

COUNCIL PROCEEDINGS

Council met in regular session with the meeting called to order by President Schaffer at 7:00 p.m. Present were DuRussel, Hinkley, Koebbe, Minick, Petesch, Reed, Steele and Zsenyuk.

Minutes of the July 6, 1981 meeting were read and approved in a motion by Petesch, supported by DuRussel. All yeas, motion carried. Enter Smith at 7:10 p.m.

Hinkley requested that a thank you be extended to the Manchester Fire Department, Manchester Police Department and all persons who assisted for the 4th of July celebration.

Zsenyuk presented a quotation for Bit Paving on various streets in the Village

from Cunningham - Gooding. Quotes have been requested from other companies. Zsenyuk presented for review the Rules and Regulations of the Manchester Farmers Market.

An agreement was presented for review for the Codification of the Village ordinances in a hard cover loose leaf book from Louis C. Andres, Jr. at a cost of \$3,800.00.

It was the opinion of Village Council to proceed with the compiling and bringing up to date the book which will also contain Building Codes and Zoning Codes. It was requested to receive a firm price for 75 copies.

Zsenyuk reported prices for a new tree

planter with a 20 inch ball would cost \$3,500.00; a 30 inch ball would cost \$7,000.00. Also were checking whether a used one could be purchased. Council requested that more quotes be received. Zsenyuk reported 2 trash receptacles were needed. A price of \$4,600.00 each was received from Emmons Service, Inc. of Jackson, Michigan. Council directed that other quotes be received.

Public Works Activities as reported by Koebbe and Smith included: Installed water meters; cut brush at some of the intersections; mowed parks; made return calls on reading water meters; patched holes in streets with cold patch; flushed hydrants; swept streets; cleaned up at the landfill; serviced equipment; emptied trash barrels; worked at parks; cleaned buildings; placed barricade around the Char-Bro; repaired water service; Paul Schwab requested tree roots be dug up at his residence and new tile be laid. he will stand one-half of cost, approximately \$150.00. No objections were voiced; a weed whip was purchased.

Sgt. Steele presented a report of activities for the month of June for 12 hour periods.

Reed reviewed the Financial Report for the month of June.

Village Council directed that the sidewalk on Riverside Drive be replaced as had been requested by property owners.

Hinkley reported there would be a special meeting of the Village Planning Commission on July 21, 1981. The agenda will consist of the request of the National Bank of Jackson for 4 signs for their buildings. The cost of the meeting will be absorbed by the National Bank of Jackson.

Moved by Hinkley, supported by Koebbe the charge for a sign permit fee by \$35.00.

All yeas, motion carried.

Hinkley also reported Pinnacle Engineering Company will file for respecification for a variance.

A discussion was held on storage of materials within the Village. Section 56.08 of the Manchester Village Zoning Ordinance was reviewed.

Land acquisition for Final Facilities Plan for the treatment plant was discussed. No decision has been reached.

Meeting adjourned at 9:00 p.m. Deaoris Richardson, Clerk

United Way

meet the challenge thus assuring continued success of our annual campaign which benefits all of us through 36 local, state and national health and social service agencies.

Again this year we need a new and catchy campaign slogan. For the past twelve years our annual campaign slogan has been suggested by citizens of our community. A slogan contest will be held during Fair Week, August 18 - 22. Look for our exhibit in the Merchant's Tent at the Fair.

Booth space is being contributed by the Manchester Tool & Die, Inc.

The slogan winner, to be determined by the United Way Board of Directors, will receive a \$10.00 cash award of appreciation.

Last year, Mrs. Hilma Tervo suggested the winning slogan - "Sharing Means Hope".

Your help is needed. A short appealing slogan could be the winner.

Voters Approve Operational Millage Defeat Proposition II And III

The Manchester Community went to the polls on Monday, August 10, 1981.

Proposition I for Millage Renewal was passed with 749 yes votes and 347 no votes. Proposition II for tax rate limitation increase for operating purposes was defeated with 510 yes votes and 570 no votes. Proposition III for tax rate limitation increase to support a reduced athletic program was also defeated with 482 yes votes and 601 no votes.

United Way Campaign Slogan Contest

Manchester's United Way needs a new slogan for this fall's campaign.

For the past twelve years campaign slogans have been suggested by Manchester area residents. Last year's slogan "Sharing Means Hope" was submitted by Mrs. Hilma Tervo.

During Community Fair Week-August 18-22 your suggested slogan can be dropped in the slogan contest box at the United Way booth in the Merchants tent. The slogan which will be used throughout the coming campaign will be selected by the United Way Board of Directors and the winner will be awarded a \$10.00 cash award of appreciation.

All Manchester area residents are eligible - there is no age limit.

When you come to the Fair, stop at the United Way booth and enter your suggested slogan. It's fun - It's easy - and you could be the winner.

Jim Dunn To Hold Townhall Meeting

Congressman Jim Dunn will be holding a townhall meeting at Manchester Township Hall, 275 S. Macomb, Manchester, Thursday evening, August 13, beginning at 8:00.

Dunn and a staff aide will be available to answer questions and assist you on any problems you have relating to the Federal government.

This meeting will also give individuals a chance to discuss issues facing the nation in a non-partisan, informal setting.

If you have any questions, please call Dunn's Congressional office at 517-787-4323.

Michigan's "Biggest Little Fair" August 18 thru 22

Friday, August 21, 2:30 p.m. Clark Family Players will present a Childrens Show which includes harmonica music, singing, imitations and puppetry.

Manchester Community Fair time is here already. The Manchester weather committee has done a good job for the Chicken Broil and Ice Cream Socials so we are sure the same is being planned for the Fair.

All previous exhibitors of the Fair should have received the Premium Book for the 39th Community Fair. It is a very attractively done book and contains all the rules, regulations, and premium lists necessary for participating in the various activities. Listed on page 7 and 8 are board members and committees for the "Biggest Little Fair in Michigan". Persons who didn't receive a book in the mail can pick one up at various locations in the community or at the Fair Office at 220 Vernon St. Mr. Elmen Kopka, Fair Board President will gladly answer any questions either in person or by phone 428-7402. The office is open between 10:00 and 12:00 AM and 7:00 to 9:00 PM every day to Fair time. Season passes will also be available prior to the Fair at \$5.00 a book, quite a savings over the \$1.50 daily gate.

Exhibitors should look carefully at the various classes for exhibits. There is something for everyone, young and older. Let's set a new record for new exhibitors added to our list this year.

Some of the departments have new sections added this year. You might not be aware of the Spinning and Weaving section on pages 67 and 68 of the book. Let's have entries in every class. Also new this year is a section titled Collectibles in the Antiques Division on pages 90 and 81. The antique division has room for many more entries. The display is housed in the Middle School classrooms and has attendants on duty at

all times when the school is open. Let us make this a very interesting exhibit area this year.

Also housed in the school are photography and the Fine Arts Divisions. What have you made lately that would come under division 2 page 83 titled Sculpture. Is it made from wood, clay, metal or soap?

Many classes in the Farm Produce, hobbies, crafts, collections, sewing, and Home Economics classes do not have entries. Which class will you enter?

Any exhibitor who has articles for several classes would benefit by listing them in numerical order before coming to the Fair Grounds. Exhibits cannot be removed before 9:30 p.m. August 22nd.

The Tuesday night Fair Parade officially opens the activities for the 1981 Manchester Community Fair. The parade form on East Duncan St. Beginning at 6:30 it's path follows Duncan to Beaufort St., down Main Street, returning by way of Territorial and Duncan Streets. Don't miss it. This Harvest Time Parade promises to be the best ever for those who take part or observe.

Besides the traditional activities of the Fair extra entertainment is planned for every evening and afternoon of the Fair Week. Check out all the information listed in the Enterprise. See you at the Fair!

Fire Inspection To Be Held

Jim Kensler, Fire Inspector of the Manchester Fire Department would like to announce the annual fire inspection, to be conducted the week of August 17.

Hit or Miss By Farley

Seems as how a great many of our readers like to reminisce about the "good old days" or else they're all or 'mostly in the upper bracket age-wise. One of them the other day brought us a copy of McClure's magazine of November 1903 in which he said were a great many bits that would make interesting copy for a column and so here goes:

For instance a page ad just inside the cover is devoted to "Gold Medal Flour" in which the slogan line read "We ought to charge more than we do". Now I don't think this would be very appropriate today, would it? And then we had "Pure soap in Pear's soap". I wonder what became of it?

The leading feature article was "The Wonders of Radium" by Cleveland Moffett, who prophesied many of the miracles which it has since performed. At that time it had but recently been discovered by M. and Mme. Curie in Paris. Another was titled "New York, Good Government In Danger". In some ways it just don't seem that we have made much progress in the past 78 years, does it?

Photographs were almost non-existent in this issue, but illustrations by various artists were very ornate and interesting. For some reason the photographs that appear were almost all portraits of individuals connected with the articles. Perhaps cameras and films were not sensitive enough to allow their use under varying outdoor conditions.

Also included in that month's issue were a half dozen stories by, at that time at least, well known authors. Don't forget that at that time book and magazine fiction did not have to compete with radio nor TV nor the movies. And we suspect that most every youngster was taught to be fluent in reading and writing. They were almost a necessity.

But when we continue to reminisce we found the ads were quite the most interesting and pointed out the progress that we have made in so many ways since 1903.

Among the ads that caught my fancy was one titled "Law taught by mail". I wonder if some of today's barristers still have been educated that way. Educational courses by mail seemed to be very popular then. There was one headed "I can double your salary if you are earning less than \$25.00 a week." Just think how much appeal that would have today. Then too, there was another ad "Journalism Taught by mail" and sometimes I wonder if some of the present day journalists learned from that course. One of the larger ads asked one to learn to earn \$1200 to \$8,000 a year, but across the page was an ad for the Kirchbaum overcoat which was the utmost in style and comfort and which sold from \$10.00 to \$30.00. They were to be worn by every man who cares for his appearance.

Another group of ads told the advantages of various railroads which boasted, each one, of offering the utmost for their passengers on their trains, one of which was described as the finest obtainable, "standard and compartment sleepers, observation and dining cars, buffet-smoking-library car, with the entire car lighted by electricity.

We must not forget to mention the Kelly-Springfield tire for buggies and hansons and other passenger vehicles. The automobile pneumatic tire had not

OFFICIAL NOTICE OF SALE \$415,000.00

MANCHESTER COMMUNITY SCHOOLS
COUNTIES OF WASHTENAW AND JACKSON
STATE OF MICHIGAN

TAX ANTICIPATION NOTES
(General Obligation Limited Tax)

SEALED BIDS for the purchase of tax anticipation notes of Manchester Community Schools, Counties of Washtenaw and Jackson, Michigan of the par value of \$415,000.00 will be received by the undersigned at 710 E. Main Street, Manchester, Michigan 48158 until eight o'clock P.M., Eastern Daylight time, on the 17th day of August, 1981 at which time and place they will be publicly opened and read.

NOTE DETAILS; INTEREST RATE; PAYING AGENT; AND DENOMINATIONS: The notes will be dated September 1, 1981 will mature April 1, 1982 and will bear interest at a rate or rates not exceeding 14% per annum. Both principal and interest will be payable at a bank or trust company located in the State of Michigan to be designated by the original purchaser of the notes which paying agent qualifies as such under the Statutes of the State of Michigan or of the Federal Government, subject to the approval of School District. Denominations and form of notes to be at the option of the purchaser. Accrued interest to date of delivery of such notes must be paid by the purchaser at the time of delivery.

PRIOR REDEMPTION: The notes shall not be subject to redemption prior to maturity.

AWARD OF NOTES: For the purpose of awarding the notes the interest cost of each bid will be computed on a 360 day year basis by determining, at the rate or rates specified therein, the total dollar value of all interest on the notes from September 1, 1981 to their maturity and deduction therefrom any premium. The notes will be awarded to the bidder whose bid on the above computation produces the lowest dollar interest cost to the municipality. No proposal for the purchase of less than all of the notes or at a price less than their par value will be considered.

SECURITY: The loan is in anticipation of the operating portion of the School Tax for the fiscal year July 1, 1981 to June 30, 1982 which tax is due and payable December 1, 1981. The School District has pledged to establish a special fund to be used solely to pay the principal and interest on the notes when due, and has pledged to set aside in said fund an amount sufficient to repay the principal and interest on the notes when due. A portion of each dollar of taxes remaining to

be collected for the fiscal year beginning July 1, 1981 shall be set aside in an amount not less than 125% of the percentage that the principal amount of the notes bears to the amount of taxes to be levied and to be collected for operating expenses, anticipated delinquency in collections being taken into account, until the amount so set aside is sufficient for payment of the notes.

In addition, the notes will be a General Obligation of the School District and if tax collections are insufficient to pay the notes when due, the School District has pledged to use any and all other resources available for payment of said notes. The School District does not have the power to levy taxes for the payment of the notes in excess of its constitutional and statutory tax rate limit.

ADDITIONAL BORROWING: The School District reserves the right to issue additional notes of equal standing with the notes of this issue to meet current operating and payroll expenses.

GOOD FAITH: A certified or cashier's check in the amount of 2% of the par value of the notes, drawn upon an incorporated bank or trust company and payable to the Order of the Treasurer must accompany each bid as a guarantee of good faith on the part of the bidder to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the notes. Checks of unsuccessful bidders will be promptly returned.

LEGAL OPINION; DELIVERY OF NOTES: Bids shall be conditioned upon the unqualified opinion of the purchaser's attorney approving the legality of the notes to be secured at the purchaser's expense. The purchaser shall furnish notes ready for execution at his expense. Notes will be delivered at a place to be agreed upon with the purchaser.

THE RIGHT IS RESERVED TO REJECT ANY OR ALL BIDS.

ENVELOPES containing the bids should be plainly marked "Proposal for Notes."

LETTERS TO THE EDITOR

To Whom It May Concern

I really can't believe what happen at the polls yesterday. I have lived in Manchester all my life, and have been proud of it. It is sad to realize that the people of our community have lost their pride. At one time we could say, we are from Manchester, a community that works and pulls together and supports the youth of Manchester. A community that can put on a Chicken Broil to feed 12,000 or more. But yet we will not support our schools. All of us at one time or another have not agreed how things are done, but by defeating a millage is not the way to solve our problems, it only adds to them. We need to work and pull together. Is Manchester a dying community? Do we want to lose what we all have always valued. a

community that we can be proud of, a place that our children grow up in and want to stay in. It is too late to change things now, but in the years ahead of us there will be problems our community has never had, a community that offers nothing to keep our youth here. A community that people will not want to be part of. I hope each and everyone will ask themselves why you could not support your kids, and yet when we were growing up, the people of this same community supported us.

Dear NO-VOTERS of Manchester

Thank you very much for voting NO for sports. Now there is nothing to look forward to in school! I made it for cheerleading and have been waiting for that for 2 years.

I HOPE YOU'RE SATISFIED!!

Sharon Valley 4-H Club News

Despite rainy weather on Tuesday, the 1981 Washtenaw County 4-H Youth Show got off to a good start, with many members of the Sharon Valley 4-H Club entering projects in several different areas.

Dan Blumenauer of Manchester exhibited a handy pair of saw horses in the Woodcraft Division. He was awarded a "B" rating on his project.

On Tuesday, Kelly Burke of Grass Lake won her Fitting and Showing Class with her pony, Misty. They received a blue ribbon and an "A" rating and were eligible for the Fitting and Showing Championship Class that evening. Kelly also won a third in Western Equitation. Misty and Kelly received a second place ribbon in the Western Pleasure Pony Class. This team back in the Western Pleasure Pony Championship Class and won the Reserve Champion ribbon.

Showing her Registered Quarter Horse named Triumph Admiral, Shana Burke of Grass Lake, was awarded a fifth place ribbon and an "A" rating in her Fitting and Showing Class. We were all very proud to have Shana represent this club as our queen candidate in the 4-H King and Queen contest this year. The contest took place on Tuesday evening. Personal interviews were held one evening a week before the contest. This was a brand new experience for Shana, one which we hope she enjoyed.

Karen Dulle of Manchester won a fourth place ribbon and an "A" rating in her Showmanship Class. Karen showed her

Registered Arabian named Amorous Hasani. He's called "Chad", for short.

A busy artist was Patty Fuller of Belleville. Patty received an "A" rating ribbon on an original poem, an "A" on an interesting and original weaving project, an "A" rating on a macrame dog and a "B" on a pencil drawing of one of her favorite kittens. In Photography, she was awarded an "A" rating on both her exhibits of five flash pictures and four different subjects and "B" ratings on five pictures of one subject and three to five pictures telling a story.

Showing her Registered Half Arabian, Golden Image, Missie Hamilton of Manchester received an "A" rating in her Showmanship Class.

Karen Hansen of Manchester was awarded a "B" rating in her Fitting and Showing Class. Karen and her Registered Arabian, Querida Fadl Ann, also won a fifth place ribbon in one of the many English Pleasure Classes on Wednesday.

Anna Heath of Manchester won a fourth place ribbon with an "A" rating in her Showmanship Class. In English Equitation, Anna rode her Registered Arabian, Sera Crescent and won a sixth place ribbon. Also exhibiting in the Photography Division, Anna received an "A" on her display of five pictures on the same subject and a "B" on four pictures of different subjects. She was awarded a "B" rating on an original short story. Her Veterinary Science display also received a "B" ribbon. Anna was also one of many 4-Hers interviewed by "Fat Bob" Taylor on the radio.

Also from Manchester, Tommy Heath,

showing his Half Arabian Pony, El Cilleo Gypsy, received a fourth place ribbon with an "A" rating in his Showmanship Class. Tommy also won a fifth place ribbon in Western Equitation and a sixth in Western Pleasure on Friday. He also exhibited hay in Field Crops and was awarded a "B" rating ribbon.

For the first time, both Anna and Tommy showed Market Lambs at the fair. Anna's pair stood ninth in the Lightweight Market Class and her individual lamb was twenty-first. She received "A" ratings in both classes. Tommy's pair stood thirteenth in the Market Class and his individual lamb finished in twenty-second place. Tommy was also awarded "A" ratings in both classes. Karen Dulle, Missie Hamilton and Rick Poet all pitched in and helped get these critters ready to be shown and to ably assist in the showing of the pairs. What an experience for all!

On Friday evening, Judi Poet successfully defended her Western Equitation Championship crown again this year. She and her mare, Tonya, won a first place ribbon with an "A" rating in their Showmanship Class on Tuesday. This win made her eligible for the Fitting and Showing Championship Class that evening.

On Wednesday, Judi won a fifth place ribbon in English Equitation and a third place in English Pleasure. On Thursday, this team took a second place ribbon in one of the Dressage classes. By winning a second place ribbon in Western Equitation and a first place ribbon in Western Pleasure, Judi and Tonya qualified for two championship classes. On Friday evening, after a long workout in the equitation class, Judi was awarded the trophy. In between time, Judi found time to show her steers to a fourth place and a sixth place in the Heavyweight Class in the Beef Cattle Division.

Out to give his sister a run for her money, was Rick Poet. He and his horse, Governor, received a fourth place ribbon and an "A" rating in Showmanship, a fourth place ribbon in English Equitation, a second place in English Pleasure, a sixth in Dressage, a fifth in the Cloverleaf Barrel Race, a sixth in the Versatility Class, which is a combination of English Pleasure, Western Pleasure and one Gymkhana Class and a second in Western Pleasure. What a treat to see a sister and a brother standing first and second in the same Western Pleasure Class. Rick qualified for two pleasure classes, one English and one

Western, with the second place win. He also found time to participate in the archery contest on Thursday afternoon. With a score of over 270, he was the Senior Division winner.

Rob Poet of Manchester was busy with his steers. He showed two in the Market Classes. One placed fifth in the Middleweight Class and one placed 7th in the Heavyweight Class.

Not to be out done by sister and brothers, was Scott Poet. Scott showed lambs at the fair for the first time. Again, fellow 4-Hers, Karen and Missie were right there to help. Even though the lambs placed towards the end of a huge class, Scott will be back next year. Scott also had exhibits elsewhere. He received an "A" rating in Creative Writing on his short story. In Photography, he was awarded a "B" on his display of four pictures on different subjects. In Arts and Crafts, his string art picture of a clown was given a "B" ribbon and he received a "C" ribbon in the Bike Rodeo.

Showing her horse, Chip, Mary Tobias of Grass Lake received a sixth place ribbon and an "A" rating in her Fitting and Showing Class. She also won a fourth place ribbon in English Pleasure and a third place in Dressage. Mary, too, had other exhibits at the fair. She was awarded an "A" on her display of five pictures on the same subject in Photography and a "B" rating on two separate exhibits of four pictures on different subjects. In Arts and Crafts, her rug kit received a "B" and her puzzle kit was given an "A" rating. Two original works of paper tole art were awarded an "A" and a "B". A "C" award was placed on her terrarium. Greek pastries, entered in the Food Preparation Division, received a "B" rating. A "B" rating or not, they were delicious! Mary

Married

Sherry Minor James Kemeter

The Emmanuel United Church of Christ in Manchester was the setting for the marriage of Sherry Lynne Minor and James Albert Kemeter on August 1. Rev. Robert Macfarlane performed the 6 o'clock ceremony.

The bride wore a gown of imported silk organza and chantilly lace enhanced with a portrait neckline, jacket sleeves, empire waistline and a deeply flounced hemline. The back of the gown had a keyhole back bodice and chapel train. She wore a cameo cap for her headpiece with the veil edged in lace. She carried a cascade of white carnations and large carnations, ivy and baby's breath.

The parents of the bride and groom are Mr. and Mrs. Peter Minor of Manchester and Mr. and Mrs. Joseph Kemeter, also of Manchester.

Maid of Honor was Linda Minor, sister of the bride. The color of her dress was coral.

Best men were Sandy Minor, aunt of the bride, and Brenda Rice of Manchester and Corrie Hoag of Manchester. Their gowns and bouquets were similar to the maid of honor.

Ushers included Dave Gormley of Norval, James Adams of Manchester, Jeff Kemeter of Jackson and Jack Spack of Friesland.

Flower girl was Amber Minor, cousin of the bride, and ring bearer was Sean Jordan, nephew of the groom.

Organist was Tracy Gaines of Ann Arbor. Immediately following the wedding, a reception was held at the U.A.W. Hall in Chelsea. Cutting the wedding cake were Carol Kemeter, sister-in-law and Sherry Jordan, sister of the groom.

After a honeymoon trip to Niagara Falls, the couple will make their home in Manchester.

Class of 1961 Celebrates Reunion

The reunion for the Class of 1961 of Manchester High School was held at the K of C Hall in Manchester, Saturday, August 8, 1981 with dinner served by the K of C members. The hall was decorated in the class colors of pink and white with pink carnations on each table. The planning committee prepared a booklet for each member and some are still available by contacting Oriynn Kouba. A program was also prepared by the committee and each member received a humorous award. There were 14 members present that started kindergarten and finished the 12th grade together and they were recognized as charter members. Sixty-five percent of the class attended from Arizona, Massachusetts, California, Illinois, Wisconsin, Minnesota and several parts of Michigan. Everyone enjoyed listening and dancing to the music of the Bill Martin Band.

Special guests were their class advisors, Mr. and Mrs. Keith Doelker and Mr. and Mrs. Robert Duhon.

After the enjoyable evening they went to the home of Mr. and Mrs. Richard (Joyce Bertke) Scott for breakfast.

Culver Reunion

The 69th Annual reunion of the Culver Cousins was held Sunday, August 3, 1981, at the country home of Charley and Kaye Ridenour on Sharon Valley Road. The 64 family members in attendance are descendants of Phineas and Thankful Culver who migrated to Michigan from New York State in May, 1835. The Culver Family helped to settle the town of York, Michigan which is now known as Mooreville, just south of Saline. Many

members of the class still reside in Washtenaw County, including Mr. and Mrs. Larry Pepper, the hosts of the reunion which was held at their daughter's home. Mr. Pepper's mother, 89-year-old Carrie Jewell Pepper, was the oldest person present while 2-year-old Shelby Lounette Brewer was the youngest. Mr. and Mrs. Gary Shelton of Kistatinnee, Florida travelled the greatest distance to attend the reunion.

Current births, deaths and marriages were noted including the fact that two of

the class marriage ceremonies in 1981 were performed by another Culver Cousin, Mayor Donald Shelton of Saline. The Cousins sent special congratulations to Roy and Mae Warboy Smith of Saline on the occasion of their 65th wedding anniversary. The elopement of Mr. and Mrs. Smith had originally been announced and recorded at the 1916 family reunion in Saline.

The Cousins resolved to make an annual contribution to York Township for the upkeep of the Mooreville Cemetery resting

place of Phineas Culver.

Reunion officers were elected including President Donald Shelton, Vice-President Carolyn Brewer, Secretary, Rosemary Dunayki, and Historian, Marjorie Shelton.

The 70th Culver Cousins Reunion will be hosted in Eaton Rapids by Mr. and Mrs. Ernest Brewer on the first Sunday in August, 1981.

Area Students Attend Blue Lake Fine Arts Camp

Attending Blue Lake Fine Arts Camp for the fourth session is Mary Stierle, daughter of Mr. and Mrs. Neil Stierle - band major from Ann Arbor.

Blue Lake which will host approximately 3,850 elementary through high school students this summer, offers instruction in a wide variety of fine arts.

Located 15 miles north of Muskegon in the Manistee National Forest, the 15-year-old summer school of the arts has grown to be one of the largest facilities of its type in the United States.

Students attending Blue Lake's fourth two-week session have the option of majoring in art, band, dance, jazz-rock ensemble, orchestra or piano. The fourth session is primarily for high school students.

Michigan Bell Consumer Tips

Some interesting and helpful facts you may not know about your phone service.

ARTIFICIAL LARYNX: THIS SMALL INSTRUMENT IS FOR PERSONS WHO HAVE LOST THE USE OF THEIR LARYNX. IT SUBSTITUTES ELECTRONIC VIBRATIONS FOR THE NATURAL VIBRATIONS OF THE VOICE. CALL YOUR LOCAL MICHIGAN BELL BUSINESS OFFICE FOR MORE INFORMATION.

800 NUMBERS: Some out-of-town businesses provide an "800" number that you can dial without charge. For example, when you want to call out of town about reservations, look for "800" numbers provided in ads by hotels, motels, resorts, airlines and ground transportation.

TRAVELING?
1-800-555-0120

MOVING? AVOID UNNECESSARY PHONE INSTALLATION CHARGES. PLAN NOW MANY PHONES AND WHAT KIND OF SERVICE YOU'LL NEED. THEN CALL AND TELL YOUR MICHIGAN BELL REPRESENTATIVE. REMEMBER, ONCE YOUR NEW SERVICE IS INSTALLED, EXTRA VISITS BY YOUR INSTALLER CAN MEAN EXTRA EXPENSES FOR YOU!

IN 1915, Michigan hooked up to the first cross-country long distance line and the first DETROIT-TO-SAN FRANCISCO call was made. It took 30 minutes to set-up the three-minute call and cost the customer \$1.70!

EMERGENCY NUMBERS: HERE'S A LIFE-SAVING IDEA... IF YOU HAVE CHILDREN AT HOME, TEACH THEM HOW TO USE THE PHONE AND WHERE TO FIND EMERGENCY AND OTHER IMPORTANT NUMBERS IN CASE OF AN ACCIDENT, FIRE OR SUDDEN ILLNESS.

QUESTIONS ABOUT YOUR PHONE SERVICE?
"Hi, I'm one of the dozens of Michigan Bell Service Representatives serving customers like you throughout Michigan. If you have any questions about your phone service, look on the front of your phone bill for the number of your service representative. He or she is ready to help."

NOTICE TO DEPOSITORS OF THE UNION SAVINGS BANK OF MANCHESTER:

The deposit liabilities shown on the books of the Union Savings Bank of Manchester, Michigan, as of the close of business on July 30, 1961, have been transferred to The National Bank of Jackson, which is now legally responsible for the payment of the deposits.

Although the insured status of the Union Savings Bank of Manchester will end when the Federal Deposit Insurance Corporation (FDIC) has received satisfactory evidence of the transfer, The National Bank of Jackson is an insured bank and your deposits will continue to be insured by FDIC in the manner and to the extent provided in the Federal Deposit Insurance Act. Your deposits that were maintained in the Union Savings Bank of Manchester will be separately insured from any deposits you may have in the National Bank of Jackson for a period of six months after the transfer date stated above, or in the case of a time deposit which matures after that period, until the earliest maturity date after the six-month period. At that time, your deposits from the Union Savings Bank of Manchester will be combined with any deposits you may have in The National Bank of Jackson for purposes of determining deposit insurance.

Randy Day To Play In National Tournament

Ann Arbor Wendy's won the Mickey Mantle Michigan State Championship in Coldwater on Sunday. Randy Day, a senior at Manchester High, is a member of the Ann Arbor Team which features a very talented group of sixteen year old players from Pioneer, Huron and Ypsilanti High Schools. Wendy's, coached by John Bertz of Ann Arbor will take their 42-6 season record to Memphis Tenn. August 11th to represent the North Central United States in the Mickey Mantle National Tournament. There will be eight teams from around the nation and one from Puerto Rico at the tournament. Wendy's first game will be Thursday, August 13th against the champions of the North Atlantic Region.

Manchester Girls Attend Basketball Camp

From August 2 - 7, eight girls and Coach John Agin attended the Dick Baumgartner shooting camp in Richmond, Indiana. The girls (Chris Weirich, Sara Platt, Natalie Walkow, Tammie Honer, Kari Agin, Alicia Seegert, Beth Vleck and Jenny Feldkamp) all received intensified techniques in shooting the basketball. Manchester girls were successful at this highly regarded camp, with over 300 girls at the camp, competition was high.

Sophomore Sara Platt received a 1st place medal as her team of 9-10 graders won. Junior Kari Agin's team of 11-12

graders went undefeated in 9 games to take a 1st place medal. Junior Alicia Seegert got to the semi-finals of the one-on-one contest.

Manchester Team Wins District

The Bauernstube Men's Softball team claimed the district finals at Monroe's Munson Field on Saturday, August 1. This gives them the privilege to participate in the State Tournament at Thompsonville, near Cadillac, over Labor Day week-end.

Orientation At WMU

Orientation has been completed by the second half of approximately 2,400 freshmen who will attend Western Michigan University this fall. In addition, 1,200 transfer students have finished their one-day advising and registration program. The freshmen, who spent three days on campus signing up for classes, taking placement tests and meeting their academic advisors, began arriving here in groups of 180 on June 29. Assisting them to become acquainted with the various University buildings and answer questions on a variety of topics were 38 student leaders and two assistant directors in the orientation program.

Classes for the fall semester at WMU begin on Wednesday, September 2.

Freshmen who have completed the second half of orientation from Manchester are Jeff Catanese, Jeffrey Pleske, Gretchen Platt, Betsy Reeves and Frederic Townsend.

Spur Of The Moment

August 9th, dawned cloudy, but for the benefit of the people who were going to participate in the horse show, at Whites arena, and sponsored by the Spur of the Moment, Inc. it turned out sunny and warm. We think someone bigger than all of us!

We had Peggy Lynn Friday, for stand by judge, and she had to work in the arena, for the second show in a row. Her ringmaster was Sandy Neff. They didn't have an easy job as the Special Class was Costume, and that is a hard one to judge.

Adult: Sponsored by The Clothes Line, Manchester. Leslie Buckner riding Peggy Lynn Fridays mare Mey Josie King. 16 points.

The Special Class in September will be yearlings and 1981 foals, so get those "babies" groomed and schooled, and bring them to the Spur of the Moment, Inc. at Whites Arena on Each Road, on Sunday, September 13th. We try to get the show started by 11:00 sharp. Sometimes it isn't easy!

News Of Good Things Growing

Thirty-five million pounds of peaches would make a mound of peach sundaes or peaches and cream! Good things are growing in Michigan and our state's peach growers are estimating this harvest of peaches this summer, according to the Michigan Department of Agriculture.

Due to adverse weather conditions, this year's production is forecast at 12 percent less than last year. Peaches are picked when "firm-ripe". Because of this, they're very perishable and require special

handling.

Unlike peaches, Michigan pears are picked when not quite fully ripe and still firm. To ripen pears, store them in a dark place at 60 to 70 degrees for two to three days. Our state's pear production is forecast to drop 10 percent, with an estimated 18,000,000 pound harvest this summer. Michigan was fifth in the nation in total pear harvest, according to MDA.

Most of our state's pears, primarily Bartlett's, go to canners; however, fresh Michigan pears are available mid-August through October.

Prune plum production in Michigan was fourth highest in the nation in 1980, despite an 11 percent crop decline. Growers harvested 25 million pounds with a total-market value of about \$2.6 million.

Two-thirds of the prune plum crop goes to processors for making jams, jellies, preserves and other products. Michigan plums are also excellent in cakes, tarts, pies, salads or for out-of-hand eating.

All three fruits are excellent for snacks and preserving; but check your cookbooks for new recipes, too. Balled or baked peaches complement ham or duckling main courses. And here's a great recipe for plum sauce, to use with asparagus at a backyard picnic or with roast loin of pork.

One and 1/2 pounds fresh Michigan plums, 1 cup sugar, 1/4 cup cider vinegar, 1/4 cup horseradish, 1/4 cup chopped onion, 1 clove garlic (crushed), 1 tablespoon salt. Combine all ingredients, bring to boil and simmer until plums are tender. Put in blender and puree (half the mixture at a time). Reheat. Makes 2 cups.

SELF-EMPLOYMENT BILL TO BE CONSIDERED

A bill to promote self-employment by allowing individuals to take out workers' compensation insurance policies on themselves will be considered when the Legislature reconvenes in the fall.

The measure is designed to provide greater incentives for homeowners to hire laid-off workers who may be trying to earn extra money as painters or remodelers.

Under current law, a homeowner is technically an "employer" and must purchase a workers' compensation policy on hires to protect himself from the possibility of a large lawsuit should the worker be injured on the job.

Michigan law states that any employer who hires three or more individuals at any time, or hires one or more for 13 out of the last 52 weeks, is required to buy workers' compensation insurance.

The present law makes many homeowners reluctant to hire non-professional painters and "fix-it" men because of the high cost of a policy, or the risks involved should they choose not to purchase one. Passage of this legislation would allow homeowners to insist that self-employed workers carry their own

insurance.

During these difficult economic times, many persons are trying to eke out a living any way they can. The present workers' compensation laws hinder persons who are industrious and willing to work hard at another job until they are called back to work.

We should provide every avenue possible to workers who want to be productive and contribute to their own well-being.

Sharon Valley

will be attending Washtenaw Community College this fall and entering the field of Culinary Arts. Maybe all those experiments with recipes during her nine years in the 4-H program had a bit to do with her decision.

Although Teresa Spigelberg of Grass Lake did not attend this fair with any projects or displays, she has been active in this club for eight years. Her projects included leathercraft and horses. Teresa will be going to Adrian College this fall where she has enrolled in the challenging field of Pre-Medicine.

We all wish Mary and Teresa much success in their chosen fields of endeavor.

Several members in the club are eligible to apply for county medals in various project areas. If you have any questions, call 428-7301.

NO POPCORN?

WHAT KIND OF DRIVE-IN IS THAT?

The drive-in at our office right here in downtown Manchester doesn't sell popcorn. It opens at 8 a.m., and the entire show only lasts about two minutes. And our drive-in proudly offers the same double feature

every week, all year long, quick and easy banking. We wouldn't dream of closing for the season. In fact, we're open every day except Sunday.

So, stop by and take advantage of our double feature: quick and easy banking at National Bank of Jackson in downtown Manchester. Free admission, naturally.

IT'S NOT FROM OUTERSPACE

If you have seen this machine working on the farm of Elmen Kopka, do not be alarmed, it is not from outerspace, it is a mechanical stone and rock harvester. It will pick up stones or rocks ranging in size from 2 to 15 inches. This machine, the first of its kind in this area, is more commonly seen in the central parts of Michigan, but with the large number of stones we have in the fields in the Tri-County area it may well be one of the more popular machines seen in this area, do to the high cost of parts, repair bills, labor, and down time from stone damage to machinery. The machine will be on display at the Manchester Community Fair, August 18 to 22.

For more information on the machine and what it can do for you contact him at 1-517-456-4964 or his son Leslie at Hoyt E. Whelan John Deere Sales & Service at Tecumseh, Michigan 1-517-423-2183. The machine is for rent or custom work.

Manchester Area Historical Society

A very successful "Flea Market" was reported by the Committee of the Manchester Area Historical Society. Special "Thank you's" are offered to the many persons in the community who contributed articles as well as the interested buyers.

The proceeds will be added to the Building Fund of the Society.

Steam Canners Not Recommended

Helen Fairman
Extension Home Economist

Several brands of steam canners have appeared on the market and are being promoted as substitutes for water-bath canners. They consist of three pieces—a shallow pan which is filled with about two quarts of water, a perforated rack on which the jars stand, and a large dome cover. During processing, steam wafts around the jars.

Until processing times are determined specifically for steam canners, they should not be used.

Manufacturers of steam canners are recommending that acid foods, such as tomatoes and fruits, may be processed in steam canners using the time-tables established for processing acid foods in boiling water-bath canners.

A pilot study conducted at Pennsylvania State University showed that the water-bath processing times were not adequate for steam canning. Up to 19 additional minutes were required when processing tomato juice and applesauce in a steam canner.

Inadequate processing of foods permits the growth of yeast and molds that can cause food spoilage.

Fortunately, spoilage of acid foods processed in steam canners would be

obvious. The signs of spoilage include loss of seal, bulging lids, gassiness, mold, and off odor.

To prevent the loss of your home canned tomatoes and fruits, process them in a water-bath canner following up-to-date time schedules.

It may be old-fashioned, but it works.

For up-to-date information about how to can fruits and tomatoes, contact the Cooperative Extension Service office at 4133 Washtenaw, Ann Arbor, Michigan 48107. Telephone 973-9510.

appeared yet. Lest we bore you with these details let's just skip over a few other ads like Boston garters for men, the Ocularscope with which you can examine your own eyes better and quicker than an oculist, a dozen or so typewriters for \$25.00 up and at least that number of corset ads. Such was life at the beginning of the twentieth century. Maybe we had less in those days but on the other hand I'm not sure but that we had more time to enjoy what we did have and we were not crowded and pushed along at breakneck speeds in all of our endeavors.

School Events Calendar Is Back

A school events calendar has been absent in Manchester for a number of years now. 1981-82 marks the return of the calendar. The Manchester Education Association has designed a school events calendar to remind you of all those important school related events - athletic activities, conferences, concerts, vacation, board meetings...

The calendar will be available at the Community Fair starting August 18th. Welcome back calendar!

Appointed Principal At Klager School

Dr. Janice Hammond, Principal at Klager Elementary

Dr. Eugene W. Thompson, Superintendent of the Manchester Community Schools has announced the appointment of Dr. Janice M. Hammond as Principal of the Klager Elementary School. Dr. Hammond's Appointment, which has been approved by the Board of Education, will take effect immediately.

Dr. Hammond earned the Ph. D. Degree from the University of Michigan in 1979. Her Master of Arts Degree in Reading was also earned from the University of Michigan. Northern Michigan University was the location for her undergraduate work in Elementary Education. She graduated in 1970.

Dr. Hammond has been the recipient of numerous academic honors and awards. These include the Hinsdale Scholar Award from the University of Michigan, the W.C. Olson Award from the U-M School of Education, the Pi Lambda Theta Honor Society award from the Faculty of the University of Michigan, and Cum Laude Honors from Northern Michigan University. She has also been included in the publication Who's Who in the Midwest.

Since 1978 Dr. Hammond has been employed by the Wayne County Intermediate School District in the Staff Development Department. During this period she has also been a guest lecturer at Eastern Michigan University and the University of Michigan. Prior to earning her doctorate, Hammond was an Elementary School Counselor in Royal Oak, Michigan. She began her career in education in Flushing, Michigan as an Elementary Teacher and Reading Consultant.

A widely published author, Dr. Hammond has written for such noted journals as The Personnel & Guidance Journal, the Michigan Reading Journal, The American Educator and the Elementary School Journal. Most recently she has worked to develop materials designed to assist children with both parental divorce and death.

"As Superintendent I am very pleased at having Dr. Hammond join my staff," said Thompson. "She is clearly an outstanding educator with the qualities of humanism, professionalism, and intellectualism required to manage a modern educational program."

Hit or Miss By Farley

A good friend of ours tells us that he used to be troubled with insomnia but now he offers a great many cures for this condition which are among the many that he has been offered by his intimates. Among them are the following:

Mashed potatoes and some gravy with a few martinis, accompanied by a steak or a generous chunk of prime roast rib.

Or one could sit down and proceed to peruse a Barbara Cartland novel, in which the hero presses her to his bosomed uniform and as the heaving bosom of her sternum and she breathes deeply and sighs "Oh, Henry" upon his spaulds. Along about this time I can fall asleep.

And TV shouldn't be forgotten—it's good too.

Much of the news, Monday night football, most reruns, and I am safe in the arms of Morpheus anytime after 11:00 p.m.

The chap who gave out this information went on to state however, that mere catnaps in front of the TV sometimes create a problem. He claims that the other night he dozed off as the weather man said, pointing to the radar "and these blips to the east of us are...flying saucer raiders are from Zorcon and Godzilla are attacking." One of my eyes popped open and I saw that the weather man had become a Japanese pointing to his radar picture.

So you see, going to sleep is easy. But quite a few of us have a habit of waking at 4:00 a.m. and ones mind begins to function in high gear. Did I lock the front door? Did I take the dog out before I went to bed or is he down in the kitchen committing an abomination? My light bill this month was \$76.98. Should I turn the air conditioner off next month or just suffer all at once when the bill comes?

Along about this time a few weeks ago a friend gave me an article about how rhythmic breathing would rapidly put me to sleep, and so I tried it. The article said "As you inhale imagine that the air you breathe is incoming on your toes on one foot then rising through your leg bones then entering your chest. As you exhale imagine the reverse.

I concentrated but I soon began to wonder how the air got from my toes to my leg, to my chest—but now I wondered all at once, how did the air get from my leg to my lungs and my chest?

But I stoutly said to myself "I'm breathing through my toes". All at once I thought of my thigh bone. That was how the air got from my leg to my chest, and thentrough my grimy little mind there permeated the verse. "Foot bone connected to the leg bone. Leg bone connected to the back bone, back bone connected to the neck bone, neck bone connected to the....

And so I chanted to myself that doggerel until daylight. Didn't get any sleep though, but it kept me occupied and I failed to wonder if that slight twinge in my left knee was the beginning of a cureless bout with arthritis or if the seemingly numbness in the cord on the right side of my neck indicated brain damage where I whacked myself on an open cupboard door.

Tonight I'm gonna try sleeping on my tummy and breathing through my ears.

At a recent arbitration session involving the school in a nearby town, the arbitrator went through all the ground rules to make

School Board Cancels Fall Sports Program

The Manchester Board of Education has canceled all athletic programs for the 1981-82 school year, the result of voter rejection of a special millage request last week.

Monday night the board also indicated it may consider placing the millage on the ballot again. This would be a step that could restore winter sports.

But according to Superintendent Eugene Thompson, "Fall sports appear to be definitely gone." Letters will be sent out canceling competition in football, cross country track and golf today.

A fund-raising drive or passage of a special millage are two options that could still save winter sports.

A 4 of-a-mill request was turned down last week by the Manchester School District voters. Student Athletes themselves would have to pay fees to provide the other half under the plan adopted previously by the board.

A bond issue for building renovations may be placed on the ballot if another millage is tried in late October Thompson said.

Community Education Registration August 31

The Fall Semester Community Education brochures will be mailed out on Friday, August 28. Registration will be held from Monday, August 31 thru Friday, September 11. Most classes will start the week of September 21. The exceptions are Washtenaw Community College classes which will tentatively start the week of Monday, September 7. (Note: Washtenaw Community College registration will be held in Manchester High School Study Auditorium on Wednesday, August 26 from 7-8:00 p.m.) The other exception is Fitness Fantasia (Aerobic Dance) which will start on Monday, September 14 in the High School Study Auditorium. Registration will still be taken by calling the Community Education Office at

428-7804 between 10:00 a.m. to 4:00 p.m. or by sending in the registration form on the back of the brochure.

Inasmuch as Community Education is no longer a full time department of Manchester Community Schools, several changes have been made in class offerings. Several classes in the enrichment sections have been eliminated that had limited enrollment. Super Saturday classes will be discontinued. However, there will be no reduction in Washtenaw Community College classes or High School completion. Also, any group or organization that wish to use school facilities must now make arrangements with the principal of the individual buildings prior to the meeting date.
