"HIT OR MISS"

by farley

Giving the post office fits has become a way of life for a great many folks, especially those in the larger cities, but in spite of its shortcomings we do not think those in our small towns are so bad, or wouldn't be if the high brass would not hamper them with silly edicts.
It's said that people don't write letters like they did years ago before they had competition from Ma Bell and United Parcel nor did they have to consider a nine digit proposed zip code.
Our literature contains some classics in the form of letters such as those written by Elizabeth Barrett Browning and her beloved. But in those days Liz didn't have to go to the post office because she was an invalid, a circumstance which many today would envy her.
On the post office in Washington, D.C., is described in stone, tis said, the slogans "Messenger of Sympathy and Love" and "Servant of Parted Friends", but these inscriptions are badly eroded of late.
It's said that nowadays 84 percent of the mail is of business, not personal in character.
A recent column by Mary McGrory lays this condition to the decline in service and the inhospitality at the post office. This just isn't so here at our post office. A clerk the other day even smiled sweetly when she refused to lick a stamp for us when we asked her to because our tongue was very fuzzy that morning.
Besides the resentment of the nine digit zip code the projected twenty cents for first class postage and the projected demands for higher wages and the estimate that the cost of installing the new zip code is estimated at \$900 million, the public doesn't care whether or not it will be recovered by electronic sorting.
Mary says that two-thirds of the complaints received by the post office department are about the surlyness of the clerks. This, may we insist just isn't so in these small post offices in the boondocks. In the bigger towns where they have "city" delivery to the homes which is entirely free this may be true but not here, even when we must pay a minimum of a dollar a month to rent a box at the post office which just isn't fair, but Congress decrees this and they surely know where the votes are thickest per square mile. On the other hand, house to house mail delivery here would destroy our entire social structure. If we had no reason to go to the post office, we wouldn't see some of our friends for weeks at a time.
The other third of the complaints reviewed, the postmaster general says, are about the surlyness of the clerks. He says they have courses in courtesy and emphasize it in training and when they receive a certain number of complaints they are sent back for retraining on their own time. But many times this vaccination just doesn't take. This too just isn't so here.
Ms. McGrory, in her article about the post office, says that people get terribly upset by seeing five or seven windows closed while the clerks chat in the background to the accompaniment of Musak and when they ask for commemorative stamps they are told "We don't have any in our drawer"-this too don't happen here. When you go into the post office, there are no windows, just a counter and you can see what's going on in back and before long up

comes a clerk who oftentimes wears a smile and who takes care of our needs quite cheerfully - after all it won't be long until twenty-cent postage will be with us.
And when it comes to the fact that the office is closed for a very long lunch period and on Saturday afternoons, don't blame it on the local folks. They are told just what and how to do what they do by the superintendent in Jackson who insists that they must not be open more than so many hours and so they must obey him regardless. And the high brass in Washington insist that, for example, everybody's birthday from the President's to the Superintendent's mother-in-law be a holiday.
So, chalk up another reason for liking to be here in a small town and let's continue to be nice to our post office. They might be nice to us - they have been; if we do so - after all it won't be long until twenty cent postage will be with us.

Having to pay more than a dollar and a half for a gallon of milk is enough to make a person go out and buy a \$7 liter of whiskey.

The best way to a man's heart is through his gas tank.

Schools are about as good nowadays as teaching spelling as parents used to be at teaching sex education.

Board Of Education Identifies Architects

After an identification process which took place over the past several months the Manchester Board of Education has determined that the architectural firm of MJK from Lansing, Michigan best meets the needs of the school district. After lengthy discussion at its regular meeting on February 16 the Board took action which will lead to a formal contract with MJK Architects.

President William Broucek pointed out that the firm was willing to carry out the option study for a low fee while deferring customary architectural fees until after the voters have had a chance to review all plans.

The primary concern of the Board of Education is the development of alternative plans regarding the school district buildings. Serious structural needs have been identified by the Citizens Advisory Committee on Physical Facilities as well as by the professional staff. The initial task of MJK will be to review all identified problems while conducting a thorough site inspection. Following a complete review the firm will present options to the Board of Education regarding the renovation of all district facilities.

It is the intent of the Board of Education to place a proposal regarding building renovations before the voters at a special school election during the fall of 1981. It is anticipated that voters will be asked at that time whether or not the school district should approve a bond for the purpose of renovating the schools.
President Broucek and several other members asked that the architect report be placed on each monthly board agenda as an effort to keep the community well informed regarding the project of the study.

Annual Meeting

The annual meeting of Manchester Family Service, Inc. will be Thursday, March 5, at 7:30 at the Manchester Township Library.

This United Way agency is managed by nine volunteer board members, three of whom are elected at the annual meeting each year. Terms expiring this year are those of Clarence Fielder, Merrill Korth and Mrs. Franklin M. Reek. A two year term is also on the ballot to fill the vacancy left by Mrs. Hobart John who has moved to the Chicago area. A second vacancy on the board in 1980 was due to the move of Mrs. Mearl Armstrong to Saline. This vacancy was filled by the appointment of Mrs. John K. Sauter and is on the ballot for the one year term remaining.

In December 1980, Mrs. Armstrong, who had been on the organizing committee for the agency in 1964-65 and a charter

member of the board was made an Honorary Member.

Miss Terry Leech, Executive Director of Washtenaw County Council on Aging, Inc., will be the speaker of the evening, discussing the development and future of small agencies.

The public is urged to attend this March 5th meeting to learn about the year around activities of Manchester Family Service and to bring suggestions for the coming year.

Lambda Nu

Our February 16 meeting was held at the home of Diana Parr. The new year is going well for Lambda Nu's, with many projects in store for us.

Several members and husbands plan to go to Toronto in April. Our annual Easter Party for our children is scheduled for April 11, with entertainment by Boyer & Fitzsimmons, magicians. We are all looking forward to celebrating Beta Sigma Phi's 50th Anniversary at our Founder's Day dinner to be held on April 29 with our City Council Sisters at the Tecumseh Country Club.

Plans are also well underway for our annual St. Patrick's Dance. See any member, who'll be eager to give you details!

We welcomed Ron Hawk to our February 16 meeting as a guest speaker on Energy - a timely topic of interest to us all. Other programs we have enjoyed recently include Debbie Alber's program on the meaning of Beta Sigma Phi, and Paula Dettling & Gail Whiting's joint program on Music.

Showers have been held for our two new "nieces" - Kelly Parr and Jennifer Mann. Our special good wishes to their parents, Doug and Diana Parr and Gerry and Betty Mann. We're waiting on you, Dave and Sue Wilson!!

As winter draws to a close (we hope!) we look forward to Spring's rebirth and a very busy season for us all.

The Overeaters Anonymous Group will meet Wednesday 6:30 p.m. at the Emanuel United Church of Christ in Manchester. Everyone is welcome.

Bethel Church To Host World Day Of Prayer

On March 6, 1981, women from 150 countries will celebrate World Day of Prayer. Church Women United of the Manchester Area will sponsor a service at Bethel United Church of Christ at 1:30 p.m. The theme, "The Earth is the Lord's..." is a timely one, and the service will be an opportunity to focus concern and prayer for the ecological awareness and action which is needed to restore health to our world. This year's international service was written by American Indian women of Church Women United from six tribes - Cherokee, Choctaw, Hopi, Seneca, Sioux and Winnebago. They brought to the task their sensitivity to nature, the earth and its creatures and the rich spiritual heritage of the American Indians.

The attention of those attending will further be focused on the American Indians themselves by guest speakers, Mr. and Mrs. Ralph Muncy of the Ann Arbor Historical Society. They will speak on the history of the Indians of our area. Here is an opportunity to heighten your awareness of Indian Americans through both spiritual and historical aspects.

Church Women United is a national, ecumenical movement of Christian women witnessing to their unity and faith in Jesus Christ through worship, study, celebration and action. Women from all Christian traditions, including Protestant, Catholic and Orthodox, come together to give ecumenical expression to the ecumenical dimension of their faith and witness. All area women are invited to attend, to worship and learn together. A time for refreshments and fellowship will follow the service.

Area Couple Attend Christian Family Movement

Wayne and Sue Hamilton, St. Mary's Parish, Manchester, Michigan, were among 15 U.S. couples who attended the National Board of Directors meeting of the Christian Family Movement held February 13-15. The couples targeted the weekend to plan formation for the entire family.

"Families today need to feel they're not fighting the system alone," said Doug and Barbara Wyman of Oak Park, Illinois. "We need neighborhood support groups like CFM to bring out the tremendous potential that exists in our families today."

The CFM couples worked to develop action programs for newlyweds, for parents struggling with inflation, for couples facing aging in a youth oriented society. The board was especially excited by a brand new program written entirely by CFM teens called In Search of Jesus.

The 15 couples put special emphasis on a national family life seminar to be held August 6-9 at South Bend, Indiana. "We'll be including the entire family in this," said the Wymans. "There's going to be speakers and workshops and activities for couples, teens and children of all ages. We look at this as a vacation plus, a chance for our family to grow together."

The Christian Family Movement is a network of families supporting each other in neighborhoods across the U.S. Couples meet twice a month in each others' homes to observe their common problems, judge what must be done, and act to make family life better. More information can be obtained from: The Christian Family Movement, National Office, P.O. Box 792, Whiting, Indiana, 46394.

Athletic Boosters

February 4, 1981

The meeting was called to order by President Fitzgerald at 8:10 P.M. The minutes of the last meeting were read and approved. The Treasurer's Report was read by Joe Moore and accepted on a motion by Pat Fitzgerald, seconded by Jan Broucek.

A Report on the Special Fund was given by Pat Fitzgerald. Last week there was a payment made of \$4,750.00, leaving a balance of \$1,074.09. There was a \$600 check from Bill Panches for the Millionaires Party delivered to Pat tonight, making a total of \$1,674.09. Mary Ann Detling gave

a check tonight for \$256.67 from the T-Shirt Sale, making roughly \$2,000.00 plus \$700.00 for the Theatre Night, which is to be turned in yet.

OLD BUSINESS:
Al Gebhardt reported on his 50-50 Raffle. He has \$400 in the bank at the present time and has 1200 tickets out. He figures roughly \$700.00 profit. The drawings are to be in increments of \$100.00. He will get an article in the paper regarding the drawing to be held February 13.

The Hockey Game is set for March 6, at 8:00 P.M. at Yost Ice Arena. The teams involved at the Washtenaw County Sheriff's Dept. and the Manchester River

are set for Thursday, February 26. Bart Bartels will be in charge of the Program and the Boosters will run the Concession Stand. The Millage Vote will be in June according to Bill Broucek. We will

undoubtedly not have a Sports Program next year if it is not passed. Please encourage parents who have youngsters involved to support the millage. Several ideas discussed were, a Support List in the Paper, posters all over town, Committees set up for telephoning, etc. Really talk to people, and have the kids work for it too.

Kathy Hagerman said she had invited the new track coach, Joe Keester, to the meeting, but he was unable to attend.

Kathy made a motion to reimburse Mr. Keester for approximately \$40.00 for a shot-put. It was seconded by Tom Burch and the motion passed.

Tom Burch brought up some ideas regarding the Hockey Night; selling tickets at the schools, check into hiring a bus to take middle school kids to the game. Tom will check these out with Mr. Schick.

Ted Stautz asked if the Boosters were going to sponsor the Slow Pitch Tournament again this summer. Joe asked that an article get in the Enterprise saying that the Slow Pitch Tourney will be on the Agenda for the next meeting on March 4, and anyone interested please come to the meeting.

Next month the Nominating Committee will be set up for new Officers, the election will be in May and the new officers will take over in September.

The Meeting was adjourned on a motion by Jane Talcott, seconded by Marlene Goding.

Respectfully submitted,
Liz Malcolm

Michigan Residents Receiving SSI

Supplemental Security Income (SSI) payments of \$234,010,000 were paid to some 113,800 needy aged, blind, and disabled people in Michigan last fiscal year, according to Jose B. Vidaurri, social security district manager in Ann Arbor.

In Washtenaw County, 1,764 persons received SSI.

Of the total payments in Michigan, the federal share was \$157,374,000 and federally-administered state supplementary payments added \$76,636,000.

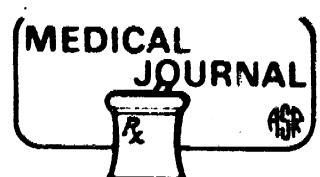

Some 4.2 million people are now receiving SSI. In fiscal 1980 payments totaled about \$7.5 billion, including \$5.7 billion in federal funds and \$1.8 billion in state funds.

The SSI program is a federally-administered program that provides a basic cash income to people in financial need who are 65 or older, blind, or disabled. Currently, SSI provides up to \$238 for one person and \$357 for an eligible couple in monthly benefits. "Everyone that qualifies for SSI will not receive that amount," Vidaurri said. "Some may get less because they have other income, while some may get more if they live in a state, such as Michigan, that adds money to the federal payment."

SSI is not the same as Social Security, even though the program is administered by the Social Security Administration. Money for SSI checks comes from general funds of the U.S. Treasury, while Social Security benefits are paid from payroll taxes.

People who receive Social Security checks may also be eligible for SSI, but a person does not have to be eligible for Social Security to get SSI.

More information about the SSI program can be obtained by phoning Social Security at 994-9310. The Ann Arbor district office is at 200 E. Liberty St. in the Federal Building and is open weekdays from 9 a.m. to 4:15 p.m.

According to a recent broadcast sponsored by the Columbia-Prbyterian Medical Center and The Prudential Insurance Company, exercise should be a major part of any weight reduction program.

Dr. Barry Franklin of Sinai Hospital in Detroit says that, in addition to increasing heart and lung functions, exercise speeds up the loss of body fat without a reduction in muscle weight. Dr. Franklin recommends three exercise sessions a week, saying, "if you do a little bit of exercise, 20 to 30 minutes every day over a long period of time, you will tend to lose weight and lose it successfully."

According to Dr. Franklin, as little as half an hour of light daily exercise and turning down a sweet dessert can result in an overall reduction of about 500 calories a day. Over seven days, that adds up to 3,500 calories — or the caloric equivalent of one pound of fat.

"Perhaps the best exercises would include walking, jogging, swimming, stationary bicycle, cross country skiing," says Dr. Franklin. "These exercises or any activities in which the individual exercises large groups of muscles for a prolonged period of time are the most effective."

Dr. Franklin warns that "effortless exercise" devices are not effective. Although many people are intrigued by the idea of losing weight without dieting or exercising, he maintains it is impossible to reduce using such gimmicks. One such device, an abdominal belt vibrating machine, burns eleven calories during 15 minutes of use, requiring 307 fifteen-minute sessions to lose one pound of body fat.

Onion Soup Takes Oriental Flavor

Soup plays an important role in oriental menus. In Japan, a bowl of soup is a frequent part of breakfast. And in China, soup is served during dinner as a thirst-quelcher and as a way of preparing vegetables.

A tasty example of one of these soups is Oriental Onion Soup made with mild Idaho-Oregon Sweet Spanish onions. Known for their enormous size and gentle flavor, you'll find them ideal for eating raw as well as cooked. Look for these "gentle giants" with their parchment bronze skin in the produce counters from September through March.

Introduce Oriental Onion Soup by serving it with a menu featuring stir-fried beef and broccoli and steamed rice. Or for lunch, team it with meat-filled turnovers or a favorite sandwich.

Oriental Onion Soup

2 large Idaho-Oregon Sweet Spanish onions	1 tablespoon soy sauce
3 tablespoons butter or margarine	Salt, to taste
4 cups chicken broth or 3 cans (10-1/2 oz.) each	2 eggs, beaten slightly
	Fresh mushroom slices, for garnish

Peel and thinly slice onions to equal 4 cups. Lightly saute in butter or margarine until onions are just tender. Add chicken broth, soy sauce and salt. Heat to boiling. Pour eggs into boiling soup in a thin stream, stirring to form shreds. Serve, garnished with slices of mushrooms. Serves 4 to 6.

For your copy of an exciting Sweet Spanish Onion Recipe Booklet, send a stamped, self-addressed envelope to: Idaho-Oregon Onion Recipe Booklet, P. O. Box 307, Parma, Idaho 83660.

Cardinals Stop Dutch, 69-56

Varsity Action - Tom Malcolm drives for 2 of his 10.

by Jon Hardenbergh
The Michigan Center Cardinals used their superior height to end our six game win streak. Their 6'6" center along with their 2 forwards (both 6'4") really played havoc by blocking numerous shots which kept us scoreless until the 4:11 mark in the opening period. The tally at the conclusion of this beginning stanza showed the Cardinals atop 15-7. We did double our point total as we added 14 but they out-scored us by 6 to lead 35-21 at the halfway point. We kept fighting but they held their own in the third. We finally got the leather to drop in the final 8 minutes to the tune of 13-18 but it only pulled us within 13 at the buzzer.

Nick Krzyzaniak led all scorers by ripping the net for 16 points while Tom Malcolm followed banging in 10. T.J. Thomas collected 8 points.

Not only were Michigan Center's Varsity squad good size but their J.V.'ers had height also, therefore our Little Dutch fell 69-47.

Around the L.C.A.A. last week saw Clinton drop on Tuesday to Deerfield and Friday to Blissfield. Hudson take Napoleon. Morenci down Sand Creek. Onsted nip Adrian Madison. and Brooklyn handle Addison.

Our roundballers have only 1 more regular season contest as they motor to Addison Friday. Next week is the start of the State Basketball Tournaments and we see action probably on Tuesday in Clinton. In Girl's Volleyball we trek to Addison, then close our season hosting Onsted Monday, March 2nd.

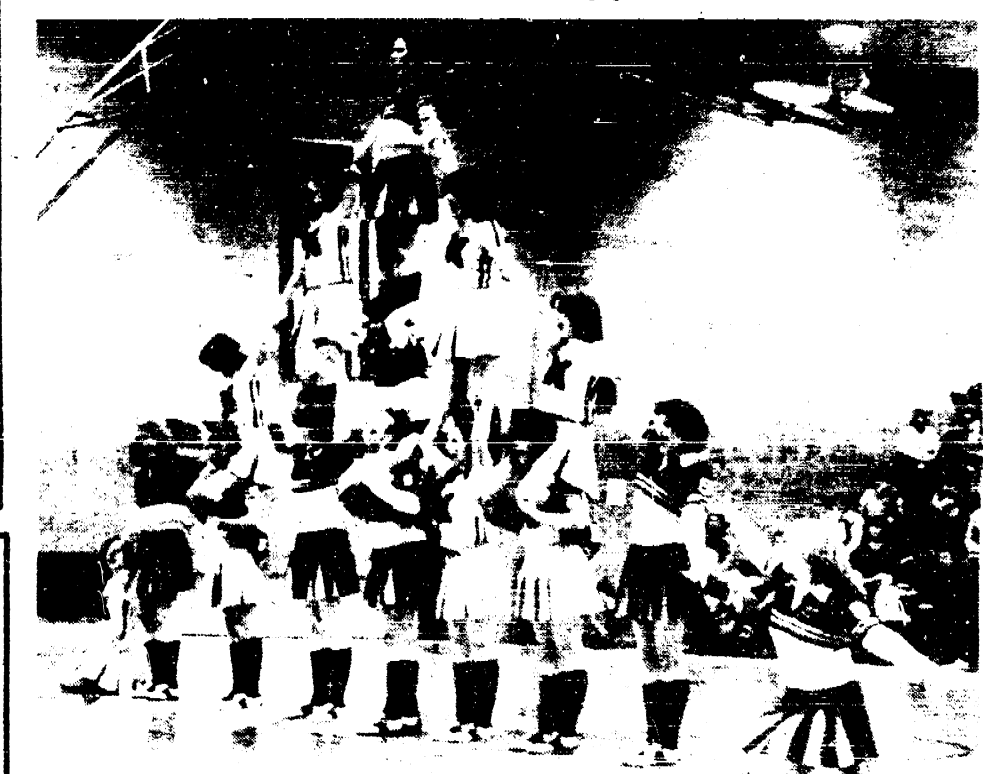

Varsity Action - Nick Krzyzaniak shoots - led everybody with 16.

J.V. Action - Dave Dotting hits.

Varsity Action - T. J. Thomas pops for 2 of his 8.

Art Area - Karen Hinkley in scarf, pen and ink. Nancy Feldkamp, water color.

While the events on February 19, 1981 were shrouded with fog, those who were secure in the multi-purpose room at Klager Elementary School had a day sharing their hobbies with the children.

The rapport between the children and our special community friends, made for a day filled with conviviality for all. The children saw and participated in many enriching hobbies.

The P.T.O. at Klager is so grateful to all who donated time and energy to this special event. Special thanks to the hobbyists who gave their whole day for our project and had planned to return in the evening. Special thanks also goes out to those who

donated to our raffle. There are helping people and treat people who went unseen, but without whose presence the day would not have run so smoothly.

Although the fog eliminated our special evening, we still plan on our raffle drawing. It will take place on Family Game Night. Date to be announced soon in the Manchester Enterprise. There are two surprise additions donated to the raffle by Mr. and Mrs. Clara Knauss, changing from six to eight the number of items possible to win.

Tickets are available at Mann's Feed Mill, Gambles Hardware, the office at Klager Elementary, Melinda Trout in the Middle School and the High School.

News Of Good Things Growing...

by Margaret G. McCall

"Mad about mushrooms" pretty well describes my symptoms. Snowy white mushrooms at the market are almost irresistible. This is one vegetable that's low in calories and complements almost any dish.

According to the Michigan Department of Agriculture, our state ranks third in the nation in production of mushrooms, with an estimated 11 million pounds grown last year - a veritable mountain of good things growing in Michigan.

If you get the chance, visit a mushroom producer and watch how mushrooms are harvested. It's fascinating to see the workers, wearing their miner's headlamps, move through the darkness of the mushroom house harvesting these tasty morsels.

Large mushrooms are ideal for stuffing, and I've found you can freeze them (stuffed and baked) successfully, which is a real convenience. Marinated fresh mushrooms are a treat as an appetizer. Mushrooms are low in calories, complement almost any dish, and readily available either fresh or canned.

Wash fresh mushrooms gently, or wipe with a damp cloth, and then pat dry. For the world's easiest marinated mushrooms, just combine small ones with a bottle of your favorite Italian dressing and a little sweet basil. Marinate at room temperature several hours, stirring occasionally, then drain and serve.

For stuffed mushrooms, remove caps carefully and place on greased shallow pan. Chop stems and measure. Saute in a little butter with finely chopped onion until liquid is absorbed. Combine with an equal amount

of chopped pecans, and stuff the caps, mounding slightly. Sprinkle generously with grated Parmesan cheese, bake at 350 degrees until browned, about 15 minutes. Serve at once, or wrap tightly when cool and freeze. Can be frozen for up to a month. To reheat, transfer to ovenproof shallow pan and bake about 10 minutes at 400 degrees.

Convention To Be Held

Several area residents are among those chosen to represent Washtenaw County at the Republican State Convention in Detroit February 27-28.

In other business the Republican County Convention held January 28th in Ann Arbor overwhelmingly endorsed a resolution introduced by Robert Barry of Ann Arbor concerning halfway houses. His resolution urges the State Legislature to require approval by a local unit of government before any halfway houses for persons convicted of a felony or violent crime could be placed in a community.

The Convention was chaired by Nancy B. Chase of Ann Arbor. Other officers were Vice-chairman Peter B. Fletcher of Ypsilanti and Secretary, Alice Stimpson of Freedom Township.

The local delegation to the State Convention includes James L. Bennett, Michael J. DuRussel, Michael Stimpson, Kent and Jane Talcott of Freedom Township; Merlin Lee Reichert and Daniel Winkler of Manchester Township; Robert and Peter Beaudoin of Sylvan Township.

Congratulations On Your Retirement

and it was worth it. One of our very talented employees, Donna Roehm provided Helen with a very cleverly decorated cake. And to aid Helen in her travels around the country, the employees presented her with a piece of luggage. Hope you have lots of fun and enjoyment Helen, we will be thinking of you.

Helen is retiring after fifteen and a half years in the bookkeeping department. We are sure that many customers as well as employees will miss Helen especially when that check book doesn't quite balance as that was one of her specialties, to rescue us all.

Thanks Helen from all of your fellow employees and the Board of Directors. It has been a pleasure to work with you and to have had the privilege of knowing you as a person. We wish you well in your retirement.

Individual youngsters and entire elementary school classes can join the competitive activities during Farmers' Week, March 23-27 at Michigan State University.

The activities include the Michigan State Coturnix Olympics and Science Fair, March 23, and the Michigan State 4-H Rabbit Show, March 25.

The olympics are open to students from kindergarten through the fourth grade, and the science fair is open to students from the fifth through the 12th grade.

The coordinator of the Farmers' Week youth activities, Sam Varghese, MSU Cooperative Extension Service poultry specialist, says youths wishing to enter the olympics can choose from five events. These include the flying contest, a beauty contest, Coturnix arts and crafts, a project story or other written materials category, and the classroom project competition.

Competitive categories in the science fair include anatomy, animal behavior,

embryology, endocrinology, food science, genetics, management, microbiology, nutrition and physiology.

In each of the grades (5-12), all entrants will receive participation ribbons. For fifth and sixth graders, ribbons will be awarded for the first three places. For students in grades seven through 12, trophies will be awarded for first and second places.

The deadline for science fair and olympics registration in March 10, Varghese can supply the basic materials entrants will need.

The rabbit competition is open to 4-H members. Just about any breed of rabbit may be entered in the show. Judging will be done and awards given according to a variety of criteria, including breed, conformation and looks.

Associated with these youth activities are several educational programs. Details may be obtained by writing Varghese, Department of Animal Science, 105 Anthony Hall, Michigan State University, East Lansing, MI 48824, or calling (517) 353-1748.

"This Week In Lansing" Coffee Break

by Mary Keith Ballantine

Prison Overcrowding - A bill empowering Gov. Milliken to declare a state prison emergency whenever the system's population exceeds capacity for 30 consecutive days was recently signed into law. Under that emergency the minimum sentences of all prisoners who are serving established minimum prison terms would be reduced by 90 days. When a 95 percent of capacity population level is reached the emergency order would be lifted by the Governor.

Mackinac Island - The Mackinac Island State Park Commission is offering Memberships to the public in a friends' organization called the Mackinac Associates. The group is being formed to promote the historic preservation of the Mackinac area. Benefits to members include unlimited admission to Fort Michilimackinac and Fort Mackinac and a periodic newsletter. Interested persons should write to Box 370, Mackinac Island, Michigan 49757.

Loan Program - A new loan program for middle-income parents of college students would take effect in July under a recently-introduced House bill. The program would make available up to \$3000 a year at 9% interest for low and middle-income parents. If the bill is passed, loans would be available by next summer.

K-12 Funding - An 11-member task force has been set up to study the present formula used to fund Michigan's public schools. The panel will meet once a week to look at possible changes in areas which raise costs in the present K-12 state program.

Ballot Proposal - In recent speech, Lt. Gov. James Brickley called for a ballot proposal to reduce the number of elected officials in Michigan state government. Stating that such a proposal would benefit constituents by cutting the ballot in half, Brickley plans to launch a petition drive to place a constitutional amendment before vote if the Legislature takes no action on the issue.

Driver Education - Driving ranges are now being used for driver education by several Michigan school districts. This cost-cutting idea is being tested in an effort to continue driver education despite the state budget crunch. Since most districts operate their programs in the summer, empty school parking lots become no-cost driving ranges. One range instructor can supervise more students than an instructor can during on-street training. Up to 30 percent in costs can be saved through this program.

Call-A-Ride Transportation For Senior Citizens

Manchester Senior Citizens Council, Inc., announces a new service, Call-A-Ride, opening this month to persons 55 years or over and residing in Manchester Village or Manchester Township. At present the service is limited to trips of medical nature to local facilities as well as to neighboring towns, and will operate Mondays through Friday. Requests for rides must be made three days in advance if at all possible.

There is no charge for the service as drivers are all volunteers. Call-A-Ride is a partial answer to Dial-A-Ride which was cancelled in the out-county areas at the end of January. Manchester Village and Manchester Township have both contributed to the Fund which will operate the new system, making transportation available to Senior residents of the two areas. Drivers will be reimbursed for the gasoline they use in making the trips on a flat rate according to their driving schedules.

For the month of March there are three places one may call for assistance and information - Mrs. Heien (LeRoy) Knickerbocker, 428-8455, Mrs. Beatrice (B.A.) Clark, 428-8649 and Ray Gonyer, president of Manchester Senior Council, Inc. 428-7613. Later in the spring a central number will be announced which will be available at the new police station where volunteers will man the phone for six hours a day, 9:00 through 3:00 on Monday through Friday.

If donations are made for trips the entire amount will go into the Transportation Fund to help maintain and broaden the service. Donations may be made to Senior Citizens Transportation Fund and mailed or given to Mr. Gonyer, Mrs. Knickerbocker, treasurer, or the driver.

Mr. Gonyer credits Manchester Village Administrator, William Zsenyuk for the major role in planning the new service. He commends Mr. Zsenyuk for his interest and assistance as well as Millard Uphaus, co-chairman, Mr. James Hendley, as advisor, Mrs. Terry Jose for secretarial work and the dedicated committee of senior citizens who have worked so diligently on the project.

Area Students Included In Art Show

Four Manchester High School art students have been included in the Ann Arbor Art Association Youth Art Show. Randy Day, Richard Foss, Kim Johnson and Carol Pierson, all had pieces chosen for display in the show. Juror for the show was Julie Andrews, professor of art at the University of Michigan. An opening reception was held Friday, February 27, and the show will remain hanging until March 21. Gallery hours are Monday through Saturday from 10 a.m. until 5 p.m.

The Fibre Arts class began the current semester with several visits by Mrs. Jane Barbour who helped the class evaluate a wool fleece. The class washed and carded and, with Mrs. Barbour's help, spun yarn. The yarn will be used by the class in various projects during the current semester. Mrs. Barbour also demonstrated use of her spinning wheel.

"HIT OR MISS" by farley

On Tuesday, March 4, there is to be a special election in the Fourth Congressional District to choose a new Representative in Congress to replace David Stockman who was appointed as head of the office of management and budget and who went to Washington along with Mr. Reagan and who has created much consternation in various places since then. But be that as it may, this job as Congressman must be a pretty good one for there have been five Republicans and two Democrats who have filed nominating petitions for the position or maybe it is just that unemployment in the southern Michigan area is so high.

They used to put these election notices in every paper in the county but now they only put it in the county seat publications. Perhaps this too is an example of the new money-saving policies. But with all of these candidates floating around I'll bet that we are all made aware of the forthcoming election in due time.

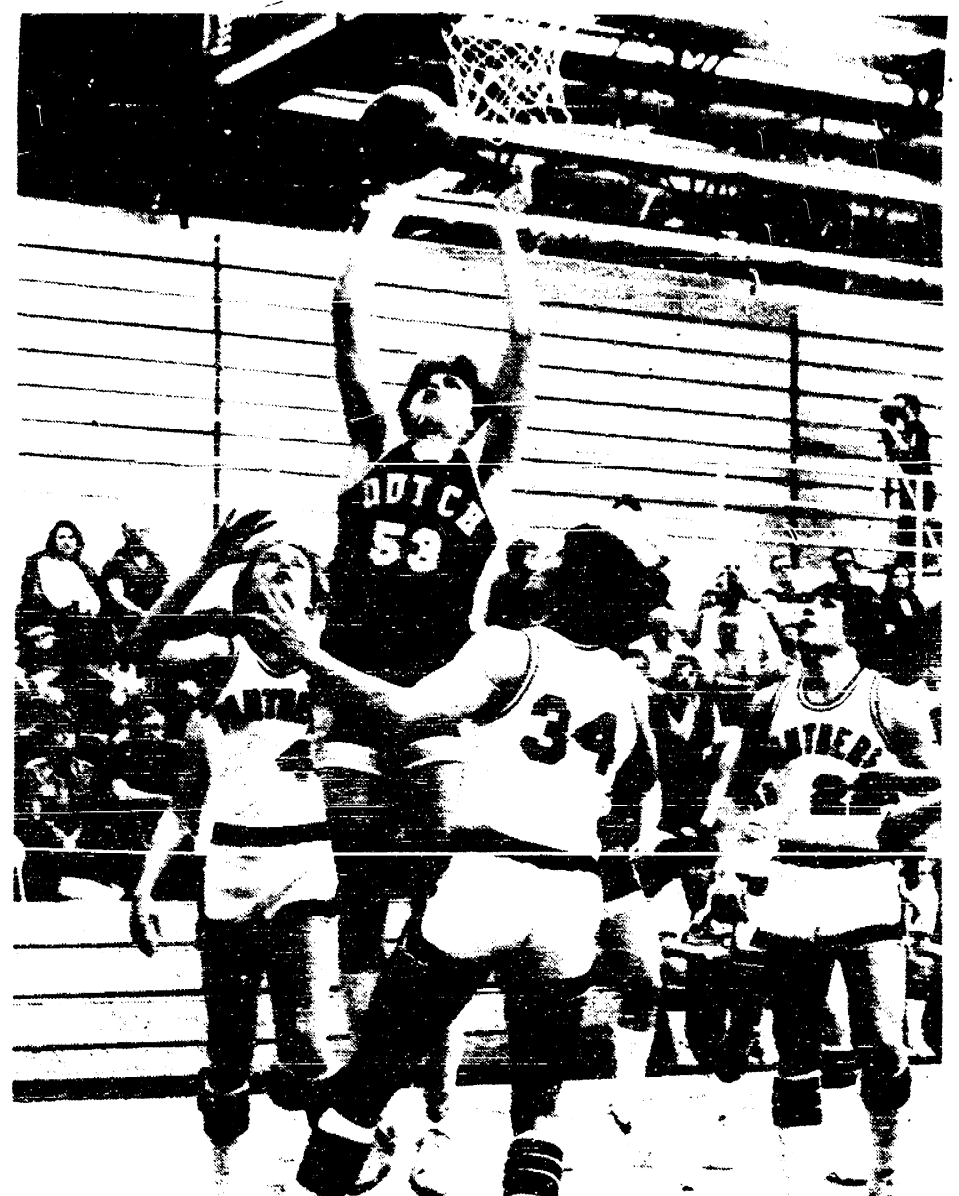

Now Stockman, during his career as a Congressman was not a career man, at least not yet. He seemed to try to represent the wishes of all of his constituents and always had time to listen to and evidently, at least, try to solve their problems.

It is quite popular to blame the president for everything that happens that you don't like but did you ever stop to think that he is really not to blame for our troubles, nor can he cure them. For instance he cannot spend a penny that is not authorized and appropriated by Congress which each year authorizes the staggering increases in the national debt.

The revolt of the voters in November we hope was a symptom of the average man's awareness of this fact but we fear that the revolt was merely against the party in power and its president, not against our lawmaking bodies - the Senate and the Congress. The president however has been

Last Tuesday, saw us trek to Hudson to face the Tigers. The lone possession of second place in the L.C.A.A. depended on the outcome and things went favorably thru the opening period as we sat atop 16-10. If you could throw a period out it would have been this 8 minutes-Hudson dumped in only 13 points but we went

stone cold hitting for 2 points. In the next 2 stanzas we rallied back but unfortunately not enough, as they won by 4, 51-47. We slipped to 6-5 in the league as the Tigers take 2nd at 7-4. Nick Krzyzaniak was our only double-figure scorer with 16. The J.V. squad also fell in a close one, 64-58.

On Friday, the trip was almost identical
