

New Model Replacing State Picnic Tables

NEW LOOK FOR ROADSIDE PICNIC TABLES—These rustic wood picnic tables seem far so many years along Michigan highways are slowly giving way to a new type of table. The new style, made of concrete and wood, is non-portable, and the Michigan Department of Transportation says it's virtually theft-proof, and cheaper and easier to maintain. The department plans to replace the wooden standbys in its 76 freeway rest areas with the new style when the old tables become too weatherbeaten for further use. Here, traveling families enjoy a picnic on the old (top) and the new.

Auction To Be Held August 15

The Manchester Theatre Foundation will sponsor its **SECOND ANNUAL AUCTION** on Saturday, August 15, at the Black Sheep Repertory Theatre. The Theatre is located in picturesque Manchester, Michigan, 40 minutes southwest of Ann Arbor. Take I 94 to the

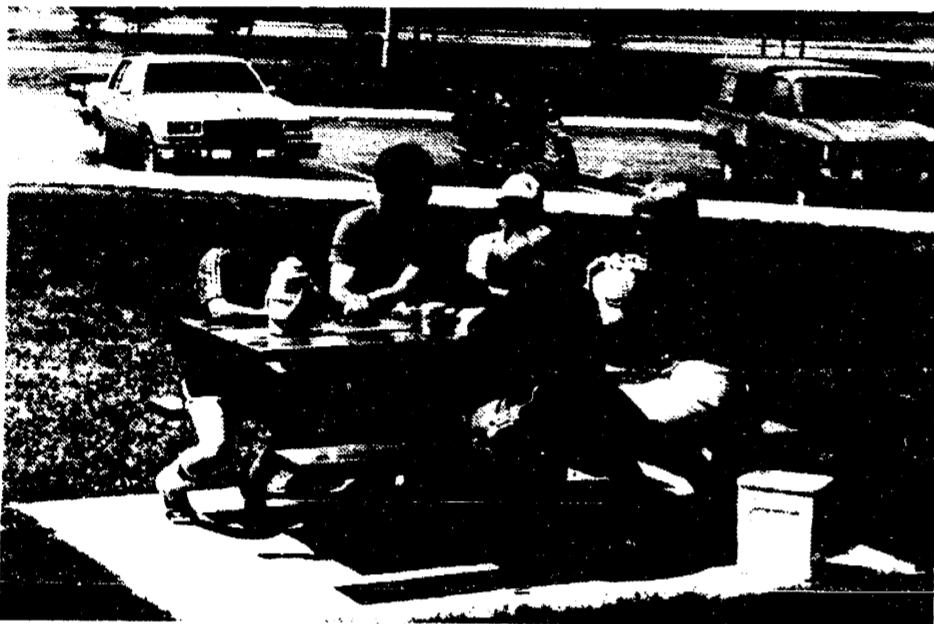

Manchester-Chelsea exit and follow M-52 twelve miles south to Manchester. The century old Theatre is at 138 E. Main Street.

Various items, antiques, services, and works of art will be auctioned during the event, proceeds of which will go for the support of the Association for the Performing Arts, a Manchester based non-profit organization dedicated to developing Michigan Arts and artists.

Anyone who wishes to donate an item for auction is encouraged to contact our business office (313) 428-9280. We respectfully request that all items for auction be of a minimum value of \$25. All donations are tax deductible. We will, however, be pleased to accept any donation.

For general Theatre information and brochure, please call our office. Box Office hours are Mon-Wed. 10 a.m.-6 p.m., Thurs-Sat. 10 a.m.-9 p.m., Sunday 2 p.m.-6 p.m.

The Theatre doors will open at 5 p.m. on August 15 for the Auction, which will begin at 6:30 p.m. Refreshments will be provided.

Delbert D. Ludwick has retired as office Manager of Manchester Tool & Die, Inc., effective July 31.

Born in Sturgis, Michigan, and raised in Burr Oak, Del 'rode the rails' with his family during his youth. His Dad was employed as a section foreman for the New York Central with 44 years service. His older brother, Bill, is a retired CPA for the Guardsman Chemical in Grand Rapids. Del earned the rank of Eagle Scout in the Boy Scouts of America.

After completing Accounting and Banking at South Bend Business College in 1929, he began work in the display advertising department of the South Bend News Times. This newspaper folded in the depression. For the next couple of years, Del worked at the Sandusky (Ohio) Daily News. Odd jobs and the WPA followed until a job in the appliance department at Montgomery Ward's in Sturgis. One of his co-workers in the store was Dorothy (Defender) Miller. He began his railroad

Athletic Boosters Concern

The Manchester Athletic Boosters met on July 29 at the Manchester High School. The purpose of this meeting was for a discussion on the upcoming millage of 4 mills for the Athletic Program. The increase of 4 mill per thousand is such a small amount to pay for the total amount of satisfaction that the community derives from it. The concerns of the Athletic Boosters is that there is no way that money can be raised to supplement the program. If the people of Manchester School District vote down this 4 mill that is being requested there will not be any Athletic program offered what so ever this year. The request is only a portion of what is needed to conduct the program at the Middle and High School. The balance of the amount needed will be paid by the athletes who compete in the different programs. We, the Boosters, urge all of the voters of the Manchester School District to vote Yes on this request. Thank you for your support.

Raisin River Cleanup

The newly formed Manchester Men's Club (formerly Jaycees) assumed the task of cleaning the banks, removing dead logs, cutting decaying trees and brush along the Raisin River. This ongoing project will continue as long as necessary. The area of primary concern is South from the Main Street bridge to the Furnace Street bridge. Work crews will meet each Sunday at 10:00 a.m. in the lot behind the Bauerentube. The Manchester Men's Club would like to encourage riverfront property owners to participate in the cleanup and place a cardboard sign on decaying trees which they would like cut down or trimmed. Co-chairmen for the project are Bill Cannon and Don Limpert. Anyone not in the Men's Club but interested in donating time or equipment, should contact Project Coordinator, Jeff Fahey 428-9306. Our ultimate objective is to beautify and maintain the Raisin River environment.

United Way Campaign Goal \$26,286.00

Manchester's United Way campaign goal has been established at \$26,286.00. John K. Sauter, President of the United Way Board of Directors, announced that the goal, a 3.8% increase over last year, was established by the United Way's Board upon the recommendation of the budget committee, chaired by Louis D. Vogel.

The budget committee received requests from participating agencies in the amount of \$31,784.00. After thorough review of all requests, including presentations by executives of the various agencies, the campaign goal of \$26,286.00 was recommended.

Allocations to participating agencies are:

Manchester Area Recreation	\$5,700.00
Manchester Family Service	200.00
Manchester Senior Citizens Council	800.00
American Red Cross	6,000.00
Catholic Social Services	1,300.00

Special School Election Monday, August 10th

A special election for the Manchester Community Schools will be held on Monday, August 10.

The citizens will be asked to cast their votes for the following three propositions:

I. MILLAGE RENEWAL PROPOSITION

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 17.78 mills (\$17.78 on each \$1,000.00) on state equalized valuation for a period of 2 years, 1981 and 1982, for the purpose of providing additional funds for operating purposes (this being a renewal of 17.78 mills for operating purposes which expired with the 1980 tax levy)?

II. TAX RATE LIMITATION INCREASE PROPOSITION FOR OPERATING PURPOSES

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 1.5 mills (\$1.50 on each \$1,000.00) on state equalized valuation for the year 1981, for the purpose of providing additional operating funds to replace losses in state reimbursement funds for transportation costs, and for maintenance and repair of school facilities?

III. TAX RATE LIMITATION INCREASE PROPOSITION TO SUPPORT A REDUCED ATHLETIC PROGRAM

Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 4 mill (\$0.40 on each \$1,000.00) on state equalized valuation for the year 1981, for the purpose of providing additional operating funds to support a reduced athletic program?

LETTERS TO THE EDITOR

Dear Editor:

As parents of two High School students, we would like to encourage all parents and citizens of the Manchester School District to vote FOR the millage on Monday, August 10th.

We are very concerned about what will happen if the millage fails again. For one thing, we know that the school cannot function without tax dollars. The entire program will be cut back. Also the children will have to find their own means of transportation, the entire Athletic Program will be dropped, music will be cut drastically and all other extra-curricular activities will be cut.

We would strongly urge all persons to vote YES on all three proposals in the upcoming election on Monday, August 10th. The students of the Manchester

School District NEED your support!!
Very concerned parents,
George and Marie Agin

To The Voters of Manchester School District:

Once again, on August 10, 1981, we will be asked to approve a millage renewal and new millage.

A mill will be asked to provide a reduced athletic program. This means that if this request passes and each youngster participating pays \$50.00 per sport, we will have a full athletic program.

Personally I would vote for this millage simply because I enjoy watching the athletic events.

There are, however, other things to consider. In a paper written by Wayne Jennings, Director of St. Paul, Minnesota Open School, and Joe Nathan, Program Coordinator of the same school, some interesting things are brought out.

The American College Testing Service recently completed a study of itself which compared the value of four factors in predicting success (as measured by self-satisfaction and participation in a variety of community activities two years after college). The factors were:

1. Major achievement in extra-curricular activities.
2. High grades in high school.
3. High grades in college.
4. High scores on the ACT.

The only factor which could be used to predict success in later life was achievement in extra-curricular activities. The other three were found to have no predictive value.

The College Entrance Examination Board's Scholastic Aptitude Test was examined for its accuracy in predicting how successful a person might be at a chosen career upon graduation from college. Results show that "the SAT's offered no clue to capacity for significant intellectual or creative contributions in mature life." This study also shows that those youngsters who had many hobbies, interests, jobs, or were active in extra-curricular activities were more likely to be

successful in later life.

The basics of education are very important. However, a person may graduate with honors and not have learned to work with other people.

To be successful in athletics you learn teamwork, cooperation, accepting and carrying out responsibility and to accept victory and defeat with dignity.

We have some fine young people who deserve the opportunity to participate in an athletic program, so won't you please vote yes on August 10. We had our chance in high school, let's not deny our kids the same opportunity we had.

Above all, please get out and vote. Let's decide this issue by a majority of the registered voters.

Tom Golding

Editor:

As this year's "special school election" approaches I would like to attempt to clarify a sore point that has troubled a lot of us since last year's "special election" of August 18, 1980. As you may recall we had 3 ballot proposals; the first was to fund a Basic Academic program, the second was for extra curriculum (sports, band, etc.), and the third was for misc. equipment updating. We voted in number one, the Basic Academic program and defeated the rest.

I, along with many of the rest of you, was amazed to learn that our school board opted to continue funding the extra curricular programs regardless of the mandate of the electorate not to. This situation became even more outrageous when our Board started action to close one of our elementary schools (PL) citing lack of funds. When we as a community demanded a Board policy position on

funding primary academic education versus extra curriculum we were informed by Mr. William Broucek (Pres.) that the Board was free to do as it pleased and fund whatever it deemed appropriate; that is sports over our local school - despite the exact opposite vote of the people on August 18, 1980.

I for one could not agree with the Board's and/or Mr. Broucek's interpretation of the peoples wishes or their vision of their civic duty on the school board. Therefore I requested and received a clarification of accountability of school board members from the Attorney General of Michigan, Frank Kelley. In my last communication with Mr. Kelley, he has advised me informally that relative to our situation with proposal 1 of last year (academics versus extras) we should not have bothered to read the Board's explanation of what in fact the ballot proposals meant, because (and I quote) "I am sorry to inform you that no law appears to govern statements made by school board officials in explanation of millage ballot proposals." Therefore they can tell us anything they please as to what we are voting for and then do whatever they like with our school fund. Sensing my extreme dissatisfaction with the school board's handling of our educational funds Attorney General Kelley goes on to state... "If, in fact, the school board expended monies raised by the passage of Proposition 1 on extra-curricular athletic programs, contrary to its offered explanation, your recourse appears to be at the polls at the next election of school board members." And that's where we remain today.

With this in mind and with the past year's track record of our present Board in

EMU Announces Scholarship Winners

Recognition of Excellence Scholarships have been awarded to 81 upperclass students at Eastern Michigan University for the 1981-82 academic year.

The Recognition of Excellence Scholarship Program was established in 1980 and is designed to offer a \$1,000 scholarship to an outstanding student from each high school in Michigan and to out-of-state high schools as funds permit. While the scholarship is not renewable, upperclass students may apply for the scholarships. To be eligible, students must maintain a minimum 3.5 grade point average and demonstrate leadership activities. The scholarship is not based on need.

members have been added recently to the summer-long exhibit; so it's worth a second look if you visited the gallery earlier. Paintings, photographs, soft-sculpture, pottery, printed notes, batik and weavings are included in the show. Most are for sale. Regular hours for the exhibit are: Thursday and Friday from 7:30-9:30 p.m., Saturday from 10:00 a.m. to 12:00 noon and 7:30 - 9:30 p.m., and Sunday from 3:30 - 5:15 p.m. The Gallery will be open during the Street Fair as well.

Bertke Reunion

The 24th Bertke Reunion was held Sunday, August 2nd at Sun Oil Park in Toledo, Ohio. There were 67 members and 3 guests present from Norwell, Cement City, Chelsea, Manchester and Toledo, Ohio to enjoy the pot luck dinner, fellowship, games and swimming.

The business meeting was called to order by President Joyce Scott and the following officers were elected for next year: President - Janet Hardy, Vice President - Karen Rankin, Secretary/Treasurer - Debbie Rawlaski, Mary Jean Welch and Donna Jarzebaski will be in charge of games.

The motion was made and carried to have the next reunion the first Sunday in August at the same place. Dinner at 1 o'clock.

There were four births and two marriages. Madeline Holton of Norwell was the oldest member present and Adam Welch of Toledo, Ohio was the youngest.

Obituaries

Marian O. Kime
11254-Clinton Tecumseh Road
Clinton, Michigan

Age 50, died Monday, August 3, at St. Joseph Mercy Hospital in Ann Arbor after a brief illness.

She was born August 17, 1931 in Elyria, Ohio, the daughter of James and Anna (Callahan) Boyle.

Dr. Kime graduated from Tecumseh High School in 1948. She received her BA and MA Degrees from Eastern Michigan University. She received her Educational Specialist and her Doctorate PHD in 1976 from the University of Florida. Mrs. Kime began her teaching career in Tecumseh at the Culbertson, Persagon and Tipton rural schools and also a brief time in Metamora. She began teaching in Manchester Middle School in 1980 where she had been the Guidance Counselor for many years.

She was a member of the St. Barnabas Episcopal Church in Chelsea. She was also a member of the MEA where she had been a State and Federal Co-ordinator for the MEA and many of the state and federal projects. She was a member of the American Guidance Personnel and the Michigan Middle School Association and the Michigan Reading Association.

She had resided in Clinton since 1957. She is survived by three sons, Gaylor of Thornton, Colorado; Albert of Clinton; and Edward at home; two brothers, James Boyle of Loraine, Ohio and Richard Boyle of Cleveland, Ohio; two sisters, Mrs. Roseann Austin of Elyria, Ohio and Mrs. Claude (Geraldine) Lincome of Loraine, Ohio and seven grandchildren.

She was preceded in death by her parents.

Funeral services will be held Thursday,

August 6, at 11:00 a.m. at St. Barnabas Episcopal Church. Rev. Father Gerrold Beaumont will officiate. Cremation will follow the service. Visitation will be at the Proctor Funeral Home in Clinton all day Wednesday until 9:00 p.m. and after 9:00 a.m. Thursday at the Church in Chelsea. Memorial contributions in memory of Mrs. Kime may be given to the Manchester Middle School or the American Cancer Society.

Helen Brazee
15270 Kuhl Road
Manchester, Michigan

Age 92, died Friday, July 31, at Bixby Hospital where she had been a patient since July 21.

She was born in Ridgeway Township on February 7, 1889, to Edward and Anna (Schwartz) Smith.

Mrs. Brazee was graduated from Ridgeway High School and received a teaching certificate from County Normal School in Blissfield. She taught in Lenawee County Rural Schools at Lenawee Junction.

She was married to the Rev. Alvin C. Brazee in Tecumseh on August 12, 1913, and he preceded her in death on June 10, 1970.

Mrs. Brazee lived in the Tecumseh and Manchester area since 1920, and had resided with a daughter in Manchester since 1976. She was a member of the Iron Creek United Church, where her husband was pastor, and was a Sunday School teacher, church pianist and former choir director. She was also a member of the Missionary Society of the church, and a former member of the Wit and Wisdom Club of Tecumseh. She was also a foster care mother during and after World War II.

Surviving are one son Donald Brazee of Tecumseh, one daughter, Mrs. Emmett (Virginia) Noggle of Manchester; one daughter-in-law, Mrs. Neal (Patricia) Brazee, of Rochester, New York; six grandchildren; and eight great-grandchildren. She was preceded in death by her parents, her husband, one sister, two brothers and three sons.

Funeral services were held Monday at the Proctor Funeral Home in Tecumseh with the Rev. Blair O. Bashore officiating. Burial followed in Brookside Cemetery, Tecumseh.

Del has thoroughly enjoyed his association with Clarence, Gene and all the fellows at Manchester Tool & Die. His wish for them and Marie Garlick, his replacement in the office, is God Speed!

Hit or Miss By Farley

During the baseball strike some of the sports writers have been at a loss to find something to keep them busy and some have succeeded very well indeed. A chap by the name of Rothman has been compiling a list of the oral jests offered by the broadcasters, many of which are missed by many listeners who are following the action rather closely, not the bon mots.

George Kell says Rothman said not so long ago that, when he found Wockenfull wasn't running the bases too fast he was chastized by Kaline who said he runs just as hard as anybody, he just doesn't get there as quick.

And when Amos Otis was having a problem moving from centerfield to left field he dropped a few flies since the season started and then to top it all when the Kansas City Royals were lined up in the infield for formal presentation of their 1980 League Championship rings, Amos dropped his and the fans cheered mightily. Sometimes it's too bad that we don't have instant replay on words as well as deeds.

Other misspoken deeds include the one when the San Francisco Broadcaster pointed out that "When someone addresses a letter only to the Big Jerk in care of your station and the mail clerk delivers it to you just aren't making it with your public. One broadcaster at a Maryland game it

mind I for one must enter a vote of "NO CONFIDENCE" at the polls August 10 and vote "NO, NO on renewal, NO on state replacement funds and NO on athletics. I urge other concerned citizens to do the same.

P.S. I also vote NO on leaking roofs, NO on underequipped shops, NO on closing my local school, and NO on any administrative pay and/or benefit increases.

I am prepared to vote YES when I see my monies worth.

Dear Editor,

Renewal of the 17.78 millage would provide the school system with over \$200,000.00 more than last year, due to the increase in assessments. This would be about a 10% increase, which if the same services and facilities were maintained would not be unreasonable. It just about keeps up with inflation, which is a lot better than most of the districts taxpayers are able to do. But now the Board voted to close down the Pleasant Lake facility, ask for separate millage for sports and transportation, and still want the same millage on renewal!! That's a lot less for a lot more!

With a large portion of the districts residents unemployed and those that are working, doing so at greatly reduced

income thru less hours and wage cutbacks, it is my feeling that unless the Board can find a way of maintaining the same level of services including the use of Pleasant Lake school, that the millage request should be reduced to 16.78 mills which would still provide about \$180,000.00 more than last year.

With no relief in sight on a real property tax reform, and little improvement expected in the economy, and preliminary figures pointing to a 10% or more increase in next years assessed values, how can the people be expected to vote for a renewal that will not provide the same as they had last year? Then to expect a bonding issue to pass this fall!

Maybe its time to merge with a neighboring district or apply for a Federal Loan Guarantee like CHRYSLER? David J. Meinhart

Editor,

On Monday, August 10th, there will be a special school election and on the ballot will be three proposals: one, a renewal of 17.78 mills for 2 years; two, an additional 1.5 mills for transportation of children and maintenance of building for 1 year; three, an additional .4 mills for one year for a reduced athletic program for children.

The reason that we have to ask you for these monies to educate our children is that the State Government has been reducing its support for our children's education. The facts are as follows:

	State Support	Total Revenue	% of State Support
1976-77	\$497,000	\$1,894,000	26.2
1977-78	510,000	2,091,000	24.2
1978-79	377,000	2,292,000	16.4
1979-80	280,000	2,865,000	9.7
1980-81	75,000	2,482,000	3.1

As the State support for our educational program has dwindled our local support has had to increase to offset that loss of revenue. In the coming year (1981-82) we are expecting to receive only \$20,000 - \$30,000 from the State of Michigan: Hence, the need for additional funds from local sources.

In response to the reductions in state revenue and voter rejections on millage increases, the Board of Education has been reducing expenses at every opportunity, at the same time trying not to adversely affect the educational experience for our children. The Board has:

- (1) Eliminated two administrative positions (annual savings to taxpayers - \$45,000).
- (2) Reduced our support for athletics by 50% and called for a \$50.00 fee per student per sport (annual savings to taxpayer - \$30,000).
- (3) Reduced our food service deficit by 50% (annual savings to taxpayers - \$7,500).
- (4) Eliminated the Community Education deficit (annual savings to taxpayers \$25,000 - \$30,000).
- (5) Altered Pleasant Lake School's use eliminating it as an elementary school for our district and transferring its students

into the empty classrooms in Klager School (annual savings to taxpayers - \$50,000). This savings is expected to increase sharply soon from rental income received for this building.

(6) Convert the middle school oil-fired boiler to gas (annual savings to taxpayer \$5,000).

The School Board has struggled long and hard with these changes and many more. Most of these changes were not easy to make but I want to assure you that the Board has tried its very best to be Prudent with your monies.

We have cut everything that we can and what is left on the ballot in the three proposals is a basic program - no frills, no waste. If all three proposals are approved our children will have a respectable education. If they are not, our children will pay the penalty - not just this year but in the years ahead.

As you are standing in line to vote next Monday, I ask you to think about one thing - think about the times when you were in school, the opportunities that were available to you then and the sacrifices that your parents made for you.

Sincerely,
William M. Broucek
President, Board Of Education

With Aeroquip Bulk Hose and Reusable Fittings...

"What you save is what you get"

SAVE on downtime.
Aeroquip Bulk Hose and Reusable Fittings let you replace hose lines right on the job. No long waiting.

GET more production time.
A vise, a wrench and a saw are the only tools you need to make hose line replacements in minutes! Production resumes fast!

SAVE up to 70%.
Up to 70% of the cost of a hose line is in the fittings. Why throw away 70%? Why not use Aeroquip Reusable Fittings?

GET the savings over and over.
An Aeroquip Reusable Fitting is built to last indefinitely... and you save up to 70% every time you use it.

SAVE inventory capital.
Commonality of fittings eliminates individual inventoried completed hose lines. And, there's an available hose style compatible with just about every fluid agent.

GET inventory space.
You gain all kinds of new inventory space because in most cases all that's needed are a few coils of Aeroquip Bulk Hose and a handful of fittings.

Thanks Coaches!

Manchester is filled with good people. Yet there are some people who go a step beyond just being "good people". These select few are the men and women who coach baseball and softball for our kids. They volunteer and donate many, many hours of their own time to help the kids. Without these folks there would not be a Little League. Tee Ball or girls softball program.

It's not an easy job, yet it's very rewarding. A good coach is a teacher, mother and father, doctor and nurse, psychologist, disciplinarian etc. After a hard days work, they come home and pack up the equipment and the kids and it's off to the ballfield. But the coaches will tell you the pleasure of seeing a child's first base hit or catching that fly ball, or winning that first game. The expression of sheer joy and happiness on those shining faces make all the time and effort worth-

while.

I feel we have been truly fortunate to have such good coaches and their helpers this year. These people are very special in my book, a cut above, "the doers", people we can depend upon. So I urge you to thank them personally if you haven't already done so, and then join me in saying "Thanks Coach for a job well done!". The Coaches for Little League were Bill Bronock, Ed Rickelmann, Barry Lee, Bob Rhees, Mr. and Mrs. Bill Riley, Bob Vedder, and Mr. and Mrs. Weber.

The T-Ball Coaches were John Anderson, Tim Sanders, Rod Rodriguez, Jay Gouss, John McGuire, Matt Donnellon, Ron Fielder, Ron Panchas and Jim Fielder. The Girl's Softball Coaches were Martha Heinrich, Debbie Alber, Donna Bragg, Danell Steele, Debbie Corwin, Dawson Stockwell, Judy Rhees, Kay Miller and Sue Fielder.

Senior Citizen News

Manchester Senior Citizens Council, Inc. will meet on Tuesday, August 11, at 9:30 a.m. at the Emmanuel United Church of Christ meeting rooms for a regular meeting.

The MSCC transportation committee will meet at 10:00 a.m. on Thursday, August 27 to make out monthly reports. If transportation is needed by any Senior Citizen in Manchester Village or Township for medical purposes, call Mrs. LeRoy (Heleen) Knickerbocker, 428-8455. This is a free service for those 55 or over.

The next Senior Citizens Day at the Manchester Farmer's Market will be Saturday, August 29. For information for this project, call Mrs. Millard (Lillian) Uphaus, 428-7461.

Mr. Ray Gonyer, president of MSCC can be reached at 428-7613.

Story Hour Has Something For Everyone

Thursday's Story Hour will feature Pat Sahakian and Monkey Trouble - stories, finger plays, songs and games. Great fun for the little ones.

Sue Fielder will teach memory techniques. This will be especially helpful for 10-14 year olds. This is a tool that will be useful for school.

Next week these people will return and conclude these programs.

Plan to join the fun! See you at the Library Thursday at 2 p.m.

Baha'i School Celebrates 50th Anniversary

Davison, Michigan - Baha' is from all over Michigan and several nearby states gathered at the Loughelen Baha' School on Saturday, August 1, to celebrate the 50th anniversary of the school. Attending from Manchester were Thomas and Nancy Rykwalder.

The day's festivities included musicians, clowns, a puppet show, and keynote speaker (Dr. Magdalene M. Carney) from the national Baha'i headquarters in Wilmette, Illinois. At the end of the program, hundreds of helium-filled balloons were released, filling the sky with color.

The celebration was also in honor of the

school's forthcoming construction and remodeling of buildings which, once completed, will make the Loughelen School the most prominent Baha'i educational institution in the United States. The new facilities will include a classroom building, dormitories, and a school center with cafeteria, auditorium, registration area, bookstore and library. Courses will specialize in the Baha'i teachings on parenthood, family life, the upbringing of children, and the education of youth.

"The purpose of Baha'i education," said Dr. Peter Khan, member of the Baha'i Continental Board of Counsellors for Australasia, "is to go beyond faith in Baha'u'llah (Prophet-Founder of the Baha'i Faith) to the far more difficult task of applying His teachings and the spiritual power within them to the work of transforming our character, of bringing forth order and beauty, of developing and manifesting the diverse talents which reside within every one of us. This is what the Loughelen Baha' School is all about."

Food Tent Menu Change

On advice from previous food tent chairmen, this year chairmen have decided to drop the Spaghetti Dinner on Tuesday. This action is being taken due to the parade followed by the crowning of the Queen. Sloppy Joes will be offered in its place.

The Baha'i Faith teaches:

One God
The oneness of mankind
Independent investigation of truth
The common foundation of all religions
The essential harmony of science and religion
Equality of men and women
Elimination of prejudice of all kinds
Universal compulsory education
A spiritual solution of the economic problem
A universal auxiliary language
Universal peace upheld by a world government

School Board Minutes

July 20, 1981

The meeting was called to order by President William Broucek, at 8:05 p.m. Members present: DuFresne, Horning, Krueger, Broucek, Bunney, Little. Members Absent: Mann.

Communications: Dr. Thompson advised that a letter had been received from Mr. and Mrs. Dale W. Weidmayer advising that they had filed a petition with the Washtenaw Intermediate School District to have their property transferred to the Saline area school district. After extensive discussion it was moved by Bunney to place the Manchester Board of Education on record as being opposed to the transfer of property owned by Dale and Mary Weidmayer from the Manchester Community School District to the Saline area school district. This motion would also direct the Superintendent to indicate the opposition of the Board at the public hearing held before the Washtenaw Intermediate School District Board of Education. Supported by Little. Role Call vote: Yes: Bunney, Little, DuFresne, Broucek. Nay: Krueger. Abstained: Horning.

Visitor Input: There were no requests to speak.

Minutes of Previous Meetings: It was moved by Little to approve the minutes of the regular meeting of June 15, 1981 as presented. Supported by DuFresne. All Years.

It was moved by Horning to approve the minutes of the special meeting of the June 22, 1981 meeting. Supported by DuFresne. All Years.

It was moved by DuFresne to approve the minutes of the special meeting of July 1, 1981. Supported by Bunney. All Years.

Financial Report: It was moved by Little to approve the financial report showing a balance of \$311,987.69 as of June 30, 1981. Supported by Horning. All Years.

Bills Payable: It was moved by Little to approve bills payable in the amount of \$249,071.75. Supported by Bunney. All Years.

Discussion Items: (a) Education Goals: Dr. Thompson asked that item C be moved up on the agenda since a visitor was present to speak regarding the topic of roofing.

Discussion Items: (c) Roofing Proposal: Mr. John Gundrum from Gundrum Roofing of Ann Arbor was present to present a proposal regarding roof work at Kalger Elementary and the High School. The system under discussion is a rubber

non-ballast roof. Discussion took place regarding the condition of the roofs, the areas to be covered, and probable costs involved. It was the consensus of the Board to bring this topic back to the agenda at the August regular meeting following the millage election.

(A) Educational Goals: Dr. Thompson reported that the goals had been published as per the Board's request. No communication had been received regarding the proposed goals. Dr. Thompson advised that early in the school year a goal prioritizing effort would be carried out which would identify the top priority goals for the school district. Board discussion centered upon whether or not all of the goals were indeed the responsibility of the schools. It was also pointed out that as goals were prioritized the system would then be provided to direct financial resources to develop programs. Dr. Thompson advised that he would bring the goals back to the Board following the establishment of priorities.

(B) Continued Policy Work Dates: It was decided to establish August 31 and the first Monday in each month as special meeting dates for policy work until the task is completed.

(D) Teacher Evaluation Proposal: Dr. Thompson reported that a revised teacher evaluation instrument had been developed as per his management by objectives plan. The system identifies specific teacher characteristics, behaviors, and attitudes. Each trait is weighted which means that some are considered more valuable than others. Building administrators will make determinations regarding whether the teacher exceeds, meets, or fails to meet expectations on each of the traits. Dr. Thompson advised that he would seek input from the professional council before implementing the new evaluation instrument.

Dr. Thompson also advised that he was

recommending that required written evaluations for teachers be reduced in number. His recommendation is that each probationary teacher be evaluated in writing twice a year and each tenure teacher once a year. He advised that it would be necessary to reach accord with the WELA/MEA regarding this reduction.

It was moved by DuFresne to authorize a reduction in the number of written teacher evaluations from twice to one time per semester for probationary teachers, and from two times to once per year for tenure teachers. Supported by Krueger. All Years. Abstained: Little.

Old Business: (A) Committee Appointments: President Broucek appointed R. Mann as the Board Representative to the Professional Council. DuFresne volunteered to serve as the representative to the WISD School Officers Association.

Due to the late hour it was decided to schedule a special meeting on August 11 to discuss architectural work.

New Business: (A) WISD Parent Appointment: It was moved by Little to recommend the reappointment of Mrs. Patricia Settles to the Washtenaw County Parent Advisory Committee form the Manchester School District. Supported by DuFresne. All Years.

The Superintendent was asked to schedule Mrs. Settles on a future agenda for a report to the Board.

It was moved by DuFresne and supported by Bunney to add Personnel Items to the agenda.

Dr. Thompson reported that he had received that day a letter of resignation from Mr. Doyle Rodenbeck, band director. Dr. Thompson read Mr. Rodenbeck's letter of resignation and stated that he regretted losing a valued staff member.

It was moved by DuFresne and supported by Bunney to accept the resignation

A BETTER MOUSETRAP.

New 30 Month MM* Certificate

UNCLE SAM HAS JUST JOINED THE RANKS OF BETTER MOUSETRAP BUILDERS.

In this case, it's a way for you to get a higher return when you just have \$100 or so to invest. The new 30 month money market certificate* is pegged to the rate on comparable treasury securities. So we can now pay you substantially more than the 12% ceiling previously imposed. You can get a monthly interest check for additional income, or each month we'll transfer the interest earned to your Great Interest Check account where it will earn 5 1/4% annual interest. All in all, Uncle Sam has put together a very snappy investment package.

*Federal regulations require a substantial penalty for early withdrawal from certificate accounts. The rate established at the time money market certificates are opened is the rate in effect for the full term of the certificates. Interest for the 30 month money market certificate is determined bi-weekly and is compounded continuously. Your funds are insured to \$100,000 with an agency of the federal government. Minimum deposit \$100.

SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE ELECTORS OF MANCHESTER COMMUNITY SCHOOLS WASHTEAW AND JACKSON COUNTIES, MICHIGAN TO BE HELD AUGUST 10, 1981

TO THE ELECTORS OF THE SCHOOL DISTRICT:

Please Take Notice that a special election will be held in the Manchester High School Building, in the Village of Manchester, Michigan, on Monday, August 10, 1981.

THE POLLS OF ELECTION WILL OPEN AT 7:00 O'CLOCK, A.M. AND CLOSE AT 8:00 O'CLOCK, P.M.

The following propositions will be submitted to the vote of the electors at the special election:

I. MILLAGE RENEWAL PROPOSITION
Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 17.78 mills (\$17.78 on each \$1,000.00) on state equalized valuation for a period of 2 years, 1981 and 1982, for the purpose of providing additional funds for operating purposes (this being a renewal of 17.78 mills for operating purposes which expired with the 1980 tax levy)?

II. TAX RATE LIMITATION INCREASE PROPOSITION FOR OPERATING PURPOSES
Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 1.5 mills (\$1.50 on each \$1,000.00) on state equalized valuation for the year 1981, for the purpose of providing additional operating funds to replace losses in state reimbursement funds for transportation costs, and for maintenance and repair of school facilities?

III. TAX RATE LIMITATION INCREASE PROPOSITION TO SUPPORT A REDUCED ATHLETIC PROGRAM
Shall the limitation on the amount of taxes which may be assessed against all property in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, be increased by 4 mill (\$4.00 on each \$1,000.00) on state equalized valuation for the year 1981, for the purpose of providing additional operating funds to support a reduced athletic program?

All school electors who are registered with the city or township clerk of the city or township in which they reside are eligible to vote at this election.

I, Michael A. Stimpson, Treasurer of Washtenaw County, Michigan, hereby certify that, as of July 20, 1981, the records of this Office indicate that the total of all voted increases over and above the tax limitation established by the constitution of Michigan, in any local units of government affecting the taxable property located in Manchester Community Schools, Washtenaw and Jackson Counties, Michigan, is as follows:

School Events Calendar Is Back

Melinda Trout, High School Art teacher, and young artist Brent Crombez, are designing the cover for the 1981-82 School Events Calendar.

A school events calendar has been absent in Manchester for a number of years now. 1981-82 marks the return of the calendar. The Manchester Education Association has designed a school events calendar to remind you of all those important school related events - athletic activities, conferences, concerts, vacation, board meetings...

The calendar will be available August 8th at various merchants in town and at the Community Fair starting August 18th. Welcome back calendar!

HIT OR MISS

is said reported that the members of the team made straight A's but that their B's were a bit crooked.

Pitcher Tug McGraw was asked whether he favored artificial or grass and he sagely replied "I never smoked artificial turf." Alex Carras was asked why he never graduated from Iowa and he replied that he went there just two terms "Truman's and Eisenhower's."

Somebody asked bowler Don Carter which was the most difficult game. He quickly answered Golf. "I never lost a ball while bowling".

Bob Uecker was catching for the Phillies when he was replaced by a pinch hitter. The pitcher threw a ball that completely eluded the catcher and Uecker was heard to say "I could have done that."

We heard some time ago that it was considered that Sonny Elliot was to be hired to work in the broadcast booths but before long the Tigers, Lions and Red Wings proved to be funnier than any comic and so Sonny lost that job.

We're anesthetized by hidden taxes and hypnotized by direct taxes.

Dandruff always got a head start.
 Other people's jokes like other people's kids are more difficult to enjoy than our own. Hard work never killed anybody, but then again, resting is responsible for very few casualties.

And to close this episode, we read the other day a skit that proves that dogs like people are some of them smarter than others.

It seems that a charming French poodle was drawing a lot of attention from a small Manchester terrier and a much larger dog of doubtful parentage. It is reported. The larger dog evidently had "street sense". He started digging his way under the fence. It was hard going and every so often he would pause in his work and take off elsewhere for a respite.

He made the mistake, however, of leaving the hole after it was large enough for the Manchester to squeeze through and when he returned the Manchester was in the yard cavorting with the poodle. The frustrated dog pawed at the hole tentatively but soon thought better of the whole affair and left and was not seen again.

Saline Story Book Gardens Open House

COUNCIL PROCEEDINGS

Council met in regular session with the meeting called to order by President Schaffer at 7:00 p.m. Present were DuRussel, Hinkley, Koebbe, Minick, Petch, Reed, Steele and Zsenyuk.

Minutes of the July 6, 1981 meeting were read and approved in a motion by Petch, supported by DuRussel. All yeas, motion carried. Enter Smith at 7:10 p.m.

Hinkley requested that a thank you be extended to the Manchester Fire Department, Manchester Police Department and all persons who assisted for the 4th of July celebration.

Zsenyuk presented a quotation for Bit Paving on various streets in the Village

from Cunningham - Gooding. Quotes have been requested from other companies. Zsenyuk presented for review the Rules and Regulations of the Manchester Farmers Market.

An agreement was presented for review for the Codification of the Village ordinances in a hard cover loose leaf book from Louis C. Andres, Jr. at a cost of \$3,800.00.

It was the opinion of Village Council to proceed with the compiling and bringing up to date the book which will also contain Building Codes and Zoning Codes. It was requested to receive a firm price for 75 copies.

Zsenyuk reported prices for a new tree

planter with a 20 inch ball would cost \$3,500.00; a 30 inch ball would cost \$7,000.00. Also were checking whether a used one could be purchased. Council requested that more quotes be received.

Zsenyuk reported 2 trash receptacles were needed. A price of \$4,600.00 each was received from Emmons Service, Inc. of Jackson, Michigan. Council directed that other quotes be received.

Public Works Activities as reported by Koebbe and Smith included: Installed water meters; cut brush at some of the intersections; mowed parks; made return calls on reading water meters; patched holes in streets with cold patch; flushed hydrants; swept streets; cleaned up at the landfill; serviced equipment; emptied trash barrels; worked at parks; cleaned buildings; placed barricade around the Char-Bro; repaired water service; Paul Schwab requested tree roots be dug up at his residence and new tile be laid. he will stand one-half of cost, approximately \$150.00. No objections were voiced; a weed whip was purchased.

Sgt. Steele presented a report of activities for the month of June for 12 hour periods.

Reed reviewed the Financial Report for the month of June.

Village Council directed that the sidewalk on Riverside Drive be replaced as had been requested by property owners.

Hinkley reported there would be a special meeting of the Village Planning Commission on July 21, 1981. The agenda will consist of the request of the National Bank of Jackson for 4 signs for their buildings. The cost of the meeting will be absorbed by the National Bank of Jackson.

Moved by Hinkley, supported by Koebbe the charge for a sign permit fee by \$35.00.

All yeas, motion carried.

Hinkley also reported Pinnacle Engineering Company will file for respecification for a variance.

A discussion was held on storage of materials within the Village. Section 56.03 of the Manchester Village Zoning Ordinance was reviewed.

Land acquisition for Final Facilities Plan for the treatment plant was discussed. No decision has been reached.

Meeting adjourned at 9:00 p.m. Dealoris Richardson, Clerk

meet the challenge thus assuring continued success of our annual campaign which benefits all of us through 36 local, state and national health and social service agencies.

Again this year we need a new and catchy campaign slogan. For the past twelve years our annual campaign slogan has been suggested by citizens of our community. A slogan contest will be held during Fair Week, August 18 - 22. Look for our exhibit in the Merchant's Tent at the Fair.

Booth space is being contributed by the Manchester Tool & Die, Inc.

The slogan winner, to be determined by the United Way Board of Directors, will receive a \$10.00 cash award of appreciation.

Last year, Mrs. Hilma Tervo suggested the winning slogan - "Sharing Means Hope".

OFFICIAL NOTICE OF SALE

\$415,000.00

MANCHESTER COMMUNITY SCHOOLS
COUNTIES OF WASHTENAW AND JACKSON
STATE OF MICHIGAN

TAX ANTICIPATION NOTES
(General Obligation Limited Tax)

SEALED BIDS for the purchase of tax anticipation notes of Manchester Community Schools, Counties of Washtenaw and Jackson, Michigan of the par value of \$415,000.00 will be received by the undersigned at 710 E. Main Street, Manchester, Michigan 48158 until eight o'clock P.M., Eastern Daylight time, on the 17th day of August, 1981 at which time and place they will be publicly opened and read.

NOTE DETAILS; INTEREST RATE; PAYING AGENT; AND DENOMINATIONS: The notes will be dated September 1, 1981 will mature April 1, 1982 and will bear interest at a rate or rates not exceeding 14% per annum. Both principal and interest will be payable at a bank or trust company located in the State of Michigan to be designated by the original purchaser of the notes which paying agent qualifies as such under the Statutes of the State of Michigan or of the Federal Government, subject to the approval of School District. Denominations and form of notes to be at the option of the purchaser. Accrued interest to date of delivery of such notes must be paid by the purchaser at the time of delivery.

PRIOR REDEMPTION: The notes shall not be subject to redemption prior to maturity.

AWARD OF NOTES: For the purpose of awarding the notes the interest cost of each bid will be computed on a 360 day year basis by determining, at the rate or rates specified therein, the total dollar value of all interest on the notes from September 1, 1981 to their maturity and deduction therefrom any premium. The notes will be awarded to the bidder whose bid on the above computation produces the lowest dollar interest cost to the municipality. No proposal for the purchase of less than all of the notes or at a price less than their par value will be considered.

SECURITY: The loan is in anticipation of the operating portion of the School Tax for the fiscal year July 1, 1981 to June 30, 1982 which tax is due and payable December 1, 1981. The School District has pledged to establish a special fund to be used solely to pay the principal and interest on the notes when due, and has pledged to set aside in said fund an amount sufficient to repay the principal and interest on the notes when due. A portion of each dollar of taxes remaining to be collected for the fiscal year beginning July 1, 1981 shall be set aside in an amount not less than 125% of the percentage that the principal amount of the notes bears to the amount of taxes to be levied and to be collected for operating expenses, anticipated delinquency in collections being taken into account, until the amount so set aside is sufficient for payment of the notes.

In addition, the notes will be a General Obligation of the School District and if tax collections are insufficient to pay the notes when due, the School District has pledged to use any and all other resources available for payment of said notes. The School District does not have the power to levy taxes for the payment of the notes in excess of its constitutional and statutory tax rate limit.

ADDITIONAL BORROWING: The School District reserves the right to issue additional notes of equal standing with the notes of this issue to meet current operating and payroll expenses.

GOOD FAITH: A certified or cashier's check in the amount of 2% of the par value of the notes, drawn upon an incorporated bank or trust company and payable to the Order of the Treasurer must accompany each bid as a guarantee of good faith on the part of the bidder to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the notes. Checks of unsuccessful bidders will be promptly returned.

LEGAL OPINION; DELIVERY OF NOTES: Bids shall be conditioned upon the unqualified opinion of the purchaser's attorney approving the legality of the notes to be secured at the purchaser's expense. The purchaser shall furnish notes ready for execution at his expense. Notes will be delivered at a place to be agreed upon with the purchaser.

THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.

ENVELOPES containing the bids should be plainly marked "Proposal for Notes."

United Way Campaign Slogan Contest

Manchester's United Way needs a new slogan for this fall's campaign.

For the past twelve years campaign slogans have been suggested by Manchester area residents. Last year's slogan "Sharing Means Hope" was submitted by Mrs. Hilma Tervo.

During Community Fair Week-August 18-22 your suggested slogan can be dropped in the slogan contest box at the United Way booth in the Merchants tent. The slogan which will be used throughout the coming campaign will be selected by the United Way Board of Directors and the winner will be awarded a \$10.00 cash award of appreciation.

All Manchester area residents are eligible - there is no age limit.

When you come to the Fair, stop at the United Way booth and enter your suggested slogan. It's fun - It's easy - and you could be the winner.

Jim Dunn To Hold Townhall Meeting

Congressman Jim Dunn will be holding a townhall meeting at Manchester Township Hall, 275 S. Macomb, Manchester, Thursday evening, August 13, beginning at 8:00.

Dunn and a staff aide will be available to answer questions and assist you on any problems you have relating to the Federal government.

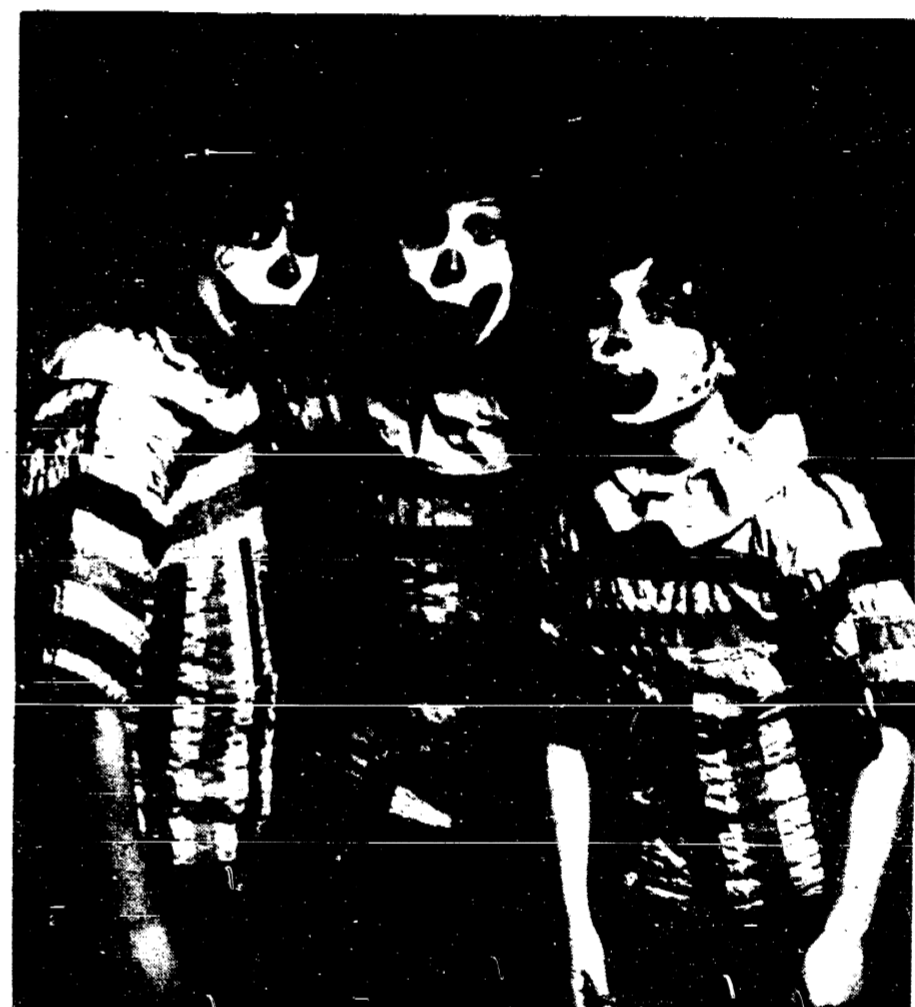

This meeting will also give individuals a chance to discuss issues facing the nation in a non-partisan, informal setting.

If you have any questions, please call Dunn's Congressional office at 517-787-4323.

Michigan's "Biggest Little Fair" August 18 thru 22

Friday, August 21, 2:30 p.m. Clark Family Players will present a Childrens Show which includes harmonica music, singing, imitations and puppetry.

Manchester Community Fair time is here already. The Manchester weather committee has done a good job for the Chicken Broil and Ice Cream Socials so we are sure the same is being planned for the Fair.

All previous exhibitors of the Fair should have received the Premium Book for the 39th Community Fair. It is a very attractively done book and contains all the rules, regulations, and premium lists necessary for participating in the various activities. Listed on page 7 and 8 are board members and committees for the "Biggest Little Fair in Michigan". Persons who didn't receive a book in the mail can pick one up at various locations in the community or at the Fair Office at 220 Vernon St. Mr. Elmen Kopka, Fair Board President will gladly answer any questions either in person or by phone 428-7402. The office is open between 10:00 and 12:00 AM and 7:00 to 9:00 PM every day to Fair time. Season passes will also be available prior to the Fair at \$5.00 a book, quite a savings over the \$1.50 daily gate.

Exhibitors should look carefully at the various classes for exhibits. There is something for everyone, young and older. Let's set a new record for new exhibitors added to our list this year.

Some of the departments have new sections added this year. You might not be aware of the Spinning and Weaving section on pages 67 and 68 of the book. Let's have entries in every class. Also new this year is a section titled Collectibles in the Antiques Division on pages 90 and 81. The antique division has room for many more entries. The display is housed in the Middle School classrooms and has attendants on duty at

all times when the school is open. Let us make this a very interesting exhibit area this year.

Also housed in the school are photography and the Fine Arts Divisions. What have you made lately that would come under division 2 page 83 titled Sculpture. Is it made from wood, clay, metal or soap?

Many classes in the Farm Produce, hobbies, crafts, collections, sewing, and Home Economics classes do not have entries. Which class will you enter? Any exhibitor who has articles for several classes would benefit by listing them in numerical order before coming to the Fair Grounds. Exhibits cannot be removed before 9:30 p.m. August 22nd.

The Tuesday night Fair Parade officially opens the activities for the 1981 Manchester Community Fair. The parade form on East Duncan St. Beginning at 6:30 it's path follows Duncan to Beaufort St., down Main Street, returning by way of Territorial and Duncan Streets. Don't miss it. This Harvest Time Parade promises to be the best ever for those who take part or observe.

Besides the traditional activities of the Fair extra entertainment is planned for every evening and afternoon of the Fair Week. Check out all the information listed in the Enterprise. See you at the Fair!

Fire Inspection To Be Held

Jim Kensler, Fire Inspector of the Manchester Fire Department would like to announce the annual fire inspection, to be conducted the week of August 17.

Hit or Miss By Farley

Seems as how a great many of our readers like to reminisce about the "good old days" or else they're all or 'mostly in the upper bracket age-wise. One of them the other day brought us a copy of McClure's magazine of November 1903 in which he said were a great many bits that would make interesting copy for a column and so here goes:

For instance a page ad just inside the cover is devoted to "Gold Medal Flour" in which the slogan line read "We ought to charge more than we do". Now I don't think this would be very appropriate today, would it? And then we had "Pure soap in Pear's soap". I wonder what became of it?

The leading feature article was "The Wonders of Radium" by Cleveland Moffett, who prophesied many of the miracles which it has since performed. At that time it had but recently been discovered by M. and Mme. Curie in Paris. Another was titled "New York, Good Government In Danger". In some ways it just don't seem that we have made much progress in the past 78 years, does it?

Photographs were almost non-existent in this issue, but illustrations by various artists were very ornate and interesting. For some reason the photographs that appear were almost all portraits of individuals connected with the articles. Perhaps cameras and films were not sensitive enough to allow their use under varying outdoor conditions.

Also included in that month's issue were a half dozen stories by, at that time at least, well known authors. Don't forget that at that time book and magazine fiction did not have to compete with radio nor TV nor the movies. And we suspect that most every youngster was taught to be fluent in reading and writing. They were almost a necessity.

But when we continue to reminisce we found the ads were quite the most interesting and pointed out the progress that we have made in so many ways since 1903.

Among the ads that caught my fancy was one titled "Law taught by mail". I wonder if some of today's barristers still have been educated that way. Educational courses by mail seemed to be very popular then. There was one headed "I can double your salary if you are earning less than \$25.00 a week." Just think how much appeal that would have today. Then too, there was another ad "Journalism Taught by mail" and sometimes I wonder if some of the present day journalists learned from that course. One of the larger ads asked one to learn to earn \$1200 to \$8,000 a year, but across the page was an ad for the Kirshbaum overcoat which was the utmost in style and comfort and which sold from \$10.00 to \$30.00. They were to be worn by every man who cares for his appearance.

Another group of ads told the advantages of various railroads which boasted, each one, of offering the utmost for their passengers on their trains, one of which was described as the finest obtainable, "standard and compartment sleepers, observation and dining cars, buffet-smoking-library car, with the entire car lighted by electricity.

We must not forget to mention the Kelly-Springfield tire for buggies and hansoms and other passenger vehicles. The automobile pneumatic tire had not
