

FIRE PREVENTION WEEK

October 3rd thru 9th

WHAT TO DO IN CASE OF FIRE

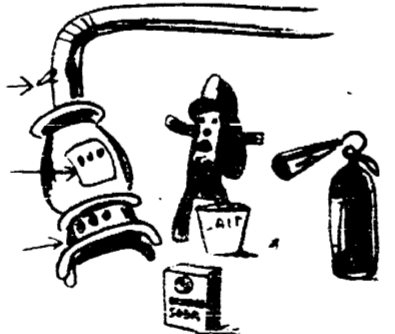

HAVE A SMOKE DETECTOR - Early warning is a must. Have smoke detectors strategically located.

HAVE A PLAN FOR ESCAPE from every room in the house. The plan should include two ways out from each room. Get everyone out fast. Have an outside meeting place. Everyone should know what to do if there is a fire!

KNOW THE FIRE DEPT. NUMBER - DON'T TAKE A CHANCE - CALL FOR HELP. Keep the number handy.

BE PREPARED TO PUT OUT SMALL FIRES - Have a fire extinguisher to put out the fire, or baking soda to throw on a fire to put it out. When there is a chimney fire, cut off all air that feeds the fire. Close dampers and air vents. Kill the fire in the stove or fireplace with rock salt, or baking soda.

Manchester Bus Drivers Demand 10.25% Increase

Negotiations between the Manchester Community School bus drivers and the Board of Education have apparently stalled. Current driver demands are for a 10.25 percent increase in hourly salary. The drivers are currently working under the terms of their previous contract with the Board which calls for an hourly salary of \$5.43.

During negotiation sessions which have been going on for several weeks the Board of Education, through Superintendent Eugene Thompson, has reached an offer of 7.5 percent. This increase would provide an hourly salary of \$5.84.

"An hourly increase of over 10 percent will not fit into our budget," said Superintendent Thompson. "School district overall revenues increased by 6.5 percent. The financial condition of the school district simply does not have room for increases considerably over this figure. While we are pleased that the drivers have come down from their initial position of a demand for an 18 percent increase we feel that there is a long way yet to go."

Additional negotiations are planned for the week of October 12. At that time the Board of Education team made up of Superintendent Thompson and High School Principal James Kappler will meet with driver representatives Evie Seegert, Joann Clark, and Karen Leach in an effort to resolve the differences.

United Way Campaign Underway

Pictured l to r: John K. Sauter, Dr. Glenn C. Lehr, Jr. and John B. Swainson.

An enthusiastic crowd of volunteer leaders, captains and solicitors attended a dinner meeting last Wednesday evening at the Sharon United Methodist Church to launch Manchester's 1981 United Way campaign. They were guests of Double A Products which sponsored the dinner as a plus contribution.

The dinner meeting committee, Board members T.V. Ludwick, Sue Hamilton and Alice Swainson, handled the many details and arrangements. The dinner was prepared and served by the Women of Sharon United Methodist Church. Cider was donated by Alber Orchards. The Flower Garden donated glass vases for the floral centerpiece. Schebor's Greenhouse donated clay pots and flowers for the table arrangements were all locally grown in the gardens of Mary Blossom, Emanuel Church and Roy Kern. Mary Blossom and her third grade students designed and made the large display banner. The printed

programs were donated by the Manchester Enterprise.

Following the pledge of allegiance to the flag Reverend Ronald L. Figgins delivered the invocation. Patricia McGiff, George Bufford and Mary Sue Moore entertained with medleys from the Black Sheep Repertory Theatre's popular hits.

President John K. Sauter welcomed the volunteers and other guests and extend special thanks to Carolyn Sauter who submitted the winning campaign slogan "OPEN YOUR HEART - DO YOUR PART".

Dr. Glenn C. Lehr, Jr., Campaign Chairman, introduced the division chairpersons who in turn introduced their captains and solicitors.

Dr. Lehr stressed that this year the challenge facing the campaign team is greater than ever. However he expressed confidence that the citizens of the Manchester area will again wholeheartedly respond to the need and contribute their fair share to the United Way which helps support 36 local, county, state and national health and community programs. He emphasized to the campaign workers the necessity of getting the campaign off to a fast start and to report contributions and pledges promptly on a weekly basis.

Mary Munson reviewed the campaign materials contained in the solicitors kits and outlined procedures to be followed by solicitors, captains and division chairpersons.

John B. Swainson, former Governor of Michigan, now a resident of the Manchester area, was the featured speaker. Swainson praised the spirit of the people of Manchester and congratulated them for their community pride, a community which takes care of its own. He emphasized that now it is so important that we all become volunteers.

Following benediction by Reverend Figgins the happy and dedicated volunteer campaign workers left the meeting with a vow to again this year meet their assigned campaign goals.

Hit Or Miss by farley

Bureaucracy as a part of our government is very important. It is as you know, a form of speech and writing used by one department in speaking to another. When a government official speaks to another about "prioritizing" and "parameters", he is speaking bureaucratize, and columnist Rom Rooney has an explanation of and a meaning of it.

He thinks it has to do with money. Most things do he says. And money in official terms means how much an agency can squeeze out of Congress, which in turn squeezes it out of the taxpayer.

Agency spokesmen continues Tom, are afraid of Congress. They are terribly afraid that if they found out what the various bureaus and departments are up to they would give these agencies far less than they are asking for and in some cases see just how worthless these projects are and would give them nothing.

So the bureaucrats disguise their thoughts. Take the word prioritize for instance, if it has any meaning at all, it

Township Removes 1% Collection Fee

The Sharon Township Board voted unanimously to remove the 1% collection fee on 1982 property tax. The 1% penalty fee will still be applied for taxes paid after the February 15 tax deadline. Taxes paid after that date are paid to the Washtenaw County Treasurer.

"Give Blood - Save Lives"

Monday, October 19, is "Give Blood - Save Lives" Day in the Manchester area. The Red Cross Bloodmobile will be at the Emanuel United Church of Christ on Main Street from 12:00 to 6:00 p.m. For thirty years the Manchester community has been participating in the Red Cross Blood Program and keeping abreast of the community's needs no matter where our residents were hospitalized from Florida to California.

Right now, blood is needed at all hospitals and the Red Cross offers this opportunity to give at a nearby location. There are many places in the area where people can make an appointment for the 19th. All local industries will be registering their volunteer donors this coming week. Recruiters in every church in the area have been busy signing up donors for the past week. Then there are Red Cross Bloodmobile displays in all three banks - Ann Arbor Bank and Trust on MS2, and Great Lakes Federal and National Bank of Jackson on Main Street. The IGA A & B Market is the fourth place one may register. Just fill out a card and put it in the collection box by the 14th and it will be returned to your home by mail by the 17th.

giving the exact time of your appointment. Donors who are 17 years of age must bring a signed parental release form with them to the clinic. Most people in good health, 18 through 65 years of age, can donate blood. There must be a period of 56 days between donations.

In case you find that you can not keep your appointment for the Bloodmobile, call Mrs. Alvin Kappler, 428-8024 or Mrs. Ica Schaffer, 428-7655 or on the day of the clinic call 428-7630. (This is the correct number. Last week's Red Cross story gave an obsolete number, by mistake.)

Mrs. Willard Mann, chairman-of-the-day, hopes that there will be 300 registered by the 14th in order that we may meet our quota of 225 to 250 pints that are needed at this time.

There will be a Nursery at the church for parents to leave their children during their time of donation. The Jaycees Auxiliary will be in charge of this helpful addition to the Bloodmobile.

And if you have not been able to register, please call that day and make an appointment or come ar.J wait your turn - it won't be long.

Optimists Elect New Officers

James T. Scully has been elected, President of the Manchester Optimist Club for the 1981-82 program year. He succeeds Loring F. Ebersole.

Scully, a life long resident of Manchester, is Sales Manager of the Power Unit Division, Double A Products, a subsidiary of Brown & Sharpe Mfg. Co. He is a member of St. Mary's Catholic Church, the Knights of Columbus and is active in many community programs.

Mr. and Mrs. Scully, parents of four children, reside at 516 City Road.

Rev. Robert MacFarlane is the newly elected Vice President and Theodore H. Tapping, Jr. was re-elected Secretary and Treasurer. Larry Becketl, Bruce Hunt and Willard Mann are newly elected members of the Board of Directors for two year terms. Ed Barnard, Merrill Korth and John Rigg continue as Board members for the coming year.

The 50 club members meet at 6:30 P.M. on the second and fourth Monday of each month at the Fellowship Hall of Emanuel United Church of Christ. The club, a "Friend of Youth", sponsors many programs and activities throughout the year including the Steer Club, Outstanding Citizens Program, Boat Race and Manchester's nationally famous Annual Chicken Broil.

Fiber Arts

An exhibit named simply, "Fibers", seems hardly likely to contain much variety. One thinks of woven material hanging on stark gallery walls. In contrast, this exhibition, opening in the Manchester Art Gallery on Thursday, October 15, promises to be full of wall hangings as well as quilting, woven baskets, pillows, hand-embroidery, many handcrafted garments including hats, homespun and natural dyed woolen yarns, and more. Be sure to visit this unique collection of fine handcrafted fiber work.

"Fibers" will be on display through November 15. The Manchester Art Gallery is located adjacent to the lobby of the Black Sheep Repertory Theater, upstairs at 138 E. Main Street, Manchester. Hours for the show will be: Thursday - Saturday, 7:30-9:30 p.m. and Sunday 3:30 - 5:15 p.m.

American Legion Auxiliary Meeting

The American Legion Auxiliary will hold their next meeting on Wednesday, October 14, 7:30 p.m. Installation of Officers will be held.

"Dealing With Stress" Program

If the stresses in your life are on the increase, this program is a must for you. Chelsea Community Hospital is pleased to offer a community education program

titled Dealing with Stress. The four-session program is scheduled for October 19, October 26, November 2 and November 9 from 4:00 P.M. to 5:00 P.M.

This program will cover the relationship between stress and disease, offer ways to control stress, and teach various relaxation techniques. To enroll in this program, call Barbara Steele, Director of Staff Development, Chelsea Community Hospital, 475-1311.

Cider Time

by Peggy J. Maleski
Fall is in full bloom. Thoughts are turning towards winter, but before winter comes, savor the taste of Fall with fresh cold apple cider.

In this area there is an old, reputable cider mill, Albers. The mill is family owned and has been in operation since 1890. The farm spans 15 acres. Forty varieties can be found on the trees. All apples are hand picked and care is taken to produce the best tasting cider around.

No preservatives are added, just apples. The cider stays fresh for approximately one week. The cider should be refrigerated or stored in a cool place for best results.

Albers Cider Mill opens the first Friday in September and closes the second week in April. The store also carries Indian corn, pumpkins, maple syrup and German pretzels. Samples of cold cider are available before your purchase.

The cider is delicious, but the short drive to the mill only adds to the fun. The iridescent glow of autumn is evident as one

travels the country roads. Albers Cider Mill located on 13011 Bethel Church Road, is open 7 days a week from 9-6.

Athletic Boosters

September 23, 1981
The Special Booster Meeting on September 23, was called to order by President, Tom Burch and the minutes of the last meeting were approved. The treasurer was absent, but he assured Tom he will be at the next regular meeting on October 7.

Tom indicated the main reason for the special meeting is the millage election coming up November 9. First though he said we need to replace a couple of Booster Officers. Delores Gebhardt was nominated for the position of Secretary by Jan Broeck. She was unanimously elected. Also Kent Talcott wishes to resign the Vice Presidency, as he is now a member of the Manchester Board of Education. Tom Golding and Al Gebhardt were nominated and after a quick vote, Tom Golding was announced to be the new Vice President.

We will be working to get as many people as possible to the October Booster Meeting. There will be a movie shown of one of last year's football games, and coffee and cookies will be served. Call and ask someone to attend the meeting with you. Perhaps if the Band Boosters were contacted, maybe they could work with the Athletic Boosters for the next few weeks.

Jane Talcott is our election Coordinator and Tom turned the meeting over to her, at this point. She had a good many suggestions and information we need to try to get the millage passed. Jane said it is important to be coordinated among ourselves and also through the Superintendents office. We should work to get people registered to vote before the deadline of October 13. Anyone needing an Absentee Ballot should get an application, which were passed out. We should get Endorsement Lists in Newspapers. Jane

discussed prices for publicity in different papers in the area. Remember a good way to get free publicity is by writing letters to the Editors. Also there is a County Veterans Parade on Sunday, November 8, just a day before the election that we could take advantage of to remind people to get out and vote.

Next there was a discussion on exactly what propositions that will be on the ballot, we should work at getting passed. Kathy Hagerman made a motion to back the total issue, 2 Bonding propositions and the millage increase, seconded by Al Gebhardt, motion passed.

Dave Little said the School Board appreciated the fact that the Optimist Club supports them and he hopes that more organizations would come out with an endorsement.

There is a Dance at the High School scheduled for October 16, put on by the Boosters. Jon Hardenberg will be the disc jockey and admission will be \$1.00 per person.

The Meeting was adjourned at 9:20 P.M. The next Booster Meeting will be October 7, 1981.

Respectfully Submitted,
Liz Malcolm

A Fireman's Prayer

When I am called to duty, God
Wherever flame may rage,
Give me strength to save some life
Whatever be its age.

Help me embrace a little child
Before it is too late
Or save an older person from
The horror of that fate.

Enable me to be alert and hear the
weakest shout,
And quickly and efficiently
To put the fire out.

I want to fill my calling and
To give the best in me,
To guard my every neighbor and
Protect his property.

And if according to my fate
I am to lose my life,
Please bless with your protecting
hand
My children and wife.

Grant Awarded For Performing Arts

Representative Mary Keith Ballantine announces the awards of a grant from the Michigan Council for the Arts to Association for the Performing Arts in Manchester in the amount of \$8,500.00. The public funds awarded will provide

financial assistance for strengthening and expanding operations. Council funding is not to be utilized for capital expenditures nor shall the participant utilize Council funds to supplant funds normally budgeted for operations diverting them to other purposes. Contractor further agrees to carry out said services in accordance with this agreement, program, guidelines and their grant award letter.

The Michigan Council for the Arts offers several grants programs and services supported by funds from the State Legislature and the National Endowment for the Arts. The Village of Manchester ZONING ORDINANCE Relating To Mobile Homes

Section 2501 MOBILE HOMES

A. PURPOSE
This section of the zoning ordinance is designed to establish regulations under which mobile homes may be used as single-family dwellings on lots outside of mobile home parks. (As used herein, the term "mobile home" shall mean a movable or portable dwelling constructed to be towed on its own chassis and designed for permanent year-round living as a single family dwelling. Provided, however, that the term "mobile home" shall not include motor homes, campers, recreational vehicles (whether licensed or not as motor vehicles) or other transportable structures designed for temporary use and which are not designed primarily for permanent residence and connection to sanitary sewage, electrical power and portable water utilities.) It is hereby recognized that other forms of manufactured housing, commonly referred to as prefabricated, modular, or sectional housing, among other names, are and have been permitted in the Village of Manchester on individual lots, in any zoning district in which single-family dwellings are permitted, provided such units comply with the adopted building code and zoning requirements. This section intends to treat mobile homes in a similar fashion, while recognizing the unique features of their construction. The regulations contained in this section are specifically designed to:

1. Insure compliance of mobile homes on individual lots with all zoning regulations applicable to all other single-family dwellings permitted in the Village of Manchester.
2. Insure compliance with the National Mobile Home Construction and Safety Standards Act of 1974 (Title VI of PUB. L. 93-383, 88 STAT. 700, 42 U.S.C. Section 5401, et seq) and all Village of Manchester codes, in addition to the zoning ordinance, for the protection of the public health, safety, and welfare.
3. To be aesthetically compatible with other single-family dwellings in the community.

B. STANDARDS AND REQUIREMENTS
A mobile home may be used as a single-family dwelling on a lot outside a mobile home park, if the following standards and requirements are met. These standards and requirements shall not apply to a mobile home located in a licensed mobile home park.

1. The lot shall be located in a zoning district which permits single-family dwellings.
2. The lot and the mobile home shall comply with all regulations of the zoning district in which located.
3. The mobile home shall meet all requirements for residential mobile units, as provided in the National Mobile Home

Thursday, October 8, 1981 The Manchester Enterprise Page 5

Construction and Safety Standards Act of 1974 (Title VI of PUB. L. 93-383, 88 STAT. 700, 42 U.S.C. 5401, et seq).

4. The mobile home shall be placed onto a permanent foundation wall. The wall shall meet all requirements of the Michigan State Construction Code and shall completely enclose the area under the mobile home. The area so enclosed shall not be less than the ground floor area of the mobile home. The mobile home shall be anchored and meet all State of Michigan requirements.
5. The wheels, tongue and hitch, or other towing appurtenances, shall be removed before attaching the mobile home to the foundation wall.
6. The mobile home shall be connected to public water and sanitary sewer lines, where available, according to Village of Manchester standards and specifications, or to a well and septic tank approved by the County Health Department.
7. The mobile home shall be aesthetically compatible in design and appearance with conventional on-site constructed housing, and other types of approved manufactured housing. Compatibility shall be determined by the following standards:
 - a. Exterior walls shall be finished with natural or simulated natural materials, common to single-family dwellings, such as but not limited to beveled siding, vertical siding, board and batten siding, or brick.
 - b. Front and rear or front and side exterior doors.
 - c. A roof drainage system which will collect, and concentrate the discharge of, roof drainage, and will avoid roof drainage along the sides of the dwelling.
8. A building permit shall be required for construction of the foundation wall, for placement of the mobile home on the lot, and for any addition to the mobile home. A building permit shall not be issued until a health permit has been issued by the County Health Department, where applicable and until a certificate of zoning compliance has been issued in accordance with Article 58, Section 58.04 herein and is in effect. The mobile home shall not be occupied until a certificate of occupancy has been issued as provided in Article 58, Sec. 58.06, herein and is in effect. Any addition to a mobile home shall meet all requirements of the Michigan State Construction Code if the addition is of conventional construction (stick built). If the addition is constructed by the mobile home manufacturer, then it shall meet the standards in Subsection 3 above.
9. The mobile home, prior to any additions, shall have a minimum floor area of 1,000 square feet, a minimum exterior width of 24 feet for at least one side elevation, and a minimum floor-to-ceiling height of 7.5 feet. Expando rooms are considered additions for the purpose of this ordinance.
10. Not more than one mobile home shall be used as a single-family dwelling on a lot, nor shall a mobile home be placed on any lot on which another single-family dwelling is located. A mobile home shall not be used as an accessory building in any residential district.
11. A mobile home shall not be removed from a foundation until a permit therefore has been issued by the building official, in accordance with the Michigan State Construction Code.
12. Outdoor storage shall be prohibited.

C. REPEALER
Any and all Ordinances and resolutions of the Village inconsistent with the terms of this Ordinance and specifically Article 3.0, Section 3.12, entitled MOBILE HOMES prohibiting the use of trailers or mobile homes except in approved mobile home parks, shall be and is hereby repealed.

D. EFFECTIVE DATE
This Amendment to the Zoning Ordinance of the Village of Manchester shall become effective thirty (30) days from the date of publication.

COUNCIL PROCEEDINGS

September 21, 1981 Council met in regular session with the meeting called to order by President Schaffer at 7:05 P.M. Present were: Hinkley, Koebbe, Minick, Petsch, Reed, Smith, Steele, Zsenyuk.

Minutes of the September 8, 1981 meeting were read, corrected and approved in a motion by Petsch, supported by Hinkley. All yeas, motion carried.

Mr. and Mrs. Robert Popkey were present to request credit for invoice #1279 for \$64.00 which they had paid for having their sewer rodded twice, then in a month their sewer had to be dug up. After a discussion it was moved by Reed, supported by Petsch to deduct the \$64.00 from an invoice for work done on August 19, 1981. All yeas, motion carried.

Mrs. Popkey questioned why they had to wait two days with sewage in their basement. She was informed that at the time she had been advised to get a private contractor as the Village is not in competition with private contractors and only helps out a resident in an emergency due to the work load in the Village.

Mr. Mike Stoner was present to request permission to use a 1 in. copper tubing to connect onto the water main on Territorial St. from his new house on Washington St. Permission was granted by Council. Sealed bids for the asphaltting on Main St. were opened by Pres. Schaffer.

Mr. Gary Hanks of Thompson-McCully and Mr. Robert Harrington of Cunningham-Gooding were present to discuss the terms of their quotations for asphaltting Main St. from Union St. to Territorial St. Prices quoted: Cunningham-Gooding \$29,856.00; Thompson-McCully \$28,134.00. Schaffer Court prices quoted: Cunningham-Gooding \$19,110.30; Thompson-McCully \$18,394.00. Exit Mr. Hanks and Mr. Harrington. Moved by Koebbe, supported by Reed to accept the bid for asphaltting Main St. of Cunningham-Gooding for \$29,856.00 which included more of what was wanted and included surface preparation to the curb line. All yeas, motion carried. No decision was made on the bids presented for Schaffer Court.

Discussion was held on asphaltting the following streets: Union St. - from Main St. to Madison St. Macomb St. - from Main St. to Madison St. Washington St. - from Main St. to Madison or RR Grade. Council members were to make a survey of the streets and make a report to Zsenyuk on September 22, 1981. Zsenyuk to call Cunningham-Gooding and Thompson-McCully for quotes on the asphaltting of the streets. A special meeting will be held on September 28, 1981 at 8:00 P.M. for a decision.

A letter was presented from Gary Reed about paving Vernon St. It was the decision of Council not to make a contribution to the Manchester Band Boosters.

Zsenyuk reported there had been a problem with the new trash containers at the landfill. The president of Hesco Refuse Equipment Corp. will be in town on September 24, 1981 to check the containers.

A review was made of the West Main St. and Adrian St. Stormwater Study. No decision will be made on the stormwater run-off problem until it is known what the renovation of the Manchester Mill will consist of.

A survey of a list of trees that need to be trimmed and removed in the Village with a quotation of equipment and labor was reviewed. Moved by Koebbe, supported by Hinkley to accept the bid of Shepherd's Tree Service. All yeas, motion carried. A list of trees scheduled for removal to be published in the Manchester Enterprise.

The CETA program will be discontinued as of September 30, 1981. James Baker will be hired as a regular employee as of October 1, 1981 at his present rate of salary. Review will be made in January, 1982.

Smith questioned how many times to charge a resident for rodding a sewer. It was Councils decision that a resident be billed for all calls for work done.

Public Works activities as reported by Koebbe included: Installed water meters; Mowed Village grounds; Patched streets; Cleaned at the landfill; Swept streets;

Hit Or Miss

means merely "give us the money in a hurry", but it sounds much better and very impressive and nebulous and can confuse most Congressmen, many of whom have enough trouble with the everyday words used in the English language. This language is a fence between the government's world and the real world. The various agencies don't want to tell the public, with the assistance of Congress, what they are really doing, for that could result in serious accidents to them or even in sudden death.

As an example Tom enclosed a clipping from an English newspaper which contains a brief account of the bizarre language developed by the space people, who seem to need a peculiar language more than many others. This here language is known as Nasaspeak.

A news release by NASA in the recent space shuttle informs us that "the orbiter experiments program is providing research-dedicated experiments to record specific research-quality data."

The prime objective of these experiments is to increase the technology for development of future (21st century) space-transportation systems such as single-stage-to-orbit heavy-lift launch vehicles and orbiter transfer vehicles that could deploy and service large automated multi satellite platforms and a manned permanent facility in each orbit."

Now there you have a whole mouthful of words all in one sentence. NASA explains that they use a practical and precise language, even if it isn't English. They say they don't use the word "weightlessness" any more because nowhere in the universe is there a spot totally without gravity. Their substitute is "a microgravity situation".

The shuttle launch recently broke down because of a troublesome computer, no NASA spokesman admitted it in English. They merely said that the shuttle had "gone into a temporary malfunction mode" and this is an example of their plain English.

And also the astronauts do not leave their ship. They repress the orbiter. They do not go to the john, they go to a "waste management area."

I like Mr. Rooney's theory. To be fuddis is perhaps the most important function of an agency like NASA. It is a patriotic service. To put to sleep the members of the House and Senate appropriations committee is surely a patriotic service. And so for doing so such things like space shuttles are evolved.

Malcolm Baldrige, Commerce Secretary urges plain English and had banned such favorite Washington words like "orient", "finalize", "viable", and "priorize". He also resents turning adjectives into verbs such as to interface, and to impact.

But all in all perhaps we had better in the not too far distant future, teach courses in "Bureaucratize". We're going to need it to find out just what is now going on-in Washington-I wish I did.

Weight Reduction Classes Offered

Chelsea Community Hospital is pleased to once again offer a series of ten weight reduction classes that will begin the week of October 4, 1981. The classes are 10 weeks in length. Topics to be covered during the 10 weeks include low calorie cooking tips, exercise and weight reduction, shopping tips, eating out on a low calorie diet, normal nutrition, and information on fat diets. Particular emphasis will be given to assessing behavior modification techniques helpful to each person's weight reduction program.

The course will be taught by Julie Say, R.D., Community Nutritionist and Karen Fyett, R.D., Clinical Dietitian.

Each registrant will receive a personalized diet, knowledge of using behavioral techniques useful in controlling weight, and increased knowledge in nutritional aspects of weight reduction.

Community members who attended the spring series of weight reduction classes enjoyed learning about topics offered in the program. Class members were also pleased with their success in weight loss. The average weight loss for each participant was 1 pound per week.

A registration fee of \$35.00 is charged to cover costs of the ten class series. Afternoon classes will be held at Chelsea Community Hospital, 775 South Main Street at 4:00 p.m. each Tuesday. Evening classes will be held at The Methodist Church of Chelsea, located at 128 Park Street on Thursday evenings at 7:00 P.M. For information about class registration, phone 313-475-1311, Ext. 361.

Baha'i Convention

On Sunday, October 4, 1981, the Baha'is of Jackson, Michigan hosted the 1981 annual District Convention for the Baha'is of Mainland, Michigan. Approximately 400 adults and children attended the convention which was held at Jackson Community College. Attending from Manchester were Tom and Nancy Rykwalder, and their daughter Emily. On the same day, members of the Baha'i Faith throughout the United States attended their State or District Convention.

The purpose of the convention was to elect delegates who would attend the National Baha'i Convention in April 1982 in Chicago, Illinois to represent Mainland, Michigan in the election of the nine member National Spiritual Assembly, the governing body of the Baha'is of the United States. One of the unique features of the state and national elections is that they bar nominations and prohibit any form of campaigning or electioneering. Instead, the Baha'is prayerfully consider the spiritual and professional qualities necessary for those people designated to represent them and to administer the affairs of the American Baha'i Community and make their selection by secret ballot.

Another unique feature of the annual convention is the practice of "consultation", which Baha'is consider the centerpiece of their administrative system and community affairs. Consultation accords respect and worthiness to every point of

view and encourages every member of the Baha'i community, in whatever forum they operate, to make an open, forthright and dispassionate contribution to the matter under consideration. At their convention, the Baha'is, through consultation, collectively seek the best result, rather than express personal attachment to any program, ideology, or point of view.

Adherents of the Baha'i Faith are located in over 7,000 localities across the United States. The Faith was founded in Iran during the mid-nineteenth century by Baha'u'llah, whose name means "Glory of God". Baha'u'llah taught the oneness of God, the oneness of religion, and the oneness of humankind. In His writings, Baha'u'llah promulgates the equality of men and women, the essential harmony of science and religion, economic justice based upon spiritual principles, the independent investigation of truth, the urgent need for the elimination of all forms of prejudice, universal compulsory education, an international auxiliary language, and a world government for the maintenance of a lasting peace.

Fall Fun Festival

Once again, Klager will hold their festival for those young and old who live in and around the community. Mark Friday, October 23 down on your calendar from 6:00 - 9:00 p.m. Come and join us for lots of fun. Watch in next weeks paper for more details.

School Holds Immunization Clinic

Rachel Rodriguez bravely prepares for her shot while Danny O'Dall and Wanda Newell wait their turn.

Manchester High School was the sight of the Immunization Clinic on September 23. The Manchester Schools in conjunction with the County Health Department made the service available to all students. Over 300 immunizations were given for rubella, measles, oral polio, and others.

Parents from the high school, middle school, and elementary volunteered 2-3 days each to assist in the organization of

the clinic. Volunteer parents were: Jane Barbour, Cynthia Seale, Mary Sue Moore, Nancy Feldkamp, Marley Pagel, Harold Settles, and Sallie Anderson. High school students Becky Broeck, and Kelly Gotts also helped.

School health nurse Wanda McGleason and Gary McClain from the Health Department coordinated the clinic.

Optimist Club Outstanding Citizen

Pictured: Rev. Macfarlane, Optimist Member. Christina and parents Mr. and Mrs. Richard Opal.

Christina Opal, eleventh grade daughter of Mr. and Mrs. Richard Opal, 11670 Bemis Road, has been named the Optimist Club Outstanding Citizen for the month of October.

Chris has participated in the High School Varsity Choir for three years and has also been active in the Christian Youth Ministries Choir at the Milan Free Methodist Church. She has also served as the Church's youth group reporter for the conference newsletter.

Among her hobbies, Chris is partial to musical activities such as playing the piano and singing, reading, writing and drawing.

Historical Societies "Old Time Apple Fest And Tasting"

Every country boy and girl over the age of fifty has a favorite old time apple. The orchard was an important part of every farm and homestead. And our ancestors cared for the apple trees as carefully as their vegetable gardens or chicken flocks. They relied on those bushels of apples and barrels of cider to help them through the tough winters. What has happened to those old time apples with their romantic - sounding names?

Come to the October meeting of the Manchester Area Historical Society at Emanuel Church Hall, Monday, October 19 at 8 p.m. for an "Apple Fest and Tasting". Mrs. Nathan A. Alber will give the history of Manchester's oldest Orchard and Cider Mill. There will also be a sketch of the Johnny Appleseed story.

The longest listing of old and new apple varieties brought to the meeting, will earn the winner a basket of Jonathons. Members and guests will also be in line for door prizes.

For the "Tasting", refreshments will feature an assortment of apple recipes.

The membership will also be given information on possible purchase of the John Schneider Blacksmith Shop as our headquarters and museum. Come and help by registering your opinion on this project.

Don't miss this special evening with the Manchester Historical Society.

She is uncertain of her plans after high school graduation but hopes to attend college. In college Chris will likely make music part of her course of study.

Hit Or Miss by farley

Once in a while I hear or see printed a short tale that I think is rather humorous or clever so I cut them out or write them down and toss them into a large envelope and then when the envelope starts to bulge we get it out and look over our collection and so we would like to share with you what seems to be the best of the mess, so here goes:

Ran across Ben Creason the other day when we went to deliver to him a batch of cards which we had carefully wrapped with a generous quantity of string. When he saw it he smiled broadly and said "Oh goody, now I can save the string. You know I once had an aunt who was a chronic string saver. She had boxes of string that she had saved. One was labeled 'white string', 'one red string', 'one other color's and even one labeled 'string too short to save'".

Agenda

The Manchester Community Schools Board of Education will meet October 19, 1981 for their regular meeting. The agenda for the 8 o'clock meeting will be:

- I Roll Call
- II Communications
- III Visitor Input
- IV Minutes of Previous Meetings:
 - A. Regular Meeting September 21, 1981
 - B. Special Meeting September 23, 1981
 - C. Special Meeting October 5, 1981

Pace Meeting October 14

There will be a PACE meeting Wednesday, October 14 at 8:00 p.m. in the High School. PACE stands for Positive Action in Community Education. All persons working for passage of the bonding and millage issues on the November 9 ballot who cannot attend the meeting may call 428-7117 or 428-8890. Contributions may be sent to PACE Treasurer Georgia Willson, 11433 Sheridan Road, Manchester.

First Aid Workshop Held For School Staff

Dr. Monty Okey and Dr. Virginia Johnson conducted a workshop on first aid that was open to all Manchester school secretaries, teachers, administrators, and other staff. The workshop, held on October 13, was designed to update school personnel on ways to best assist students who are ill or have accidents.

The Manchester Schools wishes to thank Dr. Okey and Johnson for volunteering their time to conduct this important seminar.

Manchester's United Way Volunteers

Pictured: Pam Alber, United Way solicitor; Diane Turner, Sharon Hollow #2 Captain and Wilma Bucholtz, United Way solicitor.

Manchester's United Way volunteer team is out in full force this month contacting business and industry leaders, organizations, outside businesses, village and rural residents and at the schools in their quest to reach this year's campaign goal of \$26,286.00. Over 100 men and women are giving of their time to assure the campaign's success for the 22nd consecutive year.

Be it rain or shine, day and night, driving and walking and calling back when necessary to be sure no one is overlooked Carolyn Sauter's rural team is on the march. She is confident her 50 captains and solicitors will meet their assigned goal of \$3680.00 before the campaign closes on October 31.

Mrs. Sauter's campaign organization is: Freedom #1 - Mary Sue Moore, Captain, Mary Wiedmayer, Betty Schneider, Marie Haab, Diane Williams, Ava Goff, Ellen Egeler and Julie Schaible. Freedom #2 - Mary Munson and Betty Herschelmann, Captains, Genevieve Lemon, Delores Dettling, Charmaine Plaus, Mona Pieske, Jean Davis, Betty Herschelmann, Louella

Weidmayer and Gail Roehm. Manchester #1 - Shirley and Holly Carpenter, Bonnie Barnard, Josephine Schlicht, Lynn Heath, Linda Harvey, Delores Runney, Delores Wolfe and Jan Peters. Manchester #2 - Mary Ann Fielder, Captain, Lehman Wahl, Gina Lentz, Cindy Kenner, Trudy Kensler and Jan Johnson. Sharon Hollow #1 - Nancy Houch, Captain, Joan Voytas, Joyce Hoeft, Sandy Knapp, Barbara Barth and Nancy Feldkamp. Sharon Hollow #2 - Diane Turner, Captain, Wilma Bucholtz, Marty Vassoff, Julie Zielinski, Ruth Blumenaer, Pam Alber, Mrs. John Schnornack and Charlene Goodell. Bridgewater - Mary Ahlstrom, Mary Krzyzaniak, and Mary Helen Davis.

Pam Alber is enjoying her first year's experience as a volunteer in the Sharon Hollow area. Diane Turner, Captain, has been campaigning for the United Way the past three years. Wilma Bucholtz is a "United Way Veteran" with fifteen years campaign seniority. Mrs. Bucholtz says "I believe in the United Way and I thoroughly enjoy doing my part".
