CARD OF THANKS

I would like to thank all of my friends and neighbors for the cheery cards, flowers, remembrances and Christmas greetings which have been sent to me during my hospitalization and while at the Evangelical Home. They have been greatly appreciated.

A special thanks to the members of the Shakespeare Club, the American Legion Auxiliary and to Rev. Macfarlane. Sincerely
Ella E. Kern

Many thanks to my family and friends who by prayer and countless nice expressions showed that they cared both during and since my stay in the hospital. Everything was so much appreciated.
Nellie Dettling

I wish to thank friends, neighbors and relatives for the many deeds of kindness. The ladies of Manchester United Methodist and Sharon United Methodist for boxes of goodies and the beautiful carols from both churches. It made my Christmas a most blessed and happy one.
Vera Frey

I wish to thank the American Legion for the poinsettia plant and Marie Garlick for the lovely centerpiece that was brought to me at Christmas time. Also to Rev. Macfarlane and the carollers of Emanuel Church and friends that sent cards. It was appreciated very much.
Frieda Ahrens

I would like to thank everyone for their cards, thoughts, kindness and prayers during my recent stay in the hospital.
Charles Steele

I would like to thank all the wonderful people of Manchester for their cards, visits and prayers during my hospital stay and since returning home.

Special thanks to Rev. Hart, Rev. Macfarlane and Father Schlinkert for visits and prayers.
Ron Ahrens and family

I would like to thank the American Legion Auxiliary, carol singers, Rev. Macfarlane and all who sent pretzels, cookies, fruit and cards.
Adena Holmes

I would like to thank the Emanuel carollers, the Womens Guild and to all who sent me Birthday Cards and Christmas Cards, plants, cookies and food. The Methodist Women for the box of fruit, the Edward Townsend for taking care of me, also Rev. Macfarlane for his visits.
Mrs. Paul Ernst

The family of Hope Marshall would like to thank their friends, neighbors, and relatives for the cards and flowers that were sent at the time of the loss of our daughter.

A special thank you to Mr. and Mrs. Clarence Patterson, Mrs. Clark, Rev. Janofski and the Jenter Funeral Home.
Doug and Mary Wisner

Dear Jeanie and Grantsie
Can you believe it your wonderful gift actually left me speechless for a brief moment? I know that lots of love, warm thoughts and hard work went into making my great hat and as lots of folks around town know I sure do love it. Just yesterday 12 deer were out back of my house in the field and I grabbed my green hat, jumped the fence, ran like h---, to join the pack. But when the deer saw me coming all I heard them say was "Tee Hee", "Who is the new kid in town with the funny green hat". Oh well, around hunting season they may need a new recruit and then I'll get my chance.

It's friends like you and all my other great friends here in Manchester that keep me going and nobody has yet to find a better medicine than that.
Much Love and Thanks to Everyone
B. Wetsie
P.S. Thanks to Judith and Edwin for Xmas Breakfast and "Adam".

We would like to thank our neighbors, friends and carollers for making our Christmas so nice with fruit and cookies.
God Bless You All.
Ernest and Helene Kemner

Optimist Club Outstanding Citizen

Pictured 1 to r: Mr. and Mrs. John Lobbestael, Carol Lobbestael, and Optimist member Ron Mann presenting the award.

Carol Lobbestael, the twelfth grade daughter of Mr. and Mrs. John Lobbestael, 10730 Clinton Road, Manchester, has been named the Optimist Club Outstanding Citizen of the Month for December.

Carol was recently inducted into the high school's National Honor Society, is now serving on the senior class committee

Karl Sauter National Merit Scholar

Karl Sauter

The principal, James Kappler of Manchester High School announced today that one senior is being commended for his outstanding performance in the twenty-sixth annual (1981) National Merit Scholarship Program. A Letter of Commendation from the school and National Merit Scholarship Corporation, which conducts the competition, will be presented to Karl Sauter.

More than one million students entered the 1981 Merit Program by taking the PSAT/NMSQT in 1979. About 33,000 of these students throughout the United States will receive a commendation for outstanding test performance. Com-

Student Conduct Policy Adopted

Following a review of the recommendations at three monthly meetings the Manchester Board of Education recently adopted policies regarding student conduct. These policies are designed to clearly define unacceptable behavior for students in the school district. In addition the policies identify the legal rights and processes which are guaranteed to all students.

Section A of the student conduct policy defines students rights and responsibilities. Included in this section are items such as the right to express ideas, the right to use educational resources, and the right to limited locker privacy.

Section B defines prohibited behavior and specifies the administrative action to be taken in the event of such behavior. Some changes have been made regarding previously accepted standards. For example, student smoking on school property will now be prohibited. Designated smoking areas will be discontinued. Similarly, inappropriate displays of affectionate behavior will be unacceptable. Cheating, theft, profanity and illegal drug use are also identified as prohibited behavior.

Administrative actions to be taken in the event of misbehavior will range from a contact with parents or possible suspension.

Section C defines procedures for suspension and expulsion. Within this category appeal procedures are defined which give the student the right to legal representation at an expulsion hearing.

These policies will take effect with the beginning of the second semester of the current school year. Meetings are scheduled at Manchester High School to review all phases of the policy with the student body. In addition each student in the high school will be provided with a copy of the new student conduct code. A copy is also available at the Manchester Community Library on the reference shelf.

The intent of the Board of Education is to provide guidelines for administrators, teachers, students, and parents regarding

Board of Education Agenda

The Manchester Community Schools Regular Meeting will be held January 19, 1981, 8:30 p.m. at the high school. The agenda will be:

 - B. Budget Review/Modification
- IX New Business
 - A. Superintendent's Reports
 - B. Union Savings Banking Resolution

"HIT OR MISS" by farley

The Idaho Press Association recently sponsored a state-wide contest among high school students on "What the First Amendment Means To Me" (of our constitution) and the winner was Barbara Svetich of Malad City, Idaho, and we are glad to reproduce it here.

"A group of citizens marches in opposition to government policy, while police watch calmly. A visitor from Hungary, watching the scene with envious amazement says, "Only in America."

"A newspaper journalist reveals details of a cover-up of political corruption even though it embarrasses the administration. A foreign bureaucrat throws up his hands and exclaims "Those crazy Americans."

"A tired traveler surrounded in an airport by chanting Hare Krishnas thinks with irritation, "There ought to be a law."

"There is a law-the first Amendment to the United States Constitution.

"Town meetings, anti-nuclear demonstrations, civil rights, freedom marches, even gatherings of the Ku Klux Klan-are all the First Amendment in operation.

"From thousands of home town paper editors commenting on local issues to prestigious news magazines probing every facet of our national life to television investigative reports, we see the First Amendment at work.

"Roman Catholics, followers of Islam, Amish, Mormans, Lutherans, Buddhists, members of half a hundred sects and cults and militant atheists, all free to believe or not to, as they see fit, are protected by the First Amendment.

Engagement Announced

Mr. and Mrs. Harry Kraus of Manchester are pleased to announce the engagement of their daughter, Gloria Jean to Michael J. Kastanis, son of Mr. and Mrs. John Kastanis.

Gloria is a 1976 graduate of Manchester High and will receive a Bachelor of Science Degree from Eastern Michigan at the end of the 1981 summer term.

Her fiance is also a 1976 graduate of Manchester High School and is self-employed.

A February 28, 1981 wedding is planned.

LETTERS TO THE EDITOR

Dear Editor,

My name is Toni M. Bejma, and I read your article in the Manchester Enterprise. I really enjoyed it, but as I was reading I happened to notice that you made a mistake. As you were talking about Roman Numerals, I saw the numbers 386-20-18331 and beside it were the same numbers but in Roman Numerals CCCLXXXVI-XX-MCCMXXXI, but I noticed a few mistakes, the real number is Roman Numerals is CCCLXXXVI-XX-XVMM-CCCXXXI.

Thank you.

Sincerely Yours,
Toni Bejma

Dear Sirs,

In the Thursday, January 8 paper, the article by Farley has a mistake in it. The Roman Numeral figure is wrong. The right one is 386-20-18331 - CCCLXXXVI-XX-XVMMCCCXXXI. I am a seventh grader.

Thank you.

Sincerely,
Ted Haeussier

Student Conduct

appropriate school behavior. In addition the consequences of misbehavior have now been identified. Student rights are now also clearly protected. It is hoped that the adoption of this policy will result in fewer misunderstandings between staff and students.

Hit or Miss

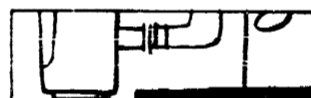

"Even we seldom think of it consciously, most of I think are aware somewhere in the backs of our minds, of the protection we, as individuals, are given under the First Amendment. But how often do we consider what it means to us as a people?"

"We Americans are a diverse people. All the discontented and misplaced, the adventurous and the unorthodox, the renegades and misfits of the world, have been cast up on our shores. It is this diversity that forms the American character. The rich mixture of beliefs, cultures and traditions in America gives us, as a people, an individuality, an originality, a spiritual and intellectual ferment that is peculiarly American. And because of the guarantees contained in the First Amendment, that special Americanness is safe, not only for us, but for the generations to come."

"No one can force us to become just one more face in the crowd—an anonymous brick in the base of the pyramid, because we cannot be made to accept a faith or political idea we do not believe in. No one can tell us we cannot know, we cannot think, we cannot decide for ourselves. No one can keep us from arguing our views, or meeting together to make those views known."

"We may yell, cuss and discuss, march, meet, carry posters and display bumper stickers, and we can be as loudly dissident, as religiously unorthodox, as uninhibited in dress, politics, journalism or art as we darn well please, just as long as we harm no one and extend the same liberty to our fellow citizens. In short we are free to be Americans."

"We may not always agree with the way all of our fellow citizens use their privileges under the First Amendment, but then that's our privilege. And that's what it is all about isn't it?"

You should insulate your hot water heater if it isn't used for living.

School Bus Telephone Lines Necessary

Manchester School Superintendent, Eugene Thompson, has requested the co-operation of students and parents regarding the use of school bus telephone lines on days of severe weather. Problems are occurring when school personnel attempt to communicate with one another as students and parents call the bus garage seeking information.

"As we indicated in our newsletter to every household in the school district notice of school closing is made via radio stations WJR, WPAG, WNRS, and WAAM. We attempt to make this decision no later than 6:30 A.M., said Thompson. The radio stations and the state police are immediately contacted. The problem occurs when students and parents flood the bus garage with telephone calls seeking the same information we have released to the radio stations. I am asking all members of the community to please refrain from calling our bus facility. If everyone will simply listen to their radio they will receive the information and at the same time allow us to maintain our emergency line of communication."

According to Thompson, Manchester school buses do not carry emergency radio equipment. Special education wagons and vans have been equipped with emergency CB short distance radios. However, the only line of communication if a regular bus has an emergency is by a telephone call from a nearby house to the bus facility. Normally a driver will find it necessary to send an older student to make the phone call while he/she remains with the students on the bus. It is essential that the telephone line remain open for such emergencies and closing decisions. Again, if everyone will simply listen to their radio the school district will be able to avoid costly problems.

"Patience is bitter, but its fruit is sweet."
French Proverb

Jolly Farmerettes 4-H Club

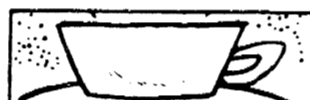

The monthly meeting of the Jolly Farmerettes 4-H Club was held on Tuesday, January 6, 1981 with 15 members and 7 leaders present. Flag pledges were led by Jill Goding.

Under new business, club members were reminded that 1981 Spring Achievement will be held in Saline on March 28, 1981. A committee report was given by Mrs. Lowery with respect to the distribution of Sunshine Boxes in the month of December, club members having packed and distributed 9 boxes to area shut-ins. Also under new business, Mrs. Feldkamp indicated that our club grapevine isn't working properly and therefore a new Telephone Committee was organized. Chris Hunt is to be chairman of this committee and will be calling her co-chairmen, Linda Lentz, Nicole Bragg and Heidi Haselschwerdt who in turn have a list of club members they are to call for notification of club events.

There were no demonstrations by club members and therefore Mrs. Lambarth gave a demonstration on "How To Give A Demonstration & Use Your Calendar For Planning."

Refreshments were served by Chris Hunt, Linda Lentz and Heidi Haselschwerdt.

The next meeting will be February 3, 1981. Demonstrations are to be given by Denise Kuebler, Carrie Alber and Chris Hunt. Refreshment committee is Lynda Knasiak and Becky Blumenauer with Mrs. Wagner as adult leader. The program will consist of reviewing possible summer projects and sign-up for such at that time, if possible.

Boiling cloves in a cup of vinegar will absorb most kitchen odors.

Manchester Village Planning Commission

December 2, 1980

The regular meeting of the Manchester Village Planning Commission was held at the Village Hall, with members present: Hinkley, Leeson, Bond, Tracy, Krauss, and Alber.

The meeting was called to order at 7:30 P.M. by Chairman Hinkley.

Minutes of the last meeting were read, and on the motion by Bond, seconded by Krauss, were unanimously approved.

The following items were noted: The Chapin building at Riverside Drive and Duncan Street, which has been under consideration for some time is to be occupied as offices for Pinnacle Engineering Co., a use consistent with its present zoning; (2) tentatively, the portable structure which Uniloy has on their parking lot for temporary offices will be removed during January.

The sketches submitted by Gallup-Silkworth Co., with regard to signs were studied. The "Pump-N-Pantry" on the front was approved; the "Milk" sign for the front was denied, but suggestion was made that it might be located inside the window; as for the Company sign for the west side (Clinton St.), it was agreed that it not be displayed on the outside of the building. Secretary Leeson was delegated to inform them by letter of these decisions.

After review and discussion, it was decided that the January 6 meeting will be primarily a working session with Mr. Frederick Barkley of the Washtenaw County Metropolitan Planning Commission, on proposed changes to the Zoning Ordinance.

The plans for Kirk Park were studied. Consensus was that the layout looks good, except it is recommended that definitive provision be made for playgrounds and play facilities, in addition to the baseball diamonds shown.

The map of the village will be submitted to the Senior Citizens for review and confirmation of accuracy of street names as shown.

Motion to adjourn by Tracy was supported by Krauss. The meeting was declared adjourned at 8:55 P.M.

Laurin F. Leeson, Secretary

Get Away Weekend

Do you have the winter blahs, a sore back from shoveling snow, cabin fever from staring at the same old walls? How about two nights at the Marriott Inn in Ann Arbor using their sauna, whirlpool, heated swimming pool and listening to live music in the lounge? The Manchester Co-op Nursery is having a drawing for just such a Get Away Weekend for two to be used anytime before May 1, 1981. The drawing will be January 30 so hurry to purchase tickets at the Flower Cellar, Mann's Feed Mill, or from any nursery parent.

Overeaters Anonymous

There will be an Overeaters Anonymous meeting Wednesday at 6:30 p.m. at the Emanuel United Church of Christ. The group meets every Wednesday.

Dutch Wrestlers Fall

Greg Bondy 112 lbs.

Mike Silkworth 98 lbs.

On Thursday evening, January 8, the Manchester wrestling team lost to Clinton by a score of 42-21.

101 lb. Mike Silkworth (Man) dec. George Black (Clin) 10-3.

107 lb. Jeff Haines (Clin) pinned Jim Coval (Man) 1:16.

114 lb. Greg Bondy (Man) pinned Darin McElroy (Clin) :35.

121 lb. Richard Foss (Man) pinned Matt Simpson (Clin) 1:19.

128 lb. Greg Parker (Clin) dec. Dave Rodriguez (Man) 7:1.

134 lb. Todd Green (Man) pinned Chris Bonomo (Clin) 1:53.

140 lb. Milk Miller (Clin) dec. Tim Seegert (Man) 9-2.

147 lb. Don Everett (Clin) dec. Steve Hoover (Man) 11-5.

157 lb. Eric Kinard (Clin) pinned Jim Burch (Man) 1:45.

169 lb. Lynde Grinnell (Clin) won by forfeit.

187 lb. Alex Kruger (Clin) won by forfeit.

200 lb. Greg Kosky (Clin) won by forfeit.

Hwt. Pete Shallock (Clin) dec. Jeff Hawk (Man) 4-1.

In J.V. matches Mike Weirich (Clin) pinned Jeff Kunzelman :53 and Nick Duede (Clin) pinned Bob Curley 3:08.

This puts our record at 2-5-1 for the season.

It's very hard to win when we give up 18 points at the end of the match. Our problem is that we have too many guys around the same weight class. We have 8 guys around 2 weight classes.

At the Freshman-Sophomore tournament in Stockbridge, 157 lb. Jim Burch won on a match by pin: 114 lb. Rich Foss placed 3rd and 147 lb. Jeff Daubner placed 3rd.

Bring Back The Bluebirds To Michigan

Bluebirds, once a common sight in Michigan, are a rarity now. Why? They're disappearing from the Michigan scene because their favorite nesting spots—nice, rotty wooden fence posts—are being replaced with metal ones where they can't get in.

There is something you can do to bring back the beautifully colored bird to our state. Bluebirds adapt very well to simple nesting boxes. And once a family establishes itself in one, its relatives will continue to return to the homestead for years.

Write to us at Bluebird Project, c/o Eberly's Michigan Journal, 430 N. Harrison, E. Lansing, Michigan 48823, enclosing a self-addressed stamped long envelope and 10c and we'll send you plans for making a simple bluebird house. It uses a piece of 1" x 10" white pine only three feet long. The plan is simple enough that hundreds of houses could be pre-

fabricated and constructed by groups to sell as a fund raising project. Let's bring them back.

Master Gardener Program

The Washtenaw County Cooperative Extension Service is now recruiting people who are interested in providing community service in the area of horticulture. We are interested not only in experienced gardeners, but also in beginning gardeners.

The eleven-week training program will begin February 4, from 7:00 P.M. to 10:00 P.M. Classes will be held at the Extension office, 4133 Washtenaw Ave., Ann Arbor in the County Service Center. Topics range from vegetables and fruits, to flowers, lawns and landscaping. The program cost: \$25.00.

The Master Gardener program is primarily a volunteer training program. It provides a unique benefit not only to the student but to the community as well. Students increase their horticultural knowledge and in return the Extension Service obtains a qualified source of volunteers who help the Extension staff in their roles as community advisors. Master Gardeners service their communities by enabling the Extension Service to begin or continue many exciting projects that might not be possible otherwise.

To be certified as a Master Gardener by Michigan State University, the student must pass a comprehensive final test, as well as fulfilling a commitment as a volunteer. This volunteer commitment may be fulfilled either by accumulating 20 hours of volunteer time, or by working on a specific project. Opportunities for volunteer work range from answering phone calls in the Extension office, designing and executing a county exhibit garden, neighborhood consulting or working with youth. Volunteers may choose their own projects.

For enrollment forms, or more information, contact the Washtenaw Cooperative Extension Service office at 973-9510. Enrollment is limited. Those interested in taking a gardening class without committing themselves to volunteer work should inquire at community colleges and local adult education programs.

NOTICE OF PUBLIC HEARING SHARON TOWNSHIP PLANNING COMMISSION

PLEASE TAKE NOTICE that the Sharon Township Planning Commission will hold a Public Hearing on the Sharon Township Board's referral to said Commission for further study and recommendation of proposed amendments to the Sharon Township Zoning Ordinance No. 2. The public meeting will be held on Monday, January 19, 1981 at 7:30 P.M. at the Sharon Township Hall, 18010 Pleasant Lake Road. The Township Board requests consideration of the following Amendments with recommendations to be made to it by the first Thursday in February:

1. AMEND the Sharon Township Zoning Ordinance No. 2 to create a Light Industrial District in the Township;
2. AMEND the official Zoning Map of Sharon Township to create:

a. A Light Industrial District in which the following described real property would be located, thus changing the Zoning on this parcel from A-1, Agricultural, to the new Light Industrial District: Approximately 20.00 acres described as being immediately North of the easternmost portion of the Southern most 10.01 acres of the North 2/3 of the East 1/2 of the Northeast 1/4, Section 35, T3S, R3E, Sharon Township, Washtenaw County, Michigan. Said parcel is located on the West side of M-52, South of Bethel Church Road and is bordered entirely on the North by Bethel Church Road and on the East by M-52.

b. A Convenience Commercial District (C-1) in which the following described real property would be located, thus changing the zoning on this parcel from A-1 to Convenience Commercial District as provided for in the Sharon Township Zoning Ordinance No. 2:

Approximately 13.00 acres described as being immediately west and bordered wholly on the East by the parcel described in 2 "a" above, Section 35, T3S, R3E, Sharon Township, Washtenaw County, Michigan. Said parcel is located West of M-52 and west of the above described parcel and is bordered on the North by Bethel Church Road.

The tentative text of the proposed Amendment and a map of the premises proposed to be re-zoned is available for examination through the Township Clerk, Duane R. Haselschwerdt, 8310 Chelsea-Manchester Road, Manchester, Michigan, by calling for an appointment at 428-7733. SHARON TOWNSHIP PLANNING COMMISSION

School Board Minutes

REGULAR MEETING

December 15, 1980

The meeting was called to order by President William Broucek at 8:00 P.M.

Roll Call: Present: William Broucek, William Bunney, Paul DuFresne, David Little, Ronald Mann, Susan Cole, Earl Horning.

Communications: Superintendent Thompson called the Board's attention to a letter dated November 19, 1980 from the State of Michigan, Department of Treasury. This letter indicated approval of an industrial facilities tax exemption for Manchester Plastics, Inc. The consensus of the Board was that the school district position was unchanged and that the Superintendent should communicate the Board's concurrence with this approval to the proper agency.

Minutes Of Previous Meetings: A. November 17, 1980: It was moved by Little, supported by Bunney to accept the minutes as presented. Vote: all ayes. motion carried. B. December 1, 1980: It was moved by Little, supported by Mann to accept the minutes as presented. Vote: all ayes. motion carried. C. December 6, 1980: It was moved by Bunney, supported by Little to accept the minutes as presented. Vote: all ayes. motion carried.

Financial Reports: Presented to the Board by Mrs. Maxine Frey. Balance October 30, 1980: \$452,775.36. November receipts: \$9,383.00. November disbursements: \$220,528.25. Balance November 30, 1980: \$241,630.11. Moved by Little, supported by Bunney to approve the bills payable. Vote: All ayes. Motion carried.

Discussion Items: A. Review of Audit Bids. Following discussion it was the consensus of the Board that the firm of Plante & Moran was located at too great a distance from the school district. Since the Board is familiar with the work of Gross & Ludwig it was decided that the finance committee will interview representatives from the firms of Iccerman, Johnson & Hoffman; and Curtis, Bailey, Exley and Sposito. The finance committee will at-

tempt to make a recommendation to the full Board at the January meeting regarding the appointment of one of the three firms under consideration as school auditors for at least the current school year.

B. Finance Committee Report: Chairman of the finance committee D. Little reviewed for the Board the current status of the budget following the reduction in State level funding. Current budget conditions indicate that the District will be in a \$30-40,000 deficit position by the end of the school year although no cash problem is anticipated. The consensus of the Board was that this position was unacceptable. The Superintendent was directed to bring recommendations to the Board in January regarding budget category reductions which will allow for approximately a \$5,000 balance.

In further action the finance committee recommended to the Board policy number 3470 regarding trust and agency funds. This review was considered the first reading in the step toward eventual adoption of the policy.

C. Budget Review: The review of the budget was carried out in conjunction with the finance committee report. As part of the charge to the Superintendent the Board requested that budget reductions take place in areas as far removed as possible from the instructional program.

D. Review of High School Class Sizes: High school principal James Kappler re-

viewed for the Board the current sizes of classes as compared with previous years. Included in the discussion and interaction was a review of the problems encountered in attempting to provide a comprehensive curriculum in a small high school with declining enrollment.

E. Graduation Policy 5127: The superintendent pointed out to the Board that during the adoption process of this policy a line had been omitted. It was moved by DuFresne to include the sentence, "During 9th or 10th grade all students must take one year of physical education", in policy number 5127 regarding graduation requirements. Supported by Mann. Vote: All ayes. Motion carried.

F. Graduation Ceremony Procedures: The Board indicated their collective desire to be as involved as possible in the actual ceremony.

G. Dr. Thompson reported to the Board that the burner conversion project at the middle school had been completed. It is anticipated that the cost of the conversion will be recovered in less than two heating seasons.

Old Business: President Broucek completed the committee assignments by appointing Mrs. Cole to the curriculum council, Mr. Mann to the professional council, and Mr. Horning to the future farmer's advisory committee.

New Business: It was moved by DuFresne, supported by Horning to add the

topic of bus loan to the agenda. Dr. Thompson reported to the Board that he had been advised by the supplier that delivery of a school bus currently on order should be anticipated shortly after January 1, 1981. "Bids for loans for this purchase have been solicited from area banks."

It was moved by Little to authorize the Superintendent to make application to borrow the sum of \$21,550.00 for the purchase of a 1980 International 48 passenger school bus equipped with a wheel chair lift. Said note shall bear interest at 10.85 per annum, be dated no later than January 15, 1981 and be due and payable in six (6) annual payments beginning on the same date one year following.

The president and secretary of the Board are hereby authorized to execute this note for and on behalf of the Manchester Community Schools. Supported by DuFresne. Vote: All ayes. Motion carried.

Respectfully submitted,
Paul DuFresne, Secretary
Board of Education

Family Service Brightens Christmas

Stephanie Struble (left) and Colleen Riley (right) Middle School Student Council members were the "top-two" working for the Manchester Family Service Scavenger Hunt last December 10th to 16th.

Fifty-two children in the area were among the 109 individuals in 39 families whose Christmas was brighter because of the Manchester Family Service Christmas Project this year. This annual project is performed by the local United Way Agency for the Department of Social Services, the Salvation Army, Washtenaw County Health Department and area churches. St. Mary's Church was the host again this year.

The Scavenger Hunt which was conducted by the Middle School Student Council under the direction of the principal, Mr. Brian Schick, did an outstanding job of collecting approximately 2500 items of canned and packaged foods for those in need of assistance. Each family or household on the list received a box of groceries along with a food or clothing order based

on the Ann Arbor Salvation Army criteria for Holiday assistance.

Double A employees and other individuals donated ten turkeys which were distributed to large families for Christmas or Thanksgiving as the family desired.

The "Free Shop" which was held on the 19th of December, when the families came to the distribution center at St. Mary's Church to pick up their orders and grocery boxes, was set up by volunteers from beta Sigma Phi sorority, MFS board members and interested persons. Supplies were furnished by dozens of families throughout the area. The "Shop" included used clothing, household items, toys and many new socks, mittens, scarfs and dolls.

Mrs. Carl Schwab beautifully "recycled" a half dozen dolls. Mrs. Elsie O'Dell made forty sets of duplicate play outfits, two

each for the Great Lakes Federal dolls. Miss Lee Huber knitted a bag full of children's scarfs and Lambda Nu and Emanuel Adult Fellowship supplied new caps, mittens and socks for all the children.

Twenty dolls from Great Lakes Federal were shared with Spaulding for Children again this year.

All of this was possible because of the help of those already mentioned and many, many more. Gifts from Bethel United Church of Christ Adult Fellowship and their Women's Fellowship, Emanuel United Church of Christ Women's Fellowship, Manchester United Methodist Church Women United, Sharon United Methodist Church Women's Association, Mrs. Joseph E. Moore, Mrs. Walter Budnick, Dr. and Mrs. William Purfield, Mrs. F.C. Huber, Huron Valley Night Hawk, Christine Reichert's Brownie Troop #650 and the Thanksgiving Union Church Service donation.

Since this was the first year of a new system of conducting the Scavenger Hunt some people who wanted to give groceries may have been missed. A system is already being planned to assist the children in covering a greater area with more efficiency next year.

Men In Service

Army Private Gerald D. Miller Jr., son of Mr. and Mrs. Gerald D. Miller Jr. of 14107 E. Austin, Manchester, Michigan is attending basic training at Fort Leonard Wood, Mo.

During the training, students receive instruction in drill and ceremonies, weapons, m., reading tactics, military courtesy, military justice, first aid, and Army history and traditions.

Attention Class of 1961

There will be a meeting for the Class of 1961 for anyone interested in planning the class reunion. The meeting will be held Wednesday, January 21, 8:00 p.m. at the home of Or-Lynn Kouba's, 17260 Sharon Valley Road.

Please call 428-8273 if you are able to attend this meeting.

SHOP THE WANT ADS

Ask The Governor

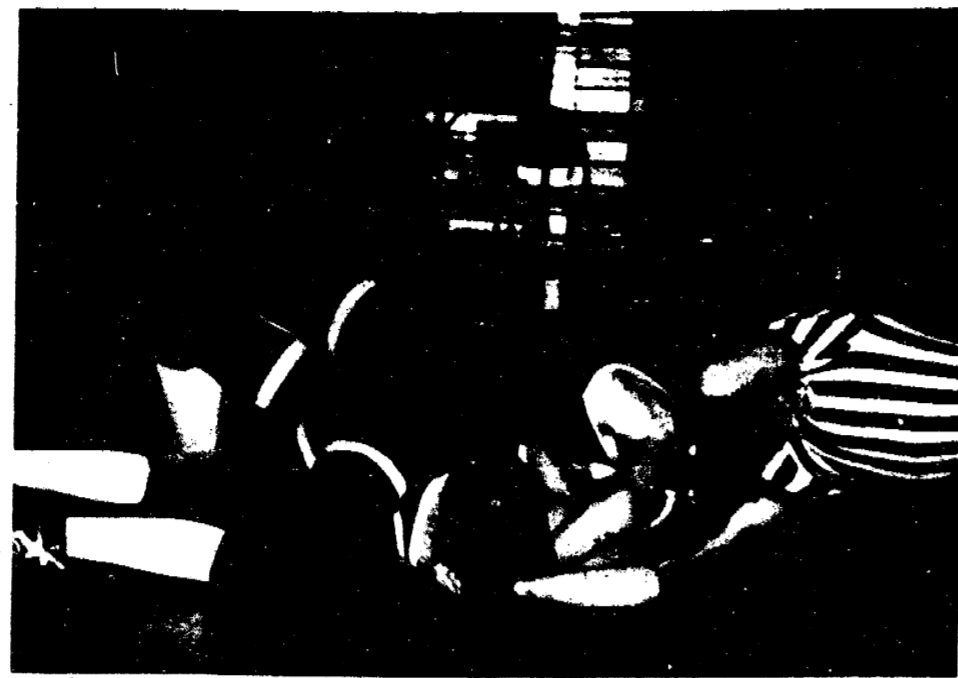

Question: My health insurance costs keep rising but benefits don't. Is there anything State Government can do to control the costs?

Governor: I am pleased to report that I recently signed the health Care Corporation Reform Act which will help control the costs of health insurance.

This legislation establishes a new approach to controlling rate increases and health care costs, sets cost containment goals and increases public representation on the Blue Cross/Blue Shield of Michigan board. The current 45 member board will be reduced to 35. Four of the 35 will be public members appointed by the Governor with the advice and consent of the Senate. Two of these persons will be retirees 62 years of age or older. A maximum of 25 percent of the board members can be provider members. The balance are to be subscriber members from small, medium and large groups representing an equal balance of labor and management representatives.

The new law identifies separate classes of health care providers (hospitals, allopathic physicians, osteopathic physicians, pharmacists) and sets three goals for each: reasonable cost, access to health care and quality health care. The law also establishes the reimbursement cost, making sure that expenditures do not exceed the average increase in the gross national product. The new law incorporates consumer information provisions, including a requirement for timely handling of subscriber complaints and that medicare recipients receive a "buyer's guide" to services.

Dutch Bow To Onsted

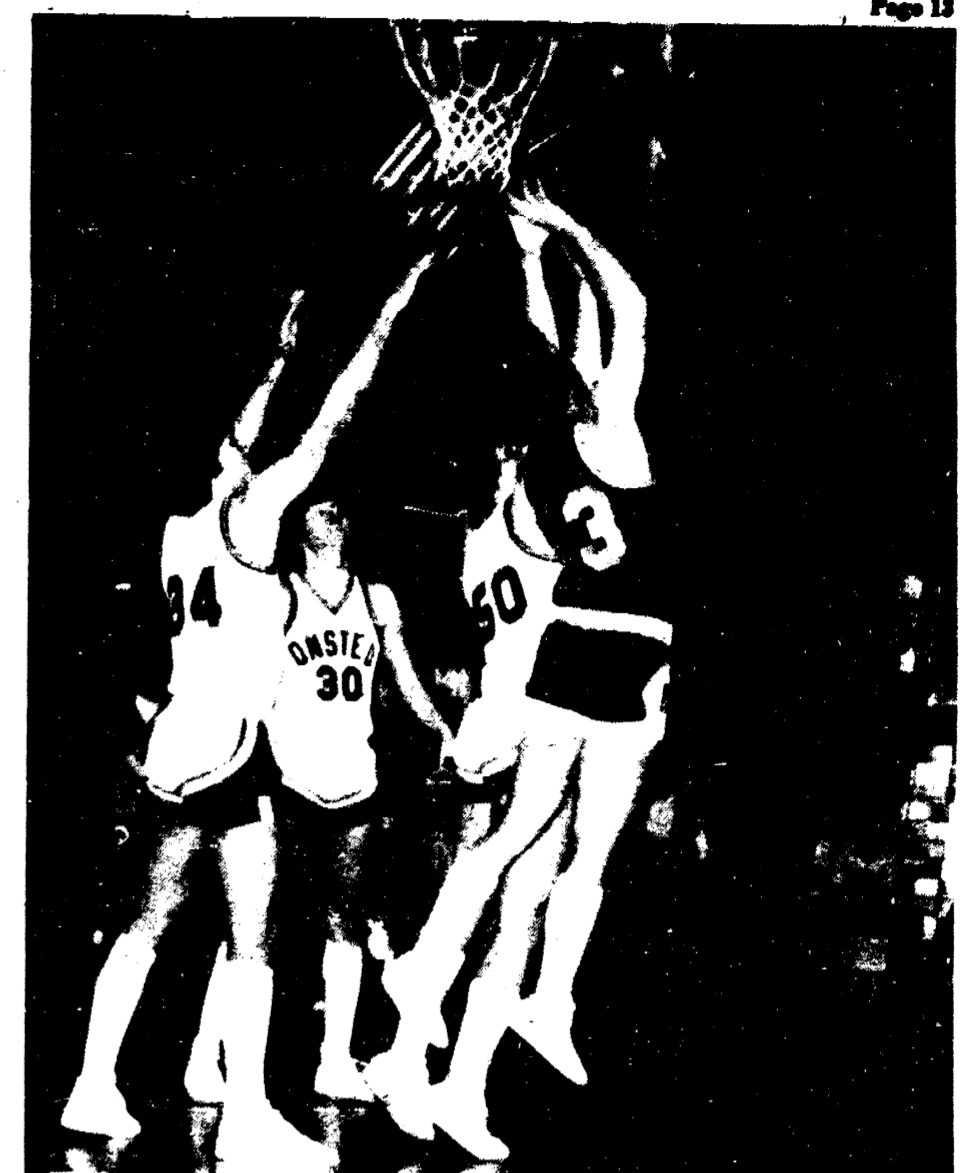

Nick Krzyzaniak pops for 2 of his 12 points Friday. All photos by Jon

by Jon Hardenbergh

We walked into the lair of the leagues defending and unbeaten wildcats and got a beating. In the J.V. contest we scored

first then added a freebie when they began hitting to zoom to a 11-3 lead. We scrapped back to 11-9 when Onsted caught fire. I kept waiting for the scoreboard to advance our tally—it didn't. The advantage

Tom Malcolm gets underneath for a bucket, contributed 8 points Friday.

went something like: 15-9, 25-9 then 30-9 and just got worse. The final horn ended this killing as the score was some 40 points to Onsted.

In the big game, we came out with a solid plan and for 15 minutes showed the 'Cats that Kings do crumble but they assumed a slight 3 point-edge in the closing seconds to intermission. I felt the halftime buzzer had sounded but the man with the whistle didn't—they popped 2 from the charity stripe to race to the locker room up 5, 32-27. The third stanza started and they hit but we answered 34-29 but then disaster paid a visit to our camp. They burned the net for 6 making it 40-29 and next it stood 49-29. As this 8 minute massacre ended Onsted had total 27 points to our 11 but we did have one more period. We rallied back to 12 but Coach Bartels saw fit, rightly so, to insert the benchers but Onsted didn't.

Onsted did a good job in shutting off

our offense as Nick Krzyzaniak, who's averaging 18 points per game, tallied 12 and T.J. Thomas had 4 compared to his 13 point average. Paul Sroufe played well netting 12, as Tom Malcolm and Pete Johnson added 16, 8 each.

Elsewhere in the L.C.A.A. Hudson took Addison, Clinton fell to Morenci and Dundee downed Blissfield.

Friday I became aware that of the 4 schools participating in the holiday tournament, at Adrian Madison, 5 players were picked as the holiday team. Nick and T.J. made this special squad. The up-coming sport picture sees our roundballers hosting Addison Friday. Our wrestlers trek to Hudson 1-15-81 then gather in Stockbridge on Saturday for their invitation. Tuesday, January 20, our grapplers host Adrian Madison at 7 p.m. In Volleyball we welcome Clinton Thursday, January 15, then take to the road to play Morenci, Monday, January 19th.

THE NAPA SIGN. COUNT ON IT.

Count your savings. Count your many additional maintenance-free miles. Count increased safety for you and your family.

Count your blessings, because this sign is the ultimate symbol of expert vehicle care.

That's because it is the symbol of NAPA. NAPA is over 50 years old, and in that half century NAPA parts and NAPA people have earned a reputation for quality products, professional service, fast delivery and fair prices.

Today that sign stands for over 110,000 top quality parts, many better than original equipment.

So, whenever you need professional, dependable service, look for the blue and gold NAPA sign. You can count on it.

FAMILY PLANNING

You can't believe all the nursery rhymes. Take the old woman who lived in a shoe. She had so many children that the storybook illustration shows them brimming, bulging, climbing, clinging, dangling, and falling from that old shoe. There were so many children, because she didn't know what to do.

That might have bordered on the truth a little over a generation ago, but today most families are quite different. Today's woman of child-bearing age has few (if any) children, because she knows what to do.

Today's woman accepts family planning as a fact of life. It enables her to have or not to have children; and the children she does have are wanted, not unwanted, children. Family planning allows her to space her children and to plan her family size.

Family planning programs across the state serve women from all walks of life. In the past year about 50% of the clients were 19 years of age or younger. The other women already have children and prefer to postpone pregnancy—at least for now.

Most of the family planning clients prefer to postpone parenthood. They wish to work and earn, to start careers, to enjoy freedom from the responsibilities of children, to continue their education. Many women of today just don't want children right now. When they do decide to have children, they make the decision after much consideration and planning. They are finally ready to have an intended pregnancy.

The family planning programs across the state help these young men and women pursue their goals. They provide counseling, education, laboratory tests such as pap smear, physician examinations and orientation to various kinds of contraceptive methods. The physician and patient determine the best method of

contraception, and a nurse gives further information. The program also provides pregnancy testing, sickle cell testing when indicated, and gives referrals for other services, such as infertility testing.

We've come a long way from that old woman in the shoe. While we still enjoy hearing our children laugh at the antics of the children who lived in the shoe, the present-day mother knows best. She plans her life for wanted children when she's ready for them. That's not a nursery rhyme: that's the truth.

Senior Citizens Meals

The menu for Senior Meals on Tuesday, January 20 is: Tuna Noodle Casserole, Vegetable, Fruit, Rolls and Butter, Dessert, Coffee, Tea and Milk.

On Thursday, January 22, they are serving: Roast Beef, Potatoes, Vegetable, Fruit, Rolls and Butter, Dessert, Coffee, Tea and Milk.

The Exercise Program begins again on Tuesday the 20th at 11:00 and there is card playing at 1:00 after the dinner. On Thursdays, the Crafts Program will begin again at 1:00.

For those who may not be aware of the programs for people over 60 years of age in the Manchester area this is a brief resume. The Senior Meals is a project of the Manchester Area Senior Council, Incorporated. Dinner is served every Tuesday and Thursday noon at the dining room of the Emanuel United Church of Christ. Meals are also delivered by volunteers to home-bound Seniors and those whose doctor or the Visiting Nurse request the service. Families may arrange to pick up and deliver meals to their own elderly relatives and organizations may make arrangements for meals to be delivered to their ill or elderly members.

The price for each meal is \$2.00 although the amount paid may be based on the person's ability to pay. Information regarding meals may be obtained by calling Linda Hartmann at the Emanuel Church office, 428-8359 between the hours of 9:00 and 3:00 weekdays.

Reservations for meals must be made no later than 8:00 o'clock the preceding day with Mrs. Hartmann.

There is also a social meeting of all Senior Citizens, who are interested, the last Wednesday of every month. Notice of these meetings is published in the Enterprise the week before giving the time, location and program.

W.A.R.C. Meeting

The Washtenaw Association for Retarded Citizens (W.A.R.C.) will hold a general membership meeting January 19, 1981 at 7:30 P.M. at the High Point Cafeterium, 1735 S. Wagner Road, Ann Arbor.

Dr. Lee Martin, President of the Michigan Association for Retarded Citizens, will conduct the installation of Officers and other Board members for 1981. He will also speak on "The A.R.C. Goals and Directions for 1981".

"Old wine and an old friend are good provisions."

114TH YEAR VOLUME NO. 13 USPS 327-460 THURSDAY, JANUARY 22, 1981

25th Anniversary Open House

Mr. and Mrs. Frederick Wurster celebrate their 25th wedding anniversary with an open house at the American Legion Hall, January 25th, two to five p.m. All friends and relatives are invited to attend. The reception will be hosted by their sons and daughter.

"HIT OR MISS" by farley

At the end of the semester, just previous to the holidays, the local newspapers received news releases listing the graduates from their immediate area, from the various colleges, and this year there were a large number of them it seemed to us.

A bit of research confirmed this fact, and in discussing it with a friend she told us that there was a pitiful oversupply of degrees and cited the fact that a friend of hers had become a B.A. plus a M.A., but that she had failed to find a spot in which she could apply her recently acquired knowledge. She was officially unemployed from a better class of jobs.

Four years ago, this gal got a B.A. in philosophy which in those days cost her some \$12,000 but the best job she could find at that moment was as an over-educated waitress or office worker, so she became an overeducated camp counselor and went back to school.

There for \$4,000 she became possessed of a degree in library science with a part time job as a library assistant and in her spare time was a clerk in a store but the Dewey Decimal system didn't help her much so she went back to school and some \$5,000 later she was a librarian, a school librarian, a teacher and an administrator, but still no luck, so she applied for and was accepted for a PhD program. Three years later she was more in debt but was qualified as a college professor or a very much overqualified school librarian. Talking about it the other day she said that she and Woody Allen had some things in common. He says that success to him means that nowadays he is turned down for dates by a better class of women.

School Roofing Problems Identified

In a report prepared by Roofing Consultants, Incorporated of Royal Oak, Michigan specific problems and necessary repairs have been identified for both the Manchester High School and the Nellie Ackerson building. In a comprehensive study Mr. Gary Cattel of RCI provided an analysis of the 18 separate areas of the high school roof. Through the use of probes a study was made of the deck, vapor barrier, insulation, membrane and surfacing. An identical study was carried out at the Ackerson building.

According to Dr. Thompson, School Superintendent, the report very clearly identifies the problems with each roof and specifies the steps to be taken in order to provide proper roofing. "Since we only have \$25,000 in our budget for reroofing I asked Mr. Cattel to indicate priorities for beginning the work. We knew we had more problems than we could afford to solve but didn't know which were the most critical," said Thompson.

According to the estimates in the report the costs of providing a sound roof at the high school would be well in excess of \$100,000. The Ackerson roof was found to be in better condition than had originally been believed. An estimate of \$15-20,000 was placed on repairing the roof at Ackerson.

Following the guidelines prepared in the report work will be carried out in the spring as far as the budget will allow. According to Thompson it should be possible to provide a sound roof at Ackerson as soon as the snow melts and is cleared. "We will only be applying stop gap measures to the high school in the spring," said Thompson. The community should recognize that we do not have the

Financial Aid Reminder

For seniors in high school planning on further education and for college students, it is that time of year again. Financial aid forms are due soon. In general, the earlier these forms are mailed in the better the chance of obtaining some type of financial aid. Also, the earlier you mail them in the sooner your family will find out where you stand in the confusing financial aid picture. With the economy of Michigan the way it is, this is a particularly crucial year. Schools are running short of financial aid funds, therefore apply early so you are not shut out.

Seniors who are eligible for the Michigan Competitive Scholarship must have their forms mailed in by January 31 to remain eligible for this scholarship. College students who already have this scholarship have a deadline of March 15 to receive it for another year. For those who are not eligible for the Competitive Scholarship there is no absolute deadline but money is awarded on a first come, first serve basis.

If you find you do not qualify for any types of financial aid but still feel you cannot afford the amount of money needed for college, contact your local bank. You can apply for a Guaranteed Student Loan (GSL) through them. If you still are in need of financial aid applications or have any questions about the financial aid process contact Mr. Richard Parson at the high school.

Library Launches Fund Drive

Due to a combination of reduced State aid and increased operating costs, the Manchester Township Library must raise additional funds to maintain its present level of service to the community.

Traditionally, during times of recession, libraries show a marked increase in usage. Our Library is no exception: last year circulation increased 34%, requests for professional assistance more than tripled, and the trend continues. In the light of this unusual demand, the Library Board of Trustees hesitates to cut back on Library hours or initiate charges for special items as the State and County Libraries have done.

For example, the Michigan State Library, faced with a 13% cut in funds, has reduced its hours by 50%, eliminated large print material for the visually handicapped, dropped its toll-free telephone information service, and made reductions in staff. The Washtenaw County Library, to absorb a 20% cut in funds, has reduced its part-time staff and instituted a variety of special charges. In some instances, these State and County cut-backs have either increased costs to our Library or restricted services previously available to our patrons.

Although the Manchester Township Library Trustees could save money by similar cuts, they have chosen instead to appeal directly to everyone in the community for contributions. They believe that you share their reluctance to restrict services to the nearly 3,000 library card holders and the many others who use our Library for recreational reading, education, and as a valuable source of information and assistance.

Last month, in response to a limited appeal, the Library received \$250. With this encouraging start, the Trustees are now launching a community-wide fund drive towards a goal of \$5,000. Beginning this week, they will contact local clubs, service organizations, businesses and professionals for support. In February, an "Honor Roll of Donors" will be announced to publicly recognize those individuals and groups who believe with the Board that our Library is a vital community resource.

If you share this belief, mail or bring your contribution to the Manchester Township Library, 202 West Main Street. Your donation is a deductible expense on the 1981 Federal Income Tax returns, and up to 50% of it can be a tax credit on Michigan returns.

Community Education

Registration was completed last week for Washtenaw Community College classes. Eight classes started with an enrollment of over 100 students at Manchester High School. This week determination will be made on which classes will begin next week for the rest of the Community Education classes. If you still have not registered and would like to check on a class, call the Community Education Office by Friday, January 23 to see if there is an opening. As Super Saturday classes do not start until Saturday, January 31 the registration will be left open until Tuesday, February 3 for late registration. The Community Education telephone number is 428-7804.
