### HIT OR MISS

by farley

Long about a week ago Sunday we wrote an article about the forthcoming daylight savings time which started last Sunday, and carefully folded it and sealed it in an envelope and placed upon it a stamp and put it with the other letters to be mailed. This morning (April 27) we noticed it still lying quietly in the same spot. This makes it a week late for daylight savings time I suppose but that event is not the affair it was some years ago, so if you too forgot to set your clock ahead Sunday morning (or Saturday night) it doesn't matter a great deal does it?

But I'm not going to waste all the effort we put into the column about daylight saving. In the first place the media said time after time that one should set their clocks ahead an hour at 2:00 a.m., but I've not found anyone who stayed up till then to do it.

This event isn't half the fun it used to be back in 1975 when Ohio went on "fast time" and Michigan stayed on Eastern Standard time. That was fun for those who lived near the Ohio-Michigan line. You could take a bus from Toledo to Detroit and arrive there almost before you left. Those who lived in Michigan and worked in Toledo had a ball all that winter. They had to leave home at about the time they were to be at work in Toledo but it took them two hours to go 30 or so miles from work to home.

We remember that some smarty wrote in and asked how to change the time on a sun dial and he was advised to get up before dawn at 2:00 a.m. and sit beside the dial until 2:00 a.m. then twist the dial into position as fast as possible. And then another wise guy wrote in and asked what effect daylight saving time had on the livestock and he was answered it being told that the only complaint he had heard was cold hands at the time of the fall changeover.

### LETTERS TO THE EDITOR

Dear Editor:

Tuesday, May 19th, is an important day for property taxpayers in Michigan. May 19th is your chance to vote a tax cut effective immediately.

Michigan voters last November sent state officials a very clear message which was twofold. First, taxpayers want cuts in property taxes and state spending. Second, while they want tax relief they are concerned that adequate revenues are provided so as not to cripple our schools, our police, and our human services. On two occasions taxpayers have rejected more radical approaches.

State lawmakers and the Governor have responded to that message by placing on a special May 19 ballot a proposal that will cut taxes while maintaining essential state services. Proposal A is a responsible approach to property tax relief.

Proposal A will cut property taxes on operating millage by 50 percent up to a maximum of \$1400 per homestead. That \$1400 figure will rise annually with inflation. The proposal also limits the growth of property tax revenues to 6 percent a year. The 6 percent cap will continue to protect homeowners from the effects of soaring assessments. The 6 percent level of Proposal A is far below the 1981 average statewide increase of 14 percent and well below projected increases for the decade ahead.

Proposal A would also require all lottery revenue to be used exclusively for schools, cut city income taxes in half for both

residents and non-residents, and cut state spending a quarter of a billion dollars. That's another quarter of a billion dollars in addition to the billion which the Governor and the Legislature have already removed from the budget during the past two years.

The state would be required to reimburse local governments and school districts for all revenue lost from the tax cuts, using all of the revenue from the one and one-half cent increase in the state sales tax.

If you don't vote or vote "no" you lose the only opportunity you have for a tax cut this year. We, as Co-Chairs of the Citizens for a Tax Cut Now Committee and as private property taxpayers, urge you to study carefully the proposal, get all the facts, and then vote on May 19.

If you have any questions or desire information you may call us at (517) 372-0780 or write Citizens for a Tax Cut Now, 200 Mill, Lansing, MI. 48933.

Sincerely,  
William Rustem, Co-Chair  
Terry Black, Co-Chair  
Citizens for a Tax Cut Now

The Village of Manchester will be holding a public meeting on June 15, 1981 at 8:00 P.M. in The Village Council Chambers to discuss a proposed wastewater treatment project in the Village which should be of interest to all of the community's residents. The project cost is estimated to be about 5.8 million dollars of which about 2.1 million dollars will have to be raised locally. Since this would be a major undertaking by the Village, citizens are invited to participate. The cost for a typical residential customer as a result of this project is expected to be \$35.48 per month. More information can be found in the Village's legal notice announcing the public meeting or by contacting the Village offices. The River Raisin is one of our Village's major assets. You are all invited to attend this meeting to discuss the need for the project in terms of the water quality of our River and the project costs as they affect you.

Sincerely,  
Jeff Schaffer  
Village President

### Youth Art On Display

Batik, chalk, pewter, fiber, plaster, stichery, acrylics, and watercolors are just a few of the diverse elements appearing in the third annual exhibition of youth art.

"Through a Child's Eyes", presented by the Manchester Art Guild. Student work from grades K-12 was put under close scrutiny at the opening reception, Sunday, May 3. A crowd of proud young artists, parents, teachers, and friends gathered to view over 100 artworks as well as to enjoy a demonstration and a presentation of slides on children's art by representatives of the Rudolf Steiner School in Ann Arbor. Six districts have participated in this year's exhibition: Chelsea, Clinton, Columbia, Dexter, Manchester, and Tecumseh. Represented from Manchester are a number of works from students in the Middle and High Schools.

This outstanding display may be seen now through Thursday, May 21. Hours for the show are: Thursday and Friday from 7:30 - 9:30 p.m., Saturday from 10:00 a.m. - 12:00 noon and 7:30 - 9:30 p.m., and Sunday from 3:30 - 5:15 p.m. The Manchester Art Gallery is located adjacent to the lobby of the Black Sheep Repertory Theater, upstairs at 138 E. Main St., Manchester.

### Twentieth Century Club "Spring Luncheon"

Thirty members and guests of the Twentieth Century Club enjoyed the Annual Spring Luncheon at the Tecumseh Country Club on Saturday, April 25th.

Mrs. Dan Boutell was Chairman of this occasion and presented Mrs. Gene Riggs of Caro, Michigan.

She gave a very interesting demonstration of the art of Dipping and Draping, and had a fine display of finished Dolls such as Angels, animals, Nativity figures and other Seasonal decorations.

Mrs. Riggs is the daughter of Mr. and Mrs. Paul Alber of Manchester.

problems of self-government as operated in Michigan.

The purpose of the American Legion Auxiliary Girl's State is threefold:

1. To emphasize the importance of government in modern life.
2. To stimulate a deep and lasting interest in government.
3. To enlarge our understanding of governmental process.

The basic method of Girl's State, by which these goals may be achieved, is that of actual participation in the political and governmental process. Care has been taken to design the Girl's State program so that every citizen may participate in the electoral process, have an opportunity to hold public, and be encouraged to share in the formulation of public policy. Since no one person can serve in all offices of government, it is expected that a great deal will be learned by observation of the activities of others. It is hoped that the Citizens will leave Girl's State with a mature appreciation of some of the basic strengths and weaknesses of the American system of government. It is hoped, further that they will leave with a firm resolution to make government a more effective and responsible servant of the people.

the American Legion and Auxiliary in 1920 and since that time, programs have been conducted throughout the United States each year.

Contributions made on Poppy Day are used by the local units to aid needy veterans and their families in the community and in hospitals throughout the state. All proceeds are channeled directly into rehabilitation and welfare work for children and youth.

Legion and Auxiliary members from Manchester will ask the public to pause for a moment, pin on a poppy, and wear it with pride, remembering the civilian who took an oath to serve his country and gave his life so that America would survive today.

### Notice

### Hospital Week

"Looking Well into the Future" will be the theme of Saline Community Hospital's celebration of National Hospital Week, May 10 - 16. The 1981 National Hospital Week theme provides a fitting description of the commitment of the hospital to improving the future health of the community. Building a strong foundation for the future health of the community is everyone's responsibility. Each person can help by becoming aware of the health care services available and by using these valuable resources wisely.

During National Hospital Week, Saline Community Hospital urges you to start working today for a healthier tomorrow by taking advantage of the many free, health screening and education programs which will be offered in anticipation of "Looking Well into the Future".

For programs or for further information, please contact the hospital at 429-5435, ext. 249.

### Home Sweet Home

"Living - Where and How" will be the topic for the next health education program designed especially for senior citizens to be held on Wednesday, May 13, from 11:00 a.m. to 1:00 p.m. in the Blue Room of Saline Community Hospital. Dorothy Robb, a peer counselor at Turner Geriatric Clinic, will be the leader for the workshop which will explore alternatives in housing for seniors. A panel discussion by senior citizens will also be included in the program.

This program, one in a continuing series, is sponsored by area Senior Citizens and Saline Community Hospital. The regular cafeteria luncheon will be available following the program. For transportation, call the Saline Senior Council, Inc., at 429-9274 or, in Manchester, call Millard Uphaus at 428-7461.

### Spring Fun Festival Community Schools Enjoyed By all Lunch Menu

Saturday, May 2nd, the Spring Fun Festival was held at Klager School. The weather was beautiful and everyone there seemed to be having a great time. Two young people who really enjoyed themselves were Steve Samonek and Kevin Milkey. They won the raffle.

We'd like to thank the special people who made this project possible. J. McGuire, H. Nickerson and all the teachers of Klager, the room mothers and moms who worked, all the people who made cakes and donated material for cookie decorating and the white elephant sale.

We also wish to commend Dick Fielder, Carol Savage, Carol Scherdt, Emily St. Charles, Kathy Siler, Mary Weismayer and all the parents from Pleasant Lake School for doing an excellent job of providing the food.

We also wish to express our appreciation to the committee chairpersons: Shirley Lowery, Sue Lavender, Betty Gregerson, Pauline Hart, Pat Sabakian, and June Campbell and all the people who freely gave help to them when asked. That includes a special thank you to our local police and the local merchants who let us advertise in their windows.

I am sure many of our children think fondly of Mr. and Mrs. C. Flak after Saturday. I believe the magic he speaks of is a genuine love of his fellow man. How do you think someone for that?

Last, but not forgotten, the three lovely ladies who were still working hours after the Festival was over—Kay Schook, Sandy Smith and Pat Faulhaber. A very warm thanks to you.

### Obituaries

**Homer F. Dennis**  
 9009 Austin Rd.  
 Bridgewater

Age 73 years, formerly of Manchester, died Friday, May 1, 1981 at St. Joseph Mercy Hospital.

He was born September 27, 1907 in Dundee, the son of Spencer and Mary Ellen Krebs Dennis.

Mr. Dennis had been a farmer, also an employee of the Double A Products Company and at the time of his death, he was an employee of the Village of Manchester.

Mr. Dennis was a charter member of the Victory Baptist Church in Manchester.

Survivors include, former wife, Mrs. Dorothy Brown of Manchester; one brother, Joseph of Ann Arbor; four sisters, Mrs. Dorothy Slusser of Troy, Mrs. Edith Mullins of Algonac, Mrs. Nellie Guenther of Saline, Mrs. Myrtle Guenther of Bridgewater, also several nieces and nephews.

He was preceded in death by two infant children, also a brother, Charles in 1922.

Funeral services were held Monday, May 4, 1981, 1:30 p.m. at the Victory Baptist Church. Dr. Clare Gleason officiated. Burial followed in Washtenaw Memorial Park in Ann Arbor.

Mrs. Mary Ann Beatrice Lamming Simmons (Mrs. Clifford) of Pasadena, California, died there suddenly April 28. She was the last surviving child of eight born to Elizeman Rushton Parr and Thomas Lamming and was born in Manchester on February 22, 1886. Two others had passed their 95th birthdays at the time of death; Mrs. Frances Lamming Feldkamp Hanslip of Toledo who died this February at 96 and C. William Lamming of Manchester who died in 1977, also at age 96. The Lamming farm centered around the old stone house on Sharon Valley Road just north of the village.

Mrs. Simmons taught in a one room school southwest of Manchester until her marriage to Clifford Simmons of Toledo. In the 1920's, they went to Los Angeles where Mrs. Simmons was widowed and raised four children. One son, Dale of Phoenix and one grandson preceded her.

Surviving are son Milton Simmons, a San Francisco attorney and two daughters, actress, Mrs. Lenore Nicholson and Mrs. Allean Berry; six grandchildren, three great grandchildren, nieces, nephews, and cousins.

Memorial services were held in Westwood on Friday, May 1, 1981.

# School Sports Activities

Kari Agin wins in 220 dash. Photo by Carol Kidd

By Jon Hardenbergh  
In the first part of this article I'll tell you about our runners, then about all Spring Sports of last week (what I have). Just briefly I'll say of the 4 varsity sports 3 of these teams remain unbeaten league-wise going into this week.  
Starting with Girls Track, Coach Korican got the team off to a win over Summerfield but then dropped back to back meets to Vandercook Lake (81-42) and Napoleon (82-41). But as the L.C.A.A. campaign got under way the Dutch came to life. Clinton was first to fall as Charlotte Rickelman tossed the discus 74' 10". Michelle Larock ran the 110 hurdles in :17.4, the 100 yd. dash - Kari Agin :12.1 and Kari also

captured firsts at the 220 hurdles then the 220 dash. Other winners were the 440 and 880 relay team, both consisting of the same young women-Pam Martin, Carrie Petsch, Natalie Walkowe and Michelle Larock. Also tape breakers, Linda Rose (mile), Kay Eversole (440), Dawn Eversole (880), and Laurie Fitzgerald (2 mile). This left the final tally 82-41. Two days later we faced Hudson with the Tigers really battling but the score went our way 67-56. Charlotte Rickelman again took the discus (81' 2"), Kay Eversole - high jump and 400 dash, Kari Agin - 100 dash, 200 dash and 200 hurdles, Pam Martin, Carrie Petsch, Laura Honer and Michelle Larock took both 400, and 800 relay event. Michelle Larock won

the 100 hurdles but it was our 1,600 relay bunch who led the victory. Kay Eversole, Sarah Platt, Lori Foss and Kari Agin. Our next stop was at the Grass Lake Invitational where we finished 8th of the 15 schools there.

In news of our Boys Track Squad I'm afraid it's not too good as we are still seeking our first win.

Keeping you current in track, the Tuesday meet at Onsted got postponed and Thursday our boys lost to Gabriel Richard as our girls downed the Irish.

This week an early stat list of the doings of all area schools participating in track came out. Now this list includes schools of class A, B, C, and D sizes with our only boys' member being Dana Clark, currently in 2nd place for the shot put letting it fly 50'8". In the girls division we see Kari Agin tied for 7th in the 100 dash but 2nd in the 220 hurdles being only .4 of a second from the top spot. Our relay teams have 2 spots-8th in the 440 and 8th in the mile. Alicia Seegert is 2nd in the discus and 4th in the shot put as Charlotte Rickelman is 7th in the discus.

On our track schedule we both trek to Morenci Thursday. The big day is Saturday as we host our Manchester Relays, then on Tuesday welcome Blissfield.

In baseball, Hudson was the opponent Monday and hurlers Brad Stetler and Tom Malcolm teamed to nip the Tigers 9-8. The girls had an easy time as Alicia Seegert tossed her 2nd consecutive no-hitter and was supported by teammates' 16 hits to make the final 11-0. The girls capped off their week in great style with a victory over Dundee. Our boys beat Blissfield on Thursday but got clobbered by Dundee Friday.

The baseball schedule: Varsity - Thursday and Friday, hosting Grass Lake and Blissfield, then travel to Clinton on

Monday and Hudson on Wednesday; J.V. - just the opposite of the Varsity. In Girls Softball: Varsity trek to Blissfield on Friday and Saturday, then host Clinton and Hudson on Monday and Friday; J.V. opposite Varsity.

## Girl's Track Results

The Girls Track season is underway and at this time the Dutch have a 4-2 record and a 3rd place finish at the Quincy Relays.

Highlights of our past meets are:  
Summerfield - Manchester defeated Summerfield 69-60. This meet features double wins by Alicia Seegert in the shot put and discus; Laura Honer in 100 and 200 hurdles; Kari Agin, 100 and 200 dash.

Vandercook Lake - Manchester lost to a strong Vandy team 81-42; Kari Agins 2 wins in the 100 and 200 dash were our teams high point.

Napoleon - With our Seniors on a trip, Napoleon defeated the Dutch 82-41. Manchester wins were Kay Eversole in 400 mile dash and Kari Agin in the 100 and 200 dashes.

Clinton - Manchester bounced back by beating arch-rival Clinton 82-41. Highlights were 3 wins by Kari Agin in the 100, 200, 200 hurdles and first time wins in their careers, Charlotte Rickelman, discus; Linda Rose, mile; Lauri Fitzgerald 2 mile.

Hudson - Manchester 67 - Hudson 56; winners were Kari Agin 100, 200, and 200 hurdle; Charlotte Rickelman, discus; Kay

Eversole, high jump and 400 dash; Michelle LaRock, 100 hurdle.

Grass Lake Invitational - Highlights were school record by Alicia Seegert in the discus 103'8".

Gabriel Richard - Manchester won 86-28 - Leading the way were Kari Agin, wins in the 100, 200, 200 hurdles; and first time wins for Jenny Feldkamp in 100 hurdles and Katie Miller in the 3200 run.

Quincy Relays - On Saturday, Manchester girls finished 3rd at Quincy. The 440 relay team of Laura Honer, Pam Martin, Carrie Petsch and Kari Agin took a first. In total the Dutch won 18 medals. Kari Agin won 4 medals, Carrie Petsch, Pam Martin and Kay Eversole each won 3 medals. Natalie Walkowe, Alicia Seegert and Charlotte Rickelman picked the remaining points and medals.

## Spur Of The Moment

Our first show, of 1981, was held at White's Arena, on Sunday, May 3rd. It was a perfect day, for one, too. We had a lot of new contestants, plus most all of the old stand-bys. If you will note, further on, we have some new sponsors, for our classes... and from MANCHESTER, too.

"Our judge, and ringmaster were from Belleville, and did a fine job. We do appreciate them, very much. Their names are Judge, Beth Harring, and her aide Beth Ciuk.

NOTICE OF PUBLIC MEETING  
VILLAGE OF MANCHESTER

Notice is hereby given that the Village of Manchester will hold a public meeting on the Final Facilities Plan for the Village of Manchester Wastewater Treatment Project. The meeting will be held at 8:00 P.M. on June 15, 1981 in the Village Council Chambers located at 120 S. Clinton.

The Final Facilities Plan was originally prepared in February 1977 and has been discussed at one previous public hearing and one public meeting. The purpose of this meeting is to discuss the updated cost estimates of the selected project.

The selected project is described as follows:

1. Construction of new sanitary and storm sewers to effect separation of combined sewers for the purpose of eliminating combined sewer overflows to the River Raisin. Total Cost \$1,599,500. Local Cost \$921,100.
2. Sewer System Extensions on Ann Arbor Street, Wager Street, South Macomb Street, Logan Road, Grove Street, Adrian Street, Spring Lane, and Hibbard Street. Total Cost \$631,000. Local Cost \$455,000.
3. Upgrading and expansion of the wastewater treatment plant. Total Cost \$3,618,000. Local Cost \$740,000.

The preliminary user costs for a typical residential customer are estimated as follows: (Based on 560 customers)

- A. Wastewater Treatment \$6.61.
- B. Operation and Maintenance \$12.68.
- C. Sewer System Improvements \$9.04.
- D. Sewer System Extensions \$7.15.
- Total Average Monthly Charge \$35.48.

These estimates are preliminary and will be revised based upon actual construction costs.

You are strongly encouraged to attend this public meeting to discuss the need for the project and the project costs.

Copies of the Final Facilities Plan may be reviewed at the Village Office, 120 S. Clinton.

**Board Of Education Urges Yes Vote On May 19**

The Board of Education of the Manchester Community Schools has adopted a resolution urging all registered voters in the school district to vote YES on Proposal A which will be on the Township ballot on May 19. Proposal A is designed to reduce property taxes by 50%. In addition state equalized valuation will be permitted to increase at a rate of no more than 6% per year.

The official resolution adopted by the Board of Education at its regular meeting on Monday, April 20, is as follows:

Whereas, the Board of Education of the Manchester Community Schools recognizes that the State of Michigan is at a "crossroads" with respect to the issue of tax relief; and

Whereas, Proposal A will be submitted to a vote of the people of this State on May 19, 1981; and

Whereas, Proposal A represents significant progress towards achieving property tax relief for the taxpayers of Michigan without totally disrupting governmental programs and services by:

1. Providing genuine tax relief to taxpayers. Reduction in property tax payments and city income tax payments, together with expanded homestead property tax credits, will offer net tax relief, even though the sales tax is increased.
2. Providing for 100% replacement to school districts for revenues not collected because of reductions in homestead property taxes and city income taxes.
3. Providing for a waiver of the revenue growth limitation. Although school districts generally will suffer a reduction in anticipated revenues because of the 6% revenue growth limitation, the people will be able to vote to raise or waive the limit to maintain and improve educational programs and services.
4. Returning funds to school districts in a manner which will encourage people to tax themselves to the extent necessary to provide responsible public school programs, while at the same time balancing the burden of state and local taxation.

You can have a sweet tooth and be a soft touch without dire consequences, but if you have high blood pressure, you can be headed for trouble. Don't risk harboring the silent killer. That's like playing with a Saturday night special.

There are about 1,700,000 adults in the state who have high blood pressure. Of that number 278,215 know they have hypertension, but are not treating it. They are living at high risk. Another 622,750 have high blood pressure and don't know it, so are not treating it. This month is a good time to learn whether or not you're in that category.

With a test so simple and control so easy it's difficult to understand why so many people take chances with stroke, heart disease, and kidney disease. Heart disease is the number one killer in this country, and it could be reduced by hypertension control.

Now THEREFORE BE IT RESOLVED, that the Board of Education of the Manchester Community Schools declares its support for Proposal A as a responsible, reasonable, and realistic tax

relief proposal, and pledges that its members will work actively for the passage of proposal A on May 19, 1981.  
Moved by Paul DuFresne, supported by William Bunney. All members in favor.

**House Call**  
**MAY IS HYPERTENSION MONTH**

We use a lot of phrases in everyday speech that everyone understands. There's the "sweet tooth", the "soft touch", and the "Saturday night special". Without explanation we know the reference is to someone who likes sugar, someone who can't say no, and to a cheap hand gun.

In the field of health care there's another phrase: the silent killer, which refers to hypertension, or high blood pressure as it sometimes is called.

In its own way the silent killer can be as dangerous as the Saturday night special. It can lurk within its victim for years before exploding as a heart attack, stroke, or kidney disease.

There are no early outward signs of hypertension. It cannot be seen or felt; but there are inward signs that can be detected. A simple blood pressure test can show whether or not your blood pressure is high. If it is, daily medication for the rest of your life (with some exceptions) can keep it under control. Hypertension can be controlled, but it cannot be cured. Once you have hypertension, you always have it.

May is High Blood Pressure Month. It's a reminder that you should have your blood pressure checked at your doctor's office or local health department.

There are about 1,700,000 adults in the state who have high blood pressure. Of that number 278,215 know they have hypertension, but are not treating it. They are living at high risk. Another 622,750 have high blood pressure and don't know it, so are not treating it. This month is a good time to learn whether or not you're in that category.

With a test so simple and control so easy it's difficult to understand why so many people take chances with stroke, heart disease, and kidney disease. Heart disease is the number one killer in this country, and it could be reduced by hypertension control.

### News of Good Things Growing

BY: Margaret G. McCall

There's a good spring tonic at the market now, another of the good things growing in Michigan. I'm talking about rhubarb, alias pie plant. In colonial America, it was also known as "spring fruit."

Michigan grows both field and hothouse rhubarb, and there's an interesting history associated with this crop. Hot-house rhubarb was brought to Michigan by Belgian immigrants who settled in the Macomb county area. A quarter-century ago, there were about 300 families specializing in this crop, but their numbers have dwindled to only a dozen now.

Because we also grow field rhubarb, mostly in southwestern Michigan, our state still ranks second in production. Only the state of Washington grows more. Total annual harvest of this specialty crop, according to the Michigan Department of Agriculture, is 5.5 million pounds, worth \$745,000.

Whatever you call it, rhubarb makes delicious pies and other desserts. If you're lucky, you may have a patch of pie plant growing in your garden. It doesn't require much care and yields generous dividends for little effort.

I think it's better baked than stewed, and here's my recipe: Clean 2 pounds of rhubarb, cut into 2 or 3 inch chunks. Arrange in a covered 2 quart casserole. Add 1/3 cup of water, a dash of salt, and about 1 1/2 cups sugar (depending on whether you like it tart or sweet). Cover and bake at 350 degrees until tender, about 25 minutes. Serve warm, or chill and top with sweetened whipped cream.

### Dog Heartworm Prevention

Early spring is the ideal—perhaps crucial—time to begin making your small investment in dog heartworm prevention. Lag time for a blood test is what makes spring a golden time to begin, according to the Michigan Veterinary Medical Association. Here's why:

Affliction with heartworm—a mosquito-carried parasite which affects large numbers of dogs in Michigan and surrounding areas each year—can be prevented with an oral medication. This medication, however, may safely be given only to dogs found to be free of heartworm by a blood test.

After a dog is infected with the parasite, it takes six months before the microscopic worms will appear in the blood. A blood test given now covers all of the previous infection period (that is, the past mosquito season). If done much earlier, the test may miss late-season infections; put off too long, on the other hand, it excessively delays starting the prevention procedure.

The blood test is a search for microfilaria, which is the form of the parasite that mosquitoes carry from dog to dog.

If the blood test shows that your dog has heartworm, your veterinarian can advise you on treatment. Signs of heartworm infection include coughing and shortness of breath, which you'll notice when you dog loses his ability or willingness to exercise as much as usual.

If you travel south in the winter and take your dog along, put the dog on heartworm preventive when you arrive and continue it for 60 days after returning. For dogs spending all year in those parts of the country, it is recommended that heartworm preventive medications be given daily during the mosquito season and for 60 days after mosquitoes are gone in the fall.

The medication comes in the form of syrup and regular tablets or chewable tablets.

### Childbirth Film Festival

What's the best movie deal in town? It's got to be the Third Annual Film Festival sponsored by Ann Arbor Advocates for Safe Alternatives in Childbirth (ASAC).

Four childbirth films and refreshments will be offered for a suggested three dollar donation on both Thursday and Friday nights, May 14-15 at 7:30 p.m. in the Wesley Foundation Lounge, 602 East Huron at State, Ann Arbor.

The movies include "Newborn", "Caesarean Birth", "Having Twins", and "Primum Non Nocere" (on home birth). "You very rarely get to see this many childbirth films at once," says ASAC Coordinator and childbirth instructor Karis Crawford. "For three dollars, it's a good deal. You can't beat it!"

ASAC is a non-profit, educational organization dedicated to providing information on pregnancy, childbirth and child rearing to the general public. It holds monthly meetings on these topics on the second Thursday of each month at 7:30 p.m.

For more information, call Lin Orrin-Brown at 971-5924. Members of ASAC and the Wholistic Health Council will be asked to donate only two dollars for the Film Festival, and children under 12 will be admitted free.

### Michigan Food Facts Available

The 1981 edition of Michigan Food Facts has been published by the Michigan Department of Agriculture in time for Michigan Week festivities, according to Dean M. Pridgeon, MDA director.

Pridgeon said the 16-page booklet describes about 50 food crops grown commercially in our state and displays some of the "good things growing in Michigan" on the four-color cover. Major crop growing areas are identified in Food Facts, as well as crop volume and value. The state's production rank in comparison to other states is also listed.

"Our state leads the nation in production of five food crops and ranks fifth or higher in 19 others," Pridgeon said.

"Each Michigan farmer produces enough food to feed himself and 67 other people, on some of the best agricultural land in the world, a resource we must protect, since it cannot be replaced."

Agriculture is the state's second largest industry, worth \$16.5 billion to Michigan's economy. Farmers received an estimated \$3.3 billion in 1980. Addition of transportation, processing and marketing costs brought the total retail value to \$16.5 billion.

Copies of the 1981 Michigan Food Facts are available without cost by writing or calling MDA's Communications office, P.O. Box 30017, Lansing, 48909, 517/373-1104.

### Arthritis Program Offered

A free comprehensive, educational program on arthritis will be offered by the Washtenaw County Volunteer Unit of the Arthritis Foundation of Michigan on Thursday, May 14, 1981 at 7:00 p.m. at the St. Joseph Mercy Hospital at 5301 E. Huron River Drive in Ann Arbor in the auditorium of the Education Center.

Michigan State Senator, Edward C. Pierce, M.D. of the 18th District will be one of the guest speakers. Senator Pierce is the chairman of Health and Social Services Committee, vice chairman of Senate Administration and Rules and Senate Education Committee and a member of the Senate Judiciary Committee.

His talk will be on "The Future of Health Care in Michigan As It Relates To The Federal Budget."

N. Lawrence Edward, M.D., Director of Education and Training, Arthritis Center, University Hospital in Ann Arbor, will lecture on "The Impact On Arthritis Research."

Because of the prestigious speakers as well as the importance of the topics, participating agencies in this program include: National Kidney Foundation of Michigan, Muscular Dystrophy Association, Washtenaw United Way, Department of Social Services, Hemophilia of Michigan, Washtenaw County Diabetes

### HIT OR MISS

A reporter friend of ours has, he says, spent a great deal of time making a list of the world's ten most useless questions. He says they are:  
 So what?  
 You asleep?  
 Have I kept you waiting?  
 Now, what's the matter?  
 Haven't you any sense of humor?  
 You don't remember me, do you?  
 You don't honestly expect me to believe that, do you?  
 Do you have any facts to back up that statement?  
 Will you promise not to get mad if I tell you something?

### Pot Roast Italian Style

Italians are renowned for their generous family meals and hospitality. If you've got a large crowd to feed, give them a flavor of old Italy with Pot Roast Neapolitan. The chuck roast is browned, then simmered in spaghetti sauce loaded with California ripe olives. Use prepared spaghetti sauce or make your own — in either case don't forget to add those crunchy dark ripe olives to give this roast an extra special flavor and texture.

- Pot Roast Neapolitan**
- 5 lb. rolled and tied boneless chuck roast
  - 2 tablespoons oil
  - 1 cup diced onion
  - 1 cup diced celery
  - 1 cup water
  - 2 cups pitted California ripe olives, halved
  - 2 cups prepared spaghetti sauce
  - 1 teaspoon garlic salt
  - 1/4 cup flour
  - 1/2 cup cold water
- Brown roast in oil, using a heavy oven proof roasting pan. Add onion, celery and water. Roast, covered, in a 325° oven for 2 hours. Add olives, spaghetti sauce and garlic salt. Continue roasting, covered, for an additional 2 hours or until tender. If desired, thicken sauce with flour blended with cold water. Makes 8 generous servings.  
 Suggestion: Serve with spaghetti and Italian green beans.

"Burning Springs," really natural gas issuing from crevices in rocks, were known in the U.S. as early as 1775.

**COUNCIL PROCEEDINGS**

April 20, 1981

Council met in regular session with the meeting called to order by President Schaffer at 7:00 P.M. Present were: DuRussel, Hinkley, Koebbe, Minick, Smith, Steele, Zsenyuk.

Minutes of the April 6, 1981 meeting were read, corrected and approved in a motion by Koebbe, supported by DuRussel. All yeas, motion carried.

Mr. David Little, Mrs. Sally Marshall and Mrs. Marcia Duncan were present on behalf of Business persons in the Commercial District on Main St. to discuss a staying program for Downtown Manchester. Mr. Little asked for Council to give consideration of beautifying a two block area from Clinton St. to M-52. A proposal was presented to lay new sidewalks and plant trees with free grate castings for the present. Other ideas would be presented in the future which would benefit the Community. It was suggested new sidewalks be laid this year and 13 trees be planted with stones or wood chips around them and the grates be put in next year. It was also suggested that donations could be requested to pay for the trees. After the discussion President Schaffer requested the Public Works Dept. to secure cost estimates on new sidewalk and the Merchants check on cost of trees. Smith questioned whether new services for water lines should be installed while the sidewalks are torn up. Hinkley, Zsenyuk and Smith are to get cost estimates.

Zsenyuk asked for Councils opinion on having the old International Tractor repaired at a cost of \$1,200.00. Zsenyuk and Smith were requested to get costs on making new tractor compatible to do the work the old one does and report back to Council before a decision is made.

Zsenyuk reported Bridge Grant monies were available to refurbish or build bridges. He requested permission to make application for a grant for the Furnace Street bridge. He was instructed to proceed with application for a grant.

Zsenyuk asked about rezoning a parcel

of property which is in the Village for an Industrial Park. The proposal was sent to the Manchester Planning Commission for research and feasibility.

Lauren Leeson presented a letter regarding the southern extension of Washington Street from Territorial Street to Wager Street expressing his concern of the extremely poor condition of the reference street because of it being the best detour route when blockage of Macomb Street occurs. He therefore suggests and petitions that forthwith the subject section of South Washington Street be repaired and maintained for at least one way traffic, by leveling the dirt surface and pruning the brush. The question arose as to whether that section is a dedicated street. Hinkley is to appoint another member of Village Planning Commission to work with Leeson on determining ownership of the section in question.

Public Works Activities as reported by Koebbe included: Repaired the street sweeper; Worked at the Parks, raking cutting and trimming trees; Worked on sewer line at 610 City Rd.; Installed a clean out; Cleaned up area on City Rd.; Worked at transfer station; Worked on catch basins; Installed water meters; Water was turned on at Carr Park, tables set out and bathroom cleaned; Filled holes in with black dirt at Wurster Park; Hydrants were flushed; Cleaned garage area; Worked on sewer system on the corner of Territorial and Schaffer Ct., also at Mrs. Ball's residence; Picked up trees in Monroe and have started planting replacing trees which have been removed; Opened park; Emptied trash barrels; Repaired water line. Used the backhoe at the land fill to clean up the hopper. Read the meter at the well house for the Police Dept. at 1:00 A.M. because some hydrants had been opened up. Five arrests were made; Jon Steele is working at the landfill; Smith reported he had been contacted about maintaining the lawn at the Manchester Library. No objections were voiced; New tractor is in use, working fine.

Council report of Water and Sewer Dept. was presented.

Sgt. Steele reported letters had been sent to residents with unlicensed vehicles on Public and Private Property.

Minick reported he would be having a meeting with Mr. Webb of Clear Cablevision to request information on what their intentions are regarding installing Cablevision in the Village, as the agreement expires in September.

DuRussel reported work is being done on drafting a Parking and Towing Ordinance regarding snow removal.

Hinkley presented the unapproved minutes of the Manchester Village Planning Commission. An 1869 Lithograph Plot map is being renovated at a cost of \$300.00 and will be hung in the new conference room.

Hinkley is to get cost of cleaning the brick on the outside of the Village Hall and report back at the next Council meeting.

Council approved mailing a check for \$1,000.00 to David Tapping for carpeting.

Zsenyuk reported Dr. Thompson, Supt. of Manchester Community Schools had accepted the offer from the Village of Manchester to buy two scout cars for \$1.00 each.

Mayor's Exchange Day will be held May 18, 1981 and Manchester will exchange with Ovid, Michigan. President Schaffer appointed Hinkley and Minick as Hosts for the day for the Village of Manchester.

A Public Hearing was scheduled for 8 P.M. on Monday, May 4, 1981 to adopt a budget for the Village of Manchester for the fiscal year March 1, 1981 to February 28, 1982.

Meeting adjourned at 8:40 P.M.  
DeaLoris E. Richardson, clerk

**Black Sheep Theatre Presents "I Do, I Do"**

The Black Sheep Repertory Theatre of Manchester will be presenting the musical I Do I Do, by Tom Jones and Harvey Schmidt, for three weeks, April 30 - May 17. The musical comedy chronicles the married life of Micheal and Agnes, played by Mathew Thornton and Patricia A. Rector. Notable songs including "My Cup Runneth Over" and "What is a Woman?" are inter-mixed with comedy and drama to reveal the trials and tribulations of marriage. The production will feature Manchester musicians Mary Sue Moore (Gandleader/piano), Joe Kress (Bass), and George Olson (Percussion).

Performances are Thursday through Saturday at 8:15 and Sunday at 4 o'clock. Ticket prices are \$7 Adult, \$5 Senior Citizen/College Student w/ID, and \$3 under 18. Please call for reservations at 428-9280.

**Girl Scout Carnival**

Saturday is the day! Yes, the Junior Girls have a fun day planned for all the people who attend their carnival. You can be sure that beginning 9:00, May 9, the girls will have many fun activities set up for community enjoyment.

Play games, visit the White Elephant Sale and watch them decorate the cake that you want to give Mother for Mother's Day.

Don't forget there will be a drawing for some very nice prizes, once every hour. The munchies and drinks at the concession stand will give you extra energy for more fun at the Girl Scout Carnival.

You know the saying "Everything can't be fun and games". Well, that isn't true for Saturday, May 9th from 9:00 to 6:00. For a very reasonable amount of money you can enjoy yourself at Wurster Park and also help the Girl Scouts Troops #653 and #448 go camping.

## CARD OF THANKS

Dear friends, it is hard to express what we would like to say, but maybe this little verse will help, and you will understand. Perhaps you sent a lovely card. Or sat quietly in a chair. Perhaps you sent a floral piece. If so we saw it there. Perhaps you spoke the kindness words. As any friend would say. Perhaps you were not there at all. Just thought of us that day. Whatever you did to console our hearts, We thank you so much whatever the part. A special thank you to Ron and June Jenter, Rev. Macfarlane, Betty Bash and Jan Stautz.

By the family of  
Ralph Bower  
God Bless you all

I wish to thank my relatives and friends for all the kindnesses extended to me during my stay in the hospital and since my return home. Thank you to Fr. Schlinkert, Dr. Herbertson, Dr. Izenberg and the nurses at St. Joseph Hospital. Also thanks for the assistance I received at the scene of the accident.  
Craig Fielder

The family of Aaron Grantham sincerely appreciates all that our friends, relatives, classmates and the community have done to ease our sadness.

We were overwhelmed by the kindness shown us, and most certainly would not have made it through this troubled time without your support.  
Walt, Millie, Belinda and Dan Grantham

We'll pay you \$1.00 for every pound you lose on

## HIT OR MISS by farley

We stumbled over a bound volume of The Enterprise and the Clinton Local (in combination) a few weeks ago and as we read them we found that life in those towns was a bit different in those days but not at all dull. Among the seemingly interesting items were the following:

The new liquor requires all screens, curtains or other devices to be removed from windows and doors so as to give an obstructed view of the bar at those times that the saloons must be closed. The penalty for violating these laws is a fine not exceeding \$200.00 and a jail sentence of from ten days to three months.

I hope to go to the realm above, when I lie down to die. I hope that choirs all clad in white will greet my wandering eye. I know that I'll be filled with joy, in regions free from care for angels tell me in my sleep that there are no kickers there. Though be the jasper pave, no soul will dare complain, though sunshine glows the ages through no spirits call for rain. Though crowns be half a size too small, no seraphs tear their hair, and all is joy because there are no kickers there. The music may be out of tune, no one will hold his ears, the robes may not be tailor made; there'll be no moans nor tears; the sandals may be often worn, none will ask for a better pair, for, Glory to the Lord of hosts, there'll be no kickers there. And when the celestial call for paving on the street, the man who gets the contract may work onward swift and fleet; no spirit will injunctions bring nor cranks nor croakers swear the realms above are free from chumps, there are no kickers there. Then take me from this vale of tears where cranks come to the front, where men who never work nor toil, still lie around and grunt; I long to wear celestial robes and climb the golden stair for well I know that in these lands there are no kickers there.-Ex.

The fire department, so called, tried to hold a meeting at the engine house, on Monday night but there was but a slim turnout.

Services were not held at the Baptist Church last Sunday as their supply of wood was exhausted.

It has been decided to hold the next State Fair at Jackson. It will be one week earlier than usual.

It is hardly probable that local option will carry in Washtenaw county where so many German People reside, yet the temperance people will do all they can to bring about the result. In Manchester where there are eleven saloons and a brewry the people have almost lost hope of accomplishing anything but other sections of the county may change the vote.

The coasting craze is at its height and the magnificent slide of Kief's hill have been thronged with coasters for several evenings.

There have been very few amusements at Goodyear Hall this winter.

James Moore will try and have a steamer placed on Wamples Lake this season.

The street sprinkler has commenced work for the season (April 10).

When a stranger appears on the streets with an umbrella in hand, our citizens point him out as another applicant for the job of school superintendent.

The council has decided that cows will not be allowed to run in the streets and the

## Alumni Association Plans

Letters will be mailed this week to all Alumni of Manchester High School inviting them to attend the 107th annual reunion of their association on June 13.

The Alumni Association of Manchester High School who's membership now includes more people than the population of the village is unique for its longevity in this era of mobility.

Although many members will be unable to attend because of distance, age or disability, the officers anticipate a capacity crowd for the dinner meeting to be held at Emanuel Church Hall at 6:30 p.m.

Although the classes of 1931, 56 and 71 will be specially honored by the association, many other classes plan special events for their members.

Mr. Carroll Dietle, Class of 31 will be the toastmaster and special music will be provided by The Varsity Choir of Manchester High School and "A Touch of Magic", an award winning female quartet.

Reservations must be returned by June 6. Questions regarding reservations can be answered by calling Sally Schiel at 428-7772 after 6:30 p.m.

## Schools Present Art Shows

The Manchester Art Department will have a showing of High School Art on Thursday, May 14, 1981 in the High School Art room. The room will open at 6:30 p.m. and remain open until the High School Band Concert.

The 7th and 8th grade Art Class will have an Art Show, Thursday, May 28 at the Middle School in conjunction with the 5th grade Pioneer Days Open House and Middle School Band and Choir Concert.

## SCOTLAND U.S.A.

The skirl of bagpipes and the swirl of kilts will fill Alma, Michigan the weekend of May 22nd as the town hosts its 14th annual Highland Festival and Games and truly earns the name "Scotland U.S.A."

The mid-Michigan town with a wee population of 10,000 annually opens its arms and exclaims "cead mille failte" (one hundred thousand welcomes) to some 80,000 visitors and guests including Governor William Milliken, Miss Dominion of Canada, Miss Michigan and Alma's Queen of Scots - all Festival regulars.

Since its conception in 1967 the Festival has grown to become the largest and most prestigious of its kind in North America. In addition to individual competition throughout the weekend in Highland dancing, drumming and piping, the Festival will host the highly sought after U.S. Open Pipe Band Championships on Sunday.

## Varsity Choir Concert

Upon returning from their annual trip, the Varsity Choir will perform their Spring Concert. This concert will be held on May 15, 1981 at 8:00 p.m. Prices are: \$1.50 Adults, \$1.00 Students, Senior Citizens are to be admitted free.
