CARD OF THANKS

I wish to thank all my friends and relatives for remembering me with cards, gifts and visits during my recent trips to the hospital.

Lawrence Bostnar

The family of Erva Kothe wishes to thank everyone for their help and kindness during our recent bereavement, all the friends, neighbors and relatives for their cards, food and support during this time. Also Dr. Hwang, Saline Community Hospital, Rev. Piggins, Rev. Ferrigan and W.S.C.S. Your kindness and consideration will be remembered and appreciated by her family.

Norman Kothe
Mr. and Mrs. Ray (Leona) Ebersole and family
Mr. and Mrs. Nelson Kothe and son
Mr. and Mrs. George Biggs and family

I wish to thank the American Legion, friends, neighbors and Rev. Macfarlane for their visits, cards, and gifts while I was in the hospital and since my return home.

Don Rhees

We want to thank all our neighbors, relatives and friends for the food, cards, flowers, and get well wishes, also for the anniversary cards.

A special thank you to Rev. Macfarlane.
Ben Maurer
Laura Maurer

We would like to thank the Manchester Fire Department for their quick response and good work for saving our home. Also for the help from the neighbors, relatives, friends and Alber & Kirk in everything they did at our house fire.

Thanks

Raymond Jacob Jr. and family

Memoriam

In loving memory of Mable J. Loucks who passed away one year ago November 27, 1980.

We miss your kind and smiling face
Your thoughtful and loving care
The happy hours we all enjoyed
How great the memories are
But God saw you growing weaker
So He did what He thought best
He came and stood beside you
And whispered "Come home with Me to rest."

So many precious memories
Of many happy years.

Sadly missed by Children and Grandchildren

High School Christmas Concert

The Holiday Season will be opened in Manchester on Monday, December 8, 1980, with the Manchester High School Christmas Concert given by the Varsity Choir and the High School Band in the High School Auditorium at 8:00 p.m. The Concert will be preceded by an exhibit given by the Art Classes in the school which opens at 7:00 p.m. This is a chance to see some of the excellent work done by our Manchester students, hear some of the new as well as traditional seasonal music, and join in a Carol Sing.

The Christmas Concert season will continue at the Middle School on Thursday, December 11, 1980, in the Middle School Gymnasium at 7:30 p.m. The performance will feature the 5th Grade and 6th Grade Choruses, 6th Grade Band, and the Middle School Chorus and Band.

The Elementary School Christmas Programs will be given the following week with the Klager children singing at the High School Gymnasium on Tuesday, December 16, and the Pleasant Lake children singing at the Pleasant Lake Gymnasium on Thursday, December 18. Both programs will begin at 7:30 p.m.

Roger Morrison and Doyle Rodenbeck are the Music Teachers preparing students for all the programs.

Birth Announcement

Mr. and Mrs. Gerald Mann of Manchester are proud to announce the birth of a daughter, Jennifer Jean on Thanksgiving Day, November 27, 1980. She weighed 6 pounds 13 ounces and was 19 1/4 inches long and has two brothers, Mark 6 and Michael 2 1/2.

Maternal grandparents are Mr. and Mrs. James Cox and paternal grandmother is Mrs. Earl Mann, all of Manchester.

"HIT OR MISS" by farley

It's always nice to see and hear about the nice things that the teenagers of today are doing. It seems however, that the "media" stresses stories about the youngsters who get into trouble—who commit crimes both minor and major; who are picked up for drug and intoxication charges, or who may be the cause of a fatal automobile accident.

Rare indeed seem to be the stories about the youngsters who are accomplishing many worthwhile things. These stories seem to be tucked away down in a corner of an inside page under a rather small heading.

When one looks carefully however, there seem to be many of these accomplishments taking place which certainly refute the unfavorable things one hears and reads. There's but a small part of the group on the wrong side of the law.

This reflection was brought about by comparing the damage done on Halloween this year to that of some like observances of years past. The youngsters of bygone days hadn't heard of "trick or treat", just of "trick" but nowadays most of them show their appreciation for the "treats" offered them by the public as they appear in costume. Very little damage was done hereabouts.

And when we picked up our papers that evening we searched it diligently for examples of worthwhile accomplishments and we soon came across two reportings that a contest had been held to select the

LETTERS TO SANTA

Christmas is almost here. So it's time for all you boys and girls to write your letters to Santa. You have until December 15 to write and let me know what you want for Christmas. My special mailboxes are located at the Post Office, Pleasant Lake School, and Klager School. Be sure to have Mom or Dad check for the correct spelling of your name and address.

Be good boys and girls and watch for my letter soon.

I'll be seeing you on Christmas eve.
Merry Christmas to all!

Love,
Santa, North Pole

Protest Meeting Delayed

Because of a number of conflicting factors and inaccessible data, the planned meeting of concerned citizens to protest the decision to cut back and close the Chelsea branch of the Michigan Secretary of State office has been postponed until Thursday evening, December 4. The meeting will still be held at the Ann Arbor Trust Meeting Room but will begin at 7:30 p.m.

The Assistant Secretary of State and State Representative Mary Keith Ballantine and Senator Ed Pierce are expected to attend.

We are again reminded that the closure of this office will force residents to travel a considerable distance to conduct business formerly handled at the convenient branch office facility on Main St.

All interested parties are encouraged to attend in order to voice their anger and dissatisfaction resulting from the Michigan budget cut.

SATURDAY, DECEMBER 6th TRI-CHURCH BAZAAR

Doing some early Christmas Bazaar window shopping are Tracy, Timothy, and Terri Becketl, children of Larry and Ann Becketl. They are admiring the hand hooked rug, doll with travel case, and 10" Paddington Bear. The hand hooked rug made by Lillian Scott, the Paddington Bear made by Pat Spaulding, and doll with travel basket donated by Agnes Kent are the raffle items being offered by St. Mary's Catholic Church. These raffle items can be seen displayed in the window of Great Lakes Federal Savings here in Manchester. Tickets for the rug and doll with travel case are 50c each or 3 for \$1.00. Paddington Bear tickets are 3 for \$1.00. The tickets can be purchased in advance at Great Lakes Federal Savings or from many of the ladies from St. Mary's Church and also at the bazaar.

Window shopping on the other side of the street you will find Raggedy Ann and Raggedy Andy, a Fall wreath arrangement, and a crocheted afghan, the raffle items from the Methodist Church. They are displayed, along with other bazaar items, in the window of the Gambles Hardware Store. The other raffle item, offered by Emanuel Church, is a "Songbirds" cross-stitch quilt and will be on display at the bazaar. Tickets for the raffle items can be purchased from ladies of the church which is offering the item or tickets can be purchased at the bazaar.

Sponsored by three churches: St. Mary's Catholic Church, Manchester United Methodist Church, and Emanuel Church of Christ, the Tri-Church Bazaar is a unique Christmas shopping opportunity offering numerous handmade gifts, a silent auction, the raffle drawings, and a delicatessen featuring a variety of baked goods and deli items. The bazaar will be held at Emanuel Church on Saturday, December 6, from 9:00 a.m. till 3:00 p.m. with a luncheon being served between 11:30 and 1:00. For the convenience of shopping parents, a nursery will be provided so the youngsters can have fun while their parents browse and shop at leisure. For a pleasant Christmas shopping experience, attend the Tri-Church Bazaar this Saturday.

Tie A Yellow Ribbon

As many of you know, the hostage situation has not been resolved, and it looks like our people will spend yet another Christmas in Iran.

The Manchester Jaycee Auxiliary would like to encourage the residents of Manchester to join with other residents in Michigan in showing our concern for the hostages.

TIE A YELLOW RIBBON is a project that has been gaining a lot of support this past year throughout Michigan. It is very easy to support this project. All you have to do is tie a yellow ribbon around a tree (or pole) in front of your house or apartment. Florist ribbon that withstands moisture is recommended.

It may seem like a small thing, but it gives you a wonderful feeling when you drive around and see trees up and down the street with ribbons.

The Manchester Jaycee Auxiliary would like to encourage everyone in Manchester to support this project.

Manchester Lunch Menu

- Monday, December 8, Spaghetti, School Roll, Lettuce Salad, Applesauce, Milk.
- Tuesday, December 9, Chili, Cheese & Crackers, Tater Rounds, Peach Crisp, Milk.
- Wednesday, December 10, Sloppy Joe, Corn or Corn on Cob, Fruit Cup, No-Bake Cookie, Milk.
- Thursday, December 11, Pizza, Cole-slaw, Applesauce, Nut Cup, Milk.
- Friday, December 12, Fishwich and Tartar Sauce, Mixed Vegetable, Pineapple Tidbits, Milk.

Willie Wonka Film To Be Shown

The National Honor Society is showing a great film every month. This month's film is the fun and wacky, Willie Wonka and the chocolate factory. The film will not only be shown Saturday, December 6 at 10:00 a.m. but also Thursday, December 4 at 6:30 p.m. The place is the high school auditorium and the price is only \$1.00. Popcorn and pop will be sold during the film. So remember to come on down Thursday, December 4 at 6:30 p.m. or Saturday, December 6 at 10:00 a.m. and see a great film for only \$1.00.

Loss Claim Notice

Federal Crop Insurance District Director Harlan Stull reminds farmers carrying insurance on corn or soybeans if a loss is to be claimed on any unit notice must be given at the office for the county NOT LATER THAN 30 DAYS after the earliest of: (1) The date harvest is completed on the unit. (2) December 19, end of insurance period.

Any insured acreage which is not to be harvested shall be left intact until the Corporation makes an inspection.

Sportsman Club Christmas Party

The Manchester Sportsman Club Annual Christmas Party will be held Saturday, December 6. There will be a cocktail hour prior to a potluck supper at 7 p.m. for all members and their families.

Also there will be a \$2 gift exchange for adults. Bring gifts for your own children. Santa will make his yearly visit for the club and its members.

News Of Good Things Growing

'Tis the season to be jolly. With some imaginative ideas and a jar of Michigan maraschino cherries, even the dullest recipe can be spruced up for holiday festivities.

These bright, red cherries are among the good things growing in Michigan. More than 46 million pounds of maraschinos were processed in 1979, according to the Michigan Department of Agriculture.

Delicious tidbits are made from the state's sweet cherry crop each year by soaking them in a solution to remove the color, pitting and putting them into a syrup mixture with flavorings and red or green coloring added. After the color is absorbed, the cherries are bottled, pasteurized and ready for any festivity - even to celebrate Tuesdays!

FACT:

Don't leave the Santa, Droese and all your own Christmas tree from one of the many Christmas tree farms all across the state. Michigan grows more plantation Christmas trees than any other state.

An illustration from the Michigan Department of Agriculture and the Michigan State University Extension Service.

HIT OR MISS

When interviewed, their director was asked how they managed to win and he simply replied "by practicing." And when asked how much, he replied "about four hours a day for the five school days of the week. It was no problem to get them to practice," he said, "as the whole school, the administration, and the town were all rooting for them. They had been sold on the idea that they could win and we knew that we could, so we did."

There are in every school a certain percentage of students who have no parental inspiration for anything worthwhile but while we are striving in some instances to inspire these teenagers are we not neglecting our "all Americans"?

We commend the Manchester Optimist Club for their recognition of the "Student of the Month" and recommend it to schools who do not have such a program.

We would like to see our youngsters, all of them, have an opportunity to display their latest talents in other fields. We see the other day in the Ann Arbor Daily that this year CAT tests showed poorer results there this year than last, but we have been told that this is not so here, but we have as yet been unable to get the school personnel to evaluate these percentages grade for grade and subject by subject. Our children should have a chance to see these results and compare their accomplishments with others.

Try washing windows with a crumpled up piece of newspaper dipped in water. There's something in printer's ink that makes windows shine.

The Trapping Code Of Ethics

Conservationists, wildlife managers, and others who believe in protecting and enhancing wildlife, recognize trapping as the most efficient means of harvesting furbearers and controlling predators when it is conducted by responsible trappers.

1. Obtain the landowner's permission before trapping on his land.
2. Avoid setting traps in areas where domestic animals may be caught.
3. Set their traps to kill quickly utilizing water acts where possible.
4. Check their traps regularly and preferably in the early morning.
5. Identify and record their trap locations carefully and accurately.
6. Dispose of animal carcasses properly so as not to offend others.
7. Make an effort to concentrate trapping in areas where animals are overabundant for the supporting habitat.
8. Promptly report the presence of diseased animals to wildlife authorities.
9. Assist farmers and other landowners who are having problems with predators.
10. Support and help train new trappers.
11. Support strict enforcement of regulations including trapping seasons and the reporting of all takes to state or provincial wildlife agencies.

GALLERY

Last Saturday, visitors were welcomed with a festive reception to mark the opening of "A Homemade Christmas". The aroma of pine and Christmas cookies reached into every corner of the gallery, from the cornhusk wreath and the delicate wooden games to the strong black hand-wrought fireplace tools. The gallery will be open this month on Tuesdays from 1:00-3:00 p.m., Fridays from 6:00-8:00 p.m., Saturdays from 10:00 a.m.-4:00 p.m., and December 22 and 23 from 10:00 a.m.-4:00 p.m.

CHILDRENS DAY

Once again the kids will have their day in the gallery to choose and wrap surprise gifts for family and friends on December 13 from 10:00 a.m.-4:00 p.m. Plenty of Santa's helpers will be on hand to assist.

WORKSHOPS

Hurry to sign up for Becky Doyle's Gingerbread Workshop! This Saturday, December 6 is the date for learning all her secrets for beautifully decorated and delicious gingerbread cookies and houses. She'll provide recipes and patterns and more. The workshop will meet at the Manchester United Methodist Church from 10:00 a.m.-12:00 noon. The cost will be \$7.00 for members and \$10.00 for non-members.

One more calligraphy workshop for the year will be taught by Heather Price on Tuesday evening, December 9, from 6:30-9:30 p.m. Heather will show you how to develop a creative script for everyday use. Are you tired of your handwriting? Join the group at the Manchester United Methodist Church. The cost will be \$8.00 for members and \$8.00 for non-members. Phone Sandy, evenings, at 428-7125 for information and registration on both workshops.

Information And Referral Service For The Aging

Among the many services offered by the Washtenaw County Council on Aging is an Information and Referral Service to older adults in Washtenaw County. The Information and Referral Service puts older adults in touch with different social agencies within Washtenaw County that can best serve their needs. Though most of the contacts are by telephone - 663-6600 - the Information and Referral Service also provides a walk-in service.

The Information and Referral Service is located in the Social Security Office in the Federal Building, in downtown Ann Arbor. Because of its location, Lou Russello, coordinator of the service, sees many older adults referred from the Social Security Office on a walk-in basis. So far this year, the Information and Referral Service has responded to 1700 phone call and walk-in queries.

Some frequently asked questions are: Where can I find senior housing in the area? How can I find legal assistance? Russello will give them the name and phone number of a service that can help or will supply the needed information himself.

During conversations with people who have questions, Russello may determine that they have additional needs. With the person's approval, Russello may arrange for a visit from the Council on Aging's outreach worker, Maria Gibbs. Ms. Gibbs' duties include visiting shut-ins, the lonely, and the handicapped, assessing their needs and helping where possible.

The Washtenaw County Council on Aging, a United Way agency, also provides other services for older residents of the county including health screening, tax aid, the Senior Reporter newsletter and educational programs. The WCCOA can be reached at 663-3625.

SHOP THE WANT ADS

Ask The Governor

Question: I suspect someone is poaching game on my land. Who do I call and what information must I have on the poachers?

Governor: The Department of Natural Resources (DNR) has established a toll-free 24-hour law enforcement hot line, 1-800-292-7800, for you to call when you have any information on fish or game violations.

There is much information that can be very useful if remembered when witnessing a violation. If a car is involved, note the make, model, color and license number, as well as any distinctive damage on the automobile. If you can see the violator, remember their clothing, facial features and equipment.

Writing the facts down on paper can help in a better recollection of the incident. Often, when excited, observers can forget to look for or record the necessary information. Above all, remember that you are not a law enforcement officer, so do not attempt to take direct action. You may be held responsible for your actions if you unlawfully detain a poacher.

Coordinator of the DNR's anti-poaching campaign, Ransom Hill, agrees that "the best course of action for the concerned citizen interested in assisting the conservation officer is to gather the information and then call for assistance."

Reporting fish and game violations is nothing of which to be ashamed. As Mr. Hill says, "Reporting the activities of those who continue to insist on doing things their way—in direct violation of the law—is simply being a good citizen."

Question: I am a senior citizen who could freeze to death this winter if I don't get any help on my home heating costs. Do I have any hope with all these budget cuts?

Governor: Federal officials have approved an \$96.6 billion energy assistance program to help low-income households such as yours to cope with escalating energy costs.

Three segments of our energy assistance program will be financed by these funds. A state home heating tax credit will be granted to low-income families as a state income tax exemption. In addition, supplemental fuel cost payments will be provided to those who received tax credits and to recipients of General Assistance and Aid to Families with Dependent Children. Finally, \$22 million will be available for emergency purposes.

Supplemental fuel cost payments, in the form of energy drafts averaging \$50, will be redeemable at fuel providers. Renters without direct heating obligations will receive their supplemental payment in the form of a state warrant.

The Emergency Assistance Program will be available at Community Action Agencies and at local Department of Social Services' offices throughout the state. If you have an emergency fuel need, the minimum amount necessary to resolve the emergency will be provided.

If you have a question for the Governor, please send it to: "Ask the Governor", Executive Office, Press Section, Lansing, Michigan 48909.

HOURS: TUESDAYS, DECEMBER 2, 9, 16 FROM 1PM TO 3 PM
FRIDAY, DECEMBER 5, 12, 19 FROM 6PM TO 8 PM
SATURDAYS, DECEMBER 6, 13, 20 FROM 10 AM TO 4 PM
AND MONDAY, DECEMBER 22
TUESDAY, DECEMBER 23 FROM 10-4

NOW FROM UNION SAVINGS BANK:

INTEREST ON CHECKING

Beginning December 31, 1980, Union Savings Bank will offer checking accounts that earn interest. These new accounts, called "NOW" accounts (which means "Negotiable Order of Withdrawal"), will pay 5-1/4% interest on the account balance, compounded continuously.

How much does the Union Savings NOW cost? Choose from these options:

MONTHLY BALANCE	MONTHLY SERVICE CHARGE	EXCESS USAGE FEE*
\$1,200 or more	None	None
Less than \$1,200	\$6	15¢*

*This excess usage fee is a per item charge on all transactions (checks, debit memos, payments, etc.) exceeding 30.

Any senior citizen will get a Union Savings Bank NOW account with no monthly service charge—regardless of the balance in the account.

According to federal regulations, other financial institutions—even savings and loans—can offer NOW accounts, beginning December 31, 1980. But only banks have offered checking accounts before. So only banks know how to handle the paperwork—and how to service checking accounts correctly. And, of course, Union Savings is a bank. See your Union Savings Banker today for your Interest-Earning checking account—and start earning 5-1/4% on all your money, beginning December 31, 1980.

Jolly Farmerettes
4-H Club

The monthly meeting of the Jolly Farmerettes 4-H Club was held Tuesday, November 11, 1980 at the Sharon Township Hall. There were 17 members, 2 guests, and 6 leaders present. The secretary and treasurer reports were read and approved.

Under new business, we received our 1981 calendars, and the members were given certificates and pins for their accomplishments in 1980. The committee's report - we talked about our trip to the Humane Society and the up-coming sunshine boxes to be delivered on December 13.

The leaders report was given by Sheryl Hall. We were reminded of our Spring Achievement projects and we were given our telephone chains. Eunice Scully, of the Fabric Patch, gave us a presentation on fitting patterns.

Demonstrations were given by Khrist Hunt and Amy Bowers. Refreshments were by Jamie Hall and Mrs. Golding. The next meeting is December 2, 1980. Demonstrations will be by Jill Golding, Deann Lamb, and Cherie Verhines. Refreshments will be by Leslie Duncan and Amy Bowers.

Club Reporter,
Cherie Verhines

Overeaters
Anonymous

There will be an Overeaters Anonymous meeting Wednesday at 6:30 p.m. at the Emanuel United Church of Christ. The group meets every Wednesday.

"This Week In Lansing"
Coffee Break

by Mary Keith Ballantine
SHORT-LIVED DECISION?

"Let those who ride decide" has been the battle cry of motorcycle riders who believe mandatory helmet laws are an infringement on their freedom. Last week it became a victory cheer when, after years of lobbying, the state Senate finally approved legislation repealing the state's law for anyone over the age of 18, as well as a bill prohibiting local ordinances that require helmets. But the victory may be short-lived. The House, tied up with deliberations over budget bills, may not get around to considering the measures before the end of the year, in which case the motorcyclists would be forced to take up their standard once again and plead with the Legislature to "let those who ride decide."

WATER TRANSPORTATION AUTHORITY

The State Department of Transportation announced last week that it will ask the Legislature to establish a Lake Michigan Transportation Authority to oversee future water transportation on the lake and put new life into the industry.

GAS PURCHASES DOWN

Less gasoline was purchased by Michigan motorists last year than in any year since 1972, according to state statistics. The drop in gas purchases meant a \$77 million cut in gas sales tax revenue, which is used to fund the construction and repair of Michigan highways and roads.

PIGEON RIVER

The smoke appears to finally be clearing in the 12-year battle between environmentalists and oil interests over drilling the Pigeon River State Forest, a 96,000-acre tract of land just east of Wolverine. The disagreements between the two sides have been numerous, but an agreement reached recently would indicate that we may see oil companies drilling in the forest only under the most strict environmental protections as early as the first of the year. Three oil companies—Amoco Production Company, Shell Oil Company and Northern Michigan Exploration Company—hold leases to drill in the area.

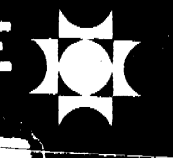

BUDGET WITHIN LIMITS

The entire House Republican Caucus has unanimously approved a resolution which pushes the Legislature to pass a full-year 1981 budget with available revenue. The resolution also calls for an immediate reform of the state's antiquated Worker's Compensation Act. The Act, adopted in 1912, is cited by many business, government and labor leaders as a major factor in deterring possible economic expansion, and consequently, job opportunities in the state.

BLUE CROSS

A House-Senate conference committee broke new ground last week on a major piece of legislation that will restructure the state's largest health insurer, Blue Cross-Blue Shield. Though the committee reached compromises on a number of key issues, one point of argument remains the definition of "labor" and "management" to be used in determining membership of the Blues board. Further action on the bill will be taken after the Thanksgiving weekend recess.

HOUSE CALL

MICHIGAN DEPARTMENT OF PUBLIC HEALTH

CARBON MONOXIDE

We can be well prepared for the big things in life, but sometimes the little things are overlooked and knock us out of commission. Take the hunters this season, for example.

A good hunter knows the proper clothes to wear, how to handle the guns and read the compass, is alert to hazardous weather on the trail, and retains contact with his or her hunting companions.

What even an experienced hunter might overlook is one simple item that could turn an exhilarating hunting trip into a tragedy, namely, the condition of the heating unit in the cabin, camper, or travel trailer.

The heating unit may not be used very often and, as a result, could have developed a faulty condition that could create carbon monoxide and be a threat to life. Each year we have reports of hunters who

have been overcome by carbon monoxide, some of them fatally. You can't see it, or smell it. When carbon monoxide is abroad, a good night's sleep could—and sometimes does—become the final rest.

The most dangerous appliances are the intermittently used gas-fired appliances and any unvented unit. A wood stove or fireplace also can emit carbon monoxide, even more when the fire diminishes to glowing embers. At that level the fire doesn't have the strength to surge up the chimney and permeates the room with carbon monoxide instead.

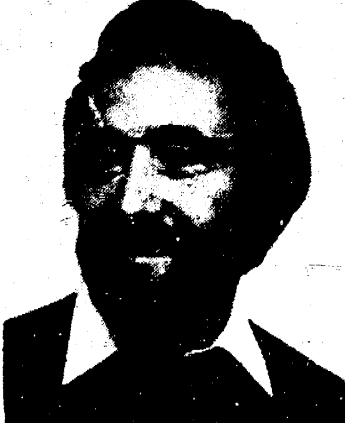

In every case, open windows are desirable, but they may not provide enough ventilation, if dangerous amounts of carbon monoxide are in the room. The only safe way is to be sure that all combustion products are properly vented to the outside all the time. Similar conditions apply to summer cottages that are opened in the spring.

Make it a point this year to check the heating unit before you need it. Play it safe. Don't let the little things knock you out of commission. In this case, the little thing could be the biggest thing in your life: survival.

COUNCIL PROCEEDINGS

November 8, 1980

Council met in regular session with the meeting called to order at 7:00 P.M. by President Schaffer. Present were: Du-Russel, Hinkley, Koebbe, Minick, Petsch, Reed, Smith and Zsenyuk.

Minutes of the October 20, 1980 meeting were read, corrected and approved in a motion by Koebbe, supported by Hinkley. All yeas, motion carried. Enter Hinkley at 7:06 p.m.

Public Works activities as reported by Koebbe included: Worked on the drainage ditch and finished installing drainage pipe on Riverside Drive; Emptied trash barrels; Worked on Schaffer Ct. building catch basin; Worked at treatment plant; Smith talked to water meter salesman and Auto Service regarding the salt spreader; Put up one-way sign near fire barn on Macomb; Dug a grave; Swept streets and flushed hydrants; Contacted Jackson Automotive Service regarding new salt spreader. Price \$1,050.00. Recommended by Koebbe the salt spreader be purchased from Jackson Automotive Service. No objections were voted by Council. Discussed hiring new CETA employee. It was the decision of Council an ad be placed in the Manchester Enterprise that applications will be taken at the Dept. of Public Works for CETA Employment in the Village of Manchester. Ordinance concerning burning of leaves to be published in the Manchester Enterprise. Police Dept. and Dept. of Public Works to enforce Ordinance when residents are burning leaves on pavement. Dept. of Public Works will set days to pick up leaves in the Village.

Report of Water and Sewer Dept. was reviewed.

DuRussel and Mr. Michael Lowery presented for discussion violations of the

Electrical Code and what actions should be taken. Discussed were occupancy without a final inspection permit; Home owners electrical permits being given to unlicensed contractors; Work being done that is not up to code; Income buildings must be done by licensed electrician. It was recommended the Village Attorney meet with Building, Electrical and Plumbing Inspectors to discuss action to take when there is a violation of code. It was suggested that Gerry Huber, secretary for the Police Dept. handle Electrical and Plumbing. Claran Knauss Building permits. Reports to be made at next Council meeting.

Chief Zsenyuk presented the Police Report for October, 1980.

Need to contact Village Attorney on action to take on Personal Property Taxes which are not paid.

Need also reported funds of \$100,000.00 had been invested in Savings Certificates at a rate of 12-3/4% interest for 90 days at the Union Savings Bank.

Petsch reported specifications and estimates had been received from Adrian Fence Company for fence around park and backstop at Kirk Park.

Hinkley reported Paul Alber had been appointed to the Manchester Village Planning Commission. The unapproved minutes of the October 21, 1980 Village Planning Commission were presented for review. The next meeting of the Planning Commission will be held November 11, 1980.

Hinkley presented a letter from the Village Attorney on competitive bidding which stated, "It is my opinion that the Village is not required to engage in competitive bidding in order to award a contract. I should point out that even though our charter does not call for competitive bidding, the Council would none-the-less be within its rights should it desire to award a contract on this basis."

MICHIGAN 1980

1980 Christmas Seals

The Michigan Seal shows Raggedy Ann, Andy, and their little one.

The other 53 Seals on the sheet of the American Lung Association's Christmas Seals for 1980 depict other K-3 grade children's illustrations of the themes "I help decorate for the holiday season" or "my favorite holiday ornament or decoration."

Corey Frudd of Midland drew his design depicting three rag dolls for his entry in the American Lung Association of Michigan's Christmas Seal Art Project in 1978. ALAM held the project to give Michigan elementary school children in the kindergarten through third grade the opportunity to design one of the 54 Christmas Seals for 1980.

The competition is held far in advance of the year the Seals are released to millions of American homes to allow

plenty of time for the huge printing job. The judging of the drawings is always the hardest part. An art selection committee in Lansing reviewed more than 200 entries from children throughout the state. The committee chose the three state finalists' designs, which were then sent to the American Lung Association in New York for final judging.

The rest is a very unlikely coincidence, but it happened. Corey and two of his classmates from Woodcrest School, Mid-

land, became Michigan's seal designer and state runners-up! Katy Curtis and Kristen Krasa were chosen as state finalists for their designs. In Michigan this was the first time in the history of the project that the winner and the state finalists were all from the same school and in the same grade.

Corey is the son of Mr. and Mrs. Frank Frudd, formerly of 2816 Gibson, Midland. Kristen Krasa's parents are Mr. and Mrs. Robert Krasa of 2575 Monroe, and Katy Curtis is the daughter of Mrs. Nancy Curtis of 2209 Barto.

Council Proceedings

Hinkley presented the Preliminary site plan for Kirk Park.

Mr. Ray Gonyer had requested a volunteer from Village Council to act on behalf of the Village with Senior Citizens for Dial-A-Ride. Chief Zsenyuk volunteered to represent Village Council. He will report back to Council after meeting with Mr. Ray Gonyer and Mr. Millard Uphaus.

It was moved by Koebbe, supported by Minick and unanimously carried the following resolution be adopted. Resolved: Compensatory Time earned within a fiscal year must be taken by end of that fiscal year. No Compensatory Time shall be accumulated from one fiscal year to another. All Compensatory Time will be taken at the convenience of the Village. Meeting adjourned at 9:30 P.M.

Dealsris E. Richardson, clerk

Genealogical Society

The Genealogical Society of Washtenaw County will meet Sunday, December 7, 1980 at 1 p.m. for a class session with topic "Recording Family Tradition" and 2:30 p.m. for a general meeting - "Question and Answer Program".

The meeting will be held at the Washtenaw Community College, Liberal Arts and Science Bldg., North entrance, Lecture Hall 1.

Visitors are welcome.

GREAT INTEREST CHECK

Works like a
checking account
... earns like a
savings account
... puts extra dollars
in your pocket
every month!

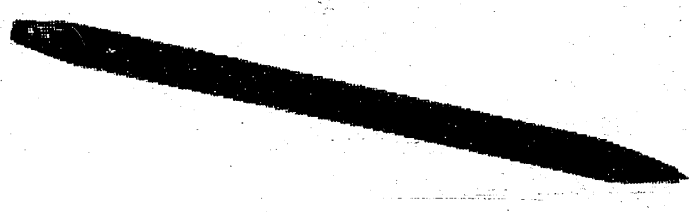

"Now they come out
with a deal like this.
Where were they when
I needed them!"

It's that simple. Your Great Interest Check account earns 5 1/2% per year, daily interest. Even the amount of the checks you write keeps earning interest until the day it is deducted from your account. With continuous compounding, your dollars will actually provide an annual yield of 5.47%. Interest is paid monthly.

FREE... You can sign up for your Great Interest Check account now with a minimum deposit* of \$100 and start using it December 31st. For making an early deposit, you will receive a bonus of 200 personalized checks. That's an eight to ten month supply.

FREE... By maintaining a \$1000 minimum balance in your account you will be free of monthly service charges. You will receive a statement each month so that you will know exactly what your balance is and how much interest you have earned. And you will receive 5 1/2% per year daily interest, continuously compounded whether you maintain a minimum balance or not.

FREE... Sign up early and receive an elegant all metal velvet finish pen. It feels and writes as luxuriously as its appearance leads you to expect. Federal regulations limit one gift per account.

*Your money will earn 5 1/2% until December 31, 1980, when your account will be automatically converted to a Great Interest Check account.

March Of Dimes Chairman Named

The Washtenaw-Livingston Chapter of the March of Dimes Birth Defects Foundation has named Washtenaw County Sheriff Tom Minick Chairman of the 1981 fund raising campaign to prevent birth defects and improve the outcome of pregnancy.

Jill and Andrea Henry, four years old, of Whitmore Lake have been named the 1981 March of Dimes Poster Children for the Chapter. Andrea was born with Spina Bifida, a congenital defect of the spine, and her twin sister, Jill, was born perfectly healthy. "In selecting Andrea and Jill, as our poster children this year, we think they will signify to all the people of this area the real need there is to expand efforts to prevent birth defects and give all our children the best chance for a healthy start in life," Sheriff Minick said.

Andrea and Jill are the daughters of Bob and Gail Henry of 946 Fairmont at Whitmore Lake just two miles from the Livingston County border. The girls are very close and enjoy playing games in their back yard. Andrea is always striving to do the same things her sister does, resulting in the strengthening of her body. Jill recently took a tumble and bit through her tongue but Andrea did most of the crying! Sheriff Minick said that one out of every 12 infants born in this country this year will have a birth defect.

The ANSWER is YOU. This was the theme of the regional March of Dimes volunteer's conference last month in Chicago. And it is the perfect, and in some cases the only, answer to many questions. Who can help educate people of the risks that could lead to defective births? Who can help raise funds for necessary research of the causes of birth defects? The answer is not Charlie, nor Anne, nor the neighbor across the street - the ANSWER is YOU!

Sheriff Minick cited programs sponsored by the March of Dimes in the two county area with funds collected during the

campaign. For the past eight years, we have held a Birth Defects Conference for 500 to 800 high school students and teachers. We have supported a medical service grant at the University of Michigan for genetic counseling for many years involving care for high risk babies and mothers. We provide health education materials on pre-natal care and nutrition, films and speakers for all area high schools, hospitals, clinics, doctor's offices, etc. We have a grant with La Maze to teach pre-natal care to pregnant teenagers in the schools. We provide two \$500.00 scholarships to high school seniors going to college to study in a health related field and three \$600.00 scholarships to nurses doing graduate work. Though some of the funds are directed to the National Foundation for research, medical service grants, the production of health materials, Ann Arbor is most fortunate that over \$175,000.00 is directed to the University of Michigan for research and medical services.

There are many ways you can help. We are in the planning stage of a Super Walk for Washtenaw-Livingston counties the weekend of April 25 - 26, 1981. The whole nation is going to WALK AMERICA that weekend. The March of Dimes Mother's March drive is over 30 years old and this direct door to door personal solicitation accounts for over \$30,000.00 of the total campaign monies. Unfortunately, key leaders that organize and do a lot of the leg work involved with Mother's March are lacking this year so we are planning to contact the marcher directly. Can you help us? Can you march 20 homes in your area March 1 - 8, 1981? We need you! Please call the office at 761-6331 to register to march. If you have some spare time, can you make some telephone calls directly to marchers either at the office or in your home? Let's make this the best year yet. The ANSWER is YOU! For more information, please contact the March of Dimes at 761-6331.

DIAL -A- GARDEN

Women whose mothers or sisters have had breast cancer have a higher risk of developing the disease and should learn and practice monthly breast self-examination. Other risk factors include being childless, giving birth to a first child after age 30, early menstruation and/or late menopause. When you have questions about cancer, call the Public Response Program at the Michigan Cancer Foundation, a Torch Drive Agency. Call toll-free 1-800-462-9191.

The following is a weekly schedule of Dial-A-Garden, sponsored by the Washtenaw County Cooperative Extension Service. Interested persons are invited to call 971-1122 for up-to-date information.

Monday, December 8, Book of the Month - African Violet Book.

Tuesday, December 9, Something for the Kids: Build a Bird Feeder.

Wednesday, December 10, Holly Fern.

Thursday, December 11, Holiday Baking Tips.

Friday, December 12, Selecting a Christmas Tree.

Why You'll Probably Never Use Our Guarantee On Norwalk Upholstered Furniture.

Although we guarantee all parts of our Norwalk upholstered furniture (including the fabric), there are three main reasons why you'll probably never need to use that guarantee. First, the frame components are the finest kiln-dried southern hardwoods to stay solid and square for years. Second, every Norwalk fabric is performance-tested to assure long-lasting, easy-care good looks. Finally, Norwalk with more than 75 years manufacturing experience puts it all together right in the most modern furniture factories in the industry. Come in and see for yourself what the Long Association of Norwalk Furniture Co. and Foster-Davies can mean for you.

Ann Arbor Bank and Trust

CARD OF THANKS

I would like to thank Tom Walton and his crew for all the excavation that has been done on Kirk Park. We will be completing the park in the spring of 1981 with new ball diamonds and etc.

Dave Petsch
Head of Park & Recreation

I would like to thank my family and my friends for the food, flowers and taking care of my family while I was in the hospital and at home.

A special thank you to Bob Macfarlane and the Legion Auxiliary.

Thank you all again.
Dawna Stockwell and Family

The Family of Stella Brown express our thanks to all our friends who helped us during our bereavement.
The Family of Stella Brown

I would like to take this opportunity to thank the United Way Board Members, Division Chairpersons, Captains, Solicitors, and the many others for the time and effort that you devoted to this year's United Way Campaign.

In light of the current economic conditions, I was extremely pleased that through your outstanding efforts, we were able to achieve our goal for the 21st consecutive year.

A special thanks to all who contributed to this drive, because without your generosity our goal would not have been met. I continue to be impressed with this community's record of participation, not only with United Way but also with your support of the Athletic Boosters Fund Drive and the many other fundraising drives undertaken by the various groups in this community.

Through your willingness to share, the many agencies of the United Way can provide hope for those in need. This year's slogan "Sharing Means Hope" can continue to be the community's goal for this holiday season and throughout the coming year.

James W. England
Campaign Chairman

We would like to thank Dave Kirk and Don Smith for supplying equipment in putting up Christmas Decorations on Main Street. Also thanks to Larry Egeier for the use of his truck to pick up the Christmas trees.

We would like to invite the community people to stop in and check out our Christmas trees at I.G.A. Hours will be posted when trees can be bought. This is one time that everyone can help in supporting our Jaycees, the money goes back into the community.

Thank you
Happy Holiday
President, Larry Benedict & Jaycees

Dutch Thrash Grass Lake

Varsity action - T.J. poses for 2 of his game high of 14. Photo by Jon

by Jon Hardenbergh
I spoke with our coach, Bart Bartels the other day and asked him the usual question, how's the team look this year? He didn't really want to say at first but then mentioned we should be .500. Then the follow-up was, who looks tough? Bart felt defending league champ Onsted, with Hudson looking good. My feeling is we look good this season with many experienced players, and if Friday's contest was an indication, look out L.C.A.A., here come the Flying Dutchmen.

The first period was a slow period with only 17 total points showing on the scoreboard with 10 of these points belonging to the Warriors. We hit them hard in the second stanza and that broke Grass Lake. We rallied for 19 points while defensively we held them to a mere 5. This gave us control at halftime, 26-15. The remaining 16 minutes saw our zone allow them 20 points as we dumped in 25 points. On the night, we collected 17 buckets and 17 of 27 freebies to end with 51 to Grass Lake's 35. T.J. Thomas led the way popping for 14 points as Nick Krzyzaniak banged home 13. Paul Sroufe played good defense and contributed 9 points.

Secretary of States Office To Remain Open

The Chelsea branch of the Michigan Secretary of State's office, that had been notified of its termination effective Friday, December 19, was given some good news Thursday night, December 4. The office will remain open on an indefinite basis.

Word was received during the protest meeting held at the Ann Arbor Trust Co. branch. More than 50 local and township officials and residents were present to voice their dissatisfaction and anger over the planned budget-cutting measure.

At the meeting, organized by William Bott, manager of the Ann Arbor Trust branch office, Assistant Secretary of State, Dennis Neuner reported that the office would remain open.

After examining criteria used in the initial closure attempt, it was determined that the Chelsea branch operated efficiently and was utilized by a large number of village, township and other area residents.

"HIT OR MISS" by farley

As I have said before, there are several powerful radio stations in the country who cater almost exclusively to the truck drivers of the nation and there are a great many of them who keep themselves entertained, awake and alert on their trips with their radios.

The stations dedicated to these fellows feature country music which most of these drivers seem to prefer, plus detailed weather reports for all of the nation, which these fellows need badly. And lately there seems to be a resurgence of "monologue" or skit records which were very popular in the mid-twenties.

Among the most popular were the Three Black Crows whose records were best sellers and who brought untold happiness to their listeners who thoroughly enjoyed their basic humor. Among their most popular was the tale of the three cats. It seems that one of them had three cats at his house and so he cut three rather small holes in the bottom of his front door and when asked why, he seriously replied, "When I say cat, I mean scat." Not at all funny as I write it but very much so when they told it, with the proper timing.

And then a bit later there was Amos and Andy whose fame became internationally famous, but we couldn't have them now. We would be accused of poking sarcasm at the colored race. But that we didn't do, we merely enjoyed the bumbling antics of the pair and I can't remember that their color had one bit to do with their talent. Perhaps the fact that they were white and did their visual shows in black face had something to do with it, but I, and every youngster that I can remember laughed at and with them even more than Lum and Abner who were so popular then. As you remember they were as white as white could be but their bumbling adventures with their "jot 'em down store" were amusing in the same

Board of Education Agenda

- The Manchester Community Schools Board of Education Regular Meeting will meet December 15, 1980 at 8:00 p.m. at the High School. The agenda will be:
- I Roll Call
 - II Communications
 - III Visitor Input
 - IV Minutes of Previous Meetings
 - A. November 17, 1980
 - B. December 1, 1980
 - C. December 6, 1980
 - V Financial Report
 - VI Bills Payable
 - VII Discussion Items
 - A. Review of Audit Bids (Possible Action)
 - B. Finance Committee Report
 - C. Budget Review
 - D. Review of High School Class Sizes (J. Kappler)
 - E. Graduation Policy (5127) Revision (J. Kappler)
 - F. Graduation Ceremony Procedures (J. Kappler)
 - G. Middle School Boiler Conversion Report
 - VIII Old Business
 - IX New Business

Christmas Is "Good" News And "Hard" News

by Rev. Robert B. Macfarlane
Pastor of Emmanuel United Church

A planetary visitor would be hard put to explain what he saw if his spaceship set down during the Christmas season. "What's it all about, Albie?" Confusion may well reign for the visitor, as to the meaning of such hustle and bustle.

The stations dedicated to these fellows feature country music which most of these drivers seem to prefer, plus detailed weather reports for all of the nation, which these fellows need badly. And lately there seems to be a resurgence of "monologue" or skit records which were very popular in the mid-twenties.

We're pulled in a variety of directions, with shopping, cooking and family preparations on one hand; a breadwinner's feeling guilty about not providing enough income to buy all the things he'd like to give his family; divorced or widowed people who haven't a partner to share the season with; Church's preachers who sometimes make us feel embarrassed if we can't always experience the "true meaning" of Christmas; loneliness and isolation are heightened for many, as we see others about us who seem to be together and close.

Is there no escape from these difficult feelings and tattered emotions? The "Good" news of the birth of Jesus Christ almost becomes a trite and easy non-answer to the "hard" news of guilt and anxiety and frustration that holiday times often present.

But we are told by the writer of Hebrews that "Faith is the substance of things hoped for, the evidence of things not seen." The hopes and fears of all the years can indeed be met on that Holy Night in Bethlehem, with a faith in God which allows us to see what is unseen, and to know what is unthinkable—that the Presence of God is with us, now and forever. And we have been given this "Good" news of the birth of a Savior, precisely so that we can survive all the "hard" news around us.

May the strength and beauty of faith, and the gift of the Son of God, bless each of us this Christmas and always.

Carr Nominates Local Student To Air Force Academy

Congressman Bob Carr announced the nomination of William Parker, who resides at 15501 Fahy Road, Manchester, to the U.S. Air Force Academy at Colorado Springs, Colorado.

The Air Force Academy will make the final selections from among nominees from Carr's Sixth Congressional District.

"As a high school student I competed for nominations like this, so I have a high appreciation for the efforts William has made," said Carr. "William is well-qualified to represent his community in this way and I congratulate him on his achievement."
