## CARD OF THANKS

It has been five years that our brother was taken so suddenly from us. Time does not heal all wounds, still missed more than words can say.  
The Family of Pete Kensler

Thank you to all our friends, relatives and neighbors for the flowers, donations and food, also to Ron and June Jenter, Rev. Robert Macfarlane, the visit of Rev. Tom Hart, and the use of the Union Hall following the funeral.  
Your kindness will never be forgotten.

The family of  
Darsie Carpenter  
Doug Carpenter  
Nora Ray  
Irene Perkins  
Maxine Tyshka

I wish to thank my family, friends and neighbors for their calls, cards, and flowers while in the hospital and since returning home.  
Special thanks to Mary Blossom, Mary Ann Barker and Helen Dyer.  
Shirley Flint

Our sincere thanks to our relatives, friends and neighbors and all those who assisted in so many thoughtful ways during the illness and death of our brother.

Special thanks to Father Raymond Schlinkert, Knights of Columbus and the Jenter Funeral Home.  
Mrs. Allen "Spike" Benedict  
John and Brenda  
Mr. and Mrs. Phillip Nickerson and family

## "HIT OR MISS" by farley

Their biggest enemy many teachers say is not present in the classroom and is not the parent of any child. It is the television set in the student's house.

Like the teachers many physicians say that children who are heavy television viewers are the worse students - aggressive, easily distracted and lacking in imagination and in reading ability. The heavy viewers are the ones who can't sit still and who can't listen to a story without squirming and interrupting but if a film is shown they will sit and stare at it motionless.

Experts testify that television violence makes children more willing to hurt people and to be more aggressive in their play. All of the bumping, zapping, chasing, squashing, shooting and punching have an effect.

For several generations the daily use of print and radio caused the person seeing and listening to it to conjure up pictures because these media left the pictorial part of the image incomplete, but the viewer

had made up his own pictures. Television, however, delivers a picture to the viewer who don't have to participate in any picture-making activity.

According to Dorothy Coban, professor of early childhood development, "Children whose lives are a kaleidoscope of changing figures and inconsistent developments, or children whose environment is heavily dominated by the frantic speed and pace of television, are children very likely to be distracted. For them focusing and paying attention are a strain."

Television however has shown the children the moon and the floor of the sea and on "Sesame Street" they have seen people of many backgrounds playing together and cooperating.

But nowadays schools must deal with the effects of heavy and habitual television viewing by children whose preschool experiences are higher than ever before and whose skills have evidently shifted as a result.

## Dutch Notch Fifth Straight Win

Yes, Nick, it went in. He hit 17 on Tuesday and again on Friday. Photo by Jon

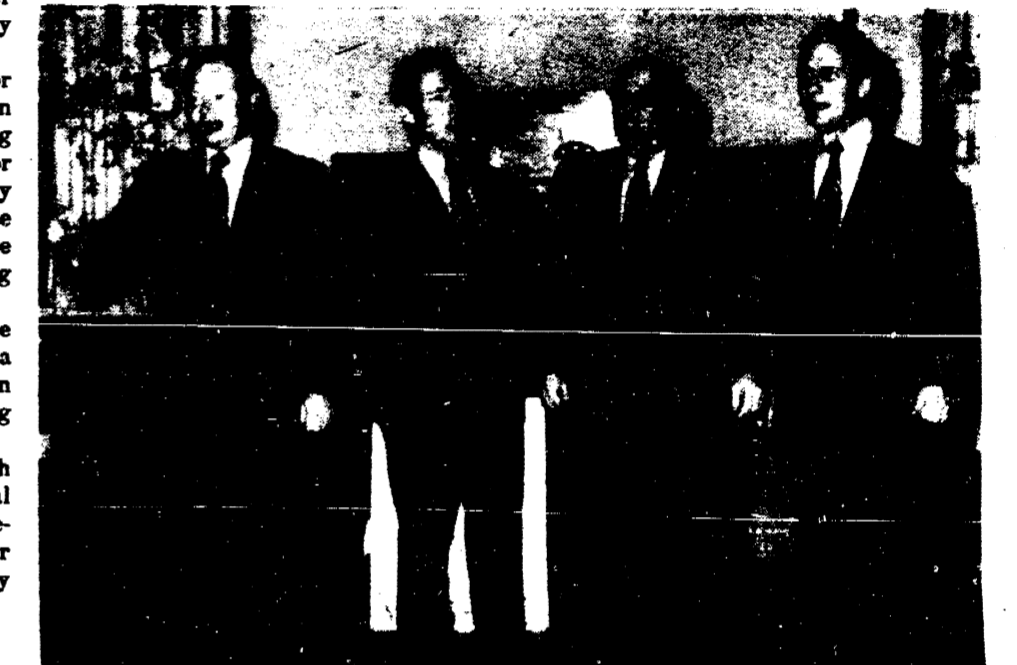

by Jon Hardenbergh  
This past week has been successful for both the Varsity and J.V. squads as they both posted all victories. On Tuesday, we trekked to Whitmore Lake and our Little Dutch came away up 47-39. The varsity wanted to avenge an earlier 1 point loss, end the Trojan 6 game win streak and keep

our victory streak going. It was a tightly fought opening period with Whitmore Lake taking a slim advantage 8-7. The Trojans burned the net thru-out the next 8 minutes to take the lead to the locker room, 24-18. It was all Dutch in the 2nd half as we pulled within 1 point after 3 and knotted the score

## FOR-TUNE TELLERS STILL SINGING STRONG

The For-tune Tellers, Charles Knorrp-Bass, Thomas Cushman-Baritone, Leon Shaw-Lead and Samuel Cushman-Tenor have passed their 30th year as members of the Society For The Preservation and Encouragement of Barber Shop Quartets Singing in America. The Society was founded in 1938 and is the largest organized all male singing society in the world.

The society adopted Logopedics as their service project. They support over 80% of the institute of Logopedics which is a clinical and research center in the field of speech afflictions. It is the only institute which provides for multi-handicapped children. The institute is in Wichita, Kansas and provides residential care which closely approximates normal family living. Cottages are provided for the families to live in while the children are being treated. The society motto is "WE SING THAT THEY SHALL SPEAK".

The Tune Tellers are proud to be a part of this. They readily admit they cannot keep up the pace that has carried them through so many years. Many times they have gone to work with one or two hours sleep or none at all. They have given up the show circuit but still enjoy singing for private parties, service clubs and charity whenever possible.

The society has more than 800 chapters

- ### Agenda
- The Manchester Community Schools Board of Education will meet February 16, 1981 at 8:00 P.M. The agenda will be:
- I Roll Call
  - II Communications
  - III Visitor Input
  - IV Minutes of Previous Meetings
    - A. January 19, 1981 Regular Meeting
    - B. Special Meeting February 2, 1981
  - V. Financial Report
  - VI Bills Payable
  - VII Discussion Items:
    - A. Principals' Report of Teacher Evaluation Process.
    - B. Millage Election Date

  - VIII Old Business:
    - A. Grievance Committee
  - IX New Business:
    - A. Appointment of Architectural Firm

and have about 40,000 members throughout the U.S. and Canada. The For-Tune Tellers belong to the Jackson Chapter. The quartet was originally formed in Manchester and three of the men were graduates of Manchester High School.

## Library Fund Drive

The cost of giving is going down! Your contribution to the Manchester Township Library may cost you only a fraction of the donation amount, thanks to Michigan income tax laws which allow 50% of your gift or \$100., whichever is less, to be a credit against your State income tax. Add this credit to the amount you may save on your Federal income tax, and your gift to the Library might cost you one-third or even less of its face amount. For example:

If your Michigan taxable income is:		
\$10,000	\$20,000	\$30,000
Your State tax would be:		
460	920	1,380
If your gift to the Library was:		
\$100	\$150	\$200
You could subtract from your State income tax payment:		
-50	-75	-100
You could also take a Federal income tax deduction and save, on a Joint Return, approximately:		
-18	-36	-64
So your gift to the Library would cost you ONLY:		
\$32	\$39	\$36

These are only illustrations. The exact amounts would vary depending on your filing status, income, deductions claimed, forms used, etc. In some instances your savings might be less; in others you could save nearly 100% of your gift!

What better, and cheaper, way for us to keep our tax dollars at home, in our own community, working for our own Library? And what better reasons to give, now - and as much as you can - so that our Library can continue to serve our needs?

By Spring, the Manchester Township Library Board of Trustees hopes to raise \$3000. Your check, made out to the Manchester Township Library and mailed or brought to the Library at 202 W. Main Street, is urgently needed to meet this goal. Remember: a generous donation to the Library may actually cost YOU very little.

### The Manchester Enterprise

Wednesday, February 18, "Spinners & Weavers" meeting, MHS, Room 103, 7:30 p.m. Program is color and fabric blending.

### Up-Date On Sports Fund

The Manchester Athletic Boosters would like to say "Thank You" to the Manchester Jayco's, for their generous donations of \$800.00 under the direction of Bill Panches and his committee. They sponsored a Millionaire Party, with the proceeds to the Boosters. To date that brings our fund for our fourth payment up to \$1,858.67. Also thanks to Miss Detting of the Manchester Middle School, who chaired a T-Shirt Sale, and gave the Sports Fund a check for \$258.67. Thanks to one and all who made these two projects turn out so well. We still have a ways to go. Have you donated? If not mail checks to Special Sports Fund, c/o P. Fitzgerald, Manchester, Michigan.

### Klager Hobby Day!

Don't forget the Klager Hobby Day is coming. Senior citizens are invited throughout the day to visit with us. There is a special raffle sponsored by the Klager P.T.O. There are six things to be drawn for.  
1. A singing phone call to anywhere in the continental United States by WAAMS room Fat Bob the singing plumber.  
2. A quilted pillow, handmade by Karen Hinkley.  
3. A baby quilt, handmade by Kathy Donnellon and hand tied by the children during the hobby day event.  
4. Wind chimes that will be partly done by Sandy Winzenz. The chimes will be done by the children during the hobby day. (The winner will receive it after it is fired and put together)  
5. A basket by Sue Bond.  
6. A glass sun catcher by Mickey Spiess.  
Part of the things will be able to be seen at Mann's Feed Mill and Gambles Window. These merchants are also selling tickets.  
Hobby Day, February 19, 1981. Hours for seniors 9:15 a.m. - 12 noon, 1-3 P.M. in the afternoon. All the community is invited for the evening open house at Klager from 7-8:30 p.m. Drawing will take place at 8:20 in the multi-purpose room at Klager Elementary. You won't want to miss this one!

### King's Daughters

The Kings Daughters will meet in Hoifer Hall of the Manchester Methodist Church at 1:00 p.m. on Thursday, February 26.

# GREAT INTEREST CHECK

Works like a checking account  
... earns like a savings account  
... puts extra dollars in your pocket every month!

It's that simple. Your Great Interest Check account earns 5 1/4% per year, daily interest. Even the amount of the checks you write keeps earning interest until the day it is deducted from your account. With continuous compounding, your dollars will actually provide an annual yield of 5.47%. Interest is paid monthly.

FREE... You can sign up for your Great Interest Check account now with a minimum deposit of \$100. You will receive a bonus of 200 personalized checks. That's an eight to ten month supply.

FREE... By maintaining a \$1000 minimum balance in your account you will be free of monthly service charges. You will receive a statement each month so that you will know exactly what your balance is and how much interest you have earned. And you will receive 5 1/4% per year daily interest, continuously compounded whether you maintain a minimum balance or not.

FREE... Sign up now and receive an elegant all metal velvet finish pen. It feels and writes as luxuriously as its appearance leads you to expect. Federal regulations limit one gift per account.

"Now they come out with a deal like this. Where were they when I needed them?"

**GREAT LAKES FEDERAL SAVINGS**

### H&R BLOCK TAX TEST

Question No. 12

The only deduction or credit you can claim for your children is the personal exemption.

True  False

FALSE. For example, if yours is a two income household, and you incur child care expenses, should know what Form 2441 means to you. If you don't, H&R Block does. We'll take the time necessary to understand your complete situation, because if you qualify you may be eligible for up to an \$800 tax credit for child care.

WE'LL MAKE THE TAX LAWS WORK FOR YOU

### H&R BLOCK THE INCOME TAX PEOPLE 104 E. Main

**Prayer Group**

A new Spiritual Growth Group is beginning at Pleasant Lake. The new group will be studying Maxie Dunham's *Workbook in Living Prayer*, and Robert Wood's *30-day Experiment in Prayer*. The group could rightfully be called a Prayer Group and will meet the 2nd and 4th Wednesdays each month from February through May 13, 9:30-11:00 a.m.  
 Membership in the group is open during the month of February and in March persons wishing to join will covenant to meet together using the *Workbook* and *Experiment* texts. Contact Rev. Ron Figgins (428-7714) or Mrs. Joan Matson (428-8507) for further information.

**Overeaters Anonymous**

There will be an Overeaters Anonymous meeting Wednesday at 6:30 p.m. at the Emanuel United Church of Christ. The group meets every Wednesday.

**Local Church Women United Activities**

The Executive Committee of the Manchester United of CWU met recently for their yearly planning session and election of officers. Mrs. Mary Sue Moore was elected President, succeeding Mrs. Mary Kirk, and Mrs. Linda Hartmann follows Mrs. Dorothy Heimerdinger as Vice President. The Secretary will be Miss Lee Huber who replaces Mrs. Bonnie Kothe, and Mrs. Helen Knickerbocker will be the new treasurer, following the three terms of service given by Mrs. Verna Sinclair. Mrs. Kirk and Mrs. Heimerdinger will continue as members at large, as will Jean Little, Elvira Vogel and Marie Pratt.

An activity and financial report of the Unit's Refuge Resettlement Project was given, and the members of the Unit wish to extend thanks to all of those in the community who helped in bringing Paul Pfan, his family and nephew to this area last July. The family found many friends here and appreciated all efforts made in their behalf as they started life over again after their successful escape from Viet Nam. Friendships were warm, but they found the temperatures of the winter just too much as they were accustomed to a much warmer climate. Mr. and Mrs. Pfan, sons Peter and Dominic left by train for California on January 29th, and will resettle in the San Jose area, near Mrs. Pfan's three uncles. Tu Pfan, who has been staying with the Macfarlane family, will continue to make his home with them.  
 Mrs. Kirk, who also served as General Chairperson of the Resettlement Project, is being recommended to National Church Women United for the Valiant Woman Award. This honor is made in recognition of outstanding service and carries with it a life membership in this organization. The award will be presented to Mary when the women of the community meet at Bethel Church at 1:30 p.m. on March 6th for WORLD DAY OF PRAYER, a Church Women United Celebration Day observed by christian women around the world. All women of the area churches are cordially invited to attend.

J.V. Action - Bill Scully scores.

and appeared to be going for the final and the winning shot. A Trojan fouled with 9 ticks left--and we missed the freebie. Whitmore Lake came down with victory hanging but T.J. Thomas knocked the sphere loose so they couldn't shoot, so into a 3 minute overtime, tied at 44. In the extra period only 6 points were added to the score but 4 of them were ours, giving us the 48-46 win, Nick Krzyzaniak led our point-getters hitting 17 as Tom Malcolm dumped for 11. On Friday, we hosted arch-rival Clinton and in the first game our Little Dutch downed Clinton, 71-55. In the big game we controlled in every stanza as we stood 1 up then 4 ahead by half. Both teams added 9

J.V. Action - Dave Malcolm shoots.

points in the third period so we entered the final period still with a 4 point lead. As time ran out the Redskins just couldn't break our edge and Nick seized 2 freebies to ice it 54-48. Nick again led our scorers as he hooped 17 with T.J. banging home 15. We now stand 5-4 in the L.C.A.A. and 8-6 over-all. Up-coming, we see our roundballers host their last contest of this season Friday as the league leading Wildcats from Onsted pay a visit. The toughness doesn't stop as we travel to Michigan Center's gym Tuesday. On Thursday, our grapplers visit Willow Run as our Girl's Volleyball squads host Morenci Thursday, then motor to Clinton Monday.

T. J. Thomas guns for 2 of his 6 points Tuesday. He added 15 more on Friday.

### CARD OF THANKS

John and I wish to extend our heartfelt thanks to the Manchester Fire Department. Damage could have been alot worse, had it not been for their prompt response.

Special thank you's go out to our neighbor Jim Meranuck who came down to assist the firemen and to comfort and aid John and me. Also to our special friend and one paastor of the Chelsea F.M. Church, Merle Bradley who arrived in the middle of the night to help and give spiritual comfort.

John and I continue to praise God for his protection and for the wonderful job done by the Manchester Fire Department.

Mrs. Helen Hochstetler  
John and Lois Hochstetler

Thank you one and all, the carolers who came to the house, 4-H girls box of goodies, all the cards, gifts, prayers, special thanks Fr. Schlinkert for visits, and to my beloved family, St. Mary's for the plant, Legion Auxiliary for the plant.

All these things I am thankful for.  
Sincerely,  
Caroline Schwab

We would like to thank the American Legion and Auxiliary for the beautiful plant.

John and Marian Clark

I would like to thank all the very thoughtful friends and relatives for the, prayers, cards, gifts and visits while I was in the hospital and at home. A special thanks to Rev. Reineck for his visits and prayers.

Thanks so much,  
Alwin Bueeler

We want to thank all our friends and relatives for joining us on our 25th Anniversary celebration. Also all those who could not join us and sent their congratulations.

Fritz and Cindy Wurster

I would like to thank the following for everything they did while I was convalescing at home. All my friends and family, the United Methodist Women's Club and the Christmas carolers, Rev. Tom Hart and a special thanks to Steve.

M.C. Brisbin

Founded in 1565 by Pedro Menendes de Aviles, St. Augustine, Fla., is the oldest permanent settlement in the U.S.

### LEGAL NOTICE

#### NOTICE OF PUBLIC HEARING SHARON TOWNSHIP ZONING BOARD OF APPEALS

Please take notice that the Sharon Township Zoning Board of Appeals will hold a Public Hearing on an Application from James C. Hendley for a variance to the Sharon Township Zoning Ordinance on Wednesday, February 18, 1981 at 7:30 P.M. at the Sharon Township Hall, 18010 Pleasant Lake Road.

The variance would permit the west side line, after a split, to be 43.5 feet from the dwelling at 18101 Sharon Valley Road, Sharon Township, instead of 50 feet. 18101 Sharon Valley Road is located in the West 1/2 of the Southwest 1/4 of Section 34.

### Be A Winner

This Friday, February 13, the Girl's Basketball Team will be having the drawing for winners from the 50-50 Club. All proceeds will go to the Athletic Boosters for the Special Sports Fund. The drawing will be held during half time of the Manchester-Onsted game. All pre-sale tickets must be in by Thursday, February 12 - either turn them in to Al Gebhardt or Pat Fitzgerald. Tickets are only \$1.00, there is still plenty of time for you to be one of the lucky winners. So come out and support your Athletic Program.

"There are men who are happy without knowing it."  
Vauvenargues

### HIT OR MISS

I'm not one of the average Americans who run their TV an average of 6 1/2 hours per day nor am I one of those 1.6 million who live without this benefit to mankind, but at times I like to do my thinking for myself and to form attitudes for myself.

I watch the news daily and the presidential press conferences and many sporting events and the National Geographic tours of the many inaccessible parts of the world but a great deal of TV entertainment is not often viewed by me.

The bigshots of the advertising TV world however will be willing to bet that "there are very few people that you don't get with television-any reasonably sized campaign will get 99 percent of the people in the country" they will tell you.

These experts also add that light television viewers are usually heavy on listening to news on radio and reading newspapers and news weeklies.

Commentator Charles McCabe writes that his experience with the tube "reinforces his belief that the American people will buy anything and elect most anybody if their lower nature is exploited and artfully seduced."

progressive ideas that we should, since the post office department has advocated using a nine number zip code, number our children and not bother to name 'em. Erna Bombeck in her February 1st column also advocates this act, saying that will simplify our life.

She goes even farther, she wants all mail addressed to "Occupant" held at the post office until called for, and she also says that if we will only quit complaining about the post office department that maybe some day they'll put the drive-up mail boxes on the driver's side of the car. About this we have our doubts. I'll bet no one had told the supervisors there that American-made cars are driven from the left front seat. I can't say much since I was bumped into last Friday but for a long time now I've steered mine from the left hand front seat but my Cocker Spaniel sits on the right and tells me how and when to drive. I guess the other day he forgot to tell me where.

### Conservation District Meeting

William Fishbeck, Chairman of the Washtenaw County Soil Conservation District, announces the 32nd Annual Meeting to be held Wednesday, February 18, 1981, 8:00 P.M. at the Pittsfield Union Grange Hall, Saline-Ann Arbor Road.

According to Fishbeck, the program will

### Girl Scout Cookie Sale

Sweeten up your life. Treat yourself to a Girl Scout Cookie, but, no one has come around to take your order? Well satisfy that sweet tooth by calling, Pat Spaulding at 428-7958, Dianne Schwab 428-8976 or at Pleasant Lake, Mary Spark 428-9321 to place your order for cookies.

Girl Scouts in Manchester are eager to raise enough money for a camping trip in the summer. It seems that "Old Man Winter" is trying very hard to keep the girls from selling their cookies. We know he won't succeed since telephones are willing to give us service most of the time.

The great American Tradition - Girl Scout Cookies! The sale ends February 17th.

### Wildlife Game Dinner

The Manchester Sportsman Club Wildlife Game Dinner will be held February 14 at 7 p.m. at the club house. A meat dish if you have game, or a dish to pass.

Come out for a Valentine Dinner. Club dues are due before March 1 or to get Michigan Outdoors.

### UNDERSTANDING TAXES

is a free course to teach high school students basic tax information—such as how to fill out a Federal tax return, or who has to file a return. Interested in having an Understanding Taxes course in your children's school? Call your local IRS office for details.

### Board Of Education Minutes

REGULAR MEETING

January 19, 1981

The meeting was called to order at 8:00 P.M. by William Broucek, President.

**Roll Call of Officers:** Members present: DuFresne, Horning, Cole, Broucek, Mann, Bunney, Little. Members absent: None.

**Communications:** Members of the Board were advised of a communication received from the WISD School Officer's Association regarding a county wide meeting on January 29, 1981. Mr. Broucek asked that the members check their calendars and contact the superintendent within the next few days if they were planning to attend.

**Visitor Input:** Ms. Mary Ann Detling representing the WLEA/MEA protested to the Board of Education regarding the manner in which the community was advised regarding recent calendar negotiations.

**Minutes of Previous Meetings:** Moved by Little, supported by Mann to approve the minutes of the December 15, 1980 regular meeting as presented. All Years.

Moved by Little, supported by Bunney to approve the minutes of the special meeting of January 12, 1981 as presented. All Years.

**Financial Report:** Moved by Little, supported by DuFresne to approve the financial report showing a balance on 11-30-80 \$241,630.11, December receipts \$71,853.01, December Disbursements \$206,066.68, Balance 12-31-80 \$107,416.44. All Years.

**Bills Payable:** Moved by DuFresne, supported by Horning to approve bills payable in the amount of: December prepaids \$281,910.07, January Checks \$37,736.46. Total \$319,646.53, as presented. All Years.

**Discussion Items:** Dr. Thompson presented a report of operational costs for Pleasant Lake School. After indicating various components of the report which included cost reductions and equipment transfer the Superintendent recommended to the Board that the use of Pleasant Lake

School as an elementary facility be discontinued at the end of the current school year.

Following a brief discussion during which several Board members requested additional information including class size data and specific classroom locations it was moved by Little and supported by DuFresne to table the item and to schedule a public hearing at Pleasant Lake School on Monday, February 23. The item is to be brought back to the Board for a final decision in April. All Years.

**B. Architectural Firm Recommendations:** Dr. Thompson presented to the Board a brief report outlining the process for identifying architectural firms to be interviewed by the Board. The firms of Holmes & Black, Ellington & Yee, MJK, and Spence & Forsythe were recommended to the board. Dr. Thompson was asked if it would be possible to reduce the recommendations to three. The firm of Spence & Forsythe was eliminated since all of their work was located in the northern part of the state. After discussion the Board agreed to schedule one hour interviews with the architectural firms on Monday, February 2, beginning at 7:00 P.M.

**C. Mid-Year Salary Adjustments:** Dr. Thompson pointed out to the Board that past practice in the school district had been to provide for salary adjustment in the event any professional staff earned advanced degrees at mid-year. He indicated to the Board that there was no contractual obligation to do so, the district was experiencing financial difficulties, but that there is a need to indicate to staff the desire of the Board to provide motivation and support as they further their training. Mr. Little indicated his possible conflict of interest and abstained from the discussion and vote.

Following discussion during which members of the Board indicated they felt the language of the contract should be clarified it was moved by DuFresne and supported by Broucek to approve mid-year salary adjustments for professional staff based upon earned advance degrees for the current school year. Years: DuFresne, Cole, Broucek, Mann, Bunney, Nays: Horning, Abstain: Little.

**D. National Honor Society Trip Proposal:** Dr. Thompson presented to the Board a proposal from the NHS requesting approval for an educational trip to Toronto. Dr. Thompson indicated his support of the concept and recommended to the Board that approval be granted. He indicated to the Board that approval was recommended only for the concept and that final approval would be given administratively when he was satisfied that all arrangements had been properly made.

Ms. Kim Bristle from the National Honor Society spoke on behalf of the proposal and urged Board approval.

Following discussion it was moved by Little, supported by Mann to approve the concept of the NHS trip to Toronto for the current school year. The Superintendent is to have the authority for final trip approval. Vote: All Years.

**E. Station Wagon Replacement:** Dr. Thompson outlined for the Board the current problems being experienced in the Transportation Department due to the loss of a station wagon recently. He reported that he had been unable to locate a 1980 replacement or an acceptable used vehicle. He recommended to the Board

that a modified bid process be used enabling him to seek quotations from area dealers for a new vehicle but not binding him to the initial low bid. The Board indicated agreement with this concept and directed the Superintendent to negotiate with area dealers for the best possible purchase.

It was moved by DuFresne, supported by Little, to authorize the Superintendent to make application to borrow the sum necessary to purchase a van/station wagon. This amount shall not exceed \$10,000 for a period not to exceed twenty-four months from the date of purchase. Quotations shall be solicited from area banking institutions in order to secure the lowest possible interest rate. The President and Secretary or Treasurer of the Board of Education are hereby authorized to execute this note for and on behalf of the Manchester Community Schools.

The results of this transaction shall be reported to the Board of Education no later than the next regular meeting following the date of transaction. Vote: All Years.

NOTICE

FREEDOM TOWNSHIP PROPERTY OWNERS

The Washtenaw County Equalization Dept. has indicated that they will impose various factors (an overall increase in valuation) on property located in Freedom Township for the year 1981.

To preclude the use of these factors which would be unfair to some, all property in Freedom Township has been re-assessed. Their study indicated that agricultural class properties were 12% low and residential class properties were 6% low. Individual adjustments, some of which are greater and some less than that indicated, have been made in a continuing effort to achieve uniformity and equity within the Township.

The Freedom Township Board of Review will meet at the Township Hall on March 9, 1981 from 9 a.m. to 4 p.m. and on March 10, 1981 from 9 a.m. to 4 p.m. also 7 p.m. to 9 p.m. during which time the 1981 assessment roll will be available for public inspection.

OLD BUSINESS:

**A. Auditing Firm Recommendation:** Mr. Little outlined the process used by the Finance Committee in order to arrive at an auditor recommendation. Following his report he recommended to the Board of Education that the firm of Iereman, Johnson, and Hoffman be employed as fiscal auditors for the current school year. Following discussion it was also suggested to the Board that an indication be made to the firm of a desire to establish a three year agreement while retaining the right to review the relationship annually.

It was moved by Little to accept the Finance Committee recommendation to employ the firm of Iereman, Johnson &

Hoffman, C.P.A.'s to serve as the district auditing firm. Supported by Horning. All Years.

Consensus approval was also indicated regarding a three year agreement with annual review.

**B. Budget Review/Modification:** Following a review of reduced revenues Dr. Thompson recommended to the Board a series of budget modifications designed to balance the budget.

Following discussion during which possible future areas of difficulty were discussed it was moved by DuFresne to accept the Superintendent's recommendations regarding budget modifications. The

modified budget will provide for revenues of \$2,432,787, a 1979-80 fund balance of \$113,785, and revised total revenues of \$2,546,572. Revised expenditures are \$2,538,690 providing for a projected fund balance of \$7,882. Supported by Little.

**A. United Savings Bank Resolution:** Dr. Thompson reported to the Board regarding the desire of Union Savings Bank for a revised resolution regarding school district borrowing. After discussion it was the consensus of the Board that the resolution as presented was too encompassing and should be revised to limit borrowing to specific Board action.

B. Dr. Thompson reported to the Board on several recent items of business within the District as follows:

1. A recent hearing was held in Lansing regarding a requested property transfer. The Superintendent attended to argue against the transfer as did the WISD administration. The hearing officer will present his recommendation to the State Board of Education.

2. A recent case of vandalism involving arson took place in the high school women's lavatory. Total damage was approximately \$250.00. The incident was reported to the Manchester P.D. Fingerprint and flammable solution samples were sent to the State Police Crime Laboratory for analysis. The investigation continues.

3. The Superintendent reported on the recent investment of tax receipts amounts varying from \$106,000 to \$187,000 have been invested at Chelsea State Bank at rates from 17.25% to 17.75%. The Superintendent indicated to the Board that the one bright spot in the budget was that revenues anticipated on interest earned were ahead of projections.

4. Dr. Thompson advised the Board that he had received the report of the grievance arbitration hearing officer. The ruling was in support of the Board of Education affirming the right of the Board/Administration to determine that personal business days had been properly used by a staff member.

According to the terms of the Master Agreement the cost of arbitration are shared equally between the Board of Education and the WLEA/MEA. Mr. DuFresne asked that the Superintendent report these costs to the Board as soon as the data are available.

It was moved by Horning, supported by Cole to adjourn the meeting at 9:50 P.M. Vote: All Years.

Respectfully submitted,  
Paul DuFresne

“ At Ann Arbor Bank and Trust, we’ve always been very much aware that *you* are our first priority. We’ve expressed that commitment to you in a variety of ways – in innovative banking services – in community involvement – in employee training programs – and in a continually expanding network of neighborhood banking locations.

We’re grateful for your support. And we want you to know that during the coming year, you’re going to see a renewed dedication on our part to introduce new and better banking programs – and to find ways to improve our service in every department. We’ll be doing it all for one very good, very simple reason: we really do want to be *your* bank. ”

Sincerely,

Bruce Benner,  
President

# Manchester Day Care Center

The children cut and glue their dinosaur pictures to the matching shapes.

What excitement there has been in nursery school as the children have learned the art of paper-mache. They have watched and helped structure the dinosaur from a chicken wire into a real (well, almost real) live dinosaur. Now that the lovely green dotted creature is complete, we need a name for him. With the help of the children and mothers, the teachers will soon select a winning name.

The first week of February our children have learned of the "Chinese New Year Celebration".

Valentines will be full of fun. The children will make their mail boxes and exchange cards. They will prepare their

own snack during class this day. February is filled with birthdays including Abe Lincoln and George Washington. On these days, we will have a snack which is appropriate for both celebrations.

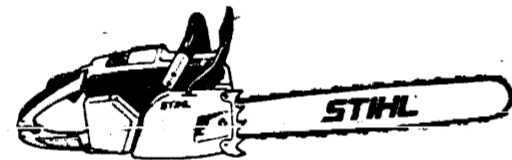

The end of February, the four year old classes are going to listen to a novel during story time. The children are getting old enough now to listen to part of a story and then remember what happened the next time they meet. Each center will incorporate parts of the story in their projects. The teachers are looking forward to their first time in this program.

The teacher helps each child in structuring the paper-mache dinosaur.

The children, by twos, listen and follow to the story of dinosaurs.

# GIVE VALENTINE COOKIES WITH YOUR PERSONAL TOUCH

Add your personal touch to Valentine's Day gifts with cookies from your kitchen. Individualize "love letters" with friends' names or special messages using ready-to-spread frosting and pressurized decorator icing. If you really want to get your message across, give a jumbo heart-shaped cookie. When you use refrigerated ready-to-slice cookie dough you have time to be creative, so you can turn these simple-to-make cookies into personal tokens of your affection.

## VALENTINE COOKIE SHAPES

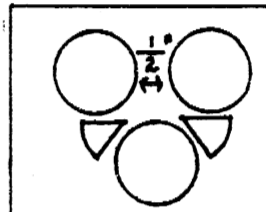

### Materials Needed:

- 1 roll refrigerated sugar (17 oz.) or chocolate chip (16 oz. or 27 oz.) ready-to-slice cookie dough
- red, blue and pink pressurized decorator icing
- ready-to-spread vanilla frosting

### General Directions:

For easier cutting and shaping, work with part of the dough at a time and refrigerate the rest until needed. Slice cookie dough as directed for each shape. Shape cookies on ungreased cookie sheet. Bake at 350° F. as directed for each around edges. (Do not over-bake.) Cool. 5) For face edge on cookie use a doily minutes; remove. Cool com- about 1 inch larger than baked cookie. Spread back

of cookie with ready-to-spread frosting. Center frosted cookie on doily; gently press. 6) Using decorator icing make decorative edges with star or leaf tip for each cookie. 3) Arrange slices on cookie sheet as shown. Let stand 4 minutes to soften. Press slices together gently to form heart shape, leaving 1/2 inch between top slices to insure indentation when baked. 4) Bake for 9 to 11 minutes. Spread some cookies with ready-to-spread frosting, leave others plain. Using decorator icing make decorative edge, stamp, hearts and written words with writing tip.

**Cookie Shapes:**  
**Sweethearts:** 1) Slice cookie dough into 1/4-inch slices. Cut 5 of the slices into quarters. 2) Use 3 whole and 2 quarter slices for each cookie. 3) Arrange slices on cookie sheet as shown. Let stand 4 minutes to soften. Press slices together gently to form heart shape, leaving 1/2 inch between top slices to insure indentation when baked. 4) Bake for 9 to 11 minutes. Spread some cookies with ready-to-spread frosting, leave others plain. Using decorator icing make decorative edge, stamp, hearts and written words with writing tip.

**Love Letters:** 1) Slice cookie dough into 1/2-inch slices. 2) Use 1 slice for each cookie. 3) Arrange slices 3 inches apart on cookie sheet. Let stand 4 minutes to soften. Press each into a rectangle about 3 1/2 x 2 1/2 inches, using a knife or spatula to form straight edges and smooth top surface. 4) Bake for 10 to 13 minutes or until golden brown around edges. (Do not overbake.) Cool. 5) Spread some cookies with ready-to-spread frosting, leave others plain. Using decorator icing make decorative edge, stamp, hearts and written words with writing tip.

### New Policy for Free Meals

Manchester Community Schools today announced its new policy for Free Meals and Free Milk or Reduced Price Meals, for children unable to pay the full price of meals and milk served under the National School Lunch, School Breakfast, Special Milk Program, and USDA Donated Foods Program. This change in income eligibility is required as a result of recent Congressional action.

FAMILY SIZE	FREE	REDUCED
1	\$ 5,700	\$ 5,701 - \$ 8,350
2	\$ 7,220	\$ 7,221 - \$10,730
3	\$ 8,750	\$ 8,751 - \$13,110
4	\$10,270	\$10,271 - \$15,490
5	\$11,800	\$11,801 - \$17,870
6	\$13,320	\$13,321 - \$20,250
7	\$14,850	\$14,851 - \$22,620
8	\$16,370	\$16,371 - \$25,000

**EACH ADDITIONAL FAMILY MEMBER \$ 1,530 \$2,380**

The new guidelines differ from previous guidelines in three ways: (1) they are based on Federal Office of Management and Budget guidelines that are not adjusted by the Department of Agriculture; (2) they remove the hardship provisions; and (3) in place of the hardship provisions, they include a standard deduction. Local school

officials are required by Public Law 96-499 to make changes in the guidelines. These changes will affect the eligibility of some children for free and reduced price meals, and free milk. The new income Guidelines are effective February 15, 1981.

Children from families whose income is at or below the levels shown are eligible for (free meals and milk, or reduced price meals).

Application forms currently on file will be reviewed to determine if eligibility will continue, change to another category, or terminate. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space of signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, that school officials may, for cause, verify the information in the application, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and criminal statutes.

In certain cases, foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

Children of unemployed parents may qualify for free or reduced price meals and/or free milk if total family income includes welfare payments, unemployment compensation and sub-pay benefits fall within the prescribed family income guidelines. In the operation of child feeding programs, no child will be discriminated against because of race, sex, creed, color, or national origin.

### Tree Seedlings Offered

The Washtenaw County Soil Conservation District is offering their annual tree, shrub and ground cover program for Spring-1981. Orders will be taken until April 6 with seedling distribution scheduled for late April.

Planting stock available for Spring 1980 includes: White Pine, Red Pine, Scotch Pine, Jack Pine, Austrian Pine, White Spruce, Norway Spruce, Colorado Blue Spruce, Tulip Tree, Black Walnut, Autumn Olive, Honeysuckle, Silky Dogwood, Siberian Crab, Black Walnut Seed and

Emerald Crownvetch Seed. Also available will be two types of Wildlife Packets for those wishing an assortment of trees and shrubs. Each packet contains 250 seedlings.

According to William Fishbeck, Chairman of the Washtenaw County Soil Conservation District, the main purpose of the District's tree program is to assist landowners in obtaining trees and shrubs at a nominal cost for reforestation, wind-breaks, wildlife habitat improvement, Christmas trees and erosion control.

Order blanks containing information on the species available, site preferences and prices can be obtained by contacting the District office in Ann Arbor. For more information on the District's tree program, or to obtain an order blank for Spring-1981, contact the Washtenaw County Soil Conservation District office at 6101 Jackson Road, Ann Arbor, Michigan 48103. Telephone (313) 761-6721.

The voice of the black-eared cuckoo sounds like that of a squirrel!

### COLD WEATHER

Protect yourself against the hazards of winter by guarding against frostbite and hypothermia (an abnormally low body temperature that can kill in just a few hours). Whether you're outdoors or sitting inside with the thermostat lowered, dress properly to prevent your body from losing heat.

Insulate your body with layers of clothing, because the dead air space between the layers forms a buffer. As you warm up, remove the outer layer to prevent perspiring. Remember, perspiring is a cooling process of the body, and right now you're trying to stay warm.

When you're outdoors, wear a hat to prevent body heat from escaping and wear mittens, because the fingers generate more heat together than they do separately in gloves.

One outdoors threat in very cold weather is frostbite, the freezing of the skin when circulation of warm blood is insufficient to counteract the cold. It appears as white blotches on people with light skin and purple blotches in people with dark skin. There's pain initially, but it disappears so quickly that you're apt to forget the warning. If you suspect frostbite, warming the affected parts immediately is essential. How you do this depends upon where you are, of course; but tuck your fingers inside your armpits, if you can; and warm your frostbitten cheeks with warm palms. Most important is to go inside as soon as possible if you think there's a problem. If you can't bring back the sensation in the frostbitten

area, see a doctor immediately. Do not rub the affected part with snow!

Cold weather is a threat to health not only outdoors but also inside, when thermostats are turned too low. The hazard in this instance is hypothermia. Older, inactive people are particularly susceptible to hypothermia.

The condition starts with uncontrollable shivering that disappears as the body temperature drops. Walking, and hand and finger manipulation become difficult; drowsiness and sometimes loss of memory and slurred speech occur.

If you detect hypothermia, take the victim to the hospital, if possible, or place him or her in a warm room and feed warm liquids.

Because frostbite and hypothermia have insidious symptoms, it's a good idea to follow the "buddy system". Check on each other whether you're indoors or outside, and remember the dangers and precautions of cold weather. Winter's not so bad, when you know how to protect yourself.

### News Of Good Things Growing

You're following an honorable tradition when you serve chicken. George Washington served it when General Lafayette was a dinner guest, and Thomas Jefferson's house staff carried a recipe for chicken hash into the White House.

Today, chicken is competing with hamburgers for attention at fast food restaurants, and those of us who have a choice of counting calories - or counting pounds - are serving more chicken at home.

A year ago, Michigan farmers marketed nearly six million chickens, valued at almost 4 million dollars, according to the Michigan Department of Agriculture.

When buying chickens for your family, figure on about three-quarters of a pound per person. Chicken is almost always a good market buy, especially if you buy whole

chickens and cut them up yourself. It's not difficult to do, and you'll be saving food dollars.

Fricassee, Brunswick stew (an old colonial American recipe), chicken salad, creamed chicken, roasted or baked chicken suggest the versatility of this meat.

Fried chicken is probably most popular in the United States, and you can save calories if you use one of the many recipes available for oven-fried chicken.

Broiled chicken is also popular, and for variety you can broast it while broiling with butter seasoned with garlic, lemon, parsley, tarragon, curry or chives, or any combination. At our house, the favorite is a mixture of butter, tarragon, garlic and a little honey. I think the honey enhances the sweetness of the meat - try it, and see if you agree.

### "This Week In Lansing"

#### Coffee Break

by Mary Keith Ballantine

**Housing Rules** - Legislative Republicans scored a major victory in keeping government out of the private lives of Michigan citizens in the waning days of the last session. Proposed rules prescribing minimum, health and safety standards for all housing in the state were repealed. If enacted, they would have permitted warrantless searches of private homes by health officials for such things as soundproofing of bathrooms, weatherproofing of wooden fences and garbage storage.

**Silver and Gold Thefts** - A bill that promises to crack down on thefts of stolen gold, silver and jewelry across the state

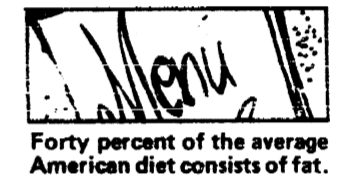

was one of the first pieces of legislation to be introduced in the House. It's aimed at closing the market for burglars who steal precious metals and then sell their loot for immediate money with minimal risk.

**Child Custody** - A new law creating joint custody as an option in divorce cases was recently signed by the Governor. Under this option parents would share in the decision-making on matters involving the child and the child could live alternately with each parent.

**Township Flexibility** - Governor Milliken has signed legislation giving smaller townships more flexibility in scheduling their state-mandated annual meeting the last week of the fiscal year. The new law allows meetings to be scheduled for any day within the last week of the fiscal year, provided the township board unanimously agrees on the change.

**Tanker Ban** - Lt. Governor Brickley has put his signature on a bill delaying for two years a ban on double-bottom fuel tankers outside the Detroit area. Originally the ban was to include the entire state beginning November 1, but this new law delays that ban until November 1, 1983.

**Losing Farmland** - A national study released last week said about 1 million acres of prime farmland are disappearing every year. If the trend continues, the President's Council on Environmental Quality said we could be facing serious food shortages by the year 2000.

## DUTCH VICTORIOUS 65-62

## "HIT OR MISS"

by farley

Paul Sroufe in action. Hit for 15 Friday.

by Jon Hardenbergh

The Onsted Wildcats came to town with an unblemished (8-0) league record, once beaten over-all (11-1) and ranked 14th in Class C in the state. They faced 2 obstacles: Friday the 13th and a fired up, tough and determined Dutch squad. At the close of this 32 minute war Nick Krzyzaniak had ripped the cords for 23 points. As Paul Sroufe banged home 15, while Tom Malcolm dumped for 13, to send the Wildcats home

on the short end of a 65-62 score. We out-rebounded our taller opponents 38-30 as Nick and Paul each snatched 10.

We got right down to business as we burned net to the tune of 18 1st period points while our special triangle defense held them to 8 points. To explain this defense: it's playing their guards man to man while zoning the inside. Onsted did scratch somewhat to out-score us by one in the next stanza to bring the intermission on with us holding a 9 point lead, 34-25.

Defense seemed really to be the key in the 3rd stanza as both sides contributed 11 points, so entering the final eight minutes

## Community Education Enrollment 360

The Winter Session of Community Education classes and activities has an excellent participation with over 360 enrollments in the 30 classes and activities that meet weekly. College classes and high school completion have 108. Enrichment 123. Childrens activities 48 and Special programs 82. The total for Fall and Winter enrollments this year is over 620.

Since 1976 when Community Education was started in Manchester Community Schools, over 4,500 area residents have participated in its programs and activities. Participation is as follows: High School Completion classes 194, Washtenaw Community College classes in Manchester High School 817 (a big saving in gas and time) Enrichment classes 1,716, Childrens programs 925 and Special Programs and activities 844. Manchester Community Education is pleased with the response shown by community participation in its programs and will continue to bring new and different activities to residents.

## Oratorical Contest Sponsored by Optimist Club

The Manchester Optimist Club will sponsor an oratorical contest for boys and girls under the age of 16 beginning at 6:30 p.m. Monday, March 9 in the Emanuel United Church of Christ Hall on W. Main St. Awards will be presented to the first place, second place, and runner-up winners in each division. First place winners will be eligible to participate in the regional contest in Detroit in April. The state contest will be held in Ludington in May with a top prize in each division of a \$500 scholarship.

The official topic of the contest is "A Commitment to Share". Contestants must speak on the subject for not less than four minutes and not more than five minutes. For contest forms and more information, contact the contest chairman Ted Tapping at 428-8478.

We have recently been told by various scientists that the "good life" is going to be difficult to achieve in the immediate future but that they are doing what they can to make it better, or at least to smell better.

"Aromatherapy" is a science which had made great advances during the past few years and it now promises to make our lives pleasant. We are supposed to look at life from an entirely new viewpoint. We are supposed to be assisted by environmental fragrance. Moods are changed and life is made generally comfortable or otherwise through various scents.

Ever since pre-Biblical times we have been using various scents to enhance our image and there were many vessels for carrying these scents or for burning incense therein. Maybe this is the time to resurrect this ancient art of soothing and relaxing people.

We already have room fresheners to dispel household odors, air fresheners and carpet sprinklers and a new industry is now springing up to control our odor environment.

When you stop to think about it, it is true that the energy crisis has caused polluted

air to be sealed inside homes and offices while we are reducing the air flow.

If you can remember back some years you will fondly recall the pungent odors that were peculiar to, for instance, a grocery store; the aromas of coffee fresh ground, of the cheeses, and the bananas and the dried codfish, etc., but nowadays the air conditioned food markets complete with hermetically sealed packages of cheese, of coffee, of spices and cookies does not set any mood to cheer us on to buy things that we don't need and to whet our appetite. These sterile foods imported of nowadays are sterile and scentless.

We should be able to fill our homes and our offices and our stores with the scent of spring flowers, of the damp soil and grass after a summer shower, of ripening pears and apples and of the pungent scent of a sea breeze. It would surely make our lives considerably more bearable, and more enjoyable.

We should be able to disguise the scents of the odorous dumpsters, of the burned grease from the fast food places, and of the garbage piled here and there. As the years

## Mrs. Florence J. Kirk Celebrates 99th Birthday

Mrs. Florence J. Kirk celebrated her 99th birthday with 33 relatives and friends on Sunday, February 15.

She also received a call from Joe Kirk and family in California.

She was born in the Irish Hills, February 20, 1882 and was married to Ferdinand J. Kirk on September 12, 1906.

Florence lived on a farm on Grossman Road for 40 years before moving into Manchester. She answered the fire phone for the Manchester Fire Department and helped in her son's store for 37 years before retiring.

She had 6 children, 4 surviving, 15 grandchildren, and 19 great-grandchildren.
