

Council Proceedings

Petsch reported that an itemized list of delinquent water bills would be presented at next Council meeting. He also has requested a check of all park equipment. The will be put in at Kirk Park.

Hinkley reported on the schedule for the day for Mayor's Exchange Day May 18, 1981 with Ovid. Hinkley questioned whether all the outside wall of the Village Hall should be cleaned. Council granted permission to have all the brick wall on the outside cleaned. Carpeting will be laid and the slab and steps in front will be poured the week of May 11.

The Manchester Village Planning Commission and the Manchester Township Planning Commission will meet to discuss the Industrial Park.

Correspondence was read and placed on file.

A Public Hearing of the Final Facilities Plan was scheduled for June 15, 1981 at 8:00 P.M. at the Village Hall.

Correspondence regarding expansion of the Manchester Post Office was referred to the Manchester Village Planning Commission.

President Schaffer recommended the name of Mr. Tom Walton as a member of the Manchester Village Planning Commission. Moved by Koebbe, supported by Petsch to accept the recommendation of Mr. Tom Walton as a member of the Manchester Village Planning Commission. All yeas, motion carried.

Mr. Don Limpert will meet with a member of Council the week of May 18, 1981 to discuss problem of water billings.

Clyde & Williams Associates, Engineers will make a presentation to Council at the meeting to be held May 26, 1981.

President Schaffer reported he had been contacted by Mr. Jim Mann about spraying Parks for Dandelions and weeds at a cost of \$4.00 per acre plus \$10.00 per hour. Approval was granted by Council.

It was the decision of Council to change the title of Mr. William Zseynuk from Village Administrator to Village Manager. Discussion was held on problems concerning Michigan Bell Telephone system.

The meeting adjourned at 9:55 P.M.

HOUSE CALL

For years the most dreaded of shots have been those given for rabies. Imagine having 23 injections in the abdomen and thighs to counteract the bite of a rabid animal. What's more, the reactions to the vaccine are often severe.

Rabies is a disease of the central nervous system, and almost always is fatal without treatment. Effective intervention is by means of vaccine to create immunity to the disease.

The future holds promise for a better way to treat people bitten by rabid animals. Our health laboratory may soon be ready to market a new vaccine which will be effective with just six injections and cause no severe side reaction. This is good news to everyone, including veterinarians and veterinary students who work with large and small animals.

At the moment, the new drug is not on the market. It's being tested on human clinical volunteers, and this spring will be further tested in what is called a simulation trial, which simulates use of the vaccine as though exposure to rabies had occurred.

After the final simulation tests, the test information will be sent to the Food and Drug Administration. When the vaccine is licensed, in about a year, it will be provided to local health departments and physicians in the state. It will also be offered to other state health departments with a demonstrated need, at a cost of about \$20 per dose.

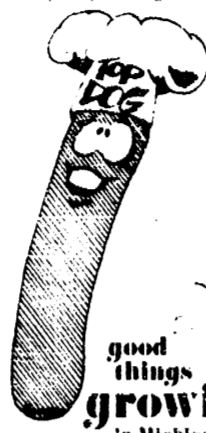

Last July a similar French vaccine was licensed for use in this country, but its cost is higher than ours will be. The French vaccine costs \$42.50 per injection, plus \$100 to \$150 for the immune globulin injections that must accompany them.

Michigan hasn't had a rabies case in humans since 1948, but the fear is always present. Thus, when a person is suspected of having been bitten by a rabid animal, the injections are given.

Soon they will be painless, less expensive, and without significant side effects. Another achievement for our State Health Laboratory.

FACT:

Enjoy the nation's top dogs—Michigan hot dogs! Our state's ground meat laws are the strictest in the nation. They assure you a real picnic when you buy only Michigan hot dogs.

A message from the Michigan Department of Agriculture and this newspaper.

By: Margaret C. McCall

That great American favorite, the hot dog, gets top billing when the family grill is put to use for summer meals outdoors.

Hot dogs are among the good things growing in Michigan, whether the traditional pork mixture, all beef, or the new turkey dogs, because they're made to Michigan's strict standards. Delicious simply grilled and served with such familiar go-togethers as tomatoes, chopped onions, and cheese, they are a special treat when served as chili dogs.

If you're looking for different ways to serve hot dogs, here are some suggestions: Slice hot dogs lengthwise, about half-way through. Stuff with Cheddar cheese

wedges, wrap with bacon, and broil until the bacon is medium crisp. Or stuff with mashed potatoes or squash, topped with cheese, then broil.

Serve a mixed grill at your next backyard party, using hot dogs, and a variety of specialty sausages, like Kielbasa, Bratwurst, and Mettwurst. Let guests choose their favorites, or sample some of each. Similarly, you can use chunks of hot dogs on shish kebabs, alternating with fresh fruit and vegetable wedges.

Hot dogs make great appetizers, cut into chunks and served hot with sour cream and whole cooked mushrooms. Combine sliced hot dogs with green pepper strips and sliced Michigan peaches (either fresh or canned), in a tangy sweet-sour sauce. If canned peaches, use the juice in your sweet-sour sauce.

Sliced hot dogs add flavor to soups, too, and are especially good in Michigan navy bean or cream of potato soup.

HIT OR MISS by farley

And so to continue with the news from the Enterprise of 1886.

Tommy Helm has sold his milk business to Henry Leeson. Dialogue now frequent between tailor and customer in view of possible prohibition. "Will you have two hip pockets or one?" "Two". "Pintor quart size?" "Quart."

The next meeting of the common council will be held in the new building.

It is reported that after the first of May, Manchester will have several less saloons than now. The \$300.00 license for selling wine and beer, and the \$500.00 license for selling wine, beer and liquor together with the more stringent law regarding who can go bond for a saloon keeper it is urged will reduce the number about one half. Well we can stand that easy enough.

The roads have been so rough for a few days past that but little grain produce or wood has been drawn to market.

It will soon be time (March 21) to clean the village streets of filth and rubbish that have accumulated during the winter.

Harlow Howard has been learning the tonorial art with Jacob Eriegel, went to Clinton to work in Ordway's shop last Monday.

Times have changed. \$80.00 to \$100.00 would buy a good lumber wagon but last week John English bought a lumber wagon and a truck wagon from Wm. Neebing for \$80.00.

There is considerable need at the east end of Exchange Place to remove the mud, while at the west of the street is "dry as a bone". We hope that the commissioner will be able to finish grading the street this

Optimist Club Outstanding Citizen

Pictured left to right: Mr. Merrill Korth, Optimist Club Member, Jennifer Feldkamp and Mr. and Mrs. Rene Feldkamp.

Jennifer Feldkamp has been named the Optimist Club Outstanding Citizen for April. Jenny, the daughter of Mr. and Mrs. Rene Feldkamp, 8701 Smyth Road, is a junior at Manchester High School.

She has been a Varsity Choir member three years, on the junior varsity basketball team two years and the varsity squad one year, served as Sophomore Class Treasurer, participated on the varsity track team three years, and was inducted into the National Honor Society

earlier this year. She is a member of the Jolly Farmerettes 4-H Club and participates as a member of the youth group and choir at Sharon United Methodist Church. She attended the Farm Bureau Citizenship seminar for 1981 and is on the student council for Manchester High School 1981-82.

Jenny, whose hobbies include jogging, reading, sewing and crocheting, hopes to study data processing after high school graduation.

MANCHESTER "DUTCH" 1981 L.C.C.A. BASEBALL CHAMPIONS

Front row: l to r: Nick Krzyzanski, Jim Krzyzanski, Randy May, Brad Stetler, Larry Jacob, Jeff Silkworth. Second row: l to r: Tim Sannes, Brad Bailey, Tony Carter, Bob Schenault, Tom Malcolm, Jeff Lance, Doug VanDeven, Coach Wes Gall.

by Jon Hardenbergh

We finally got this important contest in-it's a biggie because both squads entered with identical league records of 10-1. This meant simply if we win we take top spot—we did so finish alone as L.C.A.A. Champs for the first time since the mid 50's.

Brad Stetler took the mound and started a bit shaky but settled into a groove. We wasted no time in scoring as Nick Krzyzanski came up in the first with 2 out and proceeded to blast a solo homer to right center. Onsted's 2 runs came in the 2nd but we tied it on a double by Brad. It remained deadlocked 2-2 until the bottom of the 5th when Tom Malcolm ripped the ball into the trees in right center. Brad just kept setting down the Wildcats to end the season. This leaves our overall record at: 16-5.

Concerning Varsity Girls Softball, here's a run-down of young women who won awards: L.C.A.A. 1st Team-Pitcher-Alicia Seegert, Catcher-Mary Ridenour. All Region All-Star Team 1st Team-Alicia Seegert and Mary Ridenour. Teammate and Coaches Honors-Most Valuable - Alicia Seegert, Best Fielder - Beth Vicek, Best Hitter - Alicia Seegert, as she batted .574, and Coaches Award - Carol Buss.

Letter To The Editor

Dear Editor,

I am writing this letter to everyone in the community of Manchester, when yet another millage request has been turned down. I am very disappointed and sad. And angry.

I'm sure there are many people who have legitimate and understandable reasons for voting no. However, these last few weeks, in preparation for this vote, I have been exposed to many viewpoints which seem to me to be very strange, selfish and unfeeling. Don't people understand that these children whose education is at stake, will, in 20 years, be running the country? Or is this opportunity left to students from other communities and schools, not the children of Manchester?

A few weeks ago, there was an article on the front page of this newspaper concerning the scores the students of Manchester received on the California Achievement Test. They were above average. Many of you attended commencement services for the class of 1981. Three students achieved a perfect 4,000 average. This spring, our baseball and softball teams both won league championships. I am so proud to be from

Manchester when these things happen. We have a fantastic school and excellent educational program. We, the students of Manchester, can succeed. But will we? Will we, when our total educational program isn't given a chance? You, the voters, all attended school. Many of you participated in sports, as well as your children. You had the chance. Is it fair to take it away from us?

Sincerely,
 Jennifer Feldkamp

THE COMPLETE CAR

THE TECHNOLOGY.
 For more than just another new car, the '82 Cavalier is Chevrolet's vision of the new General Motors Car - a car that's one of the most technologically advanced cars on the road today.

THE AERODYNAMICS.
 While the '82 Cavalier is undoubtedly fun to drive, it's also a beauty in its aerodynamic sensibilities. In fact, an extremely low drag coefficient (0.32) with the hardback, a hood that tapers in at 10 degrees at 50 MPH with less horsepower than most other production cars.

THE AGILITY.
 With more and more cars today, power windows, power door locks, and power seats, the '82 Cavalier is a car that's not just a car, it's a lifestyle.

THE UNEXPECTED STANDARDS.
 A car with the '82 Cavalier's value, energy, and fun to drive, you'd expect to find a car with a price tag that's a lot higher.

THE INVITATION.
 The '82 Cavalier is a car that's not just a car, it's a lifestyle.

THE CHOICE.
 The '82 Cavalier is a car that's not just a car, it's a lifestyle.

Outdoor Worship At Manchester United Methodist Church

On Sunday, June 14th, our worship service will be held at Carr Park at 10:30 a.m. - with our potluck picnic following. This outdoor worship service will be an opportunity for worship in a new and informal setting. After the worship service, we will have a potluck picnic with everyone asked to bring their own table service, own meat to grill, and a dish to pass. The beverages and dessert will be provided. We are planning on having homemade ice cream for dessert. Games and activities are planned for both youth and adults. The UMYF will provide activities for the younger children. So wear your picnic clothes and bring your ball gloves. In past years, we have had a church school picnic following the worship service on the second Sunday of June. This

year the Council of Ministries decided to combine the picnic with the worship service. In case of inclement weather, the worship service will be held in the sanctuary and the potluck picnic will follow in Hoffer Hall.

Summer Program At Emanuel Church

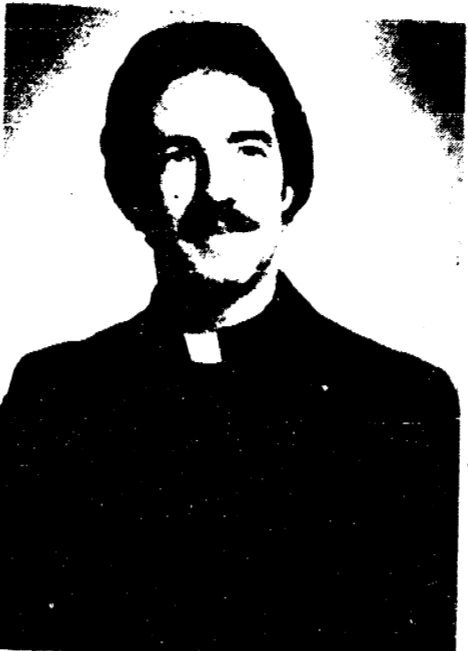

The Worship hour changes to 9:30 a.m. this coming Sunday, June 14, at Emanuel United Church of Christ, and the full choir is scheduled to continue to sing for a number of Sundays. Events during the month of June include:

Choir Party, Thursday, June 11, at 6:30 p.m. at the home of Clark and Avis Spike, 18580 Grass Lake Road.
3rd Annual Family Camping Weekend, Friday-Sunday, June 12-14, in the Caravan Field at Four Seasons Campground, off Oban Rd. in Grass Lake. Friends and relatives who do not camp, are invited to come join the fun, and bring your Saturday supper picnic, and stay for a bonfire, singing, and worship.

All-Church Golf Outing, Saturday, June 13, 2 p.m. tee-off, at Twin Knolls Golf Course, on Wolf Lake Rd. This is planned as a fun time for everyone, regardless of golfing experience.
Vacation Bible School, will take place at Emanuel Church, Monday-Friday, June 15-19, from 9 - 11:30 a.m., for ages 3 through grade 6. If your child has not registered yet, you may do so on Monday, June 15.

Touring Concert Choir, from a UCC Church near St. Louis, Missouri, called "Celebration Company," will make an appearance on Friday evening, June 19 at 8 p.m. in the Sanctuary. A former President of these 35 talented high school young people. (If your home can host one or two overnight, please call the church office, 428-8359.)

Carl Schneider To Be Ordained

Carl Schneider, Manchester, Michigan will be ordained at St. Thomas Lutheran Church, Ann Arbor (Freedom Township), on June 14, 1981 in a special service at 8:00 p.m., being the first son of the congregation in its over 140 year history to enter the ministry.

He is the son of Mr. and Mrs. Clarence Schneider of Manchester, Michigan. On June 25, 1977 he was married to Miss Patti Berger of Northville, Michigan and they are expecting their first child in December.

Carl began his schooling at Manchester Elementary School and graduated from Manchester High in 1972. He attended a year at Washtenaw Community College and then entered Concordia College in Ann Arbor, Michigan. He received his A.A. degree from Concordia, Ann Arbor and transferred to Concordia Senior College, Fort Wayne, Indiana where he received his B.A. degree in 1977.

In the fall of 1977 Carl began his studies at Concordia Seminary, St. Louis, Missouri, which is one of two seminaries owned and operated by the Lutheran Church-Missouri Synod and has graduated more than 10,000 pastors in its 142 year history.

Carl served a year of theological internship at St. Paul Lutheran Church in McAllen, Texas before graduating on May 29, 1981 from Concordia Seminary, St.

Louis, one of a class of ninety-nine. He has received a call to become pastor of Holy Cross Lutheran Church and St. John Lutheran Church in Onida and Agar, South Dakota.

Film To Be Shown At Victory Baptist Church

The film, "As The Twig Is Bent" will be shown on Sunday, June 14 at 6:30 p.m. at Victory Baptist Church, 419 S. Macomb St. The public is invited to attend.

"As The Twig Is Bent" features Dr. Clyde Narramore, Christian Psychologist and noted author. His daily broadcast, "Psychology For Living," and his books on "Christian psychology have helped millions resolve their everyday problems." The film is a 52-minute Seminar zeroing in on the basic emotional needs of every person - how these are best met - and the negative consequences all throughout life, when these basic needs are not met in childhood.

In the real-life situations, discussed by Dr. Narramore, the Christian parent will gain insight as to how to begin immediately to take positive steps.

To quote Dr. Narramore: "Some things in life can wait; but doing the right things for and with your child cannot be put off to a later date." Every person will gain a whole world of understanding as to why they feel and act as they do. A valuable aid in the handout evaluation form whereby each viewer can, in the light of "As The Twig Is Bent," make significant life-changing decisions.

Concert To Be Presented
Kinship Homes, Inc. and Emanuel United Church of Christ presents a concert by Dina Soresi Winter, Soprano and Jan Miller, Pianist to be held at the church Friday, June 12th at 8:15 p.m. Admission is free.

Dina began private vocal lessons at the age of 14 with Mrs. Francesca Sechi Fasella in New York City. She soon became her protege. After four years of study, Dina won several scholarships, first with the Hunter College Opera Workshop, then with the Opera Department of

Race Unity Day Sunday, June 14

The Baha'is of Manchester are sponsoring a picnic and film in honor of Race Unity Day on Sunday, June 14. Area residents are cordially invited to both events.

The "bring your own" style picnic will begin at 1:00 p.m. at Carr Memorial Park on W. Main Street. The film, entitled "Black and White Uplight", will be shown at 4:00 p.m. in the Community Room of Ann Arbor Bank and Trust on M-52. The movie (85 min.) focuses on the myths that perpetuate prejudice against Black people in our society and the subtle ways

prejudice is learned. Baha'is believe in the oneness of mankind. In reference to this principle Baha'u'llah, Prophet-Founder of the Baha' Faith, stated "Ye are all fruits of one tree and leaves of one branch."

Headstart-Homebase Graduation

Headstart-Homebase, a Washtenaw County community service agency held their graduation services in Ypsilanti on June 5. Daniel O'Dell, 4 1/2 year old son of Elsie O'Dell of Manchester, graduated after attending classes in Saline for the past year.

Food Co-op News

The organizing committee of the new Manchester Food Co-op is looking forward to meeting with all interested community members at our general meeting scheduled for June 16 at 7:00 p.m. The meeting will be held at the Ann Arbor Bank & Trust Community room.

Are you interested in joining us? A food co-op can save it's members anywhere from 15-50% on their monthly food bills. Because of cooperative effort, volunteer labor, minimal overhead expenses, and guaranteed turnover of stock, a co-op can offer substantial savings on the items purchased. It also offers an alternative to supermarket fare, especially for those interested in whole-grain and less-processed foods.

In these days of constantly rising prices, it's always nice to get a savings, but a co-op will also help you get to know your neighbors with similar interests. Come to our meeting on Tuesday evening and learn a little more about cooperative buying.

Father's Day Celebration

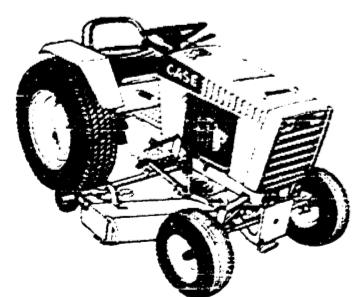

Last of the year activities in Jan Wiggard's classes - children celebrated Father's Day early by having their father's in on a Sunday for a special celebration. The children and fathers made parachutes and jumpers; played games and read stories. They also helped themselves to ice

cream puffs that the children prepared in class on the Friday before. As a special gift for the dads the children "wrote" stories about their dads and then painted a picture of what their dad look'd like. These were put together in a book with the final page a story from the dad's to their child.

The last few weeks of school were spent talking about animals. One day we talked about pets and had a Veterinarian, Sally Anderson, bring in her doctor kit and give an examination to a well-behaved dog, named Barney. He is the well-loved dog of Casey Byrnes.

The children also brought in their

favorite "stuffed animal" and we had a parade-of course, all the animals were given a special award for coming to school. And we can't forget the zoo animals. Our children each became an animal that you would find in the zoo. We had lions, elephants, panda bears, kangaroos and even a chipmunk. This was a special treat for all of the children.

Athletic Boosters Meeting

May 6, 1981
 The meeting was called to order by President Joe Fitzgerald. The minutes of the last meeting were read and approved. The Treasurer's Report was read by Joe Moore and approved as read.
OLD BUSINESS:
 Joe Fitzgerald read several letters that had been received since the last meeting.

There was a meeting of the Slow Pitch League on April 15th. Ten teams are set up as of now, and there will be another meeting on May 13. Bob Rhees is helping out with setting up the league.

A report was given by Bill Scaletta, regarding Track fund money. The Discus area at the track was inspected and as yet has not been moved, as could not figure out the right place to move it. There have been no big meets yet, so has not been a real big problem. Joe stated that Jim Brink should be included in improvements in the Track area, as he was in on the original planning. Next a discussion was held on how to put fencing up to make the discus area safe and Bill demonstrated this on the blackboard. Also a wooden platform for the pole vault area was discussed. Also a discussion on fencing for the baseball field, especially in left field. It was suggested to put up feasible fencing by next year, possibly

even some of the snow fence from the softball diamond.

The Slow Pitch tournament will be sponsored by the football team. There will be no football camp this Fall.

The Manchester Invitational is this Saturday, May 9. There will be 9 boys teams, and 7 girls teams involved. Kathy Hagerman will be at the gate, and it will cost \$1.50 for everyone to get through the gate, whether it be to the track meet or the baseball game.

The June 8 Millage elections was discussed and different ideas to help get it passed; Set up coffees in different areas, with school board member attending. One in town, Sharon Township, Pleasant Lake, etc. A Phoning committee-call parents of kids in school. Get children in school involved in asking for support for the millage. Tom Burch suggested mailing out flyers to P.O. Box for Manchester, also a form to be sent home with one child from each family to sign for approval of millage-then put a list of names in the paper. Circulate petitions, possibly thru the kids carrying them around for signatures, then put a list of those names in the paper as supporting the millage.
NEW BUSINESS:
 The Nominating committee took over and ballots were passed out with the slate of officers. The first meeting of the new officers will preside over the meeting will be in September. 2 Nominations of

Trustees - Ron Hawk and Dick Krzyzaniak. Motion to accept nominations by Jan Broucek, 2nd by Ted Stautz- elected unanimously. Treasurer - 1 nomination, Joe Moore, moved by Kathy Hagerman, 2nd by Tom Golding. Passed. Secretary - 1 nomination, Liz Malcolm, motion by Roseann Hawk, 2nd by Jon Hardenbergh. Motion Passed. Vice President - 1 nomination, Kent Talcott - motion by Jan Broucek, 2nd by Joan Brink. 2 Nominations for President - Tom Burch and Tom Golding - motion by Pat Fitzgerald, 2nd by Ruth Burch. Tom Burch is the new President.

Bill Scaletta brought up the idea of having an executive council rather than regular officers, since it is difficult to get people to run for office.

A discussion of projects from this year that may be repeated next year, for example, the Farmers Market.

Jon Hardenbergh thanked everyone for the plaque and the honorary membership into the Boosters.

Meeting adjourned at 9:45 p.m.
 Respectfully Submitted,
 Liz Malcolm

The Marines Are Coming

Thursday, July 16, Manchester's big day, is fast approaching.

Gene Bentschneider, Chicken Broil General Chairman, says plans are well underway to assure another record Broil.

Bentschneider also proudly announces a special treat is in store for our 12,000 guests this year. Through the cooperation and efforts of Dr. Eugene Thompson the United States Marine Band, 45 strong, from Parris Island, South Carolina, are making their first appearance in the Midwest at Manchester's Broil. This famous musical group will entertain during the afternoon and evening hours.

Over 550 volunteers have received their assignments to the more than thirty working committees. They will be meeting for a pre Broil session on Thursday, July 9 at the American Legion Hall to finalize plans for this year's 28th annual Broil.

Wendell Reinhart has again arranged the popular shuttle service. Eight horse

drawn wagons and buggies, driven by their owners, will provide free transportation to our visitors from the High School parking lot to the Broil site at the athletic field and return.

All volunteers now have advance sale tickets available for purchase. Tickets may also be purchased at Gill's Gambles Store-the Broil Headquarters, at the banks and most business establishments in Manchester as well as at many banks and stores in nearby communities. The advance sale ticket price is \$3.50. The price at the gate on July 16 will be \$4.00. Serving will be from 4 p.m. to 8 p.m.

July 4th Fireworks And Parade

Saturday, July 4th, the Manchester Men's Club will sponsor the annual parade, picnic and fireworks.

The parade will start at 2 p.m. on the North side of the Athletic Field. We need as many people to participate as we can. If you have an old car, horse, bicycle or whatever people would enjoy seeing, bring it along. We will be lining up at 1:30 p.m.

After the parade there will be an old time picnic at Carr Park. We would like to see the whole town turn out. There will be games and live entertainment for the whole family.

At dark the Manchester Firemen will be cutting off the fireworks.

If you have any questions about the parade please contact Jim Mann 428-8388. For other events Bob Rhee 428-8572.

SEE YOU AT CARR PARK!!!

Friends Of The Library

Do you value our Library and are you concerned about its continual improvement? If so, you may be interested in joining the FRIENDS of the Manchester Township Library. There will be a meeting to organize a FRIENDS group on Tuesday, June 30 at 7:30 p.m. at the Library. All interested persons are encouraged to attend.

What is a FRIENDS group? FRIENDS encourage the use of library materials and services by all members of the community, sponsor library-related programs and activities, encourage gifts, endowments and memorials for the library, and sponsor fund-raising projects for purchases that the library cannot otherwise afford.

There are many kinds of FRIENDS. Some people may choose to be just a dues-paying FRIEND, while others may choose to pay dues and participate actively in projects. Still others may not be able to pay dues but are willing to contribute time and skill. All are valuable members.

We look forward to seeing you at the meeting on June 30th. If you are unable to attend and would like to join FRIENDS, please call Charlotte Major 428-8451, or the Library 428 8045.

Girl's Track 1981 School Records

The 1981 Girl's Track of Manchester finished a very successful year. The girls finished 3rd in the L.C.A.A. for 3rd straight year.

The Lady Dutchmen really felt the loss of Sr. Co-Captain Gretchen Platt, who because of injuries, ran only in the L.C.A.A. league meet and the Regionals. Gretchen had two outstanding performances in the L.C.A.A. in which she ran on two winning relays.

Our dual meet record was 5-4 and we did well at the three various relays. We also scored our first point ever in the State Finals as sophomore Kari Agin finished 6th in the 200 m. hurdles. Kari also won the 220 yd. hurdles at the Washtenaw County meet of Champs, in record time of :29.4 sec. On Saturday, June 6, Kari ran the 220 yd. hurdles in Detroit Free Press Girls Invitational and finished 5th. The Free Press meet is open to all the top girls in the State regardless of school size.

There are 15 different events during a track meet and in 1981 the Dutch girls set school records for 10 different events.

Manchester Fair August 18-22

The Manchester Community Fair Board is giving an opportunity to all citizens of the community to participate in the activities of the Fair.

We will give you a few ideas. For starters, organizations and individuals are invited to enter a float, bike, horse, tractor, car or whatever else you can think of in the Fair Parade. Contest minded people may enter the tractor pull, homemaker award competition, watermelon eating contest, egg toss or horseshoe pitching contest.

People, male and female, of all ages, should be preparing their exhibits for the exhibit tent. Crafts, flowers, baked goods, canned food and garden produce are a few of the suggestions which help make the Manchester Community Fair enjoyable for those who plan to attend this August.

Organizations and businesspeople are welcome to set up a booth in the merchants tent to display or sell their product.

Following is the list of committees and people to contact if you want information about the August 18-22 Fair.

Elvira Vogel Honored

Washtenaw Community College trustee Anthony J. Procassini presents Elvira Vogel with her College Service Award.

Elvira Vogel of Manchester was honored by the Washtenaw Community College Board of Trustees on May 28. At a recognition dinner on that date, Vogel received one of the College's first College Service Awards.

Praising Vogel's community and educational activities, trustee James W. Anderson, Jr. said, "Elvira Vogel is president of the Washtenaw Intermediate School District board and has been a member of that board since 1965. She has

been active in educational activities in the Manchester area. She has served the Bethel Church as president of its board. She campaigned in Manchester and throughout the county for the establishment of the community college. She was a candidate for the first College Board of Trustees and served on our 1976 presidential search committee."

The College Service Award recognizes persons from the Washtenaw County area who have given outstanding service to the College and to the community.
