25th Anniversary Open House

Mr. and Mrs. Frederick Wurster celebrate their 25th wedding anniversary with an open house at the American Legion Hall, January 25th, two to five p.m. All friends and relatives are invited to attend. The reception will be hosted by their sons and daughter.

"HIT OR MISS" by farley

At the end of the semester, just previous to the holidays, the local newspapers received news releases listing the graduates from their immediate area, from the various colleges, and this year there were a large number of them it seemed to us. A bit of research confirmed this fact, and in discussing it with a friend she told us that there was a pitiful oversupply of degrees and cited the fact that a friend of hers had become a B.A. plus a M.A., but that she had failed to find a spot in which she could apply her recently acquired knowledge. She was officially unemployed from a better class of jobs. Four years ago, this gal got a B.A. in philosophy which in those days cost her some \$12,000 but the best job she could find at that moment was as an over-educated waitress or office worker, so she became an overeducated camp counselor and went back to school. There for \$4,000 she became possessed of a degree in library science with a part time job as a library assistant and in her spare time was a clerk in a store but the Dewey Decimal system didn't help her much so she went back to school and some \$5,000 later she was a librarian, a school librarian, a teacher and an administrator, but still no luck, so she applied for and was accepted for a PhD program. Three years later she was more in debt but was qualified as a college professor or a very much overqualified school librarian. Talking about it the other day she said that she and Woody Allen had some things in common. He says that success to him means that nowadays he is turned down for dates by a better class of women.

Figures released by the colleges note that there are one million women getting bachelor's degrees this year, some 300,000 receiving master's degrees and more than 32,000 receiving doctorates. They must be up to their ears in debt and the economy up to its in overeducated underemployed. Eighty percent of the people who are recent college graduates, we are told, doing work which has been capably done by folks without a college degree. Evidently you don't need the degree to do the job but you do need the degree to get the job. College graduates may be getting the jobs once held by those without college degrees but the graduates aren't holding the jobs said to be guaranteed by those with a degree. There is much more competition at every level and it is projected that in another four years there will be 2.5 graduates competing for every job. One economist has written a book on this subject in which he says: "As the supply of more educated labor increases, individuals find they must improve their education qualification simply to defend their income position. If they don't go to college many others will and they will not find their current job open to them." Michael Harrington describes this in a book "Decade of Decision" when he says that at any parade the people in the second row stand on tiptoe just to see over the heads of those in the first row and then everybody behind them stands on tiptoe just to stay in position. And so more and more people go to college to get a degree that doesn't

School Roofing Problems Identified

In a report prepared by Roofing Consultants, Incorporated of Royal Oak, Michigan specific problems and necessary repairs have been identified for both the Manchester High School and the Nellie Ackerson building. In a comprehensive study Mr. Gary Cattel of RCI provided an analysis of the 18 separate areas of the high school roof. Through the use of probes a study was made of the deck, vapor barrier, insulation, membrane and surfacing. An identical study was carried out at the Ackerson building. According to Dr. Thompson, School Superintendent, the report very clearly identifies the problems with each roof and specifies the steps to be taken in order to provide proper roofing. "Since we only have \$25,000 in our budget for reroofing I asked Mr. Cattel to indicate priorities for beginning the work. We knew we had more problems than we could afford to solve but didn't know which were the most critical," said Thompson. According to the estimates in the report the costs of providing a sound roof at the high school would be well in excess of \$100,000. The Ackerson roof was found to be in better condition than had originally been believed. An estimate of \$15-20,000 was placed on repairing the roof at Ackerson.

Following the guidelines prepared in the report work will be carried out in the spring as far as the budget will allow. According to Thompson it should be possible to provide a sound roof at Ackerson as soon as the snow melts and is cleared. "We will only be applying stop gap measures to the high school in the spring," said Thompson. The community should recognize that we do not have the

Financial Aid Reminder

For seniors in high school planning on further education and for college students, it is that time of year again. Financial aid forms are due soon. In general, the earlier these forms are mailed in the better the chance of obtaining some type of financial aid. Also, the earlier you mail them in the sooner your family will find out where you stand in the confusing financial aid picture. With the economy of Michigan the way it is, this is a particularly crucial year. Schools are running short of financial aid funds, therefore apply early so you are not shut out. Seniors who are eligible for the Michigan Competitive Scholarship must have their forms mailed in by January 31 to remain eligible for this scholarship. College students who already have this scholarship have a deadline of March 15 to receive it for another year. For those who are not eligible for the Competitive Scholarship there is no absolute deadline but money is awarded on a first come, first serve basis. If you find you do not qualify for any types of financial aid but still feel you cannot afford the amount of money needed for college, contact your local bank. You can apply for a Guaranteed Student Loan (GSL) through them. If you still are in need of financial aid applications or have any questions about the financial aid process contact Mr. Richard Parson at the high school.

Library Launches Fund Drive

Due to a combination of reduced State aid and increased operating costs, the Manchester Township Library must raise additional funds to maintain its present level of service to the community. Traditionally, during times of recession, libraries show a marked increase in usage. Our Library is no exception: last year circulation increased 34%, requests for professional assistance more than tripled, and the trend continues. In the light of this unusual demand, the Library Board of Trustees hesitates to cut back on Library hours or initiate charges for special items as the State and County Libraries have done. For example, the Michigan State Library, faced with a 13% cut in funds, has reduced its hours by 50%, eliminated large print material for the visually handicapped, dropped its toll-free telephone information service, and made reductions in staff. The Washtenaw County Library, to absorb a 20% cut in funds, has reduced its part-time staff and instituted a variety of special charges. In some instances, these State and County cut-backs have either increased costs to our Library or restricted services previously available to our patrons. Although the Manchester Township Library Trustees could save money by similar cuts, they have chosen instead to appeal directly to everyone in the community for contributions. They believe that you share their reluctance to restrict services to the nearly 3,000 library card holders and the many others who use our Library for recreational reading, education, and as a valuable source of information and assistance. Last month, in response to a limited appeal, the Library received \$250. With this encouraging start, the Trustees are now launching a community-wide fund drive towards a goal of \$5,000. Beginning this week, they will contact local clubs, service organizations, businesses and professionals for support. In February, an "Honor Roll of Donors" will be announced to publicly recognize those individuals and groups who believe with the Board that our Library is a vital community resource. If you share this belief, mail or bring your contribution to the Manchester Township Library, 202 West Main Street. Your donation is a deductible expense on the 1981 Federal Income Tax returns, and up to 50% of it can be a tax credit on Michigan returns. Registration was completed last week for Washtenaw Community College classes. Eight classes started with an enrollment of over 100 students at Manchester High School. This week determination will be made on which classes will begin next week for the rest of the Community Education classes. If you still have not registered and would like to check on a class, call the Community Education Office by Friday, January 23 to see if there is an opening. As Super Saturday classes do not start until Saturday, January 31 the registration will be left open until Tuesday, February 3 for late registration. The Community Education telephone number is 428-7804.

Letter To The Editor

Dear Parents and Students,

As most of you know, contracts are negotiated between the teachers and the Board of Education in this district. Once negotiated, both parties should be prepared to abide by the letter of the contract whether or not it is immediately convenient to either party.

The teachers of Manchester appreciate your understanding of this fact. The upcoming semester exam period was decided by contract. Yet, the letter you received on January 16th from the Superintendent of Schools, apparently ignores this basic reality.

However, those of you who look at the January calendar already know this, for the administrative community newsletter released a calendar listing Thursday the 22nd and Friday the 23rd as early out days; examinations and classes in the A.M. and marking and inservice in the P.M.

We would like to apologize for any inconvenience that resulted from this misunderstanding. Hopefully, such problems may be avoided in the future.

The Manchester Teachers
Yvonne Henry
Vice President-President Elect

Annual Girl Scout Cookie Sale

Seven thousand Girl Scouts in Huron Valley Girl Scout Council are continuing the great American tradition — Girl Scout cookies.

The very first Girl Scout cookie in 1933 was a vanilla shortbread, baked in the shape of the Girl Scout insignia, the Trefoil. It is still a favorite, but over the years, the Girl Scouts have added a variety of cookies to the selection. There are Thin Mints, Peanut Butter Patties, Chocolate and Vanilla Sandwich Cremes, Peanut Butter Sandwiches and the newest two, Old Fashioned Oatmeal and caramel, coconutty Sumores.

Order taking begins February 6 and runs through February 17. Deliveries are from March 16 to 27. Be sure to stock up, after all, they're only available once a year.

The annual Girl Scout Cookie Sale not only raises funds for the troops and the Council, it gives each girl an opportunity to acquire skills in meeting the public, keeping accurate order records, and handling sums of money.

As an added learning experience introduced this year is a Marketing Badge in Juniors and a Marketing Interest Project for Cadette and Senior Girl Scouts.

The purpose of the Marketing Badge is for the girls to learn the process of marketing by developing skills during the cookie sale including planning, promotion, sales and evaluation.

The objective of the Marketing interest project is to discover who the local business women are, learn sale production, comparative shopping, advertising, selling, record keeping, product delivery and evaluation techniques.

The Marketing Badge and interest project follow the new program design, "Girl Scouts—Where The Future Begins." Huron Valley Girl Scout Council is a United Way Agency.

Ballroom Dancers

Feeling sad and lonely? Travel on down to the American Legion Hall, South Main Street, Ann Arbor and join the Tuesday Night group on January 27th. Dance from 8:30 - 11:30 P.M. to the music of the Don Wilson Band. Fun time by all. For more information call 482-5478.

Manchester Township Board

PROPOSED SYNOPSIS of Manchester Township Bd. minutes of January 13, 1981 held at Township Hall at 8:00 p.m. They are subject to correction and alteration by the Township Board.

Meeting called to order by Clerk Lentz due to the absence of Supervisor Fielder. Bd. members present: Burch, Lentz, Macomber and Widmayer. Absent: Fielder.

Also attending were: James Kensler, Gabriel Dull, Millard Uphaus, Ray Gonyer and John Hinkley.

Meeting opened with pledge to the flag. Minutes of regular Bd. meeting Dec. 8, 1980 and Library Bd. minutes and reports of Dec. 1, 1980 accepted as submitted.

Bills paid since last month presented and put on file.

Treas. Burch announced there is \$15,550.09 in the General Fund.

Approved payments of General Fund bills totalling \$2,342.25. Approved payments of FRS bills for \$38.00.

Moved to hold over Cunningham-Gooding and Hobbs and Black bills of the Fire Hall Fund by roll call vote. Approved payment of Fire Hall Fund of \$44.50.

Letter read from Mr. Roesch Re: Sr. Citizens Local Transportation. Mr. Gonyer and Mr. Uphaus commented on Sr. Citizens plans for transportation service which would begin approximately March 1, 1981.

Approval given to contract with Sr. Citizens Council-Transportation for local transportation for the Sr. Citizens for a

cost of \$960 annually for services from March 1, 1981 thru June 30, 1981 and to amend the FRS budget to read Dial-A-Ride from \$1000 to \$525 and Sr. Citizens Council-Transportation from 0 to \$475.

Fire Chief Kensler announced that the 20th Century Club is donating to the Fire Dept. separate account the amount of \$1000 to be used at a later date for "jaws of life". Women's Fellowship is donating \$100.00 towards this account.

Correspondence read and put on file. Approved the ordering of one coat of chloride to be applied by Wash. Co. Rd. Comm. the last week of May.

Approval of nomination of Lyle L. Moore for State Boundary Comm. was given.

Washtenaw Co. Rd. Comm. Annual meeting with Manchester Township to be held February 6, 1981 at 1:30 p.m. at the Rd. Comm. Macomber will attend.

Moved to be adjourned at 9:05 p.m.

Submitted by Wilma E. Lentz, Clerk and approved by Clarence L. Fielder, Supervisor

For further information call Linda Meyer, 428-7203.

Correction

In last week's paper, The Village Hair Forum ad should have read, Open Monday through Saturday and Closed Tuesdays.

"This Week In Lansing" Coffee Break

Mary Keith Ballantine, 23rd District Rep.

Windshield Solvent - Several companies which have sold diluted windshield wiper solvent have agreed to make refunds or replacements to motorists who sprayed their windows and had the liquid freeze. If this happened to you, take the container back to the store at which you purchased it, and inquire about the refund.

Fire Drivers Exempted - Drivers of fire-fighting vehicles will no longer have to obtain a special endorsement from the state in order to lawfully operate the trucks, under legislation recently signed into law by Governor William Milliken. Now, drivers of large fire trucks will be required to meet only training standards established by the Michigan Fire Fighters Training Council.

Enrollment's Up - State college enrollments increased by 2,500 students in 1980, bringing the total to 516,539. It was only the third time that the state's college student population has topped the half million mark. Traditionally, enrollments rise during difficult economic times.

Salary Deductions - Attorney General Frank Kelley ruled last week that school districts may deduct pay from the salaries of teachers who have taken more than the agreed-upon leave time. In the ruling, Kelley said districts may deduct more than the cost of hiring a substitute teacher.

Michigan's Coastline - The federal government will continue funding projects to create public recreational sites and to fight erosion along the state's Great Lakes shoreline. The federal government will send Michigan \$1.9 million for the projects through September, and \$450,000 in state and local funds will also be raised.

Obituary

Dorsie Carpenter
 Sublett, Kentucky

Age 61 years, formerly of Chelsea, died Sunday, January 18, 1981 in Highland Regional Hospital in Prestonburg, Kentucky following an extended illness.

He was born March 6, 1919 in Magoffin County, Kentucky, the son of Wise and Nellie Minix Carpenter.

He was married to Edna Mae Salyer on July 19, 1939. She survives.

Mr. Carpenter was a WW II Army veteran.

In addition to his wife he is survived by six sons, Ernest of Battle Creek, Gordon of Mt. Clemmens, D.J. of Chelsea, Larry of Clarksville, Tennessee, Phillip of Ann Arbor, Jackie of Ypsilanti; two daughters, Mrs. Joan Nuttle and Mrs. Rhonda Onderdonk, both of Ann Arbor; sixteen grandchildren; one brother, Douglas of Manchester; three sisters, Mrs. Nora Ray of Tecumseh, Mrs. Irene Perkins of Jackson, Mrs. Maxine Tyshka of Jackson; several nieces, nephews and cousins.

Funeral services will be held Thursday, January 22, 1981, 1:30 p.m. at the Jenter Funeral Home, Manchester. Rev. Robert Macfarlane will officiate. Burial will follow in Oak Grove Cemetery.

"Life is a jigsaw puzzle with most of the pieces missing."

Jaycee Auxiliary Meeting

The Manchester Jaycee Auxiliary meeting was held at the home of Thea Bertke with 11 members present.

A candlelight ceremony was held to install a new member, Astrida Panches. Astrida was sponsored by Carol Kemeter.

Final reports were given on the Lunch with Santa and the candy sale. Again we wish to thank all who made these projects a success.

We are collecting clothing for Project Concern. All articles collected will be sent to the needy of Mexico.

Manchester will be hosting the Spring District meeting to be held on March 24th. The purpose of the meeting is to elect next year's officers. Seven locals have been invited to participate.

Three members will be representing Manchester at the Winter Board in Troy. Carol Kemeter and Sandra King furnished a dessert of gingerbread and lemon sauce for the senior citizens.

Refreshments were served after the meeting.

Twentieth Century

Mrs. John Sauter was hostess for the Twentieth Century Club meeting January 13. Twenty-two members were present.

The Ways and Means Committee chairman, Mrs. Sauter presented two suggestions for raising money for "The Jaws of Life" fund which the club is promoting for the Manchester Fire Department. Among Club members, there will be a "Traveling Basket". On March 31, the membership will conduct a "Talent Auction" open to friends and guests and other organizations interested in helping build up the much needed fund. This committee is working with the Project Committee which is chaired by Mrs. Stanton Roesch.

Mrs. Paul Alber led the Round Table discussion for the 1981-82 club program following the annual reading of the constitution and by-laws of the organization.

The program for the evening was an old fashioned spelling bee conducted by Mrs. Maynard Blossom and Mrs. Finn Olsen. Mrs. Roesch was the winner of the bee and Mrs. Norman Fielder was runner-up.

Refreshments were served by Mrs. Sauter and her co-hostess, Mrs. Roesch. The next meeting will be February 10 at the home of Mrs. T.H. Tapping.

News Of Good Things Growing

You've heard of wine and cheese tasting, fondue parties, and salad luncheons. This winter, try a new temptation to the tastebuds - a pickle potpourri.

Good things are growing in Michigan and more than 100 varieties of pickles are available to choose from. Our state leads the nation in growing cucumbers for pickle production with about 236 million pounds harvested in 1979, according to the Michigan Department of Agriculture.

This may help explain why the largest pickle packet in the U.S. is located in Michigan.

For a pickle potpourri, as with other tasting parties, look for new pickle products at your favorite deli or grocery. Choose some varieties unfamiliar to many of your guests to add to the intrigue.

FACT:

Michigan navy beans are stationed in markets and stores across the U.S. and sail for ports all over the globe. 91% of all navy beans and 1/3 of all dry edible beans in the nation are grown in Michigan. A \$130,000,000 crop.

Ask The Governor

Question: Can you please tell me how to obtain information regarding requirements and qualifications for entrance to any of the Military Academies?

Answer: There are several United States service academies to which you can apply. A few of the academies include the U.S. Military Academy at West Point, the U.S. Naval Academy, the U.S. Air Force, and the U.S. Marines.

Information concerning any of the academies can be secured from a high school counselor. The academies keep the counselors well informed and updated. Any high school counselor should be able to provide you with literature and applications.

There are several qualifications required by a majority of the academies. An applicant must usually have a letter of nomination from one of his or her state senators or representatives. Also, most academies require the applicant to pass a physical aptitude exam which tests athletic ability and a physical examination. High school grade point averages, SAT and ACT scores are also closely examined.

The average length of the complete application process for a service academy is a little over one year. Students, therefore, are encouraged to apply during their junior year in high school.

The new Essential Insurance law is here . . . but it won't change our service a bit

You've probably heard a lot about the Essential Insurance legislation that took effect Jan. 1, 1981. The new state law has meant a lot of changes for us and other insurance companies throughout the state, especially the part mandating new methods of pricing auto insurance.

But our standards of service haven't changed at all. We're still giving the same prompt, dependable and knowledgeable service you expect from us . . . one more way that we help make your future a little more predictable. Call us today.

CPR Classes Available

Washtenaw County residents will have three day-long opportunities in January and February to learn CPR (Cardio-Pulmonary Resuscitation), an emergency procedure used to save victims of drowning, heart attack, electric shock, smoke inhalation, and other potentially fatal conditions.

"Someone in cardiac arrest needs help immediately," says Kristy Vandenberg, safety services director for the local Chapter of the American Red Cross. "The only hope many victims have is that someone nearby will know CPR and keep them alive until medical help arrives. That's why everyone should spend a few hours a year learning CPR or updating their CPR training."

CPR involves manually compressing the chest of the victim to reactivate the heart and performing mouth-to-mouth resuscitation to restore breathing. The CPR training, called "single rescuer," is offered at no charge and requires 3-4 hours to learn, Vandenberg said.

St. Joseph Mercy Hospital will hold a CPR clinic Saturday, January 31 for some 400 persons. Classes begin at 9 AM and 1 PM at the St. Joseph Mercy Hospital Education Center on Huron River Drive. Advanced registration is required. To register or obtain further information, call 572-4035.

The Washtenaw County American Red Cross will hold CPR clinics from 9 AM to 7 PM Saturday, February 14 and from 10 AM to 4 PM Sunday, February 15. Some 1,000 persons will be trained each day. Classes begin every hour and will be held at Washtenaw Community College, which is donating the use of its facilities. Advanced registration is encouraged but "walk-ins" are welcome. To register or obtain further information, call 971-5300.

The St. Joseph Mercy Hospital CPR clinic is sponsored by the J.F. Ervin Foundation, Ervin Industries, and other contributors. The Red Cross clinics are sponsored by the Ann Arbor News. Participants must be 13 years of age or have completed the 7th grade.

Emergency Aid Available

Emergency energy aid for needy households to buy fuel or pay overdue utility bills was launched into operation December 15, Michigan Department of Social Services officials announced.

The first available component of the \$96.6 million federally funded Low Income Energy Assistance Program (LIEAP), the emergency help will be paid only once this fiscal year to eligible applicants.

Qualifications will be based on the household's income and assets, as well as on the demonstrated need for immediate

help. Although some public assistance (AFDC, GA, SSI and food stamp) recipients will be approved for the emergency aid, the program is not limited to welfare clients.

Allowable annual income for applicants will range from \$4,738 for one person to \$12,600 for a family of four, and to \$17,390 for six persons. Liquid assets (such as currency, savings or checking accounts, stocks and bonds) will be limited to \$2,000 or less per household, except when one member is age 65 or over.

According to policy approved by the federal government, emergency energy payments will be considered for two basic categories of applicants:

- The household which is out of, or has indicated a need for, a deliverable heating fuel such as oil, coal, wood or propane.

- The household which has an overdue (by at least 30 days) natural gas or electric bill. Payments for electricity are restricted to primary heat source cases, or cases where it is an essential component of the overall heating system such as in forced-air furnaces.

Top payments will range from \$125 to \$200 each depending upon the household's income in southern lower Michigan, to a range of \$175 to \$250 each in the Upper Peninsula. In most cases, payment will be made directly to the fuel supplier.

Emergency energy assistance applications are being handled by local DSS offices and Community Action Agency (CAA) offices throughout the state. At least one DSS office is located in every Michigan county.

About \$22 million, or nearly one-fourth of the total federal energy grant, was set aside for the emergency, crisis-intervention component this year. MDSS, which administered last year's \$48 million Federal Energy Assistance Program in Michigan, is responsible for overall distribution of this year's aid.

The other two components of the LIEAP program begin January 1 -- a \$39.1 million tax credit plan for low-income homeowners and renters, and a \$30 million "Supplemental Fuel Cost Payment" to qualifying tax credit, AFDC and GA recipients. The state Treasury Department will administer those two components under MDSS supervision and monitoring.

A fourth energy aid plan was started October 1 by MDSS, providing monthly increases to the utility allowances for Michigan's AFDC and GA households who, by state law, are not entitled to receive the tax credit. The benefits average \$12 each month for AFDC recipients and \$11 a month for GA clients, paid with state funds.

Persons who have questions, or who want to apply for the Emergency Energy Assistance, should contact their local DSS or CAA office for more information.

DIAL - A - GARDEN

The following is a weekly schedule of Dial-A-Garden, the system of pre-recorded daily gardening tips sponsored by the Washtenaw County Cooperative Extension Service. The system is in operation 24 hours per day, 7 days per week.

Interested persons are invited to call 971-1122 at their convenience and receive timely, up-to-date gardening information.

School Board Minutes

SPECIAL MEETING

January 12, 1981
The meeting was called to order at 7:40 P.M. by President William Broucek.

Roll Call: Members present: Little, Bunney, Broucek, Cole, Horning. Members absent: DuFresne, R. Mann arrived at approximately 8:00 P.M.

The work study meeting was adjourned at 9:50 P.M.

Following discussion it was moved by Little, supported by Bunney, to approve policies 2310 - 2790. These policies deal with the following topics: Principal selection, Administration Organization, Line and Staff Relations, Fair Treatment for Parents, Students, and Employees, Transportation Services, Student Transportation Management, Walkers and Riders, School Bus Safety, Bus Drive Examination and Training, Student Conduct on Buses, Use of School Buses, School Owned Vehicles, Student Transportation in Private Vehicles, Public Carriers, and Student Transportation Insurance.

Policies 3000 - 3600 were also reviewed. These policies deal with the purpose of Business Administration, Development of the Budget, Use of the Budget, Superintendent's Responsibilities, Adoption of the Budget, Accounting, Audit, Financial Statement, Borrowing, Gifts, Inventories, Depositories, Investment, Trust and Agency Funds, Maintenance of Facilities, Use of Facilities, Food Services, Insurance, Purchasing, Disposition of Assets, Non Resident Students and Freedom of Information.

The work study meeting was adjourned at 9:50 P.M.

Respectfully submitted,
Eugene W. Thompson,
Acting Secretary
Board of Education

"Carnival of Hearts Dinner Dance"

Washtenaw County Parks and Recreation will be sponsoring a "Carnival of Hearts Valentine Dinner Dance" on Tuesday, February 10, 1981 from 3:00 - 6:00 p.m. at Hoyt Conference Center off Huron River Drive in Ypsilanti. Any person 55 years of age and older is welcome. A live band will provide dancing and listening enjoyment, as well as a buffet dinner, games and prizes. Cost for the event is only \$5.00. Reserve your spot before February 2 by calling 994-2575.

American Legion Auxiliary

Regular meeting of Emil Jacob Unit #117 met at the Legion Home on Wednesday, January 14, 1981. Busto of Presidents and red, white and blue decorations greeted members in honor of inauguration on January 20.

President Helen Hosmer opened the meeting and thanked committee of Edna Knauss, Claire Reck and Ruth Oates.

Phyllis Baker reported 75 paid members - 5 to go to reach quota.

Claire Reck reported a successful Christmas Shop for the needy, in which 109 people were served. She reminded Auxiliary members of the March 30 Blood Bank.

Community Service Chairman Helen Poppek and members had delivered 65 poinsettia plants and 2 fruit baskets to ill and elderly before the holidays. 40 cards were also sent.

Legislative Chairman Helen Rigg urged members to write to congressmen re their views on issues.

Alice Alexander reported asking help from James Kappler, High School Principal, in procuring a list of eligible Junior girls for selection of a representative for attendance at Olivet College next summer for Michigan Girl's State.

New Bingo schedules were distributed by Mrs. Baker.

Kitchen equipment has been delivered to the new hall. A motion was passed to pay for this equipment by February 1.

Correspondence was read. There were 22 thank yous, which included a most delightful newsletter from Major John W. Bailey and family, who are residing in Tyler's Green and attached to the European Office of Aerospace in London, England. For those not personally

acquainted with Major Bailey, his family are the Kellums of Noggies and Wellwood Rds.

The Auxiliary again is planning initiation for February's meeting. Della Widmayer will be this month's Good Cheer Chairman.

Blanche Norgard, Dawna Stockwell and Elma Trost's names were drawn for Door Prize. All were absent, next month's prize will be \$5.

Refreshment Committee for February will be Yvonne Huber, Karen and June Jenter.

Secretary,
T V Ludwig

Hot Lunch Program

Beginning Monday, January 26, (2nd semester) the price of milk will be increased to 12c for students and 20c for adults. The increase is necessary due to a recent rate increase from the school milk supplier and no reimbursement increase from the state. In an effort to expand student choices in the lunch program, a salad bar will be installed in the hot lunch line at the high school. In the near future, pre-packaged french fries will also be added to the line. Both new additions can be added using appliances already available within the school system. If these items prove popular with the high school students, a survey will be taken in the middle school to determine what success these additions would have in that lunch program.

Overeaters Anonymous

There will be an Overeaters Anonymous meeting Wednesday at 6:30 p.m. at the Emanuel United Church of Christ. The group meets every Wednesday.

Week In Sports

Varsity Basketball - In the two games Nick Krzyzaniak burned the nets for 36 points.

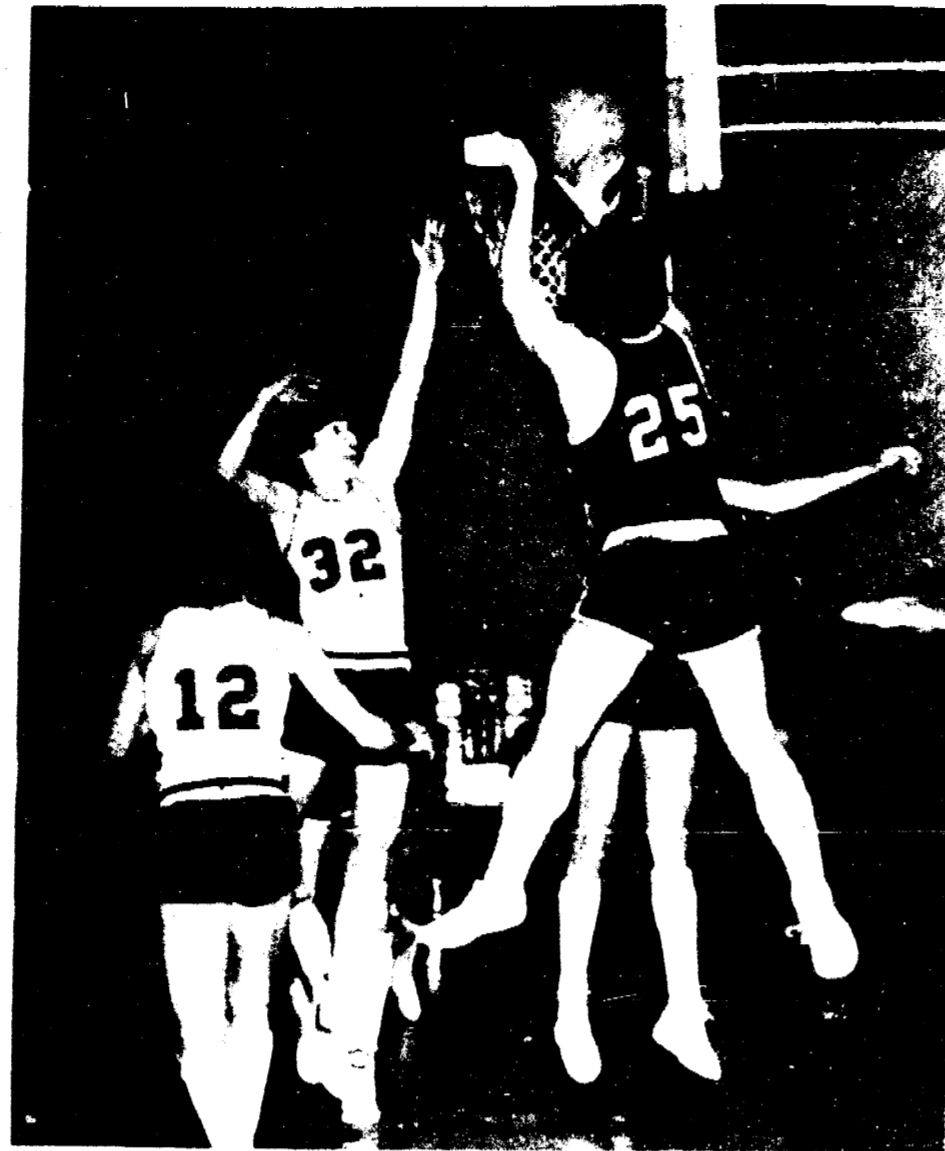

by Jon Hardenbergh

On Monday, our Girl's Volleyball squad saw action and the J.V.'ers continued their winning ways. In the varsity contest we held an 11-2 lead in the first set when Blissfield rallied to take this set and have the momentum to grab the ensuing set for the victory.

Tuesday, the roundballers hosted the Trojans from Whitmore Lake. In the first

game our Little Dutch came up with a fine performance from Dave Malcolm to sail past the Little Trojans, 58-31. The varsity was a real nail-biter and unfortunately we saw the Trojan's 30 foot jumper at the horn send them home victorious. We held with them for the first period to conclude down 2 when Whitmore Lake showed an offensive spurt in the following 8 minutes to out-score us 17-10 to enter the inter-

THE NAPA SIGN. COUNT ON IT.

Count your savings. Count your many additional maintenance-free miles. Count increased safety for you and your family. Count your blessings, because this sign is the ultimate symbol of expert vehicle care. That's because it is the symbol of NAPA. NAPA is over 50 years old and in that half century NAPA parts and NAPA people have earned a reputation for quality products, professional service, fast delivery and fair prices. Today that sign stands for over 110,000 top quality parts, many better than original equipment. So, whenever you need professional, dependable service, look for the blue and gold NAPA sign. You can count on it.

1. Upon hitting both, Whitmore Lake took the edge with 27 seconds left so down we came. Setting up our hot man, Nick Krzyzaniak, he drove and laced it up but it failed to fall. Pandamonium broke as Paul Sroufe snatched the leather and put it through the net with 6 seconds remaining to put us up, 49-48. Whitmore Lake then tossed to mid-court and called time-inbounded and shot. The horn sounded as the sphere was still in flight and the Trojan camp went wild as the ball hit only net, 50-49. Nick led the scoring as he popped for 20. Pete Johnson started tonight and hit in double figures with 10. Other L.C.A.A. happenings tonight: Blissfield bombed Clinton, Onsted took Addison, and Hudson whipped Morenci.

Thursday saw our J.V. Girls Volleyball victorious as our varsity fell to Clinton. Our grapplers trekked to a Tigerland and it was a cold ride home as Todd Green was our only winner.

Friday showed illness slowing our J.V.'ers down enough to lose but the varsity came up with a sweet win over Addison. They did jump to the early advantage, 8-4 but we took the first period edge. Again Addison assumed control but we soon fought back and never trailed, ending the game 62-46. Scoring honors again go to Nick Krzyzaniak who canned 16 as T.J. Thomas banged in 11. Tom Malcolm played well posting 10. Around the league we had Clinton ripping Napoleon, Onsted trouncing Morenci, and Hudson dropping Blissfield.

Up-coming, we have our wrestlers hosting Onsted January 22, then Friday the 23rd, our roundballers travel to Morenci. Our girls host Addison the 26th in volleyball.

THE MANCHESTER ENTERPRISE

Manchester Area Historical Society

Mr. and Mrs. Ralph Muncy of Ann Arbor will be guests of the Manchester Area Historical Society on January 26th. The meeting will be held Monday evening 7:30 p.m. at the Manchester Methodist Church.

Mrs. Muncy will present a program on "Indians in Washtenaw County." She is a former President of the Ann Arbor Chapter of the Michigan Historical Society and former Chairman of the Washtenaw County Board of the District Commission Historical Societies.

Mr. Muncy is an expert on genealogical matters having been a founder in the

State Genealogy Society and former President of the Washtenaw County Chapter of the Society.

Members and guests please plan to attend this interesting meeting.

Get Away Weekend

There is just one week left to purchase tickets to win two free nights at the Ann Arbor Marriott Inn. Included will be free wine, cheese and crackers, and twenty-five dollars in Marriott money to be used in the restaurant or gift shop. Tickets are available at the Flower Cellar, at Mann's Feed Mill, and through parents of children attending Manchester Co-op Nursery. The drawing will be held January 30th at 1:45 p.m. at the Nursery School and will be open to the public.

School Roofing

money to re-roof the building at this time. We will go as far as we can with the dollars available and with our own maintenance staff but the roof has been allowed to deteriorate too extensively for us to do much more than repair leaks as they occur. We will be doing some preventative work at the high school but it will be very limited due to lack of funds. The job has simply become too big to be funded through the district's operational budget."

Hit or Miss

guarantee who will get ahead but the lack of the degree guarantees who will fall behind. This is a situation which makes many of us furious and cynical. We pay a lot of money for defense not for advance. We become cynical about "Higher Education".

In discussing this, columnist Ellen Goodman asks if we remember the movie wherein the father who owns a trucking business shakes his head watching his son work and finally sighs, "Four years of college and he can't load a truck." Maybe that was funny some years ago but nowadays if the kid doesn't have a PhD, he won't even get a chance to try.

Dutch Grapplers Fall

On Thursday, January 15 we wrestled Hudson away. We were beaten by a score of 66-3. Our only points were scored at 132 by Todd Green with a 5-3 decision over Jim Brockway. Hudson is one of the best teams in the league this year comparable to Addison.

On Saturday, January 17 we traveled to Stockbridge for an Invitational. This was a 9 team tournament and we managed to finish seventh, placing ahead of Fulton-Middleton and Grass Lake.

Place finishers for us were Todd Green 132 lbs. first place finish. Todd pinned Lee Smith from Onsted in the finals. This was Todd's first pin ever in the finals.

Dave Rodriguez finished third at 119 lbs. pinning Todd McWaters from Vandercook Lake in the consolation finals.

Jeff Hawk finished fourth at heavyweight. This was Jeff's best finish ever in a tournament.

Greg Bondy finished fifth at 112 lbs.

Overall "Winning Records" are: Todd Green 19-1; Greg Bondy 9-9; Dave Rodriguez 11-9; Richard Foss 4-2; Tim Seeger 8-7.

Officers Elected

Washtenaw Community College trustees elected officers at an organizational meeting, January 5, 1981.

Officers are chairperson, Ann Kettles, Ypsilanti; Vice-chairperson, Richard W. Bailey, Ann Arbor; secretary, James W. Anderson, Jr., Ann Arbor; and Treasurer, Richard L. Boyd, Saline. They will serve two year terms.

Vanzetti Hamilton, Ypsilanti, newly elected trustee and Anthony J. Proccassini, Ann Arbor, reelected board member, were sworn in by Mrs. Kettles. Henry Landau of Ann Arbor completes the governing board of the College.

COUNCIL PROCEEDINGS

January 5, 1981

Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present were: DuRussel, Hinkley, Koebbe, Minick, Petsch, Reed, Smith, Zsenyuk.

Minutes of the December 15, 1980 meeting were read, corrected and approved in a motion by Minick, supported by Hinkley. All yeas, motion carried.

Mr. Richard Kuntz was present to lodge a complaint to Council concerning a 125 year old Maple tree which had been cut down by Shepherd's Tree Service on Village property at the corner of Furnace Street and Wolverine Street. A letter will be sent to Shepherd's Tree Service requesting information on why the tree was destroyed. A copy of all correspondence sent or received will be forwarded to Mr. Kuntz. It was decided by Council that in an instance like this a second opinion should be received, also when trees are to be cut down for any reason the owners will be notified.

Zsenyuk presented a schedule of the duties of Village Administrator and Director of Public Safety. Moved by Koebbe, supported by Minick that the following resolution be adopted: BE IT RESOLVED: that the duties of the Village Administrator and Director of Public Safety be adopted as presented. Roll call vote taken. All yeas, motion carried.

Public Works activities were reported by Koebbe.

Chief Zsenyuk presented the Police Report for the month of December 1980, also the yearly report for January to December 1980. December report as follows:

Car #3, 590 miles, 84.4 gals. gas. Car #5 4054 miles, 563.3 gals. gas. Car #6, 222

miles, 59.0 gals. gas. Total 4866 miles, 706.7 gals. gas.

Moved by DuRussel and supported by Petsch that the following resolution be adopted: BE IT RESOLVED: that a fine of \$10.00 be assessed for parking on a public street between the hours of 2 A.M. and 5 A.M. All yeas, motion carried. In force 12 months of the year.

Zsenyuk presented a "Tree Replacement Program" for the year 1981, also "Public Works Policy - Rules & Regulations".

A list of water meters to be checked was presented for review.

Reed reported CD Certificates would be due on January 7 and January 26 and others will be purchased to replace them.

Village Payables for month of December 1980 were reviewed. Moved by Reed, supported by DuRussel, Village Payables as presented, with additions, be paid. All yeas, motion carried.

Fire Safety Guidelines

Concern for home fire safety in Michigan where solid fuel heating appliances are operated or planned for use has prompted State Police fire marshal division officers to suggest some guidelines regarding them.

The division said their concern was linked to statewide statistics which showed that the number of wood-burning related fires in Michigan increased from 759 in the 1978-79 heating season to more than 1,200 in the 1979-80 period. Charged to wood heating fires was almost \$8 million in property damage.

The suggested guidelines for solid fuel heating appliances stressed these major points:

1. Installation: Due regard must be given need for building permit, manufacturer's installation instructions and the applicable national, state, or local fire safety codes.

-In Michigan, all wood-burning stoves, factory built fireplaces, or fireplace stoves

must bear the seal of a nationally recognized testing laboratory. All such appliances must be installed in accordance with Standard 211 of the national code.

2. Chimneys: Proper construction and type are needed, installation rules need to be followed, and there should be periodic inspection and cleaning.

-Metal chimneys designed for solid fuel appliances must bear the seal of a recognized testing laboratory, with installation according to manufacturer's instruction and applicable local code.

3. Prevention: Have dry chemical fire extinguisher near heating appliance or chimney flue and know how to use it properly. Every home should be equipped with smoke detectors. Call the fire department immediately if fire is suspected.

Fire marshal officers stress: Do not become complacent. Proper installation of wood stoves or solid fuel appliances is critical to home safety. Pay constant attention to safety practices beginning with proper installation. With solid fuel heat you bring a dangerous element into the living area of the home. People who now have or plan to have woodburning stoves and fireplaces should seek information on the care, maintenance and operation of them through dealers, extension services of Michigan State University, insurance agents, the Michigan Energy Administration and local fire departments.

The purpose of a nationally recognized testing laboratory. All such delegates and alternates to a Republican state convention in Detroit February 27-28.

Robert L. Henry, an Ann Arbor attorney who was recently re-elected to a two year term as Republican County Chairman, explained that the business of the state convention will be to elect state party officers for a two year term.

Other recently elected officers of the local party include two Freedom Township women: Jane Talcott, Vice-chairman and Alice Stimpson, Secretary. James Blow will serve as Treasurer.

The county convention, which will convene at 8:00 P.M., is open to the public.

Cub Scouts Pact 421

The annual Pinewood Derby was held January 14, 1981 with 30 boys participating in the race. First place was won by Al Gleason; second place was won by Lyle Portice and third place was won by Sean Lowery. All the cars were made very well and all had fun racing against each other.

All cars will be on display at Great Lakes Federal Savings window during Scout Week - February 6 thru 14.

The annual Blue & Gold Banquet will be held February 6, 1981 at the Emanuel Church.

The pack is also selling popcorn again this year as a money making project.

"WE HAVE SO MANY DIFFERENT WAYS TO MAKE YOU WELCOME!"

Chef David Krist and Manager Dwight Newell

It all starts with that great Win Schuler's hospitality! All of the people at Win Schuler's, under the supervision of Dwight Newell, want to make sure your stay with us is extra special. You'll find all of them going out of their way to make you feel at home! And, of course, there's that great Win Schuler's food!

For example, on Wednesday, Chef Krist and staff prepare Chicken Wellington - boneless chicken stuffed with chutney, fresh oranges and pineapple, then baked inside a flaky puff pastry.

And for a grand finale try one of our refreshing ice cream desserts that have been Win Schuler favorites for years.

But remember, all Schuler restaurants also offer entrees Win Schuler has selected himself, plus complimentary barbecued meatballs and your own tureen of soup.

The Ann Arbor Win Schuler's. Thanks to Chef Krist and Dwight Newell it has a flavor all its own - and we're sure you're going to love it. Call us soon for reservations.

Schuler's
So many different ways to make you welcome!

INTEREST ON CHECKING-RIGHT NOW FROM UNION SAVINGS BANK.

Union Savings Bank now offers checking accounts that earn interest. Called "NOW" accounts, they'll pay 5-1/4% interest, compounded continuously, on your account balance. And you can open one today.

How much does the Union Savings NOW cost? Choose from these options:

MONTHLY BALANCE	MONTHLY SERVICE CHARGE	EXCESS USAGE FEE*
\$1,200 or more	None	None
Less than \$1,200	\$6	15¢*

*This excess usage fee is a per item charge on all transactions (checks, debit memos, payments, etc.), exceeding 30.

Of course, senior citizens are entitled to a Union Savings Bank NOW account with no monthly service charge—regardless of the balance in the account.

See your Union Savings banker today for your interest-earning NOW checking account—and start earning 5-1/4% interest on all your money. Right now.

"HIT OR MISS" by farley

Over the years the "personal" columns in the various London newspapers have become quite famous for their sometimes weird ads which cover every imaginable subject plus some that aren't even that.

But one needn't hunt for an English newspaper to find a crop of interesting personal ads. There are, in many newspapers in our larger cities, a personal column that, to me at least, contain some of the most interesting parts of the paper. Contained in some of these ads are the makin's of the plot of a soap opera of no mean proportions. The search of some of them for friendship and companionship and the fact that they are lonesome and disconsolate shows through vividly. Others, to us at least, provide comedy relief for the day.

The other day, for example, one of the dailies contained the following:
"A divorced 28-year-old fireman, good looking and with positive attitude and varied interests would like to meet a single girl 25-35 years old, good looking and positive attitude. A must for a sincere, honest relationship with marriage in mind. Box 000".

Others in this issue included the following:
"Active working lady of 48. 5' 5", 112 pounds, no family, enjoys the finer things of life. Tired of being alone. Needs gentle, honest, caring financially responsible man to walk down life's road together. Photo first letter. Please don't answer unless seeking permanent, full time mate. Box 0000."

"To my darling Bonnie with love and happiness. Your man Michael."
And then there are others in other veins and they change mightily from day to day, but to me at least, always interesting.

In the Enterprise of January 8, we did a column on how our lives were controlled nowadays by numbers and made several suggestions as to how they should be used in that vein. We also said that when they ran out of Arabic numerals they could use Roman numerals and, after considerable research, gave an example of what an Arabic numeral would look like when written in the Roman manner. But somewhere along the line we goofed and badly scrambled the final series of numbers used as an example.

We hear at various times that our youngsters are not receiving much in the way of instruction in various fields but we don't believe this true and we can prove it. The Enterprise received a few days after the column was published, two

Continued on page 13

Combined School P.T.O. Meeting

Klager and Pleasant Lake P.T.O. have combined forces for their February 3rd general meeting. They will be having three guest speakers: Chief Zsenyuk, Marty Authier (probation officer), and Judge Bronson. Their topic of discussion will be youth alcohol abuse. According to Judge Bronson, he deals with more youth alcohol abuse cases from the Manchester area, than any other district in Washtenaw county. We feel this will be a very informative meeting and hopefully it will give us some insight on why we have this problem, and how to deal with it. We urge all community members to attend.

The meeting will be held at Pleasant Lake School, February 3rd, at 7:30 p.m.

Dutch Down Bulldogs, 80-55

Paul Sroufe skyhooks for two points, to total 18, his personal high. Photos by Jon

by Jon Hardenbergh

We really play well in Morenci as in our final league contest last year showed and this season we did likewise. Paul Sroufe led our offensive punch as he banged the leather through for 10 first period points and 8 second period points as 4 other teammates hit in double figures. T.J. Thomas and Pete Johnson tallied 24 points, 12 each, as Nick Krzyzaniak and Tom Malcolm totaled 22, 11 each. All played and almost all scored. We popped

Engagement Announced

Mr. and Mrs. Harold Hobbs, 490 Iris Lane, Saline, Michigan, announce the engagement of their daughter, Darla Rae Hobbs, to David E. Gormley, son of Mr. and Mrs. Thomas Gormley, 14610 West Austin Road, Manchester, Michigan.

Miss Hobbs is a 1978 graduate of Saline High School and is employed by Edwards Brothers in Ann Arbor, Michigan.

Mr. Gormley is a 1977 graduate of Manchester High School and is employed by Kleinschmidt Roofing Company in Manchester, Michigan.

A March 28th wedding is planned. After the wedding, the couple will reside in Norvell, Michigan.

Senior Citizens Art Class

It is time to join the Manchester Senior Citizens Art Expression Class. Each Thursday from 1 until 3 the class meets at Emanuel Church after the Thursday meal. Every Tuesday and Thursday at 12:00 a delicious meal is served the area Senior Citizens.
This 10 week session is Drawing on the Right Side of the Brain with instruction through the Emeritus Program of Washtenaw Community College.
During the fall session, twelve members attended and Baskets! Baskets! Baskets! were the result.
Come and join this active growing group!
