Meeting adjourned 9:58 p.m.

Submitted by Wilma E. Lentz, Clerk and Approved by Clarence L. Fielder, Supervisor

Athletic Boosters

June 3, 1981

The meeting was called to order by President Joe Fitzgerald. Joe took a few minutes to congratulate the Girls Softball Team who tied for 1st place in the L.C.A.A. Also the Varsity Baseball Team, who at present are tied for 1st in L.C.A.A., with one more game to decide championship. Also congratulated Kari Agin and Dana Clark for individual accomplishments in State.

The Secretary read the minutes of the last meeting and they were approved as read. Joe Moore read the Treasurers Report and was approved as read.

OLD BUSINESS: Bob Rhees is involved in the Slow Pitch league, which is started now and is going well.

Bill Scaletta reported on fencing for the

Shot Put area at the Track. The total for fencing as discussed last meeting is \$280.00. A motion was made by Kathy Hagerman to fence in the area, seconded by Dick Krzyzaniak. Prices on fencing for the Baseball Field 4 ft. fence would be \$2,405.00, and a 6 ft. fence would be \$3,035.00. A motion was made by George Agin, seconded by Joan Brink to put a 6 ft. fence around the Baseball field.

Dr. Thompson was present and gave a pep talk to members present about the millage vote coming up Monday, June 8. It was discussed different ways to get information home to parents. Flyers are all printed, and posters also to display wherever possible. Possibly the high school kids at Klager on Friday for Field Day, could pass out flyers to kids as leaving school. Decided to have parents and kids meet at 10:00 A.M. Saturday morning to pass flyers around town.

NEW BUSINESS: Bill Scaletta said that the 6 kids who went to the State Track Meet; Kari Agin

6th in State, Relay Team 5 and Dana Clark 5th; a total of \$100.00 was spent for Motel Rooms and meals. He wondered if any amount could be reimbursed. A motion was made by Tom Burch to reimburse the full amount, seconded by Pat Fitzgerald.

The Coaches are responsible for the Spring Sports recognitions as separate teams. There will be nothing through the school.

Joe asked Dr. Thompson if money raised for a specific sport is not all used, where it will go and if it would be possible to get an accountability of it. Dr. Thompson said it would be.

The Boosters will not sponsor any Softball tournaments this year. The teams will be charged for lights, etc. at the field. Joe thanked everybody for working with him and hopes there will be no more meetings until September. If it is necessary to have a meeting, he will call people.

Respectfully Submitted, Liz Malcolm, Secretary

Maintain a \$1000 minimum balance in your Great Interest Check account and you will never pay another fee. When you consider that those dollars are earning 5 1/4% interest per year (effective annual rate 5.47%), you've got a winner.

Your checking is fee-free, too, if you are 60 years old or over. But read on... there are a lot of other great features.

1. You can open a Great Interest Check interest earning checking account with a minimum of \$100.
2. Every dollar in your Great Interest Check account earns 5 1/4% per year whether you maintain the minimum balance or not.
3. The interest is paid and credited to your account monthly.
4. You get a monthly statement showing each transaction you have made, plus the interest earned and your balance.
5. There are now 27 offices throughout south central Michigan where you can get the Great Lakes Federal Savings brand of service.

Dirk Gorezitz, Exchange Student

Pictured: Elson Ball, Dirk and Leon Ball.

by Dirk Gorezitz
"Yes, I had a pretty good time over here and it's a really great experience". This is what I usually reply when someone asks me about the American way of life. But I am not American, I have been the German exchange student in Manchester for the past year. My name is Dirk Gorezitz. I am glad that this opportunity was given to me to convey some of my experiences to you, the people of my host town.

There are so many thoughts which cross my mind when I sort of review this year. I experienced many things I had never encountered before. As the months went by I learned more and more about America, the American people and also about myself. My very first thoughts, however, are most certainly devoted to my family. I mean my American family here in Manchester. I stayed with the family of Leon Ball for the whole year. I have a hard time to express all my credit and gratitude for accommodating me in such a warm home and for integrating me in such a nice family. I know that without them this wonderful experience would not have been possible. Without cutting down anyone else I want to declare them my favorite American family.

School was another important part of my living experience. Due to my age I was a Junior here at Manchester High School. I studied a curriculum which included US Government, US History, Typing, and an English class. I was a member of the band and I went out for sports, throughout the

entire year. In the fall I was running in Cross Country, during the winter time I was playing Basketball on the J.V. team, and in the spring I resumed running for the Track season.

Now I want to attempt a comparison of the ways of living in the United States and my home country of Germany. I am from Hamburg, which is a city of about 1.7 million people in Northern Germany. There are four people in my family. I have a sister who is 13 years old. My home town, as you can see, is bigger than Manchester, my family is smaller than the Balls. Furthermore, talking about differences, people in America talk in a different language. By the way, for me it's not Germans that talk funny (not the Americans either, though). Germany is considerably smaller than this country, the climate is more of an intermediate kind with milder winters and cooler summers. The living standard in Western Europe is about the same. The school system in Germany is more sophisticated with three different levels from 5th grade on up, and people usually know more than just one language. Sports are less important, however, soccer is everybody's favorite sport. TV programs usually last from only 4:00 o'clock till 12:00 o'clock in the evening.

July 4th Fireworks And Parade

Saturday, July 4th, the Manchester Men's Club will sponsor the annual parade, picnic and fireworks.

The parade will start at 2 p.m. on the North side of the Athletic Field. We need as many people to participate as we can. If you have an old car, horse, bicycle or whatever people would enjoy seeing, bring it along. We will be lining up at 1:30 p.m.

After the parade there will be an old time picnic at Carr Park. We would like to see the whole town turn out. There will be games and live entertainment for the whole family.

At dark the Manchester Firemen will be setting off the fireworks.

If you have any questions about the parade please contact Jim Mann 428-8388, other events Bob Rhees 428-8572. SEE YOU AT CARR PARK!!!

Local Students Awarded Music Scholarships

Shawn Ross, Manchester Middle School and Craig Sauter, Manchester High School were awarded music scholarships at Blue Lake Fine Arts Camp for summer study.

Music scholarships are awarded by Marshall Music Company of Lansing to those students deemed most worthy based on musicianship, citizenship, and musical achievement, as determined by the school music staff and school administration.

Marshall Music Co. annually gives over two hundred scholarships to students in schools serviced by the firm throughout the state. Each scholarship is in the amount of \$135.00. Students participate in concentrated sectional and large group studies along with other outstanding student musicians from throughout the state. They also have the opportunity to play under the direction of nationally known conductors.

LETTERS TO THE EDITOR

Dear Editor,
A teacher who was one of the hostages released in January stated, "the younger member of their group adjusted best to their confinement because they were flexible, better to face what was around the corner."

The children involved in the closing of Pleasant Lake School, I am sure will also adjust and we must all go on.

But as I stated at the January hearing at Pleasant Lake "we as the taxpayers, citizens and parents have the right to demand that the money which is being saved by this closing, be channeled into the education and welfare of all the children of our district, not just for the enjoyment of a few."

Yes, I too am concerned about juvenile delinquency, but what of the some 966 students who have not had money spent on them because they were not interested in sports, music, drama, etc. Who has entertained them all these years? They can't all be walking the streets, sitting on bridges! Or do you have so little trust and confidence in the few who are receiving these benefits?

As chairman of the Citizens Physical Facilities Committee I have toured all the buildings, including the bus garage, there are numerous priorities, such as roofs, heating, electrical repairs which are needed. The teachers supplies have been cut, teachers laid off and a bus mechanic who doesn't have the equipment to keep our buses on the road.

In March a community survey was sent

to Manchester Community Boxholders. Of those returned, 21% disagreed and an additional 39% strongly disagreed (60%) that the entire school budget be put into one millage issue. This same survey also stated 15% disagreed and 39% (54%) strongly disagreed that the Board of Education should close Pleasant Lake School. Of course numerous surveys never reached all the boxholders. So, after wasting more of our money on secretarial fees, postage, and more secretarial wages compiling the results of the survey, it was decided the survey didn't tell them what they wanted to hear.

We have some members on our board so busy getting what they want and listening to themselves talk that they are not hearing us the voters. Had they listened, another election at our expense could possibly have been avoided.

I, for one, feel that it takes alot to get the attention of some of these board members. And if defeating another millage is what it takes, then so be it. What is there to lose? A very good educational facility has been closed. (Pleasant Lake School) outdated materials are being used, an inadequate business program, (because of lack of equipment) and a shop area which has been running inefficiently all year (because of no equipment)? Our high school building has inadequate heating, the roof leaks in the library and the halls look like obstacle courses because of the buckets and cans.

As the letter stated to Mr. Macomber, the board has the right to choose the "educational priorities." Well...taxpayers, now you all know some of the members priorities! Cut back education, supplies to the classroom, close a school and save the extras!!!

The message is still not getting through to some people. All they're offering this time around is the same 17.78, of which they can choose the priorities. But of the 4 for sports, that's all it can be used for. If the roof collapses, the boilers quit, this money can not be touched.

If you want to read some interesting materials, stop by the school and ask to read the report published by the U. of M. Bureau of School Services on the condition of the high school or the materials compiled by the Citizens Committee on the conditions, and needs of all the buildings.

If our educational system is so superb, why are we losing so many students to private schools? This is OUR SCHOOL and we have a right to the best education for our children.

Sincerely,
Anne Wright

Dirk Gorezitza

There are no interruptions by commercials during the programs-no opportunity to hop up from your easy chair and sneak in the kitchen really quick. All radio and TV stations are a public institution in Germany.

There are differences in the way people live here and over there in West Germany. Those differences are not made up by laws such as drinking age or speed limits on the freeways. It is true that in Germany any person which is 16 years old can legally buy alcoholic beverages. On the freeways there is no speed limit. However, that does not mean the teenagers are constantly drunk and the average speed on the freeways is not 100 miles an hour either.

But the real differences in lifestyle were very interesting for me. I found out that students in High School spend their spare time not go out for sports as much, they spend most of their time with each other, just having a good time, not doing anything in particular. In the higher grades of High School they have to expect one or two hours of homework every day, too.

The families in the United States are usually bigger. Especially here in Manchester where everybody is living so close together, the relatives are very close, too. That is different in my German environment. Within the families there is another difference in life style which determines very directly the shape of one's personality: Eating habits. In German lunch is the main meal of the day and all other meals are rather small. The food quantities are smaller, too. I am not saying, however, that American people are fatter than the Germans, this is just another difference in life style I observed. A difference I didn't find hard at all to

adjust too, by the way.

Adjusting was the most exciting and most important part of my exchange experience. So I learned, being a sauerkraut - detesting - German, to appreciate strawberry sundaes, peanut butter, barbeque, and, and.....my times on the three mile Cross County course improved from two hours (walking) to 1 1/2 minutes. I had never run for distances longer than two kilometers (about 1 1/2 miles) before. I enjoyed the "jocks" of the school. My English teachers in Germany will probably realize quite an American accent in my English. I think I also picked up the "standard stuff" as far as teasing and kidding is concerned.

Adjusting to the life in this community was fun for me and I benefited so much from it. I hope that you could profit a little bit from me, too. Thank you very much for making my stay so pleasant and enjoyable. I would like to thank especially my host family along with Grandmy Ball, the Townsends, the Burches, and Curleys and the Balls. Thank you, Mr. Kappler, for letting me participate in the school life for a year. My thanks to Mr. Rodenbeck, the director of the band I enjoyed so much. Thank you to the Cross Country and Track coaches, and all teachers. Thank you to Curt Fielder for being so patient with me in Basketball.

After all, a year is a long time to be away from home and my natural family. Of course there were times when I missed them and my German environment. But don't regret at all having come over here. And when I am going to board the plane to Germany this July 14th, I can say: Thank you for everything, this was the greatest experience of my life.

Old Photographs Wanted

The Ann Arbor Bank and Trust is seeking photographs of the Manchester area for their annual calendar dated from September 1, 1961 thru December 31, 1982. Black and white 8 x 10 glossies are preferred.
For each photograph selected the bank will pay \$50. The photos are to be recognizable events or areas of the Manchester area.
They may be submitted to the Ann Arbor Bank and Trust Marketing Department (corner of Main and Huron St.) in Ann Arbor or to the Manchester branch office. Attention: Alice Kowalaki.
Each photograph should contain the photographers name, address, phone number and subject matter. They will be returned to the photographer after they have been processed.
A deadline of July 10 has been set.

Flying Rquestrian 4-H Horse Club

The Flying Equestrian 4-H Horse Club met at the home of leader Gary Shear. Our guest speaker was Dr. Bucholtz from Eames Animal Clinic. He gave a very informational talk and answered all questions pertaining to feeding, grooming, worming, and vaccinating horses.
On June 16th, we had a club meeting at the DeeJan Farm in Bridgewater. Duane Elliott gave a superb demonstration on horsemanship and showmanship.
On July 21, our guest speaker will be Bob Buono, a local farrier. Bob will discuss proper foot care and shoeing.
Our officers for this year are: Jenny England-President, replacing Sue Shear; Dawn England-Vice President, replacing Kathy York; Kathy York-Secretary, replacing Andrea Voohries; Sue Shear-Treasurer, replacing Tam Jaek.
The Flying Equestrians would like to thank everyone who has helped and supported our club.

4-H Members Focus On Washington

Eight young people from Washtenaw County were among nearly 5,000 teen 4-H members from 44 states participating in the annual Citizenship-Washington Focus program in the nation's capital this summer.

Representing Washtenaw County June 21-27 was Paul Tobias and Karen Kuebler of Saline, Laurie Heller and Jon Goderis of Chelsea, Debbie VanFossen of Ann Arbor, Beth Meade, Kim Bristle and Anne Mazurek of Manchester, Karen Geiger of South Lyon, and Craig Chapman of Ypsilanti.

The purpose of the week-long program was to give young adults an opportunity to study citizenship responsibilities, our nation's heritage, and its governmental system.

The Citizenship-Washington Focus program is an excellent way for young people to become better acquainted with and more actively involved in government and their futures. As our communities expand and diversify, young people feel more removed from government and are less apt to get involved in community activities. The Focus program illustrates

the need for strong community leadership and its direct relationship to decisions made on the state and national levels.

With the nation's capital as a classroom, a variety of field trips and meetings were planned, including a trip to Capitol Hill to meet members of Congress and to see government in action. Visits to federal agencies, national organizations and historical and cultural sites were other highlights.

Special emphasis were placed on improving participants' leadership skills in economics, jobs and careers, health, food and agriculture, and the conservation and use of natural resources.

The Washtenaw County delegation also spent a day visiting historical Gettysburg, Penn.

The Citizenship-Washington Focus program was conducted by the National 4-H Council on behalf of the Cooperative Extension Service and the U.S. Department of Agriculture.

The eternal triangle is often a wife, a husband and the mother-in-law.

Nagging has been defined as complaining more than once about something that complaining won't change.

In Memoriam
 In loving memory of George Pittman who passed away 6 years ago July 7, 1975.
 We stand by your grave in silent prayer, and say to ourselves he isn't there. The tears come and we weep inside for it seems like a dream that you died and then we awake and know it is true but oh what wonderful memories we have of you.
 Sadly missed by wife Bessie, daughter Evelyn, son Dale and family. Also his grandchildren and great grandchildren.

NOTICE

New Substance Abuse Facility

Chelsea Community Hospital announces the opening of its new substance abuse Residential Care Facility.
 The new house-like structure, located in a wooded area several hundred yards away from the main Chelsea Community Hospital building, adds a subacute or Phase II dimension to the Substance Abuse Program of the Hospital. The new facility, with "homelike" atmosphere, will house substance abuse patients immediately following their detoxification in the Hospital's acute facility.
 The theme of this new Phase II program will be to prepare the substance abuser to return to society and learn how to cope with stress while living free of alcohol and drugs.
 The new facility will accommodate 12 patients, which doubles the current capacity of the Substance Abuse Program. The Hospital can now accommodate 12 patients in the acute phase of the program and 12 in the subacute phase.
 The new Residential Care Facility will contribute significantly to the reduction of Hospital costs for patients. The construction costs per bed for the Residential Care Facility were approximately 1/2 of the construction costs of a traditional hospital bed. Patient charges will be 1/2 of the per-day cost in the acute hospital.
 Patients in the new facility will arise to their own alarm clocks, perform daily housekeeping chores, participate in meal preparation and serving, will be involved in the Residential Council, and may be granted passes to leave the facility for several hours.
 The treatment program in the new facility will emphasize recreational counseling, nutritional counseling, and child care. These will be addressed in groups to both patients and family. Individual counseling as well as medical and psychiatric care will continue.

HIT OR MISS

by farley

A friend of mine found, the other day while looking for some treasure that he had stored away, a sports page from the Free Press dated Sunday, October 6, 1918.

This was of course during World War I, and told of the many trials and tribulations that beset the sports world, especially that of baseball. The lead heading was titled "War's Call Broke Up a Detroit Team That Was Strong On Records" and talked of the records of Bush and Veach and other Tigers of that period. At that time Detroit was top side in the American League and baseball was a serious subject in Detroit.

There was also an article about the progress of M.A.C. (Michigan State) and a tale of how they had managed to beat Albion 20-0 and how the "Aggies" as they were then called showed considerable much needed improvement.

And then there was the tale of a visit by a sports writer to Babe Ruth's winter home at Sudbury, Massachusetts. He wrote:

"I arrived at Babe's place about noon and Babe met me at the station and we walked to his house, some 15 minutes through four inches of snow. Mrs. Ruth met us at the door and the Babe suggested that I have something to eat. 'Cook him something nice' said the Babe.

"Mrs. Babe was shy on wood and suggested that the Babe cut some, so the big fellow walked out a few paces and felled a couple of green saplings. "I don't chop down any more wood than we actually need at any one time said the Babe, adding that he had found that some of his neighbors preferred their fuel maniaured by other hands than their own. "The fire was finally started but after a few minutes Babe took a look at it and was far from satisfied the way it was progressing. "The big fellow walked over to the corner of the kitchen, picked up a five gallon can of kerosene and proceeded to pour the ingredients on the smouldering wood. "I say, I asked, aren't you taking a chance," I said. "Oh no, there's no danger. I never 'booted one' doing this, 'cept twice. Once it was my fault, the other it wasn't. "The time it was my fault I poured the kerosene under the fire through the draft door. I sure was wrong that time for the physics blew the top right through the draft door and blew the top right off the stove. "The time I wasn't to blame, I grabbed the gasoline can by mistake. "By this time the reporter had lost his appetite and was looking at his timetable for the first train back to Boston. While I was running down the columns, Mrs. Ruth remarked, "Babe that lamp needs some oil."

Manchester Area Historical Society

The Manchester Area Historical Society met at the Riverside home of Mr. and Mrs. Aaron Nathan on Monday evening June 22nd.

A bountiful potluck picnic was served on the lawn by the hosts assisted by Mr. and Mrs. Tom Walton and Mr. and Mrs. Loring Eversole.

The group agreed to participate again this year at the Annual Street Fair to be held in August. Watch for further publicity.

There will be no regular meetings in July and August. At the September meeting, there will be the election of officers.

Rarely anymore do I hear about checker players anymore. It hit the peak during the great depression of the 1930's when too many people had too little else to do. Maybe they don't like to remember that part of their lives.

I don't think I'm qualified to give household hints but the other day I was told about one that really works in an emergency:

You can clean a clogged sink drain by dropping a handful of baking soda followed by a glass of vinegar.

American Legion Auxiliary Picnic

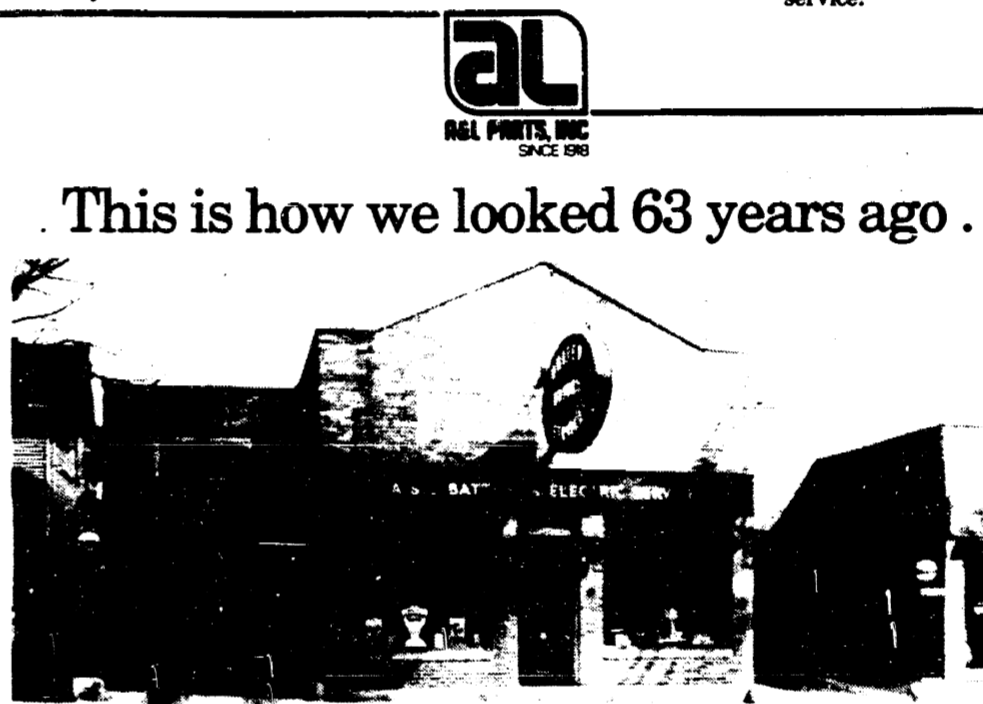

The American Legion Auxiliary will meet Wednesday, July 8, at 6:30 p.m. for their annual picnic.

Bring a dish to pass and your own table service.

Degree Recipients

A total of 1,604 persons are included on the official list of those who received bachelor's, master's, specialist's (6th year) or doctor's degrees from Western Michigan University at its recent commencement to end the winter semester here.

Local students who received their degrees are: John Spensley, 19900 Sharon Valley Rd., son of Mr. and Mrs. Charles Spensley. He received his degree in Business Administration. Peter Tassie, 17888 Herman Rd., son of Mr. and Mrs. Donald Tassie received his degree in Science.

Board Considers Educational Goals

At its regular meeting on June 15 the Board of Education received a report from the Citizen's Committee on Educational Goals. The committee made up of Sue Bond, Bob Miller, Chris Walkow, Louis Cartier, Jr., Marley Pagel and Diane Schwab have worked for the past year developing a statement of goals for the school district. The statement of 14 goals was delivered to the Board for consideration by Dr. Thompson.

The Board of Education received the goals and requested that they be brought back at a subsequent meeting for extensive discussion. The Board also directed the Superintendent to publish the goals to the community.

A plan is currently being formulated through which the community will be able to indicate priorities for each of the goals. The final adoption of these priorities will serve as a guide for the Manchester Curriculum Development Program.

- The goals are as follows:
1. Students should develop skills which lead to understanding family/group living.
 2. Students should develop a desire for life long learning.
 3. Students should learn and appreciate other cultures.
 4. Students should develop basic skills in reading, writing, speaking, listening, spelling, and math computations.
 5. Students should develop a mature and responsible sense of social awareness with moral and ethical values.
 6. Students should develop the ability to be good managers of money and resources.
 7. Students should learn to contribute to the school organizations through special talents and interests.
 8. Students should develop a strong sense of self worth.
 9. Students should develop the ability to examine information in a logical/critical manner.
 10. Students should develop the ability to practice and understand both physical and mental health.
 11. Students should develop the ability to appreciate the beauty of music, literature, and art.
 12. Students should develop work skills necessary to obtain employment upon graduation from high school.
 13. Students should develop the skill to make decisions regarding career selection.
 14. Students should develop skills in physical sciences.

Donates Driver Training Automobile

Faced with a lack of driver trainer vehicles due to the inability of local dealers to provide driver training cars, the Manchester Community School issued an appeal for contributions from the community.

The response to this request was immediate. The Village of Manchester offered to sell two used police cars for \$1,000 a piece. These cars have been reconditioned and are now part of the driver training fleet.

Dr. Henry Eames also contacted the school district with an offer to donate his 1978 Chevrolet for use as a driver training vehicle. The car arrived in excellent condition and was immediately put to use teaching prospective young drivers the rules of the road.

LAST DAY OF REGISTRATION SCHOOL ELECTION

NOTICE OF LAST DAY OF REGISTRATION OF THE ELECTORS OF MANCHESTER COMMUNITY SCHOOLS WASHTENAW AND JACKSON COUNTIES, MICHIGAN

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that the Board of Education of Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, has called a special election to be held in the School District on Monday, August 10, 1981.

TAKE NOTICE that the following propositions will be submitted to the electors at the special election on

Monday, August 10, 1981

I. MILLAGE RENEWAL PROPOSITION

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 17.78 mills (\$17.78 on each \$1,000.00) on state equalized valuation for a period of 2 years, 1981 and 1982, for the purpose of providing additional funds for operating purposes (this being a renewal of 17.78 mills for operating purposes which expired with the 1980 tax levy)?

II. TAX RATE LIMITATION INCREASE PROPOSITION FOR OPERATING PURPOSES

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 1.5 mills (\$1.50 on each \$1,000.00) on state equalized valuation for the year 1981, for the purpose of providing additional operating funds to replace losses in state reimbursement funds for transportation costs, and for maintenance and repair of school facilities?

III. TAX RATE LIMITATION INCREASE PROPOSITION TO SUPPORT A REDUCED ATHLETIC PROGRAM

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 4 mill (\$0.40 on each \$1,000.00) on state equalized valuation for the year 1981, for the purpose of providing additional operating funds to support a reduced athletic program?

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE CITY OR TOWNSHIP CLERKS, IN ORDER TO BE ELIGIBLE TO VOTE AT THE SPECIAL ELECTION CALLED TO BE HELD ON MONDAY, AUGUST 10, 1981, IS MONDAY, JULY 13, 1981. PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M. ON MONDAY, JULY 13, 1981, ARE NOT ELIGIBLE TO VOTE AT THE SPECIAL SCHOOL ELECTION.

Persons planning to register with the respective city or township clerks must ascertain the days and hours on which the clerks' offices are open for registration.

This Notice is given by order of the Board of Education of Manchester Community Schools, Washtenaw and Jackson Counties, Michigan.

Paul DuFresne
Secretary, Board of Education

payable in the amount of \$414,066.07. All yeas.

Discussion Items:

(a) Educational Goals: Dr. Thompson reviewed the Education Goals which have been developed by Citizen's Committee over the past year. These goals statements are submitted to the Board with a recommendation that they ultimately be adopted as the general educational goals of the Manchester Community Schools. Dr. Thompson also outlined a plan for gathering data from the community in order to establish priorities among these goals.

The Board indicated that the goals should be published to the community and brought back for further discussion and possible adoption at a subsequent meeting.

OLD BUSINESS

(a) 1981-82 Budget. Dr. Thompson briefly reviewed again the status of the budget for the 1981-82 school year. At the current level of revenue it was indicated that it would not be possible to operate the schools for a full year. The Categorical Budget which has been submitted is based on the reduced revenue. It was moved by DuFresne to adopt the General Appropriation Resolution indicating a total appropriation of \$1,303,127 in the general fund for fiscal year 1981-82. It was further resolved to appropriate \$28,169 for the 1966 Debt Fund, \$40,898 for the 1967 Debt Fund, and \$19,205 for the 1979 Debt Fund. Supported by Bunney. Roll Call Vote: Yeas: Bunney, Mann, Cole, Broucek, Horning, DuFresne, Nays: None. Absent: Little. (The total resolution being on file in the Board of Education Office).

(b) Personnel Items: 1. It was moved by Horning to accept the resignation of Nancy Shapiro. Supported by Mann. All yeas.

2. It was moved by Bunney to approve a one year leave of absence for Sharon Davis beginning August 27, 1981 and concluding June 11, 1982. Supported by DuFresne. All Yeas.

(c) School Bus Use: Dr. Thompson reviewed the plans of the Chicken Broil to bring the United States Marine Corps Band to Manchester for entertainment at the Festival. He indicated the need for transportation during the two day period of their visit and recommended that the Board grant approval for the use of school buses to transport the Marine Corps Band. It was moved by Little to grant approval for the use of school buses to transport the United States Marine Corps Band during the period they will be visiting Manchester to entertain at the Chicken Broil Festival. Supported by DuFresne. All Yeas.

(d) Organizational Meeting Date: After discussion it was moved by Little and supported by Mann to set July 1, 1981 at 8:00 P.M. as the date for the Annual Organization Meeting of the Manchester Board of Education. All yeas.

(e) Superintendent's Contract Sub-Committee: President Broucek advised the Board that it was necessary to begin work on the Superintendent's contract for the coming school year and asked if it would be appropriate for the Executive Committee to perform this task. The motion was made by Little to refer the contract to the Executive Committee and have recommendations back to the Board by the July regular meeting. Supported by Mann. All Yeas.

(f) Post Approval - June Bills: It was

adoption as presented. Supported by

moved by Little to authorize the Superintendent to process outstanding invoices at the end of the current fiscal current year with post approval for payment being made at the July meeting. Supported by Bunney. All Yeas.

(g) March 16, 1981 Regular Meeting Minutes: Dr. Thompson reported that the minutes of the March 16 had failed to reflect a resolution adopted by the Board regarding a proposed apartment complex development project. It was recommended that the minutes be corrected.

It was moved by Horning to add the following correction to the minutes of the March 16, 1981 regular meeting. "After discussion it was moved by Horning and supported by DuFresne that the Board go on record as being opposed to the Apartment Project under review by the SEMCOG." Roll Call vote: Yeas: DuFresne, Horning, Cole, Broucek, Mann, Bunney, and Little.

(h) Board Member Commendation: It was moved by DuFresne and supported by all other members to adopt a resolution commending Susan Cole for her work on the Board of Education for the previous school year. All Yeas. (The complete resolution being on file in the Board of Education office).

It was moved by DuFresne and supported by Cole to add a discussion of a new millage election to the agenda. All Yeas.

Following extensive discussion regarding the budget, financial condition of the school district, and options available, it was moved by DuFresne to transfer the Pleasant Lake classrooms to Klager and/or the Middle School. Supported by Little. Roll call vote: Yeas: Bunney, Mann, DuFresne, Little, Broucek. No: Cole, Horning.

Mrs. Cole asked to see the public health regulations in writing regarding a foundation and bathrooms in the portable building at Klager.

It was moved by Little to reduce general fund support of athletics by 50%

(approximately \$30,000) with a participation fee attached to each sport. Supported by Mann. Roll Call Vote: Yeas: Mann, Little, Broucek, Bunney. No: Cole, Horning, DuFresne.

It was moved by DuFresne and supported by Little to place the 17.78 mills as a renewal on the ballot for a two year issue. Roll Call vote: Yeas: Cole, Horning, DuFresne, Little, Broucek, Bunney, Mann.

It was moved by DuFresne to add a second proposition of 1.5 mills for one year to replace losses in State money in transportation and to support maintenance. Supported by Bunney. Roll Call vote: Yeas: Horning, DuFresne, Little, Bunney, Mann, Cole, Broucek.

It was moved by DuFresne to add a third proposition of .4 of a mill for one year to support a reduced athletic program. Supported by Bunney. Roll Call vote: Yeas: DuFresne, Bunney, Cole, Horning. No: Little, Broucek, Mann.

It was moved by Little and supported by Cole to schedule the special election for August 10, 1981 or as soon thereafter as possible. All yeas.

It was moved by DuFresne and supported by Mann to direct the Superintendent to begin negotiations regarding Special Education use of the Pleasant Lake School building. On a roll call vote: Yeas: DuFresne, Bunney, Little, Broucek, Mann. No: Cole, Horning.

It was moved by DuFresne and supported by Cole to adjourn the meeting at 11:35 P.M. All Yeas.

Respectfully Submitted:
Paul DuFresne, Secretary
Board of Education

SPECIAL

June 22, 1981

The meeting was called to order at 8:05 P.M. by Vice President William Bunney.

Roll Call: DuFresne, Horning, Cole, Mann, Bunney. Absent: Little, Broucek. (Mr. Broucek arrived at 8:35 P.M.).

Dr. Thompson advised that the election resolutions had arrived from the school district attorney's office and were ready

for adoption by the Board. It was moved by DuFresne and supported by Horning to adopt the official elections calling for a special election to be held on August 10, 1981 with three (3) propositions being presented to the voters.

The first proposition deals with the renewal of 17.78 mills for a two (2) year period.

The second proposition deals with 1.5 mills for transportation and maintenance purposes for one year.

Proposition three deals with .4 of a mill to support a reduced athletic program for one year.

All yeas. (The complete resolution being on file in the Board of Education Office).

Dr. Thompson initiated the discussion of high school renovation work with a review of recommended priorities as developed by the administration. Dr. George Richards from MJK Architects reviewed several items of the report with the Board.

Following extensive discussion and consensus to reduce or eliminate many of the items which had been included in the report it was moved by DuFresne and supported by Mann to direct the Architects to begin work on schematic design for the high school and bus garage. All yeas.

The Board also directed the Superintendent to begin an investigation regarding the possibility of acquiring land between the high school and Klager Elementary.

It was moved by Bunney and supported by Mann to adjourn at 10:25 P.M. all yeas.

NO POPCORN?

WHAT KIND OF DRIVE-IN IS THAT?

The drive-in at our office right here in downtown Manchester doesn't sell popcorn. It opens at 8 a.m. and the entire show only lasts about two minutes. And our drive-in proudly offers the same double feature

every week, all year long, quick and easy banking. We wouldn't dream of closing for the season. In fact, we're open every day except Sunday.

So, stop by and take advantage of our double feature: quick and easy banking at Union Savings Bank in downtown Manchester. Free admission, naturally.

Klager School Class Sizes Remain At Moderate Levels

The Board of Education's decision to discontinue the use of the Pleasant Lake School as an Elementary facility has necessitated the need to re-design class sizes at the Klager School for the coming school year. Student enrollments at the elementary level continue to remain at a size which permits an easy blending of the classes.

At the present time the student population of Freedom township consists of 11 kindergartners, 21 first graders, 14 second graders, 12 third graders, and 24 fourth graders. According to Superintendent Thompson these numbers can easily be blended into the Klager building.

With the Pleasant Lake students included class sizes at Klager in September will be 25 or less in kindergarten through two. In grades three and four, class sizes will be 27 to 29. One section of kindergarten will be housed in the round room at the Nellie Ackerson School.

The portable at Klager will be utilized as a Library facility as had previously been the case. The current library at Klager will be used for special education classes.

No staff reductions are planned as a result of the blending of the two buildings. It will be possible, however, to transfer one elementary teacher to the middle school program. This transfer will eliminate the need to hire an additional teacher in order to reduce class sizes at that level.

Parents will be notified during the month of August regarding the classroom assignments for their children. Plans are currently being developed which will provide for an orientation to the Klager building for all Pleasant Lake students and their parents prior to the beginning of school.

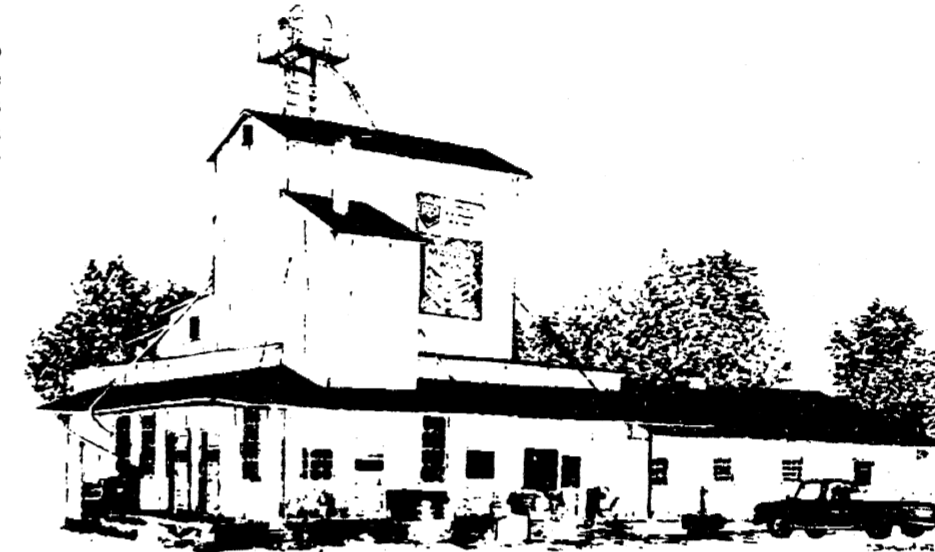

Come To The Story Hour.

Why not plan to spend an hour at the library Thursday afternoon from 2-3 p.m.

Pauline Hart will be reading stories this week. Next week Janice Little will be our story teller.

Plan to join us under the shade trees in front of the library. If the weather is not permitting the stories will be held indoors.

AREA BUSINESS TO MOVE

by Martha Stoner

Customers of Mann's Feed Mill will find themselves in new surroundings when they go shopping late in July. Mann is relocating his business less than a mile away from its current site.

The new store will open late in July at the old Veschio building which will provide a larger facility for the expanding business. The Manns are shooting for the week of the 27th as moving time. Though Mann will no longer be custom grinding for farmer's livestock, he will still provide all the feeds that the Mill has carried in the past as well as supplies for homeowners, gardeners, and farmers. The Mill will be expanding several product lines, including farm and pet supplies, and lawn and garden products.

Mann and his family are reluctant to leave the mill. Their departure will signal the end of almost 150 years of operation for the Manchester Mill. The Mill is the third oldest business in the State of Michigan, but is the oldest business that has operated continuously on the same site in this state. 1982 would mark the Mill's 150th anniversary. The land was patented in 1826 when Michigan was still a territory. The first record of a mill on this site dates from 1832, but Ron Mann believes the mill very well could have been in operation at an even earlier date. The present corrugated metal building was built on the site in 1924 after the first two buildings were destroyed by fire. The dam has also been rebuilt twice, the present dam was built in 1908. The Mann family has

operated the mill since 1940 when Ron's father, Willard Mann, who still keeps a hand in the business, bought the mill.

The new owner of the building, Don Limpert, plans to retain the present structure; he does not intend to alter its appearance, though he will landscape the site and improve the general appearance of the Mill. Limpert is exploring possibilities for the most productive use of the building. He is reviewing numerous suggestions, including the establishment of a restaurant or perhaps a mini-mall. The mall concept would involve the inclusion of individual shops within the current structure. Limpert suggests that local entrepreneurs could be in business for a relatively low cost, "their major output would be a combination of rent and talent," he comments.

Limpert is also seriously considering the use of the mill as a hydro-electric power generating station. Limpert remarks that with the current energy problems, the idea of converting back to hydro power is becoming more and more attractive. "It is a renewable energy source and it is clean."

Limpert adds, "Use of the Mill's water power would also maintain the reason for the town being here originally, it grew up around the Mill." Limpert, who has restored several local historic buildings, is concerned with retaining the Mill's historic aspect. He believes that the community's historic image is of great value. "You create the image of the community by utilizing what's already there," he commented, adding, "The mill is the keystone of the community."

HIT OR MISS by farley

There's nothing like being an optimist. A friend of ours tells us that his doctor reports receiving recently the following from a patient of his:

"I have excellent blood pressure, a good heart, a good stomach, my original teeth, good eyesight, good hearing, no sleep problems and a happy disposition. Today I reached the age of 85 and did not acquire all this by a reducing diet and I am very unhappy with my 1,000 calorie diet. I am hungry between meals and when I go to bed. I would like to spend my few remaining years on this earth enjoying myself and as I told you I do not want to be skinny. And last but not least I have lost my bounce."

Have you noticed that most kids can't tell a person who is 30 from one who is 50? When you're young anyone over 25 looks ancient and decrepit. And the 15 year olds and the 30 year olds seem newborn.

Ages are terribly mixed up in our time anyhow. The young men have beards and the old men are clean shaven. Mothers have face lifts and go to exercise classes and look like their daughters, only more tired. Gray haired men jog half naked down the streets at dawn when they should just be turning over in bed. Girls 15 want to be taken for 21 and women of 30 want to be taken for 18. Men in the prime of senility wear shirts unbuttoned down to their navel with medallions bouncing around on their hairy chests - probably with instructions as to where to take them following a heart attack.

It used to be that when you were 22 you were through college and started out on a "Career". Nowadays you are merely a student. Until you reach the mid-thirties you are still "finding yourself".

Shakespeare gave us a beautiful vignette of the seven ages of man but now it's going to have to be revised. The babies are the same and so are the ancients but in between you can't tell the ages without a chronological scorecard, can you?

It's easy to find out how old a woman is...ask her sister-in-law.
