DUTCH THRASH GRASS LAKE 16-0

#34 Scott Lawson watches Jeff Pratt get tackled. Photo by Jon

by Jon Hardenbergh
The Flying Dutchmen started off in the great shape as they leveled the Warriors. The last 2 season openers were somewhat spoiled by Grass Lake as they nipped us. Scott Lawson led our ground attack with 60 yds. as Jeff Pratt ran for 42 with Jim Krzyzanski totaling 33. Dutch scores were set up by pass interceptions as Jeff got both conversions. The other big factor was our defense who held the Warriors to a goose-egg.
The tables turned quickly as Tim Seegert booted off for the Dutch and on the first play Nick snatched the aerial Grass Lake had thrown. Setting up on their 36 yard line, quarterback Brian Broucek handed off to Jeff once, threw an incomplete pass and gave the pigskin to Scott 7 times-with the results being 6 points. Next Jeff drove off left for the 2 points making it 8-0 at 7:37. Soon after they recovered our fumble on the 22 and scooted left to the 9 yard line. Unfortunately, the next play took them back to the 21 but the following call Continued on page 5

Prep Program Available Again

The Parent Readiness Education Program (PREP) will be available for parents and their preschoolers again in the Manchester School District.
The program entails one morning per week of classroom activities and individually assigned home activities for the remainder of the week. It is designed to make a smoother and more rewarding kindergarten year for the child in the future.
The PREP teachers have sent letters to all parents of children born between December 2, 1975 and December 1, 1976. If you have not received a letter please call Pleasant Lake School at 428-7440, and you will be contacted. Screening will take place at Pleasant Lake School on September 30 and October 1. At this time the PREP staff will meet individually with each child to assess the child's learning strengths and weaknesses. The information will be shared with the parents. This free service is offered to parents to learn more about their child's readiness for school activities.

United Way Mice-World Travelers

Jackson Laboratory, Bar Harbor, Maine, is one of the national agencies founded by the United Way of Michigan. It is the nation's largest center of mammalian genetics research - research that provides the fundamental information necessary to the understanding as well as the prevention and treatment of human illnesses. Among the Laboratory's basic research programs are investigations into the causes of cancer, diabetes, muscular dystrophy, and other neuro-muscular disorders, anemia, tissue grafting and transplantation, aging, and factors affecting behavior.
Each year the center invites a select number of students to study at the Lab. This past summer 17 students from around the world were chosen to study - one of which was Manchester's Lisa Cresswell ('76 graduate).
Jackson Laboratory also raises animals - mice in particular - for its own research and to serve the world's scientific community. Following is an interesting account of its traveling mice:
Scientists in England, tired of setting out the tight British quarantine on live mice from the Jackson Laboratory, are now getting the breeding stock by what is called the informal courier method. What the couriers carry is not live mice but tubes filled with mice embryos. The first delivery was made by Dr. Marianna Cherry. She carried 200 two-cell embryos in four containers - two at human body temperature and the remaining two at ambient temperature. In simpler terms - two were tucked inside her blouse in a familiar safe keeping spot and the other two were in her purse. The two warmer containers produced 13 mice, while those in her purse provided only 5. Later experiments proved that eight - cell embryos can withstand more temperature variance. Thus, mouse embryos are now regular passengers on trans-continental flight!
Manchester's "Fair Share" to this agency is only \$11 - a very small portion of our projected goal of \$25,412.
If each local United Way across the nation continues SHARING, then Jackson Laboratory can continue its research in treating and preventing such diseases as cancer, diabetes, muscular dystrophy - which MEANS HOPE to millions throughout the world.
Notice Of Budget Hearing
The Manchester Community Schools Board of Education will hold a official public hearing of the proposed budget on Monday, September 15, 1980 at 7:00 P.M. in the High School Library.

Manchester Village Planning Commission

August 5, 1980

The regular meeting of the Manchester Village Planning Commission was held at the village hall, with members present: Hinkley, Leeson, Daniels, Tracy, Smith, and Bond.

The meeting was called to order at 7:35 P.M. by Ch. Hinkley.

Minutes of the last meeting were reviewed, and on the motion by Daniels, seconded by Tracy, were approved.

The "Back Door Party Store", located at 300 Ann Arbor St., has published extended business hours. It was moved by Bond to recommend to Council that said store shall not be allowed to extend their open hours beyond their original request of 7:00 A.M. to 9:30 P.M. because to do so would represent an expansion of the business as prohibited by the non-conforming status of their permit. The motion was seconded by Daniels; the vote, all yes; motion passed.

Question has arisen regarding a motor home (rebuilt bus) parked at 320 Riverside Drive (formerly an auto body shop). This is a non-conforming location in a district zoned "Residential". It was moved by Daniels to authorize Member Bond to coordinate with Chief Zsenyuk and the village attorney in ordering the vehicle to be removed, according to stipulations of Section 51.01, Paragraph C, of the Zoning Ordinance. The motion was seconded by

Smith; the vote, all yes; motion passed. There ensued a brief discussion concerning the establishment of some district as an "Industrial Park", or areas which might be designated for possible industrial development. Consideration of this subject is on-going.

Mention was made of conversion work being done at the Gallup-Silkworth Co. place of business, at 100 East Main St., (Gulf service station). Chairman Hinkley will write a letter to them, advising of the "Turn of the Century Motif" which is being maintained, especially in the Central Business District.

The meeting was declared adjourned at 9:05 P.M.

25th Schwab Reunion

On Sunday, September 7, the family of the late Christian Schwab gathered for their 25th annual reunion.

The potluck picnic was thoroughly enjoyed by 94 members of his family, ranging from the ages of 83 to 1 1/2. They came from Angola, Indiana; Toledo, Ohio; St. Clair Shores, Farmington, Detroit, Dearborn, Adrian, Blissfield, Dexter, Michigan Center, Lansing, Grand Rapids, Deerfield, Ridgeway, Garden City, Ann Arbor, Clayton, and Manchester, Michigan.

Mr. Schwab's son and daughter-in-law Mr. and Mrs. Joseph Schwab of Manchester and his daughter Mrs. Cecelia Heim of Canton, Michigan were with us. We missed his daughter Mrs. Dorothy Cornell of Vista, California. Also with us was Mrs. Caroline Schwab, wife of the late Mr. Carl Schwab of Manchester.

We are all looking forward to being together at the reunion of 1981.

Athletic Boosters Auction

Clean house (or barn or garage) and help the Athletic Boosters at the same time. How? Donate some of your unused items to the Auction at the Police Department Wednesday, September 17. Proceeds of the Auction will send an Explorer Scout to the National Convention, and help the Athletic Boosters raise money to maintain a full athletic program.

Items may be dropped off starting now at the Police Station, 120 South Clinton, or the Middle School, Pleasant Lake area residents may drop off items at Talcotts, 6886 Ernst Road. For pick-up of large items call Tom Golding evenings at 428-7478.

Everyone's help is needed. This is a good way for senior citizens or others who cannot give cash to help the Boosters in this project that means so much to our whole community.

Remember that one person's junk is another person's find! And don't forget to pick up some of the great bargains yourself at the Auction, which will begin at 7:00 p.m. For more information call the Middle School, 428-7442, or Chief Zsenyuk at 428-8506.

School Board Minutes

REGULAR MEETING

August 18, 1980

The meeting was called to order by the Vice President, Mr. William Bunney, in the absence of President Broucek, at 8:00 P.M. in the High School Library on August 18, 1980.

ROLL CALL OF OFFICERS:

Present: Mr. DuFresne, Mr. Little, Mr. W. Bunney, Mr. R. Mann, Mrs. S. Cole. Absent: Mr. Broucek, Mr. Horning.

Mr. Bunney informed the Board that due to the Millage Election the Board had decided at the July 21 meeting they would conduct most of the business at the August 19 meeting. Tonight there were only two items for consideration. One was under Discussion Items "A" Consideration of Tax Anticipation Loan.

Inasmuch as the tour of the high school would be informal the second item on the agenda would be moved up.

CONSIDERATION OF TAX ANTICIPATION LOAN:
Dr. Thompson informed the Board that we had two bids for our tax anticipation loan. The first one from the Community Bank, Bad Ax, Michigan. The second from Manley, Bennett, McDonald and Company, Detroit, Michigan.

Community Bank, Bad Ax, Michigan submitted a bid for \$365,000.00 Manchester Community Schools Tax Anticipation Notes (General Obligation Limited Tax) as advertised in the August 2, 1980 Michigan Investor. "Proposed a rate of 8.0% for the notes. This amounts to a net interest cost of \$16,967.29, subject to verification". Enclosed was a good faith check in the amount of \$7300.00, which will be returned if they are an unsuccessful bidder.

Manley, Bennett, McDonald & Company, 100 Renaissance, 25th Floor, Detroit, Michigan, 48243. Submitted a bid for \$365,000.00 Manchester Community Schools Tax Anticipation Notes (General Obligation Limited Tax). "For your legally issued notes, as described in said notice, will pay you par at the rate of 7.40%." Attached also, was a check for their good

faith in the amount of \$7,300.00.

Low bid was from Manley, Bennett, McDonald, & Company, members New York Stock Exchange, Inc. at 7.4 per cent.

Moved by Paul DuFresne to accept the bid of Manley, Bennett, McDonald & Company for \$365,000.00 Manchester Community Tax Anticipation Notes at an interest rate of 7.4% to be dated August 21, 1980 with a maturity date of April 1, 1981.

Supported by Dave Little. Vote: Roll Call: DuFresne, Aye, Cole, Aye; Little, Aye; Mann, Aye; Bunney, Aye. Motion Carried.

No other item of business to come before the board, motion was made by Dave Little to adjourn the meeting. Supported by R. Mann. Voice Vote: All Ayes. Motion carried. Meeting adjourned at 8:30 P.M.

Respectfully submitted,
Paul DuFresne, Secretary
Board of Education

SPECIAL MEETING

August 13, 1980

The meeting was called to order by the president, William Broucek at 8:00 PM in the High School Study Auditorium, on August 19, 1980.

ROLL CALL OF OFFICERS: Present: William Broucek, David Little, Earl Horning, Paul DuFresne, William Bunney, Ronald Mann, Susan Cole. Absent: None.

Before the special meeting began, two items were added to the agenda. (1) Adoption of the High School Textbooks. (2) resignation of Sally Burchfiel.

COMMUNICATIONS: None other than specified on the agenda.

VISITOR INPUT: Mr. Broucek reviewed the visitor input procedures stating that visitor input can be any time during the course of the meeting. There is a time at the beginning for visitor input but that does not preclude anyone from commenting later on a particular item by raising their hand.

MINUTES OF PREVIOUS MEETING: President Broucek asked if anyone had any questions, comments or corrections to the Minutes of July 21. Mr. Little made the motion to approve the minutes as

presented. Supplied by Cole. Vote: All Ayes. Motion carried.

FINANCIAL REPORT: Mrs. Maxine Frey gave the financial report: Balance June 30, 1980, \$288,478.30. July receipts - \$2,619.24. July disbursements \$153,024.26. Balance July 31, \$133,073.26. Little made the motion to approve the financial report as read, supported by Bunney. Voice Vote: All Ayes. Carried.

BILLS PAYABLE: July prepaid checks \$129,248.64. August checks \$37,150.86. Total of \$166,399.50. In addition, Mrs. Frey asked permission to pay the election inspectors. Mr. Little made the motion to pay the bills in the amount of \$166,399.50 and include an additional amount to pay the election inspectors. Supported by DuFresne. Voice Vote: All Ayes. Motion Carried.

DISCUSSION ITEMS: A regular meeting day and time for Finance and Executive Committees were set. For Finance-Second Tuesday of every month at 8:00 P.M. Executive Committee - First Wednesday of every month at 7:00 P.M.

Discussion was held between the Board Members and the audience concerning the interpretation of Proposition II concerning athletics. Each Board member was asked to give their opinion on their individual interpretation of the proposition. Discussion was finalized with Mr. Broucek scheduling a meeting on Wednesday, August 20 with the Executive Board Committee to review the budget. A special meeting on Thursday, August 21, at 8:00 PM was scheduled.

Direction was given to the superintendent to authorize continued practice for Varsity Football, J.V. Football, Girls Basketball, Cross Country until the meeting on August 21.

PROCEDURES FOR ADOPTING POLICY MANUAL: The Board scheduled a work session for the first Wednesday in September at 7 PM to begin preparing the policies. Discussion was held concerning placing copies of the policies in the library for the public to review. The topic of

making public copies on the duplicating machine was discussed by the Board. Motion was made by Paul DuFresne, that we charge 10c per page for public documents. Supported by Horning. Vote: All Ayes. Motion carried.

PROCEDURE FOR AGENDA ITEMS: Superintendent Thompson explained how the agenda is planned. To date it has been the policy to have the President and the Superintendent set up the agenda. This matter was on the agenda only for discussion purposes.

OLD BUSINESS: Seabury Property Transfer Request: The Superintendent recalled the communications at the July meeting concerning the transfers of the Seabury property transferring to the Chelsea School District. After a discussion between the Board and Dr. Thompson, Mr. Horning moved to direct the superintendent to file with the Washtenaw Intermediate School District the position of the Board of Education of the Manchester Community Schools as being opposed to the property transfer request filed by Mr. and Mrs. Brett A. Seabury. It is the belief of the Board of Education that variations in curriculum from District to District is not sufficient reason to merit the consideration of property transfer. Supported by Mann. Vote: Ayes - All. Motion Carried.

EARLY GRADUATION POLICY (3rd Reading): President Broucek called upon Mr. Kappler, High School Principal to answer questions concerning this matter. It was moved by DuFresne to accept the Superintendent's recommendation to adopt policy number 5000 titled "Graduation Requirements". Supported by Earl Horning. Vote: All Ayes. Motion carried.

ADOPTION OF ELEMENTARY MATH, SCIENCE, SPELLING TEXTBOOKS: Following discussion it was moved by Little to accept the Superintendent's recommendation to adopt the Kottmeyer & Chance 5th Edition, Spelling Textbooks published by McGraw Hill

COUNCIL PROCEEDINGS

August 18, 1980
Village Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present were: DuRussel, Hinkley, Minick, Petsch, Zeenyuk.

Minutes of the August 4, 1980 meeting were read, corrected and approved in a motion by Hinkley, supported by DuRussel. All yeas, motion carried.

Public Works activities as reviewed by Schaffer included: Paving on Duncan Street between Torry St. and Wolverine St. is finished. The next paving project will be on Wolverine St. between Vernon St. and City Rd.; The crew has been raising manholes and valve boxes on Auburn St. preparing for paving in the near future; All village grounds have been mowed once and will be cut again as weather permits; The Sickle Bar Mower and the Street Sweeper have been repaired. The Big Roller is presently being repaired; Various streets have been patched with cold patch; Worked at the Landfill twice to clean up excess trash; Two tires have been repaired for the dump trucks; The village participated in the Fair Parade with two units, also barricaded for the fair and parade as requested; Had approximately ten calls concerning incorrect water meter readings. They have all been taken care of; Installed two outside water meters; Attempted to check with Mr. Pat DuRussel on Ann Arbor Hill concerning his water meter; Asplundh Tree Cutting crew has volunteered to cut into the dead tree on N. Macomb St. on the church yard. Also to top out a tree on E. Main St.; The parsonage on N. Macomb St. wish to have all the wood from their own tree; Bruce Daniels will be on vacation from August 16-24; All part time summer help will be quitting the weekend of August 31. The county graded and put chloride on the road to the transfer site; Letter presented from D.E. Limpert concerning water billing for Mill Pond Village.

Apts. Schedule for work week August 18, 1980 when Daniels will be on vacation was presented.

Petsch presented council report on Parks, Park Summary - summer of 1980 and Proposal for equipment requested for Kirk Park. Petsch commented that a good job had been done maintaining Carr Park. Kirk Park behind schedule.

Petsch was appointed to set up a program for recognition of United Nations Day, October 24, 1980. He asked for Council members to present ideas at a later meeting.

Zeenyuk reported: No Parking signs had been ordered for Fire Barn; Fair Parade and Art Fair ran smoothly; An Auxiliary Officer was on duty for two nights at the Manchester Community Fair, services paid for by the Fair. He will schedule a meeting with Fair Board before next year's Fair.

Chief Zeenyuk also made a request to fill a vacancy September 1, 1980 with a full time officer. Interviews for the position will be held August 25, 1980. No objections were voiced.

DuRussel reported he had met with resident concerning a tree which was removed and informed him that Council requested he remove tree stump, and a new tree be planted. Resident will report to DuRussel.

Enter Koebbe, at 8:10 P.M.
Hinkley presented the unapproved minutes of the Manchester Village Planning Commission meeting held August 5, 1980 which included request for a Public Hearing on extended hours of Back Door Party Store; Discussions concerning American Legion, Pinnacle Engineering, Zoning Inspectors and Industrial Park.

Moved by DuRussel, supported by Minick a Public Hearing be held on extended hours for the Back Door Party Store. All yeas, motion carried. Public Hearing scheduled for September 8, 1980 at 8:30 P.M.

Card of Thanks

The family of Helen Ann Courtright take this opportunity to thank all our friends for their expressions of sympathy and acts of kindness in our recent bereavement. A special thanks to Dr. Clare Gleason who officiated at the funeral and to those who prepared and served the meal after the service and to Ron Jenter for excellent service.

netted 20 so they sat at our 1. Cheers sounded from the Warrior camp as they crossed our goal-but wait-a yellow flag. Yes, a penalty, no touchdown, and back to the 6-with their next 2 plays netting a mere yard-we took over. As time went on, neither squad threatened, but as the clock ticked 45 seconds, the Warriors again went to the air--Pete Johnson grabbed this one and raced 30 yards for the score. Jeff's diving catch of a Brian toss gave us 2 more points. It now stood 16-0 at the 35 second mark. There was no scoring in the second half so the Dutch are off to Ida on Friday. Congratulations to our J.V. team who edged Grass Lake and welcome Ida on Thursday.

THE AMERICAN SYSTEM OF DELAY

If you have the impression that it takes a lot longer to get anything done or anything constructed today than it used to, you are absolutely right!

It takes two to five times as long to do the same thing today as it did 30 years ago. Americans have a great deal of know-how; but we seem to be running out of know-when.

In 1931, the Empire State Building in New York City was completed in just over a year. In 1941, the Pentagon, then the world's largest office building, was completed in 16 months. By contrast, the new Senate Office Building in Washington, begun in 1976, will require from 7 to 10 years to complete. The time required to build a new power plant has increased from less than five years to more than 10.

These delays are very expensive, both to the taxpayers and to those in the private sector.

If the leaders of this country were really serious about reversing the decline in productivity, the rise in unemployment, persistent inflation and deterioration of our military posture, one of the best places to start would be to identify the factors causing so much delay and start doing something about it.

The mismanagement of time has many origins and causes, but the principal source is government and its increased intervention in the economy during the past two decades. The remedy is to reduce government regulation and where regulation is really required, put time limits on decision-making by the bureaucrats.

Birth Announcement

Mr. and Mrs. Matthew Roos are proud to announce the birth of a girl, Michelle Tema on September 4, weighing 3 pounds 10 ounces.

Maternal Grandparents are Mr. and Mrs. James Sewell of Ypsilanti and Paternal Grandparents are Mr. and Mrs. Harlan Roos of Ann Arbor.

"Heritage-Harvest Show"

Gallery visitors were greeted with a wide range of traditional as well as not-so-traditional arts and crafts to celebrate our heritage and the harvest season. The "Heritage-Harvest Show" had its opening reception for artists, craftspersons, and the public last Friday night, amidst refreshments of tangy cider, popcorn, and crisp apples. Watercolored barn scenes were in contrast with black-and-white photos of harvest cabbage. Corn cob dolls were in juxtaposition to prize-winning canned goods. Every corner of the exhibition yielded some item of interest: wooden toys and games, quilts and other needlework, wheat woven decorations, lead print pot holders, baskets, and brass bells. Most of the items on display were for sale; making ideal harvest decorations or early-bird Christmas gifts.

As if to tantalize one's creative interests, the Manchester Art Guild will be offering eighteen classes and workshops in areas related to its "Heritage-Harvest Show". Several needlework classes are scheduled, as well as black-smithing, basketry, stenciling, corn husk decorations, and much more. Flyers are available at the exhibit or information may be obtained by calling Becky at (313) 428-7198 any time, or Jan at (313) 428-8215 between 9:00 a.m. and 4:00 p.m.

This fascinating exhibition will continue throughout September and October. Visitors will be welcome Wednesday through Friday from 1:00-5:00 p.m. and Saturday from 9:00 a.m.-1:00 p.m. at the Manchester Art Gallery, 138 E. Main Street (upstairs), Manchester, Michigan.

Senior Citizen Meals

The menu for Senior Citizen Meal on Tuesday, September 16 is: Barbecue Beef, German Potato Salad, Fruit, Dessert, Coffee, Tea and Milk.

On Thursday, September 18 they are serving: Baked Chicken, Vegetable, Fruit, Dessert, Coffee, Tea and Milk.

The exercise and crafts programs do not start until the following week—the 23rd and 25th.

Band To Have Fund Raising Activity

The Manchester Middle School Band will be holding its annual fund-raising activity this week. Students in the Band, 50-strong this year, will be taking orders beginning Wednesday for a new line of candles and holders. These are again offered through the Henco Company, but are the next step on the fund-raising ladder of successes achieved by the Middle School Bands in the previous two years.

This year the success of our fund-raising activity is more urgent than in the past. Concerts and other activities outside the regular classroom time were among the items cut from the school budget, along with major new instrument purchases, due to the defeat of Millage Proposal II in August. Please help support these activities which are so vital to the musical education of our band students.

No money is collected when you order the candles. Payment is made at the time of delivery, in 2-3 weeks.

Team To Host HIT OR MISS Outing

Manchester Golf Team needs your support in earning enough funds to pay for sport in league play this Fall. The team is presently undefeated in its first two matches.

Money making project is to Golf Outing at Travis Pointe Club in Ann Arbor. The date is October 12th, tee off 1 p.m. The \$30.00 per person which includes 18 golf, one half of a golf cart and a Rib's Dinner afterwards. The fee is about \$20.00 per person. We like to have twenty-five foursomes, should net \$2,000 and provide more funds for Golf. We hope you will try and get their number, but all will be accommodated. Make your reservations with Fred or David Little.

rarely wanted. The young men do not seem to be wanted as they used to be. The big towns have a myriad of men who are unemployed but there does not seem to be any work that they can do, that they are fitted to do. It's too bad that there are so many things today that need fixing but so few capable of fixing them. Maybe we had better try to get back to the days when native ingenuity was rewarded handsomely. There is too much specialization in the world and not enough generalization.

And now, after the problems of the past weeks may we go from the sublime to the ridiculous via the following:

DEFINITIONS:

Nuance: What you get when you uncles marry.

Fireproof: Being related to the boss.

Camelot: A place where they sell camels.

Hay: Something we must make between the time we get out of it and the time we hit it.

He that let's the small things bind him leaves the great undone behind him.

Couples 9 Hole Golf Scramble

There will be a Manchester Husband and Wife 9 Hole Golf Scramble on Saturday, September 20th, with tee off at 9:00 at the Clark Lake Golf Course.

Included will be a steak dinner, 9 holes of golf and prizes. The fee is \$20.00 per couple, sign up and pay at Keith's Barber Shop. Limit to first 30 couples.

MANCHESTER PLANNING COMMISSION

Birth Announcement

Mr. and Mrs. Jerry (Erleen) Clark are proud to announce the birth of a daughter Jennifer Kay, September 2, weighing 8 pounds 1/2 ounce and 20 1/2 inches long.

Maternal Grandparents are Mr. and Mrs. Francis Macke of Manchester and Paternal Grandparents are Mr. and Mrs. Michael Clark of Wyandotte.

Ford Plant Picnic

Former employees of Manchester Ford Plant will hold their annual picnic Sunday, September 14 at 1:00 p.m. at the Sportsman Club on Grossman Rd.

Bring a dish to pass and table service. Coffee will be furnished. Bring your own beverage.

M.A.T.S. Meeting Postponed

There will be a free slide presentation of "A Gentle Birth" on Friday, September 19, at 7:30 p.m. It will be shown in the Conference Room at 105 North Fifth Avenue, Ann Arbor, right above the new fire station. Use the glass door with the red handle.

Manchester Township Open House

The Manchester Township Board and Fire Department cordially invite all the people in the surrounding area to celebrate an Open House and Tour of the new fire station and offices at 275 S. Macomb, Manchester, on Sunday, September 14, 1980 at 1 p.m. to 4 p.m.

This will be an opportunity to actually see where some of your tax dollars are being spent, to walk through the building and look with pride at the Meeting Room (where you will vote in November), the Offices, and the "Big Dutch Boy" our newest fire truck.

Please come and visit - the Township Officers and all of the Firemen will be on hand to meet you and to answer any questions. We are expecting a lot of people, so come along and join in the celebration. Refreshments will be served to everyone.

Girl Scout Registration

Registration for all Girl Scouts of all ages are in progress.

All girls, those registered last year and new girls, interested in joining a Brownie Troop are invited with their parents to the Klaget School Gym Monday evening, Sept. 15th at 7:00. Parent consent forms will be signed and \$2.00 registration can be paid. 1st, 2nd and 3rd grade girls are eligible for Brownies.

Girls interested in being a Junior Scout are meeting at the K of C Hall from 6:30 to 8:00 beginning Sept. 9th. Girls who missed the meeting on the 9th should bring a parent to the September 16th meeting to sign the consent form and pay registration fees.

7th and 8th grade girls interested in joining the Cadette Troop should contact Marykaye Winmann 428-7911 for membership and meeting information.

Any adults interested in helping with the leadership of a troop please contact Dianne Schwab 428-8976 or the Huron Valley Girl Scout Council 428-2570.

Installing a Bilco Basement Door is easy and economical!

In just a few steps you can enjoy the convenience, safety and low maintenance of an all-steel Bilco Door. You'll like its neat, trim appearance, ease of operation, and the way it sheds rain. It's a great do-it-yourself project and actually costs less than having a new wooden door built.

Stop in to see our display and pick up a copy of "The Home Improvement That Pays For Itself" folder. Considering its low cost and ease of installation, isn't this a good time to start enjoying the benefits of a Bilco Basement Door on your home?

"We couldn't believe how easy it was to install."
"And it cost less than we ever imagined."
