Black Sheep Theatre Presents "I Do, I Do"

The Black Sheep Repertory Theatre of Manchester will be presenting the musical *I Do I Do*, by Tom Jones and Harvey Schmidt, for three weeks, April 30 - May 17. The musical comedy chronicles the married life of Michael and Agnes, played by Mathew Thornton and Patricia A. Rector. Notable songs including "My Cup Runneth Over" and "What is a Woman?" are inter-mixed with comedy and drama to reveal the trials and tribulations of marriage. The production will feature Manchester musicians Mary Sue Moore (Gandleader/piano), Joe Kress (Bass), and George Olson (Percussion). Performances are Thursday through Saturday at 8:15 and Sunday at 4 o'clock. Ticket prices are \$7 Adult, \$5 Senior Citizen/College Student w/ID, and \$3 under 18. Please call for reservations at 428-9280.

Varsity Choir Concert

Upon returning from their annual trip, the Varsity Choir will perform their Spring Concert. This concert will be held on May 15, 1981 at 8:00 p.m. Prices are: \$1.50 Adults, \$1.00 Students, Senior Citizens are to be admitted free.

Hospital Opens New Addition

The most recent Turner/Saline Health Education Program for older citizens held at Saline Community Hospital was entitled, "The Eyes Have It." Kenneth Hansen, M.D., and Judy Bow, Librarian from the Washtenaw Library for the Blind and Physically Handicapped, were key speakers. Pictured, from left to right, are Dr. Hansen, Charlotte Timmerman and Anne Mancari as they discuss some of the information presented during a refreshment break.

A new home for physical medicine services opened its doors in a 1,400 square foot addition to Saline Community Hospital. At the opening celebrations, speech and occupational therapy staff expressed great satisfaction with their new quarters. More space and improved facilities will offer new opportunities for dynamic approaches to therapy. "For instance, the new kitchen area permits training in high level self-care skills," said Cindy Bruhnsen, Chief Occupational Therapist. "Other space will allow more use of groups for treatment that involves socialization." The number of patients have quadrupled in the last two years, making the one room department an increasingly difficult place for therapy.

KEEPING UP WITH SPORTS

We have 6 squads this season competing in Varsity and J.V. Girls Softball, Varsity and J.V. Boys Baseball, Girls Track and Boys Track. The starting guns sounded about the second week of April so I'll try to catch you up on what's happened from then to now. I don't want to offend anyone so I'll say why I started with Girls Softball-I figured girls first, so between softball and track-S comes before T. Coach Jane Pitt has the Dutch girls off to a flying start this year-at time of writing there were 5 scheduled games in which I have the results from 2 of them-both wins. On April 20 we trekked to Morenci to open our L.C.A.A. campaign and left victorious 8-5. The winning pitcher was Alicia Seegert as her teammates helped by pounding out 11 hits. Those having 2 or more hits: Kathy Gotts, Amy Koceski, Mary Ridenhour and Alicia. On April 22 we hosted Blissfield and made it 2 victories by a 1-0 tally. Really it could have been Alicia-1, Royals-0, because Alicia hurled her first no hitter of her career, struck out 10 and bashed a triple then scampered home on their catchers error. This has been about the Varsity as I don't have any information on the J.V.'s at this moment. Next, we'll investigate Boys Baseball-

both squads opened with Napoleon and we came up with victories in both. Coach Curt Fielder has gotten his J.V.'s off to a good start-I have no further information. Following Coach Wes Galls Varsity edging the Pirates 4-3 they opened the L.C.A.A. the same way. We started off scoring 5 runs and Morenci just fell apart as we took an easy 12-0 win. Tom Maicoim hurried his second win as Tom, Nick Krzyzaniak, Jim Krzyzaniak, Brad Stetler, and Dave Dettling slugged 2 or more hits. That's all I have on softball and baseball to date-but I will get more and with the weather improving I'll have some photos. Next week I'll bring you up to date on the girls and boys track season. I hope to go to their joint hosting of Gabriel Richard, Thursday. Both teams also welcome Addison on Tuesday, May 5. Up-coming in Varsity Softball we host Onsted, April 29, host Dundee, May 1, travel to Addison, May 4; then host Morenci, May 6. J.V. will play away for Onsted, April 29; Gabriel Richard, April 30; and Dundee, May 1. In Varsity Baseball we are at Onsted, April 29, then host Dundee, May 1 and Addison, May 4. The J.V.'ers host Onsted, April 29; visit Dundee, May 1; then go to Addison, May 4. All home games start at 4:30 p.m.

Spring Fun Festival

Saturday, May 2nd we will have our second Spring Fun Festival. This will again be held at Klager School from 11:00 to 2:00. Pre-sale tickets may be purchased at the Union Savings Bank from 9:00 to 5:00 on Friday, May 1. Tickets will also be on sale at the school the day of the festival. Ticket prices and items on our lunch menu are the same as last year. Tickets are 15c each or 8 for \$1.00. Food items are: Sloppy Joe-50c, Hot Dogs-45c, Chips-25c and drinks (ice tea, coffee, orange)-30c. Where else can you buy an '81 item at '80 prices? Join us for lunch. While you're there why not buy a raffle ticket? It's only 15c or 8/\$1.00 for a chance at winning an electronic game or a nice yard game.

HIT OR MISS by farley

It's that time again...we were reminded of the fact the other day when we heard a group of high schoolers planning their hop or its modern equivalent. The first problem, of course, was the orchestra and various groups were discussed and not one among them savored of disco or hard rock. Everyone seemed to want to know where there could be obtained a hand with the sound of the "big bands" of the 50's. They are very much around but they're most all by now booked for the college and high school dances and then far into the summer months. All of the old timers are busy, busy, busy, and sound brings back quite a bit of nostalgia...it goes back to the fifties and finally most of our youngsters have discovered how nice it is to hold your partner closely gripped with one arm snugly around her waist while you stepped and swirled to the very certain mellow beat of the band...ah, that was dance'n'. There ain't no substitute.

And the music too. You can easily determine the melody and hum it along, especially the slow ones, while you nuzzled your partners neck a bit and felt a stray lock of her hair tainted with her perfume brushing your face. Then were the days. In those days too, there were corsages and dance cards to be filled out and one could tell without the card who he was dancing with-who didn't have to look all around and then ask someone who your partner was.

Then too, the big bands were money making organizations too. Mitch Woodbury of the Blade tells of the band that was engaged for a party in Toledo and the price agreed on was \$500, but chirped the woman booking the band "none of the bandmen are to mix with the guests." "The leader looked her square in the eye

While you're shopping observe the winning posters from our poster contest in the windows of our local merchants. The kids put a lot of work into these-take time to look them over. Anyone who has items to donate for our White Elephant Sale, please take them to Klager School, Wednesday, Thursday, or Friday, April 29, 30, and May 1. We cannot take clothing, but we'll be happy with any other items you might have.

LETTERS TO THE EDITOR

To The Voters Of The Manchester School District:

At its regular meeting on April 20th, the Board of Education set the millage request for the June 8th election. The request is for 21.78 mills or a 4 mill increase over last year's voted operating millage of 17.78. This Board decision was a unanimous one and I believe based on sound financial and operational judgements. The process started in early January and both revenues and expenses were reviewed in depth. In addition, a great deal of consideration was given to the existing needs of our district.

The Governor's proposal for property tax reductions and an increase in State sales tax also had a great deal of impact on our decision for an increase in our

operational millage.

As voters in the Manchester School District, you should be aware that we have been losing state aid at almost the direct proportion of our local effort increase in tax dollars. If you take inflation into consideration, it's easy to understand why it's been very difficult to run the schools without experiencing some program reductions.

As a Board, we went on record of supporting the Governor's proposal, because it will mean a substantial reduction in property taxes to us all and it will put our school district back into a state formula that will return many of our tax dollars to us.

Our request is for operational millage only, so a 4 mill increase is truly only a 2 mill one. Your property tax bill will still be substantially less than last year.

We hope that everyone gives the Governor's proposal support on May 19th and that we all support the millage request on June 8th.

David L. Little, Treasurer
 Manchester Board of Education

Dear Editor,

Recently an organization called "Dial America" has been calling thousands of people in Washtenaw County requesting money for "Special Olympics". They are selling magazines and giving 12% to the State office for Special Olympics in Mt. Pleasant. As Director of Special Olympics in this county, I am requesting that if you desire to help this program for mentally impaired children and adults, please donate directly to us. The money is then used 100% for children in your area. Please send any donations to Washtenaw County Special Olympics, c/o Nancy Cooper, Chelsea High School, Chelsea, Michigan 48118.

Art Presentation

"Something for everyone" will be the emphasis at a reception for young artists, parents, teachers, and the public on Sunday, May 3 from 1:00-4:00 p.m. The gathering is to be in celebration of the opening of the third annual exhibition of young people's art, "Through a Child's Eyes", presented by the Manchester Art Guild.

Guests Ruth Nilsson and Peter Goble from the Rudolf Steiner School of Ann Arbor, will share methods for recapturing the "child within the adult" so that the ensuing joy and creativity can be fostered within the young people in our lives. Materials for simple projects will be available for the younger child to make and take home. A slide show will be presented on the art of older students. Refreshments will follow the presentations.

This year, schools from Chelsea, Clinton, Columbia, Dexter, Manchester, Saline, and Tecumseh have submitted artworks from grades K-12. They are of mixed media and original in design.

The exhibition will be on display in the Manchester Art Gallery, located adjacent to the lobby of the Balck Sheep Repertory Theater, at 188 E. Main St., Manchester, Michigan. Although closed for Mother's Day, the gallery will be open Thursday and Friday from 7:30-9:30 p.m., Saturday from 10:00 a.m.-12:00 noon and 7:30-9:30 p.m., and Sunday from 3:30-5:15 p.m. The exhibition will run through May 21.

"A Salute To Spring"

A "Salute to Spring" is planned for May first. The May Day celebration will include dancing to the music of the Richmond Brown Quintet, entertainment by Fat Bob, the Singing Plumber, and gourmet hors d'oeuvres prepared by Sherry Sundling.

The semi-formal dance is sponsored by the Chelsea Community Hospital Auxiliary. It will be held at the Knights of Columbus Hall, 8265 Dexter-Chelsea Road on Friday, May 1, 1981 from 9:00 p.m. to 1:00 a.m. The tickets are \$18 per couple, and a cash bar will be available. Tickets are on sale at Chelsea Drug Store, Chelsea State Bank, Chelsea Community Hospital, the Dexter Bakery and Brown's Drug Store in Stockbridge.

The dance combines an opportunity for entertainment and a chance to help those from the area who may need aid. The proceeds from the event will benefit the Summer Speech Therapy and Disability Program and will help provide a scholarship for someone pursuing an education in a medical related field.

and said "oh, in that case the price will be only \$400.00."

"And then there was the small town who tried to book Paul Whiteman for \$100.00 to which Paul replied "For that much I'll send him a piccolo player and two sheets of music."

Besides many of the band leaders a great number of their sidemen had many followers too such as Roy Barge, Jack Teagarten, Frank Trombauer, and others and each band had its vocalist or group of vocalists many of whom were as popular as the band. Among those, many were the Andrew Sisters, Helen McConnell, Teresa Brewer, and others who later became individually famous.

I wonder just what an evening of dancing to any one of the three dozen or more top bands of those days would do to my carcase nowadays but it would be a wonderful way to go, after all.

I do sincerely hope the youngsters of today do find out just what they've been missing during the past few years and that music and harmony both return to our dance halls now and forever. There's a lot to be said in favor of harmony and melody, versus racket and volume. Let's have some sensible songs like "Three Little Fishes In a Itty Bitty Poo", or "Mairzy Doats", or "A Tisket A Tasket", or "The Music Goes Down and Around" or some of the many other sensible ones of the fifties instead of the senseless ones of today.

Mechanic Tests Offered

Written automotive mechanic certification tests will be given in 25 cities on June 6, 13, 20 and 28, Secretary of State Richard H. Austin announced.

Deadline for applying to take the tests is May 1. No applications will be accepted after that date.

Because current Michigan law now requires all mechanics doing major repair work in registered Michigan repair facilities (shops) to be certified, Austin said many mechanics are expected to take the tests. Currently, approximately 35,000 mechanics are certified in at least one category of major repair. Certification is also required for individuals who repair and service motorcycles and recreational trailers.

Tests will be given in Detroit, Kalamazoo, Lansing, Grand Rapids, Saginaw, Traverse City, Alpena, Sault Ste. Marie, Escanaba, Marquette, Houghton, Gaylord, Flint, Ironwood, Pontiac, Mt. Pleasant, Ypsilanti, Caro, Coldwater, Leapeer, Ionia, Battle Creek, Newberry, Muskegon and Iron Mountain.

Test registration forms may be obtained at all Secretary of State branch offices, at most offices of the Michigan Employment Security Commission (MESCC), at most community colleges, or by writing the Bureau of Automotive Regulation, Michigan Department of State, Lansing 48918. Applicants may call (517) 373-9460.

A \$5.00 fee for each test must be paid in advance and sent in with the registration form.

Four tests will be given on each June date. Applicants may take one or more of the tests offered on these specified dates:

June 6: (1) auto automatic transmissions, (2) auto manual transmissions, front and rear axles, (3) auto heating and air conditioning, and (4) recreational trailers.

June 13: (1) auto engine repairs, (2) auto electrical system, (3) heavy duty truck engine repairs-gasoline, and (4) heavy duty truck electrical systems.

June 20: (1) auto front end and steering systems, (2) auto engine tune-up, (3) motorcycles, and (4) heavy duty truck engine repairs-diesel.

June 27: (1) auto brakes and braking systems, (2) heavy duty truck drive trains, (3) heavy duty truck brakes and braking systems, and (4) heavy duty truck suspension and steering systems.

THANKS TO YOU WE'RE NUMBER ONE!

We're the leader! We're on top! For the 1980 calendar year, we're the Number One truck dealer in this area. And we would like to thank you for helping us reach this important goal. We'd also like to remind you that year in, year out, there are more Chevy trucks on the road than any other make. Proof that great customers like you and tough trucks like ours make quite a team.

VISION

Over 200 area residents took advantage of free health screening tests during Project: Health-O-Bama at Saline Community Hospital which was designated as one of the 50 sites for the program throughout seven counties of southeastern Michigan. Patricia Sotillos, RN, is shown helping William Engelbert with a portion of the vision screening test.

Addition Opens At Saline Hospital

The new facility consists of seven rooms, mostly therapy spaces. They include an "activities of daily life" lab with kitchen and other stations for training patients in how to cope at home after trauma, arthritis, heart attack or strokes have restricted their actions. Two observation rooms will permit staff and perhaps parents to learn and understand behaviors of children under therapy.

A soundproof room for hearing tests expands the hospital's capabilities in audiology as well as providing an area of low noise interruption to intensive therapy. Donated equipment from local service clubs, such as the Lions and Kiwanis, have provided much of the base of such services at the hospital. "Interest expressed and support provided by these groups has helped many people get the care needed," noted Marilyn Koster, Chief Speech Pathologist.

Such people have had problems ranging from both defects in hearing, to war-related handicaps, to stroke and car accident effects. These people commonly run in age from two to ninety-two. A great many benefit from identification and treatment by learning or regaining abilities to function productively in society.

Birth Announcements

Born to John and Debra Chapin of Coldwater, Michigan, a daughter, Kathryn Dawn on April 18, 1981. She was born at the Branch County Hospital, Coldwater and weighed 8 pounds 12 ounces and 20 inches long.

Grandparents are Mr. and Mrs. Donald Davis and Mr. and Mrs. Robert Chapin, all of Manchester.

Jim and Nancy (Simmons) Paul are pleased to announce the birth of a daughter, Allison Jo. She was born February 4, 1981 in Pontiac, Michigan and weighed 6 pounds 8 ounces.

Maternal grandmother is Josephine Simmons of Manchester, Michigan and paternal grandparents are Dr. and Mrs. Harold Paul of Western Springs, Illinois.

The great Duomo Cathedral of Milan, begun in 1386, contains the world's largest stained glass windows.

All Hands On Deck

Feeding the crew? While Polly may want a cracker, you can rest assured that the mate will be looking for something a little heartier. That's the time to call Dandy Double Deck Sandwiches in from the galley. Miracle Whip salad dressing, "The Bread Spread", adds a gust of flavor to three decks of rye bread filled with Kraft natural Swiss cheese, corned beef, shredded cabbage, and slices of tomato. With pretzels or chips served portside, you don't have to worry that you'll be walking the plank when Dandy Double Deck Sandwiches are on board.

Dandy Double Deck Sandwiches

- 2 cups shredded cabbage
- Miracle Whip salad dressing
- 1/2 rye bread slices
- 8 tomato slices
- Kraft natural Swiss cheese slices
- 1/2 lb. corned beef, thinly sliced

Combine cabbage and 1/4 cup salad dressing; toss lightly. For each sandwich, spread 3 slices of bread with salad dressing. Cover first slice with coleslaw, 2 tomato slices and second slice of bread. Top with slices of cheese, corned beef and third slice of bread.

COUNCIL PROCEEDINGS

April 6, 1981
 Council met in regular session with the meeting called to order at 7:00 P.M. Present were: DuRussel, Hinkley, Koebbe, Minick, Petsch, Reed, Smith and Zsenyuk. Minutes of the March 23, 1981 meeting were read, corrected and approved in a motion by Hinkley, supported by Petsch. All yeas, motion carried.
 Mrs. Pam Reese, leader of Manchester Junior Girl Scout Troop #653, Mrs. Buss, leader of the Pleasant Lake Junior Girl Scout Troop and 3 members of the troop were present to request permission to have an out-door carnival on May 9, 1981 from 9 A.M. to 6 P.M. in Wurster Park. Rain date May 16, 1981. The carnival would consist of games, bake sale, craft sale, drawing table and white elephant sale. President Schaffer requested the park be cleaned up after the carnival. He also requested that Public Works Dept. set up barricades with Auxiliary officers warning drivers to reduce speed for the protection of the children. No objections were voiced by Council. Permission granted to the Junior Girl Scout Troops to use Wurster Park for their carnival.
 President Schaffer asked DuRussel what he considered his duties were and what he would like to see accomplished this year. DuRussel would like to meet with Townships and see all Inspector Permits issued in one place after the Village offices are completed, also review the charges for the permits.
 Zsenyuk reported he had contacted the Michigan State Highway Department and received the name of Chem-trol Chemical Co. to paint the centerline and barrier line April 20, 1981 on Main St. in the Village for the unit price per mile of road of \$118.24. If more than 15 gallons of yellow paint per mile are used, there would be an additional charge of \$6.15 per gallon. Center of Main Street must be swept before work is started. No objections were voiced.
 Zsenyuk reported the bid of \$301.00 for the 1977 Dodge was a bogus bid and asked for Council approval to receive more bids on the 2 Scout cars. Moved by Reed, supported by DuRussel to sell the 2 Scout cars to the Manchester Public Schools for the School Shop if they wish to purchase them for \$1.00 each. All yeas, motion carried.
 James Baker will be taking the test to

receive a D License for the Treatment Plant.
 Zsenyuk reported he had contacted Chris Hoover of the Black Sheep Tavern about the trash receptacles back of the tavern and if they were not emptied by Friday, April 10, 1981 he would be cited for a violation.
 Hinkley and Zsenyuk were appointed as representatives of Council to meet with the Manchester Steering Committee to discuss ideas for improving the Main St. shopping district.
 Public Works activities as reported by Koebbe included: Hand mowers, trucks and the grader were serviced; Repaired water service at Don Limpert store; Worked at cemetery; Worked on sewer on E. Main St.; Raked leaves etc. at Carr Park; Repaired barricades; Cleaned shop; Flushed hydrants; Started reading water meters; Installed a couple water meters; Filled holes with gravel on Mound St.; Picked up wood chips from stump removals; Cleaned up stump chipper; Removed a dead deer from the river; Cleaned up dirt hole at car wash; Catch basins were cleaned; Worked in Park on W. Main St.; Worked at landfill; Worked on sewers.
 Council report of Water and Sewer Dept. was presented.
 Moved by Petsch, supported by Minick to purchase a 100 ft. Sewer Cleaner at a price of \$1,000.00. All yeas, motion carried.
 Sealed bids from Silkworth Tire and Gross Farm Equipment for a new mower were opened by President Schaffer. Moved by DuRussel, supported by Koebbe to accept the bid of \$5700.00 for a John Deere 850 Tractor Flail Mower to be demonstrated before purchase. All yeas, motion carried.
 The Public Hearing to consider the fact whether the Village of Manchester should pursue the Kirk Park Re-development Grant was held at 8:00 P.M. There was discussion on the drainage, ball diamonds and tennis court. It is the opinion of Council the Kirk Park Re-development Grant be pursued. Parks will be in order to open next week.
 A public hearing was held to review the proposed budget for the fiscal year beginning March 1, 1981 and ending February 28, 1981. Moved by Reed, supported by Koebbe to accept the

tentative budget of 15 mills allocated in the following manner: General Fund-9.4 mills-\$202,709.00. General Highway-3.5 mills-\$70,000.00. Bridge Bond-8 mills-\$16,000.00. Sewer & Water-1.3 mills-\$28,000.00. \$314,709.00 estimated taxes.	Mrs. Hilda Ernst Fielder Painting 1,000.00	100.00
All yeas, motion carried.	Fillyaw's Service 22.10	22.10
A sidewalk program was discussed. A survey is to be made of sidewalks which need to be repaired. Smith is to get quotes of prices per sq. ft. for repairs. Cost would be absorbed 1/2 by Village and 1/2 by Property owner.	Gallup-Silkworth Gambles 97.40	97.40

Rubella [German Measles] Information

Rubella (German measles) is a common childhood disease that's often overlooked or misdiagnosed because its symptoms vary. The most important consequence of rubella are birth defects that result if a pregnant woman develops the disease within the first three months of her pregnancy.
 Preventing fetal infection and the birth defects that result in the major purpose of rubella immunization programs.
 Since many young children now receive rubella vaccinations, epidemics have been prevented. However, outbreaks have been reported in junior and senior high schools, colleges, the military, and places of employment, especially hospitals. In fact, since 1976, more than 70% of persons with rubella have been over 15 years of age, and about 1 in 7 women of childbearing age is still susceptible to the disease.
 To eliminate the congenital rubella syndrome, researchers recommend that susceptible adolescents and young adults, as well as children, be vaccinated.
 How do people know if they are susceptible? The only reliable evidence of immunity to rubella is the presence of an antibody. It is generally accepted that a rubella vaccination provides this antibody level tested.
 Rubella immunization programs significantly reduce the incidence of the disease. Vaccinating children protects them against rubella and prevents their spreading the virus. Vaccinating susceptible females who have reached childbearing age provides individual protection against rubella-induced birth defects. Vaccinating adolescents and adult men and women in colleges and places of employment protects individuals against rubella and also reduces the chance of epidemics.

News Of Good Things Growing

FACT:

Asparagus—one of the first fresh field crops to reach your table each spring, takes three years to grow. Michigan's 22 million pound crop is being harvested now. A good tip—enjoy some today.

good things growing in Michigan

A message from the Michigan Department of Agriculture and its newspaper, the MDA.

Instead, I buy asparagus in quantities at our farmers' market and freeze it, so we can have a taste of spring with winter meals.

Asparagus is one of the good things growing in Michigan, and our farmers harvested 21,800,000 pounds in 1980 from 17,300 acres. The crop, valued at \$11 million, was third largest in the nation, the Michigan Department of Agriculture reports.

A member of the lily family, asparagus is a "kissing cousin" of the feathery asparagus fern, the robust garlic, and the graceful gladioli. Asparagus has been cultivated for more than 2,000 years.

When choosing asparagus, look for fresh straight stalks with compact tips. Store your treasure in the coldest part of the refrigerator, and use as soon as possible. Rinse thoroughly to remove any clinging sand. Then cook briefly, to preserve the valuable Vitamin C and other vitamins and minerals contained in asparagus.

Asparagus should be cooked crisp-tender, and never, never over-cooked, or the bright green begins to fade.

Cookbooks say one pound will feed two or three people, but at our house, it barely suffices for two. We like it best served simply, with butter and milk. The milk holds the heat while you're getting the asparagus from stove to table.

Hot cooked asparagus spears are also delicious wrapped inside a plain or cheese omelet for breakfast or brunch. You may wish to create an asparagus and meat casserole or combine with cooked spaghetti, cheese and canned soups for an oven dish. Whatever your choice, the season is at hand!

Ah, the lovely tender green asparagus! Each year I watch and wait for the arrival of asparagus season. I'm tempted to follow the harvest from southwestern Michigan north along the lakeshore to prolong this all-too-brief season by a few weeks.

Secretaries Honored

Nearly 100 registered at the Campus Inn on April 22, Professional Secretaries Day, to toast secretaries and bosses and acknowledge their mutual respect.

Huron Valley Chapter Membership Chairman Ann Rentfrow presented Certificates of Appreciation to Janice Arcuri of Ypsilanti, Lu Deakin and Donna Zeeb of Ann Arbor, Jo Leshnick of SouthLyon, and Joyce Scott of Manchester for devoted and invaluable services rendered to the Chapter.

The next regular meeting when guests will be inted is scheduled for Thursday, June 11, 1981 at Weber's Inn with dinner at 6:00 P.M. The speaker will be Dr. Fred S. Cook of Wayne State University. His topic will be "College of Life Long Learning."

For dinner reservations call Joyce Scott, President-Elect at 475-1393 in Chelsea or Jo Leshnick, President at 437-1715 in SouthLyon.

Huron Valley Chapter officers for 1981-81 are: Jo Leshnick, President, South Lyon; Joyce Scott, President-Elect, Manchester; Alvina Rhynas, Vice President, Ann Arbor; Lili Kivistio, CPS, Secretary, Ypsilanti; Mary Bersuder, Treasurer, Saline.

How To Fight Food Spoilage

1. When shopping for food, pick up meat, poultry and dairy items last - get them home and into the refrigerator or freezer promptly.
2. Never buy food in leaking, bulging, or severely dented cans, cracked jars, or jars

with loose or bulging lids. Report such containers to the store manager immediately.

3. Maintain refrigerator temperature at 35 degree to 40 degree F and freezer to 0 degree F or lower. Check frequently.

4. Thaw meat and poultry in the refrigerator or, for faster results, in a waertight package under cold water.

5. Wash hands before preparing food.

6. After handling raw meat or poultry, wash hands before touching other food surfaces.

7. Wash utensils, containers, and work surfaces before and after they come into contact with raw or cooked meat or poultry.

8. Always keep hot foods hot, and cold foods cold, until served.

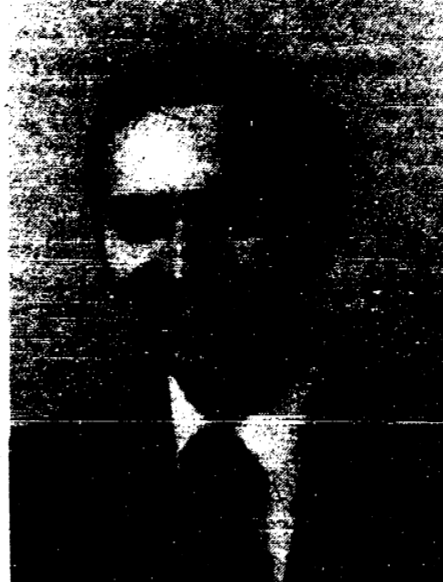

9. Refrigerate leftovers immediately.

10. Never keep perishable food at room temperature any longer than two hours (including time to prepare, serve and eat). Promptly refrigerate leftovers.

Appointed Manager At General Motors

The appointment of Dale L. Hock as Manager, Plants 3 & 4 at the Hydra-Matic Division of General Motors Corporation, effective April 1, 1981, was announced by George W. Griffith, General Manager of the Division.

A native of Chicago, Illinois, Mr. Hock holds an Industrial Education degree from Furdin University. He joined General Motors with the Hydra-matic Division in 1968 and has held various positions in production, quality control, and reliability. In 1977, he became Superintendent, Manufacturing - Plant #4, the position held prior to his present appointment.

Mr. Hock resides in Manchester with his wife, Darla, and their four children.

Mott Children's Hospital Golf Classic

Special contests and the opportunity to play on a challenging course not generally open to the golf-playing public are features of the Eighth Annual C.S. Mott Children's Hospital Golf Classic, May 16-17.

The tournament opens May 16, at the University of Michigan Golf Course, 500 E. Stadium Blvd., and concludes the following day at Radrick Farms Golf Course, 4875 Geddes Road (this course, open to U-M students, faculty and staff, is usually closed to the public). Play begins with shotgun starts at 7:30 a.m. and 1:30 p.m. each day. The entry fee is \$60 - \$40 of which is tax deductible.

Proceeds from the Golf Classic will help provide the Infant Units of C.S. Mott Children's Hospital, a U-M patient care facility, with needed equipment. Building on last year's success (the 7th Annual Classic raised \$11,600), this year's goal is \$14,000, according to coordinator Dwight Edwards.

The tournament will be medal play (no handicap) with eight flights to be determined following the first round. The winner and runner-up of each flight will receive trophies. The top four golfers in each flight will receive merchandise prizes based on their combined scores for each round. Additional prizes will go to the winners of such special events as a "closest to the pin" contest, putting contest, and special hole contests.

As part of the Golf Classic, there will be a Tee-Off Party by Matt Chutich at his restaurant, Bimbo's Casi Di Roma, 3411 Washtenaw, from 4 to 6 p.m. May 4. For

\$10 (tax deductible) participants can order drinks from an open bar and eat their fill of pizza. Herb Black Jr., tournament director, will give a short address.

Proceeds from the Tee-Off will also be donated to Mott Children's Hospital. And, again this year, the Washtenaw Association of Life Underwriters will sponsor the Golf Classic, an activity it has been supporting since 1974.

To enter this year's Classic, mail entries to Dwight Edwards (who can also be contacted for Tee-Off tickets), Room F8419, C.S. Mott Children's Hospital, Ann Arbor, Mich. 48109. For further information, call Edwards at (313) 764-8892, or Herb Black at 663-9807.

Time To Prepare For Energy Conservation

Spring is here, and most of us want to forget about the high cost of heating our homes until next winter rolls around. But this actually is a very good time to begin thinking about our homes' energy use and ways to conserve. Michigan's Energy Extension Service Clearinghouse has developed a new publication to help Michigan residents estimate energy use in their homes and determine savings they could gain from adding insulation, weatherstripping, caulking or storm windows.

"Spring and summer are good seasons to plan and undertake energy conservation actions," said Energy Administration Director Peter S. Walter. "Our new publication, the Fuel Use Estimator, makes it simple to figure the savings people can realize from weatherfitting their homes. Many Michigan homes can be just as comfortable as they are now while using only half as much energy - if they are properly fitted with insulation, weatherstripping and storm windows," Walters said.

"Many people think their homes are adequately weatherized," Walters said. "But recommended levels of insulation have increased, along with the price of heating fuels and electricity over the last several years, making improvements well worth an additional investment in many cases. If people call our Clearinghouse we can ask them about their home and heating system and provide them with a package of materials especially suited to their needs."

People interested in learning about energy conservation or renewable energy resources, or who would like a free copy of the "Fuel Use Estimator," can call the Energy Hotline toll-free at 1-800-292-4704. The Hotline now is receiving about 700 requests each week. More than 200 other free publications are available on conservation and the use of renewable resources.

Fishing Regulations-On May 11, rules permitting Great Lakes gill net fishing will expire. U.S. Interior Secretary James Watt has no plans to extend the controversial rules which permit Indian fishermen to use gill nets instead of trap nets.

Free of Charge-Michigan banks may no longer charge customers for placing a stop payment order on a check, the State Attorney General recently ruled. The opinion, requested by Rep. Steve Andrews (R-Wolverine) last July, is the first of its kind in the nation.

Scrutinized Vowels-Passenger car license plates for sale in 1983 will feature three letter vowel combinations for the first time. Currently used on commercial and special vehicles, vowels on passenger plates were dropped in 1970 when the

state shifted to three letter combinations. The reason: vowels can turn an innocent three letter combination into a potentially offensive word or sound.

Insulation Loans - The state Public Service Commission has approved a home insulation loan program for the 200,000 natural gas customers of Consumers Power Company in an effort to save seven-billion cubic feet of natural gas annually. Customers who qualify will receive loans up to \$1,000 and must use contractors approved by Consumers Power. The no-interest loans would be paid back over a 5-year period.

More Jobs - A bill to improve the state's business climate through an employee training program was recently introduced by Rep. Paul Hillegonds (R-Holland). Under the bill, the program would be established within the Department of Labor and would accommodate the specific needs of individual employers. It is designed to encourage existing business expansion and attract new jobs to Michigan.

Communication Workshop Offered

A workshop is being offered for families with adolescent age children (10 to 18 years) at Manchester High School on Tuesday, May 5, from 7:30 to 10 p.m. The evening will include audience participation and small group activities. Information and practical suggestions will be made to facilitate effective communication between parents and their children. In order to accomplish this goal, both parents and children should attend. The program will be presented by Carol Damaskey of the Huron Valley Institute and there will be no charge for the workshop. If you plan to attend, please call the Manchester High School Office (428-7333) to reserve a place for yourself. Any questions regarding the program should be directed to the School Social Worker, Susan Michalik, at the number above.

This workshop was scheduled to be held in late April but a change in date was necessary. Make your reservations for the May 5th workshop today!

LAKE PLACID TROUBADOURS TO APPEAR IN CONCERT

Official Troubadours of the Lake Placid Winter Olympics, the Trio of Michael, McCreesh & Company, will be making a special appearance in Concert in Manchester, on Saturday evening, May 9, at 7:30 p.m.

Manchester is very fortunate to have this internationally known and respected, highly talented group for one evening performance only. Whatever your favorite kind of music, you'll enjoy their variety of Country, Bluegrass, and folk, with an exciting blend of clog-stomping and fast pace.

Appealing to families too, Michael, McCreesh & Co. will provide GREAT family entertainment. They will be appearing on the Theatre/Stage of Emanuel United Church of Christ, 324 West Main St. Tickets can be reserved by calling 313-428-8359, and some seats will be available at the door the night of the performance, Saturday, May 9, at 7:30 p.m.

Women's Health Day

Do you want to learn more about yourself? Do you have questions regarding certain health issues, ie high blood pressure, alcoholism, nutrition, or stress. What can you do about being assaulted or abused by your mate? Have you checked your breasts recently for cancer, or do you know how?

These questions and more will be answered at Women's Health Day sponsored by the Manchester Clinic. It will be held Saturday, May 9, 1981 from 9 a.m. - 1 p.m. at the Emanuel United Church of Christ, 324 W. Main Street, Manchester. Admission is free for this informative day which may be shared by men and women alike.

Multiple aspects of women's health will be presented in movies, lectures, activities, and displays. Scheduled events will occur every half hour in the social hall of the church. Displays will be organized in the gym for the public to view, with many having representatives available for questions. See next week's Enterprise for the time of the events. Feel free to come, browse and participate as long as you want.

Free Lectures At Chelsea Hospital

A series of free public lectures on alcoholism and other chemical dependencies are being held every Thursday at Chelsea Community Hospital. The series is for alcohol and sedative dependents and family members and friends of those dependents.

Dr. J. Hardee Bethea, former Brighton Hospital director, will begin the hour-long talks at 7:15 p.m. in the Hospital dining room.

The program to be presented Thursday, April 30 will deal with "Alcohol and the Body". Subsequent lectures will deal with the progression of the disease from the earliest stage and the behavior every addicted person experiences. One lecture will deal with marijuana; another will be on alcohol's and drug's effects on the unborn child.

"The average age of death is 80. The average age of death is 53 for a practicing alcoholic," states Dr. Bethea. "It is the only disease in the world that can be arrested by talking about it."

Optional Alcoholics Anonymous and Al-Anon meetings follow the lectures at 8:30 p.m.

Girl Scout Carnival

Junior Troop #653 and #448 are planning a Carnival May 9th at Wurster Park. The hours for the event will be 9:00 to 6:00. The purpose of the carnival is to help the girls earn money for a camping experience.

The carnival will consist of 9 booths of games, a craft booth and white elephant sale.

Also available will be a bake sale featuring decorated Mothers' Day cakes. The girls will be working at a concession stand that will have pop, potato chips and

OLD FASHIONED BAKE SALE: RAISES SPIRITS AS WELL AS FUNDS

As everyone knows, an annual bake sale is often a social event as well as a fundraiser. Home-baked goods have long been a universal favorite, and bake sale shoppers as well as organizers enjoy munching on home-baked treats as they prepare for the sale or browse during it.

Should your organization begin planning a bake sale, here are some inspiring adaptations of classic home-baked favorites. Peanut Spice Cake and Viennese Apple Pie, featured here, are variations on the classic home-baked sweets—chocolate cake and apple pie. Made with Planters Cocktail Peanuts, they provide a sizeable portion of protein and minerals as well as a chewy texture that so many people love in their home-baked treats.

PEANUT SPICE CAKE

1 package (18-1/2-ounce) devil's food cake mix 3/4 teaspoon ground cinnamon 3/4 teaspoon ground allspice 1/4 teaspoon ground cloves 1-1/2 cups water 2 eggs 2 tablespoons Fleischmann's soft margarine, melted 1/3 cup Planters creamy peanut butter 3 tablespoons Fleischmann's soft margarine 1/4 cup milk 3/4 teaspoon vanilla 2 cups unsifted confectioners sugar (about) 1 cup Planters cocktail peanuts

In a large mixer bowl combine cake mix, cinnamon, allspice, cloves, water, eggs and melted margarine; blend until moistened. Scrape sides of bowl and beaters. Beat as package directs. Pour into 2 well-greased and floured 8-inch square cake pans. Bake in a moderate oven (350° F.)

about 35 to 40 minutes, or until done. Cook in pans on wire rack 10 minutes. Remove from pans; cool thoroughly on wire rack. Meanwhile, blend creamy peanut butter and soft margarine. Mix in milk and vanilla. Add enough confectioners' sugar to make a soft, spreadable frosting. Beat until smooth. Frost tops and sides of cooled cake layers. Chop 2/3 cup cocktail peanuts and decorate center-top of cake with remaining peanuts. Makes one 8-inch cake.

VIENNESE APPLE PIE

Pastry for 2-crust pie 1/2 cup sugar 3 tablespoons flour 3/4 teaspoon ground cinnamon 1/8 teaspoon ground nutmeg 1/8 teaspoon ground cloves 3 cups shredded pared baking apples 1/2 cup dark seedless raisins 1 tablespoon lemon juice 2 tablespoons grated lemon peel

3 tablespoons Fleischmann's margarine 1/4 cup chopped Planters cocktail peanuts 1 tablespoon sugar

Prepare pastry. Roll out 2/3 dough on floured board to a 12-inch circle; fit into 9-inch pie plate. Set aside with remaining dough. In a large bowl mix together 1/2 cup sugar, flour, 1/2 teaspoon cinnamon, nutmeg and cloves; stir in apples and raisins and then lemon juice and lemon peel. Pour into pastry-lined pie plate. Dot with margarine. Roll out remaining pastry and cut into strips. Arrange in criss-cross fashion over apple mixture. Seal to bottom pastry and flute edge.

Mix together cocktail peanuts, remaining 1/2 tablespoon sugar and 1/4 teaspoon cinnamon. Sprinkle over top of pie. Bake in a hot oven (400° F.) for 40 to 45 minutes, or until done. Serve warm or cold. Makes one 9-inch pie.

Summer Camp Job Opportunities

America's organized summer camps offer an estimated 250,000 seasonal job opportunities in the nation's 9,000 camps, according to the American Camping Association, the nation's largest and oldest group of camping professionals.

"Both resident and day camps are now looking to hire staff for all sorts of positions," advised Pat Holden, ACA's Michigan Section President. "Camps provide an excellent job possibility for college students, teachers, retirees, even working professionals, like doctors and nurses," she added.

Mrs. Holden explained that qualified individuals are hired every year as camp counselors who work and live, in most

cases, with campers. There is a great demand as well for instructors in water sports and safety, archery, tennis, contact sports, boating, drama, painting, sculpturing, horseback riding, and music. "In fact," Mrs. Holden noted, "as camps now provide an enormous variety of self-improvement, remedial, and developmental skills, almost any individual with the appropriate background and training can find employment in Michigan's 900 camps."

"Organized camping means working in the out-of-doors, being close to children, and helping others," Mrs. Holden continued. "It's the kind of job, moreover, which offers tremendous amounts of personal satisfaction for those who enjoy working with young people," she said.

"Many colleges even offer credit to students for work experience in summer camp," Mrs. Holden explained. "The camp provides a setting not only to share one's skills and knowledge but to expand them as well," she added.

But it's not just college students who are working in camps. Every summer, staff personnel are hired as nutritionists and dieticians, kitchen and ground maintenance workers, as well as doctors and nurses.

The ACA advises prospective job seekers to evaluate their interest in camp work carefully. "It's important that the reasons for working in this special kind of setting be carefully understood," Mrs. Holden, advised. "Working at camp means knowing how to deal with children, understanding their needs and maintaining a keen sense of responsibility for their welfare. This is why ACA accredited camps place such careful scrutiny on the hiring process. We maintain strict standards in terms of the preparation and experience of potential counseling staff, as well as regular training and ongoing supervision, and frequent evaluation," she concluded.

Individuals interested in knowing more about how they can work in summer camps should contact the Michigan Section of the American Camping Association at 3208 West Road, Lansing, Michigan 48912 or call (517) 337-0867.

Learn About High Blood Pressure

What do you know about high blood pressure? In the last 8 years, Americans have become more aware that high blood pressure is a dangerous disease. In 1973, only 13 percent of Americans knew that high blood pressure is a major cause of heart disease. Today, almost twice that many, a quarter of our population, relate high blood pressure to heart trouble. A growing number of people also now know that high blood pressure leads to strokes and kidney failure.

The dangers of high blood pressure are better known. But some people still have the wrong ideas about this common illness. Some people confuse high blood pressure "control" with a cure. There is no cure for high blood pressure. To keep it under control, doctors usually use medication to bring down the pressure. People with high blood pressure can bring their pressure into the normal range if they follow their doctor's advice and take medicine every day. If they stop taking their pills, however, their blood pressure will go up again.

Another wrong idea about high blood pressure is that it only affects nervous and tense people. The medical term for high blood pressure is "hypertension." So some people wrongly assume that only anxious or tense people have high pressure, while calm and relaxed people have low or normal pressure. This isn't true. High blood pressure can affect anyone. It is a physical condition in which the heart and blood vessels are strained by blood pumping with too much force through the body. Lawyers, housewives, farmers, executives, students, nurses—anyone can have high blood pressure.

Some people think a headache, dizziness, or feeling bad are telltale signs that blood pressure is up. These, too, are wrong. High blood pressure has no symptoms. In fact, you can feel fine even though your blood pressure is high. Or, you can have a headache (for some other reason) when your pressure is normal. That's why you should take medicine each day at prescribed times. The medicine must be taken just as the doctor says for it to lower your pressure. Ask your doctor what to do if you miss a dose. Make sure your prescription doesn't run out. You should treat your high blood pressure every day.

regardless of how you "feel." In addition to medicine, doctors sometimes tell their blood pressure patients to watch their weight, cut down on salt, exercise more, and stop smoking. Some people think they can choose either to take the medicine or to follow the other advice. This isn't usually true. The advice is meant to be followed in addition to taking medication. The two types of therapies go together. If you watch your weight, cut down on salt, exercise more, and do other things your doctor asks, it will help the medication to work better. As a possible result, you may need to take less medicine.

One out of every seven Americans has high blood pressure. Yet three-fourths of our people still do not know all the facts about this dangerous disease. We are trying to put an end to all the wrong ideas and let everyone know how important it is to take medicine regularly and to follow a doctor's advice. If more Americans do these things, we will have a better chance of putting high blood pressure "under control."

HIT OR MISS

by farley

Long about a week ago Sunday we wrote an article about the forthcoming daylight savings time which started last Sunday, and carefully folded it and sealed it in an envelope and placed upon it a stamp and put it with the other letters to be mailed. This morning (April 27) we noticed it still lying quietly in the same spot. This makes it a week late for daylight savings time I suppose but that event is not the affair it was some years ago, so if you too forgot to set your clock ahead Sunday morning (or Saturday night) it doesn't matter a great deal does it?

But I'm not going to waste all the effort we put into the column about daylight saving. In the first place the media said time after time that one should set their clocks ahead an hour at 2:00 a.m., but I've not found anyone who stayed up till then to do it.

This event isn't half the fun it used to be back in 1975 when Ohio went on "fast time" and Michigan stayed on Eastern Standard time. That was fun for those who lived near the Ohio-Michigan line. You could take a bus from Toledo to Detroit and arrive there almost before you left. Those who lived in Michigan and worked in Toledo had a ball all that winter. They had to leave home at about the time they were to be at work in Toledo but it took them two hours to go 30 or so miles from work to home.

We remember that some smarty wrote in and asked how to change the time on a sun dial and he was advised to get up before dawn at 2:00 a.m. and sit beside the dial until 2:00 a.m. then twist the dial into position as fast as possible. And then another wise guy wrote in and asked what effect daylight saving time had on the livestock and he was answered it being told that the only complaint he had heard was cold hands at the time of the fall changeover.
