## "HIT OR MISS" by farley

Gossip is a commodity of which there seems to be no shortage under any circumstance but along about election time there seems to be a great surplus in the circles where the qualifications of the various candidates were discussed.

Now that election madness is over for a time at least maybe we can look at some of the choice items circulated during the campaign by all of the participants and, in fact, by most everyone, regarding their favorites and also those on the other side of the fence. Many of the things said or inferred by the candidates during the heat of their speechmaking were told at that time with a straight face by the candidates and their supporters with a straight face and a pounding of the lectern but now they seem rather humorous.

We casually made a collection of some of them but refrained from using them during the campaigns but we filed away some of those that gave us the biggest chuckle and so may we repeat a few of them?

There is the fellow who wanted to know how we could vote for Congressman Doodles. Him? All you have to do is look at his artificial smile. I would just as soon vote for the Ayatollah Khomeini. It's so easy to tell he's not sincere. And the other half of the discussion hastily replied, your candidate never even smiles. He's probably plotting against us all of the time. He looks like an anemic teenager with braces on his teeth. You can't trust a man who doesn't smile. And the reply was that his smile must have been glued on some years ago.

And then as the conversation heated up a bit one chap suggested that compared to Congressman Doodles the opposing candidate was nearly illiterate. If he ever got to Congress they'd have to furnish an interpreter.

And then, having exhausted the Congressman's faults, they moved on to his family. The critic of Congressman Doodles said, very confidentially, that the Congressman had an assistant that spent most of his time assisting his wife home following the official parties. They were known as the "Gasohol Kids, he with his hot air and she with her drinking, according to Bob Yokum" column. And then they went on to the whole Doodles family.

Their eldest girl, it was reported, observed her twenty-first birthday, her second pregnancy and her third divorce and her fourth engagement at the same party. His other daughter belongs to a group of Moonies who Bob says worship a spotted cow called the Great Moo and his son was again kicked out of the eighth grade charged with habitual obscenity.

Along about this time a third gentleman joined the pair and joined in the chorus reporting that the Congressman had slugged a photographer who took his picture in a topless bar where he was merely doing research for the Commerce Committee. And that was when I snuck away—I'd had about all I could stand because I am so old and bald and plump that I still belong to the old school who were taught early in life that a Congressman or a Senator or, in fact, most politicians were possessed of a certain amount of brains and dignity and were to be looked up to by us common clods. The ideal office holder was supposed to dress

better than the average person and smoke expensive cigars and have a vocabulary that was exceptional. He always answered all letters of complaint written him—he didn't sometimes do much about our problems but he answered our letters and each spring, if you can remember that far back, sent us, upon request, a "large packet of garden seeds free. That's where we learned about salsify and okra and brussel sprouts and chives, etc. Before that we had been content with peas and beans, potatoes and squash, etc.

And so, now that the country has been saved for at least another two years, let us turn to the more frivolous things of life.

## NOTICE

The Village of Manchester - Department of Public Works will pick up leaves November 14 and November 21. Leaves must be bagged, tied and placed at the curb.

## World Community Day

Friday, November 7, at 1:30 p.m. will be an ecumenical gathering of Church Women from all of Manchester's Churches. This year Emanuel Church's Womens Fellowship is hosting the event in its Sanctuary. Guest will be The Rev. Ronald Figgins, Pastor of the Sharon United Methodist Church, and a fellowship time will follow the worship.

## Veteran's Day Dinner

Potluck dinner to commemorate Veteran's Day will be held on Tuesday, November 11, at 7 p.m. at the Legion Hall. All American Legion and Auxiliary members and families and their guests are asked to bring a dish to pass and their own table service. Meat, rolls, butter and coffee will be furnished. The American Legion cordially extends an invitation to all veterans and families to bring a dish, etc., and join them, on this day when we all honor veterans of all wars.

## Special Two-Day Book Fair

Kiager P.T.O. is sponsoring a book fair November 6 and 7. Proceeds will go directly to the library for purchase of new books.

Children will be allowed to purchase the books on November 6 during school hours. Parents, or other interested adults, will be able to buy books during the Parent-teacher conferences November 6 and 7.

The P.T.O. is grateful to the Calico Cat for so graciously supplying the books on a very short notice. The topics available for purchase are: Work books, Nature-Science, Games, Beginning to Read, 4-6 grade fiction, early elementary reading, dictionaries, box sets, Christmas and a sprinkling of books for adults.

This is the time to buy. Come, browse, and buy all your favorite selections at one place.

## United Way Hits 56% Of Goal

Campaign Chairman James W. England has announced that as of Saturday, November 1st, a total of \$14,313.91 has been received in cash and pledges. This amounts to 56% of the total campaign goal of \$25,412.

Thus far two divisions have exceeded their goal. Organizations chairman Janice Little has reported receipts of \$330 - 8% over the projected goal of \$305, and

Outside Business Chairman David L. Little reports receipts of \$760 - 49.6% over the projected goal of \$506! Other divisions within "degrees" of their goal are - village at 96%, rural at 96%, and schools at 89%. By next week we should have a progress report from the Business and Industry divisions and hopefully can push that thermometer to the 100% mark! The 1980 campaign is soon drawing to a

## Youth Appreciation Week November 9-15

Optimist Youth Appreciation Week will be observed the week of November 9-15th.

We all know how much it means to have our achievements recognized and appreciated. A compliment from the boss; a word of praise from a friend or a thank you from a child can brighten an entire day. And we all try harder when we know someone cares. This very human trait is shared by all, whether we be six or sixty five, but we often forget that our youth especially deserve appreciation. That's what Youth Appreciation Week is all about.

Your Manchester Optimist Club asks that you make a special effort to recognize the worthwhile activities of our town's

teenagers.

It has been said that "Talk Is Cheap", but a few well chosen words, sincerely spoken, can reap valuable dividends when they let young persons know that their contributions are appreciated. For this reason Optimist International developed the annual recognition program known as Youth Appreciation Week.

In your neighborhood there is a teenager who needs encouragement. It could be your own son or daughter whose accomplishments may have escaped your notice. Now is the time to tell them that you care, that you are glad to have them around, and that you honestly appreciate their efforts. Your rewards will be many including a grateful smile.

## A Sad Way To Lose

#58 Nick Krzyzaniak rolls out as #34 Scott Lawson and Brian block. Photo by Carol Kidd.

When you face an opponent that performs better and wins—that's one thing but when the opposition uses below par zebras to seemingly line the path to victory—is that fair? Anyway Stockbridge ran for one touchdown and their defense tallied twice to end our season 10-12.

Soon after the opening kick the problems arose—when we punted and apparently downed the punt, members on both squads were on the field switching de-

fense to offense and vice-versa when an alert Panther grabbed the motionless pigskin. He proceeded to weave down the sideline thru our on-coming defense enroute to our end zone. Upon his arrival there the ref signaled touchdown—his explanation was the whistle never sounded. Following a successful P.A.T., Stockbridge sat up 7-0. A rattled Dutch team shortly thereafter received the punt only to fumble it with a Panther recovering it.

**Engineer Aptitude Test For High School Students**

The Nation Society of Professional Engineers is again sponsoring an aptitude testing program for high school students interested in pursuing engineering careers. Francis B. Manning, P.E., local chairman of the nationwide testing program, announced today.

Among leaders in the engineering profession, there is continued national concern that able and talented high school students be encouraged to consider the study of engineering and its career potentials and that use be made of the potential for the engineering sciences that is evident among high school youth. It has been recognized that there is a need for a mechanism of early identification, recognition, and continued follow-up guidance of young people with potentials for engineering.

Accordingly, The Junior Engineering Technical Society (JETS) conducts a testing program to focus the attention of high school students, parents, educators, and

counselors on these needs and opportunities. This program is known as the National Engineering Aptitude Search (NEAS).

The principal feature of NEAS is an aptitude testing program that is specifically for use in this JETS program. It seeks to identify talented students in grades 9-12 whose performance on the NEAS tests indicates the likelihood of their success in future engineering studies.

Last year over 70 area students took the NEAS test. The results from that test indicate a strong potential for many future engineers in our area.

This year's test will be conducted at the Chrysler Center on the North Campus of The University of Michigan in Ann Arbor on January 17, 1981 from 9:00 A.M. to 12:00 Noon. The deadline for applications is November 14, 1980. There is a small charge for the test.

For applications and more information, contact your high school guidance counselor.

**Tips On Brown Bag Lunches**

Following a few basic tips when packing brown bag lunches will lessen the chances of food spoilage which can lead to food poisoning.

"Food poisoning is rarely fatal but can cause unpleasant symptoms like severe headache, diarrhea, vomiting, abdominal cramps and fever," says Sharon Kennedy, Extension foods and nutrition specialist at Michigan State University. "But, why take chances with your family's health? Food poisoning can be prevented."

To keep spoilage organisms from growing, be sure that hands, utensils and countertops used to prepare foods are clean. Vacuum bottles and other food containers should be washed with hot soapy water and rinsed with boiling water after each use.

If soups, stews and chili are boiling hot when poured into vacuum bottles, they should stay hot enough to prevent food spoilage if eaten within four hours of packing. Vacuum bottles are the best containers for keeping hot foods hot.

The best way to keep cold foods cold is to use a freezer gel device. Purchase one or make one by cleaning a plastic margarine tub, filling it with water and freezing it. Homemade or purchased freezer gel devices will keep foods cold until lunchtime.

Foods usually refrigerated but which keep well in lunches at room temperature include summer sausage or salami, hard cheeses - like colby, cheddar, Swiss, etc. - and pasteurized process cheeses. Unpeeled hardcooked eggs may also be packed in lunches if their shells are not cracked. Fully cooked products like bologna and hot dogs also keep well.

Turkey, chicken, sliced roast beef, lamb or pork sandwiches should be frozen overnight and allowed to thaw in the lunch box. For more pleasing to eat sandwiches, add mayonnaise or salad dressings before eating them rather than before freezing. If put on ahead of time, these toppings will soak into the bread causing it to become soggy.

If there is a choice, pack lunches in boxes rather than bags. Lunch boxes especially insulated ones, are easier to keep clean and will keep foods cold better than bags. If using brown bags, buy them specifically for carrying lunches and use them only once. Bags that are food stained or soiled will contain bacteria that can lead to food spoilage.

Including something from each food group will add interest as well as a good variety of nutrients to each lunch. The four food groups are: milk and milk products; meat - including poultry, fish, eggs, nuts, peanut butter and dry beans; fruits and vegetables and breads and cereals.

**C.P.R. Classes**

For the fourth consecutive year, the regular quarterly Cardio-Pulmonary Resuscitation class will be held on Thursday, November 13, Tuesday, November 18 and Thursday, November 20, in the Saline High School Cafeteria from 7 p.m. to 10 p.m.

Statistics show that a large number of deaths (650,000 per year from heart attacks in the United States) could be prevented if these persons would have received Cardio-Pulmonary Resuscitation assistance. Cardio-Pulmonary Resuscitation is the emergency first-aid procedure that consists of providing artificial breathing and circulation until the victim (adult or infant) has been provided professional medical attention. The Saline classes also include instruction in "What To Do" to save a choking victim.

The ultimate goal of this course is to train everyone in our community over the age of thirteen to be prepared to help those in need until professional medical care can be obtained. The Cardio-Pulmonary Resuscitation classes are co-sponsored by Saline Area Schools, Community Education; Saline Community Hospital Auxiliary; Michigan Heart Association; American Red Cross and Saline Community Hospital. To register call Saline Community Hospital, 429-5435. These classes are free.

**A Beautiful Idea To Help You Save Money:**

**Free Note Cards and Flowers from Ann Arbor Bank.**

Saving is always a beautiful idea. And here's an idea that makes saving even more beautiful during our Manchester office's grand opening celebration - flower bulbs from Holland: red and Golden Appledorn, Cottage Pink Renown and Darwin Hybrid tulips; Pink Lady Derby and blue-grape hyacinths; giant yellow Carlton daffodils; and Botanical Crocus Blues.

Deposit the amount as specified in the chart below, in a new or existing personal savings account, and receive 51 bulbs boxed with instructions for planting indoors or out.

IF YOU SAVE	YOU RECEIVE
\$250 to \$499	51 bulbs for \$4.95 plus tax
\$500 to \$999	51 bulbs for \$2.50 plus tax
\$1,000 or more	51 bulbs FREE

Deposit \$50 or more and receive, at no additional cost, 12 note cards - created specially for us by Susan Price - depicting four beautiful Manchester scenes: The New Firehouse, The Mill, The Library and Main Street.

The offers are good while supply lasts. So plant some "green" in a savings account today, and watch your interest and your garden grow.

### J.V. Girls Basketball Girl's Varsity Basketball

by Jon Hardenbergh

Since the last writing, our girls have faced 3 opponents. Clinton was first and Coach Ron Panches had a problem. Because of illness and injuries he had only 6 players. Well, it wasn't enough and we came up short on the scoreboard. Next we trekked to Vandercook Lake and behind the 11 points of Sherri Rowe along with Chris Weirich's 8 we downed them 32-23. Just this past Monday we hosted Columbia Central and we jumped to the first period lead as they lost their basket, 8-0. How quickly tables turn as thru the second 8 minutes we lost the hoop. Fortunately they connected on only 2 buckets to pull to 8-4. We put it quite out of reach in the third by adding 10 with the final being 25-15. Scoring-wise Julie Gebhardt popped for 9 points as Sherri contributed 7 points. Rebounders in this contest were Natalie Walkowe with 9 as Jenny Stein and Jan Coval teamed for 10, 5 each. The backboard sweepers for the Vandercook Lake game were Julie with 9 and Dawn England with 8. At this time the girls have an 8 win 7 loss record.

Manchester Girls Varsity Basketball lost Monday night to Columbia Central 56-41. The Lady Dutchmen lost to a strong class B Columbia Central. Columbia was led by six foot Sue Meko, the best basketball player the Dutch have seen this year. This was the best game the Dutch have played in the last 10 games. Two seniors, Mary Blumenauer with 7 points and Carol Buss with 6 points and junior, Beth Vleck 13 points and an outstanding floor game led the Dutch. Our next and last home game will be next Tuesday with Onsted.

### Fall Recognition

Manchester Athletic Boosters in conjunction with the Optimist Club is sponsoring a fall recognition on Wednesday, November 12, 1980 at 7:30 p.m. in the Study Auditorium.

### A Sad Way To Lose

This was on our 30 yd. line and 3 yards later their back scampered 30 yards for the score-the P.A.T. being good they controlled 14-0. It was about this time when yours truly got christianized as several players ran into me. With time running we got our first break as Scott Lawson covered the Panther mistake at their 36. In the remaining 2 minutes we moved down and Nick Krzyzaniak ploughed in from the 2.

The Dutch entered for the second half fired up and soon Paul Sroufe covered another Stockbridge miscue. Two minutes later Paul collected a Nick 9 yd. pass to pull us within 2 points, 14 to 12. As the clock ticked, the Dutch moved down the field to be threatening at their 13 with 1:22 left. The ball was snapped and they sacked Nick with a Panther picking it up and zooming the 80 plus yards for the TD. This iced the 20-12 victory. The man with the whistle stated this was an intercepted pass therefore advanceable. The lingering question is-was it incomplete or intercepted?

The Dutchmen now hang up their cleats after a strong 4-2 second place L.C.A.A. and a 5-4 overall record.

Defensive Player Of The Week #56 Jeff Silkworth.

Offensive Player Of The Week #62 Brian Mahan.

### Benefit For Booster Fund

The Manchester Black Sheep Theatre presents Noel Coward's Play "Private Lives" to be shown Friday, November 7, 8:15 p.m., a benefit for the Athletic Boosters Fund. The tickets are \$12.50 per person. Wine and cheese will be served after performance.

In 1913 the highest building in the U.S. was the Woolworth building in New York City at 792 feet!

**Roger's Corner Farm Bureau**

The Rogers Corner Farm Bureau Group will meet Friday, November 14 at 8:30 p.m. at the home of Lee Bollinger, 2811 Peckins Road.

Charles Wesley, the Methodist, wrote 6500 hymns.

**Attention: Manchester Area Servicemen And Women**

The American Legion Auxiliary Rehabilitation Committee seeks to obtain the

names and addresses of our area servicemen and women so they can be remembered at Christmas. With your help, we can publish a list so that others can also remember them. Committee members are: Mrs. Richard Stein 428-8427 and Mrs. John Rigg 428-8487. Please call after 5:00 P.M.

**"SO MANY DIFFERENT WAYS TO MAKE YOU WELCOME."**

**BAR-SCHEEZE, HOMEMADE SOUP AND BARBECUED MEATBALLS . . . ALL THE TOUCHES MICHIGAN LOVES.**

Yes, you'll find all of the things that have made Schuler's a Michigan legend — including the bountiful snack tray, a cool crisp salad, and even your own tureen of soup. All included, by the way, with your dinner.

**MANAGER DWIGHT NEWELL MAKES EVERY WELCOME A SPECIAL WELCOME!**

It's called Win Schuler hospitality! But it doesn't just start when you walk through the door, it begins when you phone in your reservation.

You see, Dwight wants to make sure your stay at Win Schuler's is a memorable one and that means helping you plan your lunch or dinner over the phone — whether it's — reserving your favorite table or helping you order a special entree.

And of course, when you do walk through the door, you'll find that same warm hospitality carries over to all Win Schuler employees. It's all in keeping with the Schuler philosophy that great food makes a great restaurant, but great people make it something special!

**AND SOME VERY SPECIAL DISHES FROM THE SCHULER KITCHEN!**

Starting with your entree selections, you'll also discover Win Schuler's specialties like Prime Rib and Chicken Cordon Bleu, along with some very special offerings from Chef Krist. For example, on Tuesday, you can enjoy a very special Steak Diane — a beautiful steak fillet with fresh sliced mushrooms, green onions and butter, cooked right at your tableside, then served on a bed of rice. And then, on Wednesdays, Chef Krist and staff prepare Chicken Wellington — boneless chicken stuffed with chutney, fresh oranges and pineapple, then baked inside a flaky puff pastry. Two extraordinary meals that will make your evening a special one. But don't forget to save room for some delicious ice cream dishes like our Carmel Ice Cream Pie.

**EVERY WIN SCHULER'S IS A SPECIAL WIN SCHULER'S.**

You see, when you visit any of Win Schuler's Restaurants across Michigan, you can expect a traditional Win Schuler's welcome — from the warm greeting at the door to the generosity and hospitality all the while you're there. But remember, too, every Win Schuler's is unique — in its own special setting, its own special atmosphere, and in the very special way we make you welcome. So come visit the Ann Arbor Win Schuler's soon. Dwight Newell, Chef Krist, and all their people are waiting to welcome you!

Don't be surprised if Win Schuler's himself steps up to greet you on your next visit. He regularly visits all his restaurants to make sure they're up to what you expect of them.

**WIN Schuler's**

*So many different ways to make you welcome!*

3600 Plymouth Road, (Marriott Inn) Ann Arbor 769-9400

Chef David Krist and Manager Dwight Newell

**Kindergarteners Study Nutrition**

Good food makes a healthy you! Mrs. Grobes kindergarten classes have been studying about nutrition this month. On October 8th we had a nurse come in. We talked about the four basic food groups. She took our blood pressure. We listened to each others heartbeats with a stethoscope! Now that was really exciting. The girls made nurse hats and pretended to be nurses that day! The boys made doctor hats and were doctors for a day!

To top off the month (October 24th) the children made their own nutritious snack — homemade peanut butter! Our terrific recipe is:

**PEANUT BUTTER**  
 Shuck 1 cup roasted peanuts.  
 grind peanuts in meat grinder.  
 put ground peanuts and 2 tablespoons oil in blender.  
 spread peanut butter on.  
 Eat.  
 Clean-up  
 It was a truly delicious experience!

**U of M Wrestle-Off**

The Manchester High School Wrestling Team has the honor of hosting the University of Michigan wrestle-off for this year's U of M Varsity Wrestling Team. The head coach for the U of M Wrestling teams is Mr. Dale Barr, who is a great asset to the wrestling sport. He will be bringing his two best teams of wrestlers to Manchester for the final wrestle-off of each weight class. The winners of each weight class will then become the University of Michigan's Varsity Wrestling Team for this year's wrestling season.

The wrestle-off will be held at the Manchester High School on Sunday, November 16th at 3:00 p.m. Tickets are available now by calling 428-8487 or 428-7117 or you can purchase them at the door that day. The price of the tickets for Adults is \$2.00, Students - \$1.50 and children under 6 are free. Proceeds of this event will go towards the Sports Program for the Manchester Schools.

**Optimist Club Welcomes New Members**

The membership of the Manchester Optimist Club are pleased to welcome the Reverend Ronald L. Figgins and Mr. William E. Brady as new club members. Shown above, are Ron and Bill being

introduced to the club members by their sponsors, Mr. Bruce Hunt and Mr. Rollie Grossman.

Ron, a new member of our community, is Pastor of the Sharon United Methodist Church and resides on Schaffer Court.

Bill, a long-time resident of Manchester is a member of the Manchester United Methodist Church and is employed as an electrician. Bill, and his wife, Virginia, reside on Riverbend Drive.

**American Legion Auxiliary Meeting**

The regular meeting of the American Legion Auxiliary will be held Wednesday, November 12 at the Legion Home, at 7:30 p.m. On Saturday, November 8, from 2-4 p.m., volunteers are needed to help with the Ann Arbor VA Hospital party for patients. Please call either Helen Hosmer or T V Ludwick if you are planning to help.

**Singles 25 And Up**

Come alone or come with a friend. Be our guest at the Tuesday Night Singles at the American Legion Hall, South Main Street, Ann Arbor on November 11th. Dance from 8:30 to 11:30 p.m. to the music of The Merrimen. Good time by all. For more information call 482-5478. There will also be ballroom dancing.

**NOW FROM UNION SAVINGS BANK:  
INTEREST ON CHECKING**

Beginning December 31, 1980, Union Savings Bank will offer checking accounts that earn interest. These new accounts, called "NOW" accounts (which means "Negotiable Order of Withdrawal"), will pay 5-1/4% interest on the account balance, compounded continuously.

How much does the Union Savings NOW cost? Choose from these options:

MONTHLY BALANCE	MONTHLY SERVICE CHARGE	EXCESS USAGE FEE*
\$1,200 or more	None	None
Less than \$1,200	\$6	15c*

\*This excess usage fee is a per item charge on all transactions (checks, debit memos, payments, etc.) exceeding 30.

Any senior citizen will get a Union Savings Bank NOW account with no monthly service charge—regardless of the balance in the account.

According to federal regulations, other financial institutions—even savings and loans—can offer NOW accounts, beginning December 31, 1980. But only banks have offered checking accounts before. So only banks know how to handle the paperwork—and how to service checking accounts correctly. And, of course, Union Savings is a bank.

See your Union Savings Banker today for your Interest-Earning checking account—and start earning 5-1/4% on all your money, beginning December 31, 1980.

### COUNCIL PROCEEDINGS

October 20, 1980  
Council met in regular session with the meeting called to order at 7:00 P.M. by President Schaffer. Present were: Hinkley, Koebbe, Minick, Petsch, Smith and Zsenyuk.

Minutes of the October 6, 1980 meeting were read, corrected and approved in a motion by Koebbe, supported by Hinkley. All years, motion carried.

Public Works activities as reported by Koebbe included: Distributed dirt along the shoulder of Auburn St.; Cleaned catch basins; Hauled eight loads of dirt to Kirk Park; Fixed water service for Don Limpert at the old blacksmith shop on E. Main; Finished work at Kirk Park; Flushed hydrant at Haller's; Applied asphalt along the shoulder of South Clinton St.; Filter and hydrants were flushed; Applied more cold patch; Talked to Kenneth Pate about Duncan St., also to George Langen about the Riverside Drive water problem; Called Shuts Equipment regarding a new salt spreader (\$1040.00). Additional prices to be presented at next Council meeting.

Dug a grave: New signs were put up at Fire Station; Lowered power line and installed gas line to new building at the Public Works Department; Cleaned up yards and put new hydrants into building; Repaired hydrant on Schaffer Ct.; Mowed Wurster Park; Picked up cement blocks for work to be done on Riverside Drive; Continued work on electric and gas service for the Public Works building; A salesman from Carlson water meters quoted a price of \$44.00 with 25 feet of wire that comes with each meter; Smith to contact Badger Meter on water meters which were not working; Picked up cement tiles and remainder of cement blocks for job on Riverside Drive; 2 manhole covers were purchased; Swept streets; Cleaned out block building and washed trucks; Picked up load of sand; Emptied trash barrels; Hauled plastic pipe to work site; Smith reported work was progressing on Riverside Drive; A letter from McNamee, Porter and Seeley was presented concerning report of the investigation of difficulties being experienced at the Duncan Street bridge. A preliminary estimate of cost for repair would be approximately \$7,100.00.

Koebbe reported the Union Savings Bank wants to pave a 30x90 ft. drive by the Drive-in window at an approximate cost of \$2,432.00 to \$2,560.00 which would include the easement from the Village and questioned whether the Village would share the cost. Koebbe suggested the Village negotiate with the Bank. Koebbe also requested the Village Council have the Village Attorney send a letter to Robinson Asphalt, Inc. concerning the roads which they had paved which are breaking up.

Report of the Water and Sewer Dept. was reviewed.

**Public Hearing called at 7:30 P.M.** for discussion on request of Manchester Plastics for Industrial Facilities Exemption Certificate. Mr. Michael Ratz of Manchester Plastics was the only person in attendance for the hearing. A letter was presented from Eugene W. Thompson, Ed. D. Superintendent of the Manchester Community Schools stating the Board of Education passed a resolution supporting the request for an exemption. No objections were voiced by Council on previous decision which was approved on September 22, 1980 to grant an Industrial Facilities Exemption Certificate to Manchester Plastics.

Chief Zsenyuk reported John Steele Heating was unable to install a space heater for the Police Dept. and he had contacted Columbia Heating who would install a new heater for \$369.00. John Hinkley reported he had a space heater the Village could use at no cost. Decision to be made by Zsenyuk.

Chief Zsenyuk also reported he had a complaint about Pine Trees being planted between the curb and side walk on Schaffer Court. According to Ordinance trees that are not permitted to be planted are Poplar, Soft Maple, Box Elder, Tree of Heaven, Ash, Wild Chestnut or Cottonwoods.

Zsenyuk reported he had been approached by CETA about utilizing help in the office. Brian Walz was hired for 20 hrs. work per week. Cost to be paid by CETA.

Petsch requested a refund of \$60.00 to a resident who had requested water services be terminated November 1979. No objections voiced. Moved by Petsch, supported by Koebbe to erase Water Billing No. 30411 from the books. All years, motion carried.

Petsch also reported the work on Kirk Park was progressing.  
Jack Spragg of Gallup Silkworth and Jerry Mann to contact Hinkley about erecting signs to conform to Ordinance.  
Hinkley reported the Village Planning Commission will meet October 21, 1980. Schaffer will contact residents to fill vacancies on Village Planning Commission. It was the recommendation of Council that Hinkley check with Village Attorney for ruling on bids for renovation of cost under \$50,000.00 and report back at next Council meeting.  
Zsenyuk reported trash back of the Black Sheep Tavern had been cleaned up.  
Petsch questioned what the hours of the Pump & Pantry were set at. Village Planning Commission to contact as to hours they are opened.  
Schaffer reported an agreement had been reached between the Village of Manchester and Bruce T. Daniels. Meeting adjourned at 8:20 P.M.

Dealoris E. Richardson  
Village Clerk

### PUBLIC NOTICE

The Michigan Water Resources Commission proposes to reissue the following discharge permit: Permit No. MI 0002028 to Michigan Gas Storage Company located at the Freedom Compressor Station, 12201 Pleasant Lake Road, Manchester, Michigan 48158. The applicant is engaged in the transmission of natural gas and discharges noncontact cooling water from the Freedom Compressor Station to Pleasant Lake.

Comments or objections to the proposal received by the Commission within thirty (30) days of the date of this Public Notice will be considered in its final decision to issue the permit. Persons desiring further information regarding the proposal, including inspection of the draft permit and fact sheet, should contact the Engineering and Technical Services Section, Water Quality Division, Department of Natural Resources, P.O. Box 30025, Lansing, Michigan 48909. Phone (517) 373-8088. Comments on the proposal should be mailed to the above address. The information is also available at the District Office located at P.O. Mouille State Game Area, 37205 Mouille Road, Rockwood, Michigan 48173.

### HIT OR MISS

For instance there is the tale about the old boy who showed up at the train depot in Kansas the other day and asked how much it would be to go to a nearby station down the line. The agent said \$3.00. The man said he only had a \$2.00 bill but he could get the other dollar and left. When he came back with \$3.00 the agent asked him how he got the other \$1.00.  
"Nothing to it" said the man. "I went to the hockshop and pawned the \$2.00 bill for \$1.50 and then I sold the pawn ticket for \$1.50. When you're making out the ticket you tell me who was out the extra \$1.00."

### Sleep Program To Be Held

"Sleep" is the next program to be offered to area citizens over the age of 55 by the Turner Geriatric Clinic, University of Michigan Hospital and Saline Community Hospital. Mary Hunter, Assistant Professor, University of Michigan School of Nursing will speak on the subject of "Sleep - Theory and Practice". Mr. Peter Wright, Pharmacist, Wright's Apothecary, Saline, Michigan, will speak to the group on "Medication - Help or Hindrance", addressing the subject of prescription and non-prescription drugs as sleep aids.

The program will be held Wednesday, November 12, 1980 from 11:00 a.m. to 1:00 p.m. in the Blue Room, Saline Community Hospital. Lunch tickets may be purchased at the registration desk before 11:00 a.m. For transportation call Saline Senior Center, 429-9274. In Manchester call Oto Timmerman, 428-8190.

This program has been planned by area senior citizens in cooperation with Turner Geriatric Clinic, Community Mental Health and Saline Community Hospital. For more information call Saline Community Hospital, Community Health Services Coordinator, 429-5435.

### Seminar on Diabetes

Saline Community Hospital will hold evening seminars on diabetes on Monday, November 17 and Tuesday, November 18. A nurse educator, dietician, pharmacist, physical therapist and occupational therapist will conduct the 7:30 p.m. to 9:30 p.m. sessions in the hospital cafeteria.

The seminar will provide information on living with diabetes, exercise, stress management, medication and diet. The class is free as a community service. For more information contact Ruth Sissom, R.N., Saline Community Hospital, 429-5435.

### Sponsor Dance

The Athletic Booster and the Manchester High School Wrestling Team are sponsoring a dance on Saturday, November 22 at the K of C hall. Dancing will be from 9-1. Music will be donated by the Researchers (Bill Martin).

Donation \$10.00 per couple or \$7.00 for single. Snacks and mix will be available. Proceeds from the dance will help support the Winter Sports Program. Tickets will be available at the door; at The Clothes Line or by calling 428-8467 or 428-7117.

### Coordinator Needed

The 1980 Great American Smoke-Out will happen on November 20, 1980. It's a day when smokers, non-smokers, ex-smokers, and everyone in the community join together and take the pledge to quit smoking on that special day. The Smoke-Out is a once-a-year opportunity to offer our community a fun filled, important service. We believe that now is the time to start planning for this exciting event in Washtenaw County - so if you have an interest and are dedicated to "Stopping Smoking" please call ACS at 668-8887. Last year nearly five million cigarette smokers laid down their packs for Smoke-Out Day nationwide, and approximately 2.3 million were still not smoking one to three days later. Now that's a real GAS!

### 34 Percent Low On Oil

Fluid levels-oil, antifreeze and windshield washer solvent-are the most neglected maintenance items on a car, according to an Automobile Club of Michigan survey.

Auto Club's Emergency Road Service employees tested 287 vehicles on a random basis at a Detroit-area service station and found 79 percent of the cars with at least one deficiency on a 12-point checklist.

Thirty-four percent of all the cars checked were at least one quart low on motor oil. Radiator coolant was low on 31 percent while the solution of antifreeze was weak on 28 percent.

The survey also showed:  
\* 27 percent low on windshield washer

- solvent.
- \* 22 percent with corroded or damaged battery cables.
- \* 22 percent with improper tire pressure.
- \* 13 percent low on power steering fluid.
- \* 11 percent low on battery fluid.
- \* five percent with loose or frayed fan belts.
- \* five percent with defective lights or turn signals.
- \* four percent with unusable spare tires.
- \* three percent low on brake fluid.

### "Stain Out" Now Available

An "at your finger tips" home remedy guide for removing all types of stains from all kinds of washable fabrics is now available from county MSU Cooperative Extension Service offices throughout Michigan.

The new bulletin, appropriately titled "Stain Out", highlights 40 common household stains and stain removal procedures.

"We designed this bulletin to make it easy to use," says Isabel Jones, Extension clothing and textiles specialist at Michigan State University, and author of "Stain Out". "No more paging through lengthy and cumbersome bulletins to locate the right procedure for a specific stain. Information in 'Stain Out' is listed on five pages in an easy-to-read chart."

To order "Stain Out", contact Helen Fairman, Extension Home Economist in Washtenaw County, at 973-9510. Ask for Extension Bulletin E-1402. Single copies are free to Michigan residents.

Anyone can develop a knack with a snack. Even a full-fledged amateur can make wholesome snacks that change the meaning of the term "fast food". Our nutritionists at the State Health Department gave us some good ideas, which I'll pass on to you.

They tell me that if you alternate frankfurters and cheese chunks on pretzel sticks you have pretzel shish kebab. And if you spread a lettuce leaf with peanut butter, place a carrot or celery stick in the middle, and wrap it taco-style, you have a walking salad. As long as the peanut butter is out, they suggest spooning it on apple slices, or stuffing some dates with it and soft cheese.

If you should crave a sweet, they mentioned a good one called ice cream cone cakes. You whip up a cupcake batter and pour about a quarter-cup of it into flat-bottomed waffle ice cream cones, and bake them at 400 degrees for 15 to 18 minutes. This sounds like a hot item, so let them cool, and stand back for the grand rush to the cone cakes.

None of these snacks can compete with cream puffs for adding weight, which means they help us to stay within calorie limits that we need each day. They're inexpensive, since they're made with

### HOUSE CALL

Anyone can develop a knack with a snack. Even a full-fledged amateur can make wholesome snacks that change the meaning of the term "fast food". Our nutritionists at the State Health Department gave us some good ideas, which I'll pass on to you.

They tell me that if you alternate frankfurters and cheese chunks on pretzel sticks you have pretzel shish kebab. And if you spread a lettuce leaf with peanut butter, place a carrot or celery stick in the middle, and wrap it taco-style, you have a walking salad. As long as the peanut butter is out, they suggest spooning it on apple slices, or stuffing some dates with it and soft cheese.

If you should crave a sweet, they mentioned a good one called ice cream cone cakes. You whip up a cupcake batter and pour about a quarter-cup of it into flat-bottomed waffle ice cream cones, and bake them at 400 degrees for 15 to 18 minutes. This sounds like a hot item, so let them cool, and stand back for the grand rush to the cone cakes.

None of these snacks can compete with cream puffs for adding weight, which means they help us to stay within calorie limits that we need each day. They're inexpensive, since they're made with

many foods that are common stock in most kitchens, and they're nutritious, which get our vote.

The nutritionists also mentioned beverages to go with the snacks. Some of the fruit juices combined make a good drink. Start with orange juice and add either grapefruit or pineapple juice, or pear nectar. If your base is grapefruit juice, they suggest orange or pineapple juice or apricot nectar.

We seem to be a society of snackers. A few hours at the beach or pool, watching television, driving in the car, or gathering with our friends all seem to require sustenance. If you select snack foods with the same consideration given to your meals, they will do more good than harm. If you disapprove of snacks between meals, but your family insists, don't blame the snackers; blame the snacks.

### DIAL -A- GARDEN

Next week's schedule for Dial-A-Garden, sponsored by the Cooperative Extension Service of Ann Arbor will be:

Monday, November 10, Plants to Attract Birds.

Tuesday, November 11, Closed.

Wednesday, November 12, Did Your Trees Survive the Summer?

Thursday, November 13, Turkey Tips.

Friday, November 14, Are Your Houseplants Happy?

Dial-A-Garden Phone Number is 971-1122.

## CARD OF THANKS

We wish to thank all our friends and neighbors for their cards, prayers, and calls during my time of sickness and in the hospital.

A special thanks to Rev. Bob Marfalone for his calls, prayers and concern and to the young Manchester police officer who came to our assistance.

We are so grateful to the many friends and neighbors who were so generous in giving rides to and from the hospital to Emma.

God bless you all.  
LeRoy Marx  
Emma Marx

To my relatives, friends and neighbors, a thank you for the gifts, cards, food and prayers while I was hospitalized and since my return home.

A special thanks to Rev. Hart for his visits.  
Mahlon Smith

We wish to extend a special thank you to the neighbors and friends for their many kindnesses during our loss.

## "HIT OR MISS" by farley

I'm a confirmed dog lover and as such the other day I ran across a little tale in the Toledo Blade which tugged a bit at my heartstrings and which seems to me to be well worth repeating.

Seymour Rothman reports that a fellow named Edward Grahasd had an eleven year old Sheltie who died several years ago and it was quite some time before he could bring himself to get a new puppy.

Eventually his wife convinced him to get a new puppy but before he could find one she became very ill and he used all his time and energy in taking care of her and despite her urging he didn't get the puppy.

She passed away on April 8 that year.

On the morning of Decoration Day he planted some flowers on her grave in Calvary Cemetery and that afternoon he went back to water them. He climbed out of his car, walked around to the other side to get the watering can and as he opened the door, there was a blur of brown fur and suddenly a miniature Pomeranian was sitting in the driver's seat of his car.

He looked all around to find its owner but there was no one else anywhere about, so he drove all around the cemetery showing the puppy to everyone he could find, but no one recognized it.

So on his way home he bought food and toys for the pup. He knew that it was a valuable dog and figured that in a day or so its owner would be advertising for it and then he would return it.

Sure enough, several days later, an ad appeared in the newspaper and he reluctantly called the owner, and soon a man and his daughter came by to look at the dog and as soon as the girl and the dog saw each other he knew they belonged to each other.

The grateful father said "You know there's a reward for this?"

The idea of a reward was brushed aside and the man insisted that the pleasure of having had the puppy for several days and seeing the joy of the puppy and the girl was reward enough.

Smiling, the girl's father said "You'll accept this reward. I don't think you will turn it down. My daughter was so heartbroken at the loss of her dog that I went out and bought her another just like this one. We don't need two. I'd like you to have this one" and the next day he had the puppy complete with pedigree and papers. The date of the puppy's birth was April 9, the day after his wife's death.

## Optimist Outstanding Citizen

Pictured are: David Little, Optimist Member, Melissa and parents Mr. and Mrs. William Bunney.

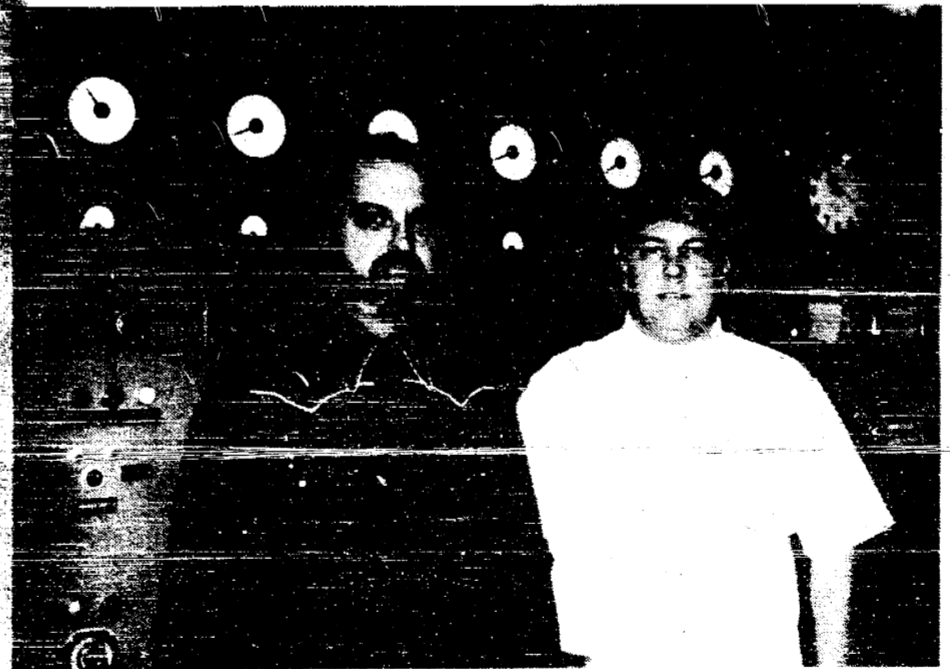

Melissa Bunney, a sophomore at Manchester High School, has been chosen the Optimist Club Citizen of the Month for November. The daughter of Mr. and Mrs. William Bunney, 19025 Sanborn Road.

Melissa has been a junior varsity cheerleader for two years, serving this year as captain. In addition, she was Freshman Class President, has served a year on Student Council, played on the junior

varsity softball team last spring and received a first place in last year's Optimist Club Oratorical Contest. She is active in the youth group of Emanuel United Church of Christ.

Her hobbies include reading, horseback riding and swimming. Although her future college plans are indefinite, Melissa is interested in becoming an attorney.

## Michigan Gas Storage Over Goal For United Way

Pictured are: Eugene C. Quibell, Compressor Station Supervisor and Joseph Roberts, Gas P & T Clerk.

The Manchester United Way proudly salutes the Michigan Gas Storage Company and its 20 employees. Not only have they surpassed their goal for the 1980 United Fund Drive but have increased their donation by 78% over last year!

It is this kind of dedication throughout all of the industries in the Manchester Community that have made the past 20 consecutive campaigns a 100% success! Assisting Industry Division Chairman Clarence L. Fielder in this year's drive are the following: Irene Wurster and Charles Matloff at Double A Products, Inc., Eugene Bentschneider at Manchester Tool & Die, Inc., Joseph Roberts and Barney Lewis at Michigan Gas Storage Co.,

Eugene Smith at Pinnacle Engineering, Inc., Wayne Hamilton at Manchester Stamping Corp., William Mitchell at Chrysler Proving Grounds, Charles Nickloff at Universal Blow Molding, Inc., and Max Kenyon at Manchester Plastics, Inc.

The Manchester United Way sincerely expresses its gratitude and thanks to Manchester's industries, for they are truly the back-bone of our drive! As of Saturday, November 8th, 94% of the \$25,412 projected goal has been reached. This week will serve as "cleanup" week for all solicitors, and hopefully by next week we will have reached the top for the 21st consecutive year!

## Fifteen Students Inducted In National Honor Society

Fifteen students from Manchester High School will be inducted into the membership of the National Honor Society in a 7:30 p.m. ceremony in the high school library on Tuesday, November 18. This is the fourth year Manchester had had a NHS Chapter. All parents, students and community members are invited to attend.

Members were selected by a faculty council, consisting of four teachers, the assistant principal and the principal, for meeting high standards of scholarship, service, leadership, and character.

Students to be inducted are: Mary Blumener, Jill Dettling, Chris Gehring, Kathy Kensler, Carol Iobbestael, Gretchen Platt, Betsy Reeves, Sharon Widmayer, Stephanie Ames, Becky Broucek, Jenny Feldkamp, Kelly Gotts, Sandy Knickerbocker, Sherri Rowe and Carol Schaible. This year's officers are: Laurie Fitzgerald, President; Carol Schaible, Vice President; Betsy Reeves, Treasurer; and Karl Gregerson, Secretary. In addition Tu Van Phan will be inducted as an honorary
