HIT OR MISS by farley

Sometimes I think we are living in some sort of what one critic has called the "booby hatch", when we note some of the things that our government and others are doing to us.

As the late Will Rogers used to say "I see by the papers that the Air Force has been putting up a very large building which required a lot of pipes and plumbing, only evidently the folks who designed the building and the folks in charge of installing the plumbing and air conditioning, etc. never got around to being introduced to each other so when they arrived, none of the pipes fit the building for which they had been designed so then everything had to be done all over again, but then nobody's perfect and this booboo merely adds \$138 million to the cost of the building, but then why worry, it's only money.

I don't know how much \$138 million is, I can't even comprehend how much hard cash one million is or for that matter any other sum above a few thousand dollars, but perhaps it's better that way. The loss.

Engagement Announced

Rev. Ronald Figgins, pastor of the Sharon United Methodist Church, and Carla Roberts Kary, from Saginaw, Michigan announced their engagement July 5, 1981.

The marriage celebration is planned for October 25, 1981 and will be held in Saginaw and Manchester. Following a 3:00 p.m. wedding ceremony at Saginaw's First United Methodist Church, the wedding party will return to the Sharon United Methodist Church for a marriage recognition service, a naming ceremony, and reception beginning at 7:00 p.m.

Carla and her three children, Christina, Nicole, and Daniel, will reside in Manchester after August 20, 1981, and Christina begins kindergarten at the Nellie Ackerson school on August 31, 1981. "Rev. Ron" will reside with Sharon Church members Reno and Nancy Feldkamp of Route #1 Manchester until the wedding.

"Rev. Ron" and Carla have decided to choose a new family name and add it to their present names, because their marriage will combine two families with minor children. The naming ceremony at the Sharon Church will establish the new family name, and the Reverend and Mrs. Iris will live at 346 Schaffer Ct., Manchester, following a honeymoon trip.

Manchester's United Way Supports 36 Agencies

Your contribution to Manchester's United Way annual fund raising campaign helps support 36 local, county, state and national health and community programs.

Our United Way allocates direct grants to: Manchester Area Recreation, Manchester Family Service, Manchester Senior Citizens Council, American Red Cross, Catholic Social Services, Child & Family Services of Washtenaw County, Cystic Fibrosis Foundation, Huron Valley Child Guidance Clinic, Huron Valley Girl Scout Council, The Salvation Army, Washtenaw Association For Retarded Citizens, and Wolverine Boy Scout Council. Three are Manchester's own local Agencies.

MANCHESTER AREA RECREATION: Activities during the summer of 1980 included 275 children involved in T-Ball, Little League, Girls' Slow Pitch, Babe Ruth and Mickey Mantle baseball, Girls' Junior and Senior Softball. 80 children had instructional swimming classes and recreation swimming was held. Roller skating and a Tiger game were enjoyed. Junior playground was held each day for children 5 to 10.

MANCHESTER FAMILY SERVICE: Gives direct emergency relief and locates proper agency for clients' further care. During 1980 twenty volunteer drivers made 277 trips, totaling 8,410 miles, transporting those in need to medical, dental and business appointments. Along with the Christmas Bureau, agency distributed Easter and Thanksgiving baskets to needy families. Furniture, emergency food and clothing orders and Food Cupboard helps Manchester area residents who are in need.

MANCHESTER SENIOR CITIZENS COUNCIL: Serves hearty and delicious meals to seniors over 60 on Tuesdays and Thursdays. Delivers meals to shut-ins. Exercise program and card parties on Tuesdays. Slide programs, games, speakers and craft activities are included among the Thursday activities.

In addition Manchester's United Way grants funds to the United Way of Michigan, a state wide federation of 24 health and community services.

Manchester's United Way is an all volunteer, non-profit organization

Housing For The Older Adult

A new approach to Senior Citizen Housing will be discussed at a special meeting, Tuesday, September 15, at 7:00 o'clock at Emanuel United Church of Christ. The Executive Director of the Monroe Senior Citizens Center, Inc., Mr. Aaron T. Simonton, will present the story of the Monroe project, explaining the way housing was obtained, is managed and maintained by that area.

Housing is uppermost in the minds of many and this is an opportunity to learn how others have succeeded. Sharon, Freedom, Bridgewater and Manchester Township residents are urged to attend for first hand information. A question and answer period will be available.

Lawrence Scheid Memorial Plaque

The Leonard Scheid family, son Leonard, wife Ardis and daughters Susan and Kathy

On August 23rd, the Manchester Firemen dedicated a "Memorial Plaque" to Lawrence Scheid.

Scheid was a fireman for 43 years, and

Con Games Succeed In Area

On Wednesday, September 2 an elderly Manchester woman was swindled out of \$1,500.00 cash. This was done by two white males. One of the suspects went to the victims door and stated he was from "Roy's Roofing Co." The suspect also told the victim that his grandfather had put the shingles on the house, and he was back to inspect the work before Fall set in. The victim was told by the suspects, they had just opened an office in the Village. The victim told police "since they said they were from Manchester I thought everything was OK." The victim told the suspects to go ahead and look at the job. One of the suspects went up on to the roof, a short time later he came down and told the victim there were several spots that needed attention.

The suspect told the victim that he had a silicon spray he could put on and wouldn't cost very much. The victim advised the suspect to go ahead and do the job. One of the suspects got onto the roof while the other stayed on the ground and ran some type of machine. Approximately 10 minutes later the suspect came into the house and advised the victim they were done.

The victim was advised at this time it would cost \$1,000.00. The victim began to write out a check when she was advised by the suspects another \$800.00 was needed to cover labor. The suspects then told the victim if she paid cash she would get a 10% discount. The victim was then transported by the suspects to a local bank where she got \$1,500.00 cash from her checking account.

The suspects waited outside in their truck. The victim came back out and got back into the truck, at this time she turned the \$1,500.00 over to the suspects. The suspects then took the victim home, they

served as fire chief for 17 years from 1946-1963. He did just what the plaque says: He built and moided the Fire Department what it is today. He always dreamed of more modern equipment and a new building for the fire department. He lived to see the building of his dream, but passed away before moving day.

The plaque was placed on the south wall of the firemen's meeting room, in the Township Fire Hall at 275 South Macomb Street.

The Scheid family and several firemen and their wives were present at the dedication.

Elementary Open House

Kliger Open House will be September 15 from 7:30-8:30 p.m. Children attending the Middle School Kindergarten may bring their parents to their room from 6:45 - 7:15 p.m. At 7:30 p.m. sharp at Kliger, parents will have an opportunity to hear their child's teacher talk about the program for the year. While the children view a movie in the multi-purpose room. At 8:00 p.m. children will join their parents and show them around their classrooms. Afterwards refreshments will be served in the multi-purpose room by the PTO.

Girl Scout Registration

Brownie Girl Scout registration is being held at Kliger School Registration Gym 6:45 Wednesday, September 8th. If you missed this time please call Dianne Schwab, 428-8976.

Junior Troops are forming now. If you missed the first time Tuesday, September 8, parents and girls can go to the next meeting Tuesday, September 15th at the Knights of Columbus Hall.

7th and 8th grade girls can register at Dr. Lehr's office Thursday, September 10 at 6:30 or any Thursday thereafter.

Come join the fun.

LETTERS TO THE EDITOR

To The Editor

Dear Michelle Cartier,

I voted NO on Proposal Three on August 10. My vote was one of the more than 600 that cancelled athletic programs—"the things that make school fun", as you said—in the Manchester schools.

I did not vote NO because I thought the millage would be an excessive financial burden nor because I am selfish and do not like to see you have fun. The amount asked for could have been six or seven or ten or twenty times more—or less—than what was asked for and I still would have voted NO. As I perceived it, the issue was not money but educational priorities in Manchester. And here, two major points determined my decision.

First, on very many days during the school year one can walk down the South corridor at the high school and find anywhere from two to eight barrels in the

middle of the corridor to catch leaks from the ceiling. In addition, on many days during the school term our kids have come home after shivering the whole day in a building that cannot supply them with adequate heat. In addition, two years ago, your teachers had to strike in order to get a decent wage from the Board of Education. Yet there has always been enough money and community support for football, basketball, volleyball, and enough money for the superintendent, who has yet to prove he is of any value to this district, to be supplied with a new leased car. Granted, the repairs to the school have finally been budgeted and granted too that state funding is drying up and granted that inflation has increased school operating costs. But the amount of taxable property in Manchester has also increased and inflation has also increased the total amount of local revenue. Now I may be ignorant or badly informed but I have yet to read or hear a convincing argument which accounts for the expenditures of local monies. I don't think I am being particularly selfish in expecting that my local tax monies be accounted for before I vote more money, particularly in view of the fact that in recent years athletics have taken precedence over something as obviously harmful as a leaky roof.

Secondly, Michelle, schools were never founded in order to provide anyone with an athletic career or cheerleaders, pep rallies and homecoming queens. They were founded in order to train you to live as rational, responsible adults. They have the sacred obligation to teach you how to examine nature and to respect it, to know numbers and how to use them, to understand your civilization by understanding its roots. A school must teach you how to think logically and how to express ideas clearly, articulately and dispassionately. It is nice if a sports program can also be provided but when sports becomes the only or the chief reason that a child is in a particular school then that child's values—and perhaps those of his parents, educators and his community ought to be re-examined in the clear light of what a school's mission is. The emphasis this community has given to athletics has far outstripped the attention it gives to the

arts, the humanities or the sciences. The entire county recognizes the names of our athletic stars. How many even in this town know the academic stars? In Manchester, students have been kept at practices—football, volleyball, etc.—through dinner hours and on Saturday and Sunday afternoons—times traditionally reserved for the family to come together as a family. Sometimes kids have been expected to show up for a practice on days when the schools have been closed down because of bad weather. Granted, Michelle, excellence, winning the game demands hard work, dedication, self-sacrifice. But if that same amount of work, dedication and sacrifice were also demanded for excellence in biology, math, English or history two things would happen—(1) the kid would never eat or sleep, and (2) the teacher who asked it would be quite sharply criticized and perhaps even be asked to resign. It can be argued that in this respect Manchester is no different from Clinton, Tecumseh, Ann Arbor—or, for that matter, most schools in the entire country. But that does not make it good or right. And Mr. Broucek, in arguing against my vote on the grounds that now Manchester is the only one without an athletic program, therefore my vote was un-Christian is using a logic that can only be described as grotesque. Because by neighbor's dog has fleas, Mr. Broucek, shall I endeavor to endow my own animal with that same inestimable blessing? There is something terribly disturbing in a community that can close one of its elementary schools with hardly a whisper

of pain but sends up howls of rage at the loss of pep rallies and homecoming queens. The greatest heroes of our country—Andrew Jackson, Abraham Lincoln, Mark Twain, Daniel Boone, Babe Ruth, Jackie Robinson—came out of schools, Michelle, that lacked indoor plumbing to say nothing of a sports program. We have in no way eliminated athletics from your lives. Our votes simply could not do that. As long as you have muscle, bone, space and wit there will be athletics and fun if you want them. We have simply asked our school board to put sports where they rightly belong—as an extra-curricular activity, not the center of the curriculum.

No, Michelle, I don't have a guilty conscience for my vote. In placing what I honestly believe to be your long-range intellectual and career interests ahead of the temporary "fun" of an athletic program, I think I did the right thing. I haven't convinced you of that, I know, but some day you may have a child of your own and if you remain in Manchester it may occur to you to wonder, rather uneasily perhaps, if the education that child receives is sufficient to enable him or her to enter any career, any college—any college, from Yale on down to Podunk Tech—that he chooses. I think you should also know that for every Nick Krzyzaniak there are dozens of scrawny little boys whose muscular development and coordination are a little slow. They will never know the person's glory of making a critical first down. For every homecoming queen and cheerleader there are dozens of

Manchester
Age 70 years, a Manchester Township farmer died Wednesday, September 2, 1981 at the Saline Community Hospital. He was born May 15, 1911 in Tecumseh, the son of Ralph and Ina Mangus Cummings. He was married to Emily Smith on November 17, 1939. She survives. He was a member of St. Mary's Catholic Church. In addition to his wife he is survived by a daughter, Betty Ellen at home; a son, Robert and three granddaughters of Canton; son and daughter-in-law, Leroy and Sandra and two grandsons of Huntsville, Alabama; brother, Marvin of Brooklyn; sister, Iva of Cadmus; several nieces, nephews and cousins. Funeral mass was held Saturday, September 5, 1981, 10 a.m. at St. Mary's Church. Rev. Fr. R.R. Schlinkert officiated. Burial followed in Brookside Cemetery in Tecumseh. Rosary was recited Friday 8 p.m. at the Jenter Funeral Home.

MEMBER F.D.I.C. SAVINGS INSURED TO \$100,000

School Board Minutes

SPECIAL MEETING

July 14, 1981

The meeting was called to order at 8:05 P.M. by President William Broucek.

Roll Call: Members present: DuFresne, Broucek, Bunney, Little. Members Absent: Horning (arrived 8:15), Krueger (arrived 8:15), Mann (arrived 8:10). Also present were: William Kane and George Richards from MJK Architects.

Resolution for Operating - Current Fiscal Year:

It was moved by Little, supported by DuFresne, that the Superintendent of Schools on behalf of the Board of Education make application to the Municipal Finance Commission to borrow the sum of \$415,000 in anticipation of the collection of the unpaid operating taxes for the current fiscal year ending June 30, 1982 to meet payroll and other operating expenses.

Said notes shall bear interest at not to exceed the maximum allowable by law and be dated September 1, 1981 and be due and payable April 1, 1982.

From the collection of the operating taxes for the current fiscal year there shall be set aside in a special fund an amount sufficient to repay notes when due. The President and Secretary of the Board of Education are hereby authorized to execute said notes for and on behalf of the Manchester Community Schools.

The Board reserves the right to issue additional notes of equal standing with the notes of this issue to meet current operating and payroll expenses.

The entire resolution for operating current fiscal year is to become a part of the official minutes of the Board of Education.

Vote: Ayes: All. Nays: None.
Resolution for Publishing "Official Notice of Sale".

of Sale".

It was moved by DuFresne, supported by Little, that pending approval by the Municipal Finance Commission that the notes be sold at public sale, that sealed proposals for the purchase of \$415,000.00 notes be issued in anticipation of the receipt of the 1981 tax, and that notice be published in accordance with law in the Michigan Investor and the Manchester Enterprise.

Sealed bids will be received by the Manchester Community Schools at 710 East Main Street, the exact date to be determined by the Superintendent after Municipal Finance Commission approval, at which time and place they will be publicly opened and read.

The notes will be dated September 1, 1981, will mature April 1, 1982 and will bear interest at a rate or rates not exceeding the maximum allowable by law.

The Manchester Community Schools has pledged to establish a fund to be used solely to pay the notes when due.

A certified or cashiers check in the amount of 2% of the par value of the notes, drawn upon an incorporated bank or trust company and payable to the order of the Treasurer must accompany each bid as a guarantee of good faith on the part of the bidder.

The right is reserved to reject any or all bids.

The entire resolution for publishing official notice of sale is to become a part of the official minutes of the Board of Education.

Vote: All Ayes, Nays: None.

Discussion took place regarding the proposed building program. Plans regarding Klager, Ackerson, and the Middle School were reviewed. Extensive discussion took place regarding the plans and costs of renovation work at the High School. It was noted that roofing work had inadvertently been left off the list of probable costs and was added to the list.

It was the consensus of the Board to bring the architectural work back to the agenda of the regular meeting of July 20 for further discussion and study.

It was moved by DuFresne and supported by Bunney to add a personnel item to the agenda. All yeas.

Following the recommendation of superintendent Thompson it was moved by DuFresne and supported by Bunney to approve the employment of Dr. Janice M. Hammond as Elementary School Principal for the 1981-82 school year. All yeas.

It was moved by DuFresne and

supported by Mann to adjourn the meeting at 10:30 P.M. All yeas.

Respectfully submitted:
Paul DuFresne, Secretary
Board of Education

REGULAR MEETING

July 20, 1981

The meeting was called to order by President William Broucek, at 8:06 P.M.

Roll Call: Members present: DuFresne, Horning, Krueger, Broucek, Bunney, Little. Members Absent: Mann.

Communications: Dr. Thompson advised that a letter had been received from Mr. and Mrs. Dale E. Weidmayer advising that they had filed a petition with the Washtenaw Intermediate School District to have their property transferred to the Saline area school district. After extensive discussion it was moved by Bunney to place the Manchester Board of Education on record as being opposed to the transfer of property owned by Dale and Mary Weidmayer from the Manchester Community School District to the Saline area school district. This motion would also direct the Superintendent to indicate the opposition of the Board at the public

School Board Minutes

hearing held before the Washtenaw Intermediate School District Board of Education. Supported by Little. Roll call vote: Yeas: Bunney, Little, DuFresne, Broucek. Nay: Krueger. Abstained: Horning.

Visitor Input: There were no requests to speak.

Minutes of Previous Meetings: It was moved by Little to approve the minutes of the regular meeting of June 15, 1981 as presented. Supported by DuFresne. All yeas.

It was moved by Horning to approve the minutes of the special meeting of the June 22, 1981 meeting. Supported by DuFresne. All yeas.

It was moved by DuFresne to approve the minutes of the special meeting of July 1, 1981. Supported by Bunney. All yeas.

Financial Report: It was moved by Little to approve the financial report showing a balance of \$311,967.69 as of June 30, 1981. Supported by Horning. All yeas.

Bills Payable: It was moved by Little to approve bills payable in the amount of \$249,071.75. Supported by Bunney. All yeas.

Discussion Items: (a) Educational Goals: Dr. Thompson asked that item C be moved up on the agenda since a visitor was present to speak regarding the topic of roofing.

Mr. John Gundrum from Gundrum Roofing of Ann Arbor was present to present a proposal regarding roof work at Klager Elementary and the High School. The system under discussion is a rubber non-ballast roof. Discussion took place regarding the condition of the roofs, the areas to be covered, and probable costs involved. It was the consensus of the Board to bring this topic back to the agenda at the August regular meeting following the millage election.

(A) Educational Goals: Dr. Thompson reported that the goals had been published

as per the Board's request. No communication had been received regarding the proposed goals. Dr. Thompson advised that early in the school year a goal prioritizing effort would be carried out which would identify the top priority goals for the school district. Board discussion centered upon whether or not all of the goals were indeed the responsibility of the schools. It was also pointed out that as goals were prioritized the system would then be provided to direct financial resources to develop programs. Dr. Thompson advised that he would bring the goals back to the Board following the establishment of priorities.

(B) Continued Policy Work Dates: It was decided to establish August 31 and the first Monday in each month as special meeting dates for policy work until the task is completed.

(D) Teacher Evaluation Proposal: Dr. Thompson reported that a revised teacher evaluation instrument had been developed as per his management by objectives plan. The system identifies specific teacher characteristics, behaviors, and attitudes. Each trait is weighted which means that some are considered more valuable than others. Building administrators will make determinations regarding whether the teacher exceeds, meets, or fails to meet expectations on each of the traits. Dr. Thompson advised that he would seek input from the professional council before implementing the new evaluation instrument.

Dr. Thompson also advised that he was recommending that required written evaluations for teachers be reduced in number. His recommendation is that each probationary teacher be evaluated in writing twice a year and each tenure teacher once a year. He advised that it would be necessary to reach accord with the WLEA/MEA regarding this reduction.

It was moved by DuFresne to authorize a reduction in the number of written teacher evaluations from twice to one time per semester for probationary teachers, and from two times to once per year for

tenure teachers. Supported by Krueger. All yeas. Abstained: Little.

OLD BUSINESS: (A) Committee Appointments: President Broucek appointed R. Mann as the Board representative to the Professional Council. DuFresne volunteered to serve as the representative to the WISD School Officers Association.

Due to the late hour it was decided to schedule a special meeting on August 11 to discuss architectural work.

NEW BUSINESS: (A) WISD Parent Appointment: It was moved by Little to recommend the reappointment of Mrs. Patricia Settles to the Washtenaw County Parent Advisory Committee from the Manchester School District. Supported by DuFresne. All yeas.

The Superintendent was asked to schedule Mrs. Settles on a future agenda for a report to the Board.

It was moved by DuFresne and supported by Bunney to add Personnel Items to the agenda.

Dr. Thompson reported that he had received that day a letter of resignation from Mr. Doyle Rodenbeck, band director. Dr. Thompson read Mr. Rodenbeck's letter

of resignation and stated that he regretted losing a valued staff member.

It was moved by DuFresne and supported by Bunney to accept the resignation of Mr. Doyle Rodenbeck. All yeas.

Paul DuFresne advised the Board that he would be out of town on the date of the special election and recommended that the Superintendent be appointed to serve in his position at the election.

It was moved by Little to authorize the Superintendent to act as Secretary of the Board at the special election scheduled for August 10, 1981. Supported by DuFresne. All yeas.

It was moved by Bunney and supported by Krueger to adjourn the meeting at 10:35 P.M.

Respectfully Submitted: Paul DuFresne, Secretary Board of Education

REGULAR MEETING

August 17, 1981

The meeting was called to order by President, William Broucek at 8:00 P.M.

Roll Call: Members present, DuFresne. Continued on page 13

Letter To The Editor

...or skinny-little girls who can only dream of these glories. And often these dreams are sad, bitter dreams. And these kids are your classmates, Michelle. As a teacher, you see, I had the obligation to consider them too and for them sometimes what you call "fun" is a little agony.

Now Mr. Broucek thinks I'm not at all concerned about young people and that I'm not a very Christian. He must be right since apparently he has a more direct connection with the Deity than I have and it did not occur to me to phone and ask him what a Christian vote would be on this matter.

He has long since stopped giving me any information at all on how to vote—He has me pretty much to my own devices in that area. That is, I think, just as well. In an area of politics—local and non-local—He consistently refused to vouchsafe the fairly small request I have made of him anyhow—viz., that He would spare us the presence of fools, drunks and liars in public office. I trust, however, that in His infinite Wisdom, He is testing either my patience or my sense of humor.

Finally, Michelle, with all my heart and mind I pray that ninth grade may be the

best year of your entire school life. I hope that you learn all that you can learn, that your ability to discover the world about you expands as it has never expanded before, that your ability to reason and to intelligently express ideas grows keener with each passing day. I hope that you might thrill at your growing awareness of your developing mental and physical powers and unselfconsciously share these new powers with your friends and family and teachers. I hope that your dreams are happy and noble and wise.

May God bless you.
C.J. Auldhauser

Eastern Equine Encephalitis Update

In response to the recently confirmed cases of eastern equine encephalitis (EEE) in horses in northwestern Washtenaw County and adjacent areas of Jackson and Ingham Counties, the Washtenaw County Health Department, with Michigan Department of Public Health (MDPH) supervision and funding, has begun mosquito control by ground fogging in Chelsea Village and has recommended

control measures for campgrounds and fairgrounds in northwestern Washtenaw County.

In addition, three suspected cases of horses have been reported northwest of Ann Arbor City. The Washtenaw County Health Department and MDPH are extending the area where increased personal protection from mosquitoes should be followed and where ground fogging should be conducted to kill mosquitoes at campgrounds and fairgrounds. This new area includes the northern half of Washtenaw County and southern Livingston County.

EEE is a disease which primarily affects horses. It is transmitted by the bite of an infected mosquito, and wild birds are the source of the infections. The disease, commonly known as "sleeping sickness," is rare in humans—but has a high fatality rate (roughly 75%). According to John Atwater, M.D., Director of the Washtenaw County Health Department, no human cases of the disease have been reported in Michigan this year. Hospital surveys conducted by the MDPH continue to monitor for suspected cases.

Ground fogging, according to Barry Johnson, Director of Environmental Health Services at the County Health Department, involves the use of a machine which emits a fine mist into the air and kills mosquitoes while in flight. "Ground fogging provides added protection to people in an area, however, everyone should avoid unnecessary exposure to mosquitoes," Johnson said.

Boating, fishing, camping and hiking should be avoided where these activities present a high risk of exposure to mosquitoes. It is also recommended that insecticides be used to kill mosquitoes. When unavoidably exposed, use repellents and wear long sleeves and long pants to reduce the risk of being bitten.

Dr. Atwater emphasized, "Continued surveillance is being conducted by the State and County Health Department staffs. In addition to surveying hospitals

for suspected human cases, mosquitoes and wild birds are being trapped and tested for evidence of the disease."

Con Games

then left. The victim then discovered the first check she wrote was not in the waste basket.

The suspects were in a newer white pickup truck with a white cap on the back. It appears the victims roof was nothing more than black paint on it.

The Manchester Police Department request citizens to call if solicitors appear at their doors. They must have vendors permits.

THE MANCHESTER ENTERPRISE

Clean Water Contracts Signed

Earl Doletzky, (left) chairman of the Washtenaw County ASC Committee, signs a Saline Valley Project Clean Water Contract with Jim Schearle (right), Sharon Township dairy farmer. This is the twelfth Contract signed with the Project and will provide cost-share assistance for manure runoff and soil erosion control practices.

Saline Valley Project funds have been approved to help three more Washtenaw County farms solve their manure and cropland runoff problems. Clean Water Contracts signed by Kirk and Marilyn Gordon, Dennis and Jerry Huehl and Jim Schearle will result in cleaner water for the River Raisin and Mill Creek. The main problem being solved on each of these farms is water pollution from manure runoff, although soil erosion problems are also being remedied. The farms will receive technical advice and financial assistance from the Saline Valley Project for the application of manure and erosion control practices. The Saline Valley Project is one of 21 projects under the U.S. Department of Agriculture's Rural Clean Water Program, and pays up to 75% of the cost of practices which will lead to cleaner water. It's Project Area includes parts of Washtenaw and Monroe Counties, Michigan.

Jim Schearle, 1902 Pleasant Lake Rd., Manchester, is the most recent Clean Water Contract signer. His one hundred head Holstein milking herd has created a manure runoff problem that is threatening surface and ground water quality. With Saline Valley Project assistance, Jim will soon install a below the ground concrete tank which will allow for six months of lot runoff and manure storage. Jim commented on the system, "It will definitely make a difference in the ease of my manure handling and the quality of the environment in the area." Hayland seedings on hilly ground are also being done through the Project to reduce soil erosion rates. "anyone with a manure problem should look into the Saline Valley Project," Jim said, "it would be foolish not to take advantage of it."

All farms will work with the Cooperative Extension Service to develop fertilizer and pesticide management programs. The Project is promoting regular soil testing and pest monitoring so fertilizers and pesticides are not used in excess of what is needed for productive crop growth.

With these farms, a total of twelve Clean Water Contracts have been signed with the Project. The first nine Contract signers with the Project have been active installing practices. Four animal waste systems have been installed in the Project Area, with another two under construction. An additional three animal waste systems will be installed before the summer is over.

"Although most activity so far has been with farms with animal waste problems, the Saline Valley Project should not be thought as only a animal waste control project," warns Ron Struss, Information and Education Coordinator for the Project. People with both animal waste and cropland erosion problems are urged to inquire to see if the Saline Valley Project can be of benefit to their situation. Interested persons can contact Mr. Struss at the Washtenaw County Cooperative Extension Office at 973-9510.

Fire Emergency

Christian Family Movement

The Christian Family Movement (C.F.M.) will present the second evening in its Spotlight Series on Sunday, September 20, 1981 at the K of C Hall from 7:30 to 9:00 p.m. All adults and teens are welcome. This adult education opportunity entitled "The Way We Were and the Way We're Going" will provide a commentary on the sharing of Faith - with our children and with others. The featured speaker for the sharing-discussion format is Sister Paraclita, member of the pastoral team of St. Joseph Church, Dexter. Sister has been a teacher, counselor and

principal and is currently the Director of Religious Education at St. Joseph Church. She has worked with and for the retarded locally and will include suggestions for Faith sharing with the handicapped.

C.F.M. is an international network of small family support groups committed to the development of couples, their families and others in their personal relationships.

Future programs in the series will spotlight a model of a local Christian community, Alcoholism and the Family and historical perspectives on the role of the laity in the church.

Hit Or Miss

of this \$138 million won't hurt so much. Maybe the carpenters and the plumbers don't speak to each other but in a case like this it seems that someone—probably one of the brilliant \$75,000-\$85,000 a year men down there in Washington—could make sure that the carpenters and the plumbers were looking at blueprints for the same building.

But as I said mistakes will happen. One critic of this affair says that probably someone's secretary forgot to send the blueprints to the plumbers and I can see the Pentagon asking the Treasury for the \$138 million with which to correct this money error. They gotta be able to write the check for the \$138 million to undo the error, but I tried, once a friend of mine says to highjack \$500 on my income tax and IRS called me in and used thumbscrews to make me cough up.

This building we're talking about is being built down in Tennessee and is to be used to test new jet engines and allowing for cost inflation and overruns it will probably cost about a half billion dollars

and if the building in which to test these jet engines costs this much we shudder to imagine how much the jet engines to be tested here will cost.

However this whole deal has been figured out by extremely bright people and if I disagreed with it I would be called crazy. Our future security we are told rests on three things: our rocketry, our submarines and our airplanes which we must have to guarantee for us a sunny future bristling with armaments. And so who am I to be critical but that amount of money mentioned above that evidently is wasted makes me shudder a bit after all. I hope we don't do everything so efficiently.

Trap Shoot And Bow & Arrow

The Manchester Sportsman Club Trap Shoot and Bow & Arrow will be open Sunday, September 13 at 2 p.m. on the grounds. The public is invited.

Ford Picnic

Former employees of Manchester Ford Plant will hold their annual picnic Sunday, September 13, 1981 at 1 p.m. at the Sportsman's Club on Grossman Rd.

Bring a dish to pass, table service and your own beverage and coffee will be furnished.

Participates In Band Day

The Manchester High School Band will be performing in the University of Michigan Band Day in Ann Arbor this Saturday, September 12. Dawn England is the Drum Major. Jeanne McElheron is the new Band Director for the Manchester schools.

The Manchester 7th and 8th grade Middle School Band are having a fund raising drive selling candles and would appreciate community support in this event. The profits are to be used to purchase new equipment and music.

Trap Shoot And Bow & Arrow

The Manchester Sportsman Club Trap Shoot and Bow & Arrow will be open Sunday, September 13 at 2 p.m. on the grounds. The public is invited.

Ford Picnic

Former employees of Manchester Ford Plant will hold their annual picnic Sunday, September 13, 1981 at 1 p.m. at the Sportsman's Club on Grossman Rd.

Bring a dish to pass, table service and your own beverage and coffee will be furnished.

Girl Scouts Need You

Have you been wanting to work with a Girl Scout troop but just don't have the time on a weekly basis?

Girl Scouts in Huron Valley Council are looking for people just like you to serve as program specialists on a limited basis. Your work skills, hobbies and special interests can be shared with girls ages six through 17 who are exploring the worlds of technology, the arts, well being, people, and the out-of-doors.

By serving as a program resource specialist whether it be once, twice or a dozen times during the course of a year, you can help girls grow and mature into resourceful women of the future. As a program specialist you will be working and coordinating your efforts with other Girl Scout volunteers to meet the needs and interests of the girls.

By working as a Girl Scout volunteer you will have the opportunity to develop new friendships, meet a number of

interesting and caring people and have a great time learning and sharing with girls and adults. There are over 10,000 girls and 2,400 adult members in Huron Valley Council from southern Wayne, northern Monroe, Livingston, and Washtenaw counties.

Being a Girl Scout volunteer holds special meaning for each person. Sue Strong, a volunteer for more than 10 years got involved at the Brownie level for her daughter. Now Sue is in Girl Scouting for what she gets out of it and because of the friendships that have developed for her and the other members of the Strong family. In fact, the Strongs and three other Girl Scout families camp and spend much of their leisure time together. "Girl Scouting isn't just for the girls. I get as much out of it as my daughter, or more. I will probably be a Girl Scout for years after she has graduated from high school," commented Strong.

Strong and her family are typical of many who are active in Girl Scouting. There are numerous positions and

NATIONAL FLOOD INSURANCE PROGRAM
Proposed Flood Elevation Determinations
AGENCY: Federal Insurance Administration, FEMA.
ACTION: Proposed rule.
SUMMARY: Technical information or comments are solicited on the proposed base (100-year) flood elevations listed below for selected locations in the nation. These base (100-year) flood elevations are the basis for the flood plain management measures that the community is required to either adopt or show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).
DATES: The period for comment will be ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in each community.
ADDRESSES: See table below.
FOR FURTHER INFORMATION CONTACT:
Mr. Robert G. Chappell
National Flood Insurance Program
(202) 755-5585
Federal Emergency Management Agency
Washington, D.C. 20472.
SUPPLEMENTARY INFORMATION: The Federal Insurance Administrator gives notice of the proposed determinations of base (100-year) flood elevations for selected locations in the nation, in accordance with section 110 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234), 87 Stat. 980, which added section 1363 to the National Flood Insurance Act of 1968 (Title XIII of the Housing and Urban Development Act of 1968 (Pub. L. 90-448)), 42 U.S.C. 4001-412E, and 44 CFR Part 67.4 (a).
These elevations, together with the flood plain management measures required by section 60.3 of the program regulations, are the minimum that are required. They should not be construed to mean the community must change any existing ordinances that are more stringent in their flood plain management requirements. The community may at any time enact stricter requirements on its own, or pursuant to policies established by other Federal, State or Regional entities. These proposed elevations will also be used to calculate the appropriate flood insurance premium rates for new buildings and their contents and for the second layer of insurance on existing buildings and their contents.
Pursuant to the provisions of 5 USC 605(b), the Administrator, to whom authority has been delegated by the Director, Federal Emergency Management Agency, hereby certifies that the (proposed) flood elevation determinations, if promulgated, will not have a significant economic impact on a substantial number of small entities. A flood elevation determination under section 1363 forms the basis for new local ordinances, which, if adopted by a local community, will govern future construction within the flood plain area. The elevation determinations, however, impose no restriction unless and until the local community voluntarily adopts flood plain ordinances in accord with these elevations. Even if ordinances are adopted in compliance with Federal standards, the elevations prescribe how high to build in the flood plain and do not proscribe development. Thus, this action only forms the basis for future local actions. It imposes no new requirement; of itself it has no economic impact.
The proposed base (100-year) flood elevations for selected locations are:

State	City/Town/County	Source of Flooding	Location	#Depth in feet above ground. *Elevation in feet (NGVD)
Michigan	(V) Manchester	River	About 1200 feet downstream of Manchester Ford Dam	861*
	Washtenaw County	Raisin	Just downstream of Manchester-Ford Dam	863*
			Just upstream of Manchester-Ford Dam	880*
			Just downstream of Manchester Mill Dam	881*
			Just upstream of Mfain Street About 1.0 mile upstream of Main Street	894*
				895*

**Get up to
20% Interest.**

**Get Tax-Free
Interest.**

Get the Facts.

At Manufacturers.

Earn up to 20% Annual Interest from Now until October 1, 1981.

Manufacturers offers you an incredible 20% annual interest return on investments from \$5000 to \$17,000 prior to October 1st. Or earn 18% annual interest on investments from as low as \$500 to \$4999 for the same period. These investments are backed by U.S. Securities, but are not FDIC insured or guaranteed by the U.S. Government. Manufacturers does reserve the right to change the offered rate at any time. This short-term, high-yield investment matures on October 1, 1981, however, you may wish to convert your investment to a one year MANUFACTURERS ALL SAVERS CERTIFICATE. This conversion meets IRS requirements and will not jeopardize the tax-free status of your All Savers Certificate.

Earn up to \$2,000 in tax-free interest with a Manufacturers All Savers Certificate.

Starting October 1, Manufacturers can offer you a brand new way to save called ALL SAVERS CERTIFICATES. The interest on these Certificates is exempt from Federal Income Taxes up to \$2000 on joint returns and up to \$1000 on individual returns. Your investment is FDIC insured and Manufacturers will offer the highest rate allowed by law on this type of deposit. These Certificates are subject to final Federal regulations and applicable penalties for early withdrawal.

Convert your Money Market Time Deposit investment to an All Savers with no penalty for early withdrawal.

New Federal regulations for All Savers Certificates allow Manufacturers Money Market Time Deposit customers to convert their Money Market plus earned interest prior to maturity with no interest penalty whatsoever. Just contact

your Branch Officer and we'll convert your Money Market Time Deposit on October 1, 1981. It's as simple as that.

If you have a Money Market Certificate, at another financial institution, which matures in the near future you should consider switching it to Manufacturers. Just bring in your Certificate now and when it matures, we'll handle the transfer. With an investment of \$500 in any Manufacturers savings plan (including All Savers) you'll get a no-service-charge checking account.

Get the Facts.

All Savers Certificates are not for everyone. They're generally a better idea for people in higher tax brackets. The chart below shows the equivalent yield necessary on taxable investments to net the same return as Manufacturers All Savers Certificates if they were issued at recently comparable rates.

Taxable Income Levels (Married Filing Joint Return)	30,000	36,000	46,000	60,000
All Savers Interest Rate	12.61	12.61	12.61	12.61
Equivalent Taxable Return Required to Equal All Savers Rate	18.82	20.67	22.52	24.73

If you think an All Savers Certificate is right for you, we can help you take advantage of this tax saving investment opportunity starting October 1. Stop by any branch of Manufacturers Bank to get all the facts you need on 20% interest and the All Savers Certificates.

School Board Minutes

Horning, Krueger, Broucek, Mann, Bunney, Little. Members Absent: None. Communications: Secretary DuFresne called the Board's attention to communications regarding the Michigan Association of School Board meeting in Detroit and to information regarding the Washtenaw County School Officers Association.

Minutes of Previous Meetings: July 14, 1981. It was moved by Little to approve the minutes of the special meeting of July 14, 1981 as presented. Supported by Mann. All yeas.

July 20, 1981. It was moved by Little to approve the minutes of the regular meeting of July 20, 1981 as presented. Supported by Bunney. All yeas.

August 11, 1981. It was moved by Bunney to approve the minutes of the special meeting of August 11, 1981 as presented. Supported by Krueger. All yeas.

Financial Report: It was moved by Little to approve the financial report showing a balance of \$190,654.74 as of July 31, 1981. Supported by Mann. All yeas.

Bills Payable: It was moved by Little to approve Bills Payable in the amount of \$158,085.15. Supported by DuFresne. All yeas.

Discussion Items: (A) California Achievement Test Report. Dr. Thompson reviewed the results of the California Achievement Test scores. These tests were administered to all 2nd, 4th, 6th, 8th and 11th grade students in April, 1981. It was pointed out that the test measures student learning in reading, spelling, language, math and reference skills. Generally Manchester students

scored considerably higher than all other students across the country. Dr. Thompson pointed out that since test data had been collected for only two years it is not yet possible to chart trends. Generally 3 to 5 years are necessary before trends in student learning can be determined. Following a brief discussion the report was accepted by consensus of the Board.

(B) Roofing Repairs: Dr. Thompson distributed materials previously submitted by the Gundrum Roofing Company, and the SMI Roofing Materials Company. A map of the high school roof indicating the areas proposed for replacement was also distributed to Board members. It was noted that until final budget determinations are made the funds necessary for roof replacement are in question. President Broucek asked that a Dunn and Bradstreet report on the SMI Company be obtained before serious discussion takes place. It was the consensus of the Board that these materials should be brought back for future discussion.

OLD BUSINESS: (A) Sale of Tax Anticipation Notes. Bids for the purchase of \$415,000 of tax anticipation notes were received from the Ann Arbor Bank and Trust, Manufacturer's Bank of Saline, E.F. Hutton Company, and National Bank of Jackson. It was moved by Little to accept the Bid of National Bank of Jackson for \$415,000 of Manchester Community School Tax Anticipation Notes at an interest rate of 12.24% with a maturity date of April 1, 1981. Supported by DuFresne. All yeas.

It was moved by Bunney to add a discussion regarding 1981-82 athletics to the agenda. Supported by Krueger. All yeas.

(B) 1981-82 Athletic Program: Dr. Thompson reported that the survey data

collected by the Athletic Director and coaches appeared to indicate a lack of sufficient support for a full fee paid program. He also reported that the topic had been discussed with Administrators and with coaches. It was the consensus of all that the adoption of a full fee paid program would not be feasible. Dr. Thompson's recommendation to the Board was to cancel the interscholastic athletic program for the 1981-82 school year.

Extensive discussion took place among the Board with several members of the audience also indicating their concerns. Included in the discussion was the question of whether or not it would be appropriate to place the question of athletic millage before the voters again this fall. By consensus the Board agreed that it was appropriate to discuss this topic at a future meeting.

It was moved by DuFresne to eliminate athletics for the 1981-82 school year. Supported by Horning. On a roll call vote: Yeas: Mann, DuFresne, Horning, Nays: Little, Bunney, Krueger, Broucek.

It was moved by Mann to cancel all athletic programs until such time as funds are available. Supported by Horning. On a roll call vote: Yeas: Little, Mann, DuFresne, Horning, Broucek. Nays: Bunney, Krueger.

As discussion continued Bunney and Krueger indicated a misunderstanding regarding the content of the motion to cancel sports.

It was moved by Broucek to reconsider the vote of the previous motion. Supported by DuFresne. All yeas.

On the reconsideration vote to cancel all sports until funds are available all members voted in favor.

Continued discussion emphasized the point that the availability of funds either by a private plan or voted additional millage would enable the school district to reinstitute the athletic program.

NEW BUSINESS: (A) MASH Electors Election: It was moved by Mann to cast the vote of the Manchester Community Schools for Mary Jayson for a two year term on the Michigan Association of School Boards Directors. Supported by DuFresne. All yeas.

It was moved by Horning to cast the vote of the Manchester Community Schools for Mary Lawson and Jeffrey Porter for a

three year term on the Michigan Association of School Boards Directors. Supported by Krueger. All yeas.

(B) Transportation Policies: Following a presentation by Dr. Thompson and Mr. LeFurge regarding bus stops and State Department of Education regulations it was moved by DuFresne to accept the Superintendent's recommendation to modify policy number 2720 for the 1981-82 school year. This modification will require students in grades 7-12 to walk up to 1 mile to the main line of travel of established bus routes. Supported by Bunney. All yeas.

(C) Administrative Contracts: Following a brief presentation by Dr. Thompson regarding administrative contracts it was moved by Little to offer Brian Schick a two (2) year contract as principal of the Manchester Middle School commencing July 1, 1981 and concluding June 30, 1983. This contract is to be reviewed annually for extension. Supported by DuFresne. All yeas.

It was moved by Horning to offer James Kappler a two year contract as principal of Manchester High School commencing July 1, 1981 and concluding June 30, 1981. This contract to be reviewed annually for extension. Supported by Krueger. All yeas.

It was moved by Little to adjourn the meeting at 10:25 P.M. Supported by Bunney. All yeas.

Respectfully submitted:
Paul DuFresne, Secretary
Board of Education

Community Education

Anyone who did not attend the pre-college registration for Washtenaw Community College on Wednesday, August 26 may register on the night of the first class starting on Tuesday, September 8 thru Thursday, September 10, and Monday, September 14. Each class must have a minimum of ten students to start. Fitness Fantasia will start on Monday, September 14 at the High School Study Auditorium from 8-9:00 p.m.

Registration for other Community Education programs will end on Friday, September 11. Classes in Enrichment will start on Monday, September 21.

Violin Demonstration

This Saturday, September 12, at 1:00 a demonstration open house will be held for anyone interested in learning to play a string instrument. Mrs. Joyce Meade has been teaching private lessons in the area for ten years and is now starting classes for beginning students. The first class ran this summer and students from that session will be present at the open house to show you what can be learned in a 6 week course. Also some of Mrs. Meade's more advanced students will perform. Young children as well as adults are

welcome. Some Suzuki techniques will be used in these classes and even 5-year-olds are not too young to learn. Retired persons have found great satisfaction in taking on a new challenge. Instruments can be rented from several music stores and that reduces the initial cost of learning violin or cello.

Come on Saturday and hear our young players. Mrs. Meade will be there to discuss any questions you might have. The open house is at 1:00 in the social hall of Manchester Methodist Church. If you are unable to attend but have questions call 428-8694. Beginning guitar classes will also be offered this fall.

Manchester Farmer's Market

Something new is being added to Manchester's Farmer's Market. On the last market day of the season, September 26, we will rent stalls for a flea market in addition to our going produce sales. This is an excellent opportunity to start fall cleaning early. Turn your overflow into cash for yourself, church group, or organization. Stall rental fee: \$5.00.

For further information call 428-7213 or write: Manchester Farmer's Market, P.O. Box 272, Manchester, Michigan 48158.

Senior Citizens

Fall is here and Senior Citizens Meals begin at noon Tuesday, September 15 at Emanuel United Church of Christ dining room. Reservations should be made by the 14th if possible by calling Linda Hartmann, church secretary, at 428-8359 between 9 a.m. and 3 p.m. weekdays.

The menu for Tuesday is: Baked Ham, Sweet Potatoes, Vegetable, Fruit, Bread and Butter, Coffee, Tea and Milk.

Cards for all who are interested will follow this meal as in the past.

For Thursday, September 17, they are serving: Meat Loaf, Potatoes, Vegetable, Fruit, Bread and Butter, Dessert, Coffee, Tea and Milk.

Crafts will begin on Thursday afternoon. Cost of meals is based on the ability to pay with the average suggested price as \$2.00. One does not buy tickets for the meals, as payment is deposited in a canister at the head of the buffet table.

For home-bound older adults a hot meal, in a styrofoam case, may be picked up by a member of the family or can be delivered by a volunteer driver at noon each meal day. Payment may be made for these at time of delivery or on a monthly basis as arranged with Mrs. Millard Uphaus, 428-7461, chairman of the Meals Committee. This is an excellent service available to people 55 years of age or over

who can not get to the community gathering to enjoy the pleasure of eating with others.

Friday, September 11 is the Barn Sale at Mrs. Dyers, 116 S. Macomb Street. In case you haven't taken your donated items there, they should be delivered by this Thursday afternoon.

Be sure you have contacted Ray Gonyer or Millard Uphaus by today if you need transportation to Ann Arbor to get your Golden Years Identification Card on Saturday, September 12. Only 62 year olds and over are eligible for this.

Senior Housing will be the topic of discussion at a public meeting at the Emanuel United Church of Christ at 7:00 p.m. on Tuesday, September 15.

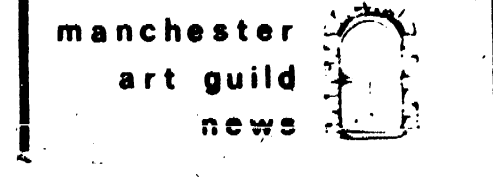

Center For Mentally Retarded Boys

The St. Louis Center for Mentally Retarded Boys will celebrate the 20th Anniversary on Sunday, September 13 at the center, 16196 Old US 12, Chelsea, Michigan.

The school is operated by the Servants of Charity and directed by Father Joseph Rinoldo. The order was founded in Italy in 1893. The primary work is operating schools for the mentally impaired

manchester art guild news
GALLERY
The Guild's "Membership Show" continues for only two weeks more. This highly successful exhibit has proved popular by both numbers, visitors and sales. Works have changed and been rearranged; giving gallery-goers a fresh look with every visit. If you haven't seen the talents of some Manchester Art Guild members, be sure to catch a glimpse before the show ends September 20. Gallery hours are Thursday through Saturday: 7:30-9:30 p.m., and Sunday: 3:30-5:15 p.m.

We all have talents, though not all are within the arts. Join us for any activities and be greeted by a group with the common bond of concern and interest for the arts. Membership of the Guild is composed of lots of non-artists as well as artists and craftsmen!

Stress Management Workshop

Saline Community Hospital continues to offer a monthly, six-hour Stress Management Workshop, the purpose of which is to promote an understanding and ability to recognize and cope with stress in everyday life situations. The workshop will be offered Monday, September 14, 1981, through September 17, 1981, with sessions being held each day in the hospital's blue room from 2:30 p.m. to 4 p.m.

Participants may register through Friday, September 11, by calling the hospital at 429-5435, ext. 337 during regular business hours. There is a \$10.00 fee for the class.

Meeting Notice

The first meeting of the fall of the Washtenaw County Convalescent Homes Auxiliary will be held on Wednesday, September 16, at 9:30 a.m., at Zion Lutheran Church, 1501 W. Liberty, Ann Arbor.

Plans for the 2nd annual Bucket Drive to be held in Ann Arbor this year on Saturday, October 3, 1981, will be finalized.

Rogers Corner Farm Bureau

The Rogers Corner Farm Bureau will meet Friday, September 11 at the home of Mr. and Mrs. Armin Kuhl at 8:30 p.m.

John B. Swainson United Way Kick Off Speaker

Manchester's 1981 United Way campaign will be launched at a dinner meeting for all volunteers at 7:00 PM at the Sharon United Methodist Church on Wednesday, September 30.

John B. Swainson will be the evenings featured speaker.

Swainson was raised in Port Huron where he was captain of his high school's football team and became an Eagle Scout - Boy Scout's highest award. While serving in the army during World War II he was seriously wounded during the invasion of France. His wounds necessitated the amputation of both legs.

He earned his law degree at Chapel Hill, N.C. In 1954 John was elected Michigan State Senator, elected Lieut. Governor in 1958 and at age 35 he became the second youngest man to be elected Governor. In 1965 he became a Circuit Court Judge in Wayne County and in 1970 he was elected Justice of the Mich. Supreme Court where he served until his retirement in 1975.

John was the founder and first president of NARCO (Narcotics Addiction Rehabilitation Coordinating Organization), is a life member of Disabled American Veterans and past member of the Board of Directors of the Mich. Association for Mentally Disturbed Children.

John and Alice have been Manchesterites since 1970 when they took up residence at their farm on Hogan Road. At the meeting the 100 plus volunteers will be briefed and be given final campaign instructions.

And there will be entertainment. Dr. Glenn C. Lehr, Campaign Chairman, says that, Patrice McGriff, George Bufford and Mary Sue Moore will entertain with songs and bits from some of this summer's Black Sheep Repertory Theatre hits.

All Chairmen, team captains and solicitors - mark your calendar and plan to join with your co-volunteers at this important kick off dinner meeting on Wednesday, September 30. "OPEN YOUR HEART-DO YOUR PART"

Trap Shoot And Bow & Arrow

The Manchester Sportsman Club Trap Shoot and Bow & Arrow will be open Sunday, September 20 at 2 p.m. on the grounds. The public is invited.

HIT OR MISS by farley

All is not sadness for the workers in the Social Services offices it has been found. One of these workers has compiled excerpts from various letters received by his department and they were recently published by a nearby daily. Among them were:

"My husband had his project cut off and I haven't had any relief since."
 "You changed my little boy to a girl. Will this make any difference?"
 "Unless I get my husband's money soon I will be forced to lead an immortal life."
 "I am forwarding my marriage certificate and three children one of which is a mistake as you can see."
 "In answer to your letter I have given birth to a boy weighing ten pounds. I hope this meets your requirements."
 "I am very much annoyed to find you have branded my son illiterate. I was married a week before he was born."
 "Please let me know for certain if my husband is alive. The man I am living with can't eat or do anything until he knows."
 "I am happy to report that my husband who was missing is dead."
 "I am writing the welfare department to say my baby was born two years old. Where do I get my money?"
 "This is my eighth child. What are you going to do about it?"
 "Mrs. Jones has not had any clothes for a year and as a result is being visited by members of the clergy."
 "I am forwarding my marriage certificate and six children, all of whom were baptized on a half sheet of paper."
 "My sister and her seven children are living with me and I can prove it if you will just come by my house and listen."
 "Enclosed please find my files which I have lost. Can you find them for me."
 "Please send my money at once as I have left town and have no forwarding address."
 "I have no children as my husband is a truck driver and works night and day."
 "In accordance with your instructions I have given birth to twins in the enclosed envelope."
 "My husband is unable to work and I have an Affidavit to prove it."
 "You say I appear to be obnoxious when my forms clearly state that I am a Baptist."

In a recent biography of Alonzo A. Stagg, who coached a highly successful football team at the University of Chicago, he often saw foul by one of his own players and would then pull the offender out of the lineup even if the referee didn't see it. He refused to accept any such advantage by any such means.

And then in another biography there is the following tale about Robert Benchley who one night was doing some serious imbibing in his favorite spot and put on his coat and walked out into the street. A moment later he walked back into the saloon, rubbing his eyes in disbelief. "There's a herd of elephants!" he gasped "They're out there and they are tripping by without making a sound."

The owner of the saloon who had not touched a drop, had him sit down and drink black coffee. Then, after some minutes had

Students Honored By Optimist Club

Kevin Scully and Kelly Getts shared their experiences with the Optimist Club.

The Manchester Optimist Club honored Kevin, son of Mr. and Mrs. James Scully, and Kelly, daughter of Mr. and Mrs. Bruce Getts, at the Monday night meeting.

Jon Hardenbergh Selected As Outstanding Young Man

The Board of Advisors for the Outstanding Young Men of America Awards Program announced that Jon Roger Hardenbergh, 11285 E. Austin, Manchester has been selected for inclusion in the 1981 edition of Outstanding Young Men of America.

Jon was selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups, including the United States Jaycees which also endorses the Outstanding Young Men of America program.

In every community there are young men working diligently to make their cities, as well as their country, better places in which to live. These men, having distinguished themselves in one or more fields of endeavor, are outstanding and deserve to be recognized for their achievements. The criteria for selection include a man's voluntary service to community, professional leadership, academic achievement, business advancement, cultural accomplishments and civic and political participation.

Jon, along with fellow Outstanding Young Men throughout North America will be featured in this prestigious annual awards publication.

Our Board of Advisors and Editors salute all chosen as Outstanding Young Men of America. We take great pride in bringing their accomplishments to the attention of the American public.

Class of '84 Meeting

The Class of '84 will hold a meeting September 24, 8 p.m. at the High School. Don't miss out on your chance for a class trip.

Kevin attended Boys State in June, at the Michigan State Campus in Lansing. Kelly travelled to Mt. Pleasant, attending Girls State at the Central Michigan campus. Both enjoyed being involved with the operation of city, county, and state government. The political process of elections and dealing with problems once in office, were also experienced. The meeting of new friends and being away from home for the week long event were also shared, as proud parents looked on. The Optimist Club is for youth, and very pleased to support young adults as these.

Jaycee Auxiliary Gift To Library

The Manchester Township Library staff is very pleased to be using a new typewriter, a purchase made possible by a gift from the Manchester Jaycee Auxiliary. The group has a fine history of support for library projects. In 1979, they donated the ramp at the building's rear entrance. The library board and staff thank the Jaycee Auxiliary for their generous gift.

"Roots" Basic Genealogy

A course in basic genealogy will be presented at the Manchester Township Library beginning Thursday, October 1, 1981. The seven weekly classes will begin at 7:00 P.M. each Thursday. This class is free and open to any interested person. The teachers are Mr. and Mrs. Wm. R. Grimshaw, presently residing in Chelsea. The basic course includes introduction to local sources as well as access to the largest genealogical repository of records in the world, The Genealogical Department of the Church of Jesus Christ of Latter-day Saints in Salt Lake City, Utah. Necessary materials will be available at cost during the class. There is a limit of 12 participants. Please call the library 428-8045 or Grimshaw's 475-9697 for registration.
