to support them."

The bill would eliminate recipients from the state's welfare rolls if they refuse to accept available employment at the "current community wage rate for the particular kind of employment being offered." The applicant would be ineligible for public assistance for six months from the date his or her case was terminated by the State Department of Social Services. Under the current state law, county social services officials must require employable persons to work on a work relief

or work training project—if one is available—in return for public assistance unless they are physically or mentally unable to work on a project.

Before persons can receive welfare relief, they must work on one of the projects and:

—register with the Michigan Employment Security Commission (MESC) and "Investigate all bona fide employment opportunities."

—not refuse to accept available employment for reasonable wages.

However, there is currently no state statute penalizing welfare recipients who refuse to work or accept employment.

Physical Exercise Class

For those interested in jogging, conditioning and running Washtenaw Community College will offer a special six week class meeting for 1 1/2 hours two times a week beginning Monday, May 5. The class is a "personal approach to

jogging," explains Fred Wolven, instructor for the class. "It is a 6 week clinic consisting of conditioning and running designed for the beginning or experienced jogger. Each person will develop a daily and weekly plan for conditioning and running. Sessions will include discussion, exercise and running," he adds. A physical exam is required of those who are not currently jogging or those who have not had such an exam within the last eight months.

The class will meet on Monday and Wednesdays from 5:30 to 7:00 p.m. in Room 1804 of the College's Student Center Building at 4900 East Huron River Drive. Advanced registration is requested by phoning WCC staff at (313) 482-2280. A \$15 fee will be charged.

HIT OR MISS

A day or so following the final day for filing petitions for the Village Election we happened to be in the village offices, and couldn't refrain from asking the clerk what they were going to do about the village ballots this year, that I was prepared to save her the trip to the County seat, and that I would gladly get their ballots printed for them, and she retorted that she would see, so I departed only to return in a week or so to jokingly ask if the copy for the ballots was ready, to which she replied "We're not going to have you print them this year, we are going to send them to the County seat where they will be printed by the County Clerk's favorite printer, as we have been doing for the past several years".

Again my curiosity got the better of me so I again asked the village attorney if any changes had been made in the election laws and he assured me that the County

had nothing whatever to do with the Village election.

Now these two incidents are in themselves of no great import but they do show a trend-it shows how our freedoms are being snatched up by the legislators and by people who seem just to want to be important. This trend is prevalent in all segments of our government. The way to correct it is to return our government to basics-individual freedoms individually administered.

Candidates Night

School Board Candidates Night will be held Tuesday, June 3, 1980, at 8 p.m. in the Manchester High School Study Auditorium. There are five school board candidates for the two four-year vacancies on the board -William Broucek, Susan Cole, Lavern Leach, David Little, and Harold Walkow. They will be present to discuss educational issues pertinent to the communities school system.

Please mark your calendar now to attend this important meeting. Those organizations sponsoring Candidates Night are Academic Boosters, Athletic Boosters, Band Boosters, Manchester Association for Talented Students and Parent Teacher Organizations of Klager and Pleasant Lake Schools.

Cards of Thanks

To the boys and girls, large and small, who helped with the Manchester Association for Talented Students Lasagna Dinner.

Your contribution as waitpersons made our dinner very special. The job you did helping people go through the serving line; serving beverages; passing silverware, beverages, and dessert; and bussing the tables was first rate. If ever I open a restaurant I will know where to go for very good help. Thank you one and all! Sue Bond

I would like to thank those who visited me while I was in the hospital. Also to those who sent flowers and cards.

Special thanks to Rev. Macfarlane and my family for their timely visits. To my bowling team: Thanks for the 2-door. Walter Budnik

We wish to thank our relatives and friends for the gifts and cards we received on our 50th Wedding Anniversary.

A special thanks to our daughter and son-in-law Pauline and Robert Schaffer who made the occasion possible, to Linda Hartmann for her help and the ladies from the Womens Fellowship who did the serving. Birdie and John Buss

I wish to thank all who sent cards and flowers while I was in the hospital.

A special thank to Rev. Macfarlane for his prayers. Leslie Landwehr

Use Form 1040X To Amend Taxes After Filing

If a taxpayer decides to change something on a federal income tax return after it has been filed, a corrected return can be filed on a Form 1040X, the Internal Revenue Service says.

A return can be amended using the 1040X any time during the three years following the due date (including extensions) of the original return, or two years from the time the tax was paid, whichever is later.

The 1040X and other filing information is available by calling the IRS toll-free number found in the white pages of your directory.

Senior Citizens Tax Rebate

Income tax day has passed, but people 65 and older are still eligible for property tax rebates of up to \$12,000 from the state of Michigan.

The Michigan Property Tax Rebate Program, enacted into law in 1973, permits home owners, renters and residents of some nursing homes to file for the years 1978 and 1979 until December 31, 1980.

W. de St. Aubin, Chairman of the Tax Counseling Program sponsored by the Washtenaw County Council on Aging said "It's not necessary to file a state or federal income tax return to take advantage of this program."

"Our tax aides have helped over 6000 people in the county get back two and one half million dollars in the past six years", St. Aubin said. The Tax Aid Program is a free service of WCCOA and reaches out to senior citizen groups and the homebound to assist in filing the claims.

"Twenty-five volunteers, mostly seniors, have been specially trained by the Michigan Treasury Department to give advice on how to fill out the forms and assist in making the calculations", St. Aubin explained. "My biggest thrill, he said, was when I helped an impoverished woman living in a nursing home get back \$125 a couple years ago." So far this year WCCOA has helped about 650 people.

"Our big concern, St. Aubin said, is that many people think the deadline on the tax rebate was April 15th, when they really have two years to file their property tax claim. The other thing we are worried about is that many seniors don't even know they can get money back".

To get a speaker, or seniors wanting help or information, call 685-3825.

MIDDLE SCHOOL BAND

Proclamation

WHEREAS, in honor of the golden anniversary of Beta Sigma Phi sorority, the world's largest Greek letter women's service, cultural and social organization with many chapters in the city of Manchester, the sorority year beginning Founder's Day, April 30, 1980, and ending Founder's Day, April 30, 1981, has been designated as Beta Sigma Phi Year; and

WHEREAS, Beta Sigma Phi is an organization that has grown to include 250,000 members in 12,000 chapters, located in 31 countries across the world; a group of women that has worked for every known charitable, health and cultural organization, raising money and donating time and effort to those in need everywhere; and

WHEREAS, the badge of the organization shall signify life, learning and friendship by its Greek symbols, Beta Sigma Phi; and

WHEREAS, it is sincerely believed to be a worthwhile act that would benefit its many members around the world, with a lifetime of association with the finest people;

NOW, THEREFORE, I Jeffrey Schaffer, mayor of the city of Manchester, do hereby proclaim April 30, 1980 through April 30, 1981 as

BETA SIGMA PHI YEAR

and ask that other Beta Sigma Phi sisters everywhere join with Lambda Nu Chapter and Xi Epsilon Iota of Manchester, Michigan in celebrating Beta Sigma Phi Year.

In testimony whereof, I have hereunto set my hand and caused to be affixed the seal of the Village of Manchester this 30th day of April 1980.

Jeffrey Schaffer, Mayor

manchester art guild news

An exciting exhibit of "Authentic Early American Rug Hooking" begins this Sunday, May 4 at the gallery. Its popularity promises to be as great as last fall's quilting exhibit!

Attend the wine and cheese reception Sunday and experience all its related activities: a speaker on rug hooking and demonstrations of this impressive heritage craft. Also, meet some delightful members of the two participating rug crafters guilds.

A glance in the window of the Black

Sheep Tavern will yield a look at a beautiful solid oak, custom hooked foot stool to be raffled on May 24. Its geometric design should compliment any decor. The foot stool will remain in the gallery following the exhibition's opening. Raffle tickets will be available for \$1.00 each from guild members and at the Fabric Patch.

Visit the gallery Sunday from 1:00-4:00 p.m. or experience this unforgettable exhibition throughout the month of May.

Merrill Lynch invites you to a free Seminar.

The last undervalued "collectible."

In a period where people are frantically looking for "collectibles" in the hope of appreciation, you may be surprised to learn that there is one that has been sadly neglected.

While prices of the "collectibles"—antiques, stamps, art, etc.—have already experienced dramatic advances, this neglected "collectible" is still selling at 1960 prices. What is it?

The answer: **Common Stocks.**

At Merrill Lynch, we watch thousands of common stocks every day and we see many indications that convince us that common stocks are the prime investment for the 1980's.

We see interest rates at levels that cannot be sustained indefinitely. We see high corporate profits and dividends, and stock prices that have not yet begun to reflect them. And inflation is steadily pushing the value of corporate assets upward.

In fact, many stock prices have already begun to outpace other forms of investment. And we think this is only the beginning of a long-term trend.

May we tell you more?

Merrill Lynch is holding a free Seminar, and there are several good reasons to come. We'll discuss all the factors which we think make common stocks such a good investment now. We'll give you three lists with names of 30 stocks we consider to be especially outstanding now—for a variety of investment objectives, such as: speculative appreciation, high current yield and long-term capital growth. We'll give you up-to-the-minute facts on the stocks most asked about. And we'll send you the latest data on any three commonly traded stocks of your choice. All of it free and without any obligation.

MAKING A BAD SYSTEM WORK AND A GOOD SYSTEM FAIL

Those who have seen the Soviet Union with their own eyes know that, in most respects, the Union of Soviet Socialist Republics has a long way to go to catch up or anywhere near match our standard of living.

In spite of the absence of freedom, the small band of communist bureaucrats that have absolute dictatorial power over some 250 million people have been able to make surprising technological progress, particularly in the area of atomic research and in military capability.

In short, the Soviets are doing a better and better job of making a bad system work, while we're doing more and more to make a better system fail. The Soviet dictators operate with a total blueprint of central government planning, and are limited by the ability of that totally bureaucratic system where the central government owns and controls everything.

The potential of our system is unlimited, if our own central government will back off and let it develop. If the government will get out of our way, we can do what can't be planned by any set of central planners. Our only limit is the imagination and motivation of individual citizens to venture into uncharted

territory, seeking to better their lives through the profit motive and in the process, enriching the lives of people in general.

The problem is that the Soviets seem to grow more adept at imitating the products of our ingenuity, while we seem to be trying harder to incorporate the very features of their system that inhibit initiative—centralized inefficiency, red tape, group quotas, and committees appointed to approve everything. If we keep putting obstacles in our own way, the Soviets can't help but catch us.

If You Really Knew

The death by starvation of fifteen million people a year persists on our planet. During the time it takes to read this article, about sixty children will die as a result of not having enough to eat. This tragic loss is completely avoidable. More people have died as a consequence of hunger in the past five years than have been killed in all the wars, revolutions and murders in the past 150 years. 28 HUMAN BEINGS, 21 OF THEM CHILDREN, DIE as a consequence of HUNGER every MINUTE of every HOUR of every DAY. This devastation is equivalent to a Hiroshima every three days.

NO ONE DIES OF HUNGER BECAUSE THERE IS NOT ENOUGH TO GO AROUND. There is enough resources and know-how to grow enough—store enough—distribute enough—to provide enough—FOR EVERY PERSON ON EARTH TO BE NUTRITIONALLY SELF SUFFICIENT FROM NOW ON.

Food experts report that the world already produces enough food to supply every human being on the planet with more than the amount needed for a proper diet. In addition, with available methods of farming and already existing food production technology, we have the capacity to produce enough food for all future generations, and certainly before the end of this century.

The Hunger Project sustains a world-wide commitment in which agricultural self-sufficiency can be attained in every country so that hunger can be ended forever. They support all organizations dedicated to that purpose, including those that provide direct food aid—not because such relief will ultimately end hunger, but because it is obviously important to see that people are fed while programs that will enable them to feed themselves are being implemented.

The Hunger Project has a chosen plan

BE GOOD TO YOURSELF

GET a CASE

Give yourself a break. Try out a Case garden tractor with exclusive hydraulic drive. One lever controls direction and speed. Once you try it, you'll be hooked. Another lever lets you raise or lower attachments hydraulically.

Exclusive Case hydraulic drive has no troublesome belts, pulleys, shafts or chains in the drive train. With Case's Snap-Fact attachment system you can quickly switch from mowing to grading or snowblowing. Take a demonstration drive on a tough Case... or call for a free copy of "Outstanding Yards & Gardens Planning Guide."

Gasohol is big in the news nowadays, and as usual with all things new and at least somewhat different there are many objections to its use and practicability, and we have "experts" who are positive that it is the answer to at least a large part of our energy problems and those who are sure that it takes more energy to produce it than it will generate.

Let's hope this is true with gasohol. Some studies have shown that gasohol is impractical because it takes more energy to make it from corn than is gained from the resulting fuel. But this conclusion falls to take into consideration that improvements in the manner of manufacture probably will be made nor that other sources than corn are available for its production. Other agricultural products such as spoiled grain, citrus wastes and cheese whey, it has been proven can also be used.

Poppy Day May 16 & 17

The American Legion Auxiliary veteran-made memorial Poppy will be offered to the public on May 16 and 17th. Members of Emil Jacob Post #117 and volunteers will be distributing the bright red crepe paper Poppies in memory of the nation's war dead - while assisting the needy veteran and his family.

Mayor Exchange Day May 19th

Manchester will exchange with Quincy this year! Mayor Earl Foster, his wife, Allene, Councilman Gene Brand and wife Shirley will spend the day touring the village offices, the library, the new fire hall, Michigan Livestock Exchange, Hoover Universal Inc., and Double A Products.

They will be entertained at a cocktail party at the Knights of Columbus Hall from 6:00 until 7:00. Dinner will be at 7:00. Tickets for the dinner and cocktails are \$7.00. They can be purchased at the Gamble's store.

Two Resign From Board Of Education

At a special school board meeting held on May 5 the board president Corliss Mick and board member James Curley both tendered their resignations. Following are their statements.

I find myself increasingly at odds with the practices, procedures, and views of the present administration and will not be a part of what in my opinion is an attempt to manipulate and possibly deceive the people who voted me their representative.

As I find myself unable to implement any change in these practices, procedures, and views; I am resigning as President of the Board of Education of Manchester Community Schools and as a member of the Board both effective immediately.

Corliss L. Mick

I have lost faith and trust in the administration and could not accept the budget as presented to the public. I feel that it is in the best interest of the board that I resign.

Other personal reasons are to spend more time with my family and my business.

James Curley

Anna Waterman of Tecumseh demonstrates the fine art of Rug Hooking as a young schooler, Angie-Tanner of Chelsea, looks on.

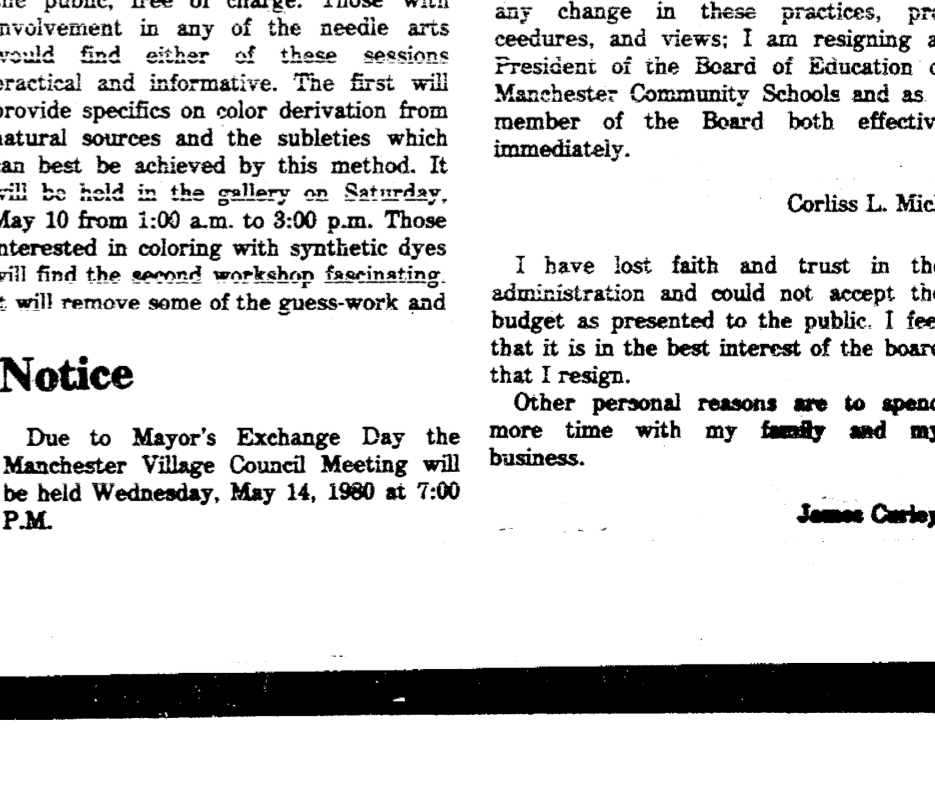

The town of Manchester, rich in history, provided the perfect backdrop for the opening of a very special exhibition, "Authentic Early American Rug Hooking"

on Sunday, May 4 at the Manchester Art Guild Gallery. The century-old craft of rug hooking was displayed and demonstrated at a reception for hookers of two area guilds: the Ann Arbor Rug Crafters and the Southeastern Michigan Rug Crafters. A steady stream of gallery visitors enjoyed an abundance of fine work which filled the gallery to capacity.
